City Asks Bids on Small Fire Truck For Rural Service

After all the criticism this column has directed at Mr. Khrushchev, it finally has to admit that it is grateful to him for something. Even this is acknowledged grudgingly, but, in fairness, it has to be said that the man has made a contribution to world peace and welfare.

By his utter repulsiveness he has accomplished some things that should have been done by Western powers long ago. He has drawn a line and presented the first occasion for all UN nations to stand and be counted. He has demonstrated that his policy of co-existence is a myth unless everything goes his way. He has widened more than ever the gap separating communism from civilization and freedom and decency.

The world is deeply indebted to him for revealing his real ugliness. By his barbarous misbehavior he has induced people to form opinions and take stands against the evil mob he leads and the evil system he promotes. Representatives of freedom would have had to work hard and long to produce so thorough a division of the two groups of world peoples.

It was gratifying to see him beaten down on every major issue, not only because each was a setback in his campaign of world conquest, but also because communism itself seemed more repulsive with such a repulsive character as its standard bearer.

He even came up with a good idea . . . his threat to pull out of the UN unless it proceeds according to his suggestions. And his purple faced rage was a sight to behold when delegates called his bluff.

Of course he was bluffing. Anyone knows he had no intention of moving out of the spy nest which has been operating for years under diplomatic immunity of the UN. It's unfortunate that other nations, especially our own, did not accept his threat literally and call for a vote on accepting his resignation.

Considering the Soviet record, in which K's recent behavior was only a minor incident, such action would have been entirely proper. From the day the organization was started Russia has been a renegade member. At every opportunity it has obstructed the course of world peace and welfare. It has enslaved one nation after another in defiance of UN orders. It has sent armed forces to resist UN efforts at restoring peace in troubled areas. It has interfered constantly in internal affairs of other countries. While denouncing colonialism and imperialism of other nations it was setting up the most ruthless system of colonialism ever known on earth. By right Russia has forfeited every right to be counted in the world council of nations. It is the enemy of them all, the great violator of the peace they seek to preserve.

So, K's suggestion is still a good one. Pulling his country out of the UN would be just fine. Or kicking it out would be equally fine.

Incidentally, US News and World Report this week mentions another matter which in itself provides sufficient reason to oust Russia and its entire gang of satellites. That mob of international delinquents adds injury to insult by refusing to pay their dues to the United Nations. The article reveals they haven't paid a penny toward the support of UN forces in Palestine so our country, to relieve the organization's financial strain, kicked in \$3.2 million along with its own pro rata assessment. That's taken from tax money, meaning that you and I are helping pay the bills owed by the communists. Don't you think we have a right to howl?

Total amount still owed by Khrushchev and Company to the UN, the article continues, (Continued on page 10)

KC Council Sets Observance Date For Patron's Feast

Observance of Columbus Day by the Muenster K of C Council will be delayed this year because of a conflict in dates with the mission now under way in Sacred Heart Parish.

Grand Knight John Mosman revealed this week that the annual group communion and communion breakfast has been set for Sunday, October 23.

Mass Schedule Not Changed in Parish

There will be no change in the schedule of church services in Sacred Heart Parish, Father Alcuin has announced, saying that the present schedule, previously set for the summer months will continue throughout the year. In other years there was a summer and winter schedule.

Accordingly, services continue with masses at 6, 7:30, 9 (high mass), 10:30 a.m. and 7 p.m. on Sundays and holy days.

News of the Men in Service

Begins Basic Training

Lloyd Trubenbach, son of Mr. and Mrs. Alois Trubenbach has started basic training at Fort Hood. Visiting with him Sunday was his wife Gwen of Gainesville.

End Ten Day Leave

Airman First Class and Mrs. Antonio Chantre and children, Anita, Gwen and Wayne, have returned to Salina, Kansas, after spending a ten-day leave with her parents, Mr. and Mrs. John Streng and Clara. They also visited Mrs. Chantre's sister and family, the Tommy Phillips in Gainesville and were in Fort Worth one day to visit another sister, Mrs. Sammy Hromcik and family. Mrs. Chantre is remembered as the former Miss Frances Streng.

Settled At New Station

Naval Airman Kenny Fette reports arrival and assignment at his new station in Memphis, Tenn., following a leave here after completing recruit training in San Diego, Calif. He is studying to become an aviation electronics technician.

Tiger Cubs Blast St. Joseph's 30-14

Three long scoring runs by Jimmy Klement and another by Roy Wimmer beat the St. Joseph's kids of Sherman before they could get started on the Tiger field Sunday afternoon. The final count was 30-14.

All of Sacred Heart's scoring was done in the first half. The Cubs got possession of the ball five times and four of the times they scored from far up field. Klement besides making 3 TDs went over three times for extra points.

The second half was all St. Joseph's. Taking the kickoff they moved steadily on a 70 yard drive to their first counter. After that Cub reserves were given a chance and the visitors put on their second scoring drive.

The Cubs will play their next game Sunday afternoon at Windthorst.

Hornets Clobber S&S Rams 29-0 in 12-B Loop Opener

Lack of experience by the Sadler-Southmayd Rams, newcomers in 11-man football this year, enabled the MHS Hornets last Friday to start their 12-B conference race with an easy 29-0 win.

Though they held an advantage in size the hosting Rams were no match for the Hornets, either offensively or defensively. Wimmer and Wiesman, sparking the Hornet drives, ran them ragged in the first half and a combined passing running attack was equally effective in the second period.

The game started fast as Wimmer ripped off 17 to the Ram 40 and Joe Hellman's pass for Mark Hellman seemed like a probable TD. But an S&S defender charged in just in time to intercept.

The Hornets held on the first series and Harris followed with a first down but the next series fizzled. On its turn Sadler booted setting the Hornets back to their 15 as the starting point for their first scoring drive.

Fourteen plays made the distance, Wiesman going the last 18. A run for extra points failed.

S&S followed with a first down and failed on the next series, after which the Hornets got going again. Two first downs gained 30 and the third series ended in a kick. But Mark Hellman's recovery of a (Continued on page 4)

Tough Odds Await Hornets in Fracas With Whitesboro

The toughest ball game so far awaits the MHS Hornets Friday night as they go definitely out of their class to take on Whitesboro's Bearcats. Whitesboro, formerly in Class AA dropped down to A this season. The game will be played in Whitesboro.

Coach Bob Gay, who saw the Cats in action at Nocona says they are husky and good. They'll be towering over his boys and they'll be using option plays that are hard to stop. He judges also by the record to date, which stands as a credit to Whitesboro. It has beat Decatur and has lost close ones to Nocona, Henrietta and Keller, all stout outfits.

Gay prefers to hope, however, that results will not work out as indicated by the comparisons. He likes the way his boys have been doing on offense and defense, and he has a faint notion they may get a few breaks and spring an upset.

All the Hornets will be in uniform, though a few still have battle scars. Wolf will be back after missing a game. Johnny Pagel will have a guard for his injured nose. Mark Hellman expects his injured hand to be ready.

Fracture Fatal to Flusche Nun, 80 Of OLL Convent

Sister Cordula, one of the four Flusche sisters in the convent, failed to respond to treatment for complications following a broken hip and died at 1:30 a.m. Tuesday in Santa Rosa Hospital in San Antonio where she had been a patient since fracturing a hip on August 24. She was 80 and had been a nun for 64 years.

Relatives here learned of her death Tuesday morning in a telephone call from a niece, Sister Ann Theodore, and some made plans to attend the last rites Thursday at 9:30 a.m. in Our Lady of the Lake Chapel, San Antonio. Burial was in the convent cemetery.

Sister Cordula was unusually active and alert in spite of her advanced age and was still teaching at the time of her accident. The mishap occurred at Sealy, Texas.

