## Denison Firm Gets City Pavement Job, To Start August 4

Congratulations are in order to the Scandinavian countries that told Khrushchev he would not be welcome as a visitor. Despite their vulnerability if the unscrupulous, sullen and treacherous Soviet should decide to go on a rampage, those little nations had the integrity and spunk to back up their principles with firm statements. And, fortunately the top Kremlin gangster had the good judgment not to impose himself on them.

Only their good example had been shown about a year ago? Perhaps then this nation would have been inspired not to welcome the two deputy butchers who defiled our free soil with their presence. Though we can derive satisfaction from the fact that both failed utterly in their good will ventures, we could be more satisfied with the thought that we had kept them out.

Some things are axiomatic, among them the impossibility of our making any gains in the cold war by going along with a Soviet proposal. These cultural, athletic, economic, social and various other exchanges the reds strive so hard to promote are nothing but incidents to serve as smoke screens diverting our attention from the communist master plan of world domination. We play into their hands every time we extend or accept an invitation.

Needless to say Vice President Nixon's official visit will be as much of a dud as the other two. The reds will see to that. With their controlled press and radio, along with their controlled itinerary, they will arrange that the average Ivan gets the poorest possible impression of our visitor and his mission. His good will will be wasted because it will not be allowed to get across to the public.

Already we are hearing how the Russian people are being prepared for America's stupendous exposition in Moscow. A \$10,000 house displayed as a normal family home is scoffed as being far beyond the reach of the average American. So are the appliances and various other comforts we take for granted. In the end Ivan will think our show is as deceptive as the Russian show in New York. It's futile to buck reality. People who lie about their exhibits over here will not hesitate to spread lies about our exhibits over there. And it's not necessary to mention in what direction those lies will be slanted.

A good sample of their method was shown in the Tass news agency's handling of the recent Koslov visit over here. With complete honesty the guest was shown the poorer as well as the better side of American life, the slums as well as nicely developed areas. In the slums a battery of photographers was ready to picture him against the shabby background, but no photographers appeared to snap the more attractive background. It's hardly necessary to mention that these pictures will be used to the limit of their propaganda value. The cameramen apparently had other assignments also. With suspicious frequency they were on hand to snap their official against backgrounds of military or industrial importance. The procedure leaves little doubt that their interest was more in backgrounds than in their subject.

No matter how we look at the situation we always get back to the same conclusion. The odds are stacked against us any time we agree to go along with a Kremlin proposal. The red purpose is not to get along in peace and harmony but rather to stall us along until the time comes for them to make a bid for world domination. They use good will gestures and ill will gestures, anything to hold our attention while they go on relentlessly in their campaign for world supremacy.

The big argument about Berlin is another good sample of their procedure. While making a big issue of it Moscow is diverting some of our attention from current efforts to establish communism in Cuba and the Middle East or to crush Tibet's bid for freedom as it did Hungary's.

It is true, of course, that the Berlin problem is most important even though it also provides a smoke screen. Very truly the reds say the situation there is intolerable for them. Certainly it is, presenting as it does such a sharp contrast of the liberty, comfort and luxury of the West against the slavery and shabby

Tuesday August 4 is the probable date for starting the city's paving projects. At its regular meeting Monday night the city council set Monday, the third as the date for a public hearing, the final preliminary before work can get under way.

Mayor Herbert Meurer said the hearing satisfies a legal requirement that people have an opportunity to learn any and all facts about the proposed project and to object if they have a valid reason. Since few inquiries and no objections are expected the work can probably start immediately.

The contractor engaged for the job is H. M. Scott and Sons of Denison. Their work is to shape and pack the base, apply a coat priming material and two courses of asphalt and pea gravel and finally to press the gravel into the asphalt with a steel roller.

This roller treatment is preferred over allowing traffic to do the work. Since there will be less loose gravel to be shifted by traffic, or possibly by rain, it is likely that the overall job will be smoother and have fewer thin spots.

The charge to property owners will be 8 cents a square foot. This is the combined price for work done by both the contractor and the city. The contractor's charge to the city will be 55 cents per square yard for its part of the job and the city has added 17 cents to cover its cost on base gravel and grader work. In a few days every property owner involved in the paving project will receive an itemized charge for his part of the work. Checks are to be submitted promptly and are to remain in escrow until the work is finished.

As the city records show up to now, there will be three jobs of new pavement and two resurfacing jobs. The principal one is Hickory Street which will be full width, from curb to curb, the six blocks from Highway 82 to the cemetery. Another is one block on Second from Hickory to Pecan, and the third is widening existing pavement on First between Main and Oak and also a parking area at the Enterprise. Resurfacing will be applied on two blocks each of Elm and Second.

Other projects can still be worked up, but time is running short. Requirements are that each must be at least a block long and the pavement must be to something solid at each edge, a curb at one side and either curb or existing pavement at the other side.

## Local News BRIEFS

"Everything you're supposed to see, plus many other interesting sights" was what the C. J. Kaisers saw when they spent a ten-day vacation in Miami, Florida. With them were their children Melvin and Joanie and Larry Kathman. Mrs. Kaiser and the three young people are ocean minded and spent a lot of time on the beach. Their hotel was sea-side. The trip was an all-expense paid tour provided by the insurance company for which Mr. Kaiser works. Entertainment for the ladies included style shows, luncheons and sight-seeing tours. Returning home via New Orleans was a lovely drive and they saw places of interest in the Crescent City.

Returned from attendance at their niece's wedding in Milwaukee, Wis., are Mrs. Ervin Hamric and Mr. and Mrs. John Wieler and daughters, Juanita and Jean. They were among guests at the marriage of Mary Gayle Billingsley, daughter of Mr. and Mrs. H. C. Billingsley of Ardmore, Okla., and Anthony Gagliano of Milwaukee. Some 450 relatives and friends were at the wedding reception and dinner after attending the nuptial high mass.

Mr. and Mrs. John Tucker of Houston are on vacation with relatives in Cooke County and are also visiting relatives in Denton. While in Muenster they are guests of their daughter and family, the Joe Tempels. Mrs. Tempel and five daughters visited her parents in Houston a week before they came here and they all enjoyed a trip to Galveston, then came to Muenster together.

## Scouts Ready to Go On Texoma Campout

Principal business at the Monday night meeting of the Boy Scout troop was making plans for the week's outing at Lake Texoma Scout Camp the last week of this month. Scoutmaster Nick Miller and 16 members of the troop are getting ready for the campout which will stress water safety, water sports, life-saving courses and fishing and swimming for fun.

Scoutmaster Miller has announced that a board of review has been set for August 17 and Scouts who qualify will receive their awards at a field mass scheduled for Sunday, Sept. 6. This will be held at Voth's Lake, and will be part of a three-day hike and campout planned for the Labor Day weekend. Parents will be invited to attend the mass.

