VOLUME XXVII

MUENSTER, COOKE COUNTY, TEXAS

AUGUST 23, 1963

NUMBER 40

Imagine the absurdity of going farther into debt year after year in order to hand out more and more money to moochers, some of whom don't need it in the first place, some of whom ought to be using their own credit instead of yours, some of whom aren't even your friends and abuse you while using your money to help your enemies, some of whom just take your money and live high on it.

As an individual you would not allow such a thing to go on. You'd say that anyone who permits it needs to have his head examined. That's why you can't understand why our government goes on and on dishing out our money by the billions into that bottomless rat hole known as foreign aid.

That same old subject is again under discussion in Washington. Wheels of the administration insist that continued handouts are essential to prevent the spread of communism. After all these years of disappointing experience they still believe it is possible for us to buy the friendship of other countries.

Nevertheless we find encouragement in the fact that the program is getting harder to sell. For instance, people are drawing conclusions right now from Khrushchev's chummy visit with Tito, who has received a good share of our money and used lots of it to help our enemies. Doubtless the two are talking now on how to apply our next handout for their mutual benefit.

Furthermore, the Yugoslav method is not the exception but the rule. A Reader's Digest article entitled "Let's Stop Sending US Dollars to Aid Our Enemies" tells the shabby story of how we are being double crossed by dozens of countries that accept our money and use it in deals that help the Soviets. As pointed out by Rep. Otto Passman of Louisiana, chairman of the House Appropriations Committee: "What we do has so eased the pressure on Russia to feed its dependant states that it is able now to use its own wheat to spearhead its infiltration of Latin America."

A similar situation concerns our help to the Poles. Our gifts enabled them to send \$13 million worth of aid to Castro's Cuba and \$15 million worth to North Vietnam. The latter is said to include arms for shooting American soldiers in South Vietnam. That's how our help is being manipulated against us. We are made to finance the killing of our own soldiers.

It doesn't take a genius to figure out how such shenanigans are accomplished. The gimme nations hand us a sob story about the segment of their economy which is in trouble. We the suckers send them help, relieving that strain and allowing them to apply more effort to programs which undermine us. We take care of their peaceful needs so that they can work harder on their war needs.

One basic fact which should be universally understood is that there is no such thing as giving peaceful help to an enemy. Even such humanitarian acts as giving food and clothing can be and are used against us. People relieved of producing those items can be and are diverted to the production of war materials.

We should have only one answer to the pleas from such countries. Tell them to shift for themselves by taking people from war production and put them on making the things that are really needed.

To a lesser extent this same principle applies also to our friends. Nations on our side of the big struggle after tapping us for handouts frequently do business with the enemy. Even such questionable business as hauling munitions and supplies to the Soviet base in Cuba. That may be just business to them, but reason should tell them that it hurts us and helps our enemies. One who accepts our generosity should have the decency not to treat us that way. We have a right to expect that any country receiving our help must have no dealings whatever with the enemy.

By comparison with the nation's present policy this recommendation is a drastic one. Nevertheless it's a reasonable one in relation to Passman's statement that "too much of our foreign aid has deteriorated into a subsidy of communist takeover." Why should we give, directly or indirectly, to

## Lots of Veterans Return to Tiger Football Squad

Twenty-six youngsters have answered the call of Coaches Adam and Walter Wolf for football practice at Sacred Heart High and are working hard to improve on their 8-2 record of last year.

And, unless they run into stronger competition they may be able to do just that. They are starting with practically the same lineup as last year, with the benefit of a year's growth and experience.

For the first four days of this week the Tigers are on a twice a day practice schedule, at sunup and at night, and are due to start daily afternoon workouts when the regular class schedule begins on Friday. After that they will have two weeks to get set for their season opener with Fort Worth Christian here on September 6.

Seventeen lettermen head the list of Tiger squad men. They are Francis Fuhrmann, Virgil Hess, John Paul Endres, Dale Hess, James Eckart, Quintan Hess, Frank Schilling, Dennis Hess, Donny Rohmer, Dale Bayer, Tommy Fuhrmann, David Bayer, Clinton Endres, Ray Wimmer, David Hess, Robert Klement and Wayne Reiter.

Others in uniform are Willie Wimmer, Sammy Endres, Dwayne Pagel, Dale Hofbauer, Dan Wilde, Larry Hess, Leon Endres, Ted Endres and Melvin Koelzer.

The Tiger schedule:

## Swim Pool Will Close Labor Day

Labor Day will be the last day for swimming at the Muenster municipal pool. Members of the city council Monday night set that day for the closing and also agreed to postpone opening time each day until school is out for the rest of the season.

That means the pool will be open about 4 this week Friday, also Tuesday through Friday of next week. The regular schedule of closing on Monday applies next Monday.

Opening time Saturday and Sunday this weekend and next and also on Labor Day will be 2 o'clock, as during the rest of the season.

Proudly announcing a son, their first child, are Mr. and Mrs. Doug Reiter of Dallas. The little lad weighed seven and a half pounds at birth 4:30 p.m. Friday, Aug. 16. He's a grandchild for Joe Mages of Muenster and the Tony Reiter of Gainesville.

Mr. and Mrs. Julius Metzler of Lindsay are parents of a daughter born Monday, Aug. 19, 7:55 a.m. at Gainesville Hospital. She weighed four pounds 11 ounces. The couple's other children are two boys and a girl. The grandparents are Messrs. and Mmes. John J. Hess and Phillip Metzler of Lindsay.

## Revised Schedule Reduces Electric Rate in Muenster

Fred Lynn, manager of Texas Power & Light Company filed with the Muenster City Council Monday night, revised rate schedules which will reduce electric rates in Muenster on an average of 2 1/2 percent.

TP&L also asked the Council for a new 50-year franchise in Muenster. The current franchise expires in 1977. The proposed franchise includes a provision whereby TP&L would immediately begin paying the City additional taxes based upon the amount of revenues it receives from its industrial, governmental and municipal customers here. Mr. Lynn estimated that on the basis of present TP&L revenues the additional taxes to be paid would amount to more than \$28,000 during the term of the proposed franchise, and will likely, as the sale of this type of service increases, result in a substantially higher tax payment.

Concerning the rate reduction, the manager reported that the revised rate schedules will be effective with all bills rendered during the company's September billing period.

