

MUENSTER ENTERPRISE

VOLUME XVI

MUENSTER, COOKE COUNTY, TEXAS,

OCTOBER 31, 1952

NO. 50

Next Tuesday is America's day of decision. It is the day when voters will make their choice between a safe, sane and honorable system of government or a continuation of the corruption, waste, socialism and world wide bungling we have had for the past several years. Actually this election may determine whether the United States will go on as a powerful nation of free people or whether it will begin deteriorating into a second rate nation of economic slaves.

Our country's future depends on several factors. Foremost is a return of its people generally to the constitution and the ten commandments. Another is a willingness to work hard and save and sacrifice in order to correct as much as possible the mistakes which have been made. Another is a wise choice of leadership, which, we sincerely hope, will be the result of Tuesday's election.

We have heard an awful lot of propaganda in the past two months, and out of it all we have had ample opportunity to pick out the real issues.

Both parties have been strong on the prosperity appeal. On that score the voter will have to use his own judgment as to whether we can keep on living high on deficit financing and socialistic ventures or whether he prefers settling down to sensible financing and restoring some of the traditional free enterprise principles which are the backbone of our country's greatness.

According to every day business standards Ike seems by far the better prospect for prosperity. For the past 56 years Republicans have a record for making ends meet and reducing the national debt. Democrats have consistently operated in the red. Neither party can stop a depression if it's going to come, but Republicans are the best bet to avoid national bankruptcy, with or without a depression. They are also the best bet to call a halt to socialistic tax-eating ventures and allow taxpaying free enterprise to stage a come-back, thereby relieving the tax burden on us plain citizens.

This seems primarily a question of what is meant by prosperity. Is it just a matter of living high? Remember the nation like the individual faces a day of reckoning if it keeps borrowing and spending. On the other hand the nation like the individual can live well within its budget . . . and that's what we understand as real prosperity. Well, why not vote for a try at it?

Naturally we're all concerned about how well we're going to live, but considering some of the other issues, prosperity is a mere trifle. We've got to think about corruption, socialism, communism at home and abroad. Even assuming that the present administration offers us the easier life, do we want it at the price of following the present trend? If we had the choice, wouldn't we gladly accept the simple life in order to bring honor back into our government, to avoid the economic slavery of socialism, to stop communism here and help free the nations now under its yoke?

Take this matter of corruption, the mess that Harry says isn't there even though it has been exposed for all to see. Does any one think Stevenson will really clean up the mess in the outfit that is working so hard to elect him? There isn't any question that Ike is the better prospect for that job.

Likewise on the questions of bureaucracy, socialism and extravagance. These things have been originated and nurtured by the administration and have been endorsed by Stevenson . . . he proudly proclaims his willingness to stand behind the administration's record. With Adlai in the White House could we expect an effort to correct such things? Or just to whitewash them? Can anyone doubt that our prospects are better with Ike. He's on record as favoring decentralization and simplification of government, thrift, and the American way of life.

Incidentally Ike is on record also as respecting state's rights. He doesn't believe in meddling in a state's jurisdiction nor in

Bond Issue Seems Only Way to Get Pavement Project

If Muenster gets pavement on its residential streets it will have to be through a bond issue.

That was the opinion of several persons who reported to Steve Mosler that they were not able to get the cooperation of others on their street. All of them had the same story. One or more of the property owners on their block were either unable or unwilling to pay their part of the pavement cost.

Mosler said a considerable number are interested in financing the pavement by a city bond issue. They felt that the town will never see the time when everybody along both sides of a street will be both willing and able to handle his proportional share of the project.

Since then he has estimated that the total length of streets here is slightly over seven miles. An alternate project that would surface principal streets and provide convenient traffic arteries would be about half as long.

No cost figures are available for such a job, but Mosler called attention to the fact that FM roads north and south of town cost over \$8000 per mile. If the city prepares the road base and gets a contract for surfacing only, the cost should be considerably lower. The price quoted by the Austin Contracting Company for surfacing one block lengths 24 feet wide was \$1.20 to \$1.40 per running foot.

Mosler suggested that next Monday, at the city council's regular meeting, will be a good time for interested persons to get together and discuss the project.

Monday is Hobo Day For FHA Chapter

Next Monday is the Muenster FHA Chapter's annual Hobo Day, the day when members report to school in their work clothes, then scatter over town looking for odd jobs. The object is to earn money for the chapter treasury.

People of the community are asked to decide in advance what work they would like to have done . . . any kind of job in the house or yard . . . and have the assignment waiting when the girls call. Better still, they can make advance arrangements by calling 82 and have girls report directly to the house. There is no fixed charge for the help. Just pay what you think it is worth.

CEMETERY COLLECTION

Members of the Sacred Heart Parish were reminded last Sunday that the annual collection for maintenance of the cemetery will be taken up at all masses on All Saints Day, Saturday Nov. 1. Members of the Civic League and Garden Club, custodians of the cemetery, will be at church doors to accept donations.

Donald Bayer and Robert Fuhrmann Get Top Honor in State 4-H Contest

DONALD BAYER
COLLEGE STATION, Oct. 30 For the second consecutive year a Muenster 4-H club boy is the state winner in the 4-H Farm and Home Safety Program. The 1952 winner is Donald Bayer of the Sacred Heart 4-H club. He is the son of Mr. and Mrs. Martin Bayer, is 17 years old, a senior in high school, and is completing his fifth year of 4-H work.

The announcement was made today by Floyd Lynch, state 4-H club leader.

Young Bayer will receive an all-expense educational trip to the National 4-H Club Congress in Chicago, Nov. 30-Dec. 4. The award is made through courtesy of General Motors, Detroit, Michigan.

