NUMBER 49

If the proposed amendment to repeal this state's poll tax law is favored in the November 9 referendum, what regulations will apply relative to voter qualification? That question is presented by a man who says that he opposes our present poll tax but will vote to keep it anyway because he sees possibilities of giving votes to many thousands of persons who are unable to vote intelligently and responsibly. He calls attention to thousands of Latin-Americans and other illiterates unable to read or write our language, therefore obviously not qualified to vote intelligently. In his opinion a new regulation on voter qualification should require at least enough education for a person to fill his application blank correctly without help to get his registration certificate. In the absence of such a requirement he believes repeal of the poll tax would not be in the public interest.

The man's statement merits the most serious consideration. Furthermore it should be extended to include thousands of others who can read and write but don't know or don't care enough about sound government to vote thoughtfully — the kind of people who are swayed by the cheap promises of demagogues or can be persuaded to sell their votes for small favors from political bosses.

Governor Connally, one of the leading advocates of repeal, pointed to its principal evil in criticizing one of his political foes. He implied that the motive behind that man's support was bloc voting.

Considering his acquaintance with the state's political figures, we can assume there was truth in his accusation. And we can assume further that his charge most certainly will also fit other political leaders. An evil that can be practiced by one can be practiced by many. Indirectly, but still very definitely, our Governor has told us that we can expect a flood of bloc votes in each election hereafter if poll tax is repealed.

Is that what responsible people of Texas want? Do you and I like to think that our votes, conscientiously cast according to our convictions, can be nullified by the votes of people who are herded like sheep? Or even if such votes happen to support ours, do we relish the thought that they are as good as ours?

We are aware, of course, that some bloc voting is done under our poll tax law. It's a regrettable practice on the part of some people who sell out their right to independent thought for the promise of self seeking politicians. But reason tells us the evil is much less prevalent now than it would be if the votes could be gathered more easily and more cheaply. We will have more responsibility in our elections and more sanity in our government if a larger percentage of votes is cast by people who think. We will also have less fraud, such as tombstone voting, vacant lot voting or vacant house voting. We hardly need to be reminded that abuses multiply when voter requirements are lax and fees are cheap.

On the other side of the issue, what's behind the agitation for poll tax repeal? All we've been able to hear is the old contention that no citizen should be required to pay for his right to vote. Even that contention doesn't stand up, because voting would still cost. The price would only be cheapened from \$1.75 to 25 cents.

But does anyone seriously think that people would save in the long run? As most of us know, \$1.50 of every poll tax goes into the state treasury, specifically the schools fund. Eliminating the revenue will not eliminate the state's need of it. The money will be raised somehow — by a direct or indirect tax of some kind. People who think they will reduce their taxes are only kidding themselves. One way or another they'll pay just the same.

The end result then, is that the average person will pay as much as before and the only difference is that politics will have been cheapened by cheaper voting. For an imaginary saving, which won't even be realized in the end, responsible people will have sold much of their control of government to illiterates and

## St. Mary's to Host Ten Parishes for Christ King Feast

St. Mary's of Gainesville will be the host parish this year for the Sherman deanery's annual observance of the feast of Christ the King.

The feast, on the last Sunday of October, is set aside as an occasion of public demonstration of loyalty and devotion to Jesus Christ as King of the Universe.

The observance, beginning at 3 o'clock Sunday afternoon at St. Mary's School, will consist of a solemn procession to church, a sermon by Father Joseph Thomas of Denton and solemn benediction.

Celebrant at the benediction will be Msgr. John Duesman of Sherman and his assistants will be Father Thomas Taaffe of Gainesville and Father James Gillespie of Pilot Point. Also participating will be the choirs of Muenster, Lindsay and Gainesville, and Fourth Degree Knights of the deanery. Lambert Bezner will be marshal.

Persons attending are asked to assemble in parish groups at designated places on the school grounds before 3 o'clock.

Parishes included in the deanery are Sacred Heart, Muenster; St. Peter, Lindsay; St. Mary, Gainesville; Immaculate Conception, Denton; St. John, Valley View; St. Patrick, Denison; St. Mary, Sherman; St. Thomas, Pilot Point; St. Michael, McKinney; Perrin Air Force Base.

## SH Tigers Expect Hot Contest with Big G Red Devils

Prospects are good for a hot game and a close win for the Tigers when they meet the Gainesville B Red Devils Thursday night. The Big G boys are boasting one of their better teams of recent years and will come fully prepared to dish out trouble to Sacred Heart. To date they have beat Greenville B 40-18, Denison 46-20 and Era 18-0.

Earlier in the season Sacred Heart nudged Era 2-0. But comparative scores in this case don't tell anything about comparative present ability. Tigers were far below par then, with four of their regulars out of the lineup. This time all are there and in good condition.

The game starts at 7:30 on the Sacred Heart field.

## Spook Carnival Dated for Sunday At Parish Hall

Fun and feasting and spooks, ghosts and goblins are awaiting visitors to the annual Halloween Carnival in Muenster Parish Hall Sunday. Sacred Heart School roommothers, with an assist from the Benedictine Sisters, are sponsoring the benefit event which begins at 2 p.m.

The fun-filled festivities for youngsters — and grownups — will feature in addition to the carnival attractions a costume contest for pre-school and school age children with a stage appearance at 4 o'clock and a talent show on the stage at 8 p.m. And there'll be eats and drinks as long as the carnival lasts.

It's a community party and everyone is invited to attend. Proceeds are used by the Home-School Society to meet the needs of Sacred Heart grade school.

## Tigers Win 26-14 In Action Packed Tilt with Jesuit B

Sacred Heart's Tigers, after losing two in a row to Saint Jo and Callisburg, got back into their winning stride last Friday night. By a count of 26-14 they took the measure of Jesuit B of Dallas.

