NUMBER 32

Kickoff date for the final big push in this community's hospital campaign is just a week away. The time has come for renewed enthusiasm on this project and a determination to bring it to an early and successful conclusion.

While admitting that the twenty per cent still ahead amounts to a lot of money, we can draw inspiration from the fact that we already have eighty per cent. Our accomplishment so far cannot be ignored. Surely none of us is willing at this advanced stage to give up and admit that we failed in the greatest cooperative undertaking in our history, especially when success is practically in sight.

We know it can be done. We know that with a sufficient number of eager workers it will be done. That's why the Hospital Authority this week urgently asks for the help of every person who will dedicate his time and energy to the completion of this most worthy project. It doesn't matter whether or not he helped in the earlier stage of the campaign. The need now is for the kind of men and women who understand the value of this project and will work energetically at selling their ideas to friends and neighbors.

With such spirit we are certain to go over the top. We need not worry about the potential. It is here, in abundance. There are dozens of people in the community who still have not given. Notations on campaign cards show that many were not contacted. Some were to be seen later but follow-up calls were never made. And there are many others who gave small amounts with the understanding they will give more if it is needed. Along with all these we confidently believe that some who did not expect to give more will gladly add a little push to put the project over. No one familiar with the situation could have any doubt of the possibilities. We have the means. All we need is the will.

As a matter of refreshing memories, let's consider again some of the many benefits we could expect to enjoy from having a first class hospital in the community. First and foremost is the matter of the hospital's nearness. In emergencies that factor can be very important. It can save a life. It can reduce the seriousness of an injury or ailment by allowing earlier treatment. Few of us dare to doubt that we or our families will sometime encounter such a condition. Prudence advises us to be prepared for it.

Nearness offers another advantage which definitely will benefit all of us. That is the saving in time and travel expense to visit sick friends and kin... also the convenience enabling us to visit more frequently. If we'd take the time to figure it, most of us would agree that the value of this factor alone, in the long run, would compensate for a big portion of the cost of our hospital.

The hospital likewise has a very definite value as a community asset. Those of us who encourage local industry should consider its potential in that light. A staff of 20 to 30 employees is as valuable as an equal number on a small factory payroll. Every business in town would benefit from it. Besides, there is the added potential of business created by additional traffic into town. Patients who come to call on local doctors, people who visit at the hospital, are all potential customers.

Still another asset is increased attractiveness of the town as an industrial site. Chances of bringing in more industry will be better when we add a good hospital to our list of other inducements.

As many of us are aware, these advantages are brushed off by a few of our local doubters who contend that the benefits could not materialize simply because the hospital could not survive in a small community such as ours. Of course, no one can foresee the future, so the view cannot be bluntly contradicted. However, there are many signs leaning strongly in our favor. The very first is that experts of the State Health Department consider this project as a good risk. They had in order to recommend us for a Hill-Burton grant. They don't approve funds for hospitals that are expected to fail. Another favorable sign is

Plans Under Way For Completion of Hospital Drive

The final push to put the Muenster hospital campaign over the top is shaping up now and will be under way in about a week.

J. M. Weinzapfel, campaign chairman, said that directors of the Hospital Authority and monitors of the campaign will meet Thursday night of this week in order to check through their records and plan the contacts to be made. The following Thursday the same group will meet with additional workers for assignment of contacts prior to starting solicitation.

This drive is being planned as an all-out effort to reach the two requirements of total subscriptions and available cash in time to permit filing application for the hospital project in September, Mr. Weinzapfel said. The goal of total subscriptions is 250,000. The goal of cash on hand is one third of that amount.

At this time the total pledged is \$196,174.51, and the total of cash on hand is \$46,926.99. Some negotiable securities donated to the hospital increase the actual cash value to about \$49,000.

Though there has been a delay in activity during the past several months there has been no loss of time, provided the final drive can be completed on schedule. The architect is nearing completion of plans and specifications, and the community is still able to meet its financial requirement by the time he finishes his job.

New Laws Apply To Improper Use Of Telephones

Two state laws passed during the past session of the Texas Legislature deal with improper use of telephones.

One concerns fraudulently attempting to evade charges for use of the service. The other concerns refusal to relinquish a party line when it is needed in an emergency or securing a party line by falsely claiming an emergency.

Senate Bill No. 309, which passed the House of Representatives on May 24 by a vote of 137 to 3 and the Senate on May 25 by a vote of 28 to 0, states that it is unlawful to obtain telecommunication service with the intent to defraud any individual, corporation or other person of the lawful charges, in whole or in part, therefor, through the use of false or unauthorized or fictitious use of telephone numbers or credit card numbers or a code or prearranged scheme, or by any other trick or false representation.

Penalty for violation of this law, upon conviction, shall be a jail sentence not exceeding one year or a fine not exceeding \$1000, or both.

Senate Bill 336, passed by the Senate on April 11 by a vote of 30 to 0 and by the House on May 25 by a non-record vote, makes it a misdemeanor to maliciously obstruct emergency telephone calls on a party line after having been advised that the line is needed for the emergency. Listed as emergencies are calls to fire or police department, for medical aid or for ambulance service.

On the other hand it shall also be a misdemeanor to obtain use of a line by falsely claiming an emergency.

Conviction of violation in either case is subject to a fine of not less than \$25 nor more than \$500.

SB 366 further provides that telephone directories hereafter published for general use within the state must contain the substance of the law as a warning to subscribers, also that a notice of the substance of the law be enclosed with the telephone bill to each party line subscriber once each year.

Next to the diamond, the sapphire is the hardest stone.

BIRTHS

Mr. and Mrs. Bernard Haverkamp have announced the birth of a daughter, a sister for Roger. The little girl arrived Friday, June 23, at Gainesville Sanitarium weighing six pounds nine ounces. She's a granddaughter for the Willie Fuhrmanns of Lindsay and the Ben Haverkamps. In christening services Monday afternoon at Sacred Heart Church she was named Jean Marie. Her godparents are Mrs. Ben Haverkamp and Willie Fuhrmann.

It's another little boy for Mr. and Mrs. Alfred Bayer. Michael John joined a family of five brothers and one sister on Thursday, June 22, weighing in at Gainesville Sanitarium 2:37 p.m. at six pounds 12 ounces. He's a grandson for the Frank Klements and Mrs. Gertrude Bayer and has a great-grandmother, Mrs. Joe Walterscheid. Baptism Saturday afternoon in Sacred Heart Church had Father Alcuin as officiant and the baby's big brother, Joe Bayer and his aunt, Mrs. Arthur Bayer, as godparents.

Mr. and Mrs. Raymond Haverkamp of Lindsay welcomed a seven pound three ounce daughter Thursday, June 22. She arrived at Gainesville Sanitarium 2:13 a.m. Also welcoming her are her brother and her grandparents, the Frank Haverkamps Sr. and the Matt Fuhrmanns, all of Lindsay.

Mr. and Mrs. J. A. Sanders are announcing the birth of a great-grandson, Monday, June 26, in Fort Worth. The newcomer is the son of Mr. and Mrs. Raymond Graham and a grandchild for Mr. and Mrs. C. A. Sanders, all of Fort Worth.

Mr. and Mrs. Gene Luke of Denton announce the arrival of a son, weighing 8 pounds 10 ounces, Thursday, the 22nd, at Flow Memorial Hospital. He's a grandson of the Ben Lukes of Muenster and the J. O. Jacksons of Bridge City, Texas.

175 Enroll for Swim Lessons

About 175 children are enrolled in three swimming classes now being taught at the Muenster swimming pool. Courses are given under sponsorship of Red Cross and children completing their respective courses will receive Red Cross pins.

George Petrus, pool manager is directing the classes and keeping records of each child's progress. He is assisted by 15 instructors, most of them members of the Red Cross life saving class completed here a few weeks ago.

Registration for the classes was held last Saturday as shivering youngsters braved the chilly temperature and plunged in for their tests. According to their showing in those tests they were placed in Beginners, Advanced Beginners and Intermediate classes.

Each class then was divided into two groups for instruction on alternate days. One group reports Monday, Wednesday and Friday of this week and Tuesday and Thursday of next week. The other group reports on the remaining two days of next week. Each day's classes are further divided into one hour periods beginning at 9, 10 and 11 o'clock.

Helping Petrus as assistant instructors are L. B. Bruns, Wayne Doughty, Jo Ann Fisher, John Yosten, Paullette Walterscheid, Diane Horn, Kathleen McGannon, Carol Wimmer, Alice Walter, David Huchton, Sharon Schumacher, Mary Swirczynski, Patsy Endres, Karen Endres and Sandy Cain.

2-Year Illness of Mrs. J.R. Winstead Ended by Death

Mrs. J. R. Winstead, 76, who came to Muenster from Whitewright in 1900, died at 9 a.m. Sunday in a Gainesville hospital after two years of illness.

Funeral services were held Monday afternoon at two o'clock in George J. Carroll and Son Chapel, the Rev. H. C. Stump, Myra Baptist minister, officiating. Burial was in Rest Haven Memorial Park.

Bearers were Don and Reeve Cooke, W. F. Davidson, R. H. Brown, C. G. Clayton and Ike Fulton.

The former Paralee Sloan was born Aug. 20, 1884, at Whitewright, a daughter of Mr. and Mrs. John H. Sloan, and was 16 years old when she came to Cooke County with her family. They settled north of Muenster.

She was married to J. R. Winstead in July 1902, and except for a short time lived on the same farm all her married life. She was a member of Myra Baptist Church. Survivors are her husband; one son, W. D. (Doyle) Winstead of Amarillo; one daughter, Mrs. L. M. Epps, route 1, Gainesville; six grandchildren, four great-grandchildren, one brother, Vernie Sloan of Maysville, Okla., and one sister, Mrs. Tom Sharp of Wichita Falls.

Attending the funeral, coming with Mr. and Mrs. Doyle Winstead, were their son Wayne and their daughters, Mrs. Joe Snead and Mrs. Marvin Blair, also of Amarillo and Jimmy Winstead of Dallas.

Wins 3 Trophies In Bowling Series

Proud of her husband's bowling trophies is Mrs. Curtis Holland of Cleburne, the former Dorothy Mae Yosten of Muenster. She has no pictures but she's been telling relatives and friends about his accomplishments.

Curtis has won three trophies: one for highest individual game, one for high individual series and one for high individual average. In addition he shares in a team trophy for high individual series. In play he carried a 171 average. He was in the Church League at Cleburne.

The Walter Huchtons and their five children of Albuquerque, N. M., spent the weekend here with his mother, Mrs. Katherine Huchton and also visited relatives at Lindsay. Walter had a weekend pass from Air Force duty and returned but his wife and children remained for an extended visit with her family, the John Bengforts at Lindsay.

