

HAZZARD WILL APPEAL CASE

Bandit Loots Inez, Texas, Bank GETS DEATH VERDICT, MOANS INNOCENCE AS 2 PALS GO TO TRIAL

TWO EMPLOYEES ARE LOCKED IN BARLESS VAULT

INEZ, Victoria County, Tex., Aug. 9.—(P)—An unmasked robber held up the Inez State Bank about 9:30 a. m. today and escaped with between \$400 and \$500 after locking the cashier and clerk in the vault. The robber entered shortly after the bank opened and another waited outside in a car. "Stick 'em up," he told Cashier John C. Bianchi and Miss Willie Lee Bailey, clerk, as he entered. "Where's the money?" he demanded, according to Bianchi. Told that the money was in a drawer, the robber forced the two bank employees into the vault scooping up the currency in the vault, overlooking some small change, and dashed out a door to a closed automobile. In returning to the vault the two employees had begun to suffer from lack of oxygen when they were liberated. John Prukop, blacksmith, coming to the bank to cash a check soon after the bandits disappeared, heard appeals for help from the vault and immediately turned in the alarm.

HOWARD PAYNE GRADUATES 40

Two views of life, the Pagan and the Christian, were presented by Rev. Charles S. Pierce of Dallas at the graduating exercises at Howard Payne auditorium Wednesday night. The Christian life, said the speaker, is distinguished by its service to others. "The rule of greatness," he declared, "is service." "Then sense of greatness makes men great," Dr. Pierce said, addressing the graduates before him, and he continued, "no single individual is finished; we are men in the process." Two courses are open to men, Dr. Pierce declared, the selfish and the unselfish. We are too prone to interpret life in terms of material success, he said, when it should be interpreted in terms of happiness.

Takes Poison, Man Is Dying

ALBERT DAVEE, age about 45, an oil driller, living at 1903 Victoria Street and who has been engaged in crumbing operations near Brady, was brought to the Central Texas Hospital Tuesday night in a very critical condition, and according to attending physicians no hope is held for Davee's recovery. According to statements made by attending physicians, Davee swallowed 13 tablets of bichloride of mercury Sunday afternoon, August 5, while at work on an oil well in the Brady territory. Immediately after taking the bichloride tablets, Mr. Davee vomited, thereby avoiding an instant death, physicians state, adding that one of the 13 tablets would have been enough to cause death. Physicians stated that Mr. Davee is alleged to have taken the deadly poison of his own accord, but no statement has been made relative to the cause of the alleged attempted suicide. In describing Mr. Davee's condition, his physicians state that he faces one of the most horrible of deaths known to medical science, that of a slow death of unending suffering. His physicians state that the bichloride of mercury tablets have caused, it is believed, irreparable injury to the man's stomach and it is believed that the deadly poison will slowly, but surely, destroy the walls of Davee's stomach, as well as the walls of the esophagus. Although Mr. Davee was able to walk from a car in front of the hospital where he was taken into the hospital, attending physicians despair of his life, stating that his kidneys have ceased to function and that only a miracle can prevent the man's ultimate death. Mr. Davee is a married man and has several children, as well as other relatives in the city.

Extensive Farm Program Outlined

ZENO INGRUM IS GIVEN POST FOR LEGION SESSION

SAN ANTONIO, August 7.—Appointment of Zeno Ingrum, of Brownwood, on the department commander's committee for the American Legion national convention at San Antonio, October 8th to 12th, was announced here today. The appointment was made by Walton D. Hood, commander of the Texas Department of the Legion. Mr. Ingrum is adjutant of Tahaan A. Smith, post No. 398 at Brownwood. He had a large part in the setting up of the city of Brownwood of a rest room for the use of sick World War veterans passing through. He has helped more than 75 veterans to secure their claims against the government. The department commander's committee for the convention will serve as a staff for the department commander in handling the great mass of details which will call for his attention during the convention.

COUNTY Farm Demonstration

Agent O. P. Griffin has mapped out an extensive agricultural program that he plans to put over during the remainder of the current year and if carried to completion will mean much to Brownwood and Brown county, it is believed. Mr. Griffin's program has two main objectives, or rather his work will be on two major projects that he hopes to see materialize before the current year comes to an end. Perhaps the major project to be undertaken is in the dairy industry of the county and the chief objective of this project will be the raising of the present rating of dairies and Brown county dairies with the State Health Department to a level with all other cities of the state, some larger and others smaller than Brownwood. Mr. Griffin plans to co-operate with the dairymen of the county, with the Brownwood Chamber of Commerce, and with the City Council of Brownwood.

Wants Dairy Inspector

An effort will be made to get the City Council of Brownwood to employ a dairy inspector, fully competent for the position and empowered with the authority to make all dairies of Brownwood and Brown county produce high grade milk, or be without a market for their products. In order to accomplish this, it is necessary to secure the hearty co-operation of all dairymen and this will be undertaken at the next regular meeting of the Brown County Dairy Association which will be held August 20. It is planned to have a representative from the State Health Department here for that meeting, for the purpose of explaining in detail to the dairymen the necessity of producing high grade milk. The advantages of a high rating with the State Health Department will also be explained. If the dairymen will co-operate in the project, the hearty co-operation of the local commercial organization will next be sought, it is stated. If this is secured, as it is believed it will, the project will next be laid before the City Council. Complete plans as to the selection of a man and relative his pay will be worked out later, it is stated.

Force Door Open

Mr. Bianchi yelled the combination of the vault lock to those outside but the door refused to open. Some one suggested an acetylene torch but soon it was pried open and Bianchi and Miss Bailey liberated.

Muskogee Bank is Robbed

MUSKOGEE, Okla., Aug. 9.—(P)—The Citizens National Bank of Muskogee was robbed of approximately \$3,000 by three robbers about noon today. The three men a few minutes previously had held up Lindsay Prothro, local ice cream manufacturer, on the outskirts of city, taking his automobile. They held up the bank while police were investigating the Prothro robbery. Prothro's large coupe was used by the robbers in making their escape. They drove up in front of the bank and one of them entered the building and, with his gun concealed, went to a cage occupied by Henry Bain, teller. Showing Bain the muzzle of the gun, the robber told him if he did not hand over the money he would put a hole through him. The teller gave the robber the cash.

