NUMBER 49

The most welcome news in many years is President Kennedy's announcement Monday night of our government's decision to blockade Cuba as a means of halting extension of Soviet power in this hemisphere. An overwhelming majority of Americans is solidly behind the president in this matter, firmly determined to face whatever consequences may develop, and even aware that this could possibly be the beginning in that final global showdown between freedom and communism.

Most of them believe, however, that this will prove to be the way to peace rather than to war. As things were going Russia was advancing its power by leaps and bounds. If permitted to continue unchecked it would have built up an awful potential, held like a dagger at the throat of all America. At this stage our government believes that Russia has not advanced far enough to defy our decision. So it's safer to show a firm hand now on the chance that prudence will prompt the Soviets to back up.

And even though this should lead to war, we still have to admit that it is the best course. Our chance of winning is better now than it would be after the reds complete their aggressive preparations.

Another factor here is that we are taking a strictly defensive stand and holding Russia responsible in case hostilities should break out. We are giving them the opportunity to discontinue and reverse their aggressive policy with a clear assurance that they will be permitted to do so peacefully. Our method is to stand on guard to prevent Soviet military buildup. If Russia abides by that method there will be no trouble.

The great tragedy about this affair is that it was delayed so long. Cleaning up the mess is a major undertaking now whereas it could have been handled easily if our leaders had acted as soon as they learned what was going on. The signs were there plain for anyone to see as soon as Castro took over the island and started throwing his weight around. Conditions had already become intolerable and evidence of Soviet take-over had already become obvious at the time we helped the Cuban nationals in their ill fated invasion . . . and betrayed them by cancelling promised air support. It's been a sad mess so far, but now that we've finally come to our senses the government deserves our complete support.

We can derive some satisfaction also from the fact that the President went directly to the source of trouble in spelling out his ultimatum. He pointed his finger at Khrushchev, not at Castro. He also warned that a missile from Cuba to any of the Americas will be regarded as an attack by Russia on this country and retaliation therefore will be directed to Russia rather than Cuba. That warning should have a sobering effect on the red boss, who in the past has had the comfort of letting other countries endure the rough stuff while his country extended its empire. This time it's different. Big K will bring destruction to his own country if he triggers a war.

News of the Cuban situation has obscured another red conquest which also deserves our country's consideration. Some may say that Nehru is getting his due as China invades India . . . after his shabby record as a pro-communist "neutralist." That's the thanks he gets from them after they are through using his support.

In relation to this conflict, let's remember that Chinese Nationalists have been itching for many years to get back on the mainland and help their countrymen drive out the red bosses. During all that time our country has been principally responsible for holding them back.

Now it seems that odds are getting stronger in favor of the Nationalists . . . as the reds fight a war in India and famine at home. In keeping with our new determination to face up to communism, why don't we offer some long delayed help and encouragement to the Nationalists?

In our excitement over the Cuban situation let's not forget that a general election is just around the corner. Also, in our satisfaction over the government's eventual decision to take a firm stand, let's remember that lots of other developments in Washington the past two years have been far (Continued on page 8)

Proclamation

WHEREAS, November 1st is recognized throughout the Christian World as All Saints Day, and,

WHEREAS, All Saints Day is observed in this community by special church activities,

NOW THEREFORE, Be It Known that the City of Muenster, hereby proclaims and recognizes the first day of November as a day of worship, and respectfully requests that business establishments of the City of Muenster cooperate in commemorating this Holy Day by closing between the hours of 2 and 3 p.m.

Herbert Meurer, Mayor

MAN WITH A HEART award is presented to Lambert Bezner, in recognition of his services as 1961 chairman of the Cooke County United Fund drive. Horace Thornburg of Community Public Service makes the presentation.

One Candidate Filed to Date in City Election

Up to Wednesday noon Gene Hoedebeck is the only person to file as a candidate in the city's special election for an alderman next Tuesday, October 30. However, others can still get their names on the ticket by filing with the city secretary any time Thursday.

