

# MUENSTER ENTERPRISE

VOLUME XVI

MUENSTER, COOKE COUNTY, TEXAS,

SEPT. 5 1952

NO. 42

It's beginning to look as though Muenster has just entered a new era, educationally speaking, that is.

More than a dozen youngsters are attending college, several are attending nurses' schools, and several more are attending convents and seminaries. In round figures the total of boys and girls continuing study after high school in one field or another comes to about 25. That's fine. And it's also a fine average for a community the size of ours.

But that isn't all. High school enrollment too has been growing steadily in recent years. Attendance at the two local high schools has passed the 150 mark. Not so very long ago the combined enrollment was less than 100... at a time when the community population was very little smaller than it is now. The gratifying fact is that people of Muenster are showing much more interest in higher learning.

We could mention also that most of these youngsters are making a sacrifice in going on with their studies... not only in the cost of attending school but also in passing up good paying jobs. There are teen agers around here getting big wages and most of the students could be doing the same. So they are entitled to credit for good judgment in their decisions. In just a few years they'll be qualified to do better for themselves and their community.

As a result of all this the column predicts that Muenster will fare better in years to come. Statistics gathered from the greater part of North Texas reveal that the counties with larger percentages of college and high school graduates are enjoying the greater measure of prosperity. The reason is obvious. Assuming that two persons are equal in thrift, diligence and other qualities that make up a successful life, the one with a better trained mind has that much advantage. It's as simple as that.

At times we are reminded that a certain man has done remarkably well in spite of not having gone far in school. Usually, however, that very person will say he could have done better with an education. The important point is that whether a fellow is a go getter or an ordinary guy he stands a chance of living better if he will go through school.

While realizing that education is a good deal, let's not minimize the prospects of other fellows who for some reason do not continue in school. Perhaps they are not financially able to go on. Perhaps they are just reluctant to quit good jobs. Though they are starting with a handicap they still have fine opportunities ahead. The man who puts his best efforts in his work and studies constantly on ways to improve it is getting an education just as surely as the one who sits in a classroom.

A convenient example for that point is the experience of one of Muenster's native sons. Al Swirczynski started as an electrician's helper. Next he got into refrigeration work, then shifted to air conditioning. All the way along the line he put his best efforts in his work and studied his subject intensively at home on his own time. Today he is an authority on air conditioning engineering. His job is to design and supervise construction of air conditioning plants in multi-million dollar buildings. His is a notable success story because he was willing to put in more than the average of work and study on his subject.

The important point is that education counts, regardless of whether it is acquired at school or at home. Young people who keep that in mind, and work at it, are the ones most likely to accomplish things for themselves and their community. So, best wishes to all our students. Best wishes, too, to the fellows who continue their studies at home.

Mr. and Mrs. Albert Stoffels and children visited her parents, the John Slatons and son, John, in Fort Worth Sunday and Monday.

## Heat Wave Broken; Drought Hangs On

At last Muenster has relief from the record heat wave which passed the 100 mark every day for more than a month. A welcome cool front rode in late on Labor Day, plunged the mercury down to the high fifties and has maintained a delightful temperature since.

In another respect, however, the weather remains disappointing. There still is no relief from the drought that has been hanging on since May. Official weather bureau records kept by Steve Moster show only .48 inch of rain for August, 1.53 for July and .35 for June.

Up to now this is the driest year here since 1946 when the permanent record was started. Rainfall to date totals only 17.1 inches. In 1948, the driest year on record, moisture up to September 1 was slightly more than 20 inches.

## Henrietta Hi Team Comes Here Friday For Practice Game

This community will have its first taste of 1952 football Friday night when the Muenster and Henrietta Hi teams meet on the local field.

Officially it will be only a practice game. Coaches will be with their boys, there will be no officials and the ball will change sides according to the coaches' agreement instead of the usual rules. But it may turn out to be a good contest just the same. Local boys could enjoy beating their former coach, Doyle Hood, and Hood would be just as pleased to see his new charges outplay his former proteges.

The first game on the Hornet schedule is Friday, Sept. 12 at Whitesboro.

## Lions Hold Future Meetings at Night

For a while, at least, the Lions Club meetings will be held at night. The time is each first and third Tuesday, the place is the homemaking department.

That decision was reached last Tuesday night when Superintendent Weldon Cowan disclosed that noon lunches would interfere with classwork in the homemaking department.

A membership vote revealed that a majority preferred the evening meal and meeting and PTA ladies said they would continue preparing the meal. The time was advanced to 6:30 so that members can get away in time for other activities when they fall on the same night.

## WITH THE MEN IN SERVICE

Pvt. Anton Hess has reached his overseas destination and is on duty at Ladd AFB, Fairbanks, Alaska, according to word received by his parents, Mr. and Mrs. J. W. Hess Wednesday. His address is: Pvt. Anton U. Hess, ER 54,021, 303; K Co., 4th Inf. Regt.; A.P.O. 731, c-o P. M.; Seattle, Wash.

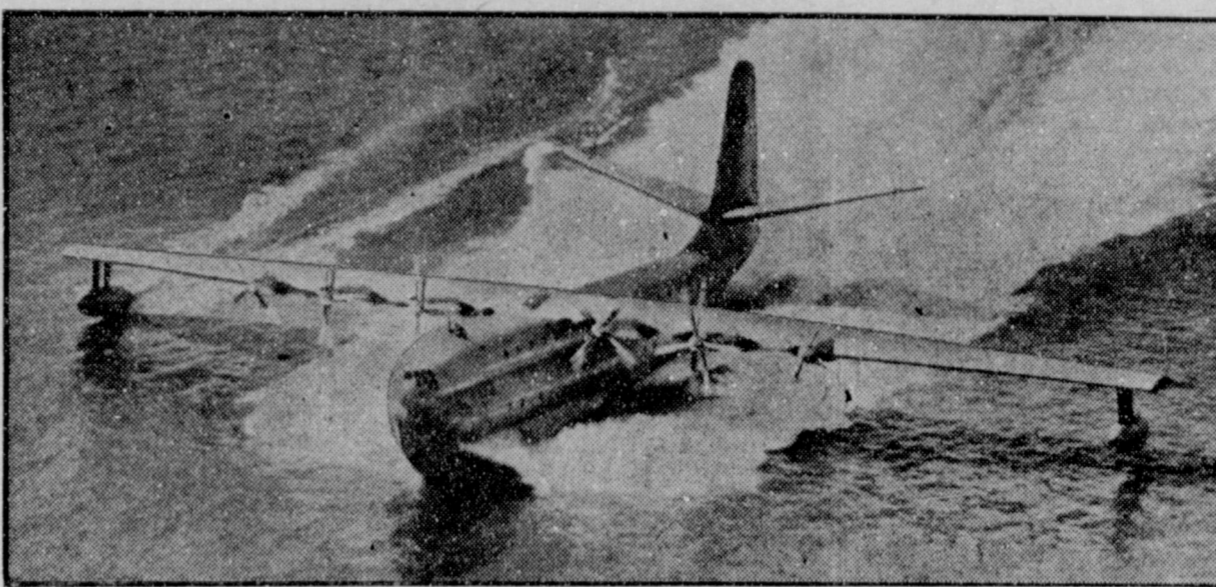

Mike Luke, airman second class, arrived Saturday from Kirtland AFB, N. M., to spend a holiday leave with his parents, the Henry Lukes and family. Mike and his brother, Sgt. Paul Luke, at home on leave after serving in Korea, hadn't seen each other in 18 months.

