VOLUME XXV

MUENSTER, COOKE COUNTY, TEXAS

JANUARY 20, 1961

NUMBER 9

If anyone of us has considered neglecting his poll tax because this happens to be a political "off-year", now is the time to give it more thought. As things are shaping up there will be plenty of opportunity for voters to get their money's worth out of that \$1.75 investment.

First of all, we've heard about the special election on April 4 to name Lyndon Johnson's successor in the Senate, also the probability of a run-off to determine which of two high men will be the eventual winner of the race. Judging from the number of candidates already announced, it is fairly certain the run-off will be needed. There's two elections already, both vitally important to every citizen and easily worth the time and cost of qualifying for a vote.

For us of Cooke County another special election also seems to be in sight. A petition just put in circulation will ask county commissioners to order an election on a tax supported bond issue to finance a county hospital. This has special significance to Muenster in that it would impose a tax burden in addition to the voluntary obligation we are assuming to build our own hospital. Self interest prompts us to be qualified for a vote in this election.

Besides, there are regular elections that come up every year, for the city council and the school board. Hot contests have developed in each of those elections. Though none is indicated at this time, it could happen again. A person who cannot vote may be sorry.

And, of course, still other elections could develop. Other city or county issues could come to a vote. Whether or not they do, it's still a good idea to be prepared. Definitely this appears to be anything but an off-year for voters of Muenster.

After the recent general election it's a good idea also not to underestimate the value of a vote. Kennedy's margin of the popular vote was considerably less than one percent. In Hawaii he won by only 21 out of 185,000. That percentage applied to our local elections would make a single vote the deciding factor. Perhaps some of us can recall when a local option election in this county was decided by one vote. It can happen again. A vote can be most important, and the person who neglects to qualify for it may have reason to regret.

Civic duty is another point to remember in this matter. Inherent in our status as free people is the sacred obligation to vote conscientiously in electing officials and deciding issues. It is the American way of accepting responsibility and whoever fails in it is unfair to himself and his neighbors.

Actually, the matter of responsibility applies even to payment of the poll tax, regardless of the voting right connected with it. By an un-

Burglars Strike At Liquor Store

Burglars, who probably are operating also as bootleggers, stole over \$700 worth of whiskey and caused damage of more than \$150 at the Grady Jones liquor store during the early hours of last Thursday morning.

Herbert Miller, manager, said that missing merchandise, according to the store's inventory record came to \$713.41. He also said that all was in pint and half pint sizes, indicating it was probably intended for sale.

The break-in was discovered about 8 o'clock in the morning when both front and rear door were found open.

Apparently the first attempt at entry was made at the back door, which enters the storage room. Miller said door and lock were battered but heavy bars at the inside still prevented entry there. The front door also was forced and the storeroom was reached through the front of the store. All the merchandise was stolen from the storeroom and carried out through the rear door, which was finally opened by removing the inside bars.

Repairs and replacements on doors and door frames were estimated at \$152.10. Damage and loss are partly covered by insurance.

HER TURN NOW—Herself premature as a baby, who overcame a heart defect, Linda Winter now serves as a nurse in her old hospital in Cincinnati. Her ordeal made her decide to become a nurse.

NEWS OF THE SICK

Richard Trachta is recovering normally from a gall stone operation performed at Gainesville Sanitarium Monday. He was to be hospitalized about a week.

Victor Hartman underwent skin graft surgery Wednesday at Methodist Hospital in Dallas. Doctors took skin from the calf of his right leg and grafted it on his injured left leg. At the hospital with him on the day of the operation were Mrs. Hartman and their daughters, Mrs. Keith Tompkins and Mrs. Teddy Gremminger.

Mrs. Barney Voth has been dismissed from Flow Hospital in Denton following medical care and is up and around at home. She marked her 82nd birthday in the hospital on Jan. 12 and her children and grandchildren cheered her with a bedside party. Mr. and Mrs. Ben Voth went to Denton to bring her home Monday.

A hunting accident sent Jimmy Klement, 14 year old son of Mr. and Mrs. Anthony Klement, to Gainesville Sanitarium for eye surgery Saturday evening. A shot from a BB gun grazed his right eyeball. Fortunately it did not hit the pupil and the sight will not be impaired unless something unforeseen develops later. Jimmy was dismissed from the sanitarium Tuesday but will be out of school indefinitely. Meanwhile he has to go to Gainesville every day for eye treatment. He was hunting with David Hess some distance away from home when the accident happened.

"Doing fine" is the report on Mrs. Will Sicking who is recovering from a major operation at Wilson-Jones Hospital in Sherman. Her doctor said she will be dismissed to return home Friday.

Bob Tuggle of Myra has been dismissed from Gainesville Sanitarium following medical care.

Flu has been keeping Albert Schilling a shut-in at his home this week.

Ike Fulton, 64, of Myra is a patient in General Hospital, Wichita Falls, Room 404, as the result of injuries received Saturday afternoon in Wichita Falls while he was walking across a street. He and his wife were enroute to Archer City to visit Ben Murray Fulton when the accident occurred. He was dragged some distance by the vehicle which struck him and sustained several broken ribs, fractured pelvis and other injuries. Mrs. Fulton is staying with her husband and Myra friends have been visiting him. He'll be hospitalized indefinitely, at least six weeks. Friends learned Wednesday that he is showing improvement and is resting easier.

Joe Sturm is back at home much improved after a week at St. Paul's Hospital in Dallas for medical care and observation.

Reports on Pete Rollman this week reveal that he is holding his own with the possibility of slight improvement in that he can move fingers and toes on his left side where the stroke he suffered last week paralyzed him. Mrs. Rollman stays in Dallas to be near her husband and attends his bedside at the VA Hospital. Daughters Catherine and Veronica have been back and forth and so has Mr. Rollman's sister, Mrs. Glenn Fisher of Junction City, Kansas. She came last week after learning of her brother's stroke.

Elementary Teams Play First Games

Elementary kiddies of the Muenster Public School got their first taste of this season's basketball competition Monday with seasoned Montague teams which have been playing regularly. They shared honors with their visitors, local boys winning 26-19 and girls losing 35-15.

The teams will have their second games next Monday at Forestburg.

An eight pound boy, a second son, arrived in Denton Monday, Jan. 16, for Mr. and Mrs. Harold Knabe. He's a grandson for Joe Knabe, Muenster, and Mr. and Mrs. Leo Neusch, Lindsay, and makes Gus Knabe great-grandpa again.

Don Fisher returned Friday from Subiaco, his mother Mrs. Paul Fisher, meeting his bus at Sherman. He'll be back in school here as a freshman at Muenster High when the new semester begins.

Short Illness of Ben A. Knabe, 50, Ended by Death

Bernard A. (Ben) Knabe, 50, died at his home in Pilot Point Sunday morning at 11:15 following a brief illness of flu and virus infection which struck him five days earlier. A heart condition brought on complications.

Funeral services were held Tuesday morning at 10 o'clock in St. Thomas Church at Pilot Point with the pastor, Rev. John Untereiner, officiating at the requiem mass and graveside rites. Burial was in the parish cemetery directed by Beck Funeral Home. Rosary was recited at the Beck chapel Monday at 7:30 p.m.

Ben Knabe was born in Muenster January 10, 1910, and lived here all his life except the past four years which he spent at Pilot Point. He was one of the 14 children of Mr. and Mrs. Gus Knabe. After attending school here and helping his father farm he engaged in work in local oil fields. He married Miss Apollonia Sprengel in Pilot Point in 1943. They had no children.

