## ICE FILLS BELLE ISLE STRAITS

HERE is the Canadian government lighthouse on Greenly Island photographed from the ice that now fills the strait between it and the mainland. It is through such ice as this that the steamer Montcalm had to force its way. The turret of the lighthouse is covered, since the light is not in operation during the winter months. It was in this building that Baron Huenfeld, financial backer of the flight, wrote the cablegram reproduced below. Addressed to Heinz Schuenger, of the North German Lloyd steamship line. It reads: Made a safe intermediate landing Greenly Island, Straits of Belle Isle, caused by lack of benzine due to storm and fog. Please inform the press. Private. And send me — dollars by wire. ## YANKEES DROP FIRST GAME TO BOSTON SOX

BRYAN "Slim" HARRIS of Bangs was winning pitcher in today's game between New York Yankees and Boston Red Sox.

BOSTON, Apr. 19.—(P)—The New York Yankees dropped their first game of the year today, bowing to the Boston Red Sox in the third game of the series, 7 to 6.

The Yankees had won four straight, two from Philadelphia and two from the Red Sox.

The morning game encounter of a patriots' day doubleheader, was decided in the eighth inning when the Red Sox hammered Al Shealy and Wiley Moore for five hits and four runs. The winning runs were scored after Moore had entered the box.

Shealy pitched invincible ball for five innings, allowing only one hit. He weakened in the sixth, however, and Boston scored three runs.

Fat Collins, Yankee catcher, drove out a home run with one on base in the sixth inning.

## THREE HELD IN BANK ROBBERY

ADA, Okla., April 19.—(P)—Three men were held in the Pontotoc county jail here today in connection with the robbery late yesterday of the First National Bank of Stonehill, 18 miles southeast of here, and the kidnaping of Roy Whitlock, cashier.

Whitlock was released early last night near Sasakwa, Seminole county, and given \$15 by the robbers with which to return home.

The men under arrest were Bill Maggart, who was arrested at his home in Allen and Frank Lang and Blackie Martin, who were found at Gilmore City, an oil field village.

Whitlock, who was none the worse for his experience, said the bandits divided \$691.70 among themselves before releasing him and each gave him \$5.

Whitlock was expected to come here today and see the suspects in an effort to identify them.

## Dismiss Charges of Murder Against Galveston Suspect

GALESTON, Tex., April 19.—(P)—Charges of murder against William Curtis in connection with the slaying of E. O. Evans, Texas City policeman, were dismissed in district court here today. Repudiation of testimony by a witness for the state, who now faces perjury charges was given as the reason for the dismissal.

## BIRGER HANGS FOR SLAYING OF JOE ADAMS

BENTON, Ill., April 19.—(P)—Charles Birger, notorious southern Illinois gang leader, was hanged at 9:52 a. m. today for the murder of Mayor Joe Adams of West City.

Birger was pronounced dead four minutes later. Nearly 500 spectators were crowded in the stockade. Erect and nonchalant, almost debonair, Birger walked to his death. The procession emerged from the jail at 9:50 a. m., headed by Sheriff James Pritchard.

Birger was accompanied by Rabbi J. R. Masur of East St. Louis and several deputy sheriffs. He moved at an easy pace, stopping to shake hands with several persons on the way through the stockade to the gallows, a distance of 100 feet.

Smiles On Scaffold

The condemned man mounted the steps smiling. He pointed a finger at some man in the crowd and waved his hand. Phil Hanna, volunteer hangman, who has participated in 52 previous executions, stepped up to him while the Rabbi read a prayer. They shook hands and conversed for a few seconds.

Birger nodded and closed his eyes as the noose was slipped over his head. Hanna stepped up and adjusted the noose. He stepped back and the trap was sprung.

Birger died without confessing his guilt other than to admit he was chosen after the fact in the Adams murder.

On the way to the gallows Birger had stopped to thank the wife of Jailer Lovan for her kindness to him. As he mounted the scaffold he said loudly: "Beautiful world."

## Oklahoma Bank Is Looted Of \$2,500

CHANDLER, Okla., April 19.—(P)—Speeding away in a shower of bullets from the bank president's gun, three bandits had at least temporarily escaped after robbing the Wellston National Bank at 11:15 this morning. Wellston is 12 miles west of Chandler. The bank's loss was estimated at \$2,500.

Roy Ward, president of the bank, fired seven shots after the fleeing robbers and said he saw several of the bullets puncture the back end of the car, one breaking the back glass of the sedan and the other shattering the wind shield.

Two of the men, about 30 years old, entered the bank while the third sat in the car. Flourishing pistols, the pair commanded Ward and a customer to hold up their hands and scooped up all of the cash in the vault and tills.

Ward followed the bandits from the bank and opened fire on them as they climbed into the car. They did not return the fire.

## MAY BAR BAR BLACK LISTS TAKE DUMAS TO AUSTIN TODAY

WASHINGTON, April 19.—(P)—A resolution giving the various chapters of the Daughters of the American Revolution the right to invite whatever speakers they choose without restriction by the National organization has been filed with the committee on resolutions of the society's biennial convention.

This announcement was made today by Mrs. St. Omer Roy, a delegate from Fort Scott, Kansas.

The resolution is the result of protest from some of the daughters to the issuance of a "black list" which was said to have excluded a number of prominent individuals as undesirable speakers before chapters of the organization.

Mrs. Roy also announced that two other resolutions had been filed with the committee. One would prevent the National organization from committing the members to any national policy until the chapters had acted upon it and the other calls upon the society's committee on national defense to submit an outline of its policy to the chapters.

## Dallas Chosen as Next Meeting Place of Civil War Vets

SAN ANTONIO, April 19.—(P)—Dallas was chosen as the 1928 convention city of the state department of the Grand Army of the Republic and F. J. Yingling of that city as state commander at the annual convention of the civil war veterans today.

A. W. Robbins of San Antonio, who made senior vice commander, Z. T. Saxon of Fort Worth junior vice commander, L. D. Dasgett of San Antonio state chaplain, and J. S. Dunlap of Fort Worth quartermaster.

The blue and the gray applauded each other alternately here today as the joint state convention of the Woman's Relief Corps and the grand army of the Republic got under way. Many of the visitors at the convention wore the Gray during the Civil War.

## Campbell Bank is Looted of \$6,000 Cash During Night

GREENVILLE, Tex., April 19.—(P)—Robbers sometime last night looted the First State Bank of Campbell, 10 miles east of here, of about \$6,000. Entrance to the building was gained through a back window.

The lock to the vault was broken and a hole burned in the safe where the money was kept. About 20 private deposit boxes were also rifled.

The robbery was discovered when officials opened the bank for business today. Greenville officers were notified. No clues had been found.

A further check-up revealed that another safe was broken into also and an undetermined number of Liberty bonds stolen.

## "Texas" Democrats to Hold Parley in Austin on Friday

HOUSTON, Texas, April 19.—(P)—Chairman Lynch Davidson and First Vice Chairman W. P. Robby will leave here Thursday night to attend a political conference called by Governor Dan Moody for Friday in Austin.

"I do not know who has been invited or what is the purpose of the conference," said Mr. Davidson. "I imagine, though, that further steps will be taken to iron out differences and bring greater harmony among the Democrats of Texas."

## Late Flashes

TEN DIE IN QUAKE SOFIA, Bulgaria, April 19.—(P)—Ten dead and about fifty injured were the casualties reported today from the city of Philippopolis which was rocked by a series of violent earthquakes last night.