Donald's record will be entered in the national contest in which eight \$300 college scholarships are awarded. Last year's Cooke county entry, Billy Witt, of Muenster, was a national winner.

In his five years of 4-H work, Donald has completed 30 demonstrations including swine, field crops, dairy and beef cattle, lambs, turkeys, tractor maintenance and farm safety. He has

Achievement Show Given by 4-H Clubs

Attractive exhibits, arranged as an Achievement Day display by members of the Sacred Heart 4-H clubs Tuesday, provided the atmosphere of a Community Fair at the school during the afternoon and evening hours.

Scores of visitors viewed food and clothing displays exhibited by the girls and field crops, poultry and livestock exhibited by the boys.

The foods display consisted of cakes, quick breads, candy, cookies and canned goods. Supplementing dresses in the clothing display were fancy work, crafts and hobbies. Prize winning dairy cattle, broilers and turkeys, rabbits, sheep and pigeons were exhibited in the livestock show.

Judges from Gainesville judged the exhibits before the show opened and tagged winning entries with blue, red and white ribbons, designating first, second and third place. A complete list of winners was not available Wednesday but will be published next week.

George Gehrig and Mrs. Starling Lawson won the attendance prizes.

Assisting 4-H members in putting on the show were the Benedictine Sisters, Adult Club Leaders Mrs. Eddie Schmitt, Martin Bayer and George Mollenkopf, and County Agents B. T. Haws, Virgil Dahlberg and Miss Bernice Puckett. Judges were Mrs. Albert Klement and Mrs. Ray Holley, girls' division, and H. B. Newberry and John Cunningham, boys' division.

Tigers Romp Past Anna Hi 18-7 for 4th Straight Win

The scrappy Tigers of Sacred Heart High racked up their fourth consecutive win of the season Friday night, defeating Anna High 18-7 on the latter's field. After allowing their hosts a touchdown in the first quarter they scored one of their own in each of the remaining three besides bracing successfully on the rest of Anna's scoring threats.

Apparently they headed for a score in the opening minute as Gilbert Knabe romped for a 50 yard gain and three more plays added another first down, but the drive fizzled and they kicked. Anna too failed to gain and kicked but had the ball in Tiger area the next play on an interception. Another exchange on kicks and Anna started a 36 yard touchdown drive. Four neat plays completed the distance.

The Tiger outlook was gloomy as Anna braced, took a kick, and then pushed 50 yards to the Tiger 5. Yosten's recovery of an Anna fumble proved to be a turning point, however.

Sacred Heart's drive went to midfield where a smeared play for 10 yards loss forced the

Hornets, Indians Clash Friday for Conference Lead

1952 Football history for District 11-B of the Interscholastic League will be in the making Friday night at 8 o'clock when the Muenster Hornets take on the Sanger Indians at Sanger. The game is the first of the season's big three in which the leading conference contenders, Muenster, Sanger and Saint Jo, will fight it out for top rating. The team that wins will be over the first hump but still faces a tough encounter with the Saint Jo Panthers.

On the basis of comparative scores to date the Hornets and Indians are about evenly matched. Both defeated Callisburg by the same score, the Indians had the larger margin over Boyd and the Hornets had the larger margin over Alvord.

At the same time the Hornets are well aware that they are in for a terrific battle. With the exception of two men lost by graduation Sanger consists of the same husky and rugged squad that nosed out the Hornets 25-20 in the district classic here last year. In that respect the odds are definitely stacked in favor of the Indians.

News of Sick And Injured

Mrs. R. M. Zipper entered St. Vincent's Hospital in Sherman Monday for medical treatment.

Judy Trubenbach is back at home for a week's rest period before undergoing surgery on her right leg. She was a patient at Baylor Hospital in Dallas for about two weeks for x-rays and treatments. Her parents, the Alois Trubenbachs, brought her home Tuesday.

Mrs. Dick Cain underwent surgery at Gainesville Sanitarium Wednesday morning.

Lambert Walterscheid received treatment at the local clinic Tuesday for a cut on his right hand.

Edward Hacker, 18, son of the Andrew Hackers, is recovering satisfactorily from a strep throat infection that sent him to Gainesville Sanitarium Wednesday of last week.

Dale Wilde was dismissed from Texas Childrens Hospital Wednesday and is progressing normally in his recovery from polio. He was a hospital patient since August 24 and now walks with the assistance of crutches and braces. His parents, the Richard Wildes, accompanied by her sister, Mrs. Alphonse Felderhoff, went to Dallas to bring him home.

Sister M. Florentine, daughter of the John Tempels, is recovering satisfactorily from a thyroidectomy performed Saturday in Saint Bernard's Hospital in Jonesboro, Ark. Her parents, and her sister and brother-in-law, the Russell Herbs, telephoned the hospital Sunday to check on her condition and were both surprised and pleased to be able to speak with her personally. After an exchange of conversation, the Tempels spoke to Sister Anastasia who said to tell all her friends hello.

Joe Sharp was dismissed from veterans hospital in McKinney and is convalescing at his home here. He underwent a major operation on Oct. 9.

V. M. Ramsey of route 3 Muenster, received medical treatment at Gainesville Sanitarium during the week.

Bobby Joe, Samples, route 3, has been dismissed from Majors Clinic in Nocona and is recovering nicely from an operation for a ruptured appendix performed last Monday.

Frank Kaiser is back in the city after spending two weeks at Glen Rose for his health and says he is feeling much improved. His wife and his sister, Mrs. A. H. Rebentish, drove to the health resort Saturday to bring him home. He was back at his place of business Monday.

