ADAM BAYER cranks himself a homemade nylon rope, just one of the many activities at the Cooke County Antique Farm Show held last weekend north of Lindsay. The 7th annual exhibits and demonstration brought a record crowd estimated at 1,500 with about 300 exhibitors. Organizer Willie Joe Matthews called attention to the economic boosts brought by the show. In the background, Joey Martin drives one of his uncle's, Doug Martin, antique tractors. *Janie Hartman Photo*

Stenholm urges support for U.S. Congressman Ralph Hall

Two United States Congressmen came to Muenster Friday afternoon to visit constituents and talk about current issues. Charles Stenholm, D-Stamford, and Ralph Hall, D-Rockwall, met with about 25 local residents at City Hall. Recent Texas re-districting has taken Muenster out of Stenholm's District 17 and placed the area in Hall's District 4. The change will become effective with the November election. Hall is seeking re-election.

Congressman Hall addressed several questions brought by the visitors about the Clinton-Gore presidential ticket, the environment and health care among others. Hall said that he thinks a National Health Care policy needs the most emphasis in 1993. "It will take a lot of working together to make an affordable bill for the people," he said.

Speaking about energy, Hall said he decided a long time ago that the purpose of a congressman was to stop a war and recent wars have been fought over energy. He said

CONGRESSMEN RALPH HALL and CHARLES STENHOLM

we need an energy policy-incentive to look for it and reward for finding it.

Hall said he supports the Clinton-Gore ticket - "the most moderate ticket recently for an election," he said. "President Bush has done a great job internationally but he has left some areas lacking economically."

Charlie Stenholm has had broad

support in this area for a long time. He let Hall do most of the talking but did extend his thanks for the 13 1/2 years of support he has received. He urged everyone to support Ralph Hall's candidacy saying, "We've worked together for a long time." Hall encouraged voters to contact him for help. His address in Rockwall, Texas is Box 711, zipcode 75087.

Williamson's challenger wants less government

The Republican challenger for State Congressional District 61 was in Muenster Friday afternoon to talk with supporters and interested voters. David Kubosh is running against incumbent Ric Williamson who serves Parker, Wise and Western Cooke counties. Kubosh is the owner/operator of a cabinet shop in Aledo, Texas and says he is not a politician. He said, "If elected I will vote to decrease government in your life." Kubosh professes to be completely pro-life concerning the abortion issue. He believes that life begins at the moment of conception and no matter the reason for pregnancy, the baby is the most innocent party involved and the last one that should be punished by death by abortion.

Kubosh referred to a prepared statement, saying, "The current Supreme Court is a strong advocate of the 9th and 10th Amendments to the Constitution: the States and the People - not the courts - should make the decisions on the issues that will affect them. It is for this reason that *Roe v. Wade* will be overturned by the Court; not because the Court is Pro-Life, but because it believes that the people

should make their own decisions in this area. When *Roe v. Wade* is overturned, it will not end abortion, it will only return the issue to the state legislatures for them to decide the state's policy.

"For this reason, the state legislature is becoming more powerful in its effect on the people of Texas; it soon will be making decisions on issues which have been kept from its reach in recent decades.

"This is why I am currently running against one of Texas' liberal legislators; Ric Williamson. His views and the bills he has introduced run contrary to feelings of his own district, and, if given more power to affect their lives...You can see the implications. I can provide strong leadership in areas where he has failed."

Kubosh declared his strong opposition to a state income tax and his support of local controls and family values. "We need to be more responsible for ourselves and stop demanding that the state take care of us," he said. He appealed for works and funds to help spread his message. He can be contacted at P.O. Box 936, Aledo, TX 76008.

DAVID KUBOSH

Valley View chapter hosts area banquet

The Valley View Young Farmers Chapter will host the 30th Area V Banquet on Saturday, Sept. 12, at the Cresson Ranch of Ray Roberts Lake. State President Sterling Manning will be guest speaker. Featured during the banquet will be the annual meeting and awards ceremonies.

