Snow, Cold Wave Give New Punch To Rough Winter

This week, as we observe Washington's Birthday, we are reminded by Industrial Press Service of the big change that has developed in American political philosophy since the time when he served as president. History relates that he had a hard time getting his small union of thirteen states to give up a few of their local rights and powers in order to strengthen the infant nation.

Today we have just the opposite problem. Descendants of those rugged individuals now seem willing, even eager, to turn over their local rights and powers if the government will take over their problems. They accept high taxes as a matter of course, but seem to expect that our bureaucratic centralized government will see that everyone has a good job, good pay, good home, good roads, good education, good health and carefree old age.

As the first president had his troubles getting people to support the government, did he possibly anticipate a time when so many people would expect the government to support them?

All of which reminds us that, as originally set up, the nature of our government was implied in its name. A group of sovereign states banded together for their mutual protection and welfare as the United States of America. While united in a common cause the separate states retained jurisdiction over their local affairs. Times have changed a lot. Vast powers and controls have been transferred to the central government, but we're still inclined to believe that the original method was the best.

Wise Guy Fidel Castro, is beginning to wonder whether he was gypped by Russia's Mikoyan in that deal of a few weeks ago. As reported now it seems that Russia will receive Cuban sugar at prices set by the world market and Cuba, in exchange, will receive Russian products at prices to be determined by Moscow.

Whether or not that report on Soviet price manipulation is true . . . and most likely it is . . . does not really make any difference. The plain fact is that any country which deals with Russia is the loser. After being exposed to the past 20 years of history, anyone should understand that. One way or another the Soviets manage to cheat on every deal they make.

By way of making the agreement really one-sided Russia can be expected to stall until Cuba has a fat credit over there, and then ship only the kind of stuff which serves Moscow's political advantage, and which is loaded with political strings.

One agreement, for instance, as mentioned by Senator Lyndon Johnson, is that a \$100 million loan will be accompanied by Soviet technicians to "help the Cubans". It would be more correct to say that the real mission of the technicians is to make Cuba economically dependent on Russia. Also that they will be actively engaged in political activity to hasten the complete communization of Cuba. The high and mighty Castro is rushing headlong into the role of a Moscow yes-man.

Johnson observes that this is a classical pattern of communist penetration, and the real tragedy is that it is happening right at our doorstep. In the light of such conditions we wonder what could have induced our state department last week to offer an official apology for the plane which left Florida to drop propaganda leaflets over Cuba. Compared with Cuba's many un-apologized acts of insult, insolence, and violations of the person and property of hundreds of American citizens, that unauthorized plane flight was a mere trifle.

Another point worthy of consideration is the fact that in this land of the free our government does not exercise gestapo inspection over every plane that gets ready for a take-off. It did not know and could not be expected to know the plans of every anti-Castro partisan. An apology was not even in order. Especially not when Castro's government has been caught red handed in the act of inciting revolution in Latin American countries.

The whole sorry situation makes us wonder what happened to the good old spirit of former years when our country tolerated no insults to its honor or its citizens.

This winter season already showing records of more cold and wet weather than other winters of recent years, took on new intensity Wednesday with snowfall and temperature in the low twenties.

Snow flurries started about 5 a.m. Wednesday and continued lightly through most of the day and night. By 7 a.m. Thursday the ground was blanketed with 3 inches. Meanwhile the thermometer remained below the freezing mark during the day and dropped to 11 early Thursday.

On streets and roads the snow packed, making driving hazardous. Schools got a holiday Thursday because of the danger in driving busses. However no traffic accidents have been reported.

This is the community's third snow of the season, according to Steve Moster's official weather report. On January 5 and 6 it had 4 inches and on February 17 it had a trace.

Damp, cold weather, believed to be accountable for an unusually large number of cold, flu and pneumonia cases, has also featured the season. February, consistently cloudy and cold, shows nine moisture reports for a total of 1.04 inches. Total moisture for the year to date is 4.52, of which 3.48 fell in January.

New Directories Reflect Growth Of Telephone Co.

Muenster Telephone Company has finished delivery of its new directory and all users should have the 1960 books next to their phones by now. Eleven hundred directories were printed and the books were distributed to patrons of the system in Muenster, Myra and Forestburg. More names and numbers are listed in each of the three communities. Phones total 809 this year as compared with 756 in the previous directory.

Actually, according to Miss Elizabeth Herr, the company's secretary, there are 719 subscribers and 90 of them have extension phones. The Muenster list shows 689 phone owners, Myra has 63 and Forestburg 57. The yellow pages contain some 180 numbers and messages of advertisers. There are also sheets of "Telephone Information" for the three exchanges and a blank lined page for listing frequently called numbers. Another page has a list of numbers for emergency calls.

Much work went into the new directories and the Telephone Company is proud of the result. It urges subscribers to burn their old phone books and keep only the new one beside the telephone. The company also urges cooperation by calling by number and sharing the party line.

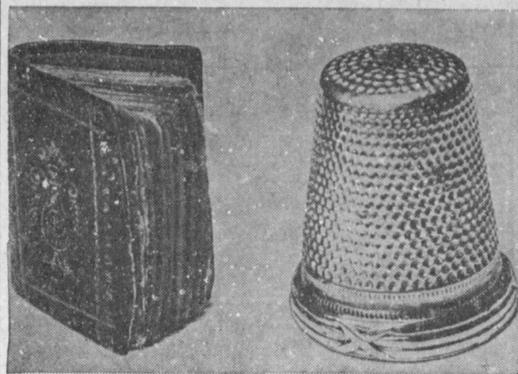

Subscribers of Muenster Telephone Company enjoy a distinct advantage in that they can call from any of the three exchanges without paying long distance rates over an area of 300 square miles in Cooke and Montague Counties. The telephone directory cover is green with black lettering and shows pictures of a dairy cow and an oil rig, important community assets, with the words "Dairy and Oil Center of North Texas."

Muenster Telephone Company is one of America's 4400 Independent Telephone Companies.

Holy Land Scenes Shown by Abbot

Colored pictures of the principal places in The Savior's public life accompanied by vivid descriptions and historical data by Abbot Michael Lensing of Subiaco Abbey entertained a large crowd in the Sacred Heart gymnasium Tuesday night.