And the game was a real thriller in the first half. Twice the Tigers completed nice marches to the goal and twice the Big D boys retaliated in a hurry with quick TD's of their own. But then came another nicely earned score that put Sacred Heart ahead 20-14 at the half, and finally another in the final period for a good comfortable lead.

Jesuit's attempt at an on side kick gave the SH fellows a nice start from midfield. Eight plays made the 51 yards and the big gainers were runs by Schilling for 14 and 16. Ray Wimmer made the last 3 on a quarterback sneak.

The Jesuits lost no time in launching a comeback. De Leon returned the kickoff 35 yards to the Tiger 45 and a pass three plays later was good to the Tiger 9. De Leon made par 7, Molina 1 and De Leon slipped through for the last yard.

A second on side kick attempt worked better for the visitors. Sacred Heart fumbled and Jesuit was in possession.

## Alvord and Chico Added to Local Football District

Effective in the 1964 season there will be changes in the local Class B football conference. It will have more members, a different number and will belong in another district.

Changes announced last week by the Texas Interscholastic League increase membership of the local loop to eight teams. Alvord and Chico join Muenster, Saint Jo, Era, Valley View Callisburg and Sanger. And the district number will be 9-B.

To be identified as 10-B is the district to the east, which will include Allen, Anna, Collinsville, Howe, Sadler-Southmayd and Prosper. Its champ will oppose the 9-B champ in bi-district play-off. S&S, now playing in Class A drops back to Class B next year. Collinsville and Prosper, now in 8-man football, will play 11-man next year.

As soon as the new 9-B membership was announced coaches met to draw up their schedules.

Muenster High's district schedule is as follows: Oct. 9, Valley View, there Oct. 16, Sanger, there Oct. 24, Era, here Oct. 30, Saint Jo, there Nov. 6, Alvord, there Nov. 13, Callisburg, here Nov. 20, Chico, here

To date only two pre-season games are scheduled. Valley View Warriors of Kamay will be here on Sept. 18 and Ardmore B will here Sept. 26. The Hornets still want an opponent for Sept. 11 or Oct. 2.

## Another Big Job Awaits Hornets At Callisburg

Probably not as tough as last week's game but still a mighty big assignment for Muenster's pint sized Hornets is the clash at Callisburg Friday night.

Considering the closeness of that last one — until the final quarter — Coach James Polk sees possibilities of an even contest. And if favored by some breaks, the Hornets could even spring a surprise.

As Polk sized up the Wildcats, they are huskier than the Panthers, probably the heaviest team of the district, but the Panthers are better in speed and passing. The Hornets will be up against more power but less skill.

Another factor Polk figures in is the homecoming at Callisburg. He's expecting spirit to run a little higher for the occasion.

In the Hornet camp spirit is also running high. Polk and his boys were encouraged by their good game with Saint Jo and they're in a mood to keep scrapping.

A handicap facing them is Vogel's bad ankle, hurt in the Panther game. He expects to be in action but probably will be slowed down somewhat. Otherwise the Hornets are in good condition.

## BIRTHS

From Lawton, Okla., comes announcement of the birth of a son to Mr. and Mrs. Bill Hess. He joined the family on Oct. 15 and makes three boys and three girls for the couple. The new boy is a brother for Timmy, David, Carmen, Charissa and Kathleen. His grand parents are Mr. and Mrs. Dee Rice of Atoka, Okla., and Mrs. J. W. Hess.

It's a second little girl for Mr. and Mrs. Robert (Pete) Hammer. Susie's baby sister Sharon Elaine arrived Saturday, Oct. 19, 4:59 a.m. at Gainesville Hospital. Her grandparents are Messrs. and Mmes. H. F. Burrow and George Hammer, all of Vernon. Mrs. Burrow is spending this week with her daughter and family.

Announcing arrival of their first child, a seven pound 14 ounce daughter, are Mr. and Mrs. Gene Hartman of Denton. Their little girl was born Sunday, Oct. 20, 8:20 a.m. at Flow Hospital. Her grandparents are Mr. and Mrs. Dick Cain and Mr. and Mrs. Victor Hartman. The great-grandparents are Messrs. and Mmes. J. S. Hogan, Burleson, and J. S. Bagwell, Myra.

## NEWS OF THE SICK

From San Antonio comes a report that Charles Denny is critically ill in a hospital since Sunday with a heart attack. Mr. and Mrs. Ben Luke drove there Tuesday and she is remaining to help her daughter and family through the crisis.

Mrs. Wilfred Luttmir is back at home regaining her strength after recent surgery in Sherman. She returned to Muenster Sunday after spending last week convalescing at the home of her parents, Mr. and Mrs. John Kubicek, at Valley View.

Mrs. Wilfred Sicking has been dismissed from Sherman N. Jones Hospital in Sherman where she had major surgery Oct. 15. She is up and around some at her home since Monday.

Mrs. Bill Stelzer is getting around on crutches since she hurt her ankle in a misstep at her home Monday.

Mrs. A. H. Rebenitsh was admitted to Gainesville Hospital, Lindsay Street, Sunday after suffering a sinking spell. A George J. Carroll & Son ambulance moved her from the home of her sister, Mrs. L. A. Bernauer. She has been in failing health for some time. A niece, Mrs. Charlie Stelzer of Fort Worth, has been among those attending her bedside.

Mr. and Mrs. Sparkman Vann are making daily visits to see his father, D. E. Vann of Valley View, at Gainesville Hospital where he is a patient with a broken hip. The accident happened in a fall and the injury required surgery to pin the bone. Mr. Vann is 88.

Hank Sicking had a check-up on his left hand in Dallas Tuesday. A hay baler accident last June required surgery in September and follow-up checks are routine. He's doing well. His dad, Wilfred Sicking, took him to Dallas.

## Cubs in Fine Form Inflicting 26-0 Defeat on Lindsay

The Sacred Heart Cubs showed lots of fight and skill Sunday afternoon in walloping Lindsay's Squires 26-0. The best blocking of their season so far is the big reason for four nice drives producing a touchdown in the first period, two in the second and another in the fourth.