NEW BANK RATE WASHINGTON, April 19.—(P)—The Federal Reserve Bank of Boston and Chicago have established a rediscount rate of 4 1/2 per cent, effective tomorrow, the Federal Reserve Board announced today.

The rediscount rate during the last several weeks has been four per cent for all Federal Reserve Banks. The increase was announced following a conference held last yesterday by the Federal Board which Secretary Mellon attended as ex-official chairman.

## DEPOSITION OF FALL NOT READ IN OIL TRIAL

WASHINGTON, April 19.—(P)—Both the defense and the government rested their cases today in the trial of Harry F. Sinclair, accused with Albert B. Fall of having conspired against the government in the leasing of Teapot Dome.

The defense rested without introducing the 100,000 word deposition made by Fall recently in El Paso and which was to have been used by the oil man. Neither did it put Sinclair on the stand. The government asked the court's permission to comment on the failure of Sinclair's lawyers to place the bulky document in the record and Justice Bailey reserved decision until tomorrow.

Meanwhile he asked each side to limit its argument to three hours starting tomorrow in order that the jury might be charged Saturday morning and the case put in its hands by noon of that day.

Today the defense presented a number of character witnesses for Sinclair and from G. T. Sandford, general counsel of the Sinclair Consolidated Oil Company, it drew testimony that Fall's \$25,000 transaction with Sinclair prior to his trip to Russia was merely a loan. Sandford produced receipts to back this testimony.

The rebuttal was brief and largely documentary. The failure of the defense to offer Fall's deposition precluded the government from calling C. Chase, Fall's son-in-law, from whom it expected to obtain testimony to combat the claim of Fall that the large batch of liberty bonds he received from Sinclair were in payment for a share in Fall's New Mexico ranch.

Counsel for Sinclair insisted that M. T. Everhart, another son-in-law of Fall, who testified on the same subject, had covered that phase of the case and that it was unnecessary for either Fall or Sinclair to place their stories before the jury.

WASHINGTON, April 19.—(P)—Investigation of leases in the Salt Creek oil fields in Wyoming made by the last Democratic administration was asked in a resolution introduced today by Senator Norris, Republican, Nebraska.

Senator Norris would have the Senate lands committee, which inquired into the Teapot Dome and Elk Hills leases under Secretary Fall of the Interior department, make the new investigation.

Asking immediate consideration of his resolution, Norris was advised that it must first be referred to the committee on Audit and Control.

## HELD AS SLAYER

MISS MARGUERITE BAUMBAUGH, 30, former Warsaw, Indiana, girl, is held as the slayer of Walter H. Cook, 44, Niles, Michigan, manufacturer. Miss Baumbaugh was employed by Cook when he operated a factory in Warsaw. Police say a quarrel followed an attempt toward a settlement of their affairs.

## MULLIN CHILD MAY DIE FROM BULLET WOUND

GLENN GARMS, the two-year-old son of Mr. and Mrs. W. G. Garms of Mullin was probably fatally wounded about four o'clock Monday afternoon when he was accidentally shot through the stomach with a .22-calibre rifle.

The child had been left with his father's sister, Mrs. L. D. Barnes, while his parents came to Brownwood Monday. Mr. and Mrs. Garms had returned from this city a few minutes before the accident occurred and were sitting in an adjacent room at Mrs. Barnes' home when the shot was heard in another part of the house. Mr. Garms immediately saw that the baby boy had been shot and picked him up, jumped in his car and hurried back to Brownwood and to the Central Texas Hospital where an emergency operation was performed about six o'clock Monday afternoon.

Upon examination it was revealed that the bullet had penetrated the intestines several times and had passed through the lad's liver. The injured baby was very restless Monday night but was some better Tuesday morning. Attending physicians state, however, that they hold little hope for his recovery. His condition is described as being very critical.

According to Mr. Garms, the lad's father, an old 22 target, had been discarded, was laying around the house of his sister, with which a small seven-year-old son had been playing. It is presumed that the baby had gotten possession of the target and in playing with it had managed to pull the hammer back and then pull the trigger, sending the bullet through the stomach.

## DALE REFUTES BRIBE CHARGE

AUSTIN, Texas, April 19.—(P)—Testifying in his own behalf, former Representative F. A. Dale denied in district court Thursday that he ever made W. W. Chamberlin, accusing witness in Dale's bribery trial, a proposition to get an optometrist tax bill killed in the Fortieth Legislature for \$1,000 or had even discussed a money consideration.

Dale also denied that he had told Chamberlin that parties interested in seeing the bill passed had offered \$750 in that connection. "I told him I was against the optometry bill," he added.

The former legislator admitted accepting \$1,000 from Chamberlin but said Chamberlin pressed it into his hand with the explanation, "Here is a retainer for your services." In a conversation before that, Chamberlin had besought Dale's protection against possible legislative contempt charges in connection with his (Chamberlin's) lobbying activities for the Texas Optometry Association, Dale testified.

S. F. Leslie, Bonham, counsel for Dale, said he had not meant to convey the impression Wednesday that the defense admitted that Dale solicited a bribe. Instead Leslie said, he was trying to make the point that even if there was evidence that Dale solicited the money, this did not constitute an offense under the laws of Texas.

Dale testified cross-examination of Special Prosecutor Will Hart that he got his first drink of cognac in Chamberlin's room at one of the conference they had. Gin and cognac were served he said.

Telling of his arrest by Ranger Captain Frank Hamer, Dale said he became "suspicious" of the purpose of the rolls of bills Chamberlin gave him, and started to question the lobbyist about it when Captain Hamer stepped up and accosted him.

## Record Breaking Cold Weather in Midwest Today

PITTSBURG, Kan., April 19.—(P)—Light snow and sleet began falling here this morning after a drop in temperature to 44 degrees.

ST. PAUL, Minn., April 19.—(P)—Record cold weather for April was reported generally in North Dakota today. Fessenden and Crosby, N. D., reported 3 degrees below zero, while other cities reported around zero figures.

BERLIN, April 19.—(P)—A news agency dispatch today said that a violent snow storm which has been sweeping Poland assumed such dimensions that for the last 24 hours the greater part of Poland has been snowbound.

## Change Method of Electing Officers at Music Session

AMARILLO, Tex., April 19.—(P)—Changes in the method of electing officers were voted here today at the convention of the Texas Federation of music clubs.

Under the new plan, each district may nominate candidates to the various offices, the final selection to be made by the executive board. The executive board also will consider creation of an eighth district to include cities on the southern border of the state, not now in the federation.

## Frank Crane and Son Sued, Alleged Boy Drove Drunk

LOS ANGELES, Calif., April 19.—(P)—Dr. Frank Crane, newspaper writer and his son, James, were named defendants in a suit for \$986 here yesterday by F. L. Gonder, who alleges young Crane crashed into and heavily damaged his motor truck while speeding at sixty miles an hour and on the wrong side of the street on January 17. Gonder states he was forced to jump from his truck to escape injury, while young Crane was injured so seriously he was taken to a hospital for treatment.

The suit charged that police found two bottles of liquor in the Crane automobile but that no prohibition charges were lodged against the driver.