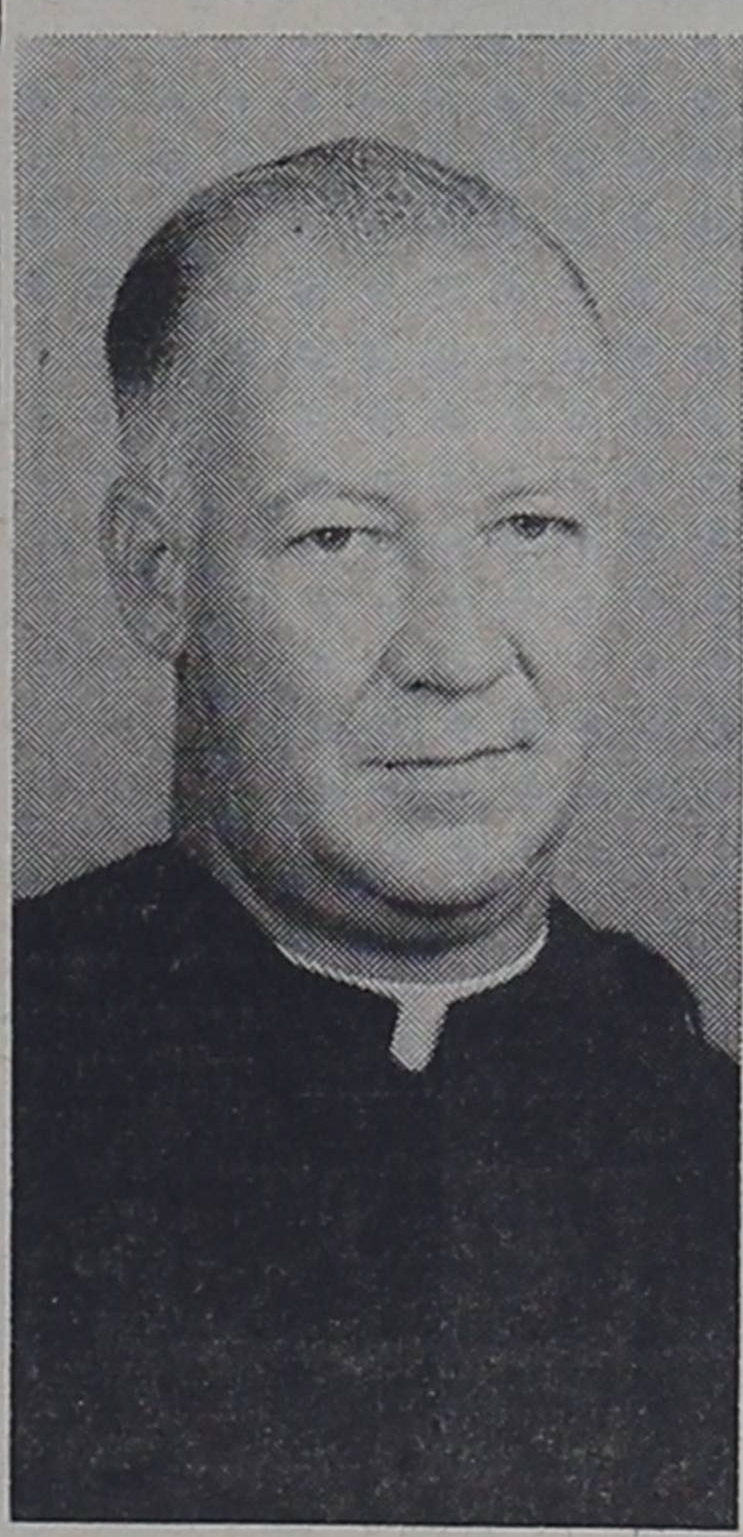

The rate reduction is made possible, he stated, because of general improvements in operating efficiency, an increase in the average use of service and by a favorable long-range outlook for fuel at relatively stabilized costs.

"Few businesses," stated Mr. Lynn, "have found it possible during the last decade to hold the line on prices. Rarer still have there been businesses which not only have held the line but have reduced prices or rates. While the rate reduction is small, Company-wide it will amount to approximately \$2 million a year," he pointed out.

## Two Events at Lindsay Observe Silver Jubilee of Father Sylvester

Relatives and friends of Father Sylvester Schad of Corpus Christi joined him at Lindsay on August 15 to observe his silver jubilee of ordination to the priesthood.

The principal event of the celebration was an anniversary mass at 10 a.m. in St. Peter's Church. Assisting Father Sylvester who was celebrant were Father Sebastian

of Subiaco as deacon; Father Jude of Corpus Christi, sub-deacon; Father Ignatius of Windthorst, arch priest; and Father John, Lindsay pastor, as master of ceremonies. Acolytes were nephews, Eddie and Donnie Schad and John Henry Streng.

The anniversary sermon was delivered by Abbot Alfred Hoenig of Corpus Christi, a classmate of Father Sylvester at the Benedictine Abbey in Subiaco, Ark. They were ordained together on May 26, 1938.

Members of the clergy present in the sanctuary were Father Alcuin and Father Bruno of Muenster, Father Cletus of Windthorst, Father Conrad of Clarksville, Ark., and Father Adrian of Corpus Christi. Also present was the jubilarian's brother, Brother John of Subiaco.

## Progress Report On Dress Factory Given at Meeting

Members of the Muenster Industrial Foundation at their meeting last week Monday heard a gratifying report on the progress of the business they brought to Muenster.

Mrs. Ola Roberg, manager of the dress factory, said that the business has grown steadily and more expansion is anticipated in the near future.

During the year ending July 1963 the factory had a payroll of \$139,000, and shipped 99,394 dresses. The year before the factory had a payroll of \$111,595 and shipped 76,092 dresses. Present employment at the plant is 63.

The Muenster Industrial Foundation was organized for the purpose of helping Sam Raden locate the dress factory in Muenster. The foundation loaned \$25,000 to the factory and has been receiving payment at the rate of \$250 a month.

Membership at the meeting also had its annual election of directors. Al and Vincent Felderhoff and Steve Moser were re-elected to continue on the board and Alvin Fuhrmann and Ray Wilde were elected to succeed C. O. Taylor and Andy Hofbauer, who died during the past year.

After that election directors met to elect their officers. All were re-elected, as follows: Jerome Pagel, president, Steve Moser, vice president, Urban Endres, secretary, Earl Fisher, treasurer.

Other directors are Pearl Evans, Ray Wilde, Alvin Fuhrmann, Al Felderhoff, Vincent Felderhoff.

## Lunch Room Personnel Unchanged at SH School

Sacred Heart School Lunch Room this year will be operated by the same personnel as last year, it was announced this week.

In charge are Mrs. Johnny Streng, Mrs. Herb Cunningham and Mrs. Andy Trubenchbach. The first meal will be served Friday.

## Electric Co-op Sends Final Check On Original Loan

A significant milestone in the history of Cooke County Electric Co-op was reached in a meeting of its directors Wednesday night. In the presence of other board members Jack Crownover countersigned a check for final payment on the organization's first note to the Rural Electrification Administration.

The note, signed by Barney Voth and Henry Fette as president and secretary of the original board of directors, was made 25 years ago for a loan of \$170,000. Payments on it have been submitted quarterly since then.

The final check was for \$1627.09 of principal and \$9.02 of interest.

Several more notes are scheduled for final payments in the next few years. During the co-op's construction frequent loans were received from REA as the funds were needed.

## Several Hundred Attend Open House For Visiting Nuns

Several hundred people — nobody could take a count in the crowd — gathered at Muenster KC Hall Sunday afternoon between 2 and 5 o'clock to greet 14 young nuns, all local girls, back at home for a short vacation — some of them back for the first time in seven years.

Parents of the nuns were hosts for the open house and served punch and cookies. Visitors came from Muenster, Lindsay, Gainesville, Valley View and more distant places.

The honorees were Sisters Lucille and Carmella Bayer, Irene and Cynthia Fisher, Olivia and Estelle Marie Yosten, Virginia Hellman, Yvonne Lerner, Kathleen Schmitt, Jacinta Reiter, Clara Sicking, Del Rey Fetsch, Silvaria Zimmermer, and Gemma Vogel.

Also honored and joyously greeted old friends were Sister Bertha and Sister Mildred. Sister Bertha left Monday with Sister Kathleen for Rhineland to be stationed there during the school term. The latter's parents took them and helped them get settled.

Sister Mildred Felderhoff is here to stay in connection with administrative duties of Muenster Memorial Hospital.

Hosting the open house so their daughters could see relatives and friends — and so that visitors would have an opportunity to see the sisters — were Messrs. and Mmes. George Bayer, Paul Fisher, Felix Yosten, Charley Hellman, Ted Gremminger, Ed Schmitt, Albohse Reiter, Leo Sicking, Paul Fetsch, Raymond Zimmermer, and Lawrence Vogel.

