92 Local Students Continue Studies Away from Home

It's a vicious circle. About the time the one cent increase in federal gasoline tax goes into effect economy cars of America's three big manufacturers hit the market. So the guys who cooked up this tax raise have cause to wonder whether they will actually succeed in raising the total tax take.

Finding that they are still short, their next step, we presume, will be to go after another raise in tax . . . which in turn will induce the public to strive for still more economy. Who knows but what the economy car will become the average in this country, and motor-bikes and scooters will also grow in popularity.

There's an old saying, 'you can lead a horse to water but you can't make it drink.' Likewise you can raise the consumer's gasoline tax but you can't keep him from buying less gas.

This is the situation economists refer to as the point of diminishing returns. Nobody, it seems, knew just where the line would be drawn . . . where the higher tax would actually produce less revenue than a lower tax . . . but indications now are that we may find out.

It's no wonder that the public is inclining toward a way to beat the system. Taxes have been piled on without mercy since World War II. As one oil company points out, the combined state and federal taxes in the past ten years have increased six times as much as the price increase on the gasoline itself. Incidentally, we might bear in mind that the price increase on the product itself is more than offset by inflation, so we can't complain about the oil companies.

The reason for the tax increase we've been told over and over, is to finance the country's huge highway building program. All of which seems reasonable enough until we ask whether the roads really need to be so elaborate. We wonder whether the highway engineers aren't going to absurd extremes on some of their projects. Take the stretches of new road from Red River to Dallas, for instance. Is it necessary to have miles and miles of two way pavement on both sides of a four lane super highway? Is it necessary to have overpasses for practically every rural crossroad?

These things are desirable safety features, of course, but few of us are convinced that they are really needed under present conditions of traffic intensity. There could be simpler, less expensive systems of crossing or access or exit on this and many other highways, all adequate to the area's needs for many more years. The big question is, why burden the taxpayers with elaborate features that are not really needed in the area they serve? Lots of public money could be saved, and a smaller highway budget could build many more miles of good road, if the plans were more adequate and less fancy.

This isn't claiming that all of the super highway program is foolish. Obviously many areas have enough traffic to warrant extravagant clover leaves and interchanges. But many areas simply do not.

A shocking report from the Federal Bureau of Investigation reveals that crime in the United States increased 9.3 per cent in 1958 over the 1957 level. The report further points out that this sad record can not be attributed to population growth, which was only 1.7 per cent for the year. Taking population into account the rate of crime increase was 7.4 per cent.

The report on juvenile crime is especially bleak. It shows that crime increased 8.1 per cent in the under 18 group as against 2.5 per cent in all other age groups.

Only one explanation is possible for this deplorable situation. Moral standards of this country are deteriorating. Despite claims of increased membership by many religious denominations, it is apparent that good solid religious principles are not getting across to the public.

FBI Chief J. Edgar Hoover is firmly convinced of that fact. And so are many other prominent people in public life. They know that the only way to improve public behavior is to get back to fundamentals and restore the old time awareness of a relationship between the individual and God. Law alone cannot induce people to behave. They must have a conscience which prompts them

This year class bells ring in schools away from home for 92 Muenster young men and women, the largest number in local history to continue their education away from home. Last year's total, the previous high, was 89.

Of this year's 92 young people, 51 are college students, 13 are in nursing schools, 12 are seminarians 14 are in the convent, one is in an academy and one is taking a business course.

Fourteen colleges have enrollments from Muenster, Gainesville College leading with 11. They are Melvin Kaiser, Gilbert Bindel, Clyde Muller, Don Ray Moon, Joe Moser, Brother Thomas Moser, Patsy Otto, Billy Otto, Henry Pels Jr., Jerome Voth and Donald Walterscheid.

North Texas State College at Denton is next with nine: Jean Wieler, Kathy Pagel, Judy Cain, Herman Grewing, David Klement, Don Lehnertz, Gene Luke, Johnny Fette, and Roy Swirczynski.

Texas A&M College has 36 local

Ben Huchton, 79, Pioneer Resident, Dies in New Mexico

Ben Huchton, one of Muenster's old timers who had been living in Hobbs, N. M., in recent years, died there Saturday night. He was 79.

Funeral services with requiem mass were held Wednesday in the Catholic church at Hobbs and burial was in that city.

Ben Huchton was born in Saint Paul, Iowa, a son of Mr. and Mrs. Henry Huchton and came here with the family in 1893 just as he was reaching his teens. Muenster had been colonized four years before.

Mr. Huchton was married twice. His first wife was Miss Carrie Schmidt of Grand Rapids, Iowa, and they had two sons and a daughter. Several years after her death he married Miss Gladys Hendricks of Myra and added another daughter to the family.

All of his adult life until he retired from active work he was in the market and grocery business, opening his first meat market in Saint Jo.

Survivors include his wife, two sons and two daughters and three sisters, Mrs. C. J. Fette of Muenster, Mrs. William Kelly who moved recently from Gainesville to Dallas and Mrs. John Swirczynski of Oklahoma City.

WITH THE MEN IN SERVICE

First Leave at Home

Airman Pat Hess is at home on his first leave since he joined the Air Force. He'll be visiting his parents, Mr. and Mrs. Albert Hess and family for 30 days. With three months of basic finished, Pat will be going from here direct to a port of embarkation in New Jersey and on to Germany. He had basic at Lackland AFB in San Antonio.

Gets New Orders

When Sgt. Joe Galloway left here during the weekend he expected to be stationed at Vandenberg AFB in California until Nov. 1 at which time he was to be transferred to Sheppard AFB in Wichita Falls. After arriving at Vandenberg his orders were changed and he was transferred at once back to Texas. When he called his wife Tuesday night he said he'd probably be here this weekend and they can move to Wichita Falls shortly afterwards.

Weekend Visitor

A pass gave PFC Nolan Hammer enough time for a visit at home during the weekend. He came here from White Sands, N. M., to spend Saturday and Sunday with his parents, the George Hammers and family. With him was a friend from the base, Larry Freehauf, whose home is in Joliet, Ill.

Gets New Rating

Robert (Pete) Hammer has a new rating making him a Specialist Fourth Class. He received the promotion in Germany where he serves as a radio technician with the army. In a letter to his parents, the George Hammers, he mentioned having enjoyed a visit with Douglas Doughty. They are based about 60 miles apart. Douglas is the son of Mr. and Mrs. Joe Doughty, route 1, Muenster.

KCs Plan 2 Events For Columbus Day

Two events on the local K of C calendar will observe Columbus Day here. There will be a group communion and communion breakfast on Sunday and a dance Monday.

All members are urged to be present for group communion at the 9:30 mass, then to go to the parochial school lunch room for breakfast. Chaplain Father Christopher Paladino will head the program as speaker.

The Columbus Day dance will be held in the KC hall with the Eric Hanza Bohemian band of Ennis providing the music. Each member is invited to bring his lady and a couple as guests.

Scouts Will Direct School Children at 2 Street Crossings

A plan of traffic control to assist school children in crossing Main Street at Sixth and Seventh is in the making and will be in effect as soon as arrangements can be worked out.

The program originated with the Benedictine Sisters and was submitted by Father Christopher to Scoutmaster Nick Miller as a possible project for his charges. He in turn secured the cooperation of the city council.

