Lindsay Orders Bond Election on Water System

Next Saturday's city election to determine whether bonds will be issued to finance improvements in the water, sewer and street departments looks like a proposition which will be gladly approved by every citizen who understands how much can be accomplished by it.

That is the reason why the city council, after about two years of serious thought, has unanimously adopted the program, and why the council this week cooperates with the council in explaining points which are of special interest.

First, there's the item of cost, which normally rates ahead of all other considerations in a bond issue. And that, the council points out, is the beauty of this one. It will not be necessary to raise water or sewer rates nor the city tax rates to meet the bond payments.

Funds already available, and currently used on a year to year basis are sufficient to liquidate the bonds as they come due each year. Accountants representing a bonding firm have studied the city's finances and have verified that the issue is possible without rate raises. Present income from water and sewer service charges is more than sufficient for those two bonds. Money currently taken from the general fund for streets is more than sufficient for that bond.

Of course, the item of interest cannot be evaded. Over a period of 30 to 40 years that item will run into many thousands of dollars. So the next problem is to decide whether savings made possible by the bonds will be greater than the interest cost. The city council thinks they will.

For one reason, the interest cost can be greatly or completely evaded on funds until they are actually spent. As concerns water and sewer bonds the understanding is that the complete issue should be sold at one time to get the lowest possible rate. Assuming that is done, interest would apply on funds that are not actually in use. However, much of that could be offset by investing the idle funds in bank savings accounts or federal bonds and allowing them to draw interest until the money is needed.

Street bonds apparently can be sold as the money is needed, and interest therefore does not apply unless the money is actually in use. Whichever of the two methods is used the result comes out the same. There will be little or no actual cost of interest on money until it is actually spent. It's comforting to all of us to know that our expense can and will be held down on that item.

And there are quite a number of other compensating factors. One is the advantage of planning ahead and avoiding expenses that result from temporary installations. As most of us are aware, the limited funds available in a year to year operation do not permit installation of some facilities which are foreseen to meet future needs. Later an expansion becomes necessary at additional cost. Actually it amounts to two projects to serve a single purpose. Unnecessary costs in such cases can be avoided by making an adequate installation in the first place. And such installations are possible if the city is not limited to the small budget of a year to year operation.

Another factor figures in this long range planning. It permits substantial savings in volume buying. Materials are much lower in big quantity orders than in the small orders required by a year to year budget. In some cases this means that a permanent and adequate installation would cost no more than a temporary installation costs now.

These savings apply to all extensions and expansions needed in the sewer and water systems. They apply also to the supply of material needed for street repairs. Still another saving is possible on new street construction. A big project is cheaper than several small annual projects.

It can be pointed out, furthermore, that the city plans to do most of the improvement itself with the help of local labor. Hence a big portion of this bond expenditure will be paid in wages to home folks. That's the equivalent of an added industry . . . jobs for some people, more money for the local economy.

Added to those factors is the urgent need of some of the facilities. Proposed expansions and improvements include sev-

A public water system for the Town of Lindsay depends on a bond election to be held there on Saturday, October 27. Final legal preparations for holding the election were completed in a meeting of the town council Wednesday night. The proposed system, estimated to cost \$51,000 will feature a ground level pressure tank rather than an elevated tank to force water through the pipe. Automatic control will pump water in the pressure tank against a dome of compressed air which furnishes the pressure to send water through the mains. The pump starts when pressure drops to a certain figure, it stops when the pressure reaches another figure.

Included in the project are a 40,000 gallon surface reservoir, a 4,000 gallon pressure tank, the pump, and concrete asbestos pipe for distribution to consumers.

The election will determine whether the town council is authorized to issue bonds in the amount of \$51,000 to finance the system. Bonds are to be retired over a 40 year period of revenue earned by the water department.

SHH Queen Crown Winner to Be Told Saturday at Dance

One of Sacred Heart High's four queen candidates Saturday will be announced as the winner of the Tiger crown and will reign over festivities at the annual homecoming celebration Nov. 2.

Queen contestants were selected by their classes and various vote gathering projects have been conducted during the past six weeks. The final vote getter is a dance Saturday night in the Parish Hall. During the dance the winner will be revealed. She will await her crown until the homecoming celebration.

Patsy Klement, senior class candidate, is the daughter of Mr. and Mrs. Anthony Klement; Rita Noggler, junior finalist, is the daughter of Mrs. Susie Noggler; Mary Jeanette Knabe, sophomore choice, is the daughter of Mr. and Mrs. Robert Knabe; and Gloria Haverkamp, freshman favorite, is the daughter of Mr. and Mrs. Leo J. Haverkamp.

Hornets Win 18-0 In Tussle with Dragons at Chico

Muenster's Hornets beat down a determined homecoming effort by Chico's Dragons last Friday night and marked up a well earned 18-0 win.

For three quarters they were in command and scored a touchdown in each of them. During the other quarter they were lucky to stop the Dragons in time.

Chico got a good start on the opening kickoff as the ball went direct to a man on the front line and was promptly covered. Two plays from there gained 11 but the next four made only 5 and Muenster took over on its 39.

From there the Hornets promptly moved to their first score . . . with one TD along the way that did not count. Donny Vogel went 27 yards on the practice run but got only a 5 yard penalty for the effort. Next time he made 17 and Wimmer followed with the last 15.

Allowing the Dragons one first down after the next kickoff Muenster started moving again. The drive was good for 73 yards and required 17 plays. Donny Vogel used two plays in going over from the 2. Try for extra points went over but was nullified by an offside penalty. The next try failed by inches.

The third quarter was Chico's as the Hornets fought much of the time with their backs to the goal.

Starting with a nice gain Chico got to the midfield and bogged down, but a strong kick put Muenster back on its 13. Three plays made only 5 after which a bad pass from center spoiled Don Vogel's kicking effort. Chico had a set-up on Muenster's 16 but four plays netted a loss of 6 and Muenster took over. Then came 3 kicks . . . by Muenster, by

Rev. H. L. Nowland Accepts Pastorate Of Baptist Church

Muenster's First Baptist Church has a permanent pastor again. He's the Rev. Harvey L. Nowland of Fort Worth who accepted the congregation's call and will conduct his first services as pastor Sunday.

After the evening worship the congregation will honor the Rev. Nowland, his wife and two children, Mark and Linda, with a get-acquainted party and an old fashioned pounding. The Nowlands will continue living in Fort Worth where he is continuing study at the seminary.

Muenster Baptist Church was represented at the Cooke County Baptist Association at Era Monday night and Tuesday. Mr. and Mrs. Don C. Cooke were the church messengers and others attending were Mrs. Aubrey Tuggle, Mrs. Sam Tuggle and Mrs. J. A. Travis.