The first three scores, also bonus points after the first, were all made by Mike Stoffels from just a few yards out after steady gains by himself and Jerry Otto set up the scores. Another big help was three pass completions. Otto to Leroy Hess for about 20 yards each.

Final tally was by Otto on a 3 yard plunge. The play before was a bigger one, however. A 34 yard run, also by Otto.

Cub defense was stout too. Glenn Trachta and Jerry Otto intercepted passes, and the team held Lindsay to very little yardage on the ground.

## Little Monsters Trimmed 20-6 by Callisburg Kids

The Muenster Monsters, juniors of the public school, lost their third straight Tuesday night, but had the satisfaction of making their first score. They lost 20-6 to Callisburg.

As usual, the local kids were hopelessly outclassed. To fill out their team the Monsters have to get players from the fifth grade up. Their opponents have been seventh and eighth graders.

The visiting kids were clearly in command Tuesday. They moved steadily for two TDs in the first quarter and another TD in the second.

During the last half Callisburg's reserves took over and the game was more even. Within the last 4 minutes the Monsters clicked and went for their TD. Tommy Tuggle gained about 15 on a pass. Terry Cason made a 30 yard end run for the score.

The little Monsters play their next one here next Tuesday against Sanger.

Visiting the M. F. Milners Monday and overnight were their daughter, Mrs. Frank Haynes Jr., and children of Eulees.

## Garden Club Will Collect November 1 For Cemetery Fund

Another semi-annual collection for the Sacred Heart cemetery fund is just a week away. Mrs. Tony Gremminger, chairman of the Garden Club's cemetery committee reminds people of the parish that it will be on All Saints Day, November 1, as usual.

Members of the Garden Club will have their baskets at the church doors following all services on the holy day, Friday of next week. Everyone of the parish is urged to remember and bring a donation.

Money received in the collections, All Saints and Memorial Day, is used for cemetery maintenance — including watering, mowing and replacement of shrubs.

## Talent Show to Be Staged Sunday at Halloween Party

A talent show at 8 p.m. Sunday promises to be a highlight of the annual Halloween Carnival sponsored by Sacred Heart Grade School.

A variety of entertainment will include music, singing, dancing, pantomimes, skits, and recitations. Principal performers will be students of the school. The show will be presented on the stage and will run for about 75 minutes.

Three prizes will be awarded by out of town judges for first, second and third place winners in the competition. Everyone is invited to attend this attraction in the Parish Hall. Admission will be 15 and 35 cents.

## News of the Men in Service

### In Exercise Big Lift

Pfc. Don Wilson is participating in Exercise Big Lift and was with the 2nd Armored Division from Fort Hood to take to the air Tuesday for Germany. The exercise is the largest long-range airlift of armed men in history. Don is the son of Mr. and Mrs. Nig Wilson. His wife Pat, is staying with her parents, the John Herts.

### Special Training

Pvt. James Krahl has advised his wife LaChrista that he is getting settled at Fort Knox, Ky., for eight weeks of specialized training. He was transferred from Fort Gordon, Ga.

### Civilian Again

Muenster looks good to Gerald Bindel who hadn't seen the old hometown since he went overseas two years ago. He got back Saturday . . . on his 25th birthday. He reached New York early Saturday, was separated from the army in New Jersey, and caught a jet to Dallas where his twin brother Harold met him at 10 p.m. at the airport. Family members dropped in Sunday to see him at the home of his parents, the Frank Bindels.

## Scrappy Hornets Lose Tough 21-0 Game to Panthers

The Hornets lost a big one to the Panthers last Saturday night, but they're walking tall just the same, and a dandy crowd of MHS homecoming fans is mighty proud of them.

Considering the odds they did a marvelous job in holding the power packed Saint Jo outfit to a count of 21-0. The Panthers, rated as favorites in the 10-B race, have lots of weight and lots of skill. Their offense is a mixture of crunching football and slick football. Their defense is rugged. The Hornets, lightweighted of the loop, were outmanned in every respect.

But for a great big half and part of the second half, the Hornets were undaunted by the opposing might. They gave the Panthers a hot scrap until obviously worn down, they grudgingly gave in to superior power.

### CORRECTION

Time for the annual Christmas bazaar sponsored by the local court Catholic Daughters of America was incorrectly listed in The Enterprise last week. The dates are November 5, 6 and 7.

## .92 inch Shower Fails to Relieve Extended Dryness

Wednesday's quickie shower of .65 inch is far from a drought buster but a welcome relief to the dryness that has been hanging on for about three months. Certainly it is not enough to give grain crops a good start nor to revive parched range land, but it did cool and clean the air.

More rain during the night boosted the measure to .92 inch. The rain follows totals of only .66 for August and .83 for September, making only 2.41 for the three months. Along with moisture before August that brings the present year's total to 16.45 inches, the driest of the decade except in 1956 when the total through October was only 13.93.

Even so, the year can still be the driest of the decade. It will need 2.61 more to match the 19.06 total of 1956. And it has little chance of beating the next low of the ten year record. That was 26.10 in '54. Almost 10 inches is needed to top that.

## MHS Band Will March Saturday At NTSU Festival

The Muenster High School Band will be one of 22 from the North Texas area participating in homecoming activities at North Texas State University Saturday.

All will march together in a pre-game parade, also perform at half time at the football game between NTSU and Wichita University. Maurice McAdow, director of NTSU marching band will direct the combined bands.

## Record Crowd at Parish Hall Cheers German Concert

What is estimated as the largest crowd ever to gather in Muenster Parish Hall attended the joint concert presented Saturday night by the Frohsinn Singers of Dallas and Sacred Heart men's choir.

The crowd applauded vigorously the old time German numbers and the English songs presented jointly by the two choirs. There was applause too when the choirs sang separately. And after that everybody listening was primed to join in a grand chorus.

