

Apparently this column was premature last week in expressing its satisfaction over the long delayed effort of this country to do something helpful for Spain. At the time the comment was made our legislature seemed almost certain to give Franco's government a hand in strengthening its present inadequate defense against Communism. But before the article got into print Secretary Acheson and President Truman had practically squelched the deal.

Whether or not the help will be given remains to be seen. To say the least, it is doubtful now because there is no doubt that Truman will veto the deal if Congress passes it and there is some doubt that the cause will gain enough support to override a veto.

On the other hand it isn't too late to hope that a sufficient number of legislators will see the light. Most of the country, except possibly the State Department and the White House, has wised up to the old red propaganda line and shifted over to a more realistic attitude toward the Franco regime. At long last people are realizing that our unfriendliness toward Spain was a mistake all along.

For just a moment let's review the Spanish civil war, which is behind all this international snootiness, and notice just how wise we have been.

Communists strong armed their way into power as we have seen them do several times since in the Balkans. Then they proceeded to apply the same kind of rule which has distinguished them in the Balkans. Only in Spain it did not work. People who resented tyranny and persecution found a champion in Franco. He organized a rebellion. Reds imported military help from all over the world, including lots of volunteers from this country. Franco got help from Hitler and Mussolini.

Eventually Franco won and we were fed all that propaganda about imposing a dictatorship on the free people of Spain. Reds were careful not to mention the help that came from Moscow just as they refuse now to admit that Moscow is helping Korea. Only now the world is learning how it was deceived about that war.

But that isn't all. Let's look at the record since. The Franco dictatorship remains but it does not follow the Russian pattern of tyranny, persecution and international treachery. The Franco regime lives at peace with itself and the rest of the world. Even during the war when Hitler demanded Franco's help, Spain maintained a strict neutrality which actually was an asset to this nation.

There has been only one reason behind the snubbing we gave Spain. Russia wanted it that way. They gave us to understand from the very beginning that we could not deal with both Stalin and Franco. And they continued to inject their poisonous influence through Stalin's own hirelings in our government. The result was that for years we have tried to be friendly with our most treacherous enemy and we have consistently insulted a real friend.

Now getting back to Secretary Acheson. Is it possible that he doesn't know the real story behind Franco, that he hasn't wised up to the Russian plot to keep America and Spain estranged? Is the man that stupid? Or is he too pig headed to admit former mistakes? Or is he sympathetic to Russia?

The answer to one of those questions is the explanation to Acheson's present attitude. In other words our attitude to Spain today is based on ignorance, stubbornness or treachery. Look the situation over and decide for yourself.

This is only one of a number of incidents now causing the American public to clamor for Acheson's dismissal. His long association with reds and pinks, his pro-Russian attitude toward Nationalist China, his apparent disregard of vital information prior to the outbreak of the Korean war all mark him as a man of questionable ability or loyalty.

Oscar Detten Dies In Head-on Crash

Oscar Detten, 45, son-in-law of Mr. and Mrs. H. J. Lutkenhaus of this city, lost his life Wednesday night, August 2, in a car accident about 12 miles east of Amarillo. Detten's 20-year-old nephew, Donald Detten, and his companion, Miss Peggy Hoelting, were occupants of the other car involved in the wreck. Young Detten was uninjured but Miss Hoelting received serious injuries.

The accident occurred in the intersection of St. Francis Avenue and Masterson farm-to-market highway. Detten was traveling north. He was alone in his car. Young Detten was traveling east. Both cars were almost completely demolished. Mr. Detten died instantly.

Funeral services were held Saturday morning at 9 o'clock in the Catholic church in the St. Francis community, near Amarillo. The pastor, Rev. Joseph Walters, officiated.

Mr. Detten was born on April 25, 1905, and spent his entire life in Potter county where he was engaged in farming and ranching. He married Miss Odella Lutkenhaus of this city 19 years ago.

In addition to his wife he is survived by 4 children, Mrs. Fred Dillard of Amarillo, and Marilyn, Jerry and Billy Detten of St. Francis; four brothers and two sisters.

Muenster relatives at the funeral were Mr. and Mrs. H. J. Lutkenhaus and son, Harold, Alfonso Felderhoff, Mr. and Mrs. Richard Wilde, Mrs. Tony Felderhoff and daughter, Joan and Mrs. Hugo Lutkenhaus. They left here early Thursday and returned home Sunday with the exception of Mrs. Detten's parents, who remained to spend several weeks with their daughter and family.

Building and Improvement Notes

Either the let down in seasonal farm work or the anticipated tightening of building conditions... or both... accounts for a feverish building boom here lately.

According to reports reaching the Enterprise this week, at least five new houses are under construction and ten are being repaired or remodeled.

After two days of tearing down his former home Joe Horn started Wednesday on foundation work for his new house. Last week end the family moved to its temporary home in the house bought lately by Mrs. John Felderhoff.

Tony Walterscheid has just poured foundation concrete for his new home. He too is using some materials from his old house.

Tony Trubenbach Jr. has a good start on his new house on East First St. Frame work was finished last week and inside work is due to begin soon.

At Joe Luke's carpenters will be turning the job over to painters after about 10 days.

There is no progress report on Earl Robison's new home except simply that work has started.

Two other new buildings under way are a Grade A dairy barn at Frank Schilling's and a poultry house at Herb McDaniel's.

The big remodeling project is at the Phillips lease where four houses are getting a general overhaul and two others are being moved together and remodeled into one.

Leo Haverkamp is nearing the end on remodeling the house recently bought from Herbert McDaniel.

The house and barn have been worked over at Mrs. A. J. Noggler's. It was a 2 room addition to the house and general repair on the barn.

At Henry Stelzer's the entire house is getting a general repair and paint job.

In the business district Henry Luke this week moved his lumber shed from the tractor agency lot to the back of his home lot. The structure was moved by truck in two sections.

CLOSE-UP OF THE ENEMY—Sullen and subdued, these three stocking-footed 20-year-olds are North Korean Army officers. They were captured, along with 223 enlisted men, in the Umsong area and brought to a schoolhouse in Taegu for questioning by U. S. intelligence officers. Their "men," savage, ruthless warriors on the battlefield, proved to be youths, age 13 and 14. The officer at left appears to have been wounded in the leg during combat.

City Council OKs More Street Lights

Within a few weeks there will be very few spots within the city limits of Muenster which are not at least partially illuminated. Members of the city council last Monday night authorized the addition of as many as 12 lights. At this time the city has only 12.

Since the meeting Mayor Hoffman has checked the town to determine the most advantageous locations. His purpose is to place them so that none of the more thickly settled areas will be completely in the dark.

New light locations picked up to Wednesday are Elm street on the corners of 4th and 6th; Main at 8th; Oak at 2nd, 4th and 6th and Pecan at 2nd and 4th.

Lights now in use are at every corner on Main from the depot to 7th; Elm at 7th and Oak at 1st and 3rd.

New Booster Motor Assures Adequate Supply of Water

The addition of just one electric motor made Muenster's water department one of the most adequately equipped of North Texas. Since its arrival the system has dual units throughout and will not be seriously handicapped by the failure of any one machine.

It is a motor to operate one of the two booster pumps which transfer water from the reservoir to the water tower. Formerly the one motor was shifted from one pump to another in case of pump trouble but the entire boosting system remained idle if the one motor failed. This addition assures a constant flow of water to the tower and constant adequate pressure in case of fire.

An adequate supply of water to the booster pumps is assured by two wells with separate pumping units.

Shirley Kay, 7, daughter of the Alphonses Reiters, was a medical patient at Gainesville sanitarium during the weekend.

