NUMBER 47

A subject worthy of close attention is the inquiry into causes and circumstances connected with the death of the former UN investigator Bang Jensen, who was found dead in New York on Thanksgiving Day 1959. The report then said that evidence pointed to suicide although there was abundant reason to suspect that he was murdered by communist secret police.

The inquiry now indicates even more strongly that the suspicion was well founded. And it may reveal also that a number of officials high in our government were guilty of gross neglect of duty in giving him the brush-off when he sought desperately to convey some highly valuable information to them.

Bang Jensen marked himself for the Soviet executioner when he reported to the UN on details of the Russian massacre of Hungarians but refused to list the names of his informants. Because of Soviet influence in the UN, that information was demanded of him. Because of his knowledge of Soviet methods he refused to betray the confidence of the Hungarians who had trusted him. He knew that reprisals were certain if he mentioned names. So he was booted out of the UN.

But that was not all he knew about the red global conspiracy. Experience and observation on his UN job had led him to many facts that were vital to interests of free countries and all the world. Probably aware that his days were numbered, he tried to tell, but officials would not listen. It was presumed he carried his information to his death.

Now, however, it seems that he did manage to pass some of his information along. Reports on the present inquiry so far have not revealed how much, but there is room for hope that it will lead to exposure of every public official who failed in his duty. Every one of them deserves public disgrace and criminal prosecution for his part in this twofold tragedy . . . failure to make full use of the available information, and failure to protect a man who deserved every protection. He is a martyr for freedom whose blood is on our country.

Equally tragic is the deplorable fact that such a thing can happen here. What kind of public servants are those who refuse to accept information on the world wide conspiracy which concerns the survival of their country? Are they incompetent or subversive? Or are they so wrapped up in their crackpot ideals of one-worldism that they simply decline to hear anyone who is discredited by the super government of UN? In which case they still rate as incompetents . . . and maybe as subversives.

Understanding, as any reasonable person must, how the UN has been dominated and railroaded for years by the communists, how can the doings of that organization be reconciled with our country's interests or world peace? Nevertheless our official policy is to go along with its methods in a pitiful effort to help attain the Soviet brand of peace. Now, we are told, our representation is getting softer to the admission of two more red stooges to the UN, Mongolia and Red China. Two more communist votes to support the Soviet way of running the world. One wonders how long this sort of folly will go on. Will we wake up in time? Or, as Khrushchev predicted, will our children be slaves under the communist yoke?

When will we show the spunk to demand that the UN face of world government be corrected? Probably the greatest absurdity in all world history is our present predicament as the most powerful nation having an equal vote with a small tribe of savages that takes its bidding from Moscow. That's correct. A new African nation of less than a half million has one vote in the UN. So does the United States. Or taking the over-all situation, 18 major nations with over 1.5 billion people have 18 votes but 81 small nations with only a half billion people have 81 votes, many of them controlled by Moscow.

To add insult to injury, this country, while being pushed around, is handed the biggest bill for UN operation. And in our foolish anxiety to support the outfit which plots our destruction we also ante up for red countries that de-

Showers Assure Winter Pasture On Grain Fields

Practically all farmers of the area are happy about this week's fine rain, but some would be happier if it had waited a day or two. They like the way it stocked the ground with water for winter growth but they would have preferred more acreage on their early winter grazing.

Just now grain pasture is the main concern of farmers. Planting is not urgent for the grain crops themselves, but the sooner the better if it is planned for an extra dividend of grazing.

At this time about 2/3 of the small grain is planted. Some, planted before last week's rain, is growing fine through the present balmy weather, almost ready for grazing now. Signs now are that stockmen will get lots of good free grazing.

The rain fell through most of the night Monday and early Tuesday for a total of 1.69 inches. Added to last week's rain, it soaked the ground nicely and filled most of the ponds and reservoirs.

The month's measure on Steve Moster's official records is 1.74 and the year's total is 26.30.

BIRTHS

Happy over arrival of their son are Mr. and Mrs. Ray Walterscheid. The little boy weighed 12 pounds 11 ounces when he checked in at Gainesville Sanitarium Tuesday, Oct. 10, at 3:37 a.m. He's a brother for Ramona and Glenn and a grandson for Mr. and Mrs. Joe Hermes of Lindsay and Mrs. John Walterscheid.

Mr. and Mrs. Norbert Knabe are parents of a six pound daughter born Saturday at Nocona Hospital. The infant was transferred to a Wichita Falls hospital for special care of a collapsed lung but was "doing fine" and was discharged to come home Thursday. Mrs. Knabe was discharged from the Nocona hospital Wednesday. The newborn has three brothers and four sisters and is a grandchild for the Matt Mullers and John Knabes.

Mr. and Mrs. Leroy Wiesman, 705 Lynch St., Gainesville, have announced the birth of a son, weight 11 pounds six ounces. He arrived at the Sanitarium Saturday, Oct. 7, 6:38 p.m. and is a brother for Keith, Lynn, Bryan and Curtis. Mr. and Mrs. Lee Haverkamp are grandparents for the twenty-first time and Mrs. George Spaeth is great-grandma again. The paternal grandparents are Mr. and Mrs. Carl Wiesman of Gainesville.

Terry Joe is the name of the baby son of Mr. and Mrs. Tony Rohmer. He was born at M&S Hospital Tuesday, Oct. 3, and was baptized Sunday, Oct. 8. Father Alcuin officiated at the christening and Mr. and Mrs. Emil Rohmer are their nephew's godparents. Terry Joe has three brothers, Steve, Kenneth and William. The grandparents are the Bill Sandmanns, Lindsay, and the John Rohmers.

NEWS OF THE SICK

Adolph Walterscheid is reported recovering normally following surgery at Nocona Hospital Monday morning. He'll be there long enough to receive and enjoy greeting cards.

Johnny Fette who works on an oil rig in Perryton has been a patient at St. Anthony's Hospital in Amarillo for ear surgery. He had the operation last Friday and doctors said he'd be dismissed within a week.

Sixteen-month-old Shirley Monday has been fitted with braces for both legs from hips to toes. The braces will have to stay on day and night for four weeks — until checkup time. They are a corrective measure for bones and muscles. Mr. and Mrs. Andy Monday, accompanied by Mr. and Mrs. Johnny Streng, took their little girl to specialists at the Joint and Bone Clinic in Fort Worth last Thursday to have the braces fitted.

