

A patriotic speech that deserves a place beside the immortal oration of Patrick Henry is the one delivered by Senator Barry Goldwater of Arizona in the U. S. Senate on March 15.

Most likely you haven't heard of it, because very little mention of it was made in Washington press reports. This writer likewise knew nothing of it until a few days ago when the weekly release of the U. S. Press Association quoted from the speech and stated that a diligent search of metropolitan dailies in New York and Washington disclosed no mention in some of them and only a few lines lost in the inside pages of the others.

Just to give an idea how very important the speech is, and how urgently vital it is to the welfare and survival of this nation, the release quotes a few statements from it. The rest of the speech can be found in the March 15 Congressional Record, pages 5215-5221.

Here are some of those thoughts, which millions of Americans have long believed but few national leaders have had the courage and foresight to say.

"Peace, to be sure, is a proper goal for American policy — as long as it is understood that peace is not all we seek. For we do not want the peace of surrender. We want a peace in which... Soviet power will no longer be in a position to threaten us and the rest of the world. A tolerable peace, in other words, must follow victory over communism. We have been 14 years trying to bury that unpleasant fact. It cannot be buried and any foreign policy that ignores it will lead to our extinction as a nation."

Senator Goldwater urged a "test of wills" designed to take the cold war initiative from Russia, recognizing frankly that the "risk of war" is involved. "Our objective," he said, "is not to wage a struggle against communism, but to win it. Our goal must be victory... We should declare the world Communist movement an outlaw in the community of civilized nations. Accordingly, we should withdraw diplomatic recognition from all Communist governments including that of the Soviet Union, thereby serving notice that we regard such governments as neither legitimate nor permanent."

"I am quite certain that our entire approach to the cold war would change for the better the moment we announced that the US does not regard Mr. Khrushchev's murderous claque as the legitimate rulers of the Russian people or of any other people... Our present policy of not recognizing Red China is eminently correct, and the reasons behind that policy apply equally to the Soviet Union and its European satellites. If our objective is to win the cold war, we will start now by denying our moral support to the very regimes we mean to defeat."

This is only a small sample of a speech that deserved front page space all over the country as the greatest event of that day. It is sad that most people will never hear of it. It is tragic that the big papers and news agencies had the poor judgment to ignore it.

Another failure of the big news reporters concerns Senator Goldwater's speech during the past weekend before a state Republican convention in South Carolina and the overwhelming vote of that body to support him as its candidate for the party's presidential nomination.

After months of nation wide pro-Nixon publicity it would seem that political analysts at least would have seen some significance in that event. Here is a sign that many many people of this country are not in sympathy with prevailing policies in both political parties. They prefer Goldwater's conservatism over socialism and liberalism, his clear views and firm courage over softness in world affairs. They like his traditional American standards over the foggy thinking that has caused so much confusion in domestic and global affairs.

Some of the politicians have been saying that the Arizona Senator would make a good running mate for Nixon in the coming national election. Events like those of recent weeks, as well as the long term records of both men, seem to indicate that the order should be reversed. There is plenty reason to think that he is better qualified to lead our (Continued on page 8)

MHS Nips V'View In Hot Duel for 37-B Track Title

Muenster High School's Hornets in a hot contest with the Valley View Eagles, won the District 37-B Interscholastic League track and field meet by a nose last Friday at Denton.

When the points were tallied Muenster had broken the Eagles' five year reign as district champs by a count of 139 to 128 3/4. Other teams of the loop meanwhile fell far behind the top contenders. Their scores were Saint Jo 55, Era 54, Sanger 42 3/4, Callisburg 41 1/2, Chico 25 1/2 and Alvord 8.

In the record of first places Valley View barely nudged the Hornets. Each got five blue ribbons out of the fourteen events but Valley View also shared a first place with Era. Of the three remaining blue ribbons Era took two and Saint Jo one.

Lower point earnings, however, made up the difference for the Hornets. They took 4 seconds, 5 thirds, 1 fourth and 3 fifth places.

The Hornets competed in 13 of the 14 events and earned points in 12 of them. Their best paying event was the 220 yard dash in which they held the front three positions for 24 points. Next best was the 440 relay, which netted 20 points. First and second in the 100 yard dash paid off 18.

Trustee Election Has 4 Candidates For Two Positions

Muenster's school trustee election Saturday could develop into an interesting contest as voters select two from the state of four candidates.

J. J. (Joe) Wimmer, Charles Taylor, Rufus Henschel and Ed J. Cleer are the hopefuls and the two high men in the race will be the winners. Wimmer is seeking re-election. The other three are seeking first terms. B. J. Sicking, a member of the board for many years and currently its president, it not asking for another term.

