NUMBER 1

Grounds for gratitude were indicated in President Kennedy's press conference Tuesday as he revealed Russia's agreement to remove the jet bombers from Cuba and our country's intention to see that the agreement will be carried out.

That development is timely just before Thanksgiving. It gives us reason to be thankful at least for an improvement in recent conditions. Red defiance of a few weeks ago has simmered down considerably. So has red scheming and diplomatic horse trading by which the commies were trying to drive a hard bargain while pretending to get along.

As of now the agreement is that missiles presumably are gone and planes will go, as will the Soviet technical personnel sent to Cuba to operate missiles and bombers. On the scene inspection still isn't allowed. However we have served notice that we will not depend entirely on red assurances. Aerial inspections will continue, and it is implied that forcible inspection may follow if results of aerial inspection are not satisfactory.

All in all, it is good news on a limited scale. Things are better than they were lately but still not as good as before the red build-up started. We still have not shown an intention to remove the source of trouble. That is, Castro and his red dictatorship which holds the little nation in bondage and spreads its ugly influence to the rest of the hemisphere. Nor have we taken steps to get rid of the arms build-up by which reds remain in power and continue a definite though somewhat less potent threat to our welfare. Such an abundance of "defensive" equipment must have some "offensive" potential.

But let's be thankful for what has been done as well as for the intention to do more if it is needed. Backed by the proper attitude, this could be the beginning of cleaning up the Cuban mess completely.

And why not? Things still going on there give more than sufficient provocation for additional corrective measures. We have plenty justification to finish the job. Furthermore, we don't even need to wait for provocation. The mere presence of reds in Cuba is adequate reason to do something about it. Our Monroe Doctrine says so. Accepted doctrine of warfare says so. . . and this is war! They call it cold war, but reds are fighting it for keeps and we had better do likewise.

So, as regards the Cuban situation, we can say that we have good reason to be thankful on this Thanksgiving. Signs are favorable. The outcome can be gratifying if we continue the course now open to us. Let's pray that our leaders will have the judgment and courage to do that.

News from other quarters of the global conflict also present reasons for thankfulness. Communism is having lots of trouble. It is failing in its promises to relieve hunger and misery, in fact, going backward instead of forward. It is weakened by internal strife. It is losing prestige before neutrals who begin to see the emptiness of its promises. It is humiliated by continuing escape of its subjects, handicapped by non-cooperation of those who stay, even threatened by their revolt. The inherent evils of the ugly system are having their ill effects.

Elsewhere, as in Cuba, signs for the downfall of communism are improving. For that, too, we can be thankful on this Thanksgiving. Because of that, too, we ought to pray that the leaders of freedom everywhere will have the judgment and courage to bring their mission to a happy conclusion.

That's that as an expression of thankfulness for the world's apparently improving status of human freedom and dignity. And now this column turns its attention to personal thanks.

As mentioned often before, the Enterprise could not have had a more appropriate anniversary. The coming of another birthday is a most proper occasion to count its blessings and to say thanks for every one of them. The Enterprise is grateful first of all to the sustaining hand of Divine Providence. It is grateful to advertisers, subscribers and printing customers whose kind patronage keep this venture going financially. It is grateful to all who tell us about local happening and to the helpful staff which puts those events in print. It is grateful to

Community Tops UF Quota; Total To Date \$1514

Muenster has topped its goal in the current United Fund drive and more donations are on the way.

Henry Weinzapfel, community chairman, revealed Wednesday that \$1,513.99 had been turned in to that time and some workers still have not turned in their collections. When those are in the total should be over \$1,600, he said. The community's goal this year is \$1,400 and the county's goal is \$45,590. Last year the community gave \$1,241 and the county's total was slightly over \$40,000.

One big donation accounts principally for this year's increase over last year. Weinzapfel said. The local dress factory raised \$41. The firm's management gave \$200 and employees agreed on a 25 cent per week plan which will amount to \$241.

Tigers End Good Season with 39-26 Win over Jesuit B

The Sacred Heart Tigers put the lid on a very pleasing 8-2 grid season last Thursday night by outscoring Jesuit B of Dallas 39-26 in a fast moving scoring spree.

What started as a run-away for Sacred Heart got tense before the action was finished. The Tigers piled up a 27-6 lead by half time and extended it to 33-6 as the third quarter opened. But then the Rangers put over three fast touchdowns making the count 33-26. Another TD and extra points would have put them ahead. Tiger fans were getting uncomfortable. But then Sacred Heart got another score to sew up the game for keeps.

The first score resulted from a 56 yard drive following Wolf's interception of a Ranger pass. The big play was a pass from Johnny Wolf to Francis Fuhrman on a 4th down and 15 to go predicament. It was good for 26 yards and another pass by the same combination two plays later produced the first score.

Jesuit's fumble on the kickoff return started the next drive. It used ten plays for 40 yards. Wolf made the last few inches and Virgil Hess kicked for an extra point.

The visitors started a comeback but bogged down after two first downs after which the Tigers headed goalward again. The drive went for 67 yards on nine plays and the payoff was a pass from Wolf to Virgil Hess for 17 yards. Virgil Hess ran for bonus points after the TD.

First play following the next kickoff showed that the visitors were still very much in the game. Weaver took a pass from Harkey and dashed the rest of the 73 yards to the goal.

Sacred Heart retaliated with another drive, which was helped considerably by 25 yards of penalties on Jesuit. The full distance was 57 yards and Pat Klement made the last 12.

After half time the Tigers moved fast for another score. They made 45 yards on six tries and Virgil Hess scored from the 3.

Then Jesuit took charge for a while. After the next kickoff they moved with authority and finished a 60 yard push in eight plays. Weaver scored from the 3, Harkey added 2 points.

Shortly thereafter a Ranger interception sparked another drive. It went fast, using four tries for 75 yards and scoring on a 41 yard pass to Lindley.

And minutes later another Jesuit tally. That one was scored from the 13 by Rhomer completing a 41 yard drive in

BIRTHS

Proudly announcing the birth of their first child, an eight pound seven ounce son, are Mr. and Mrs. Tony Hess. Their little boy arrived 12:47 p.m. Friday Nov. 16, at Gainesville Hospital. He's a grandson for Mrs. J. W. Hess, Muenster, Mrs. Joe Bengfort of Lindsay.

THANKSGIVING HOLIDAYS Muenster school children started their Thanksgiving holiday vacation with dismissal of classes Wednesday afternoon and are recessed until Monday morning.