First step will be to paint pedestrian traffic lanes at the Sixth and Seventh intersections and possibly also to provide special signs. The city will further cooperate by arranging for Deputy Bill Pratt to help get the program operating smoothly.

Probably other boys will be asked to join the Scouts on this project. Scoutmaster Miller said that he does not have enough members in town who are qualified for the assignment. Those living in the country cannot help because they are riding school busses at that time. It is estimated that the job will take about 15 minutes each day.

Muenster Juniors Clip Era 20-8 in Speed-Brawn Test

Speed and skill triumphed over brawn here Tuesday as Weldon Holland's pint sized Muenster Juniors outscored the Era Juniors 20-8.

It was the second win for the local boys, giving them a perfect record so far in the pee wee division of district 12-B for this season.

The win, however, was far from easy, and the Muenster kids, though leading, were under pressure for part of the second quarter and practically all of the third and fourth.

In the first period Muenster jumped to an early lead with two scores. Weldon Vogel scooted around end for some 20 yards and Hammer added two points. Shortly after that Hammer also swung wide and got away for about 40 yards and the counter. The quarter ended 14-0.

Then Era's kids took over. A few yards at a time they ground out 60 paces for their first touchdown. Then they held Muenster and promptly completed a pass for 40 yards just before running out of time on the 20.

In the third period the visitors had Muenster backed against their goal and crashed through for a safety, putting them in position to tie or win.

Under that strain the two teams battled to the closing minutes when Muenster suddenly combined three big plays for another score. A pass to Reiter gained 30 and one to Flusche gained 25, and Hammer ran for 15 and the TD as the clock showed less than a minute to go.

Daniel and Nixon Will Preside as State Fair Opens

Dallas — The 74th annual edition of America's greatest fair, the 1959 State Fair of Texas, will open Friday afternoon, Oct. 9.

Following the traditional parade through downtown Dallas, which starts at 3 p.m., the ribbon-cutting ceremonies at the main pedestrian gate on Parry avenue will officially open the fair at 3:45 p.m. However, all fairgrounds gates except the Parry gate will be opened to the public at 3:30 p.m.

Texas Gov. Price Daniel will snip the silken ribbon that officially opens the fair, and Vice President Richard M. Nixon will speak briefly. The official party

Muenster Renews Efforts to Secure Low Cost Housing

Steps toward renewing a long abandoned effort to secure federal sponsored low cost housing were taken by the city council at its meeting last Monday. With the approval of the council Mayor Meurer reactivated the city's previous Housing Authority committee and also made two new appointments.

Former members are L. A. Bernauer, J. M. Weinzappel and C. J. Wimmer. New members are Ray Wilde and Vincent Felderhoff succeeding L. A. Schoech and the deceased J. H. Otto.

They have the authority to deal with the federal government in securing loans for the construction of low rent housing.

Actually the present program is a continuation of the one started in 1952 and abandoned in 1953 because of the government's failure to provide funds. Since funds were provided in the past congressional session the city again has the opportunity to qualify for a project.

L. A. Bernauer, chairman of the former committee was advised of this opportunity in a letter from Paul G. Bentley Company, consulting engineers, of Dallas. The firm offers to assist with the red tape of securing an allocation and also to provide plans and specifications for construction.

Financing is to be done by a federal loan which is to be repaid out of the project's income from rent.

Crippled Tigers Drop 22-0 Contest To Ladonia High

Three times in the first half Ladonia's Rattlers slithered past the Tiger defense to inflict a 22-0 defeat on the crippled but game Parochial youngsters.

Playing on the Rattlers' field last Friday night George Petrus and his team were caught off guard by the Ladonia brand of attack and found themselves trailing by a 3-touchdown margin before they could get organized. After their half-time ruddle they stopped the host team but missed their opportunities to the score as many touchdowns of their own.

Ladonia's counters came on three big plays. There were two scoring passes completed in the clear, one for 25 yards and the other for 45 yards, besides a touchdown gallop from mid field. Otherwise the Rattlers gained little in the first half and even less in the second.

Fumbles and interceptions spoiled the offensive efforts of Sacred Heart. Of their four fumbles two were heartbreakers, coming inside the 10 yard stripe. Another time the Tigers were threatening inside the 20 and missed a touchdown pass, and lost possession as they failed to make their 10 yards for the series. Injuries obviously handicapped the Tigers. Tim Wimmer, usually

City Adopts Two Traffic Controls

Two measures of local traffic control have received the city's okay and will become effective as soon as signs are received.

One is to stop double parking at Sacred Heart Church on Sundays. The purpose there is to eliminate a traffic hazard and also the inconvenience caused to people who are blocked by the cars. Signs have been ordered.

At the intersection of the Highway and Main drivers will be required to stop before making a right turn on the red light. Four signs saying "Right Turn on Red After Stop" will be suspended under the light facing each direction.

Water Department Gets Safety Award

Proudly displayed in the city hall now is a plaque just received by the city water department from the American Water Works Association as an award of merit for an excellent safety record in operating the water works plant in 1958.

The award is part of a nation wide program to encourage safety in the operation of all water systems. By continued safe operation the city in future years can receive section awards to attach to the plaque.

City Council Okays Repairs on Bastille

The city's ancient one-cell bastille, which has been standing idle for many years on the city lot west of the bank is being moved and renovated for possible future use.

City council members at their meeting Monday night agreed on the advice of Sheriff O. E. Whisnand to make the jail available for use. It will be near to or attached to the city hall, the exact location still to be decided.

The iron cell from the old jail is to be repainted and enclosed by a small fireproof building, probably of concrete tile.

Hornets Take On Tough Era Outfit While Tigers Rest

Odds will be stacked high against the Hornets Saturday night when they go to Era for the second tussle on their 12-B schedule, but Coach Smith and his boys have hopes anyway.

It's possible, he said, for his charges to trip up the mighty Era outfit, and they feel that way about it. They'll be in there doing their best and hoping for a few breaks to help them along.

On paper, however, there is no doubt whatever as to how the outcome should go. Era has been hot all season and started its loop play with Valley View last week by cashing in three breaks for as many counters. That game, played in a sea of mud hardly furnished a good comparison of the teams. Neither made enough gains to show any ability.

As regards condition, all Muenster boys except Ferd Haverkamp are up to par. He has been nursing a back injury since last week but says he will be back in uniform for the game.

The game will be played at Era Saturday night starting at 8 o'clock.

For George Petrus and his Sacred Heart Tigers this week brings a most welcome open date. They were due to play Windthorst, which went out of business without playing a game because of a shortage of players.

The light weight Tigers have absorbed lots of hard knocks in five tough games and this is their first opportunity to get healing time. Next on their list is Sherman B here Oct. 17.

Inspired Panthers Run Wild in 38-14 Win Over Hornets

Saint Jo's Panthers, with an eye on the district title, came to Muenster Friday night determined to win, and their determination paid off in a big way. After stampeding to a 26-6 half time lead they coasted through the second period for a decisive win of 38-14.

The big Panthers made the most of every ounce of their weight advantage to tear Muenster's line to shreds and reel off substantial yardage on almost every play. Berry was the power runner, and he got lots of help from Brown and Johnston.

