

Reports on two major projects headline a program that will bring big changes and lots of progress to the community in the next eighteen months. Last Thursday the architect for Muenster's hospital indicated that normal progress can have that building ready for use about January 1, 1963. And a report from Muenster Telephone Corporation on Monday disclosed that its new building and change over to dial phones will probably be ready for service about the same time.

Those are the big ventures, each involving an investment of about a half million dollars. But they do not by any means tell the whole story of development around here. Three other new buildings... the parochial sisters' home, the Chevrolet agency and the Fina service station... are going up now, and the new post office is under contract. Besides, new homes are in sight and chances are fair that more improvement will be on the way, or perhaps finished, before the scheduled work is complete.

All in all this makes a picture that inspires confidence in Muenster's future. It provides lots of incentive for us to get behind the momentum already forming and keep pushing for more development. There's no time like the present to start working on our own enthusiasm and confidence and to understand how much we can help along. Some of us no doubt will see opportunity for investments of our own. All of us have abundant incentive for the high level of community pride that encourages others who show an interest in our town.

A big objective here for many years has been to develop new ventures to occupy our youngsters as they grow up. Our success in that endeavor has been very limited up to now. But this looks like a good point to start speeding the process. Let's keep that in mind and work together at building a greater Muenster.

There's deep satisfaction in knowing that a wonderful community asset is now assured. Next to church and school, nothing is more valuable to community welfare, nothing is more generally accepted as an institution dedicated to the good of all, than a good local hospital. As such it ranks high as an inducement to any who consider staying here or coming here. At the same time it brings the town new business opportunity resulting from patients or visitors who come here. Besides, it provides employment for a fair sized staff. To that extent it is a substantial industry.

A new crisis in world affairs was brought on Monday by the tragic death of Dag Hammarskjold, secretary-general of the UN. As a man of great ability and high dedication to peace and human welfare, he worked with skill and courage against the constant pressure of communist world conquest. The cause of world freedom suffered a great loss at his passing. Meanwhile the monsters of Moscow gloated. At least, that much can be assumed from the fact that they lacked the decency to utter a respectful word. Their silence, under the circumstances, was the height of disrespect.

That fact, combined with Khrushchev's previous vulgar effort to have Hammarskjold fired from his position, indicates what can be expected in the selection of a successor. Russia can be depended upon for plenty of diplomatic rough stuff, either to put its tough on the job or to substitute a three member committee which it hopes to control. The fight was inevitable even before the secretary's death. His term was expiring. However there was some comfort in thinking that his integrity and skill would be present to help guide the general assembly toward the new selection. With him gone the Soviets have a better chance of gobbling up control of the UN.

As the UN prepares for its hectic session we are told that President Kennedy intends to address the assembly and lead the US delegation in an effort to check the tide of growing red influence. All of us fervently wish him success, but many are worried as we remember his record regarding the Cuba and Laos incidents, and the fact that Adlai Stevenson will be at his side. Nevertheless we can still

(Continued on page 8)

OBJECT DART—This artistic dart shaped aircraft will be a project for the future. The aircraft will carry from 100 to 130 passengers at three times the speed of sound. The plane, which company engineers say is feasible today, could be ready by 1970.

Hornets Drop 8-6 Heartbreaker to V'View Warriors

Muenster High School's Hornets were outscored 8-6, but not outplayed, by the Valley View Warriors last Friday night.

A heartbreaking decision by officials deprived them of the satisfaction of at least a tie. On the try for bonus points after touchdown Vogel's pass to Wiesman into the end zone was complete, but was nullified by an offside penalty. The next effort failed, and the Hornets had only the short end of the score even though they had the long end of the statistics.

Except for the score the game was a treat to the few dozen Hornet fans who made the long trip. Coach Glenn Richardson, too, was proud of the boys' performance. Though undersized and understaffed they gave the Warriors a big tussle.

The host team scored first. After several kick exchanges in the early part of the game the Warriors intercepted on the Hornet 28. Two tries gained nothing and Rogers made it to the 18. A pass on the next play, Brown to Newman, was good for a TD. Rogers drifted to right end and went over for 2 more points.

Muenster retaliated by promptly putting on its own scoring drive. Their 64 yard push required 15 short plays

News of the Men in Service

Home On Leave

Roger Pautler is on a 14-day Navy leave between completion of training at San Diego, Calif., and an assignment in Hawaii. He's visiting his parents, the Alfons Pautlers, since arriving Friday and celebrated his nineteenth birthday Sunday.

Grandson Enlists

Gus Hellman, son of Mr. and Mrs. P. W. Hellman of Tulsa, Okla., and grandson of Mrs. G. H. Hellman and Mr. and Mrs. J. M. Weinzapfel, has enlisted in the Navy, passed all required tests and is awaiting his call to report for training. He has selected the submarine division as his preferred branch of the service.

Policy Meeting Dated for FB of Muenster, Myra

A community policy development meeting for Farm Bureau members of the Muenster-Myra area will be held next Monday night, Sept. 25 in the Muenster City Hall at 8 o'clock.

This is one of the many community meetings in which farmers are invited to recommend policies for adoption by their county, state and national organization.

Local directors in charge of the meeting will be Al Hess and Al Walter, representing Muenster and Myra respectively. Assisting them will be County President J. T. Cole and Gus Lutkenhaus. Other business at the meeting is the election of directors for the next two years.

Some subjects slated for discussion on policy development will be animal health, milk labeling and the state sales tax. Farmers are invited to take their stand on these matters and also introduce subjects of their own.

The county's first policy development meeting of this year will be held Friday night at 8 in the Downard-Fairplains club house. Other dates and places will be announced later.

BIRTHS

Mr. and Mrs. Vincent Forrester are happy over arrival of a son at Nocona Hospital Monday, Sept. 18. He's an eight pound three ounce brother for Mona. The grandparents are Mr. and Mrs. Henry Forrester of Forestburg and Mr. and Mrs. Joe Starke.

Proudly announcing a daughter are Mr. and Mrs. Billy Joe Mayer of Pilot Point who welcomed their first child on the evening of September 14. She weighed six pounds one ounce as she checked in at Flow Hospital in Denton. Mrs. Mayer is the former Miss Gladys Hoffman. Her mother and her sister, Mrs. Earle Otto and daughter Elaine lost no time in getting acquainted with the newcomer. They drove to Denton the same evening. Mrs. Robert Mayer Sr. of Pilot Point is the paternal grandmother.

Mr. and Mrs. Johnny Otto have announced a daughter, weight eight pounds seven ounces who arrived Friday, Sept. 15, 10:23 a.m. at Gainesville Sanitarium. She makes ten in the family, five girls and five boys. Mr. and Mrs. Tony Otto are the paternal grandparents.

From Euless comes announcement of the birth of a seven pound son to Mr. and Mrs. Frank Haynes Jr. He's a brother for Nita Marie and Kenneth and a grandson for Mr. and Mrs. M. F. Milner, Muenster, and Mr. and Mrs. Frank Haynes of Dallas. The newcomer arrived Saturday, Sept. 16, 6 a.m. and Mrs. Milner left after getting the news. She'll spend about a week with her daughter and family.

It's a little girl for Mr. and Mrs. Rudy Dieter of Lindsay, a baby sister for their young son. The newcomer weighed eight pounds one ounce upon arrival at the Sanitarium 2:30 a.m. Saturday, Sept. 16. The baby's grandparents are Mr. and Mrs. Phillip Metzler and Mrs. Val Dieter.

Connie Sue first daughter of Rev. and Mrs. Billy Whitt of Fort Worth arrived Thursday, Sept. 14. Her brothers are Jeffrey and Keith and Mr. and Mrs. W. B. Whitt are grandparents again. Mr. and Mrs. Nathan Whitt are the baby's great-grandparents. The two couples, accompanied by James and Linda Whitt, drove to Fort Worth Sunday to get acquainted with the newest addition to the family.

Injuries Hurt as Hornets Prep for Newcastle Game

More serious troubles appear to be in store for Muenster's Hornets as they go to Newcastle Friday night for a tussle with the Bobcats. Game time is set at 8 o'clock.

The trouble shows up in two ways. First a big difference in the two teams and secondly the added handicap of injuries on the Muenster team.

Coach Glenn Richardson is profoundly impressed by Newcastle's 58-0 win over Saint Jo last week. He's proud of the way his handicapped charges won all but the score against the Warriors, but concedes that their chances this week look considerably slimmer.

The injury situation, according to his guess will probably be as follows. Johnny Pagel will be out with a leg injury. Robert Klement, also nursing a bad leg this week, will probably be there, though not in the pink of condition. Hellman saw limited service last week and is expected to be in fair condition this time. Wiesman still needs a cast over his whole hand to protect two fractured fingers.

V'View Eagles Round Out 20-0 Win Over Tigers

Valley View's Eagles used their big bruising line to advantage Friday night in smashing the Sacred Heart Tigers 20-0. Their margin of power was the big factor that counted in the pinches and held the Tigers to scattered and unsuccessful threats while pushing three of the several Eagle efforts to completion.

The pressure was applied very shortly after the game opened. Sacred Heart made a first down and kicked on the next series, and Valley View headed for its first tally. It was a 52 yard drive in 12 plays, with Hogan making the last 14 yards. Bryant followed over for two more points.

Next score was very much like the first. A kick return ending the Tigers' first series of downs got to the 47 and Valley View got going again. Ten plays did the job with Bryant scooting through for the last 12 on a quarterback sneak.

Beginning then the Tigers played their hosts on about even terms, and threatened to score three times. Following the kickoff they moved 32 yards to the Eagle 26 and were stopped by a pass interception.

