

# MUENSTER ENTERPRISE

VOLUME XIX

MUENSTER, COOKE COUNTY, TEXAS,

JANUARY 21, 1955

NUMBER 9

## Service not Wealth Is the Measure of Education's Value

Some interesting discussions are going on around town lately on suggested locations for the city swimming pool. Three spots have been proposed, and each has its merits, along with its demerits. They are the city park, the area a half block west of Main on which one of the city wells is located, and the baseball park.

For the benefit of local citizens the column will attempt to enumerate here most of the merits and demerits mentioned in connection with each location in the hope that people will consider each in the interests of general community welfare and in relation to future community development.

First, then, let's consider the city park. From a standpoint of natural beauty it's definitely the best location of the three. It has trees and a creek. If brush were removed, a nice sod established, and tables and barbecue pits scattered around it could be developed into a good looking place. Besides it already has some children's playground equipment and plenty of room for tennis courts and other park facilities.

But it is the least accessible of the three locations, it is unpleasantly close to odors from whey pits and stock pens, and it has mosquitoes. So while the place offers the best possibilities of them all it also presents the biggest problems. Odors and insects would have to be eliminated before the place is desirable for a swimming pool. So would the present rough surroundings, among which a nice pool would be out of place. All of which involves big problems and big expenses.

In addition there's the greater expense of building a pool there. The extra pipe to bring water to it and cost of opening a street to it, under the highway overpass, would probably raise the price as much as \$2,000. And even then it would be less accessible than other locations.

Considering all the angles we might say our present question depends on the answer to another question. Will Muenster spend the time and money to make a really good park out of the location? If not, the place is the least desirable. If so, it is worth considering along with the other proposed spots.

Another location long considered is that near the No. 1 well. Just a half block off Main, it is easy to reach, much more convenient especially for children who leave it afoot after dark, and also free of the hazards of a railroad crossing. As regards building expense, it is probably the best the city can offer. Construction will be a cinch in the gravel formation and very little pipe is needed to reach the pool. However, the place is also the bleakest in town. Not a tree on the whole area, and a very ordinary view in every direction. Lending a little beauty to the place would require a sizeable expenditure, and besides, it has only a small area for the addition of kiddies' equipment, tennis courts, etc. And it would demand some expenditure to improve streets, alley, and a parking lot.

The other suggested location was first mentioned only a few days ago. It's the baseball park, and at least two spots on it have been proposed as locations for the pool. It might be in the southwest corner, between the water tower and Second Street with bath house facilities extending to the east. Or it might be in the northwest corner. In either case it is believed that the pool and shower house can be squeezed in.

The place offers two of the advantages found west of Main. Accessibility and conveniently available water supply. Presence of rock near the surface would increase building costs, but on the other hand the presence of already developed streets would eliminate the expense of street improvements. Considering surroundings it is also about the most desirable place in town. Only a block from Main and surrounded by developed residential area, it is convenient and more pleasing to the eye.

But it too presents problems. First of all it isn't all agreed that the area is large enough for both a good pool and a good

(Continued on Page 8)

Service to God and man rather than the attainment of wealth ought to be the goal of young men and women in planning their educational careers, Brother Elmo Bransby, C.S.C., president of St. Edward's University told some 300 youths and parents at a deanery CYC meeting in the Muenster High auditorium Sunday afternoon.

The educator was talking in behalf of Catholic universities of Texas on a program sponsored by Knights of Columbus of the sixth district in cooperation with the state council's objective of encouraging Catholic higher education.

In this age of materialism, Brother Elmo said, it is more important than ever before to establish basic principles in harmony with the absolutes of truth and goodness as guides to one's future thinking. He pointed out that the ideal to seek in education is a mind that knows truth and a heart that loves it. Such a mind will also include the Christian virtues of charity, humility and tolerance along with emotional maturity and stability of judgment.

As a standard of true Christian education Brother Elmo quoted from Palonius' words to Laertes in the Shakespearean drama: "Above all, to thine own self be true . . . for then thou cannot be false to anyone."

The speaker was introduced by J. W. Fisher, a member of the K of C state committee on higher education. District Deputy Arthur Endres also talked briefly on the K of C student loan fund which is available to sons and daughters of members.

The remainder of the program featured several numbers by the Muenster High band, a skit presented by students of Sacred Heart High, and the regular business meeting of the Catholic Youth Council.

Afterward the CYC members had a lunch and social in the parish hall.

## Notify Homsley if Child Was Missed On School Census

The scholastic census of the Muenster school district is proceeding on schedule, however the time has come to ask for the cooperation of people who have not been contacted to date.

Superintendent H. H. Homsley said he is making nice progress gathering data on families which are included either on the previous census report or on the enrollment records of either school. He has also enumerated new scholastics in some families that were not recorded before, but has no way of knowing whether his list is complete. So he asks parents of children who will be 6 on or before Sept. 1 to notify him if they have not been contacted.

The deadline for completing the census is January 31.

## Polio Drive off to Good Start; Variety Show Set for Sunday

Muenster's polio fund drive is off to a good start this week with containers for contributions in all business houses and several money-raising events scheduled.

A March of Dimes Variety Show will be given Sunday in the high school auditorium beginning at 8 p.m. Cloyce (Red) Gordon of Gainesville, himself a victim of polio in 1950 and county chairman of the dimes campaign, will be here with his troupe of entertainers. Local talent on the program will include Charlotte and LuRena Wolf and Sonny and Norma Jean Walterscheid. There will be no admission charge—a hat donation will be taken.

The porch light drive will be next Monday, Jan. 24. Between the hours of 7 and 8 members of the CYC will make calls to pick up contributions throughout the city. A lighted porch will be their invitation to stop.

The Catholic Youth Council is assisting the VFW Auxiliary, sponsors of the campaign, by conducting this part of the drive.

Sunday, Jan. 30, after all services at Sacred Heart church Auxiliary members will solicit donations at the church doors.

Mrs. Ray Swirczynski, Auxiliary president, is March of Dimes head in Muenster. Mrs. Lou Wolf is chairman of the show presentation and Mrs. M. H. King is in charge of the containers in business places.

## District Governor Of Lions Talks on Ideals and Emblem

Ideals as symbolized by the Lions emblem were enumerated by James Curtis, governor of Texas District 2-X, in his meeting Tuesday noon with members of the Muenster Lions Club.

The district governor called attention to the first two letters of the word "Lions", at the top of the emblem. Let the first stand for Liberty, he said, the cherished freedom to worship and speak and act as we please within the bounds of Divine laws. And let the second stand for intelligence. Not necessarily a high standard of book learning but the good judgment to weigh the merits of issues and decide in the best interests of all. Then, adding the remaining letters he formed the slogan "Liberty, Intelligence, Our Nation's Safety."

He suggested that the "L" in the center of the emblem be accepted as symbolizing Loyalty. Loyalty to one's church and country and family, loyalty also to one's club to the extent of co-operating in its program.

Referring to the lions' heads at each side of the emblem, Curtis said he liked to think of them as sentinels, guarding the ideals symbolized on the rest of the emblem.

He then said that all the organization's ideals can be combined into the simple two word slogan "We Serve", which was judged the winner in a slogan

(Continued on Page 8)

## Mrs. E. E. Ballinger Of Marysville Dies

Mrs. E. E. Ballinger, 70, a lifelong resident in the area north of Muenster, died at 5:40 a.m. Sunday at her home in the Marysville community.

Funeral services were held Monday afternoon at 2 o'clock in the Marysville Baptist church with Revs. Lee Branch and Lee Morris officiating. Burial was in Marysville cemetery under direction of George J. Carroll and Son Funeral Home.

Bearers were Earl Robison, Rafe McElreath, Lindsay Branch, Sam Sparkman, Dexter Dennis and Jess Shields.

Mrs. Ballinger, the former Miss Elsie Wright, was born in the Valley Creek community on Nov. 17, 1884 and was married to Mr. Ballinger on Jan. 31, 1906.

