VFW, Ladies Plan Hospital Benefit On Thanksgiving

The political football that seems to get more kicking around than any other is the farm surplus problem. Lots of plans have been tried and many more have been proposed as a means of reducing our huge stock pile of foods in order bring supply in closer balance to demand, and eliminating some of our enormous storage costs along with bureaucratic red tape and controls.

We know that it's a sizeable national headache, but how many of us have pondered the significant point that, unlike so many other countries, we are worried about abundance rather than shortage. Practically all of us 180 million Americans are blessed with three square meals a day whereas a big percentage of the world's other 3 billion people spend their entire lives without ever enjoying a full meal.

These facts make good food for thought during the coming seven days (November 17-23) designated nationally as Farm-City Week.

Communists like to prove their superiority by applying Marxist theory of economic evolution through feudal and capitalist systems into socialism and communism. Theirs is the better way, they claim, because they have advanced beyond capitalism. As for us, we prefer to ignore the theoretic babble and look at the record. We have the abundance. Capitalists of American farms are providing more than we need to eat and in addition are sending food to relieve the pinch of red shortages. The man who arrogantly predicted that Communism will take over America had to admit that he's far behind in farming.

To appreciate our farmers a little more we ought to realize the importance of American Agriculture as a weapon of war, cold or hot. Nowhere else is food produced so efficiently, leaving so many other people to do other jobs, which in war would include fighting and producing war materials. Over here only 10 per cent of the population is on farms. In Russia 45 per cent is on farms. And we produce much more.

Likewise, because of farming efficiency, the American non-farmer is better off than the Russian. He works an average of one day to earn a week's food, the Russian works three and a half days. Unfortunately, many of us do not appreciate how much of our good fortune can be traced to the good job done by farmers.

Of course, we often hear remarks about the high cost of groceries. And it is true that prices have gone up. But the rise has not kept pace with other rises. It's been estimated that if food prices had kept up with other prices the nation would have paid \$70 billion more to eat in the past eight years. In a way we actually paid about \$35 billion more than the total of grocery lists. We paid that in taxes so the government could pump it into the farm economy. So, at least we're \$35 billion better off than if food prices had remained in line with other prices. We can thank farming efficiency for that saving.

Another factor is that today's grocery bill covers more than just food. Some of the cost is for convenience, protection and appearance. There is more and better packaging. And extra service such as processing, freezing and pre-cooking. And many non-food items are also added to the bill. The super-market cart is likely to include cooking utensils, light bulbs, tooth paste, cigarettes, beer, brooms, etc. Yes, grocery bills are higher but some of the increase does not represent food costs.

Something else city cousins should realize is that many of them are directly dependent on farmers for their living. Six million people work on farms. But seven million produce for or serve farmers and eleven million process or distribute farm products. Every worker on a farm provides a job for three other workers. What's more, he works cheaper than any of them. His average earning last year was 72 cents an hour. The average factory worker got \$2.31 per hour. Or, to put it the other way, if other workers were compensated like farmers, most of the things we

A big financial lift to the Muenster Hospital is the goal of Muenster VFW and Auxiliary members as they prepare for a big community observance of Thanksgiving.

The program, to be held mostly at the parish hall next Thursday will feature three main events: a dinner, a picnic and two dances.

The dinner with turkey and country sausage will be served in the parish lunch room starting at 11:30. Plates will cost \$1.25 for adults and 75 cents for children.

About the same time the picnic will get under way offering the usual carnival attractions plus eats and drinks.

The dances are planned to appeal to both oldsters and youngsters. Bill Tanner and his Jet Tones will provide modern rhythm in VFW Hall while John Dlabaj's Bohemian Band will be playing old tunes in the parish hall.

Proceeds from the celebration will be given jointly by the VFW and Auxiliary to the new hospital fund.

Local Schools Divide Pair of Basketball Games

The two local schools broke even in their pair of practice games Tuesday night in Sacred Heart gym. Sacred Heart girls were 25-12 winners in the first contest. Muenster High boys squeezed out a hot 30-28 decision in the second.

To begin, the girls teams were rocking along on fairly even terms and ended the half with Sacred Heart in a 9-8 lead. But the parochial girls hit their stride after intermission and pulled away steadily. Top scorers were Joyce Hacker 17 and Carol Wimmer 6 for Sacred Heart; Sandra Cain 8 and Bobbye Tuggle 3 for Muenster High.

The second game was a thriller all the way, tied 18-18 at the half and the lead shifting frequently. The biggest lead at any time was the Hornets' 6 points. In the last minute they were deadlocked at 28 and Whitt sacked up the deciding two points with seconds to spare.

Mark Hellman and Harold Flusche with 14 and 7 led the Hornet scoring. Johnny Wolf's 11 and Jimmy Otto's 10 were tops for the Tigers.

City Water Main Extended 2 Blocks

An ample supply of water plus better fire protection was made available to the southeast corner of the city with completion of a six-inch water main extension and installation of a fire hydrant. The pipe was tied in at Hickory and Cross streets and following Cross 640 feet to Pine, where the fire plug is located.

The main replaces a 2-inch pipe, which was inadequate to serve homes of the area and also brings the fire connection two blocks closer.

News of the Men in Service

On World's Largest
Assigned to the world's largest ship, the U.S.S. Enterprise, is Sailor Ivan Koelzer, serving as a radioman. He has written his parents, the George Koelzers, about the ship's entry on sea trials for the first time on Oct. 29 and said it will be commissioned on Nov. 25. He was with the vessel in dry dock at Newport News, Va., but has a new address now as follows: Roy Ivan Koelzer RM3, SN 528-5249; U.S.S. Enterprise; CVA (N) 65, C-R Div.; c-o Fleet Post Office; New York, N.Y.

Joins Air Force
Larry Kathman got into uniform this week after enlisting in the Air Force and is at Lackland Air Force Base in San Antonio for training. He is the son of Mr. and Mrs. F. A. Kathman.

Earns Promotion
Pat Hess, stationed with the Air Force in Germany, has earned promotion to airman first class. He is the son of Mr. and Mrs. Albert Hess.

Grandson In Service
Charles Everette Jr., grandson of Mr. and Mrs. John Walter, writes from Lackland Air Force Base where he is settled for training. He is the son of Sylvia and Charles Everette of Olney, Ill. His in-service address is AB Charles R. Everette, AF 17610324; Flight 1647, Box 1509; Lackland, A.F.B., Texas.

Move To Leesville
Most of Muenster's 49-ers at Fort Polk, La., were home for the weekend and Lt. Donald Bayer made arrangements to move his family to Leesville. The household furnishings left here Wednesday and Mrs. Bayer and her sister Mrs. Dan Haverkamp, drove to Leesville Thursday to get settled. The couple's two little girls stayed here with relatives. Lt. Bayer and Mrs. Bayer will bring Mrs. Haverkamp home this weekend and take their daughters back to Leesville with them.

Transfer For Basic
William Fisher, Roger Taylor and Clifford Swirczynski who left here as recruits with the 49th Division have been transferred from Fort Polk, La., to another camp for basic training. William telephoned home Monday to say they were on their way by train headed for Kentucky.

NEWS OF THE SICK

Condition of J. W. Hess, at M&S Hospital, was reported as critical Tuesday and all family members including a daughter, Sister Mary Joan, of Little Rock, Ark., were called to his bedside.

Ronnie Russell started back to school the latter part of this week, his head bandaged from eye surgery, but not having pain from the operation that removed his right eyeball. In about three weeks he will be fitted with an artificial eye. He is a senior at Muenster High.

Miss Betty Jean Klement entered Gainesville Sanitarium Monday for a tonsillectomy Tuesday and was dismissed Wednesday to continue recovery at the home of her parents, the J. A. Klements.

Robert Beyer of Lindsay was transferred from Gainesville Sanitarium Tuesday to Methodist Hospital in Dallas and will undergo back surgery — for a ruptured disc — Friday. He is in Room G-9.

Leo Hesse is a patient at Methodist Hospital in Dallas where he had surgery Wednesday. His room is G-9.

Mr. Bill Eberhart of Lindsay who was in traction several days at the Sanitarium for a back ailment has been dismissed.

Frank Needham who has been a shut-in over a week at his home is recovering but still staying close in as the result of a slight stroke.

Joaline Roberg continues as a patient at the Sanitarium. She was permitted to go for a drive Sunday afternoon and came to Muenster to visit her family.

John Fisch of Okmulgee, Okla., former Muenster resident, is reported improved but still hospitalized following major surgery three weeks ago.

Mrs. Bob Reiter is back at home, still a shut-in, but recovering from illness that sent her to the Sanitarium for two days of medical care.

A lawn mower accident at home sent three-and-a-half year old Carol Felderhoff, daughter of the Vinc Felderhoffs, to Gainesville Sanitarium Friday afternoon and she was in surgery two hours having her left foot and toes stitched. She lost about half of her big toe. Carol was dismissed from the Sanitarium Sunday but is a shut-in at home. She has her injured foot and leg to the knee in a cast.

Thirteen-year-old Morris Hacker, son of the Johnny Hackers, is a patient at St. Paul's Hospital in Dallas since Friday of last week when he became seriously ill suddenly early in the morning. He was taken first to Gainesville Sanitarium, then moved to Dallas for examination by specialists. Sunday they reported that he has a rare kidney infection and needs hospital care about ten days. His mother is staying with him and all the family visited him Sunday. They brought back word that he was responding to treatment. His address is Room D-124, St. Paul's Hospital.

In an accident at school Friday, Ray Fleitman, 13, son of Mr. and Mrs. Joe W. Fleitman, ripped a gash in his right arm while playing ball. Eleven stitches were needed. The injury didn't keep Ray out of school. He was back in classes at Sacred Heart Monday.

Mr. Bill McCollum and infant daughter Kelley Lynn have returned to their home in Dallas and her mother, Mrs. Dick Cain, is with them this week as Mrs. McCollum continues regaining strength. She was dismissed from Nocona Hospital Sunday.