Her immediate survivors are her sisters in the convent: Sisters Josephine, Constantia and Emerita. Other survivors include a large number of nieces and nephews. She was a sister also of the late Joseph Flusche and Mrs. Theodore Wiesman.

All four of the Flusche girls entered the convent from here. Sister Josephine, oldest of the quartet, left first and made her profession in August 1899. The other three made their final vows at the same time in August 1904. Sister Cordula was second youngest of the four.

Death Ends Short Critical Illness Of Sharon Otto, 3

Three-year-old Sharon Otto died at 1 a.m. Tuesday in a Gainesville hospital after a few weeks' illness. She was the daughter of Mr. and Mrs. John Otto.

Funeral services with Mass of the Angels were held Wednesday morning in Sacred Heart Church at 9:30. Father Alcuin Kubis officiating and Nick Miller Funeral Home directing burial in Sacred Heart Cemetery. Cousins were bearers: David Hoenig, Douglas Otto, Thomas Flusche and Claude Vogel.

A rosary service was held at the Miller Chapel Monday at 7 p.m.

Sharon was born in Muenster July 24, 1957, ninth in a family of ten children. In addition to the parents she is survived by four sisters: Dolores, LaVerne, Earline and Marilyn; five brothers: Kenneth, James, Jerome, Edward and Thomas, and the paternal grandparents, Mr. and Mrs. Tony Otto, all of Muenster.

NEWS OF THE SICK

Joe Starke is in the Nocona Hospital suffering from a broken right leg since Saturday. The accident happened when a grain drill tilted backwards and pinned him underneath. The leg is broken in two places, once above the ankle and the other about four inches above the first break. It was put in a temporary cast and he will be in the hospital about eight to ten days.

A sprained right shoulder and a black eye are the results of football scrimmaging last Thursday for Teddy Miller, son of Theo. Miller. He is hoping to be back in the game this Friday when the Tigers play Callisburg.

Larry Sparkman returned to school after being a shut-in since September 19 when he underwent an emergency appendectomy.

Dale Bayer suffered a painful cut on his hand while opening a window at Sacred Heart High School. The cut required five stitches to close the wound. He is a son of the Martin Bayer's.

Mrs. Ray Evans has been dismissed from a Dallas hospital and is convalescing at her home from surgery performed last week Monday. Mrs. Joe Trachta drove to Dallas this Monday to bring her back.

Karen Coursey continues to show improvement and spends a part of each day up in a wheel chair at Gainesville Sanitarium.

From Van Buren, Ark., comes word from Father Alphonse Mueller, formerly of Muenster, reporting that he has recovered from recent illness and has been dismissed from doctor's care. He added a note of thanks for good wishes, prayers and other kindnesses of Muenster friends during his sick spell.

Blessed Events

It's a boy was good news for Mr. and Mrs. Ray Wilde. The little boy was born at 3:20 a.m. Tuesday, at Gainesville Sanitarium, weighing seven pounds eight ounces. He's a brother for Danny, Janice, Joan, and Teena, and a grandson for Mr. and Mrs. J. B. Wilde, of Muenster and John Schmitz of Thackerville, Okla.

Mr. and Mrs. Carl R. King have announced the birth of their first child, a girl born September 29, at 11:32 p.m. at Gainesville Sanitarium, weighing eight pounds. Her daddy is math teacher at Muenster High. They have named her Carla Ann.

Mr. and Mrs. J. A. Sanders are great-grandparents again. The newcomer is Debra Gayle Holcomb of Fort Worth, daughter of Mr. and Mrs. Doug Holcomb and a sister for Randy. She was born Friday evening, Sept. 30, weighing in at eight pounds 13 1/2 ounces. Mr. and Mrs. Sanders were in Fort Worth Friday night and Saturday to visit the baby and other relatives.

Preliminary Work Begins On Fund Raising Campaign For Community Hospital

The biggest and most important job in Muenster's hospital project, that of raising the necessary finances, was started last Saturday night and is due to get into full swing the third week of this month.

Directors of the Muenster Hospital Authority, meeting at the bank, decided to turn their fund raising campaign over to the Community Service Bureau, Inc., of Dallas, a professional fund raising firm which has directed two drives for Sacred Heart church. John Monk, who directed the first church drive, was here as a representative of the firm and agreed to take charge of this campaign.

The program will be spread over an eight week period beginning October 17. Its goal will be \$300,000, which will meet this community's half of the cost of the hospital and also provide, operating capital for the first two years, as required to qualify for a Hill-Burton grant.

Monk said he is busy on another program until the 17th. He will come here then and establish an office to prepare a card system and organize the team of solicitors.

Meanwhile a brochure is in the making and will be sent out before solicitations begin. Ernest Lovan of Public Relations Services, Dallas, was here Monday to begin the job of gathering data for the publication. His firm will have charge of the publicity work.

Luckless Tigers Lose 40-0 Tussle To Fannindel Hi

An expected break did not materialize for the Tigers as they entertained the Fannindel Falcons of Ladonia last Friday. Finally, they thought, they would meet a team of their own caliber, but instead they ran into another power house. The result: Falcons 40, Tigers 0.

Adding to the disappointment of the one sided loss was the Tigers' failure to score on their only opportunity of the game. Claude Bayer got away on a beautiful 75 yard gain but was hauled down just a yard short of the goal. Normally that would still have been a nice set-up, but this one happened to be the last play of the game.

Because of that run the Tigers almost matched their visitors on gains from running plays . . . 110 to 112. However the Falcons were strong on passes and made ground gains where they counted. Another big factor: Sacred Heart lost possession on four interceptions and three fumbles.

Fannindel took charge the moment it got hold of the ball. After failing to gain Sacred Heart ended its first series with a kick, and a fleet footed (Continued on page 10)

James Hess Buys Sinclair Station

Since Monday James Hess is owner and manager of Muenster Sinclair Station. Formerly a half owner of the business, he bought the interests of Donny and Tommy Walterscheid.

Under the previous arrangement the three partners divided their time between the station and oil field work. Now Hess will make the station his full time job and the Waltersheids will work full time in the oil field. Tim Wimmer will assist Hess at the station.

DRIVEN FROM FARMS?

One may expect to hear a good deal during the campaign about the plight of the American farmers and the disappearance of the "family farm." Senator Kennedy in accepting the Democratic presidential nomination, said that "farmers forced from the farm will know how to vote." And Gov. Nelson, narrating the Democratic campaign film, tells of "3,500,000 Americans driven from their farms since 1953."

Unquestionably many farmers have moved into non-farm jobs, full time or part-time, as a way to increase their income. The total num-

ber of farms continues to drop. But how many farmers gave up their land because they had to there is no way of telling. The most recent figures wouldn't indicate unusual distress.

In a review of farm transfers for every year since 1912 the United States department of agriculture has found that for the 1952-59 period the annual rate of foreclosures and tax sales was 2.2 per 1,000 farms. In 1942-49, including prosperous war years, the rate was 2.8 per 1,000.

Total farm disposals, including all voluntary sales, were at the annual rate of 47.3 per 1,000 in the 1952-59 period. In the 1942-49 period the comparable rate was 67.1.

Steady rise in average farm prices indicates that most sales should have yielded a profit to the seller. Unquestionably the high prices paid for some farm land purchased for urban developments accounted for a good many sales. Others were "forced" only in the sense that the land was taken for essential public improvements such as highways, parks, airports and the like, at market prices.

Some 60% of all the farm land sold, however, was purchased by other farmers. And though the average size of farms continued to rise, the estimate for 1957 (last available) was that "some 96% of all farms were family operated — the same percentage of 25 years before."

TO BE LET ALONE

"A common fallacy about man's duty to man was repeated recently by a prominent layman at a religious conference," says The Saturday Evening Post editorially. "As an expression of our social responsibilities he suggested, 'We are our brothers' keepers'."