Survivors are her husband; four sons, Minor Ballinger of Pasadena, Calif., Ross Ballinger of Norwalk, Calif., Hardy Ballinger of Gainesville and Kerby Ballinger of Fort Worth; a daughter, Mrs. Ruth Dugat of Kountz; six grandchildren, one great-grandchild; a sister, Mrs. Beulah Holman of Panhandle, and a brother, C. D. Wright of Madero, Calif.

## MHS Nips Saint Jo Twice; In Practice And for the Record

Muenster High teams made it a clean sweep in two double headers with Saint Jo. At the scheduled conference tussle in Panther gym last Friday night officials failed to show up. To avoid disappointing fans the teams played practice games, Muenster winning both.

In accordance with an agreement made that night the teams played for the record in Muenster Wednesday night. MHS teams won again giving the girls a perfect record for their four loop contests and the boys a record of three wins out of four.

In the opener Friday night Muenster trailed 14-13 in the first quarter and held the lead the rest of the way. Scores for the other periods were 20-16, 37-30 and 48-36. Butler accounted for 21 and Cain for 20.

The nightcap was fast and furious with the lead changing several times in the first half and

(Continued on Page 2)

## Watershed Group Will Meet Jan. 28

Elm-Fork Watershed Association will hold its annual membership meeting Friday, Jan. 28, in the community center building at Gainesville, Tom Hickman, president, has announced. The time is 2 p.m.

Principal business on the program is election of officers for the ensuing year, a report of the past year's activity, and discussion of plans for 1955.

Members of the association have been active in helping secure easements for the detention dams and work hand in hand with personnel of the Soil Conservation Service in other projects.

## WITH THE MEN IN SERVICE

### Gets First Stripe

Clyde Muller has a promotion to private first class. He's stationed at Fort Lewis, Wash.

### Undergoes Back Surgery

S.Sgt. Ernest Sicking underwent a major back operation last Thursday at Lackland A.F. Hospital to correct an injury sustained several months ago while on duty in Africa. The surgery lasted four hours and Ernest will be a hospital patient for some time. Those wishing to cheer him with cards and letters will use this address: S.Sgt. Ernest F. Sicking, AF 18381302; Ward B-16, P.O. Box 1559; Lackland A.F. Hospital; San Antonio, Texas.

### Has Service Discharge

Paul Hacker, in the army for the past two years, is back at home after receiving his separation papers at Camp Carson, Colo., where he took basic training and spent his entire hitch. He was connected with a field artillery battalion. Paul is the son of Mr. and Mrs. Andrew Hacker.

## Bank Will Accept Poll Tax Payments

Community residents who wish to avoid a special trip to the court house to pay their 1954 poll tax will have the opportunity again to make their payments at the bank.

J. M. Weinzapfel said this week that the bank is offering its customary accommodation of submitting applications and payments to the county tax office. All the taxpayer has to do is fill out the slip showing his name, age, voting precinct, etc. and make his payment. A few days later he will receive his poll tax receipt directly from the tax office.

Besides saving a trip this arrangement avoids the necessity, for late comers, of standing in line in the court house.

## Three Sites Tested For Building Plans

Test holes drilled last week by the Cooke County Electric Co-op's digger, and more to be drilled soon, are signs of progress which is expected to begin taking shape in the near future. All are intended to show ground formations which can be considered in plans for future building.

Some of the holes were drilled in the city's half block on which the No. 1 well is located . . . a half block west of Main between First and Second . . . to check the location as a possible site for the proposed swimming pool. Other locations for the pool are also being considered but no more test holes have been drilled.

The other testing was for The Variety Store's future new home at the location now occupied by Main Cafe. The tests to be made soon are for the new Charm Shop building at the present Charm Shop location.

Anthony Luke and J. M. Weinzapfel, the two builders, have engaged Martin Kleuser and Son of Dallas as architect. Plans for both buildings are being drawn now, and the drilling tests are intended to furnish information for the foundation plans.

## NEWS OF SICK AND INJURED

Sister Aloisia is confined to bed since Monday suffering from influenza.

Mrs. Charlie Clayton Jr., is recovering satisfactorily at her home following minor surgery last Friday in M&S Hospital at Gainesville.

Mrs. John B. Klement has been dismissed from Gainesville Sanitarium following major surgery and is convalescing at the home of her daughter Mrs. Buddy Reiter. Mrs. Klement says thanks to all who remembered her so kindly and generously with get-well cards, flowers, visits and prayers during her illness and stay in the hospital.

## Knights Postpone Social for Lions Benefit Spectacle

To give their members a chance to see the scramble of Muenster and Gainesville Lions in the Muenster High gym, Knights of Columbus this week postponed their regular Thursday night social a half hour. The program will begin at 8:30 instead of 8.

Starting time for the big spectacle in the gym is 7:30. That program will present the two clubs, dressed in tacky women's clothes in volley ball and basketball games. There was talk for a while of having the contestants strut in high heel shoes but that part of the plan seems to have fizzled . . . not enough oversize women's shoes available. However plenty of gaudy attire and gaudy make-up are assured.

An added feature for the program is women officials. They are Mmes. M. D. Kaderli, Bill Searcy, John Hosea and Urban Endres. But they are not telling how they will be dressed.

Mrs. L. A. Bernauer, Mrs. Steve Mosler, Miss Marian Starke and Miss Julia Wolf spent Wednesday in Dallas attending a luncheon meeting of the North Texas group of the National Association of Bank Women.

## City Hires Engineer For Waterworks And Sewer Jobs

Reaves and Gregory, consulting engineers of Fort Worth, will direct the construction of improvements to the Muenster waterworks and sewer systems. An agreement to take on the project was reached in a meeting of Paul D. Gregory with members of the city council Wednesday afternoon.

The engineering firm will not take on construction of the swimming pool, however, Gregory told the council that his organization specializes in waterworks and sewer construction and recommended that another engineer more familiar with swimming pools be engaged for that project.

Gregory said he will begin at once on revising present city plans to show additions that have been made since the main projects were completed and will also start drawing plans for extensions in the two coming projects. A field crew to gather data for the jobs is expected to start working in a few weeks.

The council has hopes that first plans for the work will be ready about the time that first materials are available. Final approval on the bonds is expected soon. First funds will be available a short time later after which the city will submit its first order for materials.

Work will be done by local labor under the supervision of Steve Mosler, waterworks and sewer superintendent.

## Tigers Lose Two Loop Games, Girls Wallop Marietta

At the half-way mark in their Southwest Academic League district race the Sacred Heart Tigers are still looking for their first win. During the past week they lost 55-44 to Catholic High at Texarkana and 58-27 to Boys Ranch in the local gym.

The tussle at Texarkana Friday night was the first of the season in which the boys have not been definitely outclassed. They played the Eagles on fairly even terms from the opening whistle and crowded their hosts at times even though they were not able to break into the lead. The count at intermission was 29-22 and the final score was 55-44. Owens with 15 and Fleitman with 12 led the way for the Tigers.

Boys Ranch playing here Tuesday night got off to a 16-1 first period lead and coasted the rest of the way. The Tigers did their best in the second quarter with a 9-8 advantage, which was insignificant in comparison to the visitors lead. From then on the Ranchers continued piling up their margin for a third period count of 40-19 and a final score of 58-27. Herr was top Tiger scorer with 8. Walter and Owens were next with 6 each.

Sacred Heart girls got along better in their double header with Marietta here Friday night. Second stringers played circles

(Continued on Page 8)

## SCHEDULE OF COMING EVENTS

THURSDAY, Jan. 20, Muenster vs Gainesville Lions, basketball and volley ball, MHS gym, 7:30.

FRIDAY, Jan. 21, MHS vs SUNDAY, Jan. 23, March of Dimes Variety Show, school auditorium, 8 p.m.

MONDAY, Jan. 24, Polio Porch Light Drive, 7 to 8 p.m.