Only one name appears on the second ballot voters will receive Saturday, J. G. Biffle of Myra, for county trustee at large, has no opposition.

The election will be held from 8 a.m. to 7 p.m. in the main hall of the public school with Glenn Hellman as election judge and Mrs. John Mosman as clerk.

Parish Begins Summer Schedule Of Sunday Masses

Pastors of Sacred Heart Parish Sunday reminded parishioners that the summer schedule of church services goes into effect next Sunday, April 3.

Accordingly, they announced the time for morning services one-half hour earlier — 6:30, 9 (high mass), and 10:30. Evening Mass continues at 7 o'clock.

Doctor Expects to Move Here During Coming Weekend

Muenster's new doctor and his family are expected to get settled here this weekend, moving from Dallas to occupy the former Andy Monday home, 219 S. Hickory.

Plans to that effect were made when Dr. Kenneth Dobbs was here last Thursday. The house he rented was vacated this week when Mr. and Mrs. Jim Grooms and daughter moved to Wichita Falls on transfer by Consolidated Oil Co.

Grooms' replacement here is L. B. Spruiell and he and his wife moved this week from Megargle. They are occupying Joe Trubenbach's lease house north of town.

In another move on April 1 Mr. and Mrs. Joe Sturm will quit the farm and come to town. They bought the house formerly occupied by the Melton Ramseys. One more change of residence resulted this week when the Norris Kinsey family moved from the city to the former Byron Sears farm home.

Another remodeling job is that at Charles Fisher's, converting a porch to an additional room.

At Paul Sicking's the cattle are getting a modern new home. It's a 20x50 dairy barn featuring pipe line milkers, bulk tank, and automatic feeding from overhead feed storage.

Grewing, Trachta Are Unopposed in Tuesday's Election

Voting in this year's city election next Tuesday will be a mere formality unless a write-in campaign develops. The ballot shows only two names for two positions on the city council. They are Richard Grewing and David Trachta, candidates for re-election as aldermen.

L. A. Bernauer has been appointed election judge and C. F. Gobble will assist him as clerk. Polls, in the city hall, will be open from 8 a.m. to 7 p.m.

St. John's, Lindsay Hold Sacred Heart To Winless Record

The Tigers of Sacred Heart continued their unbroken streak of tough luck during the past week, losing to Saint John's of Ennis and to Lindsay.

Sunday on the local field the parochial boys made a sad start in their Academic League competition by dropping a 15-2 game to their visitors. The big reason was Wimmer's trouble on the mound. In the sixth especially the visitors got to him for 8 runs on 5 hits and three walks. Meanwhile the entire Tiger team helped St. John's with a total of 5 errors.

The best event in the Tiger performance was a homer by Bayer. Other Tiger hitters were Becker, Pannell and Vogel.

Tuesday Lindsay continued its perfect record with a 12-8 decision over the Tigers. What had been a good game until then was definitely decided by the Knights' 4-run rally in the seventh.

It was a big day for Sandmann who hit 4 out of 5 besides pitching the full game. Leading Muenster hitters were Pannell, Streng, Bayer and Vogel with 2 each.

Formal Opening Tuesday Will Show 'Center' Firms

The Center, Muenster's combination of four related new business firms in the same building will make its formal bow to the community in a grand opening next Tuesday, April 5.

All four of the units will be shown from 4 to 10 p.m. by the management and employees. Richard Grewing owns the Liquor Store and Alphonse Felderhoff owns the Coffee Shop, Bar and Lounge. Ray Swirczynski is general manager in charge of all four places.

The new businesses are located in a modern new air conditioned building located on the south side of Highway 82 near the east city limit. Measuring 50x100, it is built with three sides of heydite tile and a front of Holiday Hill stone, plate glass and glass doors. A partition divides it into equal space for the coffee shop and bar on one side and the lounge and liquor store on the other.

Ceilings throughout are white celotex on suspended aluminum framework and the floors are light brown vinyl tile in

terrazo finish. Three combinations of four related new business firms in the same building will make its formal bow to the community in a grand opening next Tuesday, April 5.

The east half of the building is occupied by the coffee shop and bar. Each has about equal front space but the coffee shop, with its kitchen extending behind the bar has the greater total space.

The seating capacity of the coffee shop consists of a six place booth, 6 four-place booths, 4 four-place tables and 9 counter stools. Chairs and booths are upholstered in cream and brown plastic. Table and counter tops are Formica.

