NUMBER 24

Champ Program Is Shaping up for 1954 Soil Champs

Next Sunday we Americans will again observe Mother's Day, the most cherished of all the special days on our calendar. We'll remember our mothers with flowers, gifts, greetings and visits, feeling confident they will understand that the depth of our affection can be measured more by our expressions on this special day than by lack of attention through the rest of the year.

Millions of us will also remember them in our prayers, asking Almighty God to bless them with health and happiness, perhaps asking Him also to help us, their children, live up to the fine ideals which they are so much inclined to attribute to us.

Appropriately, though rather untechnically, we might refer to Mother's Day as a national feast day. That applies in the spirit of reverence and sacredness with which the day is generally regarded.

This is an attitude which merits our special pride at this time when so much of the world is taken over by materialism and communism. It reveals that, despite some alarming indications to the contrary, this country is still basically Christian with proper regard for the sacredness of motherhood as contrasted with the biological and generally disrespectful attitude of atheists and materialists. As such a feast, Mother's Day is more than just an occasion to gladden a few million loving hearts. It is also a symbol of the nation's fundamental goodness and spiritual strength.

In this connection it might be well to realize that the best way of doing our bit toward national greatness, as well as toward a mother's happiness, is to live a life that will justify her pride. There is plenty to be said in favor of the nice attentions paid to mothers on their day, but in the long run none will convey the deep pleasure of real pride in their children.

Perhaps that thought can help toward a really proper observance of Mother's Day. Special attention should be just something extra to add to a year of pride and happiness, not an attempt to make up for her lack of pride and happiness.

While we're on the subject of Mother's Day, let's not overlook the fact that mothers of this country have a tremendous stake in world affairs and that some of the developments now shaping up may bring them a great deal of grief and disappointment. Those whose sons suffered and died in the Korean fiasco to "contain" communism are finding insult added to injury as they learn that the principles for which their boys wasted their blood are being violated again.

Thousands of young Americans died in an effort to turn back the red menace. Because of a pussy-footing national policy they died in vain. Now their sacrifice is being mocked again as our country considers conceding more area to the communists. Up to now we can still have hopes that the shocking and shabby deal will not take place. At the same time, however, the mere fact that it is considered is cause for shame and alarm.

Superficial thinkers may get a bit of satisfaction out of such dealings. It's peace at a price, a chance to avoid bloodshed for a while. But it is also a betrayal of friends who want to stand with us against a common enemy, a mockery of sacrifices already made for decency and humanity.

The greatest tragedy is that it isn't even a step toward peace. It is plain shameful appeasement which will only enable the enemy to consolidate gains and launch a bigger, bloodier war than the one now threatened.

It isn't a pretty thought for our leaders to offer for Mother's Day, but that's what they are doing. Lots of mothers are going to think ahead on this matter and come face to face with some terrifying facts. At best their sons will have a mighty rough time correcting mistakes of the past. At worst they will not be equal to the job, and the world, including us, will fall under the communist yoke.

Featuring Texas Land Commissioner J. Earl Rudder as principal speaker, this year's soil conservation awards banquet, to be held here next Thursday night, May 12, is shaping up as the biggest and best in the six year history of the event.

The program, sponsored by banks, newspapers and radio stations of the Upper Elm-Red Soil Conservation District to honor conservation champions of the previous year, will be filmed for presentation on the Humble TV show "Texas in Review." The film will also show views of the recently completed detention reservoirs and other outstanding conservation scenes in the district.

Others sharing the program with Rudder are Bishop Dangler, giving the invocation, J. M. Weinzapfel, extending the sponsoring group's welcome, Jerry Talley, presenting awards and interviewing the winners, and Willard Kemplin, presenting the customary acknowledgements by the board of supervisors. W. L. Peterson of the State National Bank of Denison will be master of ceremonies.

Individual conservationists to be honored are the five zone champions, J. W. Fleitman of Muenster, Lawrence Sicking of Gainesville, Ben Perryman of Forestburg, Jack Crownover of Nocona and W. R. Childs of Collinsville, along with G. D. Wilson of Bowie, who has been selected

Hornets Edged by Saint Jo. V' View

Muenster High's Hornets dropped down close to the bottom in the district baseball race during the past week by losing to both Saint Jo and Valley View.

Both losses were by one point margins. Last Friday the Panthers got an early lead and held out for a 6-5 decision. Wednesday Valley View came up from behind to win 4-3.

Statistics on hits, walks and errors favored Muenster in the Saint Jo contest but timing made up for the difference in the score. Saint Jo's breaks were grouped, Muenster's were scattered.

One run each in the first and third and 4 in the fourth seemed to ice the game away for the Panthers, but Hornet rallies in the fifth and sixth made it a ball game after all. However the comeback fell short by one run.

The Valley View game was tight all the way through. Each team scored once in the third and Muenster took a 2 run lead in the fifth. In the next frame Valley View snapped back with 3 runs to regain the lead and held on for the rest of the game.

NEWS OF SICK AND INJURED

Frank Klement is recovering normally from a gall stone operation performed Saturday at Gainesville Sanitarium.

Mrs. Alvin Fuhrman underwent minor surgery at Gainesville Sanitarium Saturday.

Tony Wimmer, who spent several days in M&S Hospital as a medical patient and was dismissed to return Monday for a checkup, had good news when he went back. He's doing fine and won't need the surgery that doctors thought might have to be performed.

Roy Wimmer, 7, son of Mr. and Mrs. Tony Wimmer, was treated at the Muenster Clinic Friday for a cut on his head. Two clamps were inserted in the gash above his right ear. The accident happened at school when he was hit by a playground swing.

Little Barbara Esker has been receiving treatment at the Muenster Clinic for a severe cut on her left foot. She stepped on the blade of a pocketknife and almost severed a toe during play at the home of her parents, the Ralph Eskers.

J. S. Bagwell is back at his home in Myra convalescing from recent major surgery performed at Wilson-Jones Hospital in Sherman.

Tiny Tots to Enact Mother Goose May 6

Boys and girls of Mother Goose nursery rhymes will greet those who attend the parochial school tiny tots' operetta this Friday night in MHS Auditorium. The time is 7:30.

Fifty minutes long, the presentation promises to be out of this world and right in Mother Goose land from start to finish with 120 youngsters in the cast. Most of the performers will make their debut on the stage.

Practice under direction of Sisters Alberta, Dennis and Grace has been going on for several weeks and according to those in the know, the children have mastered their lines, song and dance routines in a way that would do credit to seasoned actors. Their costumes and accessories, made by their mothers are as realistic as willing hands can produce.

J. M. Weinzapfel Invested in Order Of Holy Sepulchre

Mr. and Mrs. J. M. Weinzapfel were two of the nine persons of the Dallas-Fort Worth diocese invested in the Equestrian Order of the Holy Sepulchre of Jerusalem in solemn ceremonies at the Holy Family Cathedral in Tulsa last Sunday.

Membership in the Order is an honor conferred by the pope, on recommendation of the bishop of the diocese, for outstanding services to the church.

The Order of the Holy Sepulchre has a long history dating back to the Crusades. It was established in 1099 by Godfrey of Bouillon after the conquest of Jerusalem. He chose knights of outstanding merit as a guard of honor for the tomb of The Savior. The order received papal approbation in 1113.

As the course of history changed and Christians had to leave the Holy Land, knights of the Order, unable to carry out their original assignment, moved to Italy and lived religious lives. For centuries it continued as a monastic order, then gradually evolved into an order of laymen cited by the pope for special services to the Church.

The Equestrian Order in the United States is divided into two

Something Extra at Band's Bake Sale

A bake sale sponsored by members of the Band Parents organization as a band fund benefit will be held Saturday at Fisher's Market. Those in charge say that a variety of home made cakes, pies, bread and other baked good will be available and invite everyone to visit the display.

Band mothers have announced that they're adding an extra to the sale this time—they'll bake decorated Mother Day cakes or make any kind of cakes on special orders. Busy folks who'd like a cake or pie to take to the church benefit picnic Sunday can also have their orders filled. Please, say the band mothers, phone special orders before Saturday 8 a.m. to Mrs. M. F. Milner or Mrs. Paul Fisher.

And there'll be plenty of home made light bread, the ladies promised. It will be available Saturday by 11 a.m.

Era Rallies for 3-1 Win; Bops Bombers From League Lead

The B-29 Bombers' lead in the county softball league came to a sudden and jarring end Tuesday night in the seventh inning when Era pushed over 3 runs on 2 doubles and 2 errors and a sacrifice.

Up to that time the Muenster boys kept the game well under control. Three Era players had reached first on two hits and a walk while the Bombers had reached the bases on 3 hits, 3 errors and 1 walk. But those hits and errors were scattered, and paid off in only one run, whereas Era's finale was made up of hits and errors that were grouped in a winning combination.

The game was a pitching duel between Coffman and Bob Felker. Coffman fanned 8 and alker

(Continued on Page 9)

274 Persons Get Over 500 Shots on Immunization Day

Two hundred seventy four persons reported for shots Monday at the first of three immunization days conducted annually at the Muenster Clinic. Mrs. Irene Frost assisted Dr. T. S. Myrick in administering the immunizations.

Estimating on an average of two shots for each person, Dr. Myrick said Tuesday that more than 500 shots were given during the day. Many received all three of the shots offered. Others received two or one.

Immunizations were administered for smallpox, typhoid and diphtheria. Children who'd previously taken diphtheria shots received a Schick test to determine whether another shot is needed. If the need of another immunization is indicated it can be taken next Monday or the Monday following.

Typhoid shots, if not taken before, are given in the series of 3 on the 3 Mondays. Those who have previously immunized for typhoid can receive booster shots any of the three days. Likewise smallpox vaccinations are given any of the three days.

Parish Flocks in To Attend Solemn May Queen Service

Sacred Heart parish Monday night manifested a magnificent depth of faith at its annual May procession and May Queen crowning. The event rivaled any similar church service ever held here in both solemnity and attendance and for the second time since it was occupied the spacious new church failed to accommodate the unusually large number of people who came to pay their respect to Mary, Queen of the May.

Highlight of the program was the coronation when Georgia Ann Hartman, prefect of the Blessed Virgin Sodality, placed a crown of fresh blue tinted carnations on the statue of the Virgin, then led the congregation in an act of consecration.

Father Louis Deuster gave a short inspiring sermon in which he brought out the significance of the phrase penned a century ago when a poet referred to Mary as "our tainted nature's solitary boast."

Benediction of the Blessed Sacrament concluded the services.

More than 500 students made up the colorful procession from school to church at 7:30 while the chimes atop the church

WITH THE MEN IN SERVICE

Go To Alabama

Warrant Officer and Mrs. J. P. Janicki and daughters left Monday for Camp Rucker, Ala., where he will be on duty. The family had visited her parents, the Jake Pagels, while he was on leave following completion of duty in Japan.

Settled In Austria

Pvt. Raymond Hoenig writes his parents, the Joé Hoenigs, telling them he is settled in Austria, near Linz, for army duty. He and his outfit went overseas by boat and made stops at Caca Blanca, Africa, and Italy. From Italy they went by train to Austria. Raymond says they are only nine files from the Russian zone in Austria. He is assigned as a truck driver.

VFW and Auxiliary Sponsor Poppy Day

Saturday, May 28, will be Buddy Poppy Day in Muenster.

Members of the VFW Auxiliary Monday night discussed the campaign and Mrs. Walter Rawley, general chairman, is working out details and selecting a committee.

Poppies will be sold all over town on May 28 and the campaign will wind up on Memorial Day when Auxiliary members will solicit donation at the doors of local churches.

Ruby Wimmer and Clifford Swirczynski Get Driver Awards

Ruby Lee Wimmer and Clifford Swirczynski are the winners of the third and last award in the safe driving campaign sponsored by the Muenster VFW and Auxiliary. Each received a \$5 cash prize.

The judging committee, consisting of several men and women who observe the teen agers' driving habits, announced its decisions Monday.

The campaign as originally approved by the sponsoring organizations expired with this award. The decision at that time was to limit it to three awards.

SCS Invites Bids For Dams 6 and 7 On Elm Watershed

Assurance of early construction on two more detention dams for Elm Creek is indicated in an invitation for sealed bids submitted by the state Soil Conservation office of Temple on April 27.