The visiting nuns were also honored at family gatherings and parents took them sight-seeing in and around Muenster.

Alan Miller, 9, son of Mr. and Mrs. W. J. Miller, sustained a serious injury in a home football game Wednesday evening. The injury was described as a compound fracture, dislocated left elbow. He was given emergency treatment at Gainesville Hospital and was then taken to Baylor Hospital in Dallas to have the arm set.

## Assignments Given To Teachers of Parochial School

Faculty assignments at Sacred Heart High School were announced as follows Wednesday by Principal Adam Wolf.

Father Alcuin Kubis, superintendent; Father Bruno Fuhrmann, assistant superintendent and religion; Adam Wolf, principal, coach, shop and physical education; Sister Theresina, Latin and science; Sister Roberta, English and art; Sister Amora, math and bookkeeping; Sister Julia, geometry; Brother Thomas, English, shorthand, journalism and national problems; Walter Wolf, English, algebra, assistant coach and physical education; Joe Felderhoff, commercial, general science, history.

Grade school assignments will be divided among 12 teachers, actual divisions depending upon the number of children reporting to each grade. The twelve are Sisters Genevieve, Henrietta, Pauline, Frances, Anna, Alberta, Theophane, Aloysia, Canisia, Julia, Richard and Rose.

Other members of the local convent staff for the year are Sister Mildred, hospital administrator; Sister Leonarda, music teacher; Sisters Helen and Bernadette housekeepers.

## Group Insurance Offered Students

Group insurance will be available again to the students of Muenster public school, Superintendent L. B. Bruns announced this week.

One plan, costing \$6 for the school year, compensates for injury during school sponsored activity. Another plan, costing \$15, gives the student 24 hour protection. A separate policy paid by the school is provided for athletes.

## Pratt to Run for Sheriff's Office

Bill Pratt, city policeman and former deputy sheriff, will be a candidate for Cooke County sheriff in next year's election. He disclosed that intention Wednesday when asked about his reaction to state-didate for the office. Whisnand and Deputy Jim Wolf.

Wolf said he will be a candidate for the office. Whisnand said he is out of the race and will support Wolf.

Pratt said he decided months ago to seek the office but did not intend to announce early. But since the other announcement has been made he wants the public to know that he too will be a candidate.

## Student Seminar On Citizenship Sponsored by FB

W. Cleon Skousen, author of the best-selling book, "The Naked Communist", will be one of the featured speakers at a Citizenship Seminar for high school students which will be held Aug. 20-24 on the campus of Sam Houston State Teachers College, Huntsville, sponsored by the Texas Farm Bureau.

The famed anti-communist author will be one of several outstanding lecturers and educators who will participate in the event, which will be attended by more than 225 high school juniors and seniors from all over the state, according to C. H. DeVaney of Waco, president of the Texas Farm Bureau. Other speakers will include Dr. George S. Benson, president of Harding College at Searcy, Ark.; Dr. Clifton L. Ganus, Jr., director of Harding College's School of American Studies; John Noble of Wheaton, Ill., a former prisoner in Russian slave labor camps; and Dr. Harry Love of Virginia Polytechnic Institute, a noted teacher and lecturer on economics.

The seminar will provide intensive studies in citizenship, our American heritage, the proper role of government, and the threat of communism, according to DeVaney. He said the curriculum is designed "to complement the formal education of these young folks and to make it more meaningful for them."

Attending from Cooke County are Shirley Luttmear of Valley View and Sue Dillard of Sivils Bend.

Talk about the land of opportunity! Do you realize that every child born in America today has \$432 owed it by other countries?

## JCs Start Plans For Muenster Day At Dallas Fair

Sunday, October 6, has been officially designated as Muenster Day at the State Fair this year, and Muenster Jaycees have started a special project to get all possible community benefit from the event.

Joe Galloway, president of the JCs, reported at Tuesday's meeting that Oct. 6 has been designated as German Day and Muenster was invited as one of two German communities to participate on the occasion. The other community is West.

Galloway explained that in connection with German Day Muenster will have a 12x40 space in an exhibits building for whatever display the community wishes to present. It will also have an official delegation consisting of Miss Muenster, Mayor and Mrs. Earl Fisher, and 5 other couples to participate in a luncheon and parade.

The town's exhibit and the selection and presentation of Miss Muenster will be the big concern of Jaycees until Oct. 6. At their meeting one committee was named to work out details pertaining to Miss Muenster and another was named to decide on the kind of exhibit and to supervise assembling and arranging the items of the exhibit.

## 28 Boys Report For First Day of Hornet Practice

The biggest squad of players to report to the Hornet football camp in several years, came out Monday as Coach James Polk started practice for the 1963 season.

It was the biggest in number but not in size. There are 28 of the boys but their average weight is less than 140 pounds. This year, even more so than in most recent seasons the Hornets are a cinch to be outweighed by every opponent on their list.

That problem applies especially to the line. Practically all of last year's husky boys have graduated, and this year's replacements will be lightweights. The backfield situation is somewhat better. Three were regulars last year.

Heading the crew of Hornets are 14 of last year's lettermen: Weldon Vogel, Larry Gobble, Tom Flusche, Glenn Fleitman, Eddie Hellman, Jimmy Robinson, Roy Hartman, Tommy Swirczynski, Virgil Swirczynski, Roy Wimmer, Bob Russell, Louis Hellman, Dale Klement and Dickie Embrey.

The others are John Walterscheid, Donny Fisher, Randy Wimmer, Chris Cain, Terry Cason, Doug Otto, Wayne Klement, Glenn Klement, Terry Wimmer, Ray Rumley, Ken Stormer, Joe Hartman, Wayne Sicking, Melvin Sicking.

## At Smithville for Brother's Funeral

Mrs. Rosalie Hoffman had to leave her vacationing guests to go to a funeral in Smithville.

Her son and his wife, the T. J. Hoffmans of Lubbock, came Thursday for visit. The same day the family received word of the death of Mrs. Hoffman's brother, Albert Ebner of Houston, and she left Friday to attend the funeral in Smithville.

The T. J. Hoffmans were houseguests of his sister and family, the Earle Ottos, also visited at Lake Texoma, and had dinner with other family members at the Otto home Sunday. Also present were Mr. and Mrs. Billy Mayer and daughters Stacie and Lee Ann of Pilot Point. It was baby Lee Ann's first visit in Muenster.

## L. J. Knoff, Brother Of Sister Ann Dies

Leonard J. Knoff of Kansas City, Mo., brother of Sister Ann, teacher in Sacred Heart School, died Monday evening after a lengthy illness. Funeral services were held in Kansas City Thursday.

Other relatives, by marriage, include uncles J. B. and Hubert Wilde and aunts Mrs. Joe Kathman and Mrs. Herb Daniel. Leonard Knoff's widow is the former Anna Bergman, daughter of the late Mr. and Mrs. Will Bergman of Muenster.