Names must be filed before the deadline to be printed on the ballot.

The election was called by the city council to fill the vacancy caused by the death of Rudy Hellman. It will be held in the city hall next Tuesday from 8 a.m. to 7 p.m. with C. F. Gobble as judge and L. A. Bernauer as clerk.

Hornets Wallop Callisburg 26-8 In 10-B Opener

The Hornets played lots of football Saturday night before a proud and enthusiastic homecoming crowd while bumping Callisburg's Wildcats 26-8 in the opener of their 10-B district schedule.

That puts the MHS team out front with Valley View and Era as winners of the first week of conference competition. Valley View edged Sanger 7-6 and Era took Saint Jo 14-8.

The Hornets were at their season's best as they moved consistently on the slashing attacks of Weldon and Donnie Vogel and Roy Wimmer. And they looked equally as good on the stout defense of their forward wall which held the visitors practically helpless for most of the time.

The big part of Callisburg's yardage came in one long run and one sustained drive. Shortly after Muenster's first TD Dwayne Bacon got away on a 61 yard scoring romp. And just before the end the Wildcats made four straight first downs for 52 yards against the Muenster reserves.

Starting the game Muenster allowed the Wildcats 10 yards then recovered a fumble and headed for the first touchdown. They made the 30 yards in nine plays and Don Vogel scored from the 1. Wimmer's run around right end added two points.

After the next kickoff Callisburg made 5 on two tries and Bacon took off on the long scoring run. Ward plowed over for bonus points knotting the count at 8-8.

Recovery of another fumble shortly after that got Muenster started again. That push made 55 yards on eight plays the big gainers being a pass from Vogel to Vogel for 29 and 12 yard scampers by each of the brothers. Donnie Vogel made the last yard.

After the next kickoff Muenster forced a kick on the first series and launched a 57 yard march to its third score. Fourteen plays made it and Weldon Vogel scooted right end for 6 yards and the counter.

Opening the second half Muenster made two first downs and failed on the third, and Callisburg did likewise, then Muenster headed goalward again. A penalty gave them a 15 yard start from their 28 and they went on to cover the remaining 57 yards in 11 plays, including another Vogel to Vogel pass for 32. Weldon Vogel went over from the 4 on the second play of the last quarter.

Again the Hornets held on the first series and started moving from their 39. A pass to Monday made 12. Shortly after that a screen pass to Donnie Vogel appeared to be good for a score but he was bumped out of bounds on the 2. Next play went over but a holding penalty nullified the score and moved the ball back to the 17. Two plays later Callisburg intercepted.

With four minutes to go Hornet reserves took over and promptly lost possession on another interception. Callisburg then put on its only steady drive. It gained 52 in 7 plays but ran out of time on the 5.

NEWS OF THE SICK

Mrs. Werner Endres continues improving and is permitted to have company now. She's a patient at Gainesville Hospital, Lindsay Street. Doctors haven't said when she will be dismissed but since Wednesday she's well enough to have visitors.

Mrs. Rudy Hellman continues making progress at Methodist Hospital in Dallas. She has had shoulder surgery — a bone pinning operation.

A note from Father Anthony Schroeder says "Thanks very much for the get-well wishes and prayers. Lots of people must have been storming heaven with prayers for my recovery. I am ready to take some more operations, still full of hope and cheerful. My regards to all." The message came from Bethania Hospital in Wichita Falls.

James Wolf was dismissed from Harris Hospital, Fort Worth, to continue recovery at his home there. He underwent an emergency operation for appendicitis Tuesday a week earlier at 11:30 p.m.

Cubs Win Title In Kids Loop, Beat Lindsay 6-0

The Tiger Cubs of Sacred Heart sacked up the champ title in the North Texas Parochial League Sunday afternoon by edging Lindsay's Squires 6-0.

As a result of it the Cubs have a season record 5-1, the only loss being at Windthorst the Sunday before. Windthorst was runner-up with a record of 2-2-1 and Lindsay was third with 2-2-2. St. Mary's came in last with 0-5. St. Mary's and Windthorst called off their final game, scheduled for last Sunday.