Scenes were those visited by Abbot Michael in the Holy Land last year. They were projected on a screen by Father Fintan Oldham while the abbot gave the narrative. Also on the program of the two Subiaco visitors were attendance at the local Subiaco Alumni meeting Monday night and seeing prospective seminarians.

THIMBLEFUL — Minuscule Bible has 100 pages illustrated with several woodcuts. Printed in 1789, it is in a collection in Geneva, Switzerland.

Muenster VFW And Auxiliary Host Convention

In formal addresses and in informal conversation praises were heaped on Muenster Sunday by visiting Veterans of Foreign Wars and members of their Ladies Auxiliary as they attended the District I convention with Post 6205 and its Auxiliary as hosts.

A crowd of 175 attended the noon banquet in the Public School Dining Room and heard a patriotic address by Texas Department Commander Oscar B. Jones of Austin. He also lauded the local organization for being the first in the state to secure a perpetual charter and for reaching its annual membership quota.

F. A. Kathman Jr. was master of ceremonies, introduced the speaker and other visiting officials of the two groups and local officers and conducted a round of recognitions. Father Martin Fischer gave the invocation.

In closed business sessions after routine procedure each group heard more favorable comment on Muenster, its hospitality and its good food and praises rang again at the final joint gathering of the men and women when they had supper at the post home.

District Presidents, a husband and wife team, Mr. and Mrs. Harold Rodgers of Denison, presided for the afternoon meetings and Mrs. Leland Rowland, department secretary, addressed the Auxiliary. The convention opened with (Continued on page 4)

Blessed Events

It's a nine pound two ounce boy for Mr. and Mrs. Alois Rohmer, a baby brother for Glenn and Joanie. He arrived at Gainesville Sanitarium at 2:32 p.m. Monday, Feb. 22. His grandparents are Mr. and Mrs. Leo Rohmer and Mrs. Ben Sicking.

It's a boy was good news for Mr. and Mrs. Jerry Vernon, and the former Sacred Heart High coach is proudly announcing the arrival of that long awaited football player. He weighed in at 10 pounds. The Vernons have five other children, all girls. Friends here received word of the baby's birth this week. Vernon is coach at Subiaco, Ark., since he left Muenster.

Mr. and Mrs. Walter Wolf of Gainesville have announced the arrival of a daughter, Carla Sue, at the Sanitarium. She was born Friday, Feb. 19, weighing four pounds 12 1/2 ounces and will be an incubator baby until she gains to five pounds. She's a sister for Deanna and Chris and the granddaughter of Mr. and Mrs. Victor Hartman of Muenster and Mr. and Mrs. Adam Wolf of Gainesville. Deanna and Chris are enjoying a visit here this week with their grandparents.

Classes To Sponsor Pre-Lenten Dance

Students of the Sacred Heart High senior and junior classes will sponsor a benefit dance — their annual Mardi Gras event — this Friday night in the Parish Hall and invite a full attendance — grownups and as well as teenagers.

The Rockin' Flames of Saint Jo will furnish music, and refreshments will be available. This is the school's final Pre-Lenten social event.

Trustee Election Ballot Blank as Deadline Nears

With the filing deadline only a week away the ballot for Muenster's school trustee election is still waiting for candidates, Superintendent L. B. Bruns disclosed Wednesday.

He said that according to state law the deadline for filing a candidacy is 30 days before the election. Since it is dated for April 2, names must be submitted on or before The board has specified that a next Wednesday, March 2, candidacy must be filed with Superintendent Bruns, secretary to the board, also that a person must execute the non-subversive and loyalty oath as prescribed by law to become eligible for a place on the school board.

Two trustees are to be elected, to the positions which will be vacated by the expiring terms of E. J. Sicking and J. J. Wimmer.

NEWS OF THE SICK

Gary Hess entered Gainesville Sanitarium Wednesday as a surgical patient.

Up to Thursday morning one bone-breaking fall was reported as a result of the snow. Kenny Schmitz, 10, son of Mr. and Mrs. Gene Schmitz, broke his right arm after classes dismissed Wednesday. He was taken to M&S Hospital and remained overnight. It's the same arm Kenny broke two years ago. At that time it was the wrist. This time it's the big bone.

Leo Rohmer has been dismissed from Gainesville Sanitarium to continue recovery at home from a major operation.

Mrs. Fred Hennigan Sr. entered Gainesville Sanitarium Monday after being sick since Friday.

In Gainesville Sanitarium seven-year-old Johnny Felderhoff continues as a patient. He has had a serious case of pneumonia and is recovering satisfactorily. Joining him as a patient Saturday was his little brother, two-and-a-half year old Timmy who is receiving flu treatment. The boys are together in one room and their mother, Mrs. Frank Felderhoff, is staying with them.

Larry Sparkman, 15, is back at home but not back in school after receiving medical care for influenza and a kidney infection at Gainesville Sanitarium. He is the son of Mr. and Mrs. Sam Sparkman.

P. J. Rollman is on the mend following a severe case of flu at the Dallas VA Hospital where he is a patient. His daughter, Miss Catherine Rollman, paid him a visit and found him recovering and well enough to be up and enjoy company.

At the VA Hospital in McKinney, Lawrence Roberg has been fighting the flu but was recovering satisfactorily during the weekend according to family members who visited him. Saturday his mother, his sister Carrie and Mrs. Louis Roberg drove over to see him and Jodie spent Sunday with her husband.

Frank Evans of Pilot Point, whose wife is the former Clara Hess of Muenster, was admitted to Flow Memorial Hospital in Denton Sunday evening after suffering a heart attack.

Early Hour Fire Nipped Early by Prompt Firemen

An early alarm by Mrs. Paul Nieball and speedy response by the Muenster fire department are credited with preventing heavy loss in a fire early Saturday morning at the Bayer Brothers shop near the southeast city limits.

The flame was discovered breaking through the roof about 4 a.m. and the alarm was phoned to the telephone operator immediately. Another instant and the operator was sounding the city's fire whistle at the cheese plant to rouse firemen from their sleep. Less than ten minutes later they had their hoses in action.

Arthur and Robert Bayer have expressed their sincere appreciation for the alertness and efficiency of all who had any part in getting the fire under early control. The time saved was precious, they said. A few more minutes probably would have crashed the flaming roof down on a ready-mix concrete truck causing thousands of dollars worth of damage. As it turned out there was time to get the truck out and the roof did not come down.

Total damage, as reported by Arthur Bayer is the loss of about half the roof, an air compressor, an electric drill, some hand tools and much of a work bench.

