## 3 Inch Soaker Wonderful for Area Crop Lands

A baffling paradox in the national administration's way of operating is its persistent claim that the American armed forces will be called upon if necessary to resist Soviet aggression in Berlin while it opposes efforts to instruct armed service personnel on the nature of their communist foe.

A classic example is the present hassle in Congress over the General Walker incident and withdrawal of two completely authenticated anti-communist films from the service men's indoctrination classes. Walker has been censured for exposing the baseness of red methods and ideals. The films have been taken out of circulation because they present similar facts about communist operations in this country.

In one breath the administration insists that it will stand firm against the arch enemy of mankind. In the next it censures those who attempt to reveal the real nature of that enemy. Why?

Is this another sign of weak kneed willingness to go along with the communist co-existence scheme? If so, we have reasons to worry. These attempts to keep the public, and especially the service men, from knowing the ugly facts about red aims and methods look alarmingly like conditioning us for a let down. Obviously people who know less about the evils of communism would have less objection to a deal with the communists.

The plot goes even deeper. Several senators are kicking up quite a fuss over the affair, and Defense Secretary McNamara has been called on the carpet. By normal standards this kind of clash would get a great deal of publicity. But what do we see or hear of it? One is inclined to think that news of it is deliberately kept from the public. You and I are not permitted to know things which arouse our anger against the reds. Nor are we permitted to know that our administration does not go along with a policy of exposing red treachery. What's the reason behind this American variety of censorship? Still more important, who are the censors that manage to stifle publicity on such matters?

We can understand that administration people are reluctant to give out reports which might be embarrassing to them. But we also know that many many reporters are aware of what is aired publicly in congress. And it is inconceivable that all would consider such matters as unimportant or confidential. Undoubtedly some must be trying to tell about them. However, the stories do not get to us.

Here's a situation that ought to jolt our complacency. It fits into a pattern against which we have been warned time and again, that reds and red sympathizers have worked their way into many positions of thought control in this country. In publishing, news-casting, social and labor movements, education, movies, TV, radio, and any other field in which they can exert influence, they manage to play up the red line and play down the anti-red line.

They are the traitors who intensify racial and labor troubles, glorify socialist and communist slanted books and programs, promote the filth which undermines public morals, and strive constantly to suppress whatever supports Americanism and decency. They are the red brainwashers doing Khrushchev's dirty work in this country. In view of their effective subversion in so many ways we can reasonably assume that some are in position to keep many anti-communist news releases from reaching the public.

Despite their treachery, however, we can take comfort in the fact that quite a few stalwart defenders of Americanism are still on the job. Men like Fulton Lewis Jr., Clarence Manion, Tom Anderson, Father Ginder, Dan Smoot, David Lawrence, Paul Harvey and a long list of other patriots do not hesitate in alerting us to the red menace and in criticizing official softness to the reds. They deserve more of our attention. They are brainwashers of a type which gives a clean meaning to the word. If given a chance, they will wash away the contamination caused by the reds.

Any time a husband gives his wife flowers for no reason, there's a reason.

Hurricane Carla was not all bad. After giving the Texas coast about the roughest treatment on record she settled down and gave this community one of its finest rains ever. Farmers agree that it was ideal, just what they wanted.

Every bit of the three inches fell as a light drizzle and practically all of it soaked in. It started about 3 p.m. Monday and reached .75 by 7 a.m. Tuesday. The reading for the next 24 hours was 2.25 inches.

As of now the condition of surface moisture is ideal. The next few days should bring up lots of volunteer grain and other vegetation after which farmers can get land in fine condition for fall sowing.

Range land likewise is getting a lift. If warm weather lasts a while longer it has a chance to recover at least partly from the summer's setback.

Still, rainfall here is behind schedule for the year and sub-soil moisture is poor. For the long pull the land can use several inches more of rain. Moisture measure for the month to now is 3.85 inches and for the year to now is 21.77.

## SH Cubs to Host Sherman Lads in Opener Sunday

Twenty four eager Sacred Heart Cubs under Adam Wolf's coaching are getting ready this week for their first game of the season and also their first in this year's North Texas Parochial League. They will take on St. Joseph's of Sherman at 2 p.m. on the Tiger field.

Coach Wolf knows nothing about the visitors, so he is taking nothing for granted. But he's also aware that the Cubs have several good players and an over-all good team, so he's optimistic.

Members of the team are Virgil Swirczynski and Robert Klement (captains), Morris Hacker, Kenneth Stormer, Donny Eckart, Dale Klement, Dwayne Pagel, Larry Hess, Louis Hellman, Leon Knauf, Leon Endres, Joe Hartman, Ted Endres, Johnny Streng, Jerry Yosten, Willie Wimmer, Chris Walter, David Hoenig, Douglas Otto, Sammy Endres, Dwayne Hess, Andy Klement, Terry Wimmer, and Glenn Klement.

## Subiaco Alumni Sets Picnic Date

Members of the North Texas Subiaco Alumni Association have made plans for their annual benefit picnic and have set the date for Sunday, September 24. The event will be held at Lindsay this year.

Arrangements were completed Thursday night when Alumni members held a meeting at Lindsay. Other business of the association was routine. President Bruno Zimmerer presided.

After adjournment the men were joined by their wives for a social hour. About 75 were present from Muenster, Gainesville and Lindsay.

## Rev. Leonard Knoff Muenster Native Dies of Cancer

Father Leonard Knoff, O.S.B., a native of Muenster, died Tuesday in St. Mary's Hospital in Kansas City after several months illness with cancer of the spine. He was 51.

His body was taken to Subiaco Abbey for a pontifical requiem mass offered by Abbot Michael Lensing and burial in the abbey cemetery.

Other services are rosary Thursday night and requiem mass Friday morning in St. Mary's Church, Fort Worth, adjoining Laneri High School, where Father Leonard served as principal since 1958. He was a member of the Laneri faculty since 1940 and also served as assistant pastor of St. Patrick's parish since 1947.

Father Leonard attended Subiaco Academy and entered the seminary in 1929. He was ordained in 1936.

He is survived by seven brothers and two sisters.

## NEWS OF THE SICK

Father Joseph Weinzapfel is recovering normally from surgery performed at St. Paul's Hospital on Labor Day. He has been dismissed to return to Holy Cross Parish in Dallas. Also a patient and likewise dismissed from St. Paul's is Father William Lane who was receiving medical care. He, too, is from Holy Cross Parish.

Kenny Schmitz attended fifth grade classes at Sacred Heart School this week minus one shoe. He mashed and bruised toes and lost one toe nail on the left foot as the result of dropping a board on his toes.

Bruises and bumps and a cut on the right side of her face didn't keep Yvonne Gehrig out of school this week. A tumble from a pony at the family farm home caused the injuries.

## Old House Gives Way to Progress

A little house dating back to the community's early days has given way to local progress. It's the place formerly owned by L. A. Bernauer across the street from Sacred Heart Church. It has been torn down to clear the site for future building.

Old timers say the house was built about 65 years ago by John Sieger, who lived in it for many years. The next owner was Charles Nause and the next L. A. Bernauer, who sold recently to Community Lumber Co.