Florence Fette Falls, Returns to Hospital With Brain Injury

Miss Florence Fette is back in St. Paul's Hospital, Dallas, as a brain concussion patient as well as a polio patient. Returning from a visit there Wednesday her mother, Mrs. Joe Fette, said Florence has less pain and appears to be improving, also that her skull apparently is not fractured.

Miss Fette received her injury Friday night when her still feeble legs gave way as she was getting out of a car and the back of her head hit either the car or the ground. She was taken to the Gainesville Sanitarium a few hours later and to St. Paul's the next day.

Recovering slowly from polio, she was due to start work soon at the hospital's reception desk. The nursing school had offered to let her put in time in that manner toward completing her nurse's training. Last week's injury has interrupted her polio treatment and is expected to delay her recovery by several weeks.

Band Is Guest at SMU - Kansas Game

The Muenster band was one of 65 high school bands of the state attending the SMU-Kansas football game last Saturday as guests of Southern Methodist University. Their only performance was participation with the other 64 bands in playing the national anthem before the kick-off.

The occasion was a big treat to most of the local band members. Besides the ball game they saw half time performances by the Kansas band and the expert 85 piece band of Oak Grove high school. The Oak Grove band substituted for the Mustang band during the half.

Superintendent Cowan and Instructor Bill Searcy accompanied the band on its trip.

Hornets Win 38-6 While Boyd Fizzles Gains on Fumbles

There was football galore at Muenster last Friday night as the powerful and tricky Boyd High Yellowjackets gave the Hornets a tough tussle but went down in a 38-7 defeat.

It was one of those unusual games in which one team was outstanding for gains on the field and the other was outstanding for scores. In first downs as well as total yardage from plays and runbacks the visitors marked up the better record. They made 15 first downs, gained 135 on running plays, 223 on passes and 193 on returns of kicks and interceptions. The Hornets made 7 first downs, gained 220 on the ground, 186 on passes and 100 on returns.

Besides being husky the Yellowjackets were probably the most deceptive crew to face the Hornets this season. The clever ball handling by their quartet of hard running backs along with a total of 29 passes gave the local boys their most confusing defensive assignment so far.

However, it seems the Yellowjackets were too tricky for their own good. The extra maneuvering resulted in quite a number of fumbles, six of which were recovered by the Hornets. Another important factor was Joe Noggler. He prevented two Boyd scores by overtaking the loose man. When he got loose twice no one could catch him.

By the victory the Hornets extended their winning streak to five straight and remained undefeated in 11-B conference play.

Boyd started the game with a bang trying three passes on the first three plays, one good for 9, and kicking on the fourth . . . then recovering on the 39 as Noggler fumbled. Then came a mixture of tricky plays and passes advancing the ball to the 3, however the threat ended as Muenster recovered a fumble on the 10.

A penalty backed the Hornets to their 5 and Noggler on the next play broke through the line and got loose for a 95 yard dash to the goal.

The visitors came back strong

Baby Sitters and Drivers Will Help Get out Local Vote

How the people of Muenster will divide their votes between the Democratic and Republican tickets next Tuesday remains a big question, but there is reason to believe that the total number of ballots cast will be a credit to the community.

One indication is a record number of poll tax receipts and exemption certificates and another is general interest in the presidential race.

Still another factor to help get out the vote is the offer of two local organizations to furnish transportation to and from the polls. The Muenster NCCW unit and the Lions club both are making rides available to any person who wants a lift. In addition the NCCW will provide baby sitters, if asked, while mothers go to vote. NCCW headquarters for the day will be phone 91. Lions headquarters will be phone 60. Both will be ready to help any time Tuesday.

The election here will be held at the usual places. I. A. Schoech will be the election judge for the north box in the public school. Paul Fisher will be judge at the south box in the elevator scale-house just south of the Katy tracks. Voting hours are from 8 to 7.

Heart Attack Fatal To Former Resident

Mrs. Alfred Spurgeon, 42, the former Miss Anna Hoedebeck of this city, died Friday morning in an Oklahoma City hospital. It was believed that she was recovering satisfactorily from an illness for which she was to have surgery later. She died from a heart attack.

Funeral services were held Tuesday morning at ten o'clock in Corpus Christi church at Oklahoma City and burial was in Fairlawn cemetery. Rev. Paul Hoedebeck, brother of the deceased, of Subiaco, Ark., officiated at the last rites.

Mrs. Spurgeon was born in Muenster on May 8, 1910. She later moved to Tishomingo, Okla., with her parents, and had lived in Oklahoma City since her marriage.

Survivors are her husband and four children, Christopher, Florence Ann, Joe and Richard; her parents, Mr. and Mrs. Fred Hoedebeck of Muenster, 12 brothers and sisters, Mrs. Clem Reiter, Frank, Norbert and Gene Hoedebeck of Muenster, Leo of Gainesville, Ray, Alfred and Mrs. J. M. Howell of Denison, Joe of San Diego, Calif., Cletus of Dallas, Bob of Ada, Okla., and Father Paul of Subiaco. All were present for the funeral except Joe of California.

Pee Wees Win 6-0 In Season Finale

In a story book ending the Muenster High Pee Wees, consisting of freshmen and grade school pupils, defeated the Callisburg youngsters 6-0 Tuesday night at Callisburg.

The pay off play was a pass from Jimmy Hellman to Jimmy Biffle for the touchdown about a minute before the end of the game.

Shortly before the Little Hornets lost a good opportunity as Robert Meurer caught a pass but fumbled when tackled hard on the Callisburg 4. Callisburg's only scoring threat was one drive as far as the Muenster 10.

