## Joyce Wiesman To Be Sweetheart at MHS Homecoming

Two more incidents give an idea of what is meant by the policy of co-existence. Our part of that arrangement is to endure patiently every insult and every atrocity, confining our retaliation to a formal protest and eventually doing nothing at all about the insolent lies and additional insults with which our protests are rejected.

During the past week end another American plane was shot down by Soviet fighter planes. The plane was on a routine flight over Japanese water when the red fighters suddenly opened fire. As testified by every one of the ten survivors, the American plane did not start the shooting nor even return the fire. It was plain atrocity and murder. The plane and one of its crew men were lost. Our state department has filed its official protest and has been answered by lies and insults.

A week or so before two wives of embassy personnel in Moscow were walking near the embassy and asked a group of Russian women to pose for a picture. The women declined, so the camera was not even taken from its case. Then two men in plain clothes suggested the ladies would find interesting photo subjects in a near-by building. They went along with the men but, suspecting something was wrong as soon as they got inside, tried to leave again. They were detained an hour in spite of diplomatic identification cards. And, Russia charges, one of the ladies slapped a Russian officer. The Kremlin called it "hooliganism."

Whether she actually socked the guy has not been made clear, but we can assume that she did on the grounds that she had more than sufficient provocation. According to civilized standards she was fully justified in doing it, too. But how did the reds deal with the incident? Did they reprimand the officers? No! They cried "hooliganism," declared her "persona non grata," and decreed that she must leave at once. Neither our State Department nor Ambassador Bohlen could prevail on the Kremlin to change the decision. The order stuck and our country patiently endured another insult before all the world.

Some months ago when another plane was shot down by the trigger happy Soviet gangsters, and the response to our protest was equally insulting, Senator Knowland said that we ought to recall every American diplomat in Moscow and boot every Soviet diplomat out of this country. The administration would not consider such drastic action.

Now again, Knowland repeats his demand, and millions of Americans are more convinced than ever that he was correct the first time. Why maintain an office for handling dealings between the two nations if it can do no more than receive abuse and insult? Why continue the indignity of enduring all the restrictions imposed on our diplomatic personnel by the reds? Why allow the Soviets to keep diplomats over here when we know their first objective is to direct the Kremlin's program of espionage and subversion?

Above all, why continue to extend diplomatic recognition to a mob of international bandits who have no respect whatever for the standards of civilization, who obviously are using these incidents and these insults to disgrace and humiliate our country before the rest of the world? When such things happen again and again there can be little doubt about the intent. Russia is systematically convincing other nations that we are weaklings, and we are substantiating the claim every time we let an incident pass.

Few will deny that the time is drawing near when our national self respect demands that we follow Senator Knowland's recommendation . . . and millions of Americans think the time has passed long ago. Regardless of how anxious the administration is to go more than half way in preserving peace, we must still realize that there is a limit beyond which national honor can not go. That circumstance is further aggravated by a comparison of treatment and activity in em-

The presentation of Miss Joyce Wiesman as sweetheart of the Hornet squad and homecoming ceremonies are on the program for Friday night when Muenster High and Alvord High meet here for the annual homecoming game.

Ceremonies, slightly different from other years when a football queen was crowned, will consist of three principal events: presentation of Miss Wiesman as football sweetheart, the presence of a parent of each player in a place of honor reserved on the sidelines, and a dance.

Band Director Bill Searcy and his musicians will give a show at half time in connection with the sweetheart introduction. Miss Wiesman will be escorted by Co-captains Joe Noggler and Wendell Richey and will receive a dozen red roses.

Parents watching the game from the sidelines will wear the same numbers their sons wear on the field.

The homecoming dance from 9:30 to midnight will be held in the parish hall. The Twilights will play and everyone is invited to attend. It will be a senior class benefit with admissions a dollar a couple and a dollar a stag. Seniors will also sell refreshments during the dance.

## Rain Measures .43

Two drizzles since the first of the month have added .91 inch of moisture to keep local grain crops and ranges progressing nicely toward prospects for nice winter grazing.

Tuesday's light rain, scattered over most of the day, measured .43 and a similar rain a week earlier measured .48.

This brings the local year's total to date to 23.10 inches.

## WITH THE MEN IN SERVICE

### Completes Basic

Pvt. Henry Weinzappel is at home on a 10-day leave after finishing basic army training at Fort Bliss and will go to Camp Gordon, Ga., for assignment with a signal corps.