## WITH THE MEN IN SERVICE

### Expert With M-1 Rifle

Army Specialist 4 Douglas Doughty, son of Mr. and Mrs. Joe Doughty, route 1, Muenster, recently qualified as expert in firing the M-1 rifle while assigned to the 521st Engineer Group in Kaiserslautern, Germany. Douglas, 21, is a clerk in the group's Headquarters Company. He entered the army in July 1957 and completed basic combat training at Fort Carson, Colo.

### Joins Husband

With San Juan, Puerto Rico, as her destination, Mrs. John Caughey left by plane Friday to join her husband at Ramey Air Force Base at Quebradillas. He met her at San Juan. It was the former Anselma Kathman's fifth trip to Puerto Rico. She had been here visiting her mother, Mrs. John Kathman. The new address is A-3c John Caughey, AF16557-673; 72nd O.M.S.; A.P.O. 845, New York, N.Y.

### At Fort Riley, Kansas

Mrs. Curtis Holland writes from Fort Worth to let friends of her brother-in-law, Johnny Holland, know that he enlisted in the army and has been assigned to Fort Riley for basic training. His address: Pvt. Johnny M. Holland, RA 18572807, Co. D, 2nd B. G., 12th Inf., 1st Inf Div., Fort Riley, Kansas.

## 12 Foot Stalk Wins Tall Corn Contest For Roy T. Martin

Roy T. Martin of Sivells Bend is the 1959 Tall Corn champion of Cooke County. His 12 foot stalk was the winner of a contest sponsored Monday by the Cooke County Farm Bureau.

Next tallest stalk, measuring 11 feet 8 1/2 inches, was entered by W. F. Dougherty and John Rivoire, also of Sivells Bend.

Third place was awarded to Frank Neu of Valley View on his stalk measuring 11 feet 8 inches.

Others placing in the contest were T. A. Settle of Rosston with a stalk of 11 feet 1 1/2 inches; Alvin Blakely of Muenster, 10 feet 5 1/2 inches; and J. W. Fleitman of Muenster, 9 feet 10 1/2 inches.

After the judging the corn specimens remained on exhibit in the Farm Bureau office for the rest of the day.

## Women's Interests In Europe Noted by Mrs. Rudy Hellman

Travel through Europe is Mrs. Rudy Hellman's idea of a good summer — especially when the trip's highlight is being with one's grandchildren and their parents. Since she returned Mrs. Hellman has been delighting friends with first hand reports on life abroad.

Her impressions and observations differ somewhat from those of her husband inasmuch as she was seeing things through a woman's eyes. And her recounting of experiences brings requests of "tell some more."

Fashions, customs, hair styles, cooking, and home and social life of European women were especially noted. A more detailed account of her trip will be told in another issue of the Enterprise.

Nicest of all was being with her son and family, the Monte Hellmans at Neubrucken, Germany and it was especially to see them that the couple made the trip. Mr. and Mrs. Hellman left June 3 going over by ocean liner. He returned by plane after three weeks and she came home by air July 16.

## Area Favored by Mild Temperature And Good Moisture

The weather man is smiling on Muenster lately . . . on both its people and its crops. Along with temperature that is more pleasant than the average for July, the area has been getting more than the normal rainfall.

Following a total of 5.70 inches in June, the moisture to date for July measures 2.60, and soil condition is well above average for this time of the year. A bumper corn crop is practically assured, pastures are good, more hay cuttings are in sight.

The past week end brought the greater part of July's moisture. Last Saturday afternoon Muenster was included in a thunderstorm area that covered much of North Texas, drenching Wichita Falls with over 5 inches and Gainesville with over 3 inches. Actually the measure of 1.52 taken on the city's gauge was about the lightest for the community. Readings were higher on all sides, about three inches south of town. Rain Monday added another .40 inch.

The year's moisture measure up to now stands at 14.57.

## Attend State FFA Meeting in Austin

It was more than a convention according to Doug Hellman and Kenny Fette who attended the annual state meeting of Future Farmers of Texas in Austin the past week. Chapter Adviser Glenn Hellman went with the boys leaving Tuesday and returning Friday.

Doug received his Lone Star Farmer Award in person but three other honored members of the Muenster chapter were prevented from attending. They are Ferd Haverkamp, Donny Trubebach and Roger Fleitman also Lone Star Farmer degree winners.

In addition to business sessions the convention provided sight-seeing tours, a visit to the Senate and House of Representatives and swimming at Barton Springs.

## Blessed Events

Announcing a baby boy are Mr. and Mrs. Tommy Schenk. He weighed six pounds 12 ounces upon arrival at Gainesville Sanitarium Sunday, July 19, 5:55 p.m. and is a brother for Tommy Jr. and Brenda.

From Houston comes announcement of the birth of a five pound six ounce daughter to Mr. and Mrs. Ed Mason — a granddaughter for Mr. and Mrs. John Hartman and a sister for Johnny, Kathy and Nancy. The new baby who has been named Barbara was born July 17.

It's a third little girl for Mr. and Mrs. Henry Popp of Lindsay. The new arrival joined the family on July 15 weighing seven pounds 12 1/2 ounces. She's another great-grandchild for Mrs. Barney Voth and the granddaughter of Mr. and Mrs. Andrew Zimmerman, Gainesville, and Mrs. Anna Popp Lindsay.

An eight pound son arrived for Mr. and Mrs. Don Muller of Dallas Saturday afternoon, July 18. He's their first child and Don promptly phoned the good news to the grandparents here — Mr. and Mrs. Joe Vogel and Mr. and Mrs. Matt Muller. Mrs. Emil Vogel is the great-grandmother. Mrs. Joe Vogel left Wednesday to get acquainted with her new grandson and to visit in the Muller home a week or ten days.

It's a boy for Mr. and Mrs. Raymond Metzler, star route, Gainesville, a baby brother for their little girl. He weighed six pounds 11 1/2 ounces upon arrival at Gainesville Sanitarium July 15, 11:50 p.m. The grandparents are Mr. and Mrs. Phillip Metzler of Lindsay and Mr. and Mrs. John Corcoran of Gainesville.

Mr. and Mrs. Richard Arend of Lindsay are happy over the arrival of their daughter, a sister for Rickey. She was born Saturday, July 18, 1:45 p.m. at Gainesville Sanitarium weighing seven pounds ten ounces. Mrs. Lena Arend of Lindsay is the paternal grandmother and the maternal grandparents who live in Florida are Mr. and Mrs. A. H. Sides of Orlando. They are visiting in their daughter's home. The baby has been named Barbara Sue. Her uncle and aunt, Mr. and Mrs. Larry Yosten of Muenster are her godparents.

## Tornado Scatters Barn at Buckner's

A tornado that apparently hit the ground only once and confined its damage to a small area struck at the Buckner farm south of town during the thunderstorm last Saturday afternoon.

Herman Carlton, farm manager, said it scattered a barn in all directions and stripped leaves from trees for a distance of about 300 yards. That was the only area in which he found evidence of damage, and since he heard no reports of damage from his neighbors he assumed that the funnel dipped down only once. He was not home at the time.

Mrs. Carlton did not see the twister but she heard it. Like many others she says the sound reminds her of a freight train.