WARD SCHOOL WORK BEGINS

With A. C. Bratton, local contractor, in charge, work on the new ward school building on Avenue K, between Fourth and Seventh Streets, was begun Monday and according to local school officials work on the new building will be rushed to completion at the earliest possible date. Running of lines, preparatory to digging the foundation, was done Monday and dirt was to have been broken sometime Tuesday, it was stated Tuesday morning. Local school officials were unable to secure a satisfactory bid for the new building and have employed Mr. Bratton to take charge of the work, furnishing him with material and workmen. It is believed that a saving of several thousand dollars will be realized in this manner. The School Board estimates that the new building will cost approximately \$40,000 and the lowest bid made by any contractor seeking the job was about \$45,000.

NAME MEMBERS OF ROAD BODY

Twelve voting precincts, including the four in Brownwood, have elected their members of the county-wide good roads committee. Five others are holding their organization meetings today and two others have meetings scheduled for Wednesday, stated Fred Hayes, chairman of the Young Men's Good Roads Association of Brown county. It is hoped, say the members of the road organization, that every voting precinct in the county will elect its committee members before the county meeting to be held here Thursday night, in order that every precinct in the county may be represented in the deliberations of that meeting. Precincts that have elected their committee members, Mr. Hayes states, are Bangs, May, Grosvenor, Thrifty, Mt. View, Mt. Zion, Lower Indian Creek, Upper Indian Creek and Brownwood (four precincts). Organization meetings are being held today by Brooksmith, Duhin, Cross Cut, Clio and Winchell, while Zephyr and Ricker will have their meetings Wednesday.

Fire Proof Brick

The new building will be a two-story, fire-proof brick structure and will have 10 class rooms available. The new building will face Avenue K, being located south and east of Avenue K, between Fourth and Seventh Streets. Local school officials expect to have the new school building ready for occupancy not later than December 1st, but the date of completion may be delayed, this depending on prevailing conditions during the next four months. Children who would have gone to the new school will be cared for in the Coggin Ward School until the new school is completed, it is stated. Work on the North Brownwood School is nearing completion and it is expected that it will be finished no later than August 15th. Two rooms have been added to the North Brownwood school, giving that school six class rooms, which, it is believed will amply care for the needs of that school this year.

COTTON PRICES BREAK TODAY

NEW YORK, Aug. 9.—(P)—Cotton prices broke \$4 to \$7 a bale from yesterday's high levels on the New York Cotton Exchange today under heavy selling by Wall Street, Liverpool and southern interests. The trade apparently was not disposed to accept yesterday's government crop estimate of 14,291,000 bales as a positive indication of crop prospects in view of favorable weather conditions, recently in the south. The market declined to within a quarter cent a pound of yesterday's low levels, October, which sold as high as 20.75 cents a pound, declined to 19.35 cents, while December, which had sold up to 20.33 cents, dropped to 19.23.

MARKETS

By The Associated Press
NEW YORK: Stocks irregular; Montgomery Ward advances five points to record high. Bond quiet; rails under pressure. Foreign exchanges mixed; peetas lose 11 points and Japanese yen 10. Cotton decline over \$5 a bale under general selling. Sugar quiet and steady; favorable spot market.

HICKMAN STEP NEARER DEATH

LOS ANGELES, Aug. 9.—(AP)—William E. Hickman today was ordered hanged at San Quentin penitentiary on October 19 next for the slaying of Marion Parker. Judge Douglas Edmonds overruled nine defense objections before setting the second hanging date for the youthful kidnapster who slew the 12-year-old school girl here last December.

FATHER'S DAY

WICKS: I've arrived, man! Shake hands with me! I've been waiting and hoping for this for years!
PICKS: What's happened?
WICKS: I bought a new tie yesterday and my son wore it down town this morning.—Life.
CAT ENDS MATRIMONY
LONDON—Because his wife sat up seven nights a week feeding the cat fillet of steak and meat, excited to make arrangements for the 1929 celebration.

EVERYBODY'S DOING IT

"Taxi, sir?"
"Yes, yes; where's your cab?"
"Sorry—I'm just checking up on the trade to see if it's a good business for me to get into."—Judge.

FORMER STUDENTS OF ROUGH BRANCH SCHOOL HOLD CELEBRATION

Approximately 55 years ago a log school house was built about one and a half miles northeast of Holder. The school was named "Rough Branch School." About 25 years ago, the school was discontinued and the children of the district sent to the Holder school. Since then the old log school building has been torn away. To many people this is of very little interest but to approximately 100 former students and patrons, the memory of the old school is of more than ordinary interest, as evidenced by a reunion or celebration held on the former site of the Rough Branch School last Wednesday, August 1. On this occasion between 20 and 30 men and women who attended the Rough Branch School 50 years ago, together with 70 or 80 former students and patrons of a later date, joined in all day celebration. J. J. Smith planned the celebration but due to illness was unable to attend and J. H. Busby served as chairman of the day's festivities in the absence of Mr. Smith. The following former students and patrons of the old school made short talks during the day: A. L. McDonald, of Rising Star, former student and teacher; Rob King, of Slaton, C. D. Morrison, of May, George Crum, of May, O. W. McDonald, of Brownwood and J. D. Brown, of May, U. H. Hill, of San Antonio, Jim King, of West Texas, were also present, as was Heck Brooks, of Lampasas. Reverends Steel and English, of May, made short talks. It was unanimously voted to make this an annual affair, August 1, 1929 being fixed as the date for the next meeting. A committee composed of J. J. Smith, George Crum, Henry Hamilton, Sabe Hart, J. D. Brown and G. W. Guyer was appointed to make arrangements for the 1929 celebration.

Let Brady School Contract Soon

BRADY, August 9.—(Sp)—The contract for the remodeling of the entire Brady High School building and the construction of several additional class rooms will be let sometime this week, according to H. P. Jordan, president of the Brady School Board, which recently had architects make a thorough inspection of the old building and found it in a dangerous condition. The entire top story will be removed from the present high school building in order to relieve the heavy burden on the foundation.

Tammany Chieftans Leave For Chicago

NEW YORK, Aug. 9.—(P)—James F. Egan, secretary of Tammany Hall, and William L. Kavanaugh, Democratic assembly district leader, left this afternoon for Chicago for the funeral of George E. Brennan, Democratic leader of Illinois.

COMANCHE, August 8. —(Sp.)—Dick Hazzard was given the death penalty here this afternoon for criminally attacking Miss Velma Bankhead.

The jury was out only 15 minutes. The fate of the De Leon youth was given into the hands of the jury at 4 p. m. When he heard the verdict Hazzard turned white and dropped his head. It had not been decided whether the case would be appealed late this afternoon.

COMANCHE, Tex., Aug. 9. —(P)—Two jurors had been chosen in the trial of Harley Holland and J. D. Pierce, farm hands, charged with criminal attack upon Velma Bankhead, 19, when court recessed at noon today. The venire of 100 still remained almost intact, and it was expected the jury would be completed before night.