### Located Near Seoul

PFC Maynard Williams, writing from Korea, where he is serving with the 7th Marine Division tells relatives that he's well and busy, that the weather's cold and while the servicemen are warm and taken care of they're forever feeling sorry for Korean children who aren't. Maynard is located about 50 miles from Seoul. He said to tell everybody hello.

### Gets Overseas Orders

Pvt. Gilbert Bindel telephoned his parents, the Frank Bindels, Monday night to let them know he has overseas orders and would leave Fort Lee, Va., this Friday for Camp Kilmer, N. J., where he'll be processed for shipment to Europe. He has been in the army four months, took basic training at Fort Bliss, and specialized training at Fort Lee.

### Gets Ensign's Bars

Ensign and Mrs. Max Rumlhart are to be in Muenster soon for a visit with her family, the John Fishers. Max graduated recently at Hutchison, Kansas, and the couple is taking a delayed honeymoon trip to Washington, D. C., Kentucky and other points. His new assignment, after a 28-day leave, will be in San Diego, Calif.

## MHS Girls to Play 2 With Bridgeport

The first basketball game of the current school year will be seen in the Bridgeport gym Tuesday night when Coach Homsley accepts an invitation for his girls from Doyle Hood, former Hornet coach.

Two nights later the local girls will be hostesses in their own gym when the Bridgeport teams come here for a return game.

Both programs will be a double header matching the A and B teams. Starting time here is 7:30 and the admission charge is 25 cents for adults, 15 cents for students.

## Kaiser and Fisher Win Safety Awards

Melvin Kaiser and Clara Fisher were first winners of the good driving award sponsored jointly by the Muenster VFW and Auxiliary, Steve Moser, chairman of the awards committee announced Wednesday. Each of them received \$5.00.

As expected, he said, selection of the winners was finally made on the basis of special driving courtesies. After considering quite a number of youngsters and eliminating those who had been seen violating safety regulations, the committee had several with good records. Then it began counting instances of special consideration.

## Hornets - Bulldogs Tangle Friday in Homecoming Tilt

Before a homecoming crowd Friday night the Muenster Hornets will take on Alvord's Bulldogs in a clash which Coach Hosea hopes will put his boys within one game of undisputed claim to second spot in the District 10-B race.

After last week's 13-12 loss to Sanger the Hornets are practically out of the running for the district title. The Indians are heavy favorites to lick Era and Saint Jo for a perfect record, but even if one of them should pull a surprise and win . . . assuming that Muenster wins over Alvord and Valley View . . . Sanger's win over Muenster would become the deciding factor in a choice between the two tied teams. Era, next in line, has a tie along with one loss on its record.

According to comparative records the Hornets should have easy sailing in both of their remaining games. Alvord beat Valley View 27-0 tied Saint Jo 0-0, and lost to Sanger and Era by scores of 47-7 and 27-0. Valley View tripped Saint Jo 12-6 and lost to Alvord, Sanger and Era. Muenster, with strong wins over Callisburg, Saint Jo and Era and a 1 point loss to Sanger has by far the more impressive season record.

However, Coach Hosea expects his boys to be slowed down somewhat by injuries in the Alvord tussle. Richey is still hobbling with the knee injury which handicapped him severely in the Sanger game and Dougherty still has not recovered from his old knee injury. Richey's handicap is especially felt by the team because it affects his ball handling at the quarterback position.

## NEWS OF SICK AND INJURED

Mrs. Frank Seyler is in St. Joseph's Hospital, Fort Worth, where Friday she will have her right eye removed. The eye has had infection in it for about a year and failed to respond to treatment. Doctors advised its removal to keep the infection from spreading to the other eye.

Mrs. August Lutkenhaus received medical care at Gainesville Sanitarium this week.

Jap Shaw, route 3, was admitted to M&S Hospital in Gainesville Monday for medical treatment.

Herman Younger is making splendid recovery from injuries received in a rodeo riding accident in Fort Worth on Oct. 31, and was dismissed from Harris Hospital this week. He is convalescing at his home at 3609 London Lane, Fort Worth.

Edna Fay Sprengel is back in school this week after being absent for two weeks on account of an abscess under her left arm. Friday morning she underwent surgery on the abscess at Gainesville Sanitarium and was dismissed the same day. She is the seven-year-old daughter of Mr. and Mrs. Henry Sprengel and a second grade student at the parochial school.

Mrs. Irene Frost underwent surgery Friday morning at Gainesville Sanitarium and is recovering satisfactorily, according to her mother, Mrs. Ben Hellman.

