

MUENSTER ENTERPRISE

VOLUME XII

MUENSTER, COOKE COUNTY, TEXAS, FRIDAY APRIL 2, 1948

NUMBER 19

By way of clearing up a bit of confusion on the elections next Saturday and next Tuesday, the column takes this occasion to point out that the first is an election of school trustees and the second is an election of aldermen for the city of Muenster.

The reason for this explanation is that a few people living outside the city limits somehow got the mistaken idea that Saturday's election is for residents of Muenster only.

So, here's the correct dope: If you are a qualified voter and live anywhere within the limits of the Muenster Independent School District . . . including not only the former Muenster district but all areas that have consolidated with it . . . you are not only permitted but also urged to vote Saturday.

If you live within the Muenster city limits next Tuesday's is another election for you.

And speaking of that school election, it would be a good idea for us to bear in mind that it is no longer the mere formality that many of us used to consider it. In recent years it has become far too important to be taken for granted.

The expansion of the district has vastly increased the number of scholastics, and the increased allotment per scholastic has boosted the school fund into a big money bracket.

The welfare of 500 children and stewardship over more than \$30,000 is the direct responsibility of the trustees we elect. Can anyone possibly be aware of that fact and still consider a trustee election as a trifle?

Under those circumstances it becomes tremendously important for every person to consider the candidates and vote for the men he thinks best qualified to discharge their duties with judgment and integrity.

The thing involves the welfare of every one of the 500 school children in this district. So every voter in the district has a sacred duty of casting his ballot for the men who, in his opinion, will use the school's facilities and funds to the best possible advantage of all those children.

Indications are that there is some division of opinion as to which of the candidates are best qualified to serve the interests of the district, also that interest is snowballing toward a record vote.

That's as it should be. The more thinking and voting we have on any issue the better the chance that the will of the majority will prevail.

This column does not favor any of the candidates with its endorsement, but it does state emphatically that Saturday's election is vitally important to the welfare of the children and the community in general.

So, talk it over with your friends. Decide who are the best men for the job, and then get out and vote . . . at the public school, Saturday, April 3.

An interesting fact which deserves to be more widely known, especially in view of the fuss created by and still raging over the increase in steel prices: Since 1939 industrial prices as a whole have risen by close to 100 per cent, and farm prices by nearly 200 per cent. Yet steel prices generally moved up only 39 per cent.

And talking about steel, Senator Pappy O'Daniel is currently raising a rumpus over two facts which, when considered together, impart a very sour flavor to certain aspects of this country's magnanimous Marshall Plan.

Fact Number 1, according to O'Daniel, is that England is due to receive the major portion of more than 3 million tons of steel provided by the plan.

Fact Number 2 is that England is now working out a gigantic trade agreement with Russia, by which England is to build and deliver 1,000 locomotives, 2,400 winches, 200 excavators, 54 loading cranes, 14 tugs, 4 dredges, 1,500 Diesel electric generators, 24 steam power turbine stations, 300 100,000-kilowatt motors besides many millions of dollars worth of other items requiring a vast amount of steel.

If what the senator says is true, and we presume he had the caution to check before releasing his statement, it means that somebody in Washington had better get busy and tack special provisions to the European Recovery plan. If not, this may turn out to be just another grand

(Continued on Page 8)

Muenster Red Cross Drive Totals \$558; 77 Per Cent of Quota

Muenster's 1948 Red Cross fund drive officially ended Monday of this week with a total of \$558.86 when Mrs. Ben Luke, community chairman, transferred the local purse to County Chairman Ancil Smoot.

The figure, which represents slightly more than 77 per cent of the \$725 goal, indicates a generous community response which again puts Muenster out in front for county leadership. According to a report released Monday by Mr. Smoot the county total is \$6,172.26 as compared with its quota of \$12,500.

Reporting to the Enterprise, Mrs. Luke expressed her gratitude for the generosity and cooperation of the community's response.

Final donations are as follows: John Bayer, \$5.00; Mr. and Mrs. A. E. Thompson, \$2.00; Mrs. John Furbach, \$1.00; J. R. Danglmayr, \$1.00; Henry Pels, 50c.

MARCH GOES OUT LIKE A LAMB AFTER WORST SANDSTORM SINCE '38

Memories of the dust bowl era were revived here Tuesday in a sandstorm which according to state weather men was the worst Texas has known since 1938.

High winds whistling over the community and loaded with Panhandle topsoil imparted a reddish hue so dense that it almost completely blotted out the sun.

Skies were clear again Wednesday, the wind had simmered down to a breeze, and March went out like a lamb as housewives proceeded to clear away a film of gritty dust.

Notes On Soil Conservation

Upper Elm-Red Soil Conservation District cooperators are taking advantage of favorable weather to establish grasses for pasture, seed production, and terrace outlets.

Several acres of Bermuda grass have recently been soded. District cooperators sodding Bermuda grass sprigs last week were Tony Hesse, Paul Fisher, Paul Hutcherson, Tony Hacker, Alfred Bayer, Gary Hess and Ray Townsley. Those who seeded Bermuda grass were Tony Walterscheid, Paul Hutcherson, Tony Wimmer, Johnnie Bayer, Johnnie Klement, Henry Pick, and Norbert Klement.

R.S. Mann, Clear Creek conservation group, planted 6 acres of Love Grass. Mr. Mann planted Lehman's Love Grass, Sand Love Grass and Weeping Love Grass to compare the three grasses. Alfons Luke planted 3 acres of Little Bluestem for seed harvest also. Both Love Grass and Bluestem was planted in 3 foot rows for cultivation and increased seed yields.

Johnnie Klement, group leader, states he has made arrangements to secure bees on his farm to increase Vetch and Clover yields. Phillip F. Allan, Biology Division, Soil Conservation Service states, "Bees have to visit at least 10,000 flowers for you to get a pound of Vetch seed. With some clovers, a pound of seed means 25,000 or more trips by bees. Vetch depends nearly 100 per cent upon insects for pollination". Wild bees have decreased due to overgrazing of pastures, burning, and insecticides. As a result seed legume seed producers must depend on tame bees. All cooperators who plan to grow vetch and clover for seed production are urged by the Soil Conservation District to make deals for pollinating service.

Mr. and Mrs. Joe Linn had as their guest for the weekend her mother, Mrs. N.P. Clark of Bonham who observed her 71st birthday on Easter Sunday and was honored with a dinner party to observe the occasion.

Misses Johann and Mary Seyler, students at Texas Tech, returned to Lubbock Sunday after a three day visit with relatives. Miss Gladys Wilde, a student at the same college, remained until Tuesday before returning to classes.

PARTY HARMONY — Texas Democratic leaders are shown with Gov. Beauford Jester as they made plans for party unity at a conference in Austin. Front row, left to right: Mrs. R. A. Thompson of Goliad, vice president of the Texas Association of County Chairmen; Jester, and Arthur Stevenson of Dallas, president of the county chairmen. Back row, left to right: Robert W. Calvert of Hillsboro, chairman of the Texas Democratic Executive Committee, and Jimmy Brinkley of Houston, state president of the Young Democrats.

