MUENSTER, COOKE COUNTY, TEXAS

NUMBER 27

**A praiseworthy gesture, which, unfortunately, is likely to remain only a gesture, is a bill introduced by our congressman, Graham Purcell, to establish a code of ethics for members of Congress and their employees.**

The bill provides for strict limitations on travel by congressmen and their staffs and strict reporting of funds spent on trips. It also demands annual sworn statements from members on their financial transactions, and specifies that employees on a congressman's payroll must be on the job in Washington or the home district.

Apparently this kind of legislation is necessary to cope with official dishonesty. But the fact that it is considered necessary is in itself an indictment of the congressman and of vast segments of the American public. It seems to accept a widely prevalent attitude that dishonesty and squandering are all right so long as there is no law forbidding them.

**A person would think that a proper standard of morality, which, after all, is simple respect for the commandments of God, would be sufficient to take care of the problem.** Anyone knows it is wrong to squander taxpayers' money for one's own personal pleasure or profit, or giving the public's money to people who do not earn it. That is stealing. It is wrong whether or not a law explicitly forbids it. For that matter, we wonder why present law is not sufficient to deal with it. We have laws against stealing, and the conscience of congressmen should find a way of applying them.

Even when they fail to prosecute, one could reasonably expect them to react in another way. They would be completely justified in ostracizing the culprits. Constituents back home should take a hand in the matter too, by defeating the men in their next election.

**As Purcell pointed out, his bill is intended for the very few who are guilty.** And the fact that it is introduced does not reflect on the big majority of congressmen, who are dedicated and honest. But it does reflect on them. Allowing the crooks to get by with their stealing points up at least that much dereliction of duty. The bill, in plain words, is an attempt to do by law what congressmen should have been doing all along on principle.

We can understand that congressmen dislike any exposure of scandal in their midst. The sins of the few reflect on all of them. But that still does not justify their failure to deal effectively with those who violate basic morality. Or does expediency prompt them to believe that less harm comes from overlooking misdeeds than from exposing them?

If that's the attitude we are inclined to wonder whether Purcell's bill will make any headway. Most likely it will be expediently forgotten. Because congressmen who are reluctant to crack down on the culprits on principle and existing law will also be reluctant to pass new laws for the same purpose.

**Regretfully this column admits that these remarks are somewhat less than complimentary.** But what other conclusions can be drawn from the many shocking exposures that have been made through the years? Of all the persons accused, and their misdeeds plainly set forth, how many have been removed from office? Or how many have been vindicated? To our way of thinking, such charges require definite action establishing guilt or innocence. The person should be punished or his name should be cleared. But the usual way, it seems, is to just ignore the incident and let it be forgotten. The individual's morality apparently is not the concern of other congressmen. If his constituents want him, they'll accept him, regardless.

**Agreeing again with Congressman Purcell, this column believes that the big majority in Congress is dedicated and honest.** But it does seriously wonder about the propriety of a system in which just men are either unable or unwilling to deal justly with the stinkers. To that extent the just men are failing in their duty to us citizens. They allow our money to be stolen from us. They allow unworthy

## VFW, Auxiliary Will Host District Joint Convention

Veterans of Foreign Wars and members of Ladies Auxiliaries will converge on Muenster this weekend when Post 6205 and its Auxiliary hosts the District I convention Saturday evening and Sunday.

The convention will open at 4 p.m. with registrations and there'll be a dance at night. The program for Sunday will begin with the district officer breakfast at Rohrer's Restaurant at 9 o'clock while the Auxiliary has a coffee in the Post Home. There will be another opportunity to register between 9 and 12 o'clock.

At noon a joint banquet for both groups will be held in the Post Home with Billie L. Dorris, Department adjutant and quartermaster of Austin, as guest speaker.

Closed meetings for the men and women will begin at 2:30. For their meeting the Auxiliaries will go to the K of C Hall. The two groups will join again for supper in the Post Home.

## Hawks and Ravens Take Pee Wee Lead

Wednesday was no night for baseball, but the kiddies did not seem to notice as they opened their 1963 pee wee season. While just a few adults were shivering in the stands most spectators were seeing the game from their cars.

When it was all over the Hawks and Ravens were tied for the loop lead. In the opener Hawks beat Jays 12-10 and in the second Ravens beat Crows 18-12.

Jays apparently had it made after a strong start, but fourth inning substitutions made a difference. Hawks, trailing 9-2 at the end of the fourth scored their limit of 5 runs in each of the next two while the Jays added only 1.

Next game was more of the same. Crows led 8-5 ending the third. After substitutions the Ravens did most of the scoring.

The best looking ball park Muenster has ever had was ready for the game. Jaycees had completed their job on schedule. Their project included the remaining half of the concrete grandstand and concrete slab in front of it, rebuilt backstop, concession room and paint. Besides, the diamond was extra slick, with a smooth-up job after Sunday's rain.

## 39 Students Receive High School Diplomas 17 Graduate At Muenster High 22 Graduate At Sacred Heart

Seventeen graduates of Muenster High School and four of the Grade School received diplomas last Friday night in commencement services in the school auditorium.

Heading the program as commencement speaker was Father Joseph Thomas, pastor of Immaculate Conception Church in Denton.

He emphasized the urgent need of more principle and less expediency in modern living, and especially recommended the moral courage of doing what is right even though it may not be popular. The world needs more people who are ready to stand and be counted on the side of right and conscience, he said.

Student speakers were Charlotte Wolf, valedictorian, and Rita Fisher, salutatorian. Father Alcuin Kubis gave the invocation and benediction. Miss Bettye Dodds played for the professional and recessional. She also sang a solo, accompanied by Sandra Cain, and accompanied Anthony Michalsky in a baritone horn solo.

## Council Schedules Summer Program For Street Work

Bringing four of the city's streets up to complete and first class condition is the goal tentatively set by the city council Monday night for this summer's street program.

Following a hearing on street improvements, in which citizens expressed both approved and the most urgent jobs. According to Mayor Earl Fisher they are as follows.

Sixth street from the cemetery to the hospital driveway a short distance beyond Maple. Maple street from Seventh to Third. Third from Maple to Main. Oak from the highway to Sixth. Second from Main to Pecan.

All of these streets are scheduled for completion this summer and are to have full width, curb to curb paving. Most of those streets already have center paving, so the project in general will consist of the full width followed by a surface job over all. Where curbing does not exist property owners will have to install it.