At Lindsay Sunday the Cubs were haunted by fumbles and penalties and succeeded only once in putting on a steady drive. That was at the close of the third and start of the fourth quarters, a 40 yard drive ending in a six yard scamper by Kenneth Stomer.

Otherwise fumbles and penalties stopped their efforts. Three times they let the ball get away, and several times they failed to make up the extra yardage to offset their penalties. One of those penalties nullified a Cub touchdown.

BIRTHS

Happy over arrival of their son are Mr. and Mrs. Henry Grewing Jr. He tipped the scales at 11 and a half pounds at birth 11:15 a.m. Tuesday, Oct. 23. The newborn has one brother, Michael, and three sisters, Terry, Kathy and Carol. The grandparents are Mr. and Mrs. Henry Grewing Sr. of Valley View and Mr. and Mrs. Buddy Reiter. And Mr. and Mrs. J. B. Klement are great-grandparents again.

Proudly announcing their first child, a six pound six ounce daughter, are Mr. and Mrs. Walter Bartell of Pilot Point, until a few weeks ago residents of Muenster. Happy over their first grandchild are Mr. and Mrs. Andy Truelsenbach. And Mrs. Wencil Truelsenbach is great-grandma for the first time. The little girl was born Saturday, Oct. 20, in Gainesville's Richey Street Hospital. She checked in at 6:40 a.m. The baby has another grandmother, Mrs. Frank Bartell Sr. of Pilot Point.

Mr. and Mrs. Henry Schroeder of Lindsay are parents of a daughter born Sunday, Oct. 21, 8:58 p.m. She's a sister for Shelly, Becky and Nickie.

12,000 Report for Final Vaccine in Polio Oral Series

About 12,000 persons reported last Saturday for the third dose in the series of Sabin oral polio vaccines sponsored by the Gainesville Junior Chamber of Commerce in the community center building.

The number is about 5,000 short of those for the two previous doses, and plans are already announced to give them another opportunity next Saturday.

Any person who missed the third vaccine, identified as Type 2, is reminded that the program will be repeated 1 to 5 p.m. Saturday.

Garden Club Will Collect Thursday For Cemetery Fund

The Garden Club's semi-annual collection for the cemetery fund will be held next Thursday, All Saints Day, after all masses at Sacred Heart Church. Following their custom of years past, the club ladies will be at the church doors to accept donations. All members of the parish are urgently asked to remember the collection and bring their donation for it.

Money received is used for cemetery maintenance, which includes the labor for watering, mowing and trimming, also the cost of shrub replacements.

The maintenance is a project taken over for the parish by the Muenster Civic League and Garden Club with Mrs. Tony Gremminger as chairman.

Over 200 Attend Homecoming at Muenster High

One of the most pleasant homecoming parties in the history of Muenster High School was that of last Saturday night. It featured a good attendance, good dinner, good program and a good game.

About 200 persons, including an extra big ratio of exes from out of town, came for the turkey banquet honoring the grads of ten years ago. Seven of the eleven in that class were there. They are Marcy Wimmer Klement, Jeanette Fisher Gallo way, Florence Henscheid Kelley, Henry Weinzappel, Damian Hellman, Roger Wolf, and Gerald Walterscheid. Also present was the class sponsor Mrs. Frances Mitchell and the superintendent of that year, Weldon Cowan.

Henry Weinzappel was master of ceremonies at the dinner and called on Mr. Cowan to present gifts to the returning grades of '52.

Equally delightful was the football game in which exes had the pleasure of seeing their Hornets in an inspiring performance and a 26-8 win over Callisburg.

During half time Sandra Cain was crowned as the 1962 Hornet football queen. She had been chosen earlier by vote of the football players and her identity was kept secret until the crowning ceremony by Co-captains Robert Klement and James Whitt. She also received a bouquet from Ex-Student President Henry Weinzappel.