Area Rainfall Is Below Normal for First Six Months

Rainfall records of this month... and of the year... indicate why farmers of the area are hoping for a nice three inch soaker. The moisture to date, measuring 15.60 inches is more than an inch under the local ten year year average through June, in spite of the fact that the period includes the wettest March on record here. It was 5.23 inches.

Prior to March the rain was slightly above normal, but then came sub normal moisture. The wettest March was followed by the driest April, only .26 in., and May and June combined had 5.87, which is about 2.5 below average.

Despite sub-normal total moisture June had lots of showers, accounting for the frequent delays in the drawn-out harvest season. Nine separate recordings make up the month's total of 2.69 inches. The measure for last Friday night and Saturday morning was .99 inch.

Herewith is the local 10 year rain record brought up to date.

Rate Hikes for Postal Services Effective July 1

Another effort to make Post Office Department revenues catch up with expenses becomes effective on Saturday July 1 with increased charges for several postal services. There will, however, be no hike in the rates of the most commonly used services... domestic first class mail and air mail, second class mail and parcel post.

A new list of rates released this week by Assistant Postmaster Ed Endres shows the following changes.

Special Delivery fees for fourth class mail: formerly 45c for up to 2 lb., 55c for 2-10 lb. and 70c over 10 lb.; now raised 10c each to 55c, 65c and 80c. Special Delivery fee for first class mail is unchanged at 30c for up to 2 lb., 45c for 2-10 lb., and 60c for over 10 lb. Money Order fees now are 20c for up to \$10, 30c for \$10 to \$50, 35c for \$50 to \$100. The former fee was 15c for up to \$5, 20c for \$5 to \$10, 30c for \$10 to \$100.

Letters to foreign countries except Canada and Mexico: formerly 8c for first ounce and 5c for each additional ounce, now 11c and 7c.

Printed matter to foreign countries except Canada and Mexico: formerly 4c for first ounce and 2c for each additional ounce, now 5c and 3c.

Air mail to South America and West Indies: formerly 10c per 1/2 oz., now 13c per 1/2 oz. Air letter sheet: formerly 10c, now 11c.

Ravens, Cardinals Win First Games In Pee Wee Loop

The revised schedule of beginners' baseball got off to a good start Monday night as the Ravens licked the Jays 13-7 and the Cardinals nudged the Parakeets 11-9.

The two games were played in a double header program, in both of which it became necessary to apply a newly adopted regulation. Both games ran out of time and were stopped after the fifth inning. The limit is an hour and a half for a game.

Little fellows, aged 8 through 10, make up the league named after birds. They are scheduled for a double header every Monday night. Older boys, aged 11 through 13, make up the league named after big league teams. There are three teams of them scheduled to play Friday night double headers. Dodgers, Angels and Giants will take turns playing both other teams.

Last Friday the Dodgers were to head the twin bill but were rained out. This Friday the Angels take on the Giants then the Dodgers.

Monday night Jays and Parakeets play the first game. Cardinals and Ravens play the next.

Visitors with Mrs. M. J. Endres Saturday afternoon were her daughter, Sister Irma and her companion, Sister Louise, who drove over from Sherman. Tuesday afternoon Sister Irma telephoned from Gainesville to say goodbye to her mother before boarding a train to Chicago, enroute to Brentwood, N. Y., for two weeks of special study of arithmetic. She mentioned that she would have her first plane trip from Chicago to Brentwood, and a jet at that.

Two Benedictine Sisters are back in Muenster: Sister Imelda, returned to stay, and Sister Perpetua who is here for a vacation.

Muenster VFW Post and Auxiliary will be represented by members from both organizations at the state convention in San Antonio this weekend. A list of names was not available Wednesday when the plans for going were being arranged.

The Wendell Richeys have changed street addresses. They moved from N. Oak to First Street, next to Muenster Equipment Co.

Miss Nancy Klein of Dallas is having a summer vacation visit here with her sister and family, the Walter Grewings.

Mr. and Mrs. Lawrence Miller of San Angelo were weekend visitors with their parents, the M. F. Milners here and the Lyle Kleinjans at Sherman. They stopped to see his sister Margie and family, the Frank Haynes Jr., at Euless on their way home.

Community Prepares for Big Attendance at First Homecoming on July 4

There's going to be a homecoming celebration here July Fourth, and folks all over the community are talking about it, and sending out invitations through the mail to bring old timers back for the pioneer reunion.

Actually, an invitation isn't needed — the welcome mat is unrolled. Meanwhile things are bustling in the Parish Hall, and the picnic site on the Sacred Heart Parish grounds is a bee hive of activity. At home lots of folks are hurrying to get a guest room dusted and tidied up.

Young and old have joined forces, doing chores for weeks. This will be Muenster's first annual homecoming sponsored by Sacred Heart Parish and the congregation hopes to

Monday is Day for Immunizations

Next Monday will be immunization day for Muenster school children. Shots will be given for diphtheria, whooping cough, tetanus, typhoid and polio between the hours of 9 a.m. and 6 p.m. in the office of Dr. Kenneth Dobbs.

Shots will be charged at a mass immunization rate of \$1.00 each, and the new style single-use disposable syringe will be used.

Either beginners' shots or boosters, as indicated by each child's record, will be given. Other immunization dates will be set later for booster shots to those who start Monday.

Dr. Dobbs calls special attention to a current report of the State Health Department showing an alarming increase of diphtheria in the state. Cases this year already exceeded last year's total. For that reason the health department is urging diphtheria boosters. Those who wish can get the booster next Monday.

Parents are also reminded that the immunizations have no relation to pre-school physical checkups. Children should not be brought for physicals on that day.

Ends Visit At Home

Airman Lloyd Klement left Monday to be back at his base in Biloxi, Miss., Tuesday after spending a two-week leave with his family, the Ray Klements. He is in electronics school at Keesler Air Force Base. His sister Janet came from Dallas for a few days' visit while he was at home.

Sends Address

Ronnie Cunningham, settled for recruit training, sends his address: Ronald J. Cunningham, SR 5848885; Co. 215; U. S.N.T.C., San Diego 33, California. Roger Pautler, a cousin, who entered the Navy at the same time, is assigned to a different company. He's in Co. 222.

Coming Home Soon

David Walter writes his family, the Oscar Walters, that he'll be leaving for Texas soon, and will be separated from the service before he comes home. He has been on duty at Sonderstrom Air Base in Greenland since July last year.

At New Station

Warrant Officer and Mrs. J. P. Janicki and five daughters are getting settled in San Antonio where they bought a home. His new assignment since finishing a tour of duty in Germany is at Fort Sam Houston.

In Maneuvers

Army Pvt. Donald J. Hennigan, son of Mr. and Mrs. Fred Hennigan, recently participated with other personnel from from the 14th Armored Cavalry Regiment's 2nd Reconnaissance squadron in field training exercises in Germany. Donald is assigned to the squadron's Troop H in Bad Kissingen. He arrived in Germany last April after completing basic training at Fort Hood. His brother, Army Pvt. Larry Hennigan, is based in France.

make it the biggest event since the golden jubilee celebration.

Dinner At Noon
The ladies will be cooking up a noon smorgasbord to linger in diners' thoughts for days — fried chicken, baked ham, a variety of salads, relishes, oven baked beans and home made pies — and iced tea and other beverages. Serving starts at 11:30.

Carnival And Dance
The spirit of carnival will be in the air. Dotted the grounds will be game tents, concession booths, refreshment stands, a parcel post booth, a country store and a ferris wheel. A dance at night will be an added attraction.

Old Timers' Reunion
One of the highlights of the day will be the old settlers reunion and dozens of pioneers are looking forward to being there and greeting visitors, recalling local history and reminiscing with other senior citizens.

Ground Breaking
Planned as another highlight of the day is ground breaking ceremony for the Sisters' new home. The modern 20-bedroom structure will replace the present convent which has served the parish Benedictine nuns for just short of fifty years.

Twenty-seven working committees with chairmen are lined up for that many homecoming events, concessions and entertainment features. Pastor Father Alcuin Kubis has been setting a torrid pace for his co-workers who have left nothing to chance to assure Muenster one of its biggest and finest events.

NEWS OF THE SICK

Steve Moster was dismissed from Gainesville Sanitarium Tuesday to continue recovery from eye surgery at home. He's up and around the house but won't be back to work on his city job for some time.

Janet Pels came home Tuesday, dismissed from Texas Childrens Hospital in Dallas where she had a major operation June 16. And she's already out to play.

Frank Needham continues to improve at the Sanitarium and looks forward to being dismissed by the end of the week.

Ronnie, seven-month-old son of Mr. and Mrs. Melvin Schumacher of Gainesville, is making satisfactory recovery from surgery for a ruptured appendix. He was transferred from the Sanitarium to Texas Childrens Hospital in Dallas for the operation Friday night. His doctors expect to dismiss him this weekend.

Mrs. C. F. Gobble was dismissed from Nocona Hospital Sunday and is convalescing at home from major surgery. She's up and around the house.

Little Florentine Tempel has her left arm in a cast, both bones broken at the wrist. The accident happened in a fall during play.

Frank Hacker of Lindsay is a patient at the Sanitarium for medical care.

THE LIBERTY AMENDMENT

Last week we commented at some length on the proposed Liberty Amendment that is making the rounds of state legislatures around the nation, seeking an endorsement that will eventually bring it before Congress for action. We were amazed at the response that these words generated. We suddenly discovered that there are a mighty large number of people who honestly feel that our Federal government is getting

far too top heavy for the national good, and that something should be done about it. They were pleased that something like the Liberty Amendment was in the mill, and that it seems as though it has better than an even chance of getting somewhere. It can, and will, do just that if enough of us take the time and trouble to make ourselves interested in it.

