VOLUME XXIV

MUENSTER, COOKE COUNTY, TEXAS

JULY 1, 1960

NUMBER 32

A rural fire last week ought to jar this community into realizing that we flirt with disaster every day we postpone getting a reasonable arrangement for making protection available to the area around Muenster.

As it turned out the resourcefulness of a clear thinking and fast acting lady was equal to the emergency. If she had not been on her toes the home surely would have gone up in smoke. And, it's hardly necessary to add, even her highly efficient efforts would have fallen short if she had discovered the fire a few minutes later.

A significant point here is that the Muenster fire department was not asked for help. Everything was under control before anyone in town knew about it.

But suppose the firemen had been asked to help. Would they be expected to respond in violation of the council's order against taking the truck outside the city? If they had responded, could they have done a good job... considering the poor condition of their tank-pumper truck? Could they hurry with reasonable safety? These considerations, along with the fact that the firemen could be held personally liable in case of accident, present serious problems for farmers and firemen alike.

Obviously this situation ought to be corrected. And it ought to be done as soon as possible. Who knows? The next emergency may be only a few days or a few weeks away. We hate to think it will come before we have the agreement and the equipment to answer a distress call.

It simply isn't fair to expect firemen to help in disregard of present orders, in disregard of their own safety, or in disregard of their personal liability in case they cause damage or injury. From the farmer's standpoint, it's not at all satisfactory to think that help is uncertain, or if given, that the helpers have to work under handicaps.

It's time for an honest look at this predicament. Years ago the tank and pump were installed on a pickup chassis. The unit was versatile and dependable. It did a fine job in the city and in the country. In fact it did far more work in the country than in town. Answering many dozens of rural fire calls it saved many thousands of dollars worth of buildings and crops.

In doing all that it has put on many hundreds of hard rural miles. Loaded with water, its heavy. Still it was speeded over lots of miles of rough road, through gullies and rocky terrain of pastures. Actually, it was worn out on rural fire runs. Had it been used exclusively in town, for short runs on city streets, it would still be in good condition. For that matter, it is still usable for the limited strain required in town, but a few more normal country runs would probably finish it.

That's why the city's attitude on this issue is altogether reasonable. It has worn out one unit on rural service and it has a right to ask for a better arrangement in the future, so that the area responsible for most wear and tear will help to maintain the valuable service rendered.

Needless to say, there is only one dependable source of help from the area concerned. That is from the county, the only legal entity with jurisdiction over the farms, hence from the commissioners court which is the county's governing body. At Gainesville such an arrangement has already been made, but it would not be adequate here, so the Muenster city council is holding out for a deal that fits its situation better.

Over there the compensation is a flat fee for every run outside the city limits, which actually includes suburban service. Figuring those short runs with the longer rural runs, the total pay for total service comes to a fair compensation. Here, however, there are no easy earnings for suburban service, and every payment would have to be earned the hard way. Nor is there the frequency of calls to assure an adequate over-all income. Muenster pays the system of some other counties... a definite amount to the fire department assuring an adequate maintenance fund plus a smaller payment for each fire answered outside the city.

The big trouble is that nothing is being done. The city council has presented its proposition, but the court apparently is not inclined to act on (Continued on page 8)

READY FOR THE OLYMPICS—Spectators on the distant rim overlook the modernistic Velodrome cycling stadium, now ready for the summer Olympic games in Rome. It has a wooden track around a grass infield designed for soccer games.

Near \$3 Million Bid Lands Job on Superhighway 35

A contract for 14.3 miles of construction on Interstate Highway 35 in Cooke County has been awarded to a Graham firm, it was announced in Austin this week by the State Highway Commission. Harry Newton, Inc. & T. L. Jones & Co., Inc., submitted the low bid of \$2,958,994 on the project which consists of grading, structures, foundation course and concrete pavement from California Street in Gainesville to the Denton County line. Working time is estimated at 400 days, according to L. B. Dean, district highway engineer of Wichita Falls.

Pool's New Diving Board Is Super

Something special in diving boards in this week's addition to the Muenster swimming pool. It's an edge-grain job of oak made of 2x4s dressed down, then glued and bolted together and finally tapered off to give more flexibility, and waterproofed by a good soaking with linseed oil.

When the old springboard became dangerously cracked pool officials asked the Bavarian Woodcarvers whether they could make one. They gladly took on the job and delivered a super product in record time... and at a savings to the city.

2 Barbecue Grills Going up in Park

Two new barbecue grills for the city park are in the making and should be ready for use in a few days. The construction is a cooperative deal with the Civic League and Garden Club furnishing material and the Community Progress Association furnishing the sweat.

The grills are patterned after those provided by the Highway Department in roadside parks. A 6x6 slab of concrete is finished and 3 walls of brick will be built for grill and fire bed. Three grooves will be provided in the mortar joints to allow adjusting the grill to as many positions.

Local Lads Split Pair of Contests

Muenster's Pony Leaguers broke even in their games of the past week, losing to Bomber Bait at Gainesville and losing out Hood on the local diamond.

They fumbled away the first game 10-7 in spite of a definite advantage in batting. Reiter pitched a steady game, allowing 2 hits and 3 walks while fanning 8, but Muenster's 18 errors made the difference. Bomber's pitcher gave up 8 hits and 6 walks and struck out 7 while his team mates made 6 errors. Leading Muenster hitters were Reiter and Walterscheid with 3 and 2 singles respectively.

In the next game errors proved the deciding factor again but in Muenster's favor. Hood combined 5 hits, 8 walks and 4 errors for 3 runs. Muenster combined 7 hits, 5 walks and 7 errors for 4 runs. Reiter fanned 15 while his opponent fanned 8. Monday led in batting with 2 doubles, a single and a walk out of 4 trips to the plate.

Though efforts at forming an area league have failed, the local youngsters have games in sight for practically all of the season. Their next is with Hood here Friday night.

Talk on First Aid And Disaster Work Ends Adult Class

A class of 15 ladies ended their course in home nursing and civil defense Monday afternoon with Mrs. Marie Ownby of the Cooke County Red Cross Chapter conducting the lesson on First Aid.

Subjects covered were artificial respiration, bleeding, shock, poisoning, burns, sunburn and fainting.

The lesson also included instructions on mass feeding in time of a disaster, setting up a canteen in an emergency and emergency menus. Leaflets were distributed.

Monday's meeting was the last of three conducted by Mrs. Willard Hartman, home economics teacher at Muenster High School.

The opening lesson was on home nursing with Mrs. Ownby in charge and the second lesson was on food and nutrition with Mrs. Hartman in charge.

News of the Men in Service

End Week's Vacation

Airman First Class and Mrs. Antonio Chantre and children Anita, Gwen and Wayne of Salina, Kansas, ended a week's vacation here Sunday with her parents, Mr. and Mrs. John Streng and Clara. It was the Chantres' first visit here since Wayne, now five months old, joined the family and he was kept busy meeting his mother's relatives including his great-grandmother, Mrs. Mathilda Wimmer. Airman Chantre is stationed at Schilling AFB. His wife is the former Miss Frances Streng.

In Alaska For A Year

Sgt. and Mrs. James Randall Carter — she's the former Virginia Gehrig — and their four children are getting settled at their new location near Fairbanks, Alaska, where he will be stationed for the next year. Writing to homefolks here, Mrs. Carter said weather in the 49th state is hot as the Texas weather they left. They made the trip in a new car.

Two Join Navy

Muenster's most recent enlistees in the armed forces are Kenny Fette and Herbie Cunningham who joined the Navy and are at the Naval Training Center in San Diego, Calif., for their recruit training. Both were enlisted under the Navy high school graduate training program.

On Two-Week Leave

Lt. and Mrs. C. C. Blanton of Fort Campbell, Ky., arrived Tuesday to spend a two-week leave with her parents and family, the Matt Mullers.

