

# MUENSTER ENTERPRISE

VOLUME XXVI

MUENSTER, COOKE COUNTY, TEXAS

SEPTEMBER 21, 1962

NUMBER 44

An announcement that hospital directors will meet in a few days to hear bids on equipment is another reminder that the community's hospital construction is moving forward steadily.

At this time it's hard to see a great deal of progress on the building itself. That's because the rough job of excavating in a rock formation is slow and tedious. But people familiar with building procedure can see lots of achievement, certainly much more than is apparent to the inexperienced eye. It won't be long until the structure is out of the ground, after which it will be going up with gratifying speed.

That thought is highly pleasing, but then we remember that the financial end of this project is moving much more slowly. Compared with the amount still to be raised, the funds coming in nowadays are mere dribbles. If they do not speed up substantially and soon the cash on hand will be exhausted by periodic payments in just a few months.

Possibly that is because no drive has been organized yet to resume the money raising campaign. But on the other hand, doesn't it seem that a campaign should not be necessary? As we think of the many ways a hospital will help our community shouldn't we realize also that it deserves our voluntary and generous support? Why should anyone wait to be coaxed and begged when there is so much more personal satisfaction in having made a substantial gift without being asked?

It's true, of course, that this kind of spirit clashes with other plans that most of us have in mind. A typically human and understandable trait prompts most of us to think of our own wants first and delay support to things which have a less direct bearing on our lives. So, while conscious of the merits of our hospital project, we are inclined to say that we'll get around to it later, after the other wants are satisfied. At the same time we're probably aware that there will be more wants, and the same old problem will still be there.

There's an answer to this problem which deserves to be faced honestly. Are all of our wants so urgent and so important as to rate priority? Surely we could get along a while longer with some items we'd like to replace, or wait a while longer for some new things we'd like to have. By doing that we could see our way clear to help the hospital.

In most cases, giving involves just that. We have to sacrifice our own personal desires. But it's also a fact that those who make such sacrifices are richly rewarded. There's deep and genuine comfort in having given to a good cause. The man who does it can tell you that it's at least as pleasant as satisfying one's personal wants.

There's also another way of looking at this personal wants factor. Deep in our hearts most of us will admit that the hospital tops our community want list. The blessings it will offer in good and easily accessible medical care, plus its related value as a community asset, are just as important to us as some of the personal things we'd like to have. And doing our part toward satisfying that want can be just as pleasing as satisfying other wants. In fact, we should experience some feeling of guilt in looking forward to its benefits without helping to get them.

Even from the standpoint of cold business, this is a good deal. A gift to the hospital can be regarded as an investment in the community's future. Its economic value is terrific and it can also become an incentive to more progress, more opportunity to the people of Muenster.

And let's not forget that most of us already are indebted to our hospital for substantial tax savings. Last year's vote on a county hospital bond was close, so close that our hospital project can be regarded as a deciding factor. Property owners can show their appreciation for that saving by helping the project that helped them. Now's a good time to do that, when their help is so urgently needed.

Thinking over the situation we must realize that there are many compelling reasons for us to give prompt and wholehearted support to the hospital. Those are the reasons why the directors are so confident that the community will respond with all the help that is needed, perhaps soon enough to meet the full obligation by the time the hospital is ready to open. It's easily possible, you know. The resources are here. We have (Continued on page 8)

EDITORIAL COMMENT—The Olsons of Blanchardville, Wis., report that the junk mail receptacle is a failure. Their 5-year-old son doesn't know the real stuff from the junk and brings it all home. Nevertheless, they tried.

## Tigers Go Down in 34-14 Defeat by Rugged Eagles

Sacred Heart's Tigers were simply outclassed here Friday night when they lost 34-14 to the rugged and classy Valley View Eagles. At times they were subdued by sheer power but more often they were caught off guard for big gains which either produced scores or helped substantially in scoring drives. At other times they did a fine job of playing their strongly favored foes on even terms. They looked especially good during most of the first quarter, which started with no gains by either team. Each kicked twice in the first four series of downs. Then Sacred Heart made a first down and kicked on its next series.

That's when Valley View hit its stride the first time. Four plays made 40 yards and the first TD. Kiles pass to Martindale made 23 and Hogan scooted for 12 more. Then Hogan made 3 and Sparkman the last 2. About a minute was left in the quarter.

Next the visitors held on the first series, fumbled away their turn with the ball, held Sacred Heart again, and started their next scoring drive. It covered 68 yards in 12 plays and featured Hogan, the evenings' standout performer, for 49 of those yards including a 2 yard plunge across the line. Clifton hooped it for bonus points.

Following the next kickoff Sacred Heart fumbled and set up their visitors on the 22. Hogan made it on the next play. Half time score was 20-0.

The next half is the one the Tigers prefer to remember. That part of the game was a tie and the teams almost broke even on statistics. The Tigers led 6-5 in first downs, the Eagles 160-140 in total gains.

Apparently jarred by the (Continued on page 5)

## Red Hot Contest In Sight as Era And Tigers Clash

There's going to be action galore on the Sacred Heart field Thursday night at 8 when the Tigers do battle with the Era Hornets.

A reading of pre-game signs indicates that anything can happen and the parochial boys are strongly set on making it happen their way. Of course the Hornets have similar ideas. The only thing certain is that there will be quite a clash in deciding the outcome.

Though carefully avoiding any prediction, Coach Adam Wolf leaves the impression that he sees a win as possible. In the first place he doesn't expect as much opposition as last week. And besides he feels that his boys are in better condition. A blow that hit the Tigers last week was the loss of quarterback Johnny Wolf only two days before the game. His replacement, Ray Wimmer, had too little time to get ready. But the experience and another week of practice has helped. Teamwork and confidence both should be better.

On the other hand Era can be depended upon for its usual spirit and power. Last week's 40-0 win over Chico leaves little doubt of the Hornets' ability.

Physically the Tigers are OK with the exception of Eckart, who possibly may be kept out by a hip injury.

SUNDAY Sept. 23, SH Cubs vs St. Mary's, Gainesville Leeper Stadium, 2 p.m.

## S. H. High Classes Select Favorites For Queen Contest

Sacred Heart High School's annual football queen contest is off to a swinging start this week with four contestants in the field striving to win the coveted crown.

Classes selected their favorites and each class is working for its chosen one.

Queen candidates are Patsy Klement, senior, daughter of Mr. and Mrs. Anthony Klement; Rita Noggler, junior, daughter of Mrs. Susie Noggler; Mary Jeanette Knabe, sophomore, daughter of Mr. and Mrs. Robert Knabe; and Gloria Haverkamp, freshman, daughter of Mr. and Mrs. Leo J. Haverkamp.

Individual vote gathering events are underway — a penny a vote — until September 30 when the classes will put on a Fall Frolic, a community carnival, in the Parish Hall. Each class will be in charge of concessions, booths and games, the proceeds of which will go to the sponsoring class's candidate. Janice Vogel is general chairman of the carnival; Eileen Knauf and Jeannine Hofbauer are in charge of publicity.

The final fling will be a dance on October 13 and that's the date the winner will be announced.

Queen's crowning will high-

light Sacred Heart's homecoming football game on Nov. 2 when the Tigers are hosts to Greenhill.

## Tiger Cubs Lick Windthorst 38-0

The Cubs of Sacred Heart served notice Sunday afternoon that they have their eye on the champ title in this year's parochial league. They started their season by blasting the Windthorst Juniors 38-0.

They dominated the game all the way through, starting by holding their visitors on the first set of downs, then driving 50 yards for the first score in three good plays. Kenneth Stormer made the last 20.

Next it was more of the same. After holding the Trojan rookies on the first series they sent Tommy Hess around left end on a 50 yard scoring romp.

The rest of the half was a standoff. The Cubs lost one opportunity by failing to make first down yardage and two opportunities by fumbles. And Windthorst had its big disappointment of the day, a touchdown on an offside play, which netted a penalty instead of points. During that time the Cubs made one first down and their visitors two.

After intermission Sacred Heart had its drive stopped by a fumble, then resumed it after an interception by Glenn Klement. Two plays later Stormer got loose on a 37 yard TD run. Larry Hess made extra points.

First play after kickoff Leon Endres snared a Windthorst pass and breezed from mid field to the goal. And again Larry Hess added bonus points.

As the final quarter started Endres got away for a TD which was nullified by a clipping penalty. But the Cubs finished the drive anyway. Leon Endres carried for the last 10 and Larry Hess made his third 2-pointer.

In the closing minutes Windthorst made a strong try moving 31 yards to the 19 before Sacred Heart's defense called a halt and set back the next two plays by 20 yards. Then the Cubs moved again but ran out of time.

## NEWS OF THE SICK

Mrs. Frank Klement is back at home, dismissed from Gainesville Hospital after surgery on both eyes but goes back to the doctor every day for fresh dressings. She had acute glaucoma in both eyes — the operating specialist said it is a rare occurrence with only 34 such cases known. The operation was successful but it will take time before Mrs. Klement sees well again. Now both eyes are still bandaged.

Richard Wilde was re-admitted to Methodist Hospital in Dallas last Friday after spending eight days at home. He had back surgery Aug. 31, was dismissed, but returned on account of leg pains and was put in traction for a few days.

Leo Rohmer is back at home since Monday afternoon, dismissed from Baylor Hospital in Dallas, but still a shut-in at his home.

Mrs. John Steele, a patient at Richey Street unit of Gainesville Hospital, is making some progress in recovering from a stroke on Aug. 31. She's out of bed for short wheel-chair periods each day now.

Little Susan Schmidkofer of Lindsay is taking a full-length brace on her right leg in stride, doing most things she did before. The brace, to straighten bones in the right knee, was put on Sept. 4 by a specialist in Dallas. When she is used to it she will wear it full time even when she sleeps. Causing the most tears is her inability to ride her tricycle which is her favorite pastime. Susan is the daughter of Mr. and Mrs. Leroy Schmidkofer.

Mrs. A. H. Rebenfish was admitted to All Saints' Hospital in Fort Worth Saturday for treatment and observation for several days. Her sister Mrs. L. A. Bernauer went with her.

Joe Lutkenhaus, 84, is making progress in getting around at his home in spite of a broken and pinned hip. He has a special sitting-walker that he moves around the house in. He won't be getting up on his feet for several months.

A letter from Sister Irene to her parents, the Paul Fishers, tells that she is up and around now after back surgery July 16 but is still wearing a brace. Sister Irene is at Holy Angel's Convent in Jonesboro, Ark. She had the operation at St. Bernard's Hospital in Jonesboro.

At Lindsay the Frank Beyer family is all at home again. Frank was dismissed from Gainesville Hospital after treatment for a back injury about the same time his five-year-old daughter Debbie was dismissed from Wilson N. Jones Hospital in Sherman following treatment and surgery on her right leg. Debbie will be a shut-in about two months. Until healing is complete she has to stay off her feet.

Mrs. Henry Huchton entered Community Hospital in Sherman Wednesday for examination and observation.

J. M. Weinzapfel was in Dallas Wednesday afternoon attending a meeting of the board of trustees of the University of Dallas.

## Interest Revives In Bulcher Site For River Bridge

More encouragement for one of this community's favored projects was a result of a meeting sponsored at Leon, Okla., last Thursday night by the Highway 76 Improvement Association of Oklahoma.

Highway 76 leads south from Oklahoma City through Wilson and the organization's objective is to promote an extension to Red River and a bridge across the river between Leon and Bulcher, actually to secure a change of location for a bridge already approved west of Leon near Illinois Bend, Texas.

