Hearing Friday on Proposed Election For County College

A meeting that is vitally important to Muenster and every other community of the county will be held Friday morning at 8:30 in the gymnasium of Gainesville College. It's a public hearing in the presence of a special committee from the State Board of Education to determine whether an election should be authorized to create an independent junior college district in this county.

Lots of big important considerations, both pro and con, are involved in this issue. In its favor we can say that a local tax supported junior college offers educational opportunities to many who otherwise could not afford college. Students of limited means can live at home and go there for much less than in the average senior college. Besides, many can go to night classes while holding their regular jobs during the day. In that respect the junior college is a wonderful asset.

But then we run into a question which is brand new to all the rural districts of the county. Have we now reached the stage of assuming public responsibility for the education of college students? That is, of assessing taxes to provide for their education as we do now for elementary and high school students? Until now the education of a college student was regarded as a family responsibility. The answer to this question will determine whether a person will favor or oppose the proposal on principle.

Suppose we approve of the principle, there are still other factors to be considered. Will the administrative board be elected or appointed? In either case what assurance is there that all areas will be adequately represented? And how will tax rates and valuations be determined? What assurance that this will not grow into a burden on taxpayers . . . that the school would stick to essentials and forego the frills and extravagances that run into big money?

As a starter we might consider the 20 cent tax now suggested. On the basis of the county's 40 million dollar valuation that would bring \$80,000. Is that much needed along with tuition fees and revenue from the state? Furthermore, are the rural communities justified in paying that tax for the number of students they would send to the college. In the Muenster district, for instance, the tax would amount to about \$10,000. How many local students can be expected as an average to attend the county college?

All these questions have a bearing on the merit of the proposal. All should be considered and aired at the meeting Friday morning to determine whether the county as a whole is being offered its money's worth in the proposal.

One all important factor is the kind of election to be used in setting up the district. Will it be simply a county wide vote to be decided by the over-all count. Or will it be a number of separate elections to determine which districts wish to join the Gainesville district in this venture. That makes a big difference.

As of now the college is under administration of the Gainesville district. Gainesville is paying the

Chalmers Resigns As Superintendent Of County Schools

W. E. Chalmers, Cooke County superintendent of schools since December 1952 has resigned his office effective December 1.

His resignation was accepted Monday by the Commissioners Court. At the same time the court appointed Miss Gladys Strader, secretary to the superintendent, to serve as superintendent until the next general election in November 1960.

Miss Strader has been in the county superintendent's office for 25 years, working with Roy Wilson, Randolph O'Brien, Hubert Moss and Chalmers.

Chalmers said he is quitting the office because he wishes to retire. He is approaching his 70th birthday.

He became county superintendent seven years ago by appointment of the commissioners court after the death of Hubert Moss. He had been with the Gainesville school system since 1923. He was principal of Gainesville High School and dean of Gainesville College for 19 years and registrar at the college for more than four years.

Big delegations from Muenster and all other rural communities of the county are invited to Gainesville College Friday morning at 8:30 for a public hearing on a proposed election to create a county college district.

Presiding there will be a group of representatives from the Texas Education Agency to hear reasons for and against authorizing the election.

One of the principal matters to be clarified at the hearing is the kind of election proposed, whether a county wide vote counting all ballots for or against the issue or a series of district elections with each being able to approve or reject.

If the method proposed is the over-all election it is expected to meet with the solid resistance of rural areas, which could be outvoted by the people of Gainesville. If, however the separate district elections are planned, little opposition is expected since people will be able to accept or reject at the elections.

As regards the need and feasibility of a county college, the supporters are expecting clear sailing. Having already been in operation for many years the school has concrete evidence of providing low cost education to many who could not otherwise attend college. On the basis of expected growth in college enrollment it can also point to increasing need for more localized college facilities.

Funeral Wednesday For Fuhrman Infant

Funeral services were held here Wednesday afternoon at 2:30 in Sacred Heart Church for the day-old son of Mr. and Mrs. Bill Fuhrman of Fort Worth. The baby, born prematurely Monday in a Fort Worth hospital, died 24 hours later. He was named Gerard.

Father Christopher Paladino officiated at the brief rites in church and at Sacred Heart Cemetery. Nick Miller Funeral Home was in charge of arrangements.

Survivors in addition to the parents are a brother, Bobby, and grandparents, Mr. and Mrs. H. J. Fuhrman of Muenster and Dr. and Mrs. Edwin Egle of Saint Louis, Mo.

Father Joseph Weinzapfel, pastor of the Fuhrmans' parish in Fort Worth, was here for the funeral. Mrs. Fuhrman accompanied her son when he returned.

NEWS OF SICK AND INJURED

Mrs. Pete Rollman was dismissed from M&S Hospital Tuesday to continue recovery at home from a major operation

Andy O'Connor's surgery on his broken left arm had to be postponed last week on account of severe swelling and the operation was re-set for this week Thursday. The family from here went to Fort Worth to be with him at Harris Hospital where he is a patient in Room 654.

Mrs. Ben Haverkamp is a patient at M&S Hospital at Gainesville where she underwent a gall stone operation.

Charlie Pagel was treated at M&S Hospital this week for a leg injury sustained in an oil field accident.

Mrs. C. M. Walterscheid who has been a patient at Gainesville Sanitarium since she suffered injuries in a fall at her home Sept. 27, experts to be dismissed this weekend. Her fractures are knitting satisfactorily now.

Mrs. Eddie Krahl was dismissed from Wilson-Jones Hospital in Sherman Sunday following a week of medical care and is up and around now after being a shut-in at home the early part of this week.

Mrs. J. R. Winstead has been dismissed from Gainesville Sanitarium and is back at her home northeast of Muenster. She's still a shut-in but is regaining her strength and sits up in a chair now a part of each day. She was in the hospital four weeks.

Charlie Stelzer will be dismissed from St. Joseph's Hospital Friday to continue recovery in his Fort Worth home from surgery performed ten days ago.

Tigers Will Meet Gainesville B Here; Hornets to Alvord

Both Muenster teams have a fair chance to improve their records in this week's football tussles, but they have man sized jobs ahead of them . . . that is, according to comparative scores in previous games. The Tigers will entertain Gainesville B on the local field and the Hornets will go to Alvord.

First on schedule is the Sacred Heart-Gainesville event, which, according to Coach George Petrus, can't be judged by Sherman's early win over Gainesville and Sacred Heart's win over Sherman. Two factors make a big difference. Playing Gainesville Sherman was strengthened by some players who have since advanced to the main squad, so it was weaker against Sacred Heart. On the other Gainesville B has been strengthened by a few fellows who are ineligible for the main squad. Figured together the changes seem to wipe out most if not all the paper advantage favoring the Tigers.

Physically Sacred Heart should be ready, Petrus said. The only handicap is lingering soreness from a severe bruise sustained last week by Anthony Knabe.

Playing Alvord the Hornets will again be struggling against vastly superior tonnage. According to Coach Charles Smith the Bulldogs are as heavy as Sanger, perhaps even heavier. By comparison the Hornets will again look like juniors.

However two games in the record so far show a slight advantage for the Hornets. Alvord's beating at Era was worse than Muenster's, and its win over Sanger was less decisive. On the other hand Alvord has the more impressive season record, having lost only one of its six games while the Hornets lost four out of six.

Coach Smith is convinced that his boys can win and his biggest worry is the finger injury still carried by Doug Hellman. He'll still be wearing a cast on his right hand.

Hornets Annihilate Redskins 27-8 at MHS Homecoming

By the impressive win of 27-8 over the Sanger Indians, Muenster's Hornets served notice last Friday night that they intend to be in the upper bracket of the 12-B race, even though they have no chance at the district trophy.

The contest was a treat for the big homecoming crowd that saw the MHS boys recover from a bad first quarter and dominate the rest of the game.

Muenster got nowhere in the opening period. Twice it fumbled the ball away, twice it kicked to end a first series. In all it had possession for only ten plays. Meanwhile Sanger made good gains for five first downs. Twice its drive was halted by fumbles and just as the quarter ended a 43 yard push was stopped and the Hornets took over on their 18.

The second quarter really opened with a bang as Wimmer broke loose on the first play and barely slipped past three tacklers as he headed for the goal. Harris kicked true on the try for extra point and Muenster led 7-0.

