

MUENSTER ENTERPRISE

VOLUME XXIV

MUENSTER, COOKE COUNTY, TEXAS

MARCH 11, 1960

NUMBER 16

Formal Opening Of 'Center' Firms Expected Soon

A healthy sign of mature thinking on the part of many Americans is the increasing opposition to current proposals that our country abandon a very important reservation in its acceptance of World Court jurisdiction. To these people it just doesn't seem reasonable to let down our guard and make ourselves dependent on the whims or political shenanigans of foreign judges who may be either willing or unwilling agents of international communism.

That reservation, known as the Connally amendment, states that this nation rather than the Court itself shall have the right to decide which of its cases rightfully come under jurisdiction of the World Court.

The purpose of the Court is to settle international disputes, and our country was willing to cooperate with others by permitting its international affairs to be judged by the tribunal. It was agreed by all that domestic cases shall not come under the Court's jurisdiction.

Then came the problem of who should decide whether a case is domestic or international, whether it is strictly the affair of a certain country or a matter that can be properly taken before a neutral court. Those who set up the World Court decided that the Court itself would determine what cases it should consider.

The late Senator Connally was not willing to go this far in submitting to the international tribunal and tacked on the amendment which permits us to decide which of our cases may go before the court.

Quite a few of our country's leaders, including the President and the Secretary of State, now maintain that the Connally safeguard should be abandoned. By doing so, they say, we will demonstrate a more cooperative spirit toward other governments of the world and possibly induce other countries to allow more of their problems to be settled in the peaceful way.

The only thing wrong with their thinking is that they are indulging in idealism. They make the sad mistake of assuming that all the Court's deliberations will be just and impartial, measuring up to the high standards and noble motives they consider as proper to such a body. Unfortunately, they ignore the very important fact that communist countries are participating in the World Court and appointing some of the men who sit in judgment, also that red appointees are red agents who are motivated not by justice but by the course which will best serve their cause of world domination. To let such people sit in judgment over matters of our welfare is unthinkable.

Against lighter competition at Gainesville Tuesday afternoon the boys ran up a more impressive score. Returning from a meet with Gainesville A and B teams, Saint Jo, Sanger, Whitesboro and Valley View, Coach Smith said that the Hornets earned 28 points and probably a close second for the meet. Gainesville seemed to be the leader.

For individual honors it was Larry Wimmer with a possible first place and a sure second. He made 16 points. (Smith said he does not know about other teams or individuals because he kept score on his boys only.)

Hornet records were as follows: High jump: Wimmer first, 5'7"; Broad jump: Wimmer first, 29'6"; 100 yard dash: Truman Wolf, 10-7; 220 yard dash: Wimmer second, 24.8; Milton Fette third, 25; Truman Wolf fourth, 25.4; 440 relay: James Harris, Fette, Wimmer, Wolf, second 46.8; 120 yard low hurdles: Wimmer in 3-way tie for second, 14.8; Shot put: Harris third 38'8 1/2"; Discus: Clyde Walterscheid fourth, 106'; Mile run: Ronnie Russell fourth.

The formal opening of The Center, Muenster's new combination of related business firms, is finally drawing near. After weeks of delay, while awaiting arrival of equipment and furnishings, most items are here and the last few are said to be on the way.

One unit of the group, the liquor store, has been in operation for more than two weeks and the other three, a coffee shop, bar and lounge will probably be in operation early next week, possibly this week end. When all four of the units are in business a formal opening date will be set.

Owners of The Center enterprises are Richard Grewing in the Liquor Store and Alphonse Felderhoff in the coffee shop, bar and lounge. Ray Swirczynski is the overall manager representing both of the owners.

MHS Hornets Post Good Records in Two Track Meets

Members of the Muenster track team got one award and just missed two others in the big Possum Kingdom Relays at Graham last Saturday.

Larry Wimmer was second in the broad jump with a measure of 20 ft. 6 3/4 in. just 5/8 inch behind the winner. The 440 relay team, consisting of James Harris, Milton Fette, Truman Wolf and Larry Wimmer, came in fifth. Milton Fette in the 220 also ran fifth. Trophies in all events were limited to the first four places.

Nevertheless Coach Charles Smith feels that his boys made a nice showing, especially in view of the strong competition. B schools were grouped with A and 2-A schools as Class A at the meet while 3-A and 4-A schools were rated as Class AA.

Against lighter competition at Gainesville Tuesday afternoon the boys ran up a more impressive score. Returning from a meet with Gainesville A and B teams, Saint Jo, Sanger, Whitesboro and Valley View, Coach Smith said that the Hornets earned 28 points and probably a close second for the meet. Gehrig, Landsfeld Plan Opening of Beer-Barbecue Bar

Another business for Muenster is in the making. The City Beer Bar, with George Gehrig and Wesley Lansfeld as co-owners is due to open in about a month in the location adjoining Gehrig's store.

Workmen got started this week on a general repair and improvement job for the 40x16 building which was erected in 1927 as the L. L. Lofton Grocery and Market. The business folded after the oil boom of the late twenties and the building was used in recent years principally as a storeroom. Also being worked over is a 16x9 addition for rest rooms.

Improvements include a brick front with plate glass window and a new door, a porch roof extending over the sidewalk, and renovation of walls and floors. A barbecue pit is being specially built for installation behind the building.

The bar will feature draught and bottled beer and hickory smoked pit barbecue.

Arthur Felderhoff Is New Commander Of Muenster VFW

Arthur Felderhoff heads Muenster's VFW Post as commander for a new year as the result of the annual election of the Veterans of Foreign Wars Tuesday night.

On the executive committee with him are five new office holders, Walter Becker, senior vice president; Leo Becker, junior vice president; Henry Weinzapfel, quartermaster; Joe Mosier, judge advocate; Ray Voth three-year trustee. Re-elected for another term are Surgeon Ray Walterscheid and Chaplain Carl Schilling. Hold-over trustees are Herbie and Tony Yosten.

Appointive officers will be filled before the formal installation at the April meeting. The election was the principal business at the veterans' meeting. Other business was routine and included a contribution to the Heart Fund drive.

Mrs. Anna Wiese, 65 Year Resident Of Lindsay, Dies

Mrs. Anna Wiese, pioneer resident of Lindsay and the community's oldest citizen died March 4, five weeks after celebrating her 90th birthday. She passed away at 6:30 a.m. in the home of her daughter, Mrs. William Schmitz with whom she had lived since last August. Lindsay had been her home for 65 years.

Funeral services with solemn requiem mass were held in St. Peter's Church Saturday morning at 9:30 with Rev. Alcuin Kubis, pastor, as celebrant and Rev. Joseph Fuhrmann of Fort Worth and Rev. Bruno Fuhrmann of Muenster as deacon and sub-deacon. Nephews served as bearers.

Burial was in Lindsay cemetery directed by George J. Carroll and Son Funeral Home. Rosary services were held at the Carroll Chapel Friday at 4 o'clock by St. Anne's Society of which she had been a member for 50 years, and again at 8 p.m.

The former Miss Anna Steinmetz, Mrs. Wiese was born Jan. 24, 1870, in Westphalen, Germany, and came to the United States with her parents when she was 17 years old, settling with them in Westphalia, Iowa.

She educated herself for

News of the Men in Service

Take Physical Exams
Willard Hartman and Adam Wolf Jr. received notices to report to Perrin AFB for army physicals and were there Wednesday with instructions to return Friday. Both have seen service with the armed forces.

Goes From Here To Hawaii
Joe Noggler who has been serving with the army in Maryland is at home on leave visiting his mother, Mrs. Susie Noggler and family, before leaving for a new assignment in Hawaii.

Goes To New Station
Sailor Walter (Dukie) Fette has ended a leave here with his mother and family and has gone to Washington state for a new assignment in Seattle. He took boot training at San Diego, Calif. When he left here Monday he had plans to stop in Spokane for a visit with the Lehnertz brothers enroute to his new station.

Three Day Pass
Seaman Ivan Koelzer had a three-day pass from the Naval Air Station at Kingsville and came home to spend it with his family, the George Koelzers. He returned to his base Tuesday.

Navy-Marine Exercise
Gilbert Knabe, son of Mr. and Mrs. Joe Knabe, who is in the Navy serving aboard the attack cargo ship USS Washburn, participated in a Navy-Marine Corps landing exercise nicknamed "Operation Swan Dive" Feb. 8-19, on the beaches of Camp Pendleton, Calif. Gilbert is an electrician's mate fireman apprentice. The entire operation comprising over 30 ships and 5,000 Marines was under the command of Commander, Amphibious Squadron One. Its purpose was to facilitate the training of amphibious force units to a maximum degree of readiness should they be called upon during a global conflict.

NEWS OF THE SICK

J. W. Hess entered Gainesville Sanitarium Monday for medical care and observation.

Mrs. John Mosman is a patient at Gainesville Sanitarium since Wednesday for treatment of a back ailment... expects to be hospitalized four or five days.

Clarence Hellman is a patient at Gainesville Sanitarium since last week Thursday for medical care. He is responding to treatment but his doctor hasn't said when he can come home.

Andy O'Connor had surgery on his left arm Wednesday at Harris Hospital. Mrs. O'Connor is there with her husband. Their daughter, Mrs. Andy Monday took them to Fort Worth Tuesday. The bone specialist who has been watching the arm since it was broken in several places last October 8 said that Mr. O'Connor will be ready to come home this weekend if things progress normally.

Wilfred Klement was in Fort Worth Monday for a checkup at St. Joseph's Hospital and doctors think he is making progress toward recovery from a back ailment and surgery but told him to spend another month in bed, mostly, and continue his treatment and medication. Mr. and Mrs. Bernard Wolf took him to Fort Worth and Marcie Klement, who was at home for the weekend, went with them returning to classes at St. Joseph's Nursing School.

Mike Fuhrmann of Lindsay who broke his left hip in a fall March 1 had surgery on March 3 to insert a pin in the bone and is reported doing all right at Gainesville Sanitarium. Mr. Fuhrmann is 80. His fall was not on ice-slick ground, but in his own home. Always enjoying good health, Mr. Fuhrmann lived alone. He telephoned his nurse-daughter, Mrs. Albert Klement, after the accident.

Members of the Sam Sparkman family are all well again after a siege of illness. Last to recover and out and around again is Mrs. Sparkman who had pneumonia after the rest of the family got over the flu. Only one of them, Larry, 15, was hospitalized for treatment.