## WOLVES AND BIG SPENDERS

The Eskimos have a very effective way of dealing with wolf packs. They embed razor-sharp knives clasp down in the ice and rub the blades with a little seal blood. The wolves, attracted by the blood, lick the knives cutting their tongues. They are greedily delighted by the seemingly inexhaustible supply of nourishing blood they can lick off the

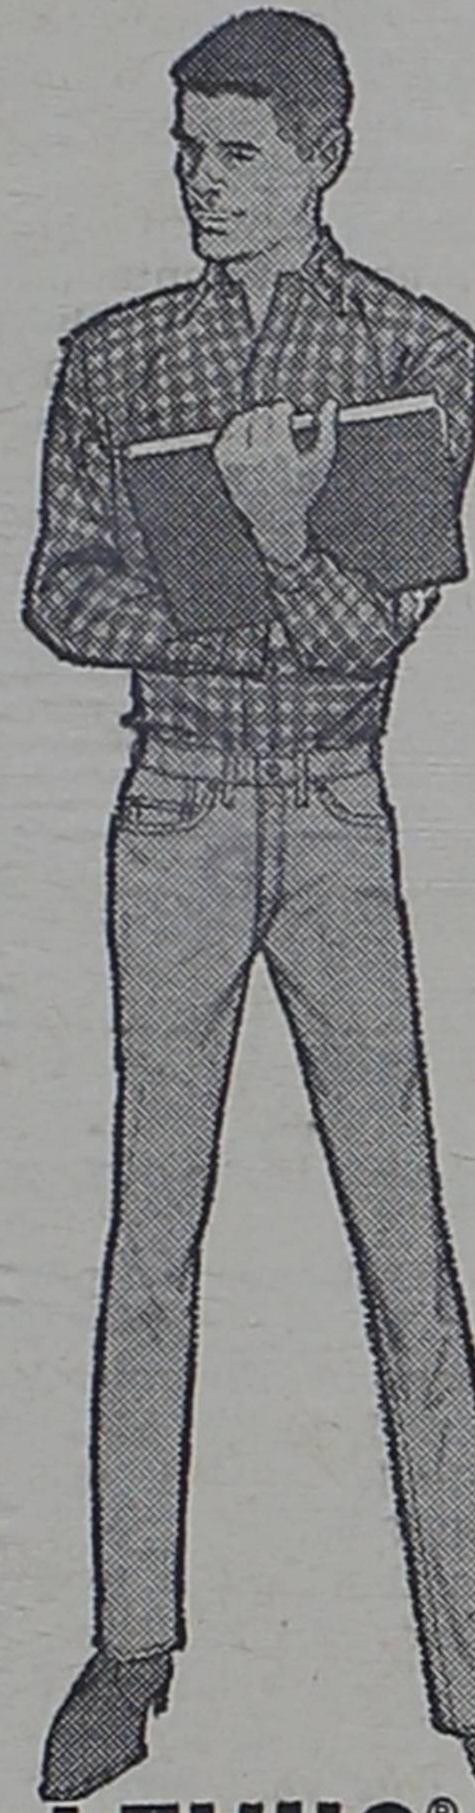

knives. They stand there licking until they drop in their tracks from the loss of their own blood, and freeze to death in the snow.

In a less grisly way big and unprincipled federal spenders are forcing American taxpayers into monied-bloodletting traps.

A harsh indictment? Not at all when you look into the facts. The only money the national government has is what it takes from the people in taxes. Therefore, no matter how enticing the bureaucrat-disbusers make their programs look by smearing them with "something-for-nothing" bait, every nickel of the expenditures must be extracted from the taxpayers.

Unless there is prompt action to put a check rein on the wild spenders, taxpayers are in danger of being drained of every drop of their fiscal blood.

## LABOR DAY 1963

We are on the threshold of another Labor Day. And a vast change has taken place in this institution and the cause it stands for in the decades that have passed since its first observance. Labor has grown strong—stronger, very likely, than its leaders of another and simpler age could have imagined.

Nowhere else in the world has labor earned and gained so many material benefits, as it has in the United States. The "blue collar" man has caught up with his "white collar" counterpart in earnings and living standards and in many instances passed him by. Labor can take well justified pride in this achievement.

But the high status of labor, and labor's power, involve another element. That element is responsibility. Labor can no longer be content with just pursuing its differences with management. It has another and larger duty. That is to help provide the quality of industrial statesmanship that is so urgently needed if this country is to maintain its position in an increasingly competitive world.

Next September 2, deserved honors will be paid to labor. May it go on and earn, through wise accomplishment, still higher honors.

## RIGHTS AND RESPONSIBILITIES

We have heard much lately in daily newspapers, magazines, on radio and television about discrimination and job opportunities. From extremists on all sides we hear things like... We will fight... We will demonstrate... We will march... We will organize... We will sit in... We will lie down... We want!!!

"WORK," "SACRIFICE," "RESPONSIBILITY." I do not hear... "I will work to better my position"... "I will sacrifice my nights going to trade school, college or becoming an apprentice to better my job"... I do not hear... "I will undertake the responsibilities to better my position and insure my rights." To be sure, every right and benefit is accompanied by one or more responsibilities.

Surely the leaders of these movements, being educated men, Lawyers, Doctors, Ministers, etc. must have worked and sacrificed to attain their position. They have apparently also accepted the responsibility of their position.

I wonder why this is not included in their demands?—Woodhaven, N. Y., Leader.