MONDAY, Jan. 24, Free movie and refreshments, MHS auditorium, 7:30 p.m.

MONDAY, Jan. 24, Boy Scout Mothers meeting, in the parish lunch room, 8 p.m.

MONDAY, Jan. 24, Muenster 7th Grade boys and girls vs Nocona, here.

TUESDAY, Jan. 25, SH Tigers vs Laneri, here.

TUESDAY, Jan. 25, SH Girls vs OLV Academy, here.

TUESDAY, Jan. 25, MHS vs Valley View, there.

WEDNESDAY, Jan. 26, Muenster 7th Grade boys and girls vs Valley View, there.

FRIDAY, Jan. 21, SH Tigers vs St. Mark's, there.

"UNDER"NOURISHED — Nourished under water, that is. Pauline Ady and Barry Blair, framed by a port of their diving tank at an exhibition in London, England, demonstrate that you can have a snack while enjoying the growing sport of skin-diving. Bananas are a made-to-order food for underwater lunch; liquids may be carried in plastic, compressible containers and squirted into the mouth. Spectator is Carol Parr.

## Local News BRIEFS

Mmes. Ray Evans, R. T. Brock and L. J. Roberg were visitors in Wichita Falls Wednesday.

Mr. and Mrs. Joe Luke spent the weekend in Shreveport, La., visiting their son and his family, the Norman Lukes.

Keith Tompkins brought his little girls, Judy and Sharon, to Muenster Wednesday for a few days visit with their grandparents, the Victor Hartmans.

Mr. and Mrs. J. W. Fletcher had as dinner guests Sunday Mr. and Mrs. Jim Embry of Saint Jo.

Mrs. Eva Gottlob of Azle arrived Tuesday for a visit with her

relatives, members of the Miller families.

Mr. and Mrs. Leonard Bindel of Dallas visited here Tuesday with his parents the Frank Bindels and bought a new Chevrolet before they returned home. Their car is a two-tone Power Glide four-door sedan.

New Fords in circulation lately are G&T Drilling Company's country sedan, Andy Schoech's 4-door town sedan, W. G. Boyles' 2-door Customline, Joe Parker's 4-door Fairlane and Curley Fuhrmann's pickup.

### MRS. CHARLEY HELLMAN ENTERTAINS CLUB TUESDAY

Mrs. Charley Hellman entertained members of the Dizzy Dozen Birthday Club Tuesday night with a fried chicken supper in the Blue Room of the Main Cafe.

Mrs. Ray Stewart was birthday honoree for the month and received a gift from the club.

Places were laid for Mmes. J. C. Trachta, Ray Swirczynski, Dick Trachta, Leonard Yosten, M. H. King, L. J. Roberg, F. A. Kathman Jr., Hellman and Stewart.

After the meal the group played hearts and scrabble.

### PTA Members See FHA Ceremonies

The outstanding feature of the PTA meeting Tuesday night was the initiation of new FHA members and the installation of new FHA officers.

New members admitted in the solemn candle-light ceremony are Jean Wieler, Agnes Noggler, Patsy Dennis, Margy Walterscheid, Janice Klement, Judy Cain, Carolyn Cain, Denna Richey and Virginia Kirk. The nine girls also received their junior degree pins signifying completion of the first phase of their work in homemaking.

New officers are Joyce Wiesman, president; Louise Butler, vice president; Corina Vogel, secretary; Juanita Wieler, treasurer; Patsy Morris, parliamentarian; Norma Klement, historian; Clara Fisher, reporter; Marcy Klement, song leader; Mary Trubenbach, pianist.

Rita Cain installed the new officers after which Joyce Wiesman took over for the initiation ceremonies.

Queenie Homsley and Colette Hellman acted as ushers for the new members who had as their guides Lorraine Sicking, Patsy Horn, LuRena Wolf, Mary Lu Vogel, Helen Fisher, Ginger Wolf, Wanda Richey, and Patsy Cain.

The table at which the ritual took place held the red and white candles used in the ceremony and a centerpiece of red carnations. All the girls were dressed in white except Rita Cain who was dressed in red.

Three girls, working on their chapter degrees, Patsy Cain, LuRena Wolf and Emma Fisher, gave short talks outlining the work of the FHA and citing its purposes and aims.

After the meeting the chapter served coffee and cookies to those present.

three period scores were 10-7, 27-19 and 40-30. A rally by the visitors narrowed the margin to 4 in the last quarter and the outcome was shaky. But a final surge paid off for Muenster and the game ended 50-32. Haverkamp was top scorer with 16. Cain looped 14 and Myrick 13.

The boys' game too gave Muenster fans a scare before the final whistle relieved their tension on the count of 45-41. With Saint Jo still feeling the effects of a hard tussle at Sanger the night before, Muenster first stringers posted a 9-0 lead in the first quarter and reserves, playing most of the second, had a 25-13 advantage at the half. Regulars again took over in the third and ran the count to 34-13 in three minutes. By the end of the period the score was 38-20. Then Hosea gave his kids a chance and Saint Jo started closing the gap. With 2 minutes left and a margin of 4 he relieved three of the kids and the game settled down for a final tally of 45-41. Dougherty looped 11, Trubenbach and Richey each 7.

Big tests for the MHS teams are scheduled for Friday night when they meet Sanger, rated as the power in both divisions of the conference race. The games will be played here, starting at 7:00.

Next Tuesday they play at Valley View to complete the first half of the double round robin schedule.

### Ticket Sales for Banquet End Jan. 27

Friends who expect to attend the banquet honoring Muenster High's 1954 Hornets have one more week to get their tickets. Members of the Mothers Athletic Club, sponsors of the affair, have announced that ticket sales will end on January 27. They have set the deadline for that date so they will know the definite number to prepare for two days in advance.

Those interested in attending are reminded to keep the deadline in mind so they will not be disappointed. Tickets will be taken up on the 27th and none will be available after that.

The banquet will feature presentation of jackets to the '54 Hornets, and its special guests will be members of the '54 All-District team. Superintendent Homsley will be the speaker and Coach Hosea will be toastmaster.

### Wheat Producers Compete With Huge Carryover in 1955

COLLEGE STATION — Wheat growers will heap their 1955 production on an estimated national carryover of some 1,000,000,000 bushels. And, as a result, the government's support program is expected to hold up the price.

Based on current prospects, carryover stocks probably will be reduced during the 1954-55 marketing year with further cuts due the following year.

John G. McHaney, extension farm economist, says total wheat supplies for the current marketing year will approach 1,884,000,000 bushels, the largest in history.

The economist expects wheat exports to rise above last year.

He says domestic consumption and exports are expected to top the 850,000,000 bushel crop in prospect for '55, making possible the reduction in carryover stocks.

Howard Keel and Ann Blyth appear together against a backdrop of the famed Canadian North Woods in the beautifully Technicolored and Cinemascope "ROSE MARIE". Made in the usual lavish MGM manner, "ROSE MARIE" opens Tuesday, January 24, at the Relax Theatre.

Under the present farm program, wheat grown must be supported by parity between 82.5 and 90 percent. The national support level for the 1954 crop was \$2.24 a bushel. The support this year cannot go below \$2.06 a bushel.

### Elementary Kiddies Lose Semifinals at Callisburg Tourney

Pee Wees of the Muenster Public School encountered too much competition in their two games at the Callisburg Elementary Tournament last Friday. Girls were eliminated by Callisburg in the consolation semi-final in a hot tussle that ended 30-25 and the boys were thoroughly mauled 44-16 in their champ semi-final with the Valley View kids, who went on to cop the champ trophy.

A quint of classy eighth graders, apparently prospects to give the high school loop a lot of trouble in a few years, did the job for Valley View. However Weldon Holland's kids, all seventh graders, got their revenge Monday when they took on the Valley View seventh graders here. Muenster romped away with a 44-9 win. Muenster girls lost their game in the last quarter 16-12 after leading Valley View most of the way.

Next games for the Pee Wees are with Nocona here Monday night and Valley View there Wednesday afternoon.