The game winds up the season for the little fellows. Their record: two losses to Saint Jo and a win and a tie in the two games with Callisburg.

SCHEDULE OF COMING EVENTS

Verena Henscheid And Gerald Metzler Wed Here Tuesday

Miss Verena Henscheid became the bride of Gerald Metzler Tuesday morning in a double ring ceremony performed in Sacred Heart church at 8:30. The bride is the daughter of Mr. and Mrs. Henry Henscheid of Muenster

and Mr. Metzler is the son of Mr. and Mrs. Phillip Metzler of Lindsay.

Bride's Cousin Officiates

Rev. Hubert Neu of Dallas, cousin of the bride, officiated at the ceremony and at the nuptial high mass. Anthony Luke, organist, played the wedding marches and remained at the organ to assist the church choir in singing the mass Missa Tertia.

—Boyd and Breeding Photo

Acolytes were the bride's brother, Ted Henscheid, and her cousins, Ray and Dick Zimmerer and Donald and David Flusche.

Mr. Henscheid escorted his daughter to the altar and gave her in marriage. She wore a wedding gown of white satin with sweetheart neckline topped with a Chantilly lace yoke. The petal point sleeves were also of Chantilly lace. The full gathered skirt was attached to a fitted v-shaped bodice and swept into a formal length train.

The bride's two-tiered nylon net veil, edged with lace, fell from a satin cloche embroidered with rhinestones and seed pearls. She carried her flowers, a single white orchid and stephanotis on top of a white prayerbook, a gift from the groom, and carried a blue rosary belonging to her mother.

Sister Is Maid Of Honor

Miss Florence Henscheid attended her sister as maid of honor and Miss Grace Wimmer was bridesmaid. They wore identical frocks of royal blue velveteen with full ballerina length skirts and scalloped necklines and sleeves. They wore matching velveteen gauntlets and cloches and carried colonial bouquets of red roses. They completed their costumes with rhinestone choker necklaces and bracelets, gifts from the bride.

The groom's attendants were his brothers, Julius and Leroy Metzler. Bill Metzler and Johnny Sturm were ushers.

Mrs. Henscheid attended her daughter's wedding in a forest green crepe dress with black accessories and the groom's mother wore a wine crepe dress with black accessories. Both wore mum corsages, the former's yellow, and the latter's white.

Day's Festivities
The day's festivities began with a wedding breakfast at the Curtwood in Gainesville. Members of the bridal party, the officiating minister, and parents of the couple were guests.

The bride's parents were hosts for a reception and buffet supper in the parish hall for 200 guests. Misses Annabelle Metzler, sister of the groom, and Dolores Gremminger of Fort Worth, presided at the bride's book.

Mr. and Mrs. Leonard Yosten announce the arrival of a daughter, Debbie Lynn, at the local clinic on Saturday, Oct. 25. The seven pound 14 ounce girl is also welcomed by her two brothers and sister, her grandparents, the Henry Wiesmans and Mrs. Bob Yosten and her great grandmother, Mrs. Frances Binz. Baptismal services for the infant were held Sunday afternoon with Father Louis officiating and Mrs. Henry Yosten and Buddy Yosten serving as sponsors.

Mr. and Mrs. Ray Laux of Lindsay are the parents of a five pound nine ounce daughter born at 11:35 a.m. on Sunday, Oct. 26, at M&S Hospital. The little girl is the granddaughter of Mr. and Mrs. Clarence Owen, and the great granddaughter of Mr. and Mrs. Joe Pautler, all of Muenster.

Billy Chris is the name of the infant son of Mr. and Mrs. Martin Bayer. The baby's christening ceremony took place Sunday afternoon, Father Cletus officiating, and Donald and Nelda Bayer serving as godparents for their brother.

An obstacle is something that's seen when you take your eyes off the goal!

Freddy Kevin is the name of the baby son of Mr. and Mrs. Val Fuhrman. He was baptized Sunday afternoon. Father Louis officiated and Mr. and Mrs. Gilbert Endres were sponsors.

HALLOWEEN CARNIVAL IS SUCCESSFUL EVENT SUNDAY

Ghosts, goblins and spooks were the order of the day Sunday when the parochial school room-mothers sponsored the annual parish Halloween Carnival. The affair was a benefit for the grade school. A large attendance made it a successful party.

A kiddies costume contest, spook attractions, a fish pond, and a variety of games highlighted the entertainment program, while homemade chili, ice cream and pie along with coffee and soft drinks, headlined the refreshments which were available during the afternoon and evening. One booth featured a homemade candy sale, another a cake sale.

Judges in the costume contest were Mmes. Ray Stewart, Tony

Trubenbach Jr. and Steve Most-er. They divided the costumed youngsters into three groups and awarded two first prizes in each group.

Pre-school and first grade children were judged first and prizes were presented to Tommy Swirczynski, a pirate, and Patsy Zimmerer, a black cat.

In the second group, youngsters from grades two through four participated and winners were Dianne Horn in a cat costume and Teddy Miller attired as a thug.

Fifth, sixth, seventh and eighth graders made up the third group. Twin princesses, Hazel Lerner and Norma Jean Walterscheid, received one prize, and Patsy Horn as a hobo received the other.

Monday Rite Unites Betty Jean Heitzman And A2c Lee Wolf

Miss Betty Jean Heitzman, daughter of Mr. and Mrs. Ed Heitzman of 600 Star Street, Gainesville, and A2c Lee Wolf, son of Mr. and Mrs. Adam Wolf of route 1, Gainesville, exchanged marriage vows Monday morning in Saint Mary's church in services beginning at 9 o'clock. Rev. Peter Molloy officiated at the double ring ceremony and at the nuptial high mass. The church choir sang.