Faulty wiring in the roof structure is believed to be responsible for the fire. Walls of the building are of concrete tile.

Muenster Begins Heart Fund Drive

Muenster's Heart Fund campaign got under way this week with placement of plastic heart banks in business houses, and on Sunday banks will be waiting for contributions in the vestibules of Sacred Heart Church and First Baptist Church.

There will be no personal house-to-house solicitations here even though this method is being employed in nearly all cities. Local chairmen are hopeful that Muenster residents will respond generously by placing their contributions in the containers as early as possible.

In addition, the committee here is mailing letters to all parish and civic organizations asking that they contribute from their treasury funds.

Proceeds from the Heart Fund drive will be divided between the Texas and American Heart Association for research and education and the Cooke County Association. A large portion of the fund remains in the county to be used locally. It is used to carry on whatever program is most needed . . . research, education and community service.

In the past the Heart Association has given a heart pacemaker and a defibrillator to both hospitals in Gainesville. These machines give double protection to each patient who undergoes surgery.

SH Alumni Plans Volley Ball Meet Starting March 28

Most of the planning is finished and invitations will be mailed next week for the second annual volley ball tournament sponsored by Sacred Heart Alumni. It will be held in the Sacred Heart gym during the week beginning March 28.

In charge of the tournament will be the alumni's two teams, which will also participate and which are also booked for other tournaments of the area. Members of the ladies' team are Mmes Ted Voth, Julius Hermes, Richard Hermes, Joe Hermes, Gene Schmitz and Misses Loretta Mages and Helen Hess.

On the men's team are Adam Wolf, George Petrus, Jim Hermes, Julius Hermes, Willard Hartman, Sylvan Walterscheid, Tommy Herr and Howard Mollenkopf.

Telephones Okay — Sailor Ronnie Cannon telephoned home Sunday to tell his parents, the Claude Cannons, that he is well and all is okay after his ship the U.S.S. Daly had an accident. He also gave them his new address: Charles R. Cannon, EM FA; U.S.S. Daly, D D 519, c-o Fleet Post Office, New York, N. Y.

Plans Disclosed For Public School Week Observance

A full week of open house special display and program for the last day is in the plan for Public School Week at Muenster Public School. Dates are Monday, Feb. 29, to Friday, March 4.

Superintendent L. B. Bruns said that visitors are not only welcome but urged to come to any of the classrooms at any time of the day. And hot coffee will be on tap all the time for the breaks between or after classroom visits.

Tuesday the public is invited to join the children for lunch. Charge for the meal will be 35 cents.

The big event is Friday night which features special displays and a program. The displays by all grades and classes will be in the gym which opens at 7 o'clock. The program from 8 to 9 presents teachers and pupils in the auditorium. After that there will be coffee in the hall and more opportunity to see displays.

3 Local Girls Win In County 4-H Show Two Go to District

A trio of 4-H Club girls from Muenster went to Gainesville to enter the Dairy Foods Show and all three showed their demonstrations to a blue ribbon finish.

Charlotte Wolf and Janice Vogel, competing in the senior division, captured top honors and Charlotte added a purple ribbon and will take her demonstration to the district show in April. She prepared a school lunch box. Janice won her honors on a cheese dip.

Mary Ellen Endres, in 4-H work for the first year and entering a competitive event for the first time, bested other entries in the junior contest and affixed a purple ribbon designating her as the individual representative in her group to compete in the district show in Denton. Her demonstration was a barbecue cheese dip.

The girls' mothers, Mrs. Lou Wolf, Mrs. T. Vogel and Mrs. Paul Endres, went with them and watched as they demonstrated to win their honors.

An intermediate team composed of Mary Ann Harrell and Sue Dillard was elected to represent the county in that division in the district contests April 23.

Other blue ribbon winners include Rosemary Hermes of Lindsay in the senior division, and red ribbon winners include Patsy Zimmerman and Barbara Bezner, Judy Bezner and Mary Ann Hermes, and Karon Loerwald, all of Lindsay, and Janette Hunt of Myra, who were intermediate club entries.

Kickoff Meeting Starts County FB Membership Drive

Warren Newberry of Vernon, area field service director of the American Farm Bureau, was the principal speaker at a membership kickoff dinner given by the Cooke County Farm Bureau Wednesday night of last week.

He told the group that the passage of nine animal health bills during the last session of the state legislature can be credited mostly to the efforts of the Farm Bureau.

He pointed out the importance of being organized, saying that farmers have to stick together or take orders from others.

Also a guest speaker was Melvin Dansby of Bowie, area field man of the Texas Farm Bureau. Both he and Newberry spoke on the urgency of getting a brucellosis program organized in the county and asked members to sign the petition for its adoption.

The meeting, held in the Community Center building of Gainesville was a part of the state wide Farm Bureau effort to increase its membership by some 4000 this year.

About fifty persons were present for the dinner, which was catered by Mrs. Joe Lehnertz. Representing Muenster were Messrs. and Mmes. Jerry Hoening, Gus Lutkenhaus, Al Hess, Martin Bayer and Paul Fisher, and Miss Rita Fisher.

Mr. and Mrs. Richard Yosten and two sons have been driving over for regular visits with relatives since they are back in Gainesville to reside after living in Snyder and that area for a few years.

Extended Illness Of Mrs. H. Pels Sr. Ended by Death

Years of illness and suffering ended for Mrs. Henry Pels Sr. 76, Sunday night. She passed away at about 8 o'clock at her home northwest of the city where she had resided for 49 years.

Funeral services were conducted in Sacred Heart Church Tuesday morning at 9:30 with the Rev. Martin Fischer as celebrant of the requiem high mass. He also delivered the funeral address and conducted grave side rites in Sacred Heart Cemetery. Nick Miller Funeral Home was in charge of arrangements.

Bearers were Joe and Herman Dangelmayr, Lawrence Dankesreiter, Theo Miller, Bernard Wolf and Norbert Klement.

Rosary services were held at the Miller Chapel Monday afternoon at 4 o'clock by members of St. Anne's Society and the community rosary was there at 8 p.m.

Mrs. Pels was the former Miss Anna Lummel, born in West Point, Neb., Jan. 29, 1884 and was married there to Henry Pels on Feb. 21, 1911. Her death occurred on her 49th wedding anniversary.

