NUMBER 50

For once this column agrees with Khrushchev. Stalin, the barbarian cut-throat and all-round stinker, should be booted out of the shrine he has occupied since his death. He should be shunted into oblivion. He does not deserve the place of honor he has had before the masses of Russian people.

However the column does not go along with Khrushchev in his reason for dishonoring the man. K claims that Old Black-hearted Joe was not a good party member, also that his unforgivable sin was including some good communists, Khrushchev's kind, that is, in the millions of political enemies he put out of his way.

Con would say that Stalin merits public contempt for the same reason Khrushchev does. He was a murdering monster whose hands, like K's, are stained with the blood of millions of innocent victims, and whose memory is fouled by a long record of cruelty, oppression, treachery and practically every other vice that can be found in a disciple of Satan.

Khrushchev removes Stalin as a public hero with the concealed motive of establishing himself on the red pedestal. But we know, and he should also know, that he too will have his day of downgrading. Either some other scoundrel will want to be known as communism's all time big dog, or decent people will take charge and expose all the red bosses as the scum they really are.

A few weeks ago it was told that Soviet history books are already revised. The new edition has little credit for Stalin while it pictures K as the genius who through all those years led the Soviets to their present glory. Such is the way when a godless little creature with a bloated ego tries to be a god. The great absurdity of it is that he's so impressed by himself that he even believes that stuff. And he's dumb enough to think that others will believe it.

As concerns Stalin's oblivion we can say good riddance for now. The same will be said for Khrushchev when he goes the same way.

At the rate world tension is building up lately it may not be long until Khrushchev brings on his own deflation. He's being the big bully now, trying to push other nations around as he pleases, but unaware in his brazen conceit that he could be crowding his luck too far. While he put on the peace and friendship act, with occasional missile rattling, he was able to convince some gullible neutrals that he was the powerful and benevolent big brother whose friendship might be courted to advantage. But his recent behavior is showing the beast in him.

Those same neutrals are beginning to see him as he is. Some have gone so far as to voice protests. Some must be wondering whether it's wise to line up on the side of one who has so little regard for humanity. To make matters worse K makes fun of their deep concern. They complain because he fouls the air with bomb testing. He laughs and fires a bigger shot.

As a way of sobering up the power mad fiend there is merit in a method suggested a few days ago by Commentator Paul Harvey. He pleaded for the soft voice and big stick spirit of Teddy Roosevelt in giving a warning that would command Soviet respect. Gearing that thought to our times, he's for advising them that hundreds of nuclear missiles now zeroed in on the vital spots of Russia, especially the Kremlin, are being equipped with triggering devices that respond to excessive radio-active contamination, hence that by every future smart alec nuclear blast in disregard of human right and welfare Khrushchev is risking his own country's doom.

Admitting this is about the ultimate in retaliation it nevertheless has its merit. In diabolical glee K sends up one poisonous cloud after another, knowing that much of the contamination will drift around the world to us, gloating over the thought that we know what is happening and can't do anything about it. With Paul Harvey we agree

BROKEN BOTTLES: "TRIPLE THREAT" ON OUR HIGHWAYS
A triple threat on the football field is fine, but a triple threat on the highway spells trouble. Broken bottles are the "triple threat" of our highways. They are accident hazards to traffic; they injure people who step on them; they start costly and dangerous roadside grass fires. The dangers of the triple threat increase during the football season. The Texas Highway Department asks Texas travelers to dispose of bottles in proper containers. Help keep the "triple threat" on the gridiron—not on the highway.

Charlene Otto Is Tiger Queen for SH Homecoming

Sacred Heart High's annual football queen contest came to an end with Miss Charlene Otto way out front, leading three other contenders for the crown in number of votes gathered with a total of 83,073.

A blue eyed blonde and a senior, the 1961 queen is the daughter of Mr. and Mrs. Harry Otto.

Runner up in the contest is Miss Judy Walter, junior, with 41,465 votes. Joyce Owen, sophomore, is next with 22,110 votes and Freshman Nancy Haverkamp brought in 20,915 votes for a grand total of 167,563 votes and sixteen hundred and seventy five dollars and sixty three cents for the school's athletic program.

The four class favorites worked for weeks to secure votes. They sponsored a breakfast, dinners, bake sales, dances and card games, hauled trash, washed cars and made personal solicitations.

Coronation festivities are a highlight of the homecoming program each year and after the crowning in pre-game ceremony the queen reigns over the game and the dance which follows.

The 1961 homecoming game is with Bowie B Thursday, Nov. 2, with kickoff time at 7:30.

The three other contestants are princesses in the queen's court. Others in the festivities are Tri-Captains Johnny Wolf, Charles Knabe and Claude Bayer, train bearers and pep squad.

CDA Bazaar Set 3 Days Next Week

The three day event will feature gift items and home made foods on display for sale at City Hall.

Memorial Service Sunday for KCs

Members of the Muenster Knights of Columbus council are reminded this week of memorial service to be held Sunday afternoon at 3 p.m. in the K of C hall. This service is held by the local council each year in November to honor the memory of deceased members.