## NEWS OF SICK AND INJURED

Ricky Huchton spent his sixth birthday Wednesday being checked in at Baylor Hospital in Dallas and prepared for plastic surgery on Thursday. His parents, Mr. and Mrs. A. J. Huchton, went with him and stayed there. Ricky's doctor said he'd be hospitalized three or four days.

Mrs. Herman Eberhart has been in Fort Worth for a checkup by a bone specialist and learned that her left leg, broken in a car accident last February, is continuing to mend satisfactorily. The doctor told her to continue using a crutch for another month — she uses one crutch now — to keep weight off the injury. Meanwhile she's out and around and feeling well otherwise.

Mrs. Fred Hennigan Jr. has been dismissed from Gainesville Sanitarium following minor surgery.

Arnold Wimmer was dismissed from the Sanitarium Monday after medical treatment.

Admitted Monday to Gainesville Sanitarium was Pamela Walterscheid, daughter of Mr. and Mrs. Joe H. Walterscheid.

Henry Luke spent his birthday in Ward 60 at the V. A. Hospital in McKinney where he continues making progress toward recovery from illness. His birthday was Tuesday.

## Attend Last Rites For Glenn Bateman

Among relatives and friends at the funeral for Glenn Bateman at Saint Jo Sunday afternoon were his nephew, Leo Lawson, Mrs. Lawson and their children Margaret Ann and Jimmy, Mrs. C. M. Walterscheid and grandson Chris Walterscheid and Mr. and Mrs. J. W. Morrison.

Mr. Bateman, brother of former Muensterite Mrs. E. S. Lawson of Gainesville, was 47. He died in an Austin hospital Friday following a long period of ill health. He had been a resident of Gainesville 30 years.

Services were held at the Scott Funeral Chapel, Leo Lawson, Starling Lawson of Gainesville and M. L. McGowan of Hennepin, Okla., were three of six nephews serving as bearers.

## Norman Luke Takes Course at Houston

Norman Luke, assistant to the comptroller at United Gas Corp. in Shreveport, La., has completed a six-week Southwest Executive Development Program at the University of Houston. A former Muenster young man, Norman is the son of Mr. and Mrs. Joe Luke.

The Executive Development Program, conducted three times each year, is a planned course of study designed for executives representing middle and top management levels who aspire to higher standards of individual performance.

The program consists of six weeks of full-time, intensive study covering ten areas of executive development.

## St. Anne Society to Mark Patron's Feast

Saint Anne's Society of Sacred Heart Parish will mark the feast day of its patron Sunday with group attendance at the 9 a.m. mass and reception of Communion.

In addition to the spiritual observance of the feast of Saint Anne the society will have a social Sunday night, joining members of Saint Joseph's Society in the Parish Hall after evening mass for a covered dish supper and table games.

## Community Meets Thursday to Hear About Factory Deal

A community meeting to be held Thursday night at 8 o'clock in the Parish Hall is the latest development in current efforts to establish a clothing factory here. Plans and the date for it were set last Friday night in a special meeting of fund solicitors in the City Hall.

Up to then funds invested in the project were near \$11,000, less than half the amount needed to bring the firm into Muenster.

Father Christopher Paladino, attending as a visitor to get acquainted with the proposal, said that it seemed to offer community wide benefits and therefore should be the responsibility of all the community. Accordingly he suggested having a meeting in the Parish Hall and said he would be glad to give his support. He also said that the principal reason for delay is lack of understanding about the firm and the industrial fund which is being organized to finance its location here.

The purpose of Thursday's meeting is to clear up any questions on those subjects, and also to point out the vital importance of industry to the area's continued progress. In that connection, Arthur Endres said the community should first revise its thinking on the project . . . that the firm in question does not need Muenster nearly so much as Muenster needs the firm. Likewise, that other towns are trying to attract it their way and Muenster must show an early and substantial interest or miss its opportunity.

A new development on the status of the deal was explained by Mrs. Louis Roberg, personnel supervisor of Raden Mfg. Co. of Gainesville, which is the firm concerned. She said first signs were that the company would leave Gainesville, and considered moving here. Now the plan is to expand rather than move, and Muenster is favored as the location of the second plant.

Regarding the method of financing, it was pointed out that the present goal is to acquire investment capital to form a non profit industrial foundation which will lend the money to the factory. Until the foundation is organized the money is in escrow under supervision of Father Christopher, Andy Hofbauer and Vincent Felderhoff. After organization it becomes the responsibility of the directors who are to be elected in a general meeting of the investors.

Earl Fisher said that conditions of the deal are already agreed upon, and the present goal is to raise the capital and form the organization to complete the transaction. The loan of \$25,000 is to be free of interest and is to be repaid at the rate of \$500 a month beginning with the thirteenth month. As money returns to the fund it is to be invested in bonds or savings accounts and its earnings applied against expenses of the foundation. At the end of five years each investor may exercise an option to get his money back, or his prorated share if the full amount is not available then.

Date for the organizational meeting of the industrial meeting has been set for Thursday night of next week. Every member who invests, whether the amount is the minimum of \$100 or several times as much, will be entitled to one vote in electing a board of trustees, which in turn will elect its officers. The men elected then will be listed in the application for the foundation's charter and will also serve as its first directors.

## Janice Berry Will Receive State Fair Four-H Honor Award

Janice Berry, daughter of Mr. and Mrs. George Berry of Rosston, will represent Cooke County 4-H Clubs at the State Fair Honor Awards banquet on Oct. 16 and will give the response at the dinner program.

Each year the Fair Association sponsors an awards banquet for outstanding 4-H Club members. Future Homemakers and Future Farmers and their parents and each participant receives the State Fair Honor Award.

Miss Berry was selected for her outstanding demonstrations, leadership and cooperation. Yvonne Jenkins, assistant home demonstration agent, will accompany Janice to Dallas and they will also be guests of the Fair Association on Rural Youth Day, Oct. 17.

**AN ORDINANCE**  
AN ORDINANCE APPROVING AND ADOPTING THE WRITTEN STATEMENT OF THE PAVING CONTRACTOR SHOWING ESTIMATE THE TOTAL COST OF PAVING IN AND ON HICKORY STREET, THE ESTIMATE COST PER FOOT PROPOSED TO BE ASSESSED AGAINST THE ABUTTING PROPERTY AND THE REAL AND TRUE OWNERS THEREOF, AND THE ESTIMATES OF VARIOUS OTHER COSTS FOR THE IMPROVEMENT OF PAVING HICKORY STREET AS HERETOFORE ORDERED BY ORDINANCE; DETERMINING AND FIXING THE PORTION OF SAID COSTS AND THE RATE THEREOF PROPOSED TO BE ASSESSED AGAINST AND PAID BY SAID ABUTTING PROPERTY AND THE REAL AND TRUE OWNERS THEREOF AND THE PORTION OF SAID COST TO BE PAID BY THE CITY OF MÜNSTER, TEXAS; ORDERING AND SETTING A HEARING AT 8 P.M. ON THE 3RD DAY OF AUGUST 1959 IN THE COUNCIL CHAMBER OF THE CITY HALL IN MÜNSTER TEXAS AS THE TIME AND PLACE FOR THE HEARING OF SAID REAL AND TRUE OWNERS OF SAID ABUTTING PROPERTY AND ALL OTHERS INTERESTED IN SAID PAVING PROJECT AS HERETOFORE AUTHORIZED BY THE CITY COUNCIL AND DECLARING AND PROVIDING THAT THIS ORDINANCE SHALL TAKE EFFECT IMMEDIATELY UPON PASSAGE:

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MÜNSTER, TEXAS:

SECTION I. Whereas the City Council has heretofore passed, approved and adopted an Ordinance to make improvements upon Hickory Street, within the City of Muenster, and Whereas, a portion of said improvement has been completed in so far as the curb and gutters thereon are concerned, after duly having notices and hearing thereof, and

Whereas, said street is now prepared and ready to be paved, and the cost of such pavement is now available as received by the City Council upon bids

Therefore, the City Council of the City of Muenster, Texas, as heretofore duly enacted on the 19th day of January A. D. 1959, determined the necessity for, and ordered the improvement of portions of Hickory Street. Said portion of Hickory Street to be improved, designated by use as follows: Beginning with Division Street and continuing north to Sixth Street.

(b) That a notice duly executed in the name of the City of Muenster of the enactment of said above described ordinance has heretofore been filed with the County Clerk of Cooke County, Texas, the county in which said City of Muenster is situated, on the 24 day of April 1959.

(c) That a similar notice is now being filed with said County Clerk to establish the complete improvement, including curb and gutters as well as the paving upon said street;

(d) That said City Council after hav-

ing duly advertised for bids in the manner required by law and the charter of said city, did award contract for the construction of the paving improvement to H. M. Scott Company of DeLeon, Texas, upon the basis bid therof; and said contract is dated the 20th day of July, A. D. 1959, was adopted and approved by said City Council on the 20th day of July 1959.

(e) That the City Council has caused the Water and Sewer Superintendent and or City Street Commissioner to prepare and file estimates of the cost of such improvements and estimates of the amount per foot to be assessed against the property abutting said streets within the limits of said city, and the legal and true - real owners thereof, and said estimates has been filed with the City Secretary, which information has been examined and approved by said City Council.

SECTION 2 The written statement and report of the Water and Sewer Superintendent and City Street Commissioner heretofore filed with the City Council showing the estimated total costs of all the improvements for the total construction of the paving, showing the amount per front foot proposed to be assessed against the abutting property and the real and true owners showing the total estimate relative thereto, having been received and examined by the City Council, said report and the estimates therein shown are hereby in all respects approved and adopted; and it is hereby found and determined by the City Council that the estimated amounts of the respective items of cost of said paving is as follows:

Total estimated cost of paving proposed to be assessed at a cost of \$3.60 per running foot, of which the abutting property owners are to pay an estimated sum of \$1.80 and the city to pay an estimated sum of \$1.80 for the total construction of the paving. In addition to the cost of the city, the city shall make the necessary fills, grade and prepare the street for paving. This provision being heretofore adopted by the City of Muenster as authorized by the Revised Civil Statutes, under Article 1105b of the State of Texas.

The city shall pay all of the cost of drainage installation wherever located, all the excavation cost, base preparation and the paving of intersections or alley ways, on the same basis as heretofore agreed and adopted for the paving of curb and gutters of said Hickory Street. No assessment shall be made against any abutting property owner thereof for costs in excess of the benefits to such property in enhanced value thereof by means of such improvements. The amounts of such assessments shall constitute a first and prior lien upon all such properties and a personal liability of the true and real owners thereof, whether, whether correctly named or not and shall be payable as follows:

When the improvements herein ordered for the paving of Hickory Street has been completed and accepted by the City of Muenster, the amounts of the assessment against each parcel abutting thereon and the real and true owners thereof shall be and become payable, which payments may be paid in cash upon presentation of their pro rata part thereof, or which may be paid in installments over a twelve months period, together with interest at the rate of five per cent, providing further that if default is made in any agreed installments of principal or interest as same matures, then at the option of the holder of said obligation, the entire amount shall become due, together with a reasonable amount for attorney's fees and all collections costs incurred.

SECTION 3 A hearing shall be held and given to the real and true owners of, and all owners or claimants any interest in any property abutting upon said streets in and along said Hickory Street as to the assessments and amounts assessed against each parcel abutting property and the real and true owner thereof, and as to the special benefits, if any, to said property to be received from said improvements, and concerning any error, invalidity, irregularity or deficiency in any proceedings or contract concerning any matter connected therewith, which hearing shall be held by the City Council of Muenster in the City Hall at Muenster, Texas, at 8 p.m. on August 3, 1959, at which time and

place all persons, firms etc., owning property abutting on said street, shall be notified to appear and to be heard in person or counsel, and may offer evidence; and said hearing may be adjourned from day to day and from time to time and kept open, until all evidence and protests have been offered and heard, and the City Water & Sewer Superintendent or City Street Commissioner is directed to give notice of said hearing by publication of Notice in some newspaper of general circulation; said notice to be published at least three times in said newspaper before the date set for said hearing, the first publication shall be at least ten days prior to the date of said hearing as required by law, (Article 1105b). Notice form is approved by City Council.

SECTION 4 Following such hearing as above provided, assessments will be levied against said abutting property and the real and true owners thereof for that portion of the cost of said improvements herein stated, to be payable by abutting property owners thereon, which assessments shall be a first lien upon said property abutting said Hickory Street and a personal liability against the real and true owners thereof. In levying said assessments, if the name of the owners be unknown, it shall be sufficient to so state the fact and it shall be unnecessary to give the correct name of any such owner and no error or mistake in attempting to determine owner or in describing any of said property shall invalidate any assessment; but nevertheless, the real and true owners of said abutting property shall be liable and the assessment against City abutting property shall be valid whether or not such owner be named, or correctly named, or said property correctly described therein.

SECTION 5 The fact that the street herein named (Hickory) to be im-

proved as heretofore and hereinabove provided for as heretofore shown in a previous Ordinance are in bad and unfit condition and a hindrance to traffic demands of the city and should be improved without delay creates an emergency and imperative public necessity for the immediate preservation of the public peace, health, safety and general welfare, requiring that the rule providing that no ordinance shall go into effect before the several readings of its final passage and all other rules and ordinance on the date introduced, be and the same are hereby suspended; and this Ordinance shall be passed and take effect as an emergency measure and be in full force from and after its passage as provided by law, and it is so ordained.

Passed this the 20th day of July, A. D. 1959, by an affirmative vote of the City Council.

**Tony Wiesman Home Is Scene of Party**

Don Wiesman was the honoree Sunday at a dinner party given by his parents, Mr. and Mrs. Tony Wiesman in their home at Gainesville. Don and his wife Shirley came from Fort Worth and Mr. and Mrs. Bill Terry joined the family dinner. It was complete with a decorated cake and birthday gifts.