Survivors are his wife; his father Gus Knabe; five brothers, Joe, Albert A., Robert and Bill Knabe, all of Muenster and Lawrence Knabe of Gainesville; and eight sisters, Miss Anna Knabe, Mrs. Kate Reynolds, Mrs. Hilda Reiter, and Mrs. Albert Hess, all of Muenster; Mrs. H. L. Herron of Denison; Mrs. Leona Richardson of Irving; Mrs. Paul Hellinger of Lindsay and Mrs. Frank Hellinger of Gainesville.

Bearers were Frank Boerner, Louis Shon, John Tschoepe, Albert Berend, Al Heuman and Jerry Pels.

BIRTHS

Mr. and Mrs. Hank Walterscheid announced arrival of a 12 pound one ounce daughter Tuesday morning, Jan. 17, at Gainesville Sanitarium. She joins a family of two other girls and four boys. Her grandparents are Mr. and Mrs. Joe Swingler and Mrs. John Walterscheid.

It's a girl was good news for Mr. and Mrs. Albert Zimmerer of Lindsay when a little sister arrived 8:03 p.m. Tuesday, Jan. 17, for Albert Jr. and Darrell. She's a granddaughter for Mr. and Mrs. Bill Flusche and Mr. and Mrs. Johnny Zimmerer. And another great-grandchild for Mr. and Mrs. Ed Eberhart and Mrs. Anna Loerwald. Weight at birth in Gainesville Sanitarium was seven pounds 15 ounces.

Former Muensterites Mr. and Mrs. Walter Haverkamp of Whitesboro are parents of a daughter born 8:43 a.m. Monday, Jan. 16, at Gainesville Sanitarium. The eight pound four and a half ounce girl is a sister for Paula Sue and Monte. Her grandparents are Mr. and Mrs. Lee Haverkamp and Mr. and Mrs. R. D. Morris and her great-grandmother is Mrs. George Spaeth of Lindsay.

It's a little girl for Mr. and Mrs. Herbie Walterscheid, a sister for Herbie Jr. She arrived Jan. 13 at Gainesville Sanitarium 4:45 a.m. weighing eight pounds. She's a granddaughter for the Buddy Reiters and Mrs. C. M. Walterscheid and another great-grandchild for the John Klements and Mrs. Mike Kleiss.

Joyce Cecilia fourth daughter of Mr. and Mrs. Joe Herms was born January 10 at Gainesville Sanitarium 5:19 a.m. weighing seven pounds ten ounces. The couple's other little girls are Sharon, Kathleen and Della Rose. The baby leen and Della Rose. The baby's baptism was Sunday afternoon, Father Alcuin officiating. Miss Dolores Koelzer of Madill, Okla., and Victor Koelzer are their niece's godparents. The little girl is another granddaughter of the Peter Koelzers of Madill and the Clem Hermses of Lindsay. And Gus Sicking is great-grandpa again.

An eight pound boy, a second son, arrived in Denton Monday, Jan. 16, for Mr. and Mrs. Harold Knabe. He's a grandson for Joe Knabe, Muenster, and Mr. and Mrs. Leo Neusch, Lindsay, and makes Gus Knabe great-grandpa again.

Don Fisher returned Friday from Subiaco, his mother Mrs. Paul Fisher, meeting his bus at Sherman. He'll be back in school here as a freshman at Muenster High when the new semester begins.

Reports Wanted On New Listings For School Census

The Muenster School District's scholastic census is moving along fast, according to Superintendent L. B. Bruns, but the usual problem is again haunting the enumerators. That is, "are any of the youngsters being missed?"... especially children from families with no present census record and due to start school in September.

As regards children now attending school there is no chance of a slip-up, Bruns says. The list now being compiled will be checked and double checked against present class records as well as last year's census list.

In making up this list Bruns is in contact with every family having children in school, and he is confident that all new listings will be made with those previously listed. But children with whom he has no such contact may possibly be overlooked. So he is asking for information on every family whose first born child is due to start school this year. Parents are urged to phone him so he can arrange for a contact.

Children to be enumerated, as specified on the census blanks, are those who were born after September 1, 1943 and on or before September 1, 1955.

Getting a complete count is especially important here. The scholastic population determines the amount of per capita funds to be received from the state.

County Hospital Proposal Fails to Alter Local Plan

Regardless of another hospital program elsewhere, in the county plans for the Muenster Memorial Hospital will continue without change.

That was the attitude of the Muenster Hospital Authority Tuesday night after mention of a petition originating at Gainesville for a county wide election on authorizing a tax supported bond issue to finance a million dollar county hospital.

The hospital authority, meeting with a number of campaign workers, recalled that the most appealing features of a local hospital are its nearness and its value as a community asset, and Muenster cannot afford to give up such values even though the other plan would relieve the county's critical shortage of hospital facilities.

While acknowledging that many people will be concerned about the possibility of being assessed for the one after contributing to the other, those present also felt that the new proposal could indirectly help the local project. Faced with the alternative of being taxed, people may be more inclined to support the local hospital in the hope that its success would help defeat the bond issue.

As the hospital authority sees it, the eventual cost of the community's share in supporting the county hospital would about the same as having its local hospital. Under the circumstances the local project is preferable by far.

News of the Men in Service

Takes Army Physical
Daniel Bayer was in Dallas Tuesday for his army physical examination. He is the son of Mr. and Mrs. Johnny Bayer.

Assigned Aboard Ship
Lt. Max Rumelhart left Corpus Christi Tuesday for Norfolk, Va., where he will board ship for about six months of sea duty. His wife Ruth and their son Matt visited her parents, the John Fishers, here Wednesday and went to Wichita Falls to reside until Lt. Rumelhart's present assignment is finished.

Leaves For Army
Robert Haverkamp left Monday for service in the armed forces. He has been working in Wyoming oil fields and spent a few days here with his parents, the Lee Haverkamps, before going into the army.

Mrs. J. C. Trachta and Mrs. John Wieler were in Ft. Worth during the week attending the spring gift mart.

Petition Started For Election on County Hospital

A petition for a county wide election on a million dollar tax supported county hospital began circulating in Gainesville Tuesday under sponsorship of the Cooke County Hospital Association.

The plan of the organization is to secure the required signatures and submit the petition to county commissioners in time for them to order the election on April 4, in connection with the state wide senatorial election and municipal elections in Gainesville, Muenster and Lindsay. About 800 names are needed to validate the petition.

The petition proposes a bond issue of \$1,000,000 to be retired by a tax of 15 cents on \$100 of valuation... based on county assessment figures. The fund is to be used for construction of a modern fully equipped hospital at a site to be selected later.

The hospital committee has been active on the project since last summer and has sponsored a special survey on hospital needs of the county.

Persons eligible to vote in the special election are those having a poll tax receipt or exemption and listed as paying property or personal tax.

MHS Splits with Era Hi and Loses Two to Callisburg

Muenster High's Hornets have a 2-2 standing through their second week of 37-B basketball competition and the Hornets have a 1-3 rating. Last Friday the boys won and the girls lost at Era, Tuesday both bowed to the loop leading Callisburg teams.

A strong second period plus good aims on three free throws near the end were the big factors in the win over Era. After a 13-13 first quarter Muenster gained for a 22-15 half time lead and held on for a 30-25 lead ending the third period. In the final quarter Era took up the slack for a 32-32 tie with about a minute left. The three free points put Muenster ahead 35-32 and a final stall held the score at that figure. Harris scored 16 of the Muenster points.