The bride, given in marriage by her father, wore a candle-light satin wedding gown. Designed with a pointed basque bodice, Chantilly lace yoke with applied satin motifs, long satin sleeves tapered to petal points over her hands, miniature satin buttons fastened the gown down the back. The voluminous satin skirt worn over old fashioned petticoats and hoops swept into a cathedral length train.

The bride's tiered veil of illusion fell from a satin half-hat studded with seed pearls, and she carried her flowers, an orchid and stephanotis, on top of a white prayerbook.

For something old she wore an heirloom gold brooch belonging to her grandmother, Mrs. Fabian Heitzman of Pilot Point. Something blue and borrowed was a rosary belonging to her sister, Mrs. Paul Neu, and she completed bridal tradition with a three-pence in her shoe.

Bride's Attendants

Attending the bride as maid of honor was her cousin, Miss Dorothy Mae Nortman, wearing emerald green taffeta; bridesmaid was Miss Dorothy Neu, a close friend, wearing cocoa brown taffeta; Misses Barbara Ann Heitzman and Joan Wolf, sisters of the couple, were junior bridesmaids, wearing yellow taffeta; and Janice Neu, a niece of the bride, was flower girl, wearing white taffeta.

Their dresses were identical in design with fitted waists and bouffant skirts, v-neck lines and cape sleeves. They wore matching half-hats and carried colonial bouquets of bronze mums.

The groom's attendants were his brothers, Adam Wolf Jr. and Walter Wolf. His youngest brother, Johnny Wolf, was ring bearer. Ushers were Paul Arendt Jr., Ed Wolf, Paul Neu and Gene Gieb.

The bride's mother wore a brown ensemble with matching accessories and the groom's mother wore a black dress with

black accessories. Each had a white mum corsage.

Day's Festivities

After the church services, a wedding breakfast was served in the home of the groom's sister and husband, the Paul Adendts Jr., to members of the bridal party.

At five o'clock Mr. and Mrs. Wolf were hosts for a reception in the Lindsay Hall where a buffet supper was served to 150 guests. Mrs. Joe Trubenbach of Muenster, aunt of the bride, presided at the bride's book.

The bride's colors were stressed in decorations in the hall and were noted on the table that held the large square tiered wedding cake, flanked by arrangements of white snapdragons.

After the couple cut the cake Mrs. Paul Neu and Mrs. Ed Wolf served it to the guests.

A dance at night concluded the day's festivities.

The couple left on a wedding trip not revealing their destination. For traveling the bride wore a three-piece brown gabardine suit with matching accessories and the orchid from her wedding bouquet.

On Overseas Leave

Both young people graduated from St. Mary's High school. A2c Wolf is now on overseas leave, and will go to Camp Stoneman on Nov. 4 to receive his foreign assignment. He took basic training at Lackland AFB and attended radio school at Keesler AFB, Miss.

Mrs. Wolf is employed as secretary to Attorney Lackey in Gainesville.

Out of Town Guests

Among out of town guests at the wedding were Mr. and Mrs. Fabian Heitzman, the Frank and Lawrence Heitzmans, all of Pilot Point; Messrs. and Mmes. Anton Wolf Sr., Frank Schroeder, Ben Schroeder, Anton Wolf Jr., August Berend and Carl Lindemann, all of Windthorst, and the Robert Bockholds of Robstown.

Pre-Nuptial Party

As a pre-nuptial courtesy Mrs. Paul Arendt Jr. and Mrs. Ed Wolf entertained with a gift party in the community center building. Relatives and friends of the couple from Muenster, Lindsay and Gainesville attended.

BIRTHDAY OBSERVANCE HONORS DARLENE HESS

Mr. and Mrs. Ray Hess entertained in their home Thursday evening, Oct. 23, with a dinner party in observance of the birthday of their daughter, Darlene, who was one year old.

The honoree received gifts, the table was centered with a decorated cake and places were laid for Darlene, her brother Tommy, their grandparents, the H. S. Fuhrmanns of Lindsay and Mrs. Frank Hess, LaVern Fuhrmann, Arthur Hess and the hosts.

SISTERS SHARE HONORS AT BIRTHDAY OBSERVANCE

Cheryl Ann and Donna Marie Janicki, daughters of the Jack Janickis, celebrated their birthdays together with a party Sunday afternoon at the family home.

Cheryl was four years old on Sept. 1 but was unable to celebrate at that time, her birthday conflicting with the arrival of her baby sister, Janelle. Donna will be three years old on Nov. 15, but her daddy is leaving for overseas duty with the army and will not be here. He baked and decorated two identical angel food cakes for the party.

Mrs. Janicki served a smorgasbord and then served the cakes with ice cream and punch.

Joining the Janicki family for the occasion were the honorees' grandparents, the Jake Pagels and the Jerome Pagels and children, Kathy, Dickie and Johnny, the Maurice Pagels and children, Dwayne and Glenda. Mrs. Harold Falck, visiting in San Antonio, sent best wishes.

Mr. and Mrs. Hugo Lutkenhaus and children, Mrs. H. A. Walterscheid and son, Rainard, and W. T. Richter drove to Wichita Falls Sunday to spend the day with the Cris Jensens. Mr. Richter remained for an extended visit with his daughter and family.

The American Way

I LIKE IKE
 By George Peck

Tuesday, November 4, is Decision Day. The deluge of campaign oratory will be ended and American citizens will flock to the polls (it is hoped in unprecedented numbers) to express their preferences. Numbered among these citizens will be your humble scribe, exercising his voting franchise, but not exercising his privilege to keep secret the names of those for whom he votes.