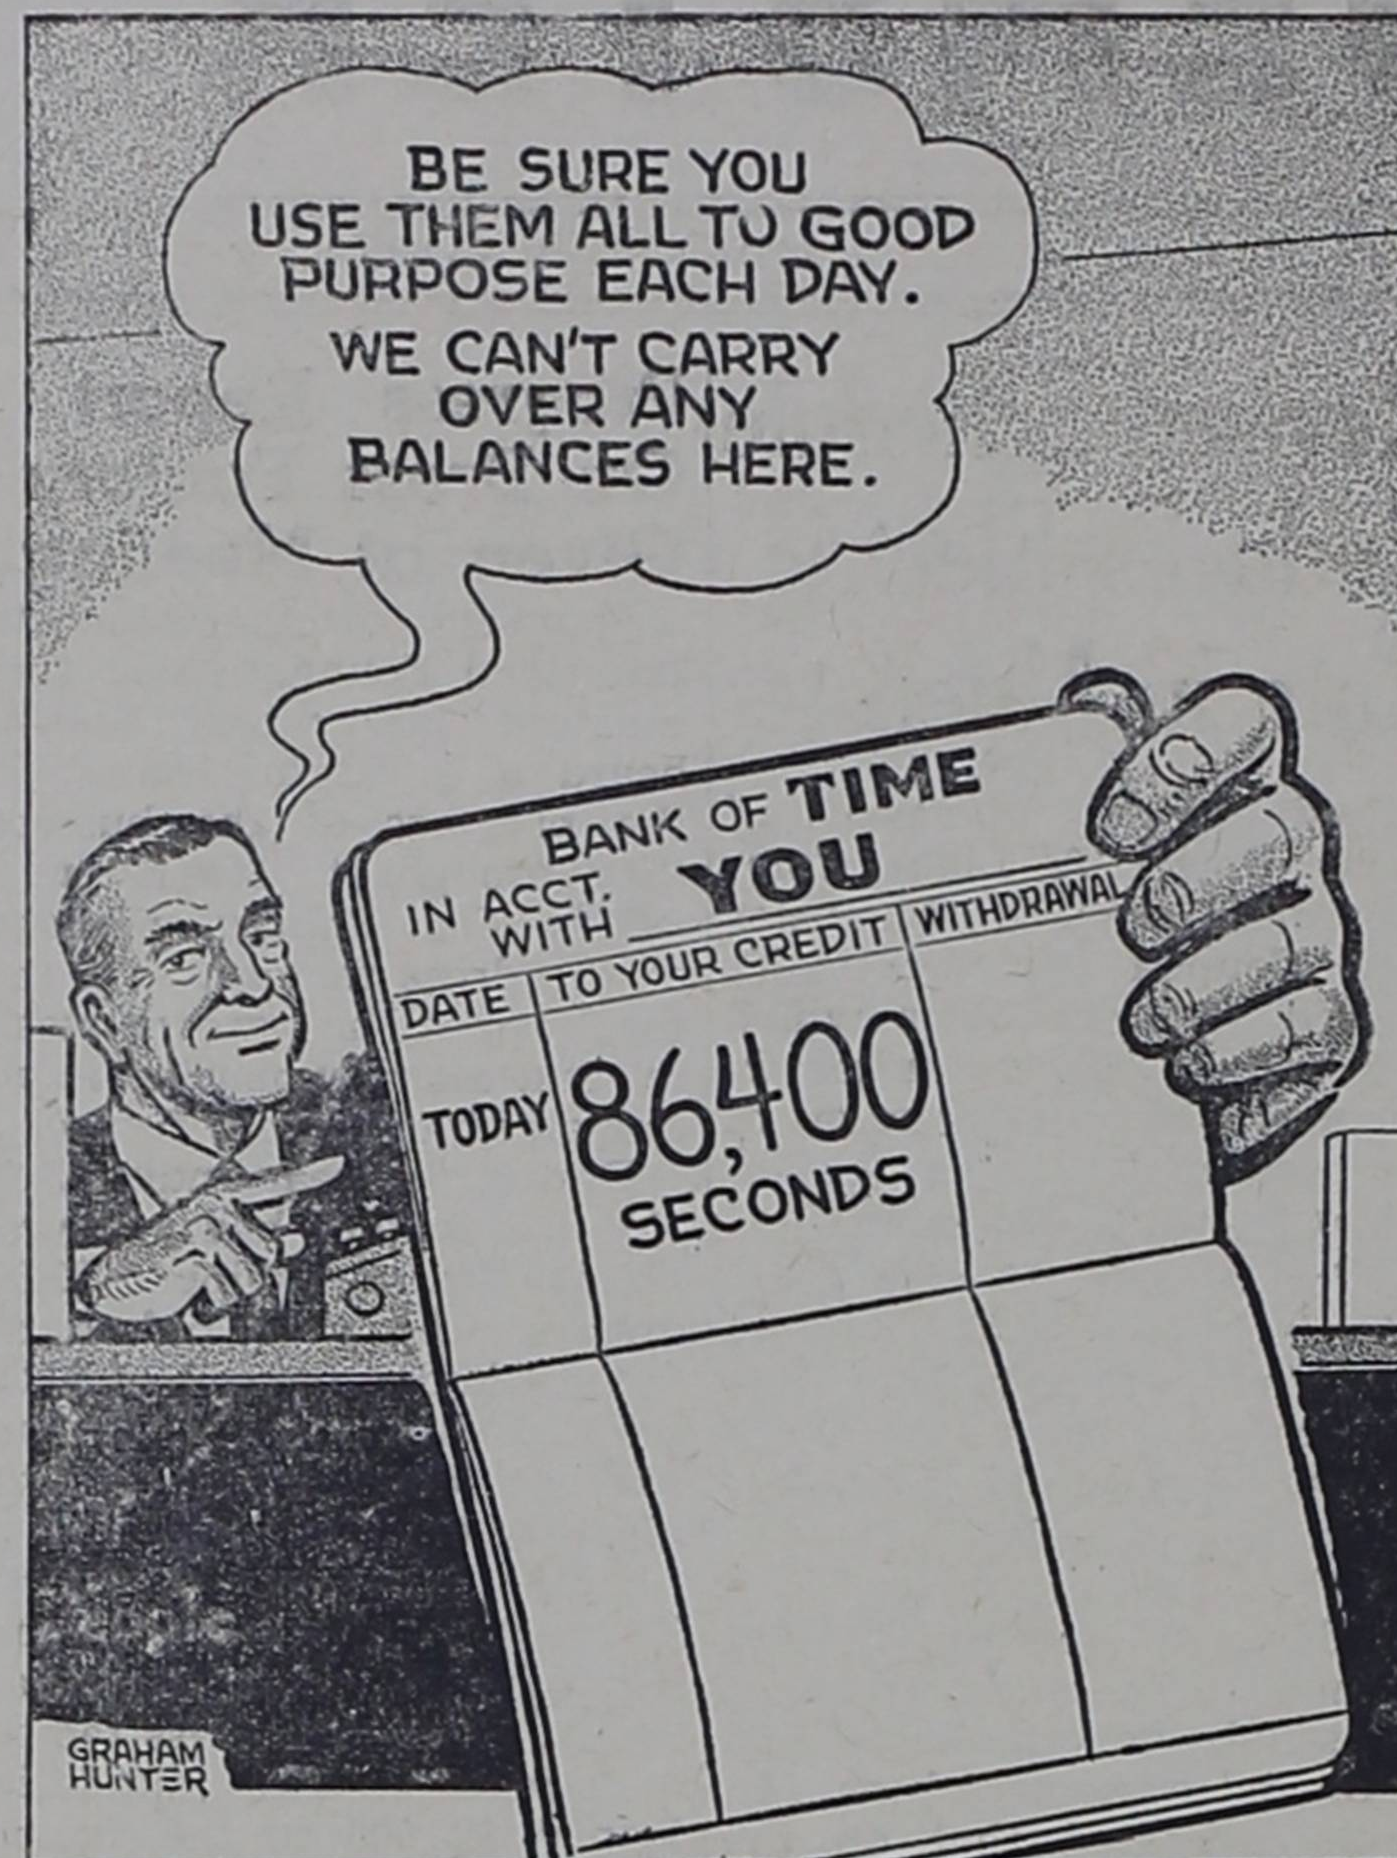

## NEAT LITTLE TRICK

A short time ago, reports the AP, the Cuban government raised the price of gasoline from 34 cents to 60 cents a gallon (not far from a 100 percent jump) "in the interest of the national economy." The dispatch continues: "Premier Fidel Castro had suggested the increase as a means of forcing a greater contribution from the people to Cuba's progress."

This is one of those neat little tricks that are only possible in a totalitarian economy, where the government either owns everything or runs everything, and competition is nonexistent. You might keep this in mind next time you hear private enterprise raked over the coals, and government ownership of industry lauded as a public blessing.

The reason Congressmen are so anxious to get re-elected is that they know they couldn't make a living in private business under the laws they passed in Congress.

## TIMELY ADVICE

In the firm belief that all of us should—occasionally, at least—pause and take stock of the way in which we use our time we direct your attention to the following editorial which appeared in the Weirton Steel Employees Bulletin:

## A PRECIOUS COMMODITY

What would we do if we had a bank that credited \$86,400 to our account each morning; carried over no balance from day to day; allowed us to keep no cash in our account and every evening cancelled whatever amount we failed to use during the day?

What would we do? Well, most of us would draw out every cent!

We have such a bank, you know. We call it "Time." Every morning it credits us with 86,400 seconds, and every night it writes off whatever of this we have failed to invest to good purpose. It carries over no balances.