Frame lumber in the house is said to be in exceptionally good condition, and much of it will be used in the building that replaces it.

## Date is Changed For Chico Game

The Muenster-Chico football game has been delayed one day, from Oct. 6 to Oct. 7. Superintendent Bruns announced this week that Chico has cooperated in making the change in order to avoid a conflict with the Sacred Heart Callisburg game. The conflict was overlooked when the games were scheduled.

## Era Edges 12-6 Win over Tigers In Hot Contest

An inspired pack of Sacred Heart Tigers gave the strongly favored Era Hornets a real scare Saturday night before grudgingly giving in by a count of 12-6.

The Tigers scored first and kept Sacred Heart spirits soaring by holding the lead for two more quarters. But then the Hornets got their power machine clicking for long enough to put over the two touchdowns.

Plain hard determined fighting accounts mostly for the big surprise. Comparison of size and efficiency indicated that Era had a cinch. But their performance and confidence were severely jolted by the vicious attack of the Tigers. Their crashing tackles caused Era to lose the ball five times on fumbles, accounting principally for Era's failure to keep drives moving.

The first quarter was a defensive stand-off in which each team managed only one first down. Moments before the period ended recovery of an Era fumble on the 19 inspired the Tigers to their peak effort. Bayer, Hennigan and Klement squirmed through the husky forward wall for consistent short gains and a first down on the 9. On the next series they used all four downs to make the needed yardage. Hennigan made the last two on the third play of the second quarter. An at-

## Tigers, Eagles To Tangle Friday At Valley View

Coach Adam Wolf and his Sacred Heart Tigers are looking forward confidently to their game with the Valley View Eagles Friday night. After last week's strong showing against Era they are convinced that they can give the Eagles a real battle, and possibly come out with the big end of the score.

But they are not taking anything for granted. They are impressed by the Eagles 34-0 win over Valley View Warriors in the season opener. Likewise they have respect for the big Eagle line and the speedy backs.

Again the difference in weight of linemen will have the Tigers at a disadvantage. Weights in the backfield will be about even.

With fair prospects for a win, the Tigers are putting lots of effort in this week's practice. At the same time they are ready physically and mentally. There are no injuries and there is an abundance of will to win.

## BIRTHS

Mr. and Mrs. Charlie Pagel have announced the birth of their third little boy. Curtis Lee arrived Thursday, Sept. 7, 11:39 p.m. at M&S Hospital weighing eight pounds ten ounces. He's a brother for Darrell and Carl and a grandson for Mrs. Carra Pagel and Mr. and Mrs. Harry Otto. For Mrs. Joe Otto, Muenster, and Mrs. Mary McEntire, Dallas, the newcomer is another great-grandchild.

## News of the Men in Service

### Settled For Training

Muenster's newest enlistee in the army is Roger Fleitman, son of Mr. and Mrs. Albert Fleitman. He is settled for basic training at Fort Leonard Wood and lists his address as follows: Pvt. Roger R. Fleitman, RA 18636324; Co. A, 5th Bn., 2nd TR B; Fort Leonard Wood, Mo.

### Home A Civilian

Mr. and Mrs. Bill Terry are back at home in Gainesville. He has been separated from the service after serving in the army at Fort Ord, Calif. The couple lived in Salinas. Enroute home by car they stopped for sight-seeing in Las Vegas and at Grand Canyon and visited Mrs. Terry's brother and family, the Louis Wiesmans at Farmington, N. M. Until they are settled in their own home they are visiting their parents, the Tony Wiesmans at Gainesville and the W. M. Terrys at Valley View.

FIRST ABBOT — The Rt. Rev. Alfred Hoenig, O.S.B., 49-year-old native of Muenster, is the first abbot of Corpus Christi Abbey, the only Benedictine Abbey in Texas and the 25th in this country. Abbot Alfred is president of Corpus Christi Academy and the religious superior of 24 priests, brothers and seminarians.

## Indians Smother Hornets 62-0 in Passing Carnival

A strong passing attack versus a weak passing defense is one way of spelling out disaster for a football team. That's why Muenster Hornets received about the worst clobbering in their history from the Sanger Indians here last Friday night. The count was 62-0.

Of the nine touchdowns scored by the Redskins seven were on passes, five of them on the Cooper to Rippy combination, which seldom failed. The lanky Cooper is a bullet-pass sharpshooter with remarkable accuracy and Rippy is a glau fingered receiver who snared practically everything within reach. Between them they accounted for most of the 14 completions which added to 369 yards.

Between passes the visitors also gave the Hornets plenty of trouble with their running attack. Cooper and Webb ripped off frequent substantial gains for most of the distance in the team's 229 yards of ground gains.

Hornet records over-all were fair, considering their disadvantage in weight and experience. They completed five passes for 56 yards and gained 102 yards rushing. But gains were not sustained to pay off on the scoreboard. The best drive was three successive first downs in the first quarter.

Opening the game Muenster made a first down and kicked on the next series. Six plays later Sanger completed a 71 yard drive on Cooper's 33 yard pass to Rippy. A run added two more points.

Next Muenster made three first downs and kicked on the fourth series. Sanger then made 84 yards in eleven plays, Webb breaking loose for the last 38.

## Hornets Prep for Clash Friday with V View Warriors

The story should be different for the Muenster Hornets Friday night when they go to Valley View of Wichita County for their annual contest with the Warriors.

Coach Glenn Richardson and his charges are determined that there will be no repeat of last week's fiasco in which the Sanger passing combination went on a 62 point scoring spree.

To prevent more of such humiliation they are concentrating practice this week on pass defense, especially in view of the fact that the Warriors are reported to favor the passing game.

Richardson knows little more about the Warriors except that they are tall and have a weight advantage over the Hornets. Also that they lost by five touchdowns in their opener with the Valley View Eagles of the local grid loop.

Muenster will go into the game with the same problem as before. Quarterback Mark Hellman is still out with an injury, and Dickie Pagel will play little if any after several days on the sick list. Their absences hurt on a team that is already short of manpower.

## State Health Board Gives Approval to Proceed on Local Hospital Project

Muenster's hospital project took a big step forward last Sunday when it received approval of the State Board of

Health in its quarterly meeting at Austin.

The good news was received here Monday by J. M. Weinzapfel from Clarence Martin, who represented the architect in presenting plans and data at Austin.

This means, Weinzapfel said, that the first step has been taken toward construction of Muenster's hospital through the Hill-Burton program, in which the federal government pays half the cost of construction and equipment. Other reports will have to be submitted for processing through regular channels, he said, but he does not know how many, or how long the processing will take.

More information on those details is expected here Thursday night when the hospital board will meet with Mr. Martin. Drawing on his experience with other Hill-Burton projects, he will probably be able to tell how soon the community can expect to see work get started.

Last Sunday's approval was the second for the project to date. In the first, about a year ago, the State Board decided to make some of the state's Hill-Burton funds available to Muenster provided the community will qualify by raising its share of the cost. In Sunday's meeting it decided that Muenster has qualified and can proceed with remaining details.

## Families Here in Touch With Gulf Coast Relatives

Gulf Coast residents fleeing from Carla included relatives of Muenster residents and former local people.