Immediately after their marriage Mr. and Mrs. Pels moved to Muenster and settled in the farm home in which she died. She had been an invalid for several years.

Survivors are her husband; two sons, Edward and Henry Pels Jr. of Muenster; six daughters, Mrs. Paul Walterscheid, Mrs. Joe Knauf, Mrs. Lawrence Martin and Miss Theresa Pels, all of Muenster; Mrs. Henry Weske of Phoenix, Ariz., and Sister Imelda of Lake Charles, La.; 26 grandchildren; three brothers Peter and Phillip Lummel of West Point, Neb., and Andrew Lummel of Denver, Colo.; and two sisters, Mrs. Henry Steuter of West Point and Mrs. Joe Sieder of Laurens, Iowa.

Among out of town relatives at the funeral were Sister Imelda, Mr. and Mrs. Henry Weske and daughter Arlene, Clifford Pels of Subiaco, Ark., and the following from Pilot Point: Bill Pels, Jerry Pels, Mr. and Mrs. Ed Sturm, Alois Pels and Joe Pels and daughters Betty, Kay and Janice.

Alumni Ladies In Champ Finals Of Nocona Tourney

Sacred Heart Alumni's volleyball ladies made a good start of the current season by cinching a trophy in an invitation tournament in progress at Nocona this week. Their next contest, to be played Saturday night will determine whether they are champs or runners-up of the tourney.

In their opening game they moved into the champ bracket by 15-10 and 15-4 wins over Goldburg. The next night, playing first Baptist of Saint Jo, they ran out of time, so the total score up to then determined the winner. That was Muenster by a 29-24 count. Drawing a bye in the semifinal, they are booked to play the semifinal winner for the title.

The alumni's men did not do so well. In their opener with Lindsay Tuesday night they lost 15-7 and 15-8. Next they play in the consolation semi-final Friday night.

Both teams will be active again next week, starting Tuesday night, in an invitation tournament at Saint Jo.

A VISIT NOT PAID

When Nikita Khrushchev was in San Francisco last September he was only a short drive — just thirty miles — away from a fellow Russian

named Alexander D. Kerensky. But Khrushchev did not pay a call on Kerensky, which may seem odd, since Kerensky was Russia's first premier after the overthrow of the Czarist regime in 1917.

It may seem odd — but it is not really odd at all. For the communists, of whom Khrushchev is the present leader, have built a legend that they overthrew the Czars. But that is not true. The tyranny of the Czarist regime was overthrown by a people's movement headed by Alexander Kerensky. Kerensky was no Bolshevik. His government was overthrown by the Bolsheviks after only a few months — and Kerensky went into exile . . . a fateful turn of events in the history of mankind.

BEST-SELLER

NEW YORK — The all-new sixth edition of the Boy Scouts Handbook is right behind the Bible as the best-selling book in America with its latest printing run of 1,050,000 copies. The publishers note that since the first edition came out in 1910 at 25 cents, the handbook has sold more than 17,500,000 copies, far outstripping "Ben Hur" and the "Boston Cookbook" for second place on the all-time best-seller list.

Newsweek says, under the title "The Great Bank Robbery": "For Americans wondering why the U. S. soil-bank program has not been more successful in holding down the staggering farm surpluses, U. S. Comptroller General Joseph Campbell had an answer. . . . Of all the 23 million acres that have gone into the soil bank, nearly one-quarter (or 5.4 million acres) of the 'idle' land had not been producing crops anyway. . . . Campbell said owners of fallow acreage have been paid \$54 million a year for five years. Thus the government, now moving to halt the abuses, spent a total of \$270 million to reduce crops that never existed."

YOU AND CRIME

by Roger Arnebergh, Los Angeles City Attorney

In the last few years crime has been increasing 4 times as fast as population. And in 1957 juvenile crime increased 10 times faster than juvenile population.

SOME PEOPLE think that law enforcement is solely the problem of law officers. But the prevention of crime is the problem of each and every one of us.

Before we can make any real progress against crime we must teach our children to believe in God. We must either obey God's laws or else we must eventually pay the price. The Communists deny this. They have no respect for the law because they claim that there is no God.

But with no belief in God there can be no true morality — no fixed standards of right and wrong. One judge, for instance, studied the cases of 8,000 delinquents. He found that only 42 of those 8,000 — about 1 out of 200! — regularly received religious instruction. And none had a mother or father who regularly went to church!

IDLE TIME presents another real problem. We should provide healthy activities to fill the spare time of our youth. This demands parks, playgrounds and other recreational facilities.

Then, too, a child should be expected to handle some daily task which will give him recognition for a job well done. If a child never has any household duties how will he carry out his civic duties when he grows up?

RESPECT for the authority of the parent, the teacher and the policeman is absolutely necessary if we are to get rid of crime. Parents who don't teach their children this lesson do them serious harm.

DELINQUENCY would not be a serious problem if parents would assume their full responsibilities. But they must set a good example by their own lives. Children follow our actions — not our words. What we do speaks so loudly that they can't hear what we say.

We would still need policemen. But if we Christians would do our part as Christians, crime would cease to be the grave national problem that it is today.

A birthday surprise with a decorated cake and ice cream and a gift of candy from her guests greeted Mrs. Johnny Schmitz at her home in Gainesville when a group of relatives and close friends dropped in to help her celebrate. Spending the afternoon were Mmes. Ray Wilde, Al Horn, Tony Wimmer, Nick Dieter, Joe Trubenbach, and Martin Trubenbach all from here. Mr. and Mrs. Mike Dieter of Lindsay stopped in for a visit and had refreshments with the group.

Birthday Surprise Fetes J. B. Wilde

Just about the biggest surprise in his 65 years greeted J. B. Wilde at his home Friday night when his employees of the Chevrolet Agency and their wives and husbands gathered to help him celebrate his birthday.

The group brought gifts for the honoree and ice cream and birthday cake for refreshments. Mrs. Wilde who "was in" on the surprise for her husband made coffee. The handsome, decorated cake was topped with 65 candles.

Games of 42 added to the fun. Prizes went to the honor guest, to Ann Stoffels and to Mrs. Gene Hoedebeck.

Muenster State Bank and the Post Office were closed Monday in observance of George Washington's birthday.

Muenster's "First Lady" Celebrates Birthday at Party

Seventieth birthday of Mrs. August Walterscheid brought a surprise party in her home with her sisters, sister-in-law, neighbor, daughter and grandchildren over for the afternoon. They brought a decorated cake and other refreshments and a joint gift from the group.