The Wiesman's other son and his family, the Louis Wiesmans, missed the gathering. They had just returned to Farmington, N. M., after a vacation visit and had written that Louis and his oil rig crew have been moved to Bluff, Utah, for several weeks of work.

**Joan Hennigan and Felix Pelzel Will Marry August 22**

Announcement has been made by Mr. and Mrs. Fred Hennigan Sr. of the engagement and approaching marriage of their daughter Joan Caroline to Felix A. Pelzel, son of Mr. and Mrs. Frank A. Pelzel of Pilot Point.

The couple has selected Saturday, August 22, as the wedding date. Sacred Heart Church will be the scene of the exchange of vows and nuptial mass at 4 o'clock in the afternoon with the Rev. Christopher Paladino officiating.

Attending the couple will be Mr. and Mrs. Adolph Jaresh and Mr. and Mrs. Donald Pelzel. The latter couple will be married here Saturday when Jo Ann Hacker becomes the bride of Donald Pelzel.

Mrs. Jaresh, sister of the groom, will be matron of honor and Donald Pelzel will be his brother's best man.

Joan is a graduate of Sacred Heart High and Felix was graduated from Gee High School at Pilot Point.

**Former Muensterite Back for Visit to Renew Acquaintance**

Renewing acquaintance with relatives she hasn't seen in some 25 years and meeting numerous cousins for the first time has been an enjoyable experience for a former Muenster girl, Elizabeth Bernauer, the daughter of Mr. and Mrs. Joe Bernauer, and now Sister Barbara, a Franciscan from Mount Carmel Convent at Hamden, Conn.

Sister Barbara, vacationing with her parents, came from Panhandle with them to spend about a week with Muenster relatives. Also here is her brother L. J. Bernauer and his son from Albuquerque, N. M. They arrived during the weekend.

Sunday Mr. and Mrs. Nick Miller entertained with a morning coffee honoring their niece and the other visitors after the 7:30 mass. About 50 relatives enjoyed the event on the patio at the Miller home.

Sunday evening a family reunion was held in the Parish Hall where Mrs. Joe Lehnertz was in charge of a catered buffet dinner for the Miller and Bernauer relationship. Four generations were present for a total of about 100 attending.

From out of town came Mr. and Mrs. L. W. Flusche and daughters Joanne and Della of Decatur, Mr. and Mrs. Leonard Gottlob and his mother, Mrs. Eva Gottlob of Azle, and the Paul and Stan Yostens and their children from Fort Worth.

A number of other events and sight-seeing tours were arranged for Sister Barbara and her parents while they were here during the week.

**Mrs. Grooms Hostess To Tuesday Nites**

Tuesday Nites Club members were entertained by Mrs. Jim Grooms who was hostess in her home for the July meeting of the group. She served cake and punch after a series of Tripoli games.

High score winners were Mrs. Oscar Miller and Mrs. Bill Hunt and consolation winners were Mrs. Jim Caddel and Mrs. Melton Ramsey. Mrs. Ramsey also drew the door prize.

Mrs. Jack Tuggle will be hostess for the August meeting.

**Idle 8 Club Meets With Mrs. J. B. Wilde**

Mrs. J. B. Wilde entertained members of the Idle Eight Club and two guests for the club's July social in her home Wednesday afternoon.

In a progressive 42 series Mrs. Joe Kathman took high score honors, Mrs. Wilde was second high and Mrs. Beñ Seyler, a guest, received the consolation award. Mrs. Joe Hoenig was the other guest.

The hostess served fruit puffs and iced tea.

**Mrs. Arthur Endres Hosts Gay Matrons**

Members of the Gay Matrons Club were entertained by Mrs. Arthur Endres in her home for the July social. And there were three guests: Mrs. T. J. Gorman, sister-in-law of the hostess, visiting here from Rockford, Ill., Dorothy Hartman and Mrs. David Trachta.

Mrs. Herman Stoffels led with scoring honors in a progressive 42 series and Mrs. Gorman received the consolation award. The hostess served ambrosia pie and coffee.

**Birthday-Farewell Party Compliments Mrs. G. H. Hellman**

A birthday celebration that was also a farewell party honored Mrs. G. H. Hellman Sunday evening at the home of her granddaughter and family, the Henry Weinzapfels.

It was a six o'clock supper with Henry barbecuing the chicken in the lovely outdoor living room at the couple's home. With the chicken went all the trimmings including a decorated cake with 16 candles—the number of candles symbolic of the youthful spirit of Grandma Gus.

Together for the event with the hosts and their children Ronnie and Melissa, and the honoree were Mr. and Mrs. Arthur Hellman and sons Doug, Mark and Lonnie, Mrs. J. H. Otto, Mr. and Mrs. J. M. Weinzapfel and Mary Weinzapfel.

Mrs. G. H. Hellman left Monday to spend several days in Tulsa with her son and family, the P. W. Hellmans, before going to Michigan to visit her daughter, Mrs. Vincent Baker and family, at their summer home on the lake at Allegan. Her grandson, Dolphy Joe Hellman, on a vacation trip, joined her in Tulsa and they went to Michigan by car.

**La Verna Hess Will Be Married Aug. 8**

Mr. and Mrs. Gary Hess have announced the approaching marriage of their daughter La Verna to Angelo Nasche of Fort Worth. Date for the wedding is Saturday, August 8.

The couple will be married here in Sacred Heart Church during nuptial mass at 4:30 and will be honored at a reception afterwards in the parish hall.

Since her graduation from Sacred Heart High School, La Verna has been employed in Fort Worth.

Being entertained by his uncles and aunts made vacation time interesting for Lambert Walter-scheid. He spent ten days with the Charlie Stelzers in Fort Worth and four days with the Chris Jensens and Roy Plumlees in Wichita Falls. Now he's back at work at Hofbauer's Food and Locker Service.

## The American Way

### A SORRY PICTURE

This viewer of the "American Way" has just been viewing the Michigan scene. It's not a very pleasant picture that State presents—a picture painted by the Reuther-Williams labor-political combination.

You read about how the big automobile companies, those monsters of iniquity (?), temporarily bailed Michigan out a few weeks ago by paying their taxes way ahead of schedule. Now read a dispatch from Lansing which appeared in the Detroit Free Press of June 24 which further illustrates in just what a financial mess the Wolverine State really is. We quote it in part:

"A Detroit fuel firm has canceled its contract to supply the State because of Michigan's failure to pay its bills. This was discovered Tuesday by State Controller James Miller. . . . The Enterprise Oil and Gas Co. has 28 unpaid invoices, dating back to March 31, totaling \$16,661.74. . . . Payments to vendors have been cut off since the State hit bottom in the cash crisis. Some 20,000 vendors who do business with Michigan have gone unpaid. An estimated \$3½ million is owed them."

There you have it! It shows what can happen to a once prosperous State when a labor boss sets up a puppet governor and pulls the strings. Michigan has been put in the untenable position of having to wretch on payments of its debts to its suppliers.