Mrs. Ferd Lutmer who was at Gainesville Sanitarium for X-rays and observation last week had surgery Friday. It was a kidney stone operation from which she is recovering satisfactorily. She'll be in the hospital through this week.

Mrs. Ada Walker, 91, who has been ill at Gainesville Sanitarium, was moved by Scott Bros. ambulance to Fort Worth Wednesday afternoon to the home of her son, B. A. Walker, where her grand-daughter, Theo Dunsforth, a nurse, will care for her. Granny Walker's new address is 8520 George Street in Fort Worth.

Albert B. Knabe who had a major operation for stomach ulcers on Wednesday of last week is improving steadily and looks forward to being dismissed this weekend or early next week.

Mrs. Edgar Klement who had a major operation at Gainesville Sanitarium Feb. 29 was dismissed Wednesday afternoon and is convalescing at home where she is up and around a part of each day.

Lawrence Roberg is on the mend again after having somewhat of a back-set the latter part of last week. Family members visiting him Sunday brought back word that he's feeling better and responding to medical care and general build-up treatment. His new address at the VA Hospital in McKinney is Ward 63, Room 2.

Harriet Russell, one-year-old of the Herb Russells of Whitesboro, who sustained a broken collar bone in a fall from a chair at the family home, is recovering satisfactorily, according to her grandmother, Mrs. J. S. Russell.

Dennis Koelzer is back at home after spending two weeks at Gonzales Warm Springs. His daddy, Norbert Koelzer, went for him during the weekend. They stopped in San Antonio on the way back and were joined there by Mrs. Alfons Koelzer Sr. who spent two weeks visiting her daughters, Sister Mary Corrine and Sister Mary Lin at Our Lady of the Lake Convent.

Contract Let for Extension of FM Road to Bulcher

Award of a contract for construction of 3.8 miles of Farm-to-Market road from Valley Creek to Bulcher was announced this week in Austin by the State Highway Commission.

The project, which will continue FM 373 to a connection with FM 2382, will be built by A. L. Sheppard, a Vernon contractor, who submitted the low bid of \$120,542.21.

The contract includes grading, structures, base and surfacing, and is expected to take 110 working days, according to L. B. Dean, district highway engineer at Wichita Falls.

FB Head Explains Control Procedure For Brucellosis

Assurance that signing the Brucellosis petition will not cause a farmer special hardship was offered this week by Farm Bureau President Paul Fisher after he and County Agent Neil Tibbets had checked with the state headquarters for Brucellosis control at Austin.

Persons seeking signatures on the petition found that some farmers were concerned because they had done their own vaccinating, hence did not have a veterinarian's certificate to show that an animal was vaccinated. According to their understanding such animals are subject to test and, since they are vaccinated, will show as positive reactors just like an animal with the disease.

Actually, Fisher explained, only dairy cattle without the veterinarian's certificate are subject to test. Beef cattle need not be tested until they are three years old.

In general this clears the owners of both types of cattle, Fisher said. Dairy cows tested after 30 months and beef cows tested after 36 months have almost always overcome the reaction caused by vaccination and show up as non-infected. So the beef raiser who did his own vaccinating need not worry about his lack of a vet's certificate. Animals will not be tested anyway until they are 3 years or older and by then they should show as non-reactors.

Dairy cow raisers, in most cases, are already in the clear. Almost all have their Brucellosis shots given by veterinarians and have the certificate to show for it. By the time the animals have to be tested, at 30 months, they will show as non-infected.

Mrs. Roy Burkhart Dies in N. Mexico

Relatives here received word Tuesday of the death of Mrs. Roy Burkhart in Artesia, N. M., Monday night. Mrs. Burkhart, 42, died following a stroke. She was an aunt of Dick and David Trachta.

In the telephone talk with them, Mr. Burkhart said his wife's funeral is set for Friday morning at 9 o'clock in Artesia. The Trachta brothers plan to attend the services.

Survivors in addition to the husband include a daughter and two sons.

40 Hours Service Schedule Changed

Forty Hours Adoration for Sacred Heart Parish will begin Sunday morning at the 8 o'clock mass, the pastors have announced, instead of Saturday as previously scheduled.

The change was made, it was explained, due to a conflicting meeting for the pastors Monday, preventing the solemn close of service on that day.

Closing ceremonies will take place Tuesday night in connection with the weekly novena devotions which begin at 7:30.

No Race Indicated For City Election

Richard Grewing and David Trachta will be unopposed on the ballot of Muenster's city election on April 5. As the filing deadline expired last Saturday at noon, theirs were the only names listed as candidates.

Both are present members of the city council and their terms expire this year.

SH Senior Girls First in County 4-H Fun Program

More than 600 people attended the county's annual 4-H Share-the-Fun program in the Community Center Building Monday night and applauded as the talented Sacred Heart Senior girls' team sang their way into top spot.

As first place winners they will represent the county in the district contest at Denton next month.

The singing sextet was Joanie Kaiser, Kathy McGannon, Patsy Endres, Charlotte Wolf, Janice Vogel and Janie Henscheid. Carol Henscheid was piano accompanist. Their songs were "Mocking Bird Hill" and "The Happy Wanderer." The girls looked as sweet as they sang. They wore their regulation 4-H uniforms of green and white. And won their honors in competition with seven other acts.

Sivells Bend 4-H clubbers were first in the Junior division and Sacred Heart juniors were second. Sacred Heart intermediate boys were second and the intermediate girls were third. All winners received ribbons.

A large number of Muenster persons attended the program. Judges were Mr. and Mrs. Selby Fletcher and Mrs. Rankin Hardy. At intermission hostesses served refreshments.

Charlotte Wolf who previously was the county's individual winner in the Dairy Foods Show and will present her demonstration in the district show on April 23, will be replaced in the singing sextet when the contests are held at Denton because she cannot compete in two events.

Tuesday Charlotte gave her dairy demonstration as an entertainment feature at the Gainesville Kiwanis Club luncheon meeting.

Steve Koesler, 66, Found Dead; Final Rites Friday, 9:30

Steve Koesler, 66, who came to Cooke County about two years ago after living in West Texas for over 40 years, was found dead at his rooming house, 311 N. Commerce Street in Gainesville, Wednesday morning.

Justice of the Peace Carl Burchfield returned a verdict of death by natural causes. He said Koesler died about 9 p.m. Tuesday.

Funeral services will be held in Sacred Heart Church Friday morning at 9:30 with a nephew, the Rev. Leo Koesler of Subiaco, Ark., officiating at the requiem high mass and at graveside rites in Sacred Heart Cemetery. Nick Miller is in charge of arrangements.

Bearers will be nephews: Tony, Norbert and Alfons Koesler, Tony Hermes of Lindsay, Max Koesler of Vinita, Okla., and J. D. Caplinger of Sherman.

Rosary services were scheduled at 4 and 8 p.m. Thursday at the Miller Chapel.

Mr. Koesler was born Feb. 18, 1894 in Germany and came to the United States when he was 20 years old joining his brother Alfons Koesler, who had come to this country some time before, settling at Lindsay. But Steve spent only a few months there before going west and had lived in several West Texas cities. He never married.

About two years ago he came to Cooke County for a visit with relatives and stayed. After visiting here and at Lindsay he resided in Gainesville.

Survivors are three brothers, Max Koesler of Vinita and F. X. Koesler of Havre, Mont., and one in Germany, and a sister who still lives in Germany.

Pedro Rodriguez Resigns as MHS Band Instructor

Pedro Rodriguez, band director at the Muenster Public School since the beginning of the school year, has resigned effective Monday of this week.

When submitting his resignation to Superintendent L. B. Bruns he stated that he has accepted a job in Dallas and intended to report for it immediately.

This may mean, Bruns said, that the band program at the school will have to be dropped for the rest of the year. He will start looking for a teacher immediately but feels he has little chance of finding one who can begin work at once. More likely he will find someone for the next school term.

Elm-Red Awards Banquet Set for Sherman, May 3

The eleventh annual soil conservation awards banquet and program of the Upper Elm Red Soil Conservation District will be held on Tuesday, May 3, in the Municipal Auditorium of Sherman.

Most plans for the event were completed last Thursday as representatives of banks, newspapers and radio stations of the district met in the First State Bank of Gainesville.

The program will honor the champion conservation farmer of each of the district's five zones, the champ of the district, the outstanding come-back farmer and the best landlord-tenant conservation team. Awards of large silver trays will be presented to the five zone winners and the come-back farmer. Awards of hand carved wooden plaques will be given to the district champ... to be selected from the five zone champs... and to both parties of the landlord-tenant team.

Heading the program will be Jim Smoot of the Gainesville National Bank as master of ceremonies. Gene Foster, Whitesboro vocational agriculture teacher, will narrate as color slides are shown of conservation achievement on each winner's farm.

Claude Jones, chairman of the awards program committee presided at the meeting and was re-elected to continue as chairman for twelfth annual program. He has served continuously as chairman since the organization was formed.

The group also decided on Nocona as the location for

(Continued on page 8)

Band in 2 Events; Music Festival And Bus Accident

Members of the Muenster Band and their director, Pedro Rodriguez, had two vivid experiences last Saturday, one that was very pleasing, the other not so pleasing.

As participants in the Jacksboro Band Festival, attended by some 5000 students consisting of 56 bands besides choral groups and other musical units, they rated twice in their division taking third place each in sight reading and concert playing.

Coming home the youngsters acquired lots of bruises and a few black eyes in a bus accident. Following a front tire blowout the bus got out of control, went into a ditch, and flopped on its side, tumbling the passengers and instruments around inside.

The accident occurred about 9 miles west of Chico and a school bus from Chico took the group on to that town.

Notified of the trouble Superintendent Bruns and Gene Hoedebeck took another bus and went after the band and the bus.

A passing winch truck stopped long enough to pull the machine back on its wheels and Hoedebeck, after changing wheels, drove the truck back home. The students came with Bruns, arriving home some 4 hours behind schedule.

Damage was estimated at about \$500. It consisted mostly of a battered side, two demolished doors and broken seats. Backs of many were snapped off as the passengers were thrown forward into them.

Mrs. Mary Steele Passes in Denver

Mrs. Mary Steele, mother of John Steele, died Wednesday at her home in Denver, Colo. She would have been 92 on March 27.

Funeral services will be held in Oilton, Okla., at a time still to be announced. Mrs. Steele lived there before moving to Colorado. Survivors include three daughters and four sons.