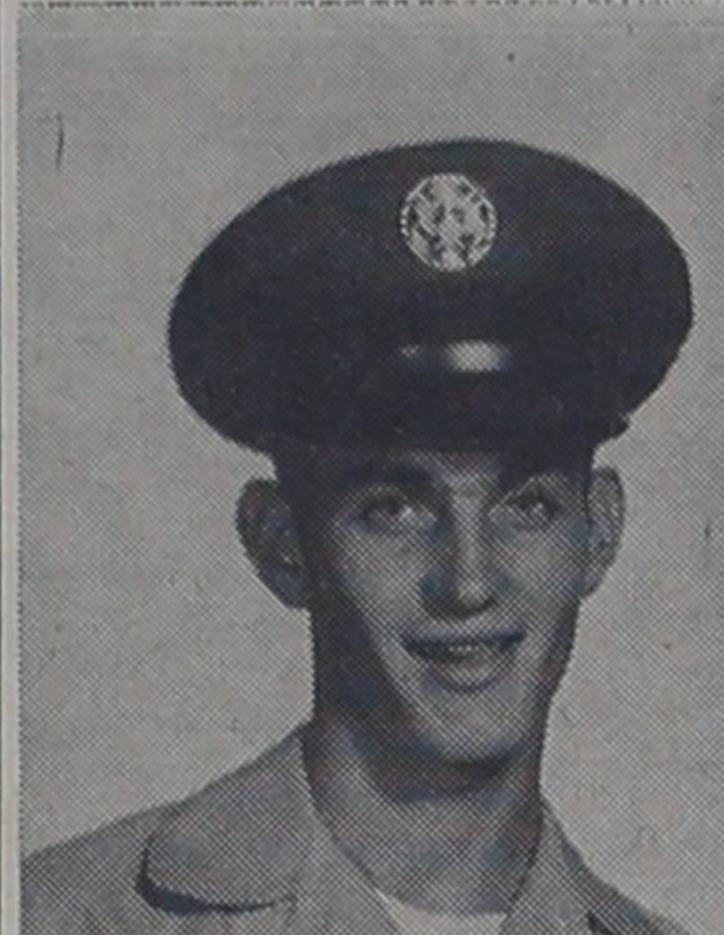

Garden Club Plans Yule Bazaar Dec. 1

Muenster Civic League and Garden Club members are getting finished with plans for their annual Christmas bazaar to be held December 1 with headquarters in the Youth Center on Main Street. Open hours will be from 9 a.m. to 5 p.m.

Hand made articles and home made baked goods will be offered for sale and coffee and doughnuts will be served.

The bazaar is a benefit for the club's project of landscaping Muenster hospital grounds.

News of the Men in Service

Airman Basic Gene L. Eberhart of Muenster, Tex., is being reassigned to Chanute AFB, Ill., for technical training as a United States Air Force parachute rigger.

Airman Eberhart, who completed the first phase of his military training at Lackland AFB was selected for the specialized course on the basis of his interests and aptitudes. The airman, son of Mrs. Leona Eberhart of Muenster, is a graduate of Sacred Heart High School.

Is Tank Driver Pfc. Don Wilson has advised his parents, the Nig Wilsons, that he is a tank driver now with the Second Armored Division at Fort Hood.

Lindsay Knights Win Bi-District, Enter Regional

Lindsay's Knights, champions of district and bi-district, have a long way to go Saturday night in search of the regional title. They will play Leakey High in Uvalde, more than 400 miles away.

The game is set to start at 8 o'clock and local fans will have an opportunity to keep in touch through the report by quarters which will be phoned to Gainesville and announced over KGAF-FM.

To qualify for the regional show-down, both of the eight-man teams won their bi-district games last week. Lindsay beat Pickton 28-18 and Leakey beat New Waverly 28-14.

The Knights did a good evening's work as they snatched the win from the Pickton crew. They took advantage of every opportunity to come out in front in spite of being slightly behind in total gains.

Lindsay crossed the goal the first time it got possession but a clipping penalty spoiled the effort and forced a kick. Next time they got the ball they made a TD that counted. Morisak faked a handoff and hit the line, and found the way wide open for a 70 yard gallop to pay dirt. Neu's run added two points.

Shortly after that Neu sailed around end and got perfect blocking for his 65 yard scoring sprint.

After that one Pickton scored in a hurry, on a 65 yard kickoff return.

Then Lindsay went on a steady march of 60 yards for its third score. Neu made the last 3 yards and Lindsay ended the half with a comfortable 20-6 lead.

Pickton returned from intermission with determination and took charge of the field for a while. During that time Pickton improved its status with a nice 20 yard scoring run.

However the Knights widened the margin again a short time later on a 25 yard pass from Morisak to Zimmerer. Neu added 2 and the score was 28-12, which proved to be more than adequate. Toward the end Pickton scored again making the final count 28-18.

T. P. Frost of Gainesville is reported doing satisfactorily at the VA Hospital in McKinney. He's in Ward 61.

NEWS OF THE SICK

Mrs. Hank Walterscheid entered Gainesville Hospital, formerly of Muenster, Sunday evening as a surgical patient and had a major operation Monday night. Reports Wednesday were that she is doing as well as can be expected. It's going to be a long hospital stay and cards will cheer here.

H. S. Wilde of Gainesville, formerly of Muenster, is making progress in recovering from a heart attack that put him in the hospital two weeks ago. He's sitting up now and his doctor plans to let him go home Monday. He'll be continuing recovery at 801 N. Commerce, Gainesville.

Emmett Andress is reported making a satisfactory recovery from major surgery Monday at Community Hospital in Sherman. Cards will reach him addressed to the hospital, Room 17. He'll be a patient about two weeks.

Donald Vogel is on crutches at classes since Monday when he cracked a bone in his left ankle. The accident happened at school and the injury will have to be in a cast until the bone knits. He is the son of Mr. and Mrs. Joe Vogel.

Mrs. Frank Kaiser returned home Monday after a week in Houston for a check-up and minor surgery. The surgery was Friday and she was dismissed Sunday.

Johnny Schneider is recovering normally from major surgery at Richey Street Hospital in Gainesville but doctors haven't said when he will be dismissed.

Mr. and Mrs. L. B. Bruns have both been shut-ins all this week on account of mumps. Their three youngsters escaped, so far, but the school superintendent and his wife are being kept at home in account of illness.

Mr. and Mrs. Al Horn were in Dallas Monday to visit their niece, Ann Schmitz, at St. Paul's Hospital. She's the daughter of Mr. and Mrs. Leonard Schmitz of Dallas and is hospitalized for injuries received in a car wreck. She has a broken left leg above the knee, chipped shin bone and broken ankle. The fractures will keep her out of classes for a long time. She is a sophomore at the University of Dallas. Her present address is Room 355, St. Paul's Hospital.

Mrs. Victor Hartman is back at home, dismissed from Gainesville Hospital Saturday after major surgery on Nov. 8. She's up a bit around the house but will have to "take it easy" for several weeks.

Funeral Held for Fleitman Infant

Burial services were held at 9 a.m. Tuesday in Sacred Heart Cemetery for the infant son of Mr. and Mrs. Anton Fleitman. The baby died at birth early Monday morning.

Vernie Keel Funeral Home was in charge of arrangements. Survivors include the parents; five brothers, Eugene, Patrick, Alfred, Melvin and Donald; four sisters, Patricia, Virginia, Theresa and Agnes; and two grandmothers, Mrs. Jos. Fleitman of Muenster and Mrs. John Schilling of Houston.

County College Leads State in Rate of Increase

The distinction of leading all state supported junior colleges of Texas in percentage of enrollment increase this year goes to Cooke County Junior College.

A report released by Texas Education Agency shows that the Gainesville school increased its head count by 60 per cent and its full time enrollment by 39 per cent.

The TEA report indicates that CCJC is out front in a trend that applies all over the state. Thirty six of the 37 state supported junior colleges in Texas have a higher enrollment than before, and their over all increase is 15.3 per cent. Total enrollment in the state supported junior colleges was 42,991 as of October 15.

The actual head count at the junior college is 618, which includes many students who do not carry a full course. Considering the total number of subjects they take, the school has an equivalent of 402 full time students.

Vogel Brothers And Klement on 10-B All-District

Donnie and Weldon Vogel and Robert Klement were named on this year's 10-B all district first team and James Whitt and Roy Monday were named on the second team.