### AS SIMPLE AS THAT

The subject of pensions for our war veterans is an extremely delicate one. If anyone suggests that we have gone too far in providing these benefits, ever in the case of illnesses and disabilities which did not arise from

military service, he is in danger of being accused of heartlessness, and of putting the dollar above the flag.

Editor Francis Horrigan of the Park Rapids, Minnesota, Enterprise — a veteran of 46 months service with the Army Signal Corps, part of it on bloody Guadalcanal — has taken that risk. And what he writes is well worth reading and remembering.

"For the widows and orphans of the servicemen who didn't make it back home — let's do for them. And let's do, too, for the men who made it back, but not as whole men. Spend money for veterans' hospital services; compensation to those who were hurt — and pay, too, for needed rehabilitation programs."

"As for the remainder of the boys who donned a uniform when the Nation was attacked, one can only ask those seeking pensions:

"How do you figure you got a pension coming from Uncle Sam?"

"Because I went to the defense of our nation in the time of War!" they might reply.

"To that there is but one answer:

"What you did, Mister, was go to the defense of your own neck, first of all — and those of your loved ones — and those of the rest of the Nation, in that order."

"The choice was made easy for you by Japan and Germany:

"You — and every other G. I. — could have sat it out. But you'd soon have been on a diet of rice — with no pension, most likely, from either Hirohito or Hitler."

"Or you could — as you did — join with those selected to serve with you in defense of our Nation — and thus, with the help of God, save your own neck — and those of your loved ones."

"And that's the way it was, Mister — just as simple as that."

Andrew Jackson lived with his wife for two years when they found that her divorce from her first husband was not valid.

### PRICE OF LIBERTY HAS NOT CHANGED

FBI Director J. Edgar Hoover observes that the nation faces a dual menace — "the communist conspiracy attacking from within and from abroad, and a criminal conspiracy made up of the lowest dregs of the lawless who are attacking our statutory and constitutional safeguards."

He adds this all-important observation: "Our forefathers fought to gain liberty; our struggle in this, the nuclear age, is to maintain and perpetuate it." Many Americans, perhaps even most, seem to think liberty is a fixed and eternal principle which can be taken for granted. All through history that attitude has made possible the destruction of liberty by its enemies. The price of liberty, now as ever, is eternal vigilance.

### DOESN'T MAKE SENSE

There are a goodly number of people in our nation who actually believe we can do business with Russian leaders and are urging President Eisenhower to expose our country to more humiliation and loss of world-wide prestige by attending a "summit conference."

Even if we thought some good would come of it, we should not expose our president to such an unsavory situation. It would be like asking J. Edgar Hoover, head of our FBI, to sit in conference with racketeers, killers, spies and riff raff, to work out a compromise of coexistence. It just doesn't make sense.

Columnist Marquis Childs writes: "Chinese Communist representatives in western Europe are known to have expressed anger and indignation that Soviet Foreign Minister Andrei Gromyko should have gone to the funeral of John Foster Dulles. To think, they are reported as saying, that he should have gone to pay homage to the man who was China's greatest enemy. The growing hostility of the Chinese toward Russian negotiation with the West and the 'soft' Russian attitude can incidentally be a factor in the Geneva talks."

## MUENSTER STATE BANK

In our 36th year of service to Muenster Member FDIC

First trip by air was exciting for Gerry Trubenbach and her cousin from Dallas, Florence Ann Jenkins. The girls flew from Dallas to San Antonio to spend this week with their uncle Richard Schmitz and family. Gerry's family, the Martin Trubenbachs, took her to Dallas and waved farewell from the airport. The Schmitzes will bring their nieces home this weekend while they are on a vacation tour. They'll leave their year-old baby here at the Trubenbach home while they're away.

**Local News BRIEFS**

Mr. and Mrs. Ed King and four children of Iola, Kansas, arrived Monday for their first visit in Muenster since they left two years ago. They're on vacation and after visiting her sister and family, the Norbert Hoedebecks here, went to Wichita Falls to visit her parents, the Alphonse Preschers.

Judy Hammer is vacationing in Liberal, Kansas, with her sister and family, the R. J. Patricks, and will go from there to Woodward, Okla., to visit her brother and family, the Jimmie Lee Hammers, before returning home.

Alois Pelzel and his mother Mrs. Joe Pelzel of Pilot Point and Mr. and Mrs. Joe Pelzel Jr. and family of Denton visited in Sunray with former Muensterites Mr. and Mrs. Clem Schumacher over the weekend. Returning Monday afternoon they stopped for a visit in Gainesville with Mr. and Mrs. Leo Felderhoff enroute to their homes.

Mr. and Mrs. Clyde Fisher and sons Chuckie and Dickie and Rosemary Fisher and Jo Ann Fisher returned home Saturday after a visit in Corpus Christi with the Max Rummelhart. The Muenster relatives helped Mrs. Rummelhart celebrate her birthday Thursday. The Clyde Fishers left Tuesday for the four-day visit and brought Rosemary and Jo Ann back after a week's vacation. The girls drove down with Johnny Fisher when he returned to Houston after a week-end visit and took the train from there to Corpus. Nancie and Donnie Fisher stayed with their grandparents, the John Fishers, while their parents were gone.

Stopover here was made Tuesday night by Mr. and Mrs. Melvin Morrison and four boys of Borger who were guests in the home of Mr. and Mrs. Albert B. Knabe and also visited their niece and nephew, Gloria and Wayne Morrison. The visitors were enroute to Louisiana where they will vacation with members of Mrs. Morrison's family.

Visitors here as guests of Mr. and Mrs. Sparkman Vann were her sister and husband, Mr. and Mrs. Claude Hudson of Dallas accompanied by Mrs. Jim Hollandworth, also of Dallas. Tuesday visitors were Mr. Vann's parents, Mr. and Mrs. D. E. Vann of Valley View, his sister Mrs. Delbert Donnelly of Gainesville and Mrs. Bedford Hicks of Farmers Branch.

Mr. and Mrs. Vic Hartman and son Gene were visitors in Garland two days the past week with the Teddy Gremminger family. They brought their granddaughter Mary Gremminger home with them for a visit.

Mr. and Mrs. J. C. Trachta drove home from Fort Worth Monday in a 1959 Cadillac 4-door sedan. They went to Fort Worth

with Mr. and Mrs. H. L. Tuggle of Gainesville to buy the new car.

Jeffrey Henscheid paid his first visit to Muenster during the weekend when his parents, Mr. and Mrs. Jerry Henscheid of Dallas, brought the three and a half week old boy over to get acquainted with his relatives including his great-grandmothers, Mrs. Joseph Pautler and Mrs. Anna Trachta. The Dallasites divided their time between their parents, the Leo Henscheids and Ray Owens.

John David Meurer of Houston spend several days the past week visiting his parents, the Herbert Meurers.

Two former Muenster teachers, Sister Gertrude and Sister Ursula, Benedictines from Holy Angels Convent in Jonesboro, were in Corsicana as instructors in the third annual religious vacation school sponsored by the Confraternity of Christian Doctrine for three weeks. Sister Gertrude taught the first through third grades and Sister Ursula the fourth through sixth grades.