KCs to Observe Columbus Day With Five Events

Knights of Columbus of Muenster this year will have five separate events combining into a memorable observance of Columbus Day.

One of the events will be held on Friday, the 12th, the others are postponed to the following Sunday for the convenience of members.

Friday's is a radio program over KGAF, co-sponsored by Muenster and Gainesville councils. The speaker will be Luke Hart, supreme knight, and his subject is "Christopher Columbus and our American Ideals." Time is 11:45 to noon.

Sunday's observance begins with group attendance and communion at the 9 o'clock mass followed by breakfast in the parish hall. Featuring that program is a speech by Tom C. Unis of Dallas, a K of C and a Knight of the Order of St. Gregory.

Final two events are a barbecue supper at 7 p.m. and a dance at 9 p.m. Members are encouraged to bring guests to both. Tommy Harkness and his Stardusters will play at the dance.

Hornets Due for Troubles Friday With S&S Rams

The Hornets are due for big trouble Friday night at 7:30 when they entertain the powerful Rams of Sadler-Southmayd.

Recent games have revealed the Rams to be plenty tough. Last week, for instance, they grudgingly gave in 15-8 to this district's top rated Valley View Eagles. The Rams also swamped Saint Jo and broke even with Era. Those signs, as Coach Glenn Richardson sees them, indicate that S&S rates as the favorite in its clash with the Hornets.

But that's only a part of the story. Six weeks tests have eliminated three starters from the Hornet lineup, leaving vacancies which are especially hard to fill from the team's limited reserve strength. Nor is it likely that the Rams will have similar scholastic trouble. S&S is a class A school with plenty of reserve strength.

Under the circumstances the Muenster boys have only a slim hope, which calls for lots of hustle and the help of a few lucky breaks.

Knights Stampede Over Tom Bean

Lindsay's game with Tom Bean on the Knight field last Thursday night was more like a track meet than football. The Knights had a picnic running up a score of 50-8, and Don Sandmann had a specially big night making 34 of his team's points.

Sandmann made touchdowns on runs of 33, 27, 15, 14 and 1 yards and also scored twice on tries for extra points. Zimmerman was next in scoring honors. He carried over for one TD, passed to Schmitz for another, went over twice for bonus points and passed once to Sandmann for extra points.

Only scorer for the visitors was Steve Langford. He went over from the 3.

Three Day Pass
Pfc. and Mrs. Don Wison returned to Killeen Monday after a three-day pass spent visiting their families, the Nig Wilsons and the John Herrs. The folks noticed that Don annexed his first chevron. The advance to private first class came at Fort Hood where he is based.

NEWS OF THE SICK

Mrs. W. H. Endres entered Gainesville Hospital, Lindsay Street Unit, Wednesday for observation and treatment.

Reports from relatives on the condition of Father Anthony Schroeder this week are encouraging. He stood major surgery well last week Thursday and had skin graft surgery this week. His sister, Mrs. Robert Knabe, was among relatives visiting him at Bethania Hospital in Wichita Falls Sunday. He'll be a patient indefinitely.

Harry Otto has been dismissed from Gainesville Hospital after treatment for a back ailment.

Mrs. Henry Huchton is still a patient at Community Hospital in Sherman but was permitted to spend the weekend at home. She is improving and will probably be dismissed this weekend.

Five-year-old Marcella Streng of Lindsay has a broken left arm since falling out of a swing during play at her home. The break, just above the wrist, is knitting normally but the cast will have to stay on three weeks more Marcella is the daughter of Mr. and Mrs. Lawrence Streng.

Good news for Mrs. Clarence Wilson Saturday was her doctor's telling her she's through with checkups. And the Dallas specialist dismissed her. Mrs. Wilson is walking without help now for the first time in about nine months. The injury that had her doctoring was a broken hip sustained last December.

Dennis Hess has a broken right leg at the ankle, the result of being kicked by a cow Sunday morning while doing the usual chores at the farm of his parents, Mr. and Mrs. Al Hess. The break is in a steel cast and Dennis returned to classes Wednesday on crutches . . . but he'll be out of the Tiger lineup for the rest of the season.

Mrs. Andy Monday took little daughter Shirley to Fort Worth Tuesday for a check-up by a bone specialist. Shirley still has to keep her leg brace on over night but is free of it during the day.

Reports on Mrs. Rudy Hellman continue favorable. Recovery is a slow process but it's steady. She has to use the breathing machine only occasionally now. She's eating better. And her injured shoulder has been in traction this week.

Mrs. Mary E. Felderhoff is a patient at Gainesville Hospital, Lindsay Street, for examination, tests and observation. She entered the latter part of last week for eight to ten days of hospital care.

Leo Rohmer continues as a patient at Gainesville Hospital, Lindsay Street.

Endres Invites Entries in Ford PP&K Competition

Endres Motor Company announces this week that it has started accepting applications in the second annual nationwide Punt, Pass & Kick competition sponsored by Ford Motor Co.

All grade school boys from 7 through 11 are eligible to enter the contest and can register by appearing with their dads at Endres Motor Co. Registrations will be open through October and the local contest will be held on Saturday, Nov. 3.

Separate contests will be held for the five age groups on the contestants' ability to punt, pass and kick footballs, and the top scorers of each group will receive a warm-up jacket, a football helmet and an autographed football as first, second and third prizes.

Scores of local contests will be considered in picking area winners who will receive all-expense paid trips to a National Football League game in their area and further competition for Eastern and Western division honors. Winners in each division and their parents will receive a trip to Washington and the White House.

Any details concerning the competition will be explained at Endres Motor Co.

A penny will hide the biggest star in the universe if you hold it close enough to your eye.

Formal Opening Of Dress Factory Postponed

The formal opening of the Muenster Dress Factory's new building will not be held next Sunday as originally planned. The date will probably be Sunday, October 28.

Mrs. Louis Roberg explained Thursday morning that two factors account for the postponement. First, the owner, Sam Raden of Dallas is in New York now and cannot get back in time. Secondly, moving is a big and tedious job, and there is a strong possibility that equipment will not be completely moved and properly arranged by Sunday.

BIRTHS

Mr. and Mrs. Jerry Hoenig have announced the birth of their daughter Pamela Kay, eight pounds two ounces, who arrived 6:25 a.m. Saturday, Oct. 6, at Gainesville Hospital. She's a sister for Wilma, Billy Joe and Donna Marie and a grandchild for Mr. and Mrs. Joe Hoenig and Mrs. Sophie Stoffels. Pamela Kay was baptized Sunday afternoon with her uncle and aunt, Mr. and Mrs. Pete Stoffels of Lindsay as godparents. Father Alcuin officiated.