(Continued on page 8)

Schedule of Coming Events

- SUNDAY, March 13, Forty Hours Devotions begin in Sacred Heart Church, 8 a.m.
- MONDAY, March 14, Civic League and Garden Club meeting in the home of Mrs. Anthony Luke, 8 p.m.
- WEDNESDAY, March 16, City Library open in City Hall, 10 to 5.
- WEDNESDAY, March 16, Idle Eight Club meeting in the home of Mrs. J. B. Wilde, 2 p.m.

WHY THE FEELING OF UNEASINESS?

The county editor, who lives so close to the people — his readers — is never more inspired than to discover the thinking he has expressed editorially is alike or closely akin to the expressions of some one of national or international prominence.

The end of the decade (the 50's) has been the occasion for comment in recent days of various kinds, relative to the past 10 years. As to be expected there has been a flood of historical and analytical accounts of what happened during the remarkable era of the fifties. We have noted that most of the stories or features have had one thing in common — a recital of economic advances that were tremendous by any standard or measurement, and, perhaps unprecedented.

The ENTERPRISE has frequently emphasized during the past decade the unbelievable progress from a material and luxury viewpoint that has literally been showered upon the citizens of the U.S.A. But we have on the other hand frequently stated editorially that as a nation — as a people we are five centuries ahead from

a pure science and (or) material view, while by the same token, America is behind from a social science and (or) spiritual view. Our belief is borne out by a report of Reiman Morin of the Associated Press, who says as the new decade begins (the 60's), there is a feeling of uneasiness among millions of Americans.

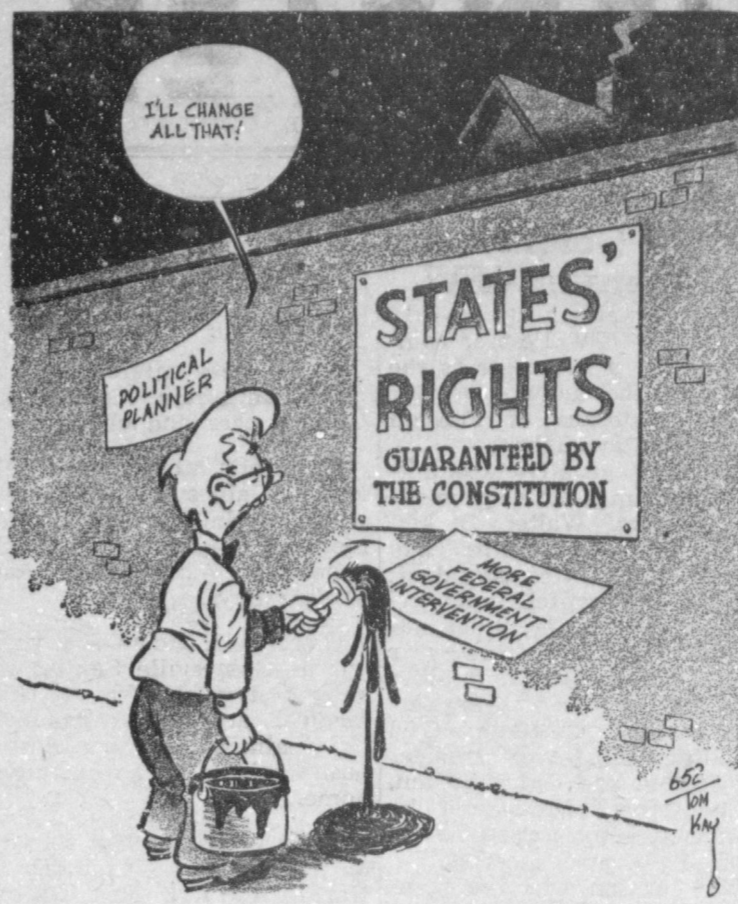

The countless material gains of the 50's has failed to bring satisfaction, peace of mind, or a feeling of security. Why? It appears to us that the conviction of the ENTERPRISE is identical with two statements Mr. Morin quotes, which in our opinion, furnishes the reasons why the feeling of uneasiness exists, in spite of the material progress.

Dr. Charles Frankel, a professor of philosophy and sociology says: "Our society has met many great challenges and quite successfully in other years. But today it is drifting and has no sense of purpose."

George F. Kennan, who in the course of a varied career, has been our Ambassador to Russia and is regarded by many as the foremost U. S. expert on Soviet affairs, says: "If you ask me as an historian, let us say, whether a country in the state this country is in today, with no highly developed sense of national purpose, with the overwhelming accent of life on personal comfort and amusement . . . If you ask me whether such country has, over the long run, good chances of competing with a purposeful, serious and disciplined society such as that of the Soviet Union, I must say that the answer is 'No.'"

The good life does not just consist of "things." The good life involves character, decision, fortitude, the willingness to sacrifice when sacrifice is needed in the common cause. No matter how rich a nation may become, if its people fall into the pit of lazy complacency, if their values are restricted more and more to the purely material, then that nation is doomed to ultimate destruction. America's most dangerous foe is not a foreign enemy. Gnawing away at the foundation on which this nation was founded is a silent horde of termites labeled godlessness, selfishness, bigotry, intolerance and love of material things. Every living American, be he rich, be he poor, regardless of name, race, creed or color — no matter in what state, town or city he resides needs to re-evaluate his life, and come up with a new sense of values. Only this will banish the uncertainty — the fear — the uneasiness.

Wytheville (Va.) Enterprise.

No Discouraging This Fellow

WHY DESERT STRENGTH?

The United States, insofar as its relationship with the International Court of Justice, better known as the World Court, is in a strong position. Thanks to the forethought of the late Senator Tom Connally of Texas, an amendment known as the Connally amendment was tacked on our acceptance of the court, with the requirement that the United States determine for itself whether or not any questions to be submitted to the court is within its jurisdiction.

Why should we be naive enough to desert such a position of strength, and by repealing the Connally amendment, become but another supplicant before a court whose actions no one can predict? This is a world court, representing the polyglot ideas of justice of different races; not an Anglo Saxon court of justice.

Before we are ready to re-

move the restrictions Senator Connally so wisely had adopted there is the indisputable necessity of determining first a basic code of moral principles upon which common agreement can be reached. No body of law, however worded, could hope to be made effective lacking an understanding on this sort of an agreement.

The World Court is an agency of United Nations, suspicion of any agency of UN is fully justified after an impartial appraisal of the way in which events in Hungary and Tibet have been handled, the Bang Jensen affair and its outcome, and the plainly growing tendency of UN to interfere in internal affairs of the member nations. Further reason for distrust is to be found in continuing periodic appointments of Communists to positions of trust and influence, from which positions of eminence they proceed to attack the United States. There

Nobody Believes In Hell Anymore!

by Wilfred G. Hurley, C.S.P., author of I BELIEVE and DOES HELL EXIST?

Recently a clergyman, startled his congregation when he told them, "There is no hell!" Granted no one really enjoys the idea of hell. But just because we don't like to think about it, we can't say in the very next breath there is no such place. Let's take a look at what Jesus Christ, God Himself, had to say about hell when He lived on earth nearly two thousand years ago.

CHRIST, in St. Luke's Gospel, tells us about two men, Dives — a wealthy, influential, luxury-loving man and Lazarus — a poor beggar groveling in the dirt and dust for a few scraps of food at the outer gate of Dives' glorious palace. Dives would have nothing to do with this beggar, and one day Lazarus died of starvation.

Because he had kept God's laws, Lazarus saved his soul and went to Heaven. But, as Christ tells us, when Dives died, his soul, "Was buried in hell." Why? Because in this world he had broken God's commandments by willful, deliberate, serious sins. He had spurned God's graces. And the punishment was not here — but in the hereafter . . . hell!

WHAT does Christ, the God of Infinite Truth, tell us about hell? Continuing His account of the rich man Christ said: "Lifting up his eyes when he was in torments, Dives saw . . . afar off . . . Lazarus." And he begged of Almighty God

that Lazarus be sent to him that "he may dip the tip of his finger in water, to cool my tongue; for I am tormented in this flame."

Notice if you will, "for I am tormented in this flame." There you have it from God Himself. And remember that Christ was not angry but simply stating a fact.

Nor was this all. At another time and another occasion Christ spoke just as plainly concerning hell and the punishments of hell. He was describing the Last Day and the General Judgment. He tells how all nations shall be gathered together, and all men be separated into the good and evil. That Almighty God shall then say to the wicked: "Depart from Me, you cursed, into everlasting fire." Depart? But where? Mark well His words: "Into everlasting fire."

NOTICE in these words of God there is found the answer to that often asked question, "How can a good and loving God send men into everlasting fire?" This is the answer: God cannot, and does not, send a single soul into everlasting fire. It is the sinner who sends himself. We commit sin of our own free will, and if we die in the state of mortal sin we condemn ourselves to hell, God doesn't.

YOU do not like to believe in hell. Neither do I! But every man, woman, and child who comes into this world as a thinking, choosing, human being must make his choice in the matter. There is no middle ground. Either we believe in hell or we do not. God Himself tells us there is such a place. What do you believe?

† Priest Feature Service, Washington 17, D. C.

is also the ever present reluctance on the part of other nations to share the expenses, the terrific expenses of this UN, while at the same time demanding an equal say in any decisions.