Increasing Interest Points to Big Vote In Trustee Election

Increasing interest this week indicated that Muenster is due to have one of the most active school trustee elections of its history next Saturday, April 3.

Campaigning has been going on daily for the past two weeks in behalf of the four candidates, two of whom will be elected. J. B. Klement is seeking reelection and Bob Ryle, General Morris and C.M. Walterscheid are seeking a first term on the board. J.J. Wimmer, whose term expires this year, is not a candidate for reelection.

The election will be held at the public school with F.J. Hess as election judge.

Rocks in Sewer Plant Can Cause A Lot of Trouble

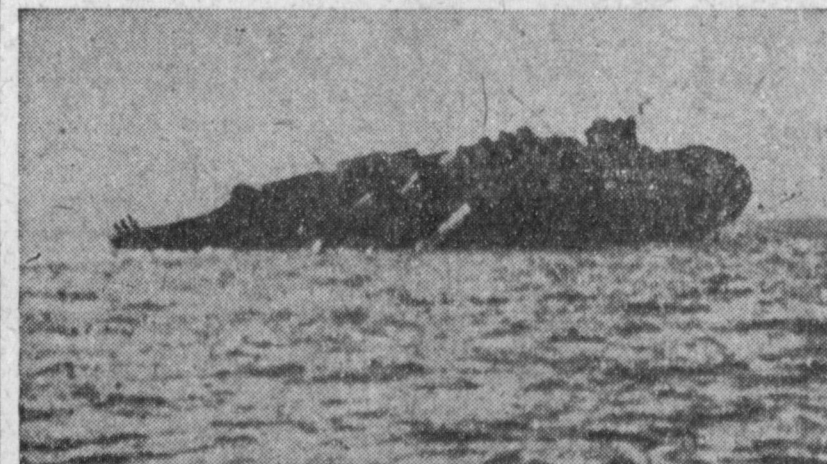

If the youngsters who have been throwing stones into the city sewer plant continue in their folly, residents of Muenster may wake up some morning and discover they have no sewer service. That statement was issued this week by Steve Moster, city water and sewer superintendent, after discovering a pile of large rocks in one of the plants' septic tanks. Some of the rocks were large enough to plug the passage between tanks and if dropped in the proper place could put the entire plant out of working order.

Jewel Marie Hoffman Is Muenster's Duchess For Round-up Coronation

Miss Jewel Marie Hoffman will be Muenster's duchess at the queen's coronation ceremony on April 23, which is one of the featured events of Gainesville's annual Circus Round Up ushering in the Community Circus season. She was elected Monday night at the Easter Monday dance in a contest sponsored by the Sacred Heart P-T.A.

Miss Hoffman's escort for the event will be Earle Otto.

Leo Lawson has joined the office personnel at Jones and Laughlin Supply Company.

KWAJALEIN—(Soundphoto)—The U.S.S. Pennsylvania, survivor of atom bomb tests at Bikini, goes finally to her grave in the Pacific. The veteran of both world wars is shown as she settled into the sea after her sea valves were opened in deep waters off Kwajalein. The Navy has sunk two other Bikini targets which were found so heavily contaminated as to make further use of them dangerous.

SEYLER AND KNABE BOTH ARE COASTING IN ALDERMAN'S RACE

With only two men in the running and neither of them much concerned about winning or losing, next Tuesday's city election seems destined to be a very quiet affair.

Joe Knabe and Ben Seyler are the two unenthusiastic opponents for the position left vacant by R.L. McNeley. Each is willing to serve on the council but neither is making any special effort to win.

John Wieler is an unopposed candidate for reelection to the position he holds now.

The election will be held in the city hall with Mrs. Steve Moster as election judge and Miss Olivia Stock as assistant.

District Increases Scholastic Census From 505 to 519

A final check-up late Wednesday revealed that Muenster's scholastic population has increased by 14 since the 1947 census.

John Hoffman who took the count disclosed that the official figure for this year is 519, a total which exceeds his expectations by about 20.

When starting the count he estimated from last year's list that the number of children growing out of the age bracket and moving away would be greater than those growing into the age bracket and moving into the district.

At this writing he has not completed his report and can not give an accurate explanation of the increase.

News Of Sick And Injured

E.P. Buckley was out about town Wednesday for the first time in more than two weeks following an operation.

Henry Sicking is a patient at Gainesville sanitarium since Thursday of last week when he became suddenly ill. His condition was quite serious for several days but he is responding favorably to treatment this week. Sharon Klement, little daughter of Mr. and Mrs. Walter Klement, is a patient at Gainesville sanitarium this week and is recovering normally from an illness of pneumonia.

Little Patsy Lawson, four year old daughter of Mr. and Mrs. Starling Lawson, lost the index finger on her right hand, just above the knuckle, last week Thursday in an accident on an oil lease. The child wandered from the house among the pumping wells nearby and returned shortly afterwards with her finger missing. She was treated at the local clinic and is making a satisfactory recovery.

Emmet Fette entered Gainesville sanitarium Thursday morning for surgery. Cecil Cain who is recovering from an operation and medical treatment at Veterans Hospital in McKinney was permitted to come home to spend Easter with his wife and daughter. He returned to the hospital Monday for a check up and was dismissed Tuesday.

Mrs. Martin Friske was a medical patient at M & S hospital in Gainesville last Thursday, Friday and Saturday and is resting easy at her home this week. She has a leg ailment and will be confined to bed for three weeks.

Mrs. Ida Schoech of Vinita, Okla., is recovering this week from an illness following a heart attack last week. All of her children visited at her bedside and her sister, Mrs. Frank Schoech of Dallas, spent the week with her.

Jerome Pulte, son of Mr. and Mrs. Alec Pulte, of Gainesville, is confined to veterans hospital in McKinney for treatment of injuries received last Thursday afternoon near Marietta, Okla., as he was enroute from Norman to spend Easter with homefolks. He is a student at Oklahoma University and was riding a motorcycle. It is reported that he hit a truck which was parked sideways on the highway. He sustained a broken arm, bruises and cuts and will be hospitalized about 10 days.

Miss Anastasia Tempel is on a two-week vacation from her duties at Pagels Store.

Larger Grandstand Heads Improvement List for Ball Park

Henceforth spectators at ball games, horse shows or any other events at the ball park will have more and better grandstand space.

Since Tuesday work has been in progress to replace the ancient wooden stand with a larger and more durable stand of tile and concrete.

The project is sponsored and financed by a group of business men on a plan whereby they will get a small percentage of admission receipts until it has been paid out. Thereafter the grandstand will become municipal property for the general use of the community.

According to Buck Knabe, who is in charge of the work, the framework and seats will probably be ready in about three weeks. Improvements to the field and lights are to be made at the same time so that the contemplated baseball schedule can get under way with the least possible delay.

Other improvements in the general plan include rest rooms and a dressing room and shower under the grandstand and a specially built booth for cold drinks at the front.

The grandstand will be built in three connected sections facing right, left and center fields. It will have nine rows of seats, the rear row being about 130 feet long and the front row about 100 feet long. With two additional rows of seats and 20 feet of additional length, it will approximately double the capacity of the old stand.