This point of view, the Post went on, is due to a serious misinterpretation of the Scriptural passage in question. It then said: "If all the world's people were our brothers and we were our brothers' keepers, they would also be our keepers. We would be among the kept. In the slave societies of totalitarianism, from the Baltic Sea to the sad coasts of Siberia and China, everybody is required to be his brother's keeper — to maintain a sharp watch on him and to blow the whistle the minute he deviates from total obedience."

"Well-meaning people who tell us that our duty is to be our brothers' keepers . . . have failed to draw clear distinctions between proper help and perpetual meddling. We have a duty to help the sick, the incapacitated, the very weak. But what our neighbors in general need is a large amount of being let alone."

The fact is that human history has largely consisted of the endless struggle of people's seeking "a large amount of being let alone." And that often-violent struggle has generally been directed at systems of government which treat the individual as a number whose duty is to do what he is told and not ask questions. The most basic of all freedoms is the privilege of being let alone.

THE FARMER'S THE GOAT

The lady at the supermarket checkout counter was unloading her purchases. Out of the shopping cart came three packages of cigarettes, four cakes of soap, two bottles of hand lotion, a bottle of suntan lotion, a jar of face cream, a pair of canvas work gloves, two knitting needles, four small flashlight batteries, two magazines, a phonograph record, a bouquet of artificial flowers, six glasses and one dish, a quart of milk, a dozen eggs, a TV dinner and a package of frozen chicken.

As this lady paid her bill, she commented: "Food is so expensive nowadays. No wonder the farmers are getting rich!"

The award for tact and diplomacy goes to the husband whose wife was giving a dinner party. While carrying the beautifully browned 15-pound roast into the dining room, she dropped it and the meat rolled off the platter and slid along the floor.

Her husband spoke calmly. "My dear," he said, "just pick it up and carry it back to the kitchen. Then bring in the other roast."

A Logical Answer

THOMAS JEFFERSON SAID:

I place economy among the first and most important virtues, and the public debt as the greatest of dangers to be feared. To preserve our independence, we must not let our rulers load us with perpetual debt.

We must make our choice between economy and liberty, or profusion and servitude. If we run into such debts, we

must be taxed in our meat and drink, in our labors and in our amusements.

If we can prevent the government from wasting the labors of the people under the pretense of caring for them, they will be happy.

WHY VOTE?

by George R. Fitzgerald, First Lieutenant, U. S. Air Force Reserve

There is something vibrant and hopeful — even colorful — about elections in a free society: the campaign rallies and speeches, buttons and banners, journalists' quips and cartoons, and whistle stops in every nook and cranny throughout this vast Republic. During campaign time the young and old become a pleasant mixture of the gay and sober politician.

"May the best man win!" becomes the national slogan.

THE MORE freedom a nation has, the more intelligent and informed must its citizens be to use that freedom well.

Voting is both a privilege and a duty. The right to vote creates responsibilities. We are obligated to weigh issues carefully. Voting for a man because of family traditions or his looks is not intelligent voting.

When the American people prepare to go to the polls, the world watches. Why? Because America is a free nation—a world leader. What happens in Washington affects nearly every nation on earth. When our candidates speak on disarmament, foreign aid, social security, medical benefits for the aged, labor and business problems, missile programs or the price of Cuban sugar, the world listens. America is committed to world leadership. So the world has a heavy stake, for better or worse, in the way Americans regard their voting privileges and duties.

NO CANDIDATE can expect to escape the piercing look of a well-informed, free voting public. What is the candidate's view on a fair wage and aid to poor and underdeveloped nations? What is his attitude on scandals in our public life; his policy toward the physical, educational and spiritual health of our nation? What are his plans for cooperation with other nations for peace and justice in the world?

DEMOCRACY works only when its citizens are interested and informed. A society which says "let's leave the government to the politicians" becomes lazy and stagnant. It surrenders its freedom. In a democracy everyone must be a politician. The word "politician" is a noble word. It refers to the art of running a government well. We must keep politics healthy. Each of us must vote for the best man. A free people has a serious obligation to take an interest in their government.

If the day ever comes in this nation when we're not allowed to worship God according to the light of conscience, it will be because for years we never thought it mattered for whom we voted.

HONESTY, justice and prudence — all the virtues with which we like to pride ourselves — are basic to good government. The man for whom we vote, elected from the people, by the people, and for the people, will serve all the people.

Listen! Weigh the issues! Know your candidates and their platforms. Vote intelligently! Vote for the BEST man!

HERE! THE GREATEST SIXTY-ONEDERFUL CHEVROLET

Here's the car that reads you loud and clear—the new-size, you-size '61 Chevrolet. We started out by trimming the outside size a bit (to give you extra inches of clearance for parking and maneuvering) but inside we left you a full measure of Chevy comfort. Door openings are as much as 6 inches wider to give feet, knees, and elbows the undisputed right of way. And the new easy-chair seats are as much as 14% higher—just right for seeing, just right for sitting.

Once you've settled inside you'll have high and wide praises for Chevrolet's spacious new dimensions (in the Sport Coupes, for example, head room has been upped as much as 2 inches, and there's more leg room, too—front and rear). Chevy's new trunk is something else that will please you hugely—what with its deep-well shape and bumper-level loading it holds things you've never been able to get in a trunk before.

Yet, generously endowed as this car is with spaciousness and clean-etched elegance, it holds steadfastly to all the thrifty, dependable virtues Chevrolet buyers have come to take for granted. Your dealer's the man to see for all the details.

There's never been a trunk like it before! The floor's recessed more than half a foot and the loading height is as much as 10 1/4 inches lower.

Voth-Walterscheid United in Nuptial Saturday Morning

—Boyd and Breeding Photo

The wedding of Miss Margie Walterscheid to Melvin Voth was solemnized at 10:30 Saturday morning in Sacred Heart Church. The bride is the daughter of Mrs. Alphonse Walterscheid of Muenster, and the bridegroom is the son of Mr. and Mrs. Tony Voth of Lindsay. Father Alcuin Kubis, pastor, officiated at the nuptial high mass and performed the double ring ceremony. Weldon Bezner, the bride's brother-in-law, presented her for marriage. She wore a formal gown of Alencon type lace

Parochial Classes Elect Officers

Election of class officers at Sacred Heart High school was held during the past week and heading the senior class is Roger Taylor as president with Tommy Vogel, vice president; Karen Endres, secretary; and Betty Dangelmayr, treasurer. Charlene Otto was elected president by the Junior class and others elected were Donnie Hess, vice-president, Joyce Hacker, secretary; and Peter Kappas, treasurer. The Sophomore class chose Janice Vogel as president; Annette Knaufl, vice president; Judy Walter, secretary; and Sandra Walter, treasurer. Leading the Freshman class will be Francis Fuhrmann, president; James Eckart, vice president; Joyce Owen, secretary; and Earl Cunningham, treasurer.

SH High Names Queen Candidates

The Queen candidates of Sacred Heart High school have been elected and are soliciting votes at a penny a vote. The candidates are Jeanette Mueller for the Senior class; Patsy Endres, Junior class; Joan Hundt, Sophomore class; and Rita Noggler for the Freshman class. The queen will be crowned by the football captains and will reign over the football game between the Sacred Heart Tigers and the Laneri Micks of Fort Worth, on October 28.

over satin, designed in a wide-tiered skirt with a back effect of smaller tiers of alternate rows of lace and pleated tulle which extended to a chapel train. The bodice had a portrait neckline, long sleeves and the lace pattern had been re-embroidered with iridescents and pearls. Her shoulder length veil was attached to a tiara edged with pearls and iridescents. She wore a single strand pearl necklace, and carried a bouquet of white roses.