George Mollenkopf Jr. is a patient at Gainesville Sanitarium for eye treatment following a freak accident on an oil lease Monday. He was chopping wood for a fire, a piece of the wood flew up, hit him on the forehead and across the eyes, and caused an internal hemorrhage affecting his eyesight. Doctors haven't let him move except for changing bandages Wednesday. He'll be hospitalized for some time and will enjoy hearing from friends.

Mrs. David Trachta, a medical patient at the Sanitarium during the weekend, was dismissed Tuesday.

Mrs. Joaline Roberg was a patient at the Sanitarium Friday to Monday for a checkup and observation. She spent until Wednesday here with her father Frank Needham and returned to the Sanitarium Wednesday afternoon and underwent surgery Thursday morning. She will be hospitalized about a week.

Leroy Berend of Hereford, son of the Ewald Berends, formerly of Gainesville, is a patient at Baylor Hospital in Dallas, Room 740, following eye surgery Sunday. He'll be there at least ten days. The trouble that sent him to the hospital started the preceding Wednesday. He got something in his right eye. It didn't bother him at the time and was practically forgotten until Saturday when he stopped at Gainesville, enroute home, to visit his grandmother, Mrs. Mary Berend, after trucking a load of grain to Houston. Pain sent him to a Gainesville doctor who immediately made arrangements for him to enter Baylor. Infection had set in. At Baylor specialists removed a sliver of steel.

Sickness has caused the absence since Tuesday of Mrs. Bessie Miller from the first and second grade classroom at the public school. Until she returns Mrs. L. B. Bruns and Mrs. R. E. Hamric are alternating as her substitute.

Mrs. Joe Trachta entered St. Paul's Hospital in Dallas Sunday for a checkup and observation. She was dismissed Thursday.

Callisburg Nips Tigers 44-20 in Passing Circus

Sacred Heart Tigers did not have a chance last Friday night as Callisburg's expert Wildcats uncorked their high powered offense and breezed to an easy 44-20 decision.

The score might have been considerably more one sided. But the Wildcat skipper, with a 38-0 lead, decided to give his rookies some experience . . . and to take the pressure off the Tigers. During that time, more than a quarter, Sacred Heart made 3 TDs and the visitors' scoring machine was temporarily out of business.

Callisburg's advantage was made even more decisive by the absence of three men from the Tiger lineup. Charles Knabe had an injury, Claude Bayer and Dickie Hesse were on the sick list. Without them the team was badly disorganized.

Flawless passing was the big factor in the Wildcat run. (Continued on page 8)

Irkard Announces Federal Grant to Local Hospital

Now it's official. Muenster has received its Hill-Burton grant of \$250,000 for construction of a 30 bed hospital. Official announcement of the appropriation was received Thursday of last week in a telegram from Congressman Frank Irkard.

The message confirmed what had been assumed here since early in September when the State Board of Health gave its approval of the project. In normal Hill-Burton procedure the state's OK is followed by the federal appropriation.

Other progress is also under way. J. M. Weinzapfel, president of the Hospital Authority, says that plans are near completion and procedure can begin soon on getting the building under construction. Indications now are that it can start early in 1962.

For the community, however, there's still much to be done, Weinzapfel said. Cash on hand now is just under \$90,000. So the community still needs to raise about \$160,000 on unpaid pledges and new gifts.

State Officer Will Be Speaker At KC Breakfast

Herbert Manning of Fort Worth, state advocate of the Knights of Columbus, will head the program here next Sunday at the Muenster KC council's annual observance of Columbus Day.

He will be speaker at the communion breakfast for the Knights and their ladies following the 10:30 mass. All KCs are urged to attend mass and receive communion in a group.

Another feature of the breakfast is the award of prizes in the essay contest sponsored recently by the KC council in the local schools. Janice Vogel and Joyce Hacker were first and second at Sacred Heart High. Doris Fisher and Buddy Pittman were first and second at Muenster High. The contestants will be guests at the breakfast and will receive cash awards of \$10 and \$5 for first and second places.

Mrs. Joe Lehnertz will cater

Tigers Striving For Comeback in Jesuit B Tussle

The game will be different this week, Coach Adam Wolf and his Tigers confidently predict as they prepare for Jesuit B on the Sacred Heart field Thursday night at 7:30.

Physical handicaps for one of the toughest games on their schedule caused a definite slump in morale last week. But players are ready and signs are better for this one.

Aside from his boys' fitness, Wolf knows little about the game. Reports on Jesuit B's record reveal some scores, which have little meaning when their opponents too are unknown. Wolf is presuming that the Jesuits are about on a par with the Tigers, as they have been in years past, so the game should be a good one. For extra inducement the Tigers can remember a 20-2 loss to the Jesuits last year.

Zone 3 Re-elects Tony Walterscheid On District Board

Tony Walterscheid continues as supervisor of Zone 3 of the Upper Elm-Red Soil Conservation District by reelection to that post in a special meeting of the zone's landowners.

Willard Kemplin, chairman of the board of supervisors, spoke briefly commending Mr. Walterscheid for his record of accomplishments as a district supervisor the past five years. He also mentioned that Mr. Walterscheid has been cooperating with the district since August 1947 when he developed a soil, water and plant conservation plan on his farm. In 1949 he was winner of the Bankers Award for doing an outstanding job of conservation.

Before the election a film entitled "The Earth Is the Lord's" was shown. The film, purchased by the board of supervisors, will be shown at gatherings throughout the district. It emphasizes man's responsibility in being a faithful steward of the soil.

Abbot Alfred's Abbatial Blessing Dated for Nov. 23

Rt. Rev. Alfred Hoenig, O. S.B., abbot of Corpus Christi Abbey, will receive the abbatial blessing on Thanksgiving Day, Nov. 23, at 10 a.m. at Corpus Christi Cathedral. His Excellency, Most Rev. Mariano S. Garriga, D.D., LL.D., bishop of Corpus Christi, will officiate.

A ceremony similar to the consecration of a bishop, the abbatial blessing will be conferred on the first native Texan to become a Benedictine abbot, in the first Benedictine Abbey in Texas.

Abbot Alfred was elected by the monks of Corpus Christi Abbey on September 2. As abbot, he is the religious superior of 24 monks and president of Corpus Christi Academy.