## County College to Have Graduation Sunday, May 26

Dr. Imogene Bentley Dickey, Dean of Women and Professor of English at North Texas State University, Denton, will address the seventy-nine members of the Cooke County Junior College Class of 1963 Sunday, May 26, at 4 p.m., in the college auditorium.

J. Norris Scott, Dean, will preside at the commencement and will recognize the honor students and present the class as candidates for degrees. The Delta Kappa Gamma Grant will be presented by Miss Emma Dean Nickle, president of Gamma Sigma Chapter, Gainesville. John H. Parker, president of the college, will confer the degrees.

The class gift will be presented by David Booe, and the invocation will be given by Johnny Burke Brown, Student Body president. Miss Mary Frances Lane is in charge of the musical portion of the program, with Fran Allen, Darlene Suddath, Judy Head, and Mary Jean Pulte performing.

The class sponsors are Dean Scott, Miss Lane, and Peter Hyde. The following members of the Class of '64 will serve as ushers: Dottie Morrison, Judy Knight, Barbara Grown, Jo Ann Fisher, Darlene Suddath, Pat Muller, Donna Davis, and Jane Locke.

## 39 Students Receive High School Diplomas 17 Graduate At Muenster High 22 Graduate At Sacred Heart

How to live, not how to make a living, should be the chief interest of graduates as they look forward to their life careers.

That was the advice of Father Alcuin Kubis in his commencement address to the 22 seniors of Sacred Heart High School at graduation services in church Sunday night.

The money one earns is only of secondary importance he said, whereas service to God and man should be one's principal objective in life. Real success, therefore, he pointed out, is making the world a little better while earning eternal happiness hereafter.

Father Alcuin also was celebrant of the mass preceding graduation and assisted by Father Bruno Fuhrmann, presented diplomas and awards.

The customary 8th grade commencement was not held this year, because of introduction of a junior high department next year. Present 8th graders will be junior high graduates next year.

Graduates were Janice Vogel, Carol Henscheid, Peggy Reiter, Joan Kaiser, Betty Landsfeld, Ruth Wimmer, Joyce Haverkamp, Roselee Mosler, Carol Hess, Ruth Bayer, Jane Henscheid, Joyce Reiter, Dianne Endres, Mary Pels, Mildred Starke, Kathy

## Weather Delays Harvest of Wheat First Load Here

The first load of 1963 wheat to be delivered in Muenster arrived last Saturday. It was brought to the Muenster Mill elevator by Alexander Brothers of Era. The test was 60.

Grain is ripe enough now in many fields of the community but conditions are not right for cutting. In some cases ground is still too wet for combines, after last Sunday rain. Also, grain itself is too wet. Cool damp air has been hanging on since the rain.

The crop, as it appears now, should be another good one providing harvesting weather is good. Prospects are bright for yields up to 30 bushels per acre.

## Over 600 Attend Formal Opening Of Phone Building

Open house for the formal showing of Muenster Telephone Corporation's new building drew over 600 visitors from a wide area Sunday afternoon between the hours of two and five.

They toured the building, registered for prizes, enjoyed punch, coffee and cookies, and received souvenirs — a booklet for listing phone numbers and addresses and an area code book.

More than two dozen handsome floral tributes adorned the place from front to back providing a festive environment for a bevy of pretty hostesses, all of them wearing corsages.

While Owners Billy Joe Miller and Alvin Fuhrman explained the mechanical workings, their wives helped welcome guests. One of the displays showed how a number is automatically connected with another by the dial.

All former operators on duty just before switch to the automatic system were corsaged and assisted with hostess duties at the guest book, pouring punch and coffee and acting as guides.

This group included Miss Elizabeth Herr, Miss Helen Hess and Mrs. Alvin Fuhrman who continue as employees and Miss Katie Herr, Miss Nora Trubenbach and Mmes. Ted Gremminger, Elizabeth Mollenkopf, Isabell Fette, Joe Voth, Alphonse Hoening and Val Fuhrman.

Among guests was Mrs. J. S. Horn, 88, first switchboard operator after telephone service.

## Rain Totals 1.42

Another very helpful rain came to the community last Sunday. It was just right to finish the oats crop, will pay off generously in the next cutting of hay, and also improve pastures wonderfully. Wheat, already headed for good maturity since the previous rain, did not need it but was not hurt.

It was eagerly welcomed by all but the few who were caught with hay cutting down. But even those were glad to have it on other crops, and they can console themselves with the old saying that benefit to the next cutting will compensate for loss on this one.

The rain measured 1.42 inch, making the month's total 2.82 and the year's 8.80

## Klement Invited To All-Star Game

An honor new to Muenster is the selection of one of its students to play in an all-star football game.

Robert Klement of the Hornets has been invited to play in the Green Belt Bowl all-star classic at Childress on July 27.

## Rev. Billy Whitt Graduates May 17

Mr. and Mrs. Buford Whitt drove to Fort Worth Thursday and were overnight guests in the home of their son and family, the Billy Whitts, and all attended graduation exercises Friday morning at Southwestern Baptist Theological Seminary where the Rev. Billy Whitt was among graduates. He is pastor of the Tabernacle Baptist Church in Fort Worth.

## Gene Luke Named For Summer Grant To Study Science

Eugene C. Luke is one of 40 who have been named participants in a summer science and mathematics institute at North Texas State University. He is a son of Mr. and Mrs. Ben Luke, a graduate of Muenster High School and NTSU, a teacher of physics and mathematics at Lewisville High School.

The program will be conducted from June 3 to August 22 under a \$77,500 grant from the National Science Foundation. Ten teachers have been selected for each of the programs in biology, chemistry, physics and mathematics.

Each participant will receive a weekly stipend of \$75 plus allowances for dependents and for travel to the campus.

The summer program is designed for teachers whose training in the subject they teach is incomplete or outdated and who wish to improve their knowledge and teaching competence. Each participant will enroll for two courses in each six-week term of the summer session, earning 12 semester hours of graduate credit.

## NEWS OF THE SICK

Mrs. James Hess entered Gainesville Hospital, Lindsay Street, Monday for medical care, tests and observation.

Mr. and Mrs. Ray Laux of Lindsay are hospitalized at the same time. Both are in Harris Hospital at Fort Worth where he is receiving treatment for a back injury and she had surgery. Their children are staying with her parents, the Clarence Owens in Fort Worth.