Runners up for the queen title were Peggy Hellman, Debbie Fette and Sharon Klement. They received corsages from other officers of the Exes, Mmes. Charles Fisher, Harry Scoggins and Joe Galloway.

Escorts for queen candidates were three brothers; C. J. Hellman, Milton Fette and Dickie Cain and a cousin, Wilfred Klement. All are ex-students.

Tough Assignment Awaits Hornets Friday at Sanger

One of the two toughest games the Hornets will have in this year's district race is facing them Friday night at Sanger.

Playing Valley View last week the Indians went down for a 7-6 count but not because they were weaker. Actually they were slightly ahead on statistics, and they definitely rate as one of the leading powers of the loop. So there can be doubt that the Hornets will have a big job when they take them on.

Nevertheless Coach Glenn Richardson sees a possibility of springing an upset. His boys have made lots of improvements since the season opened, and are capable of giving the Indians a good battle. With the kind of hustle they've shown before and a few breaks in their favor they can turn the trick.

Two injuries will handicap the team. Virgil Swirczynski will be out of the game with an infected foot and Donnie Vogel will be nursing a bruised rib.

Closer To Home

A transfer brings David Klement close to home. He has been assigned to Grand Prairie after serving in California since last June. He is a member of the Naval Air Reserve. Jerry had a visit at home Sunday with his parents, the J. A. Klements.

Tiny babies are angels. But their wings grow shorter as their legs grow longer.

Leo Rohmer, 78, 70 Year Resident Dies Wednesday

Leo Rohmer, 78, a Muenster resident 70 years, died Wednesday night about 9 o'clock in a Gainesville Hospital after illness that started early in September.

Funeral service will be held Saturday at 9 o'clock in Sacred Heart Church and burial will be in Sacred Heart Cemetery under direction of Nick Miller Funeral Home.

Bearers will be grandsons; Donald Rohmer, Jerry and David Sicking, David and Anthony Wooten and Stephen Pettit.

Rosary services will be held at the Miller Chapel Friday at 4 and at 8 p.m.

Leo Rohmer was born in Herlingen, Mo., Aug. 20, 1883, and had lived here continuously since he was nine years old. He married Miss Anna Koelzer January 7, 1908 and was a farmer all his life. He retired from active farming about five years ago but still tended a flock of chickens and a cow.

Surviving are his wife, five sons; Albert, Arnold, Alois, Urban and Norbert all of Muenster, eight daughters; Mmes. Ben Voth, Werner Becker, Johnny Sicking and Miss Mary Rohmer, all of Muenster, Mrs. Gerald Wooten of Wichita Falls, Miss Martha Rohmer of Los Angeles, Calif., Mrs. R. L. Pettit of Sherman and Mrs. Pat McCallion of Everett, Wash.; 37 grandchildren and six great-grandchildren. One son, Edward died in 1949.

Pilot Point Hosts Christ the King Deanery Service

St. Thomas Parish of Pilot Point will be the host next Sunday to other parishes of the Sherman Deanery for the annual observance of the feast of Christ the King.

The ceremony will be marked by a public demonstration of loyalty and honor to Christ the King with prayers that His Reign will extend to an ever increasing number of people and nations.

Service begins with a solemn procession at 2:30 p.m. Prior to that participants are asked to assemble in parish groups at their designated markers. Fourth Degree Knights of Columbus will form an honor guard for the Holy Eucharist during the procession and church service.

Following procession there will be a sermon by Father Richard Sokolski of St. Mary's Church, Gainesville, and the final event will be solemn benediction with the Blessed Sacrament and consecration to Christ the King.

Parishes included in the Sherman Deanery are Muenster, Lindsay, Gainesville, Valley View, Denison, Sherman, Pilot Point, Denton McKinney and Perrin AFB.

FHA CHAPTER ADDS TEN NEW MEMBERS

Formal initiation ceremonies Tuesday night received ten new members in the Muenster High Chapter of Future Homemakers of America.