## Hornets Lose 13-12 To Sanger in 10-B Loop-Lead Tussle

After being mauled all over the field for more than three and a half quarters the Muenster Hornets put on a magnificent spurge Friday night and almost stole the game from the big, bruising Sanger Indians. But the effort only got close. After a terrific scare the host team emerged with the all important 13-12 decision in the big game of the District 10-B championship race.

Less than two minutes from the end the Indians had pushed over their second TD and added the extra point for a comfortable 13-6 lead. Then, with the obvious intention of holding on to the ball for the remaining time, they tried an on-side kick. The maneuver backfired, however, as Hallmark scooped up the ball and streaked to the goal. Noggler's kick for extra point went wide and the Hornets trailed 13-12 with about a minute left.

Next Muenster tried the on-side trick, and it worked, on the Indian 43. Then changing to a spread formation Noggler gained 1, passed to Richey for 17, tried the line for no gain and heaved to Dougherty on a play that might have annihilated the tribe. Dougherty was in the clear but Noggler was crowded and his pass

## SH Cubs Win 14-12 Over Dallas Team

Sparked by the brilliant play of Howard Mollenkopf, Father Patrick's Sacred Heart Cubs dumped the Juniors of St. Mark's 14-12 Tuesday afternoon on the Dallas team's home field.

It was a game in which the parochial elementary team was reinforced by several ninth graders in order to be on a par with the host team. The Cub coach had been advised when the game was matched that the Big D junior outfit consisted of ninth graders and below.

Mollenkopf scored both Cub touchdowns in addition to playing a generally fine game defensively and offensively. His first score resulted from a 15 yard gallop off tackle as the pay off for a 50 yard drive early in the first quarter.

Again in the closing minutes he broke loose for a 65 yard scoring gallop. Cecil Wolf added both extra points by crashing the line.

The host team made its first TD shortly after the Cubs. After recovering a fumbled punt on the 35 they passed for 20 and made the remaining 15 on three running plays. Again in the third quarter St. Mark's scored in much the same way . . . a recovered fumble on the Cub 40 followed by two passes and several running plays.

That put St. Mark's in the lead and Cub chances looked slim until Mollenkopf tore loose on his sensational run.

St. Mark's came back strong after that and was making good headway until Mollenkopf intercepted a pass. From then on the Cubs kept the ball.

The Cubs will see action in two more games this week. Thursday night at 7 they play St. Thomas of Fort Worth, Sunday afternoon at 3 they play a team made up of two Wichita parochial schools.

## MHS, SHHS Girls Meet in Practice

Basketball at Muenster got an early start Tuesday night as girls of the two local schools met in the Sacred Heart gym for a double header of scrimmage sessions between A and B teams.

It was the game of second stringers, playing the curtain lifter, that gave the fans something to cheer about. From the opening whistle it was a fast action high scoring affair in which the lead changed frequently and neither team got more than a 4 point lead . . . and finally deadlocked with a count of 41 each.

The A team game was almost as close as Sacred Heart hit the first 2-pointer and held the lead through the first quarter. During the second period Muenster High pulled ahead and held the lead the rest of the way, but was crowded every minute by the parochial sextette until the final count of 34-28.

## Clothing Drive for World's Needy is in Progress Here

The annual Thanksgiving clothing drive for European, Near and Far East and Korean relief is in progress here and will continue through Nov. 28.

Pastors at Sacred Heart church announced the opening of the drive Sunday morning and members of Saint Anne's Society made arrangements for the event during their meeting Sunday afternoon.

The drive, as in past years, will help replenish the Vatican store-rooms and will be distributed by the Holy Father himself.

Local contributions are to be deposited in the Sacred Heart rectory garage, designated as the parish collection depot.

Since the need is especially great, the sponsor group urges everyone to take part . . . to get clothing, bedding and shoes into this drive.

After the close of the campaign the articles will be sorted and boxed for shipment by volunteers from the parish societies under supervision of Mrs. Joe Swirczynski, local mission chairman.

## Tigers Can Cinch Second Place by Win Over Buckner

The Tigers of Sacred Heart are putting on full steam this week in an effort to cinch second place in the Southwest Academic League district standing Friday night when they take on Buckner of Dallas.

A win will give Father Christopher's boys undisputed claim to runner-up honors with a single loss, to Laneri, in district play. Even a loss would give them a joint claim to second place because three other teams, Boys Ranch, Buckner and Catholic High of Texarkana, each have two losses on their record.