Mr. and Mrs. Raymond Barnhill have announced an eight pound four ounce son born at Gainesville Hospital Thursday, Oct. 4, 3:38 a.m. They've named him Carroll Wayne. He has four brothers, Monte, Gary, Randy and Jimmy and two sisters Brenda and Karen. His grandparents are the John Grewings and the E. S. Barnhills.

Mr. and Mrs. Eddie Fleitman welcomed a seven pound ten ounce boy Wednesday, Oct. 3. He checked in at Gainesville Hospital at 12:15 a.m. Happy over having a baby brother are Allen, Leonra Jean and Mary Lou . . . especially Mary Lou who tells about the little brother being a present birthday for her. He was born on her sixth birthday. The newcomer has been named Larry Wayne. At the christening service Sunday Mr. and Mrs. Henry Felderhoff were godparents for their nephew. Father Alcuin officiated. The baby's grandparents are Mr. and Mrs. Al Fleitman, and Mr. and Mrs. Joe Bauer of Gainesville. And there's a great-grandmother, Mrs. Catherine Henzler of Pilot Point.

It's a little boy for the Rupert Hoenigs of Carrollton — the sixth son in the all-boy family. He arrived Monday, Oct. 8, 9 p.m. at St. Paul's Hospital, Dallas, weighing in at nine pounds ten ounces. His grandparents are Mr. and Mrs. Joe Hoenig, and Mr. and Mrs. Ted Neu of Gainesville. Mrs. Jos. F. Neu of Lindsay is great-grandma again. Bobby, Gary, Danny, Steve and Scottie are the brothers.

Mr. and Mrs. Freddie Neu, Rt. 4, Gainesville, are parents of a daughter weight six pounds 12 ounces born at Gainesville Hospital Saturday, Oct. 6, 11:49 a.m. She's seventh in the family and is another grandchild for the Bill Neus and the Henry Luttmers of Gainesville.

Tigers to Meet Wildcats Friday At Callisburg

The Tigers know they are taking on a big assignment Friday night when they go to Callisburg looking for their fourth win of the season. Game time will be 7:30 p.m.

As Coach Adam Wolf sees it his boys face an up-hill struggle, but they have a chance. Callisburg has been going strong this season, looking especially good in games with Gainesville B and Ardmore B. Though somewhat lighter than last year, the Wildcats seem to have more speed and will be a serious threat on every play of the game.

Sacred Heart, on the other hand is definitely stronger than last year's team, which was clobbered badly by Callisburg. The game should be close, with the Tigers possibly springing a surprise.

One vacancy in the lineup is likely to hurt the Tigers. Pat Klement, hard working halfback, will be out nursing an arm injury received in practice Monday. Other team members will be ready to go.

Deaths Takes Two Davidson Brothers Within Two Days

Two brothers, Walter H. and James C. Davidson, died within two days, the former on Oct. 6 in a Cleburne hospital, the latter Oct. 8, in Gainesville Hospital.

Walter Houston Davidson, 72, had resided in Cleburne since 1933. His death followed a long illness.

J. C. Davidson, 84, long-time Valley View resident, had also lived at Hood and Myra.

Both were natives at Exeter, Mo. Funeral services for Walter Davidson were held Sunday at 3 p.m. in Cleburne. Survivors include his wife, the former Mary Mathis of Cleburne, one daughter, three sons, three step-sons, 12 grandchildren and five great-grandchildren.

J. C. Davidson's funeral was conducted Wednesday at Valley View Methodist Church with burial in Rest Haven Cemetery under direction of George J. Carroll and Son Funeral Home.

His wife, the former Lillie Mae Purcell of Hood, died in 1956.

Survivors include two sons, two daughters, 11 grandchildren and two great-grandchildren.

Survivors of both are one brother, W. F. Davidson of Marysville, and three sisters, Mrs. J. N. Shaw of Marysville and Mrs. Myrtle Blount and Mrs. Emma Breckenridge, both of Gainesville.

Another brother, Allan Davidson of Fort Worth, died last August 15.

Wolf Rampages As Tigers Blast Bowie B 34-12

The Tigers of Sacred Heart went on a scoring spree last Thursday and trimmed Bowie's B team 34-12.

It was a big night especially for Johnny Wolf, returning to the lineup after an absence of three games. Besides handling the quarterback chore he personally accounted for most of the team's gains.

Bowie's frequent fumbles also helped the Tigers. There were five of them, some conveniently close to the goal line.

On the opening kickoff Sacred Heart made a good start returning the ball to midfield, then followed with a nice drive that ended with a fumble on the 6. Four plays later Bowie kicked and the Tigers moved back to the 10 where they lost possession after their drive fizzled. The next play changed that, however, as Jim Otto recovered a Bowie fumble on the 8. Three tries produced the TD, Frank Schilling going over from the 1. Wolf's run added two points.

On the third play of the second quarter Schilling's recovery of a Bowie fumble put Sacred Heart in business again, on the 21. Four plays reached the 8 and Dennis Hess went over from there.

With four minutes left in the half, Pat Klement snared a (Continued on page 5)

Cubs Run Over Mustangs 40-0

The Sacred Heart Cubs rambled on to another lopsided victory last Sunday in their second encounter with the St. Mary's Mustangs of Gainesville. The final count was 40-0.

All the way the game followed a definite pattern. The Cubs would stop the visitors' efforts, then move down the field to a touchdown.

First to score was Larry Hess. He got away for 35 yards and Leon Endres passed to Doug Otto for two additional points.

Next one resulted from a 55 yard drive completed mostly in two big plays. Tommy Hess ran for 25 and Leon Endres passed to Doug Otto for 25 and the touchdown. The half ended 14-0.

Opening the next period Larry Hess returned the kickoff to St. Mary's 35, Tommy Hess ran for 10 and the same pass combination made the last 25.

A drive from midfield produced the next TD. Terry Wimmer went 15 for the 6-pointer and Wayne Klement followed over for a 2-pointer.

Jerry Otto's 10 yard run completed the 45 yard push for the next score.

Finally a blocked kick on St. Mary's 10 gave Sacred Heart a set-up for another TD. Tommy Hess made it on the first play.

City to Vote on Bond Issue for Improvements

Qualified voters of Muenster will decide Saturday on whether the city council shall be authorized to issue bonds in the amount of \$175,000 for improvement of water and sewer facilities and the city streets.

Three separate issues are to be voted upon: a \$75,000 revenue bond for waterworks improvement and extension, a \$50,000 revenue bond for sewer system improvement and extension, and a \$50,000 bond for street improvement.

In ordering the election the council explained that the bond issue, if approved, will not require an increase in water and sewer service charges nor an increase in tax rate. The present revenue from water and sewer service, which is used currently for year to year improvement, is more than sufficient to pay off the bonds as they come due. Likewise street improvement bonds can be paid on schedule on the city's current street improvement budget.