The Bulcher location was originally favored by people of Cooke County as well as by those of the Leon area. It would provide a shorter road from Leon to Muenster and Gainesville and about the same distance as the other to Saint Jo and Nocona. Also, the Bulcher location would be better for an anticipated direct highway from Oklahoma City to Fort Worth.

The change of site also solves a problem for Cooke County. Cost of both road and right of way from Bulcher would be much lower. The other is longer and involves right of way through valuable pecan orchards. Commissioner Earl Robison explained that Cooke County commissioners opposed the longer route but favored the shorter one.

Local people at the meeting were Earl Robison, Herbert Meurer, J. M. Weinzapfel, J. P. Flusche, Jerome Pagel, J. W. Fisher, Arthur Felderhoff, Rody Klement and R. E. Hamric. From Saint Jo were Commissioner Cooksey and W. E. Nunnally.

## Construction on Phone Building Will Begin Soon

Construction on the new exchange and office building for Muenster Telephone Corporation will start in the next few days.

Alvin Fuhrman, co-owner, said Wednesday that approval of the contract has been received from REA officials of Washington. The contractor, Corrin and Crow of Dallas, expects to move to the job this week.

The structure will be of brick with about 2700 feet of floor space divided into equipment room, lobby, office rooms, rest room and storage. Contract calls for completion in 120 calendar days and includes central heat and air conditioning and outside landscaping.

Corrin and Crow was also the low bidder for construction of exchange buildings at Forestburg and Myra. Contract approval on those jobs has not been received from REA. Building time for them will be 60 calendar days, so they are likely to be finished before the Muenster building.

Other work is showing steady progress, Fuhrman said. Line work will be complete about November 1 and switchboard equipment for installation in the new building is beginning to arrive.

There is still a good chance of having the new automatic telephone system in use by March 1.

## Hospital Meeting Sept. 27 to Hear Equipment Bids

The second step in contracting for Muenster's Hospital is set for next Thursday afternoon when directors will meet for opening of bids on food serving equipment. Bids will be accepted up to noon of that day.

Other work on the project continues steadily in spite of rain and difficulty with rock formation. First concrete was poured Wednesday to form the piers under about a fourth of the building.

## It's a Toss-up as Hornets, Warriors Meet Here Friday

It looks like a real contest for the Hornets when they take on the Valley View Warriors of Wichita County on the MHS field Friday night at 8.

Coach Glenn Richardson seeing the Warriors in action against Class A Holliday considers them tougher than last year. They lost 28-0 but looked better than the score indicated. And that, says Richardson means a lot in view of Holliday's high rating this season. The Warriors made another good showing in holding Hirsh, a new AA school of Wichita Falls, to a 16-8 score.

On the other side, the Hornets too are looking better than they did last year, so there's a good chance for a very even game with the outcome possibly depending on the breaks.

If that's the case, Richardson feels it is the Hornets' turn to win. They earned a win last year on the basis of yardage and first downs, but they were at the short end of an 8-6 score.

Physically the Hornets are ready, with the possible exception of Tommy Swirczynski. He is still nursing a bad shoulder bruise received in the Pilot Point game.

## Lindsay Tramples Pilot Point B in First Home Game

Lindsay's Knights were running wild last week Thursday in their first home football game and piled up a score of 44-0 on the luckless B stringers of Pilot Point.

Only three times during the game were the Knights delayed on their way to the goal. Twice they fumbled and once they lost possession on an interception.

Otherwise they just kept moving and rolled up a total of 206 yards rushing and 137 yards passing. Pilot Point netted only 27 yards. First downs were 20 to 1.

The first score came on a 1 yard plunge by Don Sandman. Next was by Tommy Zimmerman on a left end sweep for six yards.

Leon Neu completed the third drive with a 10 yard gainer around left end then ran again for two extra points. The half ended 20-0.

About midway in the third period Morisak's end run was good for 15 yards and the fourth TD, and Neu added two points. Sandmann scored number 5 from the 11 and a pass from Morisak to Zimmerman added bonus points.

The biggest play of the game was saved for the last touchdown. It was a pass, Morisak to Zimmerman for 62 yards. Sandman's bonus points made the final count 44-0.

## Council Orders Election Oct. 13 On Bond Issue

An election to be held on October 13 will decide whether the city council will be empowered to issue bonds for financing major improvements to its water, sewer and street systems.

The council is seeking authorization for a \$75,000 water bond issue, a \$50,000 sewer bond issue and a \$50,000 street bond issue.

But it does not ask for a special tax to support the bonds. Instead it proposes to make payments out of the revenue which is already available to the city. Normally the money is spent on a year to year basis as it comes in. The council's plan is to make extensive improvements which would eliminate the need of lesser improvements every year and to use the regular annual income to retire the bonds.

In the case of water and sewer bonds the payments are to be made directly out of revenue from those services. In the case of street bonds the payments are to be made out of the general fund which is supported by taxes. Since those three revenue sources are considered adequate the council is not asking for higher taxes or service rates.

Two reasons are behind this request for a bond issue. Some of the improvements are urgently needed now but they are not possible as long as the pay-as-you-go method is in effect. Municipal regulations do not allow borrowing several years ahead. Another reason is that long range planning can save money by eliminating later corrective measures. For instance a small water pipe laid in haste to serve one customer becomes too small when a few more customers are added. The line has to be replaced with a larger one. The council feels it can eliminate the waste of such duplicate installation by building for the future.

Persons eligible to vote in the election are legally qualified electors (who have paid their poll tax) who own taxable property in the city and have rendered it for taxation.

## BIRTHS

Mr. and Mrs. James Hammer have announced the arrival of Jeff and Leslie's baby brother James Russell. Seven pound ten ounce "Rusty" weighed in at Gainesville Hospital Wednesday, Sept. 10, at 10:35 p.m. He is a grandson for Mr. and Mrs. Clarence Hudspeth of Myra and Mr. and Mrs. George Hammer of Vernon.

It's a boy was good news for Mr. and Mrs. George Mollenkopf Jr. and their three little girls Cheryl, Vickie and Tina. The baby brother arrived Thursday, Sept. 13, at Gainesville Hospital tipping the scales at nine pounds five ounces. Welcoming a grandson are Mr. and Mrs. Albert Henschel and Mrs. George Mollenkopf Sr. The newcomer was baptized Monday afternoon with Mr. and Mrs. Ed Endres as godparents for their nephew. His name is Kirk Cletus. Father Martin officiated at the christening.

Bill Luke attends Detroit Meeting

Bill Luke was in Detroit Tuesday and Wednesday attending a nation-wide meeting for dealers of Ford tractors and implements.

The meeting featured talks by heads of the Ford Company, showing of new equipment, tours of the several plants and a barbecue luncheon for 4,500 catered by "Barbecue King" Walter Jetton of Fort Worth.

Bill was a member of the Dallas Branch delegation, traveling both ways by chartered plane.

## Schedule of Coming Events

THURSDAY, Sept. 20, SH Tigers vs Era Hornets, here, 8 p.m.

FRIDAY, Sept. 21, MHS Hornets vs Valley View Warriors, here, 8 p.m.

SUNDAY, Sept. 23, SH Cubs vs St. Mary's, Leeper Stadium, 2 p.m.

MONDAY, Sept. 24, PTA meeting, 8 p.m.

SAM RAYBURN commemorative stamp went on sale Sept. 16 with ceremonies in Bonham, Mr. Sam's hometown. Vice President Lyndon B. Johnson displays model of stamp as Postmaster General J. Edward Day, left, and Speaker of the House John W. McCormack look on.

## BURIAL PARTY GATHERS IN CUBA

With Congress, and particularly the Senate beginning to get tough about the Administration's continued softness on Cuba, Secretary of State Dean Rusk is reported to have told a group of Latin American ambassadors that any government has a responsibility to protect itself and its national security. This is interpreted to mean that we might possibly take action all by ourselves to protect the US against the enemy massing in Cuba. Whether a decision must wait until we are clobbered by the Russians is anybody's guess. But the President's insistence in one breath that the Monroe Doctrine lives, and in the next that we mustn't invade Cuba, and that we do not know about Russian missiles or troops in Cuba, has at last stirred our solons into the realization that the US is the prize the Russians want, not Latin America — which will fall anyway when we do.