At Golden Wedding
Mr. and Mrs. C. J. Wimmer, their son and his wife, Mr. and Mrs. Andy Wimmer, accompanied by their daughter Mrs. Al Reiter of Gainesville, were in Tours Sunday to help celebrate the golden wedding of Mr. and Mrs. Frank Uptmore. The fifty-year bride is Mrs. C. J. Wimmer's youngest, and third sister, to celebrate her golden wedding.

BIRTHS

Mr. and Mrs. Dick Dittfurth announce arrival of a daughter, Tonie Renee, Saturday, Nov. 11, 3:22 a.m. at M&S Hospital. She is a granddaughter for Mr. and Mrs. George Koelzer and a sister for Shirley, Phyllis, Patricia, Sandra and Tommy. At her baptism Sunday evening Father Bruno officiated. Mrs. George Koelzer and Ivan Koelzer are the godparents.

Mr. and Mrs. Wilfred Bindel announce arrival of a nine pound two ounce son Wednesday afternoon, Nov. 15, at Gainesville Sanitarium. He has two sisters and three brothers and is a grandchild for Mr. and Mrs. Frank Bindel, Muenster, and Mr. and Mrs. Joe J. Neu, Lindsay, Mrs. Joe Neu Sr. of Carlsbad, N. M., is great-grandma again.

Happy parents for the first time, announcing a daughter, are Mr. and Mrs. Ewald Fuhrmann of Terrell. Their four pound girl arrived prematurely Wednesday morning, Nov. 15, and is in an incubator. Both mother and baby are "doing fine." The grandparents are Mr. and Mrs. Clem Hofbauer, Muenster, and Mr. and Mrs. Matt Fuhrmann, Lindsay. Mrs. Mike Kleiss of Muenster is the baby's great-grandmother.

Crash Campaign Urged to Finish County UF Drive

A crash campaign to finish the Cooke County United Fund drive before Thanksgiving is the present aim of campaign committeemen.

County Chairman Lambert Bezner disclosed Wednesday special efforts are being made to have all workers finish their calls in time to make their final report, and put the drive over the top, at their regular meeting next Tuesday night.

In his statement Bezner said the campaign appeared to be in good condition and chances of reaching the quota are encouraging. The amount reported to then was \$25,500, about 56 percent of the goal. That figure did not include any donations from rural areas of the county, nor some areas of Gainesville. He was confident that receipts from the remaining areas would put the fund over the top.

A report from Henry Weinzaepfel, Muenster chairman, reveals that the total here has reached \$750 and the job still is not finished.

There is no need to drag the campaign out any longer, Bezner said. The organization as set up can finish it in a few days and he urgently asks all workers to give a final big push for success... before Tuesday.

Football Schedule For '62 Announced At Muenster Hi

Next year's football schedule for Muenster High Hornets was completed last Saturday in the annual post season meeting of district coaches and superintendents. The non-conference part of the schedule was complete before and the meeting decided the sequence of loop games.

The agreement was for all schools to move their last game of this year to the front of the list and follow the same sequence the rest of the way. At the same time coaches decided to give the new member Sanger, the spot on the schedule formerly held by S&S. That completed the schedule for Muenster.

Coaches also officially declared Era and Valley View as winner and runner-up in the season's football race and voted Saint Jo as winner of the sportsmanship award.

The customary selection of all-district teams was made but coaches decided to withhold publication until post-season competition is finished.

Muenster High's 1962 grid schedule is as follows: Sept. 7, Pilot Point, here; Sept. 14, Valley View (Iowa Park), here; Sept. 21, S&S, here; Sept. 28, Windthorst, there; Oct. 5, Chico, there; Oct. 12, Open; Oct. 19, Callisburg, here; Oct. 26, Sanger, there; Nov. 2, Era, here; Nov. 9, Valley View, there; Nov. 16, Saint Jo, there.

Homets Shine in Holding Rugged Wildcats 27-12

Muenster High's Hornets brought a glorious ending to their football season last Friday in a game with the Wildcats of Callisburg. Considering circumstances, the loss of 27-12 to their highly favored foes was a big achievement.

Already severely hurt by the loss of Russell from their short handed crew, the Hornets were further handicapped by Hellman's injury in the second quarter. But in spite of the odds the Hornets gave their best performance of the year. They did a fine job against a well manned crew of husky and talented players.

The game did not start that way, however. Muenster spirits got a rough jolt as Hollandsworth sprinted down the left sideline with the help of fine blocking to return the opening kickoff 80 yards for a touchdown.

And it looked like a sad night as the Wildcats promptly thereafter opened the drive for their next score. They made 83 yards on 13 plays, Hollandsworth stepping off the last 5.

Leading 12-0 a little more than midway in the first quarter the Callisburg skipper

(Continued on page 8)

Rain Measures .53

The short shower early Wednesday and scattered drizzles later in the day added .53 inch to the area's moisture measure, according to Steve Moster's Weather Bureau records. His reading was .36 before 7 a.m. and .17 for the rest of the day.

Combined with .52 inch on the 2nd and 3rd, this brings the November total to 1.05 inches and the year's total to 27.39.

Reception Honors Don Cookes Sunday on Golden Anniversary

Fifty years ago on November 8 Mr. and Mrs. Don C. Cooke were married and went on their honeymoon in a covered wagon. Sunday at an open house reception they recalled many happy memories of a half century of living together.

The party was held at Muenster Baptist Church from three to five in the afternoon and scores of relatives and friends constantly were coming and going, having cake and punch and greeting the honor couple.

Hosts for the observance were the Cooke's son and his wife, Mr. and Mrs. Harold Cooke of Fort Worth.

The honorees' granddaughter, Mrs. Gene Alexander, of Fort Worth was at the guest book. Presiding at the beautifully appointed refreshment table were nieces, Mrs. Jerry Venable of Gordon and Mrs. Bill Brooks of Fort Worth, also Mrs. Don Hockett of Fort Worth. They served the handsome tiered anniversary cake and golden punch. Others assisting at hostess duties were Mrs. Aubrey Tuggle, Mrs. J. A. Travis and Mrs. Joe Lehnert. Misses Donna Tuggle and Cindy Cain unwrapped gifts. Mrs. Nick Miller was in charge of decorations.

Throughout the party hours Mrs. Edgar Dyer provided

3-Choir Concert, Supper and Dance Set for Saturday

A merry old time is planned for Saturday by members of Muenster's Sacred Heart choir when they host the Frohsinn choir of Dallas and St. Cecilia's choir of Lindsay for a song fest preceded by a country sausage supper and followed by a dance with a Bohemian band.

This is a party for which everybody is invited — it's a choir benefit — and the sponsors are preparing for a big crowd.

The program begins at 7 with supper. The concert, at 8, will feature the three choirs in a series of numbers and the dance will start about 9. Ed L. Faraizl and his band will play. All events will take place in the Parish Hall.

Contract Given For 29th Dam on Elm Watershed

The contract has been tentatively awarded for the construction of Flood Prevention Structure No. 7-C located on the Hill Campbell Ranch west of Gainesville. The low bid was that of Roy L. Reese Construction Company of Dallas, Texas.

Pending an inspection of the bidder's equipment plant, it is anticipated that the contract will be formalized and a work order issued within the next week or ten days.

Site 7-C is located on Elm Fork of the Trinity River Watershed and has a drainage area of 7,104 acres. The structure will have a total storage capacity of 3,072 acre feet of water up to the emergency spillway elevation. The permanent pool will cover approximately 42 surface acres.

There were thirty-five detention dams proposed in the original Flood Prevention plan for Elm Fork. After twenty-eight of these dams were built, the people in the watershed asked the Soil Conservation Service to take another look at the plan for the possibility of some additional sites for better control in the watershed. As a result, the plan was revised to include 17 new sites, making a total of fifty-two dams under the present watershed plan on Elm-Fork.

When Site 7-C is completed it will make a total of twenty-nine dams that have been completed in the Elm Fork Watershed. In addition thirteen more dams are planned to be contracted by July 1, 1962. Land easements have been cleared on ten of these and it is hoped that the remaining three can be cleared in the very near future.

A fine is a tax for doing wrong. A tax is a fine for doing OK.

Talent Sought for Fat-Lean Game

Wanted: fat and lean basketball players for the benefit game sponsored by the Community Progress Association Monday night, Dec. 4 in Muenster High gym.

Glenn Hellman and Dickie Cain already have teams lined up for the big contest, but both admit that the players ain't what they used to be, so, the more reserves the better. Besides they just don't want to miss anyone who would like to play. The more players, the better the expected attendance.

A preliminary event for the evening is a game between juniors of the parochial and public schools.

Schedule of Coming Events

THURSDAY, Nov. 16, SH vs Lindsay, here 7:30.
FRIDAY, Nov. 17, MHS vs Collinsville, here.
TUESDAY, Nov. 21, MHS vs Pilot Point, here.
TUESDAY, Nov. 21, SH vs Windthorst, here 7:30.

Clothes Drive in Progress, Last for Mrs. Swirczynski

Muenster's 1961 Thanksgiving clothing drive for the Holy Father's charities began Wednesday with the Youth Center as collection depot and will continue through Friday this week. In all details except one it is a duplication of the 12 previous drives designated "Operation Clothes Closet."

The difference is that Mrs. Joe Swirczynski, local mission chairman, is conducting her last campaign. She is resigning as parish mission chairman after 13 years of activity. And her home will no longer be the year round collection depot, mending center and quilting headquarters.

At the beginning of this week she gathered, sorted and packed 20 big boxes of clothing left at her home. It is being included in the current drive.

During the years she was mission chairman Mrs. Swirczynski has collected, sorted, mended and packed tons of clothing, has made hundreds of quilts for the missions and other needy people, and has distributed clothes, shoes and bedding to hundreds of destitute families, in the states and abroad. Clothing from the local mission center was always early to reach major disaster areas. Her enthusiasm and zeal in this line of work has long been an inspiration to others.

Completion of this clothing drive, the last under her supervision, will leave Muenster without a full time worker and collection center, that is, until someone volunteers like services and a collection depot.