The council also explained its twofold purpose in seeking the bond issue. Some improvements are urgently needed now and cannot be financed except by a bond issue. Also substantial savings are possible if the city can follow a long term plan, thereby avoiding many temporary installations.

Persons qualified to vote are those who live in Muenster, have property rendered on the tax rolls, and have a current poll tax receipt.

The election will be held in the city hall Saturday, Oct. 13, 8 a.m. to 7 p.m. with C. F. Gobble as election judge.

Meeting to Talk On Organizing Campfire Girls

In the interest of learning more about the Campfire Girls, their program of activity and their goals, an open meeting is set for Tuesday night, Oct. 16, in the public school auditorium, after novena devotions.

Especially invited to attend are parents of girls in grades two through 6.

Mrs. Joann West, Campfire Girls counselor from Gainesville, will explain the organization and answer questions.

Muenster Leads County Banks in Percentage Gain

Muenster State Bank in its statement of condition as of September 28 again leads all banks of the county in percentage of growth for the past year. The new deposit figure is \$3,867,087.45, an increase of \$514,227.20 or 15 per cent over last year's deposit.

Biggest actual increase in the county is shown by First State Bank. It gained \$961,801 bringing the deposit to \$10,487,417.30, a gain of slightly more than 10 per cent.

Gainesville National and Valley View National also showed increases, though somewhat smaller both in amount and in percentage.

Total deposits for the four banks increased \$1,928,891.62, a percentage growth of just over 9 per cent, to the present figure of \$22,996,560.80.

In loans the Muenster bank shows the biggest increase of the county. The total now is \$1,756,200 a growth of over \$75,000. First State's loans, now \$4,786,082, increased by \$60,000. Valley View loans gained \$33,000 and Gainesville National dropped by \$18,000. Total loans of the county are \$9,343,834.40.

SYNONYMS FOR SOCIALISM

"Social progress" or "social reform" or some other pretty sounding phrase, is used by the mis-named liberals as a substitute for the word socialism, which they are working toward in the United States. By clever devices they seek to create distrust of private enterprise, the capitalistic system, and the profit motive, the

foundation on which our U. S. economy rests. Our government itself is the greatest beneficiary from profits through its tax take.

Mr. Khrushchev has boasted that we will destroy our private enterprise system from within by accepting the socialistic doctrine piece by piece — then we will be ripe for the takeover.

That fate will be up to our people themselves. If they sanction, through their elected representatives, the continued extension of government ownership of business and industry, they will set the trap that will ultimately crush their liberties and individual opportunity.

Looking at the world today the handwriting is as plain as the nose on your face — we will uphold our representative form of government, our profit system, and our individual property rights — or we will go down the socialistic drain along with the other subjugated nations.

Fire Prevention Today's Challenge

'Round the calendar and 'round the clock, fire strikes an average of over 1,000 American homes every day. Some are serious. Some are inconsequential. But every fire means a loss.

Fire takes lives, too. Last year there were 11,700 fire fatalities in the United States. And more than 70,000 persons were injured in fires.

Fire plays no favorites. It hits where it is least wanted and least expected. Last year there were serious fires in hospitals, schools, nursing homes, and churches, as well as in private dwellings.

Many of these fires should never have happened. The National Board of Fire Underwriters reminds us that three-fourths of all fires are the result of carelessness, and with a little care we should be able to reduce our mounting fire toll. And mounting it is.

Last year fire losses totaled \$1,209,043,340, the greatest dollar loss in history and an increase of 9.1 per cent over the preceding year. It was the fifth year in a row in which losses exceeded the billion dollar mark.

Your Efforts Are Needed

The efforts of every citizen in the nation are needed in the drive for fire safety.

You can join the drive in many ways:

1. After you have smoked a cigarette, make sure you extinguish it.
 2. Keep matches out of the reach of children.
 3. Never leave small children alone. If you must leave children, ask an adult to stay with them or employ a qualified baby sitter.
 4. Never strike matches or carry lighted matches or candles in closets, or attics.
 5. Keep electrical appliances in good repair.
 6. Make sure your electric fuse box contains fuses of the proper amperage.
 7. Never smoke in bed.
- If we all do our part we can keep fires from happening.

\$100 MILLION FRITTERED

So congress has authorized the purchase by the U. S. of \$100 million in United Nations bonds — your money down the drain of a lost cause. The United Nations is now under control of the have-not nations, and Uncle Sap is proving to really be a sap by financing a dream that has long since developed into a nightmare. Why is the U. S. buying \$100 million U. N. bonds? Because other members refused to pay their share. That \$100 million would buy ten thousand \$10,000 homes for Americans. Or 20,000 luxury automobiles. Or 100,000 good used cars. Or 200,000,000 pounds bacon. Or one billion 10c candy bars. Or two billion packs of chewing gum. But what is money to Uncle Sap? Just something to fritter away, and U. N. bonds are just as good a fritter as most things our elected representatives can think of to fritter away with.

New Address First Time in 56 Years

For the first time in 56 years Mr. and Mrs. Joe Swirczynski are living in a different location. They moved during the weekend from the farm where they set up housekeeping after their marriage in 1906 and are settled in their new home on E. Sixth St., across from Sacred Heart Church.

Helping them move were their children from here and their daughter Rita, Mrs. Townsend Miller and daughter Melody of Austin who spent the weekend.

Also at different addresses are the Joe Russells and the Ludwig Kieningers. The Russell family occupies the former Herman Fette home and the Kieninger family is in the place vacated by the Russells.

In another move, Muenster lost Mr. and Mrs. Walter Bartell who are at Pilot Point now... address Rt. 1, Tioga. They moved during the weekend to the family farm which he will operate since the death of his father, Frank Bartell, recently.

Mr. and Mrs. Damian Hellman and children of Irving were Sunday visitors with her parents, the Leo Henschels.

Miss Schilling and Billy Dangelmayr Married at Mass

—Boyd and Breeding Photo

Away on a California honeymoon are Mr. and Mrs. Billy Joe Dangelmayr who were married Saturday, Oct. 6, in Sacred Heart Church.

The bride was Miss Charlotte Schilling before the 11 a.m. nuptial mass and double ring ceremony. Her parents are Mr. and Mrs. Frank Schilling. The groom's parents are Mr. and Mrs. Herman Dangelmayr. Father Aleuin Kubis was officiating minister.

Mr. Schilling escorted his daughter to the altar and gave her in marriage. She wore a floor-length gown of white peau d'ange and Chantilly lace. The princess bodice of lace was designed with a scalloped neckline and long tapering sleeves. The shaped skirt with a back pouff and aisle-wide chapel train was enhanced with lace appliques embroidered in seed pearls.

