 Subscription Rates: In Cooke Co., \$2.00; Outside Cooke Co., \$2.50
 Entered as second-class matter December 11, 1936, at post office at Muenster, Texas, under the Act of March 2, 1879.

Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation that may appear in the columns of the Enterprise will be gladly and fully corrected upon being brought to the attention of the Publisher.

OUT OF THE MOUTHS OF BABES

The American public and the Canadian public as well, seem to be learning the lesson that governments have no money to dispense which they do not first of all take away from their citizens. And further, it is gradually dawning on those citizens that before the government dispenses any money, it exacts an exorbitant brokerage fee for handling it or rather we should say, mishandling it in most cases.

This brings to mind a story we heard recently that illustrates that even our youngsters are catching on to the folly of government handouts. A certain young lad wanted \$100. He wanted it so badly that he prayed for it. Prayers over a period of several weeks got no results. So he took his pen in hand—put his request in writing—wrote a letter to God.

This posed a puzzle for the post-office as to where to deliver the boy's letter. But one alert postal clerk came up with the bright idea of sending it to the White House. It gave the president a laugh and he directed one of his secretaries to send \$5 to the boy.

The youngster was pleased that his prayers had been partially answered. He was also polite. So he wrote a thank-you note to God, adding a P. S. thereto which read: "I notice you routed my letter through Washington and those greedy bureaucrats as usual deducted 95 per cent."

Yea! Verily! Out of the mouths of babes!

FARM PRICES SUBSIDY SENSELESS

You would undoubtedly howl like a banshee if Congress decided to subsidize the automobile industry to the tune of \$8 billion a year . . . with your tax money.

Or, put it another way, suppose the government guaranteed every motor car manufacturer \$4000 for every car produced, and would buy all vehicles the automakers couldn't sell.

That, in a nutshell, is what is happening in the federal farm price subsidy program.

The farming industry is big business, no less than automobiles.

We are guaranteeing prices on farm production, encouraging over-production and then buying all the farmers can't sell — with tax funds.

Farm price supports cost the U. S. taxpayer \$5.4 billion this year. All-time record wheat and corn crops this season will probably boost program costs to \$8 billion next year.

We have already bought \$9 billion in farm produce which we can't get rid of. It costs about \$1 billion a year in storage charges, on top of what we paid for it.

If the government was holding \$9 billion worth of surplus auto, and paying \$1 billion a year to store them, the Congressmen who voted for such an idiotic subsidy would be swept out of office to the last man.

Why should big farmers be babied any more than shoe manufacturers or any other producers?

When farm subsidies were first voted, they were intended for relief of the struggling, desperate small farmer.

Since then, big farms have almost entirely taken over. Some huge farm operators draw down in excess of \$2 million yearly in subsidies.

Let's get back to some semblance of common sense. Some aid for the small, single-family farmer may be in order. (Even that can be argued.) But guaranteed profits for gigantic rural industrialists is ridiculous. No other industry is so subsidized.

There is a bill in Congress now to limit payment of farm subsidies to any individual or corporation to \$50,000 a year, maximum. It is a step toward common sense, but we should go farther.

Any individual who can qualify for a \$50,000 subsidy payment can't qualify as a struggling farmer. He doesn't need relief.

Let's limit the maximum payment to any farmer or farm corporation to \$15,000 tops per crop year, plus hail or drought insurance at reasonable premiums to protect against weather vagaries. That would be fair.

But let's get away from a senseless program that enriches one favored industry by taxing all other industries and everybody else, to boot.

Half Moon Bay, Calif., Review

YOU'RE WORKING FOR THE GOVERNMENT

If you ever wonder why taxes and government debt are at outerspace levels, some facts issued by a New York bank may help to clarify matters.

One out of every six employed Americans is now on a government payroll. Since 1900 private employment has increased 100 per cent — and government employment 650 per cent.

The Federal government runs about 20,000 commercial-industrial enterprises, with capital assets of some \$12 billion, in direct competition with private business.

Federal aid to states, local communities and individuals totals about \$7.2 billion a year. By way of comparison, the figure was \$147 million in 1930.

We have swollen government, socialistic government, and paternal government. It devours taxes, even as it discourages and sometimes destroys taxpaying private enterprise. That's one of the big reasons why taxes, direct and indirect, take about 30 per cent of our income.

Out of 68 million people employed in this country 26 million work in some phase of agriculture — 8 million on farms, 7 million to produce goods and services purchased by farmers, and 11 million to process and distribute farm products. This means that the livelihood of almost two-fifths of the nation's families depend upon the farm.

The Sneak Thief

Longest and deepest undersea telephone cable stretches from California to Hawaii. Placed in October, 1957, it is 2,400 miles long.

When you buy a 26-cent package of corn flakes, you're getting three cents worth of corn. In a 20-cent loaf of bread, you're getting 2½ cents worth of wheat.

David Lawrence writes in U. S. News & World Report: "Only when peoples are able, in free elections, to choose their leaders and to remove them at will can there be an assurance of peace in the world. Peoples don't make war — only dictators do."

"Until the people of the Soviet Union and the peoples of the neighboring countries of Eastern Europe are free, there can be no relief from the burdens of armament. Tension cannot be relaxed anywhere while the murderous regime in Moscow keeps its conspiratorial agents in every part of the world and its troops quartered in supposedly independent countries."

Java is one of the most densely populated countries in the world.

STATEMENT REQUIRED BY THE ACT OF AUGUST 24, 1912, AS AMENDED BY THE ACTS OF MARCH 3, 1933, AND JULY 2, 1946 (Title 39, United States Code, Section 233) SHOWING THE OWNERSHIP, MANAGEMENT AND CIRCULATION OF THE MUESTER ENTERPRISE, Published weekly at Muenster, Texas, for October, 1959.