The sites identified as 5A and 5B are both on the D. H. Fields farm south of the creek and about six miles west of Muenster. The contractor for the job is to be named on May 26.

The lakes are to be the smallest built in the system up to now. Specifications as submitted by SCS in the invitation for bids do not give the data on each separately but on the two jobs combined.

Together they will make up 17 acres of permanent pool involving excavation of 34,150 cubic yards and build up of 182,600 cubic yards of embankment and spillway topped by 12,750 cubic yards of topsoil.

These reservoirs are numbers 6 and 7 in the Elm system. Construction on the others is finished and a special SCS work crew is sodding banks and spillways to bermuda.

Mathew Bernauer, Muenster Native, Dies in Car Crash

Mathew F. Bernauer, 34, a native of Muenster and a resident of Panhandle, suffered fatal injuries in a car accident last Saturday at about 5 p.m. He was killed when his car went out of control and turned over near White Deer. He was alone in the automobile.

Muenster relatives attended the funeral service Tuesday morning at Panhandle. Father A. Arnold Carlson officiated at the rites and at burial in Panhandle cemetery. Rosary was recited Monday night at the Poston Funeral Chapel.

Bernauer was born here. When he was 5 years old he moved with his parents, the Joe Bernauers, to Panhandle. He was a welder by trade.

He is survived by his wife, two stepchildren Louis and Phyllis Garcia of Panhandle; his parents who are now living in Austin, three sisters and two brothers.

Attending the funeral from here were Mr. and Mrs. L. A. Bernauer, Mr. and Mrs. Nick Miller, Mr. and Mrs. T. Miller, Matt Miller, and Mrs. Eva Gottlob, all uncles and aunts of the deceased. Also at the services were Mr. and Mrs. Charlie Stelzer of Fort Worth who went from here with the Bernauers. Mrs. L. W. Flusche of Decatur, also an aunt, attended the services.

Paper Printed by Enterprise Staff Gets Top Rating

The Leopard Tale, student publication of Gainesville High School, printed in the Muenster Enterprise plant, has won first place rating for the second consecutive year in a nation wide rating conducted by the Columbia Scholastic Press Association.

A gold certificate signifying the top honor was received last week by Miss Layuna Hicks, journalism instructor at Gainesville High.

Papers are judged according to a set of standards on grammatical, editorial, journalistic and mechanical excellence. The event is not a competitive contest.

County Will Vote Saturday on 10 cent Tax Hike for Roads

A special county-wide election to be held Saturday will determine whether or not Cooke County ad valorem taxes will be raised 10 cents per \$100 of valuation to provide additional finances for the road and bridge fund.

If the issue is approved the county's tax rate will increase from 64 to 74 cents, except in the case of homesteads, which are exempt from the special tax for the first \$3000 of valuation.

The immediate purpose of the proposed tax is to finance purchase of right of way for improvements on Highway 82 east and Highway 77 north of Gainesville. Existing law specifies that money raised by this tax can be used only on county roads and farm-to-market road right of way, however it will relieve other money in the county road and bridge fund for use on the federal projects.

This election will be the third in less than a year in which county voters are asked to approve an additional tax for the road and bridge fund. Shortly after the Democratic run-off a proposal for a 30 cent tax was turned down by a small vote. In October the 30 cent proposal was defeated again.

Objection at that time was founded mostly on the claim that the proposed rate was too high. One group of opponents ad-

(Continued on Page 9)

Tigers Will Play Laneri Hi Friday For District Title

Sacred Heart Tigers will be playing for the Southwest Academic League district title Friday afternoon at 2:30 when they meet the Laneri Micks in the final game of the '55 season.

By winning the Tigers can sack up the title. By losing they go into a play-off to decide. The Tiger record now stands at 4-1 whereas the Mick record is 3-2. Up to Tuesday there was a chance that Boys Ranch would hand the title to Sacred Heart by knocking Laneri out of the running. But that chance failed as the Micks went on a 14-5 scoring spree.

The Tigers missed their chance to cinch the district championship Sunday afternoon at Boys Ranch by fizzling away the second game of their double header in their season's worst exhibition of errors and boners.

According to Father Christopher's guess the boys loused up more in that four innings than in all the rest of the season, and the final tally favored the Ranchers 14-9.

However the Tigers were in their usual good form for the first game and racked up a neat 6-0 win. The first four innings were a scoreless pitching duel between Sylvan Walterscheid and Lovelace, then the Tigers brought in 4 on 3 hits, a walk and an error. Mollenkopf got on an error, Carl Walterscheid hit, Fleitman walked, Tommy Herr doubled to bring in 2, then Owen banged a long single for 2 more.

Again in the seventh Herr and Owen walked, stole second and

(Continued on Page 10)

SCHEDULE OF COMING EVENTS

FRIDAY, May 6, Baseball, Tigers vs Laneri, 2:30.

FRIDAY, May 6, Mother Goose operetta, MHS Auditorium, 7:30 p.m.

FRIDAY, May 6, Softball, B-29 vs Woodbine.

SATURDAY, May 7, Bake Sale, band benefit, Fisher's Market.

MONDAY, May 9, Garden Club meeting, home of Mrs. Joe Luke, 8 p.m.

TUESDAY, May 10, Third Order reception ceremony in church after night May devotions.

TUESDAY, May 10, Regular meeting VFW Post, 8 p.m.

WEDNESDAY, May 11, NCCW quarterly meeting at Lindsay, 1:30.

WEDNESDAY, May 11, Quarterly NCCW meeting, Lindsay Hall, 1:30.

WEDNESDAY, May 11, Softball, B-29 vs National Guard.

Danny Kaye Film Shows Distress of Kids in Far East

Danny Kaye, comedian and United Nations ambassador-at-large to the children of the world will appear at the Relax Theatre next Wednesday and Thursday in a thrilling film account of his 40,000 mile trip around the world in behalf of the U.N. Children's Fund (UNICEF), an organization dedicated to providing medical care and food for needy children of the world.

Kaye's assignment was to make a motion picture record of UNICEF activities in India, Burma, Siam, Hong Kong, Korea and Japan. This picture, "Assignment Children", is now being shown at theatres throughout the country and rental fees earned by it are used to help the needy children. Wherever Kaye went local children gathered to see the Hollywood funny man make faces, then stayed while UNICEF lectures told them in their own languages how to prevent plagues, malaria, tuberculosis and other diseases.

Local News BRIEFS

Bud Swingler left Wednesday for his new job in Bridgeport, Nebraska. His family will remain here with his parents, the Joe Swinglers, until the end of school when they'll join him.

Seventy-five children are candidates for the sacrament of confirmation to be administered here Monday, May 9, at 10 a.m. in Sacred Heart church. His Excellency the Most Rev. Augustine Dangelmayr will officiate.

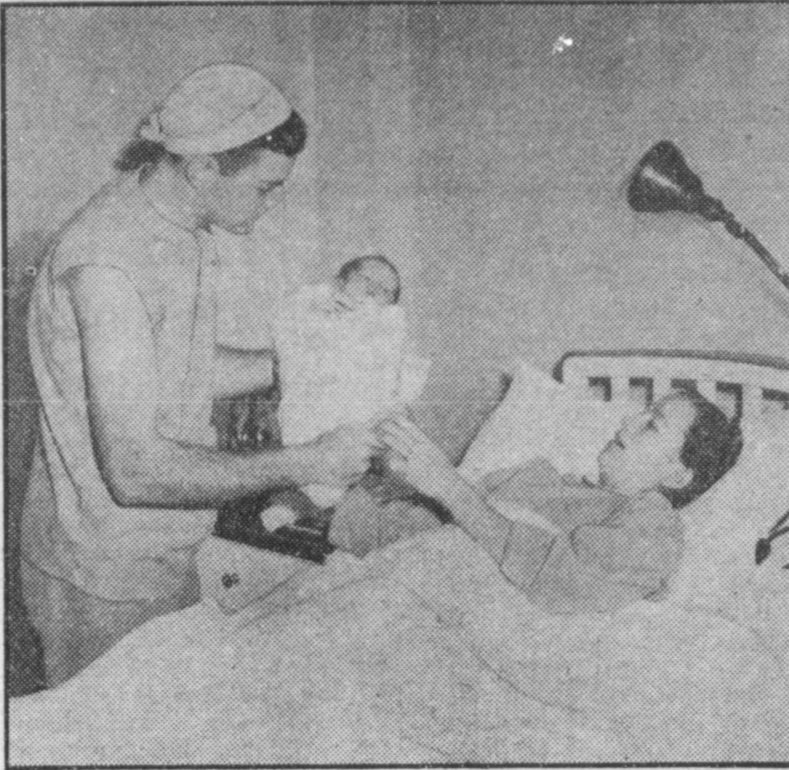

Mr. and Mrs. William Schettler and H. B. Schettler of Sterling, Okla., spent Tuesday here with their sister and daughter, Mrs. Joe Starke and family. H. B. Schettler remained for an indefinite visit.

Mr. and Mrs. Alphonse Hoenig and Mrs. Joe Hoenig have returned from a trip to Corpus Christi where they visited Alphonse's brother, Rev. Alfred Hoenig and enjoyed fishing from a boat in the Gulf. The trio is proving that their fish stories are true by showing pictures they took. They are especially enthused over their 25 pound drums—the fish on the photo. They also saw Fathers Thomas, Cyril and Francis, former Muenster pastors. Enroute they stopped at Three Rivers for a visit with Mrs. Hoenig's uncle and family, the Leo Hartmans, and called on the Bob Koppers at Giddings.

Visiting here with the Sparkman Vanns since last week is Mrs. Vann's sister-in-law, Mrs. Lacy King of Los Angeles, Calif. Sunday the Vanns and their guest drove to Dallas to spend the day with Mrs. Vann's mother, Mrs. Joe King.

Mrs. Ruth Needham is back at home after a 12-day vacation in Houston and Louisiana with relatives. Highlight of her trip was the visit at Lake Charles, La., with her son, M.Sgt. Jack Needham and family. Mr. and Mrs. L. J. Roberg spent the weekend in Jeanerette, La., and brought her home.

PRESENT TO ARMS—Wendell Pugh, Hospital Corpsman 3/c, brings baby to mother at feeding time as part of his duties at National Naval Medical Center, Bethesda, Md. Four sailors are assigned to the duty, take great pleasure in their unusual Naval role as they help to usher into the world prospective little tars and Waves.

Mr. and Mrs. Ray Evans spent the weekend in Magnolia, Ark., visiting her brother and family, the Joe Dickersons. Also there was Mrs. Evans' sister Mrs. Howard Couch of Hot Springs, Ark. Mr. Dickerson has been ill

Return From Trip

Mr. and Mrs. J. B. Wilde have returned from a 12-day vacation that took them to four states for visits. They started their trip by plane from Dallas to Detroit, Mich., going in a DC-7, 375 miles an hour. After a visit with the Frank Benenates Mr. and Mrs. Wilde went to Flint where they picked up a new Chevrolet sedan for the rest of their tour. They enjoyed going through the Flint manufacturing plant and seeing Chevrolets assembled. In Iowa and Nebraska they visited cousins, made a sight-seeing visit through Boys Town and drove to Colorado. In Sterling City they visited W. P. Bratcher, in Greeley they stopped to see cousins and at Fort Morgan were guests of a niece and her family, the Glenn Badgers. Then they went sight-seeing in the mountains. Enroute home they visited Mr. Wilde's brother, Frank Wilde in Amarillo and talked with John Furbach. Their last stop was at Hereford with the Frank Knabes.

Four-H Club Girls Elect New Officers

Election of officers for a new year featured the business Wednesday afternoon when girls of the intermediate 4-H club held their last meeting of the current school term.

Theresa Fisher was elected president, Betty Ann Dangelmayr vice president, Janet Klement secretary and Becky Mosman reporter.

Miss Maureen Kavanaugh, assistant home demonstration agent, met with the girls and for their program discussed salad making and explained about basic foods for a balanced diet.

