CDA Members Plan Christmas Cheer For Local Shut-Ins

Muenster's CDA members will add to the spirit of Christmas by arranging fruits, nuts, candy and whatever else might be added, into a tempting package for local shut-ins. The group agreed on the project at their November meeting and plan to bring the package "makings" to the December meeting. The number of gifts to be made will depend on the response of members and for this reason a full attendance is urged at the next session.

In other business conducted by Mrs. Steve Mosier, grand regent, committee chairmen gave reports and members joined in a discussion and idea exchange on how to make their press book attractive and interesting.

Each court has been asked by the state regent to make a press book for display at the state convention in Austin next May. Suggestions for the local book are pictures, especially of the library which is the main project, and clippings from the newspaper.

Mrs. Frank Yosten, reporting for the mission committee, stated that several hundred pounds of used clothing had been sent to St. Vincent's Store in Fort Worth and that a group of quilters had finished 20 quilts to go into the Thanksgiving drive.

Mrs. J. M. Weinzapfel, librarian, advised that the library is gaining in popularity and that each Wednesday finds more visitors checking out books. She asked members and friends of the court to lend or donate books they are not using at home.

After adjournment, court lecturer Mrs. John Mosman served coffee and muffins and members heard an informal report of the deanery NCCW meeting in Valley View, Mrs. Tony Gremminger and Mrs. J. M. Weinzapfel giving an account of the quarterly session.

Mary Walterscheid And Walter Acker Say Nuptial Vows

—Boyd and Breeding Photo

Mr. and Mrs. Walter Acker are setting up housekeeping in Midland after a short honeymoon trip following their marriage here Saturday.

Mrs. Acker was Miss Mary Catherine Walterscheid before the exchange of vows in Sacred Heart Church at 4 p.m. Father Christopher Paladino read the double ring ceremony and was celebrant of the nuptial high mass.

Parents of the couple are Mr. and Mrs. Al Walterscheid of Muenster and Mr. and Mrs. Val Acker of Nazareth, Texas.

Mr. Walterscheid escorted his daughter to the altar and presented her in marriage. She wore a dress of Chantilly lace and bridal satin, the Empire bodice and long petal point sleeves fashioned of lace and the aisle-wide pleated skirt of satin with a front lace panel sweeping into a chapel length train. The bride's sister, Mrs. Ed Schneider, made the lovely wedding gown. Mary Catherine's tiered veil was waist length cascading from a crown of bridal jewels. She carried a purple throated white orchid atop a white prayer book.

For something old she had a lace handkerchief, a gift from Mrs. Clarence Wilson, something borrowed was a necklace from Jo Ann Hess and she had a new penny in her shoe.

Bride's attendants were her sister, Mrs. Donald Endres, matron of honor, and Miss Joaline Mollenkopf, bridesmaid. They wore royal blue velvet princess

dresses with matching accessories and carried heart-shaped bouquets of white and blue tinted carnations. Their pearl necklaces were gifts from the bride.

Don and Louis Acker of Nazareth were their brother's attendants.

After mass Mrs. Leo Lawson, bride's cousin, presented a vocal solo, "Mother at Your Feet," while the bride placed white gladioli on the Blessed Virgin's altar. Anthony Luke played the organ and the men's choir sang the mass. White gladioli, greenery and candles adorned the altar before which the couple pledged vows.

For her daughter's wedding Mrs. Walterscheid wore a navy blue outfit with black and white accessories and Mrs. Acker, mother of the groom, wore royal blue with tan accessories. Both had corsages of white carnations.

The Parish Hall was the scene of the reception with Mrs. Joe Lehnertz catering the buffet dinner. About 125 relatives and friends were registered by Jo Ann Hess and Lois Owen. Mrs. Ed Schneider and Mrs. Don Acker served the wedding cake. The wedding dance was held in the VFW Hall.

When the couple left on their honeymoon she was wearing a black velvet suit with black and white accessories.

Mrs. Acker was graduated from Sacred Heart High School with the class of 1959 and had

been employed by Raden Mfg. Co. Her husband is a graduate of Nazareth High and is employed by Phillips Petroleum Co. in Midland.