At first the Hornets did all right. Holding Saint Jo on the first series they made two first downs, but then fumbled. Then the Panthers got going. Berry crashed through for 25 yards and eight more paces completed a 70 yard scoring drive. Berry went over and a run for bonus points failed.

Next Saint Jo held on the first series of downs and launched its second big push. It was good for 65 yards, Brown scoring from the 4.

The third counter came in a hurry. Muenster lost a fumble

Big Majority Vote Favors Independent Saint Jo District

Voters of the Saint Jo rural high school district, which now combines the former Saint Jo and Caps Corner districts, polled a big majority last Saturday in favor of changing from a common to an independent district.

Hereafter the district will be administered by a local school board rather than by the county superintendent's office.

Ballots were cast at both of the school houses. At Saint Jo the count was 111-0 favoring the independent district, at Caps Corner it was 28-11 against, so the total count was 122-28 in support of the proposal.

Two Records Set By Heavy Rainfall During Weekend

Two local rainfall records were set here during the past weekend, according to Steve Moser's official U. S. Weather Bureau records.

The 4.50 inches which fell mostly during the 14 hours preceding his 7 a.m. Sunday reading is the highest shown for any 24 hour period in the past 10 years. Next high figures on his record are 3.86 on May 2, 1958 and 3.75 on October 24, 1949.

It also sets a record for two consecutive days of rainfall. The combined 48 hours of rain preceding Sunday morning's reading measured 6.84. Moser said that no two consecutive days during ten years measured as much as 6 inches.

Despite the record the rain did not strain the capacity of the area's detention reservoirs. All over the community water levels were considerably below those of May 1958 when water went over several spillways. The reason is twofold. This time the lakes were near empty before the rain started, all several feet below the draw-down tubes, so the available capacity was much greater.

Another factor is that most rain this time fell steadily over periods of many hours, so a greater portion of it soaked into the ground.

Nevertheless the dams again proved their value. Water stored

Mrs. Chas. Curran, Native of Lindsay, Claimed by Death

Mrs. Charles Curran, 55, a native of Lindsay and former resident of that community, died early Sunday in a Dallas hospital following a prolonged illness.

Funeral services were held Tuesday morning at 10 o'clock in St. Thomas Aquinas Church in Dallas with a brother, the Rev. Fred Mosman, officiating at the requiem high mass and at graveside rites in Calvary Hill Cemetery.

Rosary was recited Monday evening at the Sparkman Funeral Home Chapel. Bearers included cousins Ray Lewis and Henry Flusche and a nephew, Nick Mosman, all of Dallas.

Mary Curran was one of the seven children of Fred Mosman and Katie Fuhrmann Mosman, early day residents of Lindsay.

She is survived by her husband, two sons, Carl and Roy, and four grandchildren, all of Dallas her father Fred Mosman of San Antonio; four brothers, Rev. Fred Mosman of Dallas, John Mosman of Muenster, Ernest Mosman of Collingswood, N. J., and Edgar Mosman of San Antonio, and two sisters, Mrs. Bill Laux of San Antonio and Mrs. Floyd Jones of Houston.

A large number of relatives and friends attended the services including Mr. and Mrs. John Mosman of Muenster, Mike Fuhrmann and Messrs. and Mmes. Tony, Matt, H. S., Willie, Joe and H. N. Fuhrmann of Lindsay, Mr. and Mrs. A. C. Flusche of Denison and Father Joseph Fuhrmann of Fort Worth.

FEDERAL AID IS CHILDISH

Only little children believe that they get something for nothing—or for just "being good."

Yet school boards plump for "Federal Aid" to build local schools. States and counties demand "their share" of Washington billions for roads. Areas that call themselves "depressed" (who isn't?) want Federal dollars to make them prosperous. Thousands expect jobs to be brought to them by national subsidies rather than move to where jobs are. Builders want Federal aid so they can build more housing at a profit.

"Federal Aid"? There is no such thing. The money can only come from the taxpayers, from you. For every \$1 in Federal "aid" the average state "gets back" from Washington, you pay to Washington \$7 in Federal taxes.

Why should you pay for "benefits" to someone a thousand miles away—and why should he pay for yours? The only one who "benefits" in this sleight of hand is the tax collector. You'd be better off to keep your money and pay your own bills—and save the difference, and your self-respect.

ILLUMINATING STATISTICS

Here are some "illuminating" statistics regarding the Northern States Power Co. of Minneapolis, Minnesota.

In 1958 this company paid total taxes of \$38,701,000—this amounted to \$45 per customer.

The government, without any investment, got more than twice as much out of NSP as did its common stock shareholders—and that government take was greater than the total operating payroll of the company and 2.31 times the cost of all the fuel for its generating stations.

Those taxes took 25 cents out of every dollar that its customers paid the company.

Now let's take a look at some Tennessee Valley Authority statistics in comparison.

Only 2.27c of the TVA revenue dollar goes to pay taxes as compared with the 25c paid by NSP. NSP taxes are nearly 7.3 times as great as the taxes of TVA, although NSP revenue is only 66 percent of TVA's revenue.

Compared to the \$45 which NSP pays in taxes per customer, TVA pays only \$3.52.

We ask you: is it any wonder that TVA is able to sell power at a lower rate than the investor-owned companies?

WHAT KIND OF EQUALITY?

And now the Russian chief-of-state lays claim to Christ as the fore-runner of Marx in preaching the "equality" which Communism supposedly represents. It's the old bromide that Christ was a socialist!

That no socialist system has approximated "equality" of even its own kind does not need to be argued. But the claim that Christ preached equality in any socialist sense is monstrous fallacy.

For Christ clearly recognized the wide spread of our talents, and the similarly wide spread responsible use of those talents. He did not say, "Take from the man with five and give to the man with one!"

He knew the wide differences in wealth, and urged that the rich help the poor—but never by forcible expropriation of wealth. If Christian charity is not vol-

untary, it ceases to be Christian.

He urged that we love one another despite our differences, even as God, "who sends his rain upon the just and the unjust." But there are differences, and any coercive collectivism that flattens them out does violence to love and justice together!

There is only one kind of equality that can be called Christian—the equality of freedom to go as far as one can with what one has, within a framework of mutual regard and respect. So far is this from socialist "equality" that calling socialism Christian is like saying chains are wings!

Budget Message

The visiting uncle, self-styled seeker of employment, had been receiving "incidental expenses" from his patient nephew for a considerable time.

One week, though, the constant contributor told him, "I'm having to cut down on you a little this time — had to meet some pressing bills."

"Well, that's that," Uncle said sadly. "But from now on I wish you'd pay bills out of your own money, not mine."

The Power of Advertising

A farmer, tired of the hopeless struggle, decided to sell his farm and called in an ad writer to write the ad. The man did such a flowing job that the farmer, upon reading the ad, suddenly changed his mind about selling.

"But why?" asked the puzzled adman.

"Heck," spat the farmer, slapping the ad, "this is just the kind of farm I've always wanted."

HEAVY DRINKERS

Of all farm animals, the dairy cow in milk production requires the greatest amount of water in proportion to her size. The amount of water she will drink depends on her size, her daily milk yield, the air temperature and humidity, and the amount of water in the feed she eats. From 100 to 120 pounds of water (12½ to 15 gallons) per head is an average daily consumption for a dairy herd, including both cows in milk and dry cows.