First, I would like to state that when granted the right to vote, I joined hands with the Democratic Party, worked and voted for Democratic candidates and was quite happy about that political affiliation for many a year. But that party is no longer the great Democratic Party which won my first allegiance and enthusiastic support. It has been captured by a group of so-called liberals who use it as an instrument to completely socialize our American economy.

The time has come for every American citizen to put country above party. Following the lead of a great Democrat and patriotic American—former U. S. Representative, former U. S. Senator, former Associate Justice U. S. Supreme Court, former Economic Stabilizer, former Secretary of State and currently Governor of South Carolina—James F. Byrnes, I announce that I, too, propose to place country above party and that I will vote for General Eisenhower.

As have millions of my fellow

DICK RUSSELL BACKS ADLAI

RUSSELL IS THE GEORGIA SENATOR FOR WHOM GOVERNOR SHIVERS AND TEXAS DELEGATION VOTED UNANIMOUSLY ON ALL BALLOTS AT DEMOCRATIC CONVENTION IN CHICAGO

Senator Dick Russell of Georgia, the man the Texas Delegation headed by Gov. Allan Shivers supported on all ballots at the national Democratic convention in Chicago, predicted last week that Adlai Stevenson and John J. Sparkman will be elected by one of the largest majorities given a national ticket in recent years.

Senator Russell, who is chairman of the senate armed services committee and of the senate subcommittee on agriculture, said: "General Eisenhower's evident confusion in his efforts to grapple with vital political issues has clearly demonstrated to the American people the grave danger of placing our government in the hands of a military man. . . . No military career, however great, can be a substitute for familiarity with the operation of a government which traditionally and by law is dependent on civilian control. . . .

"As one who has admired General Eisenhower as a military leader, I have been bewildered by the endless contradictions of his political pronouncements. It would require a book to catalog them.

"Shortly after stating that he did not understand the term 'Farm Parity,' he assured the American farmer of 100% parity for all the products of his toil. As one who has devoted a large part of his legislative service to overcoming Republican opposition to fair farm legislation I have vainly awaited an endorsement of this last farm statement from General Eisenhower's Republican congressional supporters. I have failed to see where one of them has disclaimed his record of opposition to the soil conservation program and to the laws which enabled these farmers to have some idea when they plant their crops what they will receive from their harvest.

"The American voters are thinking for themselves in 1952. Neither the bedlam of this campaign nor the military glamor of the Republican candidate will confuse them. They will go to the polls in the greatest number in our history on November 4 to maintain in power the party of the people. . . .

"Governor Stevenson has the potentialities which can make him one of the greatest presidents who has ever served our country. With the support and prayers of the American people and the aid of the Almighty he devoutly worships, he will see this nation safely through the dangers of today's world."

(Pol. Adv.—Paid for by Stevenson-Sparkman Committee, Sam, Rayburn, Chairman.)

Americans, I have listened to the barrage of oratory which has come to us in recent weeks over radio and video, and out of the welter of conflicting statements, opinions and promises made by candidates of both major parties, have reached the following conclusions:

Re Korea—Still confused as to whether we should have embarked on this "Police Action," I believe that having done so, we should bring it to a victorious conclusion. General Eisenhower, with his long, successful military career, seems to be the logical choice to end the Korean fiasco, with dispatch and at a minimum cost of lives and money.

Re Taft - Hartley—Governor Stevenson has declared for complete repeal of this law. General Eisenhower has declared for its retention with certain amendments. Both Sen. Taft and ex-Rep. Hartley (co-authors of the law) repeatedly have stated that certain amendments are in order, but that the provisions protecting workers from abuse by either employer or labor boss must be retained. In my humble opinion, this law is "A Bill of Rights" for labor and its main provisions should be retained. I string along with Ike in his stand on this law.

Re Free Enterprise—Governor Stevenson has stated that the development of electrical power should be left to private interests, except where they cannot cope with the situation. On the other hand, the General has suggested a partnership of federal government and private interests where private interests are not able to tackle the job alone. As between the two, on this particular issue, my vote goes to Ike.

Re the Washington Mess—Governor Stevenson recognizes the corruption at Washington and has promised to clean it up. In this, I believe he is sincere. The Governor abhors what has transpired and is going on at Washington. But, I doubt that he could do the job. He owes his nomination to individuals within his party, upon whom, if elected, he

could not entirely turn his back.

As a case in point, Governor Stevenson was opposed to President Truman participating in his campaign. But owing his nomination at least in part to the "Missouri Mauler," he withdrew his opposition. The Governor is above all a gentleman and how he must inwardly writhe at the guttersnipe campaign Harry is conducting on his behalf!

As President Truman has expressed his determination to continue after out of office, his fight for a "Welfare State," it is too much to hope that, if elected, the Truman influence will not continue to harass and plague Adlai Stevenson.

On the other hand, General Eisenhower can tackle the job with a free hand. He really can turn the rascals out. A Republican Senator expressed the case most aptly when he said: "Regarding the mess at Washington, the election of Mr. Stevenson to succeed Mr. Truman would be like leaving the soiled diaper on the baby—and just changing the safety pin."

And so, as the candidate most likely to clean up the mess at Washington, my vote goes to Ike.

Re Communist Infiltration—Both the Governor and the General, I am firmly convinced, would put forth their best efforts to ferret out, fire and punish any Communists sympathizers who have sneaked onto the public payroll. But here again, the General would be in a more strategic position to do this essential job of ridding our government of traitors and spies. My vote on this score, therefore, goes to Ike.