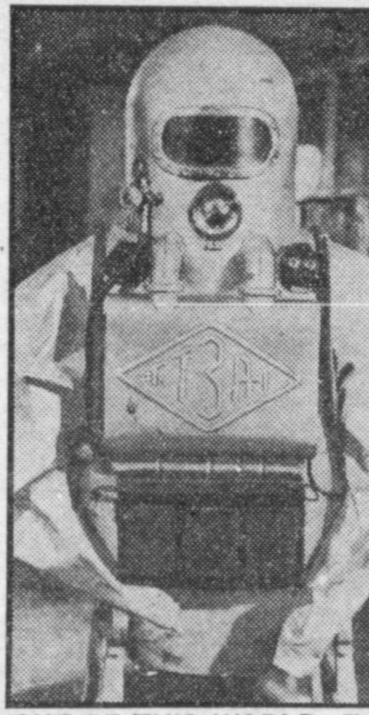

The group also held a discussion on the summer camp to be held at Lake Trinidad.

CARD OF THANKS

To all my customers and friends, many thanks for your orders and kindness to me while I was your Avon representative. My dealings with you were so pleasant that it is with regret I give up this work due to ill health. Mrs. Lawrence Wimmer has taken over the Avon line and will fill your orders. Again thank you all for everything.
Lena Bernauer

"Here is something to solve your church's financial problem."
"What is it?" asked the pastor, eagerly.

"A contribution box. Coins fall through slots of different sizes. Paper money, half dollars, and quarters fall on velvet. Nickels and pennies drop on a bell."

OUT OF THIS WORLD—For all practical purposes, that's where this spacelike suit comes from. A glimpse at technology from behind the Iron Curtain, caption from a Soviet source says its a gas-and-heat-resistant mine rescue suit. Built-in oxygen supply and insulation are said to enable wearer to withstand high temperatures and 100 per cent humidity; suit also features cooling unit and telephone.

Homemaking Class Begins May 16

Ladies of the community have an opportunity to enroll in an adult homemaking class to begin May 16 and continue through June 1, Mrs. Bill Searcy has announced.

She stressed the importance of submitting names not later than next Tuesday, May 10. Those planning to enroll must let her know by that date.

Mrs. Searcy said that both afternoon and night classes can be worked into the schedule and the time, as well as the course, will depend on the wishes of those who enroll. Courses are available in upholstery, ceramics, crafts, advanced sewing, food freezing, and there's a possibility of having a cooking school.

After June 1 there'll be a nursery school, a week in which girls of the local FHA chapter will give that time as part of their summer class work. The nursery school will begin at 9 and continue until 12 with lunch for all those attending. Mrs. Searcy said those interested are invited to call her.

May Service - - -

steeple pealed out lovely old hymns so familiar to all age groups. After the children were settled in church there were more melodies and finally the benediction songs by the boys' choir.

The May Queen was enshrined with lights and greenery on an improvised altar in the center of the communion railing. After the procession passed on its final round those carrying flowers placed them among the greenery forming a bower of red and white around the shrine.

Miss Hartman and members of her court proceeded up the center aisle to the shrine through a white arch formed by gladiola sprays held by high school girls. During the procession and coronation ceremony scores of children carried lighted candles and scores of tiny girls carried red carnations. Miss Hartman, in a white formal and a long-trained white satin cape, was attended by Debra Schilling, crown bearer, and Barbara Schmitt, bouquet bearer. Her train bearers were Patsy Hartman, Peggy Hellman, Janice Trubenbach, Charlotte Swingler, Florence Walterscheid and Dolores Sicking. The little girls wore white formals.

Other girls in the lineup wore white and pastel colored frocks and high school girls wore pastel formals. This year's girls graduates wore blue formals. Boy Scouts took part in full dress, the more than two dozen acolytes were in black and white, and the 42 choir boys wore their red and white robes.

The program was arranged and directed by the Benedictine Sisters and was the sodality's principal observance of May. Following the morning mass 25 freshman students became new members of the sodality during special reception ceremonies and the entire group had a communion breakfast in the homemaking room of Sacred Heart High school.

When paying a visit to George Bernard Shaw, a distinguished visitor expressed surprise that the author had no vase of flowers in his home. "I thought," he said, "you were exceedingly fond of flowers."

"I am," Shaw retorted shortly. "I'm very fond of children, too. But I don't cut their heads off and stick them in pots all over the house."

Clubs Have Lesson On Salad Dressing

Members of Sacred Heart school beginner and junior 4-H girls' clubs learned how to make a cooked salad dressing last Thursday afternoon when Mrs. Paul Fisher, adult leader, gave a demonstration in the grade school assembly room.

Mrs. Fisher whipped up a double batch of the dressing as she explained how to make it, then served it on ritz crackers to the 100 youngsters who watched the demonstration, and had some left over for high school club girls, who didn't attend, to sample.

Margie Flusche, president of the intermediate group, conducted the business session, and with Rosemary Walter, secretary, helped Mrs. Fisher serve.

Sunday is Solemn Communion Day for Fifty-one Children

Fifty-one boys and girls comprising this year's Solemn Communion class for Sacred Heart parish will have their day next Sunday with special services during the 8 o'clock high mass. A renewal of baptismal vows will follow reception of the Eucharist. After church services the children will be guests at breakfast in the parish lunch room. The treat is made possible through the local VFW Post and its Ladies Auxiliary.

27th Anniversary Of L. W. Flusches Celebrated Sunday

A celebration that began with a religious service in Decatur, included a visit at Lindsay, and a dinner party here, Sunday observed the 27th wedding anniversary of Mr. and Mrs. L. W. Flusche.

The day's festivities began with an anniversary high mass celebrated by Rev. Glogowski, pastor of the Assumption parish at Decatur. Joanne, the Flusches' youngest daughter, crowned the statue of the Blessed Virgin in the church's annual May Day procession.

After a visit with the Joseph Flusches of Lindsay, the honor couple and their family were entertained at a dinner given by Mr. and Mrs. L. A. Bernauer here. Guests included Mr. and Mrs. Flusche, their daughters Della and Joanne of Decatur, the Joe P. Simeroth and their children of Fort Worth and Louis Coleman of Denton.

Mrs. Flusche is the former Miss Anna Mae Bernauer and the couple married here in Sacred Heart church. Among many interests they share a love of music. She plays the piano and he the violin. Before moving to Decatur the Flusches lived here while he and his brothers were in the garage business and had the Ford agency.

Miss Rita Hermes And Harold Corcoran Say Vows at Lindsay

—Boyd and Breeding Photo

Miss Rita Hermes and Harold John Corcoran exchanged marriage vows during a nuptial high mass Wednesday, April 27, in Saint Peter's church at Lindsay with Rev. Conrad Herda, pastor, officiating at four o'clock.

The bride is the daughter of Mr. and Mrs. Clem Hermes of Lindsay and the groom is the son of Mr. and Mrs. John Corcoran of Gainesville.

Mr. Hermes escorted his daughter to the altar and gave her in marriage. She wore a lovely gown of white lace and net. The fitted bodice of lace was made with a scooped neckline and soft folds of satin for a cummerbund effect. The wide pleated skirt of net was topped with a deep pointed peplum of lace edged with a tiny ruffle of net. Her fingertip veil fell from a crown of seed pearls and she carried pink rosebuds.

Sisters of the couple were the bride's attendants. Miss Helen Corcoran was maid of honor and Miss Angela Hermes was bridesmaid. Their pink lace and net dresses were identical to the bride's. Linda Corcoran and Ellen Hundt were flower girls. They wore white organdy dresses.

Ray Sandmann was best man and Clem Hermes Jr. was groomsman. Ed Schad and Domin Kasperik ushered. Acolytes for the mass were Gilbert Hermes, brother of the bride, and her cousins Alfred and Cecil Hermes.

Pink snapdragons and greenery adorned the altar. Mrs. William Schmitz, organist, and St. Cecilia's choir furnished the music.

A reception and buffet supper for 325 relatives and friends of the couple was held in the Lindsay hall. Lehnertz catering service was in charge of the meal. A dance followed.

Mrs. Theo Voth of Muenster, sister of the bride, served the cake and Misses Emma Grace Stoffels and Anna Mae Dieter registered the guests.

After the dance the newlyweds left on a wedding trip in their new 1955 Chevrolet with Florida as their destination. For traveling Mrs. Corcoran wore a gray dacron two-piece suit trimmed with white pique, and white accessories. They will make their home in Farmington, N.M., where

he is employed by Halliburton Oil Well Cementing company. He was graduated from St. Mary's High school and served two years in the army.

Mrs. Corcoran is a graduate of St. Peter's High at Lindsay and was employed at Southwestern Bell Telephone company in Gainesville.

Among out of town guests at the wedding were Messrs. and Mrs. Joe Schnitker of Denison, Al Schnitker of Pottsboro, Eugene Schnitker of Sherman, Stan Yosten of Fort Worth, Matt and T. Miller, Billy Joe Miller, Herbert Miller, Tommy Felderhoff, Randy Bayer, George Gehrig, Norbert Knabe and J. W. Fleitman, all of Muenster, and Mrs. Arlin DeRossett and son Ronnie of Jacksonville, Fla.

Junior-Senior Prom Given at Lindsay

Lindsay high school's junior-senior prom was a gala affair of Thursday night, April 28. Held in the parish hall, theme of the affair was "Sailboats."

To stress the chosen motif the stage was decorated to resemble an ocean and a large improvised boat held the orchestra crew in sailor attire. Jerry Talley was captain of the crew.

Class colors, blue and silver, blended in with the ocean scene and were used in decorations throughout the hall. A large statue of Mary, Star of the Sea, further stressed the selected theme. The statue at the edge of the "water" had a backdrop of silver foil. Class motto, "Our Hope: Mary; Our Aim: Success," was suspended from the stage curtain.

Officers of the Mothers Club, Mrs. Ben Hermes, Mrs. Bruno Zimmerer and Mrs. Norbert Zimmerer, and high school room-mothers, Mmes. William Fleitman, Henry Fuhrman, Tony Hermes, Albert Kubis, Henry Kuhn and Henry Zimmerer, and Mr. and Mrs. Nick Block, sponsored the prom, tended to decorations, and served refreshments during intermission.

ANNIVERSARY DINNER

Mr. and Mrs. Richard Swirczynski and her brother-in-law and sister, Mr. and Mrs. Frank Sandmann of Lindsay, shared honors at a wedding anniversary dinner Sunday in the Swirczynski home.

It was the Swirczynskis' sixth anniversary and the Sandmanns' sixteenth. A large angel food cake centered the table and the menu was headlined with fried chicken. Family members were guests.

HOW COSTLY ARE STRIKES TO WORKERS?

The present round of strikes are expensive to the national economy, just as all such escapades are to individuals and the general welfare. More especially is this true for the worker who loses his pay, and maybe to his union that reimburses him in part.

The question arises as to whether or not the gains achieved offset the loss of pay during the strike period? A little multiplying will tell how long it takes the worker to make up pay lost during a strike:

Take, for instance, an employe in a manufacturing firm with a weekly take-home pay of \$60. Say he strikes one week and gains an increase of two cents an hour, it will take him one year and 24 weeks to make up the pay he lost. Should he remain on strike for four weeks, and if he gains six cents an hour, it will take him one year and 49 weeks to make up his lost pay.

But some strikes continue for

many weeks, as the current walk-out being staged by the telephone workers in the Bell system threatens to do. Thus assuming that a strike last for 10 weeks, wherein a worker should gain 10 cents an hour, it would take him two years and 48 weeks to make up the lost pay. Some strikes are known to have gone on for months.

The Taft-Hartley Law, passed in 1947, has helped reduce strike-lost time. Statistics show that in 1946 there were 116,000,000 man-days lost through strikes. In 1953, six years after passage of the law, man-days lost through strikes had been reduced to 24,000,000. Incidentally, during that period, average weekly wages in industry rose from \$43.82 in 1946 to \$71.52 in 1953.

Looks like the Labor-Management Relations Act of 1947 was a profitable piece of legislation for all concerned.