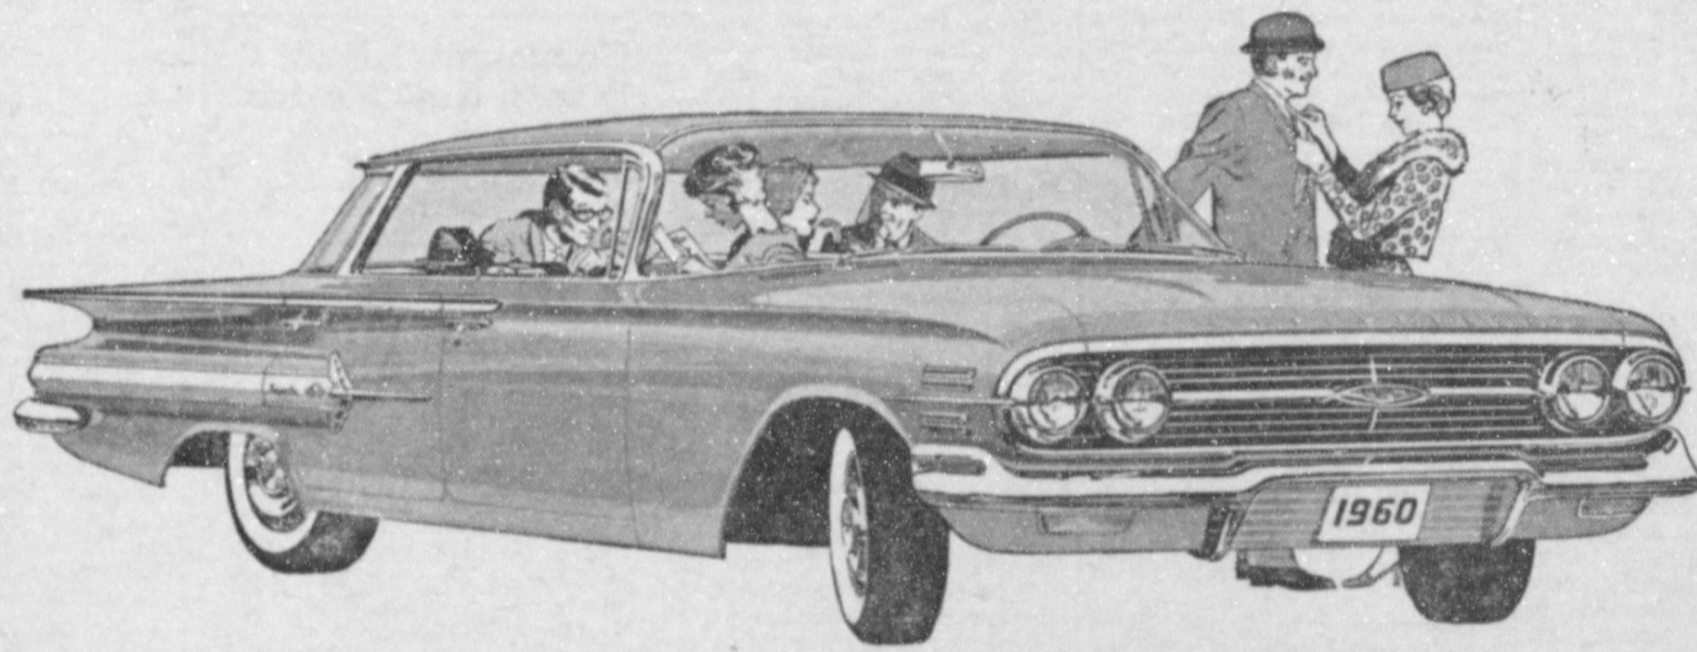

1. The name and address of the publisher, editor, managing editor, and business manager is: R. N. Fette, Muenster, Texas.

ON DISPLAY! TODAY! SPACIOUS! POISED! BEAUTIFUL! LIVELY!

DISTINCTIVE! SATISFYING! ENDURING! SPIRITED! JOYFUL! SWEET!

ELEGANT! QUIET! SMOOTH! LUXURIOUS! ENDURING! SUPERB! SPIRITED! JOYFUL!

Elegant Impala 4-Door Sport Sedan—one of 16 spanking new Chevrolets you can choose from.

THE SUPERLATIVE '60 CHEVY

This is the one that says '60 like no other car. From its clean-thrusting grille to its dapper rear deck, there's so much that is new and different about this superlative Chevrolet it stands out from the rest like a fresh-minted coin. And you'll be just as wide-eyed over what's inside—the relaxing roominess, tasteful trim, hushed elegance, all comfortably cradled by Full Coil springs at all four wheels. Yet, sumptuous as this new Chevy is, you'll find new economy of operation, new dependability, new longer life. Here, then, we're confident both you and your budget will joyously agree, is the nearest to perfection a low-priced car ever came!

Here's the car that introduces a whole new decade of design—with so much that's new and different the other ones can only hope to come close.

It's the superlative '60 Chevrolet—with new space inside, new spirit under the hood, new splendor in every clean-etched line.

Freshly shaped contours rake back from the unified new grille to the jaunty rear deck, fitted with craftsmanships you'd expect only on the most expensive makes. Inside, there's room to sprawl in, room to sit tall in—generously provided by Chevy's sofa-wide seats and

extra margin of hat space. And there's even more leg room for the man in the middle—thanks to the way Chevrolet engineers have shaved down the transmission tunnel.

Out on the road, as Chevy's Full Coil ride will persuade you most gently, there's not a car near the price that comes close to the hushed comfort of this one. And, adding to your sense of silence and solidity are thicker, newly designed rubber body mounts that do an even more efficient job of filtering out road shock, tire hum and vibration.

Quiet, quick-responding power is provided by a choice of two standard engines—Chevy's famed Hi-Thrift 6 and a new Economy Turbo-Fire V8 that gets up to 10% more miles out of a gallon of regular while delivering greater engine torque at normal speeds.

Chevy's accent on comfort and convenience even extends back to its easier-to-load (and tremendous) luggage compartment. You'll also find a convenient new parking brake that automatically returns to normal height after application, a new clutch linkage that filters

out even the smallest engine impulses more effectively than ever and a trim new two-toning motif that's available on all 16 fresh-minted models.

But, impressive as all this may look in print, there's really only one way to tell how near to perfection this superlative '60 Chevrolet actually comes . . . and that's to drop in on your dealer and drive one!

Music by Paul Brewer
and His Texas Swingsters

SPELLED OUT—Motorists find safety put into words and pictures along highways in Argyle, Wis. Police Chief Adolph Jaggi, perched on his motorcycle, thought up this and other reminders to drive sanely.

Personalized
Displaying her wedding gifts, the bride came to one from the groom's old army buddy.
"I just adore these personalized gifts," she said. "We received towels and wash cloths with HIS and HERS on them, but," she blushed, "this is even more personal."
And she held up an olive-drab blanket with the letters US stamped in the middle.

Yep, Plenty of Parking Space

A journalism professor in Mississippi submitted the following conversation overheard at a service station in an unnamed town:
Tourist: "Nice quiet town you got here."
Citizen: "It's quiet all right."
Tourist: "Wonder where I could buy some fishing tackle?"

Citizen: "Don't know; I order mine by mail."

Tourist: "Prices too high here?"

Citizen: "Don't know, High or low, I wouldn't know."

Tourist: "Sure is quiet. This a holiday or something?"

Citizen: "Nope. Just like any other day. One thing we got in this town is plenty of parking space."

Tourist: "Looks like good farming country. When do the farmers come in?"

Citizen: "They don't. They go somewhere else."

Tourist: "You need a Chamber of Commerce."

Citizen: "Had one. It folded up. Nobody could remember the meetings or paid dues."

Tourist: "Think I'll have some lunch before I move on. How's the restaurants?"

Citizen: "Don't know about here. But there's a place down the road."

Tourist: "Apparently you haven't been living here long."

Citizen: "All my life."

Tourist: "What's happening over there at the courthouse?"

Citizen: "Don't know, Court, election, or something. Look, mister, save your breath, nobody knows nothing around here."

Tourist: "Why not? What's wrong with your newspaper?"

Citizen: "That's the point, mister. We don't have a newspaper. No, sir, we don't have a newspaper, but we sure got plenty of parking space on the square."

Local News BRIEFS

Mrs. Byron Sears is back at her home here after a visit in Fort Worth with her daughter and family. Sunday Mrs. Sears had relatives from Whitewright as guests and the C. F. Gobbles joined them for an evening visit.

Mrs. Frank Seyler left Muenster during the weekend to visit with her daughters through winter months. She is in Gainesville now with Mrs. T. L. Anderson and family and will go to Dallas and Fort Worth later. Miss Betty Dodds is occupying Mrs. Seyler's house here.

Ann Luke spent the weekend at home here with her family and, joined by her brother Paul Luke, went to McKinney Sunday to visit their father Henry Luke at the VA Hospital. This was Ann's last visit at home for at least three months. She leaves Dallas Oct. 4 for New Orleans, La., for a course of special nurses training. She is one of several students of St. Paul's Nursing School going to New Orleans.

Mrs. Ed Hess, Mrs. Mike Schilling and Sonny Walterscheid are postcarding to relatives and friends here from California where they are vacationing. They mention sight-seeing, and swimming in the Pacific Ocean. Cards this week were postmarked at Oceanside. The trio drove to California to take Marine Cpl. and Mrs. Richard Hess to his new station at Camp Pendleton.