Selection of jurors followed several hours of arguments, during which defense attorneys were denied a change of venue by Judge Joe Edison. Plea for a continuance also was denied. Pierce and Holland went to trial here today under charges similar to those for which a jury in special district court here yesterday found Dick Hazzard guilty and assessed the death penalty. Hazzard, who had remained calm throughout the two day trial, broke down completely when the jury rendered its verdict, arrived at on the first ballot. Defense attorneys gave notice of appeal. The two youths now on trial are alleged to have participated in an attack upon Miss Bankhead on the night of July 21. In her testimony in the trial of Hazzard, the girl applied his two companions declaring all three mistreated her after stopping their automobile and dragging her a short distance down the highway. Selection of the jury started at 11:45 a. m. The two jurors selected before noon recess were A. P. Farrar, farmer, and E. D. Saunders, proprietor of a confectionery.

COMANCHE, Tex., Aug. 9. —(P)—Despite testimony introduced by the defense in an attempt to prove a fair trial could not be obtained in Comanche county, Judge Joe Edison refused today to grant a change of venue in the trial of Harley Holland, 23, and J. D. Pierce, 21, farm hands, who are charged with criminal attack upon Velma Bankhead, 19.

Under cross examination by defense attorney A. B. Haworth, J. S. Nance of De Leon admitted from the stand he had approached Hazzard and warned him that citizens of De Leon "would not stand for his tactics in defending Pierce and Holland." In rebuttal the State introduced John Boswell, a filling station operator of Comanche, who testified that in his opinion the two men could get a fair trial in Comanche. Defense attorneys then asked for a continuance, pleading absence of material witnesses, but this also was denied by Judge Edison.

COMANCHE, Tex., Aug. 9.—(P)—Selection of a jury from the 100 veniremen who reported in district court here this morning was expected to be completed today for the trial of Harley Holland, 23, and J. D. Pierce, 21, farm hands, who are charged with criminal attack upon Velma Bankhead, 19, daughter of a farmer living near De Leon.

The two men, whom it is charged were companions of Dick Hazzard in the crime for which he was convicted yesterday and given a death sentence, will be tried jointly at the special session court. J. B. Stubbfield, counsel for Hazzard, announced he would appeal the case. Hazzard, who had maintained a calm composure during the three days trial, broke down when he heard the death verdict. When he was returned to his cell in the county jail he fell to his knees and cried. His moans could be heard at almost any part of the jail. "I will go to the electric chair an innocent man," he cried. The verdict, which was reached on the first ballot, and five minutes after the case had been placed in the jury's hands, did not appear to worry Pierce and Holland. Both declared their innocence and asserted that Hazzard did not get justice.

CLUB WOMEN'S AND GIRL'S PICNIC TO BE HELD AUGUST 15

The Club Women's and Girl's picnic, announced Monday by Miss Mayesie, county home demonstration agent, will be held in the Coggin Park, August 15th. Miss Malone announced Tuesday morning. The picnic will be a family affair in that all club girls and women, together with their families will be invited to attend. The day's program will begin at 10:00 o'clock Wednesday morning, August 15th, and will continue through the day. A basket dinner will be spread Wednesday noon.

Work has begun on a new \$20,000 warehouse near the Santa Fe crossing on Fisk Avenue, workmen having begun digging the foundation the latter part of the past week. Samuel Lee, youthful Brownwood business man, is having the new warehouse erected. It will be a one story, brick and concrete structure and built so as to allow at least one more story to be added at a later date, if further extension should become necessary.

The large warehouse has been leased to the Johnson Storage and Shipping Company, of Fort Worth and will be occupied by them upon completion. The Johnson Storage and Shipping Company has been freighting between Fort Worth and Brownwood for about two years and its rapidly expanding business has made it necessary to secure suitable storage space in Brownwood.

Lowenstein Leaves 40 Million Dollars

LONDON, Aug. 9.—(P)—The Evening News says that Captain Alfred Lowenstein, Belgian financier, who recently was killed in a fall from his airplane over the English Channel, left \$4,000,000 to be equally divided between his widow and son.

1000 KILLED IN ERUPTION OF VOLCANO IN EAST INDIES

BATAVIA, Java, Aug. 9.—(P)—According to reports transmitted by a resident of Timor, nearly the entire island of Paloweh, Dutch East Indies, has been destroyed by eruption of the Rokatinda volcano on August 4 and 5. Six villages were destroyed by fire. The death toll was believed to be nearly a thousand. Remainder of the islanders, numbering 5,000, were stated to be safe. It was feared nine native boats en route from Celebes Islands to Paloweh foundered with their crews. The Dutch resident of Timor is proceeding to the scene of the disaster. Six hundred persons were injured when hit by fragments thrown out of the crater. Further casualties were caused by subsidence of the whole seaboard of the island through an earthquake accompanying the eruption. Paloweh Island also known as Rusa Rajah Island lies about five miles off the north coast of Flores Island, one of the larger of the Malay Archipelago Islands. It is about four miles in diameter and rises to a peak 4,593 feet high which with trees to its summit.

WORK ON NEW WAREHOUSE IS BEGUN HERE

Work has begun on a new \$20,000 warehouse near the Santa Fe crossing on Fisk Avenue, workmen having begun digging the foundation the latter part of the past week. Samuel Lee, youthful Brownwood business man, is having the new warehouse erected. It will be a one story, brick and concrete structure and built so as to allow at least one more story to be added at a later date, if further extension should become necessary. The large warehouse has been leased to the Johnson Storage and Shipping Company, of Fort Worth and will be occupied by them upon completion. The Johnson Storage and Shipping Company has been freighting between Fort Worth and Brownwood for about two years and its rapidly expanding business has made it necessary to secure suitable storage space in Brownwood.

DEMOCRATIC CONVENTION SATURDAY ORDERLY AFFAIR

The Brown County Democratic Convention held a very orderly session Saturday afternoon at 2 o'clock in the county court room, the session being held without the slightest indication of any controversy over the coming general election, at which time the voters of Texas and the United States will name a president. The Hoover-Smith question was not even suggested, much less any argument over same being had.

Thomas H. Taylor, county democratic chairman called the meeting to order and immediately placed in nomination H. E. Cobb for chairman of the convention, who in turn was unanimously chosen chairman. County Judge E. M. Davis was elected chairman of the convention.