Herbie Miller who had a minor operation — nose surgery — in Dallas Monday is recovering satisfactorily and is back at home after being dismissed from the hospital Wednesday.

Mrs. Willard Zimmerer of Dallas is visiting her parents, the J. J. Haverkamps, while she is convalescing from recent major surgery performed at St. Paul's Hospital. Mr. and Mrs. Haverkamp and Mr. and Mrs. Ray Kupper went to Dallas Monday and brought Mrs. Zimmerer back with them. The children Alan, Karen and Brenda have been visiting their grandparents since last week.

## Cold or Warm - Swimming Pool Will Open Sunday

Preparations to open the swimming pool Sunday are under way this week, even though the thermometer is some 30 or 40 degrees below comfortable swimming temperature. Unless weather changes a great deal it may be an opening without a single swimmer.

Nevertheless the pool will be in operation when weather gets back to normal. Glenn Richardson will be in charge and Roger Taylor will assist him.

It will be open every day except Monday from 2-9. No one will be admitted after 8 and closing will be as soon after 8 as all swimmers are gone.

Admission charges will be 20 cents and 40 cents as they were last year. Cold drinks and candies will be sold only through vending machines.

## Sunday Designated 1963 Buddy Poppy Day in Muenster

Sunday will be Buddy Poppy Day in Muenster. And principal source of contributions will come from collections at Sacred Heart Church following the five masses.

The campaign annually is sponsored by the VFW Auxiliary. This year donations will be accepted by Camp Fire Girls and their leaders who will be at the church doors. Mrs. Don Flusche is general chairman for the sponsoring organization.

The Auxiliary invites everyone to buy a poppy and give generously, reminding that proceeds of the sale, other than the actual cost of the poppies, remain in Muenster in a special fund to help local disabled veterans and handicapped children.

Another source of revenue will be a collection at the Livestock Auction on Memorial Day. Five groups of girls will be at the church, the sixth will visit the Auction sale.

## Plans are Shaping For Homecoming On Father's Day

Plans are under way for Muenster's annual homecoming celebration to be held June 16.

Father Alcuin has enlisted the help of parish societies to take charge of the day's festivities and has distributed lists of chairmen for the various concessions, booths, games, dinner, and dance to make homecoming 1963 a big success.

Heading the committees as general chairmen are Dan Haverkamp, Ed Endres, Ed Schneider and Sylvan Walterscheid. There are thirty other committees to head attractions and tend to invitations and related duties.

Everyone is invited, no special invitation is needed, but a committee will be mailing invitations to out of town former members and friends of the parish and persons wishing to include some one in the mailed invitations may leave names with Mrs. Sylvan Walterscheid.

## Fred Luebbert, 79 Dies at Lindsay Of Heart Attack

Fred J. Luebbert, 79, retired farmer and cattle breeder, and 45-year resident of Cooke County, died at his farm home southeast of Lindsay after suffering a heart attack about 12:45 p.m. Tuesday.

Funeral services with requiem mass will be held at 10 a.m. Friday in St. Peter's Church and burial will be in Lindsay cemetery.

Rosary services in the George J. Carroll & Son Chapel were set for 7:30 p.m. Wednesday and Thursday.

Fred Luebbert was born Aug. 5, 1883, in St. Louis, Mo., and was married there June 4, 1912, to Miss Anna Dudenhoeffer of Cooke County who had gone to St. Louis to visit relatives when she met Mr. Luebbert.

Two years later they moved to Cooke County settling on the Frank Dudenhoeffer farm. They celebrated their golden wedding at their ranch home last year.

Survivors include his wife; one son, Henry Luebbert of Fort Worth; two granddaughters and two great-grandchildren, all of Fort Worth; three brothers, Al, Henry and Walter Luebbert of St. Louis, and one sister, Mrs. Lydia Sutherland of St. Louis who was visiting in the Luebbert home when he was fatally stricken.

Books Arrive for SHH Summer Reading Program

Sister Carmelita has announced that books for Sacred Heart High School students' summer reading program have arrived and may be picked up. This reading is a must, Sister Carmelita added. Students must read ten books during vacation for one-third of the first quarter grade.

Mr. and Mrs. John Aytes and children of Shreveport, La., visited her parents, the Arthur Hellmans over the weekend.

## 6-Year Daughter Of James Bayer Drowns in Pond

A little girl drowned and three communities mourned.

Victim of the tragedy was Gladys Ann Bayer, six-year-old daughter of Mr. and Mrs. James Bayer of Valley View, members of St. John's Parish. Her father is formerly of Muenster and her mother is formerly of Lindsay.

The accident happened last Friday afternoon. According to Sheriff O. E. Whisnand the drowning occurred about 5 p.m. in a stock tank located on the family farm.

Gladys Ann and her two younger brothers were wading in the pond. She apparently stepped into deep water. The children had permission to wade in a nearby creek but were not permitted to wade in the pond.

The brothers rushed to the house to tell their parents and the father searched for some 20 minutes before finding the body in six feet of water.

A Vernie Keel Funeral Home ambulance took the body to Gainesville to the George J. Carroll & Son Funeral Home and it was later transferred to Miller Funeral Home for rosary services before burial from Sacred Heart Church.

Rosary was recited Saturday at 8 p.m. and Sunday at 3:45 in the Miller Chapel.

The Rev. Hubert Neu of Dallas uncle of the child, officiated at Mass Sunday at 4 o'clock. Father Alcuin Kubis gave the funeral sermon and Father Anthony Gajda, pastor at Valley View, conducted graveside rites in Sacred Heart Cemetery.

Bearers were Doris Lutken- (Continued on page 8)

## Muenster Votes 149-20 Against Wheat Program

By a ratio of more than 7 to 1, a count of 149-20, wheat producers of Muenster added their punch to the nationwide defeat of the 1964 federal wheat program in a referendum Tuesday. The local outcome also helped to account for the lop sided county vote of 722 against and 164 for.

It was the first time in thirteen years of wheat balloting that local and county farmers voted on the winning side. They have opposed the program every year but always turned up on the losing side when the votes were counted.

Nation wide the program needed a two thirds majority to become effective. It received less than a simple majority.

Only about half of the county's eligible voters cast their ballots, but the election turnout was by far the largest in the history of county wheat referendums.