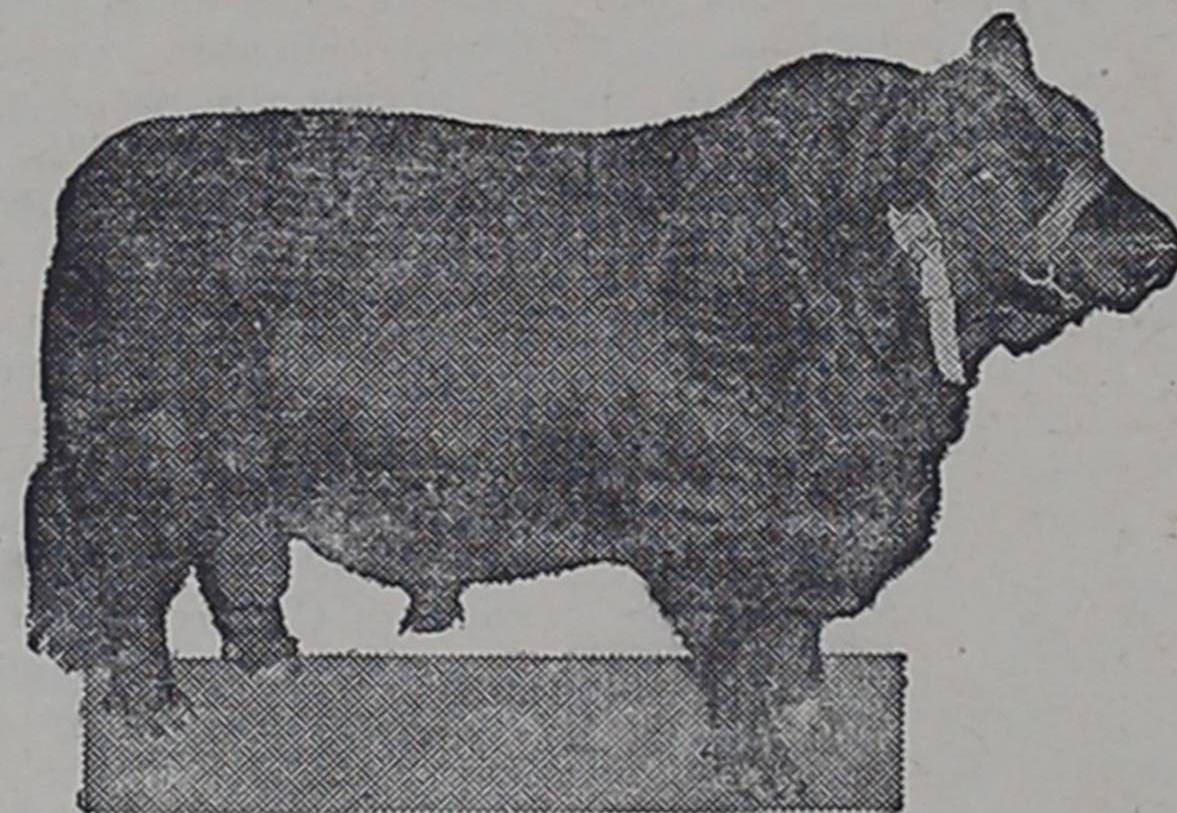

Each day it opens a new account with us. If we fail to use the day's deposits, the loss is ours. There is no going back. There is no drawing against the "tomorrow."

## Interest on U. S. Debt Is \$213 Per Family

Spending by the federal government for interest on the public debt will reach \$10 billion in the 1964 fiscal year, or \$213 for each American family. The \$10 billion figure for interest payments is up by \$300 million over the amount paid in fiscal 1963—\$9.78 billion. And it is just about double the total paid for interest 17 years ago. In fiscal 1947 the interest figure was \$5 billion.

## World's Most Expensive Office Building

The new office building of the House of Representatives, which has been called "squat and unappealing," has the distinction of being the most expensive office building in the world. The official estimate of its cost in 1959 was \$64 million; the latest figure is \$131.5 million. By way of contrast, New York City's newest skyscraper, 38 stories high, cost only \$41 million, land and all.

One thing certain about parent-hood is that the way you treat your children will turn out five years from now to have been completely wrong. Two dogs were watching a twist dance. After a while one looked at the other and said, "When I act like that they give me worm pills."

#### Former Residents Get Mentioned in The Daily News

Former Muenster residents were mentioned in daily newspapers recently.

In the Fort Worth Star Telegram's column "Socially 25 Years Ago" appeared the following: Miss Lillian Fette, popular American Airlines stewardess who lived in the Dorothy Lane Apartments when she worked three years on the Fort Worth-Memphis run, is carving herself a sideline in the movies. Transferred to the Los Angeles-El Paso route, she is technicolor adviser for the women's scenes in "Men With Wings," starring Ray Milland. She is a native of Muenster and a former student of Texas Tech.

The former airline stewardess is the wife of Tom Gallery. They and their two daughters live in Scaresdale, N. Y.

In "Picked Up Passing By," Jack Joyce's column in the Daily Gainesville Register, the Lehnertz Brothers of Spokane, Wash., and their barbecue business got a lot of free publicity.

The Joyce family stopped there enroute home from Seattle and got a real Texas welcome. They saw Don and Dave. The other two Lehnertz boys, Gene and Claude, were catering a big rodeo in Lewiston, Idaho.

They are really making a name for themselves with their fine food and service, the col-

umn comments. The Longhorn is decorated in western motif. There's a seating capacity for 120 patrons in the dining room, and 200 more can be seated in the special banquet room. "At the regular Thursday night smorgasbord last week, 17 people had to eat from their laps," Dave said.

The Lehnertz Brothers recently added a second large stainless steel van-type trailer to handle their booming catering business. Just recently they catered an eight-day trail ride through Idaho. They've fed as many as 6000 persons at one time from their catering service.

A theatre-type marquee at the front of their place proclaims: "Home of the short Texans." Gene and Dave went to Spokane eight years ago after operating a similar place in Houston. Don joined them after graduation from NTSU, and Claude, youngest of the four, is employed by his brothers.

Celebration Marks 25th Anniversary Of Bill Flusches

Mr. and Mrs. Bill Flusche celebrated their silver wedding anniversary with a buffet supper and lawn party at their home Sunday with four generations of the family present. About 50 relatives were guests.

The gathering also provided an opportunity for the honorees' son William Flusche to see the relationship before he left for Fort Polk, Tuesday, for six months of training for the National Guard. He and wife came from Commerce where they have been living and she returned to complete a college course.

The silverweds have three other children, Mrs. Albert Zimmerer of Lindsay and Jimmy and Mary Katherine at home. They also have five grandchildren: Albert Jr., Darrell, Debbie, Gary and John Joseph Zimmerer.

The bride of 25 years ago is the former Miss Elvira Eberhart of Muenster and her parents, the Ed Eberharts, now of Gainesville were among party guests. Since their marriage in Muenster on Aug. 17, 1938, Mr. and Mrs. Flusche have lived on the same farm at Lindsay. They changed homes once, moving into a new home on the same site about a year ago.

Gieb Family Has Annual Reunion

Annual reunion of the Gieb family — children and grandchildren of the late Mr. and Mrs. Henry Gieb of Lindsay — brought together nine of the ten sisters and brothers and their families. This year's gathering was in Lindsay Parish Hall with a covered dish supper.

After meal entertainment was highlighted by the showing of home movies, by Gene Gieb and Ray Hermes, of previous reunions.

Present were the Robert Giebs, the Ed Heitzmans, the Paul Neus and the Lee Wolfs and their children of Gainesville; the Walter Nortmans, Ray Hermes, the Bernard Giebs and family, the Harold Nortmans and children, all of Lindsay; the C. B. Fallons and son of Sherman, the Ben Tubbs and children of Oklahoma City, the Julius Giebs and family of Victoria, and the Joe Trubenbachs and the Gene Giebs and their families of Muenster. Only ones missing were the H. B. Seals family of Dallas.

Martin Families Have Reunions as Farewell Parties

The Frank Martin clan who hadn't had a complete family reunion in 20 years until they got together on August 11, had two more reunions before out of state relatives left for home.