The bride's veil cascaded in tiers from a queen's crown to elbow length and she carried a white orchid surrounded by pom-pom mums and stephanotis atop her prayer book, a gift from the groom. Her only jewelry was a gold chain and cross belonging to her grandmother, Mrs. Henry Streng, and was worn as something old and borrowed.

Bride's four attendants were her sister, Mrs. Tommy Herr, matron of honor; groom's sister, Miss Betty Ann Dangelmayr; a cousin Miss Judy Dangelmayr and Miss Deborah Schilling another sister of the bride, bridesmaids. Their costumes were identical: beige brocaded dresses with boat

necks, elbow sleeves and bell shaped skirts, and bronze pillbox hats. They carried bronze mums.

Paul Dangelmayr was his brother's best man. Other attendants were Donnie Trubebach, Frank Schilling Jr. and Joey Dangelmayr. Tommy Herr and John Dave Fleitman ushered.

Before mass, Mrs. Norbert Walterscheid and Mrs. Dennis Hofbauer presented a vocal duet "Heart of Jesus," and after the service Mrs. Walterscheid was soloist for "Mother at Your Feet" while the newly married pair went to the Blessed Virgin's shrine and the bride placed a bouquet of white gladioli on the altar. Anthony Luke was at the organ and the men's choir sang the mass. Acolytes were Alcuin Schilling, Sammy and Mike Endres, cousins of the couple, and Glenn Trachta and Leon Endres.

Wedding luncheon was served in the home of the bride's parents following mass. The bridal party and immediate members of the two families were guests. The wedding reception was held in the Parish Hall beginning at 4 p.m. and over 300 guests were present. After a cocktail hour they served themselves from a banquet smorgasbord. Wedding dance was in the VFW Hall.

Miss Yvonne Pannell of Dallas and Miss Patsy Streng presided at the guest book. Mrs. Joe Lehnertz catered and Misses Cynthia Wimmer and Loretta Schmitt served the wedding cake. Misses Joyce Hacker, Carol Wimmer, Agnes Eckart, Frances Walterscheid and Alice Walter displayed gifts.

For her daughter's wedding Mrs. Schilling wore a taupe sheath, mink pillbox hat and matching accessories. Mrs. Dangelmayr, mother of the groom, wore a dark brown sheath with matching accessories. Both had bronze mum corsages.

When Mr. and Mrs. Billy Joe Dangelmayr return from their California honeymoon they will be at home on a farm south of Muenster. For travel the bride wore a brown and gold knit suit with mink hat and brown accessories.

Both are graduates of Sacred Heart High School and he attended Texas A&M College and South West College in San Marcos and was a member of the National Guard serving with the 49th Division at Fort Polk.

Among out of town wedding guests were Mrs. John Schilling of Houston, Mr. and Mrs. A. J. Schilling and son Johnny of Crowell, Mrs. Joe Pelzel and Alois Pelzel of Pilot Point, Mr. and Mrs. Joe Pelzel and children of Denton, Mr. and Mrs. Earl McDaniel and children Jimmy, Kathy and Peggy of Richardson.

Paul and Yvonne Pannell, Linda Thomas, Mrs. Ed Smith, Mrs. John Phillips and family, all of Dallas; Mr. and Mrs. Ed Hennigan of Whitesboro, Mr. and Mrs. Dewitt Dumas and family of Carrollton, Messrs. and Mmes. Norbert Felderhoff, Leo Felderhoff, J. T. Hudgins and Mrs. Don Hudgins of Gainesville, and Alice Walter, Joyce Hacker, Carol Wimmer, John Dave Fleitman and Clarence Bayer of Dallas.

The rehearsal dinner for the bridal party and members of the two families was held at Rohmer's Restaurant.

Wilma and Billy Joe Hoenig are visiting their grandmother, Mrs. Sophie Stoffels at Lindsay this week and Donna Marie Hoenig is having a visit with the Ed Sickings.

Mr. Luke is also a graduate of NTSU and is a senior student at the University of Texas Dental School. His fraternities are Lambda Chi Alpha and Psi Omega.

The engaged couple is planning a December 29 wedding at nuptial mass in Sacred Heart Church in Wichita Falls. A reception will be given at the Woman's Forum.

Hornets Win ---

Chico, and again by Muenster, and the Dragons seemed to be on their way. Seven plays gained 34 to the Hornet 13 and the next four plays lost 2 yards.

Finally the Hornets got going again and did not stop until they finished the job. In 11 plays they moved with complete authority to finish the 85 yard push. Wimmer scored from the 12.

In the closing minutes an interception and 25 yard return by Whitt started the Hornets goalward again. But time ran out as they got to the 10.

Tigers Win - - -

Bowie pass and set up the Tigers on the 26. Wolf went all the way on a nice dodging and twisting run through the middle. The half ended 20-0.

Early in the third quarter Virgil Hess went all the way on a pass from midfield but the play was penalized for improper procedure. Shortly after that a similar effort backfired, but good. Hess just tipped the ball and it drifted easily to the waiting hand of John Durall, who made like a jackrabbit for 62 yards and a score.

That was followed by another Tiger drive mostly by Wolf. Total distance was 73 yards in 8 plays. He carried on four of those for 49, including the 10 yard scoring run around end. His pass to Virgil Hess made the score 28-6.

Then it was the Rabbits' turn. Facing Tiger reserves they made 64 yards in 8 plays. Martin finished the drive from the 3.

The kickoff return that followed was a beauty. Klement received and handed off to Wolf who won a hot race up the left sideline for about 70 yards to the goal. But it did not count, and by the time a clipping penalty was stepped off Sacred Heart was back to its 16. The next try lost 13 and Wolf elected to kick out of trouble. And what a kick! A sound whack, helped by breeze and a good tumble, finally came to a stop on the Bowie 33. It was good for 64 yards. Three plays later Dale Hess covered a Bowie fumble.

Dennis Hess took Wolf's pass from there and gained 26 to the 6. Next play he went the rest of the way for the final counter.

Toothakers Enjoy Kansas Vacation

A week's vacation for the Lee Toothakers was spent in Westmoreland, Kansas, where they attended the annual birthday celebration of his sister, Mrs. Janie Tibbetts, who was 85. The family gathering has been a yearly event since her 80th. Mrs. Tibbetts has 60 descendants and almost all were present plus her brother and his wife from here and a brother and a sister from Colorado. The celebration was held in the American Legion Hall on Sunday, Sept. 30. Having the most fun of all was the 85-year-old honoree who is still spry and enthusiastic. Westmoreland is Mr. Toothaker's hometown and he saw a lot of old familiar faces while he was there. Mr. and Mrs. Toothaker also visited a number of nieces and nephews.