Weekend visitors with Mr. and Mrs. John Herr and family were her sister and brother-in-law, the Elbert Vances of Hereford. Sunday Mr. and Mrs. Leonard Bengfort of Lindsay had the two families and the Don Wilsons and Alphonse and Theresa Luke at their home for a covered dish dinner. Mr. and Mrs. Vance are on vacation. They were enroute to Cullman, Ala., to see his folks and will visit friends in Florida before they return to Hereford.

Mr. and Mrs. Bobby Howell and daughters Becky and Stephanie of Fort Worth spent the weekend with Mrs. Howell's mother, Mrs. Tony Gremminger and her sister, Mrs. Maurice Pagel and family.

Roland Peters and Rev. W. D. Craig of Nocona stopped at the Enterprise office Tuesday morning to visit briefly enroute to Gainesville to attend the Kiwanis Club luncheon at which Mr. Peters was guest speaker. The Nocona publisher spoke on "National Newspaper Week."

Vacation this year for Mr. and Mrs. Alois Trubenbach was a train trip to Oregon and Washington and a car trip into Canada. They were guests of the Leo Schmitts at Mabton, and of Charlie Schmitt at Grandview, Wash., brothers of Mrs. Trubenbach, and Charlie took a vacation with them into Canada going in his car. They headquartered at Lake Louise and went sight-seeing from there. In Portland, Oregon, the Trubenbachs were guests of her aunt, Mrs. Joe Richter.

Attending a parish bazaar in Dallas was fun for Mr. and Mrs. Joe Hoenig and Mr. and Mrs. Alphonse Hoenig Sunday when they visited the Rupert Hoenigs and were with them at a benefit event for Mary Immaculate Church. The Muensterites also visited briefly with the Urban Flusches.

CARD OF THANKS
This note acknowledges gratefully the many greeting cards, letters, gifts and prayers and every other kindness while I was in Mayo Clinic at Rochester, Minn. My husband joins me in this expression of thanks
Mrs. Wayne Thompson

CARD OF THANKS
Many thanks to everyone who remembered me with greeting cards, gifts and prayers while I was in the hospital. My family joins me in this expression of appreciation.
Mrs. Hank Walterscheid

At Kin's Funeral
Mr. and Mrs. R. D. Morris and Mrs. Reagon McElreath attended funeral services in Bolivar Thursday afternoon for their nephew and cousin, Ronnie Lee Martin, 14, son of Mr. and Mrs. Harvell Martin. Mrs. Morris and Mrs. Martin are sisters. Ronnie Lee was the Martins' only child. He died of leukemia.

A smart-alec tourist tried to show up the backwoods storekeeper by asking, "Can you change this \$18 bill?"
The storekeeper surveyed the contents of his cash register and replied evenly, "Yeah—you want 3 sixes or 2 nines?"

QUIET REVOLUTION! ON DISPLAY TODAY! HOORAY! SMALL WONDER!

CORVAIR BY CHEVROLET! SMALL MIRACLE! THREE COMPACT CHEERS! TODAY!

TODAY! ASTONISHING! NOTHING LIKE IT! CORVAIR! SMALL MIRACLE! TODAY!

THE REVOLUTIONARY Corvair BY CHEVROLET

There's nothing like a new car—and no compact car like this de luze Corvair 700.

Here's the car created to conquer a new field—Chevrolet's low-priced compact Corvair.

The product of nine years of research and development at the auto industry's most advanced facilities, it's America's first truly compact, economical car that retains the ride and 6-passenger comfort you're used to in a big one.

The key to this small miracle: America's first and only modern rear-mounted aluminum engine—a lightweight 6 that's so revolutionary it can be packaged with the transmission and drive gears as one compact unit.

By putting the engine in the rear, Chevrolet has made the floor practically flat, front and rear. There's plenty of foot room for everybody, including the passengers in the middle.

Shifting engine weight to the rear also makes for smoother, easier compact car handling and gives glued-to-the-road traction on ice, mud or snow.

Corvair's size—some 5 inches lower, 2½ feet shorter and 1,300 pounds lighter than conventional sedans—makes it a joy to jockey through busy streets, a pleasure to park (no need for power assists). Its revolutionary Turbo-Air 6 gets up to 30% more miles on a gallon of regular (a real magician on mileage). And, because the

America's only car with an airplane-type horizontal engine! America's only car with independent suspension at all 4 wheels! America's only car with an air-cooled aluminum engine!

The engine's in the rear where it belongs in a compact car!

engine's air-cooled, you never have to fuss with antifreeze, you get quicker warmup with less wear on parts even on the coldest mornings (even heat for passengers comes quicker—almost instantly—from an airplane-type heater*).

Yet, wonderfully practical as all this sounds, you'll find the most practical thing of all about this new Corvair is its remarkably low price. Your

dealer's the man to see for all the short, sweet details.

REVOLUTIONARY TURBO-AIR 6
Gets up to 30% more miles on a gallon, needs no antifreeze, provides quicker warmup with less wear on parts.

ONE-PACKAGE POWER TEAM
Wraps rear engine, transmission and differential together into one compact lightweight unit. Takes less room, leaves you more.

STYLING—PURE AND SIMPLE
Clean, uncluttered lines shape both 4-door models—the deluxe Corvair 700 and the standard Corvair. Each has its own distinctive trim, and you get more visibility area than in many full-sized cars.

FOLD-DOWN REAR SEAT*
Works easily, instantly, adding to Corvair's versatility by enlarging rear seat cargo space to 17.6 cu. ft.

FLAT FLOOR
Corvair is America's only compact car with a practically flat floor, the only one with the kind of relaxing room that U.S. motorists are used to.

UNISTRUT BODY BY FISHER
Does away with conventional frame, incorporating all structure into a rigid body-frame unit that gives you more inside room with less weight.

UNDER-HOOD LUGGAGE COMPARTMENT
Trunk's up front (like an elephant's) where it's convenient for groceries, luggage.

4-WHEEL INDEPENDENT SUSPENSION
There's no conventional axle—front or rear. Wheels, cushioned by coil springs, take bumps independently of each other, for smooth, road-hugging ride.
*Optional at extra cost

Blessed Events

Sgt and Mrs. Joe Galloway announce the arrival of Jonann's baby sister, Mary Ellen, Saturday, Sept. 26. She's the seventh grandchild for Mr. and Mrs. John Fisher and the seventh great-grandchild for Joe Fisher Sr. The paternal grandmother, Mrs. Albert Galloway, lives in Hamlin. Mary Ellen tipped the scales at eight pounds two ounces upon arrival at 12:45 a.m. at Muenster Clinic.

Mr. and Mrs. Vincent Zimmerer of Lindsay have announced the arrival of their daughter, Susan Marie, a sister for Rudy and Carol Ann. She was born at Gainesville Sanitarium Saturday, Sept. 26, weighing nine pounds three ounces. Welcoming another grandchild are I. A. Zimmerer and Mr. and Mrs. Paul Arendt of Lindsay.

A third little girl named Vickie Francine arrived for Mr. and Mrs. Charles Sherrill at Muenster Clinic Sunday, Sept. 27, 11:30 p.m. Also welcoming the six pound nine ounce baby sister are Mary Ann and Sallic Sue and the grandparents, Mr. and Mrs. E. C. Benninger of Dallas and Mr. and Mrs. R. A. Sherrill of Era.