The selection of delegates to the State Convention was the next business brought before the convention. It was decided to select six delegates to the State Convention, these six delegates to cast the three votes of Brown county at the State Convention. Thomas H. Taylor, E. M. Davis, C. L. McCartney, L. G. Porter, W. R. Shelton and Luke Reeves were unanimously chosen as delegates from Brown county.

Selection of Committee

Honorable Thomas H. Taylor, county democratic chairman, was called upon to address the convention and he stressed the importance of the selection of the State Executive committee, suggesting that it be selected by Senatorial Districts at the State convention.

E. M. Davis, county judge of Brown county, was called upon to address the convention and he suggested that the biggest problem before the convention and the next session of the Texas Legislature, is the highway problem. He voiced opposition to the statewide bond issue for roads and favored dividing the state into districts, and electing, instead of appointing, Highway Commissioners and prorating the money to the several districts in an equitable manner.

The Official Vote

At the meeting of the county democratic executive committee on Saturday morning the official vote received by all candidates at the primary election held Saturday, July 25, was announced. In addition to this precinct chairman for all precincts of the county were elected, with their term of office beginning September 1, 1929.

Only a few minor errors were discovered in the unofficial returns as compiled by The Bulletin on election night.

Official vote of Brown county for each candidate in the primary election held July 25:

For Public Weigher, Prec. 6:	
John P. Eads	282
J. L. Harris	140
For Justice of the Peace, Prec. 8:	
O. M. Hanna	80
For Constable, Prec. 8:	
C. S. McDonough	45
O. C. Bright	19
W. B. Baucom	2
The following is the list of Precinct chairmen elected. Their term of office begins Sept. 1, 1929:	
Ward One, O. C. Pours	
Ward Two, W. H. Thompson	
Ward Three, J. J. Timmins	
Ward Four, Clyde McIntosh	
Jones Chapel, J. M. Salver	
Ricker, J. W. Page

Mt. Zion, A. E. Wilson.
Chapel Hill, M. L. Cooper.
Winchell, W. F. Denman.
Anderson, P. H. Anderson.

PIGGLY WIGGLY LOSES \$485 TO LONE ROBBER

A SHABBILLY dressed, scrawny looking man, age about 35, single-handed held Lynn Wise, manager of Piggly-Wiggly No. 2, on Austin Avenue, and Horace Rogan, clerk, at pistol point Saturday night, between 9:30 and 10:00 o'clock, and succeeded in escaping with approximately \$485 in currency. The robbery was staged so quietly that Horace Rogan, standing not more than six or eight feet from Wise and the robber, was not aware of what was taking place until the man started to leave the store at which time the robber leveled his gun at Rogan, ordering him not to move.

Mr. Wise immediately notified police headquarters and a large number of police officers, accompanied by members of the sheriff's department who were at the city hall, rushed to the store and began an extended but fruitless search for the lone bandit, who is said to have left store on foot. No trace of the man has been found and apparently he has made good his escape.

According to Mr. Wise, the man, who staged the robbery came into the store and purchased a bar of soap some 20 or 30 minutes prior to closing time and upon paying for the soap asked at what time the store would close. Mr. Wise told him

that it would be about 20 minutes before the store would close.

Robber Returns

Mr. Wise stated that about 20 minutes later the man returned, picked up a basket and went over the store in the usual manner selecting groceries. Two or three customers were at the store at the time but the robber waited until all had gone and then placed his basket on the counter, as if to be checked out, but as Mr. Wise started checking the groceries, the bandit interrupted him by ordering him to hand over the money.

Mr. Wise did not know what money the man referred to until he was told again and until he saw a bright silver plated pistol leveled directly at him. Mr. Wise stated that upon seeing the gun he handed the money drawer over to the robber, but that the latter told him to get out all the money and to keep the checks. This was done and scooping this up, the man turned to walk out.

As he started out, Mr. Rogan, who was working nearby, stepped toward the turnstile through which the robber was leaving, but was immediately stopped upon the order of the robber, his order being made emphatic by the flourishing of his pistol in the direction of Rogan. As he walked out the door the bandit placed his gun in his pocket and leisurely walked down Austin Avenue toward the subway, breaking into a run when less than a block from the store. Witnesses stated it is presumed that he turned off Austin toward the Vine Street subway before reaching the Austin Avenue subway.

Mr. Wise in describing the man, stated that he appeared to be about 35 years of age, wore striped overalls and jumper, had on a straw hat and had no mask, other than a pair of dark colored glasses. Mr. Wise stated that he believes he could have killed the man had he had a gun available, due to the fact that the robber put his own gun in his pocket before going out the door and never looked back.

A check of the losses Monday by officials of Piggly-Wiggly revealed that the amount stolen is approximately \$485, which included cash on hand that was received for sales on Friday and Saturday.

For The Men Who Are Fighting YOUR Campaign of Courage!

Alfred E. Smith—"the man who has once more put a premium on courage in American public life. Courage! Ability! Honesty! A man whose word means achievement. a Beauty a Performer a GOODYEAR

29 x 4.40 Balloon

\$8.75

That sums it up. A quality tire at a low price. The Goodyear PATHFINDER. Frees you from "bargain" hunting. Gives you most for your money—backed by the greatest name in rubber—Goodyear

When you buy a Goodyear PATHFINDER you get ample mileage in a quality tire at a low price. You get free service in removing old tires and mounting new. You get your tires now—no waiting. You get no freight bill. You get no uncertain guarantee.

You get a tire whose performance, per dollar of cost, is exceeded only by that of the famous Goodyear All-Weather Tread. Many owners for various reasons do not need the unusual mileage which that tire gives. But you get all the mileage you need—and a bit more—in PATHFINDERS. You get a beautiful tire—a durable tire. And you get the best guarantee in the tire world—the name Goodyear.

Goodyear dealers are proud to show PATHFINDERS. You will be proud to ride on them. They are a credit to your car, your judgment, your sense of economy. PATHFINDERS are another step in that efficiency which has placed and kept Goodyear in the lead.

See PATHFINDERS now. There is a Goodyear dealer near you. He is a dealer in quality merchandise. He could not afford to sell you a tire at any price unless quality went with it. His own reputation is part of the Goodyear guarantee.

Vulcanizing Done by a Factory Trained Workman—Guaranteed to Give Satisfaction.

BANGS

Mr. and Mrs. Jack McDermott of Rising Star were visitors in the home of her mother, Mr. and Mrs. Maurice Bell.

Mr. and Mrs. D. P. Miller and little daughter were visitors in the home of Dr. and Mrs. T. D. Holder Thursday.