After the Sunday get-together at Lindsay, they gathered at the Ed Martin home in Dallas on Wednesday and had a final reunion in Muenster with the Lawrence Martins as hosts on Saturday.

Mr. and Mrs. Lawrence Martin and Doug, Ernie and Estelle, accompanied by Frank and Herman Martin of Lindsay, joined in the farewell party at the Ed Martin home where family group pictures were made before the Roy Martins and daughter returned to Los Angeles. In addition to the entire family, others present were Mrs. J. W. Roe of Callisburg, mother of Mrs. Richard Martin who is visiting in their home in Fort Worth and Joe Wagner and his son Don and wife of Dallas.

The Saturday farewell party in Muenster honored the Marvin Hilliards and three children who left Sunday to return to their home in Detroit. Others present were Frank and Herman Martin of Lindsay, Mr. and Mrs. Ed Martin and daughter Joyce, Mrs. Frieda Gardner and Miss Irene Martin, all of Dallas.

Schad Family Has Several Reunions

A number of family gatherings honored Father Sylvester Schad and his family during the time they were together before and after his silver jubilee celebration at Lindsay. Among courtesies extended the visitors was a reunion at the Johnny Streng home with 50 relatives together. Mrs. Joe Lehnertz catered the supper. At the Frank Schilling home 24 were guests for supper with Mrs. Schilling and Mrs. Henry Streng as hostesses. There was a family gathering at the Ed Schad home and a final party Friday night with Mr. and Mrs. Joe Hoenig as hosts in their home.

John Schmitz Is Birthday Honoree

A dinner party Sunday honored John Schmitz of Thackerville, Okla., in observance of his birthday. It was his seventy-seventh.

See 7 States and Mexico on Trip

Sight-seeing through seven states and into Old Mexico was on the vacation itinerary for Mr. and Mrs. Albert Herr and daughters Paula and Marlene. They returned Sunday night from an eight-day trip.

Arkansas, Missouri, Illinois, Kentucky, Tennessee, Mississippi and Louisiana all furnished interesting sights and the girls especially liked Mammoth Caverns in Kentucky. But they admit having the most fun in Texas when they visited over the weekend in the Rio Grande Valley with Mrs. Herr's sister and family, the Albert Bauers at LaFeria. Together they went to Padre Island for swimming and beach combing — gathered up a collection of shells and driftwood. In Reynosa they visited museums, along with other sight-seeing.

Visit San Antonio On Weekend Trip

Weekending in San Antonio were Mr. and Mrs. Leo Henseid and daughter Carol, who enjoyed visiting Mrs. Henseid's sister and two brothers and crowded in a lot of sight-seeing.

They spent most of Saturday with Sister Berenice at Our Lady of the Lake Convent, made a tour of the place and grounds, and she joined them in the evening for supper at the home of the Thomas Trachtas and daughters Roxanna and Jane. M. Sgt. and Mrs. Harold Trachta also were guests, making a small family reunion. Sgt. Trachta showed the visitors over Randolph AFB where he is stationed. He has served in the Air Force 20 years and reenlisted for three more years before retirement.

Sister Berenice is on the staff at Our Lady of the Lake College as head of the Theology Department. The Henseids missed seeing the Thomas Trachtas' son Dick and his wife who were away on vacation.

Flusche Reunion Honors Two Nuns

Honoring Sister Del Rey Fetsch and her cousin, Sister Silvaria Zimmerer, on a visit from Jonesboro, Ark., the Flusche family had a reunion Sunday in the Parish Hall with a covered dish supper. About 100 relatives attended.

Those present came from Dallas, Irving, Valley View, Lindsay and Muenster.

At the Paul Fetsch home, visitors have been coming and going ever since Sister Del Rey arrived. Among those visiting from a distance were Sister's grandmother, M. S. Ferd Fetsch of Rhineland, coming with a daughter Mrs. Clarence Albus and six sons of Pep. They also visited the Gus Lutkenhaus and Joe Hess families before returning home. Another group of out of town visitors one day included Mr. and Mrs. J. R. Causbie and five daughters of Weatherford.

The Charm Shop participated in the fall style show held at Red River Country Club in Gainesville last week, presenting five models, four of them from Muenster, in the review showing the newest fashions.

Charm Shop was especially pleased to be chosen for the grand finale — the traditional bride. Miss Sandra Cain wore a formal Charm Shop wedding gown of white peau de soie enhanced at the neckline with lace embroidered with pearls.

Mrs. Ola Roberg modeled a red coat with a grey fox collar and a feather and velvet hat.

Mrs. Kenneth Selby appeared in a green Kimberly knit and feather hat, first. Later she showed a suede

skirt with a wool knit overblouse.

Mrs. Willie Walterscheid modeled a knit suit and velvet trimmed feather hat in her first appearance. Later she modeled a casual outfit of pants and sweater.

Also modeling for the Charm Shop was Mrs. Tommy Thompson of Gainesville. She wore an oatmeal color, rough weave coat with blue fox collar over a red soufflé dress, and a feather hat.

Among winners of door prizes furnished by participating merchants were Mrs. L. B. Bruns of Muenster and Mrs. Rufus Bezner of Lindsay.

Other stores furnishing displays for the two-hour show were Chick's Department Store, the Band Box, the Vogue Shop, Levine's and Mademoiselle's of Gainesville, Duda's Duds of Nocona and Judd's Ready-to-wear of Whitesboro.

Week of Camping Is Vacation Fun For Two Families

Camping equipment went along with the Bruno Fleitmans and Norbert Felderhoffs on their vacation trip this year and they "just loved" camping out and roughing it all the way through New Mexico, Colorado, Kansas and Oklahoma.

With Mr. and Mrs. Fleitman were their children John Dave, Blondie, Janie and Jerry. Daughter Sarah was in summer school at Denton. With the Norbert Felderhoffs were their daughters Lynn and Lisa. They traveled in two cars.

Campouts were at Tucumcari, N. M., at Antonito, Colo., for fishing in the Rio Grande, and at Gunnison, Colo., for fishing in Taylor River. Scenic tours included the Royal Gorge and the Canon City area in Colorado and Boot Hill at Dodge City, Kansas.

The Fleitman family returned to Muenster last Wednesday; the Felderhoffs remained for a longer visit before returning to Gainesville.

**SOIL CONSERVATION DISTRICT NEWS**

**OUR SOIL ★ OUR STRENGTH**

At the farm of Mrs. C. O. Talar a recent completion is a 1900 cubic yard pond — a part of the conservation plan on her farm south of Muenster.

A pipe was installed through the fill so that water for livestock flows by gravity to a tank below. The pond was located and the fencing planned so that water from the pond will serve three pastures.

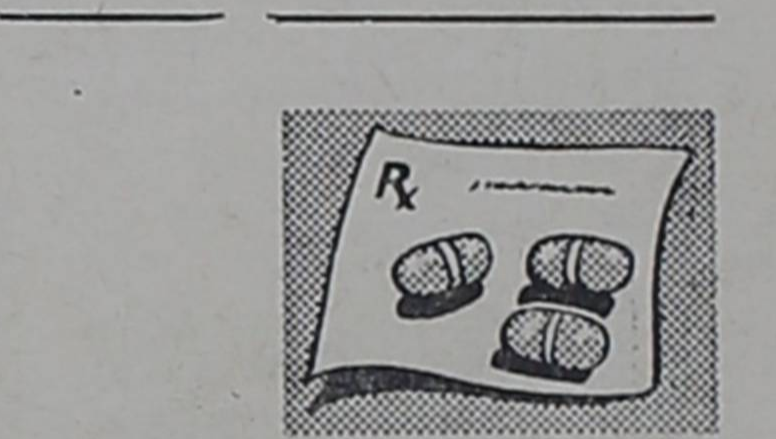

The Taylors have been co-operators with the Upper Elm-Red Soil Conservation District since 1957. During that time many changes have taken place and the farm has taken on the conservation look.