Special numbers were well received, especially a presentation by five native Germans stationed at Fort Sill on an exchange basis. They carried out their act in native costumes.

The dance, after the concert, featured a floor show at intermission. The Frohsinns in German costumes presented a Garman May Pole dance. And a special German orchestra from Dallas played and sang.

Local talent helped on the program. Theresa Becker played the accordion and Sonny Walterscheid and his sister Mrs. Denis Hofbauer presented accordion numbers and songs.

The evening began with a German supper catered by Mrs. Joe Lehnerz. Mayor Earl Fisher extended welcome.

Father Alcuin made introductions and recognized visitors. These included ten couples from Windthorst, a group from Gainesville and a large delegation from Lindsay. Also introduced were two ladies, visitors in Dallas, who came for the event. They are Mrs. Essie Dickson, 80, of East Hampton, Conn., and Mrs. Lester Blisch of Willimantic, Conn.

The Polka Peppermints played for the dance.

### HIGH FINANCES

The President is asking for \$4.5 billion in foreign aid. This is of great importance to the American businessman and taxpayers in general, because it, coupled with our overseas military spending, greatly affects our balance of payments deficit. This deficit is caused by the fact that money flowing into the United States from other countries is substantially less than money going to other

countries from the U. S. It means we are spending more money with other countries than they are spending with us.

Americans cannot own gold, but foreigners can. As of June 1948, foreigners held \$7 billion in short-term dollar credits — redeemable in gold. Since that time their holdings have increased to about \$25 billion — redeemable in gold.

Our gold reserve now stands at \$15,827,000,000. The U. S. Treasury is obligated to hold \$15,396,000,000 to pay certain debts in gold and to regulate our currency. Without this

... not for the taxpayer!

reserve our currency is valueless. The above figures indicate we have only \$431 million in free gold to meet a potential foreign demand of \$25 billion — enough to pay approximately one dollar in fifty-five.

Foreign countries have not called our gold because the free world economy is tied to the dollar. However, they have warned us often to put our economy in order. Our government has answered with proposals to lower taxes, to create spending, and a higher debt limit. What happens when the foreign creditors ask for payment in gold? For one thing, these fellows who are always saying a big debt is all right since we owe it to ourselves, will find we owe somebody else.

When a business in this country owes more than it can pay and its creditors demand settlement, the business goes bankrupt. This country, on that basis, is already bankrupt. You don't have to be very broad between the eyes to see that.

Cathage, Tex., Panola Watchman

### "WITHOUT UNDERSTANDING"

Modern "liberalism" — which is something the classical liberals, whose main fight was against the powers and oppressions of government, wouldn't be able to recognize — seems to work on the idea that because an end is good almost any means to attain it is good.

So, it is argued, if it is good to improve and expand education, to provide more and better medical care, to ease the retirement years of the elderly, and to do any number of other desirable things, let government hurry up and do it.

The late Justice Louis D. Brandeis, whose standing as a real liberal can hardly be questioned, once said this: "Experience should teach us to be most on our guard to protect liberty when the government's purposes are beneficent . . . The greatest dangers to liberty lurk in insidious encroachment by men of zeal, well-meaning but without understanding."

That presents the substance of the case against what has come to be called the Welfare State. The purposes may be good — but, too often, the end is some form of mass

slavery. The " . . . men of zeal, well-meaning but without understanding" are, when the time is ripe, shoved aside and eliminated. The men of iron, bent on power and conquest at whatever cost, take their place. We see a superlative example of that today in the Soviet Union, where the humanitarian goals of the Revolution, with their emphasis on human rights and human freedom, were soon submerged as totally as if they had never existed, in the greatest dictatorship of modern times. The East Berlin wall is a modern symbol of lost freedom.

### To Cook a Frog . . . Or a Taxpayer

It is impossible to kill a frog by dropping it into boiling water. It would react so quickly to this harsh treatment that it would jump out before being hurt.

It is possible to do in the frog via the hot water method. Put the frog in a pan of cold water — then warm it up slowly. The frog is not alarmed by the gradual increase of heat and by the time it decides it really must jump it's too late. It is cooked.

Federal bureaucrats have been using this frog-cooking recipe to expand the control of the central government over the affairs of local communities for decades. They have succeeded, because, like the frog, the gradualism has lulled taxpayers into a false sense of security. When full realization of their sorry plight comes it is usually too late to do anything about it.

### FEDERAL PAYROLL RISES TO 2,518,900

The federal government added 9,192 persons to the payroll in July bringing the total of federal employees to 2,518,900.

The Post Office Department put 2,972 persons to work; the Agriculture Department increased its rolls by 884 and the Treasury Department's staff was upped by 894 employees. Even the American Battle Monuments Commission put on 11 more employees overseas. The balance of the new additions were scattered over the multiplicity of government agencies.

### HOW BIG IS TEXAS?

Most any school child and perhaps a few adults can tell you that Texas is 801 miles from south to north and 733 miles from east to west. An even smaller number of people might know that the state land area is composed of 168,648,320 acres.

Although it is a rare Texan who will admit it, Alaska is bigger in land area, but after all, that "frozen state" isn't even connected directly with the continental limits. Agriculturally speaking, there is no comparison between the two — Texas is far in the lead.

In the last year of record, Texas farmers harvested 21,735,000 acres of land yielding 59 principal crops. Total farm value amounted to \$1,575,104,000.

Through no fault of our own farmers, this value only rates second in the United States — California being in the lead. California managed to harvest a smaller acreage of 6,767,000 acres with a production value of \$1,814,725,000.

Texas' average cash farm income, including livestock and crops, is approximately 2.4 billion dollars, annually. Government payments average slightly over \$100,000,000 a year and brings the state agricultural income figure \$2.5 billion.

The Civil War budget of President Lincoln — roughly 100 million — would run the present government just about 8 hours.