Inducted In Army

Robert Haverkamp was one of the two men making up Cooke County's June draft quota. He left Wednesday after visiting his parents, the Lee Haverkamps, since Friday when he came home from Wyoming where he had been working in the oil fields.

Californians On Leave

Naval Airman and Mrs. Leo Hess (Mary Lou Vogel) arrived late Saturday from Chula Vista, Calif., for a two-week visit with their parents Messrs. and Mmes. Albert Hess and Joe Vogel. It's Leo's first visit home since March a year ago and the couple's first return to Muenster as Mr. and Mrs. They were married in California in July last year.

Mrs. Arthur Hess Wins Quickly in Tussle with Fire

Good headwork and good footwork by Mrs. Arthur Hess saved the Charley Hellman home from destruction by fire last Thursday morning. She's been helping with the housework there while her sister, Mrs. Hellman, accompanied her mother, Mrs. Catherine Gehrig, on a trip to Idaho.

While she was outside a pan of grease on the electric range caught fire and was well advanced before she discovered it. Her first act was to soak a towel and throw it over the flaming grease, and smothered it promptly. Next she eliminated possible electrical troubles by pulling the master switch of the house. Then in rapid succession she pushed the kiddies outside, closed doors and windows to eliminate draught, started water running in the bathtub and broke into phone conversation to report her trouble.

From there on she dashed back and forth between the tub and fire, dipping water with a bucket and dousing it on wall and ceiling, also soaking a towel and beating out flames that could be reached conveniently. Within a few minutes she had everything under control.

On the party line when she broke in were Mrs. Paul Fisher and Mrs. Charles Taylor. Both with their husbands rushed over to help but found the job finished.

Damage to wall and ceiling and the range has been estimated at \$300.

Blessed Events

Proudly announcing a daughter are Mr. and Mrs. Anthony Luke who welcomed their little girl Tuesday, June 27, at Nocona Hospital. She arrived at 1:20 p.m. weighing seven pounds 13 ounces, is a baby sister for Frank, Melvin and George and a grandchild for Messrs. and Mmes. Ben Luke and J. J. Haverkamp.

Mr. and Mrs. Bruno Zimmerer of Lindsay have announced the birth of a son, weight eight pounds two ounces, who joins a family of three other boys and three girls. He arrived at Gainesville Sanitarium Friday, June 24, 9:02 p.m. The grandparents are I. A. Zimmerer and Mrs. Joe Bezner Sr.

Teen-Agers Club Elects Officers

Organization of a local teen-agers club is moving slowly. At a meeting Wednesday night in MHS auditorium a group of 86 youngsters elected their officers and discussed several other matters pertaining to organizing and operating their club. Fourteen adults were also there.

Elected as officers were Carolyn Fette, president; Tim Fette, vice-president; Alice Walter, secretary; Jeanette Walterscheid, treasurer.

The group set next Wednesday, July 6, for another meeting in the auditorium. At that time it expects to make decisions on the club's name, the location to be used, types of recreation to be set-up, meeting dates, dues, etc. All interested youths of the community are invited to be there.

Miss Jeanette Muller is visiting in Dallas this week with her brother and sister-in-law, Mr. and Mrs. Don Muller and son Ron.

Community Picnic As Parish Benefit Observes July 4

Muenster will observe Independence Day in the traditional manner with a picnic, dinner, and dance, all events taking place in the Parish Hall.

Sixteen committees headed by Ed Endres and Dan Haverkamp as general chairmen have been working for weeks on the program for the church benefit and dozens of workers are lined up to help on July 4.

A good old-fashioned dinner featuring country sausage and chicken is to be catered by Mrs. John Kathman and Mrs. Conrad Jostwerner. Tickets are available now in local grocery stores but may also be purchased at the hall on the Fourth of July. Serving will begin at 11:30.

During the afternoon and into the night a variety of games and entertainment will be in progress and eats and drinks will be available.

At night a dance will supplement the carnival attractions. Henry Snapka and his Bohemian Band will furnish the music.

NEWS OF THE SICK

Jimmy Lawson, young son of Mr. and Mrs. Leo Lawson looks forward to being home this weekend after having surgery at Baylor Hospital June 21. His mother has been staying in Dallas with him and his daddy has been making regular visits to the hospital.

Norbert Koesler is still a patient at Gainesville Sanitarium but is doing well according to his doctor and will probably be dismissed this weekend.

According to recent word from Idaho Falls, Idaho, the news concerning Mrs. Catherine Gehrig is encouraging. She continues to make improvement at Sacred Heart Hospital and if nothing unforeseen develops her doctors believe she will be able to leave the hospital late this week. The most recent telephone call from Mrs. Charley Hellman, who has been with her mother, informed the family that the two were leaving for home and will arrive Saturday.

Robert Grewing, 16-month-old son of Mr. and Mrs. Walter Grewing, was dismissed from Gainesville Sanitarium Monday after three days of hospitalization following minor surgery.

R. D. Morris has is left leg in a cast to his knee since Friday when he broke his foot. The accident happened during work when he dropped a piece of pipe. He was treated at Gainesville Sanitarium.

A forced vacation from Paggel's Store on account of an injured foot is the reason Mrs. Al Walterscheid is spending this week in Midkiff. Her husband went with her and they are guests until Saturday with their son-in-law and daughter, Mr. and Mrs. Walter Acker, Mrs. Walterscheid cracked and chipped a bone in her left foot in a mis-step off the porch at home.

Mrs. Joe Tischler is back at home in Celina, dismissed from a Dallas hospital following surgery in which she lost her left leg above the knee. Her daughter and family, the Al Yostens, visiting her Sunday said she is "doing fine." Judy Yosten stayed for an extended visit with her grandparents.

Mrs. J. E. Lane, 76, Former Resident, Dies at Denton

A former Muenster resident, Mrs. J. E. Lane, died at 1:30 a.m. Sunday in a Denton hospital following an extended illness. She was 76 and had made her home in Denton the past ten years.

Funeral services were held in the Grace Temple Baptist Church of Denton Tuesday afternoon at 2 o'clock and burial was in Big Spring Cemetery near Plano, Collin County, where her husband is buried.

Muenster friends at the services were Mrs. Dick Cain and daughters, Sandra and Mrs. Wendell Richey and Mrs. John Steele. Also there were former Muenster residents, Mrs. Jess Mitchell and daughter Melinda of Olney.

Surviving Mrs. Lane are six daughters and three sons including Wesley Lane of Buckeye, Ariz., and Harry Lane of Avondale, Ariz., formerly of Muenster, and two sisters and a brother.

250 Assemble at Parish Party for Rev. Christopher

A group of some 250 people — members of the Sacred Heart Parish adult societies — joined for a farewell gathering Sunday night honoring their pastor Father Christopher Paladino.

The party in the Parish Hall featured a barbecue supper and table games. Members of St. Anne's Society were hostesses for serving.

As farewell remembrances St. Joseph's Society gave Father Christopher a gift of luggage and St. Anne's Society presented him a check of twenty-five dollars. And individual donations from those attending filled a man's hat with bills as a parting tribute.

The social get-together followed separate meetings of St. Joseph's and St. Anne's Societies at which Father Christopher spoke. He also addressed the joint gathering briefly, expressing thanks for the gifts and appreciation for the help and cooperation he received during his seven years in Muenster.

He left Monday for his new assignment in Subiaco where he will be secretary-treasurer at the Benedictine monastery. Father Martin Fischer took him by car to Arkansas.

No report, officially, as to when Father Alcuin Kubis will come here to take over as pastor succeeding Father Christopher. However, it is expected to be this weekend. At Lindsay, Father Alcuin is awaiting Father Damien Wewer's arrival.

City Workers Busy On Street Repair

Street improvement is the city's main project nowadays. All over town black spots are appearing on pavement marking as many fill-ins for holes that have developed in recent months. The material is a pre-mix of asphalt and rock.