WAR IS WAITING—Pvt. Alvin Essary of Tuscaloosa, Ala., sights in on his super rocket-launcher while Pfc. George Crum of Martin, Ky., loads the weapon. Using the shadow of a South Korean hut for concealment, the two men will wait—perhaps seconds, perhaps minutes, or hours—until the next North Korean armored vehicle appears within the sights of their deadly weapon.

News of Sick And Injured

Judy Hammer, 4, daughter of the T. M. Hammers, had her appendix removed Saturday at Gainesville sanitarium and is recovering normally.

Ray Hess suffered painful burns on the palm of his left hand last Saturday when he attempted to extinguish a fire at the oil rig on which he was working.

Werner Cler is a patient at Veterans Hospital in McKinney for treatment.

Mrs. J. B. Schmitz is recovering from oral surgery performed at Gainesville sanitarium the latter part of last week. She was hospitalized from Thursday to Sunday evening.

Miss Helen Hess is convalescing from surgery performed at Gainesville sanitarium on Thursday, Aug. 3. She returned home Monday.

Miss Florence Fette underwent dental surgery at Gainesville sanitarium last Thursday and is recovering from the extraction of four embedded wisdom teeth and other dental work. She was a patient at the sanitarium until Friday at noon.

Walter Grewing mashed his middle right finger Saturday morning in an oil field accident. He caught his finger between the drill pipe and tongs. Treatment at the local clinic necessitated removal of the fingernail and stitching to close the wound.

C. C. Cannon, route 1, was at M&S hospital in Gainesville for examination this week, and was then transferred to a Sherman hospital for treatment.

Word from Rev. Richard Evedl this week reveals that he has left the hospital at Corpus Christi—and is convalescing in Altus, Ark., where he is with relatives and friends. His address is Route 1, Box 2, Altus Ark., until the latter part of this month when he returns to Corpus to resume chaplain duties at Spohn hospital. He said he is regaining his strength nicely now after being quite ill with a heart ailment.

KC and CDA Plan Series of Benefit Parties for Church

The recent acceleration of activity on Muenster's new church building program was reflected last Wednesday night in a decision by K of C members to sponsor a series of benefit social events to help raise money for the building program. Funds to be raised in this manner will supplement the monthly donations which have been in effect for the past five years.

The action was taken in response to a suggestion by the CD of A court, which proposes to assist with the work and share in the benefits, which will also go to the new church fund. Other societies of the parish were also invited to join in the plan.

Father Anthony Schroeder, chaplain, complimented the members on their action and conveyed the good news that the long delay was due to end soon. He estimated that preliminaries such as engaging the architect, drawing plans and placing the contract will be finished within a few weeks. After that the actual construction will get under way.

After the business sessions members and their wives and girl friends enjoyed a social hour featuring a VFW film on World War II.

Little Planes Make Big Hit at Annual Montague Festival

Muenster's little airplanes made a big hit Monday afternoon at the Montague County grape festival. Invited to fill in a blank spot on the program late in the afternoon, they ran strong competition with other events for the crowd's most enthusiastic interest.

When the little motors started to buzz attendance a rest of the festival fell to zero. All came to see the planes put through their capers by the expert maneuvering of Muenster's five model plane hobbyists. Before the show was over the men were invited to appear at gatherings in Bowie and Nocona later in the month.

The idea was born when Tony Fenoglio of Montague saw some of the men practicing here a few days earlier. He enjoyed the maneuvers and thought the Montague crowd would like it. So he extended an invitation. Those who accepted are Paul Walterscheid, James Walterscheid, Tommy Felderhoff, John Dobias and Albert Hess. All of them fly their gasoline powered models on 52 foot control wires. By manipulating the wires each operator controls the take-off, flight and landing of his plane.

Mrs. Frank Seyler had as weekend guests her sister, Mrs. Lulu Nieses, accompanied by her little granddaughter, Carol Ann Forney, both of Tempel, and her niece Miss Frances Nieses of Houston. Joining them for a visit Sunday were Mrs. Frank Popp and daughters, Elsie Marie and Rita of Lindsay.

Materials Ready, Workers Needed on Park Concrete Job

Though the VFW park improvement project continues at a steady pace, the biggest single job has run into a bottleneck. A start on the 50X100 cement slab to be used for open air square dancing and roller skating is held up by a lack of help.

Doyle Hood, project chairman, said this week that materials are on hand and the work will start as soon as an adequate crew is assembled.

Otherwise progress is fine. Almost every evening several volunteers have been on the job of improving the grounds.

Meanwhile more contributions are coming in. The latest cash donations are \$10 from the Muenster Mill, \$5 from Maurice Pagel and \$2 from William Becker. The latest equipment donations are a merry-go-round donated by Muenster Machine Shop and a swing donated by J. P. Flusche. Materials given by J. P. and the work done by his junior partners Donald, Dave and Harold.

Sgt. Bill Eberhart Is Back in Tokyo

Staff Sergeant Bill Eberhart is out of the Korean fight—at least temporarily. His parents, the Ed Eberharts, received a letter from him Wednesday from Tokyo. The letter was dated August 4 and revealed that he was in a hospital. He did not mention any injuries and since he wrote the letter himself, his parents assume that he is there either for a minor ailment or for a check-up. Bill added that he would soon be seeing his wife and two sons who are elsewhere in Japan.

Ruffnecks to Meet Nocona in Playoff For Softball Title

It's Nocona and Muenster for the playoff of the Cooke-Montague softball league. The series will begin next Tuesday night.

The Nocona nine took the deciding game of semi-finals from the Chicks here Tuesday night in one of the snappiest games here this season. Going strong the first two innings Nocona racked up 6 of its 7 runs but the Chicks did not concede a thing and held them to a lone homer, for the rest of the game. Meanwhile Nocona was on its toes and held the Chicks to 2.

The rest of the series was practically as close. Nocona took the first and third games. The Chicks took the second and fourth.

The coming series between the Ruffnecks and Nocona gives promise of being equally as tight. In the season so far the two teams have met six times for a record of 3 each.

One of the most active and entertaining games the Ruffnecks have had all season was the scoring spree with the Denison colored team here Friday night. It was also the best attended game so far. A colored team is a novelty here and Muenster fans came in droves to see it perform. And they got their money's worth. They saw slugging, fumbling and antics...not much baseball but a good show. The Ruffnecks won 19 to 10.

Schedule of Coming Events

THURSDAY, Aug. 10, Ruffnecks vs Saint Jo, here.

FRIDAY, August 11, CD of A regular business meeting, the K of C hall, 8:30 p.m.

FRIDAY, Aug. 11, Ruffnecks vs Denison Hot Shots (colored) there.

TUESDAY Aug. 15, Ruffnecks vs Nocona, there, (League playoff game).

WEDNESDAY, August 16, benefit Stanley Party sponsored by VFW Auxiliary, everybody invited, K of C hall, 8 p.m.

Wilde Named Local Representative for GM Public Relations

General Motors has announced that J. B. Wilde, local Chevrolet dealer for the past 25 years, has been reappointed to serve the next year as GM Community Relations Chairman for Muenster and the vicinity.

The chairmanship carries a community service responsibility. GM's Department of Public Relations makes available to the public a variety of interesting and educational materials in the form of motion pictures, booklets and presentations.

As GM's Community Relations Chairman, Mr. Wilde, well known for active interest in Future Farmers of America, also will be in a position to cooperate with Club groups, the schools, or any other local organization which may find the General Motors material of interest for use in the development of programs.

General Motors also is the sponsor of the 4-H Club Farm Safety Contest and Mr. Wilde will be able to aid local 4-H Clubs which have members participating in that contest.

Joe Swirczynski spent the weekend in Fort Worth visiting his son, Ed and wife.