Kitchen equipment follows the modern trend toward stainless steel and includes a large grill for charcoal steaks, the firm's specialty.

The bar has a seating capacity of 66 at 4 tables, 11 booths and 6 stools. Chairs and booths there, also upholstered in plastic, are cream and coral and table and counter tops are Formica. Walls in both places are beige and coral.

In the other half of the building the liquor store extends across most of the front leaving a 6 foot hall from the front entrance to the lounge. Behind the liquor store is a narrow storeroom leaving the balance of the space for the lounge. Walls of these two units are finished in blue.

The lounge is the ornate department of The Center. It has deep wall to wall carpet and customer accommodations are in the form of fabric upholstered foam cushion chairs and sofas along with coffee tables. It will seat 46 persons comfortably. Lighting is wired through a rheostat so that brightness can be controlled. Music from a record player is wired into the room. Also on the same music circuit are the bar and liquor store, but not the coffee shop.

The outstanding decoration feature of the lounge is its four planter boxes with elaborate arrangements of tropical plants and vines. They look real but they're imitation, because the real ones could not survive the tobacco smoke.

The combined cooling cabinet and bar in the lounge is Formica in a walnut pattern. Beer and wine served in the lounge are kept in that unit.

Those who are interested in a "first-day cover", souvenir envelope, can mail addressed envelopes plus a money order or certified check for the number of stamps required to the Postmaster at Washington, D. C., who will place the water conservation stamp on the envelopes, cancel with a special cancellation mark used only on that day and at that place, and mail as addressed anywhere in the country.

Preliminary Work Begins On 40-Bed Hospital Project

Preparatory work in getting a hospital project started here got under way Wednesday night in a meeting of Muenster Hospital Authority directors in the city hall.

The first step of the group was to accept appointments as directors which had been made by the City Council in July 1958 when it created the Muenster Hospital Authority.

That organization had been formed by a city ordinance and was empowered to proceed with legal and financial action relative to establishing a hospital.

Directors named at that time were J. M. Weinzapfel, J. W. Fisher, Earl Fisher, Richard Grewing, Alphonse Felderhoff, Leo J. Haverkamp and Mmes. T. S. Myrick, R. J. Hellman, Frank Schilling and John Mosman. All except Haverkamp were present at Wednesday's meeting and signed a formal acceptance of appointment.

Officers elected by the group were J. M. Weinzapfel, president; Mrs. R. J. Hellman, vice-president; Mrs. John Mosman, secretary; Earl Fisher, treasurer.

Discussion emphasized plans for organizing a community drive to raise funds for the project. Preliminary work on that is to begin promptly so that records can be completed for starting the drive soon after the current parish drive is finished. The time, it was agreed, should be early in the summer.

Weinzapfel announced that a substantial sum designated for charity is already available for the project.

Chapter Farmers Of MHS Are Fourth In Land Judging

Muenster High's FFA Chapter was fourth place winner in the fourth annual land judging contest sponsored by the Upper Elm-Red Soil Conservation District and Kenny Fette, member of the four-man senior team was eighth from the top among the ten high individual scorers.

The local farmers reached fourth place with 433 points and Kenny Fette chalked up 155 points. They are coached by Edgar Dyer.

The big winners among the some 20 teams competing were Whitesboro FFA taking first in the senior and junior divisions, followed by Sadler and Era FFA. Muenster juniors failed to place.

Members of the local FFA team were Dickie and Johnny Pagel, Jerry Endres and Kenny Fette.

All entrants were guests at a luncheon in the Community Center following the judging Saturday at Gainesville.

Garden Club Set For Benefit Sale All Day Saturday

Saturday is looming as a big day for Muenster's Civic League and Garden Club members as they go about making final preparations for their benefit plant sale and country store and baked goods.

With headquarters at Tuggle Motor Company show room, the program will get underway at about 8 a.m. Sale items will include flower plants, tomato and pepper plants, baked goods with emphasis on light bread, rolls and doughnuts, and handwork featuring aprons and pot holders.

The ladies will also serve coffee and doughnuts on the spot and invite everyone to take a coffee break with them.

While one group of members is occupied at the sale site another group will be busy baking at the public school lunch room. Others will be delivering the hot baked goods from the oven to the sale counter.

The plants — 1500 of them — arrived Wednesday and are available until Saturday at Luke's Amlico Station. They're a dollar a dozen or ten cents each. Include petunias, snapdragons, stock, carnations, verbenas, creeping phlox, sweet and hot peppers and Burpee Big Boy hybrid and Red Cloud tomatoes.