Those are a few reasons why I LIKE IKE.

National Disgrace

President Truman did our democracy a good turn by calling attention to the failure of many Americans to make the most of their opportunity to vote. Contrasting disuse of the ballot in this country—49% stayed home in 1948—with widespread appreciation of the ballot in other countries, the President gave out these figures of voting percentages in general elections:

Belgium	90%
Italy	89%
Great Britain	83%
Sweden	80%
France	75%
Canada	75%
Japan	71%

Mr. Truman's figures are already a little outdated. In West Germany the first free elections have seen a vote turnout generously in excess of 90% in many places.

While interest in elections has gone up in Europe, it has gone down in the United States. Here are the figures on the percent of eligible Americans who have voted in the last half century, in representative election years:

1896	83%
1916	71%
1940	62%
1944	56%
1948	51%

Is the performance in the United States going to drop below 50% on Nov. 4—or are we going to do at least as well as the Japanese?—St. Louis Post-Dispatch.

TEAMWORK

Messrs. Truman and Stevenson are presenting a novel spectacle, even in our free-wheeling politics. Whether by design or

DON'T LET 'EM TAKE IT AWAY!

natural inclination, Adlai is taking the high road, and Harry the low road. Thus Harry can leave all the dead cats, and Adlai can assume a position above the sordidness of realities, deplore "the shadow of politics" falling across vital issues, make us feel

it is downright immoral to criticize what has happened. "Instead of crying over spilled milk," he quoted the Denver Post, "let's see how to wipe it up."

Good idea. But it will take a cleaner rag than the Administration can give him.

HAUL WITH THRIFTY POWER... SWITCH TO DODGE!

"... pays off in extra economical operation!"

... says Vernon Hanson, Vernon Hanson Lumber Co., Creswell, Oregon

"We operate over rough off-the-road areas and haul big loads in all kinds of weather," says Mr. Hanson. "Our work is plenty rough on trucks, but our Dodge 'Job-Rated' truck can really take it.

"We've found, for example, that we haul bigger payloads without

overloading in a Dodge. Our maintenance cost is exceptionally low, too, and this pays off in extra economical operation.

"And Dodges are sure dependable, day in and day out they really put out the work. Yes... for tough hauling jobs, we like Dodge trucks!"

- ▶ For power and economy, there's a Dodge truck to fit your needs—1/2-through 4-ton.
- ▶ Save with features like fuel mixture equalizing tube (twin carburetion models), wide range of transmissions.
- ▶ Want dependable power? Dodge engines have pre-fitted type bearings, oil-pressure relief valve, and moistureproof ignition.
- ▶ Slash upkeep, gain smooth operation, with glycol Fluid Drive. Available on all 1/2-, 3/4-, 1-ton, and Route-Van models.
- ▶ Check these Dodge advantages. Stop by for a good buy.

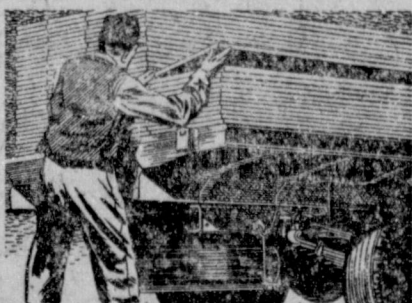

SWITCH TO DODGE... GET ECONOMICAL POWER!

Trim fuel bills. Start saving with Dodge economy features like high compression ratios, lightweight aluminum-alloy pistons with 4 rings instead of 3, "hotter" spark plugs in low-tonnage models.

GO DODGE... CUT DOWNTIME AND MAINTENANCE

Keep your truck on the road, earning money. Cash in on Dodge low-maintenance advantages like chrome-plated top rings, exhaust valve seat inserts, positive-pressure lubrication.

BUY A DODGE TRUCK... THEY STAY YOUNG LONGER!

You can depend on a Dodge. Records show longer truck life, due to features like shot-peened rear axle shafts, special steel alloy springs, wear- and heat-resistant valves.

Hornets Win - - -

advancing to the Hornet 23 before losing on downs, holding the Hornets to 15 yards gain, taking a kick on their 22 and starting again. But another fumble ended the attack on their 29.

From that point Richey went to the 5 and two more plays completed the job, Hamric going over for the TD.

Shortly later, after holding the Yellowjackets to two first downs, the Hornets received a Boyd kick on their 32. On the third play Muenster uncorked a pass for 66 yards and touchdown number 3. Aytes took Hamric's heave in midfield and ran the rest of the way after Noggler cut out an intended tackle with a beautiful block.

The rest of the half saw lots of action but no scoring. Arrington's 33 yard dash and a 23 yard pass play put Boyd on the Hornet 8 but another fumble ended the scoring threat. Boyd held and

returned the Hornet kick to the 30, then failed on another scoring threat as Noggler intercepted. A pass Hamric to Richey was good for 30 to the visitors 30, but Bedford's interception stopped the Hornets there. On the last play of the half Richey and Coleman made a joint catch of Bedford's 30 yard pass and went down together wrestling for it. The play was ruled as a completed pass.

Early in the second half a tricky bounce of Noggler's kick was fumbled by Coleman and Muenster recovered on the Boyd 30. Noggler went around end for 22, Jones added 7 and Hamric sneaked over for the score.

Next came the visitors' only score, on a fast 70 yard advance. Hunn took Bedford's pass and gained 51 before Noggler overtook him. Four more plays completed the distance, Arrington going over and also kicking true for the extra point.