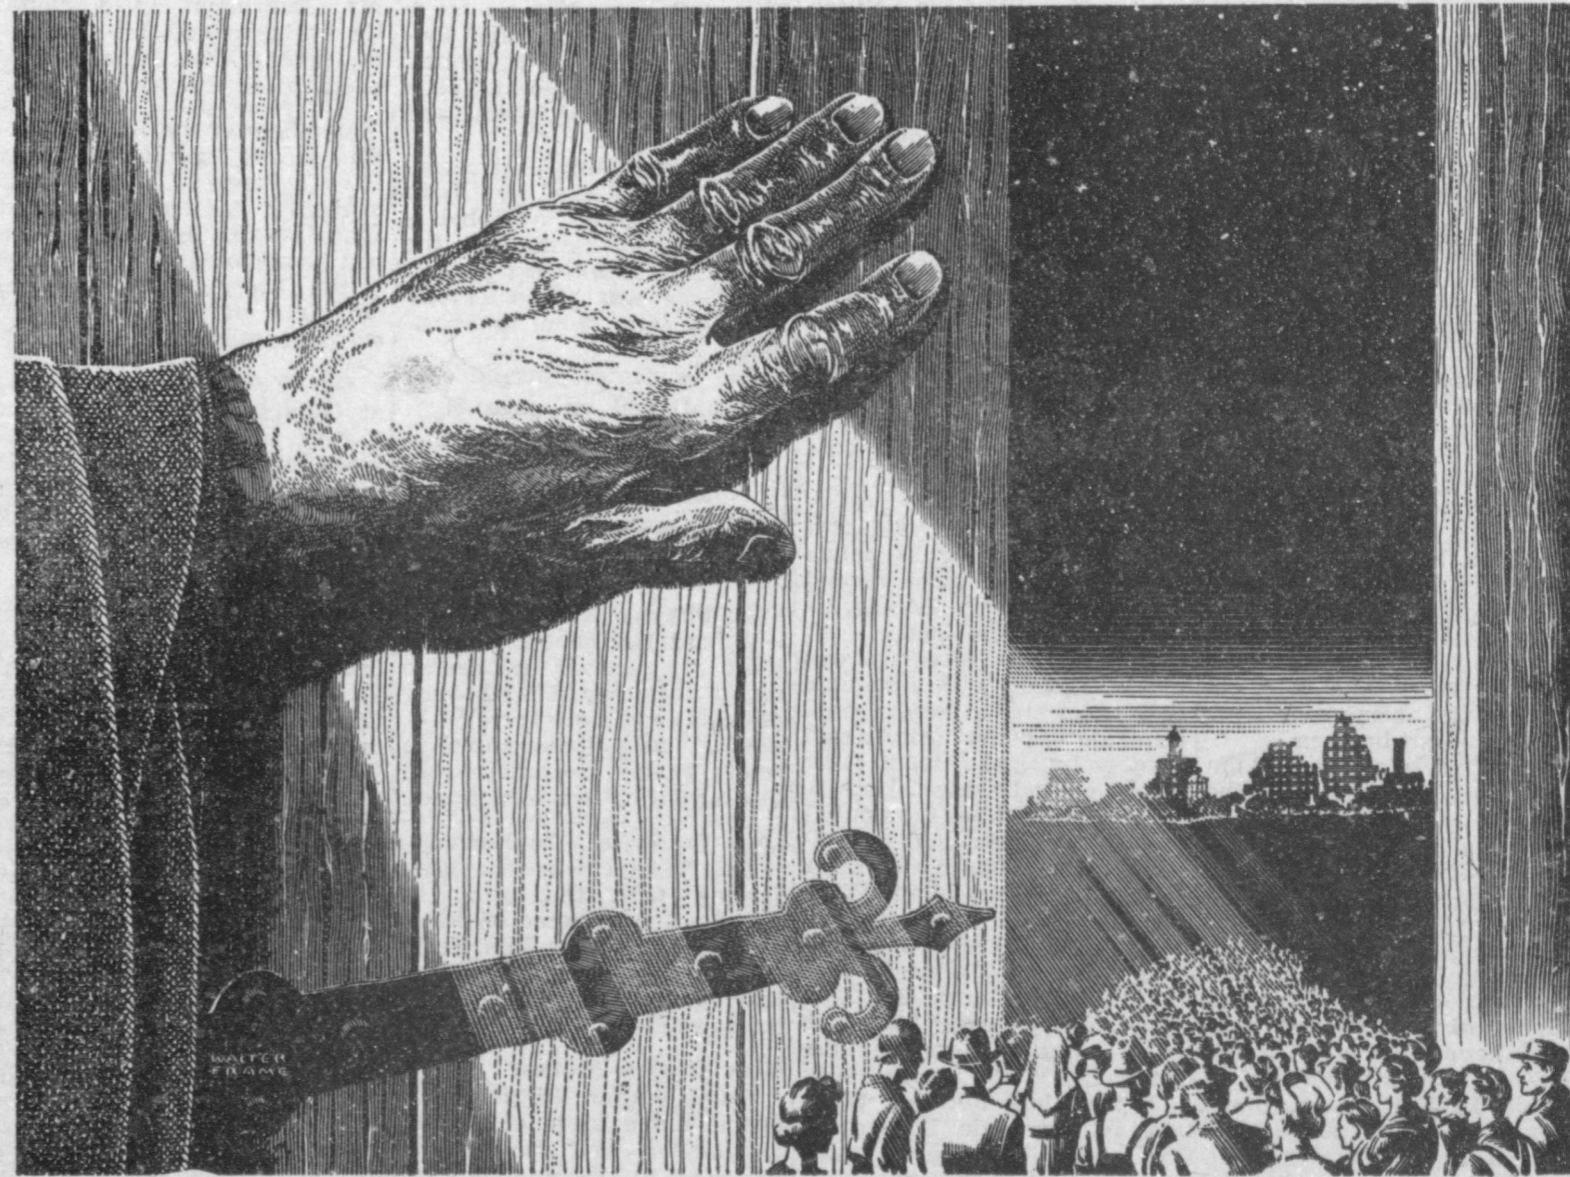

Speaking of the Connally Amendment, President Eisenhower said, "Elimination of this automatic reservation from our own declaration accepting compulsory jurisdiction would place the United States in a better position to urge other countries to agree to wider jurisdiction of the

court." It is unfortunate that the president exhibits such a lack of understanding of his obligations. It is equally regrettable his advisers have so misled him that he would still further sacrifice American liberties in a mistaken zeal for peace at any price.

—Bozeman (Mont), Tribune

Golden Age

"The golden age of parenthood
 Is when the children are
 Too old for baby sitters, but
 Too young to drive the car."

Light Leads Our People

Each day a new door opens. What it reveals on the other side, for the people who must pass over its threshold, depends upon the conditions under which they lived their yesterdays.

Those in some countries look through the door upon a new day shadowed with oppressions, where there are few freedoms, tyrannies abound and living is hard and cold.

Those of us in America are more fortunate. Opening the door each day, we are met by the light of freedom which has led our destiny for many years. Protecting that freedom

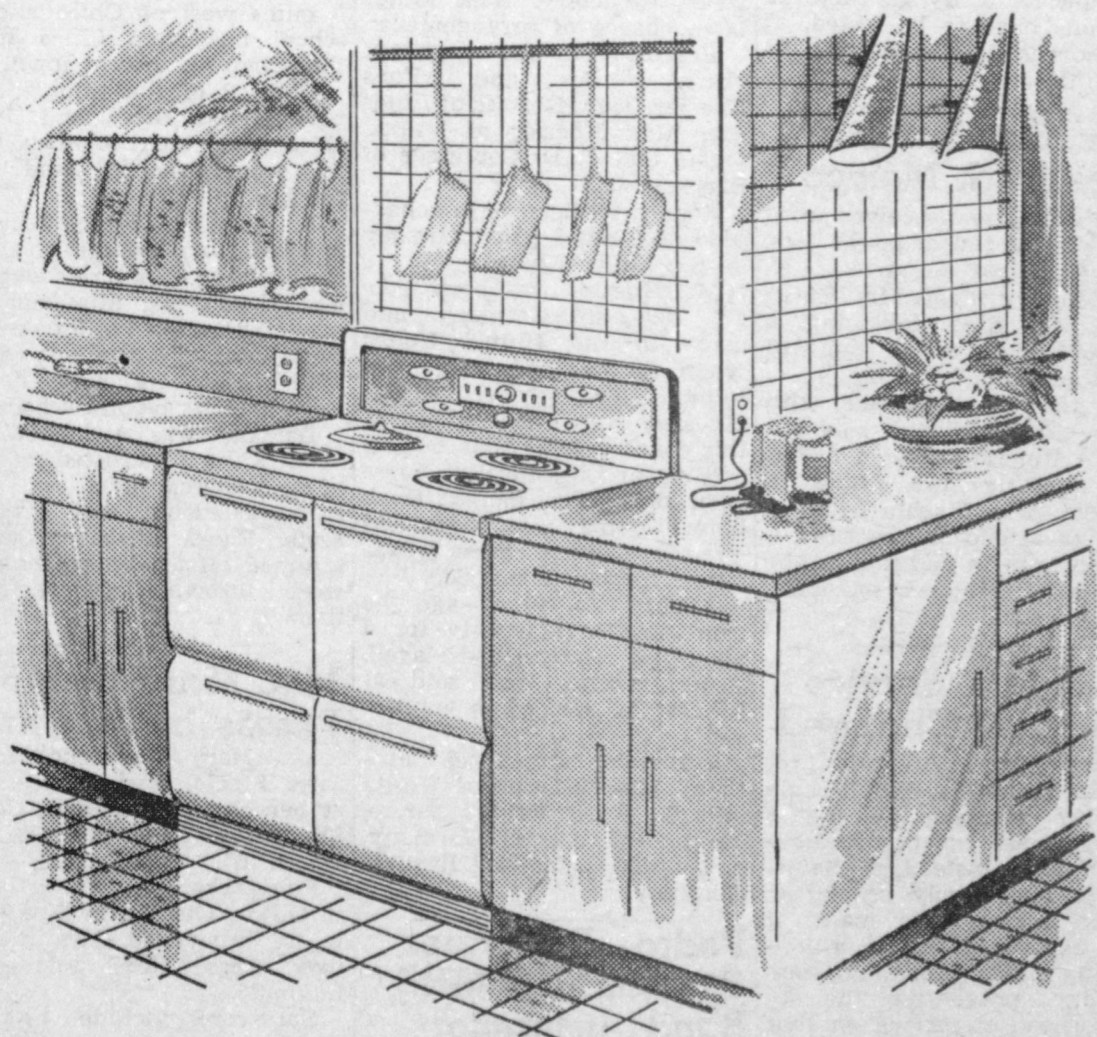

has been — and always will be — a Press that will not succumb to dictation or overpowering despotism.

For the light that leads to all freedoms is Freedom of the Press: Education . . . information of all kinds . . . news of all that transpires . . . and the open discussion of opinions and ideas that sharpens understanding.

Complete freedom of speech and of the press is the light that builds understanding, helping all mankind to advance onward and upward through the opening door of each tomorrow.

Texas Press Association
 1716 SAN ANTONIO STREET... GREENWOOD 7-2023... AUSTIN, TEXAS

ELECTRICITY is your better way to cook!

FLAMELESS . . . each surface unit puts the heat where you want it . . . in the food, not in the kitchen.

CLEANER . . . your electric range just can't make pots and pans sooty . . . they keep bright as new. Kitchen walls and curtains stay clean, fresh longer.

COOLER . . . modern electric ovens are insulated on all six sides . . . there's no heat waste to escape into the kitchen.

AUTOMATIC . . . electricity's measured, even heat and perfect timing make cooking sure and easy. Just set it and your electric range cooks food better.