GOVERNMENT INHERITS MILLIONS

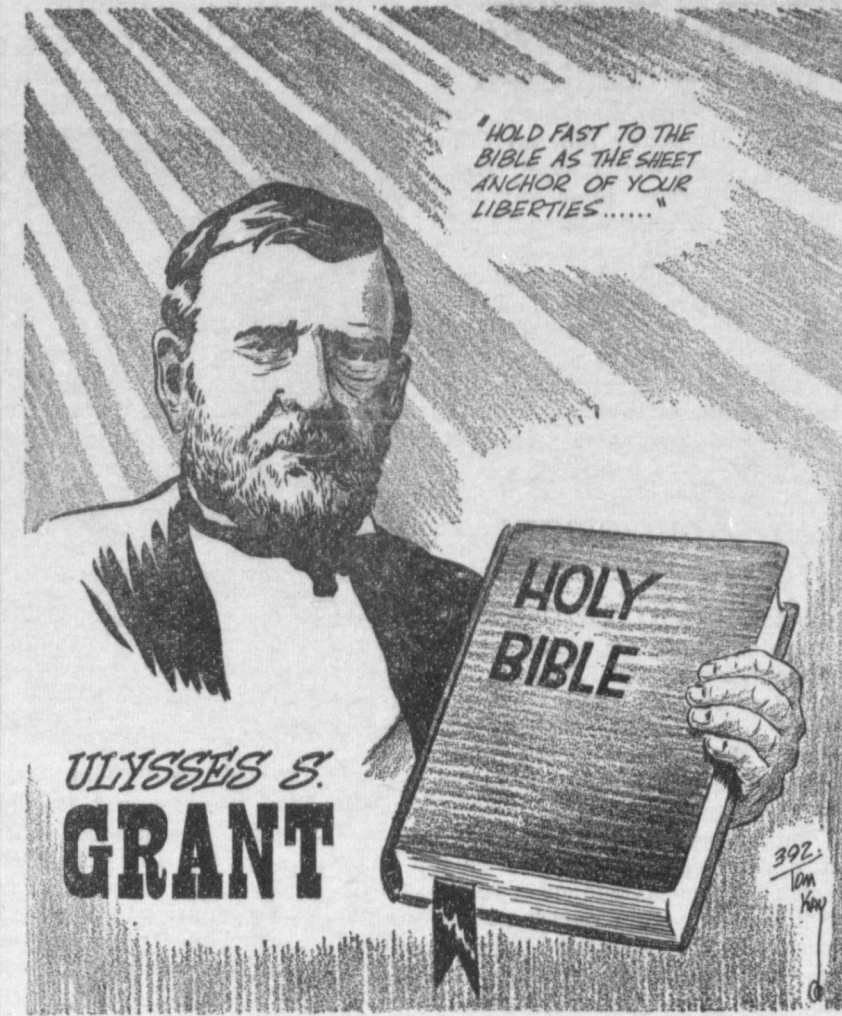

Newspapers recently ran a picture entitled "Heiress Counts Up Millions."

It showed a lucky girl standing beside a safety deposit box. Along side of her, taking out the securities, were a tax examiner and the state treasurer.

The headline should have read "State and Federal Governments Inherit Millions" — because they get the lion's share of the money and the girl won't get a thin dime until after their claims are satisfied.

The advocates of government ownership of business who curse capitalism and private profits never mention that government today through taxation skims the cream off any profits or savings above the lower brackets.

Tax exempt government business enterprises could not operate as they do without the taxes

The Sheet Anchor

taken from the profits of private enterprise. It's time to get the shoe on the right foot.

PENNIES TODAY OR BILLIONS TOMORROW?

The Congress which met last year eliminated a small part of the discriminatory double taxation of dividend income. Now efforts are underway to persuade the current Congress to repeal both the \$100 dividend exclusion and the four per cent dividend credit.

These efforts certainly can't be justified on either economic or ethical grounds. Shareholders in American industry are the people who make possible new jobs, new opportunities, new and better living standards for us all. And these people have long been treated, taxwise, with great inequity. The profits earned by business are heavily taxed before any dividends can be paid. Then they are taxed again when

the money is paid to individuals. No other kind of income is subjected to double taxation of this nature.

The argument that dividend income is only interest to the wealthy is totally untrue. A survey made some time ago showed that 31.6 per cent of shareowners had family income of less than \$5,000, and that 44.4 per cent were in the \$5,000-\$10,000 bracket. Less than a quarter of the shareowners enjoyed family income in excess of \$10,000.

Almost countless billions of investment will be needed in coming years if American enterprise is to expand as it should. Every reasonable move which encourages such investment is of direct service to the entire nation

Mothers Are God's Partners

By Rev. Ernest F. Miller

A WOMAN CAN DO many things with her life. She can become a career woman on the stage, in a classroom or business office. Or she can become a mother.

Motherhood is an extraordinary career because the mother is a partner with God. She prepares the materials into which He breathes an immortal soul. God and the mother work together in the miracle of making a man.

SOME PEOPLE make furniture; some make machinery. A few make beautiful pictures and statues. But a mother helps make something that never really crumbles or dies. The person whom the mother begets will live forever. A hundred million years will pass—and more—and her children will still be calling her mother.

Some women fear motherhood. They dislike the inconvenience that motherhood will bring. They are afraid for their health. They fear the expense of children will mean less gadgets and pleasures for their home. They fear the embarrassment of a swollen, misshapen body. Such women lack the courage to join with God in fashioning men. Not so the mother. She is God's willing partner.

MANY WOMEN FORGET that a baby is God's special interest. With the mother as His helper, God creates souls primarily for heaven and not for earth. He wants them to have eternal happiness, and not just a college education and their own automobile when they grow up. God wants people in heaven so that

He can fill them with an unbelievable amount of happiness.

God knows that motherhood involves many sacrifices. He knows there is danger in childbirth, though much less than there is in crossing a busy street-corner. He knows that mothers will be laughed at by women who want no children or who have limited their children because they lack confidence in God. But God does not change His plan. He wants mothers to give Him people for heaven.

FOR ALL THEIR SACRIFICES, mothers are fortunate in the long run. The women who al-

lowed God to create in them are repaid in heaven for all their tears and sacrificed comforts.

On earth, God and mothers cooperate; in heaven they will exist together for all eternity. God waits anxiously for mothers to come home to Him, that He may greet them. "Come," He says to them. "Tears are for the past. Let us enjoy our children, the men and women you have given me. Let us be happy—forever."

These are the women that we salute on Mother's Day — our mothers, God's partners.

† Paulist Feature Service, Washington 17, D. C.

as a rising population calls for greater production and increased tax revenues. Most important, it broadens and strengthens economic democracy and political democracy alike.

About the only way today's so-called "liberals" fit the dictionary definitions of the word is in their liberality with other people's

money, work, and personal plans for progress.

TEXAS POWER & LIGHT COMPANY

To the Property Tax Paying Voters of Cooke County . . .

When the question of a 30-cent tax increase in our road and bridge fund was submitted in two special-elections held last year, there was some difference of opinion as to the amount of tax increase needed at that time to provide the necessary additional funds for the purchase of right-of-way for Highways and Farm to Market roads in our county. At that time it was the opinion of many people, including those listed below, that 10 cents was needed and was sufficient for present needs.

As you know, the 30-cent increase was defeated both times for the reason it was considered by many in excess of immediate needs.

After further investigation and consideration and determining the wishes of the people by the Commissioners' Court, the question of a 10-cent tax increase is now being submitted to the voters at a special election to be held on the 7th day of May, 1955.

In the future, should it be determined that the 10-cent tax will not adequately care for the right-of-way needs of the county, such additional taxes, not to ex-

ceed 30 cents in total, may be assessed if and when authorized by the voters at an election held for that purpose.

Homesteads to \$3,000.00 value will be exempted from this tax.

This communication is to reaffirm our support of the 10-cent increase and to strongly urge all other voters to do likewise in the interest of the immediate needs and the progress of our county. By voting the 10-cent tax the county will be assured of receiving all available State and Federal funds now allocated for this county for Highway and Farm to Market road construction and maintenance. As Highways and Farm to Market roads are built the future maintenance is assumed by the State Highway Department, thereby relieving our county of high maintenance costs.

We cannot afford to postpone acquiring right-of-way for improvements for which State and Federal funds have been set aside and are now available when we furnish the right-of-way.

In the best interest of our county we ask for your help and your vote for the 10-cent increase.

KEEPING IT UNDER HIS HOOD—Sleek lines of this racer hide Walter F. Strader's secret of propulsion which the Los Angeles designer hopes will win him the 500-mile Memorial Day classic at Indianapolis, Ind. Engine, says Strader, has no cylinders, pistons, valves or crankshaft. It's powered by a system of "rotors"—and that's all that Strader will say concerning his "Planacircle Special."

BUILT-IN MAID SERVICE!

We get more for our food dollar than we did 30 years ago. That important fact is stressed in an exhibit prepared by the Department of Agriculture, which will go from coast to coast on loan to the state agricultural colleges. The exhibit dramatically emphasizes the changes that have taken place in food marketing by showing an old-time cracker barrel along with a supermarket cart filled with modern packaged foods.

"For too many years," Secretary of Agriculture Benson pointed out in opening the exhibit, "consumers have been bombarded with propaganda about the high cost of food. Our diets are much better than they were 30 years ago. The quality of foods is higher. We have a vastly wider selection. And our foods are available in convenient forms—ready-mixed, ready-dressed and ready to serve . . . in fact, in some of our foods we have 'built-in' maid service."

The Secretary then said that one hour of labor today will buy almost twice as many loaves of bread, twice as many quarts of milk, and twice as many pounds of steak or chicken as it did 30 years ago. He added that this story of "phenomenal service to consumers" is well worth telling the country over.

This is a fine testimonial to American food producers and to the people and organizations which process and sell us our foods—all the way from the smallest independent to the biggest chain. And it is further proof of the fact that, in every line of endeavor, the free market system gives more people more and more of the good things of life.

Walter Pidgeon and his wife, Ruth, were driving through the desert some time ago and around noon decided to stop for lunch.

They pulled in at the nearest town and saw a cowboy leaning against a rail.

"Are there any restaurants around here?" asked Walter.

"Yeh, two of 'em."

"Which one's the best?"

"Wa'al, it's hard to say," drawled the fellow. "It's a cinch, though—whichever one you pick—you'll sure wish you'd picked the other!"

You can't make a good hand out of a heel.

Local News BRIEFS

Miss Mildred Fisher is one of two nursing students from St. Joseph's Hospital, Fort Worth, attending the National Nurses Convention in Saint Louis this week. They made the trip with a delegation from Texas and will be back Saturday.

The Al Waltersheids and the Adolph Waltersheids were among Tiger baseball fans at the Boys Ranch game Sunday.

Lenora Jean is the name of the infant daughter of Mr. and Mrs. Eddie Fleitman received at her baptism in Sacred Heart church. Father Louis officiated assisted by the baby's grandparents, Mrs. Al Fleitman and Joe Bauer as sponsors.

Guests of Mr. and Mrs. Lester Harris Sunday for visits before or after the group went to Saint Jo to attend the 100th birthday celebration of Mrs. Harris' uncle, J. F. Roberson, were Mr. and Mrs. G. E. Sloan and Mrs. Sewell Stoffle of Fort Worth, Mr. and Mrs. Floyd Harris and son Donald and the Speck Watsons of Whitesboro.

Visiting the J. W. Fletchers Sunday and joining them in attending the homecoming program at Marysville were Mr. and Mrs. Jack Fletcher and two daughters of Mineral Wells, Mrs. Joe H. Cochran and her son and his wife, the Joe Cochrans Jr. and their five children, all of Fort Worth. Mrs. Cochran is Mr. Fletcher's sister.

Mrs. Carl Pelzel and daughter Carolyn of Denton spent the day Monday with her parents, the Joe Hoenigs. She came here with Mrs. Anna Shelton who visited her sister, Mrs. Joe Felderhoff, and other relatives.

A dinner given Sunday at noon by Mr. and Mrs. Charles Wimmer Jr. honored their son Randy on his First Communion day. Special guests were the honoree's grandparents Mr. and Mrs. C. J. Wimmer and Mr. and Mrs. Matt Neu of Lindsay. The Wimmers are Randy's godparents.