Banquet committee members include Randy Glascock, Denise and Ken Pearse and chapter advisor Bob Andrew.

Muenster spearheads relief effort for hurricane victims

Area residents whose hearts have been touched by the dire needs of Hurricane Andrew's victims now have the opportunity to reach out to those people. Muenster's Social Concerns Committee is spearheading the local relief effort.

Patsy Bayer, chairman, indicated that all goods collected locally will be trucked to Grand Coteau, Louisiana to the Thened Center. They will then be distributed under the direction of the Sisters of the Sacred Heart. "They will be distributing the items to small communities in the Lafayette area that have been hit hard and have no financial aid," said Patsy.

Clyde Fisher has donated the use of a semi-truck and Herbie Fisher has volunteered to drive the truck to Grand Coteau. The trailer will be parked at the Sacred Heart Community Center parking lot for loading.

Baskets have been set up at Hofbauer's, Fischer's, Ben Franklin and Lindsay Grocery Store for the convenience of those wishing to

donate items. Goods can also be brought to the Sacred Heart Church office located in the west entrance of Sacred Heart Convent or left at the Lindsay Post Office. Anyone who is physically unable to bring their items can contact Patsy Bayer at 759-2814 to make arrangements to have them picked up. Friday evening is the very latest time that items can be accepted but the earlier the better since the truck must be loaded and will leave late Friday.

Suggested donations are canned goods (meat, fish, fruit, peanut butter, baby food), rice, beans, cereal and powdered milk; sheets, towels and blankets; clean clothing in good condition (shorts, T-shirts, jeans, socks, underwear); work

gloves, safety glasses for clean up and rebuilding; baby items especially disposable diapers; toilette items (combs, brushes, toothbrushes, soaps, shampoo, etc.); flashlight batteries; appliances that operate without electricity. Walterscheid Oil, Schilling Fina and Ronnie Herr Oil Co. have agreed to donate the fuel for the trip.

"We've had a lot of response since people heard that we decided to do this," remarked Mrs. Bayer. "Donations are coming from Muenster, Gainesville, Lindsay, Rosston, Forestburg, and Saint Jo." Helpers are welcomed and may volunteer by calling Patsy Bayer. She especially needs people from 9 a.m. to 2 p.m.

Ben E. Keith joins local business community

Gilbert Endres Distributing is under new ownership as of Tuesday, Sept. 1. The company was purchased by Ben E. Keith Beers of Fort Worth.

George Grounds will fill the position of general manager, vacated by David Spaeth. There will be no other changes, all employees will continue to operate in Muenster. "I understand Ben E. Keith has no plans to change in the near future," commented David Spaeth, president and general manager. "They like the job we've done and want to continue. Ben E. Keith is super in community support and have indicated that they want to get very involved through the company in the community."

Robert Hallman, chairman of Ben E. Keith Co., remarked, "We're very glad to be here. I've known David and the Endreses for many years and am glad that they thought of us to be here in their place."

Spaeth plans to pursue ranching full time and to work in real estate.

When asked to comment on the situation, David Spaeth offered this, "Gilbert Endres Distributing, the Gilbert Endres and David Spaeth families wish to express their sincere appreciation for past patronage and wish all the best for Ben E. Keith Beers. I am sure that Ben E. Keith Beers will strive for the excellent tradition of Anheuser-Busch products, service and quality. Thanks again to everybody who supported us in the past."

MUENSTER RESIDENTS, l to r, Leoba Mollenkopf, Dolores Miller, Monica McCoy and Willie Fuhrmann sort items donated for hurricane victims in Louisiana. The donated goods are being packed in a truck volunteered by Clyde Fisher. Herbie Fisher will begin the trip to Louisiana tonight (Friday). *Janie Hartman Photo*

Dinner, financial report set for SH Trust Fund

Sacred Heart School's annual trust fund dinner and financial report is set for Sept. 13 in the Sacred Heart Community Center cafeteria; doors open at 11:30 a.m.