TEXAS POWER & LIGHT COMPANY

Students Ask for Stamps as Contest End Comes Close

Calling in all cancelled stamps. This is the time to turn in stamps that have been accumulating for the stamp drive conducted by Sacred Heart High Sophomores and their class sponsor, Sister Theresina. The last weeks of contest time are looming and the sponsors need some time to get the stamps sorted and packed before shipment April 1. The group spends three to four hours a week on this project and they'd appreciate

having all stamps that are available at this time. Any stamp not torn or bent counts for points in this contest, even the ordinary 3's and 4's. But other stamps have special high values . . . duck stamps especially, and foreign, pre-cancelled, commemorative, special delivery and postage due stamps.

Contest winners receive attractive prizes — hand carved statues, etc. — that the school would like to win, but the object of the stamp hunt is mission work. Sale of the stamps by mission headquarters to agencies for re-sale to collectors brings money for supplies to missionaries in the poorest of far-off mission posts.

Families with children in school are asked to send the stamps in with them. Those who have a sizeable amount of stamps and no way to get them delivered are invited to phone the school and someone will call for them.

The term, ballot, meaning "little ball," stems from classical Greek jury practice. White balls meant acquittal, black balls, banishment.

Dolores Grewing, Billy Bierschenk To Wed April 23

A former Muenster girl will come back to her old home town to be married. She is Miss Dolores Grewing, daughter of Mr. and Mrs. Henry Grewing of Valley View who this week announced their daughter's approaching wedding. She will become the bride of Billy Bierschenk, son of Mrs. William Bierschenk and the late Mr. Bierschenk, also of Valley View.

The engaged pair have set their wedding date for Saturday, April 23. The ceremony will take place in Sacred Heart Church at 4 p.m. with Rev. Anthony Gajda, pastor of Valley View's St. John's Church officiating.

Mrs. Alrich Zwinggi will be her sister's matron of honor and Bobby Bierschenk will be best man for his brother.

Mary Nell Bierschenk and Betty Rose Kupper will be bridesmaids and Eugene and Leonard Grewing will be groomsmen.

The bride-to-be attended Sacred Heart School here before moving to Valley View and attended high school there. The future groom also attended Valley View school and served in the army with overseas duty in Germany.

Garden Club Will Hear Book Review

A book review will highlight the March meeting of the Muenster Civic League and Garden Club Monday night. Guest reviewer will be Mrs. Loyd Burchfiel of Saint Jo. Co-hostesses for the meeting will be Mrs. Anthony Luke and Mrs. Al Horn. They will entertain in the Luke home. Floral arrangement for the month will be displayed by Mrs. Bernard Swirczynski. Starting time is 8 o'clock.

Mrs. Arthur Bayer Heads Auxiliary As New President

Election of officers was the principal business at the March meeting of the Muenster VFW Auxiliary Monday night and members favored Mrs. Arthur Bayer for the presidency. She went into office by acclamation.

Her assistants on the executive committee are five members returned to office for another term and two new officers.

Re-elected are Senior Vice President Mrs. Leo Lawson, Treasurer Agnes Noggler, Chaplain Rosa Driever, Conductress Mrs. Alvin Noggler, and Guard Rosie Walterscheid. Mrs. Richard Swirczynski who served as president the past year is the new junior vice president and Mrs. Steve Moser is the new three-year trustee. Hold-over trustees are Mrs. David Trachta and Mrs. Earle Otto.

Appointive offices which include secretary, banner bearer, color bearer, patriotic instructor, historian and musician will be filled and announced before the April meeting when formal installation will take place.

In other business at the meeting, honor roll requirements for the month were approved. They consist of contributions to the National VFW Home and the Memorial Arch in the department headquarters building in Austin. Contributions to the arch are given in memory of a deceased veteran whose name is inscribed in the arch.

The Auxiliary's donation this year honors the memory of Frank Moser, this community's fourth young man to die in service during World War II. Previous contributions are in memory of Ensign Robert Weinzapfel, Lt. M. J. Endres Jr., and Sailor Frank Yosten.

Reports and communications revealed that the state encampment will be held in Fort Worth on July 24, 25 and 26. Coming activity includes serving at the annual all-awards banquet at Muenster High School on March 17. Mrs. Larry Yosten was named refreshment hostess for next month and members voted to give an attractive door prize at that meeting.

7 Scouts Try for Altare Dei Award

Seven Boy Scouts of the Muenster troop are spending their spare time these days working on various requirements to qualify for the Ad Altare Dei award. The rigid qualifications include both oral and written tests and a pilgrimage.

The seven from here have made their pilgrimage, going to St. Peter's Church at Lindsay. Scoutmother, Mrs. Paul Endres took them, in two trips, Saturday and Sunday. And now the boys are writing essays in that connection.

Working to earn the highest award a Catholic Scout can receive are John Paul and Rickey Endres, Dickie Schoech, Tommy Fuhrmann, Danny Wilde, Charles Sicking and Tommy Lee Swirczynski.

Local News BRIEFS

Mrs. Mathilda Wimmer is back at home after spending four weeks in Dallas with her daughter, Mrs. Eddie Mages and family. Mrs. Mages has recovered from an operation and she and her husband and their children brought Mrs. Wimmer home Sunday and they were all dinner guests in the Arnie Wimmer home.

It was a pleasant drive for Mr. and Mrs. Alvin Hartman and children Sunday afternoon when they took her brother, Charlie Felderhoff, back to Dallas University after he spent the weekend here with his family. Before returning home the Hartmans stopped in Fort Worth to see his sister, Mrs. Keith Tompkins and family.

A big girl now, weighing five full pounds, baby Carla Sue Wolf, daughter of Mr. and Mrs. Walter Wolf of Gainesville has been dismissed from the Sanitarium after being in an incubator since her birth Feb. 19. She had to reach a weight of five pounds before she could go home and she tipped the scales at that mark Friday. Her christening took place Sunday in St. Mary's Church with Father E. J. Gerlich officiating at the 9:30 a.m. service and Mr. and Mrs. Willard Hartman as godparents for their niece. Mrs. Victor Hartman went along to see her granddaughter baptized.

Suzanne Huchton Birthday Honoree

Fifteen girl classmates of the first grade, Sacred Heart School, helped Suzanne Huchton celebrate her seventh birthday Sunday at the home of her parents, the John Huchtons, where the group had a fun-filled afternoon.

Surprise packages and balloons were party favors and games with prizes furnished entertainment until refreshment time. The honoree's mother and her aunts, Mrs. Henry Huchton and Mrs. Ray Tempel of Gainesville, and Mrs. Joe Tempel served birthday cake, ice cream and punch, and everyone admired Suzanne's shower of gifts.

1960 Seen as Bad Year for Measles

This year is already shaping up as a bad one for measles, but state health officials aren't surprised. A survey of the state's measles pattern for the past 20 years shows the disease usually is up one year and down the next.

This is slated to be the "up" year, since 1959 was comparatively mild with only 37,000 cases reported for the entire 12 months. For the week ending February 20 the State Health Department tallied an aggregate of 1,664 cases, bringing the 1960 total to date to 11,708 compared with less than 5,000 cases for the same period last year.

Visiting with Lawrence Roberg at the McKinney VA Hospital Sunday in addition to his wife were his mother, Mrs. Katie Roberg, his sister Carrie Roberg, also Mrs. Ruth Needham, Mrs. Louis Roberg, Mrs. Frank Roberg, Mrs. Ray Evans

and her sister, Mrs. Howard Couch, and Joann Roberg and a friend from Fort Worth.

Science Class Adds Barometer Through Sophomore Efforts

A recent addition to the science department at Sacred Heart High School is a mercurial barometer, the pride and joy of the class and Sister Theresina, science teacher. It's a gift from the sophomore club.

As long as Sister Theresina has been teaching science she has wished for this particular equipment in her department . . . but cost always seemed prohibitive. In the early days of her teaching career the barometer would have cost \$23. This year it cost the sophomore club \$70.

Loretta Schmitt and Charlotte Schilling, daughters of sophomore homeroom mothers Mrs. Al Schmitt and Mrs. Frank Schilling, took upon themselves the task of collecting the amount. Their mothers helped. In six weeks, through personal solicitation and bake sales, they had raised \$95.

Almost every student in the class of thirty, or the parents, donated about three dollars. Besides the sophomores a few other classmen donated, especially freshmen. One notable contribution came from Donny Swirczynski, a junior, who added five dollars to the fund.

Besides the barometer which the science class uses in its weather station, the sophomore-raised fund purchased a fine scales for the chemistry department.

Mmes. Ray Evans, J. C. Trachta, Richard Grewing and Ray Swirczynski and daughter Carolyn were in Dallas Wednesday shopping for equipment for The Center.

SH High Reveals Honor Students in Six-Week Period

The honor roll at Sacred Heart High School for the first six weeks of the second semester has been announced by the faculty.

Three students lead the roll with 90 and above in all subjects but one, and A in conduct, application and reliability. They are Karen Endres, Alvin Hacker and Robert Pels.

Students with 90 or above in five subjects are Carol Henschel, Janice Vogel, Joyce Hacker, Loretta Schmitt, Margie Schoech, Jeanette Muller, Betty Ann Dangelmayr, Veronica Hess, Betty Jane Eckart and Jane Endres.

Those with four 90's or above: Patsy Endres, Carol Wimmer, Ronald Endres, Delores Derichsweiler, Helen Fleitman, Carol Ann Hess, Eunice Knauf and Herbert Cunningham.

With three 90's: Frances Walterscheid, Agnes Eckart, Kathy McGannon, Clarence Bayer, Roger Taylor, Leona Hacker, Lu Ann Reiter and Charles Bayer.

Five students made perfect scores of 100 in the following subjects: Karen Endres in Church History, Joyce Hacker in Latin 2, and Charles Bayer Eunice Knauf and Herbert Cunningham in business math.

SH Mission Unit Sees Fund Grow

The Mission Unit of Sacred Heart High is pleased with its efforts and accomplishments, but not resting in its work of solicitation just because it has collected \$122 so far this year.

The fund grows through weekly donations of a nickel per student. And any voluntary contributions a student wishes to make. This year for the first time, the student outstanding in donations to the mission fund was given a life membership in the Propagation of Faith by the mission unit. The student so honored is Earl Hess, a sophomore. He has given nearly twenty dollars to the fund.

In addition to benefitting the missions, the regular weekly donation is inductive to alerting the students to the value of periodic saving.