That run was the turning point of the game. In the next quarter Muenster was in control and made good yardage but failed to cross the line. First an interception stopped them. Next it was a 15 yard penalty, then time ran out as they were heading goalward again.

Two factors handicapped the Hornets all evening. They failed to complete a single pass and they frequently put themselves in a hole by drawing 15 yard penalties.

The second half opened with an easy score, practically a gift, for the Hornets. Doug Hellman's kick rolled over the goal and two Sanger players just let it lie there, expecting it to be put into play on the 20. As they calmly looked on Harris covered the ball for a TD.

The next Hornet score came late in the quarter following a kick that set the Indians back to their 13. Two plays later they fumbled and Muenster took over on the 19. On the third play after that Harris scooted through for 14 yards and the score.

Next came Sanger's turn. After intercepting a lateral on the Muenster 44 the Indians made a first down to the 34. Then a 3 yard gain and a 31 yard pass

St. Mary's Parish Host Deanery for Christ-King Feast

St. Mary's parish of Gainesville will be host next Sunday to all other parishes of the Sherman Deanery for the annual public procession and benediction observing the feast of Christ the King.

Cities included in the deanery are Muenster, Lindsay, Gainesville, Sherman, Denison, Greenville, Pilot Point and Valley View.

The program will originate on the athletic field of St. Mary's School as visitors arrive before 3 and assemble in parish groups prior to their formal procession.

At 3 o'clock the procession will start moving, each parish group reciting the rosary as it marches toward St. Mary's church. Fourth Degree Knights of Columbus in formal attire will form an honor guard for the Holy Eucharist.

Service in church will consist of a sermon by Msgr. Thomas Zachry of Denison, Sacramental Benediction, and group singing of "Holy God We Praise Thy Name."

Game and Program Cheer MHS Exes At Homecoming

It was a jubilant crowd attending Muenster's High's annual homecoming program this year. They cheered as the Hornets shattered the Sanger Indians 27-8 and applauded when Theresa Fisher was crowned homecoming queen at half-time.

Youngsters and oldsters shared the spotlight in a program which included also election of officers by the Ex-Students Association and a dinner dance.

Several hundred persons including ex-students and friends from far and near witnessed the game and the coronation ceremony in which Miss Fisher became queen for a year. She received her crown from Miss Pat Otto, 1958 queen.

Mrs. Ervin Hamric, president of the Ex-Students Association conducted a brief business session while some 150 exes were assembled after dinner in the gym. Following a round of introductions and recognitions, officers were elected for a two-year term.

Members voted unanimously by acclamation for the slate of officers as presented by the nominating committee headed by Earl Fisher.

Charley Hellman went into office as president with the following assistants: Emmett Walterscheid, vice president; Mrs. Dickie Cain, treasurer; and Mrs. Willie Walterscheid, secretary.

Gifts for the year went to Mrs. Joe Luke and Bill Stelzer, early-day students, and to Francis Fisher for coming the longest distance to attend. He won in breaking a tie with Mrs. C. W. Ratliff, also present from Lubbock. Mrs. Hamric received a gift in appreciation of her work as president.

Mrs. H. H. Homsley, senior

Tigers Break Five Game Jinx; Wallop Sherman B 27-0

Sacred Heart's Tigers had a big time Saturday night handing out the kind of treatment they had been taking in their five previous games. It was their pleasure to push Sherman B around practically at will and come out with a win of 27-0.

The Tigers started strong with the opening kickoff as Wimmer returned from the 10 to Sherman's 43 before being stopped. Walterscheid then plowed to the 26 and two more plays reached the 16. Next four plays went sour. Two fumbles were recovered for losses and Wimmer, playing mouse and cat with 4 Bearkittens was caught 15 yards short. The Tigers finally lost 20 yards before losing possession.

Sherman snapped back with a pair of first downs but failed on the third series and had their kicker smeared to boot, so Sacred Heart was back in business on the Sherman 38. One play gained 3 and on the next Bobby Walterscheid got loose for 35 yards and the first score.

Failing to gain, Sherman got off a beautiful kick that set the Tigers back to their 8 and Bayer

MHS Band to Join In NTSC Festivity

Muenster High School band, directed by Pedro Rodriguez, will be one of 32 visiting bands taking part in homecoming activities at North Texas State College Oct. 31.

Approximately 1,800 high school school musicians are expected to join the 100-piece NTSC Marching Band, directed by Maurice McAdow, at the football game between North Texas and the University of Wichita.

The parade of visiting bands will begin at Fouts Field at 1:10 p.m., prior to the 2 p.m. game. The bands will play in massed formation on the field at half-time.

Hammer Scores 32 As Pee Wees Blast Alvord Kids 36-14

Butch Hammer turned the Muenster-Alvord junior football game into his own private track meet Tuesday night as he raced to five touchdowns, all of them for distances of 50 yards or more. His sprinting spree accounted for 32 points in Muenster's 36-14 win over the Bulldog pups.

He began the scoring in a hurry. On the third play after receiving the kickoff Hammer broke away on a 65 yard scoring run and Vogel followed over for 2 more points.

Next Muenster held the visitors on the first series of downs, received the kick and made short gains for a first down before Hammer got away again. That was for 55 yards, and he also carried over for extra points.

Next it was Alvord's turn, and the big husky lads ground out 75 yards on short gains for their score and two extra points. They used more than 8 minutes on the rush leaving less than 3 to the half.

But that was more than enough. On the first series after kickoff Hammer scooted 60 yards to pay dirt. Vogel followed over for a half time score of 24-8.

Starting the second half Alvord received, failed to gain, and kicked. Again on the first series Hammer took off, this time for 50 yards.

Then Alvord pushed on its second TD. As before it was a sustained drive for 70 yards and used almost as much time.

After the next kickoff Muenster started from the 10 and gained 25 yards on a pass from Vogel to Flusche before scoring again. Alvord had spread out to stop the end runs, so Hammer hit the line and dashed 65 yards down the center of the field.

For the remaining time Alvord put on another steady push but was not quite able to make it. They were getting close as the game ended.

Automatic Laundry Will Open Monday

A brand new business venture for Muenster, the Easy Automatic Laundry, will get under way next Monday with a week long formal opening.

During that time the owner, D. E. White of Forestburg, will be on hand daily from 8:30 to 5 to show how equipment is operated and also to supply the coins for a free washer load to each new customer as a get-acquainted gift.

After that White or his wife will be around only as needed to check equipment and tidy the place. Since everything is automatic and coin operated customers will not need help. Furthermore they can come any time they please. The place will be open 24 hours a day 7 days a week.

The building, put up by Andy Hofbauer adjoining the east side of his store, has generous space for 30 washers, 8 dryers and a large boiler, besides other accommodations such as a double sink, a large table for folding clothes and seating space. Also provided are coin operated dispensers for bleach and detergent and a machine that returns a quarter, two dimes and a nickel for 50 cents. A washer operates on two dimes and a dryer on a quarter.

As a starter White has 20 machines in operation and the other 10 will be connected soon.

A former superintendent of the Forestburg school, White has spent the past several years in the automatic laundry business, most recently at Killeen. He moved here because he has confidence in the community's future in the possibilities of a coin operated laundry here. For the present he continues living on his farm in Forestburg but hopes to move to Muenster soon.

Group Quotas in United Fund Drive To Receive Awards

Special recognition in the form of plaques will be given this year to the employees of local firms who meet their quota in the United Fund drive.

The plaque intended for display by the firm cites the employees as having done their part but has no bearing on the firm itself.

Eligibility for it is limited to organizations with five or more employees. To qualify for it 90 per cent or more must contribute an amount equal to 80 per cent or more of a full day's pay for all employees. After the initial award a firm's employees may add a shingle each year by repeating their performance.

J. M. Weinzapfel, co-chairman of the local drive said the award plan is being introduced here because of its success in other places. Frequently it serves as inducement to give a little more, or to give when it was not planned. Persons who might give in house to house solicitation are inclined to give on the job.

Besides increasing the total of the initial drive the plaque award policy reduces the need of future leg work. Persons who give on the job need not be contacted at home.