Sister Anastasia Visits Old Friends

Sister Anastasia, veteran first grade teacher at the local parochial school, and for the past three years a teacher at Rhineland, is back in Muenster for a visit with the Sisters, with former students and with old friends. She arrived last Thursday from Jonesboro, Ark., in company of Sister Geraldine and will be here about two or three weeks, she estimates. It is Sister Anastasia's first return for a visit with the exception of a short visit one Sunday in January 1949.

Sister Geraldine returns to Muenster after an absence of about four years. For several years before and including the 1946 term she was a high school instructor at Sacred Heart school.

Visiting the John Tempels Thursday afternoon were Dr. and Mrs. Paul Stroud of Jonesboro, Ark., who went to Nocona to see about their oil interests.

Mrs. Lena Wiesman and daughter, Mrs. Helen Morrow, of Wichita Falls spent Saturday and Sunday here with relatives of the Gremminger, John Knabe and Wiesman families.

Local NEWS Briefs

The Myricks had as their guest Sunday, Miss Billye Jean Thrasher of Gainesville.

Joan Flusche of Decatur is the guest this week of her uncle and aunt, the Henry Henscheids.

Emily Fette returned to Dallas Tuesday after a few days' visit with her parents, the Joe Fettes.

Arthur Felderhoff is the owner of a new 4-door power glide Chevrolet sedan.

Rita Hoenig has returned from a 10-day visit in Rhineland with her aunt, Mrs. Leo Fetsch and family.

Saturday guests of the J. W. Fletchers were their son, Jack Fletcher and Miss Rheba McMinn, both of Wichita Falls.

Guests of the Needhams Friday were Mrs. Frank Cash and son Junior of Dallas and Mrs. Frank Fancher of Gainesville.

Mr. and Mrs. Charles Wolf and children and Mrs. John P. Streng were Wichita Falls visitors Wednesday.

Ruth Fisher had as her guest for the weekend, Miss Dorothy Gross of Fort Worth. Sunday they joined friends in Sherman for an outing at Lake Texoma.

Mr. and Mrs. Werner Henscheid of Umbarger were here for a weekend visit with his father, Wm. Henscheid and other relatives.

Mrs. Fred Herr Sr., Mr. and Mrs. Frank Herr and daughter, Joan, and Misses Lena and Katie Herr visited in Pilot Point Sunday with the Carl Herrs.

Doris Hellman and Emma Lou Gehrig are spending their summer vacation here with home-folks. They will return to their nursing classes at St. Paul's hospital in Dallas on August 28.

Mr. and Mrs. Len Endres and family of Huron, S. D., left for home Wednesday after spending half of their 2 weeks vacation here as guests of his mother, Mrs. M. J. Endres.

Mr. and Mrs. Norman Luke spent the weekend with his parents, the Joe Lukes. They are back in Dallas to reside after being in Longview for the past six weeks.

SIX HOUR OPERATION SAVES CHILD AFTER SWALLOWING TRINKET

Mrs. Joe Schnitker of Denison has advised relatives in this city that her 2-year-old granddaughter, Linda Fay, only child of Mr. and Mrs. Clarence Schnitker is still "holding her own" in Baylor Hospital where she is a patient since Aug. 1 following the swallowing of a toy trinket and a serious operation to remove the metal object lodged deep in her throat. The surgeon described the 6-hour operation as one of the most delicate surgical tasks of his career. It was necessary to reach the windpipe by entering the back under the child's right shoulder blade and further throat surgery was necessary to treat windpipe cuts inflicted by the tin toy. The object swallowed was a two-inch replica of the "flying red horse".

Mary Wiesman of Fort Worth was the guest of relatives here Sunday and joined other members of her family for a visit with her sister and cousin, Sisters Ann Theodore and Miriam Dorothy, who are here from San Antonio.

Mr. and Mrs. Ben Luke spent the weekend in San Antonio visiting their daughter, Mrs. Charles Denny and family.

The John Wielers and two daughters visited in Ardmore, Okla., Wednesday afternoon with his sister, Mrs. H. C. Billingsley and family. They were accompanied to Ardmore by Mary Gail Billingsley who had spent a week here with her cousins, and were accompanied back home by Bert and Dan Hamric who had spent a week in Ardmore with the Billingsleys. Mrs. Ervin Hamric took the boys to Ardmore last week Wednesday and brought Mary Gail back with her.

Mrs. Elwin Hope and son, Ronnie, of Fort Worth are guests of her mother, Mrs. Frank Seyler since Monday and are visiting other relatives and friends in the city. They will return home Friday.

Harold Luke left Friday to serve two weeks with the Naval Reserves on the West Coast.

Forty persons can stand inside the head of the Statue of Liberty.

Flusche Family Has Reunion Sunday, 1st Time in Eleven Years

The Joseph Flusche family gathered in reunion Sunday evening for a covered dish supper on the lawn at the home of Mrs. and Mrs. Paul Fetsch north of the city. It's the old homeplace where the Flusche children were born and grew up. Reminiscing over the past the assemblage recalled that the spacious shade trees under which they had their meal were planted by J. P. and Andy Flusche when they were small

boys. This was the first time in 11 years that all members of the family were together including the 12 children and 42 grandchildren. The father, Joseph Flusche who now resides in Lindsay, and who has been in ailing health is improved and was able to attend the party and enjoy the evening's program. Group pictures were made.

Present were: Messrs. and Mmes. Joseph Flusche, Joe J. Neu and family, Lawrence Zimmerer, Ray Zimmerer and family, all of Lindsay.

Messrs. and Mmes. J.P. Flusche and family, Paul Fetsch and family, Gus Lutkenhaus and family, Henry Henschel and family, Wilfred Bindel, and Rev. Father Andrew, all of this city.

Messrs. and Mmes. L. W. Flusche and daughters, Al Flusche and sons, C. M. Flusche and family, and Rev. Father Tucek, all of Decatur.

Messrs. and Mmes. Andy Flusche and family, Urban Flusche and family, and Father Paul Charcut, all of Pilot Point; and Mr. and Mrs. Joe Simeroth of Fort Worth.

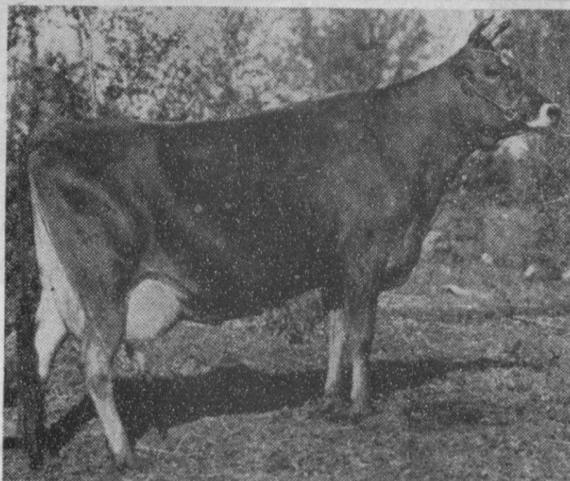

FIRST COMMUNION SERVICE HELD AT MONTAGUE SUNDAY

Five children received their first Holy Communion in services held Sunday in the Catholic church at Montague. Rev. John Mitchell, pastor, officiated at the service and at the high mass at 10 a. m. Local Benedictine Sisters and members of the local choir sang the mass.

For three weeks preceding the communion service, Sister Cabrini, a native of Montague, and Sister Gertrude, both of this parish, gave daily instructions to prepare the class for the event. They made the trip back and forth each day with the help of members of the Montague parish who provided cars and drivers.

After the service Sunday Sisters Cabrini, Gertrude and Anastasia and Betty Lue Buckley were guests of Sister Cabrini's parents for dinner.