An afternoon of entertainment, including speakers, and a first-class meal are promised. The speakers, former Sacred Heart students, will bring back memories as they speak of the history of Sacred Heart and discuss future plans.

The Trust Fund was established in 1976 and has been growing steadily since that time. The goal is to some day pay teachers' salaries

from the interest. Only the interest is ever used; the principal is never spent. A board of directors headed by the pastor cares for the fund.

Tickets can be purchased at Modern Floors or from the Sacred Heart business office located in the west end of the convent. They are a \$25 donation each. For more information call Gary Endres 759-4810. Tickets should be purchased by Sept. 9.

Come enjoy an afternoon of camaraderie with your Sacred Heart family.

Bridge project set to start Sept. 14

A \$5.9 million project will get underway Sept. 14 to build or upgrade 14 miles of feeder roads in Cooke and Montague counties that will access a new bridge to span the Red River and give motorists a direct route into Muenster with the extension of FM 373, an official with the state highway department said.

The Texas Department of Highways and Transportation has awarded the project to Garey Construction Company of Austin, the lowest of four bids submitted. A pre-construction conference was held last Friday, said John Barton, assistant resident engineer with the highway department in Bowie, which is coordinating the project.

The feeder roads will provide access to the new bridge, which is about 25% complete, said Leiland Jett, resident engineer for the Bowie office. About 20 sets of concrete columns have been set as well as some of the beams that will form the cross support columns of the bridge, he said.

The bridge, expected to be completed in the summer of 1993, is being built just south of

Courtney, Okla. It will span the Red River about halfway between Interstate 35 at Gainesville and U.S. 81 near Ringgold, where the nearest spans are now located. The bridge itself and about four miles of feeder roads now under construction will cost about \$6 million.

The new bridge will replace a Montague County bridge destroyed by fire 39 years ago. When completed, the bridge will end decades of isolation and inconvenience along a 50-mile stretch of the river now separating Texas and Oklahoma.

Cooke and Montague county officials have been working during the past year to purchase right-of-ways and move utility lines and fences associated with the more

than 14 miles of feeder roads included in the project.

The two-year feeder road project calls for the grading, replacing bridges and other structures and surfacing of 14.67 miles of roadway on Farm-to-Market Road 2953 from near the end of FM 2953 east to FM 677, replacing structures and approaches at Board Tree Creek on FM 373 from FM 677, then proceeding southeast to the Cooke County line and replacing bridge and approaches at Mountain Creek from the Montague County line to FM 373 at Bulcher. The bridge will be replaced and approaches upgraded on FM 103 at Farmers Creek and from near the end of FM 103 south to the end of FM 2953. The FM 2953

Gilbert Knabe dies at age 51

Death at age 51 claimed the life of Gilbert Paul Knabe on Sept. 1, 1992 following a long illness. He died at his residence in Muenster at 8:30 p.m.

Gilbert Knabe was born in Muenster on Aug. 18, 1941 to Joseph Knabe and Mary (Klimpt) Knabe. He graduated from Muenster High School in 1959, then entered the U.S. Navy where he served as an electrician for three years. He attended Cooke County College for two years and worked for General Dynamics in Fort Worth. Following this, he was employed at Weber Aircraft for 20 years as an aircraft assemblyman.

GILBERT KNABE

He was a member of the VFW Post 6205; and was a Past Commander of VFW Post 6205, a member of St. Joseph's Society, Sacred Heart Church and was an avid supporter of Muenster High School athletics.

He was married to Linda Hoedebeck on April 26, 1969 in Sacred Heart Church. They are the parents of four children: Ronnie, Brian, Cory and Mary. Ronnie preceded him in death in 1980.

Survivors include his wife, Linda Knabe; one daughter, Mary Knabe; and two sons, Brian Knabe and Cory Knabe of the home.

Also one sister, Rosemary Reynolds of Forestburg; and five brothers, Richard Knabe, Harold Knabe, both of Muenster, James Knabe of Gainesville, Fred Knabe of Argyle and Leon Knabe of Davenport, Iowa.