George Gehrig spent Monday in Dallas on business.

Mrs. J. C. Trachta, Otto Walterscheid, Ann and Robert Huchton visited friends in Tishomingo and Ravia, Okla., Sunday.

Henry Wolf returned home Friday by train from the west

coast after a car trip to Fort Lawton, Wash., with his son, Pfc. Ernest Wolf, when he returned to camp after a 22-day leave here. They enjoyed sight seeing on the way and in Los Angeles, San Francisco and Seattle before Ernest reported for duty. He kept his car with him.

### Raef-Walterscheid Wedding Solemnized At Saint Francis

In Saint Francis Church, Potter county, Miss Opal Raef, daughter of Mr. and Mrs. Charles F. Raef of Saint Francis, became the bride of Leonard W. Walterscheid, son of Mr. and Mrs. Frank Walterscheid of Hereford, formerly of Muenster, on January 11, during a nuptial high mass at 9 a.m. Rev. Joseph H. Walter, pastor, was celebrant of the mass and officiated at the double ring ceremony.

Miss Joyce Raef, cousin of the bride, played the processional and recessional and was accompanist for Edward Dzuik Jr., who sang "Ave Maria" before the ceremony and gave solos at the offertory and after the mass, and for Saint Francis grade school choir that sang the Mass of the Angels.

The bride, given in marriage by her father, wore a gown of white satin and lace in classic cut with a full skirt of satin and tulle overskirt extending into a chapel length train. The moulded bodice of satin was lace covered with a tiny stand-up collar and petal point sleeves.

Her veil of sheer white illusion was attached to a semi-cap of lace covered satin embellished with seed pearls and iridescent sequins, and her bouquet was of white roses and cascades of white stephanotis. Adding a bit of sentiment, the bride wore a garnet and pearl ring which was her grandmother's engagement ring.

Misses Betty Lou Walterscheid, sister of the groom, and Mary Ann Acker were bridesmaids gowned identically in open blue net over taffeta. The ballerina length frocks were designed with fitted jackets and they wore matching ruffled headpieces.

Miss Joyce Koehler was maid of honor wearing a costume of royal blue styled to duplicate the bridesmaids' dresses.

James Henderson was best man; Vincent and Larry Walterscheid, brothers of the groom, were groomsmen; and Fred and Edmond Raef, brothers of the bride, Kenneth Walterscheid, another brother of the groom, and Fritz Huffman were ushers.

The bride's mother wore a pink crepe dress with black accessories and the groom's mother wore navy blue taffeta with navy accessories. Both had orchid corsages.

A reception at St. Anthony Hall, Hereford, followed by a dance at night in the Jim Hotel complimented the newlyweds. After a trip to the Gulf Coast Mr. and Mrs. Walterscheid will be at home at 4629 South Parker Street in Amarillo where both are employed, he at an implement store and she with the American National Bank.

Mr. Walterscheid was born in Muenster and attended Sacred Heart grade school here. He was graduated from Hereford High and recently returned from two years of army service with duty in the Far East. His bride is a graduate of Panhandle High school.

Among out of town guests at the wedding were Mr. and Mrs. Al Walterscheid of Muenster, Mr. and Mrs. Ervin Walterscheid of Gainesville, and Theo Schmitz and Miss Theresa Loerwald of Lindsay.

### MHS Junior Class Rehearses Comedy

Muenster High juniors are rehearsing their annual class play under the direction of L. B. Bruns. Entitled "Hillbilly Courtship," the three-act comedy is a laugh from the opening scene to the final curtain.

In these days of frozen foods, a good cook is a wife who serves a meal she thawed out all by herself.

**WRONG PROTECTION—** Prudent owners of this house in West London, England, have kept their portable air-raid water pump (circled) ready for use all these years, but they never dreamed a freak wind-storm would slice off the side of their dwelling. No one was injured by the strange "twister" of fate.

### Frances Streng to Wed Airman Feb. 12

Mr. and Mrs. John Streng announce the engagement and approaching marriage of their daughter, Frances, to Airman First Class Tony Chantre Jr., of Sheppard Air Force Base, son of Mr. and Mrs. Tony Chantre of New Bedford, Mass.

The couple has selected Saturday, Feb. 12, as the wedding date. The nuptial service will be solemnized in Sacred Heart Church at Wichita Falls with Very Rev. Msgr. Anthony E. Daly officiating.

The bride-to-be is a graduate of Sacred Heart High school here and is employed in Wichita Falls. The prospective groom was graduated from New Bedford High and attended Textile University before entering the Air Force.

### Couple Honored on Third Anniversary

In observance of their third wedding anniversary Saturday, Mr. and Mrs. Albert Schilling

were honor guests at a supper party in the home of Mr. and Mrs. Frank Schilling. It was also Albert's birthday.

All the guests brought covered dishes for a menu featuring fried chicken and after the meal enjoyed square dancing and watching television. The honor couple received a shower of gifts in keeping with the occasion.

Present were Messrs. and Mrs. Carl Schilling, Albert Henschel, Eugene Klement, Alfred Bayer and Gary Hess, Arnold Schilling, the hosts and the honorees.

### Hereford Family is Feted During Visit

Mr. and Mrs. Adolph Knabe and sons Dwaine, Darrell and Weldon, visiting here from Hereford, were honor guests at dinner parties, suppers and family gatherings during the week.

Sunday at noon her parents, Mr. and Mrs. Clem Reiter, entertained in their home with all family members present. Attending were the Andy Arendts and children Butch, Davey, Cathy and Jenny of Lindsay, the Bob Reiters and son Bobbie, Reynold Reiter of Denton, and Basil Reiter. Also Adolph's parents, Mr. and Mrs. Albert Knabe and sons Gilbert and Albert, and Mrs. Angeline Shumaker and daughters Dianne and Ruby.

Monday night the visitors and all members of her family were guests for supper in the home of the Andy Arendts at Lindsay.

Thursday of last week his parents entertained in their home with a supper party and reunion of the Knabe and Reiter families. Together with the honorees and their parents for this occasion were the Arnold Knabes and daughters, the Alphonse Reiters and family, the Albert Stoffels and children, the Andy Arendts and children, and Raymond Lutkenhaus, Gilbert and Albert Knabe, and Mrs. Shumaker and daughters.

### RED TACTICS AND TECHNIQUES

The first axiom in ideological warfare, as in any warfare, is: "Know and understand your enemy." In today's battle for the minds of mankind, most of the people who understand and subscribe to the American way of life have correctly identified world Communism as the enemy determined to destroy the basic principles upon which our freedom and progress are founded. But only a small percentage of Americans really understand the tactics and the techniques which the conspirators among us are using to infiltrate and shape

the thinking and actions of important segments of our population.

One of the important strategies of the conspirators is to win over as many college men and women to their cause as possible—as their "Elite Corps" to do the work of infiltrating and mobilizing support for the Communist cause among the less well educated. In an instructive editorial in last week's issue, the Saturday Evening Post points up one phase of this strategy, that of infiltrating and colonizing labor unions. The Post cites facts uncovered by the House Un-American Activities Committee during investigations and hearings in highly industrialized Flint, Michigan.

#### Plot Uncovered

An FBI undercover informant revealed that a young Communist had been sent into Flint to recruit auto workers into the conspiracy and dominate a union. This Communist got a job in a big auto plant. Filling out his employment application, he wrote that he had had one year of a college engineering course, then had been in the Navy, and, afterward, had worked several years in New York.

However, when he testified before the House committee under oath—faced with the penalty of perjury—he told the truth: that he'd received a bachelor-of-electrical-engineering degree only two weeks before applying at the Flint auto plant. When asked whether he was a Communist, he took the Fifth Amendment. The FBI undercover man testified that he was an important Communist doing important Communist work. And significantly, he had hidden his professional engineering qualifications in order to get a job on the assembly line, join the union and do his poisonous work among the thousands of hourly employees.