The organization hopes to replenish its depleted treasury and make possible a number of civic projects especially park beautification and improvement.

Communion Day Highlighted by Family Gatherings

First Communion Sunday was occasion for numerous family reunions with the communicants as honorees for the day with breakfasts, brunches and dinners, for the children and the godparents and grandparents sharing honors with the youngsters. Gifts and picture taking were included in the celebrations. Some grandparents made as many as three gatherings during the day.

The Adolph Walterscheids were present for two parties. Breakfast in the home of Mr. and Mrs. Frank Herr honored their twin granddaughters, Darlene for whom the Herrs were sponsors and Denise for whom the Walterscheids are godparents. The twins' parents the Denis Walterscheids and family were there and Joanie Herr came home from Fort Worth.

At noon Mr. and Mrs. Andy Schoech entertained for their daughter Carolyn (Peaches). Adolph Walterscheid and Mrs. Joe Kneupper are her godparents and Mrs. Walterscheid and the whole Kneupper fam-

ily from Gainesville were present. Also Mr. and Mrs. I. A. Schoech, the grandparents, and Miss Frances Spaeth of Denison. The dinner table centerpiece was a guardian angel and little girl statue centered in a circle of violets and jonquills from the Schoech flower garden. Mrs. Arthur Felderhoff and children joined them for an afternoon visit.

The Arthur Felderhoffs and children were with their godchild, Donna Marie Rohmer for a brunch at the home of her parents, the Arnold Rohmers. It was a surprise by the Felderhoffs for Mrs. Roimer, just back from the hospital the day before. Mrs. Felderhoff prepared the meal and brought it over. Other guests were Donna Marie's grandmother Mrs. Joe Felderhoff, and Mr. and Mrs. Norbert Walterscheid and Rickey who was celebrating his third birthday. Other visitors stopped in during the afternoon and everybody got acquainted with the Rohmers' new baby, Mary Margaret. In the evening the Norbert Walterscheids brought a decorated cake and ice cream as a birthday treat for their little boy.

Rickey Wimmer was the communicant getting the attention in the Charlie Wimmer Jr. home. His sponsors, Mr. and Mrs. Joe J. Wimmer,

and his maternal grandparents, Mr. and Mrs. Matt Neu of Lindsay, were present for dinner. The other grandparents, Mr. and Mrs. C. J. Wimmer had a previous dinner engagement and came for an afternoon visit.

NOTES FROM CITY LIBRARY

"The Little World of Don Camillo" by Giovanni Guareschi is comparatively short and easy to read. It relates a series of events and incidents chiefly between Don Camillo, a parish priest, and Peppone, the Mayor, who is the leader of the local Leftists.

Whenever Don Camillo is faced with a dilemma he talks it over with the Lord and finds that the Lord does not always agree with him. One such incident occurs when Peppone insists that Don Camillo baptize his baby son with the name Lenin.

Numerous events bring on problems for solution, such as the dedication of Camillo's Recreation Center and of Peppone's People's Palace; the strike of the farm hands on an enormous modern dairy; the yearly procession to the river bank where the river is blessed; and Don Camillo's swim in the river not far from the mine-field.

The way the padre and Peppone reach an agreement each time is highly amusing and they no sooner solve one problem but they are faced with another.

This is a happy story inspired by a lively faith in men of good will and God's infinite patience with His creatures.

"Don Camillo's Dilemma" is the latest book of the hilarious adventures, battles and arguments of Don Camillo and Peppone. It will be enjoyed and cherished by every member of the family.

The author of this book was born in Italy in 1908 and has always been a journalist. He spent most of the war years in German concentration camps and refers to this period as the most active of his life—the activity being to stay alive which he barely succeeded in doing.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

Grass planting in the Muenster-Saint Jo area finally got off to a flying start last week only to be interrupted by another inch and more of rain, which by the way, seems to have been a much wanted and welcome rain by most.

Andy Walterscheid planted 18 acres to common Bermuda to provide more permanent pasture on the Hacker place he bought last year. He fertilized at the rate of 20 pounds of nitrogen and 20 pounds of phosphate per acre.

Leroy Sicking planted eight acres of waterways on his place. When the grass is well established these waterways will serve as protective outlets for terraces that will protect about 85 acres of cropland.

J. T. Cole at Marysville planted 20 acres of newly cleared land to Bermuda. Bayer Brothers, Muenster, planted 15 acres of cleared land. The type of land that these cooperators planted is typical of thousands of acres in this area of the district. After the grass is well established, benefits in the form of dollars and cents can be reaped. Heretofore with the land in timber, it did not produce enough beef annually to pay more than the taxes on that land.