Mr. and Mrs. Starling Lawson and family moved Saturday to spend the weekend with the Joe Tempels here and her parents, Mr. and Mrs. Sam Epps at Myra. There'll be a family reunion there Sunday celebrating the golden wedding anniversary of Mr. and Mrs. Epps. The Tuckers will be here in time to see their little granddaughter Charlotte Tempel take part in the parochial school Mother Goose operetta Friday night. Charlotte is Jill of Jack and Jill nursery rhyme fame.

Miss Georgia Ann Hartman visited her sister, Mrs. Keith Tompkins and family in Denton Sunday. Early Monday morning Mrs. Tompkins and children brought her home and remained to spend the day with her parents, the Victor Hartmans.

Mr. and Mrs. John Rohmer were in Wichita Falls Sunday to spend the day with their daughter and family, the Joe Spaeths. Their grandson Edward Spaeth was among 100 children in First Communion services at Sacred Heart church. Mrs. August Walterscheid accompanied the Rohmers and spent her time with her daughter, Sister Francesca at Mary Immaculate convent.

Mr. and Mrs. Clarence Hudspeth made visits to Gainesville during the weekend to cheer their daughter, Mrs. Johnny Barthold who was a medical patient at M&S Hospital. The Bartholds live at Valley View.

Bobby Leo Butler of Sivells Bend who left Thursday of last week for the army telephoned his sister, Mrs. Paul Brewer, from Dallas to say he was enroute to Camp Carson, Colo., for his basic training.

Father Louis Deuster, Pat Hennigan, Ed Endres, Ed Pels and James Bayer from Muenster and Arnold Bezner, Wilfred Bezner, Paul Arendt and Jake Bezner of Lindsay were among those attending the recent alumni reunion at Subiaco College-Academy.

Mr. and Mrs. John Tucker and family of Houston will arrive Friday to spend the weekend with the Joe Tempels here and her parents, Mr. and Mrs. Sam Epps at Myra. There'll be a family reunion there Sunday celebrating the golden wedding anniversary of Mr. and Mrs. Epps. The Tuckers will be here in time to see their little granddaughter Charlotte Tempel take part in the parochial school Mother Goose operetta Friday night. Charlotte is Jill of Jack and Jill nursery rhyme fame.

Weekend guests of Mr. and Mrs. Clyde Fisher were her parents, Mr. and Mrs. Rudolph Grill, and Mr. and Mrs. George Krist, all of Midlothian, Ill. The two couples had been at Norman for a visit with the Krist's son who is in the service there. Joining them at the Fisher home for Sunday dinner were Clyde's parents, the John Fishers and family.

Garden Club Meets May 9 in Luke Home

Muenster Civic League and Garden Club will meet Monday night, May 9, in the home of Mrs. Joe Luke with Mrs. Edd McGannon as co-hostess. Program for the evening will be "Principles of Flower Arrangements." Each member is invited to bring a guest.

Roll call will be answered by giving suggestions for the coming year's program and members are reminded to have their ideas ready. These hints will serve as a basis for preparing the new yearbook, it was pointed out.

Mr. and Mrs. Dick Cain and children Chris and Debby spent Thursday in Dallas as guests of the A. E. Southers.

Auxiliary Ladies Plan May Program

Members of the VFW Auxiliary at their regular meeting Monday night made plans for the sale of Buddy Poppies, and for participation in Memorial Day services, their principal activities for May.

Mrs. Walter Rawley, poppy chairman, is selecting a committee and working out details for the campaign. Another committee is planning the organization's part in the annual memorial program conducted by the VFW Post. Through courtesy of the Auxiliary, gold star mothers of the community will be remembered with corsages. Details of the Memorial Day program will be announced soon.

Members voted a contribution to the cerebral palsy fund, heard a report by Mrs. F. A. Kathman on the recent district meeting in Sherman, and elected delegates to attend the department encampment at Corpus Christi in June. Delegates chosen are Mmes. Ray Evans, Ray Swirczynski and F. A. Kathman with Mmes. J. C. Trachta, Pat Hennigan and David Trachta as alternates.

Mrs. C. M. Walterscheid, a new member, was welcomed into the organization during a formal

ceremony in which she received her membership pin.

After adjournment there was a social hour and refreshments. Mrs. Dick Cain, refreshment chairman for the next three months, served an array of home made food including chicken salad and coconut marshmallow cake. Mrs. Richard Grewing won the attendance prize.

Recently elected officers who were installed at the last meeting were in charge of the business session. Mrs. Richard Grewing, president, presided.

At 100th Birthday Observance Sunday

Mr. and Mrs. Lester Harris attended the 100th birthday celebration of her uncle, Dr. J. F. Roberson at Saint Jo Sunday. Relatives and friends gathered at the honor guest's home for a picnic lunch, after which open house was held during the afternoon for the entire citizenship of Saint Jo. There was a special birthday cake for the guests.

Dr. Robertson retired from the medical profession after more than a half century of practice. He is Montague county's oldest resident.

Among special gifts and messages received was a greeting from President Eisenhower reading "Please accept my sincere congratulations upon your birthday. May good health be your through many more happy years."

Gift Party Honors Miss Evelyn Pelzel

Miss Evelyn Pelzel, bride-elect of Donald Walterscheid, was honor guest at a gift party Tuesday night when a quartet of hostesses entertained in the parish hall here.

Mmes. Leo Lawson, Ervin and Earl Walterscheid and Miss Bernice Walterscheid shared hostess duties and presented the honoree a corsage of pink roses.

Paper and pencil games relating to the bridal theme were played and prize winners Mrs. Albert Herr and Mrs. John Pelzel presented their awards to the honoree.

Refreshments of pie a la mode and coffee were served to 35 guests.

Among out of town guests were bride-elect's mother, Mrs. John Pelzel and her sister Virginia of Pilot Point and another sister, Mrs. Harold Marcus of Dallas, who will be a member of the wedding party.

The couple will be married on May 14 in St. Thomas church at Pilot Point.

48 Children Receive 1st Communion May 1

Forty-eight second grade students of Sacred Heart parochial school Sunday made up this year's class of first communicants. The 21 little girls wore white dresses and wreaths and veils, and the 27 little boys wore white trousers and blue coats.

They received Communion in a body during the eight o'clock high mass at which Father Louis Deuster officiated. He directed a part of his sermon to the youngsters.

During the day most of the families with a first communicant held some special celebration, principally family dinner parties, for which sponsors and grandparents of the children were special guests.

St. Anne's Society Slates Reception

Candidates for membership in Saint Anne's Society will be formally received into the organization on Sunday, June 6, it was announced at a regular meeting of the group last Sunday.

The reception ceremony, according to present plans, will be held in Sacred Heart church, preceding the business session, and the afternoon will end with a social hour.

All married women of the parish are eligible for membership and those contemplating joining are asked to turn their names in to Mrs. Victor Hartman or Mrs. Lena Streng at an early date so they can make arrangements for the correct number of medals presented at the reception service.

Citation By Publication THE STATE OF TEXAS

To: Mary F. Welch
GREETING: You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 20th day of June, A.D., 1955, at or before 10 o'clock A. M., before the Honorable District Court of Cooke County, at the Court House in Gainesville, Texas.

Said plaintiff's petition was filed on the 15th day of April, 1955. The file number of said suit being No. 16787.

The names of the parties in said suit are: Bob J. Welch as Plaintiff, and Mary F. Welch as Defendant.

The nature of said suit being substantially as follows, to wit: A suit for divorce from the bonds of matrimony for the reasons of harsh and cruel treatment on the part of defendant, and for the care and custody of the minor child of plaintiff and defendant, Bobby J. Welch, Jr., a boy, age two years and for general and special relief, said cause of action being more fully shown in plaintiff's petition filed herein.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved. Issued this the 3rd day of May A.D., 1955.

Given under my hand and seal of said Court, at office in Gainesville.

Texas, this the 3rd day of May A.D., 1955. Woodrow U. Clegg, Clerk District Court, Cooke County, Texas. (24-25-26-27) Woody plantings made for erosion control often furnish food and shelter for farm wildlife.

The Man Who Never Got Started

Sure, he knew that terracing would stop erosion on his farm. He had been to meetings where the Soil Conservation service or the county agent pointed out the losses when water was allowed to run unchecked. He was sitting on the front row when they discussed how contour furrows would help retain water and soil and would stop the little gullies that might some day grow into big gashes in the side of the earth.

He fully intended to start taking better care of his land. But somehow, time got away from him. And at the same time his soil was getting away, too. Not much at first—just a small wash. It grew bigger. Then one day he decided it was too late, he would move to town, and leave the farm. Farming, he says, just didn't pay.

Bank accounts have grown because someone got started saving. Start your account today. You will be glad you did.

MUENSTER STATE BANK
A GOOD BANK TO BE WITH

SUPPORT THE SOIL, AND THE SOIL WILL SUPPORT YOU

How Much Water Do You Use?
According to the American Water Works Association, the average U.S. citizen will use...
25 gallons for a shower
36 gallons for a bath
1/2 gallon daily for drinking
5 to 8 gallons for each toilet flush
20 gallons to shave (with running tap)
30 gallons to wash one meal's dishes (with tap running)
45 gallons for 9 pounds of laundry in a machine.
All told, you may use 8 to 110 gallons daily. Your share of water for all purposes (municipal, industrial, agriculture) amounts to a staggering 1,100 gallons a day. And that's a lot of water.

MODE O'DAY
105-B E. California Gainesville

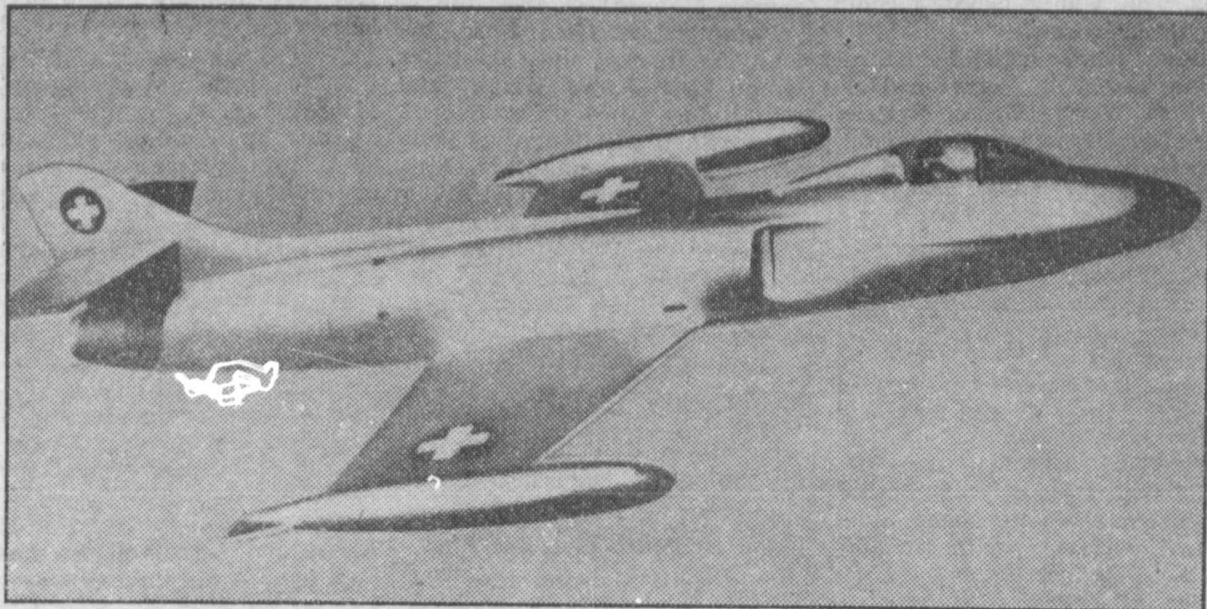

Two Turkish soldiers in Korea were transferred from a Turkish Division, noted for its ruggedness, to the American paratroopers.

Through an interpreter they asked their new NCO from what height they were supposed to jump. "Five hundred feet," was the reply.

The two Turks looked a bit dismayed and after some talk among themselves asked if they could try from 300 feet first.

The interpreter explained that the parachutes might not open from that height.

Bursting into smiles the Turks said, "Oh, that's different, we get parachutes do we."