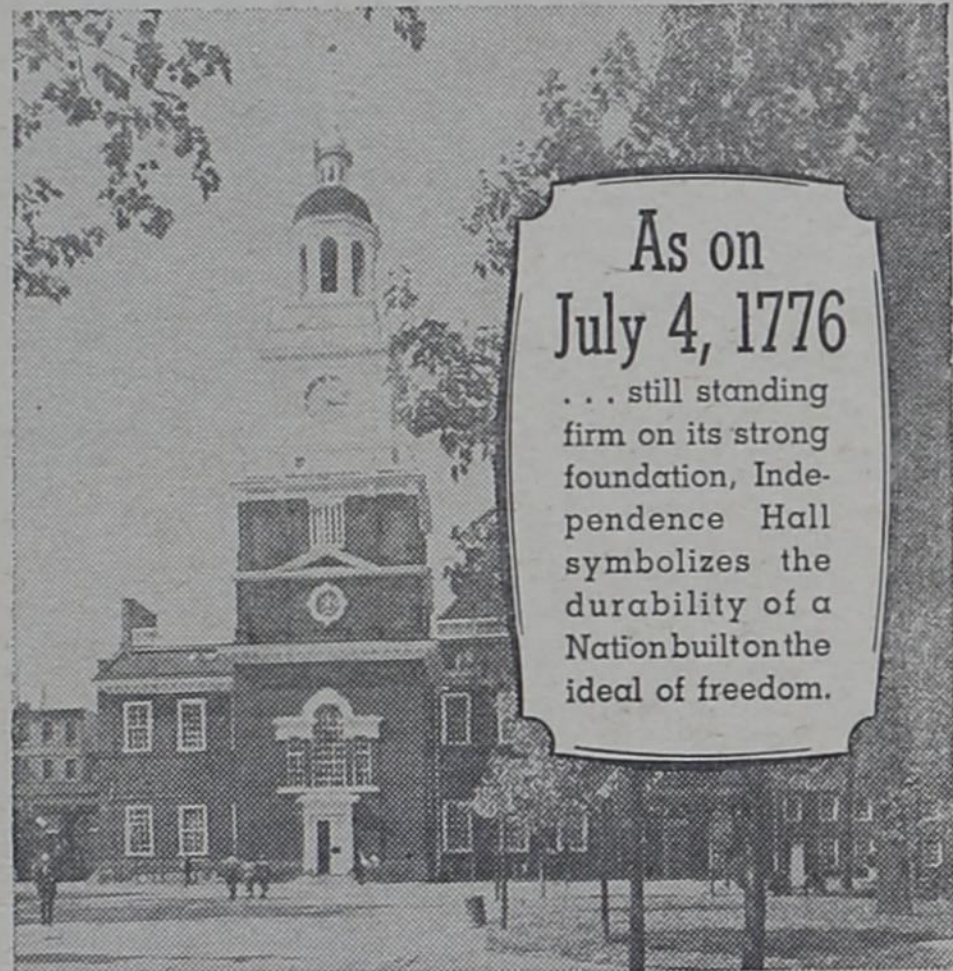

As we explained before, the Liberty Amendment would repeal Federal Personal Income Taxes by getting the government out of competition with its citizens. The question is always asked, "Where would the Federal Government turn for money to replace the amount it would lose by such action?"

Famous water ... fine beer

Men who make beer, prize a good brewing water — and one of the most famous is Pearl's. Originating high up in the Country of 1100 Springs, it filters underground 100 miles to Pearl's artesian wells. This great natural brewing water brings out the best in choice grains and hops ... makes Pearl one of America's finest beers.

PEARL BREWING COMPANY, SAN ANTONIO

The very simple answer is that there is no need to replace any money. The tax can be dropped simply by effecting economy in government. Taxes are the price we pay for the government we get, and we can reduce taxes in exact proportion to the reduction we make in the non-essential and unauthorized functions of government.

More than seven hundred major federal corporate activities with thousands of off-shoots exist without any pretense of constitutional authority. The defense department alone has 19,000 such activities. The total federal, unauthorized businesses have taken over 40 per cent of the land area and 20 per cent of the industrial capacity of the nation. To pay their losses and hidden costs, they consume, directly or indirectly, more than one-half the total income of government. This proposed Liberty Amendment would cause the lands and facilities held without constitutional authority to be sold back to the people or transferred to the states, and free us from the oppressive taxation that has become virtual serfdom.

In our opinion, this is a sound, definite move in the right direction. The job of government is to govern, and the sooner we get it back to just that, the sooner we'll get this old ship of state right side up again.

SINCE HECTOR WAS A PUP
A leading American Oil Company summarized the history of the federal gasoline tax in chart form under the apt heading "A Temporary Bite That's Lasted Since Hector Was A Pup."

1932 — First "temporary" federal gas tax of 1-cent a gallon, to expire in a year.

1933 — "Temporary" tax extended for two years and "temporary" 1/2-cent was added. This addition was scheduled to expire with repeal of the 18th (Prohibition) Amendment. That actually happened in 1934, and the tax reverted to the still "temporary" 1-cent rate.

1935, 1937 and 1939 — The "temporary" tax was extended on each date for two years.

1940 — "Temporary" 1-cent tax was "temporarily" increased 1/2-cent.

1941 — This "temporary" 1 1/2-cent tax was made permanent.

1951 — Tax was increased "temporarily" to 2 cents, with the increase scheduled to expire March 31, 1954.

1954 — "Temporary" increase renewed for one year.

1956 — Tax was boosted to 3 cents because of the national highway program.

1959 — Tax was increased "temporarily" to 4 cents — increase to expire June 30, 1961.

1960 — Now the plan is to continue 4-cent rate and, if other highway tax measures proposed by the Administration are not approved by Congress, to add still another 1/2-cent.

State and federal gas taxes amount to about half the cost of the fuel less taxes. This is a far higher rate than that imposed on even absolute luxuries, such as diamonds and mink coats. If anyone has a completely justified tax gripe coming, it's the American motorist.

TIDAL WAVE OF CRIME
"There is little chance that the dikes of decency and morality in America can long withstand the surging tidal wave of crime threatening our Nation unless every citizen, just as in flood-menaced communities, is willing to pitch in to help stem the tide."

The words are those of an outstanding authority on the subject of crime — J. Edgar Hoover, Director of the FBI. He supports his statement with some grim statistics. Serious crime reached its all-time high last year, showing a rise of 12 per cent above 1959. And in the FBI's vast fingerprint files there are, at any one time, some 90,000 cards which bear small, red tabs. These tabs mean that the owners of the fingerprints are wanted by some law enforcement agency in connection with crimes. In other words, they mean that 90,000 fugitives from justice are walking in our midst.

The law enforcement ranks are thin, and they cannot do the job alone. In Mr. Hoover's words, "A solid front of citizens behind the law enforcement officer who stands face to face with the criminal is the prerequisite for turning back the forces of crime." Defense — whether against enemies without or criminals within — demands the active support of us all.

LOST — \$228 BILLION!

Who gets hurt when inflation sets in, and the dollar depreciates?

A report made by the Economists' National Committee on Monetary Policy may help you answer that question.

It says that a loss of over \$228 billion, or 57 per cent, in purchasing power has been experienced by savers on average holdings in six categories for the period 1839 to 1959-60 because of this depreciation. The six categories are U. S. savings bonds; time deposits in banks, savings capital in savings and loan associations; life insurance in force; annuities paid out, and social security trust and unemployment funds.

Just about everybody has been hit, in one or more of these savings categories. And most of the people, obviously, have small or moderate means. The inflationary blow is particularly cruel to those who live on fixed incomes, as provided by annuities, social security payments, and so on.

The dollar's value in purchasing power has gone down by more than half, in a dismayingly short period of time. Will we have the strength, the wisdom, and the political courage to save what is left of it?

Middle Age: When the first thing a man thinks of when figures are mentioned is Government expenditures.

ONLY \$1,000,000,000,000

According to Senator Bennett of Utah, U.S. government programs already authorized will cost the taxpayers a trillion dollars in the next 40 years. A trillion, in case you're interested in seeing it in figures, is a thousand billion — \$1,000,000,000,000.

No one save a celestial mathematician is capable of visualizing such an amount. One illustration, however, may help: In cash, it would take a stack of \$1,000 bills 88,000 stories high.

Remember — Senator Bennett was speaking only of already authorized programs. New and expanded programs could vastly increase the costs. And one thing is sure — if the welfare state philosophy prevails and grows, as it has been prevailing and growing, a trillion ultimately will look rather like petty cash. Then the value of the inflation-eroded dollar will move right on down toward the vanishing point — along with both security and freedom.

Texas has 47.8% of U. S. oil reserves.

BY **BILLY JAMES HARGIS, LL.D.**
FOUNDER CHRISTIAN CRUSADE

UN HYPOCRISY

The Communist WORKER of April 30, 1961 quoted delegates in the United Nations who criticized America for the recent ill-fated attempt of Cuban refugees to recapture their nation from the cruel international communist conspiracy. We have seen no news indicating that these attacks on the United States were stopped by the UN. However, let's look and see what happened during November 1960 when a British delegate to the UN pointed out a few facts about the communist slave empire.

On November 28, 1960 British Minister of State, David Ormsby-Gore told the United Nations General Assembly that since 1939 Britain had granted independence to 500 million people while in the same period the Soviet Union had incorporated all or part of six countries with a population of 22 million. Of course, the actual figure is much larger than this. The Soviet Union has added some 700 million people to its slave empire since the end of World War II. This British charge brought a quick protest from Soviet Deputy Foreign Minister Valerian A. Zorin. Zorin demanded that Assembly President Frederick H. Boland halt what he called interference in the Soviet's internal affairs. Boland complied and urged all delegates to refrain from inflammatory attacks. Of course, attacks are not inflammatory when they are made by communist conspiracy delegates.

During November 1960 the communist-inspired attacks

against the Belgian government in the UN had become so strong that Belgium threatened to withdraw from the UN unless officials of this international monstrosity stopped attacks on their government. Running concurrently with attacks on the Belgian government were attacks on the anti-communist government leaders and provinces in the Congo.

Boosters of the United Nations claim that it is the world's last hope for peace. They bubble over with what they claim are achievements of the UN. How can anyone call an organization successful under whose guidance the communist slave empire has grown from 200 million people to over 900 million? What kind of success is it to allow 700 million human beings to fall into the satanic clutches of the international communist conspiracy? The UN does not stand for freedom despite some vague pious claims that it does. It pretends to stand for peace and plenty through handouts from an all-powerful government. Of course, this is merely an impossible and stupid socialistic utopian idea. The old promise of something for nothing has deceived millions, including many American citizens who should know better. The United Nations is hypocrisy, through and through. Do not be deceived by high sounding phrases. Dig for the facts.

HOW COME A CAR THAT RIDES LIKE THIS ONE DOESN'T COST MORE?

A good question—and we could spend this whole page answering! But what it all boils down to is this: It just stands to reason you're going to get more for your money when you put it on the car more people are buying ... and that car is the Jet-smooth Chevrolet.

Best way to settle any further questions about Chevy's ride is to settle behind the wheel and try it. Full Coil suspension and over 700 other gentle persuaders throughout the body and chassis will go to work cushioning, insulating, smoothing, soothing and pampering. Only **JET-SMOOTH CHEVY**

question you'll have left is why didn't you try it sooner. You might also ask: Who else in Chevrolet's field gives you Body by Fisher craftsmanship and such a wide variety of models to make sure you get just what you're looking for? Answer: Nobody.