Mrs. Walterscheid, the former Anna Hesse, holds the distinction of being the first born of the Muenster community. Her birth is recorded as the first in the new colony on Feb. 18, 1890. Her parents, Mr. and Mrs. Franz Hesse, were among the earliest arrivals when Muenster was being settled and they were among those attending the first mass on Dec. 8, 1889. They lived here continuously until their deaths and their children continued making Muenster their home.

Many old time happenings came in for reminiscing during the party's visiting time.

Celebrating with Mrs. Walterscheid were Mmes. Nick Yosten, Albert Henscheid, John Felderhoff, Meinrad Hesse, Alfons Koessler Sr., Norbert Koessler and children and Miss Theresa Hesse.

Russell Family Has Reunion at Myra

Mrs. J. S. Russell's home in Myra rang with happy noises from a Sunday reunion when her children, grandchildren and great-grandchildren were together for fun, food and visiting.

The group of 31 came from Muenster, Gainesville and Whitesboro. They included: Nancy Bernauer, Mrs. C. D. Mitchell and granddaughters Cindy and Donna Bernauer, Mr. and Mrs. Jimmy Russell and sons Sammy Lee and Jimmy Dean, all of Gainesville Mr. and Mrs. Herb Russell and Brian Ray, David Lee, Johnny, Harriett and Mabelle, Mrs. Burt Russell and daughters Judy, Janis and Jane, all of Whitesboro, Mrs. Charlie Wolf and children Sandra, Barbara and Dwight and Mr. and Mrs. Joe Russell and children Ronnie, Carol, Pamela, Robert, Debra and Phillip, all of Muenster.

Bulcher Club Has Program on Roses

A study of roses was the program feature at the regular meeting of the Bulcher Home Demonstration Club when the group met in the home of Mrs. August Hyman.

Mrs. Jesse Shields was program leader and her interesting discussion told about varieties of roses suitable for Cooke County gardens. Afterwards the group exchanged ideas on different shrubs and their care.

Mrs. Hyman, president, conducted the business session and members answered roll call by naming their favorite rose.

Mrs. Hyman read a letter from the county home demonstration agent pertaining to the THDA milk sanitation program and members agreed that the resolution be adopted.

After adjournment the hostess served refreshments to those present. Mrs. Jim Sharp will be hostess for the next meeting.

Mrs. Wieler Hosts Idle Eight Group

Members of the Idle Eight Club were entertained by Mrs. John Wieler who was hostess in her home for the February social Thursday afternoon.

In a progressive 42 series the hostess led the scoring and Mrs. J. C. Trachta, a guest,

was second high. Another guest was Mrs. Clarence Wilson. Pie a la mode and coffee were refreshments after the games.

Ed Schneider Is Elected New Prexy Of Subiaco Alumni

Muenster placed three officers on the executive committee of the North Texas District Subiaco Alumni in the annual election here Tuesday night.

Ed Schneider heads the group as the new president, Pat Hennigan is vice president and Al Kleiss is secretary. Lambert Bezner of Gainesville continues as treasurer.

Joe B. Hundt of Lindsay, retiring president, conducted the session attended by about 40 members.

In other business, arrangements were discussed for the annual benefit picnic and committees in charge will announce the date and place when plans are complete. It will probably be held next fall.

The Rt. Rev. Abbot Michael

Lensing of New Subiaco Abbey in Arkansas favored the meeting with his presence and addressed the group. Other clergy present were Father Fintan Oldham of Subiaco who came with Father Abbot, Father Alcuin Kubis of Lindsay and Fathers Christopher Paladino, Martin Fischer and Bruno Fuhrmann.

After adjournment ladies joined their husbands for a social hour featuring slides and a travel talk by Abbot Michael on his recent tour of Rome and the Holy Land. The meeting was held in the Parish Hall and concluded with a Dutch lunch.

At Denton Game

Basketball fans from Muenster went to Denton Monday night to see the Cincinnati Bearcats beat the Denton Eagles. Among those at the game were Howard and James Mollenkopf, George Petrus, Adam Wolf Jr., Weldon Holland, Ted Henscheid, Tim Wimmer, Charles Bayer, Carolyn Swirczynski, Shirley Walterscheid, the Leonard Reiters, Victor Hartmans and Alvin Hartmans. Gene Hartman and Herman Grewing of Denton were among others at the game.

BROTHER RAYMOND FLECK, CSC, president of St. Edward's University, will be in Muenster February 29 to address the seniors of Sacred Heart High School on the subject of higher education. On the same day he will address students of Windthorst High. Brother Raymond came to St. Edward's in 1954 as instructor in chemistry, a subject in which he holds a doctorate, and was chosen its president in 1957.

Outstanding Pupils At MHS Announced

Outstanding students at Muenster High School have been selected by the faculty and their names were revealed this week. The "Who's Who" roster lists 19 this year.

The student, the subject, and the teacher for the various honors are as follows:

Ford Dealer Gets Merit Award for Driver Training

Endres Motor Co. authorized Ford dealership in Muenster this week was awarded a Certificate of Merit for lending an automobile in the high-school driver training program.

The Texas Automotive Dealers Association, statewide association of factory-authorized new car dealers whose members have for the past eleven years loaned cars to high schools for "behind the wheel" driver education, made the award. Dealers loan cars without charge as a public service.

The local company loaned an automobile to St. Jo High School. This is the tenth successive year that Endres Motor Company has loaned a car for Driver Training purposes to the Saint Jo High School, which has instructors qualified to teach both classroom theory and actual in-car fundamentals of driving.

Over \$2 million is invested by authorized new car dealers on loan to schools throughout the state. Many of these cars are equipped with dual controls, permitting the instructor to maintain maximum safety control during the training procedure. The shortage of qualified "behind the wheel" instructors prevents many other schools and new car dealers from participating in this program.

Weekending here with their families were the Teddy Gremmings and children of Garland who were guests of the Victor Hartmans and Ted Gremmings.

Joann Zipper of Dallas spent the weekend with her parents, the R. M. Zippers.