Marye Weinzapfel of Dallas University was at home over the weekend to visit her parents, the J. M. Weinzapfels and their guest, Marye's aunt, Mrs. Lucy Jensen of Canon City, Colo.

Mrs. Venita Hillis Seeks Election to County Tax Office

Mrs. Venita Jo Hillis, 29, a candidate for the office of Cooke County tax assessor-collector, has issued her formal announcement for the post.

Mrs. Hillis is the former Venita Jo Youngblood, daughter of Mrs. Viola Youngblood. She was reared on a farm north of Hood and attended schools there and at Era before moving to Gainesville, where she was graduated from high school. She also attended Gainesville College.

Her husband, Lewis Hillis, is a barber, and the couple has two children, Donald, 10, and Linda, 9. They are members of the Calvary Baptist Church and Mrs. Hillis is secretary of her class and assistant teacher for Primary Department.

Mrs. Hillis started her business career of serving the public during her high school days and has continued to do so for the past 13 years. She is now employed by Street Pharmacy.

"During these years, I have tried very hard to do well any task my employers have assigned me", Mrs. Hillis said, "I will continue to do so if elected to this office."

"I am sure that my opponent is appreciative of the support that has been given him for the past 30 years in the various public offices he has held and worked in to his present retirement age. I, likewise, will sincerely appreciate such public favor in my initial bid for office."

"I will make every human effort to justify your confidence in giving a young person a chance to prove her ability. If elected, I will assure you honest, courteous and efficient service."

Leading Pupils in 8th Grade Posted

Posted in Sacred Heart 8th grade are names of honor roll students for the past six weeks.

Eileen Knauf tops the A list with an average of 96. Close behind are Shirley Wimmer and Doris Fisher with averages of 95. Other A's are Virginia Taylor, Patsy Zimmerer, and Claudia Endres.

On the B roll are Evelyn Fetsch, Karen Stormer, Jackie Miller, Cyril Yosten, Jeannine Hofbauer and Jerry Mosman.

Workers Wanted For Census Takers

Herbert S. Gray district supervisor of the 1960 census of Population and Housing which starts April 1, today issued an appeal to residents of the area to become candidates for jobs as census takers.

Applications for jobs as census takers may be made to: T. Ben Davis, Route 4, Box 99, Gainesville, Texas — Telephone HO5-5913, or, Herbert S. Gray, District Supervisor, Bureau of the Census, 3829 Call Field Road, Wichita Falls, Texas — Telephone 692-3550.

Applicants for jobs as census takers must be over 18 years of age be citizens of the United States, and have a high school education or its equivalent. Candidates will be required to pass a selection test demonstrating their ability to understand written instructions and read maps. Persons who are presently or recently associated with law enforcement or tax assessing or collection agencies are not eligible.

Census takers will be paid on a piece price basis. A diligent census taker should earn about \$12.00 per day, the district supervisor said. A \$20.00 training fee will be paid to census takers who successfully complete the course of instruction required before they start their rounds, and accept a census assignment.

Harry: "Jim doesn't seem as well dressed as when he married five years ago."
Larry: "That's funny. It's the same suit."

It's Time to Render Property

April 1 will be the deadline for most Texans to render their property to certain taxing agencies. State laws require all real and personal property to be rendered for taxes on or before prescribed dates. Those who fail to comply can blame only themselves for the money loss they may consequently suffer.

Some Texas cities set their own tax deadlines. These are the cities of more than 5,000 population which have incorporated under the "Home Rule" provisions of our statutes. All other cities are governed by the general laws of Texas.

In towns operating under the general laws property must be rendered for taxes between January 1 and April 1 each year. A number of home rule cities set up the same requirements in their ordinances, while others prescribe different periods.

For state and county tax purposes, property must be rendered to the County Tax assessor by April 30, and homestead exemptions must be claimed by the same time.

In some locations a third taxing unit is involved — the independent school district. In other places school taxes are collected by the city or county. In addition, some localities have water, irrigation, or levee districts which assess and collect taxes. Make inquiry as to where these various taxes are assessed, and as to applicable deadlines for rendition.

What property must be rendered for taxes? If Texas laws were strictly enforced, we would be required to render to all taxing units nearly every piece of real and personal property which we own, down to the very clothing on our backs. An exception is the constitutional exemption of \$250 worth of household furniture. However, no taxing unit carries their requirements this far, and it will be necessary to inquire of each tax assessor when rendering your property whether specific types of property are ordinarily ren-

dered in that locality. Some cities and counties collect ad valorem taxes on automobiles, television sets and other personal items, while others ignore practically all personal property. Business and professional men are generally required to render all merchandise, furnishings, fixtures, business automobiles and equipment.

If property is not rendered by the tax payer, it may then be placed upon the unrendered tax roll, and the taxing agency places such valuation thereon as it considers fair. One advantage of rendering your property is that you can set your own valuation. Then, if the county or city decides a higher valuation is in order, you will be given an opportunity to appear before a board to explain why the higher figure should not be used in computing your taxes.

Thereafter, an appeal to the courts is possible in some instances. Generally speaking, however, the courts are unable to strike out a valuation unless the agency or board has acted arbitrarily and placed on the property a valuation higher than that placed on comparable property owned by others. If you do not render, the valuation set by the taxing agency is final.

Remember these facts: You

Local News BRIEFS

Janet Pels, baby daughter of Mr. and Mrs. Curley Pels, was dismissed from Gainesville Sanitarium Sunday after receiving medical care since Friday.

Mr. and Mrs. Clyde Howard who called Muenster home for 15 years left this week for Archer City where he has been transferred by Bridwell Oil Co. Their home on North Maple which they bought from Robert Bayer less than a year ago has been bought by the Melton Ramseys and they are moving and getting settled. The Ramseys had been living in the Zipper addition on North Oak.

Mr. and Mrs. J. C. Trachta were Dallas visitors Sunday, guests of Mr. and Mrs. Larry Walterscheid.

Business and pleasure were combined on a trip to Houston and Galveston during the weekend by Clyde Fisher and his sons Chuckie and Dickie, his mother, Mrs. John Fisher and Mrs. Joe Fisher and Mrs. T. S. Myrick. The Fishers visited with Johnny Fisher and helped him celebrate his birthday. His mother took a big birthday cake along for the party. Mrs. Myrick was the guest of her son and family, the John Myricks, and did not accompany the Fishers to Galveston.

Mr. and Mrs. Tony Koesler, Mr. and Mrs. Norbert Koesler, Mr. and Mrs. Alphonse Hoening and Walter Becker were in Abilene Tuesday among stockholders attending the annual meeting of the Key Western Life Insurance Co.

Blessed Events

Mr. and Mrs. Steve Grewing have announced the birth of a daughter who arrived at Gainesville Sanitarium Sunday, March 6, 2:38 p.m. She weighed in at nine pounds four ounces. Welcoming a baby sister are Marla Rose, Larry, Glenn, James and Sheila. The grandparents are Mr. and Mrs. Joe Fuhrmann of Lindsay and Mr. and Mrs. John Grewing.

Mr. and Mrs. Herbert Schmidkofer are happy over the arrival of a daughter, a sister for Walter. The little girl weighed seven pounds eight and a half ounces at birth Monday, March 7, 2:20 a.m. at M&S Hospital. Her grandparents are Mr. and Mrs. Tony Voht and Mr. and Mrs. John C. Schmidkofer, all of Lindsay. And there's a great-grandmother, Mrs. Ed Rae of Amarillo.

Mr. and Mrs. Lee Tischler of Lindsay announce a daughter, weight seven pounds eight and a half ounces, born Tuesday, Feb. 8, at Gainesville Sanitarium, 10:42 a.m. She's a baby sister for their two boys. The grandparents are Mr. and Mrs. Pete Helling of Lindsay and Louis Tischler of Pilot Point.

Arrival of a daughter makes two pairs for Mr. and Mrs. James Bayer of Valley View. She was born Friday, March 4, 2:45 a.m. at Gainesville Sanitarium weighing seven pounds six ounces. Her grandparents are Mr. and Mrs. Frank Bayer of Muenster and Mr. and Mrs. Joe J. Neu of Lindsay. And there are three great-grandparents, Mr. and Mrs. John Walter and Mrs. Jos. F. Neu. Tuesday evening in St. John's Church Father Hubert Neu of Dallas officiated at his niece's christening and another uncle and aunt, Regi Bayer and Miss Cecilia Neu were sponsors. The baby's name is Sandra Kay.

Sisters-in-law On Visit Here Honored

Mrs. Charlie Meurer of Windthorst and Mrs. Lucy Jensen of Canon City, Colo., were the honorees at an afternoon party Monday when Mrs. J. B. Wilde entertained in her home for the two visitors.

In a progressive 42 series Mrs. Jake Pagel won the high score award and Mrs. John Klement received the consolation favor. Miss Anna Hellman drew the door prize. The hostess served refreshment plates of lemon flake angel cake, ice cream topped with strawberries, and coffee, to eight guests.

Mrs. Meurer came to Muenster Friday to visit relatives and friends and Mrs. Jensen was the houseguest of her sister, Mrs. J. M. Weinzapfel, for two weeks. Both left here Tuesday, Mrs. Weinzapfel and Mrs. Bill Becker taking them and visiting in both Wichita Falls and Windthorst. Mrs. Jensen will be visiting her sister, Mrs. S. P. Otto in Wichita Falls until she returns to her home.

Mrs. Meurer came to Muenster with her daughters, Mrs. Henry Thoelle and Mrs. Tony Hoff who made pop calls with relatives before returning home the same afternoon.

Muenster Sends 5 Volley Teams to Saint Jo Tourney

Five volley ball teams from Muenster entered the tournament which is currently in progress at Saint Jo, and four of them are still in the competition. Men's teams are Sacred Heart Alumni, J & L Supply and Muenster Teachers. Ladies teams are Tuesday Nighters and Sacred Heart Alumni.

Alumni men went into the champ bracket by defeating J & L 17 to 9 and will meet the Welch Rockets of Saint Jo Friday night at 6. If they win that they advance to the champ semi-final.

J & L entered the consolation bracket by loss to SH Alumni. Next they play Saint Jo's Quarterback Club at 7 Friday. A win will advance them to the consolation semi-final.

Muenster Teachers, losing their preliminary to Capps Corner can also get into the consolation semifinal if they defeat Ringgold Thursday night at 10. Wins by the two Muenster teams will bring them together in the semifinal.