Mrs. John Felderhoff had a phone call from her daughter and family, the John Wrights of Victoria, advising that they left there Saturday in plenty of time to get away from the hurricane and were in Austin until they could return to Victoria.

Mrs. Joyce Tempel tried unsuccessfully for days to contact her parents, the John Tuckers in Houston. Was overjoyed Tuesday afternoon when they called her on the phone reporting all well and that they had spent three days in a school house. They were being permitted to return to their home that afternoon.

The Andy O'Connors had word from his sister and husband, the G. S. Brinks of Galveston, who were in Dallas with their son and family, the Jerry Brinks. Jerry drove to Galveston Saturday to get them.

From Corpus Christi came word to the John Rohmers from their daughter and family, the Joe Spaeths, that all are well and weathered the storm in their own home. The patio roof of their house tore loose and some shingles blew away with the wind.

Mr. and Mrs. Gene Luke have her parents from Port Arthur with them in Denton since Saturday.

## Hartman Relative Dies in Michigan

The Hartman family has received word of the death of their brother-in-law, Sam Risch, 82 in a Milan, Mich., hospital Monday. He had entered the hospital about three weeks before. His funeral was held Thursday in Milan.

Mr. Risch was the husband of the former Barbara Hartman, older sister of John and Victor Hartman and Mmes. Felix Becker, Frank Klement and Joe Vogel of Muenster and Mrs. Carl Luke of Hereford. She died about 25 years ago.

Surviving are four sons and a daughter.

## DEFENSE ON THE CUFF

Any family in average circumstances knows it can't buy everything it might like—even with the temptation of "easy credit." So some things get priority and other things just have to wait.

This is particularly the case when a costly family emergency arises. Then everything has to wait—the new car, TV set, piano, living room rug or what-have-you. A family that over-extended itself

in a situation like this just to buy conveniences and luxuries would have to be considered touched in the head. And it would most certainly be in financial hot water—its future income needlessly mortgaged for years ahead.

The disasters of spending beyond one's means apply to governments as well as individuals, but some governments, such as the present regime in Washington, either don't or won't believe it. Emergency or no, it still proposes to buy that new piano and TV set and rug—and charge it. Or raise taxes higher than need be.

Richard M. Nixon has captured sound advice: "Shelve all new spending programs not directly neces-

sary for national defense." The American public is ready to ante up every cent, through higher taxes if necessary, to pay the bill for defense and essential government programs. But it should not be made to pay the price—in taxes, inflation and erosion of the nation's solvency—for extravagant periphery dreamed up by starry-eyed politicians or cynically put forward to appease the ever grasping, ever insatiable lobbies.

## THREATENS TO MOVE

It's an old story, but one well worth repeating. It carries a moral and is a deadly parallel as to what the "Welfare-Staters" are doing to an awful lot of the American people.

The story: An indigent citizen found an old dilapidated, deserted shack. He moved his family into it—no permission from the owner—in fact the squatter didn't even know who owned the property.

No human disturbed him—but the elements did. Came the first rain and water poured into the hovel due to a leaky roof. This happened several times and so the non-paying tenant took steps.

Did he try to repair the roof? No! Having heard that Washington was taking care of people, he wrote a letter to the Great White Father. It read: "The roof of my house leaks. If you don't send someone soon to repair it, I'm going to move."

This story would really be humorous, except that it is so tragically true. The "Do-Gooders" along the banks of the Potomac have brainwashed the American people with their philosophy that government has an obligation to do for people what people can and should do for themselves.

So, who can blame this poor, ignorant and lazy squatter for calling on his government to repair that roof? Much smarter men than he have their hands outstretched to Washington. Shame on both them and Washington!

## TAXES ARE GOOD — BUT!

The National Education Association has issued a booklet entitled "Taxes Are Good". It observes that taxes are the price we pay for civilization.

This, of course, is a truism. Taxes, as one writer puts it, are good and necessary for civilization, in the same way that fire and water are good. But you don't have to burn down your house to warm your hand—and you don't have to open a dam and drown in the flood to get a drink.

The "Taxes Are Good" argument is used as a support for an almost endless list of government projects and proposals which advance the welfare state, reduce or destroy local rights and responsibilities, limit the freedom of groups and individuals, and dry up the normal sources of taxation—for example, housing subsidies, farming subsidies, public power schemes, federal aid to schools, federal medical aid plans, and so on.

So the "Taxes Are Good" theme needs to be carefully analyzed. They are good when levied for necessary purposes. They are bad when levied for purposes which should be undertaken, if they are to be undertaken at all, by local government or private enterprise.

## BY THEIR WORDS

For once we agree with Khrushchev. A few weeks ago he made a pronouncement to the effect that the communists could not be blamed for all the troubles of the world. That is true. Many of the ills of the world emanate from people who are not communists at all. Following is their philosophy:

"What's in it for me?"

## TAXES ALWAYS INCREASE

You can say one thing with virtual certainty about taxes—they always increase.

Take the social security tax as an example. The combined employer-employee rate, with each paying half, was 2 per cent on a maximum of \$3,000 a year in earnings when the plan went into effect in 1937. Now the rate is 6 per cent on \$4,800.

This isn't all. The tax is scheduled to reach 9.25 per

cent in 1969 — without increased benefits. If benefits are increased, the tax will have to be boosted still farther, and applied to higher income levels.

## BEFORE THE KOREAN ATROCITIES

On January 30, 1949, Representative John F. Kennedy delivered at Salem, Mass., a blistering denunciation of the errors in judgment and policy that had, in effect, aided the establishment of Red China and all but destroyed Nationalist China. As reported by Human Events, Mr. Kennedy chided those who called Chinese Communism agrarian reform and denied the leadership of Moscow by quoting from the Bolton Report:

"Its doctrines follow those of Lenin and Stalin. Its leaders are Moscow-trained. . . . Its policies and actions, its strategy and tactics are Com-

## FOR and AGAINST

for CHRIST-against COMMUNISM

BY BILLY JAMES HARGIS, LL.D. FOUNDER CHRISTIAN CRUSADE

## The Political Strike - A Prerequisite of Communist Conquest

During hearings of the House Committee on Un-American Activities in Washington, D.C. on June 10, 1960 Karl Prussion, former FBI undercover agent in the Communist Party, spoke of a general political strike as one of the prerequisites to communist conquest of a nation. He said: "The fourth prerequisite of a revolution...is a trade union movement that the Communist Party can successfully actuate into a political strike."

"A political strike is different from an economic and social strike, such as wages, working conditions, et cetera, in that it is a strike against law, against legislation or some other political issue. Such a strike, for example, was recently threatened by Walter Reuther when he stated, in effect, that if the Taft-Hartley Act was invoked in the steel strike, he would call a slowdown strike within the CIO. This would have been a political strike. Harry Bridges has many times stated that he will call a political strike of his longshoremen if there is a war in which he and his union are not in accord. A more recent example...of a political strike was the recent strike called by the leftwing trade union movement against Eisenhower's visit and against the treaty that we are now concluding with Japan."