ARE YOU HAPPY?

By Bishop Fulton J. Sheen

ARE YOU perfectly happy? Or are you still looking for happiness? There can be no doubt that at one time or another in your life you attained that which you believed would make you happy. When you got what you wanted, were you happy?

The fact is: you want to be perfectly happy, but you are not. How to your reacted to your disappointments?

IF YOU became cynical, you blamed things, rather than yourself. If you were married you said: "If I had another job..."; or, "If I visited another night-club, I would be happy."

Sheen

In every instance, you made happiness extrinsic to yourself. No wonder you were never happy.

THE OTHER reaction to disappointment is much more reasonable. It begins by asking: "Why am I disappointed"; and then, "How can I avoid it?"

Why are you disappointed? Because of the tremendous disproportion between your desires and your realizations. Your soul has a certain infinity about it, because it is spiritual. You want life, not for two more years, but always; you

want to know all truths. You want love without end.

YOUR unhappiness is not due to your want of a fortune, or high position, or fame, or sufficient vitamins; it is due not to a want of something outside you, but to a want of something inside you.

If the sun could speak, it would say that it was happy when shining—for that is the purpose for which it was made. You were made for perfect happiness. That is your purpose. No wonder everything short of God disappoints you.

ONCE YOU realize that God is your end, you are not disappointed. You begin to see that friendship, the joys of marriage, the thrill of possession, masterpieces of art and music, the gold and silver of earth, the industries and the comforts of life, are all gifts of God.

He dropped them on the roadway of life, to remind you that if these are so beautiful, then what must be Beauty! He intended them to be bridges to cross over to Him.

LIFE is not a mockery. Disappointments are merely markers on the road of life, saying: "Perfect happiness is not here." Though your passions may have been satisfied, you were never satisfied, because while your passions can find satisfaction in this world, you cannot.

Start with your own insufficiency and begin a search for perfection. Begin with your own emptiness and seek Him who can fill it.

Announcing! A WONDERFUL NEW WORLD OF FORDS FOR 1960

FINEST FORDS OF A LIFETIME

This new Ford Galaxie, like all the new, beautifully proportioned 1960 Fords, is styled from a new viewpoint. Traditional automotive elegance combines with modern design in the style of a new decade!

In 1960, for the first time in history, your Ford Dealer presents not one, not two, but three new lines of Ford cars . . .

1. The 1960 Fords—The Finest Fords of a Lifetime, beautiful from any Point of View, worth more from every Point of Value!
2. The 1960 Falcon—The New-Size Ford, the world's most experienced new car and the easiest car in the world to own!
3. The 1960 Thunderbird . . . The World's Most Wanted Car!

Introducing the New-Size Ford . . . the 1960 Ford Falcon

Meet the New-size Ford—the Falcon! Here's a car with plenty of room for six big adults and all their luggage. It's sized to handle and park like a "small" car . . . powered to pass and climb like a "big" car . . . and built like no other car for savings!

It gives you up to 30 miles per gallon on regular gas. Aluminized mufflers normally last twice as long as ordinary kinds. A Full-Flow oil filter lets you go 4,000 miles between oil changes. Even insurance can cost you less! And this Falcon is the world's most experienced new car. It was driven over every mile of numbered Federal Highway in EXPERIENCE RUN, U.S.A.—a grueling demonstration climaxing Ford's 3 years of development and testing.

The Falcon has the features that American car buyers expect. Its gearshift is on the steering column—not on the floor. Its engine is located up front for greater stability and safety. Best news of all is the Falcon's low, low price. See it at your Ford Dealer's . . . and see the difference!

Now you can see them—the Finest Fords of a Lifetime! Economy-minded Fairlanes. Big-value Fairlane 500's. Elegant Galaxies. A breath-taking new Sunliner convertible and a brand-new hard-top model, the flashing Starliner. Then there's a whole new world of Station Wagon Living, too. It all adds up to 15 glittering variations of the world's newest, most elegant styling theme!

And Ford sets the new trend in power. Ford's Thunderbird 292 V-8 and 352 V-8, like the famous Mileage Maker Six, bring a new world of smoother, hotter performance—on regular gas.

To top it all, the Finest Fords of a Lifetime are priced for savings. Ford is still priced to outvalue all comparable models of its major competitors.

Ford savings, however, only begin with a low price. You save still more with engines that thrive on regular gas and save up to a dollar on every tankful . . . a Full-Flow oil filter that lets you go 4,000 miles between oil changes . . . Diamond Lustre Finish that never needs waxing . . . aluminized mufflers that normally last twice as long as conventional types . . . new, safer, Truck-Size brakes that are the biggest ever in Ford's history . . . and new soft-tread, Tyrex cord tires that run quieter, last longer.

In every way these are the Finest Fords of your Lifetime! See them at your Ford Dealer's!

Mrs. Paul Fisher Attends Diocesan NCCW Convention

Mrs. Paul Fisher returned Tuesday night from attendance at the biennial diocesan convention of the National Council of Catholic

Women in Marshall. She has been serving as diocesan NCCW Rural Life chairman for the past two years and presented an excellent report of rural life activity in the diocese.

Five others from the Sherman Deanery attended the meeting,

two ladies from Sherman, two from Denison and Father John Duesman, deanery moderator, of Sherman.

Bishop Thomas K. Gorman was one of the principal luncheon speakers and celebrated mass Tuesday. Msgr. William J. Bender, also of Dallas, diocesan NCCW moderator, was another featured speaker and Rev. Thomas Weinzapfel of Dallas led a workshop of the Press and Public Relations.

Near two hundred women of the diocese attended the convention with headquarters in Marshall Hotel.

In the election of officers Mrs. Fisher declined another term as diocesan Rural Life chairman. She continues as deanery chairman. Mrs. Fisher's attendance at workshops included Libraries and Literature, and Home and School.

Her rural life report before the convention included such activity as blessing of field crops and special services on Rogation Days, adult leadership in 4-H, FFA and FHA clubs, active participation in soil conservation practices, student essays on rural life, building outdoor shrines, home gardening with canning and preserving for pastors and sisters, relief to disaster victims, membership in Farm Bureau and other related farm projects.

Patsy Hamilton and Carl Walterscheid Will Marry Oct. 31

Patsy Hamilton and Carl Walterscheid have set the date for their wedding and have named their attendants.

The bride-to-be, daughter of Mr. and Mrs. John Thomas Hamilton, and the prospective groom, son of Mr. and Mrs. Al Walterscheid, will be married Saturday, Oct. 31, in Sacred Heart Church at nuptial mass at 10:30 a.m.

Their attendants will be Patsy's sister, Tommie Sue, and Mrs. Allan D. Eberhart of Gainesville, and Carl's cousin Larry Walterscheid of Hereford and David Endres.

Wedding reception will be held in the Parish Hall in the evening and after the couple return from their wedding trip they will be at home here.

Auxiliary Initiates 4 New Members and Plans Costume Ball

Initiation for four new members highlighted the October meeting of the Muenster VFW Auxiliary Monday night. Received into the organization in the impressive ritual were Mrs. Dan Luke, Mrs. Oscar Miller, Mrs. Norris Kinsley and Miss Helen Hess.