Bryant made a big run to midfield and the Eagles lost a fourth down gamble the next series. Then for a while it was Jerome Hennigan's show. In a 39 yard drive he carried three times for 11, 11 and 10. The last effort ended in tragedy, however. He fumbled when tackled and Valley View recovered on its 17.

The Tigers opened the second half by blocking a Valley View kick ending its first series. As a result the stalemate which lasted all of the third quarter and part of the final quarter was played on the Eagle end of the field. During that time Sacred Heart missed its third chance to score. From the 30 two short runs and a pass reached the

(Continued on page 8)

Cubs Run Over Sherman Kiddies

The Sacred Heart Cubs opened their football season Sunday by breezing past St. Joseph's of Sherman in a 44-8 scoring spree.

The visiting kiddies, overwhelmed both by size and experience, did not have a chance. Cub regulars scored almost at will and held the St. Joseph's boys helpless. Late in the game St. Joseph's slipped over a pair of neat plays that netted their only score. Strong made 40 and 10 on two carries, then went over again for extra points.

The Cubs made their first TD as soon as they got hold of the ball. Dale Klement made 25 and Virgil Swirczynski 40 for the counter and Robert Klement went over for 2 more points.

Next one was a 50 yard drive in four plays; Morris Hacker 10, Dale Klement 15, a pass Swirczynski to Hacker for 10 and Robert Klement the last 15. Swirczynski added 2 points.

A Sherman fumble on the 16 set up Sacred Heart's next chance. Hacker went up the middle to a score on the first try.

Touchdown No. 4 was another 1-play affair. Swirczynski returned a kick 65 yards then passed to Leon Endres for bonus points. The count at intermission was 30-0.

Then came a 70 yard touchdown on a pass from Swirczynski to Hacker. And finally a 48 yard drive in four plays. Those toting were Hacker 8 and 10, Swirczynski 10, and D. Klement 20. Hacker followed over for extra points.

Progress Noted On Modernizing Phone System

Dial telephone service, along with extended and improved lines and a new telephone building, can be expected here about January 1963.

That estimate was given Monday by Alvin Fuhrman, co-owner of the Muenster Telephone Corporation. He said that most engineering work, inside and outside, is finished and the corporation is about ready to ask for bids for construction.

There will be three separate phases of construction, the building, the inside equipment and the lines.

At this time specifications are ready to let a contract for switchboards and other items needed in the exchange. Bids are to be requested promptly and the contract will probably be let in late October or early November. Delivery time is estimated at 240 days.

Next step after that is to determine exact dimensions of equipment so that the building can be planned to fit it. Then comes the building contract, the simple job of this undertaking. It should begin in January and be finished by the time equipment is ready for installation.

Meanwhile there will be a great deal of outside work. Engineers have staked and mapped 238.24 miles of open wire line and 15.08 miles of cable, practically all of it calling for new construction.

As now planned the new system when put in service will have 908 subscribers, and more will likely be added before the work is done. The number now served is 726.

Planning throughout allows a generous margin for growth. For instance, party lines will be able to carry as many as eight customers, each with his own ring. But no line will start with a full load. All will have room for additions.

This method of selective ringing of separate phones on the same line is controlled by wave frequency, somewhat like tuning in a radio or TV. That same principle allows several conversations over the same line at the same time, but the local system will not be equipped for it.

The same applies to inside facilities. The switchboard will have 450 lines, about twice as many as being used now. And if the full capacity is taken up additions can be made with minor remodeling.

PTA Will Have Meeting Monday

An educational program on parliamentary law will be an added feature of Monday night's PTA meeting in the school auditorium. Starting time is 8 o'clock.

The program committee has secured a 13-minute film on the subject, a discussion will be included and the general rules for conducting a meeting correctly, making motions, etc. will be reviewed.

Principal business of the meeting will concern playground equipment for the school.

Clothes for Carla Victims Solicited

Muenster and area residents are invited to help Hurricane Carla victims by contributing clothing, shoes and bedding.

Mrs. T. S. Myrick is in charge of the relief project here and anything to help the storm victims may be left at the Dixie Drug Store. Items will be moved to the distressed area promptly.

Carla Disaster Drive Underway

A special Red Cross Carla disaster drive has been opened in Cooke County, the funds to be used for rehabilitation and relief in the stricken Gulf Coast area.

The special drive was approved by the board of directors of the Cooke County United Fund.

Contributions to the Carla fund will be accepted at the county's four banks: Muenster State in Muenster, Gainesville National and First State in Gainesville and the Valley View National Bank.

Officials of the Cooke County Red Cross Chapter have set a quota of \$1,905 for the drive.

NEWS OF THE SICK

Clinton Endres has been dismissed from Gainesville Sanitarium coming home Tuesday after being hospitalized since July 15 following a car-scooter crash in which he broke his right leg and ankle. Since the accident he was in traction until Friday. Now he's in a cast from under his arms to his toes and will continue as a bed patient at home. The cast will have to stay on for eight weeks. Clinton is the 16-year-old son of Mr. and Mrs. Ed Endres.

Peggy Hoedebeck can wear shoes again since Wednesday when she had five stitches removed from her right foot. The gash was the result of stepping on a sharp tin can about a week earlier. Peggy is the five-year-old daughter of Mr. and Mrs. Gene Hoedebeck.

Emmet Fette's hearing aid, worn for 15 years, was conspicuous by its absence last Thursday when he returned from ear surgery at St. Joseph's Hospital in Houston. Drainage following the operation made the aid necessary a few days this week but Emmet expects to discard it permanently this Thursday after a return to the hospital for removal of surgical dressings.

Muenster-Lindsay Pee Wees to Play

Sacred Heart Cubs will be looking for their second win of the season at 2 o'clock Sunday when they meet the Squires of Lindsay on Tiger field. It's a game for the record in the North Texas Parochial League.

In opening games last week Sacred Heart and Windthorst assumed loose leadership. The Cubs beat St. Joseph's. Windthorst beat Lindsay.

Hospital Expected To Be Finished Early in 1963

A completed hospital early in 1963. That is the probability indicated here last Thursday night in a meeting of hospital authority directors and campaign workers with Clarence Martin of the J. R. Killebrew architectural firm.

Martin assured the group that a hospital is definitely on the way. Muenster has qualified for the Hill-Burton grant which had been made available a year before and can proceed now with the detail work of getting construction under way. Judging by normal progress on other such projects, Martin estimated that the Authority will be ready to advertise for bids about Jan. 1, 1962.

Most of the time until then will likely be taken up in securing a final approval on plans and specifications. First step in that direction was made when Martin consulted with state and federal representatives on preliminary floor and elevation plans prior to the meeting of the State Health Board. Those plans combine the ideas of the architect and of the Benedictine Sisters of Jonesboro, Ark., who will manage the hospital. Changes recommended by state and federal men will be made promptly and plans will then be submitted to the sisters for final check and recommendations. Next on schedule is preparation of detailed construction plans and specifications and final approval of all in Washington.

Most of the time in last Thursday's meeting was taken up in Martin's explanation of the plans. Almost all of the building will be on one floor, the exception being the mechanical room and living quarters for the sisters, who have indicated that they wish to be on the premises at all times. Those two areas will be under the main floor with window level slightly above the ground at the southwest side.

Principal departments are operating room, delivery room, nursery, X-Ray room, laboratory, emergency room, cleaning and sterilizing facilities, (Continued on page 8)

Tigers Favored Over Panthers at Saint Jo Friday

By the record Sacred Heart Tigers should break out of the losing column when they meet Saint Jo's Panthers at Saint Jo Friday night at 8 o'clock.

Three close games by the Tigers as compared with three one-sided losses by the Panthers establish the Tigers as favorites. But definitely not as cinches. Coach Adam Wolf points out. From the looks of things now Saint Jo is nearer to its own class this time and has its best incentive yet to line up in high spirit.