A bad third quarter doomed the Hornets in their game with the champ Wildcats. They were hot in the two first periods for leads of 14-11 and 27-26, but cooled off in the third and dropped behind 50-36. The last quarter was closer but the visitors gained again for a final count of 65-48. Top Hornet scorers were Mark Hellman 16, Harris 15, Flusche 10.

Muenster girls at Era were behind all the way for counts of 7-4, 22-16, 31-19 and 44-30. Tuggle, Hellman and Cain hit 12, 10 and 8 respectively.

Likewise in their game with Callisburg the MHS girls dropped behind steadily. Scores ending the quarters were 11-7, 26-15, 44-26 and 57-32. Tuggle led local scoring with 13. Cain made 10 and Hellman 9.

An extra attraction on the Muenster-Callisburg bill was a game by faculty members of the two schools. The first half ended in a 12-12 tie, after which both teams slowed down, Callisburg more so, and Muenster won 21-17. Coach Gay with 17 led the Muenster effort. Other players were Hellman, Bordeau, Larsen, Walterscheid and King.

Muenster teams will complete the first half of their 37-B schedule with Saint Jo here Friday night and start the second half with Lindsay here next Tuesday.

WILL RUSSIA WRECK THE UN

Gov. Adlai Stevenson has been named as ambassador to the United Nations. From his world travels and his meetings with Mr. K. he should be well aware of the deceit of which the Reds are pastmasters. We wish him well in his most difficult assignment for our country's prestige may well stand or fall on his ability to match wits with the masters of deceit. Henry Cabot Lodge did a masterful job as UN ambassador, but with all the new members of the General Assembly, Stevenson's task will be even tougher than Lodge had to perform during his tenure.

With the small nations holding 51 votes, an absolute majority, his task in wooing the Asian and African delegates to our side and holding the Latin-American countries in line with the West will be a tremendous task.

And consider this. The 51 countries just mentioned have a total population of 150-million with 51 votes. The United States with 180-million people, has but one vote. The total national income of these 51 nations is smaller than that of France (\$36-billion), and their combined contribution to UN's annual budget of \$63-million is less than seven percent. Yet, they can "call the tune while the US pays the piper." They can dictate the policies of UN.

It is our opinion that UN was created to keep world peace, and today that means peace between the Soviets and the Free World led by the US.

Communist influence is behind the riots, rebellions and unrest in all parts of the world. Africa is a fertile field for her to sow the seeds of World War III. Will she do that, and will she decide to wreck the UN if she cannot reorganize it to serve her purpose?

NO INCOME TAX

Not one penny of your personal income tax is used by the Federal Government to finance any part of the government authorized by the Constitution of the United States of America. It does not pay a soldier, a sailor, or a marine. It does not buy a tank, a ship, or a plane or bullets or clothing or food. It does not pay the President, the Vice President, Senators, Congressmen or any other person on a job authorized by the constitution.

Now here is how it is used. In excess of \$6 billion is used to pay farmers to grow more wheat, corn, cotton, tobacco, etc. that the public can consume, and they are also paid not farming. In excess of \$5 billion per year is used as so called Federal Aid to States which has been one of the tools used by the Federal Government to destroy the sovereignty of the States. Approximately \$4 billion per year is being used to construct in foreign countries highways, airports, shipping canals, and to build plants in foreign countries which are competing with American private enterprise and with no investment in their plants. It is used to finance the TVA program and the TVA fertilizer program which competes with private enterprise.

It is used to finance 700 large Government owned corporations that are split into 3,000 companies and each competes with every known phase of American private enterprise. This is done TAX FREE, RENT FREE, OVER-HEAD FREE, and with no possibility of loss. They just raise our tax. The value of these government-owned corporations is estimated from 50 to 100 billion dollars; and if these were sold to private enterprise this amount of money could be deducted from the national debt, and these same corporations would go on American tax rolls, paying the corporation tax, city tax, county tax and school tax, thereby helping to finance all local issues, and since it would eliminate the annual loss of 38 billion dollars, which is the exact amount of personal income tax paid, the personal income tax can be and should be abolished.

It is estimated these corporations would pay corporate income taxes to the Federal Government in the amount of 3 1/2 billion dollars per year and this could be used to reduce the debt annually, and through the repeal of the 16th Amendment, the United States of America could and should be debt-free within a period of 25 years.

The Yeggs found this note on the outside of the safe: "No money is kept in this." They blew it open anyway, found \$8.20 and tacked on their own note: "Then leave it open next time."

MAY THEIR ADVICE BE HEEDED

Current events give special interest to a statement which has been issued by 277 of the nation's Roman Catholic bishops, including five U. S. cardinals. As reported by United Press International, they view with grave concern a decaying trend toward conformity and call for a revival of traditional ideals of individualism "before it is too late". They find that "we have been faced by a frequent lack of truly responsible leadership both on the part of management and of labor." In attaining social welfare goals, they believe, "pressures are growing for a constantly greater reliance on the collectivity rather than on the individual." Further that, "An inordinate demand for benefits, most easily secured by the pressures of organization, has led an ever-growing number of our people to relinquish their rights and to abdicate their responsibilities. . . intensive socialization can achieve mass benefits but man and morality can be seriously hurt in the process."

The statement of these high-ranking churchmen is directed to parents, businessmen, labor leaders and to government which has done so much through a philosophy of welfare-statism, to undermine individualism and personal responsibility.

DAVID CROCKETT MEMORIAL

David Crockett, the renowned Tennessee statesman and Texas hero of the Alamo, is commemorated at the David Crockett Memorial Building, located in the City Park of Crockett, Texas.

On this beautiful, colonial style memorial building, in the central position of East Texas — in Houston County — is a monument bearing the timeless saying: "Be sure you are right, then go ahead."

Campaign Promises Catch Up!

YOUR TAX FUTURE???

In the long light of history, 47 years is only an instant of time. But, from the point of view of the taxpayer, the last 47 years have been somberly outstanding in this country.

Back in 1913, reports the Tax Foundation, all federal tax collections amounted to a mere \$662 million — now they are estimated at \$76.3 billion. The states haven't lagged. In the same period, their collections have soared from \$301 million to \$17.4 billion. And local collections are no small item either. The 1913 figure was slightly over \$1.3 billion — in 1959 it was about \$16.8 billion.

So much for the past. What will the next 47 years bring?

RANGERS BATTLED INDIANS

Bird Creek Battlefield is located in central Texas, just north of Temple, in Bell County.

This is the spot where Captain John Bird valiantly died in battle in 1839.

A highway marker, erected at the site in memory of Captain Bird, reads: "With only 34 Texas Rangers he met 240 Indians at this point, and routed them."

It was against such odds as this that our brave forefathers settled our now proud state. The more you see of Texas the more you will love it.

A HOME IN THE SUBURBS

by Edgar L. Harden, President, Northern Michigan College

A recent graduate declared: "My ambition in college was to get a sound education so that I could get a good job to support a family and build a home in a quiet suburban community."

In a world confronted with deep economic and social dilemmas, the majority of our students would apparently like to escape to "a home in the suburbs."

TODAYS GRADUATES have benefited from an education unknown to any generation of students before them. Now when our leadership — indeed our national survival — is being challenged as never before in history, many of our graduates seem unwilling to support the goals upon which we have built our American way of life.

Harden

Studies in over 100 colleges during the past 15 years reveal students as deeply self-centered, bent on security and comfort. They want to see a world of peace and justice, but they won't join any crusade to work for this end.

WE NEED men and women who are willing to stand up and be counted. It takes courage to take a stand on the issues that confront the free people of the world. But, surely, society has a right to expect that from us to whom much has been given, much will be returned.

As good citizens earnestly trying to live good lives, we have certain responsibilities if we are to live life at our best.