NEWS OF THE SICK

Ronnie Russell who sustained a serious eye injury last Wednesday and was treated at Baylor Hospital in Dallas was dismissed Tuesday of this week and is a shut-in at home. Specialists are hopeful but as yet not definite that they can save the eye. He goes back to Baylor for treatment and a checkup Friday. The accident happened at home while Ronnie and his brothers were scuffling playfully with sticks and one of them slashed his right eye ball. He was rushed to Baylor but lost eye fluid. It was replaced from the eye bank. Ronnie is the 18-year-old son of Mr. and Mrs. Joe Russell.

J. W. Hess entered M&S Hospital Monday as a medical patient.

Mrs. John Walterscheid entered Gainesville Sanitarium as a surgical patient Monday.

Mrs. Bill McCollum of Dallas who was convalescing at the home of her parents, the Dick Cains, was rushed back to Nocona Hospital early Tuesday after suffering a relapse of illness and has been receiving blood transfusions since. She is holding her own but will probably need more blood and persons with type O Positive blood who could contribute are asked to contact the Cain family or J. W. (Continued on page 8)

Hornet-Panther Game to Decide 12-B Cellar Spot

The game of the year for Muenster's Hornets will be played here Friday night at 7:30. It's the one in which they and the Saint Jo Panthers will make their last desperate efforts to decide which of them will finally win a game and also which will get out of the 12-B cellar position that they are now sharing.

As the record stands Muenster is favored. Its season, though mighty sad, is better than Saint Jo's. It has at least a tie to break the long list of losses and it has a few close decisions to boot. Saint Jo's has all losses, practically all by big scores.

Another feature of the game is its traditional rivalry. Historically the record means little as the Hornets and Panthers go into their clash, and that condition is likely to prevail again.

Regarding condition of the Hornets, Coach Glenn Richardson says they are as ready as they have ever been this season. They'll be handicapped by injuries, as they have been all season, and they'll also miss the services of Ronny Russell who went to the hospital with an eye injury before last week's game.

But spirits are higher than ever. The Hornets feel that their chance is the best of the season and they are determined to cash in on it.

Tigers End Season With Bowie B at SH Homecoming

Coach Adam Wolf and his Sacred Heart Tigers are hoping the competition will not be tough Thursday night as they entertain Bowie's B team before the Sacred Heart homecoming crowd.

Physically the Tigers are at their season's poorest. Two regulars, Charles Knabe and Johnny Wolf are out with fractures. Two others Jerome Hennigan and Frank Schilling are badly handicapped by injury.

Wolf went out two weeks ago and Pat Knabe was shifted to the backfield to reorganize that department. The system was getting good results until Charles Knabe broke his arm, and Pat, the only experienced center, had to take his place.

So the Tigers were faced with another reorganization job for their last game. Manpower isn't a problem, however. The Tigers have plenty of reserves. The big hope is that they will be able to work smoothly after their late reshuffle.

Coach Wolf said he has no idea what to expect from the Bowie Bs. His only estimate is from the fact that Bowie is in 3-A competition, so it probably has plenty of reserve strength to have a good B team.

State Officer Speaks Here for VFW Convention

Carter Younts, Senior Vice Commander of Texas Veterans of Foreign Wars, will be featured speaker at a meeting of that organization in Muenster on Saturday and Sunday, November 4 and 5, 1961.

Delegates and members of the VFW and it's Ladies Auxiliary from Cooke, Grayson, Fannin, Hunt, Collin and Denton counties will attend the gathering according to Ralph Clodfelder, District Commander from Gainesville.

Younts has served the organization well since returning from duty in the Air Force during World War II.

With the record of having filled almost every office in Sinton Post 8625, he came to commander of District 6 in the state and was named one of the eleven District Commanders in the nation as a member of the All-American Team of District Commanders. He then was elected Junior Vice Commander of the Department of Texas in June of 1960 and was elevated to his present office of Senior Vice Commander in June 1961.

His World War II service was in the 3rd and 8th Air Force, a B-17 pilot. He wears the EAME medal with five Bronze Stars and the Air Medal with six Oak Leaf Clusters.

The convention here begins with registration for VFW and Auxiliary members in the post home at 4 o'clock Saturday. A dance will be held there Saturday night.

Sunday's program opens with 9 o'clock meetings for men and ladies. Next is a banquet in the public school dining room followed by separate closed meetings at 2:15. Lunch at 4:30 in the post home is the last event.

Tigers Miss Late Chance; Lose to Godley High 16-12

A little gap of two or three inches was enormous to the Sacred Heart Tigers Saturday night. It was the difference between winning and losing in their game with the Godley Wildcats. So the score was a 16-12 heartbreaker.

The tense situation came late in the last quarter after a drive from the Sacred Heart 37. Eight plays had gained 54 to the visitors 9. Two more plays reached the 2, another was stopped cold and the final try fell short. But an offside penalty against Godley gave the Tigers a free yard and another chance. The effort resulted in a big pile-up and the unscrambling of players showed the pigskin so near, yet so far away.