### TOO MANY STATISTICS

Too many of the arguments against the Welfare State philosophy are based solely on economic grounds. Sets of king-sized statistics show us that the costs are staggering, that they steadily increase, generating momentum within themselves, and that, even at best, much of the money wrung from the taxpayers never reaches the supposed beneficiaries. It is lost in administrative overhead.

These are enormously important matters, but they fail to tell the whole story. In the long view, the worst aspect of the Welfare State is its impact on human character. Thrift, self-reliance, independence, a sense of family and community obligation — these and other such essential virtues go out the window. The attitude becomes — why should we worry, the government will take care of us.

Thus are the sinews of a nation sapped. Thus does it grow frail and flabby. Thus, ultimately, is the door opened to the destruction of representative government.

Guests in the Hanna home for the observance with dinner were the couple's two children and four grandchildren — the Randall Hambricks and Greg of Burneyville, Okla., and the J Don Hannas and Dianna, Kay and Pam of Madill, Okla. Also Mr. Hanna's aunt Mrs. Mattie McElroy of Denton. All the visitors left Muenster Sunday night except Mrs. McElroy who remained for a several days' visit.

**Ends Vacation**

Father Joseph Weinzapfel ended his annual vacation Sunday after spending the last week of it with his parents, the J. M. Weinzapfels, Father Joe saw nearly all his family this vacation. In Tulsa he visited the P. W. Hellmans, then joined Mr. and Mrs. Hellman, in their plane, on a flying trip to California to visit their sister Mary and her family, the Bill Birdens, at Santee, Calif. From there the Hellmans winged over to Palm Springs to attend a meeting of airplane owners and Father Joe went to Mexico City to visit missions. He also visited his sister Dora and family, the Hugh Jacksons in Fort Worth. While here he and his mother drove to Wichita Falls one day to visit the Ed Ottos and Steve Otto.

**5th ANNIVERSARY 4-H Beef Program**

**The 1963 National 4-H Club Congress and the International Live Stock show** the first week in December are destined to be once-in-a-lifetime experiences for a 4-H beef project winner.

An all-expense trip to Chicago awaits the state's top prize winner. The boy or girl also will be considered for one of six \$500 college scholarships presented to the highest ranking 4-H beef cattle producers in the nation.

This year marks the 5th anniversary of the beef program sponsorship by E. I. du Pont de Nemours & Company. During the last five years participation and awards won by 4-H'ers have increased markedly.

**Extension Supervised**

Supervised by the Cooperative Extension Service, the program in 1962 attracted more than 145,000 boys and girls in nearly every state compared to

about 135,000 in 1959. Enrollment is expected to show another increase when the 1963 figures are compiled.

**Chance to Learn**

The beef program offers 4-H'ers opportunities to learn and apply latest methods of breeding, feeding and marketing. Much of the original research and testing were done by the agricultural experiment stations.

The youths also practice judging, fitting and showing of animals, and demonstrate various aspects of livestock production and management.

**Awards Not Easy**

Progress reports, personal development and service to the community are considered when 4-H award winners are selected. Three girls and 21 boys already have claimed scholarships and next December six more youths will join this elite group.

**Free Bulletin on Sewing Available From County Agent**

Do you have special fitting problem? A slim clothing budget? Do you get real satisfaction from sewing for yourself and others?

If the answers are yes, you may want to join the increasing number of women who are making garments for themselves, and other family members, says Bernice Thurman, home demonstration agent.

The "homemade look" can be avoided by careful construction and pressing. The custom-made look does take patience, accuracy, attention to detail of finishes and good pressing, but a job well done pays off with economy, fit and satisfaction.

If you are a beginner in sewing, choose a simple garment for your first try. A pattern of few pieces with simple design, and a fabric of good quality in solid color will give best results.

Bulletins prepared by extension clothing specialists, give detailed instructions and pictures of different processes used in sewing garments. You can get copies of bulletins from your local county home

demonstration agents' office on the ground floor of the courthouse, telephone HO5-4931.

**Couple Surprised At Housewarming**

Completely surprised with a housewarming Sunday night were Mr. and Mrs. Arthur Hess. The party was at their new home which is in the process of being built. The patio and garage are finished. Nobody counted the people present but estimated that there were between 125 and 150 there. They brought gifts for the new home. And made a tour of the place.

Hostesses were Mrs. Ed Hess, Mrs. Joe Henry Walterscheid and Miss Maxine Morris. They were assisted in serving refreshments by Mrs. Tony Klement and Mrs. C. M. Walterscheid. Present from out of county were Mr. and Mrs. Frank Evans and son Alvin of Pilot Point.

**NOTES FROM CITY LIBRARY**

"A Prologue to Love," another fine novel by Taylor Caldwell, is now available at Muenster City Library.

The story begins in Boston, during the late nineteenth century, and revolves around the life of Caroline Ames, a little girl who grew up believing that the only evil in the world was poverty and that the only means of protection lay in the power of money.

By inheriting the fabulous fortune of her unscrupulous father, Caroline became the richest woman in the world — and one of the most miserable. Her inability to give or accept love brought tragedy to almost all the lives she touched.

Perhaps the most amazing quality of the novel is its ability to evoke the reader's sympathy for Caroline, whose desperate obsession to increase her immense wealth cost her the love of her family and the respect of the community. It is only at the end of her life that she is able to realize that faith and love are the real treasures of life and the only power over evil.

The title of the novel comes from Seneca, who said that "all lives, whether good or in error, mournful or joyous, obscure or of gilded reputation, painful or happy, are only a prologue to love beyond the grave, where all is understood and almost all forgiven." — R. F.

**Seniors Sponsor Fish Fry Friday**

Seniors of Sacred Heart High are inviting a general attendance to the fish fry they will sponsor Friday night in the Parish Hall. They have an abundance of fresh fish for the supper which will start at six o'clock.