Miss Jeanette Walterscheid was her sister's maid of honor and Miss Alice Voth, a cousin of the groom, and Mrs. Herbert Schmidkofer, the groom's sister, were bridesmaids. Their double-skirted street-length dresses were identical, made of royal blue brocade satin designed with short sleeves and a cummerbund. They wore white accessories and their jewelry was a gift of the bride. They carried baskets of white mums.

Best man was Frank Sandmann, a friend of the couple, and David Walterscheid, the bride's brother and Herbert Schmidkofer, brother-in-law of the groom were groomsmen. Another brother Wilmer Walterscheid and a cousin of the groom, Albert Zimmerer were ushers.

The brides mother was attired in a charcoal grey two-piece outfit with black accessories, the grooms mother wore a variegated blue dress with matching hat and other accessories of white carnations.

The Sacred Heart choir provided the music, and Mrs. Norbert Walterscheid, aunt of the bride, was soloist, accompanied by Anthony Luke, organist.

Immediately after the mass a brunch was served to the bridal party and immediate family members in the home of the bride's sister Mr. and Mrs. Weldon Bezner at Lindsay.

Reception and buffet supper in the Parish hall at 5 p.m. honored the newlyweds. About 250 guests were present. Misses Agnes Noggler and Lorene Voth registered the guests.

When Mr. and Mrs. Voth left on their honeymoon, destination unrevealed, she was wearing a brown two-piece ensemble with brown accessories. They will make their home in Lindsay. Mrs. Voth is employed at the Cooke County Electric Co-op, and Mr. Voth is engaged in farming.

Among out of town guests included his grandmother Mrs. Ed Rae of Amarillo, and many relatives from Lindsay and Gainesville.

14 Classmates at Linda Voth Party

Linda Voth was the honoree at a birthday party given by her mother Mrs. Ray Voth at the family home Sunday afternoon. She was seven October 4.

Fourteen little girls, all classmates, enjoyed the afternoon of games and prizes, picture taking, and watching Linda open her gifts. Refreshments of birthday cake, ice cream and soda pop was served to the group.

Also enjoying the party were her sisters Mona, Valerie, and Brenda, and her little brother Danny.

SHOW ON WORTH! CHEVROLET

NEW '61 CHEVY CORVAIR

More space . . . more spunk and wagons, too!

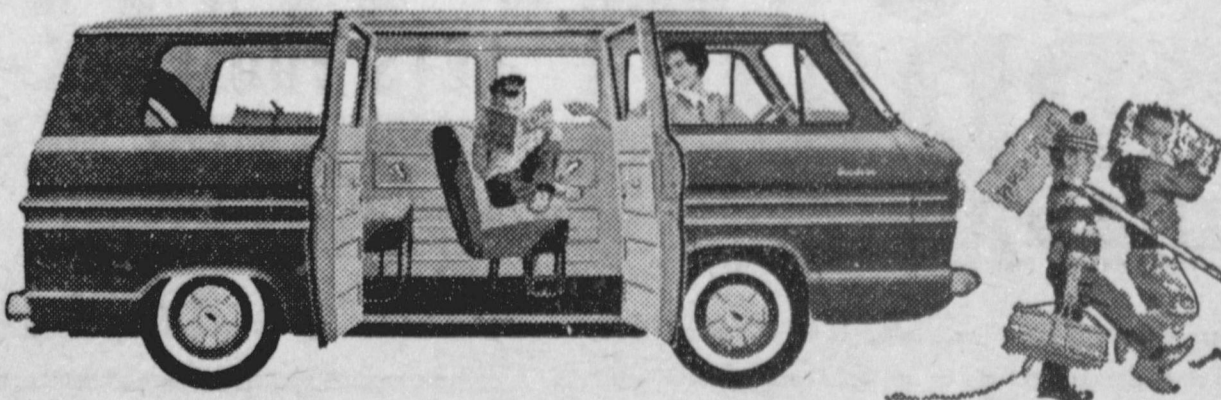

The newest car in America: the CORVAIR 700 LAKEWOOD 4-DOOR STATION WAGON.

CORVAIR 700 CLUB COUPE. Like all coupes and sedans, it has a longer range fuel tank.

CORVAIR 700 4-DOOR SEDAN. Provisions for heating ducts are built right into its Body by Fisher.

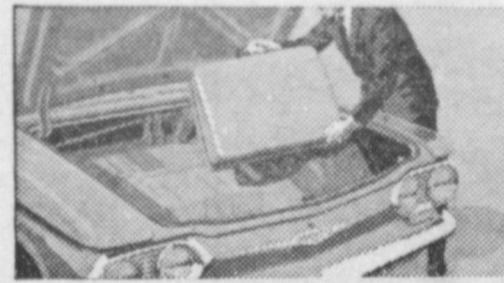

Here's the new Chevy Corvair for '61 with a complete line of complete thrift cars.

To start with, every Corvair has a budget-pleasing price tag. And Corvair goes on from there to save you even more. With extra miles per gallon . . . quicker-than-ever cold-start warmup so you start saving sooner . . . a new extra-cost optional heater that warms everyone evenly. Riding along with this extra economy; more room inside for you, more room up front for your luggage (sedans and coupes have almost 12% more usable trunk space).

And our new wagons? You'll love them—think they're the greatest thing for families since houses. The Lakewood Station Wagon does a man-sized job with cargo, up to 68 cubic feet of it. The Greenbrier Sports Wagon you're going to have to see—it gives you up to 175.5 cubic feet of space for you and your things.

Corvair's whole thrifty lineup gets its pep from a spunkier 145-cu.-in. air-cooled rear engine. Same rear-engine traction, same smooth 4-wheel independent-suspension ride. See the polished and refined 1961 Corvair first chance you get at your Chevrolet dealer's.

Spare tire is in the rear in coupes and sedans—leaving more luggage space up front.

Even middle-seat passengers sit pretty, thanks to Corvair's practically flat floor.

Now in production—the GREENBRIER SPORTS WAGON with up to twice as much room as ordinary wagons (third seat optional at extra cost).

See the new Chevrolet cars, Chevy Corvairs and the new Corvette at your local authorized Chevrolet dealer's

Jerry Hoenig Has Top Producer in DHIA for Month

A cow owned by Jerry Hoenig produced 2760 pounds of milk during July to lead all others as the individual high producer in the Cooke County Dairy Herd Improvement Association. And the Hoenig herd was on top for average pounds of milk with the figure standing at 1400.

According to the association's report a cow owned by W. H. Frasher led in butterfat production and was high in test. Those figures are 121 pounds of BF with a 4.7 per cent test.

H. H. Moody's herd led in average pounds of butterfat with 45, and the Paul Fisher and J. E. Elkins herds tied for average test with 3.9.

Only seven cows in the association produced more than 2000 pounds of milk during the month. They are in the herds owned by Hoenig, Fisher, Moody and Frasher.

The Felderhoff and Sicking herd had more cows in milk than any other with that number 41.

During the month 49 cows in the association produced more than 50 pounds of butterfat with the average set at 28. Average pounds of milk per cow was 781.

Mr. and Mrs. J. C. Trachta and J. P. Flusche were in Dallas Thursday attending a Fourth Degree Knights of Columbus function and enjoyed seeing many friends including Dr. E. W. Laake of Dallas.

Sparky says: If Fire Strikes Your Home...

GET OUT of the house the minute you discover it or smell smoke!
ALWAYS be ready to use different escape routes from any room in your house!
TEST doors before opening. If doors are hot, block them with furniture or wet mattresses to keep out smoke and gases. Get out another way!
NEVER jump from upper-story windows except as a last resort! Wait for firemen.
HOLD your breath if you have to make a dash through smoke and flame!
REMEMBER, the air is usually better near the floor in a smoke-filled room!
CALL the fire department at once! They know how to fight fire. Don't waste your time or your life trying to fight a fire, unless it's so small you're sure you can control it with the right extinguisher.
DON'T ever go back to a burning building for any reason! Smoke and fire gases from even the smallest fire can be deadly.
GET medical treatment at once, if you're burned or exposed to fire and smoke! Seemingly minor burns or smoke inhalation can have fatal results.