As a whole the game was as close as the score with each team having its strong moments. For Sacred Heart most of those moments came in the first half when they outgained the Wildcats 127 yards to 75 and outscored them 12-8. Godley's was the second half when it outgained 99 yards to 68 and outscored 8-0.

Injuries definitely hurt the Tiger system. Regular quarterback Johnny Wolf was out, halfback Jerome Hennigan was limping, and center Charles Knabe left the game with a broken arm. Dennis Hess and Claude Bayer took turns as quarterback and two regular linemen, Pat Knabe and Bobby Hess, had a try at the backfield.

Sacred Heart started the game with a drive that gained

Eual Davis Joins Soil Conservation's Local Work Unit

Eual Davis is the new member of the Muenster work unit of the Soil Conservation Service filling a vacancy that has existed since Tommy Hill left here in April.

He is 28, married has two children. Failing to find a house here after two weeks of looking, the family is making its home in Saint Jo.

Davis is a native of Oklahoma. After 4½ years in the Air Force he attended Stephen F. Austin College, receiving a BS degree in Agriculture in June. Since then he has worked with the Whitesboro work unit of SCS.

Crippled Hornets Look Good Losing 28-0 to Eagles

Muenster High fans considered the circumstances last Friday night and left the game with a glow of pride even though their Hornets lost 28-0.

Holding the big and powerful Valley View Eagles to that count was a definite achievement, especially since the Hornets were playing with their season-long quota of injuries. Russell is out for the rest of the season. Hellman, Wiesman and Dickie Pagel played with old injuries.

The Hornet defensive job was probably its best of the season. Though permitting four touchdowns, it stopped the Eagles several times.

To begin the game Muenster forced the visitors to kick the first two times they got the ball. The third effort was better, however and the Eagles moved 56 yards to the Hornet 5. There again the Hornets did a fine job. Eagles got 5 steps for free on a penalty and were still on the 10 after three plays, then hit pay dirt on a pass from Bryant to Young. Hogan's plunge added two more points.

The next score came easy. Muenster kicked ending its first series. The kick headed into the strong wind giving Valley View possession on the 31. Two plays made that distance. Bryant failed to spot a receiver for his pass and had to run for it. He almost got away. Next play Sparkman made the remaining 9 yards.

Score No. 3 also came in the second quarter. It started

Kickoff Tuesday Opens Local Drive For United Fund

Muenster's community drive in the Cooke County 1961 United Fund campaign started rolling Tuesday morning at a kickoff breakfast at the Center Coffee Shop.

Principal purpose of the meeting was to distribute contact cards among the workers and also facts concerning the county goal and the names of organizations which will participate in this year's fund.

The county goal is \$45,950. No quota has been set for Muenster, however it was pointed out that the community gave about \$1200 last year and the figure is regarded as a reasonable goal for this year, especially since the community will receive \$500 from the fund for its youth program. Those who spoke were Father Alcuin Kubis, Campaign Director John Monk and Edwin Wright of Gainesville.

Local workers attending were Community Chairman Henry Weinzapfel and Jerome Pagel, L. B. Bruns, Bill Pratt, Jimmy Doughty, B. J. Swirszynski, Joe Galloway, Clyde Fisher, Marty Klement, Mike Sloan, Joe Mosier, Steve Mosier, Urban Endres, Alvin Fuhrman, Andy Hofbauer, Arthur Endres, Arthur Hess and Mrs. Earle Otto. They were urged to make contacts as soon as possible and try to finish the work in a week.

Cubs Win 22-0 in First of Series With St. Mary's

Kenny Stormer had a big day Sunday in marking up all three of the touchdowns and two of the extra points in the 22-0 win by Sacred Heart's Cubs over the St. Mary's kids of Gainesville.

All three of the runs were long ones. End runs were good for 30 and 50 yards and one break through the middle went for 40 yards. Stormer added his two bonus points after the first touchdown. A pass from Leon Endres to Doug Otto added points after the third TD.

A second game between the two teams is scheduled for 1 o'clock next Sunday on the St. Mary's field.

Much of the Cub's talent has been retired for these games with the Gainesville kids. Cubs are made up of seventh and eighth graders. The special team has the seventh graders and four of the eighth graders. That's because the St. Mary's team is taken from several grades and some of the boys are lightweights.

Mrs. Nellie Harvey Claimed by Death

Mrs. Nellie Hudspeth Harvey, 82, a former long-time resident of Valley View but in recent years living in Marietta, Okla., died Sunday in a Gainesville hospital.

For two years preceding her hospitalization she lived in a Gainesville convalescent home. Before failing health made her a shut in she was a frequent visitor here with her son, Clarence Hudspeth, and family. She was born at Ector.

Funeral services were held at 2 p.m. Monday in Vernie Keel Chapel and burial was in Valley View Cemetery. Revs. William Spencer and Walter Rowland, Marietta Baptist ministers officiated.

Survivors include a daughter and four sons, 14 grandchildren and 14 great-grandchildren.

HOW TO LIVE WITHOUT A BUDGET

We'd like to remind you that our lawmakers have just set a new peacetime spending record — appropriating \$95.8 billion, well over \$11 billion more than the previous peak.