Noggler, shining in the rest of the game, had a bad night on kicks for extra point. Only two of his six attempts were good.

The rest of the third quarter and about half of the fourth saw considerably more action without scoring. Boyd intercepted and two plays later Muenster intercepted. Muenster gained and lost the ball on downs. Boyd gained and lost it on another fumble. Muenster gained again and lost the ball on downs. Then Richey intercepted Bedford's pass, picked up beautiful interference and raced 60 yards to the line.

Play until the next TD was featured by Muenster's recovery of another fumble. Boyd's interception, Boyd's gain of 48 on a pass, and finally, about a minute before the end, another sensational Hornet score as Noggler took Hamric's pass and streaked 55 yards down the left sideline to the goal.

Tigers Win - - -

Tigers to kick. Anna, stopped cold, also had to kick and Jerry Henscheid made a nifty return to the Anna 35. Two short gains followed by Albert Knabe's 27 yard run produced the touchdown. The kick for extra point failed and Anna led 7-6 as the half ended.

The Tigers started the second half by recovering Anna's fumble on the first scrimmage play but kicked after Anna held for three downs. Then they held and blocked Anna's kick on the Anna 10.

Four plays failed to reach the goal and Anna took over on its 3, kicking again after the Tigers held them on the series of downs. Joe Felderhoff's return of that kick from the 40 to the 5 set up the Tigers for their next TD. Gilbert Knabe went over on the third play.

The third marker came minutes later. Anna kicked after failing to gain. Sacred Heart

made a first down but lost the ball on an interception. Two plays later William Walterscheid intercepted an Anna pass in mid-field and ran it back to the 25. Next play Gilbert Knabe went for the touchdown.

Anna came back determined and pushed 60 yards before the Tigers braced and took over on their 10. Recovering a Tiger fumble on the 20 Anna had another chance but got only as far as the 5.

The Tigers then put on a drive which bogged down after 60 yards and Anna took over on its 25. Time ran out as Anna lost the ball on a fumble on its 25.

In 1800, both Thomas Jefferson and Aaron Burr were tied for the Presidency with 73 electoral votes. (The House of Representatives then chose Jefferson, in a vote by states.)

One more electoral vote would have made Aaron Burr (who shot and killed Alexander Hamilton in a duel) President of the United States.

One Vote is Important. Your Own might be decisive.

Al Horn and Alfons Hoenig returned Tuesday morning from a trip to Corpus Christi. They left here Sunday to deliver a load of cheese and visited with Alfons' brother, Rev. Alfred Hoenig at Corpus Christi College.

appropriating a state's property. As Texans we are particularly interested in that issue. Ike favors letting Texas keep its tidelands. Stevenson wants to claim them for the federal government. Trumanites of the state like to brush off that issue with the remark that the tidelands have little value anyway. Geologists however do not consider them a trifle. On discoveries already made they estimate a potential royalty value to the state of 5 billion dollars and believe that future discoveries will reveal as much more. Add a few billion more for taxes when the property is developed, in addition to income from leases, and you see what Texas has at stake in this squabble. As a Texan are you willing to hand this over to the federal government?

Possibly the biggest issue of all in the campaign is communism . . . at home and abroad. Truman angrily snaps that he has taken steps to throw the reds out but resists every effort to investigate a suspect Adlai still has not given a satisfactory explanation of his membership in the ADA. On the other hand Ike has a clean record as a foe of communism. On the basis of such facts, which is the better prospect to kick out the reds?

Regarding foreign affairs Adlai endorses the administration's present policy and proposes to team up with the very gang that has blundered all the way from Yalta to Korea. Again who is the better prospect to handle the situation? Isn't your confidence in the present crowd wearing rather thin?

All the way down the line there isn't a single major issue on which Ike doesn't look better

4-H Top Honors - -

Mrs. Adolph Fuhrmann, is a senior in high school, is completing his fifth year of 4-H club work and has conducted demonstrations in poultry, dairy and beef cattle, swine and field crops. He has also participated in tractor maintenance, farm safety, farm and home electric and soil conservation programs.

He has held every elective office in his local club except secretary and currently is reporter for the county council. He has won 99 ribbons on his exhibits at county, district and state shows and in 1950 won an Anderson-Clayton Cotton Scholarship which he will use when he enters college. He was a member of district winning livestock and dairy cattle judging teams and participated in two-state contests held at Texas A. & M.

During the past four years he has handled 767 chickens and turkeys. All except 200 broilers and 60 turkeys have been laying hens. He is a strong believer in disease prevention and reports he has never had a disease outbreak in his flock. His replacement pullets are wormed twice and vaccinated against fowl pox and new castle disease before they go to the laying house. Sanitation and parasite control are two practices he carefully observes and green pasture is used most of the year.

Cooke County Agent B. T. Haws has supervised Robert's successful 4-H program with help from the assistant agents who have served in the county. Robert's father is adult leader for the Lindsay 4-H Club.

Mr. and Mrs. Henry Hobbs and daughters, Patsy and Jean, and Sam Richey visited relatives in Dallas Saturday and Sunday.

Homecoming Queen To Be Named Friday

A fast and short contest is under way at Muenster High this week to determine who will be football queen for the Homecoming game with Era on November 7.

Contests to pick class duchesses ended at the Halloween carnival Monday night. Since then the four high school duchesses are competing for the title of queen. At coronation ceremonies the queen will be attended by the duchesses.

The royal party, representing both elementary and high school, consists of Bobbie Tuggle, Sharon McGowan, Carolyn Cain, Lu Rena Wolf, Harriet Otto, Norma Klement, Louise Butler, Mary Nell Hellman and Jane Hellman.