The seats will be 2 x 12 planks supported on bases of concrete blocks and the two exposed ends will be surfaced with clay tile.

Improvements to the field consist principally in the addition of two more light poles and installation of four flood lights, instead of two, on each pole. The additions will give a brighter light on the diamond besides lighting an area large enough to play baseball as well as softball.

Knabe also stated that a new parking system will be introduced this season. Cars will not be permitted to park on the ball park side of the street and space on the far side will be reserved for those who occupy the stands. The purpose is to favor patrons with the better parking space and also eliminate the clutter of automobiles around the field.

NEIGHBORHOOD POWER LINE KNOCKED OUT ONE HOUR BY A KITE

A whole neighborhood was inconvenienced but fortunately nobody was hurt last Friday between 11 and 12 o'clock when the power line in the northwest part of town was shorted out by a kite.

Neighborhood lads got their kite fouled in the line and in attempting to jerk it loose swung the high voltage wires into contact and knocked out a transformer.

Most housewives of the neighborhood were late with their dinners that day. They had to wait until linemen drove out from Gainesville and restored service before they could use their appliances.

PAROCHIAL 8TH GRADE PUPILS WILL PRESENT PROGRAM ON APRIL 9

Pupils of the Eighth Grade, Sacred Heart school, will present their end of the term program on April 9 at 7:30 p.m., Sister Carmelita, instructor, advised this week.

The program will consist of choral singing, a ballet chorus and a two act play entitled "The Madonna and the Rose".

In the play, Jeanette Fisher takes the role of the madonna and others in the cast are Wilber Hartman, Margie Baumhardt, Roger Wolf, Floradell Endres, Marcella Haverkamp, Margie Eberhart, Ronald Herr, Randy Bayer. Other students take the parts of peasant children and village townfolk. The class invites everybody to attend.

Mrs. Dick Cain and children spent Thursday through Monday in Amarillo with her parents, Mr. and Mrs. J.S. Hogan, in whose home an Easter reunion of members of the family was held.

LOCAL NEWS BRIEFS

Mr. and Mrs. Clarence Wilson were visitors in Wichita Falls Monday.

Miss Billie Wimmer and Ray Otto were Easter dinner guests of Mr. and Mrs. Andy Wimmer.

Miss Eugenia Walter of Fort Worth was here for an Easter visit with her parents, Mr. and Mrs. John Walter.

Sue Tischler of Dallas is visiting her parents, Mr. and Mrs. Joe Tischler and her sister, Mrs. Al Yosten and family, for a few weeks.

Mr. and Mrs. Joe Tischler, Sue Tischler and Mr. and Mrs. Al Yosten and children spent Sunday

in Pilot Point as guests of Mr. and Mrs. Joe Peizel.

Mr. and Mrs. Alois Reiter and children were here for an Easter visit with their parents, Mr. and Mrs. C.J. Wimmer and Mrs. Aug. Reiter. They live at Gainesville.

Members of the Get-Together Club are reminded of the regular monthly social next Wednesday, April 7, in the home of Mrs. W.H. Endres.

Mrs. Mollie Walterscheid, Otto and Larry Walterscheid spent Easter Sunday in Pilot Point visiting Mrs. Walterscheid's sister and brother, the Henry Simmel and Joe Hilz families.

Dan and Mike Ratliff of Lubbock spent the holiday weekend here with their grandparents, Mr. and Mrs. John Fette and other relatives.

Mr. and Mrs. Jim Cook had as their guest Saturday through Monday Mrs. Opal Jones of Athens. Sunday the trio drove to Bowie to spend the day with friends.

Mr. and Mrs. Leonard Endres and children of Fort Worth were here Sunday afternoon for a visit with his mother and grandmother, Mmes. M. J. Endres and J. P. Fisch.

Mr. and Mrs. Bill Hess spent Sunday in Yarnady, Okla., with her parents, Mr. and Mrs. Dee Rice. They were accompanied by her cousin, Mrs. Richard Yosten, who went to Hendrix for a visit with her parents.

Miss Emily Fette of Dallas was home to spend Easter with her parents, Mr. and Mrs. Joe Fette, and her sister, Miss Florence Fette, visiting here from Jonesboro, Ark., during the school holidays.

Mrs. Alex Lutkenhaus of Gainesville spent Wednesday with her mother, Mrs. Frank Seyler, who accompanied her home for a several days' visit in that city with her and her other daughter, Mrs. T.L. Anderson and family.

Keep both feet on the ground and you won't have far to fall.

UNITED LEONA BEREND AND EARL LEHNERTZ

Miss Leona Berend, daughter of Mrs. Phillip Berend of Gainesville, and Earl Lehnertz, son of Mr. and Mrs. Joe Lehnertz of Muenster, were married at 8:30 a.m. Tuesday in a simple, but impressive ceremony at Saint Mary's church in Gainesville. Rev. Peter Molloy, pastor, officiated at the double ring service and at the nuptial high mass in the presence of relatives and friends of the couple.

Music was furnished by the church choir, accompanied by Miss Ann Gallagher, organist. Millard's "Ave Maria" was sung by Mrs. Joe Schad.

Given in marriage by her brother, Ewald Berend, the bride wore a white gabardine suit, with dusty rose and cocoa brown accessories. She wore an orchid and carried a white mother-of-pearl prayer book belonging to her niece, Mrs. Martin Klement. From the book fell satin streamers, tied in love knots, which had been carried by the bridegroom's mother at her wedding 32 years ago.

For "something sentimental" the bride wore an identification bracelet which had belonged to her brother, the late Cadet Ray J. Berend.

Miss Dolly Lehnertz of Fort Worth, sister of the groom, was maid of honor, wearing a white suit with black accessories and a corsage of pink carnations.

Monica Fette of Muenster, small cousin of the groom, was flower girl. She wore a yellow taffeta dress with matching hat and mitts and carried an arm bouquet of white flowers.

Alfred Haverkamp, nephew of the bride, was best man, and ushers were Martin Klement, Tony Trubebach Jr., and Eugene Schmitz.

Acolytes for the mass were Donald Lehnertz, brother of the groom, Leroy Berend, nephew of the bride, Kenneth Evans and Bobby Mosman.

Following the ceremony breakfast was served at the home of the bride's mother, with dinner served at one o'clock. Yellow daffodils were used as a centerpiece for the table which was set with silver and crystal on a white cloth.

At 4 o'clock a reception was held in the home of Mr. and Mrs. Ewald Berend, brother of the bride, with a buffet supper at 6 o'clock. The bride's table was centered with a three-tier wedding cake, flanked with tapers. About 100 guests were served. The days festivities were concluded with a dance in the K of C hall in Muenster.

Mr. Lehnertz was born in Pilot Point and came to Muenster as a young child when her parents moved to this city. She attended school here and finished high school at Lindsay where her parents later moved. After her father's death in 1937 she and her mother moved to Gainesville.