He was preceded in death by his parents; one brother, Gerald Knabe; and one son, Ronnie.

Mass of Christian Burial was offered on Friday, Sept. 4, in Sacred Heart Church at 10 a.m., officiated by his uncle, Father Paul Hoedebeck, OSB, of Subiaco Abbey, Father Victor Gillespie, OSB and Father Camillus Cooney, OSB. Rosary was prayed Thursday at 4 p.m. in McCoy Funeral Chapel and a Wake Vigil was held in Sacred Heart Church at 8 p.m.

Burial was held in Sacred Heart Cemetery, directed by McCoy Funeral Home of Muenster. Pallbearers included nephews Greg Knabe, Terry Knabe and Ronnie Reynolds, and close friends Don Eckart, Don Hennigan and Maurus Hacker.

In lieu of flowers, the family has suggested memorials made to Cooke County Home Hospice or Sacred Heart Church.

Harry Scoggins retires after 38 years at AMPI

Harry Scoggins, after working 38 years in maintenance at the Muenster AMPI plant, retired three days after his 62nd birthday, on June 27, 1992. When Scoggins began in 1954, the "cheese plant" consisted of two buildings with butter, cheese and dry milk processed. The company went through three name changes - North Texas Producers Association, Milk Producers, Inc. and Associated Milk Producers, Inc. Scoggins worked as the plant crew, watching managers, employees and buildings come and go.

For his retirement, AMPI presented Harry with a gold watch. He was also honored with a gift certificate and party from the plant employees. Scoggins now keeps busy, running, cycling and restoring a 1952 Chevy he purchased years ago.

Heritage Quiz Questions

1. Name the lady in Muenster who was selected in 1954 by the Texas VFW as "Mother of the Year," and why.
2. Name the father and son who were the first from Muenster to enlist in WWI and WWII, respectively.
3. After which war was the VFW organized in Muenster?
4. Who owned and operated one of the First General Stores called "The Fair Store."
5. In what year was the Sacred Heart Rectory completed?

Our changing tax system

by Duane Knabe, CPA
Will Congress scuttle our voluntary federal income tax system in favor of a less costly and more efficient system? It does appear that we may be headed in that direction!

Our tax system is now undergoing unprecedented change. Taxpayers are being deluged with new reporting and recordkeeping requirements. Compliance penalties continue to proliferate and, some believe, are being used for revenue raising as well as increased compliance: All this at a time when complex and rapidly changing laws challenge the expertise of even the most knowledgeable tax professionals. How, we wonder, can the average taxpayer be expected to cope? Can anyone be one hundred percent certain that he or she has fully, and in all respects, complied with every law, rule and regulation, and thus will not later be subjected to costly penalties plus

interest. Many taxpayers are now clearly at the mercy of their paid professionals and the IRS. Those hearty souls honest and serious taxpayers who choose to go it alone - will in many instances find themselves in serious penalty situations or even in violation of the law. And who is to be blamed? Is it reasonable to expect full compliance with laws that are likely to be unknown and, even if known, are apt to be incomprehensible.

We can all agree that our system of taxation could stand some change for the better. In addition to being probably the most complex system in the world, and may be in History, it is not entirely fair to all taxpayers. Like most systems, it favors some taxpayers while discriminating against others. But in spite of all its weaknesses and shortcomings, it does have redeeming qualities. Its rate structure, and its system of

Lindsay ISD sees taxes lowered for '93

Property owners in the Lindsay School District could see their tax bill a little bit lower this year when tax statements are mailed to their homes sometime in October. School trustees have set the local property tax rate for 1992 at 16.5 cents per \$100 of assessed property. The rate is the same as last year, but is expected to bring a lower overall

tax bill for school district taxpayers for several reasons.