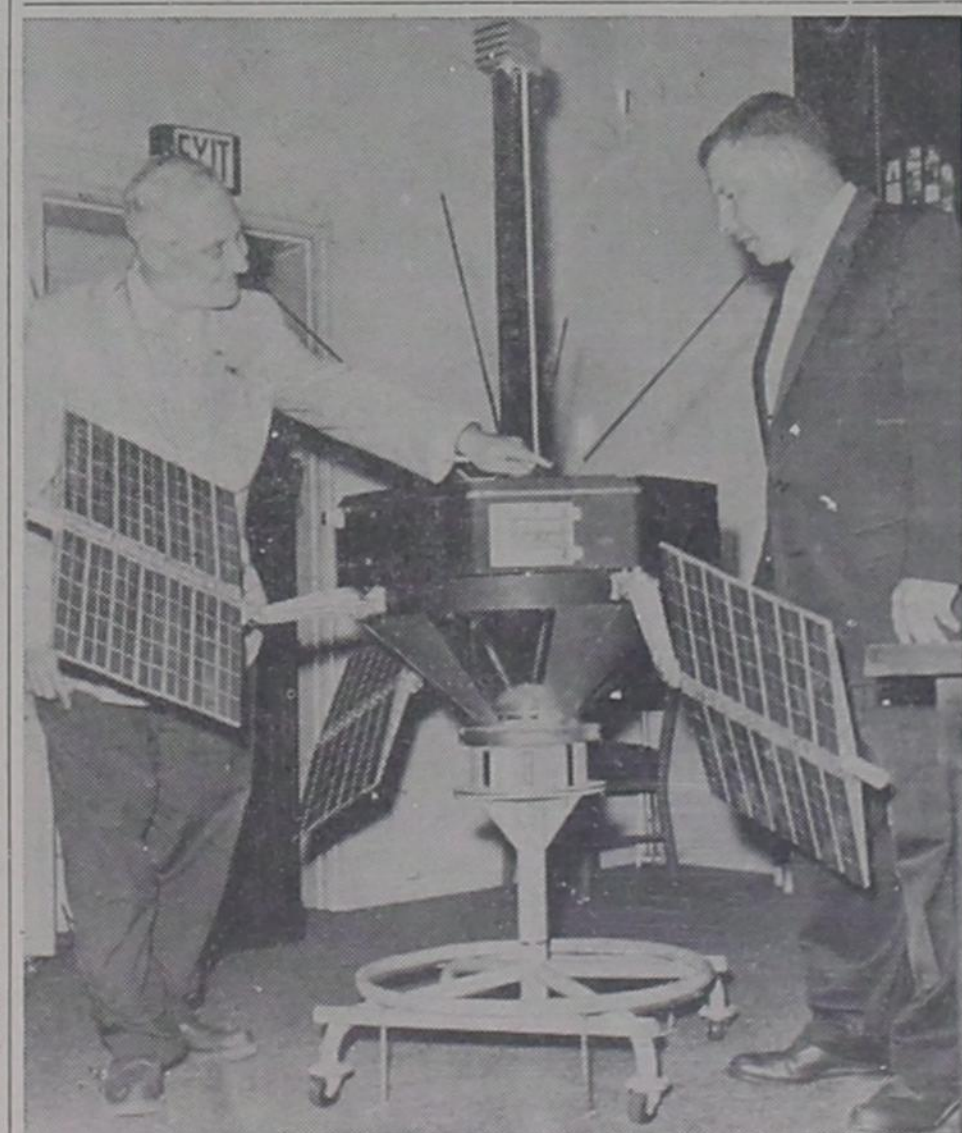

Tigers meanwhile are showing confidence and Wolf is pleased with it up to a certain point. He's reminding them that over confidence is a good way to miss their best opportunity so far.

Physically also the Tigers are ready. At this time no one is out with an injury.

Former Muensterite Charles Cunningham was back for a visit with friends Sunday. He is located in Wichita Falls now as manager of Chapman Dairies. The family has lived in Anchorage, Alaska, since leaving Muenster and Mrs. Cunningham and the children are still there. They will join Mr. Cunningham for Christmas and the family will be making their home in Wichita Falls.

Schedule of Coming Events

- FRIDAY, Sept. 22, Tigers vs Saint Jo, there, 8 p.m.
- FRIDAY, Sept. 22, Hornets vs Newcastle, there, 8 p.m.
- SUNDAY, Sept. 24, Subiaco Alumni picnic, Lindsay hall, starting 2 p.m.
- SUNDAY, Sept. 24, SH Cubs vs Lindsay Squires, here, 2 p.m.
- MONDAY, Sept. 25, Muenster-Myra area Farm Bureau policy meeting, Muenster City Hall, 8 p.m.
- MONDAY, Sept. 25, PTA meeting, 8 p.m.
- TUESDAY, Sept. 26, SH Home-School Society meeting, 8 p.m.

NO UMBRELLA

What, now seems many years ago, witnessed the sacrificing of a principle and the appeasement of a mad man, that there might be "peace in our time."

But Neville Chamberlain, the British Prime Minister, did not prevent war. He and his umbrella postponed it until Hitler, the German Dictator, was better prepared to precipitate the issue. And when it came millions of peo-

ple perished as an extra dividend to the God of War.

Munich and an umbrella became symbols of compromise unto destruction, betrayal of a nation to buy temporary security. But the holocaust that ended at last with the decisive defeat of Hitler brought us new Munichs, without umbrellas.

Yalta saw the betrayal of an ally and the seeds of a new war and ultimately more disastrous holocaust. When we yielded to Russia what we had won back from Japan, with out so much as consulting China, the ally to whom we had solemnly promised restoration of the lands and concessions Japan had wrung from her — we asked, in ef-

fect, for the Korean War. We deserted a friendly and faithful ally only to build up the communist "agrarian reformers" who turned what had been our friendly ally into a bitter enemy led by the then minions of Russia. We have not yet paid the price for that folly.

We gave Berlin and East Germany into the power of an alien philosophy and murderous hijackers, potentially a worse enemy than Hitler.

We backed away from the bluff that sealed off Berlin and used our airlift instead of the far more practical and less costly trucks and cars over the road that was ours by treaty to use.

We recently reiterated our pledge to defend the freedom of Berlin and sent in additional soldiers as a confirming gesture. But Mr. Khrushchev goes on sealing off eastern Berlin and our momentary spasm of determination may even prove to have been a fool's paradise.

At Potsdam another President gave Russia control of Eastern Europe and walked out on helpless people who could not defend themselves against the unholy capitulation.

We have Cuba, on which we do have a military base surrounded by an entire island in the process of becoming a base for Russia, a point of entry for subversion and attack from communism only ninety miles from our shores. The ring of strangulation promised us by Stalin is drawing closer and tighter, while we talk and hope for peaceful agreement with an enemy bent frankly on our destruction.

We had warning of what could happen in Cuba. A senator from Florida tried months ago and without success, to alert the American people and government to what lay in prospect there.

Senator George Smathers sees clearly. He has courage as well as vision. And he seems to understand what so many others have thus far failed or refused to recognize — that we cannot preserve principle and freedom through negotiation with or appeasement of governments that are utterly contemptuous of the ethics and bases of character that we hold up as standards for our conduct.

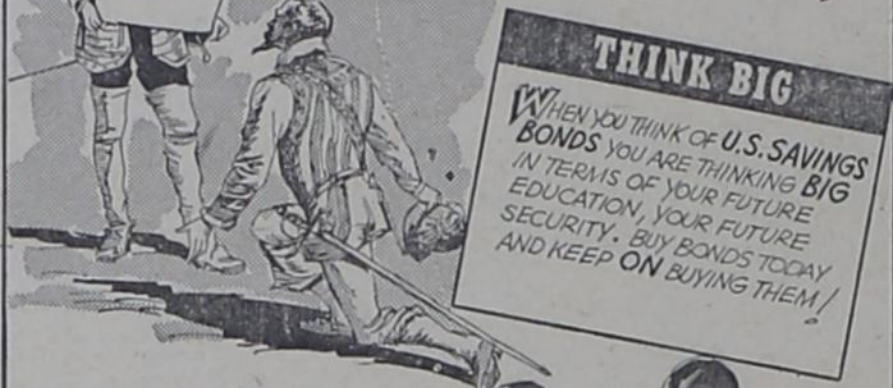

Lacking the umbrella that hid the vital truth from Chamberlain, Senator Smathers knows that there comes a time, postponed only at frightful peril, when we must recognize that the surest way to avoid war is to be ready and instantly willing to risk it in defense of freedom, character and honor — to meet colossal bluff with measured precision of action.

It may yet not be too late. But the time slips by and if action continues to wait on futile words, we may discover that what was an opportunity to establish respect for ourselves in the eyes of the world has become the involuntarily chosen act that precipitates mutual destruction.

And even that, horrible and unnecessary as it may yet be, is preferable to slavery.

P. O. SUBSIDIZES COMMUNISM

In days of crisis, such as we are all sweating out, our Congress should not even consider adjournment. It is understandable, of course, that with a Congressman, reelection may be regarded as something of a crisis, too. But even so, we suspect the incumbents would impress the voters far more by maintaining a watch on the Potomac than by running home to kiss babies.

And should they decide on the course of patriotism and statesmanship, there will be plenty to do. One important matter, but which should require little time for study, would be to pass the bill just submitted by Rep. William H. Harsha, Jr., of Ohio, to ban Communist "literature" from the US Mails — and thus protect the babies they kissed a few years ago.

This is the stuff that the House Committee on Un-American Activities has found is being shipped by the ton from Russia to some 40 American ports of entry where the US Post Office is now required by law to pick up and deliver it free to the high school and college youth of America whom it is designed to destroy.

Texas State Laws Affecting Women Told at HD Meet

"One of the most interesting programs ever" is what Muenster Home Demonstration Club members say of their September meeting. Subject reviewed and explained was "Texas Laws Affecting Women." Mrs. Bernice Thurman, county home demonstration agent, presented the informative and entertaining discussion. Mrs. Paul Fisher was hostess in her home.

During the business session, Mrs. Albert Fleitman, club president, presided and members appointed standing committee chairmen for a new year. They are: Mrs. Henry Pick, program and year book; Mrs. Bernard Wolf, membership; Mrs. Paul Fisher, exhibits, Mrs. Albert Schilling, finance, Mrs. Alois Rohmer,

recreation; Mrs. Paul Endres, 4-H Club activities. They will select helpers to fill out the committees.

Members also agreed to change regular meeting time from 2 p.m. to 1:30 during the school term so that they are back at home when their children return from classes.

The October meeting will be on "Highway Safety" presented by Mrs. Paul Fisher. Mrs. Ray Klement will be hostess in her home.

Announcement of interest was a Hat Workshop to be held in Gainesville on Thursday, Sept. 21, in the Home Demonstration Club Building with Mrs. Leroy Hay, a hat-maker of distinction, giving the instructions. The workshop will begin at 9:30 in the morning and those attending are reminded to bring a sack lunch for the noon meal. This meeting is open to everyone interested in hat making and all who will come are welcome.

Twelve members were present and answered roll call by telling the definition of a successful woman.

After adjournment, the hostess served a plate lunch and coffee.

Linda Scott, Bride Of R. B. Stallcup In Church Service

Miss Linda Frances Scott, daughter of Mr. and Mrs. W. E. Scott of Saint Jo, became the bride of Richard Burr Stallcup, son of Mr. and Mrs. S. B. Stallcup of Nocona, in a Saturday morning ceremony in St. Paul's Episcopal Church at Gainesville. The Rev. Russell Clapp, pastor, read the double ring service.