Also in progress is a three block improvement job at the east city limit consisting of base and drainage ditch, additional gravel, and shaping with a grader. Two blocks of the work is on First Street, from Sycamore to the city limit, the other extends from that point south to Highway 82.

Another project coming soon will be the opening of Third Street two blocks from Elm to Maple. That's going to be a brand new street, over ground which is still in native grass.

New Building for Wilde Chevrolet Starts This Fall

Coming soon as another major improvement to Muenster's business section is a new building for the Wilde Chevrolet agency, to be located at the east city limit on the north side of Highway 82.

Ray Wilde discloses that construction on it will begin in September and it will probably be occupied early next year.

An architect's sketch of it, now on display at Wilde's, shows a handsome combination of brick, glass and shadow blocks set back far enough from the highway to allow islands of shrubbery and a front service drive. It will have a total floor space of over 13,500 square feet of which a 52x53 area will be used about equally for show room and office, a two story 39x47 space will be used for parts and a 72x100 area will be used for the service department. The office, display floor and parts room will be centrally heated and air conditioned.

At the right front will be the display floor with its all-glass front extending 13 feet forward from the shadow block wall of the parts department. The other three sides of the building will be brick. Entrances to the shop will be at both the east and west ends.

Highway Patrol Ready for Record Holiday Traffic

While the drivers of Texas are making plans for Fourth of July trips, the Texas Department of Public Safety is getting ready to handle a record flow of holiday traffic.

Col. Homer Garrison, Jr., director of the Texas DPS announced today that all available patrolmen and equipment will be in service during the Operation Deathwatch period extending from 12:01 a.m. July 2 through 11:59 p.m. July 4. The department announced earlier its prediction that 27 motorcades would occur in the 72 hour period.

Garrison said patrolmen of the department's License and Weight service and Motor Vehicle Inspection service would join Texas Highway Patrolmen in patrolling Texas highways over the July Fourth weekend.

"Their purpose is to render a service to the traveling public," Garrison said. "Of course, their main objective is to control traffic and to keep it moving smoothly and safely on the highways of our state. They have another purpose and that is to add to the convenience of out of state visitors and resident travelers by giving assistance when and where it is needed."

Fix-up Under Way At Public School

It's fix up and paint up time at the public school nowadays. Since the close of school work has been under way getting the entire inside and outside in top condition for the next scholastic year.

So far practically all the interior is ready. That includes new varnish for doors, door frames and furniture, and repair and polish on floors in corridors and classrooms. Still in progress is floor renovation in aisles of the gymnasium seating section. A layer of masonry across the worn spots brightens the entire section.

Outside, especially at the edge of the roof, lumber was replaced where necessary and painting is under way.

Grounds also have been improved. New shrubbery was set out in front. The football field is showing the benefit of re-shaping, fertilizing and cultivating in the spring and generous watering since then.

Schedule of Coming Events

- FRIDAY, July 1, Pee Wee Baseball, Muenster vs Hood, here.
- MONDAY, July 4, Picnic, Parish Hall.
- WEDNESDAY, July 6, Get-Together Club meeting, Mrs. Jake Pagel hostess in her home, substituting for Mrs. Joe Kathman, 2 p.m.
- WEDNESDAY, July 6, KC meeting.

FULL SS BENEFIT FOR WIDOWS BEGINS AT 62

Widows should apply for social security benefits as soon as they are 62, Charles J. Campbell, Social Security Manager advised today.

"It would be even better if they applied a month or two before they are 62. Of course no one should delay, but widows in particular should be careful to apply for benefits promptly."

A woman's benefit based on her own account, or on the account of a living husband is

reduced if she applies before age 65, but a widow's benefit is different. Widow's benefits are not reduced and the full amount is paid at age 62.

"So, if you are a widow," Campbell explained, "and we once paid you a lump-sum or monthly benefits, you should apply again when you are 62. In fact, you can speed your first check by applying a month or so before."

REACTION DISTANCE

Barney Oldfield, the world-renowned fast driver, not long ago marked the danger line in figures when one is tempted to speed. He told just how far your automobile will go when an emergency arises if speeding 60 miles, or 50 miles. To know these precautions will at least help those who desire to profit by the experiences of others.

These calculations show that when the speedometer hits 60, you should think of 66 feet, for that is how far your car will travel after you decide to stop, and before you can apply the brakes. If your speedometer says 50, think of 55 feet; and if 40, think of 44 feet.

This is the "reaction distance" your car will travel before your nerves and muscles can respond to your mental command to apply the brakes. For instance, to find how much room you need to stop

safely at 40, 50 or 60 miles an hour, multiply the reaction distance by three. When traveling 60 miles an hour. You can, with everything in good order, stop your car in a space of about 198 feet, or almost the distance of a city block. Multiply the reaction distance of any speed by three will give the stopping distance. Even so, there is danger in applying the brakes too quickly when speeding.

The safe driver is the deliberate driver — the driver who thinks of the safety of all who travel the highways.

SOVIET WHEAT FOR GI BREAD

The American public has been treated to so many odd developments in the way of attempts to dispose of mountainous crop surpluses and "trading with the enemy" that no one would have expected to read a story that caps the climax.

But today Americans can say "Now I've heard everything" along both these lines at once.

Our service men in Europe are eating bread made from Russian wheat.

At a time when we have billions of dollars worth of surplus crops — wheat the most costly item of the lot — deteriorating in storage while the cost of storing alone is \$1,000,000 a day.

At a time when we are, at least theoretically, resisting Russia's trade offensive.

A government probe of Army buying of Soviet wheat is said to have been launched. Such purchases should be stopped forthwith. There is no possible excuse for them.

And while on the subject, the American people would like to know why this country can't, or doesn't, deliver as clean wheat to European buyers as the Russians do. The man who made the revelation, W. W. Graber of the Kansas wheat commission, stated that Soviet wheat is almost 100 per cent clean while the United States allows 5 per cent residue. And Americans would like to know why — according to Graber — there are delays of as much as 30 days in loading at our ports "while there is no waiting time for Russian wheat." — Houston Chronicle.

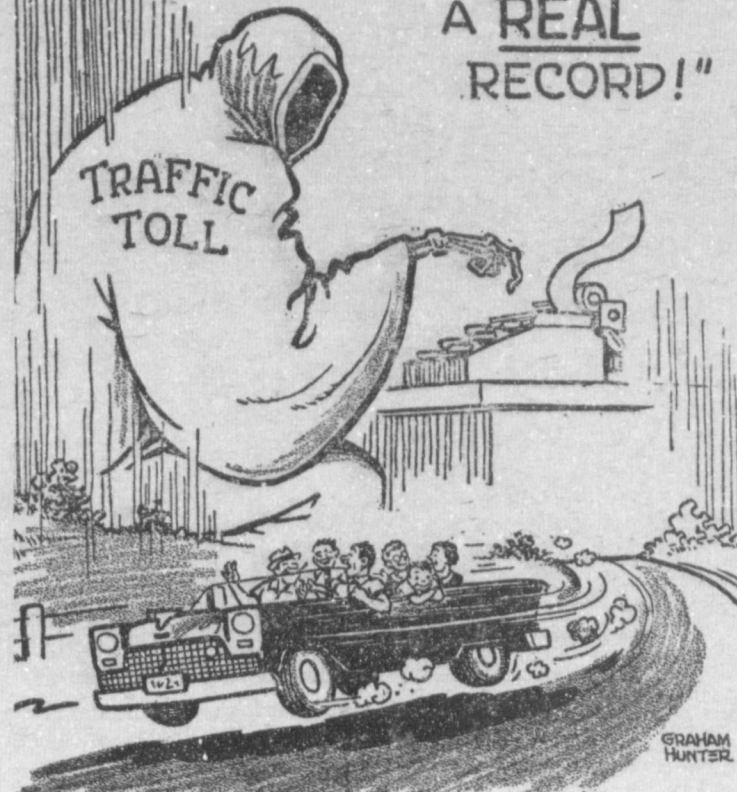

QUOTE:

Americans have substituted the image of a mother hen for the American eagle. Washington today constitutes the biggest employer, the biggest manager, the biggest consumer, the biggest stockholder and the biggest property owner. . . . If the present trend continues, the federal government itself will become the biggest threat to America's eminently successful free enterprise system. — Harold W. Handley, Governor of Indiana.