Participating in the candle light ritual were Carol Mosman, Nancy Roper, Peggy Hellman, Patsy Arend, Janice Truelsenbach, Rose and Mary Frances Knabe, Dianne Amoroso, Loretta Hope and Karen Coursey.

Twenty-nine chapter members and their sponsor Miss Doris Vavra attended.

In the business session after the initiation, the girls discussed projects they are planning for the year. FHA President Rita Fisher presided.

After adjournment frosted lime punch and sandwiches were refreshments during a social period.

Proposed Amendments

In the general election of November 6 the voters of Texas will have the opportunity of deciding on 14 amendments to the state constitution. For the convenience of people who would like to know the basic provisions of the 14 proposals, the Enterprise offers a brief expansion of

each. This series, presented by the Texas Manufacturers Association, is not intended to endorse or criticize any amendment, but only to inform.

AMENDMENT NO. IV

AUTHORIZING THE WATER DEVELOPMENT BOARD TO PURCHASE STORAGE FACILITIES

For or Against: The amendment to article

III of the constitution of Texas by adding a new section to be known as section 49-d, providing for a state program of acquiring conservation storage facilities in reservoirs.

The resolution proposes to add to the Constitution authority of the Board and the Legislature the right to enact laws permitting the Texas Water Development Board to utilize bond funds already authorized for the purpose of acquiring reservoir storage facilities and to contract with other agencies of government and the United States for the purchase of such facilities. It would limit the authority in the following respects: (1) the amount of such contracts together with the aggregate of bonds outstanding should not exceed \$200,000,000.00; (2) the Board could sell facilities at a price not less than the direct cost to the Board; (3) the proceeds from any sale or transfer must be utilized to retire principal and interest on outstanding bonds, and any excess over the full amount of principal and interest could be utilized for the purchase and acquisition of storage facilities. Such obligations to purchase facilities would become a charge upon the credit of the State, and the Board would be authorized to purchase facilities constructed by the Federal Government on long-term contract.

AMENDMENT NO. V (SEE III)

AMENDMENT NO. VI

PENSION PROGRAMS FOR ELECTED AND APPOINTED OFFICERS

For or Against: The constitutional amendment authorizing retirement, disability, and death benefits for elected and appointive officers and employees of counties and political subdivisions who have served in such capacity for twelve (12) years or more.

This resolution permits counties and any other political subdivision of the State to provide for and administer retirement funds for both elected and appointed officers and employees. The amendment would require a legislative enactment and majority approval of the voters of the subdivision and require that any participant have at least twelve years service, and that the county may not contribute more than five percent of the compensation paid to any participant.

AMENDMENT NO. VII

CONTINUITY OF STATE AND LOCAL GOVERNMENTAL OPERATIONS IN EVENT OF ENEMY ATTACK

For or Against: The constitutional Amend-

ment empowering the legislature to insure continuity of state and local government operations in periods of emergency resulting from disasters caused by enemy attack by providing for the prompt and temporary succession of the powers and duties of public office, except members of the legislature, the incumbents of which may become unavailable.

The resolution provides a new Section 62 to Article 3 of the Constitution to permit the Legislature to provide for "prompt and temporary succession to the powers and duties of public office. . . ." In the event of disasters resulting from enemy attack. It excepts from its provisions the replacement of members from the legislature and provides that the State Bill of Rights would not in any manner be suspended.

AMENDMENT NO. VIII

AID TO PERMANENTLY AND TOTALLY DISABLED

For or Against: The constitutional amendment to establish a ceiling of two million, five hundred thousand dollars (\$2,500,000) per year on the amount that may be paid out of state funds for assistance payments to the totally and permanently disabled.

This resolution increases the present ceiling of \$1.5 million on persons between the ages of 18 and 65 years who are permanently and totally disabled to \$2.5 million annually.

AMENDMENT NO. IX (SEE III)

AMENDMENT NO. X

STATE EMPLOYEES SERVING IN CONSULTING CAPACITIES TO OTHER AGENCIES OF THE GOVERNMENT

For or Against: The constitutional amendment permitting state employees to serve as a consultant or on an advisory committee, or as a member of a public school board provided they are not members of the teaching profession, with a state agency, or any political subdivision thereof, or the federal

administrative head or governing board of such employee and there is no conflict of interest.