## News of the Men in Service

### NEITHER RER NOR DEAD

The communists are masters of psychology, and they are usually adept at what is known as reverse psychology. Take, for example, the slogan attributed to Bertrand Russell: "Better Red than dead." Although this bit of lacklogic has been picked up by the lunatic fringe groups on the left, the majority of Americans are rankled by the very idea of preferring slavery to death. Yet what has been the reaction of most of us? To stoutly proclaim: "Not me, I'd rather be dead than Red!"

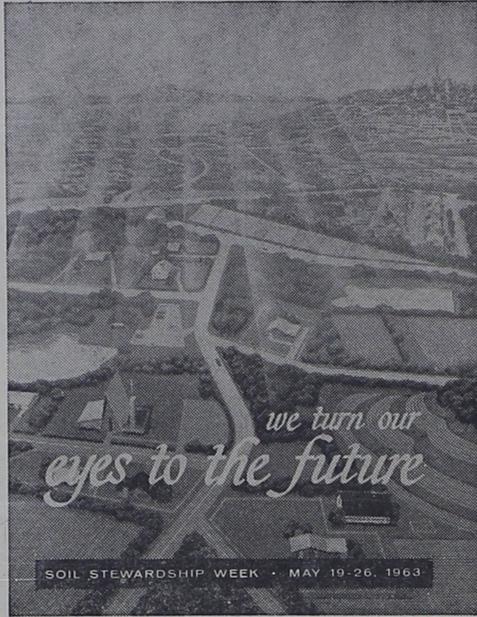

In saying this, all we have done is to take two unpleasant situations — death and communist enslavement — and pick what we suppose

would be the lesser of the two evils.

Actually, what have we accomplished for the Reds by simply reversing their "better Red than dead" postulation? Plenty! We have lent belief to their awful that communism throughout the world is inevitable! Whether Red-than-dead, or dead-than-Red, either concept embodies the vision of communist domination here in the United States. And this is exactly what the Kremlin has been working toward — the paralysis of the American will to resist, through the belief that communism will someday rule the U.S.

Don't believe for a minute that you must end up either Red or dead — by choice, that is. The truth of the matter is that we can remain very much alive and free. But before we can be certain of this, we are going to have to stop reacting — and start acting. Communism, the bone in the national throat which is slowly strangling us, must be defeated rather than endured.

We have long entertained a lot of idealistic, nonsense — all aimed at taming the tiger rather than ridding ourselves of its presence. We kid our-

**SOIL STEWARDSHIP WEEK**, a nation-wide observance which places emphasis on man's obligation to God as stewards of the soil, water and other related resources, will be celebrated locally May 19-26, according to Harold Skaggs, Chairman, Upper Elm-Red Conservation District. This year's observance, with the theme, "We Turn Our Eyes to the Future," underscores the responsibility which each citizen has in meeting the responsibilities of soil stewardship. The Upper Elm-Red Conservation District and some 2,930 companion Districts throughout the nation and Puerto Rico, through their State and National Associations, are sponsoring this event for the ninth consecutive year.

selves that we can co-exist with it through the UN; that if it comes to understand us through "cultural exchange," it will grow to like us; that Khrushchev and Mao will soon be at each other's throats and will stop bothering us; and that we can buy the affections of Gomulka, Sukarno and Tito, thus "driving a wedge" between these Marxists and the Kremlin. Oh happy thoughts, but how much longer will these strategies have to fail before we are convinced that all we are doing is playing the communists' game?

If we are serious about wanting to defeat communism, we had better quit playing the game by their rules and establish some of our own. The truth of the matter is they can be defeated in a hurry, if we will cut off completely all of the economic and political aid we have been giving them since we first recognized their corrupt, murderous regime in 1933.

Even with the billions we have poured into their creaking system through so-called "friendly" Red nations, they still cannot even feed their people — let alone give them a standard of living comparable to ours. If this unwarranted assistance were suddenly to be removed, what should be the result in Redland? Utter economic chaos, most certainly. Then, imagine if you will, billions of people driven by hunger to revolt. How long could the Red dictatorships endure such explosive internal pressure?

To those who say there are "no simple solutions," we say it is time to start with one simple goal in mind — victory over communism! This must start by our withdrawal of diplomatic recognition of all Red governments and termination to cut off all economic assistance. When the Reds are completely isolated from the U.S. — the Great Provider — their demise as a threat to our lives and freedom will be swift and certain!

### ON THE RAZOR'S EDGE

The nations and peoples of the world stand on the razor's edge.

It is now known that there has been a tremendous increase in this country's nuclear capability — which means the ability to blow up practically everything on earth. A single nuclear submarine, of the new advanced design, carries more explosive power in her warheads than was unleashed in all of World War II.

It must be assumed that the Soviets have made comparable progress — if "progress" is the proper word to apply in this connection.

Extraordinarily elaborate protections have been taken to guard against the use of the ultimate weapons because of faulty intelligence, accident, or human aberration and strain. The Soviets, without doubt, have done the same thing. Yet nothing is perfect, nothing can be totally dependent upon to perform as ordered and wished under any and all conditions.

The goal of disarmament looks far away. Yet, certainly, it must be the goal of all people everywhere. The money the energy, the resources, that are spent on weapons of unbelievable destructive power, if applied to useful ends, would create an infinitely better world. And, most important of all, it would remove that terrible question: "Will someone push the wrong button?"

Early in March, bills implementing President Kennedy's transportation program were sent to Congress. One would remove minimum rail rate regulation of agricultural and bulk commodity shipments; another incorporates other recommendations of the 1962 Transportation Message. A covering White House letter stressed the industry's need for greater competitive opportunity.

### "THE WORLD IN WHICH WE WHIRL"

The editor of the Germantown, Pennsylvania, Courier tells of a little lesson he was recently given in "How changing is the world in which we whirl."

He dropped in on a jeweler friend to ask what had happened to the dollar watch — the famous "turnip" of a past age. It was a good watch, too, and it went on ticking away indefinitely so long as over-eager boys didn't take it apart to see what made it work.

Well, the jeweler had the dollar watch. Only now the price tag is \$6.50, plus 65 cents federal tax and 28 cents state tax. So the taxes alone total almost as much as the watch used to cost.

As the editor says at the end, "Let's quit this nostalgia right now." And there's no particular moral to be drawn — except that the old and revered dollar watch is an excellent symbol of the inflation that is drowning us.

### DELAYED CHARITY LACKS MAGIC

A friend with a huge income isn't going to leave much of a fortune when he dies. He wants to enjoy the fun of giving right now. He says it will give him no thrills to have his money distributed after his death.