Mr. Lehnertz is a native of Muenster, attended Sacred Heart School and graduated from the public high school. He served for five years in the army air corps with the ground crew during the last war and spent 38 months overseas in the Pacific theatre. He is employed with Anderson Drilling company. Mr. and Mrs. Lehnertz will make their home in Gainesville when they return from a wedding trip. Among out of town guests at the wedding were Mr. and Mrs. Charlie Berend and family of Amarillo, Mr. and Mrs. Joe Zipper and daughter, Miss Juanita, of Dallas, Mr. and Mrs. John Zipper and daughter of Pilot Point, and Gene Lehnertz of Houston.

AN AUCTION SALE BILL ISSUED 99 YEARS AGO

The following sale bill was printed 99 years ago. It was reprinted in an Oklahoma paper. Under the heading of "Sale" it reads as follows:

Having sold my farm and I am leaving for Oregon Territory by ox team, I will offer March 1, 1849, all of my personal property to-wit:

All ox teams except two teams, Ben and Buck and Tom and Jerry; 2 milk cows; 1 gray mare and colt; 1 pair of ox and yoke; 2 baby popular weatherboards; plow with wood mole boards; 800 to 1000 three foot clapboards; 1500 ten foot fence rails; 1 sixty gallon soap kettle; 85 sugar troughs made of white ash timber; 20 gallons of maple syrup; 2 spinning wheels; 30 lbs. mutton tallow; 1 large loom, made by Jerry Wilson; 300 poles; 100 split hoops; 100 empty barrels; one 32 gallon of Johnson-Miller whiskey, seven years old; 20 gallons of apple brandy; 1 four gallon copper still, 1 dozen real hooks; 2 handle hooks 3 scythes and cradles; 1 dozen wooden pitchforks; 1/2 interest in tan yard; one 32-caliber rifle; bullet mold and powder horn; rifle made by Ben Miller; 50 gal. of soft soap; hams, bacon and lard; 40 gal. sorghum molasses; 6 head fox hounds, all soft-mouthed except one.

At the same time I will sell my six negro slaves — 2 men, 35 and 50 years old; 2 boys, 12 and 18 years old; 2 mulatto wenches, 40 and 50 years old. Will sell all together to same party, as will not separate them. Terms of sale, cash in hand or note to draw 4% interest with Bob Connel as the surety.

My home is two miles south of Versailles, Ken., on the McChuns ferry pike. Sale begins at 8 a.m. Plenty to drink and eat.

Must Be Lonesome

My Son, Billy, had just returned from Sunday school, where he had been told that liars do not go to heaven.

"Does father ever lie, mother?" he asked.

"I imagine so," I replied.

"Well, do you an' Uncle Bill, an' Aunt Betty ever lie?"

"I guess we all do occasionally," I admitted.

Then, after a slight pause, "Gosh, it must be awful lonesome in heaven with nobody around but God and George Washington."

An Open Mind

Woman — "I'm not prejudiced at all. I'm going with a perfectly open and unbiased mind to listen to what I'm convinced is pure rubbish."

Very True

"You wrote that policy on a 92-year-old man!" gasped the insurance branch manager.

"Sure," replied the new and elated salesman, "our statistics show that few men die after 92."

Slandered by the Truth

"Pardner," said the western rancher, "where'd yuh move from?"

"Illinois."

"Illinois, heh? How come you leave a settled country like that and come to these lonesome hills?"

"Well, sir, my neighbors got to sayin' mean things about me."

"Why didn't you challenge them to prove their slanderous statements?"

"I did. And they did."

There oughta be a course in school that teaches people to read the hand writing on the wall.

The American Way CHRIST VERSUS MARX

By Dr. Alfred P. Haake

The real danger in some of the so-called "liberal" movements is the insidious poison of communism and atheism that may lurk under their high-sounding labels and proclaimed humanitarian purposes.

The American people cannot afford to flirt with the "hifalutin" and "crocodile-weepin" sentimentalism that threatens our faith in God.

"Where there is no vision the people perish." And, believe me, there can be no vision where the people turn their backs on God. What might have been vision becomes a hideous nightmare when we lose the light of faith in a Supreme Being.

I recognize the harm that can be done with mere accusations

and unsupported denunciations. So, let the facts speak for themselves: here is something right off the griddle!

At the Stevens Hotel in Chicago, November 27 to 29, some three thousand educators responded to the innocent and friendly sounding label of the "American Education Fellowship," apparently a new name for an old organization, the "Progressive Education Association."

What is significant is that one of the principal leaders of this "leftist" group of teachers is one Harold O. Rugg, author of the controversial "Rugg System" of social science textbooks. These books have been widely exposed and thrown out of some 14,000 schools, although it is claimed that the books are still being used in 30,000 schools.

Professor Rugg is reported as having said to the convention that the world disturbance of today reflects to conflict between two great philosophies — one represented by the American system of private enterprise, and the other by Soviet collectivism, — and that he stands with the Soviet philosophy.

That is the great conflict. It can also be stated another way as the conflict between the teachings of Jesus of Nazareth and the teachings of Karl Marx of Germany.

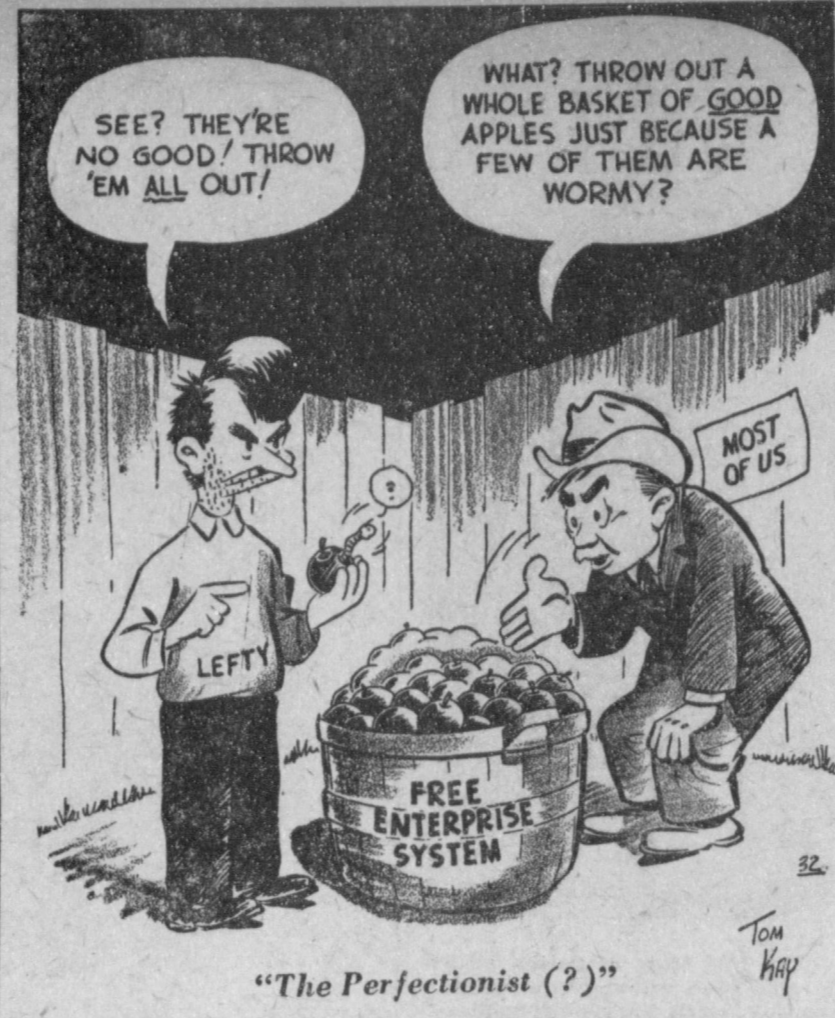

But I sharply disagree with Rugg when he favors the Soviet philosophy. That would be his privilege, of course, but it ought to be known before any parent permits his child to be influenced by such a man or anyone who stands with such a man in his beliefs.