Section 33, of Article 16 of the Constitution provides that no person may receive compensation from the state who holds any other office or position of honor, trust or profit under this state or the United States, excepting from the limitation membership in the various components of the organized armed forces of the United States. The resolution proposes to add to the exception that state employees "may serve in an advisory capacity or be appointed to serve as a consultant or on an advisory committee, or as a member of a public school board provided they are not members of the teaching profession . . . with the approval of the administrative head of the State Department or Agency . . . in which such employee is employed and provided there is no conflict of interests."

AMENDMENT NO. XI

RESALE OF UNSOLD LANDS BELONGING TO THE VETERANS' LAND FUND

For or Against: The amendment to section 49-b of article III of the constitution of Texas by adding thereto a provision authorizing the resale of lands of the veterans land fund remaining unsold after having been first offered for sale to veterans, to such purchasers, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now provided by law, or as may hereafter be provided by law.

This resolution does not change the basic provisions of the Veterans' Land Program in any respect, excepting that it provides for the resale of the unsold repossessed lands which have first been offered to veterans and remain unsold. The resolution provides that any resale must conform to the Rules and Regulations as are now provided by law, or as hereafter may be provided by law.

Near Austin, a big truck and a car collided. Total damage to the vehicles was \$35 in cash, but it was fatal: one driver fell from a door smashed in by the crash, rolled under the wheels and was killed. Investigators said a seat belt would have saved him.

Demonstrating new '63 Chevrolet truck features the hard way!

When we came to a river we got wet. This river bed was paved with rocks the size of melons. What a test for new light- and heavy-duty suspension systems this was!

Conventional light-duty units have coil-spring independent front suspension—easier on truck, load and driver.

Users of new conventional medium- and heavy-duty units who have to operate in close quarters are going to like the narrower front ends (up to 7 inches).

New engines, suspensions, frames and narrower front ends show their stuff on Mexico's tough Baja Run!

With months of proving-ground tests under their belts, why did new Chevrolet trucks take on the rugged Baja (bah'hah) Peninsula? This is the toughest line of trucks Chevrolet has ever built. Sending them over the most punishing terrain in North America (a road totally unlike the fine highways on the Mexican mainland) was double proof of this fact. Frames, engines, suspension systems were subjected to stresses far greater than trucks normally encounter. You can be sure that trucks that can handle this kind of beating can handle any kind of work.

All Day Quilting At Popp Home Is Party for Guest

An all-day quilting with dinner at noon, refreshments in the afternoon and supper before the party broke up was held Monday in the home of Mrs. Frank Popp at Lindsay. The get-together honored Mrs. Henry Hennigan, a visitor from Albuquerque, N. M.

It was Mrs. Hennigan's quilt that the group worked on. She brought the top with her and will return the finished quilt to her church altar society to be sold in a benefit for the parish.

Sharing hostess duties with Mrs. Popp were her daughter and daughter-in-law, Mrs. Julius Hess and Mrs. Henry Popp.

Relatives and friends of Mrs. Hennigan from Muenster, Lindsay and Gainesville joined in the day's activity.

They were Mmes. Ben Seyler, Alex Lutkenhaus, T. L. Anderson, John Mosman, Henry Pick, Sophie Stoffels and Henry Kuhn.

While the ladies had their party, Henry Popp took Henry Hennigan fishing.

Mr. and Mrs. Paul Luke and children Ken and Ruth of Dallas visited their families here Sunday. Mr. and Mrs. Mike Luke stopped for a pop call with his mother enroute home to Dallas Sunday evening after spending the weekend at Lake Murray.

Mary McGannon And Gordon Lins Wed In Dallas Rites

Miss Mary Louise McGannon became the bride of Gordon Vincent Lins at nuptial mass Saturday in Holy Trinity Church at Dallas, Father William J. Stack officiating, at 12 noon.