Texas traffic crashes, wrecks, collisions and tragedies have caused an estimated average economic loss of more than \$277,000,000 (million) a year for the past five years.

SPEAKING TO YOU?

"C'MON, MAC — THIS WEEK END HELP ME ROLL UP A REAL RECORD!"

THE RIGHT TO LIFE

One hundred and 84 years ago members of the Continental Congress met in Philadelphia and affixed their signatures to a document declaring it to be self evident that all men are endowed with certain unalienable rights.

On July 4th this year, millions of Americans will leave their homes to celebrate that event and to exercise one of those rights — the pursuit of Happiness. In the pursuit hundreds of Americans will lose the vastly more precious right of Life. Thousands more will be deprived of Liberty through crippling injuries that will confine them to hospital or home, many of them permanently.

Since 1776, eight wars have been fought to preserve for you the rights proclaimed in the Declaration of Independence. On this 184th anniversary, do your part to preserve them for others. Drive carefully. Swim carefully. Play carefully. Make certain that you are not the cause of any other American losing his life, his liberty, or his ability to pursue happiness on a holiday weekend.

QUOTE:

To any and all candidates who this year are seeking election to public office, I hereby serve the following notice: I will cast my vote, positively pledge it, for whichever candidate does not promise me a single, solitary 'benefit'; conversely, I will vote against any who promise to improve my lot. I've been improved all I want to be and, by golly, my lot can't afford any further improvement.—Donald I. Roders, Business Editor of the New York Herald-Tribune.

In balancing the budget the big question is whether to use more tax or more ax.

AN OLD IDEA

by Doctor George F. Carter, Dept. of Geography, Johns Hopkins University

In 1776—less than a week after the signing of the Declaration of Independence—George Washington pointed out, "The blessing and protection of Heaven are at all times necessary, but especially so in times of public distress and danger."

EVERY PRESIDENT since then without exception, has publicly recognized that our Nation depends on Almighty God. In our own times President Eisenhower has spoken emphatically of God as the foundation of our nation.

Our state constitutions, too, mention God and claim Him as the source of our liberties.

This is important. When the Declaration of Independence states that we have certain inalienable rights, it appeals directly to God. He is the only basis for such rights. Tyrants and States can take away other rights at will. The only rights that no one can destroy or take away—the only sacred rights—are those that come from God.

EXCLUDE GOD from the State and you throw out your only real safeguard for human rights and human dignity. Russia, China, and the other countries behind the Communist curtain show us the price of excluding God. The price is unbelievably high and it is enough to paralyze one with horror.

Perhaps you think this need not be? Listen again to our Founding Fathers, "Those people who are not governed by God shall be ruled by tyrants."

IT'S CLEAR that our founders believed in God and founded our nation on that belief. It is part of our history to see God as the source of our rights.

The material resources of our land did not make America great. It was the spirit of free men under God that inspired us. When we lose this spirit that made us, our land can become a pigsty or a vast concentration camp. For man without God is the most loathsome of all beasts—as anyone who bothers to read the brutal degradation of humanity in Russia and China today can see cruelly exemplified. There the State has become all-powerful. The State has taken God's place.

BELIEF IN GOD is the rock on which this nation was founded—and our individual rights have no other guarantee. The preservation of the original character of our nation depends on our keeping this belief in God. Our final safeguard against becoming mere cogs in the machinery of the state rest on our Founding Fathers' appeal to God as the source of our rights.

So I end on this Paul Revere-like note, "Wake up! Our freedom was hard won and founded on belief in God. This nation cannot stand without that foundation."

Open House Marks 25th Anniversary Of Richard Cain

Honoring Mr. and Mrs. Richard (Dick) Cain in observance of their silver wedding anniversary, their children entertained with an open house party at the honorees' home Sunday night where scores of relatives and friends gathered for visiting, music and dancing on the patio.

Daughters of the couple presided at a beautifully appointed refreshment table which held the handsome anniversary cake and crystal punch service. Jack Hogan and his string band furnished the music and pictures were taken throughout the evening.

Anniversary gifts were on display and the house was adorned with flowers including white roses in a silver basket wired from Houston by Mr. and Mrs. David McCollum. Other gifts and greetings also came by mail.

For the celebration Mrs. Cain wore a royal blue lace dress with matching slippers. She was Miss Eula Grace Hogan before her marriage to Mr. Cain 25 years ago on June 26 in Marietta, Okla., where Dick was working at that time.

He is a Myra boy and she is a Muenster girl and with the exception of the first year after their marriage they have lived in Myra and Muenster. He is owner and auctioneer of Muenster Livestock Auction Commission Company in which business he is assisted by his son Dickie Cain and his son-in-law, Wendell Richey.

The couple's seven children are LaQuita who is Mrs. Bill McCollum of Dallas, Rita who is Mrs. Wendell Richey, Dickie Cain, Judy, Sandra, Chris and Debbie Cain, all of Muenster. They have two grandchildren Robynn Ann and Craig Richey.

Among the guests — some 200 of them — were Mr. and Mrs. C. C. Hogan of Fort Worth, Mr. and Mrs. T. C. Rhone and children of Bellvue, Mr. and Mrs. Steen (Doc) Collier of Wichita Falls, Mr. and Mrs. Truett Wolf and sons and Mr. and Mrs. Harold Pollard and son of Bowie, Mr. and Mrs. D. W. Grigsby of Nocona, Mr. and Mrs. Ralph Donnell of Saint Jo, Mr. and Mrs. Dave Walker and daughter of Dallas, Messrs. and Mrs. Ralph Breeding, Wayne Taylor and Earl Mullins of Gainesville and Mr. and Mrs. Earl Taylor of Era.

Among those from out of town unable to attend but sending gifts were Messrs. and Mrs. Bert Soutter and Gene Soutter of Dallas, the F. W. Fischers of Gainesville and the Lloyd Hefners of Amarillo. Several out of town family members and friends telephoned greetings.

Bindel Family Has Day Long Reunion

Mr. and Mrs. Frank Bindel had all their family with them Sunday for a day-long reunion. They weren't making any special occasion, it was a day when the parents and their eight children, along with their husbands and wives and the 15 grandchildren could get together.

Covered dishes brought by those attending provided dinner and supper and in between there was visiting, card and domino games and picture taking.

Coming from out of town were Mr. and Mrs. Leonard Bindel and children of Dallas, Mr. and Mrs. William Koerner and family of Pilot Point and Gilbert Bindel of Gainesville.

Louise Schmitz Is Wed in Colorado To Louis Wichlacz

Of interest here is the June 15 marriage of Miss Louise Schmitz and Louis Wichlacz in Craig, Colo. The bride is the daughter of Mr. and Mrs. H. M. Schmitz of Muenster.

Wedding vows were exchanged during nuptial mass at 10 a.m. in St. Michael's Church with Father John Anderson officiating.

For her wedding the bride chose a ping lace sheath-type dress with satin underlay. Her accessories were in white and her flowers were sweetheart roses and stephanotis.

Mr. and Mrs. Ben Wichlacz attended the couple, Mrs. Wichlacz wearing blue lace as matron of honor.

A reception at the church followed the ceremony and since they have returned from their honeymoon they are at home in Craig at 735 Ranel Street.