Mr. and Mrs. Cecil Matthews of Myra are parents of a seven pound one ounce boy born at Muenster Clinic 5:20 a.m. Saturday, Sept. 26. He's their eighth child. His name is Danny Ray.

A seven pound eight ounce girl arrived at Muenster Clinic Sunday, Sept. 27, 3:30 p.m. for Mr. and Mrs. M. D. Reed of Saint Jo who have two other children, a boy and a girl. Mr. and Mrs. O. G. Reed of Muenster are the grandparents.

Sending out birth announcements for the first time are Mr. and Mrs. Jerry Fuhrman of Corpus Christi. Their son, Glenn Allen, was born August 23 weighing nine and a half pounds. He's a grandson for Mr. and Mrs. H. J. Fuhrman of Muenster and the first grandchild for the Robert Winkers of San Antonio. The grandparents are making plans to attend the baby's christening this weekend.

It's a second little boy for Mr. and Mrs. Harold Nortman of Lindsay. He was born at M&S Hospital Thursday, Sept. 24, weighing nine pounds ten and a half ounces. He's the grandson of Mr. and Mrs. H. S. Fuhrman and Mr. and Mrs. Walter Nortman of Lindsay. While his mother and baby brother were in the hospital little Davie Nortman visited in Muenster with his uncle and aunt, Mr. and Mrs. Ray Hess and family.

Mr. and Mrs. Sam Barre of Gainesville — she's the former Judy Sluder — announce the birth of a seven pound nine ounce daughter, Monday, Sept. 28, at Gainesville Sanitarium 8:50 a.m.

From Blanding, Utah, comes news of the arrival of a daughter to former Muensterites, Mr. and Mrs. Leonard Walterscheid. They've named her Dianna Gaile. The seven pound seven ounce girl is the granddaughter of Mr. and Mrs. August Walterscheid of Muenster. She has a sister and three brothers.

Acolytes Training
Seventeen boys of the parochial school fifth grade this week began studying to become acolytes for Sacred Heart Parish. They are receiving instructions from Brother Thomas Moser. After they learn their Latin prayers they'll learn the rituals of divine services and their participation as altar boys. They bring parish servers to a total of 70.

Rev. Martin Builds Miniature Grotto

A labor of love and a work of art is the miniature grotto just finished by Father Martin Fischer after months of spare time effort. Complete with a delicate statue of Our Lady of the Rosary and flowers and vigil lights, it now occupies a spot of prominence in his private study.

The outstanding feature of the little shrine is its brick-like construction from some 260 pieces of white pine, each sawed and sanded by hand then nailed into place in the brick-work design. Other wood in the structure brings the total number of pieces to 308. It's finished in clear varnish.

The grotto is 27 inches tall and is mounted on a 30 inch table specially made to serve as its base.

In keeping with the grotto, the statue also is something special, of fine ceramic 18 inches tall, imported from Portugal, and encased in a glass bell similar to those often used on 400 day clocks.

Attends Funeral of Miss Gracie Insel

Mrs. Bill Kathman was among those attending the funeral of Gracie Insel at Gainesville Wednesday afternoon. Miss Insel, 22, died Tuesday at the home of her parents, Mr. and Mrs. I. W. Insel.

Her death followed a recurrence of rheumatic fever about four months ago with an accompanying heart condition.

The Rev. J. H. Chism, pastor of the Church of Christ, officiated in the George J. Carroll and Son Chapel and burial was in Fairview Cemetery.

Miss Insel was well known locally through her visits here with the Kathmans. Her brother, W. E. Insel, is married to the former Georgia Ann Kathman.

Marysville News
By Mrs. B. G. Lyons

MARYSVILLE — Sunday visitors with Mr. and Mrs. Nig Wilson and family were her sister and family, the T. J. Richardsons of Gainesville and their mother, Mrs. Hattie Burk of Myra.

Mr. and Mrs. Bill Moon drove to Gainesville Saturday evening for a visit with their daughter and family, the Max Harrells.

Mrs. Queenie Bone and son Lucien Bone of Dallas were Thursday night visitors with her sister and brother-in-law, Mr. and Mrs. B. G. Lyons.

Mr. and Mrs. Robert Porath and daughter Sandra of Dallas visited her parents, the Jim Shiftlets, Sunday.

Mr. and Mrs. W. F. Davidson and granddaughter Becky Davidson were at Gainesville Sanitarium for a medical checkup Monday and while there visited with patients James Stapp and Edd Murrell.

Mrs. Alys Graye and her brother, Oliver Walker, had as guests one day the past week, Mrs. Lois Gaunt and Mrs. M. J. Rigsby of Dallas.

Mr. and Mrs. W. F. Davidson visited their daughter and family, the Bill Roes at Westview Sunday. Mrs. Roe is convalescing at home after being dismissed from Gainesville Sanitarium.

Mr. and Mrs. B. G. Lyons and their daughter, Mrs. W. C. Stiles of Gainesville, accompanied their daughter and sister, Mrs. Robert K. Maupin of San Antonio to Wichita Falls Thursday. Mrs. Maupin was in Wichita Falls on business in connection with the Ladies Benefit Association. While in the city they visited Mrs. Lizzie Wright, a former Marysville resident and Mrs. Charlie Hobbs Bailey and her brother Johnnie Redwine. Mrs. Bailey and Mrs. Lyons were school mates at Marysville over 60 years ago.

Mrs. Irene Richey and Mrs. Helen Moon were business visitors in Whitesboro Monday morning and went from there to Callisburg to visit Mrs. Richey's brother Joe Wyatt and his wife. In the afternoon before returning home they stopped in Gainesville for visits with the Herman Richeys, the Max Harrells and the John Barnes family.

Among those at a bridal shower in Gainesville Friday evening were Mr. and Mrs. B. G. Lyons and their daughter, Mrs. Robert K. Maupin, a guest from San Antonio. The gift party honored the Lyons' granddaughter, Mrs. Beverly Eastin. Hostesses were Mmes. W. A. Murphree, Faye McGee and Bessie Suggs who entertained in the club room of the First State Bank.

Gift Party Given For Mrs. Sam Barre

A gift party in Gainesville with Mrs. L. J. Roberg and Gladys Jenkins as hostess in the Roberg

home Thursday evening honored Mrs. Sam Barre, the former Judy Sluder.

Guests included Mmes. J. C. Trachta, Ray Swirczynski, M. H. King, Ervin Hamric, Lawrence

Wimmer and Arthur Endres, of Muenster. Mrs. Ray Evans and Mrs. Harry Otto who were unable to attend sent gifts.

Gifts were presented in a decorated bassinet and the hostesses served cake squares and punch.

**Local News
BRIEFS**

Mrs. Frank Kathman returns home this Thursday after a week's visit in Chickasha, Okla., with her sister, Mrs. J. K. Stover.

Helen Fisher of Oklahoma City spent the weekend with her family, the Paul Fishers. She had three days off from classes at St. Anthony's School of Nursing.

Mrs. Paul Fisher, rural life chairman for NCCW, is making plans to attend the diocesan convention of the National Council of Catholic Women in Marshall Sunday, Monday and Tuesday. Father Christopher Paladino plans to be there for some of the sessions.

Urban Endres and Marty Klement spent three days of last week on a plane trip to Detroit for a special dealers' preview of 1960 cars and trucks. The special event marks the first time in a quarter century that the nation's 7000 Ford dealers have been guests of the company for a single gathering. Besides seeing new cars the group met with Henry Ford II to discuss the outlook of the automobile business in 1960.