Four grassed waterways totaling 11 acres have been planted to serve as terrace outlets. 17,600 feet of channel type terraces have been built to outlet onto the waterways. In addition, another 22 acres of land has been planted to Bermuda grass.

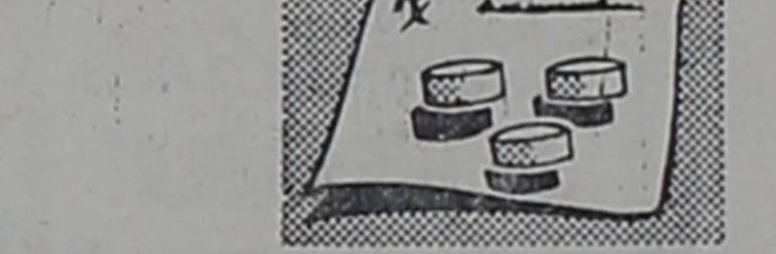

Then there was the hypochondriac whose tombstone read: "See, I told you I was sick."

Mr. and Mrs. Vincent Zim-merer attended the state REA convention in Houston last week and on the way home visited at Moulton with his sister, Sister Dorothy Therese.

Visiting with Mr. and Mrs. Martin Friske have been their granddaughters, Iris and Joy Cathy of Norwalk, Calif. The girls made the trip with relatives from California and re-turned home with them Wed-nesday after a ten day vaca-tion.

Misses Patsy Hermes and Nellie Ann Hess represented the Lindsay CYC organization at the state convention of the Catholic State League in San Antonio. They were away Fri-day to Monday going and re-turning in a school bus from Muenster with delegates from there and from Windthorst.

Mr. and Mrs. Gene Pelzel and Michelle enjoyed a day of visiting Sunday. They went to Pilot Point for dinner with his parents and family, the John Pelzels, who joined them afterwards for a visit with a friend, Al Heiman, a patient at Flow Hospital in Denton. After that they attended the open house honoring Mr. and Mrs. Frank Heitzman on their golden wedding day.

**K. W. Homer, Dies In Auto Accident**

K. W. Homer, 53, son of Mrs. Killian Homer of Lindsay and brother of Sister Geraldine, former teacher at Sacred Heart School, was fatally injured last Friday near Childress in an automobile accident.

The Homer family, formerly of Rhineland, and Paris, Ark., moved to San Mateo, Calif., some years ago and he was enroute to Rhineland to get his family after their visit there with relatives. He apparently fell asleep at the wheel and ran off an embankment.

Requiem mass was cele-brated in St. Joseph's Church at Rhineland Monday, Father Herman Laux officiating. The body was then taken to Paris for funeral services and burial Tuesday.

Surviving in addition to his widow and mother are four sons, three daughters, three brothers and three sisters.

**Rev. Vincent Orth Writes Thanks for Jubilee Favors**

Greetings to all who graced my golden jubilee celebration by their presence Sunday, July 7. After the reception (ca. 10:00 p.m.) I was given a goodly stack of gift packages and letters. My gratitude was great, but there arose a prob-lem. I had been given a tem-porary assignment to a chap-laincy in Arkansas and I had to be there the following even-ing. I managed to check over superficially the gift envelopes before retiring for some rest.

Next morning we left bet-imes for my destination and for Subiaco. We arrived at my destination in the evening. I left the car and my confre-res drove on to Subiaco, taking along my gift letters and packages. My intention was to write to all the donors person-ally after I would get back to Subiaco and have more leisure. But when I got back in August I found that my intention would be hard and impractical to carry out. Some of the names were strange to me; and how was I to obtain all the missing addresses? So what should I do? Well, the Muen-ster Enterprise looked like a good, practical solution. Through its columns I could reach more of my friends more easily than in any other way.

So here I wish to express my heartfelt thanks and sincer-est appreciation to all who have in any way aided this celebration: To St. Peter's Parish, their hard-working gen-erous pastor, Rev. John Walbe, O.S.B., their St. Cecilia Choir and the other organiza-tions; likewise to the relatives and friends who have gener-ously donated gifts, spiritual and material — the former being specially prized. And since mere human words are a poor means of expressing real gratitude, I am asking God in constant prayer to reward all my benefactors according to His divine generosity. I have offered up three holy Masses for them; and I will continue to remember them in my personal prayers as well as in the "Mementos" of my holy Masses. I can tell you one thing, dear kinsfolks and friends, the funds you have so generously contributed on the occasion will surely serve as a help to Subiaco Abbey in maintaining its Af-rican Mission Project. Thus with your gift you are ful-filling an especially dear wish

of Our Lord, Who urged His Apostles, "Pray therefore the Lord of the Harvest to send laborers into His Harvest." (Luke 10, 2)

Respectfully, Father Vincent Orth, O.S.B., Subiaco, Ark., Aug. 10.

**Joe Prescher Is Birthday Honoree**

Joseph Prescher of Lindsay had a birthday on August 15 — his 89th — and his family helped him celebrate. They got together for a reunion in Muenster City Park and had a picnic dinner.

Nobody had more fun than Mr. Prescher who enjoyed it all in his wheelchair. He doesn't travel much without his wheelchair since he broke a hip about five years ago.

Helping in the celebration were Mrs. Prescher and their children and families, the Tom Sicking and Joe Lutt-mers of Muenster, the Joe Krahl and Pete Preschers of Gainesville and the Martin and Tony Hackers and Leo Preschers of Valley View.

On September 18 Mr. and Mrs. Prescher will observe their 57th wedding annivers-ary. They were married in Muenster in 1906, farmed there until 1917 when they moved to Scotland, farming there for 37 years. Since 1954 they lived at Lindsay.

**Surprises Greet Mrs. Jos. F. Neu For 92nd Birthday**

Mrs. Jos. F. Neu was com-pletely surprised Sunday af-ternoon when 25 guests from Lindsay, Gainesville and Val-ley View gathered to help her celebrate her 92nd birthday, a

few days early at the home of her daughter Mrs. John Kupper and family at Valley View. The birthday date is Aug. 21

Granddaughters Mrs. Jerry Walterscheid of Muenster and Miss Joann Kupper helped open and display a shower of birthday gifts.

Visiting and picture taking and refreshments of birthday cake and iced lemonade were party highlights. Mrs. Walter-scheid baked and decorated the cake for her grandmother.

Mrs. Neu, a Lindsay pioneer, is spending time visiting with her children and now is spending some time with her daughter at Valley View.

ward a program which is de-dicated to our destruction? Let's see that our help goes only to the right people and for the right purpose.

Another thing, let's admit that we can't really afford the hardouts anyway. The na-tional debt of this country is already \$25 billion greater than the combined debt of all other nations of the world. Under the circumstance isn't it time we quit giving?

Still another fact about the foreign aid program: The give-away artists don't need money in the first place. Since 1958 they have accumulated over

21 billions of unspent funds from previous appropriations. On the basis of the 4.5 billion now requested they could squander money for almost five years more without get-ting another cent from con-gress. Then why are they ask-ing for it?

Doesn't it irritate you to know that an agency with so much money is still trying to mooch more hard earned dol-lars from us taxpayers?

Maybe it's nothing to worry about if the kids have trouble with the study of history. The people who make it seem to have quite a lot of trouble, too.