Clergy Transfers Include Several Well Known Here

Recent appointments among the clergy by Bishop Thomas K. Gorman include several of interest locally.

Father John Untereiner of St. Thomas Parish at Pilot Point is the new pastor at Vernon's Holy Family Church. He is being replaced by Father James J. Gillespi formerly of Hillsboro.

Father Casimir Glogowski transferred from Decatur to Kaufman to become pastor of St. Ann Parish including mission at Forney. New pastor at Decatur is Rev. Francis Gabryl formerly of Kaufman whose parish work also includes the missions at Jacksboro and Bridgeport. And Rev. Fred Mosman is changed from administrator to pastor of Holy Cross Parish in Dallas.

Changes in assistants include Rev. Richard J. Sokolski to St. Mary's in Gainesville, coming from Tyler, and replacing Rev. John Lavin who went to Sacred Heart Parish in Abilene. Rev. Edward Devers has been assigned to St. Mary's in Sherman after being in Daingerfield.

The ricksha used in the Orient today was invented by Jonathan Gable, a U. S. Marine who visited Japan with Perry in 1854.

Bernadette Yosten Talented Writer

Bernadette Yosten, a sophomore the past year at Holy Angels Academy in Jonesboro, Ark., at home now for the summer, shows promise of becoming a successful writer. Already she has won awards and laurels on short stories, essays and poetry.

The talented Bernadette placed first in a monthly essay contest sponsored by The Queen's Work magazine and was the winner in the Holy Angels editorial contest.

One of her poems was accepted by the National High School Poetry Association in Los Angeles for publication in its Annual Anthologies. She captured a cash prize in the intermural journalism poster contest. Another accomplishment is an honorable mention certificate from the National Society of Arts and Letters for an original short story. Her stories and poems appear regularly in issues of the Holy Angels Echoes, the school's official publication.

Bernadette also won the journalism medal and the Latin medal at the academy the past year. She's the daughter of Mr. and Mrs. Felix Yosten... is a juniate at the academy and plans to enter the novitiate of the convent next year.

Texas now produces about 38% of U. S. crude oil.

Courtesies Honor The David Brights During Visit Here

Lt. Col. and Mrs. David Bright, visiting here on overseas leave, were honored at a number of social events during their stay as guests of her parents, the J. M. Weinzapfels.

The couple and their five children, David, Lola, Joseph, Thomas and Samuel left Monday, boarding a plane at Dallas for Washington D. C., to visit there until Wednesday when they left for New Jersey for a night flight to Bonn, Germany, and arrival at his new station there Thursday.

Seeing them off at Love Field were her parents and her brothers, Msgr. Thomas Weinzapfel and Father Joseph Weinzapfel.

Among courtesies for Lt. Col. and Mrs. Bright was a fish fry at Leeper Lake Friday night given by the Frank Morris Jr. and the Claude Joneses of Gainesville at their cabin. About 25 guests enjoyed the charcoal grilled perch supper and informal diversion.

Sunday the Brights were honored with a picnic and outing at the Gainesville Boat Club at Lake Texoma with Mr. and Mrs. Herbert Meurer as hosts and several couples and all their children present for the noon meal and water sports.

Mrs. Bright observed her birthday while she was here and was the honoree at a morning coffee given by Mrs. Maurice Pagel in her home. Classmates of the honoree and hostess were present for the "all-girl" party.

Meanwhile the couple's children had entertainment of their own including splash parties at the city pool and an ice cream party at the Henry Weinzapfel home.

The Brights also went to Fort Worth one day to visit her sister and family, the H. L. Jacksons and had visitors here, her sister and husband, the P. W. Hellmans, flying from Tulsa to spend the day and being joined by the two brothers from Dallas and the Henry Weinzapfels. Family dinner parties were also on the agenda of events.

Lt. Col. and Mrs. Bright and their family will be calling Bonn, Germany, home for the next three years. This is the couple's second time there. He was on duty there before and she was there as a school teacher. It was there that they met and became engaged to be married.

Shower Party Is Honor for Bride

Mrs. Charles Hunter of Gainesville, the former Miss Mary Lee Dennis of Muenster, was the honoree at a gift party Tuesday evening in the home of Mrs. David Biffle in Gainesville with Mrs. W. D. Roberson as co-hostess.

Twenty-four guests registered at a table decorated with a white satin heart outlined with lace ruffles and lilies of the valley and streamered with "Congratulations." A miniature bride and groom was in front of the heart and another bridal figurine was on the refreshment table which was covered with a white silk imported cloth and centered with an arrangement of white althea.

Frosted line punch and lime and white angel food rolls were served.

Miss Dennis, daughter of Mr. and Mrs. L. C. Dennis, was married to Charles Hunter June 17. The couple is at home in Gainesville.

Back From 2 Week West Coast Trip

Get Miss Peggy Willis of Forestburg in a conversation and she'll tell some of the highlights of her vacation trip to the west coast.

Peggy accompanied her uncle and aunt, the Charles Wilsons and daughters Carolyn and Julie of Midland on the car tour to California after flying from Fort Worth to Midland to join them.

Never to be forgotten are Disneyland, Knox Berry Farm, Marine Land and the drive along the ocean to San Francisco. The up and down streets, riding the cable car and crossing the Golden Gate Bridge were stand-out attractions among many there.

Returning, the group visited Salt Lake City for sight-seeing including the Mormon Temple and the Capitol, crossed the Great Salt Desert and enjoyed sight-seeing and visiting friends in Denver, Colo.

6 Day Trip Filled With Sight-Seeing

Corpus Christi and San Antonio were vacation spots this year for Mr. and Mrs. Johnny Streng and children John Henry and Patsy. They crowded six days with sight-seeing and visiting, returning home Monday night.

In Corpus Christi they were guests of Mrs. Streng's brother, Rev. Sylvester Schad and enjoyed fishing, boating and a two-hour cruise on the Clipper. They visited ships in dock, toured the Naval Air Station which was having open house and enjoyed seeing Padre Island. They also stopped to see Father Patrick Hannon.

For the weekend Father Sylvester joined them on a drive to San Antonio to see their four sisters in the convent at Our Lady of the Lake Convent, also saw other relatives and friends there and returned to Corpus Christi. John Henry Streng remained there for a two-week vacation with his uncle.

MRS. MELVIN SCHOECH was Miss Genell Kesner before her June 17 marriage here. After their wedding trip Mr. and Mrs. Schoech will make their home in San Antonio. She is the daughter of Fred V. Kesner of Lafayette, La. His parents are Mr. and Mrs. Andrew Schoech.

Sister Helen Ends Ten Day Vacation

"A never-to-be forgotten ten days" says Sister Helen Swirczynski of her vacation this year. It started with her first plane trip — a gift from her family — to join relatives in Colorado Springs for the jubilee celebrations of her aunts, Sisters Ruperta and Angeline, and visiting there with her sisters and families, the Clarence Erpeldings and Alex Knaufs. Her parents, the Joe Swirczynskis, were there too and together they went sight-seeing. Sister Helen thought the drive to the top of Pike's Peak was great fun.

She accompanied her parents back to Muenster by train and had a four-day visit here with her brothers and their families. Relatives coming from out of town to see her included the Ed Swirczynskis of Fort Worth, Mrs. Townsend Miller and children of Austin and the Al Swirczynskis who took her back to Dallas with them and saw her off on the train to Pochontas, Ark., where she will spend the summer.

Miss Bierschenk Is Party Honoree

Members of St. John's Altar Society of Valley View honored Miss Mary Nell Bierschenk, bride-elect of Kenneth Klement, with a surprise wedding shower Friday, June 23, at 8 p.m. in the parish rectory.

Miss Joan Kupper of Dallas assisted the honoree in opening her gifts and Miss Shirley Luttmr secured the guests' signatures for the bride's book.

The refreshment table was covered with a lace cloth and held a centerpiece of spring flowers flanked by twin tapers of blue. The bride elect's chosen colors of blue and white were carried out in decorations.

Misses Laquita Sandmann, Shirley Luttmr and Joan Kupper assisted in serving cake and punch to about 30 guests. Present from out of town were Mrs. Ed Klement, mother of the future groom, and Miss Ethel Sandmann of Lindsay.

The couple will be married Saturday, July 1, in St. John's Church at Valley View and the reception will be held here in Sacred Heart Parish Hall.

Heavy rains raised the river to flood stage, so a farmer sent his only child, a ten-year-old boy, to a distant uncle. A few days later the father received a telegram.

"Take back your son and send the flood."

Housewarming Is Given Mrs. Moser

A surprise housewarming party and a shower of gifts greeted Mrs. Leo Moser at her new home Monday afternoon when neighbors and a few friends gathered for the afternoon social.

The guests brought refreshments of angel cake and iced lime fizz and appointed the table with crystal and silver. The group also brought a large lamp as a joint gift and each had an individual present for the honoree. They enjoyed a tour of the new home and watched as Mrs. Moser unwrapped gifts.

Present were Meses. Ben Seyler, J. B. Wilde, Henry Wiesman, Jake Pagel, John Wieler, Joe Kathman, L. A. Bernauer, A. H. Rebenstish, Victor Hartman, Joe Horn and Rosalee Trubenbach and Miss Anna Hellman. Mrs. J. C. Trachta and Tillie Barrier who were unable to attend sent gifts.

About one out of every 11 Texas workers is in oil and gas industry.

Parties Given for The Earl Swinglers

Family gatherings honored Mr. and Mrs. Earl Swingler and children, Charlotte, Becky and Ronnie, of Houston during their vacation visit here.

In addition to dinners in the home of his parents the Joe Swinglers and at the homes of his sisters, Mrs. Hank Walterscheid and Mrs. Albert Schilling, the family was together for a fish fry one evening at the Swingler home, Earl having caught the fish himself on a fishing trip to the lake. The Ray Wildes were additional guests.

The Hank Walterscheids were hosts for an ice cream party one evening and there were several splash parties for the children at the local pool.

**Rebecca Mosman
John T. McDonnell
Say Nuptial Vows**

Miss Rebecca Mosman, daughter of Mr. and Mrs. John Mosman, pledged nuptial vows with John Terence McDonnell, son of Mr. and Mrs. Emmett McDonnell of Fort Worth, Saturday evening in Sacred Heart Church here.

The Rev. Fred Mosman of Dallas, uncle of the bride, read the double ring ceremony and was celebrant of the nuptial high mass at 7:30. The bride's brothers, Thomas and Jerry Mosman, were acolytes.