Joe Moster and Bernard Luke arrived Saturday to spend the weekend and Labor Day with homefolks. They will leave Corpus Christi this week for new assignments at the Naval Air Base in Hutchison, Kansas.

Sgt. Jack Janicki arrived this week from Georgia to spend a 60-day overseas leave with his family. The Janickis are at home in the house recently vacated by the Lee Voths.

Pvt. Ted Noggler of Fort Huachuca, Ariz., had a holiday leave to spend with his mother, Mrs. Susie Noggler and family.

Sgt. Alfons Koesler of Fort Sill, Okla., had a weekend and Labor Day leave to spend with his parents and family. He returned to duty Tuesday.

**TAKING TAXI-TESTS**—Britain's giant flying boat, Princess, is seen above in the midst of taking test runs off the Isle of Wight. Thunder of the 10 Proteus prop-jet engines was reported heard several miles away as the big ship circled the island in test flights. Weighing 140 tons, she has a wing span of 219 feet, is 148 feet long.

## Stolen FMA Truck Found Near Wichita

Somebody got a free ride in the FMA Store's panel delivery truck early Tuesday morning, but the FMA is paying dearly for its unintended hospitality. The cost of that ride will be the price of a new motor.

Stolen some time after 1:15 a.m. the vehicle was recovered shortly after noon beside the highway about five miles east of Wichita Falls. Pistons were frozen and the machine had no oil nor water. Rudy Hellman said the truck, an old model, apparently had been driven at a high speed and could not take it. Rudy and a companion pulled it home behind his car.

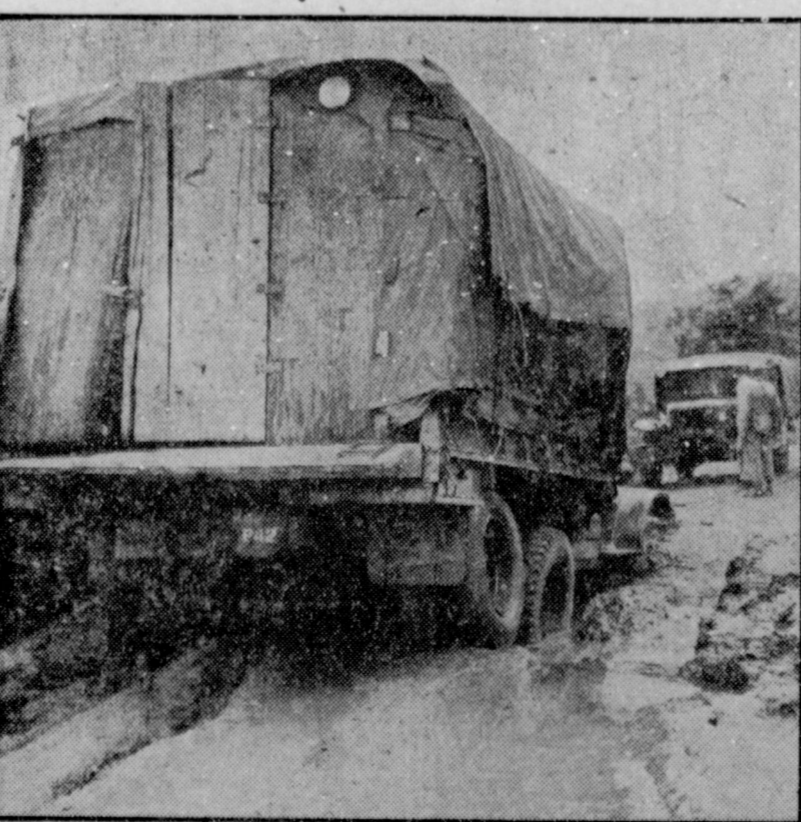

The theft was discovered about 7 Tuesday morning and was reported promptly to the highway patrol. About 11 a salesman, when told of the theft, said he saw the truck beside the road as he came out of Wichita. Said he thought it was out of gas and thought no more of it.

## Misses Gehrig and Hellman Graduate From Nurse's School

Miss Emma Lou Gehrig and Miss Doris Hellman received their nurses diplomas Sunday in graduation exercises for students of Nursing in Dallas. The commencement exercises were held in Sacred Heart Cathedral at 4:30. A reception for graduates and their guests followed in the nurses' home.

Attending from Muenster were Mrs. Catherine Gehrig and Mr. and Mrs. Clarence Hellman, parents of the Muenster graduates, and Mrs. Ben Hellman, Mary Nell Hellman, Rita Cain, Margaret Myrick, Mrs. Al Eberhart, Mrs. Charlie Hellman, Arthur Hess, Monte Hellman, Johnny Rohmer and Mr. and Mrs. Joe Fette.

The girls accompanied their parents home for a several days' visit.

**RED CLUNKER**—Captured by United Nations forces in Korea, this Russian-made truck boggs down in a mud hole. When G.I.'s put it into service the Red clunker broke down under the strain of heavy duty. It just couldn't take the punishment that American trucks are built to endure.

## Saturday, Sept. 20 Set for Clean-Up

Saturday, September 20, will be clean-up day in Muenster. The Civic League and Garden Club, which is sponsoring the clean-up, made the announcement this week to allow ample time for residents to gather their rubbish and package it for pickup.

Boy scouts on a truck will tour the town picking up the junk in boxes or bags at the curb.

People are reminded to burn whatever they can and package only the non-burnable trash for the truck.

## News of Sick And Injured

David, 13-year-old son of Mr. and Mrs. Alfons Walterscheid is recovering normally from an operation for appendicitis performed Saturday night at Gainesville Sanitarium.

Mrs. John Felderhoff, who underwent major surgery at Gainesville Sanitarium on Aug. 18, returned home Saturday afternoon but re-entered the hospital Monday morning after spending a restless and uncomfortable night and day.

Dale Wilde, 7-year-old polio patient, is making progress toward recovery, according to word from his mother, Mrs. Richard Wilde, who is staying in Dallas while the boy is confined to Parkland Hospital. She advised that his fever broke Saturday and that he is not paralyzed. He is still in isolation but if his progress continues his mother can visit with him this weekend.

Mrs. Henry Huchton received medical care at Gainesville Sanitarium this week and has returned home.

Mr. and Mrs. Leonard Hartman, Miss Dorothy Hartman, and Virgil Walter, left Monday morning on a vacation trip to New Mexico and other places of interest. They plan to be away about 10 days.

## Equalization Board Arranges Busy Day

Indications are that the city's tax equalization board, composed of J. H. Otto, Charles Wimmer and I. A. Schoech, has arranged a busy day for itself on Saturday, Sept. 6. There's even a chance that it will have business to carry over to another day.

The board sent out about 185 notices of changes in assessments. In most cases the notices applied to property that had not been rendered by the owner or had been rendered at a value lower than last year's valuation.

Persons not pleased with their revised assessments are invited to see the board Saturday. It will be in session from 8 to 5 at the city hall.

## Wells Transfers to Denton SCS Office

Clyde Wells, district conservationist of the Upper Elm Red Soil Conservation District for the past 3½ years, has been promoted to the position of area conservationist in charge of SCS activity over four districts with headquarters at Denton. His transfer became effective September 1.