Laneri already has the title in the bag with a decision over each of the other teams in the loop. It completed the season's conquest last week by nosing out Boys Ranch 33-27 in a thrilling scoring marathon. Meanwhile Catholic High shattered Buckner's hopes for second place by springing a 19-13 upset.

According to the records the Sacred Heart boys will be slightly favored by the odds as they enter the tussle at Buckner. Both teams were about equally humiliated by Laneri but the Tigers have a 19-12 decision over Catholic High, which bested Buckner 19-13.

Another factor leans in the Orphans' favor, however. Sacred Heart does the traveling and plays on the other team's home field, so Father Christopher is expecting a real struggle. His guess is that all depends on whether the Tigers will be operating in top form. If they play like they started against Catholic High the chances are slim. If they play like they finished the same game they should win easily.

## Tigers Lose 19-0 Practice Game With Marietta Indians

Father Christopher and his Sacred Heart Tigers ran into a heap of trouble Friday night as they took on the Marietta Indians in what the Marietta skipper had previously predicted as a well matched game. Only a little action was enough to convince them that the tussle was well matched in the Redskins' favor, and they felt lucky in the end to come out with a loss of only 19-0.

The host team, boasting a hefty line and a well balanced backfield, was in command of the game all the way through. They did practically all of their playing in the Sacred Heart end of the field and permitted the Tigers to cross the mid stripe only twice. The deepest Tiger penetration was to the 32 in the second quarter, and that ended suddenly as one of their two pass attempts of the night was intercepted.

The Indians gave a sample of (Continued on Page 9)

## Parochial and 4-H Displays Observe Education Week

Classes and 4-H clubs of Sacred Heart school Wednesday combined their resources and talents under the leadership of the Benedictine Sisters to present outstanding displays and exhibits in observance of National Education Week and 4-H Achievement Day in a single program.

There was a county fair atmosphere in the parish hall where a dozen booths in gay array displayed exhibits during the afternoon and night . . . and where the enthusiasm of spectators was second only to that of the young people who designed and arranged, then supervised and explained as they welcomed parents, friends and other guests.

Displays were on the main floor while entertainment, concessions and refreshments were on the lower floor.

There was no judging of exhibits and no awards for excellence in this year's 4-H show. The exhibit was a part of Education Week supplementing the displays depicting the three R's, and 4-H Clubbers joined heads and hands and put their hearts into their efforts.

Visitors saw baked and canned goods, sewing, fancy work, knitting, embroidery and crochet, ceramics, paintings, crafts and crops.

Exhibits based on the Education Week theme included English, Arithmetic, Art, Library, Religion, History, Geography, Health, Music (instrumental and vocal), a High School display and a show of the school's audio-

## FHA Chapter Nets \$75 on Hobo Day

Hobo Day for girls of the Muenster FHA chapter netted \$75 for their chapter fund last Wednesday when members hired out, had jobs all over the community, to earn money for the club treasury.

The event was a part of their observance of FHA week which also included a religious and a social program supervised and directed by Mrs. Anne Searcy, chapter sponsor.

With that behind them, the girls are geared for work on new projects principally their annual Mother-Daughter banquet and the fixing of Christmas cheer packages for patients in veterans hospitals.

The annual banquet, on Dec. 16 this year, will carry out the Yuletide theme. Superintendent H. H. Homsley will be speaker and local talent will furnish entertainment.

## Parish Groups Plan Thanksgiving Fete

Muenster will observe Thanksgiving this year in the traditional manner on the traditional day, Thursday, Nov. 25.

Members of the Saint Anne's Society, meeting Sunday afternoon completed plans for the community dinner they will sponsor and other parish groups have been meeting to make arrangements for the regular picnic features and dance.

The day's program will open with the dinner featuring roast turkey with dressing, fresh country sausage and all the trimmings, and will continue during the afternoon and evening with carnival concessions, games and varied entertainment.

### Pancake Gorge Was All-Round Bargain

The Muenster PTA had a real deal on that pancake supper Monday night in the school lunch room. Practically every penny of the \$85 they received for serving some 150 adults and kids was clear profit.

PTA and Fisher's Market did a fine job of promoting on the supper, getting almost all the ingredients for the meal donated as advertising. Pillsbury furnished the pancake mix, Karo the syrup, Kraft the margarine, Folgers the coffee, Decker and Fisher's the bacon, Borden the coffee cream and Rudy Hellman the milk for the hot cake mix.