The bride is the daughter of Mr. and Mrs. Edd McGannon of Muenster and the groom's parents are Mr. and Mrs. E. H. Lins of Cologne, Minn.

Mr. McGannon gave his daughter in marriage. She wore a white satin taffeta brocaded dress with bell shaped street length skirt, fitted bodice, boat neckline and long petal point sleeves. Her veil was shoulder length and she carried a white orchid surrounded by white rose buds.

Attending the bride were Miss Peggy Gibbens, maid of honor, and Miss Carolyn Baumgartner, bridesmaid, both of Dallas. They wore royal blue outfits. David Williamson and Leo Martini, also of Dallas, attended the groom.

Wedding reception was held in the Heritage Room at Lucas B&B Restaurant. The rehearsal dinner was Friday night in another Dallas restaurant.

After a wedding trip to Hot Springs, Ark., the newlyweds will live in Oak Park, Ill. She is a graduate of Sacred Heart High and attended Our Lady of the Lake College in San Antonio before accepting a secretarial position in Dallas. The groom is a graduate of the University of Minnesota and the Minnesota Graduate School of Business Administration.

In addition to the bride's parents, other wedding guests included Brother Charles McGannon, C.S.C., of Miami, Florida, Richard McGannon of Houston and Mrs. Tom V. McGannon of Cleburne.

Golden Wedding of Joe Schads Marked With Celebration

Mr. and Mrs. Joe Schad of Gainesville have marked a golden milestone in their marriage. Monday was their fiftieth wedding date.

Observance of the anniversary was Sunday while out of town children could be present. The family was together for dinner at noon — they ate out — and in the afternoon there was a small reception at the Schad home for close relatives. Punch and cake were served and pictures were made. This was a surprise for the honorees.

Attending their parents anniversary observance were Mrs. J. B. Whitaker (Dorothy Mae) and her husband of Fort Worth, Mr. and Mrs. Richard Schad of Dallas, Mrs. Charles Naughton (Mary Jo) and her husband of Gainesville, and Mrs. Frank Felderhoff (Eleanor) and her husband of Muenster. Only one was missing, Air Force Major Paul Schad of Topeka, Kansas.

Mr. and Mrs. Schad are long-time Gainesville residents. They were married there in St. Mary's Church on Oct. 22, 1912. He retired from business in March 1961 after operating a tire shop for many years.

Mr. Schad, 76, is a native of Plainview, Minn., and came to Cooke County with his parents when he was eight years old. Mrs. Schad is the former Miss Cora Lee Bischoff, born in Dade City, Florida, but has been a Gainesvilleite since she was four years old. They have 18 grandchildren.

In Central Texas, a pickup truck occupied by a man and his wife was struck by a fast-moving train. The truck was shoved a quarter-mile down the tracks, impaled on the front of the engine, but did not overturn. The man and wife fell out of the sprung doors and were killed. When it was over, the cab and seat were intact. Investigators said seat belts would have saved both of them.

Spook Carnival Dated for Sunday At Parish Hall

Fun and festivity and spooks, ghosts and goblins are awaiting visitors to the annual Halloween Carnival in the Parish Hall Sunday. Sacred Heart School roommothers are sponsoring the benefit event which begins at 2 p.m.

This fun-filled affair for youngsters and their elders will feature in addition to the carnival attractions and spooks a costume contest for the children with a stage appearance 4 o'clock and a talent show on the stage at 8 p.m. There'll be prizes for winners. And there'll be eats and drinks as long as the carnival lasts.

It's a community party and everyone is invited to attend.

Lindsay Invites Visitors to Spook Carnival Sunday

Lindsay School's annual Halloween Carnival will be held Sunday in the Parish Hall beginning at 6:30 p.m. Members of the Parent-Teachers Club were reminded at their meeting Tuesday night that room-mothers have an impressive program lined up to delight youngsters and attractions of interest to grownups.