## DID YOU KNOW?

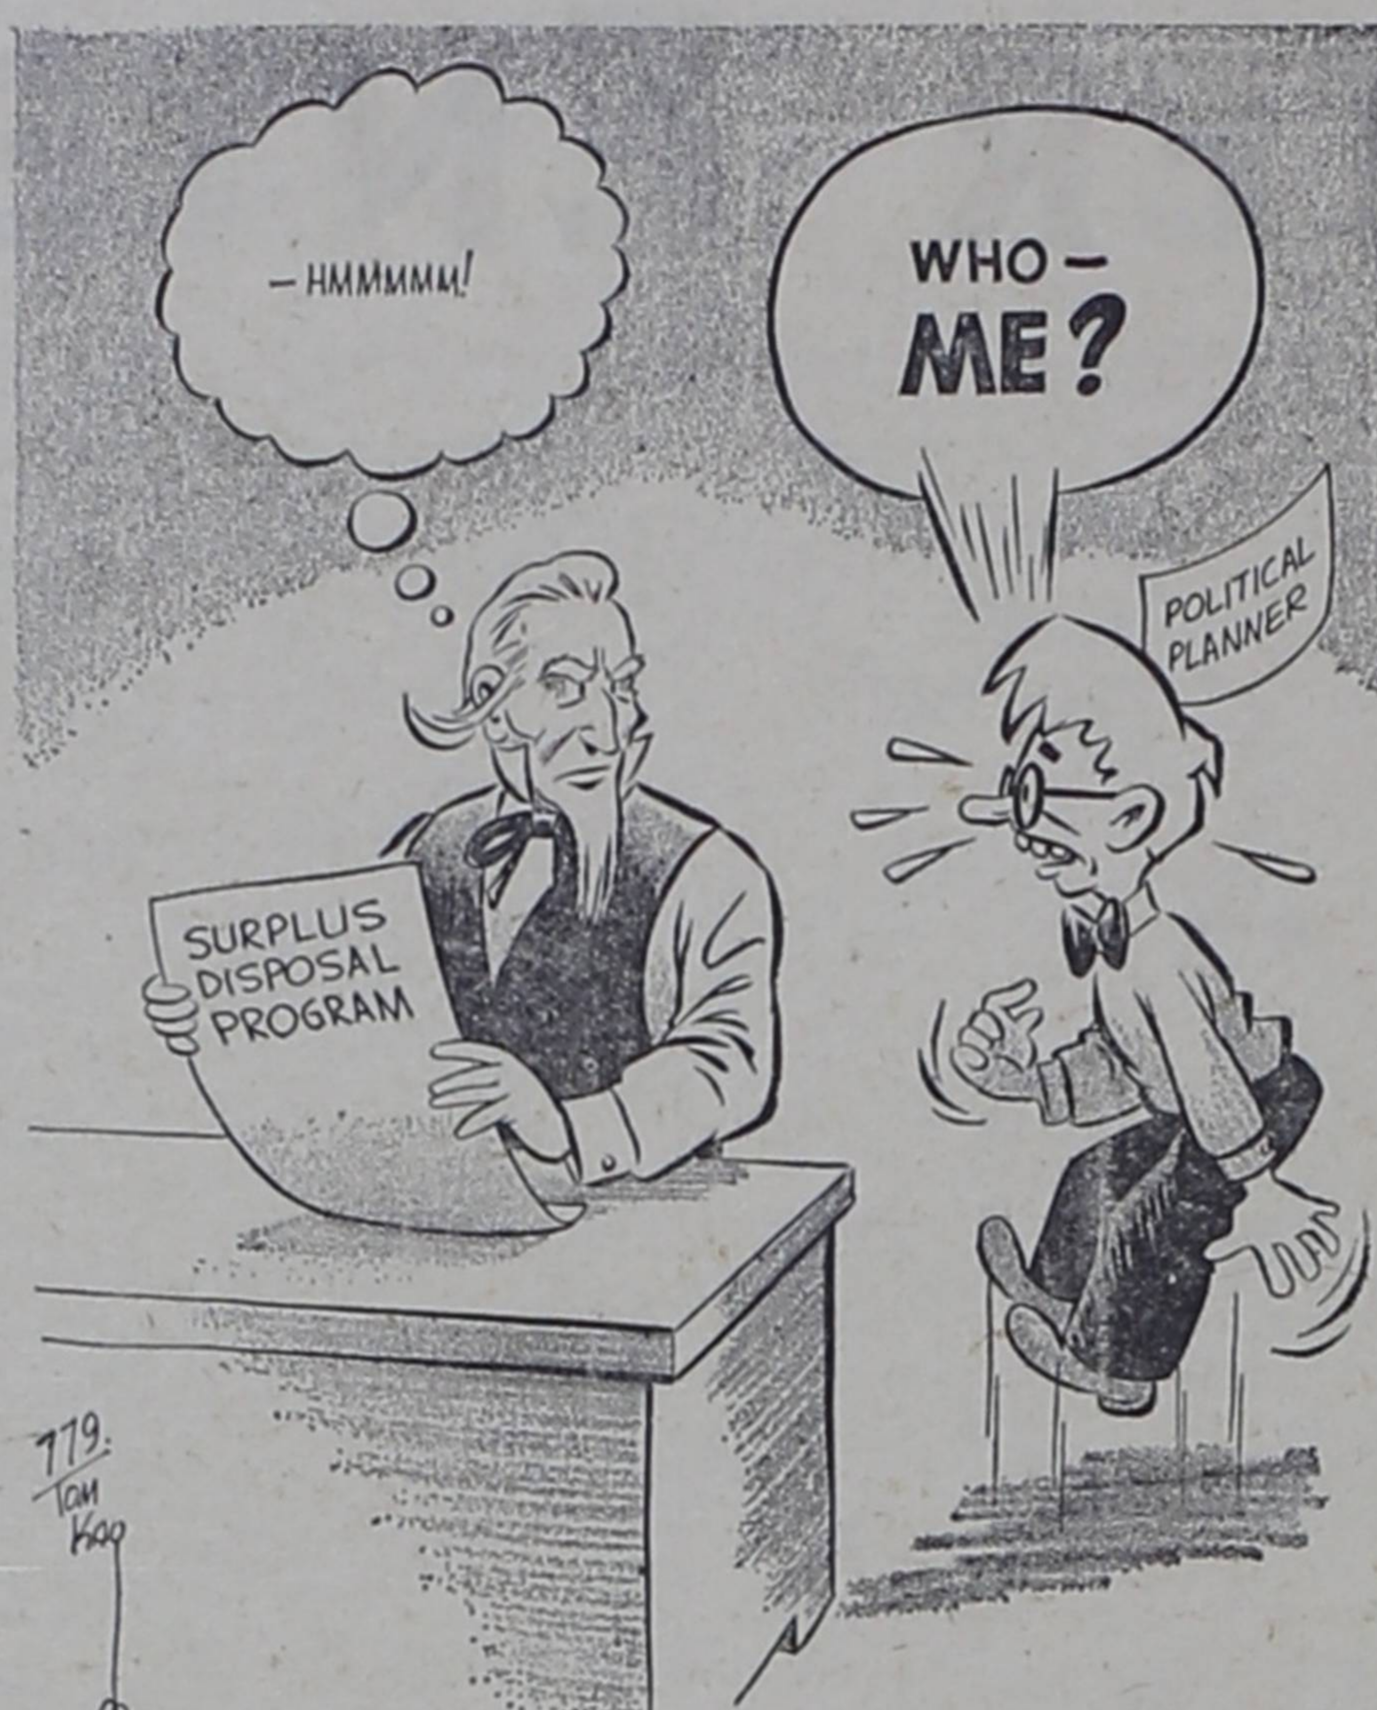

By Tom Anderson  
 Did you know that when candidate Kennedy told us and the world that 17 million Americans go to bed hungry every night he was including those on Metrecal? That Senator Kennedy's daddy's wealth, reputed to be in the vicinity of \$400 million (made off liquor and other "human values") would buy \$1 dinners for all those 17 million Americans every night for three solid weeks? Did it ever occur to you that a true humanitarian gives away his own money, not somebody else's?  
 Did you know that President Kennedy, whose Rooseveltian heart bleeds for the working man, like F.D.R., never held a non political job in his life? That the Truman Administration spent 17 times more in price supports for peanuts than on missiles?

## SPENDING

Did you know that the "boozefund" of the State and Defense Departments has been costing us \$2 million a year? That Presidents get \$50,000 a year from us for "entertainment", much of which is for liquor? That we have spent 12 million dollars on Rama Road — a jungle road in Nicaragua? Did you know that a Senator testified that the U.S. Navy paid \$21.10 each for lamp sockets which retail for 25c? That the U.S. Army bought wrench sets for \$29 which sell in hardware store for \$3.98? That the U.S. Air Force paid \$9.65 each for drill bushings which should sell for not more than 50c?

## COSTS

Did you know that our population has more than doubled since 1900? And that federal spending is more than 140 times what it was then? That it costs

The Most Unnecessary Surplus

an average of \$171,000 per member to run Congress each year? Expressed in terms of "human values," is your congressman with it?

Did you know that the only way we can end the Cold War is to win it? That the Russian definition of coexistence is slavery? That while Russian's twin astronauts were circling the world, union workers at our missile base at Huntsville, Alabama were out on strike?

Did you know that 26 illegal secondary boycotts have delayed construction at vital missile installations? And that labor unions are on a new drive to legalize "secondary boycott" picketing?

Did you know that our debt is larger than all of the nations of the world combined? But that we give foreign aid to 3/4 of the world's 104 nations? That we have more than 10,000 agreements, mostly secret, with foreign countries? That our State Department wants the U. S. to channel all its aid through the United Nations? The only thing we should give through the U.N. is our resignation.

Did you know that the plastic bag containing carrots costs as much as the farmer got for the carrots?

## YOUR PART

Whether you knew all of the above or not, what do you plan to do about it? If America can be saved from Socialism, insolvency, and surrender it can be saved only by a grass-roots revolution — the same way it was founded. What can you do? You can stand up and be counted — else you'll soon be counted out. You can believe in your God and your country and in yourself, and in that order. And then you can go to work for God and country. Remember, "It never troubles the wolf how many the sheep may be."

## A SOVEREIGN NATION?

As we watch the step by step withdrawal in the face of Communist Russia's cold war maneuvering — the latest being the incredible folly of proposing a non-inspection nuclear test ban — the questions arise in the minds of concerned patriots: Has the United States lost its sovereignty in the field of foreign policy? Are we already under the United Nations Charter, rather than under our own Constitution?

The only effective way to resolve these questions is to get the U.S. out of the U.N.

— Exch.

Financial success is a wonderful thing. You meet such interesting relatives.

## SOCIAL SECURITY TAXES

Social Security is now five times the 1949 figure; when they started Social Security it was only a token deduction while now it is a sizeable chunk from pay checks.

In 1949 the most the employee had to pay was \$2.50 a month. This year it's \$12.50 and by 1968 the monthly deduction will climb to at least \$18.50 — that is unless the "Spend and Prosper" administration tacks on Medicare for an additional increase.

The Federal Social Security tax has been increased eight times in the last 12 years. The combined contribution from employees and employers now amounts to 6 1/4 per cent of salary of wages up to \$4800, and by 1968 under present laws (medicare would be additional), it will amount to 9 1/4 per cent. The Social Security Tax is additional to regular Federal Income Taxes which now average \$31 a month for a married man with two children and a \$4800 income.

Since 1949 the maximum cost of Social Security taxes to both individuals and employers has climbed about 15 times faster than the cost of living, which is up about 25 per cent.

The Federal Administration has estimated that it may be necessary to increase the payroll deduction by another one-fourth per cent and to expand the taxable base from \$4800 to \$5200. This would be additional to the increases already scheduled to 1968, without the sought for addition of medicare increases.

This could mean that by 1968 the maximum annual payroll deduction for Social Security will rise to \$253.50 per employee. The employer's contribution would double that for a total of \$507.

If this amount were set aside it would create a college fund for the children of the family, but as it is with the "Spend and Prosper" idea, it will be all gone before it is collected.

— Pasadena, Calif., Review

Some students drink at the fountain of knowledge; others just gargle.

## WILL A 35-HOUR WEEK HELP EMPLOYMENT

The executive council of AFL-CIO made it their official policy on August 13 to strive for a shorter work week of 35 hours, with double time (not time and one half) for all overtime. It is their contention that this will reduce unemployment.

It is interesting to note that advocates of this plan are not in business for themselves.

These men do not seem to realize, nor do they care, how many businesses will be forced into bankruptcy by having to pay such high wages for workers. Minimum wage legislation, social security, workman's compensation payments, and unemployment benefits have already done that. If this line of reasoning will create jobs, rather than creating unemployment, we fail to see how.