Among out of town guests at the wedding were the groom's parents, Mr. and Mrs. Val Acker and daughter Joan, Mr. and Mrs. Phillip Acker, Mrs. Catherine Braddock, Mrs. May Acker, Mr. and Mrs. E. L. Hochestien, Mr. and Mrs. A. F. Steffens, Mr. and Mrs. Cecil Hoelting, Mr. and Mrs. Gilbert Schulte, Jerry Acker, Ed Gerber, Fred Ball, Joan Schulte, Mr. and Mrs. Andy Schumacher, Louis Acker and Mr. and Mrs. Don Acker and son Frankie, all of Nazareth; Mr. and Mrs. Vincent Walterscheid, Mr. and Mrs. Frank Walterscheid and Doris Jean, Jeanette and Larry Walterscheid, all of Hereford.

4-H Clubbers Have Achievement Event

Baked goods and record books held the spotlight at this year's 4-H Achievement Event conducted Tuesday night by Club members of Sacred Heart School.

Visitors, a good crowd in spite of winter weather, admired the luscious looking cakes, pies, candies and other home made products on display and later had an opportunity to sample them. The girls divided all the goodies in half, selling one portion and taking the other portion home for their families. Refreshment sale money went into the 4-H treasury.

About 50 displays were judged and tagged with blue, red and white ribbons, but a list of winners was not kept except in the record book exhibit.

Blue ribbon winners on their record books were Charlotte Wolf, Patsy Endres and Kathleen McGannon. Red ribbons went to Patsy Zimmerer and Norma Lutkenhaus.

After the general visiting and viewing, Patsy Endres, senior 4-H president, was toastmistress for a short program. She joined Charlotte Wolf in leading a community sing and afterwards Mrs. Yvonne Jenkins, assistant county home demonstration agent, helped direct folk dances.

workouts ahead of them before meeting Era on Dec. 1 and 4 for season openers. They have a date for the Callisburg tournament starting Dec. 7 and also games with Valley View and Sanger before entering district competition in Mid January. The teams will not host a tournament this year.

Conference play in District 37-B will be different this year. Nine teams are in the loop, too many for the usual double round robin schedule with two games a week. So coaches and school heads agreed to break it into two groups. Muenster, Lindsay, Saint Jo and Callisburg will be the north group. Era, Valley View, Sanger, Alvord and Chico will be the South group. Each group will play its double round robin schedule and the two top teams in each will meet in a four-way play off for district honors.

half. In the next period Era retained its 4 point lead as the count increased to 26-22. Then Sacred Heart rallied but fell short by a single point as the game ended 31-30. Fouls hurt his team most, says Coach Adam Wolf. Era got 15 free throws whereas his team got only 7. However, they were shooting true at the free throw line, hitting 6 of the 7.

Catholic Daughters Of America Donate To National Shrine

At their November meeting members of the local court Catholic Daughters of America heard an interesting report on the National Shrine of the Immaculate Conception in Washington, D. C., to which Catholic Daughters have contributed a quarter million dollars.

Each member shares in the gift because it comes from the per capita tax of five cents per member which is sent to national CDA headquarters semi-annually. In the February meeting this year the executive board voted to complete payment of the entire pledge of \$250,000 by November. Friday this week is shrine dedication day.

As pointed out in the report from national CDA headquarters, the shrine is not completed entirely. Members were told that of "the entire interior" only the north apse will receive finished ornaments in the near future.

It is the five chapels in this section of the upper church that will be furnished by Catholic Daughters of America as the result of their gift.

Catholic Daughters are providing the five marble platforms, five marble altars, five mosaics depicting the five glorious mysteries of the rosary, five lancet windows and five ornamental soffits (archways and cornices).

The gift also includes the six marble pillars and ornamental marble below the great mosaic that towers into the semi-dome of the apse.

The area assigned to the Catholic Daughters for their memorial is back of the main altar and will be immediately visible upon entering the church.

The gift fulfills the objectives fostered by Catholic Daughters—to uphold the ideals of Catholic womanhood. The National Shrine honors the Queen of all womanhood, the Heavenly Queen.

When Dr. Edward L. Trudeau had TB in 1870 he went to the Adirondack Mountains to die. There he recovered and established a sanatorium and research center, the forerunner of modern hospital treatment of tuberculosis.

A man, Jacob Riis, suggested using Christmas Seals to fight TB back in 1907; but a woman, Emily Bissell, went ahead and organized the first American Christmas Seal Sale.