Back in 1920, in his book, "Left-Wing Communism, An Infantile Disorder", Lenin pointed out the importance of political strikes to the communist plot for conquest. He wrote of such strikes in Russia during 1905,

Regarding these strikes Lenin said: "...backward Russia was the first to show the world...a combination of the economic strike and the political strike, the transformation of the latter into armed insurrection, and the birth of a new form of mass struggle and mass organization of the classes oppressed by capitalism..." Stalin described the "political general strike" as "an indispensable means of mobilizing and organizing the vast masses of the proletariat on the eve of storming the citadels of capitalism..."

In order to prepare American union members for the final overthrow of our form of government, the communist conspirators have been working cleverly for years to sell them the class warfare theory which pictures all employers as the oppressors of their employees. From time to time communist conspirators have succeeded in leading American workers out on foolish strikes, and many strikes which are not led by communists stem from the class warfare hatred which has been sold to union members and leaders. Such blindness to the manipulations of America's enemies helps bring closer the fatal day when the communists plan to act as the vanguard in leading misled working men and youth into a violent overthrow of the American Republic.

Address your questions to Dr. Hargis, Christian Crusade, Tulsa 2, Oklahoma.

munist. The Chinese Communists have borrowed faithfully every zigzag of the Kremlin's line for a generation."

We can earnestly hope that, as uncertainty grows over the

US attitude toward admitting Red China to the UN and recognizing Outer Mongolia, that President Kennedy will now remember what Congressman Kennedy said a dozen years ago.

**Home-School Group Reorganizes for Scholastic Year**

Sacred Heart Home-School Society has reorganized for the scholastic year and has made plans for coming activity and for monthly meetings.  
 The August meeting was postponed on account of the death of Sister Celine and members were reminded they will have another meeting this month on Sept. 26.  
 New officers elected before classes dismissed for the summer took office. Recognized as members of the executive committee were Ed Endres, president, Ray Sicking, vice president, Mrs. Richard Grewing, secretary, Mrs. Gene Schmitz, treasurer.  
 Father Bruno Fuhrmann introduced new teachers: Sister Rose in third grade, Sister Richard 8th grade, and Brother Thomas Moster and Walter Wolf in high school. He also presented Sister Carmelita as principal replacing Sister Celine.  
 Sister Carmelita mentioned a need for desks in the grade school and said the annual Halloween candy sale by students will be a benefit for this project. She thanked those who helped wash windows and said that programs to follow meeting's business sessions in coming months will be films. These are educational shorts supplied through courtesy of the National Council of Catholic Men and run between 20 and 27 minutes.  
 Father Bruno advised that the school's insurance program for students is the same as last year: Only three dollars a child to cover school hours during the term. He added that it proved satisfactory last year and is well worth the small premium. He also told about the new intercom system now in operation in the grade and high school buildings.

**Auxiliary Plans Membership Drive; Halloween Dance**

Muenster VFW Auxiliary members, meeting Monday night, made plans for a reception ceremony at the October meeting and slated a Halloween dance in joint sponsorship with the VFW Post on October 28.  
 In connection with the reception of new members, all prospective members are invited to be at the next meeting. Meanwhile a membership drive is underway.  
 In other business the organization carried out the three honor roll requirements for the month. Members voted approval of the annual hospital pledge of fifty cents a member for 71 members, marking the contribution for the VA Hospital in McKinney.  
 The group approved payment of one month's hot lunch bill for one child at each of the two local schools to take part in some school activity to aid underprivileged children. School superintendents will receive the lunch checks and designate the recipients.  
 The final honor roll requirement is holding a school of instructions and for this the local Auxiliary will join the Gainesville Auxiliary in Gainesville for a joint meeting. This will be an event of next Monday night and the group will leave here at 7:30 from the Post Home. All who can be urged to attend. Transportation will be arranged.  
 Members also decided to again send Christmas gifts to Muenster service men overseas. Parents are being asked to report addresses to Auxiliary members as soon as possible. There was poor response on the part of parents turning in addresses last year and this ran into considerable work for Auxiliary members in securing addresses.  
 Among correspondence read was a letter of thanks from City Library and the CDA court for a cash contribution of \$15. Mrs. Arthur Bayer, president, presided, and reported an audit of books held and everything found in good order.  
 There was a social hour with refreshments after adjournment.

**CDA Membership Keeps Busy Making Items for Bazaar**

Members of the local court Catholic Daughters of America at their September meeting Friday night continued making plans and arrangements for a bazaar they will sponsor in November. For about two months the benefit event has been uppermost in the minds — and spare time activity — of the membership.  
 They've been busy as bees making useful and pretty articles for the bazaar and will be busy right up to the date. Meanwhile they are selling things for baby gifts, showers, birthdays and other occasions. Items are on display and for sale every Wednesday on Library Day at City Hall.  
 Routine reports were presented, Mrs. Joe Swirczynski, mission chairman telling of activity in her department and Librarian Mrs. J. M. Weinzapfel giving a resume of happenings at City Library.  
 Members were reminded that this is the week the local organization has a mass and prayers for the President and his cabinet. The more than a year long series of prayer for the Administration is participated in by all the CDA courts in Texas, each assigned a week. This is the local court's week. The 11:30 mass Monday in Sacred Heart Church was for the specified intention.  
 Among communications read was a letter from the new district deputy, Mrs. J. Ellis (Alma) Shields of Dallas. She was appointed after the resignation of Mrs. J. F. (Gladys) Polansky of Dallas who recently was appointed CDA state secretary.  
 Mrs. Steve Moster, grand regent, presided and Mrs. Clyde Fisher served refreshments.

**Knauf-Walterscheid Wedding Planned For October 14**

Announcement has been made by Mr. and Mrs. Joe Knauf of the engagement and approaching marriage of their daughter, Miss Annette Knauf, to Theodore Walterscheid.  
 The couple has selected Saturday, October 14, for the wedding date. The ceremony and nuptial mass will take place at 4 p.m. in Sacred Heart Church.  
 Miss Eunice Knauf will be her sister's maid of honor and Tim Wimmer will be best man. Other attendants will be the groom's sister and brother-in-law, Mr. and Mrs. Dennis Hofbauer.

**Families Move**

Moves during the weekend have put the Richard Grewings and the Jerome Pagels in different homes. The Pagel family is occupying a new home in the southeast part of town and the Grewing family is temporarily in the house the Pagels vacated. The former Grewing residence has become the home of Mr. and Mrs. John Grewing. A new home for the Richard Grewings will be built on the site from which his parents moved. Another recent move is that of the LaVonne Reid family from north of town to the J. J. Haverkamp house in the city.  
 Barley is the world's fourth most important cereal.

**Desks Galore**

We're really proud of our big selection of desks. Models with one to eight drawers in finishes of blond, mahogany and walnut. Also unfinished desks (real money savers) that you can varnish, stain or enamel to harmonize with your room. All quality built to give years and years of service.

**Mrs. Walterscheid Is Club Hostess**

Get-Together Club members had their September social with Mrs. C. M. Walterscheid as hostess entertaining in the home of her daughter, Mrs. James Mollenkopf.

Progressive 42 games entertained the group and Mrs. J. B. Wilde led the scoring for top prize. Mrs. Joe Horn drew the door prize and Mrs. Leo Lawson, a guest, won the consolation award. Another guest was Mrs. Ben Seyler.