The first phase of the current drive got under way Thursday morning at a kick-off meeting in the Ace Cafe. Under co-chairmanship of J. M. Weinzapfel and Arthur Endres eight captains distributed prospect cards among 32 workers who will give their first attention to business firms of the area, soliciting from both employer and employee. After those contacts are made calls will be made to homes to see the remaining people.

The standard gift recommended for the United Fund Drive is a day's pay.

Liquor Sales Here Expected to Begin During Weekend

Liquor will be available in Muenster in the very near future, probably before the end of this week.

That's when Carl Walterscheid expects to open his liquor store "82 Liquors" in the new building now being completed east of the Magnolia Service Station.

Finishing touches were in progress there Wednesday and Walterscheid said he expects to receive his first shipment Thursday or Friday. After that, he said, the store will be open as soon as shelves can be stocked.

Stock at the store, he said, will include the full line of alcoholic drinks . . . whisky, gin, vodka, tequila, brandy, wine, ale and beer . . . in several popular brands.

Though it will begin operating as soon as possible the store will delay its formal opening until the stock is more complete and probably also until a liquor firm's representative is available to help with arrangements.

82 Liquors is owned and operated by Carl Walterscheid. Assisting him will be his brother William Walterscheid and his sister, Mrs. Ed Schneider. The building he occupies was specially built by J. J. Wieler.

WHAT IS AN AMERICAN, ANYWAY?

For Khrushchev's benefit, here's how the Maysville (Mo.) Record-Herald answers that question.

He yells for the government to balance the budget and then takes the last dime he has to make the down payment on his car. He whips the enemy nations and then gives 'em the shirt off his back. He yells for speed laws that will stop fast driving, and then won't buy a car if it won't make 100 miles an hour.

An American gets scared to death if we vote a billion dollars for education—but he's cool as a cucumber when he finds out we're spending three billion dollars a year for smoking tobacco. He gripes about the high prices of the things he has to buy, but gripes still more about the low prices of things he has to sell. He knows the line-up of every baseball team in the American and National Leagues — and doesn't know half the words in "The Star Spangled Banner."

An American will get mad at his wife for not running their home with the efficiency of a hotel, and then he'll get mad at the hotel for not operating like a home. He'll spend half a day looking for vitamin pills to make him live longer—then drive 90 miles an hour on slick pavement to make up for the time he lost.

An American is a man who will fall out with his wife over her cooking and then go on a fishing trip and swallow half-fried potatoes, burnt fish, and gritty creek water coffee in a rusty gallop bucket—and think it is good.

An American will work hard on a farm so he can move into town where he can make more money so he can move back to the farm.

When an American is in his office he talks about football, football or fishing—when he is out at the games or on the creek bank, he talks about business.

He is the only fellow in the world who will pay 50 cents to park his car while he eats a 25-cent sandwich.

An American likes to cuss his government but gets fighting mad if a foreigner does it.

We're the country that has more food to eat than any other country in the world and more diets to keep us from eating it. We're the most ambitious people on earth, and we run from morning until night trying to keep our earning power up with our yearning power.

We're supposed to be the most civilized, Christian nation on earth, but still can't deliver pay-rolls without an armored car.

In America we have more experts on marriage than any other country in the world—and more divorces.

But we're still pretty nice folks. Calling a person "a real American" is the best compliment we can pay him. Most of the world is itching for what we have—but they'll never have it until they start scratching for it the way we did.

LITTLE SERMONS

Think twice before you think. Just how good a red-hot idea is usually depends on how much heat it retains when somebody throws cold water on it.

A man who puts off until tomorrow the things he has already put off until today is a procrastinator.

If you begin to wonder whether you still want to do the things you've always wanted to do you are reaching middle age.

Proof that Americans are tolerant people lies in the fact that the discoverer of the juke box died a natural death.

The only time modern youth learns to shift for himself is when his parents buy him a foreign sports car.

YOUR CHILDREN IN DANGER?

By Arthur E. Summerfield, Postmaster General

MERCHANTS in filth are dumping into the hands of our young people tons of unordered, unsolicited, lewd material. A recent raid resulted in the seizure of fifteen tons of it. I have seen samples of this vicious, vile stuff, and they are so sickening that they are beyond belief.

An estimated \$500,000,000 is realized annually in mail order pornography and obscenity. It's a well established fact that mailing lists have been compiled from the responses of children to apparently innocent ads, offering a Summerfield model airplane or auto for a dime or quarter. Then, from the same "business" address, children have received circulars and samples soliciting the sale of nude pictures and related material. One mailing list alone contained 100,000 names.

THE ALARMING increase in juvenile delinquency is due in large part to the demoralizing influence of such obscene literature and pictures. Time and time again from the investigations of armed robbery, sex crimes, and extortion, it is learned that those responsible for such crimes were early collectors of obscene pictures and films. Certainly, this is of vital importance

to all decent Americans—particularly the parents of teenage children.

All are appalled by the social blight which every American citizen wants stamped out. Complaints flood the Post Office Department to the rate of 70,000 annually. The Department, in turn, is doing all in its power to halt this flow of obscene material, but it cannot and will not violate the basic American right to privacy of the mail.

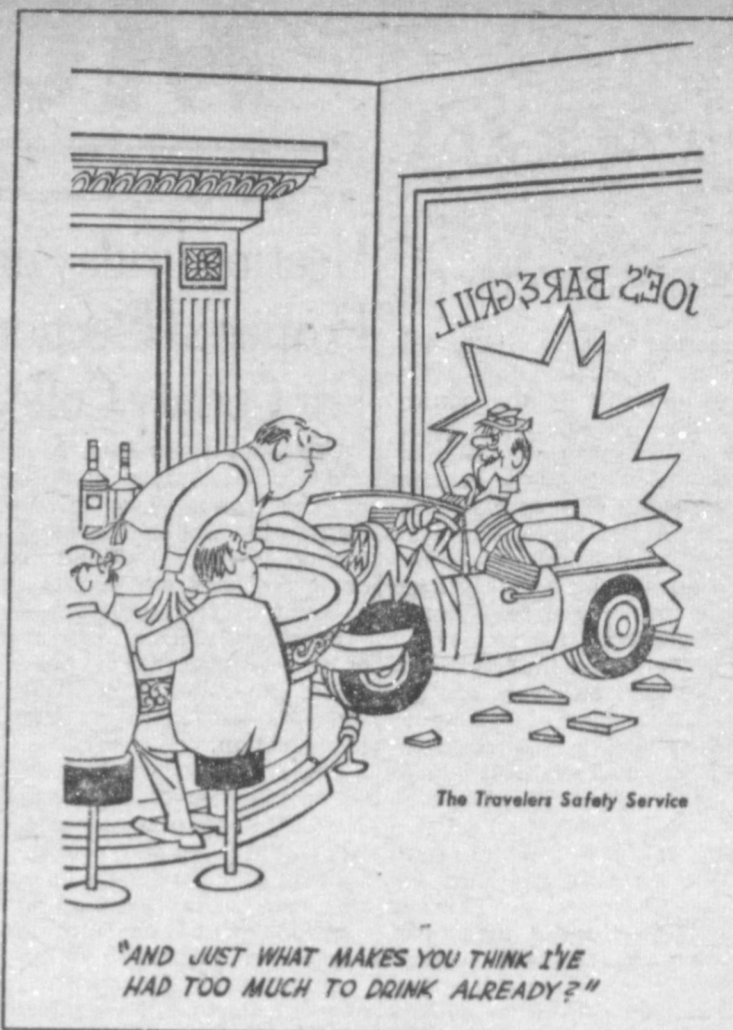

THE POST OFFICE Department, therefore, can take action against violators of the mails, only after the receiver of obscene mail has opened it and has forwarded the material to the local postmaster as evidence.

Remember, not one of us is immune to this problem. And the multi-million dollar, mail order traffic in obscenity is one of the most serious moral and social problems in the United States today.

WHAT can you as individuals do to help? You can report to your local postmaster, and urge your friends to report, any questionable material which you receive through the mails.

It is only through complaints that action can be taken, and it is up to all of us to see that such action is continued, so that we can protect all the Judys, Timmies, and Tommies—yes, so we can protect all the children of America.

THE RULES ARE AT FAULT

The railroad industry, in its fight for survival, is making a determined effort to rid itself of featherbedding practices, resulting from obsolete and senseless work rules, that are costing the nation a minimum of \$500 million a year.