Mr. and Mrs. Herbert Meurer and Martina Sue enjoyed getting acquainted with the new baby in the family when they were weekend guests in the home of their son-in-law and daughter, Mr. and Mrs. Kenneth Wiesman at Houston. Sunday they attended the infant's christening service. Her name is Klair Cyrisse and Mr. and Mrs. Roger Wolf are her godparents. Mrs. Meurer remained in Houston to spend the week getting better acquainted with her granddaughter.

Guests this week with Mr. and Mrs. Joe Linn are his sister and her husband, Mr. and Mrs. W. B. Parker of Dallas.

At Gonzales Warm Springs

Dennis Koessler was admitted to the Texas Rehabilitation Center, Gonzales Warm Springs, Monday for a checkup and therapy. His daddy Norbert Koessler took him and his grandmother, Mrs. Alfons Koessler Sr. and his aunt, Mrs. Tony Hermes of Lindsay went along. Returning, the three visited in San Antonio with their daughters and sisters, at Our Lady of the Lake Convent and Mrs. Koessler remained there for a longer visit.

CARD OF THANKS

We desire to express to our kind neighbors and thoughtful friends our heartfelt thanks for their many expressions of sympathy. For the beautiful service, floral offerings, spiritual tributes and every kindness we are deeply grateful. Special thanks to the Reverend Fathers for their consideration. Henry Pels Sr. and Family

Federal aid to state, local communities and individuals totals about \$7.2 billion a year. By way of comparison, the figure was \$147 million in 1930.

Students See Film On Monastery Life

Films on school life and the minor seminary at New Subiaco Abbey in Arkansas were shown to students of Sacred Heart School here and to pupils of St. Peter's Parish at Lindsay Tuesday.

Father Fintan Oldham of the Benedictine Monastery was in charge of the program and explained as he showed the pictures.

He was at Lindsay Tuesday morning and at Sacred Heart Tuesday afternoon.

Boys interested in monastery life were invited to attend Subiaco Vocation Camp this Summer.

registrations at the post home Saturday evening and the first joint gathering was a dance at night. Sunday morning, district officers of the VFW were guests at breakfast in Rohmer's Restaurant.

Banquet room decorations, arranged by Mrs. Nick Miller, carried out a combined patriotic and George Washington theme. Centerpiece for the officers' table was an arrangement of red carnations, white snapdragons and blue ribbon. Crossed U.S. flags and red and blue candles completed the picture. At both ends of the board bowls of red cherries and greenery added to the decor. Other tables were similarly decorated. Mrs. Joe Lehnertz catered the meal. It was a steak dinner with cherry pie for dessert.

Mark Hellman is District Secretary Of FFA for '60-61

Mark Hellman, sophomore of Muenster High will be treasurer of the Denton District Future Farmers of America for the next school year.

He was elected Tuesday night at the annual district banquet and election held in Denton.

At the same time Carolyn Fette, the local FFA Sweetheart, ran a good race in the contest for District Sweetheart. She was among the top four in the first balloting of the 14 candidates.

Hellman's election to the district office was based mostly on his record in school and chapter activity. Last year as a greenhand he was chapter president and received the outstanding greenhand award of the district. His projects consisted of 25 fat lambs and 35 breeding ewes and numerous show ribbons, including grand champ awards at Cooke County, Dalworth and North Texas fairs.

This year he is chapter secretary and his projects include 70 breeding ewes, a fat calf, a Hereford heifer and 15 acres of barley. He will again exhibit at several stock shows this year. Also credited to his FFA record are election as freshman class president and sophomore vice-president and two years membership on football, basketball and track teams.

Chapter members attending the meeting were Tim Fette and Jerry Endres, voting delegates, also Donny Vogel, Kenny Fette, Dick Pagel and Mark Hellman. With them were Jolene Carlton, current chapter and district sweetheart, Carolyn Fette, chapter sweetheart-elect, Edgar Dyer, instructor, and Glenn Helman, principal and past instructor.

Mass Mar. 1 Opens Triduum Services For Third Order

Father Elias Koppert, Franciscan provincial from Chicago, will open the annual triduum for the local branch of the Third Order of St. Francis Tuesday morning, March 1, with mass at 8 o'clock. The three day period observed each year by tertiaries will include mass each morning at 8, followed by a short conference, and afternoon services at 2:30 including the Way of the Cross in church and a general conference in the Parish Hall. An added feature this year will be a color film portraying steps taken by those who seek to become members of the Third Order. Produced in Hollywood by professionals, the 30-minute film is scheduled to be shown at a meeting open to the public, the time for this feature still to be announced.

Get-Together Club Advances Meeting

Members of the Get-Together Club are being reminded that their regular March meeting has been moved forward so as not to be held on Ash Wednesday and will take place on Monday, Feb. 29, instead. Mrs. Werner Endres will be hostess in her home and invites a full attendance for this Pre-Lenten social of the club.

Friendly Neighbors Club Has 42 Party

Washington's Birthday theme was noted in decorations and in refreshments of cherry torte at the February meeting of the Friendly Neighbors Club with Mrs. Urban Endres as hostess in her home. Three tables of progressive 42 players enjoyed an afternoon of games with awards going to Mrs. Johnny Klement for high score, Mrs. Endres for second high and Mrs. Ray Swirczynski as consolation favor. Mrs. Martin Trubenbach secured the galloping award. The dessert plate and coffee were served to members and

four guests. The guests were Mmes. Johnny Klement, Paul Endres, Martin Trubenbach and John Wieler.

Weekend visitors with Mr. and Mrs. Henry Pick were their daughter Mary and Jim Schwartz, both of Fort Worth.

Mr. and Mrs. J. A. Sanders had as weekend guests their son-in-law and daughter, the W. D. Cooks and son Gordon, and the Cooks' daughter and her husband and baby, the Doug Holcombs, all of Fort Worth.

Getting acquainted with her new grandson was the highlight of Mrs. John Walter's recent trip to Houston where she was the guest of her son-in-law and daughter, Mr. and Mrs. John O'Dowd and sons Danny and Baby Walter. During her stay Houston had a four inch snowfall and schools were dismissed so children could play in the snow. And how they did play! Many didn't go to bed one night. They stayed up and out enjoying the unusual winter weather.

Trip to Dallas the past week by Mr. and Mrs. J. M. Weinzapfel included both business and visiting. Tuesday night he attended a meeting of the Bishop's advisory board at Dallas University and they saw their daughter, Marye, there. Afterwards Mrs. Weinzapfel joined Mrs. Harlan Grimes in attendance at "Ben Hur." Before they returned home the following day the Weinzapfels visited their son, Rev. Thomas Weinzapfel.