**"...MOTH AND RUST
DOTH CORRUP"**

(Matt. VI:19)
Moth-feeders of America, arise!
Join "Operation Clothes-Closet". Clear out those usable clothes and still-serviceable shoes that will never be worn again in our own household - but will comfort and protect the destitute and the sick of less favored lands. Search out worn blankets and bedding that can be spared to those who have none. Turn in these desperately-needed gifts to the Thanksgiving Clothing Collection conducted from November 19-26 by the

Catholic Bishops of the US through America's 16,500 Catholic Churches - and enjoy your own Thanksgiving more for having thought of others first.

For some idea of the spirit and enthusiasm with which Americans of all faiths have thrown themselves into this annual event over the past dozen years, consider that the Bishops have thusfar turned over to Catholic Relief Services - NCWC for distribution some 135 million pounds (that's 67,500 tons) of clothing, bedding and shoes valued at more than \$160 million. What this warm clothing, these whole shoes, those comforting blankets and quilts mean to the bereft victims of disaster and war and pestilence and poverty in more than 60 nations of this out-of-joint world can only be understood by those who have served with CRS in its round-the-globe, round-the-calendar mission of mercy.

At this time when there is so much heartache and grief and suffering that is beyond even the most generous outpouring of Christian Charity, there can be no moral right to hoard in uselessness the things that would comfort those who can be helped. In the secure knowledge that "It is more blessed to give than to receive", it is the choice of every American to stand with the blessed - or the thoughtless.

**GET THE US
OUT OF THE UN**

Ten years ago I heard a fellow Legionnaire talk about the Korean War, reporting on the comments of returning combat troops. He told of the anger and frustration of the American fighting men, who knew they were in a war they were not allowed to win. The report riled the Legionnaires aplenty, but the real infamy was not revealed until several years later.

The battle plans, troop and weapons deployment of Gen. Douglas MacArthur, commander-in-chief of the United Nations forces in Korea, had to be made known to the U. N. military staff committee. Chairman of that committee was a Soviet general. The communists knew our combat plans; they knew that Gen. MacArthur had his hands tied in this costly "police action."

It has been correctly said that the American boys who gave their lives in this hopeless conflict were led to their deaths by the U. N. This alone should be reason enough for all patriotic Americans to insist that the United States get out of the U. N. - and that the U. N. get out of the U. S.

The Dallas Morning News recently said editorially, "The nation's doctors . . . stand against government (socialized) medicine. In this fight they have been in the front lines since the 1930's, and what they are doing is the biggest story in your lives: Will you and your children remain free, or will the government take you over?"

"So when doctors fight to protect themselves, they are fighting to protect you and your right to invest in a business of your own and run it as a free enterprise. Through the years . . . The News has warned that the Tennessee Valley Authority was only the starter of a government effort to control the utilities. Now the government manufactures a fourth of all power. We warned that 'minor' federal programs, like school lunches, were only a springboard . . . to federalized schools. Were we wrong?"

"We warned that bureaus like CAB and FCC would eventually be used to control the affairs of private airlines and programming for TV and radio stations."

Yes, your turn may be next unless you oppose the extension of federal and state competition with private enterprise.

KAMERAD! If it weren't for the sobering thought of the terrible potential of a stray bullet from either side, the situation of the East German police deployed along the barrier that divides Berlin would be ludicrous. What with the elimination of soft spots in the masonry and barbed wire and the demolition that is creating a three-mile-wide no-man's-land, it appears that the Vopos' biggest job is now watching each other.

In the latest threat to the world's uneasy peace, ten East police made a foray

FOR and AGAINST

for **CHRIST-against COMMUNISM**
BY **BILLY JAMES HARGIS, LL.D.**
FOUNDER CHRISTIAN CRUSADE

Are the Communists Against the U. N.?

The international communist conspiracy's demand for replacement of the United Nations' Secretary General by three men instead of one has led many Americans to believe that the communists are against the U. N. and are out to destroy it. Those who have studied the background facts on the issue know better. The purpose of the communist conspirators is to take over complete control of the U. N. not to destroy it.

Comparatively few of our citizens take time to dig beneath the high-sounding cliches and phrases used to picture the U. N. as the world's "best hope for peace." They do not stop to wonder why the communist empire has grown from around 200 million enslaved people to well over 900 million enslaved people since the U. N. was established. This is an increase of 700 million people, and the communist conspiracy now rules over one-third of the earth's population. If this spells success during the U. N.'s custody over world "peace", the meaning of the word success has changed.

Thinking Americans should know that the communists had an intensive interest in the United Nations before it was established and should give some serious thought to the reasons for such interest. Thinking Americans should also give thought to communist confidence that the U. N. would serve the interests

of World Communism. For example, the lead article in the April 1945 issue of the official communist conspiracy monthly magazine, Political Affairs dealt with the founding meeting of the United Nations. This article was entitled, "The World Assembly at San Francisco." In this article communists were told:

"The major question for us in connection with the San Francisco Conference is to assure the adherence of the United States to the World Security Organization in the spirit of the policies formulated in the Crimea Declaration. We have come a long way along this path. But the final battle has not yet been won, although we are in an extremely favorable position to destroy the remaining bridgeheads of opposition. . . . Great popular support and enthusiasm for the United Nations policies should be built up, well organized and fully articulate. But it is also necessary to do more than that. The opposition must be rendered so impotent that it will be unable to gather any significant support in the Senate against the United Nations Charter and the treaties which will follow. . . ."

Let us remember that the communists will not be completely satisfied until a communist dictator sits in the White House.

Address your questions to Dr. Hargis, Christian Crusade, Tulsa 2, Oklahoma.

across the border to retrieve four of their defecting fellows - invading a home where one was thought to be hiding at 3 a.m. The householders screamed for help, West Berlin police routed the Vopos who fled - without their man, or men. Whether all went back, or whether some may still be under the beds in

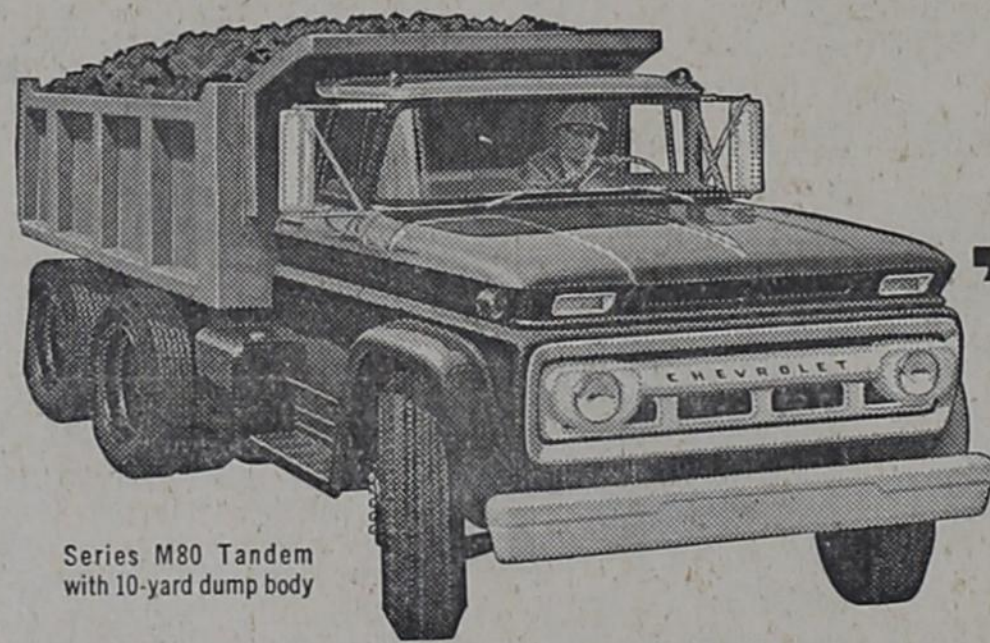

the West Berlin home, was not made clear.

But next, we expect, those Vopos will be organizing a phone search raids with the sole object of getting lost on the West side of the Wall. One thing, at least, is certain. Herr Ulbricht's job of guarding his guards is becoming embarrassing.

Brothers 6 and 4 Honored at Party

Brothers David and Billy Krahl shared honors at a birthday party Saturday afternoon when their mother, Mrs. Eddie Krahl, entertained at the family home. Twenty-three children helped in the celebration.

A circus theme with streamers and balloons in the party room and a birthday cake decorated with clowns delighted the youngsters. Ballons and candy were favors and the cake was served with ice cream. Mrs. Walter Eberhart of Gainesville and Mrs. Herman Eberhart helped Mrs. Krahl with hostess duties. David was six years old Nov. 11, day of the party, and Billy will be four on November 23.

Gatun dam is in the Panama Canal.

SH Four-H Girls Told Neatness of Dresser Drawers

Dresser drawer neatness was told and shown to four-H club girls at Sacred Heart School for the November meeting. Mrs. E. C. (Evelyn) Yeatts, assistant home demonstration agent who usually meets with the girls, was replaced by Mrs. Bernice Thurman, HD agent, who gave the illustrated talk. She announced to the groups that Mr. and Mrs. Yeatts welcomed their first child, a seven pound boy, Nov. 4.

In explaining neatness in dresser drawers, Mrs. Thurman showed how to arrange items by using cardboard boxes. She also showed correct way to fold clothing.

Announcements of 4-H dates to remember included the county council meeting on Nov. 18.

For the Junior meeting Paula Herr reported that 49 members were present and Shirley Klement, president, presided. Recreational leaders Rita Fette and Jackie Wimmer led songs after business.

Judy Dangelmayr reporting for the Intermediate club counted 53 members present. Candy Fette presided and recreational leaders Dianne Shumaker and Linda Fisher led the group in songs.

Rural Carriers Get Safety Awards

Safe Driving Awards, made available to rural mail carriers by the National Safety Council through cooperation of the Post Office Department have been presented to John Fletcher and Henry Pels by Postmaster Arthur Endres.