Spokesmen for the railroad brotherhoods have charged that this effort is, in reality, an attack upon the employes of the railroad industry.

That charge brought an unequivocal reply from a leader in the battle against wasteful and destructive featherbedding—President Loomis of the Association of American Railroads. In a letter to a union official, he said: "I challenge you to find a single statement written or emphasized that outmoded work rules, and not the people who are trapped and victimized by these rules, are the issue. In my very first statement on this subject last February I specifically said: 'I am not attacking railroad labor. There is no more able or conscientious work

force in any industry in the nation. I am however attacking and condemning the deadly rules our workers must work by.'"

Mr. Loomis went on to point out that an average of 1,000 railroad jobs have disappeared each week over the past 10 years. He added: "If you share our deep concern over the problems causing this down hill trend, you will call a halt to a campaign of misinformation and join with management in attacking the real causes of this industry's loss of ground including the progress-blocking, entangling maze of outmoded and wasteful work rules which are placing our industry under such a handicap in meeting our competition."

If that is not done, railroad labor will be one of the greatest losers.

A catchy slogan being promoted by American snuff manufacturers advises us to "snuff out fires". At the same time the industry slyly insinuates that it is entitled to some of the credit given to Smokey the Bear for reducing

forest fire destruction from 30 million acres in 1942 to a mere 3 million acres last year. That's because so many forest rangers, guides, hunters, trappers, lumberjacks and other outdoor people have changed from smoking tobacco to snuff.

And they seem to like it, as attested by the year's consumption

of 35 million pounds of it. With that many using the stuff, along with those who prefer a cud of chewing tobacco, it's understandable that fewer fires were started. It almost seems possible that from such numbers spitting brigades could have been mustered to snuff out the smaller fires.

OFFICIAL NOTICE!

On Friday, October 23, at 8:30 a.m. in the auditorium of the college building on Highway 51, there will be a committee of the State Board of Education present to conduct a public hearing to determine whether or not to authorize an election to create an independent county junior college district.

RAILROAD FEATHERBEDDING:

\$500,000,000 LOSS

TO THE NATION—INCLUDING YOU—EVERY YEAR

Featherbedding on the railroads — pay for work not done or not needed — is costing the American people the shocking total of more than \$500,000,000 a year.

You pay for it every time you shop, because featherbedding costs are hidden in the price of everything you buy.

Obsolete union work rules, involving the railroad operating employees, are responsible for this gigantic burden. Right now, for instance, these rules require every diesel locomotive to carry a fireman — even though diesels have no fires to stoke, no boilers to tend.

The forthcoming negotiations between the railroads and the unions are urgently important to the whole nation.

In asking the unions to drop these featherbedding rules, all the railroads ask for is a fair day's work for a fair day's pay.

Barbecue Supper is Birthday Observance

A barbecue supper with all the family present observed the birthday of Mrs. Adolph Walterscheid Sunday at the family home. The big birthday cake was baked and decorated by Mrs. Denis Walterscheid and everyone brought gifts for the honoree.

Blowing out the cake candles, before the cake was cut, was fun for the grandchildren who did this for their grandmother. After the meal the group played 42.

Joining the honor guest and her husband were Messrs. and Mmes. Denis Walterscheid and Denise, Darlene, Debby and Kenny; Julian Walterscheid and Beverly, Darell and Stacey; and Sylvan Walterscheid and Danny.

Early experimenters with internal combustion engines used gunpowder as fuel.

Gretchen Hellman Richard Syverson Plan December Vows

Mr. and Mrs. Rudy J. Hellman have announced the engagement of their daughter Gretchen to Second Lieutenant Richard Ira Syverson, son of Mr. and Mrs. Ira Syverson of Blue Earth, Minn.

The couple has selected December 26, traditional wedding date in the Hellman family, for their marriage day. The nuptial mass will take place here in Sacred Heart Church at 4 o'clock in the afternoon.

Gretchen was graduated from Muenster High School with the class of 1956 and is a senior nursing student at Marquette University in Milwaukee. She will be graduated with a BS degree next May. Her fiancé was graduated this year from Marquette College of Engineering and is stationed at Fort Leonard Wood, Mo., with the army of engineers. His tour of duty will be finished next March.

Mrs. Caddel Hosts Tuesday Nites Club

Members of the Tuesday Nites Club were entertained by Mrs. J. J. Caddel as hostess in her home for the October party which featured games of Tripoli. Mrs. Bill Lindsay and Mrs. Leonard Owen tied for high score and Mrs. Owen drew the door prize.

After the games members drew names for a gift exchange at their Christmas party and Mrs. Caddel served chocolate cake and coffee to Mmes. Melton Ramsey, Leo Lawson, Bill Hunt, Oscar Miller, Jim Grooms, Charles Davidson, Gene Hoedebeck, Leonard Owen and Bill Lindsay.

150 Muenster Kids Attend State Fair

Muenster helped swell the attendance at the State Fair in Dallas Saturday which was Rural Youth Day. About 150 youngsters and their adult leaders made the trip in busses and cars.

Sacred Heart School had two bus loads accompanied by Father Bruno Fuhrmann, Mr. and Mrs. Arnie Hess, Mrs. Cecil Sims and Mrs. Johnny Wimmer.

Muenster Public School had a bus full accompanied by Mr. and Mrs. Weldon Holland, a car full of girls with Mrs. H. H. Homsley and a car load of boys with Edgar Dyer.

Halloween Carnival Sunday to Feature Fun and Festivity

Big time with ghosts and goblins and fortune tellers and loads of entertainment, a costume contest with prizes, the sale of fancy dolls and toys, homemade goodies and other refreshments are all on the list of things to expect at the annual Halloween Carnival sponsored by Sacred Heart School and scheduled for Sunday, Oct. 25, beginning at 2 p.m. And there'll be a dance at night.

Roommothers, teachers, class sponsors and students have been busy for weeks getting the carnival attractions lined up and they're preparing for a big crowd. They hope everybody comes.

Each grade from beginners through high school has a specific booth or game to supervise, the Alumni Association will be in charge of a refreshment stand and the CYC will be in charge of the dance.

One of the highlights of the afternoon for little folks will be the costume parade at four o'clock. Cash prizes will be awarded in three age groups for the prettiest and tackiest masquerades.

One group will include pre-school youngsters with first and second grades; in the next will be third, fourth and fifth graders; and in the third group, sixth, seventh and eighth grade students.

Throughout the Parish Hall, carnival attractions will be set up including wishing well and fortune teller, fish pond, doll booth, cake stand, ice cream, drinks and lunch stands, homemade candy, pies, and various games.

"I wonder what's the matter with our star basketball player — he looks so unhappy."

"It's because his father is always writing him for money."

Mrs. Charlie Wimmer Entertains 42 Club

October social for the Progressive Club was held with Mrs. Charlie Wimmer Jr. as hostess in her home entertaining members and three guests: Mrs. Buddy Yosten, Mrs. W. J. Miller and Mrs. Gilbert Endres.

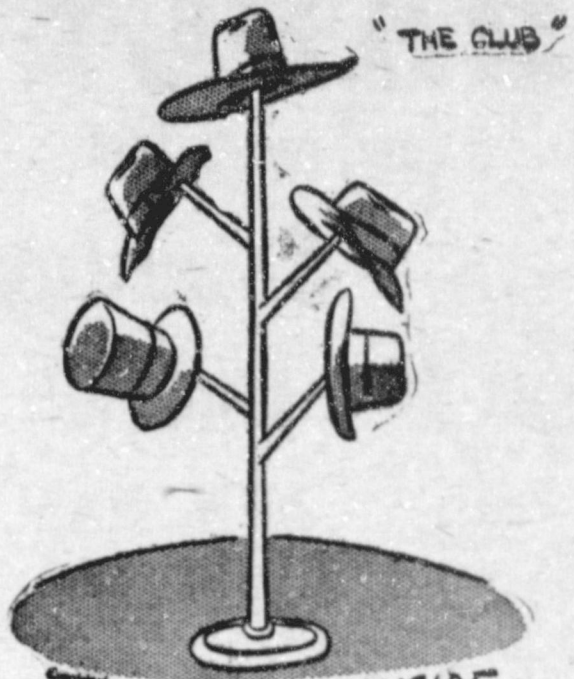

In a progressive 42 series Mrs. Gene Gieb led the scoring and also won the galloping award. Mrs. Roy Endres Jr. was second high and Mrs. Joe Trubenbach was consolation winner.