Spooks, fortune telling, games eats and drinks and a costume contest are among carnival features. Costumes will be judged at 7:30 and prizes awarded the prettiest and tackiest contestant.

Two displays were noted at the PTC meeting. One was a book exhibit, the other was equipment for Craft Clubbers. A jig saw, two motors and drill kits were shown. These were purchased through the Gold Bond stamp project.

For the program, first graders presented a skit entitled "How to help your first grade child." Sister Ferdinand, teacher, directed the playlet.

Al Bengfort was in charge of the business session and Father John led the opening and closing prayer. Coffee and cake were refreshments after the meeting.

Knights in Front Of District Race, Nip Prosper 28-20

Lindsay's Knights, after trimming the two favored teams of their district now rate as practically a cinch to take the title in the District 9 eight-man loop.

First it was Gunter, and last Thursday night they stepped to the front of league standing by bumping Prosper 28-20.

It was quite a game to watch Lindsay ahead most of the time but never out of danger.

Prosper scored first on an 11 yard scoot by Hamby and failed to add extra points.

Soon after that Leon Neu tied the count on a 39 yard run and Morisak went over for bonus points.

Then Lindsay scored again. Neu went over from the 6 and a pass to Sandmann made it 16-6.

Before the half ended Prosper got close again on a 34 yard scoring pass and bonus points. Lindsay bounced back with a hot attack but fell short by just a yard as the half ended on a count of 16-14.

Early in the third quarter Lindsay extended the lead again on a 22 yard pass to Tommy Zimmerman. Prospect retaliated with a 60 yard run making the count 22-20. And finally Ronnie Zimmerman went for 43 and the last TD.

Visiting Nuns Are Breakfast Guests

Mr. and Mrs. Carl Wiesman entertained in their home in Gainesville Sunday morning with breakfast for his sister, Sister Ann Theodore of San Antonio, a niece Sister Miriam Dorothy of Lindsay, and Sister Eileen of Denison.

Other guests for the breakfast after the 6 a.m. mass in St. Mary's Church were the Ed Wiesmans and family, and the Tony Wiesmans. Others stopping in for a visit before the nuns left were the Leroy Wiesmans and children of Fort Worth.

Sister Ann Theodore had an opportunity to visit family members over the weekend, combining pleasure with a business trip to Madonna Hospital in Denison.

Don't be caught dead, sitting on your seat belt.

Mike Fuhrmann, 83 Birthday Honoree

Mike Fuhrmann had two days of birthday observance, Sunday and Monday, when children, grandchildren and great-grandchildren visited at his home to wish him a happy 83rd. The date was Monday, Oct. 22.

Sister Henry Ann came from Denison Sunday bringing a huge birthday cake for her Dad. The handsome cake served Sunday guests and the family got together again Monday to finish it off.

Out of town birthday visitors Sunday included two granddaughters and their families, Mr. and Mrs. Cletus Bauer and Paula, Bill and Bryan of Carnes City and Mr. and Mrs. David Endres and John David and Howard of Dallas.

Every outstanding success is built on the ability to do better than enough.

Confetti - - -

from gratifying. It's high time to vote for some changes.

We've had about as much liberalism as we can stand... such as the wildest deficit spending of our history leading to our increased national debt, continued give-away to our enemies, continued inflation, continued socialism and a dismal record of appeasing our enemies even to the extent of betraying our friends. Above all, there's our pitifully weak handling of the Cuban situation including the invasion fiasco and the attempted shameful tribute of swapping tractors for prisoners. In fact, our new policy is the only good thing that's come out of the mess so far, and even that cannot make up for the harm done by previous delay.

There's only one proper answer for all that misgovernment... a strong swing to conservatism by the American

voters. It's needed especially in Congress to put the brakes on liberalism and socialism and softness to communism. It's needed likewise on the state level not only to check the trend toward liberalism in state government but also to help build up a more conservative organization of national government. As an added benefit, a

stout conservative vote would likely be regarded as a protest, with sobering effects on liberals who remain at their jobs.