The bride wore a gown of white silk taffeta and imported Alencon lace with a long-stemmed bodice, petal point sleeves and wide skirt sweeping into a chapel train. A crown of pearls held her illusion veil and her flowers were white roses, agapanthus and stephanotis in crescent arrangement. Her father gave her in marriage.

Bride's four attendants included her sister, Miss Marilyn Scott who was junior bridesmaid. The quartet wore identical dresses of jadette-color taffeta with matching pillbox coifs and carried lilies of the valley.

Groom's attendants included his brother, H. D. Stallcup, of Hamlin as best man.

Mrs. Carl Hutto furnished organ music.

The reception was held immediately afterwards in the Parish House. A rice tree added to decor carrying out the white and green theme. Members of the house party included Miss Katherine Redman of Saint Jo and Mrs. H. D. Stallcup of Hamlin, serving punch and cake. Also in the house party was Mrs. Clarence Redman of Saint Jo.

Following the reception Mr. and Mrs. W. L. Scott of Nocona were hosts for a luncheon at the Petroleum Club for members of the two families.

When the couple left on their wedding trip she was wearing a royal blue silk tweed costume suit with matching pillbox hat.

They will make their home in San Antonio where both are members of the public school faculty.

The bride attended Lindenwood College, St. Charles, Mo.; TCU in Fort Worth; Monterrey Tech, Mexico; and is a graduate of Texas University. The groom attended NTSC, Arlington State, and will receive his master's degree from Texas University in January.

To work strong solvent into paintbrushes put the brush in a heavy plastic bag with solvent. The bag trick protects hands, requires less solvent.

Father Bonaventure Here to See Family

Father Bonaventure Koelzer left Sunday after a four-day visit here with members of his family. He came here from Hereford accompanied by his sister, Miss Theresa Koelzer and a nephew and nieces, Lordell, Alice and Rose Ann Nogger.

Father Bonaventure, a Muenster native, was recently elevated to the rank of Superior General of the Graymoo Frairs of the Atonement in Graymoo, N. Y., with the title of Very Reverend. It is the highest honor in his monastery.

Coming to see him and joining in a family gathering at the home of Mrs. Lena Streg were Mr. and Mrs. Pete Koelzer and son Melvin of Madill, Okla.

Family members saw Father Bonaventure off by plane at Dallas Sunday evening for Washington, D. C., where on Monday he attended a Mission Secretariate before returning to Graymoo.

Birthday Club Has September Social

Members of the Dizzy Dozen Birthday Club were entertained for their regular social Thursday night by Mrs. Dick Trachta in her home.

Birthday honorees were Mrs. Maurice Pagel and Mrs. David Trachta who received gifts from the club.

Members set the second Thursday of every month as the official meeting night.

The hostess served a Mexican dinner to eleven members including Mrs. Jodie Roberg of Gainesville who keeps up her membership in the club.

Six Day Vacation

Six days in El Dorado, Texas, was a pleasant vacation for Mr. and Mrs. J. J. Haverkamp. They were guests of their son-in-law and daughter, Mr. and Mrs. Troy Cooper who took them sight-seeing including Senora Caverns. This was an interesting tour. While they were at El Dorado Mr. and Mrs. Haverkamp helped their daughter celebrate her birthday. They returned home Monday night. Staying here on the farm while they were gone were Mr. and Mrs. Willard Zimmerer and children Allen and Karen of Gainesville.

Citation by Publication

THE STATE OF TEXAS
To: Elfreda Northern Greeting:
You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 9th day of October, A. D. 1961, at or before 10 o'clock A. M. before the Honorable District Court of Cooke County, at the Court House in Gainesville, Texas.
Said plaintiff's petition was filed on the 22 day of June, 1961.
The file number of said suit being No. 19,006.
The names of the parties in said suit are: Harry C. Northern as Plaintiff and Elfreda Northern as Defendant.
The nature of said suit being substantially as follows, to wit: On or about the 15th day of July, 1941, Defendant left Plaintiff and they have since lived apart without cohabitation for over ten years before the filing of this suit.
If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.
Issued this 24th day of August, A. D. 1961.
Given under my hand and seal of said Court, at office in Gainesville, Texas, this 24th day of August, A. D. 1961.
Milton Thomason Clerk Court Cooke County, Texas.

Modern man is one who drives a mortgaged car over a bond financed road on credit card gasoline.

Gay Matrons Meet At Endres Home

Gay Matrons Club gathered at the home of Mrs. Urban Endres Thursday for the September party and devoted the afternoon to a progressive 42 series.

Mrs. Paul Endres ran up the high score for top award and Mrs. Bernard Swirczynski won the consolation prize.

The hostess served peppermint chiffon pie and coffee to twelve, nine members and three guests. The guests were Mrs. Alvin Fuhrman, Mrs. John Wieler and Mrs. W. J. Miller.

Join for Meeting Three Auxiliaries

Seven members of the local VFW Auxiliary were in Gainesville Monday night to attend a school of instructions with members of the Gainesville and McKinney VFW Auxiliaries.

Gainesville Auxiliary members were hosts for the program in the VFW Post Home and Ann James of Sherman, department patriotic instructor, conducted the school. A social hour and refreshments concluded the evening.

Attending from Muenster were Mmes. Arthur and Robert Bayer, Nig DeBorde, John Mosley, Thelma Richardson, Ray Voth and Norbert Walter-scheid.

Birthday Party Held in City Park

Brothers Ricky and Jeff Fette celebrated their birthdays Tuesday afternoon with a party in City Park where their mother, Mrs. Herbert Fette, entertained a group of children with games and refreshments of birthday cake and ice cream after school. Ricky was four Tuesday. Jeff will be six on Sept. 27.

Sharing honors with her cousins was seven-year-old Janet Knabe whose birthday was last week. The children's grandmother, Mrs. Albert B. Knabe, was a special guest. The honorees were remembered with birthday gifts.

Visit San Antonio

Three days away from home were filled with sight-seeing for Mr. and Mrs. Archie Hess, Mrs. George Gehrig and Mrs. Al Eberhart. They drove to San Antonio for a weekend visit with Airman and Mrs. Allen Dale Eberhart and together saw places of interest in the Alamo City and had an outing at Brackenridge Park. Going, the Muenster quartet stopped at San Marcus for a tour of the Wonder Cave and returning Monday they toured the state capitol in Austin and visited Aquerena at San Marcus.

Local News BRIEFS

Mr. and Mrs. Samuel Wood and sons Sammy and David arrived Monday for a visit with her parents, the John Streg. They live in Pennsauken, N. J., and are on a two-week vacation. Mrs. Wood is the former Miss Sylvia Streg.

David Klement had a few days at home with his parents, the Johnny Klements, between the end of a summer job in Odessa and the return to classes at North Texas State University. A journalism major, David worked in Odessa on a newspaper during the summer. At the Denton college he'll be editor of Campus Chat, semi-weekly student newspaper.

Miss Betty Ann Hoenig writes her parents, the Tony Hoenigs, from Philadelphia, Pa., now. She is employed there moving recently from Wichita Falls where she held a secretarial position.

Clifford Swirczynski left Saturday after a visit with his family, the Herman Swirczynskis, following attendance at summer school in Carbondale, Ill., at Southern Illinois University. Clifford will be in East Texas State College at Commerce this year, working on his masters degree in biology. Last year he taught full time at Dalhart but dropped out of teaching this year to devote full time to his degree study.

Misses Patsy Bayer and Suzanne Hesse of Fort Worth were weekend visitors with their families, the Martin Bayers and the Meinrad Hesses.

Miss Kathleen Richter of Dallas is having her annual vacation here with her father, W. T. Richter, and other family members and will also visit her sisters in Wichita Falls during the ten days away from her work.

A telephone call from the Gainesville Red Cross Chapter to Gray Ladies of Muenster for chaperones Thursday brought a quick "Yes, will go." The Denton State School needed ladies to accompany a bus load of 50 teenage children to a trip to Six Flags. Mrs. G. H. Hellman, Mrs. Joe Lehnertz and Mrs. Henry Fette responded and Mrs. Marie Ownby came over to pick them up to join Gray Ladies of Gainesville on the tour with the children. A picnic lunch went along and youngsters and grownups alike reported a wonderful time.

Storm area residents heard from include the Ed Masons of Houston who wrote her parents, the John Hartmans after Hurricane Carla subsided. The Masons are none the worse from the experience. They didn't sleep much the nights the wind was so high but they lost nothing except a part of their back yard fence. From Lake Arthur, La., former local girls, now nuns teaching there, have written to let their families know all's well. Sister Georgia and Sister Gemma, daughters of Mrs. Joe Felderhoff and Mr. and Mrs. Lawrence Vogel told about frightening winds and a deluge of rain that kept them inside but caused no damage to their convent.

Las Vegas and Grand Canyon were vacation highlights this year for Mrs. Ray Evans, accompanied by her sister Mrs. Howard Couch of Gainesville and their sister-in-law, Mrs. Joe Dickerson of Magnolia, Ark. On the car trip out the trio stopped for visiting with an aunt in Prescott, Ariz. Mrs. Dickerson was met here Saturday by her daughter, Mrs. Larry Johnson and little daughter and a girl friend of Magnolia who came to take her home.

A magnet inside a paper bag efficiently picks up iron filings and shavings. A simple way to discard the filings clinging to the outside of the bag, is to hold it over a trash can and take out the magnet.

301 E. Broadway, G'ville

words as "hi and bye-bye." Her first party will be Saturday afternoon when her daddy is off from work. Mike said to tell all his friends hello.