**FALCON, the New-size Ford, delivers
the value and cuts the budget!**

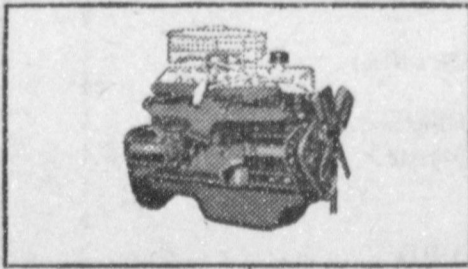

Handling that's really a breeze. The Falcon parks and turns on a dime. You'll be able to steer with power steering ease . . . without power steering. You'll be able to stop as though you had power brakes . . . without power brakes.

Room for six—and all their luggage. There's hip, shoulder, knee, and head room galore! Both two- and four-door models are a cinch to enter. Then, thanks to the Falcon's front-mounted engine, there's luggage space aplenty for everyone.

Up to 30 MPG on regular gas, too. And the Falcon's new Six actually crossed the country without any oil added. Speaking of thrift, the Falcon's finish never needs wax. Its aluminum muffer normally lasts up to twice as long.

Sweet performance from Ford's most modern Six. You'll have to feel the pickup and responsive power to believe it! And each Falcon Six is electronically balanced, while running under its own power, for top smoothness.

New luxury interiors. You'd expect to find these materials in cars costing twice the money. Seats are chair high. The front seat cushion is foam padded. And the Falcon rides smooth as silk . . . corners on rails.

Proved over 3,000,000 miles. To top off 3 years of testing, a fleet of Falcons has just been proved over every mile of numbered Federal highway. It's the world's most experienced new car.

Valley View Hosts Quarterly Meeting Of Catholic Women

Twelve NCCW members from Muenster and Father Martin Fischer attended the Sherman deanery's quarterly meeting of the National Council of Catholic Women in Valley View Thursday afternoon.

Father Anthony Gajda, pastor of the host parish, introduced clergy present. In addition to Father Martin were Father Alcuin Kubis of Lindsay and Father Duesman of Sherman.

Mrs. Lawrence Zimmerer of Lindsay was on the program explaining the Advent Wreath and other ideas for a spiritual observance of advent and distributed

prayer leaflets to go with the advent wreath ceremony.

Mrs. A. A. Rolfe of Sherman, also on the program, gave a delightfully entertaining demonstration on Christmas decorations, lovely though simple and inexpensive adornments for the home and Christmas tree, all of them carrying out the "Christ in Christmas" theme, all to be made at home out of readily available materials.

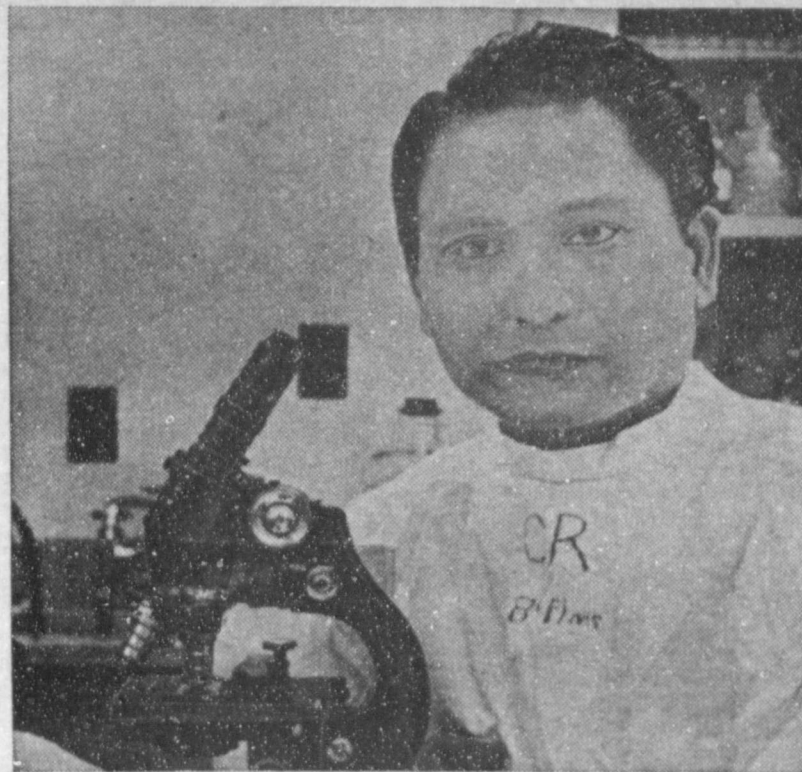

The meeting started with benediction in St. John's Church by Father Gajda. The group moved to the hall for the business session and program.