#### Astonishing Facts

Another witness who took the Fifth Amendment, had applied for assembly line work in another big automobile plant in Flint. Although he was a college graduate, holding a bachelor's degree, he too hid the fact and took an hourly wage job. In his application he said that for two and a half years he had worked for a Detroit fence company. When the auto company sent a questionnaire to the Detroit firm, a letter came back from the company's "co-owner". The letter said the applicant in question had worked in Detroit, as stated and was an excellent employee.

Yet, when the Congressional Committee put the worker under oath, he admitted he had a bachelor's degree in social science and said that actually he had been in college at the time he previously had said he was working at the fence company in Detroit. And now get this: In due time another FBI counter-spy who had worked among the Communist conspirators in Detroit, identified the Detroit business man, who fronted for the young Red, as a Communist Party member himself!

Two New Arrivals

#### A New Project

These are some understandable reasons why it is so vitally important for every American citizen, young and old, to understand the nature of this powerful conspiracy working against our nation, and the methods used by its agents and fellow travelers. Education in the techniques of Communism should especially be made available to college students—in fact to all youth. At Harding College, in Searcy, there is being created a special section in the college library for books and materials on Communism and its subversive tactics and techniques.

The foundation books for this section were purchased with a gift from a man who feels, as I do, that we can't begin to resist Communism until we clearly understand its nature, its tactics and techniques.

The new library section will contain not only books on the subject but also the printed reports of every Congressional and legislative committee that has worked to expose Communist infiltration and propaganda and warn the American people of the great danger existing. It is quite a project, and in time perhaps it may become a pattern for libraries everywhere. I hope so.

## Our Goal Is Eternal Happiness

By Richard J. Cushing, Archbishop of Boston

I WONDER IF THE HISTORY OF LAW does not show that from time to time there has been a dangerous emphasis on either the rights of the individual man or on the importance of human society. It has been rather difficult at times to find the proper balance between man and society.

During the 19th century the emphasis was on the rights of the individual. We can see it was wrong to allow the strong to crush the weak. Rights have meaning for all men and not only for those who have the power to enforce them.

Cushing

TODAY WE ARE STRIVING desperately to avoid the danger of state absolutism. When the state becomes too powerful it defeats its own purpose: the helping of its members to help themselves. St. Thomas Aquinas indicated the middle path for us.

"Every creature belongs naturally to God. Hence both angels and men love God before themselves and with a greater love. If they love themselves more than God, their love is perverse."

IN OTHER WORDS, the strongest tendency in the human soul is to love God, not to love self or the state. This is not a revolutionary teaching. But it does throw light on one important

truth: the goal of all human activity is the possession of God. Our professional and commercial relationships with one another are no exception. Civil law, whatever be its more immediate object, must concern itself ultimately with the efforts of men to realize happiness in the possession of God.

NINETEENTH-CENTURY LIBERALISM did not fail because it insisted on the sacred character of the rights of the individual. If we ask ourselves honestly why it did fail, we must answer that it did not afford sufficient safeguard against the corrupting force of human selfishness.

Again if we ask ourselves why we fear the socialistic tendencies of modern governments, we must answer that we fear them because the benevolent state tends to become a paternalistic state and eventually a despotic state. Human selfishness and the totalitarian state are the enemies which the law, in cooperation with all other constructive forces of human society, must strive to keep under control.

THESE HOSTILE INFLUENCES can be controlled by placing God above them both. Only when men's lives are governed by reverence for God's law, and when civil authority recognizes God as the source of its power, will we have assurance that the abuses of the past will not be repeated and the perils of the present effectively forestalled.

From where I sit ... by Joe Marsh

### A Pretty "Snappy" Menu

Cuff Taylor had a near riot in his hen yard last week. Seems the hens were scratching around the cold ground when they found a piece of rubber band frozen in the ice.

"One hen pecked at it," says Cuff, "and it snapped right back. She backed off clucking while another hen tried it, and another. And the 'worm' kept right on snapping back. They all got their feathers ruffled. You never heard such a ruckus!"

"I finally had to break up the ice with an ax before those hens

would get back to business and start laying eggs again."

From where I sit, some people raise a pretty big fuss over nothing, too. Take the fellow who would deny me a temperate glass of beer with my game of checkers. Maybe he'd rather have coffee! Well, that's all right. He has a right to his own preference. But so do I. And there's no point in his "snapping" at me just because his choice isn't the same as mine.

Joe Marsh

**SAFER, TOO** — Policeman in Rome, Italy, directs ever-increasing traffic through Rome's ancient streets from one of the new traffic control platforms which are bolted to corners of many buildings. They leave more room for the cars and at the same time provide a measure of safety for officers' shins.

Mr. and Mrs. Adolph Knabe and children of Hereford arrived last Thursday for a visit with their parents, the Clem Reiters and Albert Knabes, and other family members.

### Marysville News

By Mrs. Herman Richey

MARYSVILLE, Jan. 18—Guests in the Marvin Doughty home Sunday were the Charlie Greers and son and the Leroy Browns, all of Wichita Falls.

Messrs. and Mmes. Foster Davidson and Charles Davidson and daughter Becky were among guests at a Sunday dinner party honoring Elizabeth Roe in observance of her birthday at the home of her parents, the Bill Roes at Whitesboro. Before returning home they visited Sam Baker at Gainesville Sanitarium.

Sam Richey who suffered a light stroke at his home last week Wednesday is reported recovering satisfactorily at the home of his daughter Mrs. Tom Binford at Gainesville.

Mrs. Houston Miller of Calgary, Canada, is here attending the bedside of her father, Mitchell Moon, who is still quite ill, but improved after a serious illness.

Guests of Mrs. Rilla Wyatt Monday were Mrs. Inez Ballenger and son and Everett Ballenger, all of Sulphur, Okla., Mary Ables and the former Mary Reeves, both of Pilot Point.

The Albert Shaws and family of Gainesville and their guest, Nancy Carol Hawkins of Fort Worth, spent Sunday with Mr. and Mrs. J. M. Shaw.

### Committee Leaders Named by HD Club

Marysville Home Demonstration Club members, meeting in the home of Mrs. John Richey Friday afternoon, appointed committee chairmen and had a program on parliamentary rule.

Committees and their leaders for the coming year are: Program and Year Book, Mrs. Herman Richey; Membership, Mrs. Charles Davidson; Exhibit, Mrs. Earl Robison; Finance, Mrs. Foster Davidson; Recreation, Mrs. Marvin Doughty; Marketing, Mrs. Bill Moon; Food Demonstration, Mrs. Sam Sparkman and Mrs. Rafe McElreath.

Mrs. Herman Richey led the program on parliamentary rule, and members voted to continue their gift exchange at the first meeting of each month.

The hostess served pineapple cake, fruit salad and hot chocolate to those attending.

Mr. and Mrs. Max Harrell of Sherman visited her mother, Mrs. Bill Moon, Tuesday.

### Bulcher News

By Mrs. R. J. Samples

BULCHER, Jan. 18—Mr. and Mrs. Floyd Tucker have returned to their home in Hereford after a visit with her parents, Mr. and Mrs. Lee Morris.

Mrs. Dexter Dennis and infant Rita Dianne, Bulcher's first 1955 baby, are back at their home here after a stay with her husband's parents, Mr. and Mrs. R. L. Dennis at Gainesville following their dismissal from the hospital. Mr. Dennis and Linda went to Gainesville to bring them home.

Jim Bob Giles of Wichita Falls spent the weekend with his aunt and uncle, the August Hymans.

The infant son of Mr. and Mrs. Dexter Dowd has been quite ill and has been receiving medical care at the Nocona hospital since Monday night. No reports on the child's condition were available at this writing.

Jessie Kidd, daughter of Mr. and Mrs. Hollis Kidd, was absent from school this week on account of a strep throat infection.

Mrs. J. M. Shields who visited Mrs. Nannie Morris at Gainesville Sanitarium Monday reported that she had suffered another sinking spell and was not feeling well. Mrs. Shields also stopped to see Theodore West who is some improved.