The hostess served a dessert course and coffee after the games and Mrs. Norbert Walterscheid who will be hostess for the November social invited members to come to her home for next month's party.

Housewarming at Lutkenhaus Home

A surprise housewarming party greeted Mr. and Mrs. Bill Lutkenhaus and daughters Judy and Janet at their new home Saturday night.

Forty-four relatives and friends arrived at the same time bringing gifts for the home and pie and coffee for refreshments. After the honorees displayed their gifts the group played table games and visited.

Business Class at Muenster High Has Election of Officers

Muenster High School's chapter of Future Business Leaders has organized for the term and has elected officers and committee chairmen. Miss Bettye Dodds, commercial teacher, is chapter sponsor.

Heading the group as president is Doug Hellman and other officers are Ferd Haverkamp, vice president; Donnie Trubenbach, secretary-treasurer; Roger Fleitman, parliamentarian; Ronnie Kathman, historian.

Committee chairmen are Dolphy Joe Hellman for publicity, Jolene Carlton for recreation, Carol Lee Sicking for finance and Jeanette Walterscheid for service.

City Library Has Added New Books

Muenster Library added more than 20 books the past week when County Librarian Carrie Hudspeth of Gainesville came over with the volumes on a loan basis. The books will remain here for several months for use. They include stories for children and westerns for adults along with other popular novels. A new bulletin board is another recent addition.

The library, sponsored by the CDA court and located in City Hall is open on Wednesday each week to check books in and out and for people to visit. Open hours are 9:30 a.m. to 5:30 p.m. CDA librarian Mrs. J. M. Weinzaepfel and members of the court are on duty.

Bake Sale Saturday

Juniors of Muenster High School have slated a benefit bake sale for Saturday with headquarters at Fisher's Market. The students said they'd have a good supply of bread, rolls, doughnuts and pastries available from 9 a.m. to 6 p.m.

DANCE IS CLASS BENEFIT

As an entertainment feature and benefit for their class, sophomores of Sacred Heart High scheduled a dance for this Thursday night in the Parish Hall with music by the Flames of Saint Jo. They set admission at a dollar a couple and sixty cents for stags. The dance was arranged as an after-football-game social.

Two local students at Gainesville College have assumed duties in class groups. Billy Otto is vice president of the freshman class and Bother Thomas Moster is on the staff of the Hilltop News, official college publication.

Walter Acker and Ed Gerber of Midland were here for a week-end visit with Walter's fiancée, Mary Catherine Walterscheid and her family, the Al Waltersheids.

Morning Coffee Is Given Rita Walter

A morning coffee Saturday honored Rita Walter of Gainesville, bride-elect of Aubrey Chapman of Dallas, with Mrs. H. P. Schad and Mrs. Harry Zoda as hostesses in the Schad home.

Mrs. Joe Walter, mother of the bride-to-be assisted the hostess and the honoree in receiving guests. Among them was her paternal grandmother, Mrs. John Walter, and other relatives from Muenster.

American Beauty roses decorated the party rooms and the coffee was served with fancy breads, pastries and pretty arrangements of fruit. The refreshment table was covered with white cutwork linen and was adorned with an arrangement of roses.

The hostesses presented a gift to the honoree who will be married this Saturday in St. Mary's Church.

Muenster Juniors Lose 16-8 Thriller To Sanger Huskies

Muenster's Pee Wees, going strong in their 12-B junior conference race, were overpowered 16-8 at Sanger last Thursday night.

Outweighed by an average of 40 pounds, the Little Hornets did not have a chance in the contest of strength. The best they could do was hold down their big hosts for short gains and try to get loose on their own offensive plays.

Sanger started its first scoring drive with the start of the game. From kickoff they pushed steadily to a TD and went over again for bonus points.

For the rest of the half the teams were fairly even until the last play when Vogel broke away 55 yards. A run for bonus points was good and the score was tied 8-8 at half time.

The third period was a deadlock. Sanger made more yardage but neither team was able to keep going. But in the fourth Sanger put on another push that brought the winning TD. They barely made it, however. On the last series before scoring they made their yardage on fourth down with less than six inches to spare.

Next on the Junior calendar is Valley View there Tuesday night at 7:30.

TO BANKERS CONVENTION

Mr. and Mrs. Herbert Meurer are off for Miami, Florida, where they will attend the American Bankers Association national convention Sunday through Wednesday. They left Thursday aboard a special train from Fort Worth. Also in the party were Mr. and Mrs. Frank Morris of Gainesville.

Blessed Events

First child for Mr. and Mrs. Bernard Haverkamp is a six pound two and a half ounce boy born Friday, Oct. 16, 1:51 p.m. at Gainesville Sanitarium. He's a grandson for Mr. and Mrs. Willie Fuhrmann of Lindsay and Mr. and Mrs. Ben Haverkamp. At baptism service Tuesday evening he was named Roger Bernard. Godparents are his maternal grandmother and his paternal grandfather.

It's a boy was good news for the Norbert Rohmer family when little Gene Douglas arrived at Gainesville Sanitarium Saturday, Oct. 17, 8:44 p.m. The eight pound three and a half ounce son has three sisters, Betty Mae, Barbara Jean and Helen Ruth. He's a grandchild for Mr. and Mrs. Henry Voth of Lindsay and Mr. and Mrs. Leo Rihmer of Muenster and the great-grandson of Mr. and Mrs. Tony Trubenbach Sr. of Muenster.

Mr. and Mrs. Joe P. Fuhrmann of Lindsay are parents of an eight pound 15 ounce son born at Muenster Clinic Tuesday, Oct. 20, 12:53 a.m. He has been named Peter Aloys. The little lad joins a family of two girls and four other boys. His grandparents are Mr. and Mrs. Willie Fuhrmann and Mr. and Mrs. J. C. Schmidkofer, all of Lindsay.

From Graham former Muensterites Mr. and Mrs. D. C. Jones are sending out announcements of the birth of their daughter, nine pound one ounce Diane Alesia, born Oct. 12. She's a sister for Johnny and Cathy.

At LaFeria Mr. and Mrs. Albert Bauer Jr. have announced the arrival of a son Oct. 10. They have two other boys and two girls. Mrs. Bauer is the former Joan Arendt of Lindsay and the grandparents are Mr. and Mrs. Paul Arendt Sr.

Tigers Win - - -

promptly gained back to the 41, but a fumble stopped the Tigers there. Two plays later they recovered Sherman's fumble on the 40 and headed goalward. Five plays made the 60 yards. Wimmer made 29, Cunningham 14 and Bayer scored from the 10.

A minute or so later Sacred Heart had another TD as Streng went over after a long pass but officials decided an ineligible receiver was down field and the play resulted in a 15 yard penalty instead of the score. After an exchange of kicks the Tigers started again from the 35 and had better luck. Four plays did it, the payoff being a jump pass to Haverkamp for 20 yards.

In the third quarter Sacred Heart made a few gains but bogged down three times. Meanwhile Sherman was stopped cold.

The third play of the final quarter Bayer passed to Streng for 26 yards and the last touchdown. Haverkamp kicked for an extra point making the count 25-0.

Following the next kickoff Sherman fumbled and Sacred Heart took over on the 25. Four plays gained to the 5 but the Tigers fumbled the opportunity away. However the effort was not completely wasted. Two plays later a Sherman back was caught behind the goal bringing the score to 27-0.

from Holder to Skipworth for the score. Howard followed over giving the Indians the 2 bonus points.

The rest of the quarter was mostly Muenster's, especially the closing minutes when the Hornets

marched 50 yards to their last counter only 2 seconds before the end. Just before it seemed that their last effort would fail as they drew a penalty moving them from the 4 to the 9 and promptly lost another 5 on the next play. But Doug Hellman found a big hole and rambled over without being touched. Wimmer's run was good for 2 bonus points.

Getting acquainted with two new nephews in one afternoon was how Mrs. Gerald Wachsmann of Wichita Falls spent her time here Tuesday. She was accompanied by her four children and they visited in the home of Mr. and Mrs. Bernard Haverkamp and made the acquaintance of Roger Bernard, then visited at Muenster Clinic with Mrs. Joe Fuhrmann of Lindsay and saw Peter Aloys. Other visits were pop calls with her sisters, Mmes. Frank and Meinrad Stoffels.