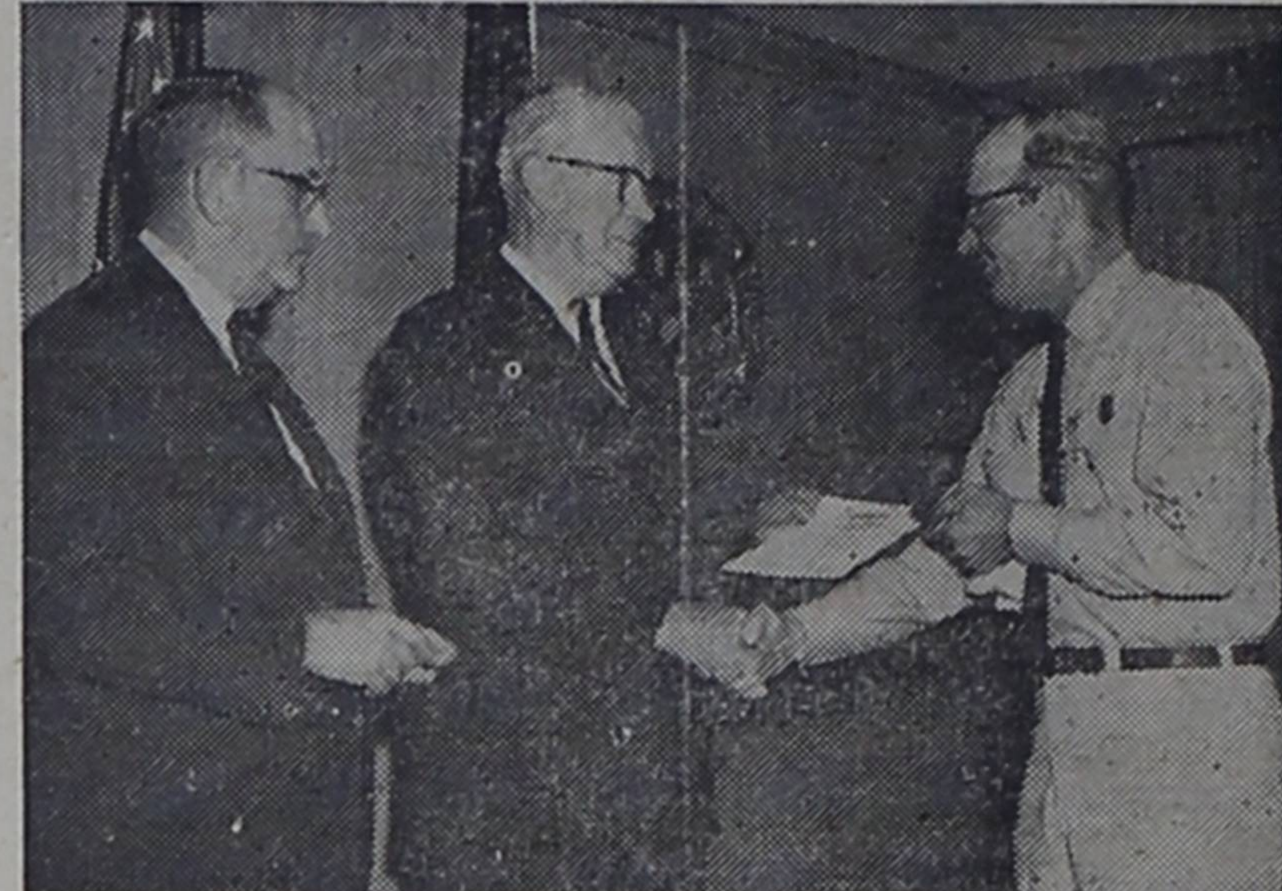

The law of supply and demand is the only economic law which will balance out wages and prices. If there is an overage of labor or any other product, the way to get rid of that overage is to cut the cost of buying it. Therefore, it seems to us that raising the price on something for which there is no demand is a rather ridiculous method of trying to sell the product.

It would be wise for members of unions who actually depend on a job for their daily bread to consider these factors before going along with their national leaders.

The men at the head of AFL-CIO, while professing an interest in helping the laboring man, do not accomplish this aim by destroying the source of jobs. These men are aware of the fact that unless they can come forth with some gimmick to make the rank and file feel they are doing something for them, that rank and file might suddenly realize they are paying a high price for something they would be better off without.

Looking on is Joe S. Fletcher of Fort Worth, TSCRA secretary-general manager.

## QUESTION OF SURVIVING

While admitting our confusion, we wonder how long can a government survive that requires one out of every six of the nation's workers to run it and has spent so much more over the years than it has taken in that it owes \$12 TRILLION . . . or \$6,642 for every man, woman and child in the country?

These figures, from a Senate Republican Policy Committee report, suggest that it really is time for that change we heard about in 1952.

## PLANNING FOR YOUR FUTURE

based on a Half-Century of SERVICE!

During the past half century, Texas Power & Light Company has provided dependable, low-cost electric light and power service to homes, businesses, farms and industries in North, Central and East Texas. In providing this service the Company has developed a widespread system of electric power plants, transmission lines and other facilities to supply the increasing needs of the area served. It has done this through the use of private investments of individuals and institutions. Not a penny has been advanced by the government, and during the past half century the Company's Federal income taxes have amounted to more than 140 million dollars.

Today, based on the experience, knowledge and capacity to serve gained in the past half-century . . . TP&L is planning and building its facilities to meet future needs for electricity with plans "on the drawing boards" for more than ten years hence.

Past record and present performance . . . these are the proofs of Texas Power & Light Company's ability to provide all of the electricity needed by all of its customers today and in the years to come.

**SPACE KITCHEN EXHIBIT SET FOR 1962 STATE FAIR**

How the astronauts will eat in outer space — 250,000 miles from home — will be shown in a space-age exhibit at the 1962 State Fair of Texas, October 6-21. The mockup of the Space Kitchen recently constructed for the Air Force Systems Command will be a central exhibit in the Electric Building and will show how all foods and beverages required by a three man crew on a fourteen day mission could be stored and prepared.

**Plans for Benefit Bazaar Discussed At CDA Meeting**

Principal business of the Muenster Court Catholic Daughters of America members at their September meeting Friday night was discussion of plans for their benefit bazaar scheduled for November, the date and place still to be announced.

Members have been busy turning out hand-made articles for some time in preparation for the event and brought finished items to display at the meeting. In connection with the bazaar they'll have a bake sale. All members are working and Mrs. Bernard Wolf and Mrs. Frank Yosten are general co-chairmen.

In other business members accepted Mrs. J. W. Fisher's resignation as financial secretary and by acclamation elected Mrs. Arnold Muller to that office.

Mrs. Charles Taylor, grand regent, conducted the meeting and presented Father Alcuin Kubis, court chaplain, for an address before the business session. He told the assemblage that on October 5, the first Friday next month, Sacred Heart Parish will have a Holy Hour with evening mass and benediction for the success of the Ecumenical Council. Knights of Columbus throughout the nation are urging special prayer for the success of the Council, urging the Knights, Catholic Daughters of America and all other people to join in the special prayers.

The local court is participating in Mass Crusade for Vocations and has one person signed up for every day of the month for a year to attend mass for this intention.

Twenty-seven members were present and Mrs. Clyde Fisher served cookies and coffee during a social period after adjournment.

**Week's Vacation Spent in McAllen**

Mr. and Mrs. Bernard Wolf are back from a week's vacation visiting their daughter and family, the Wilfred Klements at McAllen, and joining them on a drive into Old Mexico crossing at Progresso.

A side trip on the way going was a stop in San Antonio to visit Mr. Wolf's aunt, Mrs. James Cain, and the couple stopped twice on the way home. In Pawnee, Texas, they visited at the home of Mrs. Wolf's brother, Frank Lueb, and then spent over night with their son and his wife, the James Wolfs and baby Robert, in Fort Worth. James and his family moved recently from Irving to Fort Worth.

Mr. and Mrs. Jerry Hoenig and children Wilma, Billy and Donna Marie were in Irving Sunday as dinner guests of the Raymond Hoenigs. Back at home in the evening they had as guests her sister and brother-in-law, Mr. and Mrs. Hubert Shrodes and two children of Dallas who had spent the weekend with her mother, Mrs. Sophie Stoffels at Lindsay.

**Why the Gate Was Locked**  
An outraged 3-year-old howled his indignation when his mother told him she was locking the porch gate to keep him in. Sometime later, however, when the father locked the gate to the playroom, the youngster made no objection. Papa explained to his son that the gate was being locked to keep his mother from bothering him.

**ONE BAGGER**—Anthony Orlando displays the one foul ball that didn't get away after he made a spectacular snare with fish net during a game in Philadelphia, Pa., stadium.

A man pays a luxury tax on his billfold, an income tax on the stuff he puts into it, and a sales tax whenever he takes anything out.

Bobby Hartman celebrated being three by having cousins come over to help him eat birthday cake and other party refreshments. His mother, Mrs. Alvin Hartman, was hostess at the family home for the afternoon event and served cake, ice cream and lemonade to 25 youngsters.

Grandmothers Mrs. Tony Felderhoff and Mrs. Victor Hartman were special guests and other grown-ups present were Mmes. Albert Dangelmayr, Bruno Fleitman, Sylvan Walterscheid, Joe Felderhoff and A. J. Felderhoff and Miss Sara Ann Fleitman.

**Tiger Pep Squad Names '62 Leaders**

Sacred Heart Tiger Pep Squad organized early this year and has been putting in practice time learning new routines and cheers.

Cheer leaders are Judy Walter, Ruth Wimmer, Eileen Knauf, Patsy Klement and Angeline Hess. Squadron leaders are Sandra Walker, Betty Landsfeld, Joan Kaiser, Virginia Taylor and Blondie Fleitman.

When you argue with a fool, be sure he isn't similarly engaged.

**Discussion Clubs Meet First Time**

Members of Sacred Heart Parish have started CCD discussion club activity for a new season. The men and women are organized in 15 study groups, some of which had their first meeting Sunday and others which will meet for the first time next Sunday. Members follow the discussion period with a social period and refreshments.

All groups are studying Father Connell's Confraternity Edition of the New Baltimore Catechism. First chapter for study is "Why I Am a Catholic."

Reports came in from the following clubs:

The group headed by Mr. and Mrs. Steve Moster had 12 present in their home. Mrs. Moster led the lesson. Afterwards she served coffee and cookies.

The club headed by Mr. and Mrs. Ray Hess as chairmen met for the first time in the home of Mr. and Mrs. Rufus Henschel. Nine members participated, Mrs. Hess leading. After study Mrs. Henschel served refreshments.

Thirteen gathered at the home of Mr. and Mrs. Arnold Rohmer for their study period. Mrs. Rohmer is chairman and led the lesson. Refreshments followed.

Twelve were present for the meeting held in the home of their chairmen Mr. and Mrs. Henry Yosten. He led the study period and the group played cards and had refreshments afterwards.

Mr. and Mrs. Carl Schilling, chairmen, conducted their group's meeting in their home and took turns leading the lesson. Twelve attended and agreed to meet in the Ed Enders home next month. Games and refreshments concluded the evening.

Members organized with Mr. and Mrs. Ray Wilde as chairmen held their meeting in the Wilde home. The hostess led the study period and served refreshments to eight during a social hour of table games afterwards.

Mr. and Mrs. Bill Blythe named their baby son Richard Emmett. Father Martin officiated at his baptism Sunday assisted by Miss Judy Trubenbach and Lloyd Trubenbach as godparents for their nephew.

**FHA Chapter at MHS Organizes And Has Election**

Members of Muenster High School Future Homemakers of America held their first meeting of the term Monday night to organize their chapter and elect officers.

Rita Fisher is president; Sandra Cain, vice president; Rosemary Fisher, secretary; Patsy Fette, treasurer; Cindy Cain, parliamentarian; Nita Graham, reporter; Sharon Klement, historian; Debbie Fette, song leader; Charlotte Wolf, pianist. Miss Doris Vavra is chapter adviser.

The group made plans to attend the State Fair on October 6 - Rural Youth Day - with special attractions for 4-H, FFA and FHA members.

The girls will start their projects at their October meeting.

**Local News BRIEFS**

Mr. and Mrs. Joe Luke spent the weekend as guests of cousins, the Herman Jungmans at their lake cabin, Lake Kemp, Seymour. Mrs. Jungman is getting around well with a broken foot which is in a cast. Her accident prevented Mr. and Mrs. Jungman from making the recent trip with the Lukes to the world's Fair, Alaska, and other vacation sites.

Willard Hartman came from Fort Worth to spend the weekend at home and Mr. and Mrs. Hartman had as guests her parents, Mr. and Mrs. Ed Kosel of Rosebud and her brother and family, the Ray Kosels of Fort Worth.

Eddie Joe Schmitt has enrolled at Texas Western College in El Paso as a junior. His parents and family, the Eddie Schmitts took him Sunday and saw him get settled. On the way they stopped at Irving for a visit with Mr. and Mrs. Bob Fitch.

Mr. and Mrs. Ed Swirczynski and children of Fort Worth were weekend visitors with his parents, the Joe Swirczynskis, and also visited other relatives.

Spending Sunday with the Johnny Moster family were Mrs. Moster's sister and family, the Russel Herbs of Dallas, accompanied by their guest, Mrs. Anna Silver of Los Angeles, Calif. Mrs. Herb and Mrs. Silver are close friends since they worked in Los Angeles together 12 years ago. The visit was her first in Muenster and was also the first trip here for baby Patty Sue Herb, two months old.