MADE IN SWITZERLAND—But apparently inspired by U.S. design; that's the story of Switzerland's first home-designed and constructed jet pursuit plane, shown here in model form. The P-16, it features wing shape, air-intake placement and backbone ridge very similar to corresponding construction features of USAF's F-94C Starfire.

Not the Kind of Cigarette But How Soon You Toss It

CHICAGO—It's not only the kind of cigarette you smoke but how short you smoke it.

This finding was reported last week by the chemical laboratory of the American Medical Association, which made the last in a series of reports on cigarettes, cigarette smoke, and filters in the Journal of the A.M.A.

If you're concerned about how much nicotine and tar gets to your mouth when you smoke, you almost have to have a chart in your hand. If you want the least amount, you'd do well to smoke a king size laminated asbestos-paper filter cigarette,

but only if you put it out while the butt is about an inch and a half long. If you smoke it any shorter, you get more nicotine and tar than you do from a regular size.

Other filtered king-size cigarettes let a little more nicotine and tar through. A regular length no-filter brand screens out still less, but you can smoke it down to about an inch and get less nicotine and tar than if you smoke a king size right down to the filter.

You'd be better off if you smoked even a non-filter king size and threw it away when it got to the inch-and-a-half stage. This means, the laboratory said, that you can't get more protection and a longer smoke at the same time.

Bulcher News

By Mrs. R. J. Samples

BULCHER, May 2—L. E. Mangel of Healdton, Okla., was a visitor here Monday.

F. M. Webb and son Carol, R. J. Samples and C. V. Crabtree fished at Lake Texoma Monday night and brought home proof of their good luck.

Mrs. Gid Prather is spending most of her time at the bedside of her mother, Mrs. Mattie Jones at Saint Jo. Last week Mrs. Jones was here at the Prather home.

Visiting in the Gid Prather home Friday while Mrs. Prather's mother, Mrs. Mattie Jones of Saint Jo was there, were Mr. and Mrs. Lee Poteet of Olton who took her mother back to Saint Jo and spent the weekend there.

Sam Williamson is back at his home after spending a week in Nocona Hospital following an accident in which he broke his hip and underwent surgery to insert a pin in the fractured bone. The mishap occurred when Williamson made a misstep and fell. He

and Weldon Dennis were handling a horse at the time.

Guests in the home of Mr. and Mrs. E. Newby Thursday and Friday were her sister and husband, the Clark Harrells of Electra.

Guests last week in the R. J. Samples home were Mr. Samples' brother, J. A. Samples and his wife of Lubbock. Joining them for a weekend visit were the men's sister and her husband, the C. D. Johnsons of Archer City. The three couples visited in Gainesville Saturday with another sister, Mrs. Charlie Parsons and her husband.

Mr. and Mrs. Hardy Burkes and family of Pilot Point spent the weekend with her mother, Mrs. Sam Williamson and they all went to Nocona to visit Mr. Williamson at the hospital. Joining them on the trip to Nocona were Mr. and Mrs. Harley Sewell of Gainesville.

Mr. and Mrs. C. V. Crabtree and Corky visited during the weekend in Ardmore with her grandmother, Mrs. J. W. Whitfield who suffered a stroke recently.

Mr. and Mrs. E. Newby were Graham visitors Saturday.

Mr. and Mrs. F. M. Webb and son Carol Lee have returned from a vacation visit in Arkansas.

The J. W. Newbys and children of Henrietta visited his parents, the E. Newbys Sunday.

Annual Homecoming At Shiloh Sunday

Shiloh Baptist church's annual homecoming and Mother Day program will be held Sunday, May 8, and Bulcher residents extend a general invitation to everyone to attend.

Services will be conducted at the regular morning hour and there will be a basket dinner at noon. Singing, visiting and entertainment are on the afternoon program.

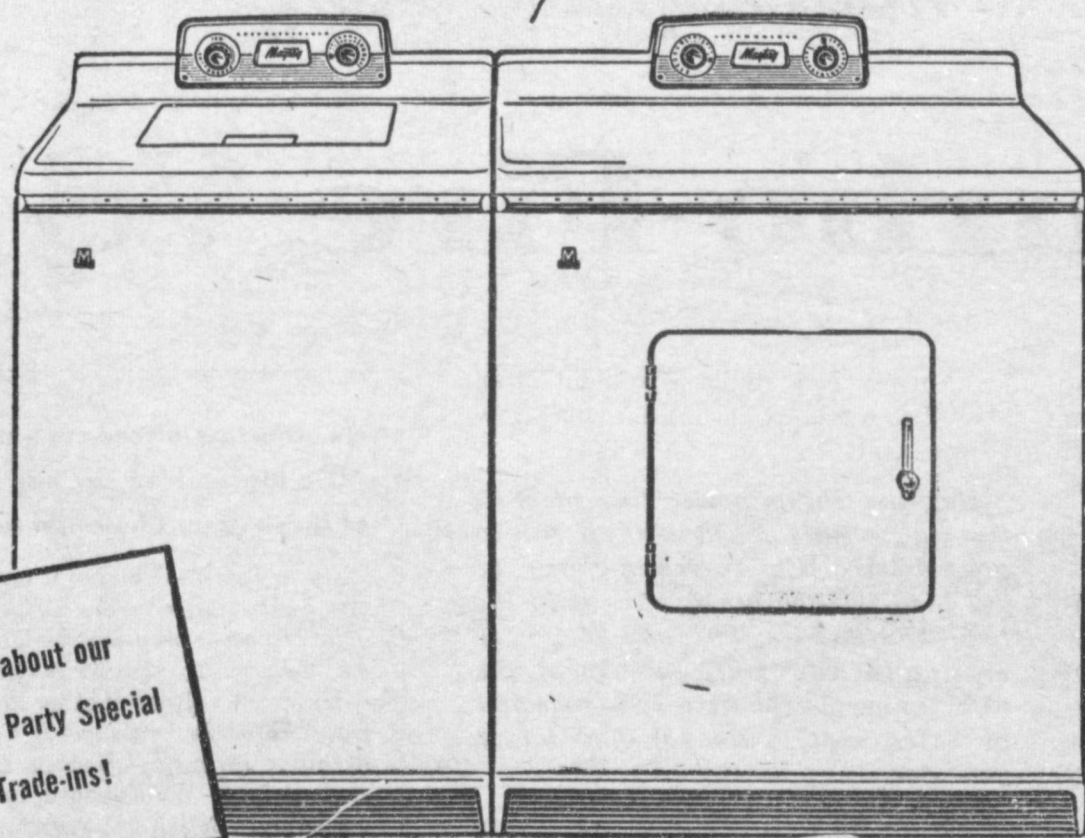

Almost a fourth of all the radios in the U. S. are in automobiles.

Homecoming Brings Crowd to Marysville

They came from far and wide Sunday to attend the annual homecoming program at Marysville. Former residents, scores of visitors and nearly all of Marysville turned out for the all-day celebration that included a service at the Baptist church, a picnic dinner and an afternoon program.

Rev. Gene Hawkins, pastor, preached the homecoming sermon.

Oldest persons registering were Mrs. Mattie Doughty, 87, of Marysville and J. W. Cauthen of Tucumcari, N.M., who admitted being "over 80." Both received gifts and enjoyed the day as actively as their younger friends and acquaintances.

Young people of the community were in charge of the morning service which began at 10:15 with a song by the congregation led by Ronald Hallmark. Rita Cain was pianist. Douglas Robison extended welcome, Wendell Richey gave the scripture reading and Donny Whitt gave a reading, Billy Whitt gave the devotional and there was singing by Mrs. Gene Hawkins and Wanda Richey and Weldon and Alfred Moody as

duets. The young people's choir sang three hymns. Guests were registered from Bovina, Lubbock, Perryton, Dallas, Fort Worth, Grand Prairie, Glen Rose, Stanton, Panhandle, Bowie, Bridgeport, Canadian, Saint Jo, Valley View, Muenster, Sivells Bend, Gainesville, and from towns in Oklahoma and New Mexico.

Marysville News
By Mrs. Herman Richey

MARYSVILLE, May 2 — Mr. and Mrs. Joe Doughty and sons Douglas and Wayne spent Sunday in Leon, Okla., with Mr. and Mrs. J. S. Hodges.

Mr. and Mrs. W. L. Young and son Paul of Tyler and Mrs. Mary Halcombe of Stanton spent Saturday overnight with Mr. and Mrs. B. G. Lyons and attended the homecoming program Sunday. Others at the homecoming celebration and stopping to visit Mr. and Mrs. Lyons, two of the longest of longtime residents, were C. B. Binford of Tyler, the E. W. Holcombes of Stanton, the Kenneth and Wayne Holcombes of Midland, Mr. and Mrs. Robert Bone and his mother Mrs.

Queenie Bone of Odessa, the E. J. Doughtys of Glen Rose, the Hugh Pearsons and daughter Debra, Mrs. S. B. Wright and Miss Shirley Stiles of Fort Worth, Aubrey Sapp and daughters Lona and Lora of Duncan, Okla., Mrs. Clea Denton and daughter Beverly, Miss Myrna Loye Doudy of Bowie, the Bill Welches and children Princilla, Judy and Mike, Mrs. W. W. Butts, Rudolph Sapp, and Mrs. W. C. Stiles and daughter Velora, of Gainesville.

John Davison and Mrs. Emma McElreath of Canadian are visiting the Jess Davisons. Other visitors in the Davison home Sunday and attending the homecoming were Mr. and Mrs. Bill Brooks and son, the John M. Duffeys, the Sam Duffeys and the Harold Cookes and family of Fort Worth, and Mr. and Mrs. Owen Almon of Gainesville.

Saturday overnight guests of Mr. and Mrs. J. N. Shaw were Mrs. E. H. Moody and children Weldon, Alfred and Sue of Bovina, the D. D. Stevensons of Lubbock and Rev. and Mrs. Gene Hawkins and daughter Nancy of Fort Worth. Other visitors dropping in on Sunday included Mr. and Mrs. Paul Moody and Mr.

and Mrs. Johnnie Cowin of Dallas.

J. W. Cauthen of Tucumcari, N. M., honored as the oldest father at the homecoming celebration here Sunday, was the guest of Lawton Moon.

Guests in the home of Mr. and Mrs. John Richey Friday were Mr. and Mrs. Jimmy Owens of Olney and Mr. and Mrs. O. H. Dennis and family of Dallas. Saturday overnight guests in the Richey home were Mr. and Mrs. Earl Cochran of Athens who attended the homecoming Sunday.

Weekend guests of Mrs. Rilla Wyatt and taking in the homecoming program Sunday were the T. C. Wyatts of Winnsboro, Mrs. A. A. Ballinger, Bud Ballinger, Mrs. Buster Ballinger and family of Sulphur, Okla., Mr. and Mrs. Tidy Cochran of Bonham and the Fred Richeys of Sivells Bend.

Clyde Moon and son Leo of Tucumcari, N. M., were Saturday guests of the Lawton Moons and attended the homecoming Sunday.

The R. L. Whitts and family of Fort Worth were Saturday guests in the W. B. Whitt home.