Mrs. Gerald Hess and son of Knox City visited her parents, the Emmet Fettes during the week.

class sponsor, and senior mothers prepared the buffet meal and Pedro Rodriguez and his band played for the dance.

Participating in the queen crowning ceremonies were princesses in the royal court of Her Majesty Queen Theresa, a senior who won by a popular vote of ex-students and whose identity was kept a secret until the formalities began. She wore a Nile green formal and was escorted by Lloyd Trubenbach.

Princesses were runners-up Jeanette Walterscheid, a junior; Martha Sue Meurer, a sophomore, and Bobbye Tuggle a freshman. They wore blue, white and apricot formal's, respectively. Sharing the honors of coronation ceremonies with Miss Otto were Miss Jean Wieler, homecoming queen in 1957; Miss Mary Pick, who had that honor in 1956, and Mrs. Dickie Cain representing the class of 1955 when Miss Gretchen Hellman was the school's first homecoming queen. Miss Hellman, a student at Marquette University, was unable to attend. They presented mum corsages to the princesses. The queen received a bouquet of mums.

second with a 4 yard plunge. Later in the same period Klement swept end on a 40 yard scoring run to give the Cubs a 12-0 half time lead.

They continued to rule the field in the third quarter. First Dennis Hess got away on a 40 yard sprint to the goal and later he made about the same distance but was hauled down on the 3, from where Francis Fuhrmann went over for the score. The Cubs failed on all their tries for extra points.

In the final quarter Coach Petrus turned the job over to his reserves and AMI made better progress, completing a steady drive with a 7 yard sweep around left end, A pass added two more points.

Next Sunday the Cubs will have an open date, but they're already looking forward to their clash with Winthorst on Nov. 1. That's the big game, which, apparently the Cubs will have to win for a share of the loop title. So far Winthorst has a clean record, including one win over Sacred Heart. If Sacred Heart wins from now on it will end with the same record as the Trojans, unless AMI or Lindsay obligingly dumps them.

Fire at Forestburg Destroys Home of Mrs. Bruce Steadham

Fire of undetermined origin completely destroyed the home of Mrs. Bruce Steadham in the Forestburg community at noon last Thursday. Sharing the two-story frame structure with Mrs. Steadham were her daughter and family, the John Links. No one was at home at the time of the fire.

The blaze is believed to have started in the kitchen and was too far advanced when discovered to save anything except a few pieces of bedroom furnishings. Forestburg's volunteer firemen fought the flames.

Neighbors and friends have showered Mrs. Steadham and the Links family with clothing and furniture and the homeless ones are presently staying with Mrs. Steadham's widowed daughter-in-law, Mrs. Eulen Steadham until they rebuild. Plans are to start on a new home in the near future.

Rural, Small Town Drivers Benefit by New Insurance Plan

Austin, Texas — Rural and small town residents will have an advantage over their city cousins when the new auto insurance rating plan goes into effect Jan. 1.

Under the new system worked out by the State Board of Insurance, a driver's auto insurance premiums will be raised or lowered according to his driving record. Each accident or ticket for a moving traffic violation puts a "black mark" on the driver's record and moves his insurance premiums up a notch.

In the congested streets of the larger cities, one wrong move, even if unintentional, often brings a ticket or a crumpled fender or both. In most small towns, the local lawman is not usually too exercised if one of his friends and neighbors makes a U-turn on the main street.

Purpose of the plan is to put the biggest part of the burden for insurance payments on the people who bring on the most damage and expense. People who have a history of numerous traffic violations, according to Department of Public Safety statistics, are the ones who have the most accidents.

It is also hoped, of course, that the plan will encourage careful driving with its cash incentive.

Drivers with no record of an accident or violation for the past three years will get a 20 per cent reduction in their insurance rates. Drivers with one point against them will pay current rates.

Those with from one to five points against them will pay increased rates on a sliding scale, and those with six or more points will pay through the nose—double rates.

Some activities will be very expensive, point-wise. Drunken driving, hit-and-run driving and negligent homicide will cost four points. An accident with damage over \$25 brings two points; running a red light, only one point.

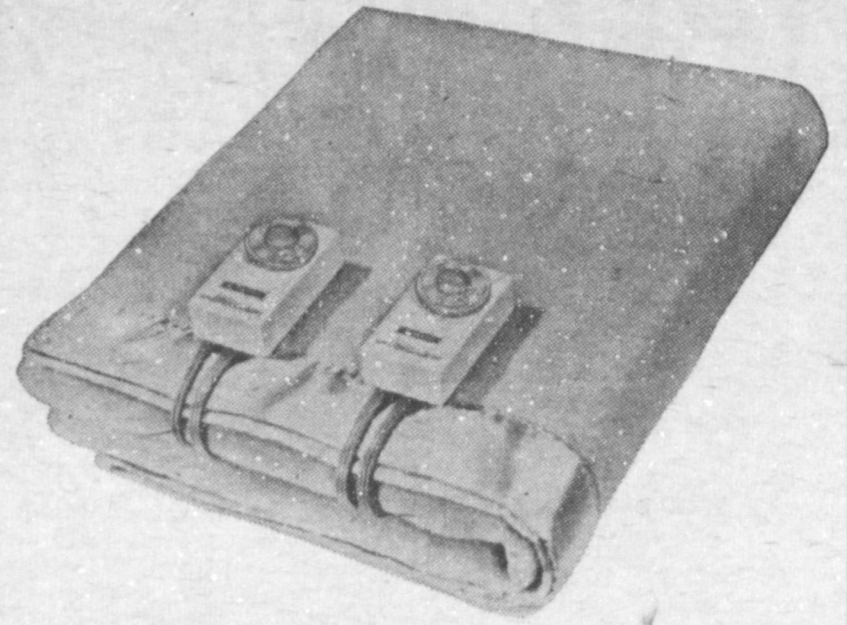

In most cases, the effect of a violation on insurance premiums will hurt the pocketbook worse than the usual fines.

The revenue agent toiled up the rock-lined mountain path toward a spot where a still was known to be located. Suddenly a shot rang out. Something grazed his sleeve. But, a determined man, the agent plodded upward. There came another shot, which put a hole in his coattail. Heedlessly, he went on. A third report, and a bullet knocked his hat off. Despite all this, however, he drove himself forward.

Then, from behind a rock near the top, a voice sounded. "One more step," it warned grimly, "an' I begin takin' aim."

Local Herds Among Top Producers in DHIA During Month

Cows of the Felderhoff and Sicking herd were in second place in the DHIA for production of both milk and butterfat during September according to the association's summary for the month.

With average butterfat at 38 pounds and milk at 1012 pounds, the herd was second only to Peter Prescher's who chalked up 41 pound of butterfat and H. H. Moody's who accounted for 1144 pounds of milk.

Third place in both categories went to Paul Fetch's cows with totals of 36 and 953, respectively. Other high herds during the month as recorded by technicians of the Dairy Herd Improvement Association included C. A. Fisher's, Paul Sicking's, Ed Sicking's, Jerry Hoening's and Paul Fisher's.

Peter Prescher's cow No. 27 was the individual high butterfat champion with 127 pounds.

Nineteen member herds were tested during the month with 537 cows in milk and 158 dry. One hundred cows produced 50 or more pounds of butterfat with all-over average standing at 30. Average pounds of milk per cow was 742.

Local News BRIEFS

The last of Mr. and Mrs. L. A. Bernauer's golden wedding guests left Tuesday when Msgr. Louis J. Kempf and Miss Frances Bernauer boarded a plane at Fort Worth for Memphis, Tenn. They had been visiting also with Mr. and Mrs. L. W. Flusche at Decatur and they saw them off. Mr. and Mrs. Bernauer and Mrs. A. H. Rebentish spent Saturday in Decatur with the Flusches and their guests. Other relatives at the golden wedding, in addition to brother and sisters, included Mrs. Charles Smaistra and Mr. and Mrs. Louis Wernet of West, Mrs. R. S. Mitchell of Waco, Adolph Wernert of Dallas, Dr. Charles Reiter of San Antonio, Roderick Reiter of Kerrville and Mr. and Mrs. C. D. Mitchell, Nancy and Douglas, and the Robert and Charles Bernauers of Gainesville.