THE LOW DOWN FROM HICKORY GROVE

You know, not until the Govt. sticks its nose into your own business, does the average person sit up and take notice. So long as it is the other guy that Sambo is pestering, it is okay. But it is the same with all our afflictions. You take a neighbor headin' for the dentist with an abscessed tooth — that is his baby. But let it be your own molar, sisters and brothers, it is no minor matter.

I got in mind how nobody is paying much attention to the nibbling here and nibbling there, that the Govt. is doing on business — getting a big foot in the power house door — becoming the nation's biggest trader in the grain market — forgetting the war is over and bargainin' in on priorities — using a sliderule on the farmer to decide what to, and what not to plant. Except you are touched, you pay no heed.

So today I am poppin' off with

"The Perfectionist (?)"

this warning. As Uncle Samuel gets to feeling his oats more and more, and is not slapped down — you are just as liable to find the old boy sittin' on your own door-step most any mornin'. It happened in Great Britain — just like that. So folks, get registered — get your vacations over — you have only about half a year left to ponder.

Yours with the low-down,
Jo Serra

Discouraged, Mister?

Here's the final comment from the statistical report:

"The outlook for the future is no brighter. The average family's share of President Truman's budget request of \$39,669,000,000 for one year would be \$1,106.64."

Taxes in Texas. They're rough, aren't they, Mister?

IT'S TAXES, BROTHER, NOT GROCERIES THAT COST THE BIG DOUGH

Austin. — You think your grocery bill is high?

Mister, have you stopped to think about how much you pay in taxes in Texas?

The average Texas family's tax bill was \$208 greater than its grocery bill last year — \$208.07 more, to be exact.

That's what the Texas Research Institute reported Monday. The institute is a statistical agency sponsored by the South Texas Chamber of Commerce.

The statisticians figured out Texans paid \$1,586,964,414 in taxes last year to federal, state and local governments. The food bill also ran more than \$1,000,000,000 dollars. It was \$1,248,241,000 — the first grocery bill we ever saw that didn't come out in odd number of pennies.

"Assuming that the average family consists of 4.3 persons, the family tax bill in Texas in 1947 was \$974.85, while the grocery bill amounted to \$766.78," the institute reported.

That boils down to a monthly grocery bill of \$63.88 for a family of 4 3-10 persons.

Maybe the 3-10 of a person was the one who starved while the other four managed to get by on \$63.88 worth of groceries. The statistician didn't explain.

The institute's report gloomily added that the average Texas family owes \$7,935.82 of its share of the federal government's debt of \$258,375,903,293.

THE RAILROADS

No man can estimate the value of the railroads to the United States when they first came, or for many years thereafter, according to the Rapid City, South Dakota, Journal. "They had a great part in making the United States what we now boast of it... the richest and most powerful nation on earth. If they have made it the richest country, those riches are yours and mine, the people's, for we are the country. Notwithstanding other and newer modes of transportation, railroads are indispensable."

Only a man, with ambition and responsibility can make a noticeable mistake.

Well Off on Either Side

In early days, there was a ferry across a river in East Texas. A man said:

"I want to cross but I ain't got a nickel for the fare."

The ferryman replied: "A fellow who ain't got five cents is just as well off on one side of the river as the other."

More Faith Needed
 "Brethren and sistern," sighed the Negro minister, "yo' faith am deplo'able. Heah we is, gathered together to pray fo' rain and Ah asks yo' whah at is yo' umbrellas?"

It don't take much sweat to work yourself to the bottom.

CROYDON, ENGLAND—(Soundphoto)—For the first time since the frantic days of World War II, Winston Churchill, derbied, cigar-smoking and with a bland smile on his face, went among his throngs of well-wishers flashing a V-sign now and then and submitting to the friendly back-pats of the crowd. Thousands (some of them shown here) tried to touch him for luck. The occasion was the Croydon (Surrey) By-Election in which "Winnie" made a 12-mile tour on behalf of Conservative candidate Fred Harris who was victorious. Harris' seat had been contested by Labor candidate Harold Nicolson and Liberal candidate Air Vice Marshal D. Bennett. Harris won a victory by the slim margin of 607 votes.

Easter This Year Misses Earliest Possible Date By Less Than A Week

Easter Sunday, which this year was March 28, just missed by six days the distinction of falling on the earliest possible date — March 22.

Since 325 A.D. this oldest Christian holiday has been celebrated on the first Sunday after the first full moon after March 21. It can be as late as April 25, as it was in 1943, but it won't hit the earliest date in this century.

It fell on March 22 in 1761 and again in 1818, when because of the complicated calculations it was observed on the wrong date. It will come close in 1951 when it is March 25. Next year it will be April 17 and April 9 in 1950.

The date for Easter was set by the Council of Nice in 325 to distinguish it from the Jewish feast of Passover. The Paschal influence remains in "Pasqua," the Spanish and Italian name for the feast and "Pasques," the French.

The English and German speaking countries use the word "Easter," derived from the goddess of the heathen Saxons known as "Osterr," "Ostara" or "Eastre." She was the personification of the east, the morning and the spring.

HOW MUCH FEED FOR 10 GALLONS OF MILK?

How much feed does it take to produce enough milk to fill a ten-gallon can? That depends a lot on the cows, says G. G. Gibson, extension dairy specialist. If it takes six cows to fill the can, they will need about 85 pounds of hay and 30 pounds of concentrates. Three cows would need half as much hay, and about the same amount of concentrates. The big difference is that only three cows have to be milked and cared for. That's why it means more money to have the right number of cows than a lot full of poor milkers.

Citation by Publication THE STATE OF TEXAS

To: Warren Thomas Ventura, defendant, greeting:

You are hereby commanded to appear before the Honorable District Court of Cooke County at the Court House thereof, in Gainesville, Texas, at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 3rd day of May A.D. 1948, then and there to answer Plaintiff's Petition filed in said Court, on the 20th day of January A.D. 1948, in this cause, numbered 15161 on the docket of said court and styled Blanche Louise Ventura, Plaintiff vs. Warren Thomas Ventura, defendant.

A brief statement of the nature of this suit is as follows, to wit:

Suit for divorce from the bonds of matrimony; for custody of the minor child, and for such other and further relief both special and general in law and in equity as plaintiff may show herself justly entitled to under the law. Plaintiff alleges cruel and tyrannical treatment on the part of defendant as grounds therefor, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Gainesville, Texas this the 18th day of March A.D. 1948.