It was a good deal for patrons as well. For their 75 cent admission charge they got all the refills they wanted, a package of pancake mix, and later a 42 party.

### Education Week ---

visual equipment. The library exhibit contained novel reproductions of book titles, with a Rip Van Winkle shadow box drawing the most comment. The Health exhibit was "alive" with miniature boys and girls fashioned from apples and carrots. The geography booth displayed papier mache maps of the world. Silver half notes and quarter notes literally danced over the music display. The Statue of Liberty dominated the history exhibit beneath the slogan "One Nation Under God." The Religion display was outstanding in its simplicity—a stairway to heaven.

The high school's exhibit was based on the theme "Christian Social Principles," and the audio-visual display showed the school's new projector, a smaller projector, record players, recording machines and accessories.

Sister Philippa, Reverend Mother from Jonesboro, Ark., and her traveling companion, Sister Melanie, left Thursday of this week after visiting the Benedictine Sisters since Saturday. It was their first visit in Muenster. The two sisters, joined by Sister Irmina, spent Tuesday with the Sisters in Rhineland. John Voth took them.

### Garden Club Hears Mrs. Toothaker as Program Speaker

With Mrs. Lee Toothaker as speaker and "Dried Material" as her subject, members of the Civic League and Garden Club Monday night heard an excellent, illustrated talk during their program hour.

Mrs. Toothaker, an authority on wild flowers, is skilled in processing and preserving blossoms, grasses and seed pods and this familiarity with her subject held members spellbound while she talked and displayed five arrangements. All the materials for her displays were gathered in the Muenster area. Some were in their natural state, others were painted, some were gilded. There were cattails, grasses, seed pods, bachelor buttons, thistles and others. One was a buffet arrangement, the others were for table adornment. She also explained the difference between dead and dried materials.

Mrs. Joe Luke also spoke briefly on the same subject telling about her attendance at the District II Garden Club meeting in Sherman recently when Mrs. Elizabeth Stephens lectured on New Mexico Floral Art and constructed six arrangements, using driftwood.

Thanksgiving arrangements were displayed including one consisting of fruit, oak leaves and marigolds on a wooden tray by Mrs. Luke and one made up of yellow chrysanthemums and bronze leaves by Mrs. T. S. Myrick.

Eighteen members and five guests were present for the meeting in the home of Mrs. L. A. Bernauer.

Mrs. Tony Gremminger, president, conducted the business session and committee chairmen gave reports.

The birthday calendar which the club is sponsoring has been completed and is at the printer, and the sale of house numbers is progressing satisfactorily, it was reported.

Mrs. Emmitt Yoder gave the conservation report in Mrs. Toothaker's place.

The hostess served nut roll ice cream, cake, ribbon sandwiches and coffee to the members and guests, Mmes. Yoder, C. F. Gobble, Herbert Meurer, A. H. Rebentish and John Meurer.

### Hellman Named on ETSTC Who's Who

COMMERCE—Glenn E. Hellman, Muenster, is one of 20 students at East Texas State Teachers college named to Who's Who Among Students in American Universities and Colleges this year.

To be eligible for Who's Who, a student must be nominated by a student-faculty committee, must have a grade average of at least 1.5 and must be approved by a two-thirds vote of the committee.

Hellman, whose average is 1.7, is president of the Newman club, president of the senior class, officer in Phi Pi Delta and holds membership in Cavalier social club, Rodeo club, FFA and is student host in one of the men's dormitories.

New Chevrolets have been selling fast since their introduction two weeks ago. Those who have received delivery up to now are Charlie Moore of Era and Raymond Walterscheid, each a 4-door Bel Air V-8 power glide; Bill Haverkamp and Leo J. Haverkamp, each a 6 cylinder 4-door sedan; Leo J. Haverkamp, two pickups; F. J. Heath Jr., a pickup; Felderhoff Drilling Co., a pickup; and Jap Fields of Saint Jo, a pickup. Johnny Schmitz of Lindsay got the last '54 model Chevrolet, a 4-door sedan.

Things have a way of working out for the best. Other people's troubles are never as bad as ours, but their children are always a whole lot worse.

### State Is Lagging In Car Inspections

Texans, individualists that they are, have already started a potential waiting line at the State's automotive inspection stations.

Col. Homer Garrison, Jr., Director of the Texas Department of Public Safety, said today that the waiting line was shaping up now to precede the inspection deadline next April 15th.