A modern fable by some unknown author helped him to form his present philosophy of giving.

A rich man said to a friend, "Why is it everybody is always criticizing me for being miserly when everyone knows I have made provisions to leave everything I possess to charity when I die?"

"Well," said the friend, "let me tell you about the pig and the cow. The pig was lamenting to the cow about how unpopular he was. Said the pig, 'People are always talking about your gentleness and your kind eyes. Sure you give milk and cream, but I give even more. I give bacon and ham — I give bristles, and they even pickle my feet. But nobody likes me. Why is that?'

"The cow thought a minute, and said, 'Well, maybe it's because I give while I'm still living.'"

### RIDING FOR A FALL

If some of the labor unions aren't riding for a fall, something has gone dimly wrong with the thinking of the people of this supposedly free nation.

Take, for instance, this recent event:

The little town of Forest Grove, Oregon, has a 48-member glee club. Over the years it has developed an international reputation. It is 100 percent amateur, the members being housewives, business-men, professionals, and so on. Its funds come from voluntary donations.

The club was invited to appear in a big Los Angeles hotel to sing to a convention of dentists. Any revenues were to go into a pot to pay the club's way to Europe, where it has been invited to perform in various cities and countries.

And what happened? A union said that it would picket and close the hotel unless the club members, each and every one, joined up and paid an initiation fee of \$175 per person along with dues of \$36 a year. The Los Angeles appearance was cancelled.

If this isn't an example of a cruel and callous use of monopoly power, what is? And if this doesn't show the need to include organized labor within the framework of the antitrust laws, or something akin to them, what does?

**YOUNG TEXAN FOR MAY**—Science student Eddie Schulze, Jr., of Dickinson, has been named Young Texan of the Month for May and recipient of the Troy V. Post Award by the Optimist Clubs of Texas and the Young Texan panel of judges including U. S. Supreme Court Justice Tom C. Clark and U.S. Secretary of the Navy Fred Korth. An "A" student and two-year president of the Dickinson National Honor Society, Schulze received the Dickinson High School Science Fair "Grand Award for Biological Sciences" over 100 entries with his exhibit demonstrating the use of plant hormones on growth and dormancy in plant life. Schulze is also an outstanding athlete, receiving a Certificate of Award as All-District Defensive End and serving as Captain of the Dickinson varsity football team. He is also a member of the varsity basketball squad. As president of the Howell Memorial Methodist Church Senior Youth Fellowship, Schulze has been instrumental in organizing special meetings such as an Easter Sunset Service. As a monthly winner in the Young Texan Program, Schulze is eligible for the yearly title and one of the three Troy Post Scholarships awarded with that title — a \$2,000 and two \$1,000 scholarships.

U. S. SENATORS RALPH W. YARBOROUGH of Texas, left, and Clinton B. Anderson of New Mexico, co-authors of a bill passed by the Senate to help establish water research centers at state universities and land-grant colleges, study a chart on Texas' future water needs. The chart shows Texas population of 10 million will go up to 22 million by the year 2010; available jobs will rise from 3.5 to 8.5 million, and personal annual gross income from \$14.5 to \$64 billion. "While Texas needed only 2 million acre feet of water in 1958 for city and industrial use," Senator Yarborough said, "by the year 2010 more than 12 million acre feet will be required. Research can help provide more water at less cost. A total of \$563 million is to be spent on Texas for 30 major new reservoirs by 1975. We need to do more research and develop experts in Texas on Texas water needs."

### Grandma Spends Vacation Working With Peace Corps

Working with a Volunteer Peace Corps for three weeks in British Honduras, Central America, was a vacation filled with experiences Mrs. G. H. Hellman will never forget. Being nurse, teacher and cook was interesting and absorbing work.

She flew over to visit a friend, Miss Malilee Zimmers of Racine, Wis., a teacher there with two other volunteer teachers and other personnel of the Papal Peace Corps. She was the fourth white woman that most of the natives had seen. They are Maya and Carib Indians.

Native nuns work with the Peace Corps; there's a German doctor, a Jesuit priest from Notre Dame and an Indian priest. They are headquartered at Stann Creek.

"Grandma" pitched right in, and was busy in a dozen ways — teaching crocheting, making wool slippers for the nuns, and helping unpack a shipment of books which came in from the states. She worked with Mother Elaine, superior of the Holy Family nuns, and the two other young teachers, Misses Gail Porter and Kathy Fridgen whose homes are in Minnesota and Missouri.

Soon she was acquainted with all members of the Corps and most of the natives, including

1,100 children who are getting a Catholic education paid for by the Queen of England.

When volunteers were asked for the Papal Peace Corps the Jesuits at Marquette responded and have supplied personnel ever since.

One day there was confirmation service and Grandma was asked to cook dinner at the convent for a group of 20 including the Bishop of Belize. She started something by making "blowbellies" a German doughnut, for dessert, and was asked to make them many times afterwards — in double batches.

One night she rode in a jeep with the doctor to help in an emergency sick call. Another time she went down the Caribbean Sea by boat to an Indian village, and sometimes she "hoofed it."

There was fun too. Beach lunches after a swim in the ocean, first in the salty sea waves, then a washoff in the Stann Creek River which is used for bathing, drinking water and washing clothes.

The natives invited her to one of their feasts — boiled fish with the heads on, and Casava bread, the basic food of the Carib. It is made from a plant that grows like a potato. This same plant is laboriously made into starch and sold by the Caribs.

She helped the children learn songs, conducted a spelling contest, attended the funeral of a little boy who was buried beside the family home in a casket handmade by the Mayas. Another time she treated the native nuns to their first airplane ride.

Mrs. Hellman loves air travel and might well be called the flying grandma.

Something that was amusing: Before she left she took every immunization imaginable. And when she got there the first thing on schedule was a thorough examination to make sure the Texan didn't bring any bugs from the States.

The jet flight was arranged by her son, Dr. Hugo Hellman of Milwaukee, a teacher at Marquette University, and she met a friend of his, a Jesuit, Father Clancy on a stop-over at New Orleans.

Eleven years of work by the Papal Peace Corps in British Honduras is showing results in religious, social, cultural and educational interests. Seeing it first hand and working along with its members was one of the most rewarding vacations Mrs. Hellman ever had. Two years ago she traveled all over Europe . . . and she expects to travel soon again.