Mrs. Bill Terry of Gainesville, joined by her husband's mother, Mrs. Bill Terry and son Jerry of Valley View, spent the weekend at Fort Hood with Pvt. Bill Terry.

daughters Mary Ann and Bernice of St. Louis, Mo., ended a week's vacation with Cooke County relatives Tuesday. They were guests of his sisters Mrs. H. J. Fuhrman here, Mrs. John Bezner at Lindsay and Mrs. Otto Flusche at Gainesville and visited also in Dallas and Fort Worth. Mr. and Mrs. Fuhrman accompanied them to Fort Worth for a visit with the Bill Fuhrmans. Mr. Theisen lived here in the early days of the colony and left when he was six years old. It was his daughters' first trip to Texas. The visitors missed seeing one sister, Mrs. Carl Gimple of Valley View, who is in California with her daughter, Mrs. Frank Swan. From here the Theisens went to Muskogee, Okla., to visit his brother, Matt Theisen.

Use of anesthetics is little more than 100 years old.

**Attend Baptism
Of Granddaughter**

Christening of their new granddaughter, Susan Diane Schleicher, took Mr. and Mrs. Johnny Klement to Fort Worth Sunday. Betty Jean Klement went with her parents and they stopped at Denton to be joined by David Klement. The baby's paternal grandparents, Mr. and Mrs. P. J. Schleicher of Dallas were also guests for the day in the home of Mr. and Mrs. Dick Schleicher where a christening dinner party was held at noon. Father Joseph Weinzapfel officiated at the baptism service in St. Alice Church in the afternoon. Mr. Klement and Mrs. Schleicher are their granddaughter's godparents.

**Thirty New Books
Added to Library**

Thirty new books were added to Muenster's free library this week and were available for check-out Wednesday when the library was open for its weekly day of business.

In acknowledging the gift books, members of the CDA court, sponsors of the library, expressed appreciation to Father Ernest Langenhorst and St. Alice Parish in Fort Worth for the contribution. The books are duplicates of those in the parish library there.

**Visits, Calls Bring
Birthday Greetings**

Mary Weinzapfel came home to spend Sunday with her parents. It was a birthday visit with her mother because Mary couldn't be here Monday. Mr. and Mrs. J. M. Weinzapfel took their daughter back to Dallas University Sunday afternoon.

Father Joseph Weinzapfel drove over from Fort Worth Monday for a birthday visit with his mother.

Monday evening Mrs. Weinzapfel — Mr. Weinzapfel too — had a birthday visit over the phone with their daughter Juanita and family, the David Brights in Alexandria, Va. The four grandchildren joined in singing "Happy Birthday" and they all talked. Even the three-week-old baby gurgled greetings across the miles. Another phone visit was with a daughter in Tulsa, Mrs. P. W. Hellman who called Tuesday morning after failing to get her call through Monday evening.

**Boy Scouts Welcome
Two New Members**

Two new members were welcomed by Muenster Boy Scouts at their meeting Monday night. The additions to Troop 664 are Kenneth Stormer and Joe Hartman. The latter joins two brothers in the troop.

Monday night was fun night and Scoutmaster Nick Miller helped his young charges with a round of games. Afterwards Mrs. Herman Swirczynski and Mrs. Werner Yosten, hostesses for the Scout Mothers, served cup cakes and soda pop.

Gabby Tourist: "Whose skull is that?"
Tired Museum Guide: "That is the skull of the Emperor Montezuma."
Gabby Tourist: "Then whose skull is that small one beside it?"
Tired Museum Guide: "That, madam, is the skull of Montezuma when he was a small boy."

RESEARCHING AN UNDERGROUND PROBLEM—A researcher at Humble Oil & Refining Company's Houston Research Center uses this model, representing one segment of a water-drive reservoir, to study the flow problems encountered in waterflooding operations. Last year, Humble spent \$9,583,000 on research for the improvement of petroleum technology.

Mrs. Joe Voth Hosts Progressive Club

Progressive Club members gathered with Mrs. Joe Voth as hostess in her home for the regular monthly social. Three guests were present: Mrs. Billy Joe Miller, Mrs. Gilbert Endres and Mrs. Buddy Yosten. In a progressive 42 series Mrs. Charlie Wimmer Jr. led the scoring for high tally. Mrs. Alvin Fuhrman was second high, Mrs. Gene Gieb secured the galloping award and Mrs. Joe Trubench received the consolation prize. The hostess served a dessert plate and coffee and Mrs. Wimmer invited members to her home for the next meeting when she will be hostess.

Atmosphere surrounding the earth is about 21 per cent oxygen, 79 per cent nitrogen.

The kindly old lady was much impressed with the street beggar. "Oh, you poor man!" she exclaimed. "It must be dreadful to be lame. But, you know, it could be worse. It would be much worse if you were blind!" "You're tellin' me, lady," responded the beggar. "When I was blind, people was all a-time givin' me foreign coins."

Next time you make a batch of raised doughnuts, have a muffin pan ready also. Then when you cut out centers of the doughnuts, you can drop them by threes into the muffin pan. You'll have a pan of clover leaf rolls ready to bake.

Try freezing small fish in a block of ice. Place dressed fish in a clean, watertight container, such as a loaf pan. Cover with water and freeze solid. Then remove from pan and wrap for freezer. To use, just thaw under cold water faucet.

Moves Put Families In Different Homes

Mr. and Mrs. Herman Carlton and daughter Jolene moved during the weekend from the Buckner Ranch to the former Glenn Hellman home south of town. It's a temporary location for the Carltons who will be moving to Marietta, Okla., the first of the year. Mr. Carlton is working for W. T. Bonner now. It was not disclosed who will replace him as supervisor of the Buckner properties here.

Mr. and Mrs. Herman Moster and children have moved from Muenster to Farmington, N. M. They had been living in the place now occupied by the Carltons.

Mr. and Mrs. Clarence Hudspeth are moving this week to live at Myra where they bought a home. It's the former U. E. Cato place. For Mrs. Hudspeth it's a return to her old home town. She was born in Myra. The Hudspeths sold their home here to Leonard Reiter and Mr. and Mrs. Reiter will be moving this week, too. They have been living in the Yosten house next to the Hudspeths. Mr. Hudspeth will continue working at the milk plant here.

In another move this week, Mr. and Mrs. Ed Schneider and children got settled in Mrs. Ben Hellman's former home on N. Oak St. They'll be there until their new home is built. They have bought lots from Mrs. George Mollenkopf. The house the Schneiders vacated is the home of her parents, Mr. and Mrs. Al Walterscheid who bought that property from Mrs. Barney Voth after they sold their home to Emil Rohmer who is remodeling it for his restaurant. For the past few weeks the Schneiders and Walterscheids lived together.

A Sunday School teacher finished a talk on behavior and what we must do to go to heaven. "Now, Tommy," she said, "tell me what we must do before we can expect forgiveness of sin." Tommy thought a bit, then replied "We gotta sin."

Twin Boys Baptized In Joint Ceremony

The infant twin sons of Mr. and Mrs. Hank Walterscheid were christened in a joint ceremony in Sacred Heart Church Thursday evening. Their names are Nicholas Joseph and Neil John. Father Christopher officiated in Sacred Heart Church.

Mr. and Mrs. Albert Schilling are Nickie's godparents and Mr. and Mrs. Raymond Walterscheid are Neil's godparents. They are uncles and aunts of the babies.

Family members including the twins' sisters and brothers, Candice, Deborah, Steve and Dale attended the ceremony. Pictures were made.

Sister and Brother Birthday Honorees

Each year on the last Sunday in September a brother and sister get together to celebrate their birthdays which occur within the week.