Selections were made last Saturday in a meeting of the 10-B district coaches at the Curtwood Cafe in Gainesville. Other business at the meeting declared Valley View as winner of this season's district champ trophy and also awarded the sportsmanship trophy to Sanger which was runner-up in the conference race, losing only to Valley View by the close count of 7-6.

Final 10-B standings were as follows. Valley View 5-0, Sanger 4-1, Era 3-2, Muenster 2-3, Callisburg 1-4, Saint Jo 0-5.

Membership of the '62 dream team is as follows: Ends — Prater (S), Hudspeth (E); Interior Linemen — Hutcherson (E), Klement (M), Mask and Nehib (VV); Center, Rogers (C); Backs — Weldon and Donnie Vogel (M), Hogan (VV), Holder (S).

Membership on the second team are: Ends — Monday (M), Martindale (VV); Interior Linemen — Cunningham (C), Whitt (M), Pirkle and Hampton (S); Center — Patton (S); Backs — Sparkman (VV) McMahan (SJ), Russell (E), Rippy (S).

Honorable mention: Ends — McDonald (C), Arledge (SJ); Interior Linemen — McReynolds (S), Riddle (VV), Hamilton and Morrell (C), Wilbur and Donnie Matthews (E), Blair (VV); Center — Prescher (VV), Epps (E); Backs — Yetter (SJ), Ward, Bacon and Reed (C), Morman (S), Clifton (VV), Kirby and Sluder (E).

Basketball Starts At Sacred Heart, To Play Friday

The SH Tigers basketball team this year is well staffed by experienced players. On the boys' squad are four former regulars and four who spent enough time as reserves to earn a letter. They are under the direction of Adam Wolf, who has a squad of 19 out for the first days of practice.

The former regulars are Jimmy Otto, Virgil Hess, Johnny Wolf and Pat Klement. Other lettermen are Dennis Hess, David Hess, Tommy Fuhrman and James Fleitman. Others on the squad are Quintin Hess, Frank Schilling, Ray Wimmer, Willie Wimmer, John Paul Endres, Wayne Reiter, Dale Hofbauer, Sammy Endres, Donny Rohmer, Dwayne Pagel and Clinton Endres.

Skipper for the girls team this year is Walter Wolf, who likewise has a good group of experienced players to select from. Joyce Haverkamp, Judy Walter and Ruth Wimmer are hold-overs from last year's sextette of regulars. Patsy Klement, Joan Kaiser, Sandra Walter, Rita Noggler, Virginia Taylor, Patsy Streng and Aileen Knauf are experienced players working for a place on the first string lineup.

In addition Wolf has about 30 beginners, including a few who stand out as possible team members. They are Barbara Schmitt, Mary Wimmer, Lavonne Otto, Mary Knabe and Carol Hess.

First action for the girls came Friday night as they rolled up a 52-16 win over the State Girls School at Gainesville. Scorers for SH were Joyce Haverkamp 25, Joan Kaiser 16, Ruth Wimmer 11.

More action is slated for this weekend when boys and girls take on the Sacred Heart Alumni. Other games booked to date are with Muenster High Dec. 4 and 18, SH Alumni Dec. 21, S&S tournament Dec. 13-14-15 and the Sanger tournament Dec. 27-28-29.

Gainesville Gets Dam on Fish Creek

The Texas Water Commission authorized a permit to the City of Gainesville to build a \$1,724,143 dam system on Fish Creek, a tributary of the Red River.

Plans for the dam, which was backed by local citizenry 2 1/2 to 1 in a local bond election, will include a reservoir with storage capacity of 23,210 acre feet; supply pipeline to town; and a filter plant.

Surface water will be used with water from Trinity wells until the well supply dwindles. Then the reservoir is expected to supply all water for a population expected to reach 24,000 in 1995.

SH School Slates Book Fair Nov. 29 Public's Invited

Sacred Heart School will have a "Book Fair" next Thursday, Nov. 29, in the Parish Hall and students and faculty invite the public to attend. Open hours will be from 3 p.m. to 9 p.m.

In addition to a display of books, there will be book skits — students dramatizing a number of stories from books on exhibit. This program feature will start at 8 p.m.

Visitors will be invited to browse through books. The collection will include pre-school books, adult books and religious books. Old favorites and the newest releases will be shown. There will also be an opportunity for book purchases, to take home, to gift to the school library or to leave as a memorial to the school.

Memorial Service Sunday for KCs

Members of the Muenster Knights of Columbus Council are reminded this week of the annual memorial service to be conducted Sunday afternoon at 2 o'clock in the K of C hall. The service is held by the local council each November to honor the memory of its deceased members.

Homets Wallop Panthers 38-12 In Season Finale

Muenster's Hornets rolled up a score of 38-12 against the Saint Jo Panthers Friday night for a happy ending of their '62 football season.

In a strong first half they pulled away to a 32-6 lead then coasted through the second on even terms. The first counter came in a hurry. Six plays after kickoff Donny Vogel got away on a 58 yard gallop to the goal. Weldon Vogel followed over for bonus points.

After the next kickoff Saint Jo failed to get off a fourth down kick and the Hornets were in business on the 28. Don Vogel made 2, Wimmer made 11 and Weldon Vogel tossed to his brother for the last 15. Wimmer added extra points and the score was 16-0 when the game was 5 minutes old.

Next came Saint Jo's chance. A kick ending the Panthers' second series was fumbled by Muenster and recovered by the Panthers on the 4. Two tries gained a yard and Boyd passed to Arledge for the touchdown.

Muenster's next drive started just before the first quarter ended and took up about half of the second period. It was a steady march for 78 yards, marking up 6 first downs on 19 plays. Gobble made the last yard and Wimmer added two points.

Next came another quickie. On their first series the Panthers lost a fourth down gamble, losing possession on the Muenster 46. A penalty gave 5 yards for free and two more plays made the remaining 49 yards. Weldon Vogel ran for 19, then passed to Monday for the remaining 30. Whitt plunged over for two more points.

Returning to the game after intermission Saint Jo went to the air and made better headway than before and managed to match Muenster in scoring if not in yardage gained. Saint Jo led 12-9 in first downs for the second half.

Free yardage on a penalty after kickoff put the Panthers in midfield. Three short passes accounted for 22 yards in the touchdown drive that followed. Yetter scored from the 14.

Muenster came back promptly with a TD to match that one. Seven plays gained 38 yards and Weldon Vogel broke loose on a 38 yard dash for the last counter.

From then on neither team was able to put on a sustained drive. Muenster bogged down twice. Saint Jo was stopped by interceptions twice, the last one on the 3 yard line. After that the Hornets got back to the Panther 40 as time ran out.

Muenster Donates 3 Tons Clothing To Foreign Needy

Muenster's 1962 Thanksgiving Clothing Drive has come to a successful close with approximately three tons of clothing, bedding and shoes crated ready for shipment to the National Catholic Welfare Council in San Francisco. From there it will be routed overseas.

The bishops' annual clothing drive for the Holy Father's storeroom was conducted here Tuesday, Wednesday and Thursday last week. As in previous years the "quickie" campaign was marked by cooperation and the work was finished in three days.

This year's contribution is on a par with last year's which was the highest in history with somewhat over 6000 pounds collected. Exact weight will not be known until the cartons are weighed at shipping time.