White gladioli and greenery adorned the altar and Anthony Luke was organist. The men's choir sang for the mass and Mrs. Rody Klement was vocal soloist. She presented "Ave Maria" as a pre-nuptial selection and sang "Mother at Your Feet" after the service as the bride placed a bouquet of white gladioli on the Blessed Virgin's altar.

The bride wore a lovely original floor-length gown she made herself. Fashioned of white Chantilly lace it was designed with moulded bodice, scalloped neckline, petal point sleeves and billowing wide skirt. It was worn over taffeta and crinolines. A crown of bridal jewels held her finger-tip veil and she carried a white prayer book, a gift from the groom, topped with white carnations. Her father escorted her to the altar and gave her in marriage.

Miss Jeanette Klement was

—Boyd and Breeding Photo

maid of honor wearing a bouffant dress of blue silk organza over taffeta, and a matching half hat and carried a colonial bouquet of white carnations.

Robert McDonnell of Fort Worth was his brother's best man and Tim Mosman of A&M College, Ronald Hope of Fort Worth and Angus Anderson of Gainesville, brother and cousins of the bride ushered.

Bride's sister, Miss Carol Mosman, was at the guest register in the Muenster High School dining room where the wedding reception was held. After a cocktail hour, guests helped themselves to party sandwiches and other finger foods while Mrs. Terrell Johnson, bride's aunt, served the wedding cake and Miss Carolyn Forney of Temple, cousin of the bride, poured punch. A theme of hearts and flowers in white and blue was accented on the refreshment board.

For her daughter's wedding, Mrs. Mosman wore a royal blue lace dress with blue accessories and Mrs. McDonnell, mother of the groom, wore a beige dress with beige accessories. They had white carnation corsages.

The newlyweds will live in Denton where she is a student at Texas Woman's University and he is stationed at the Army's Niki Missile Base.

Out Of Town Guests

Among out of town guests at the wedding were Mr. and Mrs. Carl Curran and children Jimmy and Candy, Mr. and Mrs. Ray Curran and daughter and Mrs. Terrell Johnson, all of Dallas; Mrs. Lula Nieces of Houston, Miss Carolyn Forney of Temple.

Mr. and Mrs. Elwyn Hope and Ronald, Jerry Miller, Mr. and Mrs. George B. Clayton, Richard B. Clayton, Mrs. Wm. Vishy, Mrs. W. F. Shurtleff, Andrea and Tracia Shurtleff, Martha Bohak, Vincent Murphy, Mrs. Marion Sulester, Judy Jim and George Sules-Judy, Jim and George Sules-Fort Worth.

Mr. and Mrs. Robert Collins, Tom, Susan, Robert and Sharon Collins, Irene and Darlene Morris and Mrs. Clementine Rapy, all of Saint Louis, Mo.

Mrs. T. L. Anderson and Angus Anderson, Mrs. Clara Mosman, Mrs. Frank Popp, Mr. and Mrs. Lambert Bezner and Mr. and Mrs. Gilbert Kubis, all of Gainesville.

Mr. and Mrs. Freddy Henigan and children moved this week from route 1 to the city and are at home in Mrs. Ben Hellman's house on the corner of Third and Oak Streets.

Mrs. C. C. Morgan Former Resident Dies at Wichita

Mrs. C. C. Morgan, 76, a former Muenster resident and a sister of Mrs. Joseph Fleitman died in Wichita Falls Monday morning.

Requiem mass was held in Sacred Heart Church at Wichita Falls Wednesday at 10 a.m., Msgr. Anthony E. Daly officiating and burial was in the parish cemetery.

Mrs. Morgan, the former Miss Mary Elizabeth Roewe, was born in Nebraska, Jan. 25, 1884. She was married to Christopher C. Morgan in Wichita Falls in 1923.

Surviving are her husband; one son, Andrew of Wichita Falls; one grandson, Larry Morgan of Fort Hood; one brother, Andrew Roewe of Pilot Point, and four sisters, Mrs. Joseph Fleitman of Muenster, Mrs. Anna Pels, Mrs. John J. Block and Miss Christine Roewe, all of Pilot Point.

Among those attending the funeral were Mrs. Conrad Jostwerner, Andrew Fleitman, Mr. and Mrs. J. W. Fleitman, Mrs. Lawrence Neusch of Lindsay, Mr. and Mrs. Ben Fleitman, Miss Helen Fleitman Herman Fleitman and daughter Rose Mary of Gainesville, and Mr. and Mrs. Tony Fleitman.

Bill Seylers Host Family Reunion

Mr. and Mrs. Bill Seyler had a complete family gathering at their home in Valley View while their son in the service, M.Sgt. Albert Seyler, and his family were on leave from his base in North Carolina.

Attending the get-together with the hosts were the Albert Seylers and their son and daughter, Mr. and Mrs. M. A. Martich and three children of Dallas, Mr. and Mrs. Clarence Seyler and two sons of Justin, and Mr. and Mrs. C. J. Seyler and two sons of Valley View. The North Carolina Seylers spent all last week with his parents.

Gremminger Clan In Windthorst for Annual Reunion

Annual reunion of the Gremminger clan was held in Windthorst this year, the event taking place there Sunday in the KC Hall. Everyone brought covered dishes for the noon meal, exchanged family happenings since the last get-together, played games and posed for group pictures.

Attending from Muenster were Messrs. and Mmes. John Knabe, Tommy Knabe, Gary Hess and family and Leo Sicking and family and Johnny Knabe.

Among others present were Mrs. Lena Wiesman, her daughter and family from Wichita Falls; Mrs. Sophie Butler, her son and family from Olney; the Bill Gremmingers and two sons of Abilene; the John Ziehlmans of Arlington; the Joe Schroeders and family, Mrs. Lambert Osterman and baby, the Ben Schroeders and family, and the Frank Kutters, all of Windthorst.

NEW FORD SELECT-O-SPEED

Hydraulic power does the actual shifting, but it's controlled by this handy lever under the steering wheel. A light touch is all you need to shift to any gear — 10 speeds forward, 2 reverse — at any time.

Now — finger-tip, clutchless shifting with hydraulic power doing all the work! For the first time, you can shift on-the-go to any speed you want, any power you need, by a simple touch of your finger. Now you can match pull-power and speed exactly, instantly, to changing field conditions. And what's more,

independent PTO engages or disengages on-the-go, too, to save time and speed PTO work. With clutchless power shifting and independent PTO, you'll do more work and cover more acres. Come in and test drive a Ford Select-O-Speed tractor soon — see what it can do for you!

IT HAPPENED 20 YEARS AGO

June 27, 1941

O. J. Huchton, 64, dies suddenly June 19. Rain causes another delay in harvesting. City taxes are raised 50 per cent. Nick Miller is recovering from tonsillectomy. Clara Hoenig returns to Dallas to continue nursing study after a vacation visit at home. Sister Bertha and Sister Michael left this week for the mother house in Jonesboro, Ark. About 25 young men are expected to register here July 1 in the second nation wide registration to classify men eligible for selective service. Doctor Myrick is combining his hobby and profession this

week by making plane trips to Dallas every day to attend a series of lectures on surgery.

15 YEARS AGO

June 28, 1946

Rev. Leo Koesler says first mass here Tuesday; Rev. David Flusche celebrates first mass at Denison Sunday. Waples-Painter company observes 50th anniversary; is this city's oldest business institution. Muenster Gin is sold; machinery will be moved to Era. Local post office will assume second class rating on July 1. Sidney Huchton and Eva Murphy marry in Denison. Vernon Waggoner and Katherine Reeves marry here. Gainesville and Wichita Falls pastors change places as Rev. Peter Molloy takes Rev. John Brady's place at Gainesville. New arrivals: Sandra Cain and Alvin Sicking.

10 YEARS AGO

June 29, 1951

Harvest progress is speeded up by a week of clear weather. About 35 from here attend VFW and Auxiliary convention in Dallas this week. Three local teams score high in 4-H Roundup at A&M College as Larry Hofbauer and Jerry Fuhrman win second in range conservation demonstration, Douglas Robison and Billy Whitt take second in soil and water conservation and Ray Luke and Billy Ben Boyles are third in dairy demonstration. Anna Becker and Marian Starke undergo tonsillectomies. The Alfons Koesler family attends services in San Antonio to see Sister Mary Lin receive her black veil. New arrivals: daughter for the Ray Voths and a son for the Bob Tuggles.

5 YEARS AGO

June 29, 1956

Miss Agnes Esker, 51, resident here 46 years, is cancer victim. Drought and grasshoppers are causing worry in Muenster area. Swimming pool dedication set for July 7. Contract is awarded to extend pavement north of Muenster. New construction prepares for Muenster Mill expansion program. Vacation Bible school set for next week at Baptist Church. Mrs. Meinrad Hesse is recovering from major surgery. Janie Hellman and Henry Weinzapfel marry here. About 50 young people of the Sherman Deanery CYC gathered here Sunday for a social that included a swim party, picnic supper and dance. The J. M. Weinzapfels, daughter Marve and her friend Mary Parrish of Fort Worth and Rev. Joseph Weinzapfel of Dallas are on a trip to Alaska to visit the David Bright family at Fairbanks.

Farewell Reunion Fetes J. P. Janicki

Farewell gathering of the family with dinner at noon Sunday was a going-away courtesy for Mr. and Mrs. J. P. Janicki and their five daughters. Cheryl, Jan, Donna, Starla and Renee. Mr. and Mrs. Maurice Pagel were hosts in their home for the all-day get-together.

Joining the hosts and their family and the honorees were the Jake Pagels and the Jerome Pagels. Additional guests in the afternoon were Mrs. Tony Gremminger and her visitors from Fort Worth, Mr. and Mrs. Clyde Morbitzer and five children. It was the Morbitzers' first visit at the Pagels' new home.

Jack and Marcella Janicki and their girls left here Tuesday for San Antonio where he will be stationed at Fort Sam Houston for his new assignment.

At Kin's Funeral

Mr. and Mrs. Victor Koelzer and her parents, Mr. and Mrs. Leo Neusch of Lindsay, spent the weekend in West Texas and on Saturday attended the funeral of their uncle and brother-in-law, Mike Wink, 80, in the St. Francis community near Amarillo.

Celebrant of the requiem high mass was a nephew, the Rev. Louis Meyer—who is a missionary in Africa. He was near the end of his visit in the states and left Sunday to return to his mission post. The last time the family saw him was nine years ago. At that time he visited in Lindsay.

Afterwards they visited with Mrs. Wink, sister of Mr. Neusch, and her son and three daughters and their families including the Al Britton family at Claude where they made a tour of the Brittons' zoo. The Koeslers made a quick trip to Hereford to see his relatives, Miss Theresa Koelzer and the John Nogglers.