The hostess served sandwich and salad plates, hot coffee, iced lemonade and fancy cookies.

Saying farewell to their families over the weekend were Mr. and Mrs. Don Glover of Dallas who were here Sunday with her parents, the Andy Hofbauers, after a Saturday visit in Oklahoma City with Mr. Glover's relatives. The young couple left Dallas Monday to make their home in Sarasota, Florida. He was transferred there by Electro-Mechanical Research, Inc., the company for which he works.

**Family Present to See Ann Luke Get Nurse's Diploma**

Miss Ann Luke received her nurse's diploma Sunday afternoon, participating in the ceremony with a class of 14 graduates from St. Paul's School of Nursing in Dallas. All her family was together for the occasion. Her parents, the Henry Lukes, and her brothers, Mike Luke and his wife and Paul Luke and his wife and children Ken and Ruth, had a reunion dinner at noon in the Paul Luke home at Dallas.

The Mike Lukes came from Albuquerque, N. M., Saturday and Ann came home from Dallas Saturday so they could go together. After dinner the Paul Lukes joined them in attendance at the commencement program in Sacred Heart Cathedral and the reception afterwards in the nurses' home.

Other relatives from here at the graduation and reception were Alphonse and Miss Theresa Luke, Mrs. Werner Endres and Mrs. Val Fuhrman and daughter Margie.

The Mike Lukes returned to Muenster. They have a week's vacation and will spend it here and in Dallas. Paul Luke started a week's vacation Tuesday and he and the family have been back and forth. Ann Luke has a week's vacation, is here with the family. Since finishing nursing school a month ago she has been at the hospital as a nurse in the intensive care unit.

## Local News BRIEFS

Mr. and Mrs. Walter Klement took their daughter Jeanette to Fort Worth Sunday and saw her settled for nurses training at St. Joseph's Hospital. Going with them were Mrs. Norbert Klement and daughter Shirley and Mr. and Mrs. Albert Herr and daughters Marlene and Paula. They picked up Miss Marcy Klement and together all had an outing at Forest Park and visited the zoo. Afterwards they were all at the student nurses quarters, joining other students and their families at an open house and tour of the place. Marcy Klement is doing well after surgery, is dismissed from the hospital and will return to nursing duty this week.

in Decatur Wednesday night for a meeting of the North Texas Water and Sanitation Association.

Here since Monday for a ten-day visit is Sister Thomasina of Jonesboro, Ark., who is the guest of her mother, Mrs. John Walterscheid and other family members. Sister Thomasina's mother and sister-in-law, Mrs. Norbert Walterscheid, drove to Dallas to meet her as she arrived by train.

Six-day visitors from Aurora, Colo., were houseguests of Mrs. Mathilda Wimmer. They were her daughter Dorothy and family, Mr. and Mrs. Albert Elpers and children Jennifer and Cecil who came Friday evening and left Thursday for visiting with relatives in Dallas and Fort Worth before returning home. Jennifer celebrated her fourth birthday here Wednesday.

Mr. and Mrs. Jack Biffle and sons Sammy and David and daughter-in-law Mrs. Jimmy Jack Biffle, returned Monday afternoon from a four-day visit in Kentucky. They went principally for a weekend visit with Pvt. Jimmy Jack Biffle of Fort Knox and he secured a pass to spend Saturday and Sunday with them. They attended the State Fair at Louisville where Mrs. Jack Biffle was especially impressed by the Dahlia Show — the dahlias were almost as big as dinner plates. They also enjoyed an outing at Mammoth National Park and did some sight-seeing in nearby Indiana.

Mr. and Mrs. Paul Deltz are writing her parents, the Joe Horns, from San Antonio now. They are making their

home in the Alamo City where he is a junior consulting engineer in air conditioning. Paul was graduated from the University of Texas in August with a BS degree in mechanical engineering. Mrs. Deltz had been working in Austin since her graduation from the University in January with a bachelor degree in journalism. Inbetween the move from Austin to San Antonio they visited his parents, Mr. and Mrs. J. J. Deltz at Alta Loma.

Mr. and Mrs. Frank Yosten returned Tuesday afternoon from a vacation visit in New Orleans, La., where they were guests of their daughter and family, the John Durbins. It was their first opportunity to get acquainted with the baby in the family, seven-month-old Mary Durbin. There was dampness and fog all the time they were there but no bad weather. However there was lots of water from above and below on the trip home all the way.

Mrs. Joyce Tempel visited friends in Austin and San Antonio over the weekend.

Sister Mary Lin has returned to San Antonio after a few days' visit with her mother Mrs. Alfons Koessler and other family members. She observed her birthday here Monday, the family getting together to help her celebrate.

Mr. and Mrs. Ray Owen and family, Mr. and Mrs. Alfons Pautler, and Mr. and Mrs. Ray Laux of Lindsay were weekend visitors in Fort Worth with the Clarence Owens. Sunday afternoon this group was joined by Misses Carolyn Cunningham and Margie and Lois Owen for an outing at Forest Park and a visit to the zoo. Back at the Clarence Owen home in the evening entertainment was provided by Billy Owen and Willie Romo playing the piano and guitar.

Miss Clara Richter of Dallas was here for a weekend visit with her father, W. T. Richter.

Mr. and Mrs. Nig DeBorde, accompanied by her parents, Mr. and Mrs. R. B. Durham of Rosston, were in Fort Worth Monday to visit Mrs. Durham's sister and husband, the T. L. Pruitts who were visiting relatives there after leaving their home in Bloomington, on the edge of Victoria, before Hurricane Carla struck.

**Garden Club Opens Year With Program On Floral Pieces**

Muenster Civic League and Garden Club resumed regular meetings with the September session Monday night when Mrs. R. N. Fette and Mrs. Arthur Endres were co-hostesses in the Fette home and Mrs. Dan Luke presented the program.

Mrs. Luke gave a demonstration on making floral pieces, wreaths and crosses, suitable for decorating graves on All Souls' Day if fresh flowers are not available. At such a time, she pointed out, artificial flowers are the answer.

Explaining as she worked, Mrs. Luke cut wreaths and crosses from styrofoam as bases and showed how to fill in with flowers and ribbons. She also brought with her and exhibited six different arrangements of fruits and flowers, all suggesting the Thanksgiving theme, for placement in the living room, dining room and kitchen.

Mrs. L. B. Bruns, president, conducted the business session and committee chairmen gave reports, reviewing activity during the summer months.

An interesting discussion revolved around a Christmas bazaar the club is planning. It will feature Christmas foods and handmade Christmas gifts for sale.

The hostesses served refreshments to 23 members and three guests, Mrs. Al Felderhoff, Mrs. Ed Pels and Mrs. Marty Klement.

## HD Club Invites Public to Attend Drapery Program

Muenster Home Demonstration Club members will sponsor a program on "New Rooms for Old" in MHS Auditorium next Wednesday, Sept. 20, and invite the public to attend.

This is a Celanese color slide program featuring some fifty room settings and showing how to give old rooms a new look by the use of colorful draperies.