World Champion Cow For State Fair

SENSATIONAL SABLE—The highest producing cow in the nation, Orrland Signal Vol, Sable, will be a featured livestock attraction at the 1950 State Fair of Texas Mid-Century Exposition, Oct. 7-22. The cow, owned by Mr. and Mrs. Chester Elliff, Tulia, Texas, will be exhibited at the All-American Jersey Show during the Fair. During a one-year period, Sable produced 9,068 quarts of milk that tested 6.3 per cent butterfat.

VFW AUXILIARY DISPLAYS NEW FLAGS, PLANS BENEFIT

With the arrival of their flags and banner, members of the local VFW Auxiliary have achieved a project they began when the organization was established in June 1948. The flags and banner, necessary for proper floor work at regular meetings, were on hand for the first time at the group's meeting Monday night.

Business at the session consisted of making plans for a benefit Stanley Party, the proceeds to go into the fund for the VFW's city park project. The party will be given next Wednesday night, Aug. 16, beginning at 8 o'clock in the K of C hall. Everybody is invited to attend and those unable to attend but wishing to make a purchase, can have their orders filled by advising Mrs. Lawrence Roberg, who will also give additional information on the party to persons seeking information.

President Mrs. Francis Wiese appointed Mrs. John Huchton as honor roll chairman for the coming year.

Mrs. Ray Wilde, a delegate to the recent convention in Houston, gave a report on convention happenings.

Mrs. Emmet Fette was welcomed as a new member.

After the business the hostesses for the evening, Catherine Herr and Mrs. Joe Hess, served refreshments of chicken salad sandwiches and cold drinks to 19 members.

Since September's meeting falls on Labor Day, the organization's next regular meeting will be on the first Tuesday of the month, it was announced.

Guests at the Don C. Cooke home for a week were her sister, Mrs. P. O. Harville and husband, and her nephew and niece, Mr. and Mrs. John Glenn Harwood, all of Bruni. They left Tuesday to return to their homes. Joining the visitors at the Cooke home Sunday to spend the day were the Cooke's son, Harold and family of Fort Worth and the B. C. Redmans of Saint Jo.

MRS. JAKE PAGEL HOSTESS TO GET-TOGETHER CLUB

Mrs. Jake Pagel entertained members of the Get-Together Club for their regular meeting on the first Wednesday of the month. Summer flowers adorned the party rooms and Mrs. Clarence Hellman, president, presided during the brief business session.

After the customary 42 series the hostess served a cold plate supper.

Mrs. Pagel, who observes her birthday this month, received a gift from her Sunshine Pal. In the games, prizes went to Mrs. Joe Luke for high score and to Mrs. Ben Seyler for low tally. Mrs. John Hartman received the galloping award.

Next month's meeting of the

club will be in the home of Mrs. Al Walter.

The American Way THE ACID TEST

By Morton Clausen

There is no doubt about it—America is at war. The "cold" war we have waged against Communist Russia during the past four years has flared into a "warm" war in Korea, where the communists are making their first break-through in an attempt to overrun the free nations of the world.

Whether Russia will decide to openly enter the fray, and thus plunge us into a "hot," full-fledged Third World War, remains to be seen. If she doesn't we are nevertheless to be subjected to many more serious break-throughs around the perimeter of communist-controlled areas.

This means that from now on, and perhaps for many years to come, the American economy will have to be placed on a war footing, with billions expended for arms, supplies and manpower. If a full-scale war should ensue, our expenditures and national debt will reach astronomical proportions.

There are those who have predicted, and with good reason, that even should America win such a war against Russia (and let there be no doubt but what we will) we shall nevertheless lose our freedom and liberties as individuals to a totalitarian state and ideology. Thus, even in defeat Russia will have won by destroying our American system.

Among several reasons for this is the fact that from a social, economic, political and moral standpoint America has already gone a long way toward the socialistic concepts that have sapped our strength as individuals and as a nation. We are rapidly creating the same sort of

fare state that led to the debasement of Germany, the enslavement of Russia and the disintegration of the British Empire.

Although we have decried the collectivist ideology of communism, we have created a brand of collectivist philosophy of our own that carries within it the seed of disintegration of America as a nation of great material wealth, social equality, political integrity and moral strength. Like Samson, after having dissipated in the cups of "something-for-nothing," "the-world-owes-me-a-living," and "do-as-little-as-possible," our locks of power are being shorn by the Dillah of the Welfare State.

This is not a pretty picture, but one painted in the strong, honest colors of stark realism. And it has ever been the habit of America in times of crisis to cast aside the pallid tints of pastels to heed the more virile truths of reality. These are the truths:

The American economy is being strained to the breaking point in preparation for and participation in a war of survival of every man, woman and child in these United States. We now face the acid test.

Therefore, the time has come when every one of us must cease asking for hand-outs, governmental aid otherwise. Each of us must roll up his sleeves and produce as never before. We must be willing to face uncertainties and play the game of life as men, without protection against personal losses and without guarantees of personal security.

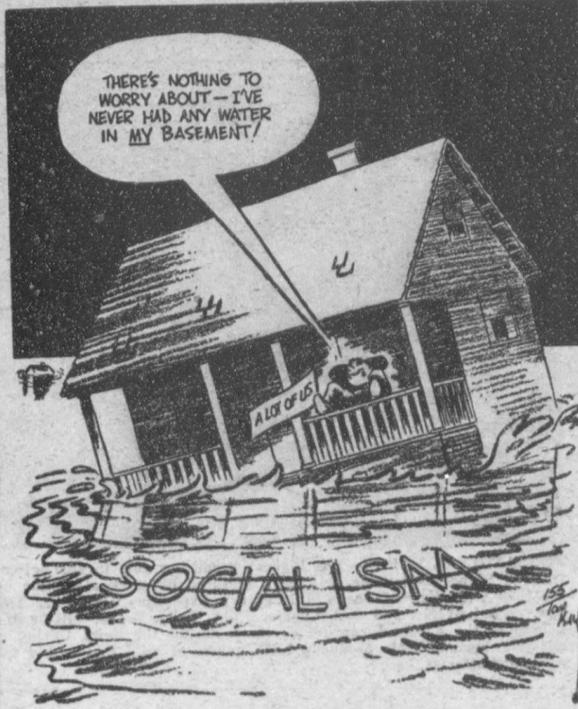

We must have the courage and forthrightness to demand the defeat of every politician who attempts to buy his office by way of the public purse. We must deny the use of the Treasury to any group or individual for personal gains and safety. We must demand of our government the strict economies that will insure successful prosecution of the war.

Thus we have come to the phase in our personal lives and in American history when we must reevaluate Americanism for what it really is in its purity of concept as designated by the Founders of this nation. Only then shall we achieve the individual and collective strength—not only to win this war for freedom, but also, to win a peace that may see the dawn of a new and better world.

Flat Feet

The medical officer had just finished examining the young mountaineer. "Sorry, but those flat feet couldn't take it. You wouldn't be able to march five miles on those feet."

"That's right inconvenient," replied the young candidate. "I walked 40 miles down here to join up, and now I'll have to walk all the way home again."

"Where Ignorance Is Bliss . . ."

The Revelation

Once there was a man who wanted very much to go to Heaven. When he died an angel took him by the hand and led him to wonderful places.

He saw majestic mountains lifting their lofty peaks into the blue sky. He walked through mighty forests where spire-like trees raised their heads above

the green meadows far below, and through whose branches the wind played enchanting melodies.

He beheld great rivers winding their courses to the sea, fed by brooks and streams from the secret places of the land. Fragrant flowers lifted their faces everywhere. The wild things played unafraid upon the mountain-sides and in the valleys.