The massive total staggers our imagination. We were never one for figuring out astronomical figures. But there is something we've discovered, to our dismay and distress. Of the \$95.8 billion, more than \$48 billion has been appropriated for non-military spending as against \$47 billion plus for defense.

So we're going to spend more money running things at the same old government stand than we spend for our

global defense!
The government has lived within its income just six times in the last 30 years. It's more than \$290 billion in debt — and that debt is an obligation against every man, woman and child in the country.
Isn't it high time to abandon the ruinous welfare state philosophy of the government, and cut non-essential Federal spending to the bone?

WE'RE HELPING FIDEL

When you shake your head in disgust and your blood boils in anger over the atrocities perpetrated by Fidel Castro, get a little madder with the realization that he's being helped along with millions of tax dollars from good old Uncle Sam.

And these are your tax dollars and mine.

All of these tax bucks are being channeled to Fidel through fine, high-sounding cooperative organizations that the United States is participating in. This is one of the most effective means the Communists have of milking us dry.

We are, in effect, helping them finance their all out push to enslave us.

THE PRODIGAL SON

How?
The Special Fund of the United Nations has approved a \$1.1 million loan for Castro. The American taxpayers — that's you and I — will put up 40 per cent of this loan. The Russians will put up three percent.

This is no secret. As a matter of fact, Rep. Glenard P. Lipscomb of California, in a speech in the House of Representatives, declared the U.S. taxpayer is making it possible for Castro to buy Russian jeeps, sponsor young Cuban Communists on fellowship programs, and paying the bills for Cuban health projects.

These hard, American tax dollars are going to Castro through the Pan American Health Organization (PAHO), which operates on a budget of \$4,700,000, of which we put up 66 per cent, or \$2,640,000. Not only have we been supporting Castro in his accomplishment in enslaving the whole island for the Communists and helping to enslave the whole hemisphere, but we are increasing this help every year.

Since Castro took over, his PAHO share of funds has grown from \$99,081 in 1959 to \$169,761 in 1960, to \$373,861 in 1961. And Castro, while he has been getting more and more out, has failed to pay his dues in the past three years to PAHO of \$224,010.

Castro used some of the money to buy 32 Russian jeeps for use in a malaria eradication program, although malaria has a low incidence rate in Cuba. And while Cuba was getting these jeeps, the U.S. prohibited the delivery of similar vehicles to the Congo because of their military value.
Does this make you feel good?

We hope it makes you feel good enough to write to your congressman and senator and demand that a stop be put to these monkeyshines.

There is absolutely no justification to these antics. We're actually giving Castro the money to buy mud to throw in our face for the whole world to see. Let's put a stop to it.

Old People Urged To Check Benefits Of Social Security

Are you a working person 65 or over who has never applied for social security benefits? If so, you will want to ask your social security office for a copy of a new leaflet. Entitled, "You Don't Have to Retire Completely to Get Social Security Benefits," the leaflet explains changes in the law recently enacted by Congress which raise the amount an older worker can earn and still collect some benefits in addition to his earnings.

Older working people, made eligible to collect some benefits because of these changes, will need to get their applications on file before the end of January 1962, according to Gus Jones, district manager of the Sherman Social Security Office. Otherwise, they stand a chance of losing some of the social security payments now due them.

He cited the example of a couple who would be entitled upon application to a monthly check of \$180, about the maximum now payable to a retired worker and dependent wife.

Under the law in effect until the beginning of this year, Jones said, this couple could not be paid any benefits for the year if the husband's earnings exceeded \$2080. Under the new law, his earnings could go as high as \$3610 before the couple would have to forego all of their social security benefits.

Many older working people in the Sherman area have not yet applied for their social security benefits, Jones noted. He said that many of them may not realize that their earnings are at a level which will now permit them to get some payments.

Some others may be under the impression that if they earn more than \$1200 in a year, they cannot collect any social security benefits. This is not so, he said.

Another thing many people don't realize is that regardless of their annual earnings, a social security beneficiary can be paid his benefits for any month he does not earn more than \$100 in wages nor work in self-employment.

The social security district manager suggested that working people 65 or over who have not yet applied for their social security benefits write or phone his office to get a free copy of the new leaflet, "You Don't Have to Retire Completely to Get Social Security Benefits." The leaflet describes the provisions of the law in simple words and also contains a table to help the older worker estimate how much of his benefits he can collect if he earns over \$1200 a year.

MIGHT BE UNDERSTOOD

President Charles deGaulle has stated flatly that Soviet force must be met by Allied force in Berlin — even at the risk of triggering World War III. Khrushchev, he thinks, has no desire for a war that would destroy Russia — but if it comes, it can only be because the Soviets want it. In either case it would be disastrous for the Allies to back down.

Replying to the "neutralist" appeal for a US-Soviet summit, President Kennedy has reiterated his confidence in "sincere negotiation." But Mr. Kennedy has talked to Mr. Khrushchev — shortly before Khrush started the Berlin ruckus and began rattling his atomic bombs.