Serving will continue as long as there are guests. The price per plate is one dollar for fish and all the trimmings. Everybody is welcome.

It's been said — the man who has no secrets from his wife... either has no secrets or no wife.

**Family Gathering Observes Birthday**

Family members gathered Sunday evening to help Mrs. Adolph Walterscheid celebrate her birthday, postponing the party from Friday so they could all be together.

The reunion was held at the Walterscheid home south of Muenster with a six o'clock dinner party on the patio and home movies afterwards. They enjoyed seeing family movies taken during the past ten years to the present time.

The meal had all the trimmings of a birthday feast with decorated cakes. Those attending brought gifts for the honoree. Included in the group present were the Walterscheids' 13 grandchildren.

## Local News BRIEFS

Members of the Idle Eight Club had their October social with Mrs. Joe Horn as hostess in her home. The group spent the afternoon playing progressive 42. Mrs. Joe Hoenig was high score winner and Mrs. J. B. Wilde was runner-up. Mrs. R. R. Endres and Mrs. John Kathman were guests. The hostess served pie and coffee.

Mr. and Mrs. J. B. Wilde were in Wichita Falls Saturday to attend the funeral of his cousin, Mrs. Louis Martini.

Mr. and Mrs. Bill Becker had a three-day visit the past week in Hereford. They visited the Frank Knabes, Adolph Knabes and saw other relatives and friends.

Houseguests this week since Tuesday with the John B. Klements are Mrs. Katie Meurer of Windthorst and Mrs. Henry Thoele of Irving.

Weldon Vogel had his own cheering section at the homecoming football game Saturday night... his family was there. Coming from out of town to join the locals were the Don Mullers and children of Dallas, Mr. and Mrs. Leo Hess and son of Dallas, Misses Lillian and Virginia Vogel of Fort Worth, the Robert Beyers and family of Lindsay and Donald Vogel of Texas A&M. Donald came from attendance at the A&M-TCU game and participated in the freshman A&M parade.

Weekend festivities brought all the family of the Bernard Wolfs home. Their guests were the James Wolfs and two sons of Fort Worth, Miss Ginger Wolf of Dallas, and the Wilfred Klements and three sons of McAllen.

Attending MHS homecoming and spending the weekend with the Tony Wimmers were Miss Della Wimmer of Dallas and the Herbie Ottos and daughters of Arlington. The Ottos also visited his parents, the Bill Ottos.

Birthday observance for Mrs. H. J. Fuhrman included visits from her children and grandchildren who came with gifts. Bill Fuhrman and children Bobby and Tina of Fort Worth were visitors Sunday night. Mr. and Mrs. Robert Pulte and family came from Gaines-

ville bringing a decorated cake. The rest of the family stopped in during the day and the Jerry Fuhrmans sent their gift and greetings from Houston.

Dolphy Joe Hellman of Texas Tech, Lubbock, was back to attend MHS homecoming celebrations.

Mr. and Mrs. Gene Hartman have named their new daughter Jeanna Marie. The infant and her mother left Flow Hospital Wednesday and Mrs. Dick Cain went to Denton to spend a week with her daughter and family. Mrs. Cain, Mrs. Adolph Walterscheid and Mrs. Frank Bayer visited Mrs. Hartman at the hospital Tuesday and saw the newcomer. The Dick Cains and the Victor Hartmans, grandparents and the Harvey Schmitts had a get-acquainted visit Sunday.

Mr. and Mrs. Joe Luke returned Monday from a weekend visit in Shreveport, La., with their son and family, the Norman Lukes. Together they attended the Louisiana State Fair and saw Lawrence Welk and his orchestra perform.

Mr. and Mrs. Ray Voth have named their new daughter Sharon Lou. Christening ceremony was held Sunday afternoon with Father Alcuin officiating. Godparents are Mr. and Mrs. Paul Arendt Jr. of Lindsay. The Arendts and their daughters Janet and Patsy were dinner guests in the Voth home.

Mr. and Mrs. Joe Horn spent a part of his week's vacation in Austin and Houston. They were away four days, returning Sunday. Going and returning they stopped in Austin with their daughter Diane who attends the University of Texas. In Houston they were guests of their daughter and family, the Paul Deltzes, and accompanied them to Alta Loma to see Paul's parents, Mr. and Mrs. John Deltz who entertained with a dinner for them.

Members of the Saint Anne's Society and Catholic Daughters of America are getting ready for a busy time sewing. Some 350 pounds of materials have arrived to be made into hospital linens. Members of the two organizations volunteered to cut and sew the linens for Muenster Memorial Hospital.

Some 60 parents reported for the October PTA meeting Monday night. Business was routine consisting of reports and planning coming events. Paul Fisher, president, pre-

sided. The annual banquets were discussed and Mrs. Leonard Owen was appointed to head a committee to schedule these events. Table games followed adjournment and pie and coffee were refreshments.

Starting back home to Williamsburg, Ky., Wednesday were Mr. and Mrs. S. D. Smiddy who had been guests for three weeks with his parents, the Joe Smiddys and his sister and family, the Ernest Medders. Mr. and Mrs. Medders took their guests to see Old Mexico Monday and Tuesday. It was the Kentucky couple's first trip to Mexico.

### Golden Age Party Oct. 29 Postponed

Members of Muenster's Golden Age Club are advised that there will be no party in October. The grandma-get-together previously planned for Tuesday, Oct. 29, will not be held due to conflicting circumstances. The next party for the group will be held in November.

### Couple Has 5-Day San Antonio Visit

Five day visit in San Antonio was a happy time for Mr. and Mrs. Don C. Cooke the past week. They visited the C. L. Bledsoes, P. O. Harvills and John Glenn Harwoods. Mrs. Cooke's sisters and nephew and their families.

Eating out at Tai Shan's for a Chinese dinner and browsing through the Gizmo Gift Shop were delightful entertainment. The Cooke's nephew is consultant decorator and artist at the gift shop, makes all the floral arrangements, and decorates Gizmo shops in seven different U. S. cities.