As the slides are shown a narrator will explain and offer suggestions for enlarging window areas, hiding jutting radiators, concealing bulging walls, brightening dark corners, and correcting a score of architectural defects by the skillful use of fabric cover-up, curtains and hinged fabric screens.

The program also features a beautiful dress length given as a door prize.

A disturbed looking man walked into the psychiatrist's office.

"Doctor," he said, "I have been having a terrible time. Every time I say something I completely forget what I have just said. It's embarrassing and troublesome."

"Well," the psychiatrist said, "rubbing his hands, 'when did you first begin to have this trouble?'"

"Trouble? What trouble?" asked the man.

"Aren't you ashamed to have your wife doing such menial labor to support you?" asked the stern judge.

"Yes I am, your Honor, but what can I do? She's not bright enough to do anything else."

NEW ROOMS FOR OLD, a Celanese color slide program on home decoration offering many How-To-Do-It Ideas will be shown in Muenster Public School Auditorium at 2 p.m. Wednesday, Sept. 20. The program is sponsored by the local Home Demonstration Club. It is free to the public and everyone is invited. The above pictures show how a rather dull "old room" was transformed into a "new room" which comes to life and sparkle with the use of colorful fabrics. The program features some 50 room settings.

## Birthday Surprise For Agnes Eckart

A surprise birthday celebration greeted Miss Agnes Eckart Tuesday night after church services when 35 classmates from Sacred Heart School and other friends got together for a party in the home of Mr. and Mrs. Johnny Hacker.

Miss Joyce Hacker, Miss Charlene Otto and Miss Frances Walterscheid planned the event. A wiener roast with all the trimmings and birthday cake with other refreshments and dancing to recordings were party highlights.

**Marysville News**

By Mrs. John Richey

Former Marysville residents back for a visit recently were Mrs. Maude Taylor, 75, of British Columbia, Canada, and Mrs. Maye Seymour, 70, of Cortez, Colo., daughters of the late Mr. and Mrs. Will Wilburn. They were guests of Mr. and Mrs. Rafe McElreath who live on their old home place and also visited Mrs. B. G. Lyons and Mrs. Alys Graye.

Mr. and Mrs. Charlie Winchester drove to Lewisville Wednesday to visit their daughter, Mrs. Eddie Collins and family and got acquainted with their newest grandchild, just arrived. She's Gayla Katherine Collins, a sister for Gary and Laurie.

Rev. A. J. Lamance of Bonham visited with Jim Walker Sunday after conducting services at the Shiloh Baptist Church.

Mrs. B. G. Lyons spent four days of the past week in Gainesville with her daughter, Mrs. Marie Styles. One day they accompanied Mrs. Beverly Eastin and daughter Kim to Ardmore to spend the day with Mr. and Mrs. Bill Pace and daughter. Visiting Mrs. Lyons here over the weekend were her grandchildren, Mr. and Mrs. Ed Eastin of Denton. Mrs. Eastin is the former Miss Dolores Grant.

Mr. and Mrs. Owen Almon and Mr. and Mrs. Weldon O'Brien drove over from Gainesville for a Sunday visit with Mr. and Mrs. George Ritcherson.

The Ernest McElreaths and children Charlotte and Ronnie spent Sunday at Callisburg with Mr. and Mrs. Roy Pawless.

Mr. and Mrs. Raymond Davidson and Mr. and Mrs. Dan Davidson of Fort Worth were Marysville visitors Sunday.

Mrs. Nathan Whitt visited in Nocona this week with her sister, Mrs. Minnie Derring, making the trip by bus.

Leaving by bus Tuesday was Mrs. Belle Doughty. She went to Lovington, N. M., for an extended visit with her daughter, Mrs. Vida Mae Sessing and family and other relatives there.

Weekend visitors with the W. F. Davidsons were their daughter and husband, Mr. and Mrs. Bo Snow of Greenville. Other visitors Monday were Rev. and Mrs. W. H. Vanderpool of Dallas.

Mr. and Mrs. Willis Robison and son Ray David of Gainesville spent Sunday with her father, V. M. Ramsey and the Sam Sparkman family.

Jim Shiflet attended the Masonic Lodge meeting in Saint Jo Monday.

A Saturday night social at the Methodist parsonage with a supper celebrated the return of the pastor and his wife, Rev. and Mrs. Dan Gleckler. They had been in Ohio, working in the Cleveland slum district during the summer. The couple showed slides they took there and explained various phases of their work. The Glecklers were Saturday dinner guests of Mrs. J. N. Shaw

Mr. and Mrs. Albert Stapp of Gainesville spent Friday here with the Eddie Kuykendalls and daughter Colleen.

Recent visitors with the J. T. Coles were their daughter and family, the Monroe Kings of Dallas.

**SNOWSHOE**

**Leather Dressing**

Preserves and beautifies as it waterproofs. Leather, if it is to be comfortable, long wearing and good looking must contain the oils needed to keep it live, soft and pliable. Heat and moisture destroy these oils, and unless they are continually replaced, the leather dries out, becomes stiff and hard. It checks and cracks, and moisture enters readily.

The way to stop this deterioration is amazingly easy. Simply use Snowshoe Leather Dressing. It penetrates into the pores of the leather, lubricates, prevents early breakdown of fibers, makes the leather soft, pliable, comfortable, waterproof. Cracking and dry rot absolutely prevented. Life of leather is greatly improved.

It's easier to use Snowshoe Dressing than it is to shine your shoes. Simply apply a thin coat at night, wipe off with a soft cloth in the morning, and polish as usual. Leather will shine as brightly as before. A little Snowshoe goes a long way — don't use too much. Apply it to the soles of the shoes, too.

Snowshoe is colorless with a mild, pleasant odor. It makes no mess whatsoever, does not stain the hands or materials with which it comes in contact. Does not discolor shoes. Use it to soften and preserve white summer shoes.

Snowshoe may be used to preserve and beautify all kinds of leather except suede, from the most delicate leather to heavy leathers.

Use Snowshoe for all athletic equipment. Snowshoe keeps children's feet dry. When used on shoes there is no need for rubbers.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

Cooperators of the Upper Elm-Red Soil Conservation District kept busy building terraces during the dry weather in the Muenster area.

Tony Wimmer, northwest of Muenster, has finished 14,200 feet of broad base channel type terraces on his farm. These terraces empty onto four different Bermuda grass waterways that were sodded in 1960.

Tony Trubenbach Sr. built 11,500 feet of terraces on his farm near Era recently. These empty onto Bermuda grass pasture. Soil Conservation Service technicians also staked four waterways for Mr. Trubenbach. They will be sodded to Bermuda grass next spring to provide a safe outlet for more terraces.

Sidney Felker, Hood, is building a field diversion and about 6500 feet of terraces to empty onto a Bermuda grass waterway.

It is time now to locate and stake grassed waterways and begin seedbed preparation.

Waterways often are the foundation for a good plan of conservation as well as being the foundation for a good terrace system.

Terracing may make farming operations more difficult but the loss of topsoil makes farming impossible.

Comes for Reunion But Has to Leave Before Attending

Mrs. Leo Appel who came from Houston Saturday to attend a family gathering honoring her brother Harry Fisher, Sunday, had to leave before the reunion was held. She was called back to go on duty at the hospital where she nurses. Her sons Johnny and Stevie and a boy friend returned home with her but her daughter, Miss Leona Appel, remained and went from here to Denton where she entered Texas Woman's University.