## Abandon Search For Two Missing Cuban Aviators

HAVANA, April 19.—(P)—A two-day search for the Cuban army plane Pte-3 with Lieutenant Ponce De Leon and Ensign Perez aboard has failed to reveal any sign of the machine, and all hope has been abandoned by aviation officials, who say the plane was blown to sea and lost.

Ponce De Leon and Perez left Columbia Field Tuesday afternoon for a practice flight at a time when high winds prevailed. Nothing has been heard from them since.

## Man Is Slain Over Al Smith Argument

DALLAS, Tex., April 18.—(P)—Charges of murder have been filed against Sgt. Perrella, Dallas real estate dealer, following the death of W. L. Jones, automobile salesman, a here today.

Special investigator Grady Kennedy said that the two men had engaged in an "Al Smith" argument last night, and that they fought until one of them could fight no more.

BROWN COUNTY MARCH RECORD 71 COMPLETED

According to summary for the month of March there were 71 wells completed in Brown county during that month, out of a total of 82 for the entire state. Thirty-eight were producing oil wells, 2 gas wells and 31 dry holes, a large number of the completions having been in wildcat areas.

This is the largest number drilled in any county in the state during the month, Archer county being the next highest with 56 and Young third 51.

The average new production for the 38 producing wells was 6 fraction above 114 barrels to the well, the total being given as 4,326 barrels.

The total production of oil from all wells in Brown county in March was 388,850 barrels.

The record for the Central West Texas district is as follows:

Brown county: Completions, 71; producers, 38; gas, 2; dry, 31; new production, 4,326; total monthly production, 388,850.

Young county: Completions, 51; producers, 26; dry, 23; new production, 3,507; total monthly production, 260,600.

Eastland county (Desdemona): Completions, 22; producers, 7; gas 9; dry, 12; new production, 196; total monthly production, 272,250.

Shackelford county: Completions, 11; producers, 6; dry, 5; new production, 1,240; total monthly production, 243,150.

BROWNWOOD HIGH SCHOOL STUDENTS AWARDED HONORS

Representatives from West Texas schools met at Eastland Friday, Apr. 19th, to participate in the Latin tournament held there. The territory represented extends from El Paso to Brady.

Brownwood Junior and Senior High School sent six representatives, two from each of the three classes offered. The instructors, Misses Grace Boon and Frances Canon, accompanied the students.

Miss Mary Bob Magill of Brownwood Junior High won third place in the first year division, El Paso getting first and second places.

There were seventeen contestants in this division of the tournament. In the third year Latin contest, Brownwood won the beautiful silver loving cup. Miss Mary Allison and Billie Logan composing the winning team. Billie Logan won second place and Miss Mary Allison third place and the average of the two exceeded records made by other schools, so the cup was awarded their school. If the school wins the cup three successive years, it becomes the permanent property of Brownwood.

Friday evening a beautiful appointed banquet was served to about one hundred and fifty delegates. Unique individual programs and menus written in Latin marked the places. A program of unusual interest and merit, consisting of Latin songs, dramatizations and speeches from prominent educators, proved to be highly instructive and entertaining to the delegates. Attention was called to the fact that Latin is practical because of its correlation with all the other studies. If one considers the matter, Latin is used by the students as often as the romance languages are. Many do not use their knowledge of romance languages after they take such courses as is true also of the classical studies.

The larger schools had as many as twenty delegates each. This fact demonstrates that the larger schools are not losing sight of the importance of Latin in their curriculum. Brownwood made a good showing this year and it is hoped that she will go back even stronger next year and bring home a majority of the trophies offered. Next year the tournament will be held at Abilene.

Ignatius de Loyola founded the Order of Jesuits.

DEATH CLAIMS BISHOP DICKEY

LOUISVILLE, Ky., April 18.—(AP)—Bishop James Edward Dickey, 63, who died here last night as a result of an operation for appendicitis, had served Kentucky, Illinois and West Virginia, the eleventh district of the Methodist Episcopal Church, South, for two years.

He was elected to the episcopacy in 1922 but served four years in Texas and New Mexico before coming to Louisville. For twenty-one years prior to being made a bishop, he had been connected with Emory College, thirteen years as president.

At Bishop Dickey's bedside were his wife, Mrs. Jessie Monroe Dickey; his son, James E. Dickey, Jr., and a daughter, Mrs. C. E. Boyd, both of Atlanta. Also surviving are three other daughters, Mrs. J. F. Carreker and Mrs. Robert Strickland of Atlanta, and Mrs. Henry H. Jones of Marietta, Ga.

Born in Jeffersonville, Ga., in 1864, Bishop Dickey, the son of a clergyman, was educated at Emory College where he received his first appointment as assistant professor.

MISS WEATHERFORD TO ENTER ABILENE ORATORICAL CONTEST

Miss Desmond Weatherford, 1009 Melwood Avenue, senior at Brownwood High School, will leave Friday morning for Abilene, where she will compete in the district meet of the International Oratorical Contest, which is to be held in that city.

Miss Weatherford goes to the district meet by virtue of her victory in the High School and county elimination contests, which were held recently. It was said.

Should Miss Weatherford survive the district meet, she will go to the state meet which will be held at Ft. Worth. The winner of the latter will receive an award of \$100 and will represent Texas in the interstate meet at Oklahoma City. The winner of the interstate meet will get a trip to Washington, D. C., where the representatives from more than twenty states will gather for the semi-final oratorical contests. The winner at Washington will compete in the International Oratorical Contest to be held in Europe next year. All expenses to be paid by some newspaper in the state in which individual lives. The Texas Oratorical contests, which is sponsored by the Fort Worth Star-Telegram.

Miss Weatherford, besides being high school and county winner of the International contests, is also district winner of the University Interscholastic League of Texas oratorical contests, which is sponsored by the University of Texas. She will

go to Austin in May to compete in the state meet. Miss Weatherford finished second in the state meet at Austin last year, it was said.

DALLAS OFFERS HUGE CAMPUS, OVER MILLION DOLLARS FOR BAYLOR

DALLAS, April 18.—(AP)—Members of the Baptist Educational Relocation Commission delegated to handle the proposed transfer of Baylor University from Waco to Dallas held another secret meeting here today with officials of the Chamber of Commerce, supposedly to discuss the offer of \$1,500,000 and land necessary made yesterday in the event the university is relocated here.

DALLAS, Texas, April 18.—(AP)—Dallas hung up a mark for Waco to shoot at in offering a site of from 800 to 1,000 acres and \$1,500,000 in cash for the relocation of Baylor University here at a meeting of Chamber of Commerce representatives and business men here Tuesday. Cullen F. Thomas and Carr P. Collins in their statement insisted that although interested in Dallas' welfare, their position in the contest for the location of the school was dictated solely by their convictions as to what is best for the university, on whose board of trustees they have served many years. They asked that judgment in the matter be deferred and pointed out that their function was merely that of messengers of the Baptist education commission.

INDIANAPOLIS, Ind., April 18.—(AP)—A \$25,000 wager over the relative merits of a Stutz Black Hawk and a French Hispano-Suiza automobile was the prize for which two privately owned stock cars lined up at one o'clock for the start of a 24-hour race at the Indianapolis motor speedway.

The Stutz is the property of E. E. Moskovich of Indianapolis while the Hispano-Suiza belongs to C. T. Weymann of Paris, France. Plans for the contest were made in Paris nearly a year ago while Moskovich, President of the Stutz Motor Car Co., was in conversation with Weymann.