Schroeder Family Together Sunday

Mrs. Robert Knabe joined other members of her family, the Schroeder clan, in Windthorst Sunday while out of town sisters and a brother where there and they all went to Wichita Falls in the afternoon to visit Father Anthony Schroeder at Bethania Hospital. Mrs. Knabe accompanied Mr. and Mrs. Adam Wolf and daughter Barbara of Gainesville. The family was together in the home of Mr. and Mrs. Carl Lindemann for dinner. Others present were Sister Anacletus and Sister Tarcitia, the former from Clarksville, Ark., the latter from Saint Louis, Mo. Sister Anacletus, a registered nurse, was with her brother during his operation. The two nuns left Monday. Also with the family were Anton Schroeder and Mr. and Mrs. Robert Bokholt and two daughters of Robstown.

Leo Fetsches on European Air Tour

Mr. and Mrs. Leo Fetsch of Rhineland — she's the former Emma Hoenig of Muenster — are on a three-week flying tour of Europe. They left Saturday from Dallas in company of others from Windthorst and Wichita Falls and area. Mr. and Mrs. Fetsch will visit their son Jimmy who is stationed in Karlsbruch, Germany, and hope to secure a general audience with the Holy Father while in Rome. They also plan to visit Mrs. Bernard Brummer at Wietheim, Germany. Mrs. Brummer acknowledged several CARE packages sent to Germany during World War II. Mr. Fetsch gave the trip to his wife as a Christmas present.

Also on the tour are Mr. and Mrs. William Weinzapfel, Mrs. Magdalena Lindemann and Mr. and Mrs. Ted Wolf all of Windthorst. Itinerary includes New York, Amsterdam, Munich, Venice, and Rome. Then Lisbon, Fatima, Barcelona, Paris and Lourdes. They will visit Luxembourg before returning via Amsterdam.

Club to Sponsor Square Dance at Forestburg Oct. 12

Horse fanciers at Forestburg recently organized a riding club and have participated as a group in several events. The club has 29 members with horses.

The organization announced this week that it is sponsoring a benefit event Friday, Oct. 12, to acquire a treasury and welcomes everyone to an old fashioned western square dance and cake walk on the town's concrete slab. Officers of the club are Merideth Houston, president; Mrs. J. M. Dunn, secretary-treasurer; Cecil McCandless, arena director; Mrs. John McCandless, program chairman and Mrs. Ben Perryman, publicity chairman. Members rode in rodeo parades at Saint Jo, Decatur, Gainesville, Henrietta and the Chisum Trail Roundup.

smooths bumps better than a bulldozer

If all roads were superhighways, Chevrolet's remarkably smooth and silent ride might be just another luxury. But as most town and country roads will demonstrate, this is one Chevrolet advantage that's mighty easy to get excited about. (The way those four deep-coil springs put the kibosh on bumps, you'd almost think Chevrolet was working for the highway commission.) The '63 Bel Airs, Biscaynes and Impalas are equally easy going on upkeep. Brakes are self-adjusting. New Delcotron generator s-t-r-e-t-c-h-e-s battery life. Of course you wouldn't. You realize how important it is to know your doctor and discuss your health problems with him face-to-face. It is equally important to know your pharmacist—to meet him face-to-face, as you do at this Pharmacy, and talk to him about dosage directions and other pertinent information. ORDINANCE NO. 93

An Ordinance confirming the action of the City Council acting under the police powers, as hereinafter ordered the erection of traffic signal lights as designated and the creation of a one way street in and along certain streets within the City of Muenster, Texas, and after its passage, and the establishment of the penalty for violation.

WHEREAS, upon complaints from the citizens of the City of Muenster, and acting for the benefit of the public safety and the proper control of traffic within the limits of the City of Muenster, and

WHEREAS, the City Council has heretofore ordered the erection of two additional traffic signal lights to be placed at the intersections as herein designated for the safety and protection of the public and the citizens, and

WHEREAS, the City Council has heretofore, for the public safety, convenience, and the necessity of regulating the safe movement of traffic in and along certain congested streets within the city, designated such street or streets as One Way traffic only, and

WHEREAS, the public welfare, safety and health of the citizens shall create an emergency, the rules requiring the several readings of Ordinances is hereby suspended and declaring this Ordinance to be effective upon its passage is hereby adopted. NOW, THEREFORE, BE IT ORDAINED, that

SECTION 1. It is duly ordered that a Traffic Signal Light be erected at the intersection of Main Street and Sixth Street, and a Traffic Signal Light be erected at the intersection of Division Street and Hickory Street intersections; that these traffic signal lights be of the same type now in use within the City of Muenster, requiring a "Stop" when such signal is shown to be red.

SECTION 2. It is duly ordered that Sixth Street, beginning at Main Street and continuing to Pecan Street, shall be a One Way Traffic Street, that all traffic movement in and along this said portion of Sixth Street shall move from the West to East only.

SECTION 3. It shall be a violation of this Ordinance to fail to comply with the traffic regulations as herein designated; that it shall be in violation of this Ordinance for any vehicle or pedestrian to fail to stop when the signal light is shown to be Red, or to fail to use Caution when the signal is shown to be amber.

SECTION 4. It shall be unlawful and in violation of the City Ordinance for any vehicle, pedestrian or any traffic to enter Sixth Street as herein designated and move thereon in a Westerly direction.

SECTION 5. PENALTY. Any person or persons violating the herein designated traffic regulations shall be deemed guilty of a traffic violation and shall be subject to the traffic penalties for such violations as are scheduled and in effect within the City limits of the City of Muenster. That the penalties now in effect in the City of Muenster shall hereby apply to the penalties for violations of this Ordinance, and the same is hereby confirmed in all respects.

ADOPTED, PASSED and APPROVED by the City Council of the City of Muenster, Texas, this 1st day of October, A.D. 1962.

AN ORDINANCE NO. 92

An ordinance providing for the safety of the public and the citizens: creating speed zones in and upon certain streets within the limits of the city of Muenster and providing a penalty for the violation thereof.

WHEREAS, a necessity exists to control the movement of vehicles in and upon certain streets within the limits of the City of Muenster, and in particular upon Main Street and Division Streets, an Ordinance is hereby adopted creating a Speed Zone on Main Street and on Division Street as herein designated.

Now therefore, be it Ordained by the City Council of the City of Muenster:

SECTION 1. All traffic and vehicles traveling or moving in or along MAIN STREET shall be regulated as follows:

NORTH BOUND

40 m. p. h. From south city limit to 0.100 mile north of south city limit (0.100 mile).

30 m. p. h. From 0.100 mile north of south city limit to the north city limit (0.915 mile).

SOUTH BOUND

30 m. p. h. From north city limit to south city limit (1.015 mile).

SECTION 2: All traffic and vehicles traveling or moving in or along DIVISION STREET shall be regulated as follows:

50 m. p. h. From west city limit to 0.250 mile east of west city limit (0.250 mile).