Routine business, parish reports and the treasurer's report by Mrs. Ed Schad of Lindsay preceded the program. Father Duesman, deanery moderator, led the opening and closing prayer and Mrs. John Kupper, Valley View council president, extended welcome. After adjournment hostesses served refreshments.

Present from here were Mrs. Herbert McDaniel, local NCCW president, and Mmes. William Bergman, H. J. Fuhrman, Frank Bayer, Adolph Walterscheid, Ray Owen, Joe Hoenig, Henry Pick, Charlie Fisher, Gary Hess, Tony Gremminger and J. M. Weinzapfel.

The local group enjoyed visits with former Muensterites Mmes. Lena Bernauer, T. L. Anderson, Frank Seyler, Pete Prescher and A. G. Hutton, all of Gainesville, and Mrs. Joe Schnitker and Mrs. A.C. Flusche of Denison.

At the meeting Father Gajda announced a program to be presented by the girls of the State School at Gainesville and four from here went to see the stage show Friday. Enjoying the program were Mmes. Herbert McDaniel, Tony Gremminger, Gary Hess and James Hess. Father Gajda is Catholic chaplain at the school.

SOIL CONSERVATION DISTRICT NEWS

How long after a waterway is planted before terracing can be done safely? This is often a question that arises when Soil Conservation Service personnel are planning waterways with landowners. Generally, at least two years of growth is required to establish a good enough grass cover on which terraces can be emptied.

In some instances it has even taken as long as three to four years. Still, in other cases, grass has been planted in the spring on waterways and enough cover was present by the following fall to safely carry terrace water. The one year case is the exception rather than the rule but it is exactly what Frank Needham and Al Walter did on the Needham farm north of Muenster this year.

They built 1.6 miles of terraces, approximately half of which empty onto a waterway which was sodded in February of this year.

Several other waterways in the Muenster-Saint Jo area of the Upper Elm-Red Soil Conservation District did almost as well this year. But in practically every case seedbed preparation was started early enough in the fall and winter to provide a good moist seedbed when planting time came. Seldom has there been a complete failure on grass planting in the spring when the seedbed has been readied early in the fall or winter. On the other hand, waiting until planting time in the spring to prepare land has been the one biggest cause for failure to get a stand of grass.

Among cooperators who realize the importance of starting early on land preparation and who have waterways already marked off are Tony Wimmer, Tony Trubebach, J. H. Bayer, Eddie Schmitt and Tony Felderhoff.

Don't wait! If it takes as much as two grass growths to get enough grass on which to empty terraces then it will be nearly three years before the actual terracing can be started. A lot of soil can get away in a three year period . . . soil that cannot be replaced. As one man put it, "They're not making any new land so we had best take care of what we have."

It is estimated that loopholes in tax laws or lax enforcement of the laws, permit \$5 billion in "improper" deductions to go untaxed each year . . . an amount which would yield \$800 million income to the government.

Why He Succeeded
 The college man with many honors and degrees was a failure financially. On the other hand, a dumb grade-school classmate was doing a highly profitable business in the operation of a store. Swallowing his pride, the college man asked his former classmate for the answer.

The dumb guy explained: "You college men are all the same. You try to make 10 to 15 percent profit. I buy for a dollar and sell for \$3. Just 3 percent is all I try to make."

Estimates say that grain storage space in Kansas, top wheat production state, has trebled in a decade to 745 million bushels, according to Nation's Agriculture. Last year one elevator operation received nearly \$15 million for storing surplus wheat and other grains.

In Russia they have a TV in every hotel room — only it watches you.

If success made the heart swell like it does the head, this would be a far better world.

Muenster Volunteer Fire Department's annual treat was a dinner this year featuring a menu of fried chicken and country sausage with all the trimmings. It was held Sunday evening in the Parish Hall with most of the 20 firemen and their ladies present. Members of the city council and their wives were special guests and so were Father Christopher and Father Bruno.

Mrs. Joe Lehnertz catered the dinner, assisted by Mrs. Albert Henscheid, and Alice Walter and Carol Wimmer served.

Lindsay St. Anne's Society Slates Bake Sale, Other Events

Coming activity, including two benefit events, were planned at the November meeting of the Lindsay St. Anne's Society Wednesday evening.