Perhaps it's time for "Le Grand Charles" to talk to the Butcher of Budapest.

PUBLIC NOTICE

RESIDENTS OF THE 13TH CONGRESSIONAL DISTRICT:

Some of my friends are circulating petitions urging me to run for Congress.

Already, I have seen hundreds of signatures by folks in all parts of this 13th District. Many of them are old friends, some are new friends, and some are total strangers.

They all have one thing in common.

They would like to be represented in Congress by a conservative-thinking businessman. They are fed up with wild-spending professional politicians who are leading us deeper into debt and deeper into the wilderness of the "New Frontier" of Kennedy and Johnson.

I have decided to run for Congress.

I am willing to go to Washington and do what I can to try to stop our break-neck rush to Socialism. I hope you will join me in this fight. It will not be easy to win this race. The pending vacancy is certain to set off a mad scramble among present office holders to further their political careers and to fill the seat with "one of their own" who will go meekly along with the New Frontier.

There will likely be the usual threats of political punishment and economic reprisals to the people of this District if they dare defy the powers in office. I do not believe that our people can be intimidated by public office holders nor bribed with their own money. I believe a majority of folks are ready to stand up and speak up for common sense in government, and that they will give their support to the conservative candidate in this race.

I am ready to serve you in that capacity.

Sincerely,

JOE MEISSNER, JR.

P.S. I do not think it is fair to run for one office while holding another. Therefore, I am resigning my position on the City Council of Wichita Falls, effective immediately. My sincere thanks to all for the understanding and support you have given me in that position.

Guard Against Carbon Monoxide In Home or Car

Each winter brings its toll of deaths and serious accidents from carbon monoxide, a potential killer gas loosed into every home when fire is used for cooking or to dull the chill edge of weather.

State Health Department records show that for each of the past four years the lethal mixture has killed an average of 28 Texans in mishaps at home, in automobiles, and industrial plants and public buildings.

So insidious is the gas that by the time a victim is aware that he is being poisoned, he may be only a few seconds away from unconsciousness when he will be unable to help himself.

Health and safety officials at all levels unanimously urge that extreme precautions be taken to safeguard against carbon monoxide, particularly during winter months when windows are closed in homes and automobiles.

Says Dr. J. E. Peavy, Texas commissioner of health: "Prevention is the key word when dealing with carbon monoxide." The burning of any fuel containing carbon can produce carbon monoxide if there isn't enough air for the fuel to burn completely. This is true of solid fuels such as coal and coke and wood. It is true of liquid fuels such as oil, gasoline and kerosene. It is true of gaseous fuels such as natural butane or propane gases.

Basic precautions everyone should take to minimize dangers of accidental carbon monoxide poisoning should include a thorough inspection of gas-burning appliances in homes, office and industrial buildings. The inspection

should be made by a specialist in gas-burning equipment. Safety experts consider it to be a fundamental rule that a car should never be started in a closed garage, since lethal quantities of carbon monoxide can be built up in two or three minutes when a car is "warming up." Too, ample quantities of fresh air should always be provided inside the car whenever the engine is running. Exhaust systems of cars should be checked for holes or leaky fittings prior to the winter driving season. You can't see, taste or smell carbon monoxide, so don't depend on those human senses to give you a warning.

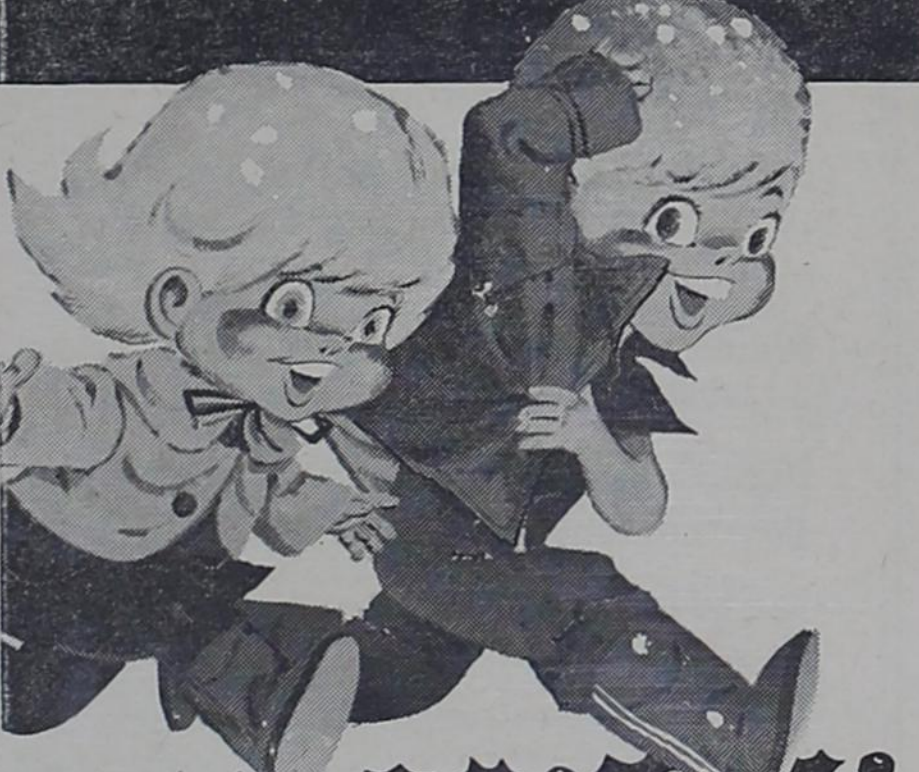

The greatest recorded rainfall per year for any area of the world was the 1,041.74 inch record of Cherrapunji, India, from August 1860 to July 31, 1861. The highest recorded rainfall in continental United States was the 167.97 inches at Glenora, Oregon, during the calendar year of 1896.