AMONG THEM: If we believe that we have benefited from a good education, it is up to us to see that others share those educational opportunities. If we demand better schools for our children, we must be willing to pay higher taxes to support education.

If we demand good government for our cities, states and nation, we must recognize that wise and honest government is the product of wise and honest citizens—and nothing else.

If we demand that crime be punished, we must support honest enforcement in our cities without any personal privileges or exceptions for ourselves.

If we demand freedom of worship for ourselves, we must respect the rights of other freedoms.

If we demand freedom of speech, we must not suppress it in others.

If we really believe that in a profound sense all men are created equal, then we must do everything we can to prevent the recurrence of "the tragedy of Little Rock."

Thomas Paine pointed out that "those who reap the blessings of liberty must, like men, undergo the fatigue of supporting it."

THE DEEPEST satisfactions in life result from meeting our responsibilities. Much has been given. Much is expected in return.

SAN ANTONIO

Scenic, quaint, metropolitan, recreational capital, year round weather — these words, true as they are, just don't describe San Antonio adequately.

This historic city has a little of everything.

It's the home of the Alamo and has many old and famous missions.

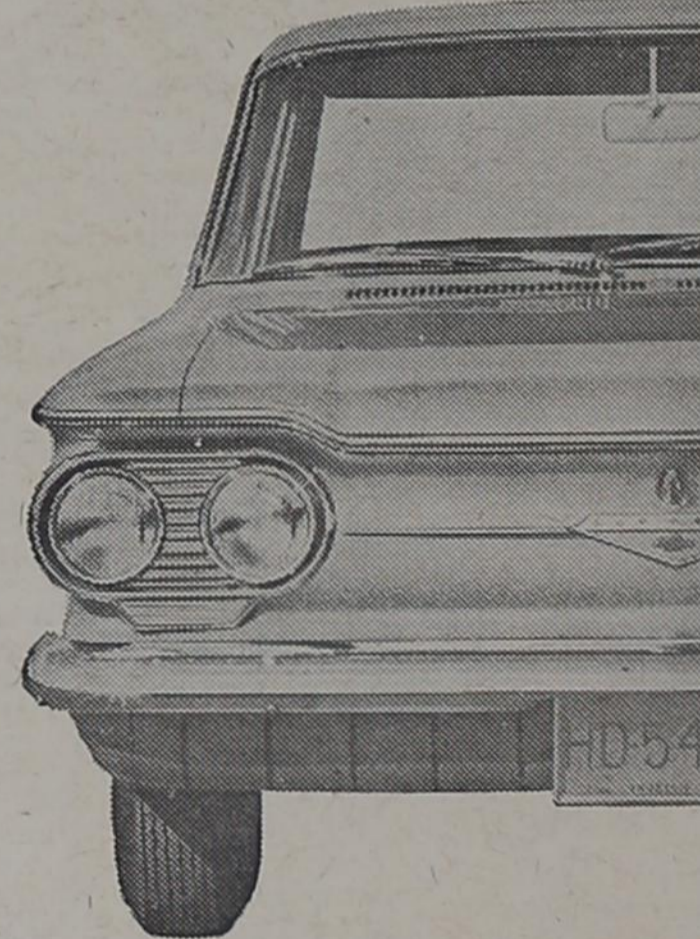

It's America's Venice, too. You can glide down the San Antonio River that meanders through the city. Your gondola or cycleboat will take you along the same river banks where a quiet Indian village once stood. You'll see beautiful semi-tropical plants and flowers. You can stop off at a sidewalk cafe for an adventure in exotic foods, too.

CDA Reports Show Clothing Shipped And Party Planned

Muenster court Catholic Daughters of America, at their January meeting Friday night heard committee reports and announcement of coming events.

Mission Chairman Mrs. Joe Swirczynski, reporting on activity during the past month, said 100 pounds of clothing has been sent to St. Anne's Indian Mission in North Dakota, a shipment of toys, shoes and furniture went to St. Vincent's Store in Fort Worth, and a representative of the State School for Girls at Gainesville was here and picked out clothing and shoes for needy girls at the school. Also here was a representative from a Negro orphanage in Fort Worth soliciting contributions but the local stockpile was exhausted and there was nothing for the orphans at that time.

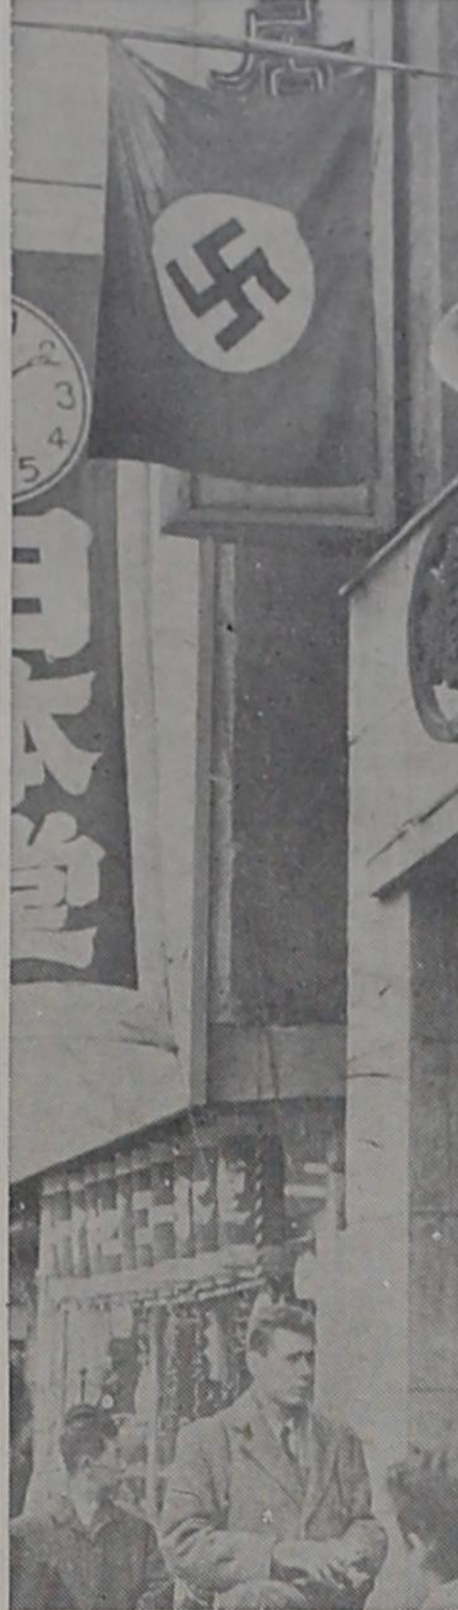

It was announced that the local organization will sponsor a game party Sunday, Jan. 22, beginning at 7 p.m. in the KC Hall.

Another announcement was that the February quarterly meeting of the Sherman dearyery NCCW will be held in Muenster on Feb. 9. The program will be on Rural Life.

CDA members are still collecting cotton rags and old nylon hose. The rags are sold for treasury funds and the nylons are sent to a veterans' rehabilitation center.

Father Alcuin Kubis, court chaplain, was at the meeting and gave a short talk. Mrs. Steve Moser, grand regent, conducted business and after adjournment Mrs. John Mosman, refreshment hostess, served coffee and doughnuts.

Remove road tar from soles of shoes with a cleaning solvent. For small amounts, a lighter fluid or spot cleaning fluid will remove it.

STILL FLIES—Nazi flag hangs over Tokyo's main street. The fascist banner, formerly owned by the assassin of the Japanese Socialist party leader, is displayed in front of the All-Asia Anti-Communist Youth League.