Mr. and Mrs. H. L. Herron of Denison were back in the old home town for visiting Tuesday.

Mr. and Mrs. Don C. Cooke returned Wednesday from a two-day visit in Fort Worth, with her sister Mrs. H. G. Andrews who is a shut-in on account of a back injury. The Cookes spent Tuesday overnight with their son and family, the Harold Cookes after being guests for a dinner party in their home.

Some fifty persons attended the showing of a movie on the Mass presented at Rosston by members of the local Confraternity of Christian Doctrine last Thursday night. Joe Walter of Gainesville showed the film and Father Richard of that city and Father Martin of Muenster conducted a question and answer session. After the program, Muenster ladies served coffee and cookies.

The Leo Henscheid family was all together for Sunday dinner in the home of Mr. and Mrs. Damian Hellman at Irving. Mr. and Mrs. Henscheid

and Carol went from here and the Jerry Henscheids and children of Dallas met them there. Linda Hellman came to Muenster with her grandparents to visit until Tuesday when her daddy was through here and took her home.

Thirty-six women gathered a wealth of information on draperies in a program presented at Muenster High Auditorium Wednesday afternoon. The local Home Demonstration Club sponsored the free program. Slides by Celanise were shown and narration was by Mrs. C. B. Newland. A question and answer session afterwards was an added feature of interest. Miss Sarah Ann Fleitman won the door prize, a beautiful dress length.

Linda Fuller and R. D. Walterscheid To Marry Sept. 21

Mr. and Mrs. Earl Cooper of Myra have announced the engagement and approaching marriage of their daughter, Miss Linda Fuller, to Robert Dale (Bobby) Walterscheid, son of Mrs. C. M. Walterscheid and the late Mr. Walterscheid.

The couple has selected Saturday, Oct. 21, as the wedding date. The ceremony will be solemnized in Sacred Heart Church here with nuptial mass at 4 p.m.

Selected as attendants are Mr. and Mrs. James Mollenkopf, Miss Margaret Ann Lawson, Miss Alice Walter, Conrad Walterscheid and Milton Fette. Little Lisa Mollenkopf and Joey Walterscheid will also be in the wedding party.

70 at Reunion of Walterscheid Clan

All of Mrs. John Walterscheid's family for a total of 70 were in reunion Sunday honoring Sister Thomasina while she was here on a ten-day vacation.

The get-together was held in City Park, those attending bringing eats and drinks for a noon feast. Present from out of town were Mr. and Mrs. Donald Pelzel and daughter Linda and Bobby Simmel of Pilot Point and Mr. and Mrs. Weldon Bezner and four children and Mr. and Mrs. Melvin Voth of Lindsay.

Sister Thomasina visited each of her brothers and sisters in their homes while she was here as the house guest of her mother.

She left early Wednesday, morning, family members taking her to Dallas and seeing her off on a train for Jonesboro, Ark.

Betty Jean Sicking And Bill Schneck Say Vows at Mass

— Gilbert Dare Photo

In Sacred Heart Church here Saturday at 4 p.m. Miss Betty Jean Sicking pledged vows with William (Bill) Schneck, Father Alcuin Kubis officiating at the double ring ceremony and nuptial high mass.

Parents of the couple are Mr. and Mrs. Bernard Sicking, Muenster, and Mr. and Mrs. William Schneck of Levittown, Pa.

Mr. Sicking escorted his daughter to the altar and presented her in marriage. The bride's gown was a lovely formal of white Chantilly lace and tulle over taffeta. The fitted basque bodice of lace had long petal point sleeves. The overskirt of lace, caught up at the front revealed tier upon tier of tulle ruffles. Alternate tiers of lace and tulle ruffles provided back interest on the skirt which had an aisle wide sweep. A queen's crown of pearls held the tiered waist-length veil and she carried a yellow-throated white orchid and feathered carnations on top of her prayerbook. She wore a gold chain and cross borrowed from her aunt, Mrs. Joe Horn.

Attendants for the couple were the bride's sister and brother, Miss Judy Sicking and Jimmy Sicking and Miss Carol Ann Hess and her fiancé Bob Fitch, both of Fort Worth.

Misses Sicking and Hess wore street length bouffants of bronze silk organza over taffeta with matching pillbox hats topped with self material roses and covered with brief circular veils. Matching mitts and dyed to match satin slippers completed their costumes. They carried baskets of yellow cushion mums and fern.

Sacred Heart men's choir

sang, Anthony Luke was organist and Miss Charlotte Hoedebeck of Denton, bride's cousin, was vocal soloist singing before mass and again afterwards as the bride placed white gladioli on the Blessed Mother's altar.

Mass servers were Wayne, Herbie and Melvin Sicking, brothers of the bride, and her cousins Dale Klement and Dennis Hess.

Parish Hall was the scene of the wedding reception and sumptuous smorgasbord catered by Mrs. Joe Lehnertz. Presiding at the guest book were the bride's sister, Mrs. Willie Joe Matthews of Gainesville and her cousin, Mrs. Paul Deltz of San Antonio.

Mrs. Sicking attended her daughter's wedding in a teal blue dress with black accessories and Mrs. Schneck, mother of the groom, wore an aqua dress with matching accessories. Both had white carnation corsages as did Mrs. Ben Sicking, the bride's grandmother.

After their wedding trip Mr. and Mrs. Schneck will make their home in Irving. For going away the bride wore a beige suit with brown accessories.

Among out of town guests were Mr. and Mrs. William Schneck of Levittown, Pa., Messrs. and Mmes. Walter Plaski of Irving, Coy Tate of Eules, Wayne Truitt of Ar-

lington, and J. C. Rudd and Debbie of Dallas.

Misses Delores Perkins, Pat Laine, Marianne Searcy, Dorothy Zimmerman, Jane Endres, Jane Hesse, Carol Lee Sicking, Andy Yosten, and Mr. and Mrs. Eddy Dunham all of Fort Worth. Misses Ann Luke and Janice Klement of Dallas, Melvin Sicking of Subiaco Academy, Ark., Mr. and Mrs. Paul Deltz of San Antonio, Mr. and Mrs. Alois Sicking, Mr. and Mrs. Leo Hoedbeck and Kathy and Mr. and Mrs. Kenneth Hoedebeck of Gainesville and Mr. and Mrs. Melvin Voth of Lindsay.

A little girl drew a picture of a man going into a saloon. When her mother rebuked her, she explained, "Oh, it's all right, Mother, he's not going in there to drink anything. He's just going into the saloon to kill a man."

Asked to write an essay, one little girl submitted the following:

"My subject is Ants, Ants is two kinds, insects and lady uncles. Sometimes they live in holes and sometimes they crawl into the sugar bowl, and sometimes they live with their married sisters. That is all I know about ants."

THE TEXAS HIGHWAY DEPARTMENT GETS READY FOR SCHOOL.—As school days begin throughout the state, the Texas Highway Department is taking special precautions to insure the safety of school children on the way to and from school. Numerous signs of warning and caution are appearing near school sites (such as this typical sign being ramped in place by a Highway Department maintenance man) and school bus stops. Motorists are urged to carefully observe these signs to guarantee the safety of school children.

"In this article I'm reading," Smithers told his wife, "a woman philosopher says that a woman can fool all men some of the time and she can fool some men all of the time." His wife pondered the statement for a moment.

"Well, I'm no philosopher," she announced caustically, "but if you just leave them alone long enough, all men make fools of themselves most of the time."

Citation by Publication THE STATE OF TEXAS TO: Richard Dorman GREETING: You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 30th day of October, A. D. 1961, at or before 10 o'clock A. M. before the Honorable District Court of Cooke County, at the Court House in Gainesville, Texas. Said plaintiff's petition was filed on the 12 day of September, 1961. The file number of said suit being No. 19054. The names of the parties in said suit are: Dolores Dorman as Plaintiff, and Richard Dorman as Defendant. The nature of said suit being substantially as follows, to wit: A suit for divorce from the bonds of matrimony for the reasons of harsh and cruel treatment. Farm Facts

Thanks to the efficiency and productivity of farmers and processors, the food we eat is one of the best buys on today's market. Forty hours of work in a factory feed a family for a month. Seven years ago, 51 hours were required.

Forty hours' work in a factory feeds a family for a month. Seven years ago, 51 hours were required.

According to Department of Commerce estimates, food accounts for about 22.3 per cent of consumer expenditures. Nowhere else in the world can you eat so well for so small a share of your income. And you can eat for even less if your primary interest in food is for health and economy rather than eating for pleasure.

Consumers, however, are demanding more and more fancy foods and food that can be served with a minimum of preparation. This built-in maid service hikes the cost of food processing but consumers wouldn't dispense with it.

Not too many years ago nearly six hours were required to prepare meals for a family of four. With modern foods and appliances, today's housewife can get the job done in an hour and a

half. Although food is greatly improved in terms of quality, tastiness, and variety and is much easier to prepare, we spend about the same proportion of our income for it as in 1939.

10 YEARS AGO Sept. 21, 1951

Joseph Fleitman, 81, resident here since 1899, dies after long illness. Burglars visit FMA and Fishers, do damage but get only small haul. Paul Luke cables safe arrival in Tokyo. Alvina Derichsweiler and Bill Crow marry at Windthorst. Sacred Heart School gets new playground equipment. Mr. and Mrs. Nick Miller have returned from a vacation trip to California. The Richard Grewings move into their new home. Bulcher Home Demonstration Club elects Mrs. August Hyman president. Work begins on new home for the Al Felderhoffs. Mission Circle is having regular quilting sessions.