Value of Texas crude oil in 1959 was \$2.9 billion.

Scout Campout Is Rugged and Rainy But Plenty of Fun

It was a rugged campout for Scouts and their dads Saturday night at Lake Texoma, as every one of the boys and their fathers will verify, but they are quick to add it was fun and roughing it was an experience they won't soon forget. It rained all Saturday afternoon and all through the night, soaking tents and clothing.

But Sunday's sunshine and warm weather made up for the lack of it the day before and the picnic dinner after a field mass and an afternoon of water sports left the group happy, though tired.

Thirteen dads and their 22 sons and Scoutmaster Nick Miller braved the elements along with four other Scouts whose dads were unable to accompany them. Fifteen Scout families attended the Sunday field mass and 13 Scout families and guests, totaling some 75 persons, joined in the picnic dinner brought by Scout mothers and Mrs. Nick Miller.

Others vacationing at Lake Texoma at various resorts joined in the mass, celebrated by Father Alcui, at Walnut Creek Camp. Someone counted 115 present.

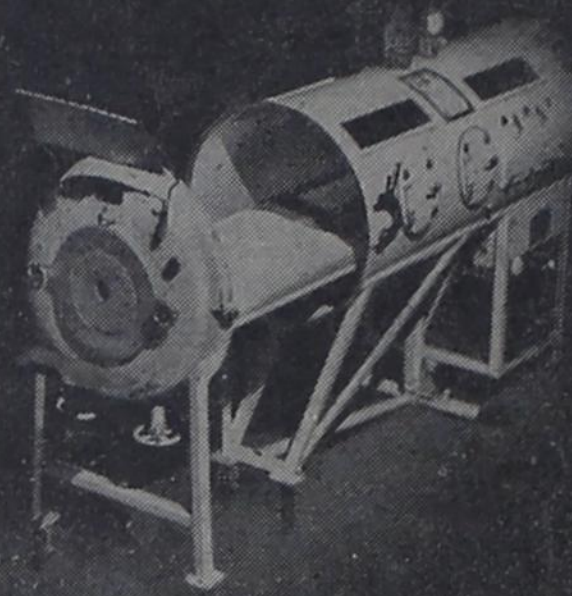

Scoutmaster Miller and the troop express special thanks to Mr. and Mrs. Albert Kubis of Lindsay for the use of their camp and to Mr. and Mrs. Ed Hess for the use of their boat. Other boats were provided by Scout dads.

Fathers and sons taking in the full campout from Saturday afternoon through Sunday were Herman Hartman and Tom, Roy, Joe and Don; Herman Swirczynski and Virgil; Lawrence Wimmer and Willie; Oscar Walter and Chris; L. B. Bruns and Lawrence and Robert; W. J. Miller and Robert, Terry and Alan, Arnie Hess and Steve; Earl Fisher and Robert, Gary and Alan; Wilfred Reiter and Wayne, Tony Koesler and Rickey; Committeeman Willie Walterscheid and Terry, and visiting dads and sons Ed Schneider and Donny and Johnny; and Donald Endres and Jimmy.

A little boy wanted \$100, so he decided to pray for it. He prayed for two weeks. Still no \$100; so he decided to write the Lord. Postal authorities, noting the address, forwarded the letter to the President of the United States.

The President, amused, sent the boy a check for \$5, believing that would seem like a lot of money to a boy. The delighted youngster wrote the Lord a letter of thanks, but "I noticed You routed Your letter through Washington. As usual, those stinkers deducted 95 per cent."

WANTED: More Vacancies

This iron lung is now empty—for a change. How long it and thousands of others remain empty depends upon how soon the entire nation is fully vaccinated against polio.

Almost half the U. S. population is unguarded against crippling polio.

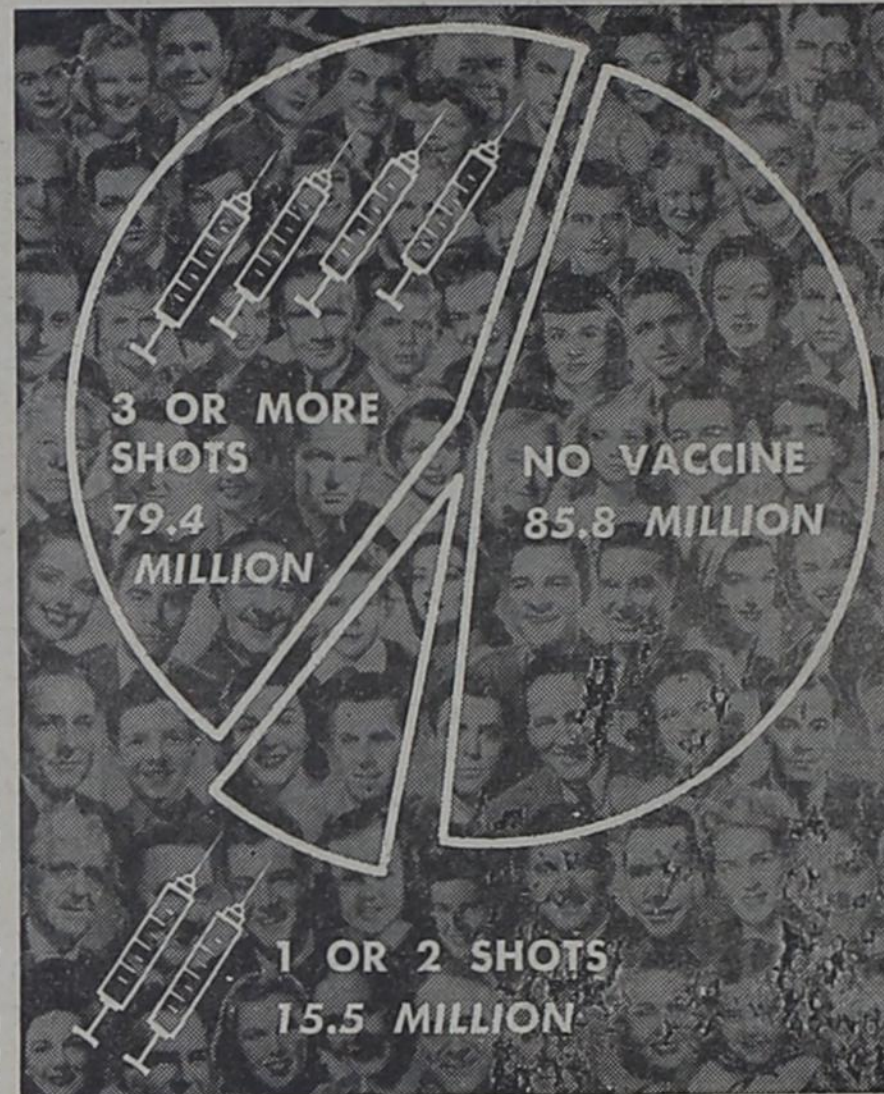

Basil O'Connor, president of The National Foundation, has described the vulnerability of some 85 million Americans to paralytic polio as "a national disgrace."

There is no scarcity of the Salk vaccine, he pointed out, and two inoculations now, within a month's time, would provide at least some measure of protection against polio outbreaks and epidemics in the summer.

In thousands of cities, villages and hamlets across the nation, Salk polio vaccination is available at little cost, and in some communities the prescribed series of at least three shots is free. A fourth "booster" shot is now recommended.

"The individual's common sense and will to survive should dictate immediate vaccination," Mr. O'Connor said. "If he or she has a family, all the more urgent ground for polio protection."

The National Foundation has been joined in its nationwide appeal to the unvaccinated by the American Medical Association and the U. S. Public Health Service.

Illustrating vaccination status of the American public, chart shows almost half the population is totally unvaccinated.

March of Dimes Expands Aid for Victims Of Crippling Birth Defects, Arthritis, Polio

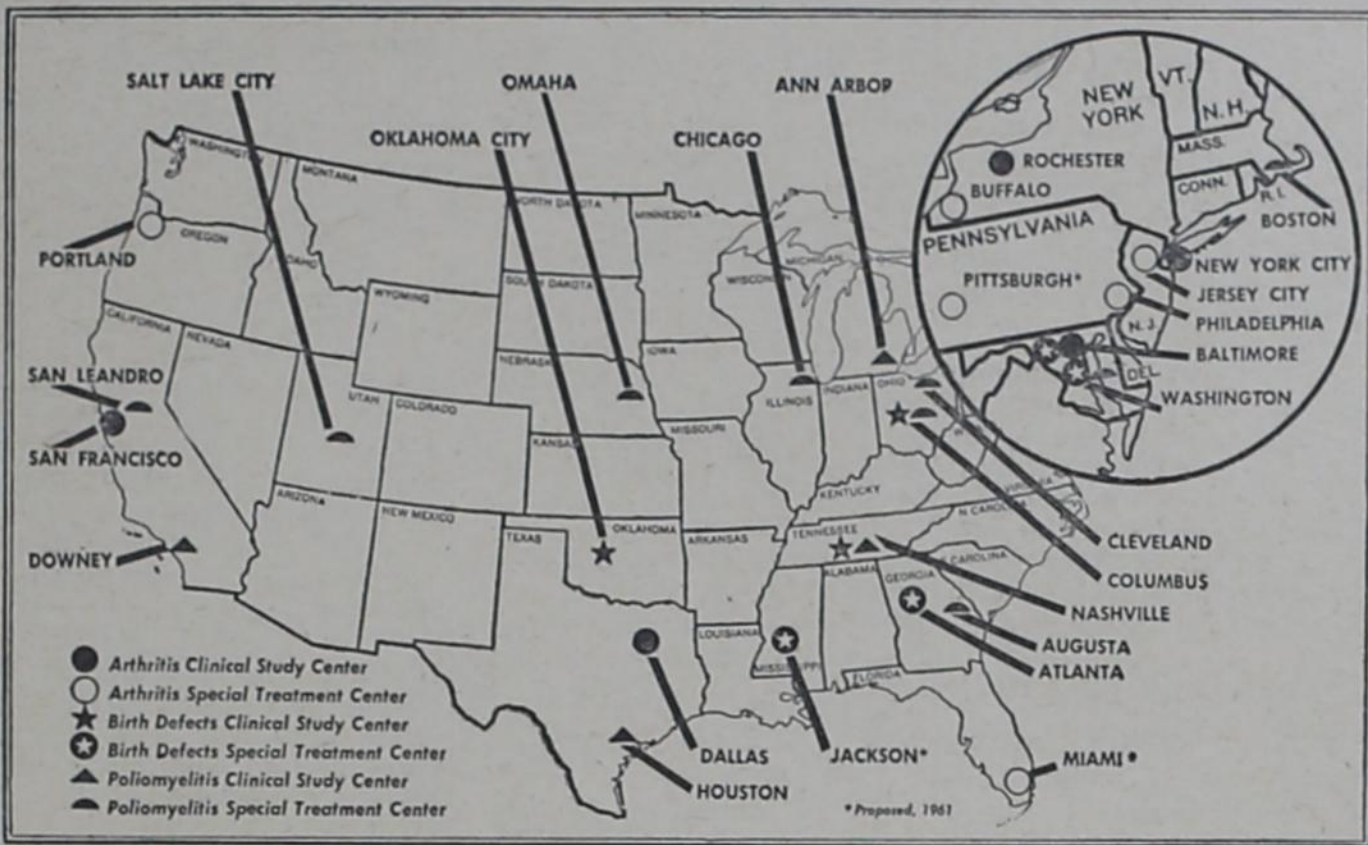

Victims of crippling birth defects and rheumatoid arthritis, among the largest groups of the medically underprivileged in the nation, can soon look for help virtually at their doorsteps, thanks to the March of Dimes.