Happy children laughed and shouted along the way. Everywhere there was joy, peace and serenity.

The man feasted his weary soul on these scenes as the angel led him. And he said:

"Ah, this is Heaven, indeed!"
 "No, this the world in which you lived and you never saw."

IT'S LED THE FIELD FOR YEARS!

Ford Model F-5 shown, 14,000 lbs. G.V.W., available with 95-h.p. Six or 100-h.p. V-8 is one of over 175 Ford Truck models ranging from 95-h.p. Pickups to 145-h.p. Big Jobs.

And the Ford F-5 outsells every other 1½ ton truck today!

FOR POWER TO HANDLE EVEN GREATER LOADS—THE FORD F-6

The Ford Model F-6 is rated up to 16,000 lbs. G.V.W. Your choice of V-8 or Six in three great engines—including the new 110-h.p. Six.

Ramsey Gets Manford's Backing

SPEAKER ENDORSES RAMSEY — Speaker of the House Durwood Manford of Smiley, left, announced this week that he would support Ben Ramsey of San Augustine, right, for Lieutenant Governor. Manford said Ramsey's experience as a House member and as a Senator made him the best qualified man in the race. (Pol. Adv.)

● Registration figures prove it! The Ford F-5 has outstripped all sales competition since 1945. In fact, since the war's end, smart truckers have chosen the F-5 over the next leading make by a ratio of five to three! So, follow the lead of men who really know ton-and-a-half's. It will pay you to switch to Ford and Ford Truck economy!

WAY AHEAD IN SALES BECAUSE IT'S WAY AHEAD IN VALUE—

- 10 ways better than the 4 other leading makes
1. Up to 1,720 lbs. more payload capacity.
 2. Up to 1,500 lbs. higher G.V.W. rating.
 3. Up to 310 lbs. less chassis dead weight.
 4. Widest (3½-inch) rear brake shoe lining.
 5. Highest compression ratio.
 6. Choice of V-8 or 6-cylinder engine.
 7. Oil filter at no extra cost.
 8. Oil bath air cleaner at no extra cost.
 9. Biggest clutch lining area.
 10. The "Million Dollar" Cab for extra driver comfort, roominess and safety.

Ford Trucking Costs Less Because—
FORD TRUCKS LAST LONGER

Using latest registration data on 6,592,000 trucks, life insurance experts prove Ford Trucks last longer!

Wiesman Families Have Reunion For Visiting Relatives

The home of Mr. and Mrs. J.J. Haverkamp was the scene of a happy reunion of members of the Wiesman families Saturday evening to compliment her sister and niece, Sisters Ann Theodore and Miriam Dorothy, who are visiting here from San Antonio.

A covered dish supper on the lawn preceded informal diversion and visiting.

Present for the get-together were Sister Miriam Dorothy's parents, Mr. and Mrs. A. H. Lueb and daughter, Adeline, of Carlsbad, N. M., Mrs. Lena Wiesman and daughter, Mrs. Helen Morrow of Wichita Falls, the Frank Wiesmans and family of Pilot Point, the Carl, Tony and Ted Wiesmans and their families, the Johnnie Sturms and Mrs. Paul Wiesman and children, all of Gainesville, the Ray Koppers of Lindsay, the Werner Henschelds of Umbarger, and the Al Fleitman family, the Leo Haverkamp family, the Troy Coopers and the Anthony Lukes and Wm. Henscheld, all of this city, and the hosts and their family.

Another courtesy extended the visitors was a dinner given Sunday at noon in the home of Mr. and Mrs. Al Fleitman.

Present were Sisters Ann Theodore and Miriam Dorothy, Mr. and Mrs. A. H. Lueb and daughter, Adeline, the Werner Henschelds, Mary Wiesman of Fort Worth, Mrs. Lena Wiesman and daughter, Helen Morrow and two children, Mary Ann Barrier of Gainesville, Wm. Henscheld, Mrs. and Mrs. Walter Klement and family, Carolyn Wiesman, and the hosts and their family.

During the afternoon and evening other relatives and friends called to see the visitors.

BOY SCOUTS CONDUCTING SCRAP IRON CAMPAIGN

Muenster Boy Scouts want scrap iron. Some members of the troop are already busy collecting this week and all members are interested in securing as much as possible, Scoutmaster Nick Miller disclosed.

The amount of iron collected and sold will determine the length and the program of the troop's annual trip later this summer.

Anyone having scrap iron and willing to donate it to the cause, is asked to notify Scoutmaster Miller, Committeeman Ben Seyler or members of the troop.

Plans for the drive were made at the meeting Monday night. At this meeting the troop had two guests, also scouts in their home town, Kenneth and Dick Endres of Huron, S. D.

Boys of No. 1 Patrol will be in charge of next Monday's meeting.

Farm animals get most of their vitamin A requirements from carotene which is found in green range or pasture grasses and hay or other forage. The carotene is changed to vitamin A within the body of the animal. Both carotene and vitamin are stored in the liver of the animal.

BIRTHDAY DINNER PARTY HONORS JEANETTE WALTER

A dinner party complimented Miss Jeanette Walter in observance of her 16th birthday on Thursday, August 3, in the home of her parents, the Al Walters, with Mrs. Walter as hostess.

Guests presented the honoree with a shower of gifts and enjoyed a delicious noon dinner followed by informal diversion. The dining table held a decorated cake as a centerpiece.

Friends present were Misses Margie Baumhardt, Floradell Endres, Jeanette Fisher, Florence Henscheld and Leoba Henscheld. Relatives present were the honoree's grandmother, Mrs. John Hartman, and Mrs. Arthur Endres and children, Ruth, Jane and Sammy, Mrs. Albert Dangler and daughter, Judy, Mrs. Bernard Swirczynski, Miss Dorothy Hartman, and the honor guest's family.

Driving in the business section of a city, a man tried to edge his car past one driven by a woman, who was trying to park in close quarters. Suddenly the woman's car crashed into his.

Flushed with exasperation, she leaned her head out of the car window. "You could see I was going to do something stupid," she said. "Why didn't you wait to see what it was?"

A famous physician was lecturing one day on alcohol.

"Is it true," asked a student, "that alcohol makes people able to do things better?"

"No," said the doctor, "it just makes them less ashamed of doing them badly."

4-H'ERS ATTEND DAIRY CATTLE JUDGING CLINIC

Five Cooke county 4-H club boys spent Wednesday at Arlington State college practicing dairy cattle judging.

The boys were Ray Luke, Adam Wolf Jr., Paul Schniederjan, Willard Zimmerer and Julius Hess. H. W. Schittler, assistant county agent, accompanied them.

Also present for the dairy day clinic were 4-H boys from 16 other counties in district four of the Texas A&M College agricultural extension system. R. E. Bureson and Sam E. Von Rosenberg, assistant dairy husbandmen of A&M conducted the day's program.

Also scheduled to attend from the Muenster 4-H club was James Hess. He was prevented from making the trip on account of mumps.

BOY SCOUTS MAKE HIKE AND PASS COOKING TESTS

Local boy scouts took a hike Sunday and several passed their cooking tests for first and second class ratings.

Fourteen members of the troop, Scoutmaster Nick Miller, Senior Patrol Leader Joseph Felderhoff, and two guests, Scouts Kenneth and Dick Endres, visiting here from Huron, S. D. participated in the day's program. The hike was to the T. Miller farm. Swimming and instructions in swimming were other features of the day and meals consisted of food cooked by the boys, scout fashion.

LOCAL NEWS BRIEFS

Rosalee Fuhrman spent the weekend in Wichita Falls as the guest of Marilyn Gremminger.

Senator-elect Joe D. Carter of Sherman visited friends in Muenster Thursday.