Muenster, Lindsay 4-H Girls Win in County Dairy Show

Three girls from Muenster's Sacred Heart Clubs and one from Lindsay will represent Cooke County in district competition in the Dairy Foods Show at Denton in April after winning first place Saturday in the county dairy foods show at Gainesville.

Winning laurels on their demonstrations at Gainesville were Charlotte Wolf, first as individual in the senior group, Mary Ellen Endres, first as individual in the junior division, and Janice Vogel, joined by Rosemary Hermes of Lindsay, first as the senior team.

Going with the three from here were their mothers, Mrs. Lou Wolf, Mrs. Paul Endres and Mrs. Theo Vogel.

Charlotte's demonstration was a full meal of dairy foods, Mary Ellen made a cheese dip and Janice and Rosemary prepared a milk drink and cheese cookies.

Louise Noggler and Jerry Wimmer Will Marry February 11

—Boyd and Breeding Photo

Announcement has been made of the approaching marriage of Miss Louise Noggler and Jerry Wimmer who have set Saturday, Feb. 11 for their wedding date.

Parents of the couple are Mrs. A. J. Noggler and the late Mr. Noggler, and Mr. and Mrs. Tony Wimmer, all of Muenster.

The nuptial mass will be in Sacred Heart Church at four o'clock. Attendants will be Agnes Noggler and Della Wimmer, sisters of the couple, Lawrence Noggler, bride's brother, and Tim Wimmer, groom's cousin.

The engaged pair both are graduates of Muenster High School. She is employed in the bookkeeping department at Endres Motor Company and he is a barber here.

Afternoon Party Is Honor on Birthday

An afternoon get-together observed Mrs. C. M. Walterscheid's birthday Monday when her sister, niece and sisters-in-law and their preschool children spent the afternoon with her at her home.

After presenting gifts as birthday remembrances, the ladies visited and the children played games until refreshment time when Mrs. Walterscheid served a ham sandwich plate with pie and coffee. A decorated cake was the centerpiece for the refreshment table.

Present were Mrs. Clem Hofbauer, Mrs. Ed Sicking, Mrs. Meinrad Hesse, Mrs. Andy Wimmer and Mrs. H. N. Fuhrmann.

Evelyn Flusche Is Beauty Operator

Miss Evelyn Flusche has finished beauty school in Wichita Falls, has successfully passed state board examinations in Austin and has been granted license to practice cosmetology in Texas.

After the close of classes and the trip to Austin, Evelyn had a nine-day vacation with her family, the Conrad Flusches at Decatur, and also visited relatives and friends in Lindsay and Muenster before returning to Wichita Falls to work.

Mrs. James Hess Is Honoree at Party

A surprise party and gift shower honored Mrs. James Hess Sunday afternoon in the home of Mrs. Frank Schilling with Mrs. Gerald Hess assisting Mrs. Schilling with hostess duties.

About 25 guests were present, their gifts going to the honoree in a bassinett.

Paper and pencil games entertained the group and the hostesses served ice cream and cake, carrying out a pink and blue theme, and hot coffee.

Mrs. Melvin Schumacher attended from Gainesville and other out of town guests were Mr. Schilling's sister, Mrs. Joe Pelzel of Pilot Point and Mrs. Leo Felderhoff of Gainesville. They came over to spend the day in the Schilling home and attended the party.

Farewell Fete For Robert Haverkamp

Mr. and Mrs. Lee Haverkamp were hosts for a family reunion with dinner and supper Sunday, the all-day party a farewell gathering honoring their son Robert who left Monday for induction in the armed services.

Coming from out of town for the get-together were the Walter Haverkamps and children of Whitesboro, the Travis Wickliffes and daughter of Dallas, the Leroy Wiesmans and the Richard Schumachers and their families from Gainesville. Also the honoree's grandmother, Mrs. George Spaeth of Lindsay and an uncle and family, the Joe Spaeths of Wichita Falls.

Robert Haverkamp has been working in oil fields in Wyoming. He spent a few days with his family before leaving for the army.

A BABY IS ALL FUTURE

You, Dad... do you sometimes have anxious thoughts as you look at your baby at night? That tiny fist clutching your finger, the happy gurgle, those reaching arms, show complete trust and confidence in dad.

But how confident are you? A baby is all future... and you must plan for that future. The baby of today, more than ever, needs a savings plan that will provide either:

- A college fund at age 18
- a business opportunity fund
- a retirement fund or an inflation-proof estate

The inflation hedge is a special feature in the Franklin Junior Insured Savings Plan. Just \$5 a week, beginning at age one, will provide \$125 a month during four college years. The plan is flexible, too. Alternate benefits for changes in needs or circumstances.

Right now you can decide your baby's future. You can toss this advertisement aside, or you can call us and learn more about our Junior Insured Savings Plan.

We will gladly show you the film, "The World Your Child Will Live In," in your own home.

Parish Discussion Club Groups Have January Meetings

Discussion club activity continued here Sunday when 13 groups met for their January study. One club meets this Friday evening and two set new dates for their sessions.

All of the groups studied the chapter on the Mass and a few which missed meeting in December included that month's lesson on the Eucharist. All followed the hour of study with a social period and refreshments.

Mr. and Mrs. Rufus Henschel were hosts to 19 in their home for the club headed by Mrs. Billy Joe Miller as leader.

Eleven were present in the home of Mr. and Mrs. Albert Rohmer who were hosts for the club led by Mrs. Arnold Rohmer.

Fourteen gathered at the home of Mr. and Mrs. Andrew Wimmer for the group of which Mrs. Andrew Schoech is chairman. This club's membership take turns at leading and Mrs. Wimmer was leader Sunday. Their February meeting will be in the Oscar Walter home.

The club of which Mrs. Tony Hess is chairman had its study in the home of Mr. and Mrs. Al Hess with Mrs. Al Hess leading. Ten members attended.

Twelve members were present in the home of Mr. and Mrs. Johnny Hacker for their lesson led by their chairman James Eckart. The February meeting will be held in the Buddy Yosten home.

At the Arthur Endres home eight members were present for study led by Mr. Endres. Mrs. Joe Hoenig is club chairman and members take turns at leading.

Alfred Bayer was study leader for the club which met in his home. Mrs. Gary Hess is chairman. Twelve members attended and the next meeting will be in the home of Dr. and Mrs. Kenneth Dobbs.

Fifteen reported for study in the home of Mrs. M. J. Endres and she served as leader. R. R. Endres is chairman.

Mrs. Tony Otto's group had their meeting in the home of Mrs. Tony Gremminger with the hostess as leader. Nine were present and Mr. and Mrs. Tony Hoenig volunteered as hosts for the next meeting.

The club with Mrs. T. Vogel as chairman had its meeting in the Meinrad Hesse home, Mrs. Vogel leading the study. In February the group will meet in the Henry Wolf home.

The Werner Becker club met in the home of Mr. and Mrs. Al Walter with Mr. Becker leading the lesson. Sixteen members attended. Next meeting will be in the home of Mr. and Mrs. Raymond Zimmerer.

Home of Mr. and Mrs. Bernard Swirczynski was meeting place for the club of which Mrs. Tony Trubenchach Jr. is chairman. She led the lesson.

Fourteen members reported at the Henry Pick home for their study. Mrs. John Fisher is chairman. Mrs. Earl Fisher and Mrs. Charlie Fisher led the Sunday lesson.

Mrs. L. A. Bernauer's group will meet in her home this Friday night at 7 o'clock. Mrs. Leo Henschel will be leader. Clubs led by Miss Lena Kleiss and Mrs. Arnold Muller will announce their meeting dates.