He is succeeded by R. H. Goodnight former conservationist of the Upper West Fork District with headquarters at Jacksboro. Goodnight comes to Gainesville as area conservationist in charge of the Upper Elm-Red district along with his former district.

The changes were made in accordance with organizational changes in the SCS grouping districts into areas and assigning larger territories to the conservationists. There are no more district conservationists.

Wells leaves the Elm-Red district after taking part in 3½ years of notable conservation progress. He has seen large increases in the number of terraces and waterways and in the acreage of cover crops. The past year's vetch seed harvest in the district amounted to more than 1.5 million pounds.

Wells also was active in organizing the district bankers conservation group which set the pattern for similar organizations in other districts of the state. He also organized a district group of newspapers and radio stations to help promote conservation.

A native of Stephenville and a graduate of A & M, Wells has been in the Soil Conservation Service for 9½ years. His new assignment includes the Denton-Wise, Collin, Fannin and Upper Sabine Districts. He is in charge of ten local work units and three land utilization projects. The latter are federally sponsored projects to reclaim worn out land, all work being handled by the SCS.

## Local 4-H Boys Win Fair Prizes on Pigs

Three Muenster 4-H Club boys had winning pigs in the county's annual Sears Foundation show held at Gainesville Saturday.

Ernest Bayer's registered Duroc gilt was third place winner and earned a six dollar prize for her owner. Ray and Richard Zimmerer's registered Duroc gilt placed fifth for four dollars in prize money.

## Muenster Schools Gain 42; Combined Enrollment is 654

Scholastic enrollment at the two Muenster schools made another substantial increase this year with a combined total of 654 as compared with 612 at last year's opening.

Of that total 488 are in the parochial school and 166 are in the public school, an increase of 23 in the parochial school and 19 in the public school.

A further breakdown of figures reveals an increase in each department of the two schools. Parochial enrollment rose from 57 to 66 in the high school and from 408 to 422 in the grades. Public school enrollment rose from 77 to 90 in high school and from 70 to 76 in the grades.

As before, students of both schools are using facilities of the lunch room.

## Veterans and Knights Play Wednesday in Benefit Ball Game

One good game deserves another, and so another unorthodox ball game is on schedule as a benefit for the community band instrument fund.

Before the Town-Country classic ended last week a VFW member reckoned that the veterans could beat anybody around and J. P. Flusche took up the challenge in the name of the Knights of Columbus. The Vets are even willing to let the Knights run in a few ringers in case they need help.

The game will be played Wednesday night of next week. Lions will be collecting for the game and will also run the refreshment concessions.

The probable starting line up for the Knights includes Jigger Joe Trachta as pitcher and John Fisher, J. M. Weinzapfel, Herbert Meurer, Bruno Fleitman, Ben Seyler, Albert Dangelmayr, Victor Hartman and J. J. Wimmer.

Probable starters for the Veterans are Leo Felderhoff, Wilfred Walterscheid, Handsome Walterscheid, Art Felderhoff, F. A. Wiese, Alphonse Felderhoff, Leo Lawson, Starling Lawson and Walter Becker.

## Building And Improvement Notes

The old frame building which served as Muenster's public school until three years ago is going to the wrecking bar.

The first part of the building, constructed in 1900 consisted of two rooms. As a result of community growth and consolidations additions were made as needed until the plant consisted of six rooms in the main building and a separate building.

Some of the materials salvaged from the school are to be used in an annex to be built soon at the south side of the Tractor Sales and Service building.

Other building in town consists of one new home and one remodeling job. The new house, for J. C. Embry Jr. is a 2-bedroom house with garage attached. It is in the northeast part of town, adjoining Earle Otto's.

The remodeling job is at Mrs. Hank Walterscheid's. It consists of converting the present garage into a room, adding another room and a carport.

## SCHEDULE OF COMING EVENTS

MONDAY, Sept. 8, Civic League and Garden Club meeting, Mrs. Steve Moster's home, 8 p.m.

MONDAY, Sept. 8, VFW Auxiliary meeting, VFW Club, 8 p.m. TUESDAY, Sept. 9, VFW Meeting.

WEDNESDAY, Sept. 10, Band benefit ball game. Veterans vs Knights.

THURSDAY, Sept. 11, Quarterly NCCW meeting, MHS Auditorium, 2 p.m.

**Local News BRIEFS**

Hugh "Cotton" Jackson, manager of Tractor Sales and Service, the local Ford tractor and Dearborn farm equipment agency, since its beginning about two years ago, resigned last week to return to a former job at Fort Worth. Bill Drozd, former service man will succeed Cotton as manager of the firm.

Mr and Mrs. Carl Herr of Pilot Point visited here Sunday with his mother, Mrs. Fred Herr and family. They made the trip in their new Pontiac.

Mrs. T. S. Myrick drove to Robstown Thursday to move her son, John and his wife, to Austin, preparatory to the opening of the fall term at Texas University where John will continue his college work. They will be at home at 618 Red River, Apt. G, after Sept. 15. Until then they are visiting here and in Gainesville with relatives.

Mr. and Mrs. Joe Luke drove to Fort Worth Tuesday evening to make the acquaintance of their new granddaughter, the infant daughter of Mr. and Mrs. Norman Luke who arrived Tuesday afternoon. Karen, the Lukes' older daughter accompanied her grandparents home for a visit.

Mr. and Mrs. Bill Derichsweiler and family spent Sunday in Holliday with their son-in-law and daughter, Mr. and Mrs. Bill Crow and infant daughter, Rebecca Jean, in the home of Mr. and Mrs. Jim Crow where they were dinner and supper guests. In the evening they took the baby to Windthorst for its christening. Father Francis officiated in St. Mary's church assisted by the maternal grandparents, Mr. and Mrs. Derichsweiler, as sponsors.

Dr. and Mrs. T. S. Myrick, Mr. and Mrs. John Myrick and C. J. Hellman attended the Nocona rodeo Monday.

The Werner Henscheids of Umbarger spent the weekend and Labor Day here with his father, William Henscheid, his sister, Mrs. Walter Klement, and other relatives.

**LEAP FROM A HEAP**—Leaping for his life, Jim Merrell, of Greenville, S. C., clears his wrecked stock car just as it rolls over during a race at Lakewood Speedway in Atlanta, Ga. Acrobatic Jim tried to avoid hitting a stalled car when he was struck from behind and bowled over.

**State Fair Books Martin and Lewis**

The State Fair of Texas is bracing itself for 16 days of bedlam, Oct. 4 through Oct. 19, when the comedy team of Dean Martin and Jerry Lewis bring their inimitable brand of lunacy to the State Fair Auditorium.

The two zanies, who catapulted from obscurity to the top attraction in show business in three short years, promise something new in idiocy for State Fair visitors. Joining forces as a team, they threw the rule book out the window, insulted customers, ran through audiences in their underwear and, in short, created bedlam. After leaving eastern nightclubs in shambles, the two madcaps descended on Hollywood and that city, accustomed to unusual and bizarre

antics, is still reeling from the stunts of the twin cyclones.

When bent on entertaining an audience nothing is spared. Props are demolished, the cast is knocked from the stage, clothing is generally left in shreds, and after the customers leave, exhausted from laughter, the vitamin kids are apt to do a complete show in the lobby of the theater.