E. P. Buckley left Monday for a vacation visit with relatives and friends in Pawhuska, Dewey and Oklahoma City.

Edna Gremminger joined the staff at The Shanty Tuesday. She replaces Mrs. Richard Grewing who resigned.

The Oscar Millers and two children left last Wednesday for a vacation visit in Illinois with relatives and friends.

Patsy Gremminger returned Wednesday from Wichita Falls where she spent a week visiting her sister, Marilyn, and other relatives.

Dr. and Mrs. E. W. Laake of Kerrville visited here Saturday afternoon with his sister, Angela Laake, and nieces, Olivia Stock and Rosa Driever.

Mr. and Mrs. R. P. Cain left Sunday night for a vacation tour to South Texas. While they are away their children are visiting their grandmother, Mrs. J. S. Bagwell at Myra.

Mr. and Mrs. J. A. Sanders had as guests Thursday through Saturday Mr. and Mrs. Walter Cooke and children of Fort Worth. Mrs. Cooke is the former Mildred Sanders Harris.

Mr. and Mrs. J. C. Trachta left Tuesday morning for a week's vacation in Okmulgee, Okla., with his sister, Mrs. John Fisch, and in Springfield, Mo., with his sister, Mrs. Mary Donohoe and other relatives.

Sister Ann Theodore and her niece, Sister Miriam Dorothy, both of Our Lady of the Lake Convent in San Antonio, arrived Friday for a vacation visit with relatives of the Wiesman families.

Monte Hellman is back in Muenster after completing a summer session at Marquette University and will be here with his parents, the Rudy Hellmans, until the next regular school year opens in September.

The Alex Flusches and children of Corpus Christi, visiting relatives in Cooke county, spent Thursday and Friday here with his sister, Mrs. H. J. Fuhrman and family. They will return to Corpus this weekend after a two week vacation.

The Ruffnecks, joined by their wives or girl friends, celebrated with a lawn party Sunday evening at the home of Mr. and Mrs. Alfons Pautler. Eats and drinks, with games and visiting, were enjoyed by about thirty persons.

The Victor Hartmans and children and Mrs. Edna Gremminger and daughter were in Dallas and Fort Worth last Thursday. In Fort Worth they had a picnic at Forest Park and visited the zoo.

Mr. and Mrs. Johnnie Bergman and son, John, and Miss Betty Manainan, all of San Francisco, visited here Wednesday and Thursday with Johnnie's mother.

Mrs. Wm. Bergman, and with the Joe Bergmans and other relatives. They were enroute home after a vacation tour.

The John C. Hogans and three children of Lubbock are here for a visit this week with his sister, Mrs. Dick Cain and family. During the weekend another brother, Cpl. Jerry Hogan of Amarillo, visited here. LaQuita and Rita Cain who had been visiting their grandparents in Amarillo, returned home with them.

Mr. and Mrs. W. J. Christian and Mr. and Mrs. Harry Weasel, all of Pesotum, Ill., are here for a two weeks' vacation visit with relatives of the Vogel, Cler, Kleiss and Hartman families. The Weasels visited here nine years ago, and it is 20 years since the Christians were in Muenster. Their route home will be through the Southern Ozarks.

Sister Aloysia, who had been visiting her mother, Mrs. Mike Kleiss and other relatives for two weeks, left August 2 to return to the motherhouse in Jonesboro, Ark. Accompanying her was Sister Dolores, local music instructor, who will attend an annual retreat at the convent. Mr. and Mrs. Aloys Kleiss took the Sisters by car to Dallas where they boarded their train. While she was here Sister Aloysia was honored with a number of family get-togethers, the final courtesy being a farewell tribute in the Aloys Kleiss home. Present for the afternoon were the C.M. Walterscheids, Clem Hofbauers and family, Mrs. Mike Kleiss, Joe and John Kleiss, Miss Lena Kleiss, the John Rohmers and Rev. Father Anthony.

WALTER-SICKING WEDDING SET FOR AUGUST 31

Mr. and Mrs. Joe Walter of Gainesville have announced the engagement and approaching marriage of their daughter, Betty, to Edward Sicking of this city, son of Mr. and Mrs. Ben Sicking.

The couple has set Thursday, Aug. 31, for the wedding date. The nuptial service will take place in Saint Mary's church in Gainesville at 8:30 a.m.

Miss Walter has chosen for her attendants her sisters, Misses Mary Jo and Florence Walter. Mr. Sicking's attendants will be his brothers, Paul and Alois

Sicking.

The bride is a 1949 graduate of St. Mary's high school. After their marriage the couple will be at home here where he engages in farming.

Mrs. Ida Gardner had as her guests last week her nephew and niece, Mr. and Mrs. Charles Sanders and Mrs. Stewart Delgado, all of Dallas. They visited Mrs. Ruth Needham and the Frank Needhams Saturday. When the visitors returned to Dallas Saturday evening they were accompanied by Mrs. Gardner who was their guest until Thursday.

Daniel Boone made his own coffin, which he kept under his bed until his death on September 26, 1820.

"Your dog looks smart." "Yeah. I say, 'Are you coming or aren't you?' and he either comes or he doesn't."

Strict Sanitation Named First Line Of Polio Defense

AUSTIN.—In addition to the general instructions for community sanitation which are important in preventing poliomyelitis, Dr. Geo. W. Cox, State Health Officer, today issued an urgent warning to every individual in Texas to practice strict personal hygiene to protect his own health and that of those about him.

"Of course, cleanliness and personal hygiene are ordinarily taken for granted," Dr. Cox said, "but at this time with the incidence of poliomyelitis having reached a total of 1395 cases, I would like to re-emphasize some personal sanitary measures which may help in preventing the spread of this crippling and often fatal disease."

The State Health Officer stressed the importance of scrupulous cleanliness of the person. Frequent bathing and immaculately clean clothing are vitally necessary. Oral hygiene with thorough brushing of the teeth and the use of a mild antiseptic are recommended. The nasal passages should be kept clean and dental defects corrected immediately.

Sanitation and thorough cleanliness in the home are instinctive with the average housewife, but at this time their importance to health must be re-emphasized. Home sanitation includes those taken-for-granted measures as washing the dishes in hot soapy water and rinsing them in hot water; keeping sinks, bathtubs and fixtures scoured clean and rinsed with a mild antiseptic solution; sunning and airing bed clothes, ridding the home of flies, rats and roaches which, since polio is believed to be a filth-borne disease, are suspected as being responsible for transmission.

"If good personal hygiene is combined with good community sanitation and hygiene, it is hard for any disease to get a foothold," Dr. Cox said, "With such a dread disease as poliomyelitis prevalent in the state, no precaution should be overlooked and no bars should be left down for its entrance."

U. S. Census to Show About 150,520,000

The United States Census Bureau estimates that the population of the United States will show that here are 150,520,000 persons in our Nation.

There are a number of States that are quite sure to show substantial gains in population. They are California, Maryland, Michigan, Texas and Washington. Other States likely to have a lower population and lose representation in Congress are Arkansas, Illinois, Kansas, Mississippi, Missouri, New York, Oklahoma and Pennsylvania.