DON'T GIVE FIRE A PLACE TO START!

Mr. and Mrs. Walter Grewing have named their baby son Curtis Elroy. His baptism was a Tuesday evening service conducted at 5:30 by Father Alcuin Kubis in Sacred Heart Church. Mr. and Mrs. Richard Grewing are their nephew's godparents.

Hornets Win - - -

fumble on the next play put Muenster back in charge on the 19. Wimmer made 7, Wiesman 5 and Harris the last 7. A pass to Mark Hellman was good for bonus points.

The Hornets kept their control going into the next half. After holding S&S and receiving the kick they went 80 yards for the next marker. Six plays, including a 25 yard sprint by Harris went to the Ram 33 and a pass to Russell reached the 16. Wimmer gained 4. Fette took a pass for 9 and M. Hellman caught the scoring pass. Joe Hellman added extra points with a keeper play.

Drive number 4 was more of the same. Russells interception put the Hornets in business on their 42. Passes to Russell for 9 and 15, and Wiesman's 3 and Wimmer's 11 reached the 20, where Wimmer broke through for the counter. Wimmer's kick brought the score to 29-0.

That was just after the start of the fourth quarter and Hornet youngsters played most of the remaining time. They held S&S on the first series but fumbled on their own turn. Regulars came in to get the situation under control, took possession promptly and gained a first down. Wimmer then got away for a 55 yard scoring romp but a holding penalty spoiled his effort as well as the series.

After that the youngsters allowed S&S a few short gains.

Game at a glance	M	S&S
First downs	20	3
yards rushing	238	36
Yards passing	68	4
Passes completed	6-11	1-3
Intercepted by	1	1
Fumbles lost by	1	1
Yards penalized	50	5

Splinters on the ladder of success are much sharper on the way down.

Local News BRIEFS

Mrs. F. A. Bone of Albuquerque, N. M. left last Saturday on her return trip home after visiting for a week with her sisters, Mrs. Lena Bernauer in Gainesville and Mrs. J. H. Otto in Muenster. On her way home she visited with friends in Wichita Falls.

Little Dolphy Myrick of Houston is visiting his grandparents, the Ralph Whartons at Gainesville and Mrs. T. S. Myrick here. He came back with Mrs. Whaton after a visit with the John Myricks.

In a real estate deal here this week the Tony Rohmers bought the Victor Koelzer property, 515 N. Hickory Street, and will move to oc-

cupy the house as soon as the Koelzers get located in their new Melody home on wheels on the Koelzer Well Service location across the overpass. The new trailer house is a three bedroom unit loaded with built-ins.

Garden Club Will Have Meet Monday

With a program on winter bouquets and a table setting for Halloween, Monday night's meeting of the Civic League and Garden Club promises to be an entertaining one.

Mrs. Steve Moster and Mrs. T. S. Myrick will be co-hostesses in the Moster home and Mrs. Tony Gremminger will bring the program on winter bouquets.

Officers Elected At 4-H Meetings

Beginning a new season of activity, Sacred Heart's junior and intermediate girls' 4-H

clubs elected officers as their principal business of their meetings Wednesday. With them for the separate sessions was Miss Evelyn Trietsch, new assistant home demonstration agent of Cooke County, in Muenster for her first visit with the groups.

Intermediate girls elected Debby Fette as their president with Debra Schilling as vice-president, Blondie Fleitman as secretary-treasurer, Judy Dangelmayr and Candy Fette as recreational leaders and Angeline Hess as reporter. Thirty-nine members were enrolled.

Heading the junior group as

president is Linda Zimmerer. Others with offices are Jill Swirczynski, vice-president; Gloria Gieb, secretary-treasurer, Debbie Fette and Shirley Klement, recreational leaders and Dianne Shumaker, reporter.

Mr. and Mrs. Andy O'Connor and their daughter and husband, the Bill Frys of Dallas, enjoyed a two-day visit in Post the past week with the Matt, Julius and Andy Stelzers and were entertained with a barbecue supper. Others there for the occasion were the Maurice Stelzers and children of Gainesville.

COOKING WITH GAS — This homemaker is cooking a hamburger on a gas burner — but there are no grids and you can't see the flame. The secret of this actual operating appliance in the RCA Whirlpool Miracle Gas Kitchen is the power burner, a device which pre-mixes air and gas. The entire unit may be concealed under an easy-to-clean flush surface like the ceramic squares used here. In the background is the RCA Whirlpool portoburner, a gas surface cooking unit which may be moved about the kitchen and plugged into anyone of a number of strategically located gas convenience outlets. The Miracle Gas Kitchen will be presented by Lone Star Gas Company in the General Exhibits Building at the State Fair of Texas, October 8-23.

**IT HAPPENED
20 YEARS AGO**

Oct. 4, 1940

Cooke County's first step toward registration of its male citizens between the ages of 21 and 35 began Monday; the registration date, set by President Roosevelt, is October 16. Personal backing of church fund is asked by pastor. Two parish groups organize for study club sessions. Cotton season lags though crop is better than in previous years. Ida Fisher is recovering from a tonsil operation. Earl Lehnertz enlists in the service and leaves for Saint Louis, Mo. Leo Sicking and Martha Knabe marry. Al Hess and Antonio Hundt say vows at Lindsay.

15 YEARS AGO
Oct. 5, 1945

Rev. Herman Laux arrives as new pastor of Sacred Heart Church. Farewell tributes honor Rev. Thomas Buerger before he leaves for Rhineland to be pastor there. Subiaco Alumni elects John Mosman president. Winter comes for premature visit bringing temperature of 52 degrees and rain to break a long dry spell. Anthony Luke returns as organist for Sacred Heart Church Sunday after a four years' absence while he was in the army. Sister Leonarda

breaks her left arm. The Ira Yeakleys take over management of Main Hotel Coffee Shop. Laveta Bond and Eugene Schmitz marry. City raises water rate for out of city consumers. Mrs. Joe Starke is back at home after undergoing surgery at Sherman. Classes at Lindsay school are recessed for cotton picking. Paul Arendt Jr. returns to Lindsay as a civilian after serving in the ETO for 16 months.

10 YEARS AGO
Oct. 6, 1950

St. Anne's Society sponsors drive for clothing and toys for European expelees. Valley View Warriors nose out Muenster Hornets 15-12 in last period rally. Julius Hess of Lindsay is named Gold Star Boy of Cooke County for 1950. Farmers return to field work after long rainy season. Day of recollection for women will be held here Oct. 22. Mrs. James Cook dies in Temple hospital after undergoing surgery. The Claude Cannons who live at Nocona will soon be moving to Muenster to live on the Cannon Estate farm. FHA chapter elects Lillian Vogel as president. Wilfred Klement is repeat winner in grass judging contest sponsored by Upper Elm-Red Soil Conservation District. Albert Kubis is back at home in Lindsay after receiving medical care at Gainesville Sanitarium.