Sunday Dr. and Mrs. E. W. Laake of Dallas were guests of his sister, Angela Laake, and niece Rosa Driever, and Dr. Laake and Miss Laake were birthday honorees at a noon dinner.

There was a decorated cake brought by Mrs. Laake from Dallas and a gift exchange.

Adding to birthday joy for Miss Laake was a telephone call from her grand-nephew Michael Driever in Salinas, Calif. He phoned greetings and visited over the long distance line with his auntie and his mother.

Gift Party Honors Mrs. W. J. Matthews

Three from Muenster were among about 35 guests at a gift shower honoring Mrs. Willie Joe Matthews of Sulphur Springs at Sherman Saturday evening. Mrs. Matthews is the former Lorraine Sicking of Muenster and her mother, Mrs. B. J. Sicking, her sister Judy and her aunt, Mrs. Joe Horn attended the party in the home of Mrs. Ralph Brooks.

The honoree's gifts were rolled into the party room in a decorated bassinet. Hostesses served a punch cup and cake after a series of games.

B. J. Sicking took the three from here to Sherman and Mr. and Mrs. Matthews came to Muenster to spend Sunday with her parents and family.

A man tells about his granddad migrating to the piney woods of East Texas. Farming was all he knew and he cleared a good tract in the wooded and somewhat rocky land. One day the circuit riding preacher rode by, and stopped to comment.

"You and the Lord are doing a fine job here, Brother."
"Yes," was the reply, "but you should've seen it when the Lord was doing it alone!"

Family Gathering Observes Birthday

A birthday celebration took place Sunday in the Victor Hartman's home with Mrs. Hartman as the honoree. All her children and grandchildren were present and her daughters prepared dinner, giving Mrs. Hartman a vacation from the kitchen.

A decorated cake and a shower of gifts added a festive touch to the family gathering.

In addition to the family from here those present included Mr. and Mrs. Keith Tompkins and children of Fort Worth, Mr. and Mrs. Teddy Gremminger and children of Garland, Mr. and Mrs. Walter Wolf and children of Gainesville, and Carol Kosel of Denton.

Coming October 8th
A Wonderful New World of Fords for 1960

A new world of style! A new world of savings!
A new world of performance! A new world of built-for-people comfort!
A new world of station wagon living!

On October 8, for the first time, there will be not one, not two, but three completely new kinds of Ford cars designed and priced for nine out of ten Americans:

The 1960 Fords—The Finest Fords of a Lifetime, beautiful from any Point of View, worth more from every Point of Value!

The 1960 Falcon—The New-size Ford, the world's most experienced new car, and the easiest car in the world to own!

The 1960 Thunderbird—The World's Most Wanted Car!

FORD—The Finest Fords of a Lifetime

Here are 15 new models! Economy-minded Fairlanes. Big-value Fairlane 500's. Elegant Galaxies. Five beautifully husky new station wagons. A sleek new Sunliner convertible and a brand-new hardtop model, the Starliner.

A wonderful new world of style. Ford's beautiful new proportions flow smoothly through an elegant Thunderbird-inspired roof to swift rear-quarter lines.

A wonderful new world of performance. For action, there are new Thunderbird V-8's that blend blazing power and acceleration with kid-glove smoothness.

A wonderful new world of ride. With Ford's new Wide-Tread Design, wheels are spread farther apart for a full 5-foot tread. It handles and rides like the Thunderbird!

A wonderful new world of economy. Ford's Mileage Maker Six and Thunderbird 292 V-8 and 352 V-8 all travel beautifully on regular gas at savings up to a dollar a tankful. And go 4,000 miles between oil changes.

A wonderful new world of built-for-people comfort. Six big people—including the man-in-the-middle—ride in greater comfort than ever. The new Fords give you as much as 4 inches more shoulder room, more knee room, more hip room. You relax on chair-high seats.

A wonderful new world of safety. Ford's big safety new for 1960 includes new Truck-Size Brakes with brake linings 25% bigger. Ford's new Safety-Girder Frame is 25% stronger than ever before. Better visibility, too.

FALCON—The New-Size Ford

Here is the welcome news Americans have been waiting for . . . the Falcon, a product of Dearborn, Michigan, automotive capital of the world, was expressly designed for American needs on the American road. It's the one economy car without the economy-car look.

Averages up to 30 miles per gallon. Experience Run, U.S.A., proved it! Oil savings? Ford's standard Full-Flow Oil Filter stretched oil changes 4,000 miles apart.

The engine's up front for greater safety and stability. Built brand-new for the Falcon, the short-stroke Falcon Six was developed, and mounted up front, according to long-proved, thoroughly accepted engineering principles.

1960 Falcon seats six with ease. Six fit comfortably into the Falcon—and it swallows luggage for six in the big rear trunk that holds 23 cu. ft. Compare this with others!

Easiest car in the world to own. A Falcon is so easy on the wallet that it's easier than ever to be a 2-Ford family!

THUNDERBIRD—The World's Most Wanted Car

For 1960, the Ford Thunderbird is distinctively new—without basically disturbing the famous profile that has made it America's new fine-car favorite. It's the most wanted car of all!

No matter who you are . . . or what your tastes and needs . . . there's an exciting 1960 Ford styled, sized and priced for you. See your Ford Dealer October 8!

FORD DIVISION, Ford Motor Company.

How to stop arguing about money . . .

Overspending, by Mr. or Mrs. or both, starts many a family argument about money. Solution: Stop overspending . . . and arguments. Save BEFORE you spend.

Tom Thumb SUPER MARKETS

CITATION BY PUBLICATION
THE STATE OF TEXAS
 TO: The Unknown Heirs of R. H. C. Bailey, Sr., Deceased, Greeting:
 You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 2nd day of November, A. D. 1959, at or before 10 o'clock A. M., before the Honorable District Court of Cooke County, at the Court House in Gainesville, Texas.
 Said plaintiff's petition was filed on the 16th day of September, 1959.
 The file number of said suit being No. 18,813.
 The names of the parties in said suit are: R. W. Bailey John J. Bailey, Lillian Bridgers and husband, John Bridgers, Geneva Lockett and husband, Wesley Lockett, Lillian Catlin and husband, Cecil Catlin, Annie Smith and husband, Clarence Smith, William Randolph Burch, Rosa Lee Lang and husband, Franklin Lang, Rosa Lee Bailey, and Melvin Doris Bailey, Louise Bailey and Walter D. Bailey, minors, by their next friend, Rosa Lee Bailey, as Plaintiffs, and the Unknown Heirs of R. H. C. Bailey, Sr., Deceased, as Defendants.
 The nature of said suit being substantially as follows, to wit: To establish ownership and for partition of 265-1/2 acres of land in Cooke County, Texas, consisting of 180 acres, the Thomas Booker Survey, Abst. No. 72 and 105-1/2 acres being all of the John Makim Survey, Abst. No. 662 lying East of a 92.9 acre tract out of said survey conveyed by R. H. C. Bailey and wife to Mrs. E. Long by deed recorded in Vol. 101, page 309 of the Deed Records of Cooke County, Texas, alleged to be owned 1/2 each by the plaintiffs R. W. Bailey, John J. Bailey, Lillian Bridgers and Geneva Lockett, and 1/2 each by the plaintiffs Lillian Catlin, Annie Smith, William Randolph Burch and Rosa Lee Lang, subject to the life estate of the plaintiff Rosa Lee Bailey in 1/3 thereof, 1/9 each by the plaintiffs Melvin Doris Bailey, Louise Bailey and Walter D. Bailey, subject to the life estate of the plaintiff Rosa Lee Bailey in 1/3 thereof, and 2/3 by the plaintiff Rosa Lee Bailey for and during her natural life.
 If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

Many cooperators in the Muenster-Saint Jo area of the Upper Elm-Red Soil Conservation District are preparing to plant one of the oldest and most reliable legumes known to man — alfalfa. Alfalfa is a deep-rooted legume that is best adapted to bottom-land soils. However it has been grown on cropland soils with good success in the past. It is not recommended for shallow soil with low moisture-holding capacity.