Mr. and Mrs. Paul Fisher were pleased to see old friends again Thursday when Mr. and Mrs. Oliver Lowry of Valley View drove over for a visit, the first the two couples had in a long time.

Progress Report on "Operation 65"

Present TP&L Company plans call for power plants and other facilities by 1965, having a net capability at 1,500,000 kilowatts.

Our plans anticipate electric power needs as far as 20 years in the future. Preliminary work is already in progress on the Valley Steam Electric Station to be completed in Fannin County in the latter part of 1962. By that time, work on still other generating capacity will be under way . . . and so on.

A similar program of planning and building adequately for future needs is carried on by business-managed electric utilities throughout the nation, with the result that this nation will continue to lead all others in the production of electric power. In electric power production, the U. S. now leads Russia, its closest

rival, by 115 million kilowatts, and, by 1965, this lead is expected to increase to 130 million kilowatts.

This continuing program of expansion carried on by the business-managed companies is done with private funds by companies which constitute one of the nation's most important tax-paying industries. That's why spending your tax money for further development of federal electric power is wasteful and unnecessary.

TP&L, a business-managed, tax-paying, investor-owned electric utility company, takes pride in nearly one-half century of service to North, Central and East Texas and pledges to continue its program of providing for the electric power needs of today and planning for the needs of tomorrow.

Tom Pryors Host Birthday Dinner

Mr. and Mrs. Tom Pryor were hosts in their home at Myra Sunday for a birthday observance honoring their daughter, Mrs. Carl Hoffman of Iowa Park. Mr. and Mrs. Hoffmann spent the day.

The birthday dinner at noon had as additional guests, Mrs. Pryor's sister, Mrs. Ona Crowson of Aubrey, a niece and her husband, Mr. and Mrs. Joe Anderson of Garland, another niece, Mrs. M. H. King of Muenster, and Mrs. D. C. Gillette of Myra.

A decorated cake was the centerpiece for the table and those attending the party brought a shower of gifts for the honoree.

Mr. and Mrs. Jim Fette and daughter of Dallas spent Friday and Saturday here with his mother, Mrs. Isabell Fette, and also visited other relatives.

Vacation Crowded With Many Visits

Brother Gerald Swirczynski of San Antonio crowded a lot of visiting into a short vacation and saw nearly all his relatives here and elsewhere.

He started back to San Antonio Tuesday night, stopping on the way to visit his aunt Rita and family the Townsend Millers in Austin. He was here four days with his parents the Herman Swirczynskis, his grandparents, the Joe Swirczynskis, and other relatives. And his brother Johnny Swirczynski came from Beaumont for a weekend visit.

Before coming to Muenster Brother Gerald was in Little Rock, Ark., where he attended the profession service at Mary Lake when a former classmate Brother Albert Klement, made his vows. He also visited his sister, Sister Monica, in Little Rock and went from there to Jonesboro to visit his aunt, Sister Helen at Holy Angels Convent, and then stopped at Carrollton to visit his sister Edna and her husband, the Loffie Smiths. It was there that Johnny met him and they came home together.

At Humble Station Manager's Meeting

Billy Joe Miller was among service station managers throughout Humble Oil and Refining Company's Southwest marketing area in Dallas for the third annual service station manager's council. Mrs. Miller accompanied her husband for the two-day meeting, Feb. 16 and 17.

Mr. Miller took part in discussions designed to bring forth ideas and suggestions providing better service for the motorists of Texas. The topics covered practically every phase of service station management.

Helen Vogel Among 24 Nurses Capped

Muenster's Helen Vogel was one of 24 nursing students capped in formal ceremonies Sunday at St. Joseph's Hospital Chapel in Fort Worth. Her parents, Mr. and Mrs. T. Vogel and Janice, Imogene and Claude attended the service and were guests at a reception afterwards in the nurses auditorium.

Father James Erbrich delivered the afternoon's address and Father Patrick Hannon assisted at Benediction. The Vogels enjoyed seeing their other nursing student daughter, Patsy, and other local girls in training and on duty in the hospital.

Mrs. Bergman Gets Birthday Surprises

A surprise birthday celebration, coming early with a prepared dinner, a decorated cake and gifts, greeted Mrs. William Bergman at her home Sunday when three sons and two granddaughters drove over from Ardmore to spend the day. Mrs. Bergman was 82 Wednesday, Feb. 23.

Bringing her the birthday surprise were Tony, Frank and Sylvester Bergman and the latter's daughters Joe Pat and Pamela.

Family and Friends Greet Mrs. Walker On 91st Birthday

Relatives and friends stopped in Sunday to celebrate the birthday of Mrs. Ada Walker who was 91 Monday and the family came with a covered dish dinner including a decorated cake and also brought a shower of gifts.

Present from out of town were Mr. and Mrs. B. E. Duns-worth and five children and B. A. Walker of Fort Worth, Mrs. A. W. Corley and two daughters of Hurst, Mr. and Mrs. Leonard Luttmner and three daughters of Valley View and Mr. and Mrs. Emmett Weed of Saint Jo.

Granny Walker who is a shut-in enjoyed it all, even though she couldn't get out of bed. Lately she doesn't get around the house in her wheelchair much any more, but she still likes to have company.

Mrs. Walker has lived in Cooke County 68 years, coming from Tennessee with her late husband, C. S. Walker, who died in 1949. Since then she has lived with her son, Jim Walker, who takes care of her. Mrs. Walker came from a family of six girls and is the mother of three boys, two of them living. She has six grandchildren and 11 great-grandchildren.

Birthday Dinner For Mrs. Swingler

Mrs. Joe Swingler had a happy birthday celebration — dinner, a lovely cake and a shower of gifts — Sunday and all her family from here together.

A daughter, Mrs. Hank Walterscheid and family were hosts in their home and Mr. and Mrs. Albert Schilling were there too with Mr. and Mrs. Swingler.

Bud Swingler and family sent greetings from Houston. He's out of the hospital now and looks forward to an early return to his job.

J. B. Klements Mark 52nd Anniversary

Children and grandchildren of Mr. and Mrs. J. B. Klement joined them in a family get-together to celebrate their 52nd wedding anniversary. Mr. and Mrs. Rody Klement were hosts in their home for the family party Saturday with about 30 of the Klement clan attending.