Emma Fisher, accompanied by two classmates from St. Joseph's School of Nursing in Fort Worth spent the weekend with her parents, the C. A. Fishers. Her guests were Pat Gallagher and Bobbie Phillips. They were here for MHS Homecoming Friday night, and Saturday evening were supper guests of Mary Pick in the home of her parents, Mr. and Mrs. Henry Pick. Mary, another classmate, was also at home for the weekend. She was accompanied by Jim Schwartz of Carswell Air Force Base.

Patsy Krahl of Gainesville spent the past week and this week here with her brother, Eddie Krahl, and family.

Spending a week's vacation with Mr. and Mrs. Don C. Cooke were her sister and brother-in-law, the C. L. Bledsoes of San Antonio. One day the men fished at Katy Lake as guests of Curtis Martin and had good luck. The Bledsoes left Monday to visit in Dallas and Fort Worth before returning to their home. In Dallas they were with her sister-in-law, Mrs. E. F. Halliburton and three daughters and in Fort Worth they were guests of her sister and husband, Mr. and Mrs. H. G. Andrews and his sister and family, Mr. and Mrs. Al Otts.

Mrs. Bill Terry and her mother, Mrs. Tony Wiesman of Gaines-

ville, were at Fort Hood for a weekend visit with the former's husband, in basic training there. He conducted them on a sight-seeing tour of camp. Pvt. Terry will be finished with basic and transferred for advanced training next month.

Home for a visit with her family, the Herman Swirczynskis, and among guests at MHS homecoming festivities was Mrs. Loffie Smith of Dallas.

Among students home for the weekend, most of them getting here in time to attend Muenster High's homecoming Friday night were Gene Wisler accompanied by a friend, Kathy Pagel, Judy Cain, Herman Grewing, David Klement, Don Lehnertz, Johnny Fette and Roy Swirczynski, all of North Texas State College at Denton; James Walterscheid, Jerry Klement, Billy Danglmayr and a friend and Tim Mosman, all of Texas A&M; Francis Fisher of Lubbock's Texas Tech, Emma Fisher and Mary Pick and a friend from Fort Worth, Becky Mosman of TWU at Denton, Mr. and Mrs. Pat Stelzer of Commerce and Claude Walter of Weatherford, Okla.

Disneyland and everything of interest was seen by Mrs. Ed Hess, Mrs. Mike Schilling and Sonny Walterscheid on their recent trip to California. Seeing things with them were Marine Cpl. and Mrs. Richard Hess who were enroute to Camp Pendleton. The group visited Carlsbad Caverns and Las Vegas, Nev., on the way out and were together for sight-seeing in California and in Old Mexico. They also visited Naval Airman and Mrs. Leo Hess at San Diego. On the way back the three returning to Muenster enjoyed sights in Utah, especially Zion National Park. Weather was wonderful for getting in the water at Oceanside, Calif., where they headquartered and they spent spare time on the beach and in the Pacific. They made a tour of Camp Pendleton and saw Richard and his wife get settled.

Sunday visitors with Jim Walker and his mother, Mrs. Ada Walker, were Mr. Walker's son-in-law and daughter, Mr. and Mrs. Leonard Luttmier and daughters of Valley View and Granny Walker's son and family, the B. A. Walkers of Fort Worth. E. E. Ballinger joined them for a visit in the evening.

It takes more than the distance between goal posts on a football field (100 yards) to stop a car traveling at 60 miles per hour under the best driving conditions, 4-H Club members point out. At 60 mph. a car travels 88 feet per second. There's not much "time" to come to a dead stop upon approaching a tractor or other slow-moving farm machinery. "Highway safety is everyone's responsibility," 4-H leaders declare, and during the summer when traffic is at its peak the obligation becomes greater. The devastating fact that three out of four traffic fatalities occur in rural areas makes the 4-H Safety program the "number one crop" for nearly a million conscientious club members. Statistics reveal that there are more teen-age drivers on the highways today than ever before.

It is also true that drivers under 20 years of age have a worse safety record than older drivers. So each 4-H boy and girl enrolled in the safety project is encouraged to become a "self-policing committee of one." These 4-H'ers make certain that the family car, truck, and tractor are in safe operating condition at all times. For the past 15 years the 4-H Safety program has been supported nationally by General Motors, which among other things provides incentive awards for top ranking club members in each state. The awards consist of \$400 college scholarships, all-expense paid trips to the National 4-H Club Congress in Chicago, medals of honor, and plaques. The program is under the direction of the Cooperative Extension Service, United States Department of Agriculture.

Dolores Hoff of Windthorst marry there. Scoutmaster Nick Miller and 19 members of troop get ready for court of honor. Mrs. Joe Linn is recovering from a gall stone operation performed at Gainesville Sanitarium. Former Pastor Father Thomas Ruerger is recovering from illness in Corpus Christi.

HERE'S WHAT MAKES the CORVAIR REVOLUTIONARY

Short and sweet! Engine's in the rear—where it belongs in a compact car. With more weight on rear wheels, you get extra road-gripping traction for cornering and driving on ice, mud or snow. Also, by avoiding nose-heaviness of front-engine compact cars, Corvair handles easier, brakes better, rides smoother. Styling of both 4-door models is clean and uncluttered . . . as fresh and functional as modern architecture.

Unipack Power Team

Engine, transmission and drive gears are neatly wrapped in one lightweight package. Takes less space, leaves you more.

UNISTRUT BODY BY FISHER

Body and frame are combined into a single rigidly constructed unit that reduces Corvair's weight, enlarges its passenger space.

Practically FLAT FLOOR

Corvair is America's only compact car with a virtually flat floor that gives you full 6-passenger comfort. For extra space, folding rear seat* converts easily to make room for 17.6 cu. ft. of cargo. *Optional at extra cost.

TRUNK'S UP FRONT

Lots of luggage space under the hood, where it's convenient for groceries, packages.

NEARLY 3 FEET SHORTER

Corvair's almost 5 inches lower, 1,300 pounds lighter, too. Its compact size makes it a joy to jockey through traffic, a pleasure to park. No need for power assists.

AIR COOLED

You never have to fuss with antifreeze. Turbo-Air 6 warms up quicker, with less wear on parts. Air-plane-type heater* goes to work almost instantly. *Optional at extra cost.

4-Wheel Independent Suspension

Springs at each wheel cushion bumps independently of each other for a ride that rivals much costlier cars.

Revolutionary Rear Engine

works small miracles with mileage. It's the world's first production 6 with the ultra-smooth power of horizontally opposed pistons.

Local News BRIEFS

Mr. and Mrs. Harry Scoggins and children and Fred W. Herr were weekend visitors in Dallas, guests of the Clarence Albers and Eddie Jakubec families and they all attended the State Fair. Sunday afternoon the Albert Herrs and daughters drove to Dallas and everybody was together at the Jakubec home for a visit and home movies shown by Albert Herr and including the latest ones taken of their home since a remodeling and redecorating program is completed.

Sunday was visiting day at OLV Convent and Mr. and Mrs. Alfons Reiter and children Gloria and Shirely, niece and nephew Gloria and Wayne Morrison, and Mrs. Reiter's mother, Mrs. Albert B. Knabe drove to Fort Worth to spend the afternoon with Sister Benedict. She teaches at OLV Academy this year, has a class of 40 seventh and eighth graders.

Mr. and Mrs. Leo Henscheid and Carol and Mrs. Ray Owen and daughters Lois, Margy and Joyce drove to Dallas Sunday for a visit with the Jerry Henscheids and they accompanied them to see Ice Capades and State Fair exhibits. The Henscheids were road testing their new 1959 Ford sedan which they had out for its first trip.

Mr. and Mrs. Frank Felderhoff and children and his mother, Mrs. John Felderhoff, were Sunday visitors in Wichita Falls with their sister and daughter, Mrs. Aubrey Jennings and children.

Mrs. G. H. Hellman is back in Muenster after spending the summer with her children in Milwaukee, Wis., Allegan, Mich., Chicago, Ill., and Tulsa, Okla. Flying Bill Hellman of Tulsa brought his mother in his plane. Grandma Gus plans to stay here until the first of the year. She's with her son Arthur Hellman and family.