Attest: (SEAL) Martin G. Davis, Clerk District Court, Cooke Co., Texas (18-19-20-21)

Daniza Ilitsch, famed European opera star who was rescued by Allied troops from a Nazi concentration camp in 1945, has resumed her singing career in America and will visit Dallas with the Metropolitan Opera Company in April. Mme. Ilitsch was sentenced to death by the Germans for sheltering RAF flyers during the war. In Dallas Mme. Ilitsch will sing opposite Leonard Warren in Verdi's "The Masked Ball," first of four operas to be given by the Metropolitan April 8 to 10, at Fair Park Auditorium, under auspices of Dallas civic leaders.

Cowtown Exposition Glorifies Industrial Growth of Southwest

Visible proof of the Southwest's sudden industrial expansion, which has resulted in a net gain of more than 100 per cent since 1939, will be seen at the First Southwestern Industrial Exposition to be held in Fort Worth May 30 through June 6.

Conceived by Southwestern manufacturers and sponsored by eleven commercial and industrial associations in the states of Arkansas, Louisiana, New Mexico, Oklahoma, and Texas, this exposition will afford the first comprehensive evidence that the Southwest is the fastest growing industrial area in the nation.

Need for a display of products made by the more than 10,000 manufacturers in the Southwest is recognized by C. W. Wofford, exposition president, who says, "The recent war emergency broke the inertia of manufacturing activity concentrated in the North and East, and caused a gravitation of industry toward areas with the greatest potentialities in terms of raw materials, markets, transportation facilities, and climate.

Site of the show will be the \$3,000,000 plant of the Will Rogers Memorial Coliseum and Auditorium grounds. Six new steel and concrete buildings used for the first time during the recent Southwest Exposition and Fat Stock Show will be available for

exhibitors. In addition to the 230,000 square feet of exhibits, there will be daily amusement features. Purchasing agents and wholesale buyers have expressed interest in the show, which will be open to the public. No admission will be charged.

CHRISTINE SICKING AND BERNARD GIEB WED HERE TUESDAY

Miss Christine Sicking, daughter of Mr. and Mrs. Henry Sicking, became the bride of Bernard Gieb of Lindsay, in a pretty ceremony performed here in Sacred Heart church Tuesday morning at 9:30 o'clock. Rev. Herman Laux performed the double rings ceremony and officiated at the nuptial high mass. The altar before which the vows were exchanged was adorned with Easter lilies and white snapdragons.

Anthony Luke, organist, played

the processional and recessional and remained at the console to assist the choir in rendering the mass.

The bride was attractive in a gown of white shadow chiffon designed with a neck-line simulating an off-shoulder effect, long petal point sleeves, an all-around peplum separated to form points in the front and extending into a long train over the full skirt. Her full-length veil was attached to a tiara of seed pearls and beads and she carried a white prayer book topped with a single white orchid.

The bride's jewelry consisted of an antique gold necklace worn by the groom's mother, the late Mrs. Henry Gieb, at her wedding, and rhinestone ear screws, a gift from the groom. She carried a crystal rosary a gift from her mother, and added a touch of blue with a lace handkerchief.

Attending the bride were her sisters, Misses Gladys and Mary Ann Sicking, who wore identical frocks of pink moire taffeta designed like the bride's gown with the exception of the train. They wore picture hats of pink net and pink net gloves and carried colonial bouquets of white carnations.

The groom's attendants were his brother, Gene Gieb, and his cousin, Harold Nortman.

The bride's mother wore a gray shadow chiffon dress with black accessories and a white carnation corsage.

The Sicking home was the scene of an informal reception and dinner at noon for relatives and friends. About 50 were in attendance. The bride's table carried out her chosen colors and was centered with a decorated cake.

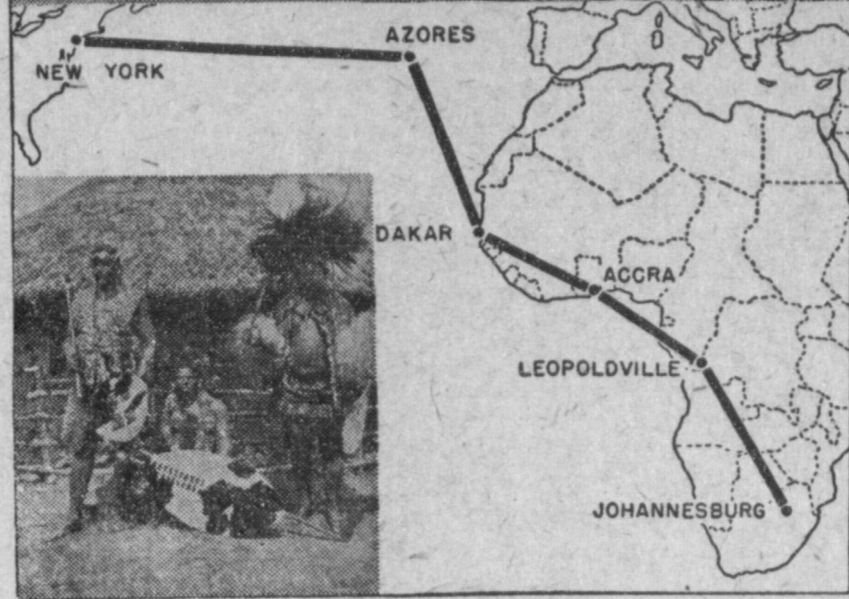

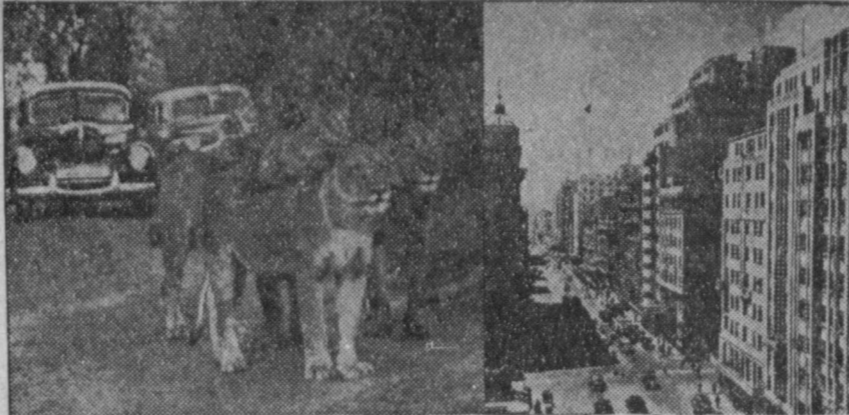

During the afternoon Mr. and Mrs. Gieb left on a wedding trip of undisclosed destination. When they return they will make their home on a farm at Lindsay. For traveling Mrs. Gieb wore a gold gabardine two-piece suit with black accessories and a white orchid corsage.