A weekend trip to see their daughter was a pleasant way of spending Saturday and Sunday for Mr. and Mrs. Al Hess. They took their children Jane, Diane, Alan and Myron with them and visited Sister Malachy at St. Scholastica's Convent in Fort Smith, Ark.

The Lloyd Trubenbachs and two daughters are back in Cooke County presently living in Gainesville until they move to the Trubenbach farm here. After his separation from the service in California the Trubenbachs spent two weeks vacationing on the way home. They visited relatives, the Will Bindels in Monterey, Calif., the Carl Lukes at Hereford and the Jim Fishers in Lubbock on their sight-seeing trip back.

Mrs. John Felderhoff returned Tuesday night from a week's visit in Duncanville with her daughter and family, the John Wrights. It was her first visit with them at their new location, since moving from Victoria. They brought her home and stayed overnight.

**SHAGGY DOG—It's a wispy twist of emerald green ostrich feathers that blows in the wind in London, England. The hat is for fall.**

Mr. and Mrs. Gene Hartman of Denton came home for the weekend to visit their families, the Victor Hartmans and Dick Cains.

Mr. and Mrs. Nig Wilson and daughter Linda visited Friday with Mrs. Wilson's sister, Mrs. T. J. Richardson of Gainesville who was a patient at Richey Street Hospital, having had surgery that day.

Donna, Marc and Vickie Barnes of Hood spent the weekend with their uncle and aunt, the John Richeys. The children's parents, Mr. and Mrs. John Barnes, and Tom Binford came for Sunday dinner and took the youngsters home.

Pvt. and Mrs. Don Wilson of Fort Hood came home for the weekend dividing their time with their parents, the Nig Wilsons and the John Herts.

Berta Davidson and Doris Ingram of Fort Worth were Saturday overnight guests of their uncle and aunt, the W. F. Davidsons and joined other relatives at a family reunion Sunday in the home of another aunt, Mrs. J. N. Shaw.

Mr. and Mrs. Eddie Collins and children of Lewisville spent Friday overnight and Saturday with her parents, the Charlie Winchesters, and also made a business trip to Ardmore.

Brother and Mrs. Delbert Traylor and daughters of Fort Worth were dinner guests of Mr. and Mrs. Joe Doughty after Sunday services at the Baptist Church.

Rev. and Mrs. John Ross were dinner guests of the Milton Hickmans Sunday following morning services at the Bear Head Methodist Church at Sivells Bend.

Business trip to Dallas was made one day the past week by George Ritchenerson and Ernest McElreath.

Mr. and Mrs. Reeve Cooke enjoyed a long weekend in Fort Worth with their daughter and family, the C. W. Millers, returning home Monday.

At Shiloh Baptist Church the congregation was happy to have the pastor, Rev. L. A. LaMance and Mrs. LaMance back after an absence on account of illness. The pastor conducted morning services. For the evening services the congregation had a sing-song.

**Marysville News**

By Mrs. John Richey

Steven Cole has returned to Gainesville after spending a week on the farm with his grandparents, Mr. and Mrs. J. T. Cole.

Mrs. Sam Sparkman and Mrs. Rafe McElreath were in Valley View Wednesday at an old fashioned quilting party held in the home of Mrs. Sparkman's sister-in-law, Mrs. A. A. Young.

Rev. and Mrs. Robert Mays, he's a former Marysville pastor, spent three days of the past week at the Methodist parsonage. He is recuperating after recent surgery and came to the country to rest and relax. The couple made pop calls at the homes of Mrs. Alys Graye and Olive Walker, Mrs. B. G. Lyons and Mrs. J. N. Shaw.

Mr. and Mrs. Bill Moon were in Gainesville over the weekend with his sister, Mrs. Houston Miller, who was sick with flu.

Mrs. Bill Pace and two daughters of Ardmore spent Saturday with her grandmother, Mrs. B. G. Lyons, and the four went to Gainesville for supper with Mrs. Marie Stiles in whose home other family members met. Mr. and Mrs. Ed Eastin of Garland, accompanied by Stanley Drake of Gainesville, brought Mrs. Lyons home and remained over night.

Mr. and Mrs. Nig Wilson and daughter Linda visited Friday with Mrs. Wilson's sister, Mrs. T. J. Richardson of Gainesville who was a patient at Richey Street Hospital, having had surgery that day.

Donna, Marc and Vickie Barnes of Hood spent the weekend with their uncle and aunt, the John Richeys. The children's parents, Mr. and Mrs. John Barnes, and Tom Binford came for Sunday dinner and took the youngsters home.

Pvt. and Mrs. Don Wilson of Fort Hood came home for the weekend dividing their time with their parents, the Nig Wilsons and the John Herts.

Berta Davidson and Doris Ingram of Fort Worth were Saturday overnight guests of their uncle and aunt, the W. F. Davidsons and joined other relatives at a family reunion Sunday in the home of another aunt, Mrs. J. N. Shaw.

Mr. and Mrs. Eddie Collins and children of Lewisville spent Friday overnight and Saturday with her parents, the Charlie Winchesters, and also made a business trip to Ardmore.

Brother and Mrs. Delbert Traylor and daughters of Fort Worth were dinner guests of Mr. and Mrs. Joe Doughty after Sunday services at the Baptist Church.

Rev. and Mrs. John Ross were dinner guests of the Milton Hickmans Sunday following morning services at the Bear Head Methodist Church at Sivells Bend.

Business trip to Dallas was made one day the past week by George Ritchenerson and Ernest McElreath.

Mr. and Mrs. Reeve Cooke enjoyed a long weekend in Fort Worth with their daughter and family, the C. W. Millers, returning home Monday.

At Shiloh Baptist Church the congregation was happy to have the pastor, Rev. L. A. LaMance and Mrs. LaMance back after an absence on account of illness. The pastor conducted morning services. For the evening services the congregation had a sing-song.

**Shaw Home Scene Of Family Reunion**

A family get-together was enjoyed Sunday in the home of Mrs. J. N. Shaw and Mr. and Mrs. Albert Shaw and daughters. The relationship had dinner together and "just visited."

Attending were Mrs. Myrtle Blount and Mrs. Emma Breckenridge of Gainesville, Mrs. Doris Ingram and Berta Davidson of Fort Worth, Mrs. John Roe and Mr. and Mrs. Bill Roe and daughters Elizabeth and Reba of Callisburg and their guest, Oscar Tucker of Cassville, Mo., and Mr. and Mrs. W. F. Davidson.

Oscar Tucker is a cousin of Mrs. Davidson, Mrs. Shaw, and their sisters, Mrs. Breckenridge and Mrs. Blount.

Mr. and Mrs. Lloyd Barnhart were in Valley View Sunday for visits with the Reuben Wilsons and the Leonard Luttmers.

Roger Barrett of Jackson, Miss., was a weekend visitor with Larry Sparkman.

Mr. and Mrs. R. D. Morris, Mr. and Mrs. Joe Doughty and Earl Robison were among a group attending a meeting in Leon, Okla., last Thursday, pertaining to a new bridge across Red River.

Mr. and Mrs. Ernest Huggins were visitors in Corpus Christi last week with relatives and Mrs. Huggins spent part of the time in a hospital for a check-up.

Nig Wilson made a business trip to Dallas last Thursday.

Sunday visitors with the Sam Sparkmans and V. M. Ramsey were the Melton Ramseys and sons of Muenster and the Willis Robisons of Gainesville who also visited the Ernest Robisons at Bulcher, Monday supper guest of the Sparkmans was Lucian Reeves of Gainesville.

Mr. and Mrs. George Ritchenerson had as guests Sunday Mr. and Mrs. Gordon Ramsey of Gainesville, Mr. and Mrs. Loye Murrell of Grand Prairie, Mr. and Mrs. Ed Montgomery of Bulcher, Mrs. Melton Ramsey of Muenster, Mrs. Sam Sparkman and Mrs. Rafe McElreath.

Thursday visitors with Mr. and Mrs. Linzie Branch were his parents, Mr. and Mrs. Lee Branch, their daughter Mrs. Cecil Burch and her daughter Mrs. Lloyd Stewart and son Greg and Mrs. Glenn Burch, all of Gainesville, making four generations together. Sunday visitors in the Branch home were Mrs. Branch's brother and family, the Kenneth Cunninghams of Gainesville.

Mrs. Buford Whitt and Mr. and Mrs. Charlie Winchester drove to Fort Worth last Thursday to take Mrs. Whitt's grandsons, Jeffrey and Keith Whitt, back home after a several days' visit on the Whitt farm.

**Blowing a Fuse**  
Two salesmen were talking about how everything costs more these days. "You know", one of them confided, "I had to pay a TV repair man \$25 last week just for plugging in my set."

"Holy smoke!" ejaculated the other. "Twenty-five bucks just for plugging your set in? How could he justify that?"  
"What he called it on the bill," said the victim, "was re-activating the power supply to the receiving mechanism."

**Dim Copy**  
The young father beamed on tottling junior and observed to his mate, "That boy really has my family's good looks. Takes after me, don't you think?"  
"Yes, vaguely," she replied. "He keeps his thumb in his mouth and you keep your foot in yours."

No species of birds now living have teeth.

**Ultrason**

Berkshire has taken nylons into the space age with Ultrason! For the very first time a stocking has been created with all the favorite qualities of nylon, combined with the comfort of natural fibers. Ultrasons are luxuriously soft, with extra resiliency to guarantee perfect fit.

Ultrasons give you these four outstanding features...

1. Perfect fit — they shape themselves to fit your legs with every step you take.
2. Softness — the first nylons with the feel and the luxury of silk.
3. Comfort — cooler in the summer and warmer in winter due to greater absorbency.
4. Matte look — fashioned right to permanently eliminate the sheen of regular nylon.

THE FIRST NYLON FASHIONED WITH SOUND WAVES. EXCLUSIVE WITH BERKSHIRE.

Seamless Ultrasons, Pr. \$1.65 (Including the new run-resistant stockings)

**Credit Service Offered Farmers**

A new service is available to Cooke County farmers in the office of County Farm Bureau building. It is a local unit of Production Credit Association to assist farmers, ranchers and dairymen with their financial problems. The local representative is Jesse Rivoire, a native of the county and well known to many of the area's farmers.

**Star of 'Carnival'**

**Tigers Lose - - -**

Tigers' revival, the Eagles made a bad start with a 15 yard penalty. Next Martindale snared a pass for a 30 yard gain but fumbled when a bruising tackle brought him down.

Sacred Heart kicked after short gains and Valley View fumbled on the next play. The Tigers were 24 yards from pay dirt.

Two tries gained 5 then Francis Fuhrman took Ray Wimmer's pass and scooted for the score.

The Eagles struck back in a hurry. Hogan ripped off 12, a pass gained 11, and Hogan slipped through the middle on a 58 yard sprint to the line. Mask kicked for an extra point.

Two plays after kickoff Valley View did it again. Clifton stole a pass and raced in the clear from midfield for the TD. Mask's kick was good again. After that Eagle reserves got part time action and the Tigers got more yardage.

Sacred Heart made a first down and fumbled. Valley View kicked to end its series and the Tigers made two more first downs then lost on a fourth down gamble. Eagle regulars returned to the field for another try but failed and kicked on their first series. Eagle reserves took over again.

On three plays the Tigers gained 10 to their 40, then Dennis Hess gave home town fans their big thrill of the evening. It was a scot around left end and a hot race for 60 big yards to the goal. Wimmer's pass to Fuhrman added two points.