Probably the largest item of the drive was a group of about 100 new dresses donated by the Muenster dress factory. The drive was sponsored by members of St. Anne's Parish Society headed by Mrs. Alphonse Hoening, president, as general chairman. The sponsoring group expresses grateful appreciation to all who helped bring the campaign to a successful close.

MHS Cage Teams Hurt by Shortage Of Experience

With the football season behind them students of Muenster High started Monday on the job of shaping up a pair of basketball teams.

In either case Coach Glenn Richardson is starting practically from scratch. He hasn't a single starter from last year's boys' team and he has only one starter from the former girls team.

Furthermore, he lost a good prospect for the boys' team the first day of practice. Donnie Vogel fractured a foot and will be wearing a cast the next six weeks.

That leaves six of last year's reserves as the top men of this year's squad. They are Roy Reiter, Roy Monday, Robert Klement, James Whitt, Weldon Vogel and Tommy Flusche. New boys reporting this year are Louis Hellman, Robert Russell, Bud McElreath, Jimmy Don Robison, Glenn Fleitman, Randy Wimmer, Larry Sparkman, Tommy Hartman and Donny Fisher.

Sandra Cain is the only hold-over from last year's starters on the girls' team. Other former squad members, now-competing for a spot on the first team, are Cindy Cain, Dianne Horn, Rosemary Fisher, Donna Tuggle, Dolores Monday, Charlotte Wolf, Rita Trubebach, Barbara Wolf, Debbie Fette, Brenda Cason and Kathy Trubebach.

In addition there are eleven girls who are new to the squad this year. First action for the MHS teams will be at the Krum tournament next weekend. And it will be a tough beginning. In both divisions the opponent Northwest, a AA team.

Other early season games, prior to the conference schedule, are as follows.

Dec. 4, Sacred Heart at MHS Dec. 6-7-8, Callisburg tourney Dec. 11, Forestburg, here Dec. 18, Sacred Heart at SH Dec. 21, Forestburg, there Dec. 27-28-29, Sanger tourney

Young Farmers of Area 5 Organize

At a meeting in Denton Monday night representatives of Young Farmer chapters from several towns of North Texas got together to set up an Area 5 unit of their organization. The area coincides with Area 5 of the Future Farmers of America.

Among objectives of the area organization is a program to carry out awards on an area level, also to achieve greater cooperation and coordination in the work of local chapters.

Wylie Lewis of Muenster is vice president of the area organization. Other officers are from Azle, Mabank, Kaufman and McKinney.

SAFETY'S BIGGEST BARGAIN

For parents, school administrators and others who may have taken a dim view of driver education as a worthwhile high school course, we have some startling figures that should settle all doubts.

During the 1960-61 school year, more than one million male public high school students reached legal driving age. Of these, only 39 percent could take advantage of driver education courses meeting national standards. The lack of such training is costing the remaining 61 percent (or their parents) an extra \$7.7 million a year in automobile liability insurance premiums. Furthermore their failure to qualify for the usual ten percent premium discount given those young males who pass the recognized courses,

will cost each of the 61 percent from \$90 to \$151.85 in extra premiums by the time he is 25. The cost of standard, high school driver education ranges from \$40.10 to \$60 per pupil.

These are the highlights of a nationwide study just released by the Insurance Information Institute which points out that: "If the availability of driver education courses continues at the present inadequate level for that nine-year span (from 16 to 25), that group and the new thousands who reach legal driving age through 1970 will pay an extra \$369,495,637 in premiums—all for want of standard driver education facilities.

"But," continues the study—perhaps for the benefit of those who are urging that this "unnecessary frill" be dropped from the high school curriculum—"consider this: If no driver education courses were offered in any high school for the next nine years, it would add \$12,636,664 in the first year to the liability insurance premiums of young male drivers and the

"A penny saved is a penny earned."

English proverb
 The lesson of that nifty phrase (incorrectly attributed to Ben Franklin) is, of course, thrift. Now—how many times a year do we spend money we can't really afford—for things we don't really need?

We're all guilty—we're even encouraged to overspend. But the day of the payoff comes due sooner or later. Either we borrow more, or go bankrupt.

Think on the number of times the government nudges us to spend, and spend—and spend. (Sound familiar?) Think on how the government itself sets the example. Think how often they feed us the pap about spending a couple of more billion to end our aches and pains.

But never, never—not ever—does anyone say where the money's coming from.

You see, with the government it isn't earned money that's being saved—it's new money that hasn't had a chance to be either. The government never learns its lesson at home.

FOREIGN AID

Perhaps we would be doing the people of the world a greater and more enduring service if, along with each item of food, clothing, money, and equipment, we sent a simple, matter-of-fact statement of the reasons underlying our ability to make contributions which are so far out of proportion to our population and our natural resources.

And I rather like this idea from another standpoint. In the role of salesmen for America perhaps we might become more appreciative of our product, more steadfast in holding to the faith of our fathers, more alert in resisting the alluring promises of false utopias, which for over 6,000 years have kept the vast majority of people underfed, poorly clothed, embroiled in wars, and surrounded by famine, pestilence, and human degradation.

"IF I WEREN'T PRESIDENT . . ."

JFK, noting some optimistic economic charts, said to a prominent business: "If I were not

president, right now I would be buying stock." But the businessman retorted: "I share your attitude, Mr. President, and so do many of my business friends. If you weren't President, we, too, right now would be buying stocks." This story appeared in J. A. Livingston's Business Outlook column in (of all places) the liberal Washington Post (August 29). — Human Events

R PRICES

Staking your health against the possibility of pennies saved on "cut rate" prescriptions is far too risky a gamble to take. Prescription dispensing is so precisely governed by the doctor's orders that it is impossible to cut prices without cutting corners.

ONLY GOV. MONOPOLY DARES SUCH A PRICE INCREASE

There is one difference between independent businesses and a government operated business. That is that the government has a complete monopoly and the consumer can take it and like it, or lump it. There is no other place to turn to get our mail delivered. In fact the postal laws prohibit private business from inaugurating a postal service. . . .

Only four years ago the government made a 50 per cent boost in postcards and a 33 1/3 per cent boost in first class letters. Your letters will now cost two thirds more than they did four years ago and postals are twice as much or 100 per cent increase.

Name another business that has dared to boost its prices so extensively.

Even in the face of this record, there are still people who think a government can operate a business better than a private firm.

Private business has had to meet the very same cost increases the government has had to meet and is still operating at a profit, in most cases, with 10 to 20 per cent price increases and some without any at all.

The "must or fail" incentive of private business will always result in the most economical operation of a business and also provide lower prices while doing so.

Congress was established to run the country, not a business. The sooner Congress gets back to its intended purpose the better off the entire nation will be.

Tots and Parents At Party in Dallas

Four children and their parents from Muenster were among the crowd of several hundred gathered in Dallas Sunday at St. Cecilia's Parish for the annual Bishop's Party for children of the diocese.

Attending from here were Mr. and Mrs. Steve Moster and Frank, Mr. and Mrs. Alvin Fuhrman and Kent and Mr. and Mrs. Marty Klement and Karl and Karlynn.

Msgr. William Robison served as master of ceremonies in the absence of Bishop Gorman. Benediction in church and the children's blessing was followed by a party in the parish school with favors for the youngsters and hot dogs and soda pop as refreshments. Msgr. Charles Mulholland and Father James Boyle were among clergy present.