A native of Muenster, Abbot Alfred was born on May 22, 1912. He made his high school and seminary training at New Subiaco Abbey and Academy, Subiaco, Ark., and was ordained to the priesthood on May 26, 1938 by Bishop John Morris of Little Rock.

While at the Academy, where he has been stationed since ordination, Abbot Alfred was principal from 1948 to 1958, when he was appointed prior of the former Corpus Christi Priory.

News of the Men in Service

Earns Promotion
A raise in rank has been earned by Fred Haverkamp who is in the Air Force in Spain. Ferd is an airman second class now. In a letter to his parents, the J. J. Haverkamps, he mentioned being on the Air Force football team. In high school here he was a lineman on the Hornet squad.

One More Makes Ten
Add one more to the nine from Muenster who report for duty with the 49th to make ten from here with that outfit going to Fort Polk, La. Willie Walterscheid has orders to join the division on Oct. 26.

Re-called To Duty
Joe Noggler has been recalled to army duty and left this week Thursday to report at Fort Chaffee, Ark. He was separated from the service this spring after two years in uniform and 14 months in Hawaii.

Leaving Oct. 18
First of Muenster's National Guardsmen to leave in connection with duty with the 49th Division are Donald Bayer, Harvey Schmitt and Jim Voth. They take off next Wednesday, Oct. 18, with the Advance Party going to Fort Polk, La.

Sailor On Leave
Sailor Jerry Endres is here on a 14-day leave to be with his family, the Roy Endreses Jr., before going on a foreign assignment. He has been in San Diego, Calif. The new assignment is a tour to Japan.

Gets Family Settled
Getting his family settled before he leaves with the 49th Division on Oct. 18, is Donald Bayer. The couple and their daughter Sonda Jean have moved from the farm to the city. Their new address is 931 N. Oak, the place the Petrus family vacated when they moved to Rhineland.

One More In Uniform
Lawrence Noggler is one of Uncle Sam's boys now. He volunteered for army service this week, is processing at Fort Hood and will be assigned to Camp Carson, Colo., for basic training.

Back To Civilian Status
Mr. and Mrs. Hal Falck are here, arriving Tuesday from Augusta, Ga., to visit her parents, the Jake Pagels and family. Hal is a lieutenant colonel gone civilian after 20 years in the army. He was retired at Fort Gordon, Ga. From here the couple will go to San Antonio where they plan to make their home.

Ends Week's Visit
S.Sgt. Ernest Sicking returned to his home base in Alexandria, La., Wednesday after a six-day visit with his mother, Mrs. Ben Sicking and family. This was his first visit here in eight months. He has been on recent assignment in the Bermuda Islands.

MHS Welcomes Exes and Friends At Homecoming

A bigger and better party of ex-students and friends is the aim at Muenster High this week as preparations are under way for the annual homecoming program Saturday night.

It will feature a 6 o'clock dinner catered by Mrs. Joe Lehnertz, a football game between the Hornets and Sadler-Southmayd, and presentation of two queens at the game's half-time ceremonies.

The 6 o'clock dinner is a new idea intended for the convenience of all. Former homecoming dinners, postponed until after the game, were unpopular because of the late hour.

Preceding the meal will be a get-together starting at 5:30, and supper will start promptly at 6 in order to allow time for arrival at the 7:30 game.

Also on the dinner program is election of a homecoming queen from the ex-students present. She will be presented at the homecoming game formalities. Another election will name ex-student officers for the coming year.

Formalities later likewise will present the 1961 football queen. She has been elected by the football players from candidates of the four classes and will be accompanied by the three other contestants at the ceremony. Identity of the winner will not be announced until she is presented.

For the first time the homecoming party is not a closed affair. Friends who wish to join the exes will be welcome.

Notes on Building and Improvement

Building activity in Muenster reaches a near boom nowadays with five new homes and two business buildings under way. Newest of the jobs are houses for Richard Grewing and Leo J. Haverkamp.

Grewing's will have five bedrooms, 3 baths, dining room, kitchen, living room, den, utility, office and double garage in a brick veneered structure. Two heat pumps will provide year round heating and cooling. It is located west of town on the former John Grewing location and the old house has been moved about 100 yards northwest for use as a rent house. Foundation work is finished on the new house.

Haverkamp's was started this week on the location south of his well service shop. It will have two bedrooms, 3 baths, kitchen, dining room, living room, den, office, utility, double garage, brick veneering, central heat and air conditioning.

Two other new houses, under way for several weeks are well advanced. George Bayer, east of town, has finished carpenter work and has painters on the job. Joe Galloway, north of the public school, is finishing his roof work.

Ed Endres is adding a bedroom and bath to his house. The biggest current project, a house for the Benedictine Sisters is well advanced on frame work.

Wilde's new Chevrolet agency has a good start on its walls and the same applies to the Fina station.

WORK DAY FOR TEACHERS

Neighboring Mesquite is going to try something unique during the school year ahead. The youngsters will have an extra holiday—a Friday—every six weeks.
 The teachers won't have the holiday... but it will give them an opportunity to catch up on their reports and records and to hold inservice training sessions.
 To make up for the extra holidays, the school year will be extended one week.
 The plan calls for students to be away from their desks on the Fridays after six weeks' examinations, which

will be held on Wednesdays and Thursdays.

What do the teachers think of the idea? T. H. McDonald, Mesquite school superintendent, said the reaction had been favorable. The school board, too, likes it. The plan was originated by Robert Buckner, director of curriculum for the Mesquite schools.

Just how well the plan works will be interesting for other schools to observe.

NOT A PRETTY PICTURE

The federal government spends \$18,000 a minute. That works out to more than \$1

million an hour, \$26 million, a day, and \$3 billion every 10 days.

Last year the interest on the national debt alone was \$9.5 billion. It will be higher this year, as the debt limit has been increased.

This is the result of spending money we don't have. We are simply passing the bill on to future generations, which is about as sorry a legacy as anyone can think of. And with it we have been creating a welfare state which, if the current trend keeps on going, will handcuff their freedoms even as it drains their pocket-books. It's not a pretty picture.

Tax dollar analyzed—Texas Legislative council has taken a new look at where the State's tax dollar comes from and where it goes.

Study reveals that 52 percent of it is derived from the several types of sales taxes levied in the state, including 15.8% from the new 2% limited sales tax.

Oil and gas production and severance taxes account for 19.1%, business taxes 11.4%, motor vehicle registration fees 9.5%, state property taxes 4.1%, inheritance tax 1.3% others 2.6%.