Gil Anderson and Tom Rooney, veteran American race drivers, were to alternate at the wheel of the Stutz. Weymann and Robert Block were to pilot the french machine.

The 25-hour stock record for the Indianapolis speedway was said to be 71.35 miles an hour, established by a Stutz in 1927.

The longest suspension bridge in the world connects Philadelphia, Pa. and Camden, N. J., it is 1759 feet long and 135 feet above water level.

BIRGER IS TO HANG THURSDAY

BENTON, Ill., April 18.—(AP)—Deserted even by his attorneys, Charley Birger, condemned leader of a southern Illinois gang that terrorized the countryside for several years, dies on the gallows here tomorrow.

BLACK SENATORS WIN FROM BLACK SPORTS TUESDAY, SCORE 5-4

Brownwood's Black Senators won the opening game of the three game series with the Shreveport Black Sports Tuesday afternoon by a final score of 6 and 5. The game was fast and well played by both clubs and was featured by many healthy wallops to all corners of the lot. Two homeruns and numerous doubles were sandwiched in with other safe wallops. Shreveport had one big inning, scoring four runs in that frame to take the lead at 4 and 1. The Senators began an uphill fight that carried them to victory in the eighth inning, due to a homerun in that frame.

The two teams play again at Daniel Baker park Thursday and Friday afternoon. Following these two games the Senators will go to Abilene for games Sunday, Monday and Tuesday and then return here for a series with Abilene on the local diamond.

Christian Church is to Construct Parsonage Soon

The First Christian Church has sold the church parsonage at 311 Austin Avenue to Emmett C. Fain and will begin construction soon on a new parsonage on the church lot on Center Avenue. The old parsonage was sold for \$6250 and the church is to give possession by May 1.

Work on the new parsonage will not likely begin before that time, according to Rev. C. A. Johnson, pastor of the local church. Although plans and specifications have not been drawn up Rev. Johnson indicated that the new parsonage will be a six room brick veneer, with breakfast room and bath, the brick to be of the same finish as the brick used in the new church building which was completed recently. The parsonage will face Center Avenue and will be adjacent to the Will Roberts home at 907 Center. Work will be begun on the new building about May 1, it is stated.

## REV. JOHN POWER IS HONORED BY FRIENDS ON HIS BIRTHDAY

Rev. John Power, rector of St. John's Episcopal church was both honored guest and host Monday night at a dinner party in the parish house which was the occasion for celebrating the 82nd birthday anniversary of "The Parson." The Episcopal Men's Club held its monthly meeting, with H. G. Lucas as toastmaster, and the entire program was dedicated to Dr. Power in a series of short addresses eulogizing the many phases of his character and service during the twenty-four years of his work in this city.

About thirty-five friends assembled for the dinner, which was served by the women of the church as a compliment to their rector. Dr. Power expressed his appreciation of the presence of the friends who had accepted his invitation to attend the party, and in a short address spoke of his joy on the occasion of his 82nd birthday as he was surrounded by those who through all the years of his service here had been his constant and dependable friends and associates.

Radio is presented representing the assembled

A Civic Worker  
Fred W. Greber spoke of Dr. Power as a citizen of Brownwood. He pointed out that he was one of

the original organizers of the Brownwood Chamber of Commerce, and that he had missed only one of the annual meetings of the organization in the past twenty or more years. He said that every worthy movement in the community had been given Dr. Power's active support, and that every worthy movement or proposal had been unequivocally endorsed by the fearless man who felt that his duty as a citizen compelled him to speak his mind on whatever public matter might be under consideration. His influence had been worth more than could be estimated in promoting the orderly development of all phases of the community life, Mr. Greber declared.

Brooke Smith, Sr., one of Dr. Power's parishioners, spoke of the ministry of the beloved rector. He said that his sermons were invariably of the type that uplifted and helped those who listened, each one being based upon the fundamental truths of Holy Scripture, and each one being delivered with all the earnestness of a man who has been in close communion with the Father as the source of all worthy inspiration. Had he been ambitious, he might have held the highest honors in his church, the speaker declared, but he had a conception of duty that compelled him to remain in the comparatively small field of activity here and minister to the small congregation of which he was the spiritual leader; and the service he has given in the ministry has been of a type that has honored his church and glorified the Lord whom he has served so long and so faithfully.

His Friendship  
Walter U. Early, in his inimitable manner, spoke of Dr. Power as a friend and associate. He said that while Dr. Power did not actively seek the friendship of the men of this community, he had won it because of his ever ready sympathy and his unfailing understanding of the hearts of men and women. His counsel is never offered except when sought, and is ever dependable when given, the speaker declared. Many interesting incidents of their association together were given by the speaker, who has been one of Dr. Power's closest friends and staunchest admirers throughout the twenty-four years since Dr. Power came to this city.

Other informal addresses were given by several of those present, all of whom congratulated Dr. Power upon the happy occasion of his birthday, and expressed their appreciation of his friendship and of his service in this community. Responding, half humorously and yet with a note of sincerity that was marked, Dr. Power reiterated his love for the people of Brownwood and his gratitude for the privilege of association with the assembled friends, and dismissed the gathering with what he termed "an old man's blessing."

Special music was given during the dinner by a quartet composed of Miss Virginia Hardy, Mrs. J. F. Mitchell, Steve Heather and Jack Brunberg. The next meeting of the Episcopal Men's Club will be held on May 11th. If the weather is favorable, the affair probably will be held outdoors, it was announced last night.

## MRS. B. R. CHANDLER DIES THURSDAY NIGHT AT DAUGHTERS HOME

Mrs. Priscilla Ray Chandler, age 84, mother of Mrs. John G. Lee, 1519 Austin Avenue, died at the home of her daughter Thursday night following an illness of some six weeks duration. Mrs. Chandler had lived many happy years after having attained the allotted three score and ten, and was blessed with a quiet and peaceful death, which according to those who have known her best, was not in reality death, but the passing from the walks of man to life everlasting with the God whose teachings she had practiced and taught during her more than four score years on earth. Since childhood Mrs. Chandler had been a member of the Baptist Church, her membership being with the First Baptist Church of Brownwood at the time of her death. During these many years she had adhered strictly to the beliefs and practices of the church of her choice and had lived the life of a devout Christian. She has been acclaimed as a faithful companion to her husband, B. R. Chandler, who preceded her in death, a devoted mother and true friend to all.

In addition to having been affiliated with the Baptist Church, the deceased was a member of the Mary Garland Chapter of the Daughters of the American Revolution, a member of the Winnie Davis Chapter of the Daughters of the Confederacy, and a member of the Woman's Missionary Union of the First Baptist Church.

Funeral services for Mrs. Chandler were held Saturday afternoon at the Lee home, with Rev. A. E. Prince, pastor of the First Baptist church, officiating. Burial was in Greenleaf cemetery. Active pall bearers for Mrs. Chandler's funeral were J. T. Yantis, Chester Harrison, Arch V. King, J. Waller Taber, Ward McConnell and T. C. Wilkinson, Sr.