Former Muensterites R. W. Junior Crawford of Las Cruces, N. M., and Joe Herr of Arlington were in Muenster Monday calling on old friends. Mr. Crawford piloted some people on an air trip to Dallas where they spent a few days. Meanwhile he stayed with his sister and family, the Joe Herrs at Arlington and the two men came back to the old hometown for a visit.

Mrs. Oscar Miller Is Club Hostess

Mrs. Oscar Miller was hostess for the January meeting of the Tuesday Nites Club, entertaining in her home and serving a refreshment plate after members spent the evening playing Tripoley.

Mrs. Bill Hunt ran up high score for first prize and also drew the door prize. Mrs. Leonard Owen was second high scorer for an award and Mrs. Johnny Rohmer won the consolation favor.

The club's February meeting will be with Mrs. Gene Hoedebeck as hostess in her home

Local News BRIEFS

Mrs. Henry Fette returned Sunday from a three-week visit in Glen Rose for her health.

Gregory Hundt of Lindsay is the county tax assessor for this area this year. He worked at Lindsay first and began making the rounds here during the weekend.

Mrs. C. M. Walterscheid returned home Friday after staying in Wichita Falls a week with her son and family, the Earl Waltersheids, while their infant son Patrick Allen was seriously ill with pneumonia. The ten-week old boy was improving when she left but was still in Wichita General Hospital.

Muenster has certainly changed from the old days of cotton fields and prairies, says Mrs. Glenn Fisher of Junction City, Kansas, who was

back in the city during the weekend. It was her first return since she was bridesmaid at the wedding of Mr. and Mrs. Pete Rollman. She has been spending most of her time the past week with her brother, Mr. Rollman, at the VA Hospital in Dallas, but was here inbetween at the Rollman home for a visit. Mrs. Rollman stays in Dallas to be near her husband and their daughters, Catherine and Veronica, are back and forth. While the family is away their business here is being taken care of by Clarence Wilson and Clyde Address.

Marysville News
 By Mrs. John Richey

MARYSVILLE, Jan. 17 — Mr. and Mrs. Charlie Winchester are back at home after a four day visit with their daughter and family, the Eddie Collins in Dallas. Mr. and Mrs. Collins and children visited her parents and they joined them on the trip to Dallas.

Mrs. Tom Binford of Gainesville spent Wednesday with Mrs. John Richey.

Flu and virus has made shut-ins out of several area residents including Mrs. Jack Tuggle, George Richardson, Ernest McElreath, Mrs. Alys Graye, Mrs. Jim Shiflet and Mrs. Lawton Moon.

Visitors with Mr. and Mrs. Bill Moon during the weekend were Mr. and Mrs. Don Ray Moon of Dallas, Saturday Mr. and Mrs. Houston Miller of Gainesville were over for a visit and Sunday guests were Mr. and Mrs. Max Harrell and children of Gainesville.

Mrs. Belle Doughty visited during the weekend with her son Russell Doughty and family at Gainesville.

Weekend guests of Mrs. B. G. Lyons were her granddaughter, Miss Dolores Grant of Denton and Ed Eastin of Gainesville.

Mr. and Mrs. Ambrose Baker and two children of Wilson, Okla., drove over Sunday for a visit with his sister and husband, the W. F. Davidsons.

Mr. and Mrs. Reagon Shiflet of Dallas were weekend guests in the home of his parents, Mr. and Mrs. Jim Shiflet.

Austin Moon, former Marysville resident now living in Hollister, Calif., tells about enjoying the home town news in the Enterprise, thereby keeping up with family members and old friends. Until recently he read the paper every week after his daughter, Eula Singleton of San Francisco, finished with it. Now he has own subscription, a gift from his daughter. And he sends greeting to all the old timers he knows around Marysville, Myra, Lindsay and Muenster.

Mr. and Mrs. Robert Seigmund and children of Dallas visited his parents and sister and family, the W. F. and Charles Davidsons Saturday. Monday the Charles Davidsons drove to Abilene to visit Mr. and Mrs. Bo Snow and brought Barby and Mike Davidson home with them after a two week vacation with their uncle and aunt.

1st Celebration

First celebration for Johnny Richey of Sivells Bend took place Tuesday when he was one year old.

His uncle and aunt, Mr. and Mrs. John Richey, entertained for the occasion in their home. Joining the trio for an evening party were Johnny's parents, Mr. and Mrs. Robert Richey and Bobby, Billy and Judy, his grandparents, Mr. and Mrs. Fred Richey and Larry, all of Sivells Bend, and Mr. and Mrs. Earl Cochran and granddaughter, Anna Lois, of Gainesville.

Birthday cake, ice cream and coffee were refreshments after the grownups played 42 and the children enjoyed Johnny's birthday gifts.

Twin Sisters Mark Birthday at Party

Twin sisters, Mrs. John Richey of Marysville, and Mrs. Earl Cochran of Gainesville, had a joint celebration in observance of their birthdays Friday.

Mrs. Richey and little nephew, Johnny Richey, drove to Gainesville for a birthday dinner with Mrs. Cochran, and at night others joined them for a 42 party in the Cochran home.

Those present were Mr. and Mrs. Fred Richey and Larry and Mr. and Mrs. Robert Richey and children of Sivells Bend, Mr. and Mrs. Joe Wyatt of Callisburg and their guest, Pat McCann of Whitesboro, Marc Barnes, Anna Lois and Earl Cochran and John Richey. Birthday cake, coffee and cocoa were served.

Douglas Robisons Visit in Florida

Mr. and Mrs. Douglas Robison of Spur are combining business and pleasure on a visit in St. Petersburg, Fla. They made the trip by air from Dallas Tuesday after an overnight visit with his parents, Mr. and Mrs. Earl Robison. The little Robisons, Mark and Jan, remained with their grandparents.

Douglas was a speaker Thursday at an agricultural convention discussing Herbicide on Control of the Yucca. After a bit of vacationing in Florida, the couple plans to be back here next Tuesday to get their youngsters and return to Spur.

If you give some drivers enough rope they'll tie up traffic.

Farm Facts

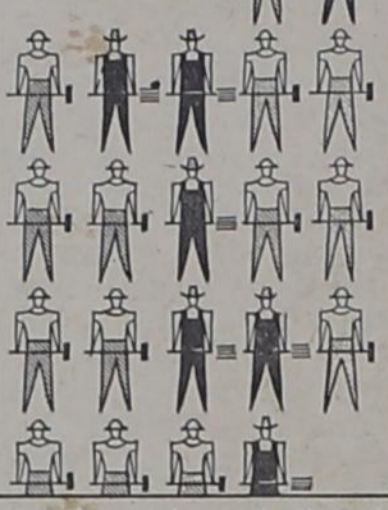

Because fewer than one out of eight people in the United States now live on a farm, some people are inclined to discount the importance of agriculture.

Farmers, however, are a part of our biggest single industry, sometimes called "agribusiness." More than 22 million workers are involved in it. This constitutes about a third of the total labor force. About 7.5 million of these are on farms, another 6 million are in farm supply businesses, and 9 million are employed in processing and distributing agricultural products.

This huge industry, at the same time, is contributing to the record levels of employment now being enjoyed in this country. The expenditure of farmers for labor, farm machinery, fuel, feed, fertilizer, insecticides, and other production items increased from \$6.4 billion a year during 1937-41 to \$25.1 billion in 1958.

The farmer's capital, estimated at \$200 billion, is put to work to generate billions more in new wealth each

**SOIL CONSERVATION
DISTRICT NEWS**

OUR SOIL ★ OUR STRENGTH

The days are growing longer, but the time for land preparation for grass planting is growing shorter.