Motorists get tapped for 33.9% of the tax dollar, including the motor fuel tax at 21.4%, the sales tax at 3%, and registration fees at 9.5%. Nine per cent comes from tobacco taxes and 2.2% from alcoholic beverage levies.

Our free public school system is taking 33.9% of the tax dollar. Highways and roads are next at 26.8%. Public welfare gets 15.8%. Higher education comes in for 9.6%, while health, hospitals and special schools account for 4.5%.

 FIRE PREVENTION WEEK - OCTOBER 8-14

THE FIRE SAFE FAMILY

"Fire might hit my house? Don't be ridiculous!"

Yet the possibility of fire in your home isn't so ridiculous when you look at the annual figures: some 550,000 U. S. and 50,000 Canadian homes destroyed or damaged by fire, more than 6,000 deaths in home fires, according to National Fire Protection Association estimates.

One effective answer to this threat to our homes is good family habits about fire.

Good family habits include such matters as care with matches and smoking, keeping heating and cooking equipment in good order, proper use of electrical fuses, appliances and extension cords, and frequent clean-ups of combustibles.

High on the list of family safety measures is a carefully prepared and rehearsed escape plan for fire emergencies, with alternate routes from every room.

A nightly inspection at bedtime also makes good sense. This is the time to make sure, for example, that no smoldering cigarette is wedged in the corner of an upholstered chair or sofa, that appliances and portable heaters are turned off, that all interior doors are closed to help keep any fire from spreading.

The fire-safe family doesn't gamble with fire. It knows the odds are in fire's favor.

DOLLAR INCOME VS. REAL INCOME

Most people have larger dollar incomes now than they had in 1946, just after World War II.

But that doesn't mean that we have higher "real incomes"—a term which covers purchasing power—for taxation and inflation have sorely worn away the dollar's worth.

The Tax Foundation tells the story. If a married couple with two children had an income of \$3,000 in 1946, they need \$4,756 now if they stayed

FOR and AGAINST

for CHRIST-against COMMUNISM

BY BILLY JAMES HARGIS, U.S. REPRESENTATIVE
 FOUNDER CHRISTIAN CRUSADE

The Wild Spending Mentality

A wild political spending mentality runs rampant among Americans today. Those adhering to this line of thinking contend that prosperity is created by more and more political spending. In a letter to the Tulsa Tribune during July, 1961 an anonymous writer who abides by this spending theory said: "Money that a person spends or that a government spends is money that another person receives. As spending increases more people receive more money. They in turn spend the money they receive. Hence, it is better if everyone spends."

A Tribune editorial referred to this type reasoning as "sub-kindergarten economics," and then went on to say, "If spending... were the key to perpetual prosperity all the government would have to do would be to hand every man, woman and child \$10,000 freshly-printed greenbacks every month and we would soon all be in Cadillacs on our way to our yachts."

Just imagine how absurd this spending philosophy really is. If the manufacture and distribution of money was the only thing necessary to create prosperity it would all be so simple. However, a man-made Utopia is an utter impossibility. All man-made governments are defective, and as long as mankind rules in the affairs of people on earth there is going to be poverty and want. However, under the American free enterprise system there has

been more material goods for more people than under any system of government in history.

Let us remember that wealth is created by the production of goods and services. Money is merely a medium of exchange and there is no inherent value in money as such itself. Its value is merely as a medium of exchange. Prosperity cannot be created by creating more money.

In spite of the utter impossibility of spending ourselves into prosperity, it has been for some years the basic concept of the ruling elements in our government. Government spending increases annually. The national debt continues to rise, and the value of our dollar continues to decline gradually. Pressures are brought on Congress to put over these wild spending schemes beyond any degree of pressure that would have been considered 30 years ago.

On July 11th a news report informed us that Senator Wallace F. Bennett had warned that the government was spending \$650,000 per hour more than its revenue this year. The continuation of increases annually in wild political spending can only end up in the total collapse of our nation, an event which the communist conspirators eagerly await.

Address your questions to Dr. Hargis, Christian Crusade, Tulsa 2, Oklahoma.

even—a jump of 59 per cent. And the percentages are pretty much the same for most other income brackets.
 What will the "real income" value of the thinning dollar be five, 10, or 15 years from now, at the rate the federal government is spending and going into debt?

CHEVROLET

'62 CHEVROLET JOBMMASTER TRUCKS WITH NEW High Torque Power!

Here's new High Torque power for every weight class—light, medium and heavy... the most powerful engines in Chevrolet history... sure saving power and dependability for every job!

There are plenty of powerful reasons for Chevy superiority. High torque reasons. Reasons that range all the way from a mighty new High Torque 409 V8* for heavies, right down to the thrifty Sixes... including the High Torque 261 Six* that's available for the first time in light-duties.

Loads of other reasons, too. Like the new work styling with downward-sloping hoods that let drivers see up to 10 1/2 feet more of the road directly ahead. Like Chevrolet's proved Independent Front Suspension for even smoother riding, easier working trucks. Like the heavier duty hypoid rear axles for middleweights and the rugged new I-beam front axles* (9,000- or 11,000-lb. capacity) available for extra-tough jobs on Series 80 heavyweights. Like the longer lived mufflers. Like work-proved Corvair 95's (2 pickups and a panel) that haul up to 1,900 lbs. of payload with low-cost dependability and sure rear-engine traction. SPEARHEAD—Spears bristle menacingly from this ancient Roman military device called the "Testudo." This ancestor of the modern tank allowed Roman warriors to march into battle protected by close arrangement of special shields. The war machine—which means tortoise—was revived for the movie "Cleopatra," being filmed in Rome.

First Edition of S. H. High Mosaics Is off the Press

The first 1961 edition of Mosaics, official publication of Sacred Heart High School, is off the press. Copies were in the mail Monday.

Journalism students this year revived the publication for the first time since 1957. Lack of a journalism class resulted in the paper's being dropped since that time. This year a journalism class is being taught by Brother Thomas Moster.

The staff includes Kathleen McGannon, editor; Patsy Endres, co-editor; Loretta Schmitt, Alumni editor; Jimmy Otto, art editor; and Alice Walter, Claudia Endres, Charlene Otto and Joyce Owen, reporters. Brother Thomas is adviser.

Mosaics will be published six times during the school year. It is printed by The Muenster Enterprise.