Mr. Fletcher received the 30-year Safe Drivers Award on completion of 30 years on a rural route without a chargeable accident. Actually his service dates back many more years, but the award period extends back only to 1930. Since then he has driven about 365,000 miles in delivering the mail.

Mr. Pels, who has been a rural carrier slightly more than two years, received a 2-year Safe Driver Award. He has driven about 53,500 miles on the job.

CDA Court Plans Holiday Cheer for Local Shut-Ins

November business meeting of the local Catholic Daughters of America Friday night featured plans for the organization's annual Christmas party, the customary gift giving to shut-ins and a report on the holiday bazaar.

The yule party and regular meeting will be combined for December and will be held one week later than the usual date. The joint program will be an event of December 15 in the home of Mrs. Nick Miller.

At this time members will fix baskets for shut-ins. Instead of the usual gift exchange, members will bring layette pieces for the Madonna Plan which furnishes infants' wear to the needy.

Mrs. Steve Moster, grand regent, conducted the business session and committee chairmen gave reports. The court is elated over the success of the benefit bazaar and is already discussing plans for a similar event next year. Receipts permitted the organization to pay off next year's hospital pledge of one hundred dollars now.

In other reports Mrs. Joe Swirczynski, mission chairman, told of the coming Thanksgiving clothing drive and of sending wearing apparel to the state school at Gainesville. Mrs. J. M. Weinzapfel gave the library report.

After adjournment Mrs. Clyde Fisher was hostess for a social period and served cup cakes and coffee.

Bazaar by CDA Is Termed Highly Successful Event

Weary but happy Muenster Catholic Daughters of America closed their holiday bazaar Thursday night after a three-day run in City Hall and gave a report at their November meeting Friday night.

The bazaar featured hundreds of hand made items and a long line of home made delicacies. At times the place was a "mad house" — the kind of excitement women shoppers love.

Popular items sold out two and three times and members rushed to make more to supply the demand. Baked goods came in fresh every day.

The event was a benefit for the court's charitable projects which include communion bread for the parish, City Library and an adopted Korean family and members paid a hundred dollars on their hospital pledge.

Mrs. R. R. Endres won the fruit cake given as a door prize and the life-size rag dolls went to J. M. Weinzapfel and Elmo Frost.

Firemen Are Feted At Annual Dinner

Muenster Volunteer Fire Department members were treated to their annual dinner Sunday night. Others present were their wives, city officials and employees and their wives or dates, Commissioner Earl Taylor and his wife, Dr. and Mrs. Kenneth Dobbs and Father Bruno Fuhrmann for a total of 53.

Rohmer's Restaurant catered the fried chicken and baked ham dinner. After the meal the group played cards.

Carol Ann Hess And Robert Fitsch Say Vows at Mass

— Boyd and Breeding Photo

Miss Carol Ann Hess, daughter of Mr. and Mrs. Alois A. Hess, became the bride of Joseph Robert Fitsch in Sacred Heart Church at 4 p.m. Saturday with Father Alcuiu Kubis officiating at the nuptial high mass and double ring ceremony.

The groom's parents are Mr. and Mrs. William M. Fitsch of Fort Worth.

Miss Jane Hess was her sister's maid of honor and Mrs. William Schneek of Irving was bride's matron. They wore identical street length dresses of emerald green peau de soie satin with elbow sleeves and pleated bell skirts. Their small pillbox hats and gauntlets were of the same fabric and they carried peppermint carnations in colonial arrangement.

William Fitsch Jr. of Fort Worth was best man for his brother and William Schneek was groomsmen. Eddie Joe Schmitt and Edward Stanton of Denver, Colo., cousin of the bride and friend of the groom, respectively, ushered. The bride's brother, Dennis Hess of Subiaco, Ark., was head server.

Presented By Father

The bride was given in marriage by her father. Her formal gown of parchment satin with long petal point sleeves and Sabrina neckline was accented with a Chantilly lace bodice and apron effect and the bell skirt extended into an aisle-wide chapel train. A crown of pearls and sequins held her waist length veil of tiered nylon tulle and she carried a linen and lace handkerchief which her mother and grandmother, Mrs. Joseph Hundt, carried at their weddings. Her flowers were white roses in a colonial bouquet. After mass she placed pink roses on the Blessed Virgin's altar.

Mrs. Rody Klement was vocal soloist, Anthony Luke played the organ and Sacred Heart men's choir sang the mass.

Wedding Reception

Reception and smorgasbord were held in the Parish Hall

225 attending. Mrs. Joe Lehnertz catered and Miss Joan Hundt of Dallas and Miss Barbara Schmitt, cousins of the bride, presided at the guest book.

For her daughter's wedding Mrs. Hess wore a beige ribbon lace dress with matching accessories and Mrs. Fitsch, mother of the groom, wore an aqua peau de soie dress with matching accessories. Both had orchid corsages.

Grandmothers of the couple also had corsages.

When the newlyweds left on a trip she was wearing an emerald green suit with brown accessories. They will make their home in Irving.

The bride is a graduate of Sacred Heart High and her husband is a graduate of Laneri High and attended Texas Christian University. He has just completed six months of active duty with the army reserves at Fort Meade, Md.

Out Of Town Guests

Among out of town guests at the wedding were the groom's parents, and his grandparents Mr. and Mrs. Joseph O'Hagan and Mrs. Margaret Fitsch of Sherman; the bride's two grandmothers Mrs. Joseph Hundt of Lindsay and Mrs. J. W. Hess, Mr. Hess, a patient at M&S Hospital, missed the wedding but saw the bride and groom when his granddaughter and her new husband went to visit him after the ceremony and presented him with a boutonniere.

Other guests, from Fort Worth, were Mr. and Mrs. O. H. Lamsens, Misses Carol Lee Sicking, Delores Perkins, Pat Lane, Marianne Searcy, Jane and Ruthie Endres, Dorothy Zimmerer, Frieda Koenig and Gwen Whitmore; Mr. and Mrs. W. G. Norris, Bill Fitsch and Judy, Tom Riney, Richard Haskel, Lou Prononce, Bobby Kinkley and Mr. and Mrs. R. J. Dilger.

Also Mr. and Mrs. Charles

Fitsch and son Paul of Houston, Mr. and Mrs. Leo Schmitt of Mabton, Wash., Mr. and Mrs. John O'Hagan and children of Kilgore, C. E. Taylor of Memphis, Tenn., Mrs. Fred Hannah of Sherman.

Mr. and Mrs. A. C. Flusche of Denison, Mr. and Mrs. Frank O'Hagan and son Frank Jr. of Waco, Mr. and Mrs. Henry Flusche and daughters, Mr. and Mrs. W. D. Wrenn, Mr. and Mrs. Francis Dieter, Miss Ann Luke, and Herbert Hundt Jr., all of Dallas.

A color-blind person usually can see better in the dark than a person with normal eyesight.

Local News BRIEFS

Mr. and Mrs. Maynard Williams and daughters Mary Ann, Gayle and Pattie of Washinton, Mo., returned home Monday after a four-day visit with his parents, Mr. and Mrs. C. L. Williams at Bonita and visits here, in Myra and in Gainesville with his sisters and brother. The family was all together for a reunion dinner Sunday at Bonita. Pattie Williams was getting a lot of attention. It was her first visit with her daddy's family.

"Pheasants by the bushes" is how T. M. Hammer describes seeing the birds while he was hunting in Liberal, Kansas. But for only two days out of four was the weather favorable for hunting. The other two days were cold and

rainy. He visited his son and daughter and their families, the Tom Hammers and Rolland Patricks and the men went with him. Frozen pheasant came home with Mr. Hammer and he has plans for another trip during more favorable weather.

Mr. and Mrs. J. M. Weinzapfel returned Tuesday night from Dallas where they attended a two-day convention of the National Agricultural Credit Corporation sponsored by the American Bankers Association. Headquarters were at the Statler-Hilton Hotel. Ladies' entertainment included a brunch and style show at Neiman Marcus and Mrs. Weinzapfel spent time browsing through the Public Library and book stores. They also stopped for a visit with Mr. and Mrs. Harlan Grimes at their home.

Visitors coming and going was the order of the day during the weekend at Mrs. J. S. Russell's home at Myra. Those in and out were the Robert

Bernaers and two daughters of Irving, Charles Bernauer of Fort Polk, La., and his wife and two children of Gainesville, Jimmy Russell of Ardmore, Okla., Mrs. Burt Russell, Mrs. C. D. Mitchell and Douglas and Miss Nancy Bernauer, all of Gainesville, and the Joe Russells and son Philip of Muenster.

Mr. and Mrs. H. N. Fuhrmann, their sons Michael and Francis and Mrs. R. R. Endres drove to Fort Worth Sunday for a visit with Mr. and Mrs. David Endres and their little son John David. The baby was dismissed from the hospital Sunday after medical care, recovered from illness. Joining the Muenster visitors was the Fuhrmann's daughter, Sister Mary Helen who teaches at St. Mary's in Fort Worth and was with the group for the afternoon.

Miss Ida Rohmer of Fort Worth was a weekend visitor with her parents, the John Rohmers.

Junior Cagers Of Public School Win 1 and Lose 2

Junior boys of the Muenster Public School have broken even in their basketball season so far. Last Thursday they lost 27-23 to Forestburg and Monday they clipped Sacred Heart Cubs 43-4. Junior girls were swamped 64-4 by Forestburg.

The teams will compete in a district loop which will determine winners at a tournament on January 25-26-27. They also have twelve other games scheduled to date.

On the boys' team are Robert Russell, Bub McElreath, Chris Cain, Glenn Fleitman, Jimmy Don Robison, Richard Embry, Terry Cason, Sammy Sparkman, Ronnie McElreath and Ray Rumley.

The girls' team includes Debbie Russell, Debbie Cain, Sherrie Pittman, Nancy Roper, Linda Wilson, Linda Sue Owens, Sharon Williams and Becky McElreath.