5 YEARS AGO Sept. 21, 1956

Charm Shop and Hamrics set formal opening for October 13. New Variety Store plans opening Oct. 11 with three-day sale. Eighty students continue studies away from home. Tigers open season with 20-6 win over Windthorst Trojans. Hornets mark up 25-7 win over Whitesboro. Lawrence Milner enrolls at Texas A&M College. The Douglas Robisons move from Graham to Spur. Anselma Felderhoff graduates from St. Paul Nursing School. Work begins on new city home for the Joe Fettes. Burt Hamric receives scholarship for study at Texas Western College in El Paso. The Herbert Meurers and Lambert Bezners attend bankers' meeting in Mineral Wells. Servicemen heard from this week: Don Flusche in the Navy at Great Lakes, Ill.; Marine Jerry Hoenig in Okinawa; Meinrad Yosten in Japan; Raymond Hoenig in Germany.

Poultry Industry Having Troubles

Texas Agriculture Commissioner John C. White organized a conference of southern Agriculture Commissioners in Atlanta, Ga., to "seek ways and means to help save the poultry industry."

White said they will attempt to find ways to relieve the current "disastrous poultry prices" which are at the lowest point in the history of commercial broiler production.

"This is not just a local situation in Texas," White said. "The entire national broiler industry is suffering from a price depression."

He reported poultry prices dropped in the past week to as low as 10.5 cents per pound, or as much as five cents below cost for many producers.

Meanwhile, the Attorney General's Department is studying the record of a special court of inquiry to determine if anti-trust violations are involved in the price decline.

Witnesses testified the trouble is overproduction. Actually the overproduction is not in Texas but in the 21 other broiler producing states.

Phil Friberg, manager of the Western Hatcheries in Gonzales, said 50 per cent of Texas' broiler producers will be out of business if something doesn't happen.

Atty. Gen. Will Wilson wants to determine if "there is any effort to price the Texas poultry producer out of business."

Citation by Publication THE STATE OF TEXAS TO: JAMES H. MCKENZIE GREETING:

You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A.M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 14th day of October, A.D. 1961, at or before 10 o'clock A.M. before the Honorable District Court of Cooke County, at the Court House in Gainesville, Texas.

Said plaintiff's petition was filed on the 2 day of September, 1961. The file number of said suit being No. 19045.

The names of the parties in said suit are: LILLIAN MCKENZIE as Plaintiff, and JAMES H. MCKENZIE as Defendant.

The nature of said suit being substantially as follows, to wit: A suit for divorce from the bonds of matrimony for the reasons of harsh and cruel treatment. Plaintiff alleges that they were married on 21st day of January, 1939 and separated on or about the 18th day of May, A.D. 1960.

Marysville News

By Mrs. John Richey

Mrs. D. O. Robison of Gainesville is visiting her sons Ernest and Earl Robison, dividing time between them. This week she is with the Earl Robisons.

Mr. and Mrs. Grady McElreath had as Friday night visitors her sister and husband, Mr. and Mrs. Clay Landers of Collinsville. Sunday, another sister and her husband, Mr. and Mrs. Clyde Branch and children of Gainesville were dinner guests.

Mr. and Mrs. Charlie Winchester and his mother, Mrs. Nellie Kelly, were visitors in Walters, Okla., Sunday, guests of their aunt and sister, Mrs. Ora Goff.

Driving to Madill, Okla., Sunday were Mr. and Mrs. Lloyd Barnhart who visited there with her cousins, Mr. and Mrs. Herman Stacey.

Mr. and Mrs. John Richey were in Ringgold Sunday afternoon to visit the Coy Fite family. The Richeys have their young nephew Marc Barnes of Gainesville with them this week.

Visitors with Mr. and Mrs. Linzie Branch and daughter Peggy Sunday were the L. B. Branches and son and the Bob Branches all of Edmund, Okla., and Mr. and Mrs. Lee Branch of Gainesville.

Mr. and Mrs. W. F. Davidson, accompanied by Mr. and Mrs. Sam Baker of Gainesville, were Saturday visitors in Celina with Mr. and Mrs. Cage Stone.

Mrs. Bill Moon is a shut-in on account of illness.

Mrs. Vivian Maupin of San Antonio visited over the weekend with her mother, Mrs. B. G. Lyons. When Mrs. Maupin left Mrs. Lyons accompanied her as far as Gainesville and went from there to Ardmore with her granddaughter and family, the Bill Paces, for a visit.

Rev. and Mrs. Henry Mozingo and daughter Shirley were dinner guests of Mr. and Mrs. Ernest McElreath Sunday after services in the Baptist Church. Other dinner guests in the McElreath home were Mr. and Mrs. George Retcherson and her brother, Carey Johnson, a visitor from Wichita Falls.

Rev. and Mrs. Don Gleckler came from Dallas to spend the weekend at the Methodist parsonage and went to Sivells Bend Sunday for his regular appointment there. Mrs. Ruth Holliday, a teacher at Gainesville High School, was guest speaker at the Methodist Church here.

Visiting Mr. and Mrs. Charles Davidson and family during the week and weekend were her uncle, W. G. Jander of Benton, Ark., also Mrs. Margaret Cory of Walnut Bend, Mr. and Mrs. Bo Snow of Greenville, Mr. and Mrs. Martin Siegmund and Scottie of Fort Worth and Mr. and Mrs. Stanley Bush of Tyler.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

The planting of legumes for soil protection is getting underway in the Muenster-Saint Jo area of the Upper Elm-Red Soil Conservation District.

Soil improving crops being planted in the area include vetch, winterpeas, button clover and alfalfa. These legumes, when ungrazed and managed properly, increase the yields of following crops from 10 per cent to as much as 50 per cent.

Air contains a high per cent of free nitrogen, yet most soils are deficient in nitrogen. Legumes, when properly inoculated, have the peculiar ability to take nitrogen from the air and store it in the plant. Then, when the plant is returned to the soil, the fertility is increased.

When legumes are properly

inoculated, the nitrogen-fixing bacteria live on the plant roots in homes called nodules. A few people still think the nitrogen fixed by the bacteria is stored in the nodules, but the nitrogen is stored throughout the plant — in the leaves, stems, and roots.

Since most legumes are readily eaten by livestock, many stockmen are tempted to utilize them completely for grazing. Most conservation farmers, however, realize that each bite removed by livestock reduces the soil improving value of the legume crop.

Most soils respond well to applications of phosphate fertilizer. Phosphate is especially needed with legumes to give a stronger, healthier plant, to produce more growth and nitrogen, and to increase the seed production.

District cooperators planting legumes in the Muenster Area are Bruno Fleitman, Tony Walterscheid, Norris Dill, J. C. Donnell, Andy Wimmer, Jim Dill, Tony Wimmer and Ben Perryman.

Plan for the future. That's where you'll spend the rest of your life.

Diesel power for the first time, addition of two headlamps and longer life mufflers. New optional equipment includes alternating current generators, tinted glass and sliding rear cab window for better ventilation. Proved independent front suspension is retained with improvements.

New Electric Line Will Form Huge Power Reservoir

Work was progressing this week on the 345,000 volt electric transmission line extending from the Red River to Houston and being constructed by Texas Power & Light Company and three other major Texas investor-owned electric companies.

The engineering studies are nearly complete and surveying for the line is under way, W. W. Lynch, president of TP&L said. The three other companies are Dallas Power & Light Company, Texas Electric Service Company and Houston Lighting & Power Company.

The line will firmly link together 6,500,000 kilowatts of electric generating capability into one of the nation's largest and strongest reservoirs of power.

The four companies are jointly constructing the backbone of the line which will extend from Houston to the Dallas-Fort Worth area. TP&L will extend the line north to a new generating station near Savoy, near the Red River and Texas Electric Service Company will construct an extension of the line into West Texas.

On a national basis by 1970, the investor-owned electric

companies plan to spend nearly \$8 billion for new electric power transmission facilities, Mr. Lynch said. The investment will more than double the present transmission facilities investment of \$6-7 billion.

"Experience indicates that the bulk of the new transmission lines will be built by investor-owned companies like TP&L, and they will be financed in a free market."

"With only about 1/16th of the world's population, our country now has about one-third of the world's power producing capacity," he said.

Concerning reports on Russian power progress, Mr. Lynch stated, "Although we have only about one-third of the area of the Soviet Union, we have about five times the miles of transmission lines the Russians have. In view of Russia's goal of 3,000 kilowatt hours of per capita production for 1970, it is difficult to see how Russia will catch up with us in the foreseeable future."

He concluded that under the present program, this nation will be producing 7,500 kilowatt hours per capita within the decade.

single cost and the hardest to figure, especially for owners of new or recent model cars.

Following is a breakdown of the national average cost figures computed by Runzheimer & Co. for a 1960 Chevrolet, 8-cylinder Bel Air 4-door sedan:

Variable Costs Average Per Mile	Fixed Costs Annually
Gas and Oil	Property and Damage and Liability (\$25,000 and \$50,000)
Maintenance	License and Registration 22.40
Tires	Depreciation 646.00
Total	Total 808.54 (or \$2.21 per day)
Fire and Theft Insurance	
\$30.38	

Thus, the company says, for an average motorist driving 10,000 miles a year the variable costs figure to \$390, the fixed costs to \$808.50 and total costs to \$1,198.54, or 12c per mile.

Runzheimer says that for mileage in excess of 18,000 annually, an additional depreciation allowance of \$14.50 per thousand should be added to the fixed costs. This would mean that a car driven twice as much as average, or 20,000 miles, would cost \$1,617.54 a year or 8.1c a mile.

Average Car Cost Is 12c Per Mile

DETROIT, Mich. — Do you know how much it costs you to own and operate a car?