The initial edition of Mosaics came out in 1945 and publication was continued through 1957. This issue is No. 1 of Volume 13. It is tabloid size, just as the first paper was, and is printed on white enamel paper, the standard material since the first issue. It's an attractive paper featuring a thorough coverage of school news, along with features, editorials, pictures and advertising.

Birthday Surprise

A surprise birthday observance greeted Mrs. Joe Felderhoff at her home Sunday evening when her children and their families — nine grandchildren — came over bringing a birthday supper and a birthday cake. The birthday date is Oct. 10. The celebration came early while the family could be together.

St. Mary's Parish To Sponsor Dinner

Members of St. Mary's Altar Society of Gainesville are extending a general invitation for attendance at a benefit chicken and spaghetti dinner they will serve Sunday, Oct. 15.

Serving will start at 11 a.m. and continue until two o'clock. Price of one dollar for adults and fifty cents for children under 12 includes pie and drink. There will also be a door prize.

Dinner Party Is Birthday Honor

Thirteenth birthday of Edith Hartz, daughter of Mr. and Mrs. Earl Hartz, was celebrated at a dinner party Thursday night in the home of her grandparents, Mr. and Mrs. C. W. Martin.

Guests came with gifts and brought three decorated cakes. Present with the honoree and her parents and the hosts were Mr. and Mrs. C. A. Knight and Mrs. Lela Martin of Gainesville and Mrs. John Thompson and Mr. and Mrs. A. F. Griffin of Freemound.

Two Share Honors

A father and son, John and Johnny Knabe, shared honors of a birthday celebration Sunday in the John Knabe home, the family gathering for a reunion with dinner. Coming from out of town were the Knabes' daughter and her husband, the Joe Schroeders of Windthorst. In the evening, the Schroeder's daughter and husband, the Allen Hoffmans of Windthorst, joined in the party. Mr. Knabe's birthday was Friday, Johnny's was Sunday.

Family Reunion

An all-family reunion of the children and grandchildren of the Hoffman family was held Sunday in the home of their mother and grandmother, Mrs. Rosalie Trubenbach. Together for the all-day gathering with dinner were Mr. and Mrs. T. J. Hoffman of Lubbock, Mr. and Mrs. Allen Hoffman and children Cindy and Wayne Allen of Windthorst, Mr. and Mrs. Billy Joe Mayer and daughter Stacie Lynn of Pilot Point and Mr. and Mrs. Earle Otto and daughter Elaine. It was three-week-old Stacie Lynn's first trip to Muenster and her get-acquainted visit with the family.

Birthday Honoree

A birthday surprise greeted Joe Luke Saturday night at his home when a group of relatives came to a party planned by the honor guest's wife. The 18 present played six-handed 84 and Mrs. Luke served birthday cake and ice cream. Attending from out of town were the Arnold Friskes of Gainesville, the Martin Friskes of Lindsay and the Herman Jungmans of Munday. The Jungmans came in the afternoon and had supper with Mr. and Mrs. Luke.

SH Entries Win In Broiler Show

Seven 4-H members from Sacred Heart's girls' clubs won ribbons on their entries in the annual Cooke County 4-H Club Broiler Show.

Blue ribbon winners included Janice Knauf and Mary Ellen Endres. Taking red ribbons on their entries were Doris Lutkenhaus and Janice Yosten. White ribbon winners included Pauline Fleitman, Patsy Arend and Ruth Yosten. There were 22 ribbon winning entries.

Bazaar Plans to Feature CDA Meet

Muenster court Catholic Daughters of America will have its October business meeting Friday night at 8 in the KC Hall.

On the agenda for discussion and final planning is the court's benefit bazaar in November. A definite date will be decided.

Members are being asked to bring their finished handwork to the meeting so that it can be sorted, labeled and priced in preparation for the bazaar.

A Week in N. Y. C.

Claude Walter who attends Southwestern College in Weatherford, Okla., is in New York City this week, one of some 60 senior pharmacy students on the free trip through courtesy of a drug company. The students left Friday by train and will return Sunday. Claude's parents, the Al Walters, are looking forward to his next visit at home to relate his experiences.

Junior 4-H Boys Elect Officers

Junior 4-H boys' club at Sacred Heart School has been reorganized for the current term and officers have been elected.

Brooks Smith, assistant county agent, met with the group of about 40 and passed out yearbooks.

The club's officers are Michael Stoffels, president; Stanley Endres, vice president; Jerry Otto, secretary-treasurer; Alcuin Schilling, reporter; and Donnie Schneider and Leroy Hess, recreational leaders.

Meeting next month will feature a program on wild life.

Feast Day Surprise For Father Bruno

A surprise greeted Father Bruno Fuhrman in observance of his feast day Oct. 6 when students of Sacred Heart School were gathered for a pre-game pep rally.

A brief program honored the school's superintendent and tiny Yvonne Stoffels presented a spiritual bouquet from the students. Next came young Joe Walter Swirczynski wearing fishing togs and carrying a pole and bucket — fishing being Father Bruno's hobby — and presented him the bucket. It contained twenty-five dollars in cash that the children got together as a feast day present.

"I want a dog of which I can be proud," said Mrs. Newlyrich. "Does that one have a good pedigree?" "Lady," declared the kennel owner, "if he could talk, he wouldn't speak to either of us."

Local News BRIEFS

Mrs. M. H. King, Mr. and Mrs. Tom Pryor of Myra and their daughter, Mrs. Carl Hoffman of Iowa Park were among relatives at the funeral of Mrs. Stan Harrell in Gainesville, Monday. She was Mrs. Pryor's sister and Mrs. King's aunt.

Bill Stelzer tells about getting five bantams one day and having them stolen the next. He can't help wondering if they ended up in the fry pan. These were registered and pedigreed birds, a gift from his nephew Don Christian of

Fort Worth. Being mostly a stay-close-at-homer on account of a leg ailment, Mr. Stelzer had looked forward to having the chicks for pets and pastime.

Al Kuntz of Valley View has gone to California to visit his daughters. Mrs. Bob Hefner and Mrs. Wayne Plumlee.

Sunday visitors and dinner guests with Mrs. Mathilda Wimmer were Mr. and Mrs. Louie Wimmer of Scotland and Mrs. George (Rosie) Wimmer and daughter Alvina of Wichita Falls. Other family members joined them in the afternoon to greet the visitors including those from here and Mr. and Mrs. Eddie Magas and children of Dallas.