C. F. Gobble returned Monday from Altamont, Kansas, where he visited his mother, Mrs. Mary Gobble, and also saw his only brother who was there from Missouri. Mr. Gobble was away five days, stopping in Tulsa on the way going to visit a nephew.

Guests this week in the home of Mr. and Mrs. Joe Linn were his sisters, Mrs. Era Mitchell of Phoenix, Ariz., and Mrs. W. B. Packer and Mr. Parker of Dallas with whom Mrs. Mitchell came to Muenster.

Among Dallas Fair visitors during the weekend were Mr. and Mrs. Aubrey Tuggle and children Donna and Tommy and Mr. and Mrs. John Huchton. The Huchtons accompanied Mr. and Mrs. Johnny Bugg of Gainesville.

Mr. and Mrs. Shirley Leach of Millsap - she's the former Odesa Bradshaw, a sister of Mrs. T. S. Myrick and known locally through her visits here - have announced the arrival of their first grandchild, the son of their daughter Shirlene and her husband, Mr. and Mrs. Bill Knight. They've named him Mathis. Mrs. Myrick, Mrs. Pat Stelzer and Mrs. Arthur Bordeau have been to Millsap to make his acquaintance.

Recent visitors with Mr. and Mrs. Joe Doughty was his sister, Mrs. Lula Richardson of Denton.

Sister Henry Ann came over from Denison Sunday to visit her father, Mike Fuhrmann, and together they visited all members of the family in Gainesville, Lindsay and Muenster. Sister Henry Ann left Denison Tuesday for San Antonio. Formerly nursing at Madonna Hospital she will have the same duties at Our Lady of the Lake Convent. She came to Lindsay with Mr. and Mrs. A. C. Flusche who attended the Catholic State League district meeting and returned to Denison in company of her father, her brother Val Fuhrmann and children Marilyn and Freddie who drove her back.

Mr. and Mrs. Martin Friske and Cecilia Neu are back in Lindsay after a trip to Memphis, Tenn., to visit with Naval Airman Jere Friske and attended his graduation from electronic school at the Naval Training Center. Mr. Friske also had the pleasure of seeing his son initiated in the Knights of Columbus while they were there. Jere came to Lindsay with them on a delay enroute to his next assignment at Imperial Beach, Calif., and has gone to his new station.

Mrs. Paul Arendt Jr was hostess in her home for the month's Tripoli party. Mrs. Lee Wolf was the birthday honoree and also the big score winner. Others attending were Mrs. Ed Wolf, Mrs. Ted Schniederjan, Mrs. Andy Arendt and Joan Wolf.

Lindsay Pee-Wees played the Windthorst Spartans Sunday afternoon and put up a real fight against the heavier host team. The game was better than the score indicates. The Pee Wees failed to score but held the Spartans to 20. This is the first year Lindsay has football. Accompanying the team and Coach Schroeder to Windthorst were about 35 Lindsay fans who went along to root for the Pee Wees.

Mr. and Mrs. Albert Zimmerer have named their infant son Deryl Joseph. Father Alcuin Kubis officiated at his christening in St. Peter's Church. The baby's godparents are his grandparents, William Flusche and Mrs. John Zimmerer.

The social evening for the North Texas Subiaco Alumni workers scheduled for this Sunday night at Lindsay, has been postponed. A new date will be announced.

The second collection at masses in St. Peter's Church Sunday will be for the United Fund. Masses will be at 7 and at 9 a.m. At three o'clock in the afternoon members of St. Peter's Parish will join other Catholics of the Sherman Deanery in observance of the feast of Christ the King at St. Mary's Church in Gainesville.

Mr. and Mrs. H. S. Fuhrmann left Wednesday morning for a visit with their son, Brother Louis Fuhrmann, at Subiaco Abbey. He is recovering now from a back ailment sustained some time ago when he overlifted.

Rosemary Hermes is back in school again since Monday after missing three weeks on account of illness. She says many thanks to all who remembered her with prayers, greeting cards and gifts and to Father Lane for his hospital visits. Her family joins her in expressing appreciation for kind and thoughtful deeds.

Mr. and Mrs. Hubert Bezner and children Ricky and Janet are back at their home in Monahan after a two-week vacation visit with his mother, Mrs. Joe Bezner and family here, her father Al Kuntz and relatives at Valley View and other relatives in Dallas.

St. Anne's Society Has New Project in Shrine Remodeling

Current project for the Lindsay St. Anne's Society is remodeling and beautification of the Sorrowful Mother shrine in St. Peter's Church. New drapery, new floor covering and other details have been taken over by the society. The group decided on the project at their October meeting last Wednesday night.

To make meetings more interesting the members favored a question box and Spiritual Adviser Father Alcuin will be in charge of answering questions presented.

The ladies also decided to give the church a thorough cleanup job, the date to be announced later. Members whose names begin with A to M inclusive will be the first workers.

In other business conducted by President Mrs. Norbert Zimmerer, Treasurer Mrs. Tony Hermes presented the financial report, a card of thanks was read from the Al Geray family for the many expressions of sympathy during their recent bereavement, and members voted to pay from the treasury the expenses incurred by a delegate to the diocesan convention of the National Council of Catholic Women. Mmes. Joe and William Bezner and Nick and Pete Block were named delegates to the district meeting of the Catholic State League.

Fifty-three members were present and Mrs. Ed Schad won the door prize. Father Alcuin led the opening and closing prayer.

After adjournment angel food cake and coffee were served by hostesses Mmes. Leonard Bengfort, Al Bengfort and Joe and William Bezner.

European Tour

From Germany comes a report on a European tour made by Jane Hoehn, a major in the Army Nurse Corps. Jane bought a new Porsh car and with three other nurses toured several countries for three weeks. They visited the salt mines in Austria, saw Hitler's Castle, attended Mass at St. Peter's in Rome, rode gondolas in Venice and shopped in Paris. These were among highlights of the trip Jane told about in cards and letters to her sister, Mrs. Ed Cier.

Ronnie Stockman of Dallas is here for a visit with his grandparents, Mr. and Mrs. R. M. Zipper.

Class Club Hears Rosary Discussion

Juniors and seniors of Lindsay school held their monthly class meeting with Jolene Zimmerer leading the program with a discussion on the Rosary appropriately chosen for October, month of the rosary.

Carolyn Schmitz read the "ghost report" and the group recognized the author as Dolores Hess. Melvin Fleitman was appointed to give the spiritual at the next meeting and members decided to answer roll call at that time by naming their favorite saint.

tax, and it's understandable that most Gainesville people would vote to transfer part of the expense to other districts. In case of a single election they could vote all rural areas combined, actually impose a part of their responsibility on other people.

This isn't a case of starting from scratch. Gainesville has had the college for many years and only recently has made a big expansion. It is already stuck with an obligation. So its people would be voting not to take on a new tax but to get rid of an old one. That makes a big difference. Their motive in voting will be altogether different from motives of the rural people.

If that's the kind of election proposed rural areas should have representation present to oppose it. To them it would not be a matter of voting on the merits of a county college, but only a way of dumping obligations on defenseless people. In a showdown we even doubt whether such an election could be authorized by state law.

If, however, the proposal is for separate elections it deserves the support of everybody in the county. In that case each district would have the opportunity of deciding freely whether it wishes to join Gainesville in this venture. Its people can judge the county college plan strictly on its merits and vote accordingly.

That's the fair way, the democratic way. Rural people should be permitted to decide whether or not they want the county college but they should not have it forced on them.

Halloween Carnival Slated at Lindsay

Roommothers of Lindsay school have made plans for the children's annual Halloween Carnival which will be an event on Thursday, Oct. 29, from 7 to 9 p.m. Primary purpose of the party is to give

the youngsters a treat but their parents and everyone else is invited to attend.

A long list of games and contests with prizes are arranged for entertainment and hot dogs, cold drinks, homemade candy, popcorn balls and other goodies will be available.

I said, "You get more style and comfort in Jarman's"

The man is absolutely right! Jarman's offer more style per dollar, more comfort per foot — and that means greater value. For proof, come in and try the distinctive new "Casablanca" shown here. It traces its slim smartness to a continental original but the soft and flexible comfort is directly due to Jarman's scientific new "Pillow-Flex" construction.