Dr. and Mrs. T. D. Holder and Mrs. Maurice Bell attended the reunion at the old Rough Branch school house in the north part of the county on Wednesday of last week. It being the first place that Dr. and Mrs. Holder and Mrs. Bell attended school. All the ex-students were invited to this reunion. There were people from Oklahoma and

Mexico, who had attended their first school here. Pictures were made of all old students, many pleasant memories of the past, and a bountiful dinner was spread which made this a very enjoyable occasion to all present.

Misses Gillie and Winona Renfro of Holder are visiting in Bangs.

The Methodist revival meeting begun Sunday morning, Urban Schulz, ministerial student of McMurray College of Abilene, who is spending his vacation with his parents here, preached a very interesting and instructive sermon to a large audience.

Rev. Turner, the pastor of the church, plans to do most of the preaching. The pastor's daughter is directing the choir. The orchestra is doing their part to make the music an interesting feature of the meeting. Everybody is invited to help

in this campaign in the next few days.

The sympathy of the entire citizenship of our little town is extended to Mrs. E. J. Ashcraft in the death of her father, which occurred last week at his home in Brownwood.

Mrs. E. Cameron and children have returned to their home in Dallas, after a visit in the home of her sister, Mr. and Mrs. John Early.

Mrs. Carl Bagley has returned to her home in Brownwood after a visit to her mother, Mrs. Julia Bailey.

Louis McMurtrey, member of the Bangs Drug Company, transacted business in San Angelo one day last week.

The biggest rain fall of the year visited Bangs territory Friday night and was a welcome visitor. It is reported that four and one-quarter inches of rain fell. All water tanks are reported full.

Miss Loree Turner of Waco is spending her vacation with her parents, Rev. and Mrs. M. A. Turner.

Jess Walker and wife have returned to their home at Lamesa, after being called to the bedside of Mr. Walker's father.

Mrs. Maggie Martin and mother, Mrs. Laura Anderson, spent Sunday in Brownwood. Mrs. J. S. Sanderson of Brownwood.

Rev. James L. Smart and family left Friday for Hamilton county where Rev. Smart will do the preaching in a revival in the community where he was reared.

Oris Salyer has returned from a few days vacation at Hillsboro, and is holding down his position in the Wilson store.

C. C. Hardwick and son, Curtis, left Friday for Meridian where they visited Mr. Hardwick's parents.

Mrs. Aldredge Hodge and sister, Miss Opal Westerman, of Brownwood, were guests in the home of Miss Ines Gibson Sunday afternoon.

B. Walker, who has been seriously sick several days, is reported well on the road to recovery.

Mrs. W. W. Pulliam and son, Watts, left Wednesday for Menard to visit Mrs. Pulliam's daughter, Mrs. N. M. Merritt. They were accompanied by Mrs. Pulliam's parents, W. L. Yarbrough and wife, Mrs. Pulliam and son returned Friday, leaving Mr. and Mrs. Yarbrough for an extended visit.

The revival meeting, held in Whitefield, by Rev. M. A. Turner, pastor of the Salem and Thrifty churches, and Evangelist Josephine M. Buhl of Tulsa, Oklahoma, and H. C. Francis of Loving came to a close on Wednesday of last week.

More than fifty conversions were reported as a result of the effort put forth by these consecrated workers and their helpers from the two churches mentioned.

L. D. Sanderson and family spent Sunday in the home of Mr. Sanderson's mother, Mrs. J. S. Sanderson, of Brownwood.

Mrs. Willie Miller and son, J. E., returned Tuesday from Glenrose where they spent a week's vacation, and report an enjoyable time.

Mrs. John Gibbons and son, Coleman, of Hamlin, are visiting relatives here.

Miss Mattie Harris has returned home from A. & M. college where she attended the Brown county annual short course.

Cap Aubrey made a visit to Electric Monday.

The condition of Mrs. W. T. Gibson, who has been sick for two weeks, remains about the same.

Mr. and Mrs. Delbert Morgan and baby of Sipe Springs were visitors in the home of Mr. and Mrs. Dock Crooks Sunday.

Announcements have been received of the arrival of Billie Marie in the home of Superintendent and Mrs. Wedgeworth.

Mr. and Mrs. Jordan and children of Santa Anna were guests of their aunt, Mrs. Talent, Sunday.

Mrs. L. N. Yarbrough is attending

the bedside of her grandson, Ray Alden Yarbrough of Brownwood.

Mrs. H. D. Peoples and daughter, who have been spending some time in the home of Mrs. Peoples' mother, Mrs. E. A. Taylor, will leave this week for Concho, where Mr. and Mrs. Peoples will teach in the school this coming term.

Mr. and Mrs. R. L. Champion came in Tuesday from Laredo to be at the bedside of Mrs. Champion's mother, Mrs. W. T. Gibson.

Virgie Mae Sheffield returned home Monday from the bedside of her brother, Carl, at Brooksmith, who has been sick for some time, but is better at this writing.

Mr. and Mrs. Marvin Huesby and children of Marlin are guests of Mr. and Mrs. L. L. Walton.

Mrs. Claud Russell and daughters left this week for a visit to relatives at Granbury.

Charlie Barnes made a business visit to Brady Monday.

Miss Alice Maud House of Leveland is here visiting relatives and friends.

Mr. and Mrs. R. Lee Taugh and children, Mr. and Mrs. R. O. Baugh visited in Brooksmith, Dulin and Brownwood Sunday.

Rev. Vaughn and wife of Haskell spent Monday night in Bangs visiting friends. Rev. Vaughn was formerly pastor of the Methodist church here.

Miss Myrtle Gaines and mother and sister, Mrs. W. W. Laymen, left Tuesday morning for Seven Hundred Springs where they joined other relatives for a camping trip.

On Thursday afternoon, August 2nd, Mrs. E. Lee Baugh was hostess to the Happy Hour Home Demonstration club of the McDaniel community, a number of visitors and members were present. After a short business session, Bettie Jo Sanderson read: "Fraidy Cat", and the Stacy twins sang, "When the Roses Bloom Again". A refreshment plate of ice cream and cake was passed.

Mrs. W. S. Thomas of Brownwood and Mrs. Davis of Lampasas, Mr. and Mrs. Wade Thomas of Brownwood and sister, and a cousin were guests in the home of Dr. and Mrs. T. D. Holder on Thursday night.