Where proper management of alfalfa has been carried out, yields from crops following this legume have been increased as much as one-third.

Take a normal wheat crop, for instance, that produces 15 to 20 bushels an acre. Following two or three years of properly managed alfalfa the same land can produce 25 to 30 bushels of wheat to the acre, and has in many

cases. Alfalfa should be planted in September or October for best results. Plant 20 to 25 pounds of seed per acre and inoculate with "Culture A" inoculant. The seed, when inoculated, gives the plant the ability to take nitrogen from the air and store it in the roots in the ground for use in growing crops to follow. Hence the reason that yields of crops after alfalfa and other legumes are often increased.

Plant alfalfa, manage it correctly, and see what it will do for that piece of land that is not producing as much as it did a few years ago.

There is still plenty of time to get those waterways staked off before grain planting. Many fields could not be terraced this summer because no satisfactory waterways to serve as outlets had been established. To keep from being caught in this predicament next year, or the next, landowners are urged to mark needed waterways now. Technicians of the Soil Conservation Service will help.

Motorist Gags Are Still Going Strong

Driving a car in Texas is no joke, but many jokes have been told about cars, drivers and motoring. Probably one of the first concerned Col. H. Helson Jackson who made the first transcontinental motor tour in 1903.

According to legend, Col. Jackson asked for directions from a girl in California and was sent about 50 miles out of his way. After retracing his route, he asked the girl why she had given him the misinformation. She answered: "So maw and paw could git to see you. I figured if you are going all the way to New York a few more miles wouldn't hurt you."

Almost as old are references to the motorized swain who changed from gassing on the steps to stepping on the gas, and to the ill-fated driver who wrecked his car by hugging the wrong curve.

Later came a rash of motorist's gags about the pedestrian, who was described variously as "the vanishing American"; the man who thought there were a couple of gallons left in the gas tank; or a man with a wife, three teenage children and only one car. A classic pun claimed there would be fewer pedestrian patients if there were more patient pedestrians.

Home became known as a place one goes to from the garage or where part of the family waits until the others bring back the car.

Women drivers also came in for their share of humorous comment. Among the first was the light-hearted definition of a woman driver that claimed she was one who drives the same as a man, only she gets blamed for it. Then there was one about the lady who thought the telephone linemen climbing poles at the roadside were underestimating her driving skill.

More recent is the story that tells of the man who had just paid for one of the new "lower, longer and wider" cars displayed on a dealer's floor. Asked if he would drive it away or have it delivered, he answered: "Just leave it where it is, I'll never find as good a parking place again."

Bennett Cerf tells of a newspaper columnist who invented a story about a motorist stalled on a busy parkway. The motorist asked a lady driver to give him a push and explained that she would have to get up to 35 mph to get him rolling, because of automatic transmission on his car. According to the yarn, the lady backed off and smacked into the rear of his car at a good 35 mph clip.

According to Cerf, there was not much news that day, so the Associated Press distributed the story nationally and it was printed by 500 papers.

Not all motorists are like the business man, who when asked by an advertising researcher what he wanted most to get out of his car, replied, "My seventeen-year-old son."

Local News BRIEFS

Neil Fisher returned to A&M College after spending the weekend here with his family, the J. W. Fishers. The visit was between Neil's summer classes and the regular term.

Sunday visitors and guests for dinner with Mr. and Mrs. Albert A. Knabe and family were her father, August Sprengel, Mrs. Gene Tyson and three children and Mr. and Mrs. Ben Knabe, all of Pilot Point. Joining this group for an afternoon visit and supper were Mr. and Mrs. Kasimer Sprengel and three children of Denton. It was the out-of-town relatives' get-acquainted visit with the Knabes' new daughter, one-week-old Clara Mae.

The infant son of Mr. and Mrs. Sylvan Walterscheid was christened Sunday morning. He's named Daniel Sylvan. Danny's godparents are his uncle and aunt, Mr. and Mrs. Denis Walterscheid. Father Christopher officiated at the baptism and conducted the churching service. In addition to the baby's parents other relatives attended the ceremony and pictures were made. Mrs. Walterscheid and the baby are spending this week with her parents, the Tony Felderhoffs.

Mr. and Mrs. Ervin Derichsweiler and Debby of Dallas spent the weekend with their families, the Bill Derichsweilers here and the D. L. Bowers of Saint Jo.

Spending Sunday with Mr. and Mrs. J. W. Fletcher were their son and daughter-in-law, Mr. and Mrs. Jack Fletcher and daughters Patricia, Sara and Sue of Denton. Joining them for an afternoon visit were Mrs. Fletcher's brother and wife, the E. M. Shiftlets of Pilot Point and a niece and nephew, the Johnny Wests and daughter Patricia and Bob West, all of Gainesville.

A highly decorated soldier, asked how he happened to win the Distinguished Service Cross, explained it this way: "The Colonel said he needed a volunteer for an extremely dangerous mission, and he said it was unlikely the man would ever return. Then he asked one man to step forward."

"And you stepped forward?" gushed one woman, admiringly.

"Not exactly," said the soldier. "The rest of the line stepped backwards."

Becky Mosman who attends TWU spent the weekend with her family, the John Mosmans and they drove to Denton Sunday evening to take her back to college.

Mr. and Mrs. Leo Henscheid and Carol drove to Irving Sunday to be dinner guests in the home of their daughter and family, the Damien Hellmans. Other guests were Mr. and Mrs. Jerry Henscheid and Jeffrey of Dallas and Mr. and Mrs. Orris Russell and Ronnie of Gainesville.

Mr. and Mrs. H. L. Herron of Denison were in Muenster Thursday for a visit with relatives and friends. It was his day off. He works for the Katy in Dallas now and gets home only on weekends.

Mrs. Harold Walterscheid observed her birthday, Sept. 23, by spending the day with her friend, Mrs. F. A. Wiese at Gainesville.

GEO. J. Carroll & SON

Lindsay News

Mrs. Frank Popp left Sunday by plane from Dallas for Spokane, Wash., where she will visit her daughter Rita and family. Her son Henry Popp saw her off at the Dallas airport.

Mrs. Tony Hermes and her mother, Mrs. Alfons Koesler of Muenster, were Sherman visitors Saturday.

Rosemary Hermes was admitted to Gainesville Sanitarium for X-rays and observation during the weekend. She's the daughter of Mr. and Mrs. Tony Hermes.

Cletus Wolf of Windthorst was greeting old friends here Sunday

at the Subiaco Alumni picnic.

A guest with Mrs. Joe Schmidkofer the past week was Dorothy Pennartz of Decatur who visited here before going to San Antonio to begin training with the Women's Air Force. Miss Pennartz and Mrs. Schmidkofer were classmates in school.

Among visitors at the Subiaco Alumni picnic at Lindsay Park Sunday were Father Harold Heinman of Fort Worth, Father Fintin Oldhan and Father Maurus Gerke of Subiaco and Mr. and Mrs. A. C. Flusche of Denison. Muenster and Gainesville were both well represented at the benefit event.

Home Ec Classes Begin at Lindsay

One of the most popular classes taught at Lindsay school this year is a new course available for girls for the first time. It's Home-making.