In the ladies' division Tuesday Nighters bested Lindsay 30-11 in the opener and got into the champ bracket. They're scheduled to play Nocona JC-ettes next, at 9:30 Thursday.

Sacred Heart Alumni ladies were eliminated the first night. A forfeit by Ringgold put them in the champ bracket and left vacant time on the schedule. Bowie, the next opponent offered to play then. Alumni obliged and was eliminated by a count of 28-12.

SH Alumni Teams Lose at Montague

Sacred Heart Alumni's volleyball teams, after winning a pair of trophies in their first tournament ran into troubles at Montague last week. In openers both Alumni teams beat the Church of the Nazarene of Nocona to get into the champ bracket. Next they encountered a couple of hot teams and lost both matches. The ladies were trimmed 15-30 by Bowie, the men 13-30 by Shamburger of Nocona.

Tips From Your Hatchery

Phone 63

Roses are red, violets are blue. We have Rose Food and African Violet bombs too. Yep, our shelves are just full of everything you need to keep them healthy, and our batteries are full of Baby Chicks, all awaiting SS Day, (sun shine day). When those March winds start drying out our top moisture you will wish you had applied Peat Moss around those flowers, trees and shrubs. It makes your garden chores pleasant and rewarding. Reckon I am the world's worst salesman, didn't even sell Alvin a Tree Wound Dressing bomb to use after trimming his shade trees. Got in one good lick on those termites this week, get'em the rest soon. Clive.

Louis Deuster, Gary and Ed Hess and George Mollenkopf attend a diocesan meeting of the National Council of Catholic Men in Dallas Sunday. VFW Auxiliary takes on project of making new covers for the 66 tables in the VFW Hall. New arrivals: girls for the Monte Hellmans, Henry Yostens and R. J. Fuhrmans; a boy for the Paul Neus.

The new John Deere 435 Diesel Tractor is one of the several subjects to be featured in the John Deere Day film program at the Muenster Public School next Wednesday night starting at 8. Other features include a view of factory production, oddities in farming, and novelty and musical numbers.

**John Deere Day Program to Be Seen
Wednesday Night at Public School**

Wednesday of next week, March 16, will be John Deere Day in Muenster according to Robert Myers of H. E. Myers and Sons, John Deere dealer of Gainesville. The program will be presented at the Muenster Public School beginning 8 p.m.

Plenty of snacks, to be served by Muenster FFA and FHA members, will be ready for the crowd, Myers said, and there'll be seats enough for everybody to have a good view during the film presentation.

One film item that's expected to draw a lot of interest and favorable comment will be a report on the new John Deere 435 Diesel Tractor. There will be big news, too, on developments in 8-row farming, and grain drying.

The whole farm family will enjoy the varied entertainment schedule in this year's John Deere Day program. Nationally famous TV commentator Walter Kronkite will "emcee" the film presentation which includes musical numbers, the popular "Oddities in Farming" and an eye-opening visit to the John Deere Plow Works to see precision auto-

M.D. or TV?

Nowadays, the doctor is still M. D., but the patient is TV and says some thing like this:

"Doc, I need your help. Should I drain all eight sinus cavities and shrink swollen membranes? Or should I take something to get rid of that gray, tired, run-down, ache-all-over feeling? Doc, my problem is I want fast, fast relief, but without any depressing after-effects. Give me something that will go straight to my cough control center, at the same time sweeping clear through my stomach and my system, too, bringing blessed relief in moments. I need an invisible shield, Doc, to protect me against germs..."

go home and rest? You mean you won't give me any pills or medicines? No sprays, or drops even? For crying out loud, Doc, don't you ever watch TV? How do you know what five out of eight doctors prefer, if you don't watch TV ads? After all, where do you think I got all my clinical knowledge — in medical school?" —Exchange

The flustered woman approached the floorwalker. "Have you seen my husband? I promised to meet him here three hours ago."

"What's he look like, Ma'am? Any physical characteristics you could describe?"

"Yes," she said, "he's probably purple by now."

Military Retired In 1975 to Cost \$3 Billion a Year

WASHINGTON. — The Defense Department estimated that retired military personnel will be drawing \$3,000,000,000 a year retirement pay shortly after 1975.

The retirement program is costing \$700,000,000 a year at present but it is due to start shooting up as those who entered service during World War II start reaching retirement age or complete 20 years of service.

J. A. Wylie, Defense Department budget official, told a

House appropriations subcommittee the government will be paying more than \$1,000,000,000 a year by 1965 and \$1,500,000,000 by 1968 or 1969. The total will continue up to the \$3,000,000,000 figure before leveling off. Wylie's testimony was released Wednesday.

The retirement program covers officers and enlisted men who have reached retirement age or completed the required length of service, those who are retired because of disability, and Navy and Marine Corps personnel who are placed in the inactive reserve after completing 20 years' service.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

One way to beat the ever present cost of hay and feed for livestock through the winter months is to have more

acres of good grass in an operation. That advice comes from the technicians of the local soil conservation service.

They go on to explain that they don't mean a farmer or rancher should put all his cropland to grass because the good productive cropland is what keeps most of the landowners in business.

It is to say however that there are many acres too steep and eroded to remain as such. It's this kind of land that should be planted to grass. Too, there are thousands of acres of land within pastures that are in needle grass or other unproductive grasses that could just as well be producing feed for livestock.

Most every cooperator in the Muenster-Saint Jo area has fed more this winter than ever before. Some of this feed could have been saved if the land mentioned above had been in good grasses such as Native Bluestems or Bermuda grass and managed properly. Little or no relief would have been realized however without proper management, because pastures must be deferred or rotated diligently during the growing season in order to realize full production and still have grass for winter grazing.

Another aid to better grass

In All The World

No one is more understanding or more qualified to serve you.

GEO. J. Carroll & SON

management is to have supplemental pastures on cropland. One of the best supplemental pastures is a mixture of small grain and sweet clover. Several district cooperators have indicated that they intend to seed sweet clover as soon as the weather permits. Supplemental grazing during the summer months allows the pasture grasses to get a better start.

The county ASC offices in both Cooke and Montague Counties have a cost-share program for almost every grass adapted to soils in this area. This program amounts to approximately 50 per cent of the actual cost of establishing grass whether it be native or introduced grasses.

Marysville News

MARYSVILLE — Mr. and Mrs. W. F. Davidson and granddaughters, Becky and Barby Davidson, visited the couple's daughter and family, the Bill Roes at Westview Sunday.

Mrs. John Richey was a business visitor in Whitesboro Friday and stopped in Gainesville for a bedside visit with Granny Walker at the Sanitarium.

Guests for dinner Sunday in the home of Mr. and Mrs. Bill Moon were Mr. and Mrs. Max Harrell and children Rhonda Kim and Rex of Gainesville and Mrs. J. N. Shaw and Albert Shaw.

Mr. and Mrs. Bo Snow of Mineral Wells visited over the weekend with her parents, the W. F. Davidsons, and saw a number of old friends at Sunday School and church Sunday morning.

Glenn Snow, a former Marysville resident who suffered a severe heart attack two weeks ago had another light attack last week but is reported improving slowly. He lives in Fresno, Calif. News of his illness and improvement was told here by his brother, Bo Snow, who was here from Mineral Wells during the weekend.

Mrs. Vivian Maupin, state field director for the Women's Benefit Association, has her headquarters at the home of her parents, Mr. and Mrs. B. G. Lyons, while she is making official visits to Denison, Sherman, Fort Worth, Dallas and Paris. Accompanying her to Dallas Monday were her sister, Mrs. W. C. Stiles and her niece, Mrs. W. R. Pace of Gainesville.

Mr. and Mrs. Nig Wilson and children drove to Sivel's Bend Sunday afternoon for a visit with Mr. and Mrs. Robert Richey and family.

B. G. Lyons Host Birthday Dinner

A pink and white birthday cake centered the dinner table Sunday in the home of Mr. and Mrs. B. G. Lyons when they were getting entertaining for their granddaughter, Miss Dolores Grant.

The honoree was celebrating her nineteenth birthday which is March 9. Her home is in Alta Loma and she is a freshman student at NTSC in Denton.

A surprise shower of gifts was presented the honor guest while those present sang the happy birthday song.

Enjoying the dinner party were Mrs. W. C. Stiles, Mr. and Mrs. Beverly Eastin, Mr. and Mrs. W. R. Pace and Edward Eastin, all of Gainesville, Mrs. Vivian Maupin of San Antonio, the hosts and the honoree.

Self-Grooming Is Program for Club

"Self-grooming for a More Attractive You" proved to be an interesting program for members of the Bulcher Home Demonstration Club at their regular meeting Thursday with Mrs. Travis Whitt leading the discussion. Face and figure were stressed with good posture and cleanliness at the top of the list.

The group met in the home of Mrs. Jim Sharp, and Mrs. August Hyman, president, conducted the business session. She read a letter from Charles Campbell of Sherman advising there will be a representative from the Sherman office

at Bulcher on April 7 to discuss social security and everyone interested is urged to attend. The meeting will be held in the Community Center building at 7:30 p.m.

Mrs. Albert Fleitman led the recreation and Mrs. Paul Tracy won the game prize. The hostess served refreshments to eight members and two visitors.

Those present were Mmes. Jessie Shields, Gid Prather, Ernest Robison, Earl Robison, Queenetta Martin, Paul Tracy, Jim Sharp, Travis Whitt, Albert Fleitman and August Hyman.

The next meeting will be with Mrs. Travis Whitt as hostess.

You'll Produce Better Milk... At Greater Profit... With Less Work

with a **DARI-KOOL** BULK MILK COOLER

The ICE BANK COOLER that outperforms and outsells them all!

Available in 100 gallon to 1000 gallon capacities

STAINLESS STEEL—NO PAINT TO PEEL

Cools Milk Faster—Does Not Freeze It!

DARI-KOOL, the first choice of America's dairymen, is guaranteed to meet the new 3-A standards that will come out this year.

DARI-KOOL will cool your milk for a very low electrical cost of less than 1 KW per 100 lbs. of milk cooled.

DARI-KOOL builds a reserve of ice sufficient to cool out one or two milkings without running, in case of electrical or mechanical failure.

DARI-KOOL has a warranty that is unsurpassed... 10 years on the stainless steel tank, 5 years on the sealed unit refrigerating compressor, 1 year on all controls and other items. After 5 years of selling and servicing DARI-KOOL and over 120 installations... we know from experience that it is outstanding in efficiency and trouble-free performance. DARI-KOOL is not a cheap tank, but it costs less in the long run.