HARRIS QUITS ROAD BUYS INTEREST IN HARDY-DENNY FIRM

L. F. Harris, who for several years has made Brownwood his headquarters while traveling over Texas and adjoining states, has purchased the interest of the G. W. Hardy estate in the Hardy & Denny firm, 211 Center Avenue, paint and wall paper dealers and will be actively in charge of the store, according to announcements made today. W. P. Denny, who has been a member of the firm for several years, retains the stock he previously held and has purchased the remainder of the outstanding stock in the business. It is announced, the firm name of Hardy & Denny will be continued and no change in the policy of the business is contemplated. The firm has been in the same location for the past twenty-five years.

Mr. Harris has been traveling salesman for G. A. Pittman & Bro., of Dallas, dealers in art goods, and is thoroughly familiar with the type of business in which he has become interested here. It is planned to remodel the front of the building occupied by the firm, and to rearrange the interior, adding stocks of artists' supplies and art materials to the large stocks of wall paper and paints and similar merchandise already carried in the store.

Until his death last spring, G. W. Hardy was actively in charge of the Hardy & Denny Store.

Them In

... more than a month away!

Fair this year, as in every previous year, depends on the success of the agricultural crops, cooking and associated exhibits of the county.

One of the main reasons for the existence of the annual Brown County Fair would be impossible to hold horse races, flying circuses, and other capacities than that of part of the Fair.

THE FARMER. It is instructive to him—his knowledge in the matter of stock and crop raising might be beneficial to himself. A spirit of cooperation, is formed which would be impossible without the Fair.

By offering the prizes that are always offered, would be the county to bring to Brownwood their exhibits have raised during the year. But the prizes, are an incentive to do just a little better than one

By laying plans to attend the Fair, to add to its exhibits of every nature to be displayed for the benefit of the county.

GRUESOME TRAGEDY IS ENACTED NEAR HOLLYWOOD

HOLLYWOOD, Cal., Aug. 4.—(AP)—Details of a gruesome tragedy in the hills above Hollywood were being gathered from both sides of the continent today in an effort to solve the murder of Barbara Mauger, 19-year-old Philadelphia girl.

Russell St. Clair Beitzel, once a man of affairs in Philadelphia, stands formally charged with the crime. He has lately been employed by a service organization here.

The nude body of the girl, which bore only a platinum wedding ring as a means of identification, was found in a remote spot yesterday. She had been dead more than a month. The body had been badly torn by wild animals.

Ring Is Clue

The ring, a shield behind which the love affair between Beitzel and the girl had been concealed, was the clue that took the police to the former Philadelphia man.

The gruesome touch was added to the slaying when the county autopsy surgeon found that the bullet wound in the head of the

young woman would not necessarily have been fatal had she been given medical treatment. The surgeon said it was possible that the bullet merely blinded and stunned her and that she might have lived as long as three days, finally dying slowly and in agony.

Beitzel told the police he had separated from his wife and two small sons when he met Miss Mauger—whose name he first gave as Barbara Morrow—a waitress in a Philadelphia cafe. He became infatuated with her. He confessed that he stole \$300 from the safe of the Philadelphia dry goods store of which he was credit manager and the pair came to Hollywood where they lived together.

Was to Become Mother

Then Miss Mauger found she was

to become a mother and quarrels followed, the girl asking that he obtain a divorce and marry her. On June 24, he said, in his automobile in the hills above Hollywood, just a few hundred feet from the spot where the body was found, they had another quarrel and she leaped from the car. It was the last time, he declared, he had seen her. The day before, he said, he had borrowed a gun and gone to the same spot to practice shooting.

Neighbors told the officers he returned from that June 24 ride and said his "wife" had gone and would not return. In storage, the police found a complete layette of baby clothes.

Dispatches from Lancaster, Pa., where Beitzel's wife, Mrs. Jean Melinger Beitzel, lives with their two children, told a different story from that of her husband of the events in the east. She said the slain girl was a cashier in the Philadelphia store, Barbara Mauger, daughter of Mr. and Mrs. Harry Mauger of Philadelphia. She said it was the friendship of Beitzel and the girl which caused his wife to leave him. Mrs. Beitzel said the father of the slain girl had asked her to divorce Beitzel in order that he might marry Miss Mauger, who was to become a mother.

PHILADELPHIA, Aug. 4.—(AP)—Miss Barbara Mauger, slain in Los Angeles, was the 19-year-old daughter of a railroad brakeman of this city.

She left here several months ago with Russell St. Clair Beitzel, who is under arrest in Los Angeles charged with murder. Beitzel is the son of Mrs. Catherine Beitzel of York, Pa., and is wanted here on charges of deserting his wife and embezzlement.

Beitzel was assistant credit manager of a Philadelphia department store and, according to police records, fled the city in the summer of 1927 with Miss Mauger, at that time a cashier in the same store. At that time officials of the store said that Beitzel was short \$1,100 in his accounts and that he also owed an additional \$1,000 for articles purchased for himself and Miss Mauger. The girl's accounts were found to be in order.

A few days after their disappearance, police said Miss Mauger wrote her parents that she and Beitzel were on their way to South America. Beitzel's wife and two children after remaining in Philadelphia for several months, went to the home of Mrs. Beitzel's relatives in Lancaster, Pa.

Mrs. Beitzel said that her separation from her husband was due to his friendship for Miss Mauger. She obtained a court order for support and this was furnished, she said, until last fall when it ceased. She has heard nothing from her husband since. She said she would not go to his assistance.

"I had hoped that sometime I would hear that he was dead," she said, "but I never dreamed of his being in a predicament like this. I knew he was going with the Mauger girl. Her father begged me to divorce Russell so that his daughter could marry him."

On the front center is the seal of the Polish Government, on a field of red, and the Polish eagle, with spread wings, around which are the words "Polonia Restituta," meaning Poland restored. The Maltese cross surrounding the seal is of white, rimmed with gold. Attached to the medal was a red silk ribbon with white stripes, with pin attached. A red rosette adorns the center of the ribbon. The medal is to be worn by Capt. Robnett with the several service ribbons on his uniform coat, each of which is an insignia of war service.

Capt. Robnett has been stationed at the Boston Navy Yard for about two years. He formerly was attached to the Philadelphia Navy Yard. While there he had 300 persons in his department, and each month in 1918 he sent contributions of all in his department to the Polish relief fund.

received as much rain as did Brownwood.

Although farmers of the county were not needing rain, Friday night's rain will be of much benefit to the cotton crop, as well as row feed crops not yet matured. Grass lands of the county will be greatly helped, it is stated.

The rain in Brownwood and on the headwaters of Pecan Bayou have caused the stream to rise and at 9:30 Saturday morning it lacked less than three feet being bank full and was still rising, but slowly, and it was not likely that it would go out of its banks.