Mr. and Mrs. F. M. Webb had a pleasant phone call from their son Carol Lee who is with the army medical corps near Fairbanks, Alaska. He told them he was well and busy and would start home about the end of March after being separated from service.

### Bulcher Club Plans Polio Fund Drive

Plans for raising funds for the current March of Dimes in the community were discussed by members of the Bulcher Progress Club at a regular meeting on Jan. 13 in the community building.

E. Newby, president, conducted the business session and led the discussion on the polio campaign.

After adjournment, hostesses for the evening served sandwiches, potato chips, cookies, coffee and hot chocolate to a large group. Afterward the grown-ups played 42 and the children played monopoly.

## Styling that's stealing the thunder from the high-priced cars!

The styling spotlight blazes down on a low-cost car this year—for the Motoramic Chevrolet is stealing the show from the high-priced cars with its subtle sweep of line, the brilliant sophistication of its European-type grille, the bold rake of its deep-curved windshield.

And there's even more excitement in the way it drives—the velvety comfort of Glide-Ride front suspension and outrigger rear springs, the handling ease of Ball-Race steering, the flashing performance of the new 162-h.p. "Turbo-Fire V8"

engine or the two new "Blue-Flame" 6's. All this—plus the extra-cost options of Powerglide or Overdrive and a full range of power assists. Try a 1955 Chevrolet—now—and you'll know why it is stealing the thunder from the high-priced cars.

MORE THAN A NEW CAR... A NEW CONCEPT OF LOW-COST MOTORING

The Bel Air 4-Door Sedan

## Local News BRIEFS

Johnny Fisher and Mitchell Wolf have enrolled as students at the University of Houston and have secured part time jobs as city bus drivers. They're at home at 5126 Calhoun Street there. Both were recently discharged from the army.

Mr. and Mrs. Andrew Hacker, Mr. and Mrs. Johnny Hacker and Paul Hacker drove to Louisville, Ark., Sunday to visit Mrs. Johnny Hacker's family, the Richard Brewsters.

Mr. and Mrs. John Rohmer were hosts at a dinner party in their home Sunday for the following guests: Mr. and Mrs. Morton Wright of Irving, Mrs. Joe Spaeth and children of Wichita Falls, Mr. and Mrs. Tony Rohmer and family, Mrs. Johnny Rohmer and daughter, Victor Rohmer, Emil Rohmer and his fiancée Miss Agnes Frances Hermes of Lindsay.

Miss Frances Streng and her fiancé, Tony Chantre Jr., both of Wichita Falls, spent Sunday here with her parents, Mr. and Mrs. John Streng and her sister, Clara. Chantre is an airman first class stationed at Sheppard AFB.

Mr. and Mrs. Matt Stelzer and their son and daughter-in-law, Mr. and Mrs. Maurice Stelzer, all of Post, returned to their homes Monday afternoon following a weekend visit here and at Lindsay. They were among guests Saturday at the silver wedding anniversary celebration of Mr. and Mrs. Nick Block.

Driving new 1955 Chevrolets are Albert Hess, Paul Hacker and B. C. Redman who have Bel Air 4-door sedans; D. R. Rosson, Sparkman Vann and Joe Hermes who have 210 four-door sedans;

James Mollenkopf, a Bel Air sports coupe; Al Yosten, 4-door sedan; Mrs. J. E. Owens and Keith Tompkins, tudor sedans. Otto Bros. have a Hydramatic pick-up and Charles Rosenberg and T. F. McKenzie have pickups.

Mr. and Mrs. Earl Swinger and daughters moved Saturday to make their home in Jackson, Miss., where his work with a seismograph crew will keep him about eight months. While they lived here the past several months they occupied the Jos. Fisher house on Main Street.

Miss Diane Blackmon of Fort Worth was the weekend guest of Miss Quita Cain here in the home of her parents, the Dick Cains. Both girls are students at NTSC in Denton.

Mrs. Howard Couch left Sunday to return to her home in Hot Springs, Ark., after visiting ten days with her brother-in-law and sister, Mr. and Mrs. Ray Evans. Thursday Mrs. Evans and Mrs. Couch spent the day in Dallas buying merchandise for the Charm Shop and the Couch Variety Store in Hot Springs.

Mrs. Emma Brown, her daughter Dolores and son Jimmy and his fiancée, all of Wichita Falls were dinner guests of Mr. and Mrs. Tony Otto Sunday. Mrs. Brown and Mrs. Otto are sisters. In the afternoon the Wichitans drove to Gainesville to see another sister, Mrs. Ben Weber.

Mr. and Mrs. Ed King and children Dolores and Joe who came here from Pickway, Kansas, for a holiday visit with her sister, Mrs. Norbert Hoedebeck and family are planning to make their home here. King has taken a job at the Wilde Garage.

Miss Jeanette Fisher and Miss Angela Touchon of Hamlin spent the weekend as guests of the former's parents, the John Fishers. The girls are student nurses at St. Joseph's Hospital in Fort Worth.

## IT HAPPENED 15 YEARS AGO

Jan. 19, 1940

Mrs. Rosa Bezner, 86, of Lindsay dies. \$25,781 granted for Muenster sewer by WPA. Civic League and Garden Club reports \$1,363.85 has been spent on cemetery beautification project. Elfreda Luke is elected president of Young Ladies Sodality. Patsy Fette is recovering from an ear operation. J. M. Weinzappel and Earl Fisher attended the annual Chamber of Commerce banquet in Wichita Falls Monday night. Statistics for Sacred Heart parish as announced Sunday by the pastors for the past year are as follows: total members 1,380; marriages 11, baptisms 48, solemn communicants 21, pupils in school 324; grammar grades 283, high school 41. Mrs. Nick Block is recovering from an appendicitis operation. H. S. Wilde will open implement agency in Gainesville. Funeral services are held at Gainesville for Mrs. Matt J. Pulte.

## 10 YEARS AGO

Jan. 19, 1945

Joseph Hacker, 69, dies after short illness. Some 70 local young farmers will take physical examinations for military service this week. FMA members re-elect J. B. Klement president. Mayor Weinzappel is guest speaker at Garden Club meeting. City council warns that livestock ordinance must be observed. Werner Henscheid is elected Holy Name Society president. Mrs. Ben Seyler is elected president of St. Anne's Society. Joe Walter who has been in the army one year has received a discharge and is back home in Gainesville. Cpl. Michael Kupper of Lindsay is reported missing in action in European sector. Norbert Felderhoff and Johnny Rohmer leave for army training. Sgt. Ed Swirczynski is back in the states after seeing action in the South Pacific for the past year. Pfc. Alfons Felderhoff, twice wounded and twice hospitalized, is back in action with his paratroop outfit. Pfc. Herman Stoffels is on duty in Germany. J. M. Weinzappel is elected president of North Texas Waterworks Association.

## 5 YEARS AGO

Jan. 20, 1950

E. A. (Babe) Felker, 53, dies suddenly Jan. 12 of heart attack. Earl Walterscheid is seriously hurt in oil field accident. FMA plant makes more cheese but less money in 1949, according to annual report. Tommy Dankes-

reiter, 11, breaks right leg in fall. Delphene Derichsweller, 10, breaks collar bone. Carrie Roberg is recovering from tonsillectomy. Donald Endres has a discharge from the Air Force. Lindsay Young Ladies Sodality elects Margaret Fleitman president. Albert Henscheid enters commissioners race. Frederick Huff, English teacher at MHS is appointed to French department at Pennsylvania U. Scoutmaster and Mrs. Nick Miller, Father Anthony Schroeder, Mr. and Mrs. Steve Mosler and Mr. and Mrs. Ben Seyler attended the annual county banquet for Scout leaders and their guests last Thursday night in Gainesville.

## It's Important to Know What to do In Case of Fire

SAN ANTONIO—If you suddenly wake up and smell smoke, do you know what to do until the firemen come?