The United Press indicates that

It Happened 10 Years Ago

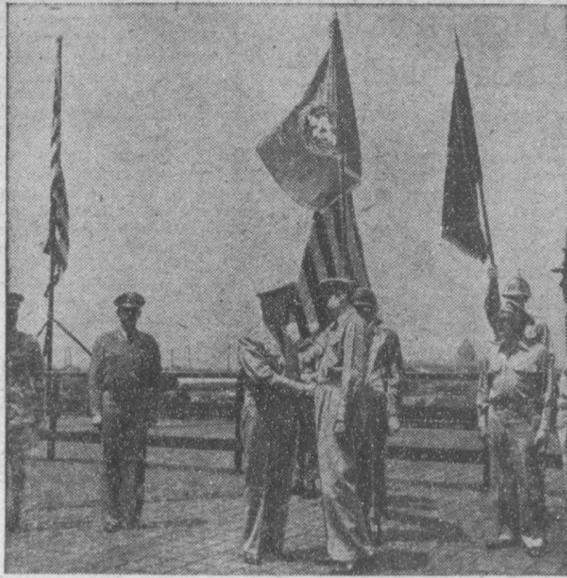

August 9, 1940

Mr. and Mrs. Mike Fisch and children Florian, Marguerite and Louella and Thelma Zimmerman, all of Des Moines, Iowa, are here for a visit with relatives. The Jake Horns announce the arrival of Doris Lee. Mrs. Mary Lehnertz observed her 88th birthday Sunday with a family reunion dinner in her home. John Luke is overcome by heat while working at the cheese plant in the boiler room. Mr. and Mrs. R. P. Cain and children of Lubbock are visiting relatives in Myra. Miss Caroline Mueller of Lindsay is recovering after a two weeks' illness. Knights of Columbus from all councils of the sixth district will have a meeting here Friday night with F. J. Kinane, state deputy, to outline the state council's program and activity for the coming year.

5 YEARS AGO
August 10, 1945

Mrs. Mary Lehnertz, Muenster's oldest resident, dies Sunday; she would have been 93 years old the following day. Joe Tempel, member of air craft carrier Hornet, is home on leave. City increases water rate. David Trachta writes from Germany. Val Fuhrmann advises he is assigned to the 25th Infantry Division Band and is in Hawaii. Arthur Endres is installed as local grand knight of KC council. Shoes are expected to be ration-free by early next year. Joe Horn is recovering from a tonsillectomy. Bertha and Bernice Haverkamp have a party to observe their 17th birthdays. The Norbert Klements celebrate their 12th wedding anniversary Sunday when friends give them a surprise party.

West Coast States will gain in population but that Eastern, Southern and Mid-Western States will decrease.

General Douglas MacArthur (right), commander of the armed forces acting in behalf of the United Nations to restore the peace in Korea, shakes hands with the Chief of Staff of the United States Army, General J. Lawton Collins, after receiving the blue-and-white U.N. flag (center) which once flew over the headquarters of the U.N. Mediator in Palestine. The flag was sent to General MacArthur by U.N. Secretary-General Trygve Lie, who expressed hope that it would fly until peace is restored in Korea. General Lawton Collins brought it to Tokyo.

Korean War to Make 100,000 Federal Jobs

WASHINGTON. — The big news on the Washington home front today is that war in Korea will make upward of 100,000 new government jobs. They will cost the taxpayer about \$354,000,000 a year in salaries. Your guess is as good as anybody's on how much new office equipment and red tape will have to be laid in for the newcomers. The 100,000 figure is tentative. The chances are good that the number of new public servants will be greater than that before the hot-cold war is over.

Atomic Death Sand May be Developed As New US Weapon

CHICAGO. — Is the United States working to develop "death sand"? A University of Illinois physicist thinks it's likely. This slow-acting poison, an invisible form of radioactive dust, could be the most insidious—or most humane—type of atomic weapon known. Dr. Louis N. Ridenour said the substance would be "the lightest and most transportable of all the weapons of mass destruction."

Production Possibilities
The U. S. Atomic Energy Commission's plutonium production plant in Hanford, Wash., could produce enough of this dust every month to contaminate 144 square miles, he added.

Radioactive sand, he believes, could be made by dipping tiny sand particles or metal powder in a water solution of radioactive salts. These salts, when dried, would cling to the outside of each particle. Unless warned in advance, residents of an area sprayed with this dust would not know they were in danger until symptoms of radioactive poisoning appeared two weeks or a month later. Then it would be too late. They would have inhaled it and had their clothing covered with it. A few days later they would die.

But if warning were given, Ridenour said, each member of the target population would have a choice whether to live or die. Persons who remained in the area certainly would die, "while giving an excellent chance of survival to a person who flees at once, with a folded or dampened handkerchief over his nose and mouth."

"The novel and unique properties of this weapon make it useful in special situations," Ridenour said in an article in the Bulletin of the Atomic Scientists.

HE GOT RELIGION

The driver was up for negligent manslaughter. He had been in court seven times before. "This is your eighth offense" said the judge. "The court has been lenient before, but I hope you understand what your situation is now?"

"Yes, your honor" replied the driver, meekly.

"Where's your lawyer?" asked the judge.

"I don't have one, your honor" replied the hapless driver. "This is so serious, I decided the best thing to do would be to tell the truth."

What others think about you will not cause you a moment's concern if what you think about yourself—doesn't worry you.

Patton Predicted Russia's Strategy

BOSTON, Mass. — Gen. George S. Patton Jr., famed World War II commander, predicted on his death bed that Russia post-war strategy would be to "create puppet governments and raise puppet armies" to weaken the western World.

This was revealed yesterday by his widow, Mrs. Beatrice Patton of Hamilton, in a letter to a Boston newspaper.

Mrs. Patton said that when her husband was dying in Luxembourg after an automobile accident, she asked him "when he thought the Russians would start their war."

Mrs. Patton quoted her husband as replying: "Not at all, while they can nibble away at countries like Yugoslavia, create puppet governments and raise puppet armies. Then, when they have got all they can get that way, with many allies and we are down to two divisions, they'll start marching."

The general's widow also said her husband had great faith in two Army generals who are now commanding troops in Korea.

She said her husband called Lt. Gen. W. H. Walker of the Eighth Army, "audacious, imaginative—always ready to attack." She said her husband referred to Maj. Gen. H. R. Gay of the First Cavalry Division as "an utterly selfless man."

Some men smile in the evening, some men smile at dawn; but the man worth while is the man who can smile, when all his front teeth are gone.

A young machinist went to the hospital to see his new-born son. Looking through the glass front of the nursery, he asked the nurse in charge why his son—as well as all the rest of the newly-arrived citizens—were bawling so.

"Well," replied the nurse, "if you were only a few hours old, had no clothes and no money, were out of a job and owed \$1,700 as your part of the Federal debt—wouldn't you put up a howl, too?"

She: "But, honey, how can we be married when I don't know how to cook?"

He: "Don't worry, I'm an artist. If I live up to my reputation, there won't be anything to cook."

Who Knows

A rather conceited bachelor was invited to dinner by a lady of his acquaintance, but did not accept. A few days later, seeing her on the street, he said in his best manner: "I believe you asked me to dine with you last week." The lady looked at him thoughtfully. "Why, yes, I believe I did," she answered brightly. "And did you come?"

SCORCHED EARTH—In South Korea, towering clouds of smoke hung in the air as U. S. security patrols put the torch to clusters of squalid mud and thatch-roof houses. The Yanks were ordered to adopt the "scorched earth" policy when it was discovered that North Korean guerrillas were using abandoned native villages inside American lines as hiding places.

Muenster and Bowie Compete for Second Place in T & O Loop

With both teams out of the running for top honor in the T & O baseball league, Muenster and Bowie will be contending for second place when the two meet here next Sunday at 3 for the second of their 2 game series.

Nocona is undefeated to date and with only one more game to play has a cinch on the loop title.

Odds for second place favor Bowie. Its only losses to date were to Nocona and of the two remaining games Muenster's is the only serious threat. Last Sunday the two had a close contest ending 4 to 3 in favor of Bowie.

Muenster's remaining 2 games are both toughies. They are Bowie and Nocona, which have inflicted both of Muenster's defeats to date. By winning Sunday, the local boys can break the present second place tie, but they will have a hard time holding the lead when they meet Nocona.