Attending from Gainesville were the Bill Grahams and sons Kyle and Kirk and the Doc Kaspereks and children Johnny and Doris.

TB TEST

In just a second, this young lady will know the tuberculin test she's getting at school is nothing to fear. It doesn't hurt, but it does tell whether TB germs are present. Tuberculin test programs are aided by Christmas Seal funds.

Local News BRIEFS

Muenster boys in school at Subiaco arrived Wednesday night for the Thanksgiving holidays, coming in the academy bus. They'll leave Sunday to be back in classes Monday.

The quartet of local young men working in the oil fields at Baker, Montana, are moving to Canada with their rig. The four, Frankie Hess, Donny Swirczynski, Jim Schumacher and Tim Hellman let their families know about the move this week. They also mentioned they had good luck in the Baker area on their deer hunts, downing the animals with 22 rifles, and have been enjoying venison.

Mr. and Mrs. J. A. Sanders had weekend guests their son and his wife, Mr. and Mrs. C. A. Sanders of Fort Worth.

Mrs. John Felderhoff is back at home after a week in Duncanville with her daughter and family, the John Wrights, mostly entertaining her granddaughters while their parents were on the host and hostess committee at the formal opening of the new First National Bank at Duncanville. Mr.

Wright is the bank's vice president. Others from Muenster at the open house party on Friday were Mr. and Mrs. Vincent Felderhoff and daughters Carol and Brenda and Mr. and Mrs. Henry Felderhoff. Mrs. Wright came for her mother and brought her back again. She returned Saturday.

Members of Sacred Heart choir and their wives and a few guests, for a total of about 40, went to Dallas Saturday evening to join the Dallas Frohsinn Choir in a get-together and dance. They made the trip by chartered bus.

Discussion Clubs Meet for Study

Confraternity Discussion Clubs held their November meetings Sunday night in the various homes of members, all groups studying the second chapter of the current textbook. Chapter 2 is entitled "God and His Perfections."

The group headed by Mr. and Mrs. Steve Moster met in the home of Mr. and Mrs. R. N. Fette. A social hour followed study and the hostess served coffee and cookies.

Mr. and Mrs. Arnold Rohmer's group met for their study in the home of Mr. and Mrs. Ollie Rohmer. Next meeting will be in the home of Mr. and Mrs. Ed Knauf. The hostess served coffee and dessert after the lesson and games of 42 followed to close the evening.

The group headed by Mr. and Mrs. Gary Hess had their meeting in the Frank Schilling home. Refreshments and visiting followed the discussion period. Next meeting will be in the home of Mr. and Mrs. Eugene Klement.

The group of which Mr. and Mrs. Eddie Schmitt are chairmen held their meeting Sunday night in the Frank Bayer home with Mrs. Bayer leading the study. Afterwards she served coffee and cookies. Next meeting will be in the George Bayer home.

Fourteen reported to the L. A. Bernauer home Monday night for their study session. This group always meets in the Bernauer home. After adjournment the hostess served pie and coffee.

Patricia Bayer and Kenneth Otto Are Married at Mass

—Boyd and Breeding Photo

Miss Patricia Ann Bayer pledged wedding vows with Kenneth F. Otto in a double ring ceremony at nuptial mass in Sacred Heart Church Saturday, November 17, with Father Alcuin Kubis officiating at the 5 p.m. service.

The bride is the daughter of Mr. and Mrs. Martin Bayer and the groom is the son of Mr. and Mrs. W. W. (Bill) Otto, all of Muenster.

Mr. Bayer escorted his daughter up the aisle and presented her in marriage. She wore a lovely Dulcet satin creation with a long fitted bodice featuring an applied yoke of studded Venice lace, scalloped neckline and long petal point sleeves. The wide skirt was designed with a front princess panel and deep folds of unpressed side pleats and extended into a chapel train. A back butterfly bow gave a modified bustle effect.

A crown of pearlized orange blossoms held her waist length veil and she carried a cascade of white roses.

Miss Suzanne Hesse of Fort Worth was maid of honor and Miss Pat Otto of Fort Worth, sister of the groom, was bridesmaid. They wore identical dresses of bamboo gold chiffon over taffeta with matching pillbox hats covered with veils and carried bronze mums in cascade arrangement.

Tommy Bayer, brother of the bride was best man and David Walter was groomsman. Leonard Bayer and Johnny Reiter, cousins of the couple, were ushers.

Mrs. Alfons Koesler Jr. was vocalist before mass and again after the service when the bride placed white gladioli on the

Blessed Virgin's altar. Anthony Luke was at the organ and the men's choir sang the mass.

After the church services, relatives and friends gathered at the Parish Hall for a reception and buffet dinner. Misses Cynthia Wimmer and Gayle Arendt, at the bride's book, registered about 300 guests. Mrs. Joe Lehnertz catered the meal.

After their wedding trip the newlyweds will be at home in Irving at 742 N. Nursery, Apt. 103. He is employed in Dallas since completing a four-year tour with the Navy last April. He served aboard the USS Piedmont with foreign duty in Japan. He was graduated from Sacred Heart High School and attended St. Mary's University in San Antonio.

Mrs. Otto is a graduate of Sacred Heart High School and of St. Joseph's Hospital School of Nursing in Fort Worth and has been nursing there.

When the couple left on their wedding trip to New Orleans she was wearing a beige wool suit with brown beaver collar and brown accessories.

Out Of Town Guests

Among out of town guests at the wedding were Sister Damian Bayer of Denison, Mr. and Mrs. Charlie Berend of Hereford, Mr. and Mrs. Howard Mollenkopf of Denton, Miss Elizabeth Ann Reed and Gerald Pels of Austin, Mr. and Mrs. John Barnes of Hood.

Also Messrs. and Mmes. Herbie Otto and daughters Pam and Rhonda, Travis Wickliffe, Doug Reiter, Miss Ann Luke and Jack Fidler, all of Dallas; Misses Pat McDermott, Billye Neu and Patsy Vogel and Mr. and Mrs. Gil Murello, all of Dallas.

Also Messrs. and Mmes. Gene Pezel, Harold Schmitz, Albert Klement and Andy Arendt of Lindsay; Messrs. and Mmes.

Richard Klement, Nick Dieter, Tony Reiter, Wallace Daugherty and son Mark, Artie Arendt and family, Clifford Otto and children Mike and Linda, Kenneth Hoebebeck, Al Bayer, Johnny Schmitz and Henry Luttmir and Ben Otto, all of Gainesville, and Mr. and Mrs. James Bayer of Valley View.

Friends in Fort Worth gave a pre-nuptial shower for Miss Bayer. Miss Suzanne Hesse was one of the hostesses.

Leon Fleitman and Elizabeth Reed to Marry Next June

Announcement has been made by Mr. and Mrs. John E. Reed of Houston of the engagement of their daughter, Miss Elizabeth Ann Reed, and Leon Fleitman, son of Mr. and Mrs. John Fleitman of Muenster.

The wedding is planned for next June at Holy Ghost Church in Houston.

The bride-elect is a senior student at the University of Texas majoring in secondary education and the future bridegroom is a graduate of Sacred Heart High School and is in the dairy farming business.

FHA Liberalizes Terms on Loans to Senior Citizens

Mr. L. J. Cappelman, State Director, Farmers Home Administration, advised the local County Supervisor, John D. Cunningham, that recent legislation amends Title V of the Housing Act of 1949 by adding new provisions which authorize loans and grants for moderate cost housing and related facilities for elderly persons and families in rural areas. It liberalizes some regulations on rural housing loans now being made by FHA and sets up new direct and insured loan programs.