According to records at the local Soil Conservation Service office there is still a need for over 200 waterways to provide safe terrace outlets. There are also over 30,000 acres of old field areas or bare grasslands that need to be planted to adapted grasses. These are acres that are producing only a fraction of the forage that they are capable of producing, and because they are bare for long periods of each year, they are subject to erosion.

Though the 1961 agricultural Conservation Program, the Federal Government will share with farmers and ranchers the cost of carrying out approved soil and water conservation practices which include the planting of grasses.

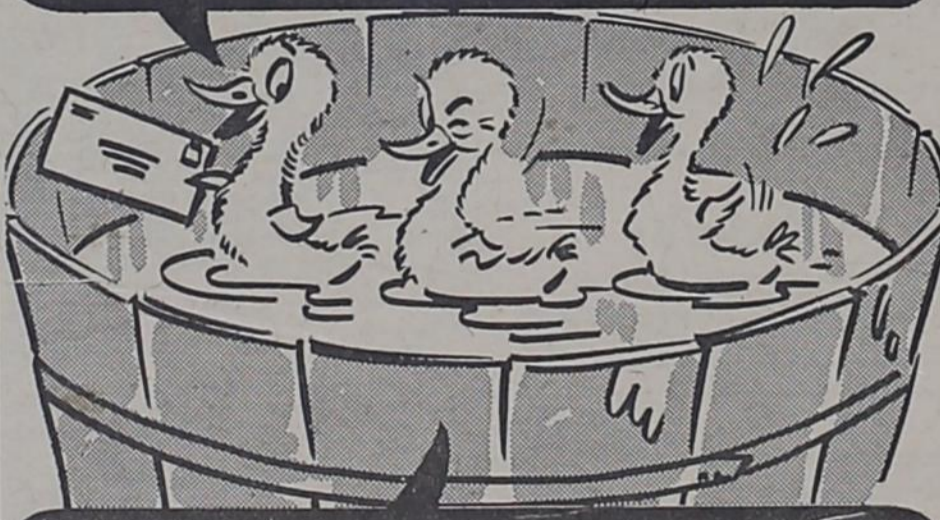

For example, in Cooke County the payment rates for planting Common Bermuda grass roots are as follows: roots, sodding, etc., \$7.50 per acre, fertilizing at the rate of 20-20-0 per acre, \$2, for a total of \$9.50 per acre. In Montague County the cost-share on the above amounts to \$10.20 per acre.

The cost of planting Coastal of Midland Bermuda is also very reasonable this year. Many landowners cooperating with the Upper Elm-Red Soil Conservation District to protect and improve their soil prefer the faster growing higher producing hybrids.

If waterways or improved pastures are needed, make plans now to get these and other grasses planted as soon as possible.

New Jersey has 800.2 people per square mile in the 1960 census, more than any other state. Alaska has fewest, 0.4.

A Quaker put up a sign on a vacant piece of ground next to his house. It read, "I will give this lot to anyone who is really satisfied."

A wealthy farmer drove by and read the sign. He stopped and meditated. "Since my Quaker friend is going to give that piece away, I may as well have it as anyone else. I have all I need, so why should I not be satisfied, and qualify for the gift." He went up to the door and explained why he had come.

"And is thee really satisfied?" asked the Quaker.

"I have all I need, and am well satisfied," said the farmer. "So should I not be given this piece of ground?"

"Friend," said the Quaker, "if thee is satisfied, what does thee want with my lot?"

OROZIMBO IMPRISONS GENERAL

"Orozimbo" was the name of the home of Dr. James Aeneas Phelps, hospital surgeon of the Texas Army at San Jacinto.

His home was used to imprison the Mexican General Santa Anna from July to November in 1836, following the defeat of the Mexican Army and the victory in the fight for Texas' Independence.

You can see the site of "Orozimbo" today. It is located about 12 miles north of West Columbia, in Brazoria County, southwest of Houston.

Heavy Outlays for Aid to Polio Victims Cause Drain on March of Dimes Funds

"The National Foundation has the distinction and the honor of having exhausted its March of Dimes funds for patient aid," Basil O'Connor, its president, announced recently.

"Therefore, the March of Dimes has a \$45 million job to do in 1961," he added.

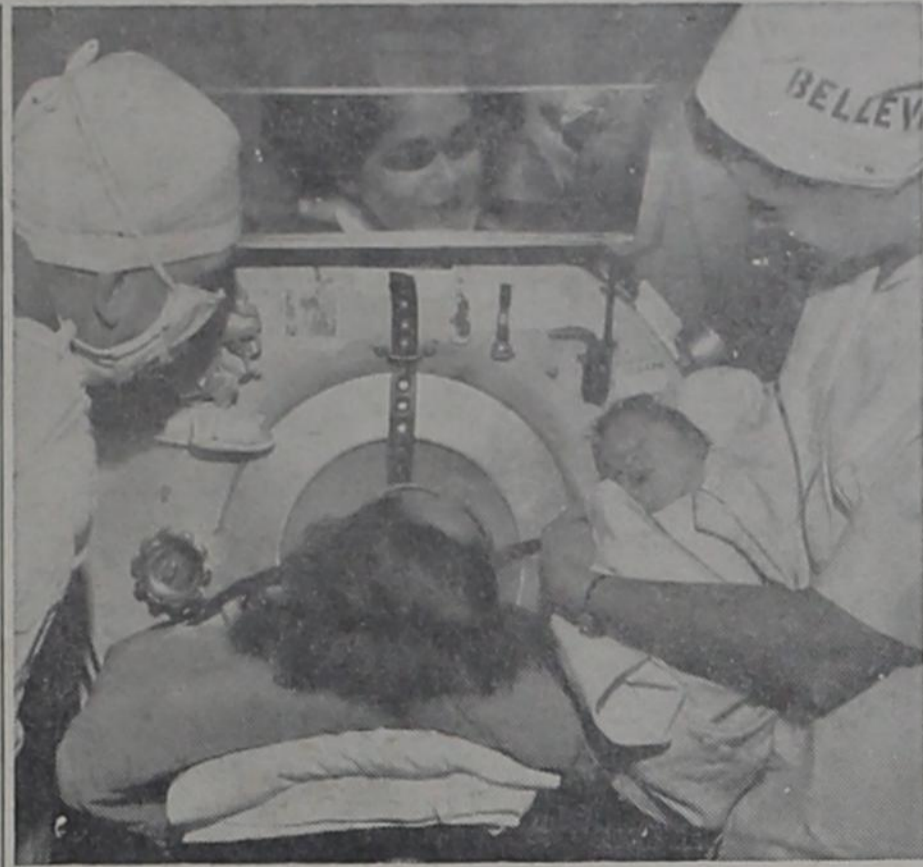

"But we always have had a tremendous job to do and have relied on the American people for financial support through the March of Dimes each January," he said. "At the same time, however, we do not live just from year to year but build broad research, educational and patient-aid programs for much longer periods. Continuation of these programs will require \$45 million in 1961."

Speaking of the "urgent monetary needs of the 1961 New March of Dimes," to be held Jan. 23-31, the leader of the world's largest voluntary health organization explained that in 1960 about one-third of its 3,100 chapters had gone into debt to meet hospital and other bills for aid to polio patients.

"But our chapters are proud that they have not built up bank balances at the expense of human lives," he said.