Mail orders for the mammoth Martin and Lewis show will open Sept. 1.

**Corn Corner**

One of our agricultural friends writes to tell us that Fibber McGee describes a "farm" as a four letter word meaning a hunk of land that if you get up early enough mornings and work at it late enough nights, it'll make you a fortune—if you strike oil on it.

**Dixie Drug Store**

Muenster, Texas

Visiting Jim Walker and his mother, Mrs. Ada Walker, for the weekend and Monday were the Ambrose Walkers and daughter and the C. W. Corleys and three children of Fort Worth, the Bill Dunsworths and Stephen Nockols of Cleburne. Mrs. Ambrose Walker remained to spend a week with Mrs. Ada Walker who is still confined to bed on account of illness.

Lt. and Mrs. Bill Eberhart and sons, and his sister, Mrs. Eddie Krahl, of Camp Hood spent the weekend and Monday here with his parents, the Ed Eberharts and other relatives. Sunday they were joined by the Bill Flusches and family of Lindsay on a picnic at Lake Murray. Mrs. Krahl is spending several weeks with the Eberharts at Camp Hood.

Miss Marilyn Gremminger is on an annual two-week vacation from her work at Sheppard AFB in Wichita Falls. She is the guest of her parents, the Ted Gremmingers.

Mrs. John Chandler and daughters, Kay and Carol, of Dallas came to Muenster Saturday to bring her aunt, Miss Annie Hellman back home after a visit in Dallas with the Chandlers and another niece, Mrs. Eddie Hart and family. Mrs. Chandler and daughters returned home Sunday.

Charlie Schmitt and daughter, Juanita, and nieces Ruth and Jeanette Fisher, left Wednesday afternoon for Walla Walla, Washington for a visit with Ethel Schmitt. They will visit other relatives in Washington before leaving Ruth at Gozaga University in Spokane where she will continue her college work. She will be a senior. Jeanette Fisher will enter OLV College at Fort Worth when classes open.

The Stan Yostens and son, Jimmy, of Fort Worth, spent the holiday weekend here with their parents, the T. Millers and Mrs. Bob Yosten.

Mr. and Mrs. W. L. Scoggins and son, Harry, and Lillian, Evelyn, Norma and Virginia Vogel and Anna Grace Herr were on an outing at Lake Texoma Sunday.

Sunday guests of Mr. and Mrs. R. J. Samples were his nephew, Manus Samples and wife and their son of Tumball, near Houston. They had been visiting her parents, the Armstrongs, at Nocona.

Mr. and Mrs. Clarence Owens and children who are now making their home in Jacksboro spent Labor Day here with relatives and attended the parish picnic.

**PTA OFFICERS ENTERTAIN TEACHERS AND TRUSTEES**

Officers of the Muenster PTA and members of the school board met and visited with teachers of the public school Monday night on the terrace adjoining the library.

It was a get acquainted party sponsored by PTA officers to honor new members of the faculty.

**RETURN FROM TRIP**

The John Kathmans and daughter, Anselma, and the Alois Haverkamps returned Friday from a 2500-mile trip that took them through ten states for sight-seeing and visits with relatives in Kansas, Missouri and Kentucky. In Gower, Mo., they visited Fred Spaeth, Mrs. Haverkamp's uncle, and in Kansas and Kentucky they visited relatives of the Haverkamp families. Other states on the tour were Texas, Oklahoma, Nebraska, Illinois, Indiana, Tennessee and Arkansas.

A GOOD BANK TO BE WITH

Mr. and Mrs. Al Horn were hosts for a dinner party Sunday at noon. Present were Mr. and Mrs. John Schmitz of Dallas, the Martin Theimers of Oklahoma City, Mr. and Mrs. Freddie Schmitz and sons, Buster and Mike of Gainesville, Mrs. J. S. Horn and the Ray Wildes and children, Danny, Janice and Joan.

### Local News BRIEFS

Mr. and Mrs. Clarence Albers and sons of Dallas visited relatives here on Labor Day and were among those attending the parish picnic.

Mr. and Mrs. Henry Koelzer of Fort Worth spent the holiday weekend as guests in the home of Mr. and Mrs. Joe Henry Walterscheid.

The Charlie Stelzers of Fort Worth drove to Muenster in their new Chevrolet for a Labor Day visit with relatives and friends.

Mrs. William Bergman returned Friday from a two-week vacation visit with her daughters and son and other relatives in Oklahoma City and Kansas City. In Oklahoma City she visited her daughter, Sister Beatrice and an old friend, Joe Wilp who is still in a hospital with a broken leg. In Kansas City she was the guest of her son, Joe Bergman and her daughter, Mrs. Bernard Knoff.

Guests in the Earl Robison home during the week were Mrs. Robison's mother, Mrs. Mattie Davison of Gainesville and her aunt, Mrs. Jim Germany of Nocona.

Mr. and Mrs. Paul Nieball and Billy spent the weekend in Marlin, Waco and Dallas. In Dallas they were joined by their granddaughter, Patsy Nieball, who accompanied them home for a several days' visit.

Miss Dolores Gremminger began work Monday in Fort Worth at the Universal CIT Finance Corp. She is living at Saint Anne's Club. Miss Gremminger was formerly employed at the Tractor Sales and Service here.

Messrs. and Mmes. Urban Endres and Francis Wiese returned Monday from a 10-day trip to places of interest in New Mexico and Colorado.

Guests in the August Hyman home during the weekend were Mr. and Mrs. Guy Giles and sons of Wichita Falls and the Ruel Hymans and daughter of Denton.

Adolph Herr of Wilson, Okla., joined old friends for a visit at the parish picnic Monday.

Mr. and Mrs. Cletus Hoedebeck and family of Dallas visited his parents and other relatives here and members of her family in Gainesville during the Labor Day weekend.

Mr. and Mrs. Tony Hacker and children have moved to Valley View to make their home on a farm. His father Frank Hacker who had been living on the Valley View farm moved to Muenster to occupy the place they vacated. Mrs. Tony Hacker's mother, Mrs. Joe Prescher of Scotland is with them for a visit.

Mr. and Mrs. C. W. Monaghan and children of Dallas were here Saturday through Monday as guests of her sisters, Mmes. Tony Wimmer and Bernard Wolf and their families.

The Gid Prathers had as guests Monday and Tuesday, the E. U. Finchers and sons Billy and Frank of Quannah, and the Finchers' daughter and husband, the J. W. Caveners of Eldorado, Okla.

The H. J. Terrys, their son H. J. Jr. and wife, were in Ryan, Okla., Sunday to attend funeral services for a friend, Sam Harris.

The L. L. Picketts of Bulcher visited his uncle and aunt, the Cash Picketts in Ardmore Sunday and stopped at Healdton enroute home for a visit with the L. E. Mangels and D. Pattersons.

The Dexter Dowds are making improvements at their grocery store in Bulcher. New paint, rearrangement of merchandise and the addition of a new meat counter are on the improvement program.

The Bulcher Home Demonstration Club's booth at the County Fair was one of the blue ribbon winners of the show.

Oscar Walter took his son, Rodney, and Jerry Fuhrmann to Subiaco Sunday. The boys will be students at school there. Accompanying them on the trip were Joe Walter and son, Johnny, of Gainesville.