Mrs. Virginia Carter and children Randy, Dwight, Barbara and Terry left Monday afternoon following a visit with her mother, Mrs. Catherine Gehrig and other family members. Her husband, Sp. 5 Randall Carter was here with his family two days but had to get back to Mineral Wells to prepare for his overseas tour. He'll go to Korea for army service, leaving Friday for a port of embarkation in Washington.

Moved to town and getting settled in their home on North Main Street are Mr. and Mrs. J. W. Hess and daughter Helen. Son Tony Hess is staying on the Hess farm north of the city.

Mr. and Mrs. Bill Hess and children of Ardmore drove over Saturday to visit relatives in Muenster and Lindsay. The couple's seven-year-old son Timothy, who had open heart surgery early in June was with them. He continues to gain strength and still has regular check-ups since the delicate operation which doctors have termed successful. In time Tim will be as strong and active as any youngster his age, according to his doctor's predictions.

Weekend guests of Mr. and Mrs. J. A. Sanders were their son-in-law and daughter, Mr. and Mrs. W. D. Cook and son Gordon Lee of Fort Worth.

Harvey Schmitt has gone to Washington state to work in the harvest fields. He'll be seeing his uncle Leo Schmitt and family at Mabton and his uncle Charlie Schmitt at Grandview.

Collette Hellman of Fort Worth spent Sunday with her parents, the Arthur Hellmans and family.

Mr. and Mrs. Ray Evans have as their guest Pearl's Aunt Betty—Mrs. Betty Purcell of Star City, Ark.

Mrs. M. H. King was back in the bookkeeping department at Endres Motor Company Monday after a week's vacation, most of it spent at Gainesville Sanitarium for a check-up and observation.

From Estelle Blankemeyer, the friendly nurse at Dr. Boynton's dental office in Denton, comes a note of thanks for remembrance during her stay in the hospital in Dallas. She says the cards, prayers and get-well messages from her Muenster friends meant much to her and helped speed her recovery. She spent ten days in St. Paul's Hospital where she had major surgery, then a week in the home of a sister in Dallas and returned to Denton Monday expecting to be back on duty soon.

By Mrs. B. G. Lyons

MARYSVILLE, July 14 — The W. F. Davidsons drove to Addison Sunday afternoon to visit her uncle, W. W. Needham who is ill in the home of his son. Sunday evening before returning home the Davidsons attended the conference at the Whaley Memorial Methodist Church in Gainesville.

Mr. and Mrs. William O. Grant and children Dolores, Larry and Tim of Alta Loma are visiting her parents, Mr. and Mrs. B. G. Lyons and her sister Mrs. W. C. Stiles at Gainesville. Dolores, who was graduated from high school in June and recently finished a course in Alvin Junior College will be a student at NTSC in Denton when the fall term opens.

Guests of Mr. and Mrs. Nig Wilson Sunday were her mother, Mrs. Hattie Burk of Myra and her brother, M. T. Burk and family of Denison.

Mrs. W. C. Stiles had a birthday dinner in her home in Gainesville Tuesday honoring her sister, Mrs. Robert K. Maupin of San Antonio who was on a week's visit. Joining the honoree and hostess were their parents, Mr. and Mrs. B. G. Lyons of Marysville, Beverly Eastin and Velora Stiles, Mr. and Mrs. Bill Pace and their nieces, Betty Esleek of Houston and Dianne and Marilyn Pace of Los Angeles who are guests in the Pace home. Velora and Mrs. Pace assisted their mother with party plans. The decorated birthday cake, adorned with pink flowers, was made by Mrs. Lyons. Sunday all this group was together for a visit in the Lyons home here.

Paul Young of Chandler, Texas, and Tom Binford of Gainesville were here Sunday making arrangements for the annual reunion of the Binford family which will be held August 1

on the Binford farm. Mr. Young was accompanied by his son-in-law J. D. Nantz of Chandler and his son Donald of Grand Prairie.

Rhonda Kim and Rex Harrell of Gainesville visited their grandparents, Mr. and Mrs. Bill Moon Thursday and Friday while their parents, Mr. and Mrs. Max Harrell, were in Dallas for a medical examination for Mr. Harrell.

**Felderhoff-Sicking Herd is Among High Producers in DHIA**

The herd belonging to Felderhoff and Sicking was second from the top in butterfat production when the monthly summary for the Cooke County Dairy Herd Association was compiled. The cows, with an average of 39 pounds of butterfat, were topped only by herds belonging to Richard Frasher and H. H. Moody which tied at 42 pounds.

The June report showed the Frasher cows leading with 1160 pounds of milk, Moody's herd in second spot with 1138 and the Felderhoff & Sicking herd with 1082 pounds.

A total of 549 cows in 20 DHIA herds were tested during the month. Seventy-five produced 50 or more pounds of butterfat with the average per cow standing at 29. The association's milk average was 790 pounds per cow.

Other local dairymen with high producing herds in June include Tommy Knabe, Paul Fisher, Paul Fetsch, Paul and Mrs. Ben Sicking, Ed Sicking and Jerry Hoenig.

In state association averages Wichita Valley, Wise and Randall Counties split honors. Wichita was first with 960 pounds of milk and second with 34 pounds honor with Dallas and Wise County. Both also registered 34 pounds. Cooke County tied with Dallas in third place for milk of butterfat, sharing the latter production at 880 pounds and averaged 32 pounds of butterfat.

There are 27 associations operating in the state with a total of 17,817 cows.

**SOIL CONSERVATION DISTRICT NEWS**

OUR SOIL ★ OUR STRENGTH

The terrace building season around Muenster is trying to get into swing. In between showers, landowners, cooperating with the Upper Elm Red Soil Conservation District to protect and improve their soil, are busily building terraces.

Terraces are one of the main items of defense used by man to stave off the ravages of soil and water losses. Terraces break long slopes into short slopes. They make the water "walk" not "run" from the field. They take all excess run-off water to a safe outlet area.

Joe Trubenbach is having over 8,000 feet of broad, easy to farm, channel type terraces built. These terraces empty onto a waterway that he planted to King Ranch Bluestem several years ago.

Alfred Sicking is building three terraces on his farm at Myra. Alfred is building these terraces with his tractor and three-disc plow. He is using the "island" method of construction. By using this method he will have a wide, semi-channel type terrace with gentle slopes that are easy to farm.

Among those waiting for favorable weather to build their terraces are Martin Trubenbach, Frank Bayer, Tony Trubenbach Sr., Ed Schmitt, C. O. Taylor, J. W. Hess and Andrew Wimmer.

Liberal cost-share benefits are offered by the Agricultural Conservation Program, and the Soil Conservation Service furnishes the technical assistance in the layout and checking of terrace systems. These services are furnished to encourage the terracing of all sloping cropland in this area.

Now is the time to make use of all the assistance and know-how available to save the good earth for posterity. Make sure that when the next generation inherits the land it won't have to say "Here's the farm, but where's the soil?" It's later than you think!