Honorary pall bearers were as follows: George L. McElroy of San Antonio, H. P. Jordan, Dr. Bert L. Scott, A. C. Patton, Dr. Edward Quay, S. D. Quay and Sol Hirschberg, all of Waco; J. B. Etheridge, Hix A. Woods, Henry Manton, Ed Felle and Thomas Etheridge, all of San Antonio; A. R. Moore and Elbridge Moore of Austin, and the following Brownwood men: Chas. King, Clyde McIntosh, Dr. W. # Sixth Annual Pure Food Show And Manufacturer's Exhibit--April 23-28

## ALAMO MFG. CO. CONDUCTS BIG BUSINESS HERE

A large and growing business is conducted in Brownwood by the Alamo Manufacturing Company, manufacturers of ice cream and frozen products. They have a modern, well equipped plant at 421 Austin Avenue and give employment to a large number of people. Their ice cream and other products are made with the utmost care as to cleanliness and sanitary conditions, and by methods that attain the highest quality of the product.

The Alamo ice cream is supplied to a large home demand and is shipped to towns in an extensive territory that the company serves.

The Alamo Manufacturing Company is owned and operated by Brownwood people. Mrs. Elizabeth Lee is president; J. Grider Lee, vice-president, and J. W. Latham, secretary-treasurer and manager. This concern is co-operating with the Pure Food Show and its exhibit, there will be one of interest to the visitors.

## Miss Malone Heads Organization for Better Home Week

Miss Maye Malone has been appointed chairman of Brown county for the observance of "Better Home Week," as designated by the United States government, which will be appropriately observed throughout the United States. Miss Malone received her appointment from Herbert Hoover, secretary of Commerce.

As part of her plans for the observance of "Better Home Week," Miss Malone has arranged for a tour of inspection of a number of living rooms in Brown county that have been made beautiful in the living room contest that has been held throughout the county during the past few months. This visit of inspection tour will be held May 2 and Miss Malone hopes to have as many as 150 club women of the county in the inspection party. Other details of the observance of the "Better Home Week" will be announced later.

## FARM COMMITTEE MAKES REPORT TO DIRECTORS MONDAY

The weekly meeting of the board of directors of the Chamber of Commerce was held at luncheon at the Southern Hotel Monday at noon with thirteen of the fifteen members in attendance. One, at least, of the two not present was known to be out of the city.

The board put in a busy hour and a half hearing committee reports and discussing the general work of the Chamber of Commerce, but without any special features in the day's program.

Reporting for the agricultural committee, H. G. Lucas stated that his committee had held an enthusiastic meeting and had worked out a number of things that they would like to do, but had not presented their program to the finance committee, awaiting the completion of the Chamber of Commerce budget for the year. He thought it would be a good idea for the committee to come before the board and have a general discussion of its plans.

The agricultural committee desires Mr. Lucas stated, to work in co-operation with Mr. Griffin, county agricultural agent, and Miss Maye Malone, home demonstration agent for Brown county, and to assist them in any enterprises that may be taken up. In this connection he spoke of terracing work as proposed by Mr. Griffin, and the getting of a year book for the clubs of the county, as proposed by Miss Malone.

John T. Yantis, chairman of the finance committee, read a list of tentative appropriations for the year's budget, and on motion this was laid on the table until next meeting to be brought up for final action at that time.

**Car for Secretary**  
The board voted to buy a Chevrolet car for the secretary. At a recent meeting the finance committee was authorized to buy the car but Mr. Yantis, chairman, stated today, since the question of the kind of a car to get would naturally present itself it had been decided to get propositions from the different dealers, and then ask the board to vote on the car to be purchased. He had a sheaf of sealed bids in his hands, which he then opened and read. The vote was taken by having each director to write on his ballot the proposition he was in favor of accepting. The Chevrolet,

as decided upon, was for \$557.00 in money and the old Ford touring car now belonging to the Chamber of Commerce.

Officers and directors present were: C. Y. Early, president; H. Burks, secretary; John T. Yantis, J. A. Henry, B. F. Adams, B. A. Fain, J. J. Timmins, Harry Knox, E. J. Weatherby, H. G. Lucas, F. S. Abney, C. M. Carpenter and F. W. Greber.

## Women's Club to Observe National Week April 24th

Although the current week, beginning April 15, has been officially designated as "National Business Women's Week," the local Business and Professional Women's Club is not observing the week's program of activities as suggested by the National Business Women's Club. The reason assigned by the local club is that no meeting is to be held this week but it is announced that at the next meeting night, Tuesday, April 24, most of the work outlined for the current week will be briefly reviewed.

The purpose of the program being observed throughout the nation this week, is to better acquaint every community in the United States with the broad scope of the National Federation of Business and Professional Women's Clubs. All clubs will strive to carry out the motto, "Better Business World" during the week's activities.

Lynn Squires, the "Kentucky Wonder," who is conducting a laymen's revival here will deliver a special address Sunday afternoon on the subject, "Psychology of Salesmanship," this lecture being especially for the local Business and Professional Women's Club, although all other clubs are invited. Mr. Squires has delivered this address on many important occasions and it is one of his best.

The Sixth Annual Pure Food Show in Brownwood will open at the Soldiers and Sailors Memorial Hall next Monday. With five distinct successes to its credit, the Pure Food Show has established for itself a place in Brownwood that assures a week of widespread interest in this year's exhibits. It carries with it also a week of recreation and entertainment that fits admirably into the life of the community.

Advertisements of the various business firms of Brownwood co-operating with the Pure Food Show will be found in this issue of the Banner-Bulletin, and special attention is invited to them. These advertisements carry messages of real interest. They are in reality announcements of some very fine features in the industrial life and growth of Brownwood.

The Pure Food Show is an institution sponsored by the Women of the First Methodist Church of Brownwood. In this connection, sponsored does not mean given approval in a perfunctory way. The success of the Show has been due to the untiring work of these women and their vision in mapping out big plans for it. They have promoted it and put it over in a very successful way through their untiring efforts.

The Pure Food Show has become in Brownwood a great co-operative community movement, bringing the people together and presenting to the home folks as well as the outside world attractive illustrations of the city's assets. Exhibits by the merchants and business institutions generally, all attractively arranged, make up the big part of the show. In addition to this the entertainment program and special features afford an offering that none will want to miss.

Year by year the Pure Food Show has grown better, has offered more entertaining features and more enjoyable features, and this year will be no exception. Visiting the show and making a close study of the exhibits will be a good way to increase the pride and pleasure in living in Brownwood.

The promoters of the Pure Food Show look for a big attendance next week, and they have made up a program that promises that there shall be no disappointment for those attend. The spirit of co-operation and the enjoyment of good wholesome entertainment are two of the things that are fostered by this big annual event.

Prior to 1845 women's shoes were made without heels.

## Manufacturing Plants Supply Life Blood to City

There are a large number of manufacturing plants in Brownwood and their importance and value to the town can not be overestimated. They are to the city what the rich life blood in the arteries are to the human being. They give employment to hundreds of people and supply the means of livelihood and the comforts of life to many families.

The money distributed in payrolls goes more directly into circulation than that expended in any other way, and each dollar measures its value several times as it passes from the hands of one to another in the payment of various obligations and in the purchase of various commodities, before its circulation in the community is finally ended.

Brownwood has many manufacturing and industrial concerns; and with the advantages she has to offer she expects many more. The number has been increased by the opening of some big new plants within the last year, notably those of the Texas Brick and Tile Company and the Central Texas Refining Company. Others are in prospect. Among these are the creamery and milk products plant being constructed by J. L. Thomas, which is now nearing completion.