Few people do, Southwest Research Center fire technologists have discovered. And knowing what to do—and what not to do—might save your life.

"Put your hand on the bedroom door," advises Calvin Yuill, director of fire technology at Southwest Research Center, who has prepared a "check list" of what to do in case of home fires. "If the door is warm, don't open it.

"The draft might fan the blaze, or hot gasses and smoke could overcome you. Get out a window as soon as possible. Jump if you have to. A few broken bones are better than being burned to death."

However, if you must go out the door, Yuill advises you to wrap a wet blanket or towel around your head and crawl across the floor.

Heat rises and it is coolest near the floor. The wet towel will also absorb some of the gases.

Yuill has a word of advice for home fire fighters trying to put out a small blaze:

"Call the fire department first. Then try to put it out. Don't wait to see if you can handle it. It may spread badly before the firemen can get there."

If a frying pan of grease catches fire, don't throw water on it, said Yuill. Grab a cover that fits and smother the flame or throw baking soda on it. Baking soda is a good homemade fire extinguisher and is used in many commercial extinguishers.

If a curtain catches fire,—pull it down and stomp on it or douse it with water. Curtains will not burn easily if you rinse them in a boric acid solution when you

wash them. You make it buy using nine ounces of Borax and four ounces of Boric Acid to a gallon of water.

"Fire prevention is the major part of cure," Yuill said. "Every home should have a good garden hose permanently connected to an inside water supply, and periodic home fire drills."

Don't leave a rug over a floor furnace. It holds the heat in so that it builds up.

Don't put pennies or tin foil behind fuses or use 30 amp fuses in place of 15 or 20 amp fuses. You are throwing out the protection you had and are liable to cause a fire.

Frayed lamp and appliance

cords are dangerous. Replace them.

Never have a fire in the fireplace without a screen in front of it. Don't use flammable cleaning fluids. They can cause a flash fire.

Above all, if you do have a fire, keep calm, advises Yuill. The Fire Department can get to your house within 10 minutes.

## It's a SWAP!

There are two sides to every "swap"... giving and getting. All through life we are swapping... giving up something we want less for something we want more.

That's exactly what happens when you open a bank account and add to it regularly. Once the saving habit is established you hardly miss the small deposits. Yet they make your dearest dreams come true: a home of your own, a college education for your children, financial independence for your retirement years.

This is the kind of "swap" that spells success and happiness.

### Taxpayers Favored In Revised Income Tax Regulations

Under the 1954 revenue act, all persons who have a gross income over \$600 must file income tax returns, except if the taxpayer is 65 or older he need not file a return unless he has gross income over \$1,200. This is because persons who are 65 or older have two exemptions which automatically eliminate any tax liability for income under \$1,200.

The old established date of March 15 by which income tax returns must be filed has been abolished. All federal tax returns for individuals may now be filed on or before April 15. Although many persons believe that a tax return need only be postmarked by the due date, such is not the intent of the statute. Tax returns are supposed to be in the office of the Internal Revenue Service by the due date specified.

Declarations of estimated tax are required from all persons who expect gross income of more than \$400, plus \$600 times the number of exemptions which may be claimed, if more than \$100 of the income will not be subject to withholding. Single persons with more than \$5,000

and married persons with more than \$10,000 expected gross income must file declarations of estimated tax even though all of the income is subject to withholding.

Declarations of estimated tax, except those for farmers, must be filed by April 15. Like the income tax return, this date is one month later than before. However, the quarterly installment payment dates remain the same—June 15, September 15, and the last one on January 15 of the following year.

If a person, other than a farmer, desires to file his income tax return and pay his tax in full, he may do this on or before January 15 instead of paying his last quarterly installment. It does not relieve anyone from filing the original declaration of estimated tax and making three payments on it. However, in most cases this provision does remove the possibility of a penalty for an under estimate of tax liability. Farmers have special provisions concerning declarations of estimated tax.

The penalty for underpayment of tax liability on the declaration of estimated tax has been reduced. There is now no underpayment if the taxpayer remits at least 70% of his tax as shown on his final tax return. If there is an underpayment, the penalty is only 6% per annum interest on the additional amount which should have been remitted. It is expected that there will be more strict enforcement of this provision in the future by the Internal Revenue Service.

(This column, based on Federal law, is written to inform—not to advise. No person should ever apply or interpret the law without the aid of an attorney who knows the facts, because the facts may change the application of the law.)

### Ferguson Introduces Six Speed Tractor

Ferguson's new tractor, the Model 35, featuring six forward and two reverse speeds and side mount equipment, will make its appearance in Cooke County within the next few weeks. A. R. Hassenpflug, Gainesville dealer, announced after returning from a special showing of the equipment at San Antonio last weekend. Hassenpflug said the new model introduces some of the greatest advances in power farming in recent years. In addition to its six speeds it has side mount baler or ensilage cutter and a plowing depth control which assures uniform depth through low spots or over terrace ridges.

### MOVIE AND REFRESHMENTS ARE FREE MONDAY NIGHT

Everyone in general and farmers in particular are invited to attend a free movie in the high school auditorium next Monday night, Jan. 24, at 7:30. The film "Pay Dirt" will show the use and application of Anhydrous Amonia distributed by Southern Fertilizer and Chemical company and its dealers, Johnnie Sicking and J. F. Zimmerer. Refreshments will be served without cost to those attending. On Wednesday, Jan. 26, at 7:30, the same program will be presented in the Community Center building in Gainesville.

No wonder it's hard to save money. The neighbors are always buying things we can't afford!

### Bayer and Hi-Lo Herds are DHIA December Champs

Alfred Bayer's herd and cows from the Hi-Lo Farms tied as champion butterfat producers among Dairy Herd Improvement Association animals in December, a summary for the month shows.

The two herds topped the list with an average butterfat yield of 44 pounds.

Best milk producers in the association's herds were Peter Prescher's cows which ran up a total of 1,240 pounds, and tied for second place butterfat honors with the herds of Masten & Roane and Hoedebeck & Myers. The figure was 41 pounds.

Twenty-one herds were tested during the month. There were 550 cows in milk with 164 of that number averaging 40 pounds of butterfat.

Cows in the association averaged 34 pounds of butterfat and 840 pounds of milk per animal.

Prescher had the individual butterfat champion credited with a total of 112 pounds.

Among members with cows in the 40 or over bracket are Paul Fisher with nine averaging 41 to 77 pounds; John Knabe, eight, 45-58; Alfred Bayer, twenty-one, 40-72; Tony Nehib, fourteen, 41-65; J. M. Fleitman, twelve, 41-64; Paul Fetsch, nine, 40-62; Martin Bayer, six, 41-62; Joe Fisher, five, 40-62; C. A. Fisher, eleven, 40-46; Ben Sicking, seven, 41-73; Peter Prescher, twenty-four, 40-112.

Officers of the association, elected recently, assumed their duties this month. They are Alfred Bayer, president; Jack Elkins, vice president; Paul Fetsch, secretary-treasurer; and Peter Prescher and Paul Fisher, directors. Carl Kemplin is supervisor.

## RED CHAIN with MO-FAT CREEP FEED

Your pasture may be tops, nevertheless beef calves creep-fed on RED CHAIN Mo-Fat Creep Feed will weigh 50 to 75 pounds more at weaning at 7 months than those on forage alone. Such calves preserve their baby fat and finish and invariably sell for 1 to 2 cents more per pound. By creep feeding you can boost your beef income per acre and keep your cows in better condition.

#### THE ADVANTAGES OF CREEP FEEDING

1. Calves learn to eat grain and roughage earlier . . . they grow faster and thriftier.
2. Creep-fed calves are heavier at weaning.
3. Creep-fed calves bring higher prices.
4. Brood cows keep in better condition.
5. Nuggets save feeding labor.
6. RED CHAIN Mo-Fat Creep Feed Nuggets provide extra proteins, minerals, and vitamins to boost range efficiency.