Thoroughly enjoying Six Flags in spite of the mud Monday were Mr. and Mrs. Vince Felderhoff and children

Mike, Debbie, Janie and Carol. Sunday, the family drove to Wichita Falls to visit Mrs. Rita Jennings and children. Mrs. John Felderhoff accompanied them.

Mr. and Mrs. Al Felderhoff and sons Ross, Scotty and Kenny spent Monday seeing Six Flags.

Mr. and Mrs. Leonard Owee and children and Mr. and Mrs. Leo Lawson and children enjoyed spending Sunday at Six Flags.

Dropping in at the Alvin Hartman home Monday afternoon to say happy birthday to three-year-old Monica Hartman were her cousins, aunts and grandparents. They brought gifts and helped Monica eat her birthday cake and ice cream. Among the visitors were Monica's cousins, Sharon, Judy, Jimmy, Karen and Mark Tompkins and their mother, Mrs. Keith Tompkins of Arlington.

Family gathering was held Sunday at the home of Mrs. Ben Sicking while S.Sgt. Ernest Sicking was here. His brothers and sisters and their families all joined in the get-together including the Ollie Sicking of Gainesville. Ernest returned to Alexandria, La., Wednesday after a week's visit.

Program on House Plants Features Garden Club Meet

A program on growing and propagating house plants was presented to members of the Civic League and Garden Club at their October meeting Monday night when Mrs. Arthur Felderhoff and Miss Bettye Dodds were co-hostesses in the Felderhoff home.

Mrs. Earl Fisher was in charge of the program and thoroughly covered her subject detailing interesting and informative instructions on the two major types of houseplants: those originally grown out doors and brought into the house during the winter to be set out again in the summer, and those grown only indoors. For the first group she cited the geranium for an example, for the latter group she mentioned African violets.

Mrs. Fisher displayed a number of plants varying in size from tiny seedlings to full grown size with blooms. Special information was given on care of geraniums and African violets and rubber plants.

The business session with Mrs. L. B. Bruns presiding preceded the program and members answered roll call by telling of the most successful flower they had the past summer.

Committee reports were routine and included Mrs. Tony Gremminger's about the cemetery. She said more than 40 cedar trees have to be replaced. Santolina will be planted along the center walk. This variety is recommended because of its resistance to disease and drought. She also lined up volunteers for the annual All Saints' Day collection for cemetery maintenance.

After adjournment the hostesses served refreshments carrying out the Halloween theme. Twenty-two members were present.

Hostesses for November will be Mrs. Earl Fisher and Mrs. Ted Gremminger. Miss Doris Vavra will conduct a workshop for Christmas decoration.

Texas DPS Chief Suggests Early Safety Inspection

Col. Homer Garrison, Jr., director of the Texas Department of Public Safety, suggested that fall "is an excellent time to have motor vehicles safety inspected" in preparation for hard winter driving.

The new 1962 Texas Vehicle Inspection Sticker is now available at the 5,000 official inspection stations in compliance with orders issued by the Texas Public Safety Commission. The order states that all vehicles coming under the provisions of the Vehicle Inspection Act must display the new sticker by April 16, 1962.

Games Dated for Girls' Football At Both Schools

Girls, too, are taking up football here. Seniors at both schools have organized teams and are working out each afternoon for their two games next week.

Muenster High girls will take on the Saint Jo girls at Saint Jo Monday night the 16th starting at 7:30.

Sacred Heart High girls will play Lindsay on the Tiger field Wednesday the 18th at 7:30.

Both games will follow regulation football rules with one exception. Snatching a handkerchief will replace tackling as the proper way to stop a runner. Ball carriers will have hankies dangling from hip pockets and their forward progress will end where an opposing player gets the hankie.

Otherwise it's regular football. A team gets four downs for 10 yards; will block, run, pass or kick as in a boys' game.

Glenn Hellman is coaching the public school team, Adam Wolf the parochial school team.

It's easy to save face. Just keep the lower half of it tightly shut.

SWALLOW(ED)—Mother swallow almost lost her head while feeding junior. It seems that the little fellow just can't get enough to eat. Mother and son are "nesters" at the home of Mun Hope of North Surrey in British Columbia.

A man's good judgment comes from experience... his experience comes from poor judgment.

BEAR FACTS—This Eustis, Maine, bruin stopped to talk to a friend, but discovered that it was only a sign. He, however, would be quick to agree that forest fires are dangerous and a menace to his way of life. Smokey turned out to be a better friend than he thought.

Hornets-Chico

and blocked the kick ending Chico's second series. They were in possession on the Dragon 33. Two cracks at the line gained 10. Russell made 4 and Hellman left the field with an injured ankle after the next play. The next two tries fell short by a yard. That seemed to be the turning point. The Hornets weren't able to stop the mixture of runs and passes that moved to the Hornet 18 before the drive was stopped on the last play of the period by Dickie Pagel's interception. Pagel was headed for the goal on his return but was short on speed. He was hauled down past mid-field.

Next half started with an exchange of kicks and Chico made a first down to the 19. Four tries then fell short by a yard giving the Hornets possession on their 10. One play gained 5, the next fumbled the ball back to Chico on the 14. At that point Phillips got loose for the tying touchdown. A pass to break the tie went incomplete.

From then on Chico put on pressure but the Hornets held out to the end. Muenster made a first down and kicked on the next series. Chico made a first down and lost on Wiesman's interception. Muenster got another first down and lost on a fourth down gamble. Again Chico gained and had its drive stopped by a Wiesman interception. Muenster gained and lost possession. Chico gained and lost possession. Then an interception stopped Muenster. In the closing moments Chico completed passes of 15 and 19 and threatened at the Hornet 26 as time ran out.

150,000 Kids Sign For PP&K Contest

More than 150,000 grade school boys throughout the United States registered for the "Punt, Pass and Kick" program being conducted during the current football season under the joint sponsorship of the Ford Division of Ford Motor Company, its dealers and the National Football League. Registrations close Oct. 14 at the 5,200 participating Ford dealerships across the country, with most local contests scheduled to end Oct. 16.

The program's objective is to create interest in sports and physical fitness among youngsters by giving them a chance to test their skill in punting, passing and place-kicking a football in competition with other youths of their age.