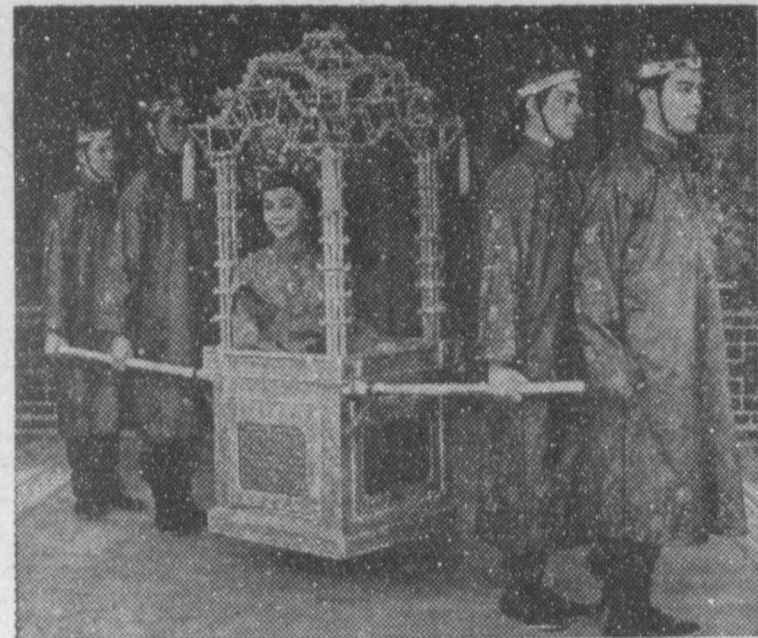

5 YEARS AGO
Oct. 7, 1955

Ground Observer posts are organized at Muenster and Bulcher. Lions gross \$779 in broom selling campaign for the blind. Luncheon meeting Friday will start United Fund drive. Gerald Walterscheid leaves for army training. Mrs. Rilla Wyatt, 74, resident of Marysville 57 years, dies. Mrs. Callie Baumhardt of Devol, Okla., is here for a visit with relatives. Rev. Howard Bigham of Fort Worth is new pastor at Marysville Baptist Church. Lindsay Mothers' Club elects Mrs. Tony Voth president. Sacred Heart football queen contest gets under way with LaVerna Hess, Edna Mae Hoinig, Jeanette Haverkamp and Joaline Mollenkopf as contestants.

"Flower Drum Song," the lavish and tuneful Rodgers and Hammerstein Broadway musical hit, will be presented in 24 performances Oct. 7-22 during the 1960 State Fair of Texas in Dallas. The show is set in San Francisco's exotic Chinatown.

**SOIL CONSERVATION
DISTRICT NEWS**

"Vetch is a good grazing, money saving crop as well as a soil improving crop," says Gene Klement of Muenster, Texas.

The following are facts on how vetch made Gene Klement money this past spring. The field of vetch carried more than two milk cows per acre for six weeks prior to June 6, 1960, and it grew away from the cows. Vetch saved twenty bales of hay a day which amounted to about \$15.00 and increased milk production 150 lbs. or \$7.50 per day.

Gene figures the total value of the vetch crop at \$42.95 per acre, plus 13,000 lbs. of green weight per acre returned for soil improvement. An important point to remember in receiving maximum benefit from crops such as vetch, button clover, or winter peas is proper inoculation of the seed to insure the addition of nitrogen to the soil. The application of fertilizer to get the vetch off to a good start is also important.

**Birthday Surprise
Greets Mrs. Fette**

A surprise greeted Mrs. Henry Fette on her seventy-third birthday Saturday afternoon with her daughter Mrs. Joe Voth and her daughter-in-law Mrs. Emmet Fette planning the surprise. A group came to play canasta, and the others visited. The hostesses served refreshments of sandwiches, cake and punch to those present.

Among those attending were Mrs. R. N. Fette and sons, Mrs. Gerald Hess and son, Mrs. Werner Endres, Mrs. M. J. Endres, Mrs. J. M. Weinzapfel, Mrs. Roy Endres Sr., and the hostesses children.

Wyoming was the first state to give the women the vote.

Letter to a Boston paper: "Dear Sir: When I subscribed a year ago you stated that if I was not satisfied at the end of the year I could have my money back. Well I would like to have it back."

"On second thought, to save you trouble, you may apply it to my next year's subscription."

**NOTES FROM
CITY LIBRARY**

"Bride of Fortune" by Harnett T. Kane is a rich and moving story of the South before and during the Civil War. It is a picture of modern America in the making, of Washington and wartime Richmond from inside; and the story of the woman behind the man in the spotlight. It is based on the life of Varina Howell Davis, the first Lady of the Confederacy — "Queen of the Lost Cause."

At the age of 18 Varina left her home—Natchez, Mississippi — as the wife of a farmer, Jefferson Davis, to embark on a career she had never dreamed of. For a time it seemed that the White House in Washington would be her eventual home. All about her moved the great men and women of her day — Presidents, plantation owners, Lincoln, Robert E. Lee. But then the Civil War came and with it trial and defeat — the black days of a fugitive, her children helpless around her, and her husband facing death in prison.

"Bride of Fortune" is above all the story of a woman in love. For Varina and Jefferson Davis is was one long love affair. Varina was a firm-minded woman who knew what she wanted her life to be and waded forth to make it that way.

Harnett T. Kane who has never written a book that wasn't a best seller ("Louisiana Hayride," "Deep Delta Country") outdoes all his other successes, bringing to life the vivid-hued Richmond; gay-hearted Natchez on the river; lush New Orleans of the Creoles, and Washington, capital of the nation when its life was at stake. Anyone would enjoy this novel but those who would like to review their American history as well as read a good story this book is outstanding.

Beckers, Hoenigs See 24 States on One Month Tour

Mr. and Mrs. Alphonse Hoenig and her parents, Mr. and Mrs. Felix Becker have returned from a one month vacation traveling 6,033 miles through 24 states, 2 states in Canada, and the District or Columbia.

They started on their trip August 30, taking their nephew and grandson, Johnny Becker to his home in Silver Springs, Maryland, after he had spent the summer in Muenster. They visited the Otto and Charlie Metz families in Ohio enroute. They spent five days with the Vincent Beckers and family in Maryland, and enjoyed sight-seeing in that area.

They visited many places of historical interest, shrines, and churches, too numerous to mention, but among the outstanding places were the National Shrine of the Immaculate Conception, Lincoln Memorial, the United States Capitol (the Beckers caught a glimpse of President Eisenhower), enjoyed seeing how paper currency, stamps, bonds and other documents are printed at the Bureau of Engraving, the Smithsonian Institute, the Federal Bureau of Investigation in Washington D. C.; Franciscan Monasteries in Washington and New York; Saint Francis Xavier Cabrini shrine, and Niagara Falls in New York. Our Lady of the Cape (The Rosary Shrine); St. Joseph's Shrine, Montreal, St. Anne de Beaupre in Canada, the Grotto of Redemption in West Bend, Iowa; and the

Subiaco Abbey and the new church in Arkansas.

In New York they visited with Alphonse sister, Miss Anna Hoenig and she showed them the sights of New York including the Empire State building, St. Patrick's Cathedral, a cruise around Manhattan island, and the wonderful experience of the subway rides. Miss Hoenig accompanied them on the trip to Canada. They also visited Father Bonaventure Koelzer at Graymoor Garrison, N. Y. and enjoyed going through the Franciscan Monastery recently completed.

Among the kinfolks they visited through-out the states were the Albert Hartman's, many of the Risch cousins, Robert Hartman's, at Michigan; in Indiana they saw the Andy Mudracks and their children, Sam Rasch, Clarence Trabel's, George Hartman's and their children, and also many other cousins. In Iowa they had visits with relatives of the Hartman family. At Nebraska they saw the whole Becker clan together for a reunion. In Kansas saw Koelzer kin, and in Arkansas at the abbey saw all the Muenster boys there at school, and also Frs. Christopher, Paul Hoedebeck, Vincent Orth, and Frater Alfred Fetsch, nephew of Mr. Hoenig, and Fraters Eugene Luke and Frowin Schoech, and in Paris, Ark. visited Father Cletus.

They returned home early Friday, October 1, with pictures, a travel-log kept by Mrs. Hoenig and memories of a most wonderful trip.