For some people it may be their largest single expense. For many others it is second only to food and housing.

America's 60 million car owners spend more than 60 billion dollars annually buying cars, paying taxes on them, buying the gas, parts and accessories it takes to run them and the insurance.

The American Automobile Association has put together some facts and figures to help figure just what that car costs you.

First of all there are two types of costs — running costs and fixed costs. The running costs vary with how many miles you drive and they include gas and oil, tires and maintenance. Fixed costs are fairly standard even if you leave your car in the garage for days at a time. They include insurance, licenses, taxes and depreciation.

Depreciation is the biggest

Local News BRIEFS

Guests Saturday over night and Sunday with Mr. and Mrs. J. A. Sanders were their daughter and family, the W. O. Cooks of Fort Worth.

Settled for classes at the University of Dallas are five young people from Muenster: Karen Endres, Margie Schoech, Paul Hesse and Rodney and David Walter. Another student there is Jimmy Walter of Gainesville. All are freshmen except Rodney who is a sophomore. Mr. and Mrs. Paul Endres, Mr. and Mrs. Oscar Walter and Mrs. and Mrs. Joe Walter were among those at the recent Parents' Reception to meet the faculty.

Sunday visitors and dinner guests of Mr. and Mrs. Joe Hoeng were their children and grandchildren, the Carl Pelzels of Ennis and the Rupert Hoengs and their families of Carrollton. Rupert is on a forced vacation from work on account of an elbow injury.

Old times were reviewed when old friends were together Sunday. Mr. and Mrs. Joe Linn had as all-day guests Mr. and Mrs. Bill Dossy and Mrs. Floyd Bomar of Bonham.

Mr. and Mrs. Felix Pelzel have named their new baby Dwayne Frank. His grandparents, Mr. and Mrs. Frank Pelzel, were sponsors at his baptism in St. Thomas Church at Valley View.

Mr. and Mrs. Paul Deltz of San Antonio were Saturday and Sunday visitors with her parents, the Joe Horns. Andy Yosten of Fort Worth also stopped in for visiting. He spent the weekend with his sisters.

Gene Walter is in Albuquerque, N. M., now transferred there for several months by Federal Aviation Agency. He was previously at Fort Worth.

Basil Reiter is back at the University of Kentucky in Lexington studying on a fellowship to complete work for his master's degree in mathematics and also is teaching a mathematics class.

Rev. David Myers of Denton conducted services at Shiloh Baptist Church Sunday and visited with Jim Walker at his home.

Enthusied over buying a new home and getting ready to move are Mr. and Mrs. Raymond Hoeng of Irving. They were weekend visitors here and at Lindsay with their families, the Joe Hoengs and the Joe J. Neus, and told about the new place.

Visitors over the weekend with the Frank Herts were their daughter and son-in-law, Mr. and Mrs. Eddie Dunham of Fort Worth. They were accompanied by Mrs. Tommy Herr and daughter who were house guests of her parents, the Frank Schillings.

Mr. and Mrs. Alfons Pautler and Sailor Roger Pautler, here on leave, and Mr. and Mrs. Danny Owen and daughter drove to Fort Worth for a Sunday visit with the Clarence Owen family. Roger was the honoree at dinner which observed his 19th birthday.

Dan Hamric has returned to El Paso to continue classes at Texas Western College.

Student Officers

Since returning to Southwestern College in Weatherford, Okla., Claude Walter and Charlie Herr have been elected to class offices. Claude is the senior representative on the Student Senate and Charlie is the junior representative. It's similar to being class president but of more importance. The representative is the mediator between student and faculty administration.

For Summer or Winter A Dual Purpose Aluminum Door

... A Storm Door
... A Screen Door

Here's a beauty that is loaded with features you will like.

In winter it serves as a weather-proof storm door keeping out cold as well as rain. In summer, by sliding up a glass panel, you convert it in a moment into a screen door.

Furthermore, it looks good and works good. Being aluminum it will not rust, corrode, warp or swell. It never needs paint, stays neat and bright, always works freely.

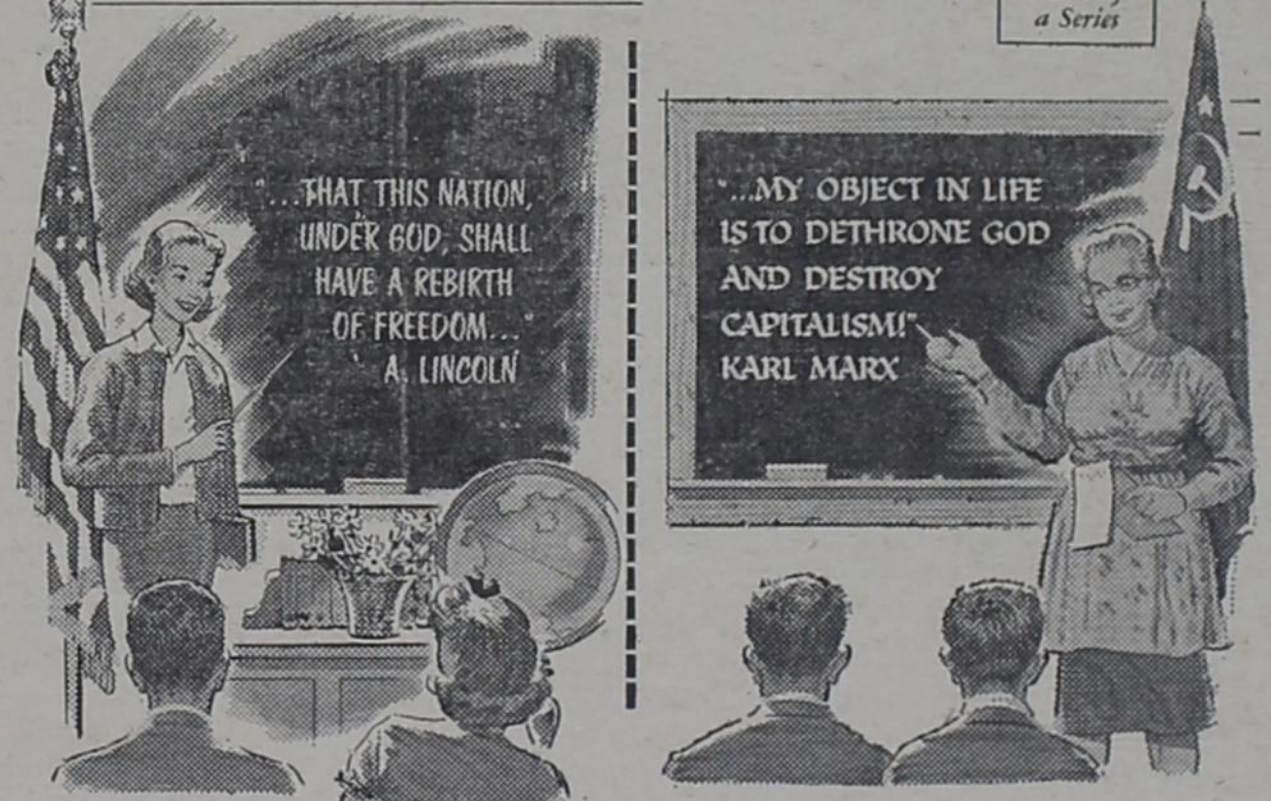

It's completely weather stripped . . . the door in the frame and the sliding glass panel in the door.

The unit includes door, frame, lock and closer. The price: only \$38.50.

COMMUNITY LUMBER CO.

Rody Klement Jerome Pagel

THESE TRUTHS WE MUST HOLD

SHOULD EDUCATION BE CENTRALLY CONTROLLED?

Americans believe:

Education is best controlled when it is in the hands of local boards, responsive to the wishes of the parents and the community. The goal of education is intelligent, moral, and self-reliant citizenship. Education must be free from propaganda and must prepare the student to exercise his proper share of control over his government.

Communists believe:

Education must be controlled by the Central government so that the individual will be indoctrinated to follow, without question, the dictates of the Socialist state. The thought content of all studies must be filtered through this basic requirement. Individualism is the enemy of the people, therefore the student must be regimented and must accept the decision of government regarding his place in the economy.

ETERNAL VIGILANCE IS THE PRICE OF LIBERTY

To renew and awaken interest in our precious heritage of Freedom, and its superiority over the Communist philosophy, these messages are being published by the Texas Power & Light Company, an investor-owned, tax-paying electric utility.

TEXAS POWER & LIGHT COMPANY

Lindsay News

Visitors from Colorado have been spending this week with relatives in Lindsay and Muenster. They are John Breckel and daughter Margaret of Fleming, Colo. They are guests in the homes of the Willie, Joe and Matt Fuhrmanns since arriving last Saturday and have been making calls on all the relationship.

Coach Henry Schroeder entered the Sanitarium last Thursday for medical care.

Parish game parties started again Monday night in the Parish Hall. A good sized crowd attended and plans are to get back on the former schedule of a party every other Monday night.

A clothing drive for Hurricane Carla victims is in progress at Lindsay this week with the Parish Hall as the

collection depot. Members of St. Anne's Society are sponsoring the drive and plan to ship the articles Monday. Consequently they are reminding everyone who wishes to contribute to this relief project to bring their contributions in as soon as possible.

Miss Frances Spaeth of Denison, visiting over the weekend with her mother, Mrs. George Spaeth, was honored with a birthday celebration Sunday afternoon. Relatives attended from Muenster, Gainesville and Lindsay, bringing gifts for the honoree. Mrs. Joe Knepper of Gainesville brought homemade ice cream and Mrs. Walt Barry Jr. and son James brought the handsome decorated cake with them from Dallas.