District property values have declined somewhat over last year, mainly due to the fact that the district will not longer tax personal vehicles. The overall rate will also be lower due to a 10-cent lower tax rate set by the County Education District. This year's CED rate has been set at 83 cents, 10 cents lower than last year's 93 cents.

property value for 1992 fell to \$49.2 million, a 7.8 percent loss from the preceding year's value of \$53.8 million.

The tax rate will partially fund the district's \$1.8 million budget approved during the school board's regular August meeting. The budget is about a 12.5 percent increase from last year's \$1.6 million. The vast majority of the budget increase is attributed to

MR. and MRS. CARL LUKE

Carl Lukes celebrate 70th wedding anniversary Aug. 22

Mr. and Mrs. Carl Luke of Hereford reached one of the rarest of milestones when they observed their 70th wedding anniversary on Aug. 22, 1992.

An anniversary Mass was celebrated in St. Anthony Church of Hereford at 6 p.m. by Msgr. Blum. He gave a special blessing to the honor couple, and read a brief history of their life, after the close of the Mass.

Children, grandchildren and great-grandchildren participated in the liturgy for the anniversary Mass. Mass servers were great-grandsons Justin Betzen, Harrison Hoffman, and Brian Betzen. A great-granddaughter Annie Hoffman gave the First Reading and Stacie Betzen, another great-granddaughter, gave the Second Reading. Offertory gifts were presented by the Lukes' four daughters, Leona Paetzold of Greeley, Colorado; Evelyn Clements of Dumas, Texas; Mildred Betzen and Marcella Hoffman, both of Hereford. Grandsons Stephen Hoffman and Thomas Betzen and great-grandson Nathan Betzen were ushers.

A reception and buffet dinner followed in the honor couple's home. The decorated anniversary

cake was cut by "Carl and Emma," using the same knife they used to cut their golden wedding cake. All family weddings have used the same knife.

Carl Luke is the son of John Luke, Sr. and Mary (Koester) Luke and moved to Muenster from Leopold, Mo. in January 1902. Emma Hartman is the daughter of George Hartman and Katherine (Metz) Hartman. They were married in Sacred Heart Church of Muenster on Aug. 22, 1922. Their wedding attendants were her sister, Frances (Hartman) Vogel, and his brother, the late Alphonse Luke.

Hearing of fertile farm land near Hereford, they moved to a farm near Dawn, Texas in December 1925. In the course of many years they eventually farmed vast wheat acreage. In 1948 they retired, moved to Hereford and built a new home on Texas Avenue. They have been active members of St. Anthony's Parish of Hereford.

Carl Luke will be 94 years of age on September 20 and his wife is 92. Both are in good health and quite able. Daily they thank God for their many blessings. Four daughters, 19 grandchildren and 27 great-grandchildren are their pride and joy.

Rohmer twins observe 4th

The ship set sail Saturday, Aug. 22, in honor of Jayna and Kaly's fourth birthday. Their actual birthday was Monday, Aug. 24. The party was held in the home of the twins' parents, Kenny and Cindy Rohmer.

To go with the "Little Mermaid" theme, a 6-foot submarine sandwich was served alongside "Shipwrecked" baked beans and "Sunken Treasure" potato salad. Jayna and Kaly then blew out the candles on each of their "Little Mermaid" cakes made by Betty Rose Walterscheid.

Guests attending the special sailing were Jayna and Kaly's parents and little sister Holly; Granny and Papa Buck Eikman and Grandma and Grandpa Tony Rohmer; uncles, aunts and cousins, Steve and Kim Rohmer, Nicole and Michelle; Bill and Laurie Rohmer, Daniel and Amanda; Terry and Lisa Rohmer and Delana; and Adam and Renee Schniederjan and Jeffrey.

Upon leaving, cousins were given goodie bags and wished a happy bon voyage.

KALYN and JAYNA ROHMER

Oct. 17 Auxiliary Dance... Grab your partner!

Almost every child has delighted in playing cowboys. The days of the Old West have long stimulated the imagination of young and old alike. On Oct. 17, the Muenster Memorial Hospital Auxiliary will provide the opportunity for people to relive those thrilling days of yesteryear.