During the business session at which Mrs. Richard Swirczynski presided, members met honor roll requirements for the month which consist of a contribution to the Christmas fund for children at the VFW National Home and the collection of ten per cent of member dues.

Announcement was made of the District I meeting to be held in Denison November 7 and 8; plans for the Teen Party Sunday were arranged; and members set Saturday, Oct. 24, as the date for their annual Halloween costume dance.

In other business members made plans to get together and wrap Christmas gift parcels for Muenster boys and girls in the service overseas as soon as addresses are available. A number of addresses are not known and the Auxiliary would be grateful if parents would submit this information at the earliest possible time so that the packages can get in the mail by Nov. 1.

After adjournment, Agnes Noggler, refreshment hostess, assisted by Mrs. Alvin Noggler, served a chicken salad plate to 18 members.

Members welcomed Mrs. Bill Lindsay back after an absence and extended welcome to the four new members who bring membership in the Auxiliary to 88.

A staid gentleman, honorary judge at a horse show, was upset by the dress of some of the girls. "Just look at that young person with the poodle cut, the cigarette and the blue jeans," he decried to a bystander. "Is it a boy or a girl?"

"It's a girl, She's my daughter." "Oh, forgive me, sir," apologized the old fellow. "I never dreamed you were her father." "I'm not" snapped the bystander. "I'm her mother."

An elderly man entered the hospital for treatment. One of the first meals served to him included a bowl of quivering gelatin which he refused to eat.

Pressed for an explanation, he replied, "I'm not going to eat anything that's more nervous than I am."

Mary Walterscheid Walter Acker Plan November Wedding

Mr. and Mrs. Al Walterscheid have announced the engagement and approaching marriage of their daughter, Mary Catherine, to Walter Acker of Midland, son of Mr. and Mrs. Val Acker of Nazareth. The couple has set Saturday, November 14, for the wedding. It will take place here in Sacred Heart Church during afternoon nuptial mass at 4 o'clock.

Attending the bride will be her sister, Mrs. Donald Endres as matron of honor and Joaline Mollenkopf as bridesmaid. Groom's attendants will be Don and Louis Acker, his brothers, of Nazareth. Wedding colors are white and royal blue.

Mary Catherine was graduated from Sacred Heart High with the May 1958 class and is employed at the local garment factory. Walter is a graduate of Nazareth High

School and served in the army with overseas duty in Germany. He is employed by Phillips Petroleum Co.

The future groom was here during the weekend visiting his fiancée and her family and they completed wedding plans.

MHS Juniors Will Wash Cars Monday For Class Benefit

Juniors of Muenster High are sponsoring a car wash day Monday, Columbus Day, which is a school holiday. Beauty parlor for automobiles will be located back of the NTPA plant.

In announcing the benefit project the students said they'd be washing and polishing cars almost all day but they'd like to have appointments made between 8 and 10 a.m. Monday. Number to ring is 55. They'll also call for and deliver all cars they handle. There's no extra cost for this service. The full price is only one dollar.

The project, of course, will depend on the weather. If it's raining Monday the class benefit will have to be postponed.

SHH Seniors Will Sponsor Bake Sale All Day Saturday

An all-day bake sale is on the calendar for Saturday with seniors of Sacred Heart High sponsors of the event.

Senior class mothers will be baking from early morning on and will have fresh light bread and rolls available by 8 o'clock at four locations: the Parish Hall, Pangel's Store, Fisher's Market and Hofbauer's Food and Locker Service. And there'll be free delivery in the city. Bread delivery phone number is 70-R, that's the parish lunch room.

Joe Fisher Among Medal Winners for Diocesan Service

Muenster had one honoree among the 84 men and women of the Catholic diocese of Dallas-Fort Worth when Bishop Thomas K. Gorman made his annual presentation of medals for service and leadership in various parish and diocesan activities.

Receiving the Holy Trinity Medal of Honor in the field of the lay apostolate as a member of the Fourth Degree Knights of Columbus in connection with the program of the order was Joe Fisher Sr.

Likewise honored with medals were two Gainesville citizens, Joe Walter and Mrs. J. W. Howard. Walter received his award in the field of the program of the diocesan Council of Catholic Men and Mrs. Howard for leadership and cooperation in the Catholic Youth program.

1000 Doughnuts

Muensterites ate over a thousand doughnuts Saturday when the local court Catholic Daughters of America sponsored a doughnut sale. Members kept busy with sales from about 8:30 a.m. to 6 p.m. The project was a benefit for the court's two current projects: communion bread for Sacred Heart Parish and for the city library.

Myra girls 4-H club was re-organized for the new school year Tuesday in the first meeting of the term. Linda Boggs, president, presided and Yvonne Jenkins helped with enrollment.

Austin — Governor Price Daniel signs a memorandum designating Oct. 4-10 as Law Enforcement Appreciation Week as the president of the sponsoring Texas Law Enforcement Foundation J. Ed Connolly of Abilene, looks on. Simultaneously FBI Director J. Edgar Hoover and US Attorney General William P. Rogers urged Texans to observe the week by letting law enforcement officers know they are appreciated. Said the governor in his memorandum, "Increased public support and demonstrated appreciation is needed."

Betty Sutton Bride Of Joe C. McElreath In Home Ceremony

Betty Sutton of Gainesville became the bride of Joe Carroll McElreath in an impressive ceremony Friday evening in the home of the groom's parents, Mr. and Mrs. H. E. McElreath at Sivells Bend. The groom is in the army stationed in Hawaii and was spending a leave at home. Parents of the bride are Mrs. Jane Sutton of Gainesville and Ray Sutton of Wichita Falls.

J. H. Chism, minister of the Church of Christ, officiated at the double ring ceremony. White gladioli and stock with banked greenery formed the altar space.

The bride wore a royal blue silk organza dress over taffeta with matching accessories and carried a white orchid.

Anita Louise Locke as maid of honor wore pink crystalline with matching accessories. Her flowers were white gladioli. Robert McElreath was his brother's best man.

At the reception which followed, the bride's sister, Lou Sutton registered guests and Janice McElreath served punch. Mrs. Reagan McElreath served the tired wedding cake.

The couple had a wedding trip to Fort Worth. She is a graduate of Gainesville High School and he was graduated from Muenster High and attended Gainesville College and Arlington State. He is based at Schofield Barracks in Honolulu and has nine more months of enlisted service. He left Tuesday by plane. His wife plans to join him in the near future.

Senior 4-H Club Girls Elect New Officers for Year

Sacred Heart senior 4-H Club girls started a new year of activity with election of officers Wednesday.

Karen Endres heads the group as president, Kathleen McGannon is vice president, Ann Stoffels is secretary, Charlotte Wolf is reporter and Carol Henscheid and Janice Vogel are song leaders.

Assistant County Agent Yvonne Jenkins helped the girls in re-organizing the club and explained the new year books and Rural Youth Day at the State Fair.

Annual Achievement Event was discussed and a committee appointed. It consists of Kathleen McGannon, Joanie Kaiser, Dolores Derichsweiler and Charlotte Wolf.

Patsy Endres presided and after business the group joined in a song.

Newest employees at the local dress factory are Mrs. Leo Lawson and Mrs. George Mollenkopf Jr., who went to work this week.