This new legislation will be administered in Cooke and Montague Counties by USDA's Farmers Home Administration. Rural housing loans are made by this agency to farmers and other families living in rural areas who need improved housing and cannot qualify for credit from other sources.

One new provision will give those people, who are 62 years of age or over, special advantages not available under the earlier loan program. First, they can buy previously occupied existing housing as well as improve their homes. Second, they can finance the cost of the building site as well as the dwelling with the loan proceeds; other families must own the land on which to build the homes before they can apply for a loan. Third, cosigners may be used by elderly applicants who are deficient in repayment ability. Like rural housing loans now being made by Farmers Home Administration, these direct loans will bear interest at the rate of 4 percent and may be repaid over a period not exceeding 33 years.

For detailed information concerning rural housing loans for the senior citizen, Mr. Cunningham, local County Supervisor, Farmers Home Administration, may be contacted.

Celebration Marks Golden Wedding Of John Zippers

The golden wedding of Mr. and Mrs. John Zipper of Pilot Point was celebrated there Sunday with a religious and social observance. The couple's five children, all daughters, planned the day's program.

Anniversary mass in St. Thomas Church at 10 a.m. was followed by a reception and a coffee in the school for relatives and friends. At 2 p.m. family members were together for dinner.

Among those present were R. M. Zipper of Muenster, Mr. and Mrs. Ed Jesko and Mrs. Carrie Ohlig of Hereford, Mrs. Mary Nichols of Vernon and Mr. and Mrs. C. J. Berend of Hereford.

John Zipper and Miss Kate Ohlig were married Nov. 18, 1912, and have lived at Pilot Point all their married years. Attendants at the wedding 50 years ago were present for the celebration. They are Mr. and Mrs. Joe Zipper of Pilot Point. For the anniversary events the fifty-year bride wore a blue brocade dress made by her daughter, Mrs. Vera Boerner of Fort Worth.

SOIL CONSERVATION DISTRICT NEWS

The terracing season ended shortly after getting started in the Muenster-Saint Jo area of the Upper Elm-Red Soil Conservation District.

Many farmers were delayed on their terracing due to rain which continued up to grain planting time. During this period SCS personnel staked several miles of terraces which were never built. However, about 18 miles of terraces did get constructed. About 15 miles are the conventional type and the rest are parallel.

There were 12,110 feet of parallel terraces constructed. The Bindel Brothers built 2522 feet, Mike Schilling 7327 feet, and Charles Bayer 2261 feet. This type of terrace seems to be gaining in favor by the farmers. There are fewer point rows, longer rows and speeds up the farming operation.

In addition to these, 74,256 feet of conventional type terraces were built. Bindel Brothers have 1109 feet, Martin Bayer 5474 feet, Leo Rohmer Estate farm 1842 feet, Mike Schilling 10,964 feet, Ben Calhoun 12,858 feet, Tony Waterscheid 11,196 feet, Werner Becker 14,249 feet and Charles Bayer 16,564 feet. Charles Bayer has also constructed a 1080 foot diversion terrace to protect a cropland field. Most of these terraces outlet on grassed waterways established for this purpose.

New farm ponds have recently been completed by Eugene Hoberer, Louis Sicking and H. S. Fuhrmann.

For information on any conservation practices, contact the local SCS technicians at their office in Muenster.

4-H Projects Pay Off For Four

Two Texas teen-agers have been awarded all-expense paid trips to the 41st National 4-H Club Congress in Chicago as rewards for being the state's top 4-H'ers in their 1962 club projects.

They are Janet Paclik, 17, of Gainesville, entomology project winner, and Sereita Giaketti, 15, of Montague, top electric project winner.

The Cooperative Extension Service also picked Eugene Roberts Jr., 19, of Paris, as the state boy leadership winner, and Eugene Schilder, 17, of Arlington, as winner of the state beautification of home grounds award.

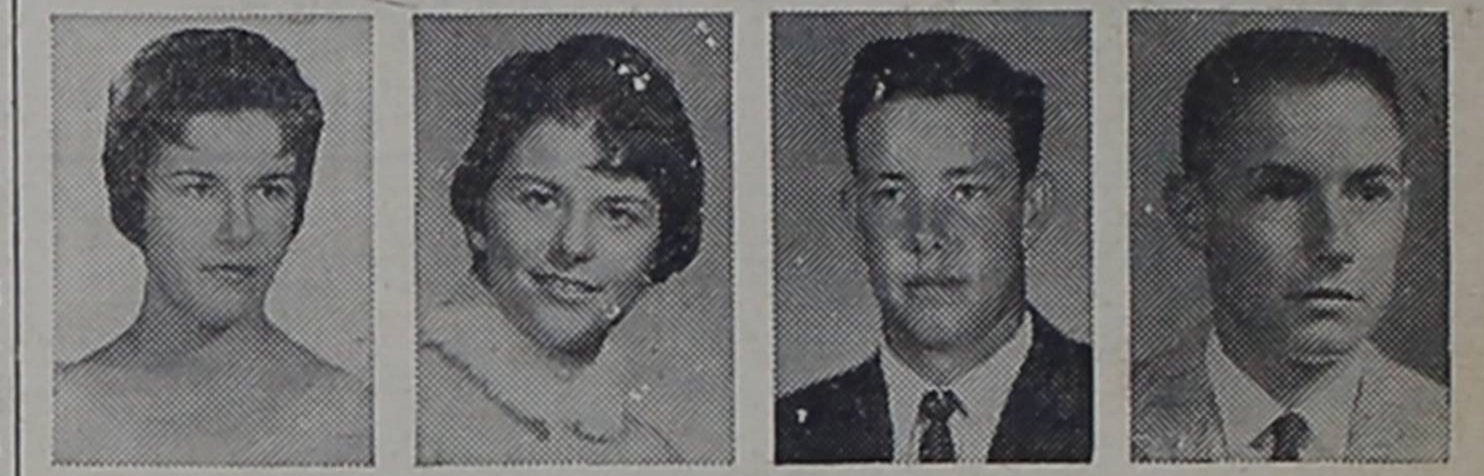

Roberts will receive a special

filled the objectives of the entomology project when she learned the life history of insects and how to control them through use of insecticides.

"I live on a farm and there are many insects to control," she said. She also collected more than 100 different varieties of insects.

Miss Giaketti, daughter of Mr. and Mrs. J. L. Giaketti, said: "When my mother has trouble with her small electrical appliances, I can usually tell what is wrong with them and repair them."

The project is designed to teach 4-H'ers more about electricity and to properly use and care for electrical equipment.

Miss Paclik Miss Giaketti Roberts Schilder

citation from the Sears-Roebuck Foundation, Chicago, and Schilder will be awarded a 19-jewel wrist watch by Mrs. Charles R. Walgreen of Chicago.

Miss Paclik will be the Chicago guest of the Hercules Powder Company, Wilmington, Del., and Miss Giaketti's trip will be sponsored by the Westinghouse Educational Foundation, Pittsburgh.

The two trip winners will compete for \$400 scholarships that their sponsors will award to national winners during the congress in the Conrad Hilton Hotel on Chicago's lakefront.

Miss Paclik, daughter of Mr. and Mrs. Rudolph Paclik, ful-

Roberts, sophomore at Paris Senior College, has held more than a dozen leadership posts and is a former president of the Lamar County 4-H Council and state 4-H District 5.