### Vows Are Said by Miss Judy Yosten And DeWayne Pate

— Boyd and Breeding Photo

Mr. and Mrs. Gary DeWayne Pate are on a honeymoon trip following their marriage in Sacred Heart Church Saturday at 5 p.m. The bride is the former Miss Judy Yosten, daughter of Mr. and Mrs. Al Yosten, and the groom is the son of Orval Pate of Durant and Mrs. Clifton Goins of Oklahoma City.

Father Alcuin Kubis directed the exchange of vows in a double ring ceremony before the altar banked with pink gladioli and illuminated by candles. Afterwards the couple went to the Blessed Virgin's shrine where the bride placed a bouquet of white gladioli on the altar.

Mrs. Norbert Walterscheid was vocal soloist and Anthony Luke was organist for the wedding music.

The bride wore a gown of white Chantilly lace and tulle over taffeta, the full dome skirt sweeping into a brief train. The fitted bodice had a Sabrina neckline and long petalpoint sleeves. Alternate tiers of pleated tulle and ruffled lace accented the back of the skirt. Her tiered veil was finger-tip length held by a crown of bridal jewels and she carried a white prayer book topped with a purple throated white orchid and feathered carnations. Her father gave her in marriage. Bride's attendants were Misses Paulette Walterscheid and Mary Lou Swirczynski. They wore identical sheath

gowns of mint green satin with bouffant overskirts of net. Their veiled headpieces matched their dresses. They carried nosegays of pink carnations.

Attending the groom were Airman Bobby Yosten of Dauphin Island, Ala., the bride's brother, and Andy Vaughn of Purcell, Okla. Johnny Hoberer of Fort Worth and Johnny Yosten were ushers.

Wedding reception and buffet catered by Mrs. Joe Lehnertz were held in the Public School dining room and the wedding dance was in the VFW Hall. Miss Judy Sicking of Fort Worth and Mrs. Cecil Hermes of Sherman presided at the bride's book.

Mrs. Yosten attended her daughter's wedding in a beige embroidered sheer sheath with white accessories. The groom's mother was in navy and white with white accessories. Both had corsages of white carnations. So did the grandmothers, Mrs. Joe Tischler of Celina, Mrs. Gladys McJimsey of Lexington, Okla., and Mrs. Bob Yosten.

The bride is a graduate of Muenster High. The groom was graduated from Lexington High, Lexington, Okla., and attended Murray State College at Tishomingo. Both are graduates of Sherman Beauty School.

After their wedding trip they will make their home in

Purcell, Okla., where both are employed.

Among out of town guests for the wedding were the bride's grandparents, Mr. and Mrs. Joe Tischler of Pilot Point, the groom's grandmother, Mrs. Gladys McJimsey of Lexington, Mr. and Mrs. Homer Duff of Lexington, Mr. and Mrs. Homer Savage of Garland, Mr. and Mrs. Cecil Hermes and Cyril Hermes of Sherman.

Also Messrs. and Mmes. J. C. Tischler, Justin Jezek, Dub Cozart and Fred Tischler, Mrs. Annie Maier and Miss Janie Cozart, all of Celina, Mr. and Mrs. Clifton Goins of Oklahoma City.

Mrs. Joe Pelzel of Pilot Point, Mr. and Mrs. Homer Vaughn of Purcell, Orval Pate, Johnny Calwell and Lorette Huneycutt, all of Durant, Messrs. and Mmes. Stan and Paul Yosten and Ed Swirczynski, Misses Lynette Sicking, Andy Yosten, Johnny Hoberer, all of Fort Worth, Miss Della Wimmer and Dyann Hellman of Dallas, Mr. and Mrs. Lee Tischler of Whitesboro, Messrs. and Mmes. Leo Hoedebeck and Leo Felderhoff of Gainesville.

**Phone Building** - - - vice came to Muenster in 1909. She was accompanied by her son and his wife, Mr. and Mrs. Jake Horn of Windthorst. He is a former manager of Muenster Telephone Company. With the group, in spirit, was Miss Anna Markowitz, second switchboard operator. Also in the 80s, Miss Annie is a shut-in at her home.

The registration book showed visitors from Gainesville, Lindsay, Myra, Valley View, Forestburg, Saint Jo, Rosston, McKinney, Dallas, Irving, Fort Worth, Lewisville and Houston.

Lucky winners in the drawing had a choice of a color extension phone and free service for one year or a long distance call anywhere in the United States.

Winners are Linda Hoedbeck, Ben Fleitman, Jake Pangel, Gina Felderhoff, Mrs. John Grewing, Cyril Walterscheid, Albert Hess, Arnold Rohmer, Mrs. Dickie Cain of McKinney and Ed Veitenheimer of Windthorst.

The Telephone Corporation's exchange and office building was occupied April 29 and the switchover to dial was on May 4. The handsome, fully air conditioned building is of white brick with an abundance of glass and solar screen. A paved driveway leads to a drive-up pay window. A night depository is also located there.

The Corporation also has new exchange buildings at Myra and Forestburg.

Present employees are Man-

ager and Mrs. Alvin Fuhrman, Misses Elizabeth Herr and Helen Hess, Gene Walterscheid, Charles Cook and Jimmy Fuhrman.

Muenster settled in 1889, had its first telephone system in 1909, a Mutual serving 50 members at a monthly rate of thirty-five cents. By 1938 the charge had risen to seventy-five cents.

Today the system has about 960 phones. There are 755 customers in Muenster, 140 at Forestburg and 65 at Myra.

There was some reminiscing among oldsters at the open house Sunday but none really cared to exchange the grand old days that are far behind for the more important days of the present with modern conveniences and everybody was lauding the new dial system and congratulating the owners.

**Camp Fire Girls Activity**

**A-O-WA-KI-YA**

The 13 Camp Fire Girls of the fourth grade ended the season with a ceremonial and candle light ceremony in which all rank beads were handed out. The girls earned a total of 450 beads during the year. Mrs. Leonard Yosten, leader, presented the awards. Suzanne Huchton was refreshment hostess.

Dick Cain, accompanied by his son Dickie Cain of McKinney, spent the weekend in Austin attending a livestock meeting.

Mr. and Mrs. Bill Otto have announced the engagement and approaching marriage of their daughter, Miss Pat Otto, to Jim Schumacher, son of Mr. and Mrs. David Trachta.

The couple has selected June 29 for the wedding. It will be solemnized at 5 p.m. in Sacred Heart Church.