The W. S. Cannons of Nacogdoches spent several days of the week visiting his brothers and sisters while their aunt, Mrs. W. M. Cannon and family of Seneca, S. C., were in Bulcher.

Jim Cook spent the Labor Day weekend in Duncan, Okla., visiting relatives.

Miss Betty Lue Buckley, Miss Jeanette Meurer and Bill Fuhrman left Tuesday on the 6 p.m. train for Saint Louis where Betty and Bill will resume their studies at St. Louis University on Sept. 15. Jeanette will be Betty's guest for a week. She will attend Texas Tech this year.

Pat Hennigan attended a Seabee reunion at Possum Kingdom Sunday.

The Charlie Hymans of Shamrock spent Wednesday through Friday in Bulcher with the Ed Montgomerys, Aunt Mollie Montgomery and the A. Hymans.

Several changes in personnel at the FMA Store went into effect on Sept. 1. Mrs. Henry Felderhoff, bookkeeper-clerk, resigned and Miss Ethel Mae Bayer moved up to that position. At the same time Lawrence Dankesreiter Jr. joined the staff as clerk, and Bill Kathman shifted from the plant to the store in the meat department where Herbie Herr worked before he quit to work for the REA. One more clerk will be hired later to replace Willard Hartman when he leaves for college.

### GARDEN CLUB TO HEAR BOOK REVIEW MONDAY

Muenster Civic League and Garden Club will meet Monday, Sept. 8, in the home of Mrs. Steve Moster, president of the organization. This will be the first meeting of the new season, the club having been disbanded during the summer months.

The program will feature a book review, and a talk on "Roses of Recent Introduction".

Miss Mary Catherine Anderson of Gainesville will give a review of the book, "The Emperor's Physician". Mrs. Nick Miller is to give the talk on roses.

All members are urged to be present at this meeting. The time is 8 p.m.

**LOOKING AHEAD**  
 BY GEORGE S. BENSON  
 President—Harding College  
 Searcy, Arkansas

**TAKE YOUR CHOICE!**

Wherever people gather to discuss the problem of the "isms" there is usually disagreement on which constitutes the worst threat to American liberty — Socialism or Communism. Ex-Communists, and almost invariably all persons who

have taken active leadership in fighting Communism head-on, contend that international Communism is by far the greatest threat to our liberties.

Recently I've talked at length with Ted Kirkpatrick, the former FBI special agent who recently edited the anti-Communist publication **COUNTER-ATTACK**; with Matthew Cvetic, who was a Communist nine years for the FBI; Dr. J. B. Matthews, leading American authority on Communist infiltration; Louis Budenz, former member of the American Communist politburo; and Ed Gibbons, editor of **ALERT**, the Pacific Coast anti-Communist newspaper. All consider international Communism, as represented in the world-girdling organization headquartered in Moscow and its powerful Fifth Column in America, the greatest danger confronting America. Whittaker Chambers, who worked in the Soviet underground here, does too.

**Pinpointing the Blame**

The tragic loss of our major ally, China, to the Communists, which the bi-partisan Senate Judiciary Committee has traced directly to Communist influence inside our government, strengthens the opinion of these men. Even so, the fact remains that for Communism to conquer our nation our industrial production

*But Our Government IS All The People*

must first be badly crippled and our people must be weaned away from their acceptance of the basic principles of our way of life. In other words, their will to fight for those principles must be weakened if the Reds hope to win.

It's my conviction that our nation's protective forces have at last been sufficiently alerted against the Fifth Column to prevent sabotage. The gravest danger from the Communists, therefore, is in the Communist propaganda aimed at the minds of our people and which seeks gradually to swing us, first, into an acceptance of socialistic measures, and then into full Communism by evolution or revolution. Therefore, Socialism, which is the first untraceable step of a nation heading down hill, is a menace so serious that its threat cannot be separated from that of Communism itself.

**Twin Dangers**

For years I've said that Communism and Socialism is defined as government ownership or control of the means of production and distribution. In economics, Communism requires exactly the same thing. The social philosophies, or credos, differ at least on the surface. Some self-styled Socialists accept the idea of God. Communists don't. But every Communist intellectual I've ever come across speaks of Socialism as the basic philosophy of Communists.

What are the signs of the growth of the Socialist idea in our own nation? There are many. Earl Browder, Communist leader who was booted out of the party for harboring questioning thoughts about Stalin, says the following measures are necessary in this nation in order for full State Socialism, or Communism, to eventually take over:

**Steps Toward Communism**

"Government deficit financing; manipulation of bank reserves requirements; insurance of bank deposits; guarantee of mortgages; control of bank credits; tinkering with the currency system; regulation of installment buying; price controls; price support for farm products; agricultural credits; RFC loans to business corporations; social security systems for workers; various benefits for veterans; government housing; juggling of the tax structure; government-organized foreign loans; stimulated war armament production on a large scale."

Can a nation employ these

measures and still not have full Socialism? It certainly can—for a time. Ours has. The grave danger, as Browder and all Socialists gleefully affirm, is that all of these measures are giving the government more and more power and control in the nation's economy. As it takes control, the people lose it—in exact ratio. That's a simple mathematical fact. When the government largely controls the economy it is a Socialist government. That's also a simple fact. And still a third fact is that human liberty has never survived in a Socialist State. Stalin would say to Americans: "Take your choice—Communism or gradual Socialism—we'll get you either way!"

Our choice should obviously be Freedom—a breaking of government's control over our economy.

Mother: "No blind dates for you! That's how I met your father."

## F. B. I. Chief Stresses Responsibility; Analyzes Cause Of Moral Corruption

by J. Edgar Hoover, Director, Federal Bureau of Investigation

I THINK the time has come for some straight thinking on the subject of responsibility. All too frequently in the past few years, there has been too much "buck passing" to the Federal Government.

The experience of people in other lands who suddenly found themselves living in a totalitarian state discloses that always the trend started with people in local communities being unable or unwilling to take care of local situations.

I hope that day never comes to America, as our way of life is too precious to be supplanted by either a Socialist, Fascist, or Communist form of government.

THE EVILS of gang wars, gambling, vice, political corruption, and organized crime can be eliminated from the American scene. The fundamental solution lies in aroused and awakened citizens, militantly demanding the action which will eliminate the gambling czar, the crook, the venal politician.

Local citizens must unite in surveying their communities to see that their law enforcement agencies have the manpower, the technical facilities, and the will to combat the criminal menace. Vigorous enforcement of local laws will eliminate gambling in those communities where gambling has been outlawed by statute. This is the solution to the problem.

THE EXTENT of organized crime in the United States is a national disgrace. The very fact that we have a crime problem reflects an evil of even greater import. The American home too often does not occupy the place in our national life that it did at the turn of the century.

We are in a state of moral depression. The breakdown of the home is both a cause and a result.

THE BAD STATE of affairs in too many of our schools is another result. In many instances any semblance of re-

J. EDGAR HOOVER

ligious training is barred and the mentioning of God is frowned upon while espousers of godless communism carry on under the guise of academic freedom.

No nation ever won a war unless its people were united and dedicated to the common cause. We can never have a crime-free America until all who stand for law and order are united and determined to mobilize against those who constitute our army of lawlessness.

ONLY A RETURN to the fundamentals upon which this Nation was founded—a moral reawakening—a revitalized spirit and a rededication of service to our fellow man—can make this a reality.