Claude Cannon at Bulcher went the native grass route on his cleared land planting 15 acres to a mixture of Indian grass and Switch grass.

Another few days of sun-

shine, and grass planting rigs will be running again in the area, bringing the objective of treating the land in accordance with its needs a step closer to realization.

Iron forms five per cent of the earth's crust.

Being Guests and Having Guests Is Weekend Routine

Seeing the new split-level home of the P. W. Hellmans in Tulsa was the highlight of a trip to that city for the couple's parents, Mr. and Mrs. J.M. Weinzapfel and Mrs. G. H. Hellman, joined by the Weinzapfels' son, Rev. Thomas Weinzapfel of Dallas. They were there Thursday and Friday. Bill and Agnes and their children are getting settled in their new house, built on four levels with four bedrooms and three baths.

Another conversation topic was Judy Hellman's winning a scholarship to Tulsa University when the fall term opens. Judy handed in one of the top examination papers in a special exam for students planning college careers.

Father Weinzapfel came back to Muenster with his parents and visited here through Saturday. Another guest Saturday was his brother, Rev. Joseph Weinzapfel of Fort Worth who was here overnight and Sunday morning.

Sunday afternoon guests in the Weinzapfel home were his brother, William Weinzapfel and wife and their son Billy of Windthorst, and Mrs. Tony Gremminger joined them to see her visiting brother and his family.

New faces are being seen serving at the altar in St. Peter's Church as 12 fifth and sixth grade boys assume the honor and title of acolytes. They learned their Latin prayers and routine under direction of Sister Florentine.

Crowded Ballot Awaits Voters at Lindsay Election

Lindsay voters will have a full ballot with contests in the aldermen's races when they go to the polls Tuesday to elect city officials for a new year.

All present officials, serving the newly created city since January 26, are candidates for re-election on April 5. And four others have filed for a place on the ticket.

The present city roster consists of Mayor Joe Bezner, Marshal George Mosler, and Aldermen Jake Bezner, Pete Block, Joe Bengfort, Frank Sandmann and Raymond Sandmann. The new candidates are Kenneth Zwinggi, Leroy Metzler, Joe Sandmann and Raymond B. Laux.

Homemaking Girls Show Fashions at PT Club Meeting

Members of the Lindsay Parent-Teacher Club enjoyed a style show as the program for their March meeting, the modeling done by the junior-senior homemaking girls.

Homemaking was introduced to Lindsay High this year and the fashion parade showed the girls' achievements. Sister Liberta is their teacher.

Nine girls each modeled two outfits. They appeared first in casual dresses, their initial work, then re-appeared in costumes for dress-up. Mrs. Yvonne Jenkins, assistant home demonstration agent, served as narrator.

Girls taking part in the program were Jolene Zimmerman, Dolores Hess, Sue Smith, Lorene Voth, Louise Hermes, Patty Schmitz, Carolyn Schmitz, Ida West, and Dorothy Bengfort.

The business session followed the program. It was announced that the annual election of officers will be held next month and a committee on nominations was appointed. It consists of Leonard Bengfort, Ray Kupper and Mrs. Robert Beyer.

Father Alcuin, spiritual director, gave a short address in which he complimented the homemaking girls on their work.

Attendance prize went to the 11th and 12th grades for having the most parents present.

After adjournment, coffee and cake were served by hostesses, Mrs. Joe Hundt, Mrs. Ray Laux and Mrs. Billy Metzler the first and second grade roommothers.

Mrs. Arendt Hosts Tripoli Club Meet

Mrs. Paul Arendt Jr. was hostess for the monthly Tripoli party entertaining in her home Thursday evening. Six members and one guest, Mrs. Adam Wolf Jr. of Muenster, were present.

Mrs. Vincent Zimmerman was the birthday honoree and received a gift from the club. The hostess served a fruit plate with angel cake and coffee.

Weekending with Mrs. T. S. Myrick were Mr. and Mrs. Pat Stelzer of Dallas who told about moving into their own new home in that city, and Jim Myrick of Commerce. This week Mr. and Mrs. Arthur Bordeau are getting settled in a home in Denton. Until they're located their little girl Paula Jean is staying with her grandmother here.

country through the critical years ahead.
Even from purely political considerations he looks like the better choice. Republicans, anxious to have the winner, should recall that he came through marvelously in his last race for the Senate, even though the national organization of CIO-PAC spent big money in Arizona to beat him. He has a way of convincing voters of the depth of his sincerity and devotion. Above all he understands the real nature of communism and the urgency of doing something about it.