The mother went shopping with her small boy. In the store, the grocer invited sonny to help himself to a handfull of cherries. But the boy seemed very backward.

"Don't you like cherries?" the grocer asked.

"Yes," the boy said. The grocer put his hand in and dumped a generous portion in the little fellow's cap, which he promptly held out. Afterwards his mother asked him why he had not taken the cherries when first invited.

"Cause his hand was bigger'n mine," was the answer.

To save your life, you can't beat safety.

California Visit Was Fun But Time Not Long Enough

What a trip it was! says Rosa Driever upon return from Salinas, Calif., adding that the time was too short and the days hurried by too fast. It was her get-acquainted visit with her first grandchild and she was godmother at the little girl's baptism while she visited for five days in the home of her son and daughter-in-law, Mr. and Mrs. Michael Driever.

Rosa Roxanne Driever was baptized Sunday afternoon, Sept. 25, in the parish church, St. Mary of the Nativity Church, said to be the only church in the world by that name. Her godfather is W. F. McFadden of Salinas. Father Harry Freiermuth officiated. Two other babies were baptized in the same ceremony, one of them a Philippino boy who had two godfathers and two godmothers.

Any other visiting that Rosa Driever did in Salinas was by telephone. She simply stayed at home, fascinated by the entertainment provided by week-old Roxie.

There was a pleasant telephone chat with Mrs. Urban Schrage, the former Celine Felderhoff, and she sent greetings to her mother, Mrs. John Felderhoff and all the family, and there were telephone conversations with Gladys and Bill Terry and they said to tell their families, the Tony Wiesmans and Bill Terrys hello and best regards. Mrs. Terry is a secretary in the district attorney's office in Salinas. Bill is in the service at Fort Ord.

The bus trip provided an abundance of scenic beauty, especially on the way back . . . all through northern Arizona and the famous Oak Creek Canyon with a tour of the Ponderosa Pine Forest between Flagstaff and the colorful canyon which rivals in majesty Arizona's Grand Canyon. They traveled the famous switchbacks at the head of Oak Creek Canyon — a masterpiece of road engineering — and stopped at Sedonia in the heart of the canyon for lunch. There were many other unique and interesting highway stops and a view of St. Francis Peak, the highest in Arizona.

And as always there were interesting people as traveling companions. One of the passengers on the way out was Mrs. Carl (Abbie) Burrows. Formerly of Madill, Okla., Mrs. Burrows lives in Long Beach now. She's a niece of Mrs. Lena Owen and sent regards to her and to Mrs. Ellen Cochran of Marysville. She's a cousin of Mrs. Lois Lucas of Gainesville and a relative of the Greers and Truitts of that city. She knows Mr. and Mrs. Ray Evans and Mrs. Howard Couch and said her grandparents, the Greers, were among the earliest settlers in this area.

Going west, Rosa rode as far as Wichita Falls with Mrs. John Felderhoff who went for a weekend visit with her daughter Rita Jennings and family and saw Rita and her little girl at the bus depot. Here also she ran into Melvin Herr and had a chat.

On the way back a stop at Albuquerque gave time for telephone visits with Michael Luke and Mrs. Leon Hellman. Michael and Joan sent regards to his family, the Henry Lukes, and Mary sent regards for herself and Doc and their daughter to their folks, especially Aunt Anna Hellman and the Charley Hellmans.

Another telephone visit in Salinas was with Mrs. C. E. Hendricks in nearby Santa Cruz. She is the former Miss Magadell Kemp and the two were neighbors when she lived in Muenster. She and her husband and their three daughters sent special best wishes to their uncle and aunt, the Nick Millers.

Another interesting note: Around the corner from the Michael Driever home is the Simoons Bakery and chatting there Rosa learned that Mrs. Simoons is a sister of Cecil Aytes. When she learned there was a new baby in the house she packaged up a load of delicious bread, a variety of doughnuts and an assortment of rolls as a gift. She sent regards to all the Aytes family.

But most of all the big thrill of the vacation was visiting a lovely little granddaughter at her home and colored pictures came along from California and are being shown to anyone who will look.

At the latest count, the civilian payroll of the Federal Government listed a total of 2,361,000 persons. If all these people with their families were brought together into a single city it would be the second biggest city in the United States.

Bake Sale Slated

Saturday looms as a busy day for the freshmen of Sacred Heart High. And for their mothers. The class will sponsor a bake sale as a class benefit and plans to have plenty of bread, rolls, pies, etc., available for all comers. The all-day event will be conducted at Hofbauer's AG Food Market.

Sound, not sight, guides a bat — and it never bumps into things either.

Guest in the home of Mr. and Mrs. Joe Linn Sunday evening was his cousin, Carl Cook of Gainesville.

Renovating Done At Parents' Home At Kirk Reunion

It was more fun than work for the Kirk clan when they gathered at the family home with their parents, Mr. and Mrs. M. J. Kirk at Forestburg for a reunion which featured a weekend of work improving the homestead.

The visitors put on a new roof, installed new window frames and added new windows, rescreened the place, dressed it up with a fresh coat of paint and cleaned and beautified the yard.

The 1961 Ford Falcon, most successful new car in history, features a new convex-shaped aluminum grille and new optional, 101-horsepower engine, but preserves the styling, maneuverability, interior roominess and 23.7-cubic-foot luggage capacity of the 1960 model. Shown above is the 1961 Falcon Fordor Sedan. Continuing its proven economy reputation, the 1961 Falcon will deliver up to 30 miles per gallon on regular grade fuel, goes 4,000 miles between oil changes, and introduces new and longer lasting bright trim and underbody parts, including a double-wrapped aluminized muffler.

VOTE FOR TEXAS

RICHARD M. NIXON, candidate for President, is a Californian, but he thinks the Texas way. Richard Nixon stands for:

- A strong national economy and defense so that America will not have to apologize to Khrushchev for anything;
- A sensible farm program that will attack and solve the present problems.
- Texas retaining its tidelands, and a tax policy favorable to Texas.
- Local control of our schools.

If you will read and compare Nixon's platform to that of his opponent, you will agree that a vote for Nixon is a vote for the best interests of Texas.

Sparkling "golden onion rolls," deliciously filled with delicate country-fresh flavor, earned a \$100 first prize award for Mrs. Tom Janak of Hallettsville, Texas. Mrs. Janak graciously announced that the Building Fund of Sacred Heart Catholic Parish of Hallettsville will receive one-half of her prize awarded in GLADIOLA's "yeast bread" Baking-Recipe-of-the-Month Contest.

The secret of Mrs. Janak's baking success is a special ingredient . . . GLADIOLA Special Hard Wheat Flour . . . a flour that blends so quickly and easily that dough responds to kneading like magic.

You'll enjoy watching the uniform strength of your dough rise

GLADIOLA SPECIAL HARD WHEAT FLOUR evenly with a texture filled with real yeast flavor. Only a special kind of flour makes baking such a sheer delight — a flour made purposely for yeast bread baking . . . GLADIOLA Special Hard Wheat Flour.

GOLDEN ONION ROLLS (makes 2 dozen)

Gladiola's Baking-Recipe-of-the-Month

MRS. JANAK'S GOLDEN ONION ROLLS

3/4 cup milk	2 cakes compressed yeast	5 to 5 1/2 cups sifted
1/4 cup sugar	1/2 cup lukewarm water	GLADIOLA Special Hard
1 tablespoon salt	2 eggs, beaten slightly	Wheat Flour
1/4 cup shortening or oil		Sesame seed or poppyseed

Scald milk; add sugar, salt, and shortening or oil and cool to lukewarm. Dissolve yeast in lukewarm water. Combine milk mixture, yeast, and eggs and blend. Gradually add flour, beating well, to form a stiff dough; knead on floured surface until smooth and satiny, about 5 to 8 minutes. Place in a greased bowl, turn dough to grease surface, cover and let rise in a warm place until double in bulk, about 1 hour. Meantime prepare Onion Filling (below) and cool. Pinch or cut off pieces of dough about the size of an egg and form into balls. Place 2 inches apart on greased baking sheet and flatten with palm of the hand. Brush with reserved egg from filling. With a tablespoon make an indentation in the center of each roll and fill with Onion Filling. Sprinkle with poppyseed or sesame seed. Let rise 30 to 45 minutes until light and almost double. Bake in a moderately hot oven (400 degrees) about 15 minutes until golden brown. Makes about 2 dozen.