Full House Cheers Talent Show Given By Grade Pupils

A full house cheered performers in a Talent Show here Sunday night in the Parish Hall as Sacred Heart Grade School students presented their acts. The entertainment was a part of the school's annual Halloween Carnival.

There were 17 entries in the variety show including playlets, vocal and instrumental numbers, ballet, tap and novelty dances, action songs and a parade of saints. Children, parents and teachers worked on the program for weeks. Costumes were, for the most part, hand made and were either authentic reproductions of character garb, as in the parade of saints, or clever outfits in keeping with the theme whether tea pots, ducks, goats or whatever.

A trio of judges selected winners and Father Alcuin presented cash awards of three, two and one dollar as prizes for the three top performances. Action songs took all the honors.

Star performers for first place were a group of Sister Aloysia's seventh graders presenting German melodies with an all-boy lineup and Wayne Klement impersonating a girl. Second place winner was "I'm a Little Tea Pot," in which 11 of Sister Genevieve's first year primary pupils sang and acted. And third was "Little White Duck and Goat," an all-girl musicale by Sister Imelda's Room 10 students.

Honorable mention went to two dance groups, a ballet number by Paula Herr and Janie Knauf and a Charleston tap routine by Shirley Klement and Jill Swirczynski. Peggy Hellman was announcer for the 90 minute show.

Costume Parade Highlights Kids' Halloween Event

Ghosts and goblins, fairies and witches, clowns and angels and story book characters came to life on the stage here Sunday afternoon in the children's costume contest held in connection with Sacred Heart Grade School's annual Halloween Carnival in the Parish Hall.

Dozens of cute, funny and pretty costumed youngsters paraded while the audience applauded and judges worked hard to determine winners.

Mrs. Rufus Bezner and Mrs. Bill Eberhart of Lindsay and Mrs. Joe Krahl, route 1, Gainesville, found it a big job to make selections from all the prize-worthy entrants.

In the Halloween costume group first prize went to Yvonne Gehrig as a witch and two tied for second: Mark Hess, who was a huge walking witch's hat with a groom, and Janie Felderhoff who was costumed as a little red devil. Howard Hess was third as a clown.

In the patron saint costumed division Tim Hennigan and Elaine Sicking tied for first. The former was dressed as Saint Patrick, the latter as a guardian angel.

In the story book and nursery rhyme character impersonation Donnie Knauf was first as a Indian; Gloria Reiter second as Little Red Riding Hood, and Patty Sicking third as the mean old witch in Snow White.

Roommother Mrs. Ray Sicking and her assistants, Mmes. Clyde Fisher, Ed Schneider and Vincent Felderhoff, in Halloween costumes, helped the youngsters in the contest and Clyde Fisher was at the microphone as announcer and master of ceremonies. Vincent Felderhoff presented cash prizes to winners.

Lindsay News

Clarence Neusch is getting back into circulation after an appendicitis operation at Gainesville Sanitarium.

Lindsay's former pastor, Father Conrad Herda of Clarksville, Ark., accompanied by his niece Miss Crystal Herda of New York State and Sister Olivia Graff of Clarksville were here on a vacation visit with friends. Sister Olivia went on to Fort Worth to visit Miss Carrie Mueller after a short stay in Lindsay and one day in Muenster with a former classmate, Mrs. Wilfred Reiter. The visitors returned to Clarksville after a week's vacation.

Visitors Sunday with Mrs. Joe Bezner were her daughters and their families, the Bob Youngs and the Frank Benenates of Dallas. And they all drove out to the Bruno Zimmerers to see them and especially to visit Donna who was recovering from a tonsillectomy.

Mrs. Paul Arendt Jr. entertained the Tripoley Club at her home for the regular meeting Wednesday night and served chocolate cake, ice cream and coffee after the games. Joining members for the evening were guests Mrs. Henry Zimmerer, Lindsay and Mrs. Ted Voth and Mrs. Charlie Wimmer Jr. of Muenster.

Seventh and eighth grade class club held a regular meeting Friday with business mostly routine and made plans to help with the Halloween Carnival. Jimmy Eberhart presided. Leading the recrea-

tional period were James Hellinger, Raymond Hellinger, Damian Moster and Andy Arendt Jr.

Father John is back at his pastoral work, coming Tuesday from Subiaco, Ark., where he had been convalescing from surgery. The H. S. Fuhrmanns took Father Bonaventure back to the Abbey and brought Father John back to Lindsay. Father Bonaventure had been in charge of the parish while Father John was away.