The National Foundation, supported by March of Dimes funds, has broadened its horizons to give direct aid to children under the age of 19 suffering from all types of birth defects. Aid was previously limited to children with open spine, open skull and water on the brain.

The voluntary health organization has also authorized its 3,100 chapters throughout the United States to use available funds to establish a network of Special Treatment Centers and Evaluation Clinics for birth defects and arthritis. Assistance to polio victims will be continued.

The National Foundation's experience with polio treatment and rehabilitation centers as well as pilot projects conducted in birth defects and arthritis has proved the value of bringing together teams of experts to deal with medical, economic and social problems of chronically disabled patients and their families.

Under the newly expanded program, National Foundation chapters will finance Special

March of Dimes-supported Special Treatment and Clinical Study Centers offering comprehensive care to victims of birth defects, arthritis and polio are expanding throughout U. S.

Treatment Centers at major hospitals in several large cities. These will operate full time and provide treatment for both in- and outpatients through teams of specialists in the medical and allied professions.

For areas isolated from large medical centers, chapters will develop birth defects and arthritis Evaluation Clinics to offer outpatient care only, through periodic clinics with visiting medical specialists.

Cases that require more extensive care or hospitalization may be referred through Evaluation Clinics to Special Treatment Centers.

On the national level, March of Dimes funds will continue to support and expand Clinical Study Centers which provide exemplary total care for birth defects, arthritis and polio victims and also conduct research in those diseases.

As the number of centers of all three types increases, there will be an increase in knowledge and improvement of treatment facilities and techniques to bring closer to reality the control of chronic crippling diseases.

In conducting its vastly expanded patient aid program, The National Foundation will emphasize aid in areas of unmet needs. It will not duplicate assistance already being provided by other agencies.

Local News BRIEFS

Mr. and Mrs. Albert Schilling spent three days of their vacation the past week on a trip to West Texas and New Mexico. Carlsbad Caverns were the chief attraction in New Mexico and at Hereford they visited the Frank Knabes and the Adolph Knabes.

Mr. and Mrs. Bernard Lunt of Dallas were Sunday visitors with Mr. and Mrs. J. M. Weinzapfel. The Clyde Morbitzers and children of Fort Worth joined them in the evening, especially to see the David Brights and children.

Seamstresses were back at the Muenster dress factory Monday after a week's close-down for annual vacations and the ladies were telling each other how they spent the week. Best of all vacations was Mrs. Louis Roberg's. She and her husband went to Harrisburg, Va., to get acquainted with their three-week-old granddaughter, Kimberly Ann King, and to visit with Lt. and Mrs. Lloyd King before they go to Germany. Lt. King left Thursday this week and Mrs. King and the baby will join him when he is settled.

Mr. and Mrs. Eddie Mages and children of Dallas spent Sunday here, bringing her mother, Mrs. Mathilda Wimmer, home after a month's vacation in Dallas and Fort Worth with her daughters. The visitors, Mrs. Wimmer and Richard Wimmer were dinner guests in the home of Mr. and Mrs. Arnie Wimmer and Barbara Mages stayed for an extended visit with her grandmother.

Mrs. M. A. Slaughter is back here for a visit with her sister, Mrs. J. A. Sanders, after spending several weeks in Sand Springs, Okla., with another sister who had an operation.

"Swapping children" again is what Mr. and Mrs. Arnie Wimmer did when they went to Pilot Point Sunday evening to visit her sister and family, the William Koerners. They took Linda Koerner to her home and brought their son Ronnie back with them. Mr. and Mrs. Frank Bindel joined the Wimmer family on the trip.

Weekending with Mr. and Mrs. Joe Linn were her brother and family, Mr. and Mrs. B. J. Clark and children Ronnie, Judy Kevin and Eva of Longview. Other guests Sunday evening were Mr. Linn's cousins, Mr. and Mrs. Paul Linn of Gainesville.

Arriving early Tuesday for a week's vacation are Mr. and Mrs. Charlie Morris and children Robert, Wayne and Becky of Panhandle. They are guests of her mother, Mrs. Frank Kathman and his parents, Mr. and Mrs. Lee Morris, and are seeing other family members also.

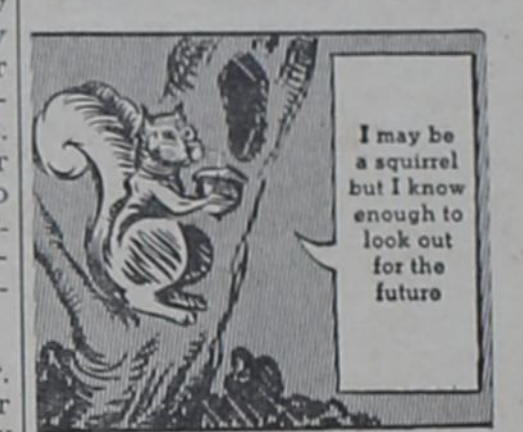

Mr. and Mrs. Ray Smith and son Craig of Dallas were here for a weekend visit with her parents, Mr. and Mrs. W. R. Linn.

Mrs. William Bergman has as her guests her daughter, Sister Mary Beatrice and her traveling companion, Sister Mary Virgilla. The two arrived Saturday from Oklahoma City.

Sister Carmelita and Sister Genevieve have been post-carding from Washington, D. C. where they are taking a summer course at the Catholic University. On a recent Sunday they attended mass at the Immaculate Conception celebrated by Cardinal Rumbaut of Africa and heard Bishop Sheen deliver the sermon.

Back for a weekend visit here were Mr. and Mrs. Bob Kupper and children of Marlin who were guests of her parents, Mr. and Mrs. W. H. Endres.

Cattle Theft Is Still a Problem

Texans have always said there's nothing lower than a cattle thief, and Texas cattle raisers have always led the nation in their fight against these parasitic criminals who brutally steal and butcher from another man's herds.

But cattle theft is still a big problem in Texas and elsewhere. Modern transportation methods, tranquilizer pellets thrust into the victimized animals, and shade tree butchering places have updated rustlers' techniques and often make them more difficult to apprehend.

The Texas and Southwestern Cattle Raisers Association, one of the finest industry-sponsored self-policing organizations in the world, works against these modern odds to throw fear into would-be thieves and to catch and convict a high percentage of actual offenders.

The TSCRA has 31 well-trained and coordinated field inspectors located in Texas and Oklahoma who have not only a thorough knowledge of

cattle but also a working knowledge of modern crime detecting techniques.

The association offers a high level of protection for the individual cattleman. Not only do they have men to help local law enforcement agencies to catch thieves but also they have a legal department and an attorney who is available at all times to help local prosecutors in working up cattle theft cases.

This makes cattle theft — which might otherwise be appealing to the criminal mind — one of the least defensible crimes in our state.

Cattle branding, as always, is crucially important for owner protection against thievery. This offers positive identification of ownership which will stand up in court.

Even with modern detection methods and updated ranching techniques, the age-old menace of pioneer days is still with us, however. And it's good to know that the cattle thief is being watched for, sought after, and, if caught, prosecuted to the fullest for his unsavory crime.

The young mother was shocked to learn that little Sammy had told a falsehood. Taking the lad on her knee she graphically explained the consequences of lying.

"A tall, black man," she began, "with red fiery eyes and two sharp horns grabs little boys who tell falsehoods and carries them off at night. He takes them to Mars where they have to work hard in a dark canyon for 50 years. Now, you won't tell a falsehood again, will you Sammy?"

"No, ma'am," replied the lad, "you can tell 'em better than I can."

Homecoming at Lindsay Draws Big Attendance

All roads led to Lindsay Sunday and hundreds of people gathered there for the third annual homecoming celebration. At the peak of attendance an estimated crowd of some 2000 was present.

Festivities started with dinner at noon and more than 500 dinners were served by ladies of St. Peter Parish. This event was held in the school cafeteria. Other activity was in the parish park.

Carnival attractions dotted the picnic site and concession stands and game booths did a booming business. Constant streams of children lined up for rides on the ferris wheel.

Reunioning was going on all over the place with dozens of families gathering for get-togethers. Old timers had a field day visiting and recalling early day history, special events of the "good old days" and current topics of interest including politics.

An old-fashioned song fest at night raised voices in a mighty chorus of German tunes and present day songs. Most of the people left with Lindsay souvenirs from the

souvenir stand operated by the boys' and girls' clubs.

Oldest person present to enjoy festivities was John P. Neu of Lindsay who observed his 89th birthday this week.

Among those from out of town gathering with their families and attending festivities were the Walter Huchtons and family and Mrs. Claude Billingsley and two sons of Albuquerque, N. M., Ed Bezner and Frank Bezner and daughter Betty of Hereford, the Jake Horns of Windthorst, the Ernest Arendts of Fort Sill, Okla.

Father Fred Mosman, the Ray and Carl Currans, Bob Bezners, Al Bezner, the Bob Youngs, Mrs. Pat Schmitz, the Lawrence Schmitz family, the Francis Dieters, the Doug Reiters, the Bob Thornes, the Bob Hale family, all of Dallas.

Mr. and Mrs. J. E. Bass and Carolyn, Carl Bayer and daughters and Marie Hermes of Fort Worth, the Bob Kuppers of Marlin, the Donald Hermes family of Austin, the Clarence Metzler family of Pottsboro, the Earl Walterscheid family and Mr. and Mrs. Grady Jones and Cindy of Wichita Falls, and the Herbie Fleitmans of Denison.

Messrs. and Mmes. Ray Lueb and family, Martin Theimer and Henry Lueb of Oklahoma City, John Schmitz of Thackerville, the Leo Wagners and daughter of Perry Okla., the John Pelzels of Pilot Point, plus large crowds from Muenster and Gainesville and visitors from Valley View and Myra.