19 Boys, 28 Girls Report at MHS For Basketball

Shortage of players, the big problem on the Hornet football team this year, is not bothering Coach Glenn Richardson as he starts shaping up the two Muenster High basketball teams. Nineteen are out for Hornet practice. That's more than the football squad had. And 28 have reported for the girls team.

Heading the Hornet team are three of last year's starters: Harold Flusche, Mark Hellman and Noble McElreath, and other lettermen James Whitt and Roy Monday.

Former starters on the girls team are Della Wimmer, Jo Ann Fisher, Dyann Hellman, Bobbye Tuggle and Sandra Cain. Experienced reserves available are Dolores Monday, Betty Jean Klement, Carolyn Russell and Dianne Horn.

On schedule before and during Christmas holidays are ten games and two tournaments. Conference games will begin on January 5.

The pre-conference schedule is as follows:

Nov. 14, Sacred Heart, there
Nov. 17, Collinsville, here
Nov. 21, Pilot Point, here
Nov. 24, Forestburg, there
Dec. 1, Lindsay, here
Dec. 5, Sanger, there
Dec. 12, Sanger, here
Dec. 15, Pilot Point, there
Dec. 19, Forestburg, here
Dec. 22, Sacred Heart, here
Tournament invitations accepted are at Collinsville on Dec. 7-8-9 and Springtown on Dec. 27-28-29.

There are 85 million Americans licensed to operate automobiles — representing 61% of the country's adult population.

Final Rites Held For Ellen Cochran

Mrs. Ellen Cochran, 78, long-time Marysville resident, died at her home Tuesday about 8:45 a.m. after an extended illness.

Funeral services were held Wednesday afternoon at Marysville Baptist Church and burial was in Marysville Cemetery. George J. Carroll and Son Funeral Home was in charge of arrangements.

Mrs. Cochran was born July 9, 1883. Her survivors include one daughter, Mrs. Lena Owens Wilcox of Marysville, four sons, 14 grandchildren and one sister.

At Kin's Funeral

Mr. and Mrs. Earl Robison and son Jimmy were in Oklahoma Monday for the funeral of her aunt, Mrs. Jessie Holcombe, 78, who died at Marlow early Sunday. Services were held at 2 p.m. in Marlow Baptist Church and burial followed at Duncan. Mrs. Holcombe was a former Marysville resident. Among survivors are two daughters and a son. Her husband died a number of years ago. Other area relatives include Ivan Davidson of Muenster, a nephew, and Mrs. A. S. Holcombe, a niece, and Mrs. Alice Reeves, a sister-in-law, both of Gainesville.

Marysville News

By Mrs. John Richey

A visitor several days this week with Mrs. Ollie Huggins and Mr. and Mrs. Ernest Huggins was Mrs. Agnes Parish of Fort Worth.

Mrs. Alys Graye is a patient at Methodist Hospital in Dallas where she had surgery this week. Her room number is 462. Cards will cheer her.

Lt. and Mrs. Ralph Cole and daughter Melissa left Sunday for Fort Polk, La., after a weekend visit at their Gainesville home and with his parents, the J. T. Coles. Mrs. Ralph Cole and daughter had been at Hondo two weeks visiting her family until they could join Lt. Cole. They made arrangements for the moving of their household goods to Leesville, La., where they will live while he is stationed at Fort Polk.

Mr. and Mrs. Eddie Collins and children of Lewisville were weekend visitors with her parents, the Charlie Winchesters. Mr. and Mrs. Winchester visited in Lewisville Friday and brought Laurie and Gary Collins home with them for an extra day of visiting before their parents came.

Barbara Davidson, daughter of Mr. and Mrs. Charles Davidson, fractured her collar bone Sunday afternoon in a fall during play.

Mr. and Mrs. Max Harrell and children Kim and Rex visited Friday overnight with her folks, Mr. and Mrs. Bill Moon.

Visitors were coming and going at the home of Mrs. B. G. Lyons for four days — Friday through Monday. Those in and out were Mrs. Queenie Bone and son Bud of Dalllas, Mrs. Vivian Maupin of San Antonio, the Ed Eastins of Denton, Mrs. Marie Stiles and Mrs. Beverly Eastin and daughter Kim of Gainesville, and Mr. and Mrs. Bill Pace and daughter Merinell of Ardmore.

Monday and Tuesday guests of V. M. Ramsey and the Sam Sparkmans were Mr. and Mrs. Roy Ramsey of Dallas, who also visited his brother and family, the Melton Ramseys at Muenster.

Marysville Methodist congregation held their regular social and supper at the parsonage Saturday night. Rev. and Mrs. Don Gleckler of Dallas were in attendance and he conducted the church services Sunday.

Rev. Henry Mazingo conducted Sunday services at the Baptist Church. He was accompanied by Mrs. Mazingo and Shirley and they were dinner guests of Mr. and Mrs. John Richey. Linda Whitt also was a dinner guest. Afternoon visitors were Mr. and Mrs. Earl Cochran and granddaughter Anna Lois of Gainesville.

Mr. and Mrs. R. D. Morris returned home Friday after a week's visit in New Mexico and welcomed guests the same day. Their daughter and family, the Bob Grobers of Muskogee, Okla., were visitors through Sunday.

A full house gathered at the Joe Doughty home Sunday for dinner. Enjoying the gathering with the couple were all their children and grandchildren; the Sheldon Doughtys and family of Valley View, the Weldon Doughtys and family of Muenster and Douglas and Wayne Doughty. Another guest was Miss Glenda Bridges.

Mr. and Mrs. W. F. Davidson, accompanied by Mrs. J. N. Shaw, drove to West View Friday afternoon and were overnight visitors in the Bill Roe home. Saturday Mr. and Mrs. Roe and daughters and the Davidsons and Mrs. Shaw all drove to Fort Worth and had dinner with Mr. Roe's sister and family, the Richard Martins. Afterwards they all visited Mr. Davidson's brother, Allan Davidson.

Mr. and Mrs. Jack Tuggle and children visited in Commerce Sunday with the Lewis Traylors. The men are old army buddies and recalled their days at Camp Rucker, Ala.

Tillman Bridges is a patient at Gainesville Sanitarium and his wife is staying at his bedside.

Mr. and Mrs. J. T. Cole were in Galveston this week attending the Farm Bureau's state convention. Accompanying them were Mr. and Mrs. Kenneth Rivoire of Gainesville.

Mr. and Mrs. John Morris of Gainesville were Sunday visitors with the Rafe McElreaths and Becky.

The young couple walked into a car dealer's showroom and was taken aback by the suggested price of a compact car.

"That's as much as the cost of a big car," the husband said. "Well," said the salesman, "if you want economy, you've got to pay for it."

Hightower - - -

District composed of Cottle, Foard, Hardeman and Wilbarger Counties. He did not seek re-election.

He was appointed District Attorney, assuming office January 1, 1955, and was elected in 1956 and 1960, each time without opposition.

He is a past president of the Texas District and County Attorneys Association. He also served as a member of the Texas Law Enforcement Study Commission and received the honor of being designated as "Outstanding District Attorney of Texas" in 1959 by the Texas Law Enforcement Foundation.

He served in the United States Navy in World War II. In connection with announcement of his resignation as District Attorney and as a candidate for Congress from the 13th District, Mr. Hightower issued the following statement, briefly outlining his position on national issues now confronting the people of this district and the entire United States.

"I regard the security of the United States and the entire free world as the paramount issue of our time. The maintenance of a strong defense must be given priority over all other considerations. Our defense must be adequate for any emergency, supported by an equally strong national economy. However, it is not necessary to put the Constitution in cold storage or to continue the policy of unbalanced national budgets.

"The international crisis now faced by the free world is not a temporary emergency. Tensions between the Communist Empire and the free nations will continue. Therefore, to deal with this constant crisis as if it were something which would soon pass is to invite disaster.

"America must be strong — strong militarily, strong in industrial productive capacity, strong in public finance and above all strong in moral integrity.

"The American people have risen to every national emergency in their history. In World Wars I and II our country became the arsenal of democracy and our immense productive capacity plus our willingness to sacrifice quickly brought total victory. The spirit which brought us safely through those days is needed now. We cannot afford the

luxuries of waste in either public or private affairs or social experiments or projects not necessarily required for meeting the nation's primary needs.

"I favor continuation of foreign aid but believe our help should be confined to nations which are trying to help themselves and will, if the necessity arises, fight on our side. The American taxpayer cannot carry indefinitely the burden of solving all the problems of the world, particularly in those nations which choose to be what they call neutral or uncommitted.

"I believe the American people can maintain a strong national defense, do everything we need to do in aiding other nations, and continue to grow and progress with a sound economy without continuing to add to the national debt.

"I believe the idea of states rights carries with it states responsibilities and that the best way to combat the creeping paralysis of concentration of authority in the Federal Government is for the states and local communities to solve their own problems. I oppose Federal aid to education and socialized medical service. I support a farm program based on sound economics with a minimum of government control and a maximum of individual freedom in order that American farmers may again enjoy freedom of choice and decision.

"I believe in the right of workers to organize, choose their own bargaining agents and negotiate with management in an atmosphere of mutual respect and freedom without undue pressure or intervention from government representatives.

"I favor maintaining the present oil depletion allowance as essential to a strong and healthy oil industry which is so vital to the national defense.

"I favor retention of the Connally amendment to the treaty establishing a world court which reserves to this country the right to determine what cases shall be submitted to this international tribunal. "I am a lifelong Democrat and have consistently supported party nominees. I will be anxious to discuss these and other issues of personal or national importance at any time."

Garden Club Sets Yule Bazaar as Benefit for Dec. 2

A workshop on Christmas gift ideas and decorations and plans for a holiday benefit bazaar occupied members of the Muenster Civic League and Garden Club at their November meeting Monday night.

Miss Doris Vavra was in charge of the program and showed a number of centerpieces and ornaments for home decor and Christmas tree decoration.

Members set Saturday, Dec. 2, as the date for their Yuletide bazaar. Proceeds will go to the club's project of landscaping Muenster Memorial Hospital grounds. Place for the event will be the Youth Center.