Local News BRIEFS

Visiting here with her aunt, Mrs. Frank Needham and family, and with relatives in Gainesville is Mrs. Lucille Fancher of Pasadena, Calif., who is on a three-week vacation. She came to Muenster Sunday with Mr. and Mackin and son Eddie of Wichita Falls who spent two days with her sister, Mrs. Needham. Other guests of the Needhams Sunday were Mr. and Mrs. Keenley McMackin and son Eddie of Wichita Falls, and earlier in the week Mrs. Wilodyne Green of Dallas spent several days with her aunt, Mrs. Frank Needham and family.

Mr. and Mrs. Walter Haverkamp and children of Electra were weekend visitors with home-folks. They were Saturday over night guests of her sister and family, the Reagan McElreaths, visited her parents, Mr. and Mrs. R. D. Morris and had dinner with his parents, the Lee Haverkamps, before returning home. Other Sunday guests in the Haverkamp home were their daughter, Mrs. Leroy Wiesman and children of Gainesville.

Tuesday evening visitors here with Mr. and Mrs. John Mosman were Rev. Fred Mosman of Dallas, Mrs. Bill Laux and Edgar Mosman of San Antonio, and their father Fred Mosman, also of San Antonio.

Mrs. Frank Kathman spent Saturday night to Tuesday in Gregton with her daughter and family, the Pete Hawthornes. She made the trip with her daughter, Mrs. Paul Fisher, who went on to Marshall to attend the NCCW convention.

Record Rainfall ---

in them was more than sufficient to get out of creek channels and flood bottomlands, and to add to flood damage farther down the creek.

An indication of the possible effect was the high water in the city park. Brushy Elm, with limited control, got out of the channel there and submerged the lower part of the park driveway to a depth of about three feet. Big Elm south of town was tame.

The rains suddenly brought the total moisture of this area up to about normal for this time of the year. A week ago the year's measure was 21.00 inches, now it is 27.03. During the same time the month's measure jumped from .54 to 7.57.

From the farmer's viewpoint all is fine. The rain soaked deep providing ample moisture for future growth, and probably good winter grazing to boot.

Damage from the rain here was negligible. About the worst was lightning and water soaking on telephone cables putting about 40 phones temporarily out of use.

Hornets Lose ---

on its second play after kickoff. That was on the 16, from where Brown went all the way on the second play and Berry followed over for extra points.

Finally then, Muenster got on the scoreboard. Taking the kickoff, Wimmer used a few dandy blocks to break through and scooted 85 yards to the goal.

A tough break against the Hornets gave the Panthers a set-up for their next score. Harris guessed wrong on a kick that seemed sure to tumble over the line. But it didn't, and Muenster had to put it in play on the 2. Two plays gained a yard and a kick put the Panthers back in business on the 23. Five plays from there did it. Brown making the last 5.

The second half started the

same way. After holding on the first series Saint Jo moved 60 yards to pay dirt. The only difference was a slight delay as the Panthers lost possession on a fumble and promptly got it back the same way. Then it seemed the Hornets would finally hold. From the 10 three plays had lost 4, but a beautiful double pass did the trick. It was a forward from Brown to Martin who flipped a lateral in the clear to Johnston.

For the rest of the quarter and into the fourth neither team made any progress, that is until Muenster fumbled a kick on the 42. From there the Panthers moved to the 8 and lost possession on a fumble. Muenster's fourth down gamble on the first series lost by inches giving the Panthers the ball on the 18. From there two plays made 4 and Brown passed to Welch for the TD.

With less than 4 minutes to go Saint Jo put in several reserves and the Hornets made better progress. A short kick started them on the 38 and 12 plays, including 3 passes, made the 62 yards to pay dirt. Trubenbach scored on a 16 yard pass play and Doug Hellman crashed over for extra points.

A day away from home to visit in Sherman Monday was a one-day vacation for a group of ladies, Mrs. Paul Fetsch, Mrs. Joe Hoenig, Mrs. Johnny Wimmer and Mrs. Wilfred Bindel, joined by Mrs. Joe J. Neu of Lindsay. Eating out, window shopping and sight-seeing furnished diversion. Mrs. Bindel's children enjoyed the day, too. They visited at the home of their uncle and aunt, the Charles Neus at Lindsay.

Mrs. Joe Knabe, recovering satisfactorily from surgery, spent two days of this week in Forestburg visiting her daughter and family, the Kenneth Reynolds.

Claude Walter who attends college in Weatherford, Okla., and a classmate, Charles O'Rear, spent the weekend with Claude's family, the Al Walters.

Mrs. J. S. Horn and her sister, Mrs. John Wilde of Harlingen, returned to Muenster Thursday after a visit in Dallas and Mesquite. Mrs. Horn's daughter, Mrs. Al Swirczynski, brought them in her car and visited her husband's parents before returning home. Mrs. Wilde plans to visit relatives here and in Lindsay through this week.

Mr. and Mrs. San Wylie and children of Louisville were here Saturday over night and Sunday as guests of her parents, the Bill Kathmans.

Sparky says: If Fire Strikes Your Home...

GET OUT of the house the minute you discover it or smell smoke!
ALWAYS be ready to use different escape routes from any room in your house!
TEST doors before opening. If doors are hot, block them with furniture or wet mattresses to keep out smoke and gases. Get out another way!
NEVER jump from upper-story windows except as a last resort! Wait for firemen.
HOLD your breath if you have to make a dash through smoke and flame!
REMEMBER, the air is usually better near the floor in a smoke-filled room!
CALL the fire department at once! They know how to fight fire. Don't waste your time or your life trying to fight a fire, unless it's so small you're sure you can control it with the right extinguisher.
DON'T ever go back to a burning building for any reason! Smoke and fire gases from even the smallest fire can be deadly.
GET medical treatment at once, if you're burned or exposed to fire and smoke! Seemingly minor burns or smoke inhalation can have fatal results.

DON'T GIVE FIRE A PLACE TO START!

Drive through the rain Saturday didn't bother Mrs. Louis Roberg who went to Dallas to visit her mother. Going with her were her husband's mother, Mrs. Katy Roberg and her sister-in-law, Carrie Roberg.

Mr. and Mrs. Gene Hoedebeck took their daughter Linda to Dallas Friday for a checkup by a specialist.

First visit at home since school started was during the weekend for Billy Joe Danglmayr and James Walterscheid who came from Texas A&M College to see their parents, the Herman Danglmayrs and Paul Walterscheids.

Birthday of Jim Fisher took his parents, the J. W. Fishers and his sisters Theresa and Joann to Lubbock to help him celebrate Sunday. The group also enjoyed a visit with their nephew Butch Fisher and with Robert Meurer who share an apartment with Jim. The boys are students at Texas Tech.

Mrs. Harold Walterscheid enjoyed a weekend visit in Oklahoma City with her daughter and family, the Jim Harrises.

Mr. and Mrs. Werner Endres returned Monday from a pleasant two-week vacation with their daughter and family, the Bob Kupper at Marlin.

The Joe Lukes Enjoy Vacation in Hawaii

Orchids blooming in the most unexpected places made sight-seeing a pleasure for Mr. and Mrs. Joe Luke when they spent a two-week vacation in Hawaii. With them on the trip were her uncle and aunt, Mr. and Mrs. Henry Mattiza and her cousins, Mr. and Mrs. Oliver Stone, all of Robstown.