The bride is a native of Muenster and a former member of the WAACs. She has been employed in the offices of the Mountain States Telephone Company at Craig for the past several years.

Her co-workers honored her with a pot luck supper as a pre-nuptial courtesy and presented her a gift. Another honor was a gift party with 14 guests attending. Main feature of the evening was making a bride's book while another entertainment feature was a crazy hat show with narration by the hostess.

Vacation for Anne and Helen Landsfeld was two weeks on the farm at Ennis with their uncle and aunt, Mr. and Mrs. Joe Liska, where their brother Wesley Jr., is spending the summer. Mr. and Mrs. Wesley Landsfeld and Betty went to Ennis Saturday to bring the two girls home and they brought a cousin along for a week's visit. Their guest is Del Marie Janousek. Her parents will come for her Sunday.

Helen Hacker and Clyde Muller Are Married at Mass

—Boyd and Breeding Photo

Sacred Heart Church was the setting for the wedding of Miss Helen Hacker and Clyde Muller Saturday with Father Christopher Paladino officiating at the four o'clock nuptial high mass and double ring ceremony.

Parents of the couple are Mr. and Mrs. John Hacker and Mr. and Mrs. Matt Muller.

Mr. Hacker escorted his daughter to the altar and gave her in marriage. She was lovely in a gown of embroidered tulle over a double skirt of net and taffeta, the fitted bodice with long petal point sleeves and square neckline flowing out from the slim waistline to an aisle-wide skirt with a whirl of ruffles at the center back. A tiara of pearls held her elbow-length veil and she carried an orchid atop her prayer book.

Bride's attendants were her sister Miss Joyce Hacker and the groom's sister Miss Jeanette Muller. Their bouffant waltz length dresses were identically designed of light blue embroidered nylon sheer with bell sleeves and cummerbunds. Their headpieces and mitts matched their dresses and they carried bouquets of blue tinted carnations.

Groom's attendants were Alvin Fleitman, best man, and Pete Hellinger of Lindsay, groomsmen.

The couple pledged vows before an altar adorned with white gladioli, greenery and candles. Anthony Luke was organist, Sacred Heart men's choir sang the mass, and Mrs. Norbert Walterscheid, bride's aunt, was soloist for a post-nuptial selection while the bride placed white gladioli on the Blessed Virgin's altar.

Herbert Knabe and Pat Knabe, groom's nephews, were ushers, Candle lighters and servers were David and Dennis Hess, Ricky and John Paul Endres and Earl Cunningham.

After the ceremony a reception and dinner catered by Mrs. Joe Lehnertz was held in the Parish Hall where some 250 guests served themselves from a sumptuous smorgasbord. Mrs. Nick Miller was in charge of decorating using a hearts, flowers and wedding bells theme in white and blue.

Misses Shirley Walterscheid and Marilyn Hess presided at the bride's book.

After a dance in the VFW Hall the newlyweds left on a honeymoon trip not revealing their destination. They will make their home here when they return.

The bride is a graduate of Sacred Heart High with this year's class and the groom was graduated from Muenster High and attended Gainesville College. He served in the army three years.

Among out of town relatives at the wedding were the Matt Stelzers and the Andy Stelzers of Post, the Stan and Paul Yostens and the Charlie Stelzers of Fort Worth, Mr. and Mrs. Al Schnitker of Pottsboro, Mrs. Joe Schnitker of Denison, the Don Mullers of Dallas, the Felix and Donald Peizels and the Eddie Hackers of Pilot Point and the Paul Herrs of Arlington, along with relatives and friends from Gainesville and Lindsay.

Karen Endres, New President of CYC

Election of officers was the business on the agenda for the parish Catholic Youth Council at their meeting Wednesday night and members favored Karen Endres for president.

Working on the executive committee with her for the new year are John Dave Fleitman, vice president; Milton Fette, secretary; and Charlotte Schilling, treasurer.

Carol Ann Hess, retiring president, conducted the session in the presence of Father Bruno, spiritual advisor. Ten new members were enrolled and welcomed at the meeting.

Mrs. Gene Gieb Is 42 Club Hostess

Month's meeting for the Progressive 42 Club was held with Mrs. Gene Gieb as hostess in her home. After the games she served cake, ice cream and coffee.

Leading the scoring for the top prize and also securing the galloping award was Mrs. Norbert Walterscheid while Mrs. Paul Luke received the consolation favor. She will be hostess for the next meeting.

Family members from Muenster present were Messrs. and Mrs. Ted Gremminger, John Knabe, Tommy Knabe and Norbert Knabe, Leo Sicking, Gary Hess, Gerald Hess, Maurice Pagel and their families and Mrs. Tony Gremminger. Father Martin Fischer was a special guest.

Local News BRIEFS

Mr. and Mrs. David Trachta and family are moving into their new home and their former home will be occupied by Dr. and Mrs. W. H. Blake, moving there from Mrs. Ben Hellman's house.

Mrs. Eva Gottlob of Azle is vacationing here with relatives for a few weeks. She's the houseguest of her brother and sister-in-law, Mr. and Mrs. Matt Muller.

Mr. and Mrs. Charlie Stelzer of Fort Worth were weekend guests in the home of Mr. and Mrs. L. A. Bernauer and were among those attending the Hacker-Muller wedding.

Mrs. Ed Hess and daughter Jo Ann and sons Leroy and Terry enjoyed a week's vacation visiting Cpl. and Mrs. Richard Hess at Millington, Tenn., where they live and at Memphis where he is based at the Naval Air Training Center. Tops for entertainment was a two-day air show. Returning the Muensterites were caught in the storm between Memphis and Little Rock and were held up several times, once for two hours on account of flood water.

Mr. and Mrs. Willie Joe Matthews and daughter have moved from Greenville to Gainesville and are at home there at 1909 Weaver St. She is the former Lorraine Sickling.

Spending this week here are Mrs. Ray Smith and son Craig of Dallas who are guests of her parents, Mr. and Mrs. W. R. Linn, while Mr. Smith is in California. He went to attend the funeral of his mother.

Wedding of their niece took Mr. and Mrs. Joe Luke to Rhineland Saturday when Miss Joyce Marie Michels, daughter of Mrs. Eugene Michels, was married to Jerry Prestridge of Austin. Father Anthony Schroeder officiated at the nuptial mass. Wedding reception was held in the home of the bride's mother. Mr. and Mrs. Luke rounded out the weekend by visiting other relatives in Munday and Seymour.

Mr. and Mrs. C. C. Hogan of Fort Worth, Mr. and Mrs. Bill McCollum and Mr. and Mrs. Dave Walker of Dallas were weekend visitors with Mr. and Mrs. Dick Cain.

Mr. and Mrs. Matt Stelzer, who came for the wedding of his godchild Clyde Muller and Helen Hacker Saturday, returned to Post Monday after a weekend visit with relatives here and their son, Maurice and family at Gainesville. They brought their grandson, Walter Stelzer, back home after a visit in Post with them and his maternal grandmother.

Reunion Honors Sister Margaret

Honoring Sister Margaret visiting here from Our Lady of the Lake Convent, her sister, Mrs. Mike Kleiss and family had a reunion with a covered dish dinner at noon Sunday.

The party was held in the Kleiss home and others present in addition to Kleiss children and grandchildren were Miss Lena Kleiss, Mrs. Emil Vogel and Miss Odilia Rohmer. Other relatives came for an afternoon visit.

Sister Margaret left here 65 years ago to enter the convent and made her solemn profession five years later. She will be among nuns of her order in jubilee ceremonies at the convent later this month.