The home economics room at school is equipped with three kitchens and new sewing machines will be arriving soon.

Sister Liberta is teaching the new course which is divided into four units: child development, sewing, cooking and budgeting.

Juniors Win - - -

him over making the half time score 20-6.

Again in the third period Hammer and Vogel repeated their performances. Hammer scooted 65 yards and Vogel blasted over for bonus points.

In the final frame Muenster got reckless and tried passing with its back to the goal. A young Panther snatched the aerial and made it easy to the goal line.

Coach Weldon Holland was enthusiastic about his team, especially Vogel, Hammer, Allan Reiter and Danny Wilson. They and a few others are exceptional for grade schoolers and offset the weakness in a few other spots.

Next for the lads will be Era on the local field next Tuesday night.

Elsie Popp Is Bride Of Julius Hess in Gainesville Rites

—Boyd and Breeding Photo

An afternoon ceremony and nuptial high mass was held in Gainesville Saturday at St. Mary's Catholic Church uniting Elsie Marie Popp and Julius A. Hess in marriage. The Rev. E. J. Gerlich, pastor, officiated.

The bride is the daughter of Mrs. Frank Popp and the late Mr. Popp of Gainesville and parents of the bridegroom are Mr. and Mrs. Henry Hess of Lindsay.

The altar space was decorated with arrangements of white gladioli and white roses were used for the Virgin's altar presentation.

Given in marriage by her brother, Henry Popp, the bride wore a formal length gown of white satin combined with Chantilly lace. Designed with a paneled front, the bodice featured a yoke of the lace and a decollete neckline which was sprinkled with iridescents and sequins. Short sleeves were complemented with matching mitts.

The bouffant skirt of satin had wide panels of the lace on each side of the skirt front and a center panel in the back which extended into a sweeping train. She wore a crown of pearls to hold her fingertip veil in place. Her flowers were arranged around a purple-throated white orchid.

Rose Mary Hess, a sister, and Alma Haverkamp, a cousin, were the bride's attendants. They wore identical gowns of sapphire blue satin, designed waltz length on princess lines with lace yokes. Lace was repeated on the brief sleeves. Their hats were blue, embroidered in sequins and beads and their flowers were bouquets of dark and light blue pom-pom mums centered with a large white mum.

Clem Hermes Jr. was best man and Bobby Bierschenk of Valley View was groomsman. Lambert Hess and Henry Hess Jr., brothers of the bridegroom, were ushers. The St. Mary's choir sang the mass and other nuptial music with Don Owens at the organ. A reception followed at Lindsay Hall where blue and white gladioli and greenery decorated the room and the bride's table. Alice Voth and Clara Mae Haverkamp secured signatures for the bride's book. Mrs. Joe Lehnertz catered the buffet dinner.

After a wedding trip to Spokane, Wash., the couple will reside north of Lindsay. Mr. Hess is employed in oil field work. Both are graduates of Lindsay High School.

Among the out of town guests were Mrs. Lula Neises, an aunt from Houston and her granddaughter, Carolyn Forney of Temple. Mrs. Frank Seyler, another aunt, from Muenster, and Mr. and Mrs. John Mosman of Muenster, the bride's godparents, and Becky Mosman of Denton. About 150 relatives and friends attended.

CARD OF THANKS
I want to thank all my many friends for the cards, "buck shower", the visits, and especially the prayers, while I was in the hospital here and in Dallas. Words cannot express my deep appreciation.

Faye Fette

Hornets, Panthers - - -

their injuries and ready to go. Joe He'lman has had a week of action and will be back at the quarterback position. Mark Hellman and Ferd Haverkamp are also ready to go. The only absentee is Milton Fette, who will be out the rest of the season since a kidney injury in practice last week.

Weight advantages as usual will be against Muenster, not because the Panthers are especially large, but because the Hornets are undersize.

For the Tigers this week the outlook is less favorable. Coach Petrus will go to Ladonia with a crippled team. And the sad fact is that his injured list includes old stand-bys such as Claude Bayer, Tim Wimmer, Joe Streng, Anthony Knabe and Don Hess.

Ladonia's record to date is 2 wins and 2 losses, but that gives Petrus little idea of the team's ability, because he does not know the strength of teams they played.

Elaine Friske Wins Trip to National 4-H Club Congress

Elaine Friske was one of the top winners among 4-H Club members in recent judging for statewide awards and received an all-expence trip to the National 4-H Club Congress. The daughter of Mr. and Mrs. Arnold Friske of Gainesville, formerly of Muenster, Elaine was first in gardening.

She is completing her seventh year of 4-H Club work and each year she conducted a garden demonstration with the production primarily for home use.

In addition to honors won in gardening she has also been a district winner in dairy foods, electricity, vegetable production and marketing, and has won county medals in gardening, frozen foods, canning and electricity. She is a well known recreation leader in the county and district.

Other state winners from Cooke County are Janice Berry of Roston, Santa Fe Educational award; Anthony Dresser of Gainesville, tops in the Tractor program and Brent Hollandworth of Whitesboro in Community Realitions work for boys.

Shirley Becker, 4 Has Birthday Party

It was a happy fourth birthday for Shirley Becker and for a group of 12 cousins and friends who helped her celebrate.

Shirley's mother, Mrs. Martin Becker, entertained at the family home and served ice cream and jello, birthday cake and punch. Balloons were favors.

Present were Mrs. Norbert Rohmer and children, Mrs. Henry Voth Jr. and children, Mrs. Tommy Felderhoff and children and the honoree's brother Paul Joseph and the grandparents, Mr. and Mrs. Bill Becker and Mr. and Mrs. Henry Voth who were special guests. Everyone remembered Shirley with birthday gifts.

Lindsay PT Club Hears Doctor Talk

Parent-Teacher Club of Lindsay school, meeting in monthly session Tuesday night, elected Mrs. Henry Zimmerer vice-president to replace Mrs. Bomar Woods who has moved to Gainesville.

Ed Schad, president, conducted the meeting and introduced Dr. H. S. Davenport of Gainesville who was program speaker. His interesting and informative talk was on inoculations that children should have.

The fifth and sixth grade rooms won the attendance prize for having the most parents present.

Tigers Lose - - -

lost on two fumbles and two interceptions.

Because of those miscues but more especially because of stubborn defense neither team was able to make two first downs in a row. Outside the second period the Panthers had three first downs to their credit and the Tigers four . . . one of which was gratis on a 15 yard penalty. As regards yardage for the three periods the measure was 59 for the Tigers and 49 for the Panthers.

Game at a glance		
First downs	4	8
Yds. rushing	56	123
Yrs. passing	9	1
Passes completed	1-14	1-3
Intercepted by	0	2
Fumbles lost by	2	4
Yds. penalized	45	65

Mr. and Mrs. Clarence Wilson are back at home after a ten day vacation in Floydada with his sister, Mrs. E.J. Womack. They returned Wednesday. Going they stopped at Lubbock to visit a nephew, Carroll Womack, and he took them to the Fair.

Confetti - - -

violated by communist doctrine. It reveals the capability of the spiritual powers in man, who is regarded by communism as a soul-less machine.

It shows the magificence of the laws of nature and the infinite wisdom of the God who created it, the God Whom communism denies.

Soviet propagandists have missed the point pitifully. The moon shoot was not accomplished because of their system but rather in spite of it. The achievement was one of men who, contrary to the usual method of communism, were allowed to use their God-given faculties in harmony with Divinely created natural laws. Though it happened in a communist country it was done in accordance with working conditions that derive from Christianity and free enterprise.