Another treat for the Cookes was a turkey dinner in the Harvill home with all the group together and an old time school mate of the ladies, Mrs. Henry Bolton of Edna, also present.

With happy memories of their visit accompanying them home, the trouble their car developed near Decatur was taken in stride. They had to call a mechanic.

Everything was dry weather all the way. Stockmen were already feeding hay.

### Discussion Clubs Meet for Study

Confraternity of Christian Doctrine discussion clubs met Sunday for their October study. The chapter assigned was "The Holy Ghost and Grace". The following reported;

The group headed by Mrs. Steve Moser as leader met in the home of Mr. and Mrs. John Mosman. Mrs. Moser led the lesson. The group enjoyed a social hour afterwards, made a tour of the Mosmans' new home, and had refreshments. Mrs. Mosman served a dessert plate and coffee to 16 present.

The club with Mrs. Ed Schmitt as leader gathered at the home of Mr. and Mrs. George Bayer. Ten were present. Two new members, Mr. and Mrs. Lawrence Martin were welcomed. Mrs. Schmitt led the study and Mrs. Bayer served coffee and cookies. October meeting will be in the home of Mr. and Mrs. Ray Sicking.

The club headed by Mrs. Arnold Rohmer met in her home and she led the study. Ten were present. After adjournment there was a social hour and refreshments.

The group with Mrs. Dan Luke as chairman and Miss Diane Henzler as leader met in the home of Mr. and Mrs. Arthur Felderhoff. Ten members and two guests discussed the chapter and the hostess served refreshments during a social hour.

Tuesday was meeting night for the group headed by Mrs. Herbie Miller. Mr. and Mrs. Ray Hess were hosts and Mrs. Hess served refreshments to 12 after the discussion period.

### Costume Ball in VFW Hall Saturday

Muenster VFW Auxiliary will sponsor its annual Halloween dance Saturday night and invites everybody to attend. It will be a costume affair but costumes are not required for admittance. Teddy and the Bears will play for dancing in the VFW Hall and on the patio. The Auxiliary dance committee advises there will be surprises and prizes.

## Tigers - - -

sion on the Tiger 33. But that was all. The first series netted a yard loss giving the Tigers possession on their 34.

Then came another goal-ward drive, eight plays in all for 66 yards. Schilling made 37 of that on one romp. Dennis Hess made a 10 yarder and also the final 2 yards. Schilling crashed over for extra points.

And again Jesuit made a quick comeback. First play after kickoff Gondolf connected with Gallagher for 63 yards and a TD. And Molina's bonus points tied the game at 14-14.

For the third time, then, Sacred Heart moved with authority. The kick return reached the Tiger 45 and a steady drive of 12 plays went to pay dirt. Schilling scored from the 3. The tally was 20-14. Starting the second half Big D boys made a first down and fumbled. Next play Sacred Heart fumbled. Then Jesuit got only 2 yards on 4 tries and Sacred Heart started moving from its own 39. Nine plays went to the Jesuit 20 and the next play went to the 9 but ended in a fumble.

From that point Jesuit, aided by 20 free yards on Tiger penalties, went to midfield. Tiger defense braced there and threw the next three plays for 6 yards loss. Jesuit kicked and Sacred Heart started again from its 39 as the fourth period opened. Seven plays reached the visitors 35. Then Schilling broke through, shook off three tacklers and romped to the goal.

After that Jesuit made a first down and failed on its second series. Sacred Heart also made a first down and bogged down.

Two plays later Schilling intercepted in midfield and returned to Jesuit's 34. Three plays gained 6 and a pass to Fuhrmann reached the 16. On the final play Virgil Hess plowed to the 5.

**Visitors Get in On Birthday Party**

Former Muensterite Maurice Stelzer and his wife and their two children Walter Matt and Maurica Ann Quannah were Muenster visitors Tuesday stopping in to see the Andy O'Connors and the Charlie Pagels.

At the Pagel home they arrived in the midst of a birthday party for Carl and Darrell and joined in having cake and ice cream.

Carl was three Monday and Darrell will be four Saturday. Other little guests were Marlene and Sharlene Pagel, Connie, Cathy and Claudia Flusche, Karlyn Klement and the honorees' brother Curtis. Mrs. Don Flusche helped serve.

Coming to spend this weekend with relatives are Mr. and Mrs. Frank Knabe of Hereford, Mr. and Mrs. J. B. Wilde have them as house-guests.

**Tigerettes Start Basketball with 2-a-Week Practice**

Basketball practice for the Sacred Heart Tigerettes has started on a part time schedule, and 44 girls are out working for a place on the team. They are coached by Walter Wolf, who also coaches the Tiger Cubs and helps coach the Tigers, so they will be limited to two days a week of practice until football season is over.

The girls have a big job ahead of them in trying to keep the pace set by last year's team — for a record of 19 wins out of 21 games. Wolf is aware that graduation has taken the strongest players, but still feels confident that spirit and hard work will develop another good team.

Members of the squad are Patsy Streng, Rita Noggler, Rose Vogel, Eileen Hesse, La Verne Otto, Blondie Fleitman, Jane Hess, Angie Hess, Pat Hartman, Gloria Haverkamp, Paulette Endres, Judy Dangelmayr, Barbara Schmitt, Cathy Derichsweiler, Deborah Schilling, Cotton Hess, Janice Trubach, Linda Temple, Pauline Fleitman, Monica Becker, Mary Wimmer, Mary R. hac and son who are Texans again after living in Jacksonville, Fla., since January 1962. They are located in Ft. Worth. Mrs. Bohac is the former Margaret Mary Hermes, daughter of the Ben Hermes.

Lindsay quarterback Club had its regular monthly meeting Monday night. Routine business was on the agenda including reports and appointment of workers in the concession stand and at the gate for home football games.