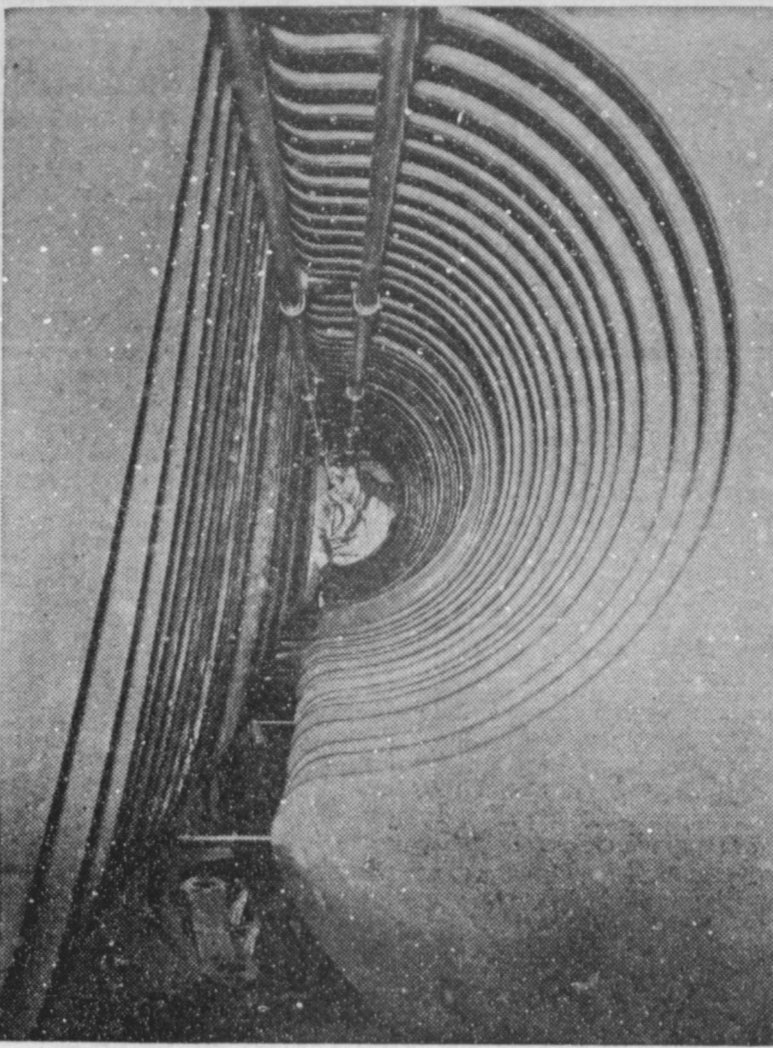

Theresa Mae Pels And Arnold Muller Will Wed July 16

Announcement has been made by Henry Pels Sr. of the approaching marriage of his daughter, Miss Theresa Mae Pels, to Arnold Muller, son of Mr. and Mrs. Matt Muller.

The couple has selected Saturday, July 16, for the wedding to be solemnized with nuptial mass in Sacred Heart Church at 4 p.m.

Attendants will be the groom's brother Clyde and his bride who were married Saturday.

"Roman tax collectors, we learn from Newsweek magazine, nicknamed Vice Chairman Giovanni Agnelli of Italy's big Fiat auto works a mere \$92,000 in income tax or his 1958 salary of \$638,000. If Fiat and Signor Agnelli were in Detroit, the magazine points out, his take-home pay would have been \$462,000 less — or about 73 cents per earned dollar." Hartford, Ky., News

Muenster Native Observes Silver Jubilee as Nun

A former Muenster girl, Sister Regina (Veronica Koelzer) was one of eight Sisters of Our Lady of Atonement celebrating her silver jubilee at the community home in Graymoor, New York, this week Monday. Since 1957 she maintains the post of mother superior in St. Helen's Parish, Roosevelt, Utah.

In returning to Utah after her visit in New York Sister Regina plans to visit here with her sister, Mrs. John Herr, and in Hereford with other relatives.

During her 25 years in the convent she has been missioned to parishes in Ogdensburg and Lake Placid, N. Y., Canada, Brushton, N. Y., Limerick, Maine, and Roosevelt, Utah, also working in Vernal, Utah, in that order.

In 1940 she was sent to Vancouver, B. C., Canada, to work in a completely Japanese parish. She was there when the war broke out and the people were evacuated and sent to Greenwood, B. C. In 1944, she was made superior and opened a new convent at Natal, B. C. She was there six years when she was called back to the states.

Veronica Koelzer was born in Muenster Nov. 26, 1918, the fifth child of Mr. and Mrs. Mike Koelzer and moved with them to Hereford in 1926. She left there to enter the convent in 1933 and made her profession as Sister Regina on June 6, 1935. She has two cousins in the same order as nuns and another cousin, Rev. Bonaventure Koelzer who is assistant to the Father Superior at the Franciscan Monastery in Graymoor.

Texas Leads in Rice, Sorghum and Cotton Production

College Station — Texas far outranked other states in cash receipts from farm marketing of cotton, rice and grain sorghum in 1959, reports John G. McHaney, economist for the Texas Agricultural Extension Service.

Cotton was the leading income source for Texas farmers as it brought in one-third of the total agricultural receipts. Although Texas grain sorghum accounted for over half of the total U. S. production, it accounted for only 10 percent of the State's farm income. McHaney continues.

In other rankings, Texas was second in receipts from cattle and calves, fourth in sheep and lambs and peanuts, and fifth in flaxseed. Even though Texas retained its top spot for number of cattle and calves on hand, Iowa ranked first in total receipts, McHaney says.

NOTES FROM CITY LIBRARY

This week, instead of a book review, the talk is of many things — children's books mostly. It's a pleasure to have so many youngsters come in to make selections. During the past three weeks these young people checked out 399 books, plus magazines, with 77 new patrons coming in.

Ten-year-olds and up will find the Father Finn series as enjoyable as their parents did years ago. "Mostly Boys," "Percy Wynn," "Claude Lightfoot," and other books by the same author are all highly re-

commended by those who read them.

For young girls, the Sue Barton series by Helen D. Boylston are always interesting. These are stories about nurses. And a popular new book for teen-agers, "Saturday Night," by Marjorie Holmes is now available. The library also has added several new adult fiction books.

About 25 new books for little tykes were put on the shelves the past week and as soon as the Sisters can get their library work completed at Sacred Heart School they will loan City Library a number of children's books for the summer.

Thanks to Joe Trachta for a two dollar donation, to Pearl Evans for five and the VFW Auxiliary for ten dollars. Thanks to the following who recently donated or loaned their own books: Jo Ann Fisher, Danny and Joanie Wilde, Jeannine Hofbauer, Tommy Trachta, Kenny Schmitz, Mrs. Paul Fisher, Mr. and Mrs. Joe Luke, Dr. and Mrs. W. H. Blake, Mrs. Bob Swirczynski, and Marye Weinzapfel.

If any donors names are omitted it's not that it isn't appreciated, just that the list is not now available.

Special thanks to Judy Trubenbach, the mainstay at the library, who faithfully works each week and to Mrs. Don Flusche who is a frequent helper. Neither are members of the Catholic Daughters court but still freely give their time.

Cousins Christened In Joint Service

In a joint christening service conducted by Father Martin Fischer in Sacred Heart Church Sunday afternoon, the baby daughters of Mr. and Mrs. John Myrick of Houston and Mr. and Mrs. Arthur Bordeaux were baptised.

Sponsors for Jody Dee Myrick were her uncle and aunt, Mr. and Mrs. Pat Stelzer who were here from Dallas. Rene Myrick Bordeaux's godparents are her uncle and aunt, Mr. and Mrs. John Myrick.

The John Myricks and their four children came from Houston Friday night. They are on a week's vacation here and with her parents, the Ralph Whartons at Gainesville.

Others attending the christening ceremony and having refreshments together afterwards at the Center, were the babies' grandmothers Mrs. T. S. Myrick and Mrs. Wharton, and Mr. and Mrs. J. M. Weinzapfel and Mrs. Kenneth Wiesman of Houston. Mrs. Wiesman and baby daughter came to Muenster with the Myricks to visit her parents, the Herbert Meurers and her husband's parents, the Al Wiesmans.