For the final four minutes the Eagle first stringers were back in play. They failed on the first series and the Tigers did likewise. Then Hogan almost got away again. He was stopped on the 30 after a 31 yard gain. Next three tries lost 5 and a pass reached the 12 as time ran out.

Game at a glance	
	SH VV
First downs	7 13
Yds. rushing	144 194
Yds. passing	24 97
Passes completed	4-10 5-12
Intercepted by	0 1
Fumbles lost by	2 3

## Farm Facts

A mobile packing unit developed by a Salinas, Calif., corporation helps get lettuce to market in a hurry.

The unit consists of a huge truck with its own generator. Wings attached to the sides can be spread out to operate as conveyor belts. The truck follows workers cutting and trimming the lettuce. Other workers walk behind the conveyor wings, pick up the cut heads, and put them on the conveyor.

The conveyor moves the lettuce inside where a crew on one side wraps each head in a sheet of "Polyflex," and thrusts it through an opening. On the other side, workers heat-seal the film and direct the packages to a heat tunnel where the film is stretched tight. The heads then go to the packers.

Lettuce cut and trimmed in the field reaches the home-maker crisp, moist, and with color intact. Each head is trimmed and ready for use.

Lettuce is now wrapped in the field.

A carton filled with over-wrapped lettuce takes less space than one in which bulging unwrapped heads are packed. Nearly 60% more cartons can be loaded per freight car.

## Local News BRIEFS

Lake Texoma vacation was enjoyed by the Denis Hofbauers and the Freddy Hennigans who came back home Thursday after ten days at Walnut Creek resort, headquarters in the Ed Hess cabin. Grandparents had the couples children. The Hennigans' four, Diane, Billy, Bobby and Darlene, stayed with the Robert Knabes and Mikie Hofbauer was with the Clem Hofbauers. The Dennis Hofbauers took Mikie with them for the last of their vacation, going to Terrell to spend Saturday to Monday with the Ewald Fuhrmanns.

Mr. and Mrs. M. F. Milner drove to Eules Sunday afternoon to help their grandson David Haynes celebrate his birthday. The little son of Mr. and Mrs. Frank Haynes was one year old. Also helping David eat birthday cake and other refreshments were his sister Marie and his brother Kenneth.

Mr. and Mrs. John Streng and daughter Clara enjoyed their week of vacation in Salina, Kansas, where they visited another daughter and her family, the Antonio Chantres and Anita, Gwen and Wayne.

Mrs. Dick Cain was in McKinney a few days this week visiting her son and family, the Dickie Cains.

Mr. and Mrs. Paul Fetsch and children drove to Pilot Point Sunday for a visit with Mrs. Ed Blumberg.

Mr. and Mrs. Virgil Walter and son Doug of Odessa are spending the last week of their vacation here with his parents, the Al Walters. They arrived Saturday. They were also in Fort Worth two days this week attending a Republican convention.

Visitors over the weekend with Mr. and Mrs. J. A. Sanders were their daughter and husband, the Walter D. Cookes and son Greg of Fort Worth. During the past week Mr. and Mrs. Sanders had most of their family with them at one time. It was a farewell get-together for their granddaughter and her husband the Doug Holcombs and children Randy and Debbie who moved over the weekend from Fort Worth to Tennessee. Randy spent several days with his great-grandparents and when his mother and Debbie came for him they brought her mother, Mrs. W. D. Cooke and Mrs. C. A. Sanders and Mrs. Bitsie Graham and son Danny to spend the day.

A nice Sunday surprise for Jim Walker was having his daughter and family, the A. W. Carleys of Hurst, drive over to spend the afternoon with him.

Visitors Sunday with Mr. and Mrs. Tony Wiesman at Gainesville and guests for supper were their children and grandchildren, Mr. and Mrs. Bill Terry and son Timmy and Mr. and Mrs. Louis Wiesman and children, all of Gainesville. The men spent the afternoon dove hunting. The Louis Wiesmans recently moved back to Gainesville after living in farming, N. M.

In a recent letter from Lt. Col. and Mrs. David Bright to her parents, the J. M. Weinzapfels, they tell about their new daughter's christening. They've named her Julia Beatrice after both her grandmothers. And she wore the traditional baptismal clothing worn by her grandpa Weinzapfel, her mother, and all the Weinzapfel children and grandchildren. It was air-mailed to Germany by the Bill Birdens of Milwaukee whose baby son wore it at his christening a short time earlier.

Harry Fisher has returned to St. Maur's Seminary in South Union, Ky., to continue his studies after spending the summer vacation with his father, Joe Fisher Sr.

Mr. and Mrs. Charlie Pagel and sons Darrell, Carl and Curtis are getting located in their own home. They moved during the weekend to occupy the new house completed recently by Community Lumber Co. on South Pine, south of the Rody Klements. It's a three-bedroom brick with two baths and attached garage.

Mr. and Mrs. Wilfred Koelzer have moved into their new home on North Sycamore. It's a three-bedroom brick with garage. They had been occupying the former Seyler cottage on N. Walnut. It is being moved to Hardy for Mr. and Mrs. Earl Hartz who will enlarge and remodel it for their home.

New employees at Wilde Chevrolet Company are Earl Gregory who hails from Bowie and is in the sales department and Hubert Andrews of Gainesville who is in the office department. Andrews is presently attending a bookkeeping school at General Motors headquarters at Garland.

Spending Sunday in Muenster were Mr. and Mrs. Felix Pelzel and sons Wayne and Randy of Pilot Point who were guests of her parents, the Fred Hennigans Sr. Coming with them were Mr. and Mrs. Donald Peizel who visited her parents, the John Hackers.

## Birthday Honoree Feted Three Times

Three separate birthday honors came to Mrs. Tony Felderhoff Sunday on her birthday making it a glad occasion in which her children and grandchildren, brothers and sisters participated.

The day started with the family's attendance at Bishop Dangelmayr's mass in the chapel followed by breakfast for the bishop, Mr. and Mrs. Tony Felderhoff and Joe Dangelmayr at the home of Mr. and Mrs. Sylvan Walterscheid.

At noon all the family of the honoree was together for dinner with Mr. and Mrs. Alvin Hartman as hosts in their home. Mrs. Sylvan Walterscheid baked the birthday cake and a long-distance telephone call of greetings came from Ens. Charles Felderhoff stationed in San Diego, Calif., the only one unable to attend the gathering.

In the evening in their own home, Mr. and Mrs. Felderhoff had her brothers and sisters with them for visiting and refreshments to end a happy day.

## Mrs. Walter Hosts Get-Together Club

Members of the Get-Together Club had their September meeting in the home of Mrs. Al Walter and spent the afternoon playing progressive 42.

Mrs. Joe Kathman led in the scoring for top award and Mrs. John Hartman won the consolation award. Mrs. John Wieler drew the door prize.

After the games Mrs. Walter served a dessert plate and coffee to twelve, nine members and three guests; Mmes. Joe Hoenig, R. R. Endres and Norbert Walterscheid.

## Mrs. Davidson Is Hostess to Club

Tuesday Nites Club members had their September social with Mrs. Charles Davidson as hostess in her home. They played games of Tripoley in which Mrs. Leo Lawson was high score winner and Mrs. Melton Ramsey secured the consolation award. Mrs. Bill Hunt drew the door prize. The hostess served refreshments.

For the October party the group planned an outing at City Park with their husbands and children as guests.

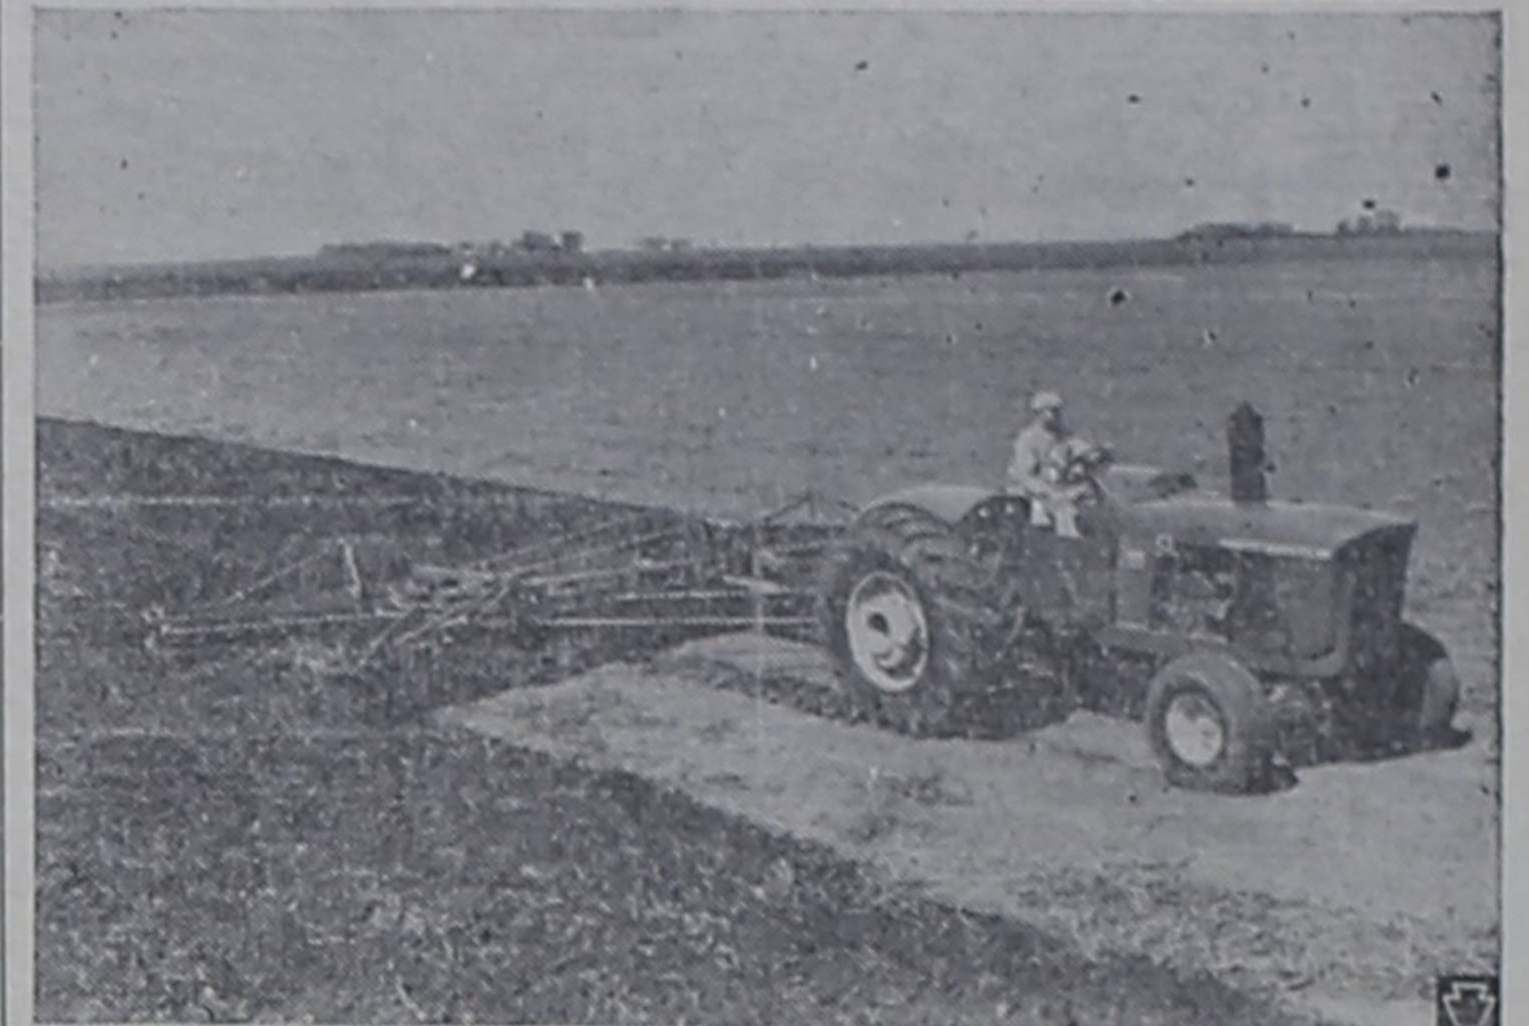

## Weekend Crowded With Sight-seeing

Mr. and Mrs. Adolph Walterscheid report an enjoyable weekend trip crowded with sight-seeing in Oklahoma. They left early Saturday, returned late Sunday.