"Back in the Saddle Again - A Night Out in the Old West" will be portrayed in decorations, costumes, music, a Chuck Wagon breakfast and a melodrama. Junior Hutchins and the Ramblers will provide dance music. The band specializes in anything from Bob Wills to Garth Brooks tunes, according to dance chairmen.

In the tradition set during last year's Auxiliary event, there will be some entertainment during the band's breaks. This includes a look-alike contest for Matt Dillon, Miss Kitty and Festus. Best Overall winner will be selected from those choosing to dress like their favorite Gunsmoke character.

Tickets are \$15 each, which includes a Chuck Wagon Breakfast served from 12:30 until 1 a.m. Breakfast fare consists of scrambled eggs, ham, biscuits, gravy, orange juice and coffee. Donations will be accepted at the local grocery

stores to help defray the cost of the food.

All proceeds will go toward the purchase of a needed item for the Muenster Hospital. Dress theme for the event is western elegance.

Historical Comm. to sponsor history bee for students

On Wednesday members of the Muenster Historical Commission visited grades six through eight at the Sacred Heart School and Muenster ISD. At that time they explained the upcoming History Bee and distributed entry forms.

A copy of the entry registration form is being printed in *The Enterprise*. Any student from grades six through eight who wishes to enter the History Bee and has not received an entry registration form may use the one from the *Muenster Enterprise* or may stop by Muenster City Hall to pick one up.

BISHOP PETER CHENAPAROMPIL

Bishop Peter visits Lindsay

Bishop Peter Chenaparampil of Aleppy, Kerala of India arrived in Lindsay on July 26, 1992. The next day he celebrated Mass at 11:00 a.m. in St. Peter's Church. The Bishop gave a brief homily welcoming the members of the parish and spoke of his poor people in India and of Jesus' love for the poor. He encourages them by sponsoring projects to help with homes, education and labor. An example is building ponds for raising fish.

During the Mass, Sister Henry Ann Fuhrmann served as Lector.

Following the Mass, Bill and Elvira Flusche hosted a noon meal for members of the Lindsay Franciscan Fraternity and their honor guest. During the afternoon, videos of the St. Peter's Church and the Lindsay Centennial were enjoyed. Bishop Peter told the group that Brothers Fernandos and Thomas, who are sponsored by the fraternity, are doing well in their studies before ordination.

On Tuesday, Bishop Peter was a guest of Gainesville friends during lunch at Denny's Restaurant. He also spoke to other Gainesville and Lindsay residents who sponsor seminarians, and some needy families in India. Later in the day he left by plane from DFW for Orlando, Florida.

On Aug. 11, the fraternity met in the home of Lawrence and Marie Zimmerer. Minister Therese Hermes, Marie Zimmerer and Mary Stoffels conducted routine procedure. They received a note of thanks from Bishop Peter; and a letter from Sister John, SSMN requesting help for prisoners released after prison terms. Chaplain Anthony Platte wrote, thanking the fraternity for rosaries and books sent to La Tuna, New Mexico Correctional Institute, and requesting more brown or black rosaries, and books or papers printed in Spanish.

Religious writings were read by Mrs. Hermes from M. Marko of Chicago and Father Martin Walters OFM, and from the Van margil District of the Sacred Heart Province and from the San Jose Mission Church.

The fraternity's garage sale will be held in October.

Marie Zimmerer, hostess, served coffee, tea, cherry cobbler and ice cream, after adjournment.

Sept. 11 luncheon kicks off area United Way Drive

Bobby Bragan of the Texas Rangers has been procured as the featured speaker for the annual Cooke County United Way kickoff luncheon. The event is set for Sept. 11 at the Gainesville Civic Center.

Bragan is an experienced speaker who averages 250 speeches per year to schools, civic organizations, clubs and businesses as a representative of the Texas Rangers Baseball Club. He has hosted the Bobby Bragan Golf Tournament since 1982, developed the Texas Rangers Fantasy Baseball Camp in 1989, and makes numerous personal appearances at college and university tournaments and special events.