Lou Wolf Muenster

Vincent and Leonard Walterscheid and James Henderson, all of Hereford, spent the weekend and holiday here with relatives.

The Ed Swirczynskis and son of Fort Worth were here to spend Labor Day with members of his family.

Sister Agnes and Sister Irma spent Saturday night and Sunday here with their mother, Mrs. M. J. Endres. They returned to Fort Worth Sunday afternoon in company of the John Mosmans who went to see her mother, Mrs. Frank Seyler. The Sisters, formerly stationed in Dallas, are both in Fort Worth this year. Sister Agnes is at O.L.V. Convent as supervisor of elementary schools and Sister Irma is at St. Ignatius Academy.

Mr. and Mrs. Joe Pelzel and family of Pilot Point were among visitors here Monday at the parish picnic. Mrs. Pelzel is the former Angeline Schilling of this city.

Mr. and Mrs. Jack Reed of Fort Worth spent the weekend with her parents, the J. W. Fletchers, and were accompanied home by their daughter, Jan, who had spent four weeks with her grandparents.

Mrs. F. M. Shiflet and the E. M. Shiflets of Pilot Point stopped Sunday for a visit with the former's daughter, Mrs. J. W. Fletcher, enroute home after attending a Sloan family reunion in Electra.

Mrs. David Trachta entertained the Birthday Club in her home last Wednesday night. Members and one guest, Mrs. Ray Stewart, were present. After a series of card games the hostess served a salad course.

Guests for a visit last week in the Frank Trubenbach home were his niece, Mrs. L. J. Mettlock and son, Johnny and daughter, Virginia, and Mr. and Mrs. Leo Salter, all of Edinburg.

David Lehnertz vacationed with his parents here last week. He came from Greenville and went to Houston. He now works with a road boring and tunneling company.

Melvin Herr of Kingsville spent the weekend and Monday here with his parents and family, the Frank Herrs.

The Albert Schillings have moved from Big Lake to Colorado City, Texas, according to word to her parents, the Joe Swinglers.

Guests in the W. L. Scoggins home during the weekend were Mr. and Mrs. Carl Hanson of Lawton and Mr. and Mrs. V. M. Rodgers of Pampa. Mrs. Hanson is the former Yvonne Scoggins and Mrs. Rodgers is the former Juanita Scoggins.

Mrs. Dick Cain drove to Burleson Sunday for a visit with her parents, the J. S. Hogans. Judy and Sandra Kay Cain who spent a week with their grandparents, accompanied their mother home.

Miss Joan Roberg of Fort Worth spent the weekend and holiday here with homefolks.

Mr. and Mrs. Ed Mason and son of Houston arrived Saturday for a visit with her parents, the John Hartmans and family. Mrs. Mason is the former Loretta Hartman.

#### SURPRISE BIRTHDAY PARTY GREET'S MRS. FELIX BECKER

Relatives gathered at the Felix Becker home Thursday evening to help Mrs. Becker celebrate her birthday. It was a surprise affair arranged by her daughters.

Table games and home movies entertained the group. The movies were shown by Leo Becker who took them while he was stationed in Japan with the army.

Hostesses served birthday cake, ice cream and cold drinks. The decorated cake was presented by Mrs. Alfons Hoenig. Guests also remembered the honoree with birthday gifts.

Present were the Victor Hartmans, Frank Klements, Joe Vogels, John Hartmans, and the honoree's children, the Vincent Beckers and family, the Joe Sickings and family, the Alfons Hoenigs, and Leo, Walter and Rose Marie Becker, the honoree and Mr. Becker.

#### Vacation At Lake Murray

The Clarence Hellmans and family and Rita Cain spent a five-day vacation last week at Lake Murray where they had a cabin. They spent their time swimming, boat riding, playing tennis and riding horseback. While they were there they were joined by members of their families for visits and outings. Visiting them were the Gus Hellmans and daughter, Janet Kay of Corpus Christi, Ann and Robert Huchton, Otto Walterscheid, Mrs. Ben Hellman and Irene Frost.

#### MES. FISHER HOSTESSES FOR CDA SOCIAL FRIDAY

Mrs. Joe Fisher Sr. and Mrs. C. A. Fisher were co-hostesses Friday night in the former's home for the regular monthly social of the local CDA court.

Members enjoyed a progressive 42 series and refreshments.

Game winners were Mrs. Joe Kathman who received the high score prize, Mrs. Joe Hoenig who won the consolation favor and Mrs. J. B. Wilde who secured the galloping award.

#### MRS. JOE HORN HOSTESS TO GET-TOGETHER CLUB

Mrs. Joe Horn entertained members of the Get-Together Club in her home for the regular social on Wednesday, August 27.

Present were Mmes. John Hartman, Al Walter, Joe, Luke, J. B. Wilde, Jake Pagel, Al Eberhart, Jud Boyles, Arthur Endres, C. M. Walterscheid, John Wieler, W. H. Endres, and a guest, Mrs. Joe Kathman.

A progressive 42 series entertained the group. Mrs. J. B. Wilde won the high score prize and Mrs. John Hartman received the consolation favor. Mrs. Arthur Endres won the galloping award.

The hostess served apricot pie with ice cream and hot coffee.

#### 75th Birthday Observance

A surprise party in observance of her 75th birthday greeted Mrs. John Fette on August 26. Her daughter Mrs. Ben Seyler, entertained in her home for the occasion, with Mrs. Henry Fette as co-hostess. They served ice cream and cake to 20 guests.

Therese Herr and her friend, Geneva Morris, both of Dallas, were weekend and Labor Day guests of the former's parents, the John Herrs.

The E. Newbys had as weekend guests their son and family, the John Newbys of Henrietta.

## For Sale, Bargain: Stainless Steel Teeth

Not many people know it, but Uncle Sam buys millions of dollars' worth of stainless steel teeth. Don't get upset. They're not the chewing kind. They're the jet plane kind.

You see, stainless steel teeth are blades that fit inside the engine walls of jet planes. The blades help to drive air into the firing chambers. There are more than 1,000 of these teeth in each engine, and up to a little while ago each one had to be forged—a slow, fussy, expensive method.

The problem was dumped in the lap of G-E specialists, and they solved it.

The result is that today we roll a continuous strip of stainless steel, cut the teeth to length, and weld them to a base. Works fine. The cash saving: 55%. Critical material saving: 39%.

There's an extra reason to be happy about this, since all of us taxpayers have to foot the bills. Millions of dollars will be saved by the military services in future blade production. And the how-to-do-it is being shared through the U.S. Air Force with other jet engine builders.

You can put your confidence in—

GOOD SHOES • CORRECTLY FITTED

**Soil Conservation Notes**

George Bayer is taking advantage of dry weather to clean out his pond and deepen it so it will hold more water for his dairy cattle. Jake Biffle Sr. of Myra is also cleaning and deepening his stock tank.

W. H. Endres is constructing 2.5 miles of channel type terraces on his farm northwest of Muenster. The terraces will help protect a sloping field from soil erosion and will channel excess run-off water into a grassed waterway.

Vetch meetings have been held by landowners cooperating with the Upper Elm-Red Soil Conservation district in Forestburg and Dye Mound. The meetings were held to discuss the benefits of planting vetch for grazing, soil improvement, pasture improvement, cover crop to protect the soil and as a cash crop when the seed is harvested. The discussions were led by personnel of the Muenster SCS and Buel Wright, P. M. A. administrator of Montague County and Wylie Roberts, county agent. About 80 landowners attended the vetch rallies. At Dye Mound the Women's Home Demonstration Club served ice

cream and cake to those attending the meeting.