Complete rain reports from this section as received by the West Texas Telephone Company, follows: Abilene, good rain; Bangs, good rain; Ballinger, none; Brady, good shower; Burkett, good rain; Blanket, good shower; Comanche, good rain; Dallas, good rain; Dublin, good rain; Eden, none; Fort Worth, good rain; Grosvonor, good rain; Goldthwaite, good rain; Hamilton, two inches; Lampasas, none; Lometa, shower; Menard, shower; Mercury, none; Mullen, good rain; May, big rain; Rising Star, big rain; Richland Springs, big rain; San Saba, good shower; Santa Anna, good rain; San Angelo, none; Sweetwater, good rain; Talpa, none; Valera, shower; Winchell, good rain; Winters, one inch, and Zephyr, good rain.

GETTING DRYER

WASHINGTON—Even the government's supply of medicinal whiskey is getting scarce. Officials estimate that there is only five years' supply at present, and are asking for permission to distill more in order to age the product before it is sold.

MORE THAN ONE INCH RAIN IS RECEIVED HERE

Brownwood and Brown county received a good rain Friday night and early Saturday morning. Rain gauges in Brownwood show that 1.55 inches of rain fell in the city and according to reports from various sections of the county, it is believed that every community in the county

PETITION PRESENTED ASKING FOR ELECTION IN COGGIN DISTRICT

A petition from the patrons of the Coggin school of the Coggin community, southwest of Brownwood, asking that an election be called to vote on the question of consolidation with the Indian Creek school district, was presented to County Superintendent J. J. Oscar Swindle Saturday. The petition was later turned over to County Judge E. M. Davis, who is expected to call the election at an early date.

According to Mr. Swindle the school patrons of the Coggin district are very favorable toward the project of consolidating with the Indian Creek district. Recently Indian Creek and two other districts, Upper Indian and the Oakland district in Mills county, consolidated to form a rural consolidated high school and if the Coggin school comes in, the Indian Creek school will be materially increased in size and enrollment, it is stated.

CAPTAIN ROBNETT IS AWARDED MEDAL FOR POLISH RELIEF WORK

Brownwood friends of Captain D. Robnett, U. S. N., will be interested in the following news story appearing in the Boston Evening Globe of recent date:

"Capt. John D. Robnett, U. S. N., supply officer of the Boston Navy Yard and of the First Naval District, has received a beautiful medal from the Government of Poland in recognition and appreciation of valuable aid rendered by him to people in distress in Poland, particularly women and children deprived of the necessities of life in the World War.

"By an act of Congress of May 26, 1928, Capt. Robnett was granted authority to accept the foreign decoration. The medal was sent to Rear Admiral R. H. Leigh, Chief of the Bureau of Navigation at Washington, and it was then forwarded to Rear Admiral Philip Andrews, Commandant of the Boston Navy District, to present to Capt. Robnett. The presentation was recently made.

"Capt. Robnett said: 'The medal presented to me by the Polish Government came as a great surprise. All the service and aid rendered to the women and children of their country was in my regular line of duty during the war.'

"Accompanying the medal was a certificate of honor written in Polish, expressing appreciation and gratitude to Capt. Robnett for the great service and financial aid given by him to women and children of Poland in their time of distress in 1918.

"On the back of the gold medal was inscribed in gold the year 1918.

Announcing the New Utility Truck

-another Sensational Chevrolet Value

4 Speeds Forward • 4 Wheel Brakes

Price only **\$520**

(Chassis only)
f. o. b. Flint, Mich.

Abney & Bohannon

Corner W. Lee and Main Phone 80

WORLD'S LARGEST BUILDER OF TRUCKS

Now Chevrolet presents the New Utility Truck—a low-priced haulage unit embodying those modern features of advanced engineering developed through years of experience in commercial car building, and proved by exhaustive testing on the General Motors proving ground!

Typical of the progressive design embodied in this sensational new truck is a four-speed transmission with an extra-low gear, providing tremendous pulling power for heavy roads, deep sand and steep hills—and reducing to the very minimum the starting strain on motor, clutch and rear axle!

Powerful, non-locking 4-wheel brakes, with a rugged emergency brake that operates entirely independent of the foot brake system, give a new measure of safety and utility of vital importance in everyday operation!

And a new ball bearing worm-and-

gear steering mechanism, which even includes ball bearings at the front axle knuckles, provides an order of handling ease never before experienced in a low-priced truck.

In addition, the new Utility Truck offers all those basic features which have been so largely instrumental in Chevrolet's success as the world's largest builder of trucks—rugged rear axle with one-piece banjo-type housing... four semi-elliptic truck type springs, set parallel to the load... air cleaner, oil filter and positive action vane-type oil pump... thermostatic control of water circulation... low loading height... and generous road clearance.

No matter what your business may be—come in and get a demonstration of this remarkable new truck. You'll find that it offers every feature needed for dependable low-cost transportation—and we can provide you with a body type to meet your individual requirements.

A Defeated Candidate

I wish to thank the people of the entire county for their liberal support and their esteemed faith and confidence as reflected by the number of votes cast in my favor at the recent primary election in which I was defeated as a candidate for the Tax Collector's office. Especially do I wish to express my appreciation to my old friends and neighbors of May, Blanket and Zephyr for their loyal support and endorsement as shown by a strong majority.

I also wish to thank my opponent for the gentlemanly manner in which he conducted his campaign throughout. Thanking you all over and over again as I now leave for the head waters of Salt Creek, but hope to be back in time for the next campaign. Yours very truly, S. L. SMILDER

New Line of School Buses Introduced Dodge Brothers, Inc.

Introduction of a new line of six cylinder Graham Brothers School Buses with carrying capacities of 13 to 52 children and having improved safety features, riding comfort and increased power, has been announced by the motor coach division of Dodge Brothers, Inc. Four wheel Lockheed hydraulic brakes making for operating safety, and four speed transmission are features of the new buses. Larger school districts can be served with the buses in less time, it is claimed.

AGRICULTURAL DIRECTOR OF FAIR ASSOCIATION ASKS CO-OPERATION

"The house set on a hill cannot be hid. The superior products shown at a fair will be seen and remembered. One of the saddest things one can imagine is to hear some one make a remark that he has better stuff at home than is being shown. If you have a superior product you owe it to yourself first and your community second to show and display such articles and tell how it was produced. With the prize list greater than ever before and the time for the opening of the Brown County Fair drawing near, it is time for every exhibitor to do some serious thinking and follow it up with some equally hard work. Everyone knows that it is impossible to have a county fair without good representative exhibits from every community and now is the time for the collecting of the material to go into these exhibits. The merchants of Brownwood desire the greatest fair in the history of Brown county and are ready and willing to do anything in their power to help make it such. J. T. Stovall, agriculture teacher, for the Brownwood high school and Chamber of Commerce, heartily endorses the fair as one of the best means of advertising your fair and community and will be glad to give assistance to anyone at any time in making a selection, preparing any material for exhibit or help set up an exhibit at the fair, any problem you might have bring it to him at the Chamber of Commerce office and it will be a pleasure for him to assist in any way possible.