45 m. p. h. From 0.250 mile east of west city limit to 0.450 mile east of west city limit (0.200 mile).

SECTION 3 It shall be a violation of the City Ordinance to fail to comply with the traffic regulations as herein designated and to exceed the speeds as herein shown in or upon said Streets within the limit of the City of Muenster; that any vehicle moving in or along said streets in excess of the speeds herein designated shall be deemed guilty of violation of City Ordinance and shall when convicted be subject to the penalties here to for prescribed by the City of Muenster for traffic violations; that the penalties for violations of this Ordinance is hereby confirmed in all respects.

SECTION 4 The provisions of this Ordinance is declared to be an emergency, and this Ordinance shall be in effect upon its final passage and that the rule requiring the several readings is hereby suspended in all respects.

ADOPTED, PASSED and APPROVED by the City Council of the City of Muenster, Texas, this 1st day of October, A.D. 1962.

YOUNG TEXAN FOR OCTOBER—A freshman student at Rice University—James H. Morris of Anahuac—has been named "Young Texan of the Month" for October by the 8,000 Optimist Club members of Texas and the Troy V. Post Foundation. Morris, who last year served as state president of the Future Farmers of America, will receive the Troy V. Post Award, highest youth recognition honor available to young men in Texas. His selection as Young Texan of the Month is the fourth such selection made in a new program dedicated to recognizing and rewarding young men who have exhibited outstanding qualities of scholarship, leadership, citizenship and service to home, school, church and community.

Miss Pat Bayer of Fort Worth was at home the latter part of last week visiting her family, the Martin Bayers.

Visiting this week with Mrs. Wesley Landsfeld and children is her mother, Mrs. Joe Liska of Ennis. She came to Muenster Sunday accompanying the Joe Hoenigs and the Alphonse Hoenigs as they returned from Ennis where they visited the Carl Pelzels and joined them in attending the annual parish bazaar.

Sister Irma Endres came from Wichita Falls Saturday to spend the day with her mother, Mrs. M. J. Endres.

Altar Society of St. Mary's Elects

The Altar Society of St. Mary's Parish, Gainesville, elected officers at a Wednesday morning meeting when 21 members attended the session in the church basement.

The officers elected are Mrs. Henry Schad, president; Mrs. Jack Howard, vice president; Mrs. Royce Trimple, secretary; Mrs. Ronnie Herr, treasurer, and Mrs. Bill Graham, reporter.

Mrs. Willard Kuhn presided and introduced the guest speaker, Mrs. A. E. Wyss of Denton. She was accompanied by Mrs. Joe Pelzel Jr.

Father Richard Sokolski offered the opening and closing prayer.

Get-Together Club Has Party Treat

Members of the Get-Together Club had a special treat for their October meeting when Mrs. R. R. Endres entertained the group in her home. Mrs. Endres is not a club member but has been a frequent guest at meetings and asked the club to her home for the monthly party.

All members attended for three tables of progressive 42 and there was another table of players who were guests for the afternoon.

Mrs. Al Walter led the scoring for top award and Mrs. J. B. Wilde drew the door prize. Mrs. John Kathman, a guest, won the consolation award and the other guests were Mrs. Ben Luke, Mrs. Joe Hoenig and Miss Lena Herr.

The hostess served pie a la mode and coffee after the games.

Mr. and Mrs. Howard Mollenkopf of Denton divided a week-end visit with their parents, Mr. and Mrs. Arthur Endres and Mrs. George Mollenkopf.

Squires Tie at 6 With Windthorst

Lindsay Squires battled to a 6-6 tie with Windthorst Sunday afternoon when they entertained the Spartans on the Lindsay field.

The visitors kicked to Lindsay, Robin Lutz caught the ball and carried it to midfield. On the next play Lutz got the ball again and ran around end for the first touchdown. Extra points failed.

Next Windthorst worked across the field on downs and the Spartans' fullback went over for a marker. The bonus points missed and the score was knotted at 6 at the end of the first quarter.

The rest of the game was a see-saw in mid-field with nobody getting away to pay dirt. The Spartans and Squires tied the score 0-0 in their first game of the season.

Debbie Beyer, 5, daughter of the Frank Beyers, has the cast off her leg now but is not permitted to put her weight on the foot. She's looking forward to the day when she'll be walking as usual again. A bone infection is healing normally.

Bezners Surprised At Housewarming

Relatives from Lindsay joined other family members in giving a surprise housewarming for Mr. and Mrs. Bob Bezner and children Stevie and Debbie at their new home in Richardson. The Bezners moved recently from Dallas.

Thirty-three relatives descended on them bringing eats and drinks for the Sunday noon meal an presented gifts for the home. It's a three-bedroom brick with central heat and attached garage.

In the party from Lindsay were Mrs. Joe Bezner, Mr. and Mrs. Joe Bezner Jr. and Mrs. Bruno Zimmerer. The others were from Irving and Dallas.

Bengfort Infant Baptized Sunday

Mr. and Mrs. Leonard Bengfort have named their infant son Joe Robert. His christening was Sunday in St. Peter's Church, Father John officiating and Wilfred and Miss Dorothy Bengfort as godparents for their nephew. Dorothy, a student at the University of Dallas, was at home over the weekend.

Family dinner party was held at noon in the home of Mrs. Joe Bengfort and in the evening the Leonard Bengforts took their baby boy to Muenster for the first time to see his maternal grandparents, the John Herts. They brought their little daughters Connie and Julie back home with them after a two-week visit in their grandparents' home.

Beyer Clan Has Birthday Cookout

A surprise celebration greeted Robert Beyer at his home at Lindsay Sunday when 50 family members gathered to help him observe his 50th. The actual date is Oct. 9 and coming two days early made the party especially surprising.

Those attending came with eats and drinks and had a cookout for supper. Birthday cake an ice cream followed. Gifts were presented.

Joining the honoree and his family were the Lambert Beyers and the Clifford Ottos and their children from Gainesville, the Joe Vogels and Karen, the Richard Swirczynskis and Ferd Luttmers and their families of Muenster, Messrs. and Mmes. Frank Beyer, Frank Sandmann, Raymond Sandmann and families, the Frank A. Sandmanns, Tony Beyer and Mrs. Joe Schmitz, all of Lindsay.

Mr. and Mrs. Gene Pelzel and Michele enjoyed Sunday, spending the day with Gene's folks in Pilot Point, having dinner with his parents, and all of them attending the annual fall bazaar on the churur grounds in the afternoon.

eral that are already over-due, not just anticipated to meet future requirements.

As pointed out last week by Mayor Meurer, the sewer plant's capacity must be enlarged to meet State Health Department standards. And extension of sewer lines is also necessary.