J. P. Embry of Dye Mound is thoroughly sold on vetch. He claims that vetch will more than pay for itself the first year by furnishing ground cover and grazing and it keeps on paying with higher yields in following crops.

Embry gives this experience as an example to back up his statement: On part of his land where he had grown vetch for winter cover and spring grazing the oats produced 45 bushels per acre while the yield on land that had not had the benefit of vetch was only 30 bushels per acre.

Embry figures that this 15 bushels per acre increase on the 40 acres of vetch land brought him \$600 more than he would have made otherwise. Last year's vetch was still working for this landowner to the tune of \$600 this year. So it does pay to farm the conservation way, Embry adds.

**MITCHELLS HONORED WITH PARTY AT CAIN HOME**

Mr. and Mrs. Dick Cain entertained last Wednesday night with a farewell party honoring Mr. and Mrs. Jesse Mitchell, who have moved to Newcastle, Texas, to make their home.

About 40 guests enjoyed an evening of games, and presented parting gifts to the honor couple. Mrs. Cain served refreshments of ice cream and cake.

**FAREWELL PARTY HONORS TRIO LEAVING FOR SCHOOL**

A farewell party last Wednesday night honored Misses Irma Hesse and Pauline and Henrietta Mages before their departure for out of town schools. Irma and Pauline will go to OLV in Fort Worth and Henrietta will enter Holy Angels Academy in Jonesboro. The party was planned by Miss Albina Mages and friends. It was held at the parish picnic grounds.

Musical games and dancing entertained about 50 young people and the hostesses served cake and cold drinks. Rev. Fathers Cletus and Louis were special guests.

**BIRTHDAY OBSERVANCE HONORS MRS. J. D. LINN**

A reunion of family members honored Mrs. J. D. Linn of Dallas, formerly of Muenster, in observance of her 85th birthday recently.

Those attending the celebration with Mrs. Linn were her daughters and sons, and members of their family, Mrs. Jettie Williamson of Lafayette, Ore., Mrs. Era Mitchell, Oxnard, Calif., Mrs. Martha Womack of Fort Worth, Mrs. Ida Parker of Dallas, Everette Linn, Petersburg, Mr. and Mrs. Lex Linn of Pasadena, Mr. and Mrs. Joe Linn and Russ Linn of Muenster.

The Johnny Mosters have sold their home to the Ferd Luttmers, who have rented it to the George Letsons. Letson is a teacher at the public school. The Moster family is now at home in the former Matt Stelzer home.

**FLIGHT TO FREEDOM**—Fleeing a Communist East German regime, this young German mother climbs aboard the "Refugee Air-Lift" in Berlin's western zone, with her baby in her arms. She will land in free West Germany. Thousands of former red-zone residents are crowding into West Berlin, creating a refugee problem which the West Berlin Senate hopes to lessen by chartering cargo planes, converting them to passenger-carrying units in the air-lift to freedom.

**VFW AUXILIARY TO HAVE MEETING NEXT MONDAY**

The VFW Auxiliary will have its regular monthly meeting next Monday night, Sept. 8, in the VFW Club.

A membership drive, now in progress will be discussed and plans will be made for the formal reception of new members in October. Officers of the organization ask all ladies interested in joining to do so at this time as there will be no more reception ceremonies until May 1953.

Also before the meeting for discussion will be business of importance to all members and they are urged to be present.

**Singing At Myra Sept. 14**

Members of the Myra Baptist church have announced they will hold a singing convention on Sunday, Sept. 14, at 2 p.m. They extend a cordial invitation to everyone to attend.

**CANNON FAMILIES HAVE REUNION AT BULCHER**

Members of the Cannon family gathered for a reunion at the Bulcher Park on Wednesday evening, Aug. 27. The get-together honored relatives from South Carolina, Mrs. W. M. Cannon, her sons, Stanley and Elbert and the latter's wife and children, Michael and Clea Jean. Mrs. Cannon is the widow of W.

M. Cannon who passed away last March in Seneca, S. C.

It was the family's first trip to Texas, with the exception of Elbert who trained at Camp Howze during world war 2.

A picnic supper, taking of group pictures, games and visiting were enjoyed. Nieces and nephews of Mrs. Cannon presented her with a lovely bed-spread.

"Does this package belong to you? The name's obliterated."  
"Can't be mine — my name is McGinty."

**It Pays to Test and Know Soil Content**

There is no point in swapping even dollars. But, when you can swap one for eight, that is good business. Mr. Ed Detrixhe, a Hemphill county wheat farmer made that kind of a swap this year on his wheat crop.

Hemphill county agent Walter Grist says it all started as a result of a soil test. Mr. Detrixhe submitted a soil sample to the Texas A. & M. College System's Extension Service Soils Laboratory and then carried out the recommendations on his farm. M. K. Thornton, agricultural chemist in charge of the lab, makes recommendations on fertilizer usage and cropping practices as a part of the soil testing service.

Here is the story as reported by Grist. Mr. Detrixhe applied 30 pounds of nitrogen per acre to 80 acres of wheat and when he had finished combining, he found that this field had produced an average of 35 bushels per acre against a 11 to 14 bushel average for the unfertilized acreage. That increase of better than 20 bushels per acre paid him \$8 in return for each \$1 spent for fertilizer, and Grist believes the 35 bushels is somekind of a record for dryland wheat.

Considering that the average Texas farmer last year made an average net return of \$4 for every \$1 spent for fertilizer, Ed Detrixhe did exceptionally well when he doubled this figure, says Grist. It goes without saying, adds Grist, that Mr. Detrixhe is sold on soil testing.

Local county agents can supply information on how to take and submit soil samples to the laboratory for testing.

**STETHOSCOPE INSPIRED BY KIDS AT PLAY**

In 1819 a young girl lay in Necker hospital in Paris, stricken by some heart disorder. As a 38-year-old doctor, Rene Theophile Laennec, leaned close trying to listen to the sounds of her heart blanketed under corpulent flesh, she shrank from him in confused modesty. Baffled, he turned from the patient to walk in the hospital grounds while he pondered the case.

His attention was drawn to a group of children at play. Some were tapping at one end of a hollow log while others at the opposite end listened in delight. Dr. Laennec sped back to his patient, rolled a piece of paper into a tight cylinder and putting one end of the tube against her chest heard clear and distinct the telling heartbeats and respiratory sounds of the chest. Thus was the modern stethoscope born.

Later that year he published one of the classics of medical literature on diagnosis of chest diseases. Yet, seven years later this scientist who had forged so powerful a weapon against the greatest killer of his time, tuberculosis, died at 45 of the disease.

Then there's the undertaker who signs all his letters with "Eventually yours."

**September Special for Farmall Owners**

IH pistons and sleeves are made of chrome alloyed iron which is carefully heat-treated to assure uniform grain structure and necessary hardness. Exceptional care is taken to make sure the thickness of the sleeve walls is uniform to achieve uniform cooling, even contraction and expansion, and to help prevent compression loss and crankcase dilution. IH sleeves pass through 3 finishing operations that convert the entire inside to a mirror-like finish. IH pistons go through 20 operations to assure accuracy, uniformity and precision-fit. Pistons are then matched in sets by weight and size for assurance of a balanced engine.