The brick plants, rock crushers and oil refinery in operation here, as well as other institutions that might be named, bring home to the

## Brown County School Board Holds Session

The Brown County School Board met in regular session in County Superintendent J. Oscar Swindle's office at the court house Monday afternoon. All members of the board were present. They were: G. W. McHan of the Jones Chapel community, president; Dr. A. M. Bowden of May, L. A. Nunn of Brooksmith, W. H. G. Chambers of Cross Cut and A. J. Newton of Thrifty.

Several petitions from various school districts of the county were presented to the board, asking for divisions of districts and transfer of lands from one district to another. All petitions were passed and will again be taken up for consideration at another meeting Wednesday of this week.

A resolution was passed requesting that the State Department of Education reimburse all rural schools for money being paid to independent school districts for high school pupils attending school in these independent districts.

Due to the fact that all election returns have not been received, no canvass of these returns could be made.

**DOGE BROTHERS  
PRODUCTION INCREASED  
25 PER CENT**

Shipments of motor cars and trucks from the plants of Dodge

Brothers in the United States and Canada during the first quarter this year totaled 60,387 units, according to preliminary figures. Compared with the first quarter last year, when 46,566 units were built, the gain in output is 13,821, or 29.7 per cent. The February shipments this year exceeded the January by 7,864 units, or 62.4 per cent, and March with an output of 25,895 units was 29.8 per cent ahead of

February. Compared with the corresponding month of 1927 February showed a gain of 25.9 per cent and March a gain of 102.8 per cent. Reports reaching the factory from dealers all over the country indicate a record-breaking spring buying season, according to John R. Lee, general sales manager. "Our April production will exceed the March figures of 26,895," said Mr. Lee. "And the introduction of the Standard Six at prices within the reach of millions has not only met with the public acclaim but stimulated interest in the Senior and Victory lines as well. From present indications, the April production record will exceed March by a wide margin."

**SEVEN CHILDREN DROWN**

VANCOUVER, B. C., April 19.—(AP)—Seven Japanese children were drowned in the Fraser River, south of here last night, when a fishing boat with four adults and 25 children came near to capsizing while on a short cruise. Thirteen of the children were thrown into the water but six of them were rescued. The bodies of the other seven were recovered. The victims ranged in age from 3 to 10 years.

**SCHROEDER OF BEAUTIFICATION  
COMMITTEE DISCUSSES LAWS**

HANS SCHROEDER, owner of the Brownwood Floral Company and chairman of the Civic Committee of the Chamber of Commerce, which is making a "beautification" campaign in this city, was interviewed Monday on the subject of "laws and their treatment." Mr. Schroeder said:

"One thing in particular that I want to stress is that the soil is the foundation and principle of a lawn, if this is neglected, there surely can be no lawn. After the soil has been well pulverized, mix with a good fertilizer, cow manure preferred and you have the beginning of a successful lawn," Mr. Schroeder said. "There is a habit among new-house owners, to put all old bricks, mortar, sand, building paper, tin and other rubbish right below the surface of the lawn with just a little soil spread on top. A successful lawn will never be had under these conditions. People should remember that although you may fool the human eye, you cannot fool plants."

Seed Selection "The selection of seed," is another vital factor in the making of a lawn, Mr. Schroeder explained.

"Various kinds of grass seed can be used in this part of the country, one is the Chicago Park Lawn Mixture, a combination of English and Italian rye, and Rutch clover, but the plain old Bermuda grass seems to make the most practical lawn grass here.

"The planting of the grass seed is simple, but many people make their most serious mistake in this stage of the preparations. Sow the seeds as evenly as possible, rake very lightly just enough to cover the seeds and then use a roller. If a roller cannot be secured use a shovel and pat the soil down evenly. After this is done it should be watered and kept moist for ten days, never allowing the top to become crusty.

"The last important stages of the raising of a successful lawn," Mr. Schroeder explained, "is the spraying and cutting of the grass. A lawn spray should always be used in spraying," he said. "The grass should be cut just as early as possible. The sooner the grass is cut after emerging, is all the better. Frequent cuttings will assure a beautiful lawn, if the other preparation have been gone about carefully."

fully," Mr. Schroeder concluded. The Civic Committee will answer questions of any individual concerning the proper method of growing trees, shrubs, and flowers, Mr. Schroeder said. Mr. Schroeder will be interviewed on "Bugs and Blight on Roses and How to Combat Them" next week.

"Dairy Improvements for Brown County Dairymen," was the topic of discussion at the first monthly meeting of the Brown County Dairy Association, at the Southern Hotel,

Monday night. Frank H. Sweet and Joe Shelton led the discussion and made short addresses. The organization, which was formed on March 29, will meet again on the third Monday of next month. It was voted at the initial meeting that all members of the organization should take turns in serving on the program committee. Two are selected at each meeting to arrange the program for the monthly session.

For more than twenty three years we have served this section of the country with ice made from pure distilled water, and from a very small beginning we have increased facilities and capacity—always keeping step with the progress of time—using only modern methods and machinery, until now we have one of the largest plants of this kind to be found any where in the South.

We invite you to call on us—and trust that we may be able to serve you even better in the future, with this one of the most essential products that is manufactured, and though you may not have given it thought, THE COST IS SO SMALL.

**Brownwood Ice & Fuel Co.**

# ICE AND FUEL CO. 23 YEARS STEADY GROWTH

The Brownwood Ice & Fuel Company began business here 23 years ago. The town has grown wonderfully since that time, and concern has kept constantly abreast of that

growth. It has not only kept step with the progress of the town and this section of the state, but has been along with other progressive industrial concerns and manufacturing institutions, a real factor in the general growth and development. The present year is one of marked expansion for the company, as a new 25-ton ice plant, at the corner of Coggin Avenue and Fifth Street, is now nearing completion. This is in addition to the main plant of the company on Austin Avenue. Modern machinery will be installed and the new plant will be in operation through this season.

### LINDY IS HAPPY

DETROIT, April 19.—(AP)—Col. Charles A. Lindbergh was in his own little paradise today and planned to make a field day of it. Arriving at Selfridge Field from St. Louis late yesterday to attend the All-American Aircraft Exposition, the flying colonel immediately set about inspecting the newest products of the industry and renewing acquaintance with hundreds of airmen here for the exposition.

### BANGS

Miss Tylene Seymore of John Tarleton College at Stephenville, spent the week-end with her parents, Mr. and Mrs. W. D. Seymore.

Mr. Payne returned Saturday from Vernon where he spent several days.

Miss Beatrice Russell is reported to be a victim of appendicitis at this time.

Floyd Williams and family of Brooksmith spent Sunday in the home of Mrs. Williams' parents, Mr. and Mrs. E. D. Sheffield.

Mrs. O. C. Reid and son returned from Junction Saturday, where they spent a week visiting relatives.

William Bruce and family of Brownwood spent Saturday night and Sunday in the home of Mrs. Bruce's sister, Mr. and Mrs. John Allison.

Thirty-two women gathered at the Baptist church Monday, some spending the day, others the afternoon. The whole day was spent in quilting quilts, four of them were finished, three others were begun and were finished on Tuesday. These to be distributed among those who were so unfortunate as to lose their household goods in the storm which recently passed through our locality.

One of the B. Y. P. U.'s of the Coggin Avenue Baptist church came over Sunday afternoon and rendered a very beautiful and interesting program at the Baptist church here. Each one on the program rendered their part well. We give them an invitation to come again.

Mrs. J. C. McClannahan was returned from the Plains country where she spent some time with relatives.