ONION FILLING: Cook 2 cups chopped onion in 1/4 cup butter or margarine over medium heat until well cooked and golden in color but do not brown. Stir in 1/4 teaspoon salt, 2 tablespoons slightly beaten egg (reserve remainder) and 2 tablespoons cream. Cool.

Confraternity study groups of St. Peter's Parish will begin their study sessions Sunday evening. Preparatory to the meetings, chairmen-leaders will meet with the pastor Friday in the rectory after novena devotions. The text this year is the New Testament — Life of Christ.

Lindsay News

Mr. and Mrs. Joe J. Neu were in Ennis Sunday to visit their son, Rev. Hubert Neu, and attend the annual parish bazaar sponsored by St. John's Church. They also enjoyed visiting with Father Bill Botick and the Carl Pelzel family. The Neus made the trip in company of the Joe Hoenigs and Wilfred Bindels of Muenster.

Mr. and Mrs. Herbie Fleitman of Sherman were weekend visitors with her parents the Nick Blocks and also drove to Muenster to see his parents Mr. and Mrs. Al Fleitman Sunday evening.

Among patients at Gainesville Sanitarium this week was Eddie Fuhrmann, son of Mr. and Mrs. Joe Fuhrmann. He entered Monday and was dismissed Tuesday.

Guests of Mrs. George Spaeth are her sisters-in-law, Mrs. Rocus Spaeth of Harlingen and Mrs. Ed Blumberg of Pilot Point. They came Friday afternoon and will visit for several days.

Mrs. Hubert Bezner and children Ricky and Jan, spent several days with relatives in Lindsay while their furniture was being moved to their home in Houston. Hubert was recently transferred to Houston from Monahans. She also visited her father Al Kuntz of Valley View.

Visiting with his former parishioners, is Father Conrad Herda of Clarksville, Ark., who is enjoying a week's vacation in Lindsay.

Lindsay's little football players the Squires made a good showing Sunday by holding their heavier opponents, the Windthorst Spartans to two touchdowns in a game at Windthorst. There was more action than the 14-0 score indicates and the second half went scoreless. Next game for the Squires will be with the team from St. Joseph's of Sherman at 2 o'clock Sunday on the Lindsay field.

Visiting at Lindsay is Mrs. Ed Rea of Amarillo who is the guest of her daughter and family, the Tony Voths. Although she was 80 on August 22, Mrs. Rea still enjoys travel and visiting. She came by bus and was among guests at the wedding of her grandson, Doyle Voth and Margie Waltscheid, Saturday.

"It was a beautiful sight" witnesses said after watching the great number of Lindsay's school children participate in special services in St. Peter's Church on Oct. 1, marking National Children's Day honoring Our Lady of Fatima. Father Damian officiated at the 8 o'clock mass during which the children received Holy Communion and then joined voices in reciting an act of consecration to the Blessed Mother.

Gun Club members and their ladies gathered Sunday evening in the Parish Hall for a social meeting.

Lindsay PT Club Busy Sponsoring Benefit Affairs

Announcement that the football boys' showers and dressing room are finished and in use in the old school basement was welcome news to members of the Lindsay Parent-Teachers Club at their regular business meeting for the month. The PT group sponsored the project for the athletes. Gregory Hundt, club president, gave the business report.

In other action PT members decided to sponsor table game parties every other Monday night in the Parish Hall to boost the school and athletic funds. In this the CYC members will join the adults as helpers. Everybody was urged to attend and to bring a friend. First party was Monday night, the next will be on Oct. 17.

Another event the PT members will sponsor is the school's annual Halloween carnival, set for Sunday evening, Oct. 30, in the Parish Hall. Mrs. Henry Zimmerer and roommothers have taken over the chairmanship and are planning a program to delight the youngsters and entertain the oldsters.

Seventh and eighth grade room won the attendance prize for having the most parents present and as a reward the students will be treated to a party.

Confetti - - -

on all accounts, is \$23,803,681. Another exasperating item: we taxpayers of US this year will pay about 200 million on UN expenses to deal with troubles, caused mostly by Russia, in the Congo. The Soviet share of that bill will be about 17 million, which probably will also remain unpaid. In case you haven't noticed, there's another maddening fact indicated in those two figures. It represents the ratio of UN obligations assumed by US and USSR.

Boy! Are we suckers! Now, maybe you, like me, are wondering why we don't get the reds . . . or ourselves . . . out of the UN

Rosemary Hermes - am very proud of my achievements which have been made possible through the help of my parents, family, local leaders and especially the extension agents who have served in Cooke county. I am happy that I have had the opportunity to belong to such a wonderful club. I have learned many new and useful skills; especially, how to work with others. I have become a better citizen because of my 4-H Club work."

Mrs. Bernice Thurman, county home demonstration agent, describes the state champion as a 4-H member who always does her best and a willing worker when it comes to helping others. Her greatest concern, says Mrs. Thurman, is that all members of her club don't have her same enthusiasm for 4-H.

Rosemary credits local adult leader Mrs. Norbert Zimmerer with helping keep up interest in the club and training the successful teams and individuals.

Youngs Win Trophy In Glidden Tour

Back from Lake Placid, N. Y., where they participated in the annual Glidden tour, Mr. and Mrs. Bob Young of Dallas, came to Lindsay Sunday to tell relatives all about their interesting trip. Coming with them were their son Jimmy and their nephew Joey Benenaste, as they brought Mrs. Young's mother, Mrs. Joe Bezner home. She stayed with Jimmy in Dallas while his parents were away.

The Youngs were gone two weeks making the trip in their antique 1924 Hispano Suiza, and they won the trophy for driving the longest distance. Their trip through 12 states covered 4400 miles. It was trouble free travel with only one flat.

About 250 cars were entered in the exhibit at Lake Placid. Now the Youngs have their antique cars in the show at the State Fair. Most ancient car at the New York show was a 1903 curved-dash Oldsmobile.

Tigers Lose - - -

Falcon returned it from mid-field to the 11. Two plays later Holt scored from the 4 and Eastman followed over for two more points.

After that until deep into the half the visitors had three drives stopped before making a quickie scoring push for 54 yards. A pass made 24, two runs made 21 and Eastman circled right end for the last 9.

The next TD seemed equally easy. A run made 9, and 3 successive passes made 18, 10 and 23, the last one to Fields for the 6-pointer. A run added bonus points. The half-time count was 22-0.

Starting the second half neither team made any progress until the visitors took inspiration from an interception. Four plays advanced 21 yards to the 11 but losses and penalties on the next series lost about 25 and the Falcons kicked. However Sacred Heart Heart fumbled the kick and the visitors were back in possession on the 13. The first try lost a yard, the next one, by Eastman, went all the way.

Another fumble got the visitors started on their fifth score. Three plays advanced 10 yards to the 18, the next lost 10 and a pass to Fields was good for 28 yards and the TD.

And again a Tiger fumble paved the way. The Falcons recovered their own kick on the 10 and Eastman used one play for the distance.

In the remaining minutes the Tigers made a first down and lost possession on an interception then got set back to their 12 by a Falcon kick. Pat Klement, most consistent Sacred Heart runner of the night, stepped off 12 and Bayer made the 75 yard gallop that failed by a yard.