Juniors Sponsor Supper
 Junior of Sacred Heart High are inviting all to have a baked ham supper with them next Sunday night, Oct. 15, in the parish hall starting at 6 o'clock. The meal will be catered by Mrs. Joe Lenertz. Tickets are \$1.00 for adults and 50 cents for children.

Right There But Misses President

Leroy Berend believes he is the only patient on Baylor Hospital's seventh floor who didn't see President Kennedy when he visited House Speaker Sam Rayburn Monday. Leroy, occupying Room 740, had both eyes bandaged.

But his mother, Mrs. Ewald Berend and his brother-in-law, Gilbert Yosten of Hereford, there for a visit, saw the President in the hall. Leroy is hospitalized following eye surgery Sunday. His mother is dividing time between the hospital and Gainesville where she is staying with Mrs. Mary Berend and can make daily trips to Dallas. Gilbert Yosten who brought Mrs. Berend returned home Tuesday after a visit with his family, the Nick Yostens.

Mrs. Marty Klement and Mrs. Earl Lehnertz cheered Leroy with a visit Tuesday.

A medical student came home from school for the summer and was discussing prospects with his father. "What kind of a doctor are you studying to be son?" asked the father. "I thought an obstetrician," replied the son.

"I'd think twice about that," said the father. "You spend all that time and money learning to be just one kind of a doctor and then just six months later, some fool comes along with a cure."

One good thing you can give and still keep is your word.

Marysville News
By Mrs. John Richey

Mr. and Mrs. Weldon Doughty and children have moved from Marysville to Muenster and are occupying one of Joe Trachta's houses on West Seventh Street.

Visiting with Mr. and Mrs. Don C. Cooke this week are her sister and husband, Mr. and Mrs. C. L. Bledsoe of San Antonio.

Little Johnny Richey of Sivells Bend spent Friday to Sunday with his uncle and aunt, the John Richeys.

Mr. and Mrs. W. F. Davidson returned Monday from a four-day visit in Greenville with their son-in-law and daughter, Mr. and Mrs. Bo Snow and they all attended the Wesley College reunion at Kavanaugh Methodist Church. Mrs. Davidson enjoyed meeting her old college chums again.

Rev. and Mrs. Dan Gleckler of Dallas spent the weekend at the Methodist parsonage and were honored with a social Saturday night. Joining in the get-together were Mr. and Mrs. Jim Shiflet, Mrs. J. N. Shaw, Albert Shaw, Mrs. Belle Doughty and Miss Paula Shaw of Gainesville. She spent the weekend with her father and grandmother.

Rev. Henry Mazingo and John Richey shared honors at a surprise birthday dinner Sunday when Mrs. Richey entertained for her husband and the pastor of the Baptist Church. The honorees have birthdays on Oct. 11. Other guests were Mrs. Mazingo and Miss Shirley Mazingo. The dinner party followed church services conducted by Brother Mazingo.

Mr. and Mrs. Charlie Winchester and his mother, Mrs. Nellie Kelly were in Woodville, Okla., to spend Sunday with Mrs. Kelly's brother and sister-in-law, the Fred Smiths.

**Mrs. Walter Hosts
Get-Together Club**

Mrs. Al Walter entertained members of the Get-Together Club in her home for the October social and served a refreshment plate after a progressive 42 series.

Leading the scoring in the games was Mrs. Joe Luke for top award. Mrs. M. J. Endres won the consolation prize and Mrs. Joe Kathman drew the door prize.

Joining the members were three guests, Mrs. Norbert Walterscheid, Mrs. R. R. Endres and Mrs. Joe Hoening. Mrs. John Wieler will be hostess for the November meeting.

The customer complained to the restaurant manager, "Why do you serve cloudy water in this joint?" The manager looked at the glass of water. "I'm sorry to disagree with you, sir," he said "There's absolutely nothing wrong with this water. The glass is dirty, that's all."

Sing a Song of Fire Prevention Week

Steve Lawrence and Eydie Gorme, popular husband-wife song team, make a tuneful contribution to National Fire Prevention Week (October 8-14) as they are about to sing the official "Junior Fire Marshal Song" for two youthful Las Vegas, Nev., fans. The youngsters, Lanny Irwin, 10, and his sister, Jody, 6, are among 4,000,000 boys and girls who will make home fire inspections this month to qualify as Junior Fire Marshals in a year-round school public service program of the Hartford Fire Insurance Company. Steve and Eydie are currently appearing at the Hotel Sahara in Las Vegas.

Deadline Nears For Navy ROTC Qualifying Exam

High school seniors and graduates have only until November 17 to apply for the Navy's Reserve Officer Training Corps. Applicants will take the nationwide competitive examination on December 9 as the first step toward an appointment as midshipman.

Designed to supplement the officer output of the Naval Academy, the NROTC program makes it possible for a young man to earn a regular commission while studying at a civilian college of his choice which has an NROTC unit. All tuition, fees and books are furnished by the Navy, and the student receives an annual retainer of \$600 for not more than four years. During the summers the student goes on interesting training cruises to many parts of the world. After completing the usual four year college course, he is commissioned in the Regular Navy or Marine Corps and goes on

active duty as a prospective career officer in the Naval service. He receives the same promotional opportunities, duty assignments and benefits as his Naval Academy contemporary.

High School seniors and graduates who have reached the 17th anniversary of birth and have not reached the 21st anniversary of birth on 1 July 1962 may apply for the NROTC aptitude test. Those who make a qualifying score will be given a rigid physical exam early in 1962. From the number of qualified men remaining in competition, at least 1600 will be selected to begin their naval careers next September.

The NROTC college training program is also open to enlisted men on active duty with the Navy and Marines. A separate quota is established for applicants within these services.

Application forms are available at high schools, Navy Recruiting Stations or from the Chief of Naval Personnel, Department of the Navy, Washington 25, D.C.

Lindsay News

Miss Dorothy Zimmerer of Fort Worth was a weekend visitor with her parents, the Johnny Zimmerers.

Mrs. George Spaeth is great-grandma again. The newcomer is the son of Mr. and Mrs. Leroy Wiesman of Gainesville. He joined the family on Oct. 7.

Visiting Mrs. Ed Moster the past week were her daughter and family, the Louis Wiesmans of Farmington, N. M., who divided their vacation

time among relatives in the county.

Members of the Third Order of St. Francis held their monthly meeting Sunday following the indulgence blessing after the 9 o'clock mass.