**Four Generations At Get-Together**

Four generations of the Pels family gathered Sunday for a farewell reunion honoring Mrs. Henry Weske before she returned to her home in Phoenix, Arizona.

The get-together was held at City Park and featured a picnic dinner at noon. Among the 35 present were Mr. and Mrs. Tim Wimmer just back from their honeymoon.

Mrs. Weske left Monday after a 12-day visit with her father, Henry Pels Sr. and other relatives.

**One Hundred Join In Annual Reunion Of Bindel Family**

Members of the Bindel relationship from seven towns gathered in Muenster Parish Hall Sunday for their annual family reunion. An even 100 were present.

A special feature of the party this year was celebration of Mrs. John Grewing's birthday and she received a shower of gifts. The buffet for the noon meal included a decorated cake. And pictures were made.

Those present came from Carrollton, Pilot Point, Gainesville, Windthorst, Lewisville, Grapevine and Muenster.

They were the Leonard Bindel family of Carrollton, the William Koerner family of Pilot Point, the Gilbert Bindels of Gainesville, the Irven Derichsweller family of Lewisville, the Richard Zimmerers and son of Grapevine, the Ed Veitenheimers and Bobby Steinbergers and their families, the Fred Steinbergers and Herman Bindel, all of Windthorst.

And Messrs. and Mmes. Frank Bindel, Harold Bindel, Arnie Wimmer and family, John Grewing and family, Richard, Steve, Joe and Walter Grewing and their families, Ray Barnhill and family, Bill Derichsweller and Kathy, Fred Knabe and Terry, Gene Schmitz and sons, all of Muenster.

**Sherman Hosts Quarterly Meeting Of Deanery NCCW**

Quarterly meeting of the Sherman Deanery National Council of Catholic Women held in Sherman drew an attendance of 72 members to hear Father James Fitzpatrick of Dallas as principal speaker and to witness formal installation of new officers.

Father Fitzpatrick, diocesan youth director, themed his talk on "The Burden of American Youth," pointing out that in the rapid changes of the fast-moving world young people are pressed with financial and spiritual burdens. Among suggestions to help offset these hardships he stressed the stabilizing influence of religion.

Father John Duesman presided at installation. The officers installed are Mrs. T. L. Anderson of Gainesville, president; Mrs. Lawrence Zimmerer of Lindsay, first vice president; Mrs. Al Hess of Muenster, second vice president; Mrs. Paul Fisher of Muenster, third vice president; Mrs. M. J. Reesby of Sherman, recording secretary; Mrs. Willard Kuhn of Gainesville, treasurer. As each officer was installed she received a corsage.

The host parish of St. Mary's extended welcome through Mrs. Reesby and Father Duesman introduced the clergy. Seven were present.

Sherman captured the traveling Madonna statue for attendance. It had been in Pilot Point's possession.

The afternoon began with Benediction in St. Mary's Church followed by the meeting in the Oak Room of the Grayson County National Bank and concluded with a social hour and refreshments, the hostesses serving coffee, cold drinks and cookies.

Thirteen attended from Muenster: Father Alcuin Kubis and Mmes. Al Hess, Gary Hess, Frank Herr, John Herr, Paul Endres, Ted Gremminger, Herb McDaniel, Frank Schilling, Adolph Walterscheid, Frank Bayer, R. R. Endres and H. J. Fuhrman.

Present from Lindsay were Mmes. Lawrence Zimmerer, past president, Johnny Neu, Joe J. Neu, John Schmidkofler, Raymond Zimmerer and Ray Sandmann and Father John Walbe.

**Baker Family Has Annual Reunion**

Forty-four members of the family attended the Baker reunion with noon dinner Sunday in Community Center at Gainesville.

Attending from Marysville were Mr. and Mrs. W. F. Davidson and the Charles Davidsons and children. Also there were Mr. and Mrs. H. B. Snow of Greenville and Mr. and Mrs. Bill Roe and daughters of Callisburg.

Others present included the John Bakers of Garland, the Ambrose Bakers and family and the Monroe Bakers of Wilson, Okla., Leonard Baker of San Antonio, the Gene Bakers of Fort Worth, the Houston Bakers of Dallas, Mr. and Mrs. J. P. Mills of Plano, Roscoe Mills of Aubrey, the Samuel Bakers, the Robert Baker family and the Ed Bakers all of Gainesville.

Mr. and Mrs. Johnny Wolf have moved from Gainesville to Dallas to make their home.

**Elaine Sicking Is Birthday Honoree**

Eighth birthday of Elaine Sicking was celebrated Sunday with a party for which 14 girls were guests at the home of her parents, Mr. and Mrs. Ray Sicking.

Gifts, games with prizes, whistle balloons as favors, and refreshments made it a gay afternoon for the group.

Assisting Mrs. Sicking in serving sandwich plates, birthday cake, ice cream and soda pop were the honoree's sister Sandra and Mrs. Wilfred Sicking.

**Relatives Visit Landsfeld Family**

Guests of Mrs. Wesley Landsfeld Sunday and attending Sacred Heart High School commencement exercises with the Landsfeld family to see Betty Landsfeld get her diploma had a family reunion. They had a picnic dinner in City Park and were together again after graduation at the Landsfeld home.

The visitors were Betty's grandmother, Mrs. Joe Liska, and other relatives from Ennis: Mr. and Mrs. Joe Liska Jr. and Phyllis, Mrs. Mary Liska, Miss Delmarie Janousek and Mr. and Mrs. Stanley Liska. Guests from Dallas were Mr. and Mrs. Bob Liska and family and Mr. and Mrs. Stan J. Liska. Joining them for visiting after church services were Dr. and Mrs. Kenneth Dobbs and Mr. and Mrs. Gus Lutkenhaus and family.

**Fuhrmans' Nephew Gets Honor Medal From Police Dept.**

Dallas Police Sgt. Donald F. Flusche, nephew of Mr. and Mrs. H. J. Fuhrman, has received the department's highest honor for bravery. The Medal of Honor came for his fiery rescue of a 10-year-old girl from a blazing building.

Both the sergeant and the girl suffered painful burns in the April 26 rescue but only Flusche showed some evidence of it at the formal medal presentation. It came at the end of National Police Week ceremonies in the Police and Courts Building on May 15.

Among those attending were the sergeants wife and two sons and his parents, Mr. and Mrs. Max P. Flusche of Dallas. They were introduced by Police Chief Jesse E. Curry who awarded the medal. Sandra Carter pinned it on her resuer.