Among out of town relatives at the wedding were Mr. and Mrs. Ben Tubb of Oklahoma City; Miss Rose Gieb, Sherman; Mr. and Mrs. Paul Neu, Mr. and Mrs. Joe Gieb, Mr. and Mrs. Robert Gieb and family, Mr. and Mrs. Lawrence Knabe and baby, Mrs. Frank Hellinger and baby, Tony and Miss Theresa Sicking, all of Gainesville, and Mr. and Mrs. Walter Nortman and family of Lindsay.

Mrs. Gieb is a native of Muenster and attended Sacred Heart school. Mr. Gieb was reared and educated in Lindsay.

A pre-nuptial courtesy honored the bride Sunday afternoon when Mrs. Joe Trubenbach, Buddy Fette and Joe Lehnertz were hostesses for a miscellaneous shower in the parish hall. The guests presented many lovely gifts and enjoyed appropriate games and refreshments.

Mrs. M. J. Endres and her mother, Mrs. J. P. Fisch, had as guests Saturday, Mr. and Mrs. John Fisch and Mr. and Mrs. Herbert Willis of Okmulgee, Okla., and Mr. and Mrs. Dick Graf and family of Gainesville. The Oklahomans spent Easter with the Grafts.

◆ Lions block traffic in Park. Motorists would be stranded if they left cars. ● Commissioners Street, heart of downtown Johannesburg. ● Zulu Prince and aids in full war regalia. ● Map of Air route to South Africa.

NEW YORK, N. Y.—A country of extreme contrasts, as shown by the above pictures, South Africa, once weeks from the U. S., has attracted the interest of big business and the travel-starved American tourist, since it is now less than 44 hours from here via the Pan American World Airways Clippers.

Trekking down the west coast of Africa are thousands of immigrants from war-torn Europe, seeking new homes and jobs in booming South Africa. They're contributing to the rapid development of South Africa as a rich market for the United States; one which pays for U. S. goods with cash on the line, dug from the abundant African gold mines.

The Union government is sponsoring a three point program to foster immigration, encourage tourists and expand industry. Large cities, springing up in the open veldt, establishment of South African subsidiaries by large U. S. manufacturers and the prospect of many American tourists taking advantage of Pan American's magic carpet testify to the success of the program.

WIELER FAMILIES HAVE REUNION EASTER SUNDAY

Easter Sunday was an enjoyable day for members of the Wieler families when the six sisters and brother were together for the first time in several years. They spent the day in reunion at the home of Mr. and Mrs. Ervin Hamric, and all brought covered dishes for a delicious dinner.

Those present were Mrs. Ben Roewe and daughter, Agnella, of Sherman; Mrs. Joe Felderhoff and family; Mr. and Mrs. R.B. Shelton of Denton, Mr. and Mrs. H.C. Billingsley and children of Ardmore, Okla.; Mrs. A.A. Hellams and son of Dallas; Mr. and Mrs. John Wieler and daughters, and Mr. and Mrs. Hamric and sons.

Bill and Harold Luke, students at Texas Tech, spent Friday night through Monday here with their parents, Mr. and Mrs. Ben Luke and family during the Easter holidays.

Blessed Events

Mr. and Mrs. Johnny Moster are the parents of twin sons born at the local clinic on Wednesday night, March 24. The boys weighed 4½ and 5 pounds and have been named David Earl and Damian Paul. The double baptismal service was held in Sacred Heart church Monday afternoon with Father Herman officiating assisted by Lawrence Moster and Mrs. Luke Tempel, and Miss Anastasia Tempel and John Tempel as sponsors. The latter three served as proxies for Miss Louise Moster of Gainesville, Mrs. John Tempel, and Norbert Tempel of California. Mrs. Moster is the former Miss Elizabeth Tempel and they have two other children, Jimmy 5, and Rose Ann 3 years old. The grandparents are Mr. and Mrs. John Tempel of this city and Mr. and Mrs. Ed Moster of Lindsay.

David Joseph is the name of the infant son of Mr. and Mrs.

Paul Fisher. He was born at Gainesville sanitarium on Thursday, March 25, and was baptized here Tuesday. Mr. and Mrs. Charles Fisher were godparents. Mr. and Mrs. Frank Kathman and Jos. Fisler are the grandparents.

Mr. and Mrs. Joe Voth announce the birth of a 7-pound son, Mark, at the local clinic on Saturday, March 27. He was christened Sunday afternoon by Father John, assisted by Mrs. Henry Fette and R.N. Fette as sponsors. Mrs. Fette served as proxy for Ens. Rita Voth of Corpus Christi. Mrs. Voth is the former Miss Alvina Fette and they have four other children, three boys and a girl. The grandparents are Messrs. and Mmes. Henry Fette and Barney Voth.

Two Bucks Will Make You A Millionaire In China

Shanghai. — You could become a millionaire in China Saturday for less than two U.S. dollars. Chinese national currency fell to a rate of more than 500,000 to \$1 on the black market. The price has remained steady for more than a week at about 450,000 to one. Most black market traders said Truman's speeches Wednesday did the sudden change because the President did not include "one word" about China.

Let it rain, let it pour! Stormy weather won't bother beautiful Barbara Jo Walker, 1947 Miss America. She's oblivious to raindrops in a water-repellent raincoat, hood, cape and matching umbrella of Everglaze cotton in the new spring color, eggplant.

LINDSAY JUNIORS AND SENIORS TO PRESENT CLASS PLAY SUNDAY

"Lena Rivers", class play of the seniors and juniors of Lindsay school, will be presented Sunday evening at 7:30 in the Lindsay community hall. Joan Geray is cast in the title role and others in the cast are Florene Arendt, Jerome Dieter, Bernadine Lutkensaus, Eلفrieda Block, Betty Lou Bezner, Joe Hermes, Clem Hermes, Margaret Fleitmann, Donald Hermes, Julius Metzler, Anna Mae Fuhrmann and Raymond Sandmann. Between acts vocal and instrumental numbers will be presented by Paul Sandmann, Arnold Bezner, Beatrice Zimmerer, Cecilia Zimmerer, Virginia Fleitmann, Anita Fuhrmann, Mary Margaret Hermes, Angela Hermes, Viola Bezner and Eلفrieda Block.

Swapping Jokes
Mr. Wood, a man very fond of playing jokes, met his friend, Mr. Stone, and once inquired facetiously, "Hello, Stone, how are Mrs. Stone and all the little pebbles?" "Fine," said Mr. Stone, "all well thank you," and then with a twinkle in his eye, he added: "How are Mrs. Wood and all the little splinters?"

Opportunity of a Lifetime
A husband and wife who had farmed for 40 years took a trip to New York City. They went up into the Empire State building for a look at the city. The wife looked out across acres of buildings, to the Sound beyond. I'm speechless," she gasped, "absolutely speechless." "Good!" her husband cackled. "I'll buy the darned thing."

Lindsay News

The Matt Neu family moved into their new home this week.

Miss Margaret Streng of Fort Worth was here for an Easter visit with Mr. and Mrs. Wm. Fleitman.

Miss Anna Mae Dieter of Fort Worth spent the weekend with her parents, Mr. and Mrs. Val Dieter.