Weekend visitors with the John Zimmerers were her brother and his wife, the Ignatz Kempfs and their daughter, former Electra and Slaton residents who live near Lubbock now. Mr. and Mrs. Al Walterscheid of Muenster joined them for a visit Sunday evening. The Kempfs are Mrs. Walterscheid's uncle and aunt. They hadn't seen each other in some 40 years. The visitors went from Lindsay to Helena, Ark., to visit the Eckelhoff relationship.

Mayor and Mrs. Joe Bezner were in New Orleans over the weekend visiting her parents.

### Lindsay Favored To Win Another District Trophy

At the half-way point in their conference contest the Lindsay Knights are strong favorites to nab the second straight champ title of eight-man District 9. Their 46-12 win over Prosper last Thursday night was the fourth decisive one in the first round of the double round robin race which makes up the loop schedule.

The rest of the regular season calls for another encounter with each of those four teams. Indications are that the Knights can sail easily to the title.

Last week's game was another in which Lindsay's power was simply too much for the opposing team. Prosper not only was unable to stop Lindsay, but also was unable to make any running gains of its own. That fact is indicated by comparison of rushing gains: 311 for Lindsay, minus 2 for Prosper. Passes were different, however. Lindsay trailed 55-140 in that department.

First score for the Knights came early in the first quarter as Schmitz went over from the 4 ending a 50 yard drive. Donny Sandmann added two points.

A fumble started the Knights on their next one. The drive was for 40 yards and the TD was a 20 yard pass from Schmitz to Tommy Zimmerer.

Finishing a 35 yard drive Sandmann crashed over from the 2 early in the second quarter.

Prosper scored later in the second period. The half-time score was 20-6.

Shortly after intermission Sandmann sailed the last 15 in a 60 yard drive. Then Schmitz intercepted and found his way open for 25 yards to the goal.

Again, early in the fourth, Sandmann marked up another score on a 10 yard scamper. And John Hermes was switched from guard to backfield long enough to get a score. It was a 1 yard crash ending a 50 yard drive. Ronnie Zimmerer added bonus points.

Prosper's second score came early in the fourth quarter on a long pass.

### Halloween Party At Lindsay Sunday

Annual Halloween Carnival for Lindsay will be held Sunday in the Parish Hall beginning at 6 p.m. It is sponsored by the Parent-Teacher Club and all classes participate. They are inviting everyone to attend.

A costume contest will be one of the feature attractions. Prizes will be awarded in two divisions. There'll be prizes for the best and the tackiest costumes for pre-school children and for students.

A variety of games, eats and entertainment are lined up to delight youngster and oldsters.

### Lindsay Sets Date For Clothes Drive

Lindsay's annual Thanksgiving clothing drive will get under way early this year with the first week of November set as the starting time.

The parish St. Anne's Society sponsors the yearly campaign which benefits the Holy Father's storeroom for needy people throughout the world.

That thought becomes frightening when we realize that the transferred control could become the balance of power needed to swing elections. It would be a sure way of giving big influence to some very undesirable characters. Also a big help to the element that seeks to perpetuate its own power and vote its hand into your pocket.

### Hornets - - -

made three first downs in a row, advancing 40 yards to Muenster's 31, then lost 12 on three plays and kicked.

Three tries later Muenster fumbled and the Panthers were in possession on the 21. On second play after that Muenster recovered on the 15. A kick ending the Hornets' first series put Saint Jo back to its 39.

The Panthers gained to midfield and kicked when their second series was stopped.

On that kick Muenster fumbled setting up the Panthers on the 16. Six plays from there paid off, with McMahon, the pile driving 200 pounder crashing over from the 2. Vogel knocked down a pass for extra points and the Panthers led 6-0.

Following kickoff Muenster made a first down but had to kick on the next series. That was the second tough break for the Hornets. The kick was blocked and Saint Jo was on the 26. But Hornet defense was rugged and the Panthers next series lost 3 yards.

From the 25 then Muenster put on its best drive of the night. A pass to Wimmer for 21, a scoot by Wimmer for 16 and one by Swirczynski for 13 were the best gainers in a 60 yard drive to the 11. Next play Vogel got to the 3, then a heartbreaking offside penalty set the Hornets back to the 8. Two more plays made 3 each and the next lost 3. Panthers took over on their 5.

They gained to the 27, kicked, and the ball was in midfield as the half ended.

Shortly into the third quarter Muenster made a brief showing as Wimmer stepped off about 20 yards on an interception and Vogel followed with a sprint to the 26. But that was all. Four plays later Saint Jo took over on the 26 and launched a strong drive in nine plays to the Hornet 10.

There the Hornets held again. Saint Jo missed scoring by 1 yard.

Muenster gained back to the 5 and kicked. Yetter's nice return reached the 23, and his nice gain the next play got to the 8. From there McMahon powered for 4 and 3 and Lovett went over on a pitch out Boyd's pass to Arledge added extra points.

Ending the next three series Muenster kicked, Saint Jo kicked again, after which the Panthers were on the Hornet 35.

Four plays reached the 25, a pass to Yetter reached the 6. McMahon made 2 and Yetter sailed around left end for the last 4. A place kick was good for another point.

From then to the end both teams did lots of passing, all incomplete.

### Costume Contest For Halloween Has 2 Divisions

This year's costume contest held in connection with Sacred Heart School's Halloween Carnival Sunday will be held in two divisions; Space Costumes and Halloween Characters.

In the first group, anything relating to space and the space age will be appropriate. In the second group, children may dress as ghosts, spooks, witches, goblins, etc.

In each of the two major divisions there will be three prizes: \$2.50, \$1.50 and \$1.00 cash. The entrance fee will be ten cents for each contestant. Pre-school youngsters and students are eligible.

The contest with out of town judges will take place on the stage at 4 p.m.

Principal celery-growing states are Michigan, California, Florida and New York.