The rest of the relationship got together at City Park for a picnic dinner. Harry Fisher left Tuesday to return to South Union, Ky., and continue study in St. Maur's Seminary.

Among those at the gathering were Harry's nieces, Misses Clara and Emma Fisher of Fort Worth and Miss Helen Fisher of Oklahoma City, here on vacations.

Humble Football Broadcasts, TV Begin Saturday

Next Saturday (September 16) will be the kick-off date for the Humble Company's annual comprehensive coverage of college football for Texans. And as a post-season bonus, Humble will sponsor radio broadcasts of the 14 play-off AAA and AAAA Texas High school football games played in December. Kicking off the coverage will be a live telecast of the Pittsburg-Miami game played Saturday at Miami, Florida. This game will be the first of the 13 NCAA telecasts to be co-sponsored by Humble. Southwest Conference teams appearing in these telecasts include Texas, Texas A&M and Arkansas.

Regular radio broadcasts of Southwest Conference games will start September 23 when Kern Tips will describe the Rice-LSU game from Houston, Ves Box will announce the Texas-California game from Berkeley, Eddie Barker will broadcast the Texas A&M-Houston game from College Station, Bob Walker will cover the SMU-Maryland game from Dallas, Eddie Hill will describe the TCU-Kansas game from Fort Worth and Dave Russell will broadcast the Texas-Tech-Mississippi State game from Jackson.

These games will be broadcast over networks that include about 100 Texas radio stations. By the end of the season, Humble will have broadcast 49 games played by Southwest Conference teams.

TP&L Appoints Farm Specialist

Tim R. Mason has been employed by Texas Power & Light Company as rural development specialist to assist in development of livestock enterprises in the TP&L 52-county service area.

Mr. Mason will be working closely with agricultural committees of local chambers of commerce, agricultural agencies, businesses connected with the livestock industry, local civic leaders and others.

He will be available to assist local groups in planning programs which will increase agricultural income both on a county and community level. He will also assist in formulating programs and in conducting these programs in organized communities under the Company-sponsored Community Improvement Program.

Mr. Mason is the second specialist in rural development which the Company has employed within the past several months. George McKinney was named rural development specialist in Community Improvement in May, 1961.

Mr. Mason is from Abilene and has lived in Hereford and Plainview. He was graduated from Abilene Christian College with a Bachelor of Science degree in Animal Husbandry in 1953. He received his Master of Science degree in Animal Husbandry from Texas Tech in 1955 and is currently completing work toward a PHD in Animal Nutrition in Texas A&M College. He is a former teacher at Idalou, Texas, High School and Abilene Christian College.

Acreage Survey Cards in Mail

Postmaster Arthur Endres announced today that Rural Mail Carriers began distributing 1961 Acreage Survey Cards to patrons on their routes on September 14.

The Post Office and U. S. Agriculture Departments cooperatively make this survey each year. These reports, directly from farmers, are the basis for official estimates for Texas acreage of all crops harvested in 1961.

To be sure this community is well represented in the survey, Postmaster Endres urges each patron receiving a card to fill it out and return it to his mailbox.

Visits Kin Here And There During 2-Week Vacation

Miss Helen Fisher ended her vacation here Wednesday and returned to nursing duty at St. Anthony's Hospital in Oklahoma City. She saw all her own family and other relatives during the two weeks.

Friday through Sunday she was in Little Rock, Ark., accompanied on the car trip by her mother, Mrs. Paul Fisher and children Linda, Donnie and Herbie. They went to see the Fisher nuns, Sister Cynthia and Sister Irene.

After visiting with Sister Cynthia in St. Andrew's parish, the local group took her along to visit Sister Irene in Holy Souls Parish. Four other local girls are teaching at Holy Souls School and they visited them also: Sister Dorothy Owen, Sister Celeste Yosten, Sister Monica Swirczynski and Sister Joan Hess.

Another day, Helen went to Fort Worth to visit her cousin, Mrs. Jim Schwartz. Accompanying her were her mother and Mrs. Henry Pick and Mrs. Clyde Fisher. They had a 42 party at the Schwartz home.

Mr. and Mrs. Joe Bengfort and daughter, Mrs. Norbert Zimmerer, took their daughter and sister, Miss Dorothy Bengfort to San Antonio over the weekend and saw her get settled as a freshman at Our Lady of the Lake College. On the way going they stopped at Schulenberg for a visit with another daughter and sister, Sister Josephine Elise.

Father Francis Zimmerer ended his visit with family members Friday and is back at the Benedictine Abbey in Subiaco, Ark. As a farewell get-together the family had a cook-out and barbecue supper at the home of Mr. and Mrs. Henry Zimmerer. Others present included the Bruno and Vincent Zimmerers and their families, Mr. and Mrs. Wilfred Hess and children and I. A. Zimmerer.

Mr. and Mrs. Winston Fangman — she's the former Rosemary Hess — have moved from Gainesville to Lindsay, living two miles north of town on the place formerly occupied by Mr. and Mrs. Julius

Hess. Julius and his wife are at home now on Mrs. Al Geray's place, also about two miles from town.

Mr. and Mrs. Ray Laux, accompanied by Mr. and Mrs. Andy O'Connor and Mrs. Herman Eberhart of Muenster, drove to Fort Worth recently to visit relatives. Mrs. Eberhart stayed for a longer visit with her sister at Harris Hospital where she was a surgical patient. The Lauxes and O'Connors visited Mrs. Laux's parents, the Clarence Owens, and brought Henrietta Owen back for a visit in Lindsay. During the past weekend the Ray Lauxes were back for a visit with her parents.

Lindsay's young football players, the Squires, will open their season Sunday playing the little Trojans of Windthorst there.

Miss Dorothy Zimmerer has gone to Fort Worth to be employed as a secretary. She is the daughter of Mr. and Mrs. Johnny Zimmerer.

Mr. and Mrs. Aloys Voth were weekend guests of her brother, Walter Luttmir, and family at Canute, Okla., and also made calls on other relatives and friends.

Miss Viola Bezner, an anesthetist at Memorial Hospital in Arlington, left this week by plane for a vacation visit in Detroit with Miss Wilma Gliedt and other friends with whom she worked while she nursed in that city.

In and out of the Sanitarium — dismissed during the weekend — were Clarence Neusch, Henry Schroeder and Mrs. Walter Hermes.

Mrs. Joe Bezner has returned from a ten-day visit in Dallas with her children and their families and got acquainted with her new granddaughter, Marie Annette, at the home of the baby's parents, Mr. and Mrs. Frank Benenate. While she was in Dallas, Mrs. Bezner had a birthday. The family all got together for a celebration and cookout at the home of Mr. and Mrs. Bob Young, Mr. and Mrs. Leo Cutaia brought her mother back to Lindsay from Dallas Monday.