Nestle Advances Richard Schmitz

Richard Schmitz, native of Lindsay, has been appointed territory manager in the Houston district for the Nestle Company.

He will live in Houston and will direct the company's sales in the southern half of Texas. For the past several years he was the company's sales representative in the San Antonio area and lived in San Antonio.

Doctor, my wife has just dislocated her jaw. If you are out this way in a week or so, you might drop in.

Lindsay News

Visitors with the Gene Pelzels Sunday and joining them in attendance at the homecoming were Gene's parents and family, the John Pelzels of Pilot Point, his sister and husband, the Donnie Walterscheid of Muenster and Polly's sister and husband, the Doug Reiters of Dallas.

Mrs. A. J. Neises of Houston and her granddaughter, Miss Carolyn Forney of Temple, spent last week with Mrs. Frank Popp and they all attended the Mosman-McDonnell wedding in Muenster Saturday.

Carl Beyer and daughters Carol, Pam and Suzie and niece Kathleen Carroll, all of Fort Worth visited relatives in Lindsay and Muenster Sunday and Monday.

Stevie and Debbie Bezner of Dallas who had a two-week vacation on the farm with their aunt and family, the Bruno Zimmerers returned home with their parents, the Bob Bezners, after attending the homecoming.

Kenny Walterscheid has returned home after a vacation visit with his aunt and family, the Vincent Zimmerers. He accompanied his family back to Wichita Falls when they returned after being here for the homecoming.

Mr. and Mrs. J. E. Bass and their infant daughter Carolyn of Fort Worth were visitors during the weekend with her family, the Wm. Bezners, and they all attended the homecoming program. Miss Bernadette Bezner who had been with her sister and family for a two-week visit accompanied them to Lindsay and is back at home.

Feast of Sts. Peter and Paul, patronal feast of the parish was celebrated Thursday with an evening high mass, 7:30, followed by benediction of the Blessed Sacrament and the Third Order blessing.

Lawrence Schmitz and family and Mrs. Pat Schmitz of Dallas, and the latter's mother of Valley View, and the Jake Horns of Windthorst joined Theo Schmitz in a reunion at the homecoming.

Mrs. Walter Huchton and children are here for a three-week visit with her parents, the John Benforts, and other relatives. MSgt. Walter Huchton was here with his family during the weekend and returned to his Air Force duties at Albuquerque, N. M., Monday.

John Schmitz of Thackerville, Okla., and the Martin Theimers of Oklahoma City, joined by the relationship from Lindsay, Gainesville and Muenster, made a family party of the homecoming celebration.

Mrs. Claude Billingsley and two sons of Albuquerque, N. M., are stopping in to see relatives and friends here while they are houseguests of her father, Al Kuntz, at Valley View. They came for the homecoming. Enroute back to Albuquerque they will visit her sister and family, the Hubert Bezners, at Midland.

Mrs. Joe Bezner had a bit of a family gathering at the homecoming celebration. Attending with her were the Bob Bezners and children, the Bob Youngs and Jimmy, of Dallas, Al Bezner of Irving, and children and grandchildren from here.

Mr. and Mrs. Harold Neu have named their baby daughter Janell Lynn. Father Damian officiated at the baptism Sunday morning in St. Peter Church assisted by Mr. and Mrs. Leo Hesse of Muenster who are their niece's godparents.

A father and son campout sponsored by the Knights of Columbus Council is on the weekend calendar. Walnut Creek Resort is the campsite and special feature of the outing will be a field mass Sunday morning at 11 o'clock with Father Damian as celebrant.

Fuhrmanns Enjoy Week's Vacation

Mr. and Mrs. Joe Fuhrmann and grandchildren, Gerald and Sylvia Stoffels, report a wonderful vacation, accompanying their son and uncle, the Rev. Bruno Fuhrmann of Muenster, on a car trip to Colorado and Kansas. The many scenic attractions at Colorado Springs with a drive to the top of Pike's Peak provided thrilling sight-seeing.

In Topeka, Kansas, they were guests of the Fuhrmanns' daughter and family, the Paul Kleins.

After returning home the travelers told all the rest of the family about their trip at a reunion outing and picnic at Fish Creek Friday.

that many communities no larger than ours, and with records of progress not equal to ours, are operating successfully. Community pride and awareness of past achievements prompt us to insist that we too can make a go of it.

And still another favorable sign: our hospital will be managed by nuns, whose records of successful administration are generally known to be above average.

At a recent banker's convention J. M. Weinzapfel talked with a man from Floresville, a community just a little larger than our own, about its new hospital there. The man said that people at first were skeptical, assuming the patients would not patronize it because they were only a few miles from large hospitals of San Antonio. But from its opening the hospital has enjoyed wonderful success and the town regards it as a wonderful asset worth many times its cost.

With so many signs pointing in our favor the big question for Muenster is not whether we can afford to have a hospital, but whether we can afford not to have it. We owe it to ourselves to think over the possibilities, then resolve to give not as little as we can, but as much as we can.

The C. J. Newmans and children and her sister, Dyann Hellman, all of Wichita Falls were weekend visitors with their parents, the Clarence Hellmans.

Local News BRIEFS

Visiting here at the Needham home and at Gainesville Sanitarium with Frank Needham a few days were his 86-year-old mother, Mrs. Annie Needham of Waco, and his sister, Mrs. Eddie Bond of Houston. They returned home Monday, Mr. Bond coming for them. Visiting the Needhams Monday also was Mrs. Bob Yarborough of Wichita Falls, and a weekend guest was A. O. Blanton of Dallas, a nephew of Emmett and Clyde Address.

Norman Luke surprised his parents, the Joe Lukes, when he drove up Thursday evening for an overnight visit. Just wanted to see first hand how his mother was progressing since her recent operation.

Bobby Schmitz celebrated being three Tuesday by having little friends at his home for birthday cake and ice cream. His mother, Mrs. Gene Schmitz, entertained the group.

Mrs. H. J. Fuhrman is back at home, returning Tuesday night, after spending a week in Austin with her son and family, the Jerry Fuhrmans. She brought her young grandson, Glenn Fuhrman, home with her for a two-week vacation. While she was in Austin Mrs. Fuhrman joined the Jerry Fuhrmans on a weekend trip to San Antonio. They went especially to see Sister Christina at Our Lady of the Lake Convent.

Mr. and Mrs. Joe Henry Walterscheid entertained at their home Saturday night with a barbecue supper for out of town guests. Present were Mr. and Mrs. Henry Koelzer, Mr. and Mrs. Johnny Bailey and two little daughters.

Endres Motor Co. Receives Award In Driver Training

Endres Motor Co., Ford dealership in Muenster, has received an Award of Merit for contribution to traffic safety by lending automobiles for driver training purposes to Muenster and Saint Jo public schools.

The award was given by Texas Automobile Dealers Association, statewide group of authorized new car and truck dealers. Members of TADA have loaned cars for 12 years for behind the wheel driver education, and Endres Motor Co. has participated in the program for 11 years, lending 10 cars to Muenster High and 11 to Saint Jo High.

To get a driver training car a school must have an instructor qualified to teach both classroom theory and in-the-car fundamentals of driving.

According to national studies, drivers who have received driver-training courses have better than average safety records.

ters, all of Fort Worth and Miss Glenda Daigle of Dallas, fiancée of Elmer Wiesman of Irving who was unable to attend because he had a flight. He's a pilot. Mr. and Mrs. Koelzer remained overnight and had Sunday dinner with the J. J. Haverkamps before returning home.

Damian Hellman of Irving stopped here one day the past week while he was in the area on business. Chatting with friends he mentioned a business trip to Milwaukee recently in a company plane. In the city he phoned his sister Gretchen, Mrs. Dick Syverson, and they exchanged family happenings. Gretchen mentioned that their grandmother, Mrs. G. H. Hellman, was with the Hugo Hellmans at their summer cottage on the lake and Damian said he'd fly low to greet them if Gretchen would phone for them to be outside as he passed over. So a short time later there was wild waving from ground and air as Damian's plane dipped low in greeting.

Miss Gayle Golden of Lubbock is spending her vacation here with former classmates. She's headquartering with Jeanette Meurer and Betty Jean Klement. Gayle stayed here while her parents, the J. B. Golden and her sister, Marilyn, went to Florida to visit in Crystal City with homefolks. Before returning to Lubbock they were in Gainesville as houseguests of Mrs. Jodie Roberg for a few days and visited Mrs. Golden's mother who is in a rest home there. Gayle stayed on for an extended visit here.

Mr. and Mrs. Martin Theimer of Oklahoma City were Saturday overnight guests of her sister and husband, the Al Horns and the two couples joined their father, John Schmitz of Thackerville and other relatives at the Lindsay Homecoming.

"I have discontinued long talks," the speaker remarked. "It's on account of my throat. Several people have threatened to cut it."

Yachtsman: "If this storm continues I'll have to heave to."
Seasick Passenger: "What a horrid way of putting it."

Joaline Mollenkopf Virgil Henscheid Set Wedding Date

Announcement has been made by Mrs. George Mollenkopf of the approaching marriage of her daughter, Miss Joaline Mollenkopf, to Virgil Henscheid, son of Mr. and Mrs. Albert Henscheid.

The couple selected Saturday, July 29, as the wedding date. Nuptial mass in Sacred Heart Church will be celebrated at 4 p.m.

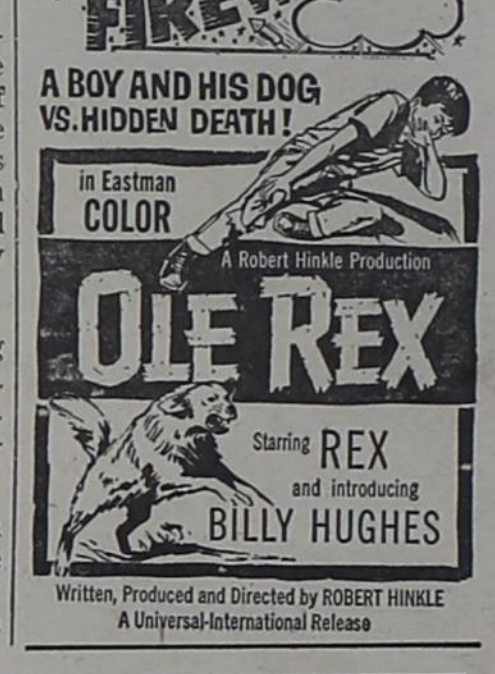

Mrs. George Mollenkopf Jr., sister of the groom, will be maid of honor and George Mollenkopf Jr., brother of the bride, will be best man.