In the water department, well capacity is adequate but distribution is not adequate during peak demand. The system needs another reservoir and additional pumping capacity to keep sufficient pressure. As it is now occasional low pressure is not only an inconvenience to consumers but a hazard if fire should break out at that time. This fault must be corrected or the city will have higher fire insurance rates along with the inconvenience and hazard.

Still other improvements are demanded for better fire protection and lower fire insurance. Fire plugs must be installed in recently developed areas which are not adequately served now. And that, in turn, requires the extension of larger mains to those areas . . . to meet domestic needs as well as safety needs. Also a siren must replace the present whistle as a fire alarm. The state insurance board prescribes it as a better alarm and demands it for continued insurance credit.

Those are the reasons why

NOTICE OF ELECTION
THE STATE OF TEXAS
COUNTY OF COOKE
TOWN OF LINDSAY

To the resident, qualified electors of the town of Lindsay, Texas who own taxable property in said town and who have duly rendered the same for taxation:

TAKE NOTICE that an election will be held in the town of Lindsay, Texas, on the 27th day of October, 1962, on the proposition and at the place more particularly set forth in the resolution adopted by the Town Council calling said election, which resolution is as follows:

RESOLUTION
Calling election on the proposition of the issuance of \$51,000.00 of waterworks system revenue bonds.

WHEREAS, the Town Council of the Town of Lindsay, Texas, deems it advisable to issue the bonds of said Town for the purpose hereinafter mentioned:

Be it resolved by the Town Council of the Town of Lindsay, Texas:

1. That an election be held in said Town of Lindsay, Texas, on the 27th day of October, 1962, at which election the following proposition shall be submitted: "Shall the Town Council of the Town of Lindsay, Texas, be authorized to issue the bonds of said Town in the amount of \$51,000.00, maturing serially in such installments as may be fixed by the Town Council, the maximum maturity being not more than Forty (40) years from their date, bearing interest at a rate not to exceed Six per cent (6%) per annum, for the purpose of constructing a Waterworks System for said Town, to be issued in accordance with and secured in the manner provided in Articles 1111-1118, both inclusive, Vernon's Annotated Texas Statutes, each bond to be conditioned that the holder thereof shall never have the right to demand payment of said obligation out of funds raised or to be raised by taxation, secured by a first lien on and pledge of the net revenues derived from the operation of the Town's Waterworks System and, in the discretion of the Town Council, to be additionally secured by a first lien on and pledge of the net revenues derived from the operation of the Town's Sewer System, if and when a Sewer System is acquired by said Town."

2. That said election shall be held at the Parish Hall in Lindsay, Texas, and Henry Fuhrmann is appointed Presiding Judge at said election, and he shall select two clerks to assist him in holding said election.

3. That said election shall be held under the provisions of Chapter 1, Title 22, Vernon's Annotated Texas Statutes, and the Texas Election Code and only resident, qualified electors who own taxable property in said Town and who have duly rendered the same for taxation, shall be qualified to vote.

4. The ballots of said election shall have written or printed thereon the following: "For the issuance of Waterworks System revenue bonds."

5. A substantial copy of this resolution signed by the Mayor of said Town and attested by the Town Secretary shall serve as proper Notice of said election. Insofar as possible, Notice shall be given in accordance with Article 704, Vernon's Annotated Texas Statutes. A copy of said Notice shall be posted at the Town Hall and at two other public places within said Town not less than fifteen days prior to the date fixed for holding said election. There being no newspaper published within the Town of Lindsay, a copy of said Notice shall be published on the same day in each of two successive weeks in a newspaper published within Cooke County and which is of general circulation within the Town of Lindsay. The date of the first publication of said Notice shall be not less than fourteen days prior to the date set for said election.

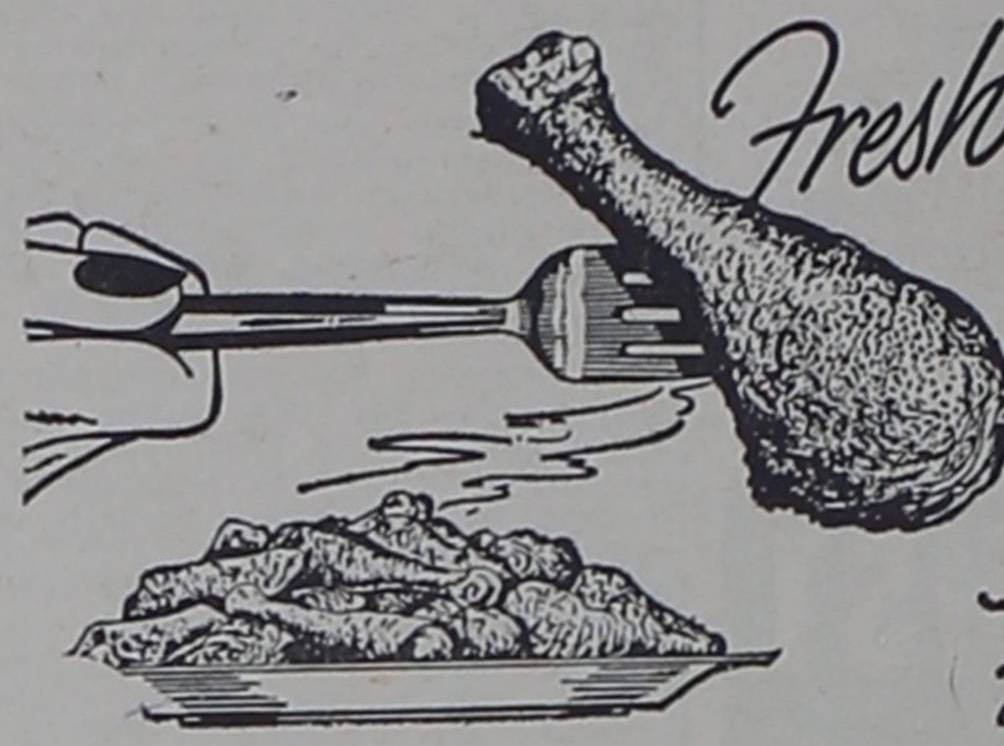

ADOPTED AND APPROVED this 10th day of October, 1962 (SEAL) Joe Bezner, Mayor, Town of Lindsay, Texas.
ATTEST: Rudy Dieter, Town Secretary, Town of Lindsay, Texas.

the city council, after careful study of its needs, strongly recommends a favorable vote in Saturday's election. It sincerely believes that Muenster people will get a good deal in a

bond issue which does not require higher service rates or higher taxes, and which offers strong possibilities for savings and other benefits which exceed other benefits. Above all,

it wants all citizens to know that several improvements, already desperately needed, cannot be financed without additional funds such as the bond issue will provide.