Dallas visitors Wednesday were Mr. and Mrs. Joe Bezner Jr. and son Kenny and Mrs. Bruno Zimmerer and children Donna and Sammy. Reason for the trip was Kenny's checkup by his doctor. Mrs. Zimmerer and her children stayed at the Frank Benenate home to visit there until the Bezners finished business and then they too visited the Benenates. All of them were seeing the Benenates' baby daughter for the first time.

Going visiting and entertaining visitors have been Mr. and Mrs. Jake Bezner. Accompanied by their daughter, Miss Viola Bezner, they spent a weekend in Yoakum with Sister Kathleen and she accompanied them on to San Antonio to visit another daughter and sister, Sister Ramona, who is teaching in St. Mary's School. Visiting in the Bezner home, also seeing other relatives, were Mrs. Annie Bezner, her daughter Elizabeth and son Edward of Hereford, accompanied by their daughter and sister, Sister Anna Clair, a visitor from Canada where she is a member of the Order of Sisters of Atonement. The Hereford group went from Lindsay to San Antonio to visit other relatives.

### Lindsay Wallops Collinsville 20-0

The Knights of Lindsay High racked up their first win of the season last Thursday night with a 20-0 decision over Collinsville. Theirs was a well deserved victory justified by almost a 2 to 1 record in total yardage.

To Roy Morisak goes most of the credit for that yardage. He was big gainer of the evening, scored one TD on a 45 yard dash, and also went for 70 on one that was called back. Donnie Sandmann made the other two scores, one on a 5 yard crash at the line, the other on a 45 yard reverse play.

### Youth Clubs at Lindsay Add New Members, Leader

Lindsay's boys and girls clubs continue to grow and turn out handsome handwork in their arts and hobbies projects. Five new members have joined and Mrs. Vincent Zimmerer has volunteered as an additional leader.

Fifty-six youngsters and six leaders were present for the meeting this week Monday in the Parish Hall from 3:30 to 4:30. There wasn't a dull second in the full hour.

Girls of one group embroidered cup towels, another group of boys and girls painted fancy bottles, while another group of boys and girls sawed out letter holders, napkin holders and door stops and did wood burning designs. And all groups were together for a period of making small trains, cars and other toys from assorted blocks, spools, cans and other cast-offs which were provided for the children to use according to their own imagination and ideas. And the results are often astounding.

Pictures were taken of the groups while they worked and leaders served ice cream as a refreshment treat.

Leaders present were Mrs. Robert Lutz, Mrs. Norbert Rohmer, Mrs. Al Bengfort, Mrs. Andy Arendt, Mrs. Ray Laux and Mrs. Vincent Zimmerer.

The Club is taking orders for Christmas and all-occasion cards, gift wrap and stationery. Proceeds will go into the club treasury to provide materials. Mrs. Al Bengfort, vice-president, is in charge of this project. The club is also soliciting Gold Bond book covers that have been validated. These are of use only to club groups and will mean much to Lindsay's youth clubs. Any of the leaders will gratefully accept the book covers.

### Tigers Lose - - -

tempted run for bonus points failed.

The next quarter presented more defensive deadlock. After an exchange of kicks Era gained 9 and lost 4 then completed yardage for first down on a pass but another bruising tackle ending the play caused a fumble and Sacred Heart's recovery. Two plays later Klement stepped off a first down and the defensive contest resumed until about the last two minutes. At that point the tide seemed to change. Era recovered the Tigers' only fumble on the 36. Next play husky and hard running Southard, Era's No. 1 gainer, apparently trapped for a 15 yard loss, was finally stopped after a 14 yard gain. The Hornets seemed to have the momentum but they did not have the time. The period ended with the next play.

After intermission the trend changed. Southard plowed for 11 and lost the ball when tackled. Sacred Heart made a first down and kicked on the next series. Then Era made three first downs in a row, including passes to Southard for 26 and 30 yards. But the next series fizzled and the drive ended on the 30. Four downs later a Tiger kick attempt was blocked and the Hornets were back in possession on the 30. A pass went incomplete Davis gained 9 and Southard, on the first play of the final quarter, got loose for the last 21 yards.

A run for extra points failed and the score was tied at 6-6.

The tie did not last long, however. Tigers kicked to end their first series and Era got back to the 39. Four plays ground out a first down to the 28 and Davis got away there for the second Era score. The try for extra point failed again and the count was 12-6.

For the rest of the game the Tigers lost possession on an interception and regained it on a fumble. They gained 18 for a first down and failed by inches on the next series. Era also failed by inches and Sacred Heart ended the game with an incomplete pass.

### Formal Opening Set Wednesday For Green Gables

A formal opening from 9 a.m. to midnight next Wednesday will present the newest addition to the strip along the north side of Highway 82 in Lindsay. It is the Green Gables Lounge and Bar, owned and operated by Joe Bezner.

Special for the event is a shipment of 500 orchids, one for each of the first 500 ladies to visit. And free for all will be loads of boiled shrimp.

The new business, located at the east end of the strip, serves beer, sandwiches and short orders and has seating space for 78 persons. Booths and tables in the bar will accommodate 28 and bar stools will accommodate 14. The lounge has room for 36 at nine tables. Both rooms feature modern design and indirect lighting.

An added attraction in the lounge for the opening is an elaborate waterfalls display, complete with rocks and vegetation, and enhanced by ultra violet neon lighting. It is loaned by Pearl Brewing Co.

### Two Couples Make California Visit

Back from a vacation trip to California are Mr. and Mrs. Paul Arendt Jr., Lindsay, and Mr. and Mrs. Ed Wolf, Rt. 1, Gainesville.

They drove to Los Angeles to visit Mrs. Wolf's brother and family, the Dillard Krebs, sight-seeing on the way out including Grand Canyon.

In California they especially enjoyed the ocean and Disneyland. And made a round trip by train to Las Vegas, Nevada, staying two days and a night.

Returning, Phoenix, Ariz., was a stop-over place for visiting with the Jake Boeskins and the Price Christmas family. Then, to El Paso for more visiting and into Juarez, Mexico for sight-seeing.

Also of interest, especially for Paul, was getting in touch with an army buddy at Gardena, Calif., reviewing old times and catching up with happenings during the past 15 years since they have seen each other.

stopped Sanger's next push but the scoring pattern continued the next time it got hold of the ball. A 74 yard drive was completed by a 61 yard pass play from Cooper to Pirkle. Another pass added 2 points.

Score number 4 came shortly before the half on a 60 yard drive with Cooper and Webb doing most of the carrying. The pay off was a 17 yard heave to Rippy.

Starting the second half the Indians took the kickoff and made 64 yards in five plays. Cooper carried 13 for the TD and a kick added a point.

Next two scores were delayed only while the Hornets

used their series of downs. Two passes Cooper to Rippy for 62 and 40 were good for the counters.

For a while thereafter the Hornets made a fair showing. Sanger's fumble of a kick was followed by a first down by Muenster. A kick ending the next series caught the visitors on the 4, and they promptly kicked out of trouble. It was their only punt of the game.

From the 40 the Hornets launched their only threat of the game. Two first downs got to the 12 and an interception stopped them. Sanger then started working on its eighth touchdown. Nine plays for 87 yards did it, Cooper's pass to L. Prater for 31 reach-

ing pay dirt. The last TD was on a 72 yard pass play, Cooper to Rippy again.