Service is a most important factor, and we can offer you service second to none.

Cash in on SCHAD & PULTE'S DARI-KOOL SPECIAL

To meet a stiff factory quota... 8 tanks each month for the next 3 months... we make the following very unusual offer, which will be good for the next 90 days.

1. **SPECIAL PRICE.** Our INSTALLED PRICE is the FACTORY LIST PRICE. This means that the following extras and services will be furnished by us at no additional charge: Crating charges at the factory and freight charges from the factory. Furnish and install stainless steel milk house port. Furnish and install special timer required by Dallas Health Department. Furnish and install all labor and material, including wiring, for complete installation of tank. (We do not assume obligation to do any work on dairy barns which might be needed to meet local requirements)

2. **SPECIAL TERMS.** 48 months to pay, with NO DOWN PAYMENT for those who qualify.

3. **SPECIAL INTEREST RATE.** Only 4% per year for 4 years (Financed by Dairy Equipment Co.)

4. **SPECIAL INSURANCE.** Life insurance protection at a very low cost, if wanted. (An optional plan financed by Schad & Pulte at 5% per year for 4 years includes life insurance protection for the unpaid balance for the life of the contract.)

5. **TRADE ALLOWANCE.** We will make a reasonable allowance for your old equipment in trade.

This is Your Big Opportunity
Offer Expires June 1, 1960

WIDE INSIDE

DIFFERENCE IN A CHEVY WAGON!

Chevy wagons are widest where wagons should be—with the widest seating, the widest cargo space and the widest choice of power teams in the low-price field. Check any of the five handy, handsome new models at your dealer's. You won't find these versatile advantages in any other wagon near Chevy's size and price!

- Widest seating, front and rear—up to a full 3.1 inches wider in front, up to 4.2 inches in the rear.
- Widest cargo area—the load platform's a whopping 5½ feet wide, designed for a wider variety of cargo.
- Widest area between wheel housings—

allows more room for bulky loads. ■ Widest choice of engines and transmissions—24 combinations in all, to give you peak performance with any kind of load. ■ Full Coil springs that ride right loaded or light—no other wagon near Chevy's price and size gentles the bumps with coil springs at all four wheels. ■ More road and ramp clearance—you can take full loads over bumps and grades without scraping bumpers. ■ Truly practical 9-passenger model—with roomy rear-facing third seat and electric roll-down rear window.

See Corvair for the wide, wide difference in compact cars! Every Corvair gives you a fold-down rear seat for extra storage space—at not a penny extra. And this is only one of many advantages you'll find in no other compact car in the land!

See your local authorized Chevrolet dealer for fast delivery, favorable deals!

BITTER LITTER—These pups no doubt feel they're entitled to a better fate than being abandoned in a Seattle Laundromat. The Humane Society took over and now there are seven well-laundered pups up for adoption.

Lindsay News

Mr. and Mrs. Bob Bezner and children Debby and Stevie of Dallas were here Sunday to visit his mother, Mrs. Joe Bezner and other family members.

Lindsay Knights of Columbus were the winners Tuesday night with the most members present at the monthly meeting of the Gainesville-Lindsay council, tying the standing of the two groups. When the contest ends the losers will treat the winners to a party with eats and drinks.

Mrs. Henry Zimmerman is back home since Saturday, dismissed from Gainesville Sanitarium, and doing as well as can be expected after major

surgery. She says many thanks to all who remembered her in prayer, with get-well cards, and other kindnesses, all of which meant much to her and her family.

All members of St. Peter's Society whose surnames begin with A to M, are reminded to be at the rectory Saturday morning at 8:30 with wire brushes, etc., to scrape off old paint at the rectory and the old school building preparatory to putting on new paint.

Members of St. Anne's Society are getting busy on handmade things to stock the gift and souvenir booth at the parish picnic the Sunday after Easter.

CARD OF THANKS

Thanks to everyone for their many expressions of sympathy at the death of our mother. For the spiritual tributes, floral offerings, and many kind and thoughtful deeds we are deeply grateful. Special thanks and appreciation to Rev. Alcuin Kubis for his constant concern in behalf of our mother's spiritual welfare.

their 1961 conservation program. The date is to be set at next year's planning meeting.

A special guest at the meeting was Nikat Karol of the Turkish Soil Conservation Service. He is presently spending about a year in the United States, most of it in the Nocona area of the Upper Elm Red District, in order to study organizational and technical details which he later hopes to apply in his own country.

Also present were the five supervisors of the Upper Elm Red District, personnel of the Soil Conservation Service, and about 25 members of the sponsoring organization, which includes banks, newspapers and radio stations of the district. Afterward all were guests of the First State Bank for a steak dinner at Leeper Lake.

Local News BRIEFS

A change from the usual routine was enjoyed Monday by Mmes. Norbert and Hank Walterscheid, Albert Schilling, Joe Hoenig and Andy Monday who drove to Sherman to eat out and window shop.

Mrs. Dora Kathman spent this week in Chickasha, Okla., with her sister, Mrs. J. K. Stover, and together they visited with their brother, Mack Ellis at a Norman hospital where he underwent surgery.

Mrs. Ray Evans and Mrs. J. C. Trachta were Wichita Falls visitors Tuesday.

Stopping in for visits with relatives here Sunday filled the day for Mr. and Mrs. Charlie Stelzer of Fort Worth. They were dinner guests in the home of her aunt and uncle, the L. A. Bernauers.

Mr. and Mrs. J. C. Kirk and children who have been residing on West 7th Street have moved to the country. They're getting settled in Roy Atteberry's house which was formerly the Horce Trew place.

The Ben Lukes and R. N. Fettes were in Arlington last Sunday as guests of Mr. and Mrs. Harold Luke. Also there were Miss Edith Jackson of Fort Worth and Gene Luke of Denton.

Third Order Hour Of Adoration Set

Members of the Third Order of St. Francis are reminded of their special hour of adoration during the Forty Hours Devotions on Sunday, Monday and Tuesday. The time set for tertiaris is from 3 to 4 on each of the three days.

There will not be a meeting of the fraternity Sunday afternoon, J. W. Hess, prefect, disclosed.

CARD OF THANKS

We are so thankful for every kindness of relatives and friends while Johnny and Timmy were hospitalized. The boys loved the greeting cards, gifts, flowers and visits, and we are all grateful for the prayers. Thanks to Father Lane and Father Gerlich for their hospital visits and to relatives who made it possible for the children's mother to stay with them at the sanitarium.

The Frank Felderhoffs

Sees Ultimate in Travel, Dairying

A. J. Felderhoff saw the ultimate in travel and the ultimate in milk production last week when he went to Ontario, Calif., for a four day school on milking equipment and mastitis control. He and Earl Miller attended as representatives of Schad and Pulte. Going out the jet airliner made the Dallas-Los Angeles jump in 2 hours 55 minutes. Returning the plane got the help of a jet stream and cut its time to 2 hours 18 minutes.

The dairy school was held at a large dairy with 750 cows averaging 602 pounds of butterfat a year and the newest developments in milking, cooling, handling, feeding and managing techniques.

During spare time they saw sights of L. A., Hollywood and Ocean Side and also visited with a friend of the family, Fred Burkhart of L. A.

Hoedebeck Infant Claimed by Death

Members of the Hoedebeck and Reiter families from here were in Gainesville Monday morning to attend funeral services at 11 o'clock for the infant son of Mr. and Mrs. Kenneth Hoedebeck.

Brent Michael, the couple's first child, died shortly after birth in a Gainesville hospital Sunday about noon.

Father E. J. Gerlich officiated at the graveside rites in Fairview Cemetery.

Survivors in addition to the parents are the grandparents, Mr. and Mrs. Leo Hoedebeck and Mr. and Mrs. Tony Reiter of Gainesville, and the great-grandparents, Mr. and Mrs. Fred Hoedebeck of Muenster.

65% of County Cars Still Must Have Safety Inspection

With about one month left in which to have motor vehicles inspected, Captain Marvin Blount, Motor Vehicle Inspection Service of the Texas Department of Public Safety, urged motorists to obtain their 1960 inspection stickers immediately. In doing so, he advised that 65% of the registered vehicles in Cooke County have not been inspected for the current year.

"At the present rate of inspection it looks as though the usual ten per cent who wait until the deadline for inspection will be waiting in line on April 15. With crowded inspection stations on this deadline date immediate service cannot be rendered and car owners will suffer an unnecessary loss of time and inconvenience."

Nearly half of the vehicles have required some adjustments or repairs which require more time for both the owner and the inspection station. If car owners obtain their 1960 inspection stickers early, they will avoid unnecessary delays in inspection.

Confetti - - -

as one reason for prolonging the life of the convicted rapist Chessman.

The inference was that the reds would call off the execution of the criminal.

Well, after last week's insolvency to the President it is apparent again that there is no such thing as getting along with the reds. They couldn't have been more hateful. Even giving in to their unjustified interference made no difference. They are stinkers to the core and just couldn't help being ugly.

Regarding red interest in this case, one fact stands out. Communists all over the world were sounding off in abuse of our country and the law which demanded the death of this arch criminal, but none of them ever raise a voice in condemnation of the savage communist policy which demands the death of their innocent victims. To their twisted way of thinking it's wrong for us to execute a convicted beast but it's all right for them to execute thousands whose only offense is wanting to live up to their God-given right of freedom and dignity. This is just another reminder of how urgent it is for decent people to realize that the red scourge must be stopped soon or civilization is doomed.

Teacher: "Can anyone tell me the main use for cowhide?" Johnny: "It keeps the cow together, ma'am."

Mrs. Wiese - - -

teaching and followed that profession in Westphalia until her marriage to Paul Wiese on May 10, 1892.

In 1895 Mr. and Mrs. Wiese and her parents moved to Lindsay. Her mother died three months later and her father died in 1910. Paul Wiese died in 1926. While Mr. Wiese lived the family resided on a farm and he also operated a general merchandise store in Lindsay. They were parents of ten children, eight of whom survive. Mrs. Wiese moved to town and lived in her own home until about six months ago when she went to live with her daughter.

Survivors are three daughters. Mrs. Val Dieter, Mrs. Jake

Bezner and Mrs. William Schmitz, all of Lindsay; five sons, Frank Wiese of Gainesville, Vincent Wiese of Fort Worth, and Leo, William and Paul Wiese of Flint, Mich.; 34 grandchildren and 55 great-grandchildren.

All of the children were at their mother's funeral along with most of the grandchildren and their families, many of them from out of town, some from long distance.