The story of our nation in the last century as regards the use of grassland, forests, wild-life and water resources, is the most violent and the most destructive of any written in the long history of civilization.

ANATOMY OF POLITICS—Can you recognize the potential presidential candidates from their personal characteristics? Clockwise from Adlai Stevenson's famous shoe are Stuart Symington, Nelson Rockefeller, John Kennedy, Lyndon Johnson. In center is Richard Nixon.

Business Meeting of St. Anne's Society Features Reports

A short business meeting Sunday night for St. Anne's Society consisted of routine reports and announcements. The group adjourned the session early to join St. Joseph's Society in a farewell gathering honoring Father Christopher Paladino.

Expenditures since the last meeting showed \$94.75 for living room furniture in the rectory and \$113.86 for rectory draperies.

In the mission report Mrs. Joe Swirczynski told about having 10 quilt tops ready and needing linings to proceed. The society voted ten dollars from the treasury for this purpose and several members expressed willingness to donate material for the quilting project.

Mrs. C. M. Walterscheid and Mrs. Herbert McDaniel volunteered to represent the organization at a meeting of the teen-age club this week Wednesday after a request from the club's co-chairman Carol Fette that one or two women attend the young people's session.

Scout Fun Night Features Outing With Swim Tests

Boy Scouts' fun night Monday featured a swim party with swimming tests by eight members of the troop who are working for advancement.

Tommy and Roy Hartman and Jerry Taylor, seeking merit badges in personal fitness, passed their starting test by swimming a hundred yards. Counselor Arthur Endres passed the trio.

In first class swim tests conducted by Scoutmaster Nick Miller, five boys swam 150 feet successfully. They are Dwayne Pagel, Pat Hennigan Jr., Randy Wimmer, Joe Hartman and Willie Wimmer.

Assistant Scoutmaster Maurice Pagel was with the troop and Scout Mothers Mmes: Herman Hartman, Pat Hennigan and Tony Hoenig served refreshments to 23 boys and the three men.

Mr. and Mrs. Keith Tompkins and children of Fort Worth drove over Sunday to say birthday greetings to her father, Victor Hartman. When they returned home they took her sister, Patsy Hartman, with them for a visit.

The Era of Regimentation
"Now," the waitress said to a party of four, we'll save time if you will each tell the vegetables you don't want with your dinner."
This system worked okay until the fourth man said he did not want pickled beets.
"Listen!" the waitress complained, "pickled beets are not even listed. You can't not want something we haven't got. You got to not want something we have got."

FOR PERSONS OVER 65

Of general interest to everyone who is either himself over sixty-five years of age or has parents who have passed that age is a bill that was recently approved by the Congress. This new law provides that all medical expenses may be deducted without reference to the present 3% limitation when such expenses are incurred for the care of a dependent father or mother if they have reached the age of 65 before the close of the taxable year. This new provision is effective as of the first of this year.

Postscript

En route to his pumpkin patch, a graybeard kept chuckling over the brightness of his idea to thwart pilfering. He had put up a sign announcing, "One of these pumpkins contains poison."

But when he arrived at the patch, his eyes popped wide as he saw this second sign tacked beneath his own: "Two pumpkins now contain poison."

Local News BRIEFS

Mr. and Mrs. Emil Rohmer will be back Friday after being in Dallas since Monday attending a convention of restaurant operators.

Visitors Tuesday in Myra with Mr. and Mrs. Ike Fulton were her brother and his wife, Mr. and Mrs. Jake Jones of Corpus Christi and Mrs. Charlie Stamps of Sherman.

Four-H clubbers of the county gathered in Gainesville Tuesday afternoon for a workshop on record books, preparatory to readying their records for entry in the district contest at Denton on August 13. Attending from Muenster were Charlotte Wolf, Janice Vogel and Patsy and Mary Ellen Endres. Mrs. Paul Endres drove the quartet to Gainesville for the meeting in the home demonstration building.

Sister Margaret Rohmer and Sister Eleanor Pels ended a visit with relatives Tuesday and returned to Our Lady of the Lake Convent in San Antonio. During their five days here they were entertained with family dinners and gatherings. Sister Eleanor was the guest of her sister, Mrs. Henry Walterscheid, and other relatives stopped in for visits including a brother and sister-in-law, Mr. and Mrs. Bill Pels and Mrs. Jerry Pels and children of Pilot Point. Sister Margaret was the honoree at gathering in the homes of Mrs. Mike Kleiss, the John and Leo Rohmers and Mrs. Joe Pautler.

Mr. and Mrs. Bill Kathman were Sunday dinner guests in the home of Mrs. George Lutkenhaus at Gainesville where other guests were their daughter and family, the W. E. Inssels of Gainesville.

Weekend to Monday guests with Mr. and Mrs. John Herr were their daughter, Mrs. Earl Shephard and children of Dallas who were seeing her parent's new home for the first time.

Three-day vacation for Mrs. Oscar Walter and son Chris and for the two Walter boys on leave from the armed forces was in Jonesboro, Ark. Rodney and David Walter wanted to see their sister and the four of them spent their time with Sister Verona. They also visited with Father Louis, Sister Bertha and Miss Maggie Simons and they all sent regards back to Muenster. Rodney Walter goes back to Navy duty in California this weekend and Airman David Walter leaves next week for assignment in Greenland.

Mr. and Mrs. Bernard Swirczynski are vacationing in Colorado this week, visiting the Clarence Erpeldings and Alex Knaufs at Colorado Springs and sight-seeing in the area. While they are away Mrs. Al Walter is staying at the Swirczynski home with her grandchildren.

Mr. and Mrs. Ed Kosel of Rosebud drove to Muenster Sunday to visit their daughter and son-in-law, the Willard Hartmans, returning home Monday morning.

This week's greetings from Sister Theresina come on a picture postcard showing the interior of a beautiful church, Neu St. Johann. She says she's enjoying a busy schedule, her day usually beginning at 5:30 and continuing until 10 p.m., and including two daily masses in which she remembers all the people of Muenster.

Mr. and Mrs. Bill Crow and children Becky and Billy Ray of Archer City spent their vacation visiting relatives. They were here with her parents and family, the Bill Derichsweilers, Thursday and Friday, then went to Lewisville to visit the Irven Derichsweilers and also visited the Stan Wylies there.

Mr. and Mrs. Ed Mason and four children of Houston are here for a vacation visit with her parents, the John Hartmans and other family members. For Johnny, Kathy, Nancy and Barbara Jean a visit with their grandparents on the farm is the happiest kind of a vacation.

Mr. and Mrs. Joe Hoenig drove to Ennis Sunday for a visit with their daughter and family, the Carl Pelzels.

Mrs. Jim Stephens went to Fort Worth Tuesday to be at the bedside of her sister, Mrs. D. C. McAnally, who is a bed patient. She planned to spend four or five days there.

Birthday of Clarence Hudspeth was observed with a family gathering at his home in Myra with Mrs. Hudspeth entertaining. Present were his mother, Mrs. Nellie Harvey, Mr. and Mrs. Johnny Barthold and children of Gainesville and Mr. and Mrs. James Hammer and children of Muenster.

Arkansas was the vacation site this year for Mr. and Mrs. Gene Gieb and children Gloria, Gary and Glenda, visiting and sight-seeing and driving through the Ozarks. Among enjoyable short visits were seeing Father Conrad Herda at Clarkville, Father Cletus Post at Paris, and the new church at Subiaco. A stop in Oklahoma City was for a visit with Gene's sister's Mrs. Ben Tubb and family, and in Paris, Texas, they were guests of Gladys' sister Henriette—Mrs. Jim Collman and family.