**Priest 50 Years**

Father Alphonse Mueller, former assistant pastor of Sacred Heart Church, will mark the golden anniversary of his ordination to the priesthood Sunday, May 26.

Friends wishing to send congratulations can mail them to him in care of Crawford County Memorial Hospital, Van Buren, Ark., where he is chaplain.

An early birthday observance greeted Mrs. Alvin Hartman Sunday evening when Mrs. Keith Tompkins came from Arlington bringing a decorated birthday cake. She brought Karen and Mark with her and other family members joined in having cake and ice cream at the Victor Hartman home. Mrs. Tompkins and children returned home Monday afternoon.

Mr. and Mrs. M. F. Milner it their daughter and family, drove to Eules Sunday to visit the Frank Haynes Jr.

**Which Punctuation?**  
"Woman without her man is a savage." When this sentence was given a college class to punctuate correctly, it was found that the boys took it one way, the girls another.  
Boys: "Woman, without her man, is a savage."  
Girls: "Woman! Without her, man is a savage."

**THE IMPACT OF A RAINDROP** is shown in this series of high speed photos. Each drop of rain acts like a miniature bomb that strikes the soil and blasts it in all directions. A single drop of rain expends enough energy to lift an average size pocket knife three inches into the air. A one inch rain on an acre expends enough energy to plow that acre ten times, and it weighs 113 tons. These pictures show what one raindrop can do. Multiplying this by billions gives an idea of the beating the land takes. A protective cover of living or dead plant material over the soil is necessary to give it the needed protection against splash erosion. The cover cushions the impact of the falling water and lets it go gently and slowly into the soil. In moving the heavy weight of water down a slope a good cover of living plants, such as grass in a waterway, acts as a carpet to move the water without soil loss.

### Yesterday, Today Tomorrow

There are two days in every week about which we should not worry, two days should be kept free from fear and apprehension.

One of these days is yesterday with its mistakes and cares, its faults and blunders, its aches and pains. Yesterday has passed forever beyond our control.

All the money in the world cannot bring back yesterday. We cannot undo a single act we performed; we cannot erase a single word we said. Yesterday is gone.

The other day we should not worry about is tomorrow with its possible adversities, its burdens, its large promise and poor performance. Tomorrow is also beyond our immediate control.

Tomorrow's sun will rise, either in splendor or behind a mask of clouds — but it will rise. Until it does, we have no stake in tomorrow, for it is as yet unborn.

This leaves only one day — today. Any man can fight the battles of just one day. It is only when you and I add the burdens of those two awful eternities — yesterday and tomorrow — that we break down.

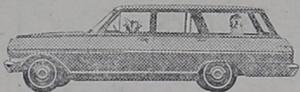

It is not the experience of today that drives men mad — it is remorse or bitterness for something which happened yesterday and the dread of what tomorrow may bring.

Let us therefore, live but one day at a time. — McKinney Courier-Gazette.

Chevy II Nova 400 6-Passenger Station Wagon

A Chevy II wagon looks this big when you load it up

and this big when you gas it up

That, in the eyes of most Chevy II wagon owners, is just about the size of it.

A king-size appetite for cargo. But a dainty one for gas. And this, we hardly need add, is just the kind of wagon we planned it to be.

Taut and trim as it is on the outside, we went to great lengths to keep it BIG where a wagon should be BIG. The load platform extends a full nine feet from the back of the front seat to the tip of the lowered tailgate.

AT YOUR CHEVROLET DEALERS

And for all the pepper we packed into that 6-cylinder engine (there's also a choice of an even thrifter 4 in most models), we were careful to keep it simple, easy to service — and a real stickler on economy.

Feel in a traveling mood? Well — happy coincidence — this is the time of year your Chevrolet dealer feels in his most generous trading mood. Looks like it's high time you two got together.

**Two Scouts Save Crafters in Lake Scare on Outing**

Two Boy Scouts, Randy and Robin Lutz were credited with saving two members from drowning when the Lindsay Crafts Club group went to Sycamore Lake for an outing May 13. William Bezner and Jerry Laux were not prepared for the cold water and reportedly fought their would-be rescuers making rescue work difficult.

Mrs. Ray Laux took the group on the swim party for an end-of-the-season treat for the crafters who have worked semi-monthly together on crafts projects. Aside from the swimming incident, the youths enjoyed the outing and a barbecue luncheon.

For craft activity this group made trouser hangers and skirt hangers.

The other groups of craft clubbers met at the Parish Hall from 3:30 to 5 p.m. on their regular Monday.

Mrs. Al Bengfort's 14 boys worked with slap sticks making picture frames and napkin holders. Mrs. Andy Arendt's group of 13 also worked with slap sticks, making bowls. Saws and tools secured through Gold Bond points were put to good use.

Mrs. Gene Owens, Mrs. Bob Lutz and Mrs. Norbert Rohmer supervised a group of 22 girls some of whom painted plastic rings to make pincushions and others who painted tropical fish.

Leaders agreed to disband this group during the summer and to have a swim party before school starts next fall.

**23 Diplomas Are Given in Lindsay At Commencement**

**Lindsay Knights Win Bi-District Title in Baseball**

Lindsay's Knights ended a perfect baseball season last Friday with a 7-4 decision over Woodson in bi-district play.

In so doing they ended a very successful school year in the sports department. The Knights also won bi-district honors in football. This makes the second bi-district baseball title for Lindsay. The first was in 1959.

Playing Woodson at Jacksboro the Knights had to win the hard way. They went scoreless until the fifth and rallied for their win in the final inning.

Woodson was first to score, bringing in 3 in the fourth. Next inning Mike Fuhrmann walloped a 3 run homer and tied the score. In the sixth Lindsay nudged ahead 4-3 and Woodson tied the count in its part of the same inning. Then came the thrilling last inning for a 3 run win.

The Knights got seven hits: the homer by Fuhrmann, two doubles by Morisak, two singles by Tommy Zimmerer and one single each by Ewald Hoelker and Billy Schmitz. Schmitz pitched the whole game, allowing six hits.

men to vote on, perhaps sometimes cast the vital votes, on legislation which governs our lives. It's not pleasant to think that our welfare is sometimes dependent on the conscience of lawmakers who lack conscience in their personal affairs.

Despite misgivings, here's wishing success to Purcell in his effort. It would be gratifying to think that our lives are shaped only by men who are worthy of that calling.