First on the calendar is a bake sale, next Wednesday, Nov. 25, with headquarters at Tom Thumb and Wyatt's in Gainesville. All the society members were urged to contribute home made bread, rolls, pumpkin and apple and mince pies, etc., and to have them at the parish hall by 8:30 Wednesday morning, unless they prefer to take their own products directly to the stores. Proceeds will go into the Lindsay school's athletic fund.

The other money-making event is a comedy skit and card party tentatively set for January. Meanwhile a committee is selecting a play and deciding on roles for the cast.

Plans for the benefit events followed Father Alcuin's explanation of needed equipment for the ball players and the society agreed to donate \$200 to the cause.

Another coming event is the annual Christmas party and St. Anne's members will again be co-sponsors with the Parent-Teachers Club.

Mrs. Norbert Zimmerer, president, conducted the meeting in the presence of Father Alcuin and 31 members. She read a short article of interest from the Archconfraternity's newsletter and Father Alcuin answered questions from the question box.

The meeting in the school cafeteria followed recitation of the rosary in church led by officers Mrs. Zimmerer and Mrs. Tony Hermes. After adjournment there was a social hour with hostesses Mmes. Nick and Pete Block, Jake Bezner and Joe Bengfort serving cake and coffee. Mrs. Jake Bezner won the door prize.

Lindsay News

Lindsay - Gainesville council Knights of Columbus enjoyed their social and ladies night program Saturday in the KC Hall at Gainesville. The evening began with a chili supper and ended with table games.

Lindsay scored first, Ronnie Zimmerer going over in the first quarter for six points. But the team lost the extra markers. In the second quarter Windthorst carried the ball over and added the two extra points for 8. For the rest of the game the teams held and the final score remained at 6-8. At half-time girls from St. Mary's at Gainesville gave a marching and baton twirling demonstration. They are directed by Sister Rubert.

off they made 63 yards in fourteen plays for their first TD. Charles Bayer, who closed out his high school grid career with his finest running and passing of the season, led the attack with four carries for 49 yards including his scoring plunge for 3 yards. Bayer's pass to Streng was good for bonus points and put the Tigers ahead 8-6.

Following a Ranger fumble on the second series the Tigers

Light Bulb 80 Years Old This Year

Charles Edison, son of Thomas Alva Edison and chairman of the board of McGraw-Edison Company, shows Max McGraw, president, how the famed inventor developed the first successful incandescent light bulb 80 years ago this year (Oct. 21, 1879). launched another drive but it bogged down after 51 yards and ended in a kick. Jesuit, after 3 incomplete passes, also kicked and Sacred Heart resumed the drive. It was good for 52 yards in nine plays, including a pass to Wimmer for 22. Bayer scored again, that time from the 4. The try for extra points failed giving the Tigers a half time lead of 14-6.

As the third quarter opened the Tigers kicked to end the first series, held the Rangers for four downs, then got started again from the midfield stripe. Six plays reached the 25 and a pass from Bayer to Wimmer was good for the third TD.

Following the kickoff Jesuit made a first down and ran into trouble. A would-be passer was trapped for 11 yards loss and the next pass attempt ended in an interception putting the Tigers in business on the Jesuit 26. Three plays reached the 13 where Bayer hit Wimmer with a touchdown pass.

As the final quarter opened Jesuit got going again and moved 58 yards to the Tiger 8, then bogged down. The first try reached the 2 but illegal procedure on the next brought a

5 yard penalty which proved to be too much of a handicap. As the series ended the Tigers took possession on the 4.

Sacred Heart snapped back with nice gains to midfield then fumbled. Jesuit, too, staged a nice rally, which reached the Tiger 4 before being broken up by Knabe's interception.

college. With its smaller enrollment it permits a more intimate relationship between students and faculty, hence greater opportunity for counsel and assistance. At the same time it allows young men and women to spend two more years in the environment of the family and community.

People who are still looking forward to college education of their own children should be especially concerned with these

several factors. Does a local county college offer opportunities that may not otherwise be available to their children? Or to save substantially on their college expense?

Even people who have no children, or whose children are out of college, have something to think about. Are the over-all and long-range benefits, to the community in general and to their children and grandchildren, sufficient to merit their support? Has college education become so urgent that it deserves community support rather than being left as a family responsibility?

On the basis of those considerations there can be little doubt on the merits of the proposed county college district. But we also have to consider the financial side of the issue.