The leadership project is designed to provide opportunities for club members to acquire knowledge, skills and desirable attitudes needed by leaders and members of democratic groups.

Schilder fulfilled the objectives of his project when he transformed what he said was "a poor, weedy unkept yard" into a spot of beauty through planting of flowers and trees and putting in sidewalks around flower beds.

BIG 4-H DELEGATION COMES FROM 50 STATES AND ABROAD FOR WEEK OF MEMORABLE EVENTS

An estimated 1,500 of the nation's best 4-H youths travel to Chicago right after Thanksgiving to participate in the 41st National 4-H Club Congress. They are joined by 500 4-H Club leaders, educators, business officials and guests from abroad.

The congress convenes on Sunday, November 25, in the Grand Ballroom of the Conrad Hilton Hotel, headquarters for the week-long event. But delegates begin to arrive as early as Friday. They travel by bus, plane, train, and come from all 50 states, Puerto Rico and a dozen foreign countries.

Keynote at the Sunday afternoon session is a former 4-H Club member, and one who this year is honored nationally as a 4-H alumnus. He is the Honorable Buford E. Ellington, governor of Tennessee.

"Citizenship in Action" is the 1962 congress theme. The principle speaker on the theme is Dr. Glenn Olds, president of Springfield College (Massachusetts).

Also talking on the subject is

dred American business enterprises which have consistently supported the 4-H Club program.

Business Helps

Among them are: Allied Chemical Corp., Allis-Chalmers Mfg. Co., American Forest Products Ind., Inc., American Oil Foundation, California Chemical Co., Carnation Company, Coats & Clark Inc., Conrad Hilton Hotel, Elgin National Watch Co., Firestone Tire & Rubber Co., General Motors, Heisdorf & Nelson Farms, Inc., Hercules Powder Company, Homelite and Humble Oil & Refining Co.

Also Eli Lilly and Co., Massey-Ferguson Inc., Olin Mathieson Chemical Corp., Oliver Corp., Pure Oil Co., Simplicity Pattern Co., Singer Sewing Machine Co., Standard Brands Inc., Standard Oil Foundation, Inc., Standard Oil Co. (Ohio), Standard Oil Co. (Ky.), Sunbeam Corp., Whirlpool Corp., Cities Service Oil Co., the Milwaukee Road, and the Chicago Board of Trade.

In addition to the above firms, there are more than 20 other private business enterprises working with the Cooperative Extension Service and the National 4-H Service Committee to provide county, state and national awards, and make the annual 4-H congress a reality.

Mrs. Lawson Hosts Meeting of Club

Mrs. Leo Lawson entertained members of the Tuesday Nites Club in her home for the November social and the group welcomed a new member, Mrs. Norbert Koesler.

Games of Tripoley furnished entertainment with prizes going to Mrs. Lawson for high score, and to Mrs. Leonard Owen for low tally. Mrs. Charles Davidson won the door prize. Mrs. James Mollenkopf was a guest.

The hostess served a dessert plate and coffee to those present, and members planned their annual Christmas social. It will be a dinner party with their husbands as guests.

Parochial School And Three Pupils Win Contest Cash

Sacred Heart School and three students have won prizes in the Educational ABCs of American Industry Contest for 1961-62.

The school received a ten dollar prize for submitting entries and Doris Lutkenhaus won six dollars on an essay and Monica Becker and Susan Yosten each received one dollar on handwriting.

The school, as a whole, did not enter the contest the past year, but full participation is being planned for the next contest. Prizes are based on size of school, number of students enrolled and number of students participating in the competition.

Wheat Acreages Up to 15 Exempt From 1963 Quotas

An amendment to the recently enacted Agricultural Act of 1962 in effect makes the provisions of the 1963 wheat quota program relating to wheat acres of 15 or less the same as the provisions farmers voted on in the quota referendum last August.

This means that marketing quotas for 1963-crop wheat will not apply to farmers who plant 15 acres or less of wheat for harvest in 1963. The amendment applies only to the 1963 crop. It does not change quota provisions relating to farms with more than 15 acres of wheat in 1963.

Under a marketing quota program, farmers who do not comply with their wheat acreage allotments are subject to marketing quota penalties on their "excess" wheat. The new provision, however, like that in effect at the time of the referendum last August, permits a farmer to plant up to 15 acres of wheat for harvest in 1963 without marketing quota penalties being applied.

This new provision relates only to wheat marketing quotas for 1963, and differs from the acreage provision for participation in the 1963 voluntary wheat-diversion (stabilization) program. Specific details about the wheat stabilization program are available at the Cooke County ASCS office where the program sign-up for winter-wheat farms is now under way.

We look down on plumbers and others who do "dirty work" and look up to philosophers, regardless. A society which prefers lousy philosophers to good plumbers produces a people whose theories and pipes neither hold water.

We "wear many hats" at TP&L

In 52 counties of North, Central and East Texas, the bright yellow "hard hats" of Texas Power & Light Company linemen are a familiar sight and a symbol of the service which TP&L provides to more than a million people.

Among the many other "hats" worn by TP&L people are those of industrial, agricultural and community development specialists. As a business vitally concerned with these facets of the economy and general welfare of the area it serves, TP&L maintains continuous and intensive cooperation with other businesses, Chambers of Commerce, farming and ranching associations and other groups.

Out of these activities grow carefully planned and executed programs designed to bring new industries into the area, to establish more productive, more profitable methods of crop and livestock production and to encourage communities toward maximum self-development of their growth potential.

Al Bengfort is probably the only Cooke County farmer harvesting a crop of soybeans this year. He combined the crop last week and plans to sell the beans in Sherman. Soybeans are a new crop to the county. They require a lot of late summer moisture. This year was that type year and the Bengfort crop made about 30 bushels an acre. No allotments are needed in this area but Bengfort planted only 10 acres. He used a drill.

Two-year-old Susan Schmidkofer is thrilled with the prospect of riding her tricycle again. She is free of a leg brace that was on since Sept. 4 to straighten bones in her right knee. In Dallas last Wednesday when her daddy and mother took her to a specialist for a checkup, she was permitted to discard the brace for corrective shoes. She's the daughter of Mr. and Mrs. Leroy Schmidkofer.

Mrs. H. S. Fuhrmann continues making rosaries for the missions as a hobby. She has made over 400 including gifts for relatives and friends. To help purchase supplies she is making rosaries on order for gifts. Anyone wanting one of these rosaries to give as a gift is invited to leave the order now to be assured of having it by Christmas.

Long distance telephone greetings came to Mr. and Mrs. Paul Arendt Sr., on their 49th wedding anniversary Sunday when their daughter and family, the Albert Bauers Jr., called from La Feria. Mr. and Mrs. Albert Herr and daughters Paula and Marlene of Muenster were visiting her parents and joined in the conversation.

Members of the Craft Club leaders group had a called meeting Monday with all present at the home of Mrs. Al Bengfort to discuss entering a float in the Christmas Parade at Gainesville. Leaders decided to enter a float and will meet again next Monday to further their plans and also decide when to meet to decorate the float. Monday's planning session will be held in the home of Mrs. Ray Laux.

Lindsay School, Ten Students Win Awards in Contest

Lindsay School is one of the top winners and ten students are individual winners in a contest they entered during October and November last year. Results of the 1961-62 contest sponsored by Educational ABCs of American Industry have just been released.