They toured Medicine Park, visited the Wild Life Refuge and saw herds of buffalo. . . made a tour of the amphitheater at Holy City, site of the annual Easter Pageant, and went to the top of Mt. Scott. Here they noted tourists from 11 different states as indicated by their car licenses. They spent the night in Lawton and attended mass there Sunday.

Among attractions Sunday were Craterville and Quartz Mountain State Park near Altus and a close-up view of a U.S. Air Force plane. North of Vernon they saw early wheat coming up and at Chillicothe they saw the Medicine Mounds. In Wichita Falls they drove through Hamilton and Colonial Parks.

## First 100-HP Tractor Farmers Hike Horsepower 70% in Decade

The average horsepower size of farm tractors in the U. S. and Canada has jumped 70 per cent in the past ten years as farmers have turned to bigger, more productive machinery to ease effects of the cost-price squeeze.

The average size of all farm tractors shipped by U. S. manufacturers in 1961 was 51 horsepower compared to 30 horsepower just ten years earlier in 1951.

In 1951, of all wheel tractors shipped by manufacturers 88 per cent were under 35 horsepower. By last year these figures were reversed and 88 per cent were over 35 horsepower. In fact, in 1961, 33 per cent were over 60 horsepower and 15 per cent were over 70 horsepower.

There is no sign the demand for bigger tractors is slowing down. The first standard farm

tractor ever to exceed 100-horsepower has just been developed by John Deere engineers. The 117-horsepower unit is roughly a third bigger than largest standard tractor available up to now. To transmit the huge power load efficiently, the largest farm tractors ever built are being produced.

The bigger tractors permit farmers not only to handle larger equipment, such as the 27-foot wide double-action disk harrow shown above, but also have the power to permit farmers to work at faster field speeds.

The hard working husband could never figure out just why his wife was always short on money.

"But dear," he asked, "why is it that we never have any cash to spare?"

"Oh," replied the wife "It's all the neighbors' fault, they're always doing something that we can't afford."

A successful man is one who can afford to get his hair cut just before payday.

The hard-hearted landlady entered her boarder's room on the morning of his departure.

"I see sir, she said, "that there is a hole burned in my sofa. Of course I'll expect you to pay for it."

"Not going to do it," the boarder replied. "I don't smoke."

"Well of all the nerve," the landlady said, "I've had this house for over five years and you're the first one who has refused to pay me for that hole."

# Tough new '63 Chevrolet Trucks are here!

...THE ONES THAT WHIPPED THE BAJA RUN...TOUGHEST UNDER THE SUN... TO SHOW THE WORTH OF NEW ENGINES, FRAMES AND SUSPENSIONS!

Millions of years ago nature fashioned a proving ground for trucks that man can never duplicate. Today it is known as the Baja (bah' hah) California Peninsula, Mexico.

These pictures give you only a bare idea of the place. The road is fine for 140 miles below the U.S. border. Then the beating begins. Rocks and hard-baked ruts bang, jab and jerk the trucks from stem to stern. Loose sand makes them struggle and strain. Dust chokes them. Heat roasts them. Rivers drench them.

The Baja Run took this Chevrolet truck caravan 17 days to go the 1,066 miles.

All the trucks performed magnificently. Not one was forced to drop out because of mechanical difficulty.

Trucks that can take this kind of beating can take on your toughest truck jobs. Come in now and see tough quality-built '63 Chevrolet trucks with all their new improvements.

**CHEVROLET**  
QUALITY TRUCKS COST LESS

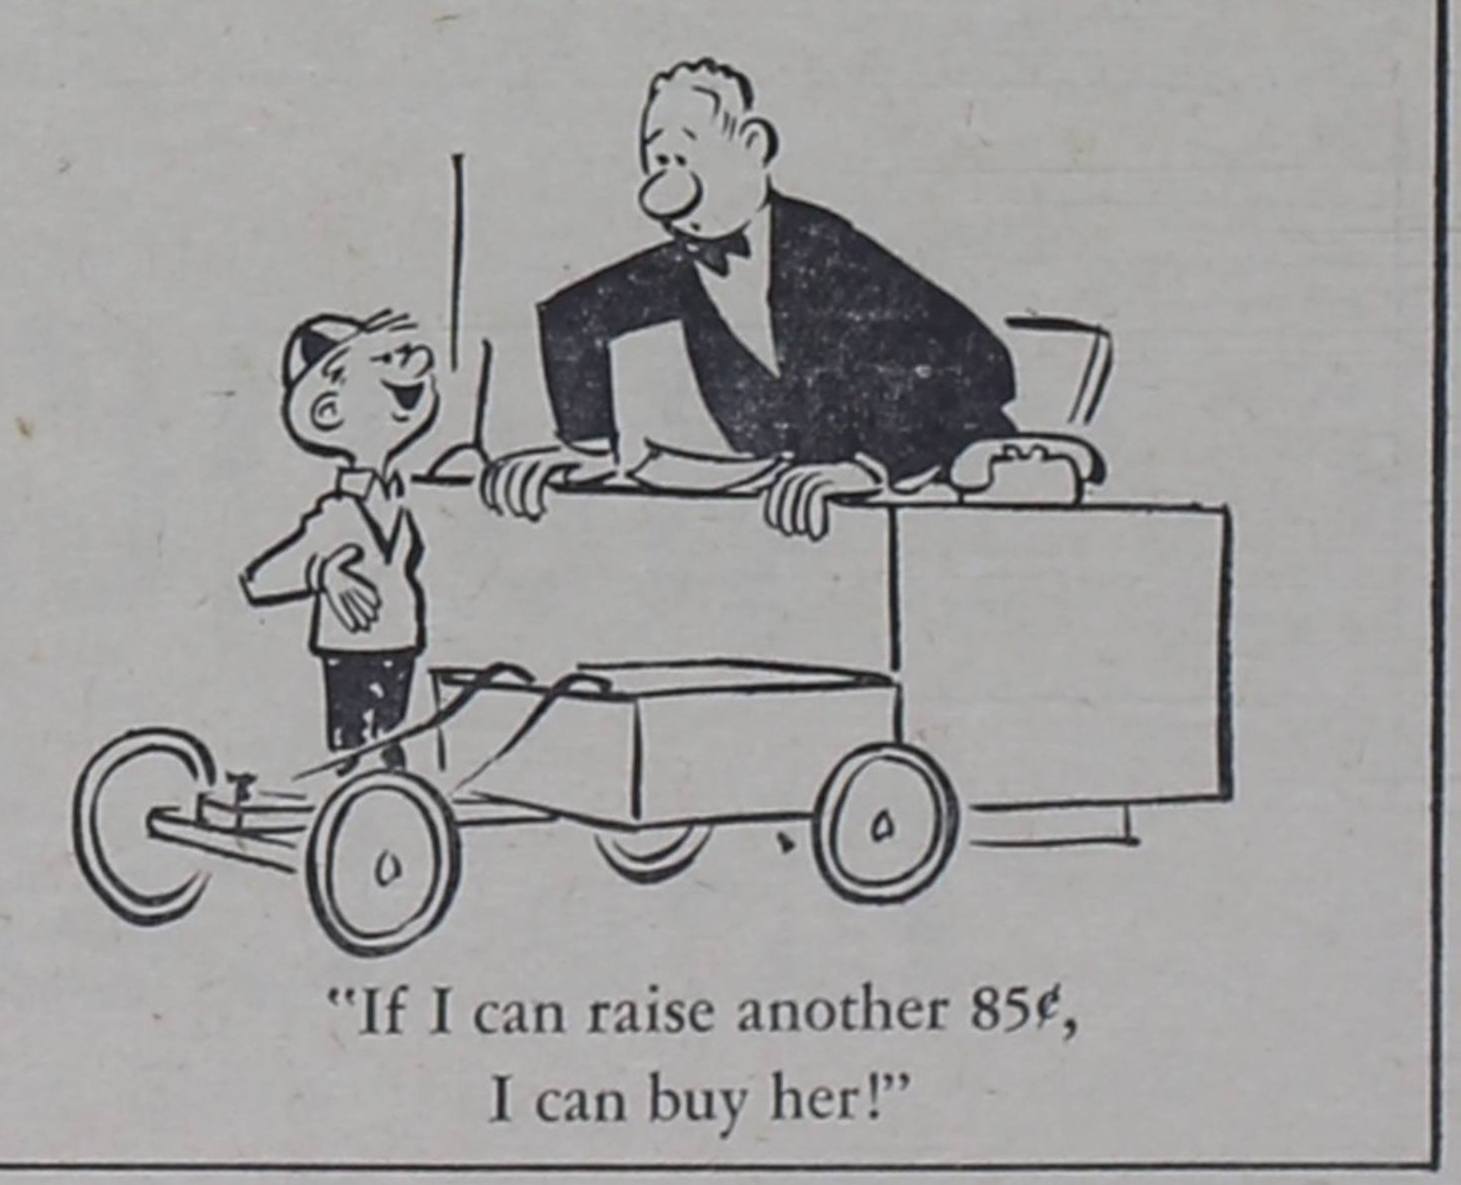

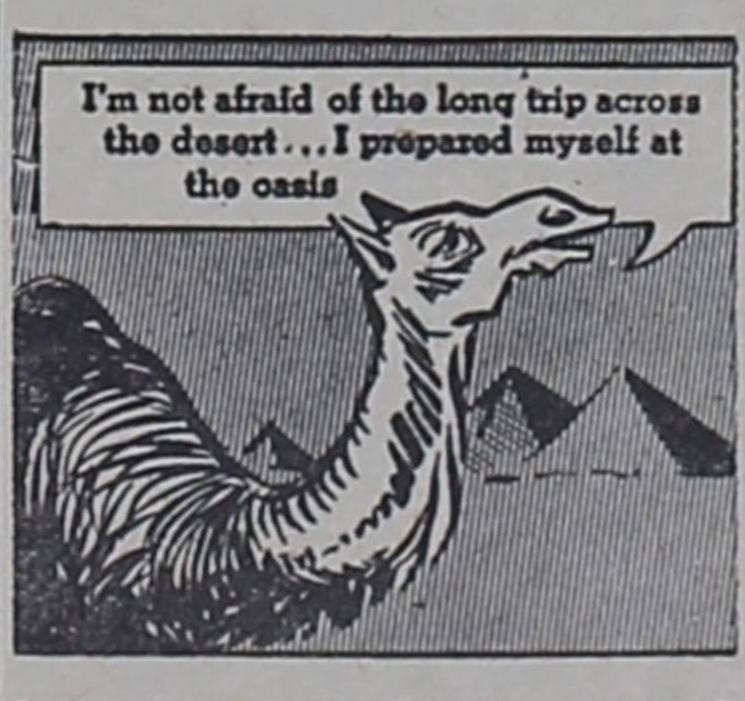

Sometimes the caravan crept along for hours in low gear. It took 17 days to go 1,066 miles! This is the road near Loreto.