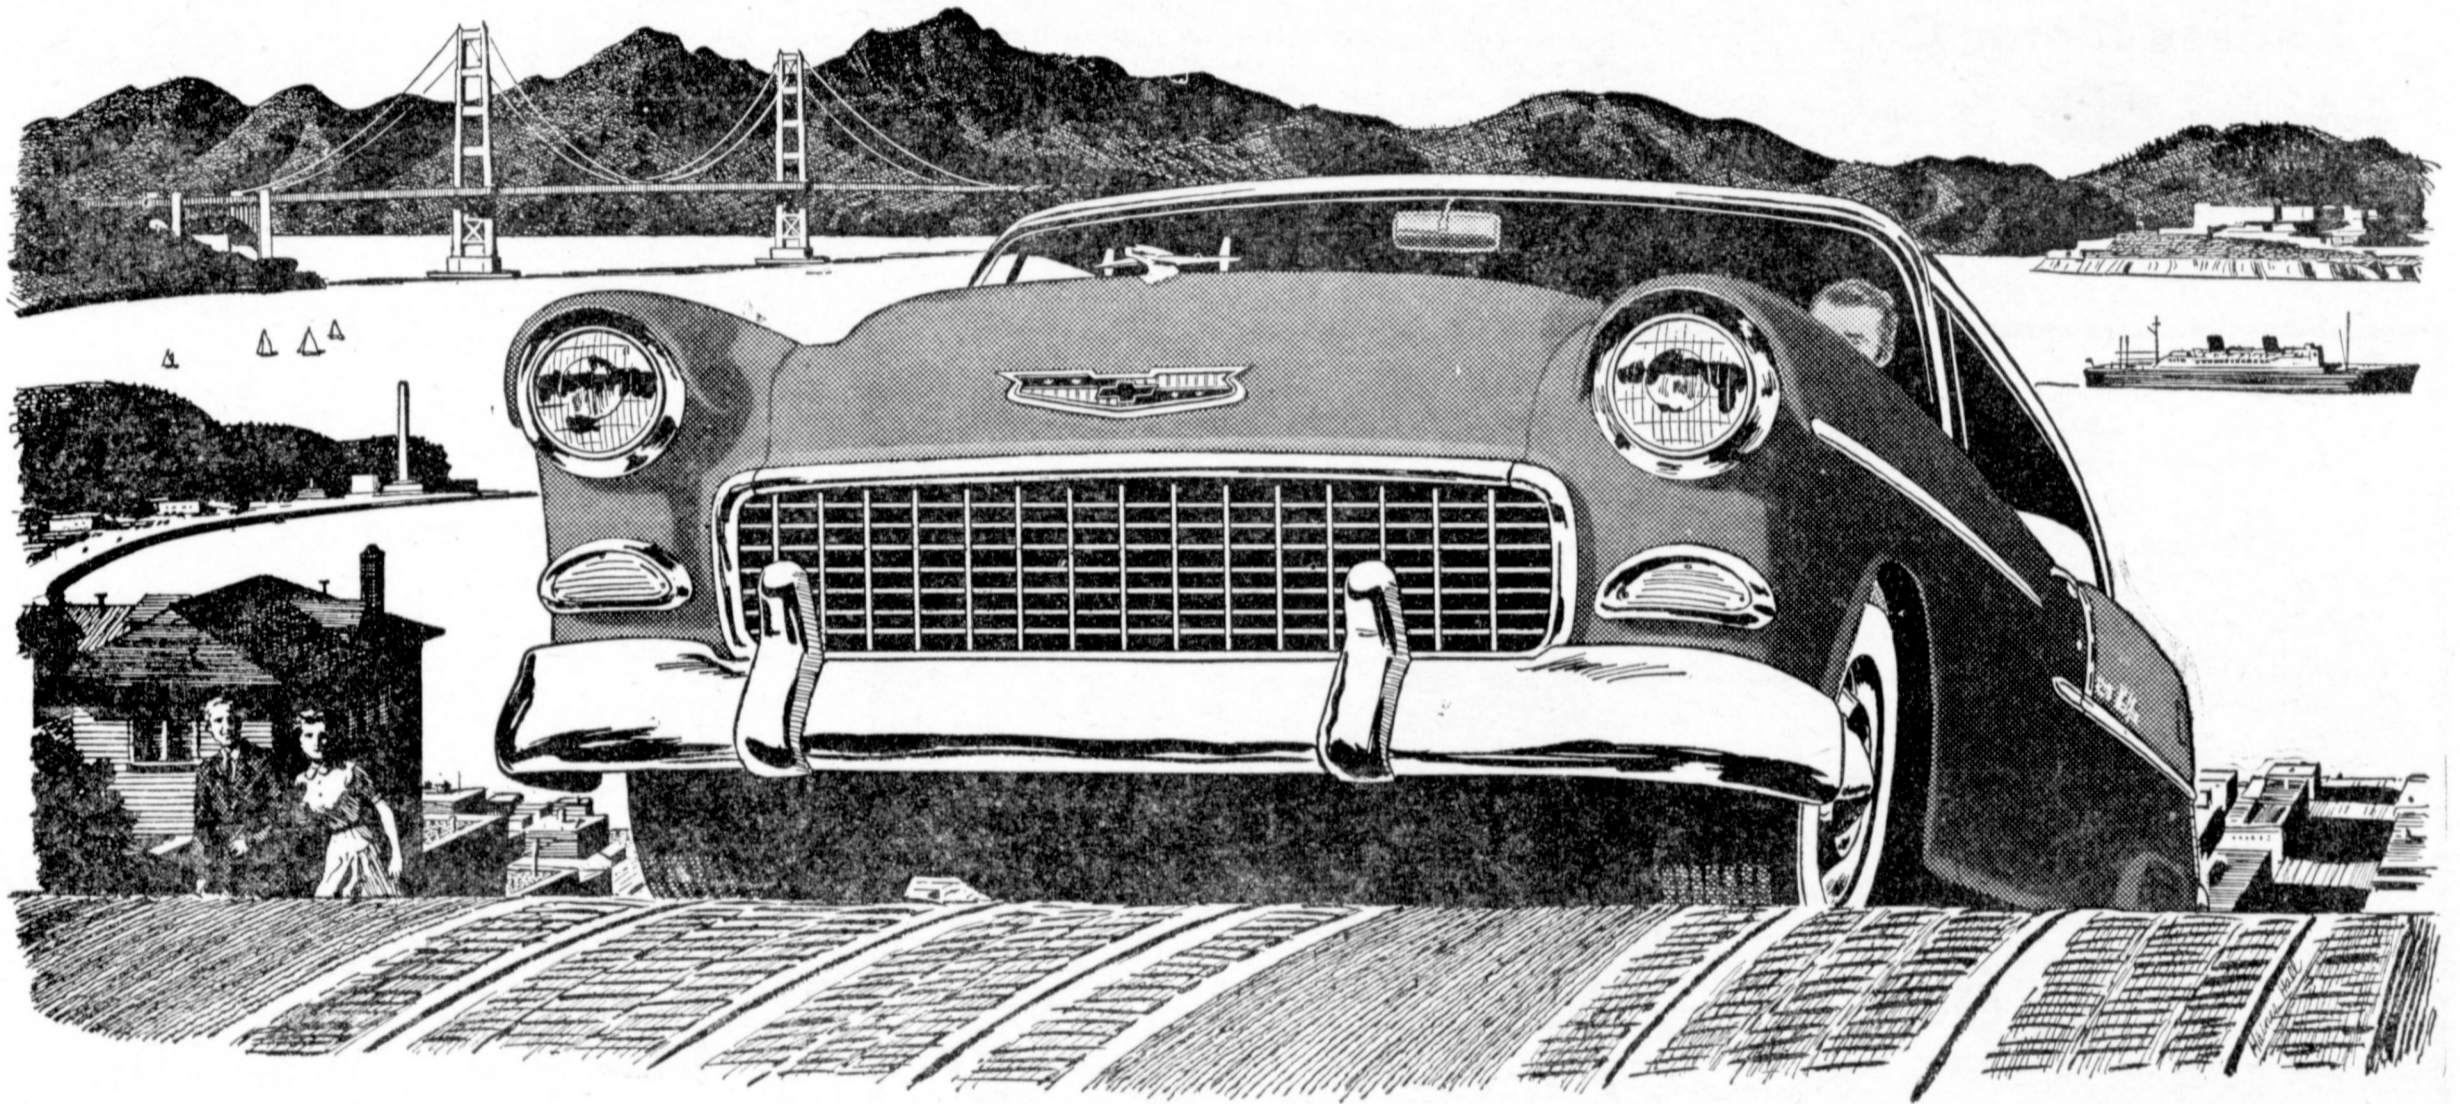

BITE BETWEEN MEALS—Phil Yazdzik, 42, of Oliphant, Pa., does his best to eat through Chicago's beef supply as waitress Dorothy Johnson brings him still another tray of hamburgers. Total damage inflicted to set what he calls a world's record—77 hamburgers, eight dozen rolls, 24 glasses of milk and six bottles of cola. Yazdzik works as a coal miner and delivery man to keep himself and family in food; says he pays \$130 a week for groceries.

Mr. and Mrs. Hobson Wyatt of Fort Worth were overnight guests Saturday in the home of Mr. and Mrs. N. W. Whitt. Stopping with the Whitts for a visit Sunday were the Emmitt Deerings and Mrs. Lizzie Wood of Nocona.

Mr. and Mrs. Douglas Robison of Archer City were weekend guests of their parents.

The Charlie Winchesters and family of Grand Prairie spent the weekend here with relatives.

Punch-line to the year's hottest power story—

Chevrolet "Turbo-Fire V8"!

There's only one way you'll really discover the hottest power story of the year. Get aboard a new Chevrolet that packs a bundle of velvety TNT under the hood—the new "Turbo-Fire V8"!

For this is the engine that's writing a whole new chapter in the book of automobile performance records. This is the engine that has stock car timers doing a "double take" at their stop-watches wherever experts gather to compare the abilities of the 1955 cars.

For example, in the recent NASCAR* stock car competition at Daytona Beach, Florida, Chevrolet literally ran away from every other car in its class—and a raft of others besides. In the one-mile straightaway run for low-priced cars, the

first two places—and six of the first ten—went to Chevrolets. And in acceleration runs from a standing start against all comers, Chevrolet beat all other low-priced cars—and every high-priced car except one!

What's behind this blazing performance? A compact honey of a V8 that only the world's leading producer of valve-in-head engines can build. Chevrolet's new "Turbo-Fire V8" has the shortest piston stroke in the industry (that means less piston travel . . . longer engine life)! And it delivers the highest power per pound of any V8 in the low-priced field. It's so efficient that it requires only four quarts of oil instead of the usual five

. . . needs less radiator coolant, too. It's the most modern V8 under anybody's hood!

But the thing you'll like most is the way it puts a new kind of fun in your driving life. You're in charge of 162 high-spirited horsepower with the new "Turbo-Fire V8" and if you're looking for even more excitement, the new "Super Turbo-Fire V8" (optional at extra cost) puts 180 h.p. under your toe.

Pick the one you'd rather have fun with, then come in and get behind the wheel. You'll see why the Motoramic Chevrolet is showing its heels to everyone else on the road!

**No other low-priced car has any—
no high-priced car has all—
of these great Chevrolet features!**

Body by Fisher—You see it on some of the highest-priced cars. *Nine engine-drive choices in any model*—The greatest choice going. *12-volt electrical system*—Twice the voltage of other low-priced cars. *Anti-Dive braking*—A Chevrolet exclusive for heads-up stops. *Outrigger rear springs*—Wide-spaced for steady cornering. *Ball-Race steering*—Turns on ball bearings. *High-Level ventilation*—Cleaner, fresher air. *Double-Arch cowl construction*—Extra strength and safety.

*National Association for Stock Car Auto Racing

Combine your new Chevrolet purchase with your vacation plans!

Order a new Chevrolet through us, then pick it up at the plant in Flint, Michigan, see Chevrolets built, if you like, and drive yours home. Chances are, you'll save a substantial share of your vacation travel costs!

J. B. WILDE, CHEVROLET DEALER

BARNYARD FOE—Phil Yazdzik, 42, champs his umpteenth chicken leg in Detroit, Mich., as he rounds the turn in a fried-chicken gobbling marathon. Appetite whetted by a 77-hamburger warm up in Chicago, the Oliphant, Pa., miner-deliveryman downed 31 orders of the delicacy in five hours.

Weinzapfels - - -

lieutenancies, east and west of the Mississippi River. Bishop McGuinness of Tulsa, head of the western division, conducted the investiture last Sunday.

Others of the diocese who received the papal citation are Mr. and Mrs. J. M. Haggard of Dallas, Mrs. John Saner of Dallas, Mr. and Mrs. Garner Dunkerley of Ennis, and Mr. and Mrs. Charles King of Wichita Falls.

Attending the ceremony from here were Father Louis Deuster, Mary Weinzapfel and Mr. and Mrs. Hugh Jackson. Other members of the family present were Fathers Thomas and Joseph Weinzapfel of Dallas and the Paul Hellmans of Tulsa.

Two children Pfc Henry Weinzapfel and Mrs. David Bright of Florida were not able to attend. However the Brights marked the day by christening their second child and naming the Hugh Jacksons as sponsors. The child was named Lola Juanita.