Out of 516 winning schools only eight received the top awards of fifty dollars cash, and Lindsay was one of the eight.

Individual winners are Sharon Loerwald, \$6 essay; Margie Hundt, \$6 junior project prize. Eight \$1 junior project award winners are as follows: Ruth Moser, Kenneth Krebs, Randy Lutz, Joan Fuhrmann, Shiela Arendt, Barbara Laux, Jane Stoffels and Arnold Zimmerer. Awards are based on size of school, number of students and number of entries.

New Books Added To School Library

Lindsay School Library has added a number of new titles to the book shelves. The volumes were donated by school parents and patrons at a recent Parent-Teacher Club meeting where a book display was featured.

Book titles and donors are The Pink Motel by Mrs. Pete Stoffels, He Sailed With Blackbeard by Nick Block, Gullivers Travels by Mrs. Rufus Bezner, Match Point by Henry Voth Jr., Picnic Pony by Roy Lee Fuhrmann, Lizzie by Mr. and Mrs. Frank Sandmann, The Wonderlad of Plants by Mr. and Mrs. Norbert Rohmer.

Desert Dwellers by James Bezner, Space Travel by William Bezner, Wildcat, the Seminoles by Mr. and Mrs. Joe Bezner Jr., DeSoto by Mrs. Joe Bengfort, Chica by Mr. and Mrs. Matt Fuhrmann, The Vanilla Village by Mrs. Jake Bezner, Champions of Sports and Spirit by Mrs. Raymond Laux.

County MF Dealer Receives Awards

An award for being Massey Ferguson's state leader in hay baler sales was presented to J. T. Biffle III last week while he and Mrs. Biffle attended a regional convention of Massey Ferguson dealers in New Orleans. Biffle was also listed as one of the state's top ten dealers in over all sales volume.

Another award to the Gainesville Massey Ferguson dealership is a paid vacation to Acapulco, Mexico. It will be used soon by Mr. and Mrs. Melvin Otto.

Farewell Reunion Fetes Hennigans

Former Muensterites Mr. and Mrs. Henry Hennigan got away to start back to Albuquerque, N. M., Monday — a week later than originally planned. And they were honorees at a family reunion and farewell dinner Sunday in the home of their son Pat Hennigan and family. The five o'clock dinner was preceded by a tour of the Hennigans' new home which most of the guests were seeing for the first time.

Joining the honorees and the hosts and their family were Mr. and Mrs. Ed Hennigan of Whitesboro, Mr. and Mrs. Tom Hennigan of Wilson, Okla., Mr. and Mrs. Terrell Johnson and children Benny and Valerie of Dallas, Mr. and Mrs. Elwyn Hope of Fort Worth, Mr. and Mrs. Alex Lutkenhaus of Saint Jo, Mrs. Frank Popp of Lindsay and Mr. and Mrs. Fred Hennigan, Mr. and Mrs. John Mosman, Carol and Tommy Mosman and Mrs. Ben Seyler.

Another highlight of the gathering was the group's meet-two-month-old Valerie Johnson for the first time. It was her first trip from Dallas.

Water Testing Heads HD Program

Muenster Home Demonstration Club members enjoyed an interesting meeting for November with two demonstrations on the program. Thirteen members were present in the home of Mrs. Henry Pick.

Mrs. Paul Fisher, president, gave a demonstration on "Laundry Aids" and tested samples of water members brought from their homes. The test revealed hard and soft water. Mrs. Tony Wimmer tested the softest and Mrs. Al Fleitman's the hardest. Appropriate soaps and detergents were recommended.

The other demonstration was by Mrs. Bernard Wolf. It was on "Use of Eggs" and Mrs. Pick assisted by preparing a carrot ring. Mrs. Wolf made meringue shells and filled them with ice cream. They made enough for members present and served both foods as refreshments. They also handed out recipes.

Pete Prescher Champ DHIA Herd

Pete Prescher had the champion producers among DHIA herds in the Cooke County Association for September, according to the summary for that month released this week. The Prescher cows claimed the top spot on the list by producing an average of 1330 pounds of milk and chalked up the high butter fat average with 51. Other high herds for the month include those of C. A. Fisher, Felderhoff & Sicking, Paul Fisher, Jerry Hoening and Paul Fetsch.

Carl Kemplin had the second high herd and the champion individual butterfat producer, reaching 103 pounds. Jerry Hoening claims the champion milk producer for the month with an average of 2230 pounds. Highest test honors went to the H. C. & Leroy Hay herd at 5.

Fourteen herds in the association were tested; 527 cows were in milk and 106 were dry. Average pounds of milk per cow was 920 pounds, average BF stood at 34; and 113 cows produced 50 or more pounds of butterfat.

Paul Fetsch is president of the association, Jerry Hoening is vice president, Henry Frasher is secretary-treasurer, Pete Prescher and Carl Kemplin are on the board of directors and Adam Wolf and James Robert Truitt are supervisors.

Mr. and Mrs. Norb Mages and Mr. and Mrs. Ancil Crowsley of Gainesville attended the Texas-TCU game in Fort Worth Saturday afternoon.

Disabled Workers Urged to Apply For SS Benefits

"Disabled workers who have not applied for social security disability insurance benefits may lose up to \$254 a month if they delay getting in touch with their social security office," Gus Jones, social security district manager, said today.

"Unless a worker files an application, no benefits can be paid, and delay in making application more than 18 months after becoming ill or injured costs the disabled worker a month's benefits for each month over 18 that he fails to apply. This is because an application for disability insurance benefits can be retroactive no more than twelve months," Jones said. If the disabled man or woman cannot come in to a social security office, a letter or phone call should be made right away.

"There are several basic requirements to be met to establish eligibility for a worker who is ill or injured." "He must be insured. That means he must have a total of five years of work under social security during the ten year period ending in or after the calendar quarter he became disabled."

"His illness or injury must be so severe that, in the words of the law, he is 'unable to engage in any substantial gainful activity.'" This doesn't mean just the worker's old job, but any substantial job for pay.

The impairment must be a physical or mental condition that shows up in medical examinations and tests and must be one that is expected to continue indefinitely. In other words, a short term illness or injury is not considered "disabling" for purposes of the social security law.

Benefits are based on the worker's average earnings up to \$4800 per year under social security. The maximum disability insurance benefit payable to an individual is \$127. The maximum family disability insurance benefits is \$254 a month.

Applications may be filed at the Sherman District Office, or with Noel Wall, Field Representative, in the Basement of the Gainesville Post Office each Tuesday and Thursday morning from 9:30 a.m. until noon.

CONGRATULATING COL. HOMER GARRISON, JR.—On winning the coveted Paul Gray Hoffman award for distinguished professional service in highway safety are Governor Price Daniel, left, and D. C. Greer, State Highway Engineer, right, who nominated Col. Garrison for the award. The Governor commended Garrison, director of the Texas Department of Public Safety, for "his crowning achievement in a lifetime career of outstanding police administration and public service." Col. Garrison is the sixth U.S. traffic safety official to receive the award from the Automotive Safety Foundation.

Forestburg Junior Class Gives Play

A three-act comedy entitled "The Spyglass" will be presented by the Junior Class of Forestburg High School Friday night, Nov. 23, at 7:30 in the Forestburg school. It's a hillbilly romance and admission prices are 50 cents for adults, 35 cents for high school students, 25 cents for grade school students.