Items for sale will include Christmas centerpieces, door decorations, stuffed toys, old-fashioned doll cradles, fancy gift boxes, and baked goods and candies.

Members decided that the Garden Club will again illuminate the large tree at the city marker for the holidays. Mrs. Ted Gremminger and Mrs. Earl Fisher were co-hostesses in the Gremminger home and served refreshments as members arrived. Twenty-one were present.

Catching everyone's eyes were three African violets in full bloom displayed on the coffee table by Mrs. Fisher. Other floral arrangements consisted of garden chrysanthemums and fall blooming irises.

Mrs. L. B. Bruns, club president, conducted the meeting and members answered roll call by telling about a gardening mistake they have made.

Turkey Dinner at St. Mary's Sunday
 Saint Mary's Parish of Gainesville is sponsoring its annual Thanksgiving dinner Sunday, Nov. 19, at St. Mary's School and extends a general invitation to all to attend.

Serving will start at 4 p.m. and continue until 8 p.m. Dinner menu will feature turkey and all the trimmings. Price for adults is \$1.25 and for children fifty cents.

George Washington and James Madison were the two signers of the Constitution who later became U. S. Presidents.

Tank Gives Myra More Water and Fire Protection

Myra's water situation is vastly improved with completion of its new elevated water tank. Now there's plenty of volume and pressure for all, also a connection for rapid filling of tank type fire trucks in case of a fire. Also considered is a connection for a fire hose, especially since the tank is high enough to assure adequate fire hose pressure to most parts of town.

The fire truck re-fill arrangement is an important asset. Formerly a truck would have been out of business when its tank went dry. Now it can be back on the job in minutes. The 4 inch connection is also intended for use in filling commercial water trucks.

The entire unit was built on contract by J. P. Flusche for the owner, David Black. Its 43 foot tower, weighing 9567 pounds, is built of 4, 5, and 6 inch angle iron and it rests on cement blocks extending 10 feet down to rock.

The 12,600 gallon tank is made of 1/4 inch steel and plastic lined to prevent rust indefinitely. Its top is 19 feet above the tower. An extra heavy crane with high boom was moved in from Iowa Park to set the tower on the base then the tank on the tower. Water for the tank is supplied by a 900 gallon per hour submersible pump drawing from the Trinity sand.

Mrs. Wieler Hosts Get-Together Club

Get-Together Club members had their November social with Mrs. John Wieler as hostess entertaining in her home. She served ice cream, cake and coffee after a progressive 42 series.

Winners in the games were Mrs. Joe Luke for high score, Mrs. M. J. Endres for low tally and Mrs. Al Walter who secured the galloping award. All 12 members were present. For the December meeting Mrs. J. B. Wilde will entertain in her home.

Surprise Greet The Al Schmitts on 25th Anniversary

A surprise celebration marking their silver wedding anniversary honored Mr. and Mrs. Al Schmitt Sunday afternoon at their home. Their children planned the party and their daughters served cake and coffee to about 30 guests.

The surprised honorees displayed anniversary gifts.

Among those present were Mrs. Schmitt's father Ben Otto and her brothers Jim and Melvin of Gainesville, a son Harvey Schmitt, home from Fort Polk, La., and Mr. Schmitt's brother and his wife, the Leo Schmitts of Mabton, Wash.

Al Schmitt and Evelyn Otto were married here in Sacred Heart Church on November 12, 1936. They manage a farm and raise poultry west of town.

They have five children: Harvey in the service and Loretta, Thomas, Joyce and Doris at home.

IT HAPPENED 20 YEARS AGO

Nov. 14, 1941

Muenster quota in Red Cross drive is \$120. Mrs. G. H. Hellman is chairman. Five loads of turkeys are shipped from FMA in Thanksgiving program. Garden Club hears Mrs. Margaret Scruggs Caruth of Dallas on the art of flower arranging. Group of Muenster people attend Armistice Day field mass at Shepard Field. Evelyn Swinger who is employed in Scotland was at home over the weekend. Father Richard Evelt and Henry Luke attend K of C initiation at Megargle. Pvt. Jimmy Lehnertz is assigned to Camp Wallace. Roy Endres Jr. and Elitha Neu marry at Lindsay. Christine Knabe and Frank Hellinger marry here. The Felix Yostens announce arrival of Linda.

15 YEARS AGO

Nov. 15, 1946

Urban Endres is appointed local Ford dealer. Milk receipt at FMA cheese plant are down 20 per cent below last year's figures. Nick Miller installs new cleaning machines. Parish Holy Name Society organizes discussion club. Fire at John Klement garage is put out with garden hose before damage results. Season's first frost arrived Monday morning. Drive begins to raise funds for local lawn mower factory. Work starts on new home for the Steve Mosters. Mr. and Mrs. Tony Fuhrmann celebrate their 35th wedding anniversary. The Joe Knauks announce arrival of Eileen. The David Trachtas are back from their wedding trip.

10 YEARS AGO

Nov. 16, 1951

Richard Stark wins race for state representative. A. H. Rebertish, 75, of Dallas dies. Anna Grace Herr reigns as queen at MHS Homecoming. Gladys Hoffman is queen at SH Homecoming. Harold Walterscheid who is working at Petrolia was at home for the weekend. Several from here attend dedication of new Rhineland church. Lillian Vogel is named president of MHS Alumni group. Marion Berend undergoes major surgery in a Dallas hospital; she was hurt in a car accident on August 20. Verena Henschel returns to REA job after a week's vacation. Pfc. Alvin Fuhrmann, stationed in Germany, writes about visiting in Attendorf, Westphalia, where his maternal grandparents once lived and a cousin still resides. Ed Endres is recovering from bone surgery on his right arm.

5 YEARS AGO

Nov. 16, 1956

Ed Eberhart is a patient at M&S Hospital following a stroke. Mrs. Joe Pautler sustains a broken right arm in a fall. Mr. and Mrs. Nig DeBorde move to the city from south of town to occupy the former Nathan Whitt place which they bought. Muenster Band and director Jimmy Harris prime for marching contest in Interscholastic Region X at Grand Prairie Nov. 20. Marine Pat Stelzer arrives from Hawaii for 30-day leave before reporting to Camp Pendleton, Calif. Volunteer firemen are treated to annual dinner. Garden Club begins work on float to enter in Christmas parade. Four-H clubbers are honored at County achievement banquet; Frank Sandmann of Lindsay is this year's Gold Star Boy. Several hundred people attend MHS Homecoming ceremonies and game; Miss Mary Pick is crowned homecoming queen.

Archer City Man Is Candidate in Special Election

Jimmy P. Horany, a local Democrat of Archer City, announces that he is a Democratic Candidate in the Special Election for Congress for the 13th District of Texas.

Horany was elected in 1960 as the Democratic Elector for the 13th District for President Kennedy and Vice-President Johnson. He is a former Legislator for Archer & Clay Counties, he served as County Chairman for the Democratic Party of Archer County from 1952 to 1956, and as District Commander of the American Legion in 1954-56. He has been very active in Civic, Church, School and Veterans affairs for Archer City and Archer County, and has headed many worth-while projects during the past 14 years. In 1943 he was married to Virginia Kouri of Wichita Falls, and they have four children.

Horany practices law, is the Manager and a Partner of Horany's Dept. Store, and a Real Estate Dealer.

Mrs. Leo Lawson Hosts Tuesday Club

Tuesday Nites Club members had their November social with Mrs. Leo Lawson as hostess in her home and table games entertaining the group.

During the evening the club made plans for the annual Christmas party and drew names for a gift exchange. Members have planned to eat dinner out and have their husbands as guests.

To close the evening Mrs. Lawson served a dessert plate and coffee to Mes. James Mollenkopf, Bill Hunt, Jack Tuggle, Charles Davidson, Leonard Owen, Melton Ramsey, members, and Mrs. C. M. Walterscheid, a guest.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

There are several practices recommended by the Soil Conservation Service which protect valuable cultivated land from erosion and one of the most widely used and effective is the field terrace.

Until the last few years most terraces were built with a prescribed grade which resulted in a great number of point rows. Soil technicians now recommend construction as nearly parallel as possible where slope and terrain permits. This method provides longer rows, reduces number of point rows and greatly speeds farming operation. As a rule, an increase of five to ten percent increase in yields can be expected from this conservation practice, and terraces planned, constructed and farmed as they should be will last a life time.

Martin Trubenbach and the Cler brothers are conservation farmers who recently have constructed terraces in the Muenster area.

Terraces without safe outlets are worse than no terrace at all, point out soil technicians. Excess water must be released on a grassed waterway or a suitable pasture. This calls for some advance preparation and now is the time for landowners to prepare for the waterways they

will establish next spring.

Research has shown that Bermuda grass makes the safest and most effective outlets. It has several advantages. Waterways, like terraces, must be properly planned, constructed and maintained for maximum benefits. Improper use and lack of fertility destroy many waterways. Bermuda grass needs to be kept at four to six inches in height and fertilized with 30-30-0, or 0-40-0 with a legume.

Waterways in cultivated fields can best be used for hay and under good management will produce from two to four tons of high quality hay each year.

Remember, terrace outlets best established before terraces are built, soil conservation service technicians emphasize.

Technicians of the Muenster

office have staked waterways for Frank Schilling, Tony Trubenbach and Joe Vogel on a Dangelmayr farm and are ready to assist other landowners in conserving the soil.

Maybe I'm old-fashioned, but I still think a spanking is administered at one end to impress the other.

For 1962...an all-new kind of Ford!

the car that's just right for just about everybody
right size... right price...

You've never seen anything like it, because *there's never been anything like it . . . until today.* On the outside the new Ford Fairlane 500 measures a quick 197 inches from stem to stern. A good foot shorter than the cars from which it borrowed its name, it calls the snuggest parking places home. At the same time, *on the inside* the new Fairlane 500 is every inch as big as some of the biggest Fords ever built.