M'INNIS IS ELECTED IN MAYOR'S RACE

In a special city election held Monday, Finner C. McInnis, 38, undertaker, was elected Mayor of Brownwood to succeed W. D. McCulley, killed several weeks ago in an automobile accident. Mr. McInnis received 666 votes, almost as many as the combined votes of his three opponents, Dr. W. P. Allison received 400, M. W. Terry, 181, and Rex Gaither, 106. Votes will be canvassed and Mr. McInnis will take office at the meeting of City Council Tuesday evening. In his campaign, Mr. McInnis declared he favored an immediate improvement program including permanent paving, storm sewers and additional sanitary sewers, setting aside of parks, widening of streets and the placing of City on a business basis. He does not want the position of city manager, which was held by McCulley, he said. Mr. McInnis was born in Liano and came here with his family in 1926, beginning his business career in 1907. He has been active in many civic affairs. Votes by notes, 1, 2, 3, 4, were: Gaither, 28, 35, 38, 15, total 106; Terry, 45, 30, 56, 50, total 181; Allison, 53, 106, 142, 159, total 460; McInnis, 138, 176, 142, 209, total 666.

W. G. Low Building New Brick Business House on Austin

W. G. Low, pioneer Brownwood business man and extensive holder of Brownwood property, has begun the construction of a new brick business house on Austin Avenue, adjacent the Piggly-Wiggly No. 2 Store on that street. The new building will be 20,000 feet and will be a one story structure. The cost of the new business house is estimated at \$3,000 by Mr. Low. The building has not been leased, Mr. Low stated.

5 Heat Victims Die in Chicago

CHICAGO, Aug. 9.-(P)—Oppressive heat and lightning claimed five victims in Chicago yesterday during a blanket heat wave which directly or indirectly caused 15 deaths in the midwest. Lightning during an electrical storm struck a rock pile on a south side beach and killed William Kilpatrick, 35. While the mercury hung between 87 and 92 in various parts of the city, three deaths were attributed to the heat, and there was one drowning.

of Brownwood spent the week-end with home folks.

Miss Maysis Malone of Brownwood is planning a picnic for the Women's Clubs of Brown county, which will be held at Coggin Park, August 15. All club members and their families are invited. Club members are requested to bring a lunch consisting of a salad, sandwiches, potato chips, cake and ice tea.

Mr. and Mrs. John Forehand of Brownwood visited relatives here Sunday.

Mrs. L. B. Robinson returned to her home in Fort Worth Monday after a week's visit with relatives.

Misses Novella and Ernestine Richmond and Maurine Bird of Brownwood spent the week-end with homefolks.

Mr. and Mrs. W. J. Odell of Brownwood visited Joe Odell and family Sunday.

Word was received here Wednesday from Nashville, Tennessee stating that Theron Bird had married that day, August 1. Mr. and Mrs. Bird arrived here Friday for a visit with his parents, Mr. and Mrs. L. F. Bird.

The Baptist revival is in progress this week at the Union Tabernacle, the pastor, Rev. J. B. Henderson is doing the preaching.

The Union revival between the U. S. A. Presbyterian, Cumberland Presbyterian and Methodist churches closed Sunday at the eleven o'clock hour, with three additions to the Presbyterian church.

Mrs. Roy Pettit and children spent last week with her mother, Mrs. W. H. Hightower of Dublin.

Misses Sarah Smith and Florence Reeves returned Sunday from a visit to San Antonio, Corpus Christi

and a number of other places.

Mr. and Mrs. Ben Nix visited relatives in Pioneer Sunday.

Mr. and Mrs. Poteet of Aquilla visited relatives here last week.

Mr. and Mrs. Carey and son of Pioneer are visiting Mr. Carey's sister, Mrs. Ben Nix this week.

Safety Tire Company Participating in State Wide Sales Contest

Safety Tire Company of the city, local dealers in Goodyear automobile tires, has entered a July-August Sales Contest being conducted by the Dallas branch of the Goodyear Tire & Rubber Company. Mr. H. V. Oelrich, of the branch, was in Brownwood on August 3rd, completing the necessary arrangements.

"Babe" Ruth is sponsoring the contest, and has autographed a number of baseballs—to be presented, one to each leader at the end of the Fifth inning, in each of the four Leagues of the branch contest.

The ball will be in an attractive box for display purposes.

The major attraction in the eyes of the Safety Tire Company and their employees is the promise of a big banquet to them all—should the firm finish in first place.

The contest started July 1st, and the local tire dealers are in great hopes of winning the dinner and the handsome bronze trophy plaque also to be awarded to the winners.

According to a French astronomer, Jupiter, the largest planet of the sun's family, is shooting enormous volcanic bombs into space.

DENMAN PROMISES TO MAKE PEOPLES OF BOOZE SNIP OUT

To the Voters of Brown County: I have been so defamed in my race for sheriff that I think in justice to myself and the many voters, especially the ladies, you ought to know how I stand as to law enforcement. I am strictly in favor of law

enforcement and as to the liquor law, which holds the spot light, it is a shame and a disgrace to our country and city; it is ruining the youth of today and ought to be stopped. I am told that whiskey and beer can be bought by the bottle or by the drink right over the bar. Now I make you this promise. If I am elected your sheriff, bootleggers can not buy me, so they will have to leave, and I further promise you that I will make them so hard to find that when a weary and thirsty man or boy comes to town expecting to get it, he will have to seek the

services of a good detective to find it. I thank you one and all for the nice vote you gave me in the first primary, as I led the race by 469 votes. As stated in my announcements, I shall use no unreported deputies, but they will all be Brown county people and as there has been some speculation as to who they will be, will say: They have not been discussed by me and I myself do not know, but they will be substantial citizens, and I will hold a deputy amenable to the law just the same as any other citizen, and will not

permit any act of his to be covered up, for as you know the sheriff is held responsible for the acts of his deputies.

Now once more, I am going to ask you, do you want a sheriff? You have all to gain and nothing to lose. Respectfully,
M. H. DENMAN.