October rosary devotions are being held every Wednesday night at 7:30 in St. Peter Church.

Mr. and Mrs. Bob Bezner and children Debbie and Stevie of Dallas were Sunday visitors with his mother, Mrs. Joe Bezner and other relatives. Accompanying them was a niece of Mrs. Bezner, a student at NTSU.

Thirty-seven junior 4-H Club boys of Lindsay were present for the first meeting of the school year last Wednesday with Jimmy Eberhart presiding. Brooks Smith, assistant county agent, met with the group and passed out the new yearbooks. Officers were elected as follows: Jimmy Eberhart, president; Eddie Schad, vice president; Joe Bezner, secretary-treasurer; Michael Hundt, reporter.

away. Eleven out of 16 were good for a total of 251 yards and four of them were good for scores.

The visitors showed their power as the game opened, moving 50 yards before a fumble delayed their progress momentarily, but 4 plays later they were in charge again and finished the drive. Ward ran the last 23, a kick for extra point was blocked.

After holding the Tigers again Callisburg needed just two plays for the next score. Both were passes, Dutton to McCabe for 23 and 25 respectively.

And again, two passes produced the fourth touchdown. Two failed to connect and Dutton hit Rogers for 26. A run gained 2 and Dutton tossed to McDaniel for the last 11. Dutton crashed over to add 2 points. Half time score, 26-0.

Opening of the second half was more of the same. A pass to McDaniel for 19 and Hollandsworth's scoring run for 14 were the two big plays of a 35 yard quickie drive.

Hollandsworth's fancy 55 yard kick return behind equally fancy blocking gave the Wildcats their sixth score.

Then Callisburg reserves had their turn and Sacred Heart got into the game. Wolf's rambles for 11 and 16 were the long gains in a 10 play drive for 66 yards. Pat Klement scored from the 1.

After holding on the first series the Tigers started moving again. Wolf's pass to Virgil Hess was good for 24 yards to the 16, then Wolf carried twice for 13 and the last 3.

A fumble on the 41 started the last Tiger drive. Passes to Virgil and Frankie Hess gained 13 and 17. Wolf gained 7 and Klement scored from the 4. Hennigan's run was good for extra points. The count, 38-20.

Callisburg regulars then took over again and scored on two passes, both to McDaniel. The first made 16, the second 29.

The last play of the game was the longest Wildcat pass but it failed to add another

TD. McCabe's completion and run was good for 61 yards to the 5.

34 Youngsters at Hobby Club Meet

Thirty-four boys and girls reported Monday afternoon for the October meeting of the Hobby Club in Lindsay Parish Hall. With the youngsters helping and supervising hand work were ten leaders. Ice cream was the afternoon's treat.

One group of children made wooden memo roll holders finishing them with wood burning designs and paint. Mrs. Andy Arendt, Mrs. Vincent Zimmerer and Mrs. Raymond Laux were with them.

One group of boys built tool boxes from wooden tomato crates, Mrs. Norbert Zimmerer supervising. Another group of boys fashioned planters from coffee tins and clothes pins while Mrs. Johnnie Arendt, Mrs. Al Bengfort and Mrs. Tony Hermes gave directions, and assistance if needed. One group of girls also made planters under the guidance of Mrs. Bob Lutz while another class of girls painted wooden wall plaques which previously had the designs done by wood burning. Leaders of this group are Mrs. Gene Owen and Mrs. Norbert Rohmer.

Club members were told that next month's meeting will bring the end of the Gold Bond slogan or jingle contest and were reminded to bring their entries at that time.

It was also announced that cards will be sent to parents of all first graders for signatures if they want their youngsters to join the club. With the addition of more members, more leaders will be needed and club officers are hoping for volunteers.

Plans have been completed for a club benefit dance, set for November 18. Next leaders' meeting will be on Nov. 6 at 2:30 in the home of Mrs. Raymond Laux.

Cubs Rampage for 38-14 Count over Lindsay Squires

The Tiger Cubs of Sacred Heart marked up their second win of the season over Lindsay on the local field Sunday by the decisive count of 38-14.

They had the game under control from the first play when they started on a 55 yard drive. They used seven plays and Morris Hacker made the first score. Robert Klement added two points.

Their next drive bogged down on the 8 and Lindsay had possession for two series of downs. Lindsay's kick went almost straight up into the wind and netted a loss. From the 15 the Cubs used two plays, Virgil Swirczynski going over from the 14.

Next score was set up by Swirczynski's interception and run-back to the 6. He scored on the next play, then passed to Leon Endres for extra points.

Dale Klement's interception early in the second half started the next drive. From mid field the Cubs used eight plays, Dale Klement the last for 5 yards. Robert Klement followed over for bonus points.

Then Cub reserves took over and Lindsay started moving. It was a 65 yard march with Eberhart and J. Bezner doing most of the toting. Bezner made the TD.

Regulars returned long enough for another score. Dale Klement dashed 35 yards to the goal and Hacker added 2. Again the reserves and another Lindsay score. It was a 67 yard drive ending with Eberhart's 10.

Even the dead appreciate the value of advertising.

From an English grave marker: "Sacred to the memory of Jonathan Thompson, a pious Christian and affectionate husband. His disconsolate widow continues his grocery business at the old stand on Main street and best price in town."

This from a Maryland cemetery: "Here lies Jane Smith, wife of Thomas Smith, marble cutter. This monument erected by her husband. Monuments of this same style are \$250."

You can always spot a well-informed man. His views are the same as yours.

fault on their obligation. Never was a nation a greater sucker than the United States.

Doesn't it seem about time that we did something to correct that situation? To assert that we will no longer be suckered into playing world politics according to Soviet rules. We have the power to demand an overhaul of methods that will allow fair and reasonable procedure instead of the Soviet plan of world conquest.

If that should fail the next best solution is to pull out completely and invite all free nations to join with us in forming a free world alliance. It's better to bring the division of nations into the open than to submit to the present system.

It's not the ice that makes you slip; it's what you mix with it.

"You have been charged with fighting," said the judge. "Have you any explanation?"

"Well, Your Honor," said the defendant, "it was like this. I was in a phone booth talking to my girl when this guy comes up and wants to use the phone. He opens the door, grabs me by the neck and tosses me out on my ear."

"Then you got angry?" asked the judge.

"Yes, a little," answered the man. "But I didn't get real mad until he grabbed my girl and threw her out, too."