The new Fairlane 500 is priced way under previous fairlanes, well under many compacts. But Fairlane economy doesn't stop with a pretty price tag. It runs so amazing gas savings—with the world's first economy V-8 or the nickel-nursing Fairlane Six. Routine service is reduced to a minimum—30,000 miles on many items, only twice a year or 6,000 miles on the rest. And it adjusts its own brakes.

right between Galaxie and Falcon

- RIGHT! Big-car room, ride, performance.
- RIGHT! Compact-car price, economy, handling.
- RIGHT! Only car anywhere near its price with the twice-a-year maintenance schedule first introduced by Galaxie.
- RIGHT! Unique economy choice: the world's first economy V-8 or the delightfully thrifty Fairlane Six.

- RIGHT! Fine-car upholsteries, appointments, luxuries.
- RIGHT! The built-in value that pays off in pleasure now—and in profit when it comes time to trade.
- RIGHT! Quality and precision craftsmanship you've never before enjoyed in any car anywhere near its low price.

RIDE HIM COWBOY—This spider monkey has been greatly influenced by the TV cowboy. However, the nearest thing to a horse his size is his best friend, a dog named Tipp. The cowpoke and his "steed" live in Austin, Tex.

Mrs. Ervin Hamric Is Guest Speaker At NCCW Meeting

Members of the Sherman Deanery National Council of Catholic Women, meeting in quarterly session in Valley View, heard Mrs. Ervin Hamric of Muenster as the featured speaker. She discussed volunteer work at the Denton State School and explained Gray Lady activity.

Mrs. Hamric, a Gray Lady, also conducted a question and answer session in which most phases of volunteer work with handicapped children at Denton was covered. She was introduced by Mrs. A. A. Rolfe of Sherman, deanery chairman of the Social and Charitable committee. Mrs. Rolfe reminded members to be mindful of less fortunate at Christmas and suggested other ways in which charity is rewarding to those who give while benefiting those who receive.

Mrs. Lawrence Zimmerer of Lindsay, deanery president, presided and Mrs. Leo Prescher of Valley View extended

welcome from the host parish. Msgr. Thomas S. Zachry of Denison introduced visiting clergy. Those present were Father Martin Fischer of Muenster, Father Joseph Thomas of Denton, Father Edward Devers of Sherman, Father John Gillispie of Pilot Point and Father Anthony Gajda of Valley View.

Parish presidents gave their quarterly reports, Mrs. Paul Fisher reporting for Muenster in the absence of the president, Mrs. Herbert McDaniel.

Principal business was decision to change meeting time from afternoon to morning. The new arrangement provides for a luncheon meeting, those attending bringing their food for the noon meal.

Business is scheduled to start hereafter at 11 a.m. with a morning session followed by lunch and an afternoon session followed by Benediction. Previously meetings began with Benediction and concluded with refreshments served by the host parish.

The next meeting will be on February 8 with members of St. Mary's parish in Gainesville as hostesses.

About 75 were present for the Valley View meeting Thursday in the community center building and benediction in St. Thomas Church. Hostesses served coffee and cookies to close the afternoon.

Parishes represented at the meeting were Muenster, Lindsay, Gainesville, Denton, Denison, Valley View, Pilot Point, and Sherman. Attending from Muenster were Mrs. Joe Swirzynski, Mrs. Gary Hess, Mrs. Ervin Hamric, Mrs. Henry Pick, Mrs. Paul Fisher.

Judge Purcell of Wichita Falls in District 13 Race

Judge Graham B. Purcell, Jr., Democratic candidate for Congress in the upcoming special election, says he will bring his campaign to every part of the 13th Congressional District.

Purcell, judge of the 89th District Court at Wichita Falls since 1955, paid tribute to outgoing Rep. Frank Icard in his announcement and said that he'd feel it a privilege to be associated with the present administration.

"I am a life-long Democrat, have always been a Democrat and am running as a Democrat in this race."

Purcell, who has a long record of civic, religious and youth service in his community, stressed moral values in his announcement.

"Integrity in public office and strengthening the moral fiber of our entire citizenship is, in my opinion, an important duty of our national leaders. I will strive to carry out the duties of this office with this obligation in mind."

Purcell, a five-year combat veteran of World War II, has had experience and training which uniquely qualifies him for federal legislative office. He holds a bachelor of science degree in agriculture from Texas A&M College (1946) and a law degree from Baylor University (1949).

The three main racial divisions are white, yellow and black.

An exasperated salesman abandoned his car in a no parking zone, and left this note:

"I've circled this block twenty times. I have an appointment and must keep it or lose my job. Forgive us our trespasses."

Upon returning, he found a parking ticket with this note:

"I've circled this block twenty years. If I don't give you a ticket I'll lose my job. Lead us not into temptation."

A man who wanted to buy a riding horse for his wife went out to the stables and tried one out. Noticing that the horse was quite spirited and required a firm hand he inquired of the owner, "Do you think that a woman could handle this horse?"

"Well," replied the owner after some deliberation, "let's put it this way. A woman could handle that horse all right, but I'd hate to be the husband of the woman who could do it."

Local News BRIEFS

Miss Karen Endres and her roommate Miss Kathleen Jerick, of the University of Dallas spent the weekend with Karen's family the Paul Endres. It was Miss Jerick's first visit in Muenster. Her home is in Wichita, Kansas.

Former Muensterites Mr. and Mrs. Leo Schmitt of Mabton, Wash., are visiting family members here and her father, J. W. Hess at M&S Hospital and attended the wedding of their niece, Carol Ann Hess.

Visitors the past week two days with the Tony Wimmers, Bernard Wolfs and Marcus Fuhrmanns were the ladies' sister Mrs. C. W. Monaghan of Wylie and her sailor son, Tommy, on leave from Navy duty.

Reynold Reiter writes of safe arrival in Honduras, Central America, after being delayed in making the trip on account of Hurricane Hattie. Among other workers for the engineering company in Honduras is former Muenster resident Glenn Coffman who moved from here to Oklahoma. The trip's delay gave him the opportunity of welcoming his new son. The couple has three children now.

Early Thanksgiving celebration was had by the M. F. Milners here while the family could be together. The reunion and dinner were Saturday with Lt. and Mrs. Lawrence Milner and the Frank Haynes Jr. and children Marie, Kenneth and David present. Lt. Milner had a four-day leave from Keesler AFB, Biloxi, Miss., and they also visited her parents at Sherman. The Haynes family came from Eules for the weekend.

Visitors here last Wednesday with the Hoffman and Gremminger kinfolk were Mrs. Billy Joe Mayer and daughter Stacie and Mrs. Robert Mayer and daughter Laina of Pilot Point.

Mr. and Mrs. Albert Hess have named their baby son Clarence Joseph. His uncle and aunt, the Albert A. Knabes, are his godparents. Father Martin Fischer conducted the baptism service.

Telephoned birthday congratulations greeted Mrs. Albert Hess when her son and daughter-in-law, Mr. and Mrs. Leo Hess visited long-distance from Chula Vista, Calif. The November 9 birthday also brought a letter of greeting from Airman Pat Hess to his mother. Pat mentioned receiving a promotion to Airman First Class. He is stationed in Germany.

Former area residents back for a recent visit were Mr. and Mrs. Mabe Barbee of Quannah who hadn't seen the Muenster-Marysville relationship in over ten years. They were guests of cousins, the J. W. Fletchers and the J. M. Shifflets and went from here to Decatur to visit relatives

and then to Pilot Point to visit more cousins, the E. M. Shifflets.

Little Miss Kathy Selby visited Thursday over night and Friday with her grandparents, Mr. and Mrs. Doyle Selby at Era.

Mr. and Mrs. Bob Grober and children Ronnie and Penny of Muskogee, Okla., returned home Monday after a four day visit with members of her family. Thursday they visited her sister and family, the Walter Haverkamps at Whitesboro, then spent through Sunday with Mrs. Grober's parents, Mr. and Mrs. R. D. Morris and her sister and family, the Regan McElreaths.

Mr. and Mrs. Herman Gay of Canton were here one day last week to visit the Needham family and made a pop call at the Don Cooke home. They also visited Mrs. Gay's aunt and uncle, the Charlie Randalls at Myra and then took off for deep sea fishing at Port Aransas.

Friends they hadn't seen in about fifty years visited the Needhams Sunday after spending the day with Miss Lavonia Williams. The visitors were Mr. and Mrs. Bill Carnes of Caddo, Okla.

Californians on their annual visit here arrived Wednesday. They are Mr. and Mrs. Al Alford of Orange, Calif., who are with her mother, Mrs. John Coursey. They'll also visit members of his family in Louisiana before they return home.

A nice surprise for Mrs. M. J. Endres was having her son and family, the Len Endres, of Dallas, drive up Sunday at noon bringing a fully cooked dinner for ten. With the Len Endres were their children Mary, Suzy, Jean and Nicky and their married son and his wife, the Kenneth Endres and their seven-month-old daughter Kathy. Dallas will be home for the Kenneth Endres until the first of the year. They live in Columbus, Ohio, but he is temporarily assigned to auditing work in Dallas. For Kathy it was a get-acquainted visit with her great-grandmother.

Visiting in the home of Mr. and Mrs. J. A. Klement over the weekend were their daughter and family, the Dick Schleichers and Curtis and Susan, Fort Worth, and David Klement of Denton. David had just returned from Miami Beach, Fla., and told interesting highlights of his trip. He represented North Texas State University's college newspaper at the national convention of the Associated Collegiate Press. He is editor of Campus Chat and it was an all-expense paid trip. Convention headquarters was at the fabulous Fountainbleau Hotel at Miami Beach.

Scoutmaster Nick Miller and 13 boys of Troop 664 had an overnight campout during the weekend. They spent Saturday afternoon and Sunday at Ben Voth's lake site. Some of the Scouts passed cooking tests on the outing.

straight steer for meat lovers!

only GAS gives you flame-kissed steaks and roasts ...and no smoke!