Visiting Mr. and Mrs. A. T. Dickerson several days of the past week was her father, George B. Marshall of San Bernardino, Calif., who went from here to Devol, Okla., to visit another daughter.

"Having a ball" entertaining their grandsons this week are Mr. and Mrs. Lee Toothaker who have Glenn and David Toothaker of Fort Worth with them. The boys' parents, Mr. and Mrs. Wallace Lee Toothaker, brought them and spent the weekend.

Mrs. Mathilda Wimmer is back at home after a three-week vacation with out-of-town daughters and their families. In Fort Worth she was the guest of the Hugh Tarletons and the Sammy Hromciaks and in Dallas she visited Mr. and Mrs. Eddie Mages and Mrs. Irene Nall.

Mr. and Mrs. Bob Mack Cooke and daughter Ruth Ann of Carrizo Springs spent a part of their vacation with the Reeves and Don C. Cookes here and the Ernest Biffles at Myra. Another guest with the Don Cookes during the weekend was Mrs. Bob Cooke of Abilene. Additional guests in the Cooke home Friday were Mrs. Bob Cooke's mother, Mrs. W. M. Thomason and Mrs. Willie Buchannan and Miss Carolyn McClure, all of Gainesville.

Spending Sunday with the Charlie Haverkamp family were Mrs. Haverkamp's sister, Mrs. E. T. Shotwell and three children of Valley View.

Father Joseph Weinzapfel of Fort Worth visited here several days of last week spending a part of his vacation with his parents, Mr. and Mrs. J. M. Weinzapfel and Marye.

Newlyweds Mr. and Mrs. Tommy Herr are getting settled in their home in Fort Worth. They returned from their honeymoon Saturday stopping here for visits with their families, the Frank Schillings and Frank Herrs, enroute to Fort Worth. Highlight of their wedding trip was visiting and sight-seeing in New Orleans where three of Tommy's Navy buddies live.

Prescher Herd Tops DHIA Report

Three high herds in the Cooke County DHIA for May, report for that month just released, are Peter Prescher's leading in both milk and butterfat production with 1209 and 48 pounds respectively. The herds of Ben Davis and H. F. Schniederjan split honors, the Davis cows being second in butterfat with 42 pounds and third in milk production with 1116 pounds and the Schniederjan cows chalking up 1144 for milk and 41 for butterfat.

Other high herds of the month are those of Felderhoff and Sicking, Tommy Knabe, Paul Fisher, C. A. Fisher, Ed Sicking, Jerry Hoenig and Paul Fetsch.

Association-wide the average butterfat production totaled 35 pounds and milk averaged 901 pounds per cow. Eighteen herds were tested and there were 135 cows posting 50 pounds or more of butterfat. There are 542 cows in the association, 473 of them in milk.

Among state associations the Cooke DHIA was in first place for butterfat and second for milk production for May tying with Dallas County in both categories. The figures are 37 and 979 pounds. Wichita Valley led with a 996 milk average and was second in pounds of butterfat with 35.

State Officials Urge Caution in Operating Boats

Austin, Texas — The Texas Highway Department, official boat-registering agency for the State of Texas, cautioned all motorboat operators to use common sense afloat at all times — not just during National Safe Boating Week, July 3-9.

The Texas Water Safety Act requires accident reports to be filed with the Texas Highway Department. Reports to date indicate inattention and unsafe conduct on the part of boat operators cause 63 per cent of motorboat accidents. Weather conditions account for 21 per cent. The Department points out, however, that some of the weather-caused accidents could have been avoided if the operators had checked local weather reports.

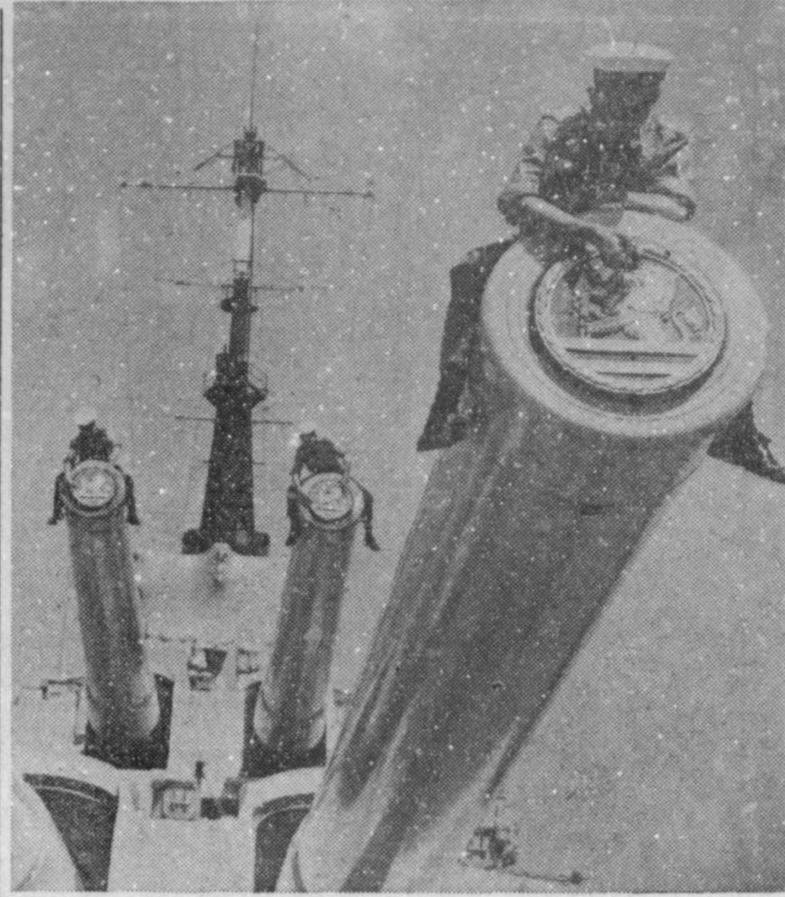

Department statistics indicate that 90 per cent of the operators involved in accidents have had more than 100 hours of experience — shattering the popular belief that inexperienced boat operators have the most accidents.

The Highway Department urges a two-man crew when pulling a skier — one to operate the boat, and the other to keep an eye on the skier and give instructions to the operator. One of the most common accidents involves only one person in a boat pulling a skier. The boat operator, watching the skier, fails to watch the path of his boat and collides with another boat or object. More than half (53 per cent) of the reported accidents are classified as collision with another boat or object.

When a re-survey of estimated costs of a Thailand highway to be built with foreign aid funds showed it would cost \$22 million instead of the original \$7.5 million, government officials decided to build only one-half of the 200-mile road. The new estimate cost for the 100 miles was put at \$21.4 million.

The basic strength of any nation is its moral strength. All the weapons, all the productive capacity, all the money on earth, cannot save a people from ultimate destruction if their moral fiber decays, their national character rots, and they sink into an abyss of material cynicism, indifference, selfishness, avarice, greed.

MUZZLED FOREVER—Never fired in anger, the big guns of H.M.S. Vanguard have their fancy muzzle plugs, called tompons, removed. The vessel, built in 1946, now obsolete, is being scrapped in Portsmouth, England.

Cecil Ward Heads National Assn. of Auction Markets

Cecil Ward, co-owner of the Gainesville Livestock Auction, is the 1960-61 president of the National Association of Livestock Auction Markets. He was elected last week in the 13th annual convention of the organization held at Lexington, Ky., in connection with the National Livestock Marketing Congress.

Ward was vice president of the organization last year. He is also a past president of the Texas Livestock Auction Association and is now serving on a 15-member livestock market council, a policy making body for more than 2,400 independent local markets making up the nation's livestock auction industry.

it without some show of interest by people who would benefit from the protection.

So, it appears that the issue is up to farmers of the Muenster area. If they expect help from city fire equipment their best course is to make their wishes known to the commissioners. For their sake we hope they will influence a satisfactory solution before the service is needed.