Mrs. W. A. Forman has returned from Talpa where she attended the bedside of Mr. Forman's mother.

Edgar Brooks of Eldorado attended the funeral of his cousin, Mrs. E. R. Martin, last Thursday.

W. W. Gilbert and family made a short visit in the home of his father, W. J. Gilbert, Monday.

Clara Russell of Ballinger was called home Monday on account of the illness of his daughter.

Vernon Brooks has returned to his home at Rankin after attending the funeral of his sister, Mrs. E. R. Martin.

Mr. and Mrs. Max Wilson of Coleman spent Sunday in the home of his parents. Mrs. Wilson and daughter remained for a week's visit.

Mrs. Lou Tweedle made an auto trip to Stephenville Sunday to accompany her niece, Miss Seymore, to learn of the death of Mrs. Roxie Martin Brooks, which occurred last Wednesday in Brownwood. Roxie as she was familiarly known in Bangs, was reared to young womanhood here, was an employee of the telephone company here, when she met the companion she had loved these ten years of wedlock. She has many friends here who extend love and sympathy to the sorrow-lorn ones in the last hour. The body was laid tenderly away in the Mukewater cemetery by the side of loved ones who have preceded her in death in years passed. Funeral services were conducted by Rev. O. C. Reid, pastor of the Baptist church here, and Rev. A. E. Prince, pastor of the First Baptist church in Brownwood.

Emmett Guthrie and wife of Salt Branch visited relatives here Tuesday.

Mrs. Hanks Conklin of Galveston attended the funeral of Mrs. E. R. Martin last Thursday.

The Parent-Teachers Association met in the school building, April 12th. The Texas History class, under the direction of Mrs. Roy Wedgeworth, rendered a very appropriate patriotic program. A flag drill, songs and reading carried out the facts of Texas history. Merle Matthews gave a beautiful piano solo. Mrs. Hise discussed the advisability of holding an old ladies' contest, May 2nd at the school auditorium. Those present favored the contest and hoped it would be a country-wide affair. The committee for nominating the officers for the ensuing year was appointed as follows: Mrs. Jeff Davis, Mrs. E. J. Ashcraft and Mrs. W. W. Pulliam.

There will be given a pie supper at the Concord school house Friday night, for the benefit of the subscription school which is being taught at that place.

Miss Virgie Mae Sheffield spent the week-end with relatives, near Brooksmith.

Mrs. Hattie Bennett has returned from Gorman where she spent some time with her daughter, Mrs. Alex Phillips.

Mr. and Mrs. Martin Guthrie of Winchell visited in the home of Mr. and Mrs. E. D. Sheffield Tuesday.

Mrs. Bill Yarbrough and sons, Louis M. and Ray E. Egan, visited relatives here Tuesday.

Tom Guthrie of Salt Branch was transacting business here Tuesday.

Mrs. Ellie Baker spent the week-end in Plainview of Coleman county visiting Mrs. Dallas Robinett and Mrs. R. E. Derusha.

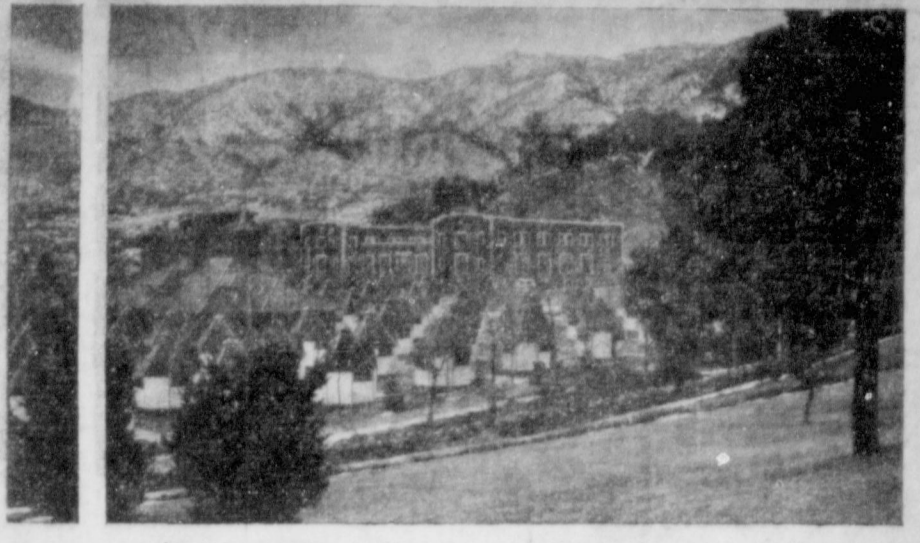

Ivan Conklin of Pampa visited his aunt, Mrs. Ellie Baker, Monday.

The Woman's Missionary Society of the Bangs Baptist church are glad to learn that Mrs. Emmett Smith of Brownwood is improving after a serious operation at the Central Texas Hospital. Mrs. Smith is president of the Baptist ladies' work of Brown county and her counsel will be missed until her recovery which everyone hopes for soon. She is remembered here as a niece of Mrs. W. L. Yarbrough.

Mrs. Guy Hill of Brownwood spent Tuesday with Mrs. W. T. Gibson.

### CHILDREN'S FATAL DISEASES

Worms and parasites on the intestines of children undermine health and so weaken their vitality that they are unable to resist the diseases so fatal to child life. The safe course is to give a few doses of White's Cream Vermifuge. It destroys and expels the worms without the slightest injury to the health or activity of the child. Price 45c. ## BIG ASSET TO BROWNWOOD IS COCO COLA CO.

A big asset to Brownwood as a manufacturing concern is the Coca Cola Bottling Company, located at 405 Hawkins Street, between Chandler and Anderson Streets. This company, under the management of Hugh Latham, assisted by J. Claude Smith, has one of the well established and modern manufacturing plants of the city.

The world-known beverage is made in the Brownwood plant in accordance with the highest standards of its manufacture. Cleanliness and purity of ingredients are watchwords in the process. The modern machinery is such that practically no handling by hand is necessary, and the product is turned out under the most sanitary conditions. The ingredients are mixed with a mechanical precision that insures a perfect blending.

The Brownwood Coca Cola Bottling Company serves a large territory, having a big patronage from many of the surrounding counties.

**Nights Rest Disturbed** is Nature's Way of Telling You "Danger Ahead." A Healthy Bladder Does Not Act at Night.  
Mrs. J. W. Wadsworth, 1412 South East St., Bloomington, Ill., says in her own home paper, the Bloomington Pantagraph: "Lithiated Buchu tablets relieved me of bladder weakness. Was disturbed 25 to 30 times a night. I feel I am well. I tried many treatments, submitted to operation and such tortures in one week after taking Lithiated Buchu I would notice improvement. I will be glad to tell or write of my experience."  
Lithiated Buchu is not a patent medicine. The formula is on the bottle. It cleanses the bladder as soon as it goes to the bowels. The tablets cost so much at all drug stores. Keller Laboratory, Mechanicsburg, Ohio. Local agents at Camp-Bell Drug Co. 162N

### Gangsters Attack Capone's Pal, Believed Unhurt

CHICAGO, April 18.—(AP)—Gangsters went gunning again for Jack McGurn, northside feudist and reputed former aide of Al (Scarface) Capone, but police today believed

he has escaped unscathed. An anonymous phone call informed police that "there's a big machine gun battle over here" an address on the near southwest side being given. Investigators found a large sedan, peppered with machine gun bullets. The door at the driver's seat was almost shot away. The hood and radiator also were damaged. The license had been issued to McGurn.