William E. Levis, Toledo glass industrialist.

This two-story structure, 200 feet by 60 with a 60-foot wing, has the most modern facilities under which dairy cattle can live and be studied.

Glass block panels on all sides of this brown and white bovine hostelry provide interior daylighting. In those areas where a cow might be facing this glass wall, the blocks are designed to bend the light rays so she won't be annoyed by the glare!

Interior walls of glass block and flat glass help to transmit the outer daylight to the deepest recesses of the barn. Approximately half the herd, however, will live in a deluxe open shed, bisected by a feed alley and equipped with electrically warmed automatic water bowls. The purpose of all this elegance, you see, is to study the effect of housing, feeding and handling on milk production and dairy herd improvement, a seriously worthwhile and far-reaching project.

For the time when the 55 heifers go into production, a glass-enclosed milking parlor is provided so that visitors can observe the handling of the cows at milking time. The barn also has a special maternity section with individual, large stalls for cows and their offspring to keep them separated from the rest of the herd.

We understand that the new 350-acre Central Substation research farm of the Ohio Agricultural Experiment Station (in Erie County), which is the setting for this super-barn, will also provide facilities for wildlife research, especially with ducks, pheasants and muskrats.

They'll cavort, of course, in more or less natural habitat; the object, no doubt, of disdainful moos from a herd of cows who never had it so good—properly pampered as part of a noteworthy effort to make things better for the dairy farmer and the consumer he supplies.

Every man I meet is in some way my superior; and in that I can learn from him.

—Ralph Waldo Emerson

Pampered Bossy Gives Better Milk. The Experts Claim

Maybe it never occurred to you that a good night's sleep for Bossy down on the farm has some influence on the quality of the milk your youngsters drink.

Dairy experts long ago recognized the fact that living environment directly affects milk production and quality.

Now, out in Castalia, Ohio, they've started a long-range study to determine exactly how and why the cow reacts to certain living conditions and to ascertain what conditions are apt to produce most favorable results in milk production and quality.

Interesting as the proposed program is, most of us who remember barns generally as dark, uninviting caverns are apt to be most impressed by the structure which is home to this experimental herd of 55 heifers selected from top dairy herds of the state's welfare farms.

It's a new \$100,000 barn given to the state of Ohio by Charities Foundation through a gift from

JUST SIGN HERE
Just to show you that some people will sign anything, we print the following item from Editor and Publisher:

"A reporter for the San Bernardino Sun Telegram 'nominated' a dead Russian secret police chief for mayor.

"Hal McClure, city hall reporter, obtained 19 signatures on a petition to nominate Lavrenti P. Beria, to place his name on the primary election ballot.

"The reporter told everyone he was trying to get 'an ex police chief on the ballot for mayor.'

"One woman said she thought he would make a 'good mayor, his name is very familiar.'

"To top off the story, McClure signed on the first blank of the nomination paper, using the name of V. M. Molotov, 734 Kremlin."

"Government should be like our stomach. If it is working right you don't know that you have it."

10c Tax Hike - - -

mitted that proposed benefits were available for about a third of the proposed rate.

Since the new election, on the lower rate proposal, was ordered by the commissioners court, that same group has come forward with its endorsement.

Projects already in sight for the additional tax revenue are four-lane divided highways north and east of Gainesville. These roads are to be built by the federal government if the county will qualify by providing the necessary right-of-way. Another project expected in a few years is a similar four-lane road west of Gainesville.

Approval of the tax is also conceded to have a bearing on future F-M road developments in the county. As an area that cooperates in the state's road improvement efforts, the county can expect better cooperation from the state on its local road projects.

If approved the tax will add about \$32,000 a year to the county road and bridge fund. Total valuations now are about \$38 million, of which about \$6 million are exempt under the homestead law.

The election here will be held in the usual places at the usual time with I. A. Schoech presiding at the north box in the public school and Paul Fisher presiding at the south box in the elevator scale house. Both places open at 8 and close at 7.

County Softball - - -

lowed 4 hits whereas Felker fanned 3 and allowed 3 hits. Each walked only one player.

Playing Sinclair last Friday night the Bombers coasted to a 10-6 win after a 4 run opening inning. Two of the Muenster runs were homers, by Herbie Herr and Paul Brewer. Coffman had the edge on the Sinclair hurler with 9 strike outs while giving 5 hits and 4 walks. The other fanned 3 and allowed 7 hits and 6 walks.

With Muenster's perfect record smeared, TP&L remains the loop leader and the only undefeated team.

Games scheduled for the week are:
Thursday, 5th, National Guard vs Schlumberger and Lindsay vs TP&L.

Friday, 6th Cox-Hamon vs Sinclair and Bombers vs Woodbine.
Tuesday, 9th, Era vs Callisburg.
Wednesday, 10th, VFW vs Schlumberger and National Supply vs Lindsay.

Thursday, 11th, Bombers vs National Guard and TP&L vs Sinclair.

ONE-DAY WORMING

Don't let internal parasites rob you of poultry profits. Feed Red Chain Medicated Feed and free your flock of parasites.

After the birds go to roost, fill the troughs with one-day worming mash, nuggets or granules, but no other feed. The next night clean the troughs, fill with regular feed. In this simple manner, you have done a remarkable job of worming in one day.

See your Red Chain dealer now. Worm your birds with Red Chain Medicated Feed. Start your M-Day right away and make it a "must" for each month.

Lindsay News

Mr. and Mrs. Paul Arendt Sr. have received a radiogram from their son Ernest and his wife telling them that Ernest underwent surgery at Fort Richardson, Alaska, and is recovering satisfactorily.

Sunday, May 8, will be Solemn Communion day at St. Peter's church. Children in this year's class will receive the Eucharist during the 7:30 a.m. mass.

Mrs. Johnny Arendt entertained the Tripoley Club in her home last Wednesday night and after the games served refreshments of banana splits to Mmes. Andy Arendt, Paul Arendt Jr., Earl Walterscheid and Albert Herr.

Rev. Francis Zimmerer of Corpus Christi is here this week to visit his parents and family. Thursday he officiated at the wedding of his brother Paul Zimmerer and Miss Ann Clancy.

Solemn confirmation services will be held in St. Peter's church Sunday evening at 7:30. The Most Rev. Bishop Augustine Dangelmayr will officiate.

Miss Henrietta Fuhrmann will be married Saturday, May 7, to William Dankesreiter of Pilot Point. The nuptial high mass will take place at 4 p.m. in St. Peter's church with the bride's uncle, Rev. Joseph Fuhrmann of Fort Worth officiating. Parents of the couple are Mr. and Mrs. Matt Fuhrmann of Lindsay and Mr. and Mrs. Frank Dankesreiter of Pilot Point.

CYC Has May Day Ceremony Sunday

Members of the Lindsay CYC Sunday night paid tribute to Mary, as Queen of the May, when they staged an impressive procession and climaxed their service with a coronation ceremony in Saint Peter's church at 7:30.

To Miss Aileen Schmitz went the honor of crowning the statue of the Blessed Virgin and leading the act of consecration. She wore a white formal gown and was attended by Carolyn Schmitz and Margie Fuhrmann as maids of honor in blue formals. Margie Gossett was crown bearer wearing a white formal.

Other members of the court of honor were Dorothy Geray, Rachel Voth, Wanda Hess, Alice Voth, Angela Hermes and Anna Belle Metzler. They wore pastel colored formals.

After the May Day service conducted at the Blessed Virgin's altar which was adorned with flowers, candles and greenery, Father Conrad led the congregation in the rosary and officiated at Benediction of the Blessed Sacrament.

Third Order Group Meets at Lindsay

Fifteen prospective members of the Third Order of Saint Francis met with a group of Muenster members in the Lindsay hall Tuesday night to have the fraternity explained to them and to make arrangements for reception into the order as novices.

Those from Lindsay who plan to join will be received here in a ceremony next Tuesday when the ritual for novices is held along with a formal profession by local members who have been novices for one year.

The service will follow May Devotions Tuesday night, May 10, in Sacred Heart church.

Muenster members meeting with the Lindsay group were Prefect J. W. Hess and Mrs. Hess, R. R. Endres, Gertrude Fisher and Rosa Driever. Five members from Lindsay also attended the session.

Mrs. John Wilde of Harlingen is visiting her children and her sister, Mrs. J. S. Horn this week.

CORRECTION

It's Nick Block who is president of the Northern District of the Catholic State League of Texas. He was elected at the district meeting in Lindsay on April 24. Nick's brother Pete got credit for the presidency in a story in the Enterprise last week.

NCCW Has Meeting At Lindsay May 11

The regular quarterly meeting of the National Council of Catholic Women for the Sherman deanery will be held next Wednesday, May 11, in Lindsay with members of St. John's parish of Valley View as hostesses.

In announcing the meeting Mrs. E. T. Noyes of Denton, retiring president, said there would be a display and a demonstration on altar linens, installation of recently elected officers, and a talk on retreats as program highlights. Registrations will begin at 1:30 and the meeting will start at 2 p.m.

Soil Champs - - -

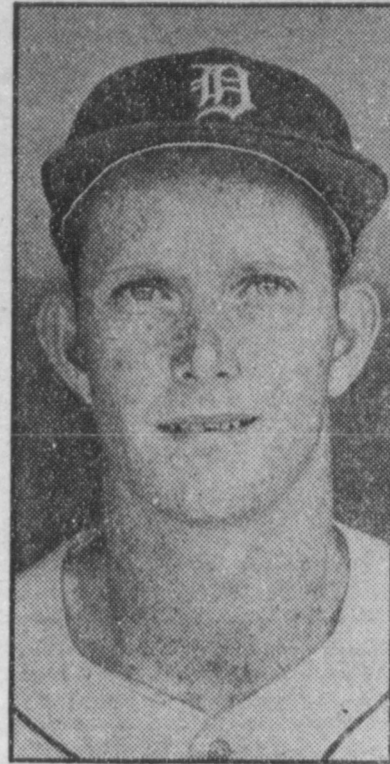

as the year's best comeback farmer of the district. In addition the Meador Group of Sherman will be honored as the outstanding conservation group of the past year. Each of the individuals and the group will receive a \$50 cash award.

Possibilities of making this year's event the biggest to date developed when the sponsors decided to use a professional catering service and meet in the Sacred Heart High gymnasium. Heretofore attendance was limited by the size of available places which had facilities for preparing and serving meals. The only previous year in which the program was not cramped was 1953, when it was held in an Austin College building at Sherman.

Jetton's of Fort Worth has been engaged to prepare and serve the meal to as many as 700 persons.

As people arrive for the banquet they will enter the west door of Sacred Heart High and form two double lines in the corridor leading to the gym. There guests will serve themselves from two sides of two tables and eat as soon as they are seated. Dinner music during the meal will be played by the Blue Notes, under direction of Bill Searcy.

To conform with the streamlined method of serving the usual program openers have been slightly delayed. The welcome and the invocation will follow rather than precede the meal. After that the program will proceed in its usual sequence.

SPOTTED "TIGER"—While tigers (jungle variety) have never been known to change their stripes, tigers—Detroit Tigers, that is—are sporting spots these days. Good bid for Freckle King of the major leagues could be entered by rookie J. W. Porter, who brought his freckles from Shawnee, Okla., to the Detroit team's outfield.

Tigers Baseball - - -

third and scored on Sylvan Walterscheid's single.

Walterscheid fanned 10 and allowed 1 hit. Lovelace fanned 9 and allowed 5 hits.

The second game started fine as Sacred Heart scored 5 in the first inning, but began looking shaky as Tiger fielding got sloppy in the bottom half of the same frame. From then until the end it was a comedy of errors netting the Ranchers 3, 5, 4 and 2 on a total of 6 hits. Only one of their 14 was an earned run. Meanwhile Tigers were hitting good for 9 safeties and 9 tallies, but not enough to overcome the efforts of their fumbles. Tommy Herr made it another big game for his batting record. He got 3 doubles and a homer.

The big let-down for the parochial boys came after their half of the fifth inning when they discovered the game was over. They still had hopes for sixth and seventh inning rallies and were unaware of a league regulation limiting the second game of a double header to five innings.

The more you lean on others the leaner your chances are for success.