See the "New Reliables" now at your Chevrolet dealer's!

### Lindsay News

At their September meeting Lindsay CYC elected Roy Morisak as vice-president to fill the unexpired term of Jimmy Zimmerer who has gone to attend NTSC. The group also discussed purchase of a new society banner. Father John met with the young people and gave one of his short inspiring talks. A social period followed business.

Mr. and Mrs. Hubert Shrodes and two children of Dallas spent the weekend with her mother, Mrs. Sophie Stoffels, and drove to Muenster to visit her sister and family, the Jerry Hoenigs.

Members of the Lindsay Parent-Teacher Club are reminded of their meeting next Tuesday night at 8 in the Parish Hall. Parents are requested to bring their children's crafts and arts along for display and viewing.

Thursday this week was "Sew Curtains Day" at Lindsay. Members of Craft Club leaders group and a number of volunteers got together in the Parish Hall to dress up that place with draperies . . . the prime purpose for the curtains being to fix the building for the showing of movies to school children.

Jimmy Zimmerer and Gilbert Hermes enrolled at NTSC this year. Both are juniors. Rosemary Hermes is at Gainesville College. She is a freshman.

Mrs. H. S. Fuhrmann and Mrs. Harold Nortman and sons David and Danny visited in Muenster Tuesday with the Ray Hess family.

Members of the Gainesville-Lindsay Council Knights of Columbus and their families had their annual outing with a picnic dinner Sunday in Lindsay Park.

### Five Compete for Football Queen

For the first time in Lindsay history the football team will have a homecoming game this year with all the festivities attendant at such an event including a football queen.

Five candidates, one of whom will wear the Knights' crown, have been chosen for the highly competitive and much sought after honor.

Out gathering votes are Barbara Bezner, Judy Bezner, Dolores Voth, Patsy Hermes and Marcy Neu.

Revised oath for use before the bar of Justice:

"Do you solemnly swear that the evidence you will give in this case will be the truth, the whole truth and nothing but the truth, so help you Supreme Court?"

### How To Approach A Chair

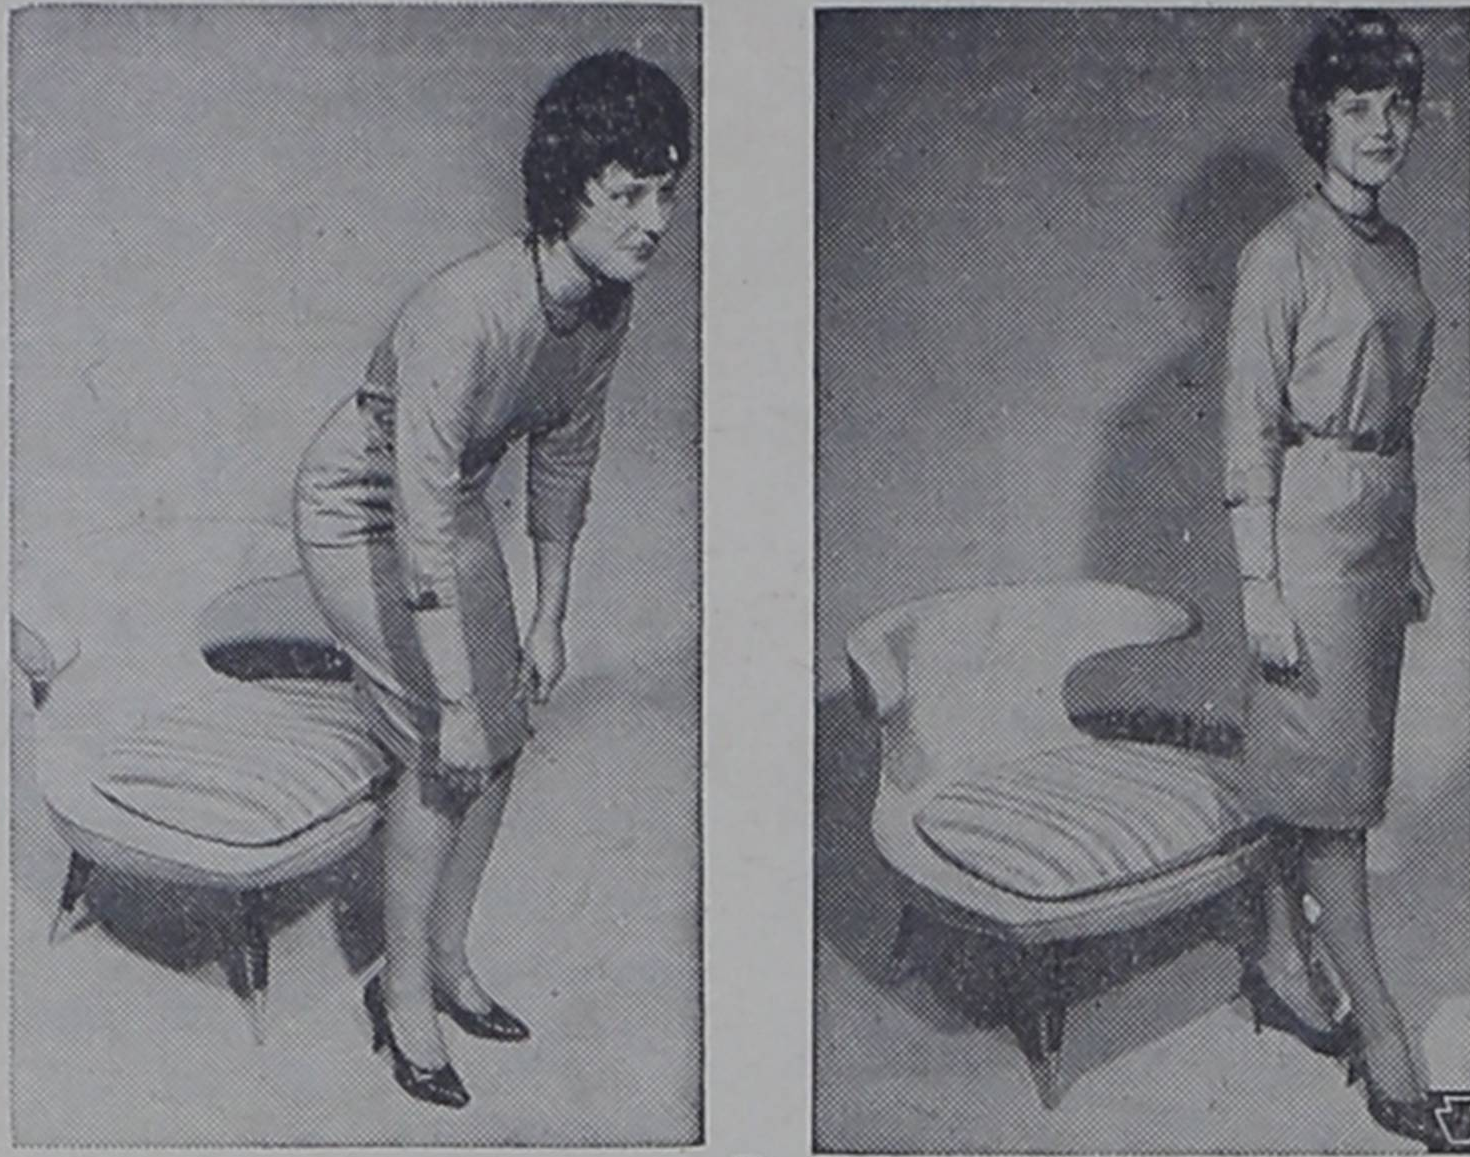

Photo: Urethane Institute

Do you sit down as if a rug had just been pulled from under you? You do, if you follow the "landing pattern" pictured left above. Even the most graceful girl will land like a lump if she approaches a chair this way. However, in the picture at the right the model is using the back of one leg as "radar" to give her the correct landing pattern for this new chair cushioned in urethane foam. She will then be gracefully seated and look as comfortable as the chair—with its new design and soft urethane foam—invites her to be. Try this approach next time you sit down.

### Craft Clubbers at Lindsay Keep Busy

Lindsay craft clubbers report interesting meetings for September.

Mrs. Al Bengfort's group of 12 boys made seed pictures and added four new members.

Fourteen youngsters worked with their leader, Mrs. Andy Arendt. The boys made gun racks and the girls made what-not shelves. Three new members joined.

The group that has Mmes. Gene Owen, Bob Lutz and Norbert Rohmer as leaders painted scarfs with ball point paints. Eighteen were present. They added three new members.

At a meeting for club leaders the group approved purchase of a 40-cup coffee urn for the Parent-Teacher Club to be used for their activities and also for the refreshment stand at home football games.

The club is grateful to all who contributed Gold Bond validated certificates and covers to make premium purchase possible. This work is continuing with next premiums listed as football equipment and a microscope for the school science department.

### Lindsay Squires Clobber Mustangs

Lindsay's hustling little Squires ran away with the honors in their season opener Sunday afternoon clobbering St. Mary's Mustangs by a score of 30-0 as local fans cheered.

The Squires' first counter came on the third play when Brian Bezner broke out around end for pay dirt. The extra points failed. Next Robin Lutz went over on a fast run but a penalty was called voiding the play.

In the second quarter Lutz made another long run but fumbled while going over and St. Mary's recovered. Then they lost on downs. This time Lutz carried the ball over for a marker. David Arendt made the extra points and Lindsay led 14-0 at the half.

Lindsay scored again in the third and in the fourth quarter. David Arendt made the third touchdown and Gerald Stoffels ran for the extra points. Lutz carried the ball over for the fourth TD and Stoffels ran again for the bonus points.

Outstanding defense was Louis Gieb, Arendt and Lutz.

Lindsay's Squires are members of the North Texas Parochial League with Sacred Heart of Muenster and St. Mary's of Gainesville and Windthorst. Henry Schroeder is coach assisted by Bill Roberg, David Arendt and Mike Hundt are co-captains.

Next game will be at Windthorst Sunday.

### Confetti . . .

the way if we have the will.

For the benefit of any who are worried about not going over the top, it might be added that supplementary funds are available through sale of bonds, which are already authorized. The board hopes that they will not be needed. However, if necessary, it can complete the project that way and continue the fund drive until all is paid. We have the assurance we'll get our hospital. If anyone is holding back because of doubt he needn't hold back any longer.

Incidentally, a word is in order concerning a silly rumor that the hospital authority does not have a title to the building site. A remark like that hardly deserves a reply but for the benefit of any who might be misled it can be said that the title is in order, and furthermore it's absurd to think that a federal agency would appropriate its funds if the title were not in order.

If anyone still doubts he's invited to consult the county file, Vol. 440, Page 332, Dated Oct. 1, 1961.

All other hospital information likewise is available to anyone who wants to look. The complete file, including plans and specifications, is in the lobby of the bank.

**AIRY LOCKS**—An orbit or airiness is the theme of this spring coiffure for 1962. Inspired by the celebrated feat of John Glenn and the other astronauts, the sides of the new hair style lift up, while top locks cross the crown of the head in a celestial whirl.