Harold and Miss Margaret Gruber of Fort Worth spent the holiday weekend with their parents, Mr. and Mrs. F. J. Gruber.

Hubert Bezner of Texas Tech spent Friday through Monday here with his mother, Mrs. Joe Bezner.

Reynold and Bobby Reiter of Muenster spent their school holidays with their sister, Mrs. Andy Arendt and husband.

The Gun Club held a business and social meeting Sunday. It was the first gathering of the club since before Lent.

Miss Georgia Spaeth who is a student at Denton spent the Easter holidays with her mother, Mrs. George Spaeth.

Miss Dorothy Beyer of Fort Worth was here for an Easter visit with her mother, Mrs. Adam Beyer and family.

Jerome Neu and Alfred Kuhn, who attend business college in Fort Worth, spent the Easter holidays with homefolks.

Hubert Neu, a student at St. John's Seminary in San Antonio,

spent the Easter holidays with his parents, Mr. and Mrs. Joe Neu and family.

Mr. and Mrs. Al Moosberger and daughter, Rose Marie, of Austin, were here to spend the Easter holidays with her mother, Mrs. C. Hoelker.

Mr. and Mrs. Fred Luebbert had as Easter guests their son, Mr. and Mrs. Henry Luebbert and daughters, and her mother, all of Fort Worth.

Easter dinner guests in the home of Mr. and Mrs. Joe Koerner were Mr. and Mrs. Andrew Roewe and family of Pilot Point, Mr. and Mrs. Raymond Hiltz of Dallas and Mrs. Annie Koerner of Gainesville.

Mr. and Mrs. John Bezner had as Easter guests their children, Mr. and Mrs. Ray Bezner and son, Buster, of Bragg, Okla.; Mr. and Mrs. H.J. Bezner and son of Gainesville; Mr. and Mrs. Ralph Bezner and son of Longview, and Walter Bezner of Dallas.

Six members of the Lindsay Girls 4-H Club, Misses Florene Arendt, Betty Lou Bezner, Elfrieda Block, Anna Mae Fuhrmann, Margaret Fleitmann and Bernadine Lutkenhaus, were in Fort Worth last Wednesday to attend a style show, sponsored by Simplicity Patterns and featuring models in spring suits, summer dresses, formals, play suits and 4-H Club uniforms.

John Schmitz and son, Leroy, who are employed in Austin, spent the weekend here and when they returned Monday were accompanied by Mrs. Schmitz. They will make their home in Austin, Sunday guests in the Schmitz home were Mr. and Mrs. Martin Theimer and Johnny Schmitz of Edmond, Okla., Mr. and Mrs. Ray Wilde and son, of Muenster, Freddy Schmitz, Skeeter Bodwsky and Joan Bosley of Gainesville.

GREGORY HUNDT AND MARY HERMES MARRY TUESDAY AT LINDSAY

Miss Mary Hermes, daughter of Mr. and Mrs. Clem Hermes of Lindsay, and Gregory Hundt, son of Mr. and Mrs. Joseph Hundt of Lindsay, were united in a solemn and impressive church service Tuesday morning, March 30, in Saint Peter's church at Lindsay with Rev. David Flusche of Subiaco, cousin of the bridegroom, officiating at the ring ceremony and at the nuptial high mass.

The processional and recessional were played by Mrs. Wm. Fleitman, organist, who also assisted Saint Cecilia's choir in rendering music for the mass. Serving as acolytes were the bride's twin brothers, Clem and Joseph Hermes, and her cousins, Cecil, Cyril and Walter Hermes. The bride was lovely in a gown of white slipper satin designed with a lace applied yoke, fitted scalloped bodice, long sleeves pointed over the wrists, and a very full skirt. Her finger-tip length veil of illusion was attached to a tiara of seed pearls and she carried an arm bouquet of Easter lilies. Her only ornaments were a gold cross and chain, presented by the bridegroom.

Attending her sister as matron of honor was Mrs. Joe Hundt. Her dress was of pink taffeta with a fitted bodice, modified bustle, puffed sleeves and bouffant skirt. She wore a picture hat of the same color and carried a bouquet of pink snapdragons.

Joe Hundt, brother of the groom, was best man.

The bride's mother wore a navy dress with white accessories

and a corsage of white carnations. Mrs. Hundt, mother of the groom, was unable to attend the service because of illness.

Immediately after the ceremony members of the bridal party and the officiating minister were guests at breakfast in the home of Mr. and Mrs. Al Hess, brother-in-law and sister of the groom, in Muenster. At noon dinner was served to a large number of relatives and friends in the home of the bride's parents, Mrs. Ed Schad, sister of the bride, presided at the three-tiered wedding cake.

Mr. and Mrs. Hundt left in the late afternoon on a wedding trip, not revealing their destination. When they return they will be at home on a farm four miles north of Lindsay. For traveling Mrs. Hundt wore a dusty pink suit with black accessories.

Mrs. Hundt attended Lindsay school and had been employed in the traffic department of the Southwestern Bell Telephone company in Gainesville as service assistant for the past five years.

Mr. Hundt attended school in Lindsay and St. Mary's school in Gainesville. He served in the army air corps for three years during the past war, most of that time being stationed in the European theater.

Two pre-nuptial courtesies honored the bride. One was a surprise shower in the telephone of

hornsogglng picnic for the Russian boys.

Confetti---

hornsogglng picnic for the Russian boys.

The monotonous regularity by which this country has been outfoxed by Russia has become humiliating and exasperating. We have permitted ship loads of vital materials to go directly from here to Russia. We have poured billions of dollars worth of aid into Europe while Russia plundered those same areas for billions of dollars worth of equipment. We go on and on supplying Russia directly and indirectly with the materials which enable her to insult us, violate treaties, enslave one country after another, and build a military machine which threatens the peace of the entire world.

We've been played for suckers long enough. It's high time to let Russia and all the other countries know that henceforth Uncle Sam will not allow so much as a trickle of help to the mad men of Moscow or to any nation which deals with them.

If it's true as we are told, that American taxpayers are donating 17 billion dollars to rescue Western Europe from the jaws of communism, then the taxpayers are entitled to some assurance that their donations will not be diverted to support the continued spread of communism.

By all means let's lend a helping hand to the distressed people of Europe. But let's also serve notice that we will not tolerate any round-about phengagling by which Russia or any of her communist dominated puppets get the benefit of our help. Without such a provision the Marshall Plan would be a colossal injustice to the American people.

To our way of thinking there is only one thing more foolish than permitting England to fabricate our steel for Russia. And that's to fabricate the stuff and ship it ourselves, as we have been doing the past several years. Russia is our enemy and is known to be building a war machine intended for our destruction. It's a cockeyed situation indeed when, in spite of knowing all that, we give Russia the very materials that are urgently needed to build our defense against Russia.

Rauschuber and family and Ferdinand Hundt of Valley View, Father David of Subiaco, and Mr. and Mrs. A.C. Flusche of Denton.

"I had my girl out at the airport on Sunday and now she wants me to take her flying."

"If it's the one I saw you with last night, just buy her a broom."