## CITY PLANNING EXPERT WANTED

The advisability of having a city-planning engineer come to Brownwood and zone the city in a systematic manner, will be discussed at city council meeting next Tuesday night, when the Chamber of Commerce committee and the civic committee meet joint before that body. This was decided at the semi-monthly meeting of the civic committee at the Graham hotel Wednesday.

The civic committee cannot function intelligently and efficiently without a city plan, it was declared at the meeting. A city plan would provide restricted zones in Brownwood in which residences and factories would be apart, it was said. Members of the committee stated that it was impossible for the body to endeavor to "beautify" Brownwood, when there were no restriction zones.

It was pointed out at the meeting

that "Brownwood must get busy, if it expects to stay in competition with other cities of Central Texas." "A business man looking for a town in which to locate his business and in which to build his home, will not go to a city that hints of unprogressiveness," members declared.

The awning committee, a sub-committee of the civic body, reported today that it was meeting with great success in its efforts to have antiquated wooden awnings removed from the front of business houses.

It has been reported to the civic committee that flowers, young trees and shrubbery is repeatedly being stolen from various city property. The committee stated that they would make an appeal that this practice be stopped, and if this did not stop the ravages, further and more drastic action would be taken.

## RICHARDSON NO. 2 SHOWING IN RANGER LIME

The Ditto Oil Interests No. 2 Richardson, about four miles west of town, was shot Tuesday night with 90 quarts of nitro in the Ranger lime at 1,793-1,818 feet, and is believed to have a good chance of making a well, the hole bridged about 50 feet up after the shot, and is now cleaning out. The well bailed about 25 barrels of oil yesterday, reports from it state.

Mrs. J. A. Walker is in Washington attending the Associate Council of the National Society United States Daughters of 1812 this week. Mrs. Walker is a delegate from the William Ramey Chapter Daughters of 1812. During the council the delegates will be received by President Coolidge and will make a pilgrimage to scenes of battles fought in the War of 1812, fought to establish this nation's claim for an open sea. The delegates will have the opportunity of listening to a well-arranged program of speakers, consisting of cabinet members, United States senators and heads of army and navy.

## WHERE 41 DIED IN DANCE HALL EXPLOSION

In this wreckage of a garage and dance hall at West Plains, Missouri, the bodies of 41 persons were found after an explosion which destroyed the building. Police say gasoline in the garage below the dance hall exploded. Workmen are shown searching for more bodies in the ruins.

## CONFESSES HALL, MILLS MURDERS

EL RENO, Oklahoma, April 18.—(P)—A confession to the famous Hall-Mills murders in New Jersey was obtained from Elwin F. Allen, held here on a burglary charge, it was announced today by T. C. Shacklett, sheriff of Canadian county, Oklahoma.

Allen, who recently was brought here from the Oklahoma penitentiary at McAlester to face a burglary charge, said that after shooting the couple whose death has been a mystery for nearly six years, he smoked a couple of cigarettes before taking the bodies to the spot where they were found.

## LOCAL PLANT HANDLES TEN CARS PECANS

Ten cars of pecans have been handled in Brownwood this season by the Ramey Pecan Company. The present season, as measured by operations at the Ramey plant, extends from last August to the present time and is not confined to the short period of gathering the pecan crop that is regarded as the pecan season by the ordinary person.

The operation of the Brownwood plant during this eight or nine months has meant the distribution of over \$100,000 here for pecans and labor, over half the amount being paid directly to people of this community for labor. Last week, nearing the end of the season, the number employed in the pecan shelling room was between 50 and 60. Most of the time the number has been from 100 to 110, and sometimes above the latter number.

Allen is about 28 years old and a citizen of Mexico. The confession said that Allen held up the Rev. Edward Hall and Mrs. Eleanor Mills as they sat in an automobile parked along the highway and shot them after driving into a corn field. He said he arranged the bodies side by side in plum lane. The New Jersey spot in which the bodies were found, is called Derusey's lane.

Allen, who recently was brought here from the Oklahoma penitentiary at McAlester to face a burglary charge, said that after shooting the couple whose death has been a mystery for nearly six years, he smoked a couple of cigarettes before taking the bodies to the spot where they were found.

Allen has had a long criminal record in Connecticut, Texas and Oklahoma.

Under the name of Elmer Allen, he served two terms in the Connecticut State reformatory from 1911 to 1918. He served a sentence at Dallas, Texas, also, records of the state bureau of criminal identification and investigation at Oklahoma City, show. This sentence was served under the name of Edwin Franklin Allen.

## FAVOR PRO LAW CORSIKANA, TEX. APRIL 19.—(P)—The state Baptist Sunday school convention today stood committed to the endorsement of the eighteenth amendment and opposition to any candidate for the presidency who does not stand for its enforcement.

A resolution to this effect was adopted unanimously at the session last night.

Mr. and Mrs. Floyd C. London of Erice, Texas, announce the birth of a son, Billy Charles, born to them April 9. Mrs. London will be remembered as Miss Bessie Steed, who has visited friends and relatives here quite often in the past.

COLEMAN, April 18.—Drilling one foot deeper into the sand at 2,074 feet in the Roth & Faurst No. 2 W. J. Stevens in the Coleman County School Lands No. 57, started the well producing 2,500,000 cubic feet of gas and will likely be completed at that depth to be used in operating the lease there on which there is one producer pumping more than 100 barrels.

The shot long awaited in the No. 2 Sealy & Smith test, two miles north of Valera was set off Wednesday afternoon by Roth & Faurst in the deep sand at 2,916-37 feet, but the gusher production anticipated by many failed to materialize; however, the hole likely bridged over and the well is expected to open a new oil pool in that section when finally completed.

With the completion of the No. 2 Sealy & Smith the tools from that test will be moved to the No. 1 J. T. Nixon location 330 feet from the north line and 330 feet from the east line of section 50, G. H. & H. survey which is the adjoining tract to the west of the No. 2 Sealy & Smith.

Prior to the time of the shot in the No. 2 Sealy & Smith the well had been producing around 60-70 barrels daily, retarded by the heavy load of several hundred feet of crude oil. The No. 3 Sealy & Smith, east of the No. 1 Sealy & Smith which is a 10,000,000 cubic foot gasser is drilling and will likely reach the pay level in one of the two wells during the following month.

## "CORN" IS SEIZED CORSIKANA, TEX. APRIL 19.—(P)—One of the largest liquor hauls in recent years was made here today when the sheriff's department confiscated more than 200 gallons of corn whiskey on a highway after the truck in which it was being transported broke down. Virgil Williamson was released on \$750 bond following filing of a charge of violation of prohibition laws.

## WATER SOURCE PROBE SLATED

An inspection of water sources in the northern part of Brown county, to determine whether or not these streams are polluted and unsanitary, will be made just as soon as a representative of the State Sanitary Department of Austin, arrives. It was announced today by Thomas B. Bailey, city health doctor.

A probe into alleged unsanitary conditions existing in the numerous oil camps in the county, is also to be made, Dr. Bailey said. If the inspection proves that the streams are polluted and of unsanitary conditions, rigid laws will be enforced compelling extreme health measures be taken by individual living near the streams, to prevent it from further contamination, it was said.