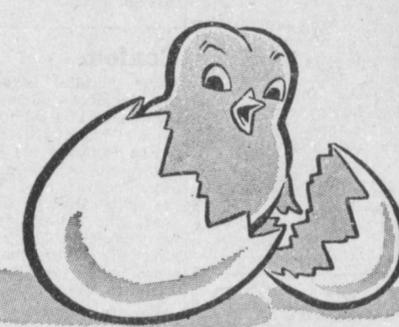

Table games furnished diversion until refreshment time when the crowd had a Dutch lunch catered by Mrs. Joe Lehnertz.

"CORVAIR HANDLES BETTER, STEERS MORE EASILY, RESPONDS MUCH MORE QUICKLY AND HOLDS THE ROAD MORE SECURELY THAN ANY STOCK FOUR-DOOR SEDAN EVER MADE IN THE U.S."
 —Jim Whipple, Car Life

If you think we're enthusiastic about Corvair, leaf through the leading automotive, sports and science magazines and see what the experts are saying. Then, by all means, drive one yourself.

"Corvair's steering is so light that at parking speeds it feels power assisted; it is so precise as to be absolutely without play, and it is fast enough to allow complete control over every situation."
 —Karl Ludvigsen, Sports Cars Illustrated

"Steers like a feather and is extremely quick. . . This is a beautifully designed automobile, engineered by real pros. . ."
 —Tom McCahill, Mechanix Illustrated

"Most surprising thing to me outside of the excellent handling characteristics was the feeling of roominess inside. . . I didn't have the sensation of driving a small car and the headroom was greater in the Corvair than in some standard size cars. . ."
 —L. H. Houck, Automotive News

"So far as shopping goes, the Corvair is a housewife's dream. It's small and easily maneuvered without any power steering, and so easily parked . . . it's a lot easier to unload a cart full of groceries into a front trunk at the supermarket than it is into a rear one."
 —Rosemary Francis, Popular Science

"I want to state as firmly as I can that the Corvair handles as beautifully and is as safe as—if not safer than—any family car on the road today."
 —Jim Whipple, Car Life

"There is none of the typical whine normally associated with rear-engined vehicles. Inside the car, the effect is quite unlike anything we have ever experienced. It almost seems that there is no engine, and the general effect is so quiet as to be almost uncanny."
 —John R. Bond, Road & Track

"No written word can suffice for the genuine pleasure that you will receive behind the wheel of America's newest and most advanced contribution to transportation. . . It is a great car."
 —Don Stewart, Motor Life

Griddlecakes by the Hundreds Served to Diners at Lindsay

The pancake supper sponsored by the Lindsay Parent Teacher Club was a huge success with 153 adults and 70 children lined up for flapjacks. Everybody had lots of fun, including the workers, particularly Nick Block and Harold Schmitz who donned aprons and were production supervisors, turning out hundreds of griddlecakes.

Men were also in charge of serving with that committee consisting of Henry Hess, Bruno Zimmerer, Otto Schroeder, Diamond Fuhrmann, Wilfred Bezner and Bill Flusche. Men also worked on other committees. Leroy Metzler, Frank Zimmerer, Gilbert Kubis, Jimmy Zimmerer and Michael Fuhrmann were in charge of drinks; Paul Arendt Jr. and Ed Schadt took tickets at the door and George Moster was on the general arrangements committee with Nick Block, Harold Schmitz and Mrs. Henry Zimmerer.

Mrs. Zimmerer spent her time at the party mixing the batter. Her assistants were Marie Zimmerer and Ollie Kuhn. Bernice Hermes, Eileen Fuhrmann, Wanda Hess and Maxine Schmitz were in charge of the tables.

After eating, diners gathered all over the Parish Hall in groups for games of cards and dominoes.

The sponsoring organization and its officers express thanks to everyone who helped make the night such an enjoyable one. Special thanks go to George Moster who donated the coffee and to Hoelker Grocery for donating other items.

He that respects himself is safe from others; he wears a coat of mail that none can pierce. —Longfellow

Lindsay News

First Sgt. Ernest Arendt has returned to the states and his home base, Fort Sill, Okla., after a year of army duty in Korea. The trip was all by plane with stop-overs in Hawaii and San Francisco. As soon as he reached Lawton he phoned his parents, Mr. and Mrs. Paul Arendt to let them know he was back safe and sound.

A former Lindsay citizen, A. J. Kupper, has been elected president of the Kaufman Chamber of Commerce. He is manager of the Star Brand Cattle Company near Kaufman.

Mrs. Andy Arendt entertained the Tripoli Club in her home for the February meeting Friday night and served a dessert course and coffee after the games. Joining members were three guests: Mrs. Henry Zimmerer and Mr. and Mrs. Paul Arendt Sr. The group enjoyed seeing recent improvements in the Andy Arendt home especially the ceramic tiled bathroom.

Pete Block of Lindsay is a patient at M&S Hospital receiving treatment for a heart ailment. He was admitted during the weekend after suffering an attack.

Confetti - - -

We're mindful especially of the incident during Teddy Roosevelt's administration when a bandit chief of North Africa captured an American sailor and held him for ransom. Teddy replied he'd have the sailor alive or the bandit dead. The bandit meekly set the sailor free. That's the only kind of policy that makes sense when dealing with a renegade like Castro.

We are mindful also of the Monroe Doctrine which warned European nations to keep their meddling out of the Western Hemisphere. For over a hundred years that policy was respected. But now we find Russia in the act of making a puppet government out of our next door neighbor. And we do nothing about it. Instead we close our eyes to the obvious facts and permit Cuba's Sovietization to continue on the absurd assumption that it is a domestic affair.

When will we finally face up to the fact that this is all part of the communist program of world conquest? When will we realize our very survival is at stake? When will we get over the silly double standard of permitting reds to interfere in one country after another to set up their system, but declining to lift a hand in defense of freedom and human dignity a few miles away from our shore? When will we realize how much we sabotage the hopes of all mankind when we allow this outrage to go on under our noses?

There is only one solution to the Cuban mess. Decent people there must be freed of their bondage and be allowed to make a fresh start under leaders chosen by them in free elections. We hope it can be done without force, but whether or not, we have a responsibility to our neighbors, to ourselves and to Christianity to see that it's done.

It's LEAP YEAR... WON'T BE ANOTHER LIKE IT 4 YEARS!