Lindsay Students Form Class Club

Lindsay's seventh and eighth graders have organized into a Dramatics Club and held their first meeting this week Monday. Mrs. Willard Hartman is teacher and club sponsor.

Club officers were elected as follows: Jimmy Eberhart, president; Diane Zimmerer, vice president; Eddie Schad, secretary; Linda Hoelker, treasurer; Andy Arendt Jr., reporter; Elaine Aitchison and David Arendt, sergeants at arms; Kenneth Laux and Sylvia Stoffels, recreation leaders.

The group set dues at fifty cents for the term and planned a bake sale for Wednesday, Sept. 27th, as a class benefit. It will be a sale to students during the first recess period.

For the program at the first meeting a group presented a comedy skit. The "stars" were Mike Hundt, David Arendt, Rudy Zimmerer, Elaine and Ellen Aitchison, Ellen Hundt, and Janice Neu.

COED BASEBALL — Anne Goodman readies herself for the call, "Play ball!" The Watsonville, Calif., city recreation department decided to let girls play in the Pee Wee League softball program.

Back from Visits In Four States

Mr. and Mrs. Felix Becker, Walter Becker and Mrs. Alphonse Hoeng are back from a four-state visiting trip, seeing relatives in Maryland, Indiana, Michigan and Ohio.

Going with them was the Beckers' grandson, Johnny Becker, returning to his home in Silver Springs, Md., and that's where the Muenster quartet spent a week. Miss Anna Hoeng of New York City came over to spend one day with them in the Vincent Becker home.

Fort Wayne was Indiana's city of attraction and they were guests there of relatives including the George Hartmans, Andy Mudracks and Killian Hartman. In Ohio it was Cincinnati to visit Father Earl Metz and the Charlie and Otto Metz families.

A sad note in the otherwise happy vacation was word of the death of Sam Rich of Milan, Mich., and the local group went to Maybee, Mich., for his funeral. He was Mrs. Becker's brother-in-law.

Discussion Clubs Get Reorganized

Members of Sacred Heart Parish have started discussion club activity for a new season, about 15 groups organizing this week, most of them on Sunday night. Almost all clubs follow the study session with a social hour and refreshments.

Study is the same for all — a continuation of the textbook on the Sacraments. The opening lesson was on Confession.

Reports are in on the following clubs: Mrs. Arnold Rohmer's group met at her home and as chairman she led the lesson. Mr. and Mrs. Joe Hoeng were hosts in their home with Mr. Hoeng as leader. This club will have its October meeting in the home of Mr. and Mrs. Johnny Wimmer.

The club headed by Mrs. Gary Hess met in the home of Mr. and Mrs. Albert Hess with the hostess leading and 16 members present. Next meeting will be in the Frank Schilling home.

Mrs. Theo Vogel led the lesson for her group in her home. The Ben Voths will host the next meeting. The Andy Schoechs had ten present in their home. Mrs. Schoech leading the study. Next month's meeting will be in the Eddie Schmitt home.

Mrs. Tony Hess was leader for the lesson as the group of her club met in her home. The club with Mrs. Tony Otto as chairman met in the Otto home, 12 attending and Mrs. Tony Gremminger leading.

Mr. and Mrs. Leo Hesse entertained their area club, Mrs. Hesse serving as leader. The Norbert Koesters will be hosts for the next meeting. Mrs. John Fisher's group met in the home of the Charlie Fishers the chairman leading.

Three clubs meet on days other than Sunday, two of them on Wednesday. The group that gets together in the L. A. Bernauer home held the first meeting of the current season this week and so did Mrs. M. J. Endres' club which has an afternoon session. The club headed by Mrs. Gene Hoedebeck will organize for an afternoon meeting and the club with Mrs. Ray Wilde as chairman will meet next Sunday for the first time in her home. Conflicting activity prevented starting last Sunday.

Tigers Lose - - -

19. Two more gains got to the 13, but a pass from there was intercepted and the Tiger offense was practically out of business the rest of the game.

Defense was still stout, however, and stopped the Eagles three more times. But the third was only a short intermission after Wolf's interception broke up a march of 42 yards on the Tiger 28. Shortly afterward Valley View regained possession the same way and scored the final TD on a 34 yard pass from Bryant to Kupper. The try for extra points was good making the count 20-0.

In the closing minute Sacred Heart gained about 30 yards and lost possession on a fumble on the last play.

Game at a Glance

	SH	VV
First downs	11	14
Yards rushing	80	182
Yards passing	68	66
Passes completed	7-23	3-5
Intercepted by	1	3
Fumbles lost by	2	0
Yards penalized	15	85

Hornets Lose - - -

for a total of 38 and two passes, both from Vogel to Russell, for 26. The pay-off went for 18 yards. Failure on the bonus points effort, after one good one was scratched off, left the Hornets trailing 8-6.

Another decision just two plays later was another blow to the Hornets. Wiesman's interception on the Warrior 40 seemed just right to inspire another Hornet drive, but officials also scratched off that break. The few remaining minutes of the half were uneventful.

Starting the next half Valley View promptly made two first downs and fumbled and the deadlock resumed until near the end of the quarter. Then Muenster recovered a Warrior fumble on the 36 and promptly followed with a first down on the 24. Two plays later Hellman got to the 12 but a 15 yard penalty blasted the drive. Next Russell completed a pass but was jarred loose when tackled. Valley View regained on its 28.

Again about midway in the last quarter the Hornets threatened. Vogel's interception got them started on their 47. Two first downs reached the Warrior 29 and an interception on the next series ended the threat.

For the first time of the season Mark Hellman was in the game, but still favoring his leg injury. That slight gain, however was offset by another handicap. Jimmy Wiesman played the entire game with his hand almost completely covered by a cast to protect two fractured fingers.

Game at a Glance

	M	VV
First Downs	9	6
Yards rushing	95	82
Yards passing	48	26
Passes completed	4-12	2-9
Intercepted by	1	3
Fumbles lost by	1	2
Yards penalized	30	45

Confetti - - -

hope that he will have the wisdom and courage to throw Khrushchev's threat of several months ago back into his teeth. The red boss let it be known then that he intended to rule or wreck the organization. Kennedy can, if he will, insist that it be conducted by civilized standards or this country will wreck it.

As it looks from here the first proper consideration before the meeting is Russia's own continued membership. Khrushchev and his mob have never qualified in the first place because they are aggressors in their own country and not the rightful representatives of the people. In addition, Kennedy could reasonably insist on kicking out all Soviet satellites on grounds that they are not sovereign nations but only tools of the Kremlin. Next he might claim that Russia did not maintain its even questionable eligibility because of refusal to pay its proportional share of UN expenses. Most important of all Russia stands indicted on its many violations of UN policy, deliberately and openly provoking every kind of trouble to nullify UN efforts of preserving peace.

President Kennedy has a strong case, one that has a chance to win if he will present it as an ultimatum. Surely he knows that the chips are down and the UN is doomed anyway unless Russia is either brought in line or kicked out. That failing, he can come up with the final solution . . . to pull US out of the UN and kick UN out of the US.

Does that seem drastic? Well, let's face the fact that we are plain dopes if we continue our support of an organization that is a tool of our enemy. It's far better to

break away from the reds altogether and work toward the formation of a new organization dedicated to peace and human decency. It will be worth something also to get rid of a few thousand red spies officially here as UN personnel from the red countries.

Lindsay Crushes Pilot Point B in Practice Tussle

Lindsay Knights had the satisfaction of racking up a win last Thursday night in their first try at 11-man football. Normally an 8-man outfit, they increased the lineup for a practice scrimmage with Pilot Point's reserves.

The score was 48-0. It was not a real game and does not go on the record. But playing procedure was practically the real thing and the Knights feel they had a real win.

First touchdown came early as Morisak dashed 47 yards to complete an 80 yard drive. Haverkamp added bonus points.

After an exchange of interceptions Lindsay put on a 61 yard drive ending with Sandmann's 35 yard gallop. Morisak's pass to Hermes produced the third TD and brought the half-time count to 20-0.

Third quarter scoring came on an 11 yard run by Morisak and a 6 yard plunge by Zimmerer. Haverkamp added extra points after each.

Sandmann's 17 yards and Haverkamp's 2 yards were the two pay-offs of the last quarter.

Windthorst Licks Lindsay Kids 18-6

Lindsay's pee-wee football got off to a bad start last Sunday as the little Squires ran into more than they could handle at Windthorst. The score was 18-6.

Jim Eberhart got away in the last quarter for the only Lindsay score.

Next on their schedule is a game with Sacred Heart Cubs at Muenster Sunday, starting at 2.

Subiaco Alumni Welcomes All to Picnic at Lindsay

Members of the North Texas Subiaco Alumni Association are looking forward to a big attendance at the benefit picnic they will sponsor Sunday at Lindsay. They have been getting the word around that everybody is welcome.

The party starts at 2 p.m. in Lindsay Hall and will continue into the night. Games, eats and drinks and entertainment for youngsters and grownups will be featured attractions.

Hospital - - -

administrative section, examination rooms, storage, kitchen, patients rooms and chapel.

There are 22 patient rooms, each measuring 12x20 feet. Fourteen of them are private and 8 semi-private, and all can be quickly converted as the need arises. Each room has its lavatory and commode and a few also have showers. Most of the rooms face southwest overlooking the detention lake at the west side of town.

Building construction will be all brick and concrete, completely fire proof, and will be centrally heated and cooled by circulation of hot or cold water. Total floor space will be about 22,000 square feet.

"Your wife's nerves seem completely cured," remarked one neighbor to another. "How did the doctor manage it?"

"Quite simply," was the reply. "He told her it was a sign of age."