Miss Linda Stoffels of St. Scholastica's in Fort Smith, Ark., had a four day holiday to visit her family, the Henry Stoffels. She returned to the convent, where she is an aspirant, Sunday after being at home since Wednesday.

Adult leaders of Lindsay's class activity clubs will have their program planning meeting Monday, Nov. 6, at 2 p.m. in the home of Mrs. Ray Laux. In addition to preparing the children's projects for their next meeting the leaders will discuss plans to raise money. A benefit dance previously planned for November 18 has been cancelled on account of a conflicting dance in Muenster. Choir members from Lindsay and others will join the Muenster choir in a song fest and dance with the Frohsinn Choir of Dallas.

Danny Owen who has been recalled to service with the army will be honored at a family gathering here with Mrs. Ray Laux and Mrs. Gene Owen as hostesses on Nov. 12, the day before he leaves.

Mrs. Bezner Goes To Baltimore, Md. To Meet Daughter

Mrs. William Bezner left Sunday by jet from Dallas for Baltimore, Maryland, where she was met by her daughter Rosemary and husband, Pfc. and Mrs. Jim Schindler, for a visit before Pfc. Schindler shipped out to Germany Tuesday. He had been training at Fort Meade, Md.

Mrs. Bezner and Rosemary will return to Lindsay by car stopping in Detroit on the way to visit Mrs. Bezner's father J. P. Muer and other relatives.

While Mrs. Bezner is gone her daughter Marlene — Mrs. Jim Bass and daughter Carolyn of Fort Worth are keeping house for Mr. Bezner and the rest of the family. Marlene's husband, Pfc. Jim Bass has also been re-called to one year of active duty. Since Oct. 15 he is with the Army Reserve Unit of the 980th Engineer Battalion now stationed at Fort Hood. For the time being the couple will keep their home in Fort Worth and Mrs. Bass and Carolyn will be back and forth between Fort Worth and Lindsay.

Society Sets Date For Thanksgiving Picnic in Lindsay

St. Anne's Society of St. Peter Parish has initiated plans for Lindsay's annual Thanksgiving picnic and has set the date for Sunday, Nov. 19.

Members made the arrangements at their monthly business meeting and lined up committees to be in charge of varied details. Proceeds will be a boost to the society treasury and will go toward renovating the three church altars and pulpit.

First activity centers around items for a gift shop and for a parcel post booth. Fifty-four members attended the meeting after rosary devotions in church. Father Bonaventure was present to lead the opening and closing prayers.

Mrs. Ben Hermes, president, and Mrs. Tony Hermes, secretary, read letters of thanks received. They came from the Sisters at Rosenberg and Weslaco in appreciation of 80 pounds of used clothing the society collected and shipped for the needy in those parishes.

A letter from Congressman Frank Ikard was read. It was in answer to a letter the society wrote voicing opposition to the recognition of Communist China. Mr. Ikard advised that in the years he has served in Congress the House of Representatives has four times passed resolutions indicating disapproval of the recognition of Red China.

Mrs. Gregory Hundt read a letter of thanks from James W. Tobin, director of Catholic Relief Services, NCCW, Tokyo, Japan, for a shipment of old nylon hose which went to the Women's Welfare Service of Japan, and for a collection of discarded eye glasses.

Mrs. Raymond Hermes sold Christmas cards, proceeds to go to NCCW for "Feed the Family Program."

Mrs. Lawrence Zimmerer discussed the diocesan convention of NCCW scheduled for November 30.

Hostesses Mmes. Phillip, Julius and Leroy Metzler served refreshments after adjournment and Mrs. Julius Hermes Jr. won the door prize.

2 Meetings Prep County Delegates For FB Convention

Cooke County delegates to the state Farm Bureau convention will attend two briefing meetings before they go to the convention in Galveston November 12-15.

The first is a District 4 FB rally at Youngblood's Cafe on the State Fair Grounds, Dallas, at 6:45 Saturday.

The next will be at a meeting of county directors, committeemen and delegates in county FB headquarters Monday night, the 6th, at 7:30. Besides considering convention matters the meeting will start its new year by appointing new committees and installing the current year's officers and community directors.

County officers, all re-elected by acclamation at last week's county convention, J. T. Cole, president; Frank Neu, first vice president; R. F. Hassenpflug, second vice president.

Delegates to the state convention are J. T. Cole, Kenneth Rivoire, L. E. Branch, Rafe McElreath, Charley Kammerdeiner, R. F. Hassenpflug and Joe Bengfort.

Lindsay Carnival Features Fun and Costume Contest

Lindsay's annual Halloween Carnival Sunday night in the Parish Hall was gay and colorful with children in costumes and a variety of games and entertainment to occupy youngsters and grownups.

The spook room was one of the special attractions.

In the costume contest Eddie Schad was prize winner for being best dressed and Paula Owen for being the last to be recognized. Door prizes went to Mrs. Milton Gossett and Janie Stoffels. Marcy Neu won the stuffed poodle and Holly Lutz won the surprise package — a live kitten. The real prize given to a lucky spook house visitor was won by Holly Lutz, too, it was a two-tier black walnut compute filled with candy.