565 Cows Bred Artificially Last Nine Months in County

When the first nine months of the program of the Cooke county Artificial Breeders' association ended last Tuesday, 565 cows pledged to the program had been bred artificially.

The efficiency of the county group's operations has been as good as that of any similar organization in the state, says County Farm Agent B. T. Haws. Jack Barnhart is the association's technician.

The association now has 74 members, who have pledged 960 cows to be bred artificially. The association's breeding program is said to give dairymen opportunity to improve their herds at a minimum expense.

Any dairyman interested in joining the group should contact ABA President Paul Fisher of Muenster, Haws or one of the directors of the association. The association will hold its regular bi-monthly meeting next Tuesday in Gainesville, time and place to be announced.

Soaking to Precede Future Street Work

The old problem of having street work done here while streets are in proper condition was solved Monday night at the city council meeting when members decided to precede future grading with a soaking.

Heretofore streets were usually too dry when the grading was done and did not pack properly after being re-shaped.

The reason is that rural roads have priority on the precinct's road tools and are kept on the job there after rains while working conditions were more favorable. So the city seldom had the machinery when the streets were right.

Soaking will be done with the city fire truck just before the grader goes to work.

Citation by Publication

THE STATE OF TEXAS
TO: Nora Montgomery Bray Defendant, Greeting:
You are hereby commanded to appear before the Honorable District Court of Cooke County at the Court House thereof, in Gainesville, Texas, at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 28th day of August A.D. 1950, then and there to answer Plaintiff's Petition filed in said Court, on the 12th day of July A. D. 1950, in this cause, numbered 15723 on the docket of said court and styled Hulet Marlin Bray Plaintiff, vs. Nora Montgomery Bray Defendant.

A brief statement of the nature of this suit is as follows, to wit:
A suit for divorce from the bonds of matrimony for the reasons of harsh and cruel treatment on the part of defendant towards plaintiff, and for general and special relief, as is more fully shown by Plaintiff's Petition on file in this suit.
The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.
Issued and given under my hand and the seal of said Court, at office in Gainesville, Texas this the 12th day of July A. D. 1950.

(SEAL) Woodrow U. Clegg, Clerk, District Court, Cooke County, Texas
By Ruth Wilson Deputy.

Just like the market, our prices rise and fall. BUT . . .

They are usually higher than the market

On an average we have 7 or 8 big packer buyers at every sale. They want your stock and they are ready to bid high for it. That's why our price level is almost always above the market quotation.

Last Saturday, in spite of falling prices, we had one of our best sales. More and more sellers are realizing that their best livestock market is here in Muenster.

DICK CAIN Owner and Auctioneer

Mr. and Mrs. James Bezner left Friday for a 10-day vacation trip to Corpus Christi and the Rio Grande Valley. While they are away Brian is staying with his grandparents, the Jake Bezners.

Mr. and Mrs. Adolph Fuhrman and children, joined by H.J. Fuhrman of Muenster, left Thursday to spend ten days with relatives in Iowa. In LuVerne, Iowa, they will visit a sister, Mrs. John Thill, an invalid, who has spent the past 10 years in a wheel chair.

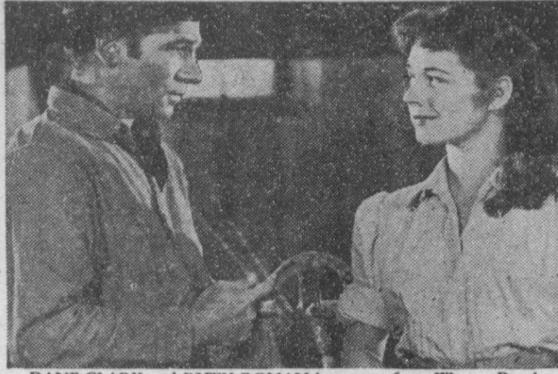

When Sisters Christina, Henry Ann, Michael Marie, Frances Helen, Mary Olive and Catherine Henry, who had been visiting relatives here for a week,

left Friday to return to the motherhouse in San Antonio, they were accompanied by about 50 relatives as far as Whitesboro, where the Sisters boarded their train. Everybody attending enjoyed this final farewell get-together at the depot and remained until the train departed.

JOE NEU COMPLETES SOIL CONSERVATION PLAN

Joe Neu has just completed the development of a conservation plan on his farm and signed a cooperative agreement with the Upper Elm-Red Soil Conservation District.

Mr. Neu, of Lindsay has lost no time putting this plan into effect on the farm as he

DANE CLARK and RUTH ROMAN in a scene from Warner Bros. Technicolor production "BARRICADE."

immediately started building terraces to control runoff water on his cultivated fields. One and eight-tenths miles of large ridge type terraces have already been completed and the remaining cropland will be terraced as soon as row crops are harvested this fall. He is fortunate in having existing pasture so located as to allow all cropland to be terraced to empty on grass sod. This is unusual as most farms in the area need to have one or more waterways established before terracing can be done. Other conservation practices included in the plan, which will be established in the future, include: Legumes in the rotation for soil improvement; Contour Cultivation; Crop Residue Management, and Weed Control on pastures.

Mr. Neu has also started building terraces on his farm which he owns and operates about three miles east of Valley View.

Besides being unfair to Spain and utterly absurd, this country's cold shoulder attitude has certain tragic implications. We insult a country which has a cleaner record than our own in the anti-communist struggle, and which can be a valuable ally if and when the full scale war with Russia comes. Military experts have made a favorable appraisal of Spain as an American base for a European war. Spanish manpower could be another valuable asset.

Equally significant is the fact that Spain and every other nation professing a respect for religion shares with us the common enemy of Godless Russia. Both are hated. Both are scheduled for the same fate in the Soviet plan of conquest. By all the rules of common sense they should be allies.

In fact it is high time for all countries of high ideals to get together in an alliance against the evil force. This thing isn't just another economic war. It's a struggle between Christ and anti-Christ. And our position as leader of the Christian element imposes on us an obligation to muster the strongest possible Christian force. An alliance with Spain and other decent countries is more than mere expediency or international power politics. It is a matter of sacred duty before God and all mankind.

Confetti---

It is hard to understand how he can possibly be regarded as fit to continue in his present position.

Equally as sad is President Truman's stubborn loyalty to the man. He stated that as long as he is president Acheson will remain his secretary of state. We have seen him show the same brand of loyalty to convicted criminals like Hiss and Pendergast, and we're now inclined to wonder whether he isn't more loyal to his cronies than to his country. Regardless of his stubborn attitude many of our countrymen believe Acheson should be kicked out. And if Truman doesn't like it let him carry out the implied threat and resign. After some of the things that have happened we'd be willing to take a chance on another president.

don't use your body for a thermostat

... choose Forced Air Central Gas Heating

Forced air central gas heating systems supply heat for your comfort as if by magic. A thermostat matches indoor heating to the weather quickly, accurately and automatically. You are relieved of the bothersome supervision of your heating system.

Through ducts and registers warm air flows to every room. The air is fresh without open windows. There are no drafts, no chilly floors, no sudden changes in temperature which make you uncomfortable and may cause dangerous colds.

Think how this gives you downright solid comfort, convenience, fuel savings and health protection!

Practically everyone who builds or modernizes a home today installs forced air central gas heating. It adds only two or three dollars a month to payments for a new home. Or you can get it for your present home on your heating contractor's or Lone Star Gas Company's Easy Payment Plan. See about it for your home.

Central gas heating can be installed in a closet or in the attic, under the floor and in a wall. Here certainly is the heating system for modern living.

See your Gas Heating Contractor or Lone Star Gas Company