A tourist's tour of the Islands describes the visit, the three couples seeing everything of interest and taking lots of pictures. Going, they went by plane from Dallas to Los Angeles to Honolulu and returning, they were aboard the luxury liner, S. S. Lurine, as far as San Francisco and then by air back to Dallas.

From Hawaii the tourists made side trips by plane to Kauai and Oahu. Among interesting experiences was attendance at a native festival, a Luau.

Former Resident Passes in Oregon

Relatives have received word of the death of Ira Williamson, 78, in Lafayette, Oregon. He was a former resident of Muenster and Saint Jo. A brother, Sam Williamson, lives at Saint Jo and a brother-in-law, Joe Linn, lives here.

Ira Williamson was married here to Miss Jettie Linn and they lived northwest of Muenster, then in Oklahoma before moving to Oregon in 1940. His wife died there three years ago.

Mr. Williamson sustained a broken hip in a fall early in September and never recovered from that accident. Survivors include six sons and three daughters.

When chickens persist in pulling feathers in spite of debeaking or anything else that is done to discourage the habit, tack a few old magazines or catalogs close to the floor on the walls or posts in the house. The birds then occupy themselves by picking at the pages instead of each other.

John Klements Back From Vacation Trip

A look at her birthplace was a high spot on the trip for Mrs. John B. Klement when she and her husband visited in St. Libory, Neb., while they were on a week's vacation. The old homestead no longer stands. It has been replaced by a service station. It was Mrs. Klement's first visit back to her former hometown in 64 years and Mr. Klement's first visit there. They inquired about some of Mrs. Klement's schoolmates and visited briefly with some of them. And Mrs. Klement got her baptismal certificate at the parish church.

When Mr. and Mrs. Klement left here they drove to St. Elizabeth, Mo., to visit one of her nieces, then stopped at Excelsior Spring. From St. Libory they went to Grand Island, Neb., for a visit. Returning through Kansas, sight-seeing was cut to a minimum on account of rain — it rained every day and in places the highway looked like a lake.

Last stop and a very enjoyable overnight visit Thursday and Friday was with Mr. Klement's brother and sister-in-law, Mr. and Mrs. Louis Klement in Norman, Okla. Mrs. Louis Klement mentioned that her mother, Mrs. Strategier, an early day resident of Muenster, is still enjoying fairly good health and looks forward to celebrating her 100th birthday next February. The Muenster Klements planned to visit her but threatening clouds hurried them off. They left Norman in rain and had rain all the way home. But it was a happy week, a pleasant vacation.

More lives were lost in the Civil War than in any other war which the United States has been engaged in.

Yep, it's just about time for towering "Big Tex" to take his customary stand again amidst the crowds at the 1959 State Fair of Texas in Dallas, Oct. 9-25. Size of the big fellow's head is shown here dwarfing man at right. Crane in background will be used to set the head atop the body. "Big Tex" stands 52 feet tall.

A woman sent her little boy to the store for three pounds of peanuts. When he returned, she weighed the peanuts and found a shortage of about ten ounces. She phoned the grocer and complained.

"Ma'am," insisted the merchant. "I'm sure my scales are right. Have you weighed your son?"

Home-School Group Hears Book Review And Plans Carnival

A book review and formation of plans for the parochial school's annual fall festival and Halloween carnival were the principal features at the regular monthly meeting of the Sacred Heart Home-School Society.

The program, presented by junior class students under direction of Sister Agnes, told the story of Jean-ah-Poquelin by George Washington Cable. It was a question and answer report led by Karen Endres and included a sketch of the author's life. The thirty-minute review was well received by the assemblage.

Charles Taylor, president, conducted the business session and members set Sunday, Oct. 25, as the date for the carnival. Committees were named to take charge of various details in connection with the social which is planned as a community event.

In addition to general conferences, prefects were together for special conferences.

The region under the jurisdiction of Father Elias includes Texas, Oklahoma, Missouri and Louisiana fraternities and the weekend institute was under his direction. Between 150 and 175 members attended the conferences, the greater part present for the three-day program. Others attended various sessions on different days.

Lake Murray Lodge was headquarters for the event with opening and closing church services in St. Mary's Church at Ardmore. The solemn closing Sunday afternoon included the Papal Blessing.

Muenster members attending the full program were Prefect J. W. Hess and Mrs. Hess, Mrs. J. B. Wilde, Mrs. Adolph Walterscheid and Mrs. Frank Bayer. Mrs. Frank Herr attended Saturday and Sunday, Mrs. William Bergman and Mrs. Herbert McDaniel were present Saturday, and Father Christopher Paladino attended Saturday sessions.

From Lindsay Mr. and Mrs. Paul Arendt Sr. were present for the three days and from Gainesville Mrs. A. G. Hutton attended the full program. Others from Gainesville taking part were Mrs. Leo Hoedebeck, Mrs. Joe Krahl and Mrs. Leo Schmitz. Father William Lane was present Saturday. Seven priests of the region were there with members from their parishes.

Houston had the largest representation present with 26, the oldest couple attending was 76 and 80 years old and the youngest Franciscan, a member of the cord, was a seven-year-old boy from Fort Worth.

St. Joseph Society Has Business Meet And Supper Party

Routine business occupied members of the Saint Joseph's Society at their monthly meeting Sunday night. And Father Christopher urged attendance at the district meeting of the Catholic State League in Lindsay on October 18.

In general discussions mention was made of repairs to the school and church roofs and a letter was read from Charles Bayer, secretary of the senior class of Sacred Heart High, expressing thanks of the students for the new football field bleachers.

The society recently added to parish hall equipment with the donation of ten large folding tables and 96 folding chairs.

Recent new members include Don Wilson, Ray Otto, Andrew Schoech, Paul Fetsch and Gus Lutkenhaus.

President Dan Haverkamp conducted the meeting in the presence of Father Christopher who led the opening and closing prayer. About a hundred members were present and after adjournment were joined by members of St. Anne's Society for a barbecue supper and social.

Use cold water and a little vinegar to mop linoleum floors between waxings. Dirt and grease come up readily, and the wax stays on the floor.

St. Anne's Society Names Delegates to Lindsay for Oct. 18

Delegates to the fall district meeting of the Catholic State League to be held in Lindsay on October 18 were elected by St. Anne's Society at the group's October meeting Sunday. Representatives of the society will be Mmes. William Bergman, Herbert McDaniel, Andrew Schoech, William Becker, R. R. Endres and Ben Luke.

In other business conducted by Mrs. Victor Hartman, president, committee chairmen gave reports. Mission Chairman Mrs. Joe Swirczynski told of recent activity in her department. Shipments of clothing consist of 200 pounds to St. Vincent's Store in Fort Worth, 100 pounds to Christ the King Colored Mission in Louisiana and 100 pounds to St. Anne's Indian Mission in North Dakota.

Mrs. Swirczynski made an appeal for old blankets and quilts for Mission Circle members to re-cover and make into comforts. She said several tops have been competed and her helpers are waiting to go to work.

Sick report given by Mrs. R. R. Endres revealed greeting cards sent to four members: Mrs. Hank Walterscheid, Mrs. Tony Koesler, Mrs. Joe Knabe and Mrs. C. M. Walterscheid.