Open the door to a gas broiler and take out your steaks... flame-browned outside, tender and juicy inside. You get the aroma—but not the smoke! With gas, you keep the oven door closed and let the flame consume the smoke. Meat lovers also appreciate the automatic meat thermometer on new gas ranges—to cook roasts to perfection! And the automatic self-basting rotisserie gives you evenly-browned, moist, delicious results every time. Isn't it time to treat yourself to the flavoring flame of a modern gas range? Buy today!

CASH IN ON THE GAS RANGE-O-RAMA AT GAS APPLIANCE DEALERS AND LONE STAR GAS COMPANY

The three main racial divisions are white, yellow and black.

An exasperated salesman abandoned his car in a no parking zone, and left this note:

"I've circled this block twenty times. I have an appointment and must keep it or lose my job. Forgive us our trespasses."

Upon returning, he found a parking ticket with this note:

"I've circled this block twenty years. If I don't give you a ticket I'll lose my job. Lead us not into temptation."

A man who wanted to buy a riding horse for his wife went out to the stables and tried one out. Noticing that the horse was quite spirited and required a firm hand he inquired of the owner, "Do you think that a woman could handle this horse?"

"Well," replied the owner after some deliberation, "let's put it this way. A woman could handle that horse all right, but I'd hate to be the husband of the woman who could do it."

Lindsay News

Tommy Zimmerer leads the B Honor roll at Subiaco Academy for the past six weeks according to a release or honor students names this week. His average is 97.4. Tommy is the son of Mr. and Mrs. Bruno Zimmerer.

Spending Sunday in Fort Smith, Ark., were Robert, Michael and Ronald Fuhrmann and Jolene Zimmerer who visited there at St. Scholastica's Convent with the Fuhrmann trio's sister, Candidate Margery Fuhrmann. They also visited Candidate Veronica Hess of Muenster, Aspirants Phyllis Bellinghausen and Linda Stoffels, Sister Brian Kruter of Ada, Okla., and Sister Olivia Graf.

Parochial Teams Win Two Games From Lindsay Hi

Sacred Heart's basketball teams opened their season Friday night with a double decision over Lindsay. The boys pulled a hot one off the fire by a count of 33-29 and the girls had an easy time winning 61-21.

In the opener Tigerettes

gained steadily all the way as Joyce Hacker piled up 37 points in three quarters. Carol Wimmer and Joyce Haverkamp made 13 and 6. Rosemary Hermes scored 12 for Lindsay.

The Tigers jumped to a 12-2 first quarter lead and Lindsay slowly closed the gap for second and third quarter counts of 19-12 and 27-25. Early in the fourth the Knights tied the score, then took a 29-27 lead. With 4 minutes to go the Tigers evened it and with 1½ minutes they took a 2 point lead, then added two free shots in the last minute. Tiger scorers were Wolf, 17, Virgil Hess 6, Frankie Hess 6, Hennigan 4. Lindsay's were Morisak 10, Haverkamp 8, Hermes 8.

Lindsay To Have Pre-Thanksgiving Picnic Sunday

Lindsay's annual Thanksgiving picnic will be an event of Sunday, held early so as not to conflict with Muenster's observance on Thanksgiving Day.

Sponsored by the parish St. Anne's Society, the party will begin at 2 p.m. and will feature the traditional program of games, eats, drinks and entertainment plus a gift shop and a parcel post booth. The sponsors invite everybody to attend. Parish Hall will be the scene of activity.

45 Report for Craft Club Meet

Forty-five children reported Monday afternoon for the Craft Club's meeting, and all groups were together to make toys for the boys and girls at Denton State School. Eleven leaders were present.

Children will have an opportunity to take their handwork in person to the school on December 8 when club members and leaders will visit between the hours of 1 and 4 in the afternoon.

The youngsters brought in their slogans and jingles in the Gold Bond contest and these are being judged. Winners are to be announced.

Refreshments for the children at Monday's meeting were cookies and hot chocolate.

Hornets Lose - - -

sent in several youngsters. They started by recovering Muenster's kickoff fumble but on the next play Wiesman retaliated by stealing a pass.

From midfield two tries gained 6 and Wiesman ripped off 12 to the 33. The next series fell short by 3 yards. Callisburg kicked to end its first series and Muenster was in possession again on its 48.

The first play stopped squarely on the center stripe as the first quarter ended and it marked the beginning of Muenster's rally, which lasted for the duration.

Next play Hellman made 9. Then Vogel, on a keeper, breezed around right end for 26 yards to the 15. Callisburg regulars rushed back to the field but Muenster's momentum had been started. Four tries from there did the job, Wiesman scoring from the 7. Callisburg snapped back with a pass for 19 yards to the Hornet 37. On that play Hellman's injury put him out for the rest of the game.

On the next series Callisburg failed by 4 yards and Muenster momentum was put in gear again. Three plays reached a first down on the Hornet 42. A 3-yarder and a penalty reached midfield, and Wiesman broke through the middle and almost got away. He was stopped on the 10.

Next three plays gained only 2, then Weldon Vogel connected with his brother Donnie on a jump pass for the tying score.

The tie did not last long, however. On the second play after kickoff Dougherty, the Wildcat speedster, got clear for 61 yards to the goal. A place kick was good and Callisburg was back in the lead 19-12.

Before the half the hosts threatened again. A pass for 30 and a run for 12 reached the Hornet 10, and two plays later the drive ended with a fumble on the 5.

Starting the third quarter the Hornets moved 29 yards to the Wildcat 31 and lost possession on downs. Next play they regained possession on a fumble. Then McElreath took Vogel's pass and reached the 3.

McElreath reached the 1 and the second play was short by inches. On the third Muenster sidelines cheered Vogel's apparent score but official's did not agree. They put it down, still inches short. An attempted end run on the final effort lost yardage.

The Wildcats took over but made no headway and kicked on their first series. From the 41 the Hornets got going again. Two passes got to the 11 but the next series fizzled out and Callisburg took possession on the 5.

Again the Hornets made an unsuccessful bid for a score. After forcing the Wildcats to kick on their second series, they started again from midfield.

They made one first down and kicked on the second series. Callisburg made no effort to handle the short kick but the ball brushed a Wildcat on its erratic bounce. A Hornet covered the ball and officials ruled that it was Muenster's.

Next play Vogel ripped off 12 to the 19. Three more plays fell inches short by a chain measure and the officials apparently forgot their count. They gave the ball to Callisburg, depriving the Hornets of their fourth down.

At that point Callisburg started clicking. Seven plays made 55 to the Hornet 36 and Dougherty got loose there for

Don Cookes - - -

married Don Cooke who was born at Hood in Cooke County on Jan. 31, 1888.

The couple met at Goree where the Halliburtons had moved and where Don Cooke went after staking a claim in New Mexico. They were married in the home of the bride's parents.

The young couple then moved to Elida, N. M., by covered wagon drawn by two red mules and leading a gray mare. The trip took nearly two weeks. Mr. Cooke had a home waiting.

In September 1912 they moved to Cooke County, in the same covered wagon, and settled in a house on the hill, six miles north of Muenster. It is still their home.

Mr. Cooke has quit farming and cattle raising now but he and his wife are anything but retired. They are both active in First Baptist Church. He is a deacon and Sunday School teacher and she is secretary and Training Union leader.

In addition to their son, Mr. and Mrs. Cooke have two grandchildren, Mrs. Gene Alexander and Don Cooke, and one great-grandchild, Dana Alexander, all of Fort Worth.

Mrs. Cooke has two sisters living, Mrs. T. O. Harvill of San Antonio and Mrs. H. G. Andrews of Fort Worth. Mr. Cooke has one sister, Mrs. John R. Rice of Wheaton, Ill., and three brothers, Bob of Abilene, Joe of Midland and Reeve Cooke of Muenster.

Among the many guests from a wide area attending the anniversary celebration were Mr. and Mrs. Joe Cooke of Midland, Mr. and Mrs. Jim Cooke and daughter Robbie, Mrs. Linn Cooke and Mr. and Mrs. Mack Cooke, all of Goree, Mr. and Mrs. Jerry Venable and four children of Gordon, Mrs. Owen Witherspoon of Ector and Susan Elaine Wheelock of Abilene.

Also Messrs. and Mmes. Dutch Cooke and Man Cooke and daughter of Keller, C. W. Miller of Fort Worth, and Roy McCarty of Sulphur, Okla., Mr. and Mrs. Otis Farrell, Mrs. Boyd Killingsworth and daughter Liza Lou and Mr. and Mrs. W. T. Carnes, all of Caddo, Okla.; Messrs. and Mmes. Bill Brooks and Sam Duffey of Fort Worth and dozens of friends from Marysville, Muenster, Myra, Gainesville and Saint Jo.

4-H Boys Discuss Projects, See Film

Sacred Heart 4-H boys tell of an interesting meeting for November with Brooks Smith, assistant county agent, giving a talk discussing projects - calves and sheep - followed by a film on wild life, including snakes with a lesson on how to care for snake bites.

President Dale Klement presided for the senior boys' meeting and Reporter David Fisher counted 26 members present.

the final TD. Akin added 2 points.

In the closing minutes Muenster made progress again, from their 20 to midfield, then ran out of time.

Confetti - - -

buy would cost much less. Guessing conservatively, a \$4,000 car could be reduced more than \$1,000. Other segments of our economy give us less for our money than farming does.

There's also the matter of investment. Over \$200 billion is tied up in farming, the biggest business of them all, and it's return is less than that from average good industrial stock. If all farmers last year could have put their investments in General Motors stock... and spent the entire year in rocking chairs... they would have ended with the same amount of money... without doing any work.

Those are some of the many reasons why farmers are entitled to lots of appreciation

in our current economy. But that's not all. They figure prominently in our future too. Through conservation and soil building and better production methods they are preparing for coming generations. We used to worry about food and fiber demand catching up with our production potential. Thanks to farmers, that emergency is being pushed back steadily.

Likewise flood disaster is tapering off. Dams that protect crop lands are also protecting cities.

These are things agriculture means to America. These are things that give the meaning to Farm-City Week.

The one who tries to mediate a family quarrel usually turns out to be a former friend of the family.