Since 1938, when The National Foundation (for Infantile Paralysis) was organized, a total of \$325,200,000 has been spent for direct patient aid to polio victims. In 1960, the bill was about \$13,250,000 for some 40,000 of the polio-stricken. Although the Salk vaccine has been available to the public for five years, patient-aid costs remain high chiefly for those stricken before the vaccine was developed, or for those who since 1956 neglected to get inoculated and thus contracted polio.

March of Dimes monetary assistance to individual polio sufferers has sometimes been extremely great. To cite two instances only, patient-aid costs in the case of Mrs. Ingeborg Cully, of New York City, thus far have totaled about \$25,000 and the end is not in sight; while expenditures for Tommy

Examples: \$25,000 was spent on Ingeborg Cully . . .

Davey, six years old, of Boston, have reached \$50,000.

Aside from the enormous financial toll in patient aid, substantial New March of Dimes contributions must also be used for research. Since 1938 The National Foundation has allocated \$64,600,000 on its broad-based international research program which has produced, among other outstanding achievements, the Salk and Sabin polio vaccines and, incidentally, two Nobel prizes. In 1960, research funds are estimated at \$5,000,000 covering three health areas of birth defects, arthritis and polio.

More than twice that sum, or \$10,400,000, is needed for research in 1961.

March of Dimes contributions have also made possible the largest education program for the training of medical and health experts ever attempted by a voluntary health agency. Since 1939, when The National Foundation launched its program of professional education, outlays in this field have totaled \$34,900,000; in 1960, a total of \$1,500,000 in March of

. . . while another \$50,000 was needed for Tommy Davey.

Dimes public contributions was required for the health organization's professional education activities. In 1961, \$3,900,000 is needed for this part of the program.

For You And Your Town

No business man or woman in any town should allow a newspaper to go to press without his or her name or business being mentioned somewhere in its pages. This does not mean that you should have a whole, half or even a quarter page advertisement in each issue of the paper but your name and address should be mentioned even if you do not use more than a two line space.

A stranger picking up a newspaper should be able to tell what business is represented in a town . . . it is the best possible town advertiser. The man or woman who does not advertise does an injustice to himself or herself and definitely to the town.

Joseph Bezner Is Airman of Month At Travis AF Base

Named Airman of the Month at Travis AFB, California, is Joseph Bezner, son of Mr. and Mrs. William J. Bezner of Lindsay. The parents learned of their son's honor this week.

Recognition and a citation was accorded the young airman second class for his accomplishments during the December cycle. He was selected from among some 200 men at the base.

The Airman of the Month is chosen for outstanding qualities of military bearing and courtesy, job knowledge and accomplishment and an extremely fine attitude toward job and Air Force. It is a keenly competitive title.

Young Bezner serves as a jet mechanic connected with the 82nd Fighter Interceptor Squadron.

In connection with his military duties on the base, Airman Bezner is extending his over-all knowledge in the mechanical field by attending an off-duty aircraft and engineers course at Sacramento Junior College.

Muenster Mutual To Meet Saturday

Members of the Muenster district of the Muenster Mutual Fire Insurance Association will have their annual meeting Saturday afternoon at 2 o'clock in the Parish Hall.

Their purpose is to hear reports on the association's business last year and the annual general meeting held last week.

Progress Group To Eat and Meet

Members of the Community Progress Association and their ladies will have a combined social and business session next Wednesday night, Jan. 25, at Rohmer's Restaurant.

Following a dinner they will have a special program illustrated with slides and discuss improvement projects for the community. They will also consider proposed amendments to their by laws and changing the regular meeting date to the last Wednesday of each month.

Steve Moster and Jim Doughty represented Muenster last Wednesday night at Decatur in a meeting of the North Texas Waterworks and Sanitation Association. About 35 cities of North Texas have membership in the organization, which studies improvements in municipal water and sanitation service.

Mrs. Frank Kathman Sr. returned Monday night from a week's visit in Chickasha, Okla., with her sister, Mrs. J. K. Stover. They also went to Norman to visit their brother, Mack Ellis, and enjoyed seeing Miss Helen Fisher who came from Oklahoma City to the Stover home to spend Sunday. And they all enjoyed seeing the Stovers' son, Ernest Stover, who came in from Sacramento, Calif., for a visit.

The world's first nuclear-powered aircraft carrier, the USS Enterprise, is the second aircraft to bear this name. The first was the flagship of the late Admiral W. F. "Bull" Halsey in the Pacific during World War II.

suction hose is provided for re-fills. It's also equipped with a siren on the hood and a red signal light on top of the cab. The truck was acquired on a lease-purchase deal, the first year's lease being paid by the \$1,000 received from the county for answering rural calls a full year. The city expects to meet remaining payments through annual renewal of the contract with the county.

Scout Troop 664 Makes Campout to Rate Advancement

Eighteen Muenster Boy Scouts and Scoutmaster Nick Miller had an overnight campout during the weekend at Al Walter's farm. All the boys, except the three candidates for Eagle rank, worked on first and second class requirements for advancement. They left town Saturday at 3 o'clock in the afternoon and returned at 3 Sunday afternoon.

Transportation to and from the campsite was provided by Joe Sicking and Meinrad Yosten.

For two newcomers into the troop, Lawrence Bruns Jr. and David Hoenig, it was the first experience of roughing it.

Scouts working for advancement were Ricky Endres, Sammy Endres, Joe Hartman, Pat Hennigan Jr., Daniel Hoenig, Dwayne Pagel, Wayne Reiter, Donald Rohmer, Ricky Stewart, Tommy Lee Swirczynski, Virgil Swirczynski, Danny Wilde and Willie Wimmer. Jerry Taylor and Roy and Tommy Hartman who recently passed tests for Eagle rank went along for the fun.

Joining the troop as guests were Joe Sicking and son Robert, Pat Hennigan and sons Mike, Tim and Tommy, Billy Joe Miller and sons Robert, Terry and Alan and Tony Yosten.

Monday night's regular troop meeting in the KC Hall was attended by the Scout committee and instutional representatives.

Present with the boys and the Scoutmaster were John Mosman, grand knight of the Knights of Columbus Council and Arthur Felderhoff, commander of the Veterans of Foreign Wars Post, the two organizations which sponsor the Scouts here, and Committeemen Joe Sicking, Frank Felderhoff, Leo Sicking, Gene Hoebebeck, Billy Joe Miller, Herbie Yosten and Tony Yosten and Committee Chairman Pat Hennigan. Only Willie Walterscheid was unable to attend. He and Tony Yosten are assistant scoutmasters.

fortunate circumstance it is stuck with a name which implies that it is a price on one's right to vote. A more correct name would be "personal tax," and as such it is both justified and reasonable. All citizens, especially those who pay no property tax, should make at least a token payment toward their share in support of the government . . . and, considering services rendered, the \$1.75 assessment certainly is not excessive.

Rather than complain about the principle of a poll tax, people ought to admit that one who declines to meet so small an obligation does not deserve the full right of citizenship. Furthermore, it is a law of the state. It applies to all alike, it is owed by all alike. Shirking it is failing to meet one's just debt.

By ethical standards payment of the tax and exercise of the voting duty are both a matter of conscience. But from a coldly practical stand-

point self interest is even more compelling. Every person should be ready and able to vote in defense of his own principles. In voting for public officials that means favoring the candidates whom one judges to be best qualified by principle and ability. In tax issues that means voting on fairness and merit. If the county hospital proposal comes to a vote this community, after providing voluntarily for its own hospital, will not think it should be assessed for the support of another. Prudence demands that it be ready to vote in behalf of its own interests.

Mr. and Mrs. Leo Prescher of Valley View were here Tuesday for a visit with her father, Gus Sicking.