For a limited time we offer the following prices on **GENUINE IH** Sleeves and Pistons for Farmall tractors:

Models "A" and "B"	Reg. \$33.40	Spec. \$30.00
Model "H"	Reg. 41.45	Spec. 37.30
Model "M"	Reg. 48.60	Spec. 43.75

During the month of **SEPTEMBER** we will include all necessary gaskets **FREE** with each set of sleeves and pistons sold. During the month of **SEPTEMBER** we will pick up and deliver (anywhere in Cooke County) **FREE OF CHARGE** any **FARM-ALL** tractor on which we do a major overhaul (\$50.00 or more) in our shop.

We are making these special offers at this time to help increase parts and service business in a normally slow month, and to promote the use of **GENUINE IH** sleeves and pistons, which we know will give longer, more dependable service.

**Ask the Man Who Has Tried Other Markets**

While cattle prices were unsteady some of our customers tried their luck at other markets ... and they're coming back.

They've learned from experience that they gain in two ways when they sell here. Our prices are better. Their commission and hauling expenses and shrinkage losses are lower.

#### BEING THOROUGH

in the performance of our duties, we regard no detail, however small, as of minor significance. Every task, no matter how trivial, receives our careful attention.

**GEO. J. Carroll & SON**

Miss Marion Berend left Tuesday to enter nurses training at St. Joseph's hospital in Fort Worth. Taking her to that city were her mother, Mrs. Ewald Berend and Mrs. Jake Bezner who visited the latter's daughter, Miss Viola Bezner, a student nurse there.

Robert Fuhrmann, Lindsay 4-H Club boy, won second place and seven dollars on his registered Duroc gilt at the annual Sears Foundation pig show for the county Saturday.

Robert Wilson of Fort Worth and Walter Machann of Dallas visited in the home of Mr. and Mrs. John Neu Saturday. The boys are students at St. John's Seminary in San Antonio.

Mr. and Mrs. Frank Sandman, Donny and Barbara Ann, visited in Norman and Oklahoma City the latter part of last week returning home Friday. In Norman they were guests of his sister, Mrs. Henry Strategier and husband, Mrs. Adam Beyer stayed with Frankie and Henry Sandman while their parents were away.

Visiting in Muenster and Lindsay last week were Mr. and Mrs. Joseph Vollmer and daughter, Phyllis, of Bancroft, Iowa, and Mrs. Vollmer's mother, Mrs. Rose Stattelmann of St. Jo, Iowa. Mrs. Stattelmann is a cousin of H. J. and Adolph Fuhrmann and the Dieters. Mr. Vollmer and Henry Henschied of Muenster were classmates during their school years in Germany.

Jake Bezner and Albert Kubis left Tuesday morning to take their sons, Arnold Bezner and Gilbert Kubis, to Subiaco to attend high school. Arnold will be a junior and Gilbert a sophomore.

Mr. and Mrs. John Schmitz of Dallas, the Martin Theimers of Oklahoma City, and Leroy Schmitz Alc, of Lake Charles, La., spent the weekend and Labor Day in Muenster, Lindsay and Gainesville with relatives. Saturday afternoon Mr. and Mrs. John Schmitz were baptismal sponsors for their new grandson, Michael Wayne, infant son of Mr. and Mrs. Freddie Schmitz of Gainesville.

### NCCW Will Bring Bishop Sheen to Dallas, Ft. Worth

His Excellency, the Most Reverend Fulton J. Sheen, Ph. D., D. D. has accepted an invitation to speak in Dallas on October 31. He will appear under the auspices of the Christian Culture Series at Fair Park Auditorium. He will appear in Fort Worth on November 1 at Will Rogers Auditorium.

Bishop Sheen, who is auxiliary bishop of New York, had been broadcasting nationally for twenty-five years on the Catholic Hour. He was called to New York from the Catholic University of America to become national director of the World Mission Society for the Propagation of the Faith.

Since last Easter week he has been successfully televising for the DuMont Television Network. Both as a radio broadcaster and on the television he has drawn a much larger audience

### Blessed Events

Mr. and Mrs. Earl Walterscheid announce the birth of a six pound eight ounce boy, their third son, at M&S Hospital at 3 a.m. Wednesday, Sept. 3. Also welcoming the baby are his brothers, Cris and Kenneth, his grandparents, the Paul Arendts of Lindsay and the C. M. Walterscheids, and his great grandmothers, Mrs. Will Walterscheid and Mrs. Mike Kleiss.

Mr. and Mrs. T. Voth are rejoicing over the birth of a son, their first child, at 1:40 a.m. Tuesday, Sept. 2. The seven pound boy is the grandson of Mrs. Barney Voth and Mr. and Mrs. Clem Hermes of Lindsay.

Mr. and Mrs. Norman Luke of Fort Worth became the parents of a seven pound seven ounce daughter Tuesday afternoon. The little girl has one sister, Karen. Her grandparents are Mr. and Mrs. Joe Luke of Muenster and Mrs. N. J. Schaefer of Shreveport, La. She also has a great grandmother, Mrs. August Friske of Gainesville.

Mr. and Mrs. Bill Searcy are the parents of a six pound four ounce daughter, Tana, their first child, born at the Decatur hospital at 6:15 a.m. Sunday, Aug. 31. The father is a faculty member of the Muenster Public School.

#### ALL MEMBERS TONY OTTO FAMILY ATTEND REUNION

All members of the Tony Otto family, 48 of them, were together in reunion Sunday for the first time in four years. The get-together was held in the parish park during the afternoon and evening and a covered dish supper was served.

Present were Messrs. and Mmes. Tony Otto, J. P. Flusche and family, Sid Otto and Patsy of Gainesville, John Otto and family, Tony Hoening and family, Ray Otto and Douglas, Earle Otto and Elaine and Tommy Otto of Gainesville. Rev. Fathers Louis and Cletus were special guests.

than the Catholics of the United States could supply. Every year and every week he has come to grips with the moral problems of the hour. His answers to questions, which disturb all thinking men and women, are based on principles that all persons of good will who regard God as the judge of human actions, believe make sense.

His doctrine is as old as the Ten Commandments, and his method as new as the latest device in show business.

On what specific issue he will speak in Dallas has not been announced. It will be a week before the national elections. Whatever his topic may be he will speak for God and the individual's responsibility to God, for what he does with himself, for his neighbor and for his country.

The other lectures comprising the series and the dates and place scheduled are as follows: Elizabeth Bentley-January 23rd-McFarlin Auditorium  
Rev. John J. Dougherty-February 10th-McFarlin Auditorium  
Dr. J. M. O'Neill-March 12th-McFarlin Auditorium

### Lunch Room Gets Dispenser for Milk

A milk dispensing machine is the latest improvement at the school lunch room. The unit, installed in time for use on the first day of school, consists of a frame with dispenser valve and a refrigerated box holding two five gallon milk cans. The cans are specially designed with a plastic hose that connects directly with the valve. Children serve themselves by pushing a glass against a forked lever which opens the valve above the glass.

The unit eliminates hours of bottle washing and filling at the FMA plant and also saves serving time . . . besides eliminating bottle breakage. Cans are filled at the FMA and moved from the cold storage vault to the lunch room just before meal time.