Known throughout the country as "Mr. Baseball," Bragan's professional baseball career began in 1937, in the Alabama-Florida League, Panama City, Florida. He played two years at Pensacola, Florida in the Southeastern League and in 1939 was sold to the Philadelphia Phillies. Played for the Phillies in 1940, '41 and '42. He was traded to the Brooklyn Dodgers in 1942, played for the Dodgers in 1943-44. Bobby served as a 2nd Lieutenant, Infantry 1945-46, and returned to the Dodgers in 1947. Played as a shortstop and catcher during his playing career. Came to Fort Worth, Texas July 1948 to manage the Fort Worth

Cats, a member of the Texas League. Player/manager for the Cats from 1948-52. Left the Texas League in 1953 to become manager/catcher for the Hollywood Stars in the Pacific Coast League through 1955. Managed the Pittsburg Pirates, 1956-57, the Cleveland Indians in 1958. Coached the Los Angeles Dodgers in 1960 and Houston Colt '45s in 1961-62. Became manager of the Milwaukee Braves in 1963 through 1965 and managed the Atlanta Braves in 1966.

Bobby returned to Texas in 1966 and worked in radio. From 1967-68, he was a scout for Montreal. In 1969 through 1976, Bobby was president of the Texas League. He held the president's office of the National Association of Professional Baseball Leagues from 1977-80. In 1980, he became the director of the Speakers Bureau and Public Relations Director for the Texas Rangers Baseball Club. In 1988, he was named Assistant Special Projects, Texas Rangers Baseball Team, a position he still holds.

Tickets to the luncheon can be purchased at \$5 each and are available at Muenster City Hall, United Way Office, First State Bank, Gainesville National Bank, North Texas Bank and Trust and Alan Ritchey Trucking.

MUENSTER ISD Pre-School children assembled for their first day of classes on Wednesday, Sept. 2. Teacher Martha Sicking holds Casey Bayer on her lap. Janie Hartman Photo

Pre-K students welcomed with tender loving care

Martha Sicking, Pre-Kindergarten teacher, Nancy Endres, aide, and Wanda Flusche, owner of the Tender Loving Care Day Care Center welcomed 20 pre-kindergarten students Sept. 2, 1992. The 8:00-11:00 a.m. class is followed by lunch.

Although the program got off to a delayed start, the Muenster School District is enthusiastic about enhancing the excellent program Wanda Flusche was already providing. The Muenster Independent School District is trying to meet the needs of three- and four-year-old children and their parents by providing the half-day program that stresses intensive language development and developmentally appropriate learning activities that prepare children for the language requirements of kindergarten.

Activities include creative dramatics, fine arts, language arts, science, listening skills, and large and small motor skills. The children will have many opportunities to work in large and small group situations as well as individually in centers.

The district has hopes of serving even more three- and four-year-old children next year.

MISD is reimbursing Wanda Flusche for the use of her facilities. Mrs. Flusche complied with the necessary remodeling in order to make space for the new service. Martha Sicking, the teacher, holds certification in Early Childhood Education and Special Education. She is a graduate of Texas Woman's University in Denton and has 11 years of experience. She taught at St. Mary's School in Gainesville and in the Gainesville ISD for children with learning disabilities.

Arts Fun Run set for Sept. 19

The Red River Valley Arts Fest 5K and Mini K Fun Run is scheduled for Sept. 19 in Sherman. The Mini K Run starts at 8 a.m. with the 5K at 8:20. The course - a fast, flat run on city streets through tree-shaded historic neighborhoods - will begin at Piner Middle School at 402 W. Pecan. Preregistration is \$10 if received

before Sept. 11 and \$12 after that date. Children under 10 pay \$8.00

Cash prizes of \$100 will be awarded for top male and female overall winner in the 5K, with T-shirts, prize drawings and trophies also given away.

For more information, contact Sherman Chamber of Commerce at 903-893-1184.