**Muenster Milling Company**

## We're Proud of OUR Market, Not THE Market

It's a fact that cattle prices are nothing to brag about, but . . . we can still brag about OUR market as compared to THE market. We still make a habit of paying more, no matter how high or low the current quotation happens to be.

Besides, it costs less to sell here. Our customers get more and save more.

**Muenster Livestock Auction**  
DICK CAIN Owner and Auctioneer

## Lindsay News

Members of the Mothers Club met last Thursday evening for a business session followed by a social hour. Mrs. Ben Hermes, president, conducted the meeting after which Mr. and Mrs. Alvin Fuhrman of Muenster showed their home movies. Coffee and cake were served to 38 members and the two guests.

Paul V. Zimmerer, chief commissary steward, stationed at

Norman, Okla., spent the weekend with his parents and family, the I. A. Zimmerers. Sunday his parents and his nephew Rudy Zimmerer joined him on a drive to Pilot Point and Mrs. Zimmerer stayed there to spend this week with her daughter, Sister Dorothy.

### Mary Simmel and Charles Neu Will Marry January 22

Miss Mary Simmel, daughter of Mr. and Mrs. Andrew Simmel of Pilot Point, and Charles Neu, son of Mr. and Mrs. Joe J. Neu of Lindsay, will exchange marriage vows Saturday, Jan. 22, in St. Thomas Catholic church at Pilot Point at 4 p.m.

Among pre-nuptial courtesies honoring the bride-to-be was a miscellaneous gift party given in St. Thomas luncheon. Hostesses were Meses. Leo Felderhoff of Gainesville, Joe Pelzel Jr. and Carl Pelzel both of Denton, Lee Schroeder of Gainesville, Edgar Schindler of Dallas and Misses Frances Roewe, Katherine Heuman and Dolores Henzler of Dallas.

Games were played and refreshments of pie and coffee were served by the hostesses to 30 guests.

Mr. and Mrs. Leonard Walterscheid of Amarillo visited relatives here Tuesday to Thursday on the last lap of their wedding trip. They had been to Galveston, Houston, San Antonio and other points.

### Celebration Honors Lindsay Couple on 25th Anniversary

Mr. and Mrs. Nick Block of Lindsay who were married 25 years ago on Jan. 14, observed their silver wedding with an anniversary mass and a social event.

The mass, attended by the silver-weds and their family, was held in St. Peter's church at 7:45 a.m. Friday, the actual date. The social observance was held Saturday evening in the Lindsay school cafeteria where dinner was served at 6 to 225 guests, and in the Lindsay Hall where dancing followed and anniversary gifts were displayed.

Mrs. Block is the former Miss Mary Dulock, daughter of Mrs. A. Dulock of Gainesville and the late Mr. Dulock, formerly of Muenster.

She married Mr. Block in Gainesville and they have lived on a farm at Lindsay ever since. They have three daughters, Rita who is employed in Gainesville, and Mary Jane and Carol Ann at home.

For the celebration, Mrs. Block wore a becoming white faille dress and a pink carnation corsage tied with silver ribbon. Her husband wore the suit he wore at his wedding 25 years ago.

Their attendants in 1930 were her sister Amelia, now Mrs. Henry Krebs, and Miss Katie Herr of Muenster, her brother Edward Dulock and her cousin, Bill Dulock of Waco.

Mr. Block's cousins, Joe and Miss Elizabeth Wagner (now Mrs. M. J. Black) of Perry, Okla., who were to have been members of the wedding party didn't get to the nuptial service—they were snow bound. Joe was at the celebration Saturday, recalled the incident, and remarked laughingly that he finally made it, 25 years later. His wife and their son George attended the party, as did Linda and James Brandt and Virginia Wagner, all of Perry. Mrs. Black could not be present.

Another guest from Oklahoma was Joann Sticher of Ponca City. The Matt and Maurice Stelzers from Post were present and relatives and friends from Muenster attending were Messrs. and Meses. J. B. Schmitz, Andy O'Connor, Andy Monday and Ben Luke, Alphonse and Miss Theresia Luke. Guests from Myra included Mrs. Will Sicking and the Ray and Alfred Sicking.

Mrs. Block has four sisters and four brothers, Mrs. Al Geray of Myra, Mrs. Lawrence Streng and Mrs. David Sturn of Gainesville; Edward, Tony and Freddie Dulock of Gainesville and Albert Dulock of Fort Worth. All were at the celebration except Albert.

Mr. Block, a son of the late Mr. and Mrs. Joseph Block, has three sisters, Mrs. John Koelzer of Arkansas, who missed the anniversary, and Meses. Ben Hermes and Bill Fleitman of Lindsay who were present, along with their brother, Pete Block, also of Lindsay.

People who talk all the time not only waste a lot of words, but fail to make a good impression.

### Lindsay 4-H Girls, Boys Have Meetings

Girls of the Lindsay 4-H club held their regular meeting on Jan. 13 with Mrs. Joe Bengfort and Mrs. Tony Voth, adult leaders, conducting the demonstration in the absence of Miss Bernice Puckett, county home demonstration agent.

The demonstration consisted of showing the many items found in every well equipped sewing box. The girls were urged to keep sewing boxes thus equipped.

It was announced that the annual Easter Parade of 4-H Fashions will be held the first Sunday in April.

At the same time 4-H boys met with Gene Sears, assistant county agent, who showed a film on the care of hogs.

### Lions Meeting

contest sponsored by the Lions last year. Service to the community and to humanity in general is the objective of the Lions, he said.

In view of those fine ideals, the district governor concluded every member should wear his emblem with pride . . . and should also see that he is a credit to the emblem.

Curtis also added a word in behalf of the state organization's principal project, sponsorship of a crippled children's camp at Kerrville. The fine humanitarian achievements of that one undertaking alone should make every Lion proud of his membership in the organization.

President Myrick in his brief remarks to the group advised that Gainesville Lions are going all out to make a big event of their basketball and volley ball tussles here Thursday night. He called on the fellows to outdo their visitors in tacky women's attire and if possible also to win the games. The stunt is a benefit to raise money for local street markers.

### Tigers

around the visiting reserves in the opener for a 50-20 triumph. Scores for the first three periods were 24-0, 39-4 and 43-9. Hess and Bayer were the hot shots with 22 and 18 respectively.

The main event was better than the score indicated as the Tigerettes were plenty busy in racking up their 46-29 win. After a tight first quarter for a lead of 8-6 they added steadily to their margin the rest of the way. Half time score was 19-13 and third quarter score was 31-23. Derichsweiler connected for 20 and Felderhoff and Knabe shared runner-up honors with 13 each.

Next on schedule for the boys are St. Mark's in Dallas Friday night and Laneri here Tuesday.

The girls' next game is with Victory Academy here next Tuesday.

They now tell of the man who walked into the Cadillac showroom, picked out a snappy tan model, and plunked down the cash.

Salesman—Shall we deliver the car, or would you like to drive it out now?

Customer—Oh, just leave it there. I'll never find as good a parking place again.

### Confetti

baseball field. Probably one or the other would have to be cramped, and that isn't desirable. Besides, little space if any would be left for the addition of other park facilities, which again is not desirable.

On the other hand, this location lends itself to another possible solution which might very well be taken up now in relation to the city's plans for future growth. Perhaps the baseball field can be moved to another place and the entire block reserved for development into a city recreation center. If that were the case there would be plenty of room for kiddies' equipment, tennis courts, picnic facilities and several other recreation features that might be wanted. Of course, it would take years to develop the trees, shrubs and grass needed for a nice park atmosphere.

All three possibilities, along with any others that might be brought up, deserve serious thought at this time. And they should be considered not only in relation to present costs and problems but also in relation to the future development of the city.

Mr. and Mrs. Carl Pelzel and daughter of Denton visited her parents and family, the Joe Hoeninghs here Tuesday.

Trouble comes to all men, but those who are looking for it will get more than their share.