Father Martin, spiritual director, gave a short talk explaining indulgences. It was one in a series of instructions he is presenting at the monthly meetings.

More than 60 members were present and Mrs. Al Hess won the attendance prize.

The meeting, in the parish hall, was held after evening Mass and when business was over the ladies joined members of St. Joseph's Society for a barbecue supper and table games.

Lindsay News

Frank Mages Sr. has ended a visit in Corpus Christi with his daughter, Mrs. Lavel Kinstley and family and has gone to Muenster for a visit with his daughter, Mrs. Felix Yosten and family. Daughters Mrs. John Fleitman and Mrs. Henry Grewing and son Eugene spent the weekend in Corpus Christi and brought him home.

Former Pastor Father Conrad Herda of Clarksville, Ark., left Tuesday after a several days' visit here and in Muenster with the pastors. He's on a two-week vacation and went from here to Oklahoma to visit before returning to Arkansas.

Mrs. H. S. Fuhrmann was a visitor in Muenster this week with her daughter, Mrs. Ray Hess and family.

Mrs. Adam Beyer, recovering from surgery, is visiting in the home of her daughter and family, the Frank Sandmanns.

The infant son of Mr. and Mrs. Harold Nortman has been named Daniel Joseph. At christening services Danny's grandparents, Mrs. Walter Nortman and H. S. Fuhrmann, were sponsors. Father Alcuin Kubis officiated.

Ralph Bezner of Fort Worth formerly of Lindsay, the son of Mrs. John Bezner, has been pro-

moted to district supervisor for the Fort Worth district of the Interstate Commerce Commission. He was with the Texas Department of Public Safety for several years prior to his appointment as Safety Inspector for the ICC three years ago. His wife is the former Jane House of Era. The couple and their four children visited his mother during the weekend.

Officers Elected By 4-H Club Girls

Members of the Lindsay girls' junior 4-H club at their October meeting elected officers for a new term, filled out enrollment cards and examined the year book.

Officers are President Judy Bezner, Vice President Marcella Neu, Secretary-Treasurer Betty Haverkamp, Recreation Leaders Bernadette Bezner and Barbara Bezner and Reporter Dolores Voth.

Lindsay 4-H Boys Name New Officers

Lindsay Junior 4-H boys started the new term with election of officers and program planning. Assistant County Agent Bo Wheeler helped with organization and enrollment of members.

Tommy Zimmerer heads the group as president, Michael Fuhrmann is vice president, Don Sandmann is secretary, Billy Schmitz is reporter and Leroy Sandmann and Ronny Fuhrmann are recreational leaders.

League-Garden Club Meet Slated Monday

Muenster Civic League and Garden Club members will have their October meeting and program Monday night, Oct. 12, in the home of Mrs. R. R. Endres with Mrs. Arthur Felderhoff as co-hostess.

The program will be on "Flower Pictures" by Mrs. H. H. Homsley and arrangements for the month will be displayed by Mrs. T. S. Myrick. Starting time is 8 o'clock.

young men and Texas Tech is close behind with five. At A&M Billy Joe Danglemayr and James Walterscheid are beginners and Tim Mosman, Jerry Klement, Neil Fisher, Lawrence Milner and Douglas Robison are returning students. At Lubbock continuing students are Francis Fisher, Charlie Herr, Jim Fisher, Virgil Walter and Robert Meurer.

Dallas University is attended by four: Mary Weinzapfel, Basil Reiter, Charles Felderhoff and Ruth Endres.

Three are reporting to classrooms at the University of Houston: Johnny Fisher, Wilbert Vogel and Lou Rena Wolf, and three colleges have two students each. Melvin Schoech and Clifford Endres are at St. Mary's University in San Antonio, Pat Horn and Howard Mollenkopf are at Texas University in Austin, and Pat Stelzer and Jim Myrick are at ETSTC in Commerce.

Colleges with one each are Texas Western at El Paso, Dan Hamric; Oklahoma University at Norman, Burt Hamric; University of Texas Dental in Houston, Bernard Luke; Loretta Heights in Denver, Sarah Ann Fleitman, Texas Women's University in Denton, Becky Mosman and Southwestern College at Weatherford, Okla., Claude Walter.

The one new nursing student this year is Helen Vogel at St. Joseph's in Fort Worth where continuing students are Patsy Vogel, Patsy Bayer, Suzanne Hesse, Colette Hellman, Marcy Klement, Mary Pick and Emma Fisher. Students continuing at St. Paul's in Dallas are Ann Luke and Janice Klement. Helen Fisher is continuing at St. Anthony's in Oklahoma City, and Gretchen Hellman is a senior at Marquette in Milwaukee. Corina Vogel, a recent graduate is studying to be an anesthetist at Harris Hospital in Fort Worth.

the most consistent ball carrier, was noticeably slowed down by a limp. On one kickoff he was in clear, seemingly headed for a score, but was easily caught.

Len Haverkamp, former end, moved to fullback for the game and did a good job of toting the pigskin besides joining with Werner Becker in stopping most of the Rattlers' offensive efforts. Wimmer, in spite of his handicap, and Bobby Walterscheid also made good gains for the Tigers.

The contest added another casualty to the Sacred Heart lineup. Robert Vogel has a bruised side but expects to back in action for the next Tiger game, with Sherman B on October 17.

will then proceed to the General Exhibits Building where Vice President Nixon will press a button to open the second annual Texas International Trade Fair.

The SMU Mustangs and the Missouri Tigers open the fair's football schedule with a game in the Cotton Bowl at 8 p.m. Friday, Oct. 9. The next afternoon at 2 p.m. is kickoff time for the annual Texas-Oklahoma gridiron classic, which both Governor Daniel and Oklahoma Governor Howard Edmondson are expected to attend.

The State Fair of Texas as usual is loaded with attractions, but there is more that's new this year. By the time the fair is over, for example, virtually every one of the new 1960 model cars will be on display in the Automobile Show. The Fair show will be the first in the country to show the 1960 cars.

The fabled "Nikko Exhibition" from Japan is another new feature. The elaborate replica of the venerated Nikko Shrine near Tokyo is a "cultural treasure" of the Japanese, cost \$2½ million to build, and has been allowed outside Japan for the first time. The only other place in the U. S. it has been shown was at the Oregon Centennial Exposition this summer, where it was the featured attraction.

Another great new feature at the fair is the just completed \$2,000,000 Livestock Coliseum, which will house three big horse shows during the fair. Over 900 entries from 25 states and Canada are listed for the horse shows.

Entertainment attractions at the fair this year include the McGuire Sisters in the "Star Light! Star Bright!" revue with Rowan and Martin in the Music Hall, the all-new 19th edition of "Ice Capades," the State Fair "Shower of Stars" series of free shows, and the million-dollar Midway featuring "Dancing Waters."

to do good and avoid evil simply because they should live that way . . . and which reminds them constantly that they cannot evade the eternal law even if they get by the civil law.

There's a big job ahead, for our government, our churches and our schools. Laws must be made to fit the ten commandments. Churchmen must put more effort on their primary job of bringing people nearer to God. Schools must realize that the fourth R, religion, is even more important than the other three Rs.