Dorothy Hartman was back at nursing duty at Muenster Clinic Monday after a week's vacation. Mrs. Arthur Bordeau replaced her at the clinic during her absence.

**BEST ENGINES!**

One of 7 Big Bests Chevy gives you over any car in its field

Open invitation to excitement, the Impala Convertible... and America's only authentic sports car, the Corvette.

You've got more to go on than our say-so: Every motor magazine has given Chevy's standard passenger car and Corvette V8's unstinted praise. SPORTS CARS ILLUSTRATED says it this way: "... surely the most wonderfully responsive engine available today at any price." And if you want the thrift of a six, you still get the best of it in a Chevy.

**BEST ECONOMY** No doubt about this: a pair of Chevy sixes with Powerglide came in first and second in their class in this year's Mobilgas Economy Run—getting the best mileage of any full-size car, 22.38 miles per gallon.

**BEST BRAKES** Not only bigger, but built with bonded linings for up to 66% longer life. Just to prove what's what, Chevy out-stopped both of the "other two" in a NASCAR\*-conducted test of repeated stops from highway speeds.

**BEST RIDE** A few minutes behind the wheel will leave no doubt about this. MOTOR TREND magazine sums it up this way: "... the smoothest, most quiet, softest riding car in its price class."

**BEST TRADE-IN** Check the figures in any N.A.D.A.\* Guide Book. You'll find that Chevy used car prices last year averaged up to \$128 higher than comparable models of the "other two."

**BEST ROOM** Official dimensions reported to the Automobile Manufacturers Association make it clear. Chevy's front seat hip room, for example, is up to 5.9 inches wider than comparable cars.

**BEST STYLE** It's the only car of the leading low-priced 3 that's unmistakably modern in every line. "In its price class," says POPULAR SCIENCE magazine, "a new high in daring styling."

NO WONDER MORE PEOPLE ARE BUYING CHEVROLETS IN '59 THAN ANY OTHER CAR!

Try the hot one—visit your local authorized Chevrolet dealer!

church services and a social by members of St. Peter's Parish St. Anne's Society at Lindsay.

Evening mass at 5:30 will find members and candidates for reception occupying the front pews and going to Communion in a body. Father Alcuin Kubis, spiritual director, will officiate.

Afterwards the ladies will be joined by their husbands for a buffet supper in the Parish Hall, then a social evening of card and domino games.

Father Alcuin has pointed out the many advantages, especially on the spiritual side, and urges all adult ladies, whether married or single to benefit themselves by membership in the society. Membership is no longer restricted to married women.

A pleasant weekend was provided for Mr. and Mrs. Raymond Zimmerer and children who visited their son Ray Jr. at Subiaco, Ark. Ray is in the novitiate — one of ten young men preparing for their first profession in September. He is called Frater Norice John. Since two of the seminarians are named Raymond and Ray Jr. is the younger he uses his second name. With interest and delight he showed his family the monastery's green house where he is in charge of growing flowers for the abbey church. He's having good success with them. And he sent regards to all his friends.

Mrs. Bill Eberhart's father, Robert Davidson, extended his vacation a few days and left Friday to return to his home in Macon, Ga. Meanwhile the family had a farewell party for him. All the Eberharts from Lindsay, Muenster and Gainesville gathered at the Ray Sicking home at Myra for a buffet supper in his honor.

### Ann Neu is Bride Of Alfred Hess in Lindsay Ceremony

—Boyd and Breeding Photo  
In Saint Peter's Church at Lindsay, surrounded by relatives and friends, Ann Neu and Alfred Hess pledged wedding vows in a double ring ceremony at nuptial mass Saturday morning at 9:30. The Rev. Robert Wilson of Dallas, a friend of the bride's family, was the officiating minister.

Parents of the couple are Mr. and Mrs. W. J. Neu or Lindsay and Mr. and Mrs. John J. Hess, also of Lindsay and formerly of Muenster.

For her wedding Ann wore bridal white — a floor length Chantilly lace gown over satin with a dipped basque bodice featuring a scalloped neckline and petal point sleeves and an aisle-wide skirt enhanced with front and back panels of lace and tulle in alternate tiers. Her elbow length veil was caught to a rhinestone tiara and her flowers were gardenias and Stephanotis. She was given in marriage by her father.

Wanda and Delores Hess and Margie Neu, sisters of the couple, were the bride's attendants wearing identical dresses of pink lace and net over taffeta with full circle skirts and matching headpieces. Bracelet length white gloves completed their costumes and they carried pink carnations. Virgil Neu, brother of the bride, was best man and Paul Sandmann was groomsman. Elroy Neu and Wilfred Hess ushered.

White gladioli and greenery decorated the altar and sanctuary space in church and Mrs. William Schmitz, organist, and St. Cecilia's choir furnished wedding music.

After mass the day's festivities started with breakfast at the home of Mr. and Mrs. John Neu at Gainesville. At noon the bride's parents entertained with a luncheon and at six o'clock a reception began in the Lindsay Parish Hall. Buffet dinner was served to about 325 guests. Cecilia Neu and Alma Haverkamp presided at the bride's book and Mrs. Freddie Neu and Mrs. Elroy Neu served the wedding cake.

When the newlyweds left on their honeymoon trip she was wearing a light blue outfit with white accessories. They will make their home at 1428 Cherry St. in Gainesville. Both are employed at Linda Jo Shoe Factory.

Out of town guests, joining those from Cooke County included Messrs. and Mmes. Hubert Kotzer of San Antonio, Joe Bierschenk of Grandview, Nick Neu of Slaton, Alfred Bierschenk of Fort Worth, G. F. Gremminger, and Hubert Neu and Louise Bierschenk of Hillsboro.

Mr. and Mrs. Bob Bezner and children Debbie and Stevie and their niece Judy Bezner came from Dallas to spend Sunday with Judy's parents and family, the Joe Bezners Jr. They brought Mrs. Bezner's cousin, Father Valentine also of Dallas, with them. Judy is spending the summer with the Bob Bezners.

Leroy Schmidkofer, mechanic at Wilde Motor Company has returned to work after spending a full week at the General Motors Training Center in Garland where he attended a class on power transmissions.

Mr. and Mrs. Joe Bezner Jr. left Tuesday evening for Brenham to attend the 63rd convention of the Germania Mutual Aid Association. Joe attended the Wednesday and Thursday sessions as a delegate from district I. Before returning home the couple will go to Hemstead to visit old friends, Mr. and Mrs. Eddie Cavander. They were neighbors in Gainesville.

### Confetti . . .

why the West can say just as truly that the situation Russia seeks to establish is intolerable to us.

As the situation looks from here it is impossible to reach an honorable agreement on the Berlin issue. A compromise with the Russians would mean giving up something we now have, which is already less than we are entitled to. In all fairness we should have

destitution of the red zone. That's free access to the city. We should be receiving in this deal, not giving. But experience shows that we will have to give to please the reds.

Reports of the last few days show that progress is nil in the Geneva conference. As predicted before it all started, it's impossible to get along with the Kremlin mob. About all that's left now is to end the farce and defy Russia to carry out its threats.