One hundred and seventy people toured spook house where Mrs. Ray Laux and Mrs. Henry Zimmerer were hostesses. They thrilled to Cosmo the Indian serving witch's brew; a gypsy serving stew; saw Coco the dare devil and many other spine chilling attractions and had their fortunes told by Hula, the Mystic. Spook House operators are grateful to Mr. and Mrs. Andy O'Connor of Muenster for their assistance and to Jack Hogan for use of his microphone.

Mrs. Bob Lutz engineered the program and was assisted by members of the PT Club and students.

77th Birthday of Mrs. George Spaeth Inspires Honors

It was a happy day for Mrs. George Spaeth Sunday when her children and grandchildren — 38 of them — came to her home to help celebrate her birthday. They brought covered dishes for dinner and a huge cake with 77 candles baked by Mrs. Walt Barry and brought with her from Dallas.

Family and friends find Mrs. Spaeth delightfully young for her 77 years. She drives her own car every day and derives pleasure from helping others in need. Almost daily someone calls on her for assistance. Presently she is temporary cook and housekeeper at the parish rectory until the pastor finds a permanent employee.

Present for the dinner were Mrs. Walt Barry and son James of Dallas, Miss Frances Spaeth of Denison, the J. P. Kneupper family of Gainesville, the Henry Spaeth family of Valley View and the Wilfred Reiter, Arthur Felderhoff, Lee Haverkamp and Andy Schoech families of Muenster and Miss Margorie Schoech of Dallas. Only the Joe Spaeths of Corpus Christi and the Mark Kutas of Crockett were unable to attend.

Other guests were Father Conrad Herda of Clarksville, Father Bonaventure and Miss Crystal Herda of New York State. She came to Lindsay about two years ago from Germany and has been a good friend of Mrs. Spaeth. Miss Herda is on vacation.

Another birthday courtesy greeted Mrs. Spaeth Monday afternoon. It was a surprise arranged by her lady friends. Mrs. Joe Hundt baked the cake and Mrs. Fred Luebbert brought the ice cream. With coffee the refreshments were served to a group of eight.

Baby Joan Miller, 18-month-old daughter of Mr. and Mrs. Billy Joe Miller, was dismissed from a Sherman hospital Wednesday after a week of treatment for asthma and a touch of pneumonia. Mrs. Miller stayed with the baby and Mr. Miller brought them both home Wednesday afternoon.

Charles Knabe, center on the Sacred Heart Tiger squad, has a broken right arm, the break between the elbow and wrist. He sustained the injury in Saturday night's game and will be watching instead of playing in the final game of the season this week.

Ralph Bezner of Fort Worth, formerly of Lindsay, is a patient in Fort Worth Orthopedic Hospital resting comfortably but still seriously ill as the result of a coronary thrombosis. The heart attack followed recent surgery and only immediate members of the family may visit. Hugo Bezner has been attending his brother's bedside and his sister, Mrs. Bomar Woods of Gainesville was a weekend visitor. Mrs. John House of Era, mother of Mrs. Ralph Bezner, is in Fort Worth with the Bezner children.

Dennis Koesler has returned to Warm Springs, Gonzales, Texas, for at least a month of therapy. His parents, Mr. and Mrs. Norbert Koesler, took him Sunday. Dennis will enjoy hearing from his friends. The Box number is 58.

Leo Hesse is a patient at the Sanitarium since Sunday for treatment and surgery for bursitis in his right knee.

J. W. Morrison is back at home, dismissed from M&S Hospital Tuesday after a week of medical care and observation.

Mrs. Al Walter was a patient at the Sanitarium four days for medical care and observation. She was dismissed Saturday.

Norbert Hoedebeck of Dallas is a patient at the VA Hospital there for treatment and dental work. His parents, the Fred Hoedebecks, visited him Sunday, going with the Leo Hoedebecks from Gainesville. Norb told them he'd be a patient about a month.

Mr. and Mrs. Andy Monday took their 16-month-old daughter Shirley back to specialists at the Joint and Bone Clinic in Fort Worth Tuesday for a checkup. The braces the little girl is wearing had to be adjusted. Her next checkup will come after the first of the year.

Mrs. Tony Luke is recovering normally in Nocona Hospital from a goiter operation Monday morning. She expects to return home during the weekend.

that no threat is too drastic in answer to the fiendish program of slow poisoning.

Fortunately, however, that extreme is not necessary. There are signs lately of some revival of the Teddy Roosevelt spirit in the determination of United States to draw the line. Also encouraging is an apparent increasing awareness of free countries of their need to stand together. Retaliation of another kind is in the making. That's the resolve of free and self respecting people to take no more. And Khrushchev by his bullying is strengthening that resolution every day. He's triggering his doom just as surely as if he continued the poison build-up to blast off the imaginary fantastic device. By revealing himself he's doing humanity a favor. He's building up to the point from which he has to back down, starting the disintegration of his empire.