The Public Safety Director based his conclusion on the fact that auto inspections at mid-October were running more than 100,000 behind the figure for the first month of the 1953 inspection period. He said that undue waiting to secure a check of their vehicles may be averted by motorists if they will visit one of the 4,000 inspection stations at an early date.

"None of the 4,000 stations are too rushed to give you prompt attention at this time," Garrison stated, "but if the figures for the first month's operation under the new inspection period are any indication, we can expect long lines at most of the stations in April."

#### To Be Home Soon

Jerry Fette will be home soon with a discharge from the Air Force. He returned to the west coast from Korea via Japan on Oct. 28, received his separation papers at Camp Parks, Calif., visited in Stockton, Calif., and Cheyenne, Wyo., with friends and family, the Emmet Fettes in Douglas, Ariz., before coming back to Muenster. He was in the service almost four years and held the rank of staff sergeant.

"C" ISN'T FOR "CHERRY"—It's for vitamin C, and juice of the cherry-like Acerola berries which fill these tubs on a plantation at Sabana Seca, Puerto Rico, is said to yield as much as 80 times more Vitamin C than an equal quantity of orange juice. The once-wild shrubs which produce the berries are now being cultivated for their health-rich harvest.

Mrs. Ben Seyler and her mother, Mrs. John Fette, spent Sunday to Wednesday in Lubbock visiting their sister and daughter, Mrs. C. W. Ratliff and family.

Members of St. Anne's and St. Joseph's societies enjoyed a joint social Sunday night in the parish hall. Forty-two and sheephead furnished entertainment and pie and coffee were refreshments.

Deputy Sheriff and Mrs. Bill Morris moved Monday to occupy the former Gus Stelzer home. They had been living in the Frank Yosten apartment house.

The Carl Herrs of Pilot Point were Sunday guests here visiting his mother, Mrs. Fred Herr Sr. and his sisters, Lena, Katie and Elizabeth.

Mr. and Mrs. Sloan McCool of Grand Prairie were weekend visitors here spending Saturday night with his sister and family, the Clarence Hudspeths and visiting Sunday with the Adolph Walterscheids. They formerly lived as neighbors to the Walterscheids.

Mr. and Mrs. Q. D. Pettigrew and baby son Tim of Kaufman spent the weekend visiting her parents, the John Herrs and family. Mrs. Pettigrew is the former Therese Herr.

Mr. and Mrs. Pete Koelzer and four children, Alice, Dolores, Norman and Melvin moved during the weekend to make their home in Madill, Okla., where he has a pumping job for an oil company. Two of the children remained in Muenster. Wilfred works here and Veronica is continuing classes as a junior student at Sacred Heart High. They're staying with their brother and his wife, the Victor Koelzers.

Jack Fletcher of Mineral Wells stopped by here Saturday morning to have breakfast with his parents, the J. W. Fletchers. He was enroute home after a business trip to Oklahoma.

The infant daughter of Mr. and Mrs. Walter Haverkamp was named Karla Sue in christening services Sunday afternoon in St. Mary's Catholic church at Gainesville. Father William Lane officiated assisted by the baby's grandparents, Mr. and Mrs. Alois Haverkamp, as sponsors.

Texas A&M College students home for the weekend were Eugene Walter, Wilmar Walterscheid, Wilfred Klement, Billy Ben Boyles and Donald Bayer. Saturday they were in Dallas for the A&M-SMU football game.

**ST. ANNE'S GROUP HEARS NCCW CONVENTION REPORTS**

Members of Saint Anne's Society, meeting Sunday afternoon, heard reports on the 7th annual NCCW convention of the Dallas-Fort Worth diocesan council in Abilene recently.

Details of the convention, in an over-all report, had been prepared by Mrs. E. T. Noyes of Denton, diocesan president, and was read to the group. After this Mrs. J. M. Weinzapfel and Mrs. Tony Gremminger local delegates, elaborated on special points and highlights of the two-day meeting. Mrs. Weinzapfel telling about the Rural Life workshop she conducted. She is deanery and diocesan chairman of Rural Life.

During the business session plans were made for the community dinner on Thanksgiving and for the annual Thanksgiving clothing drive, now in progress and to end on Nov. 28.

Those in charge of the dinner program asked for volunteers to help bake the turkeys and ten women immediately offered to bake the birds in their homes. The committee also asked for donations of eggs to be used in the dressing. Eggs will be accepted up to Wednesday and may be left with Mrs. John Kathman or Mrs. Victor Hartman.

The meeting in the parish hall followed regular devotions in church. Father Louis led the opening prayer, Mrs. Victor Hartman, president, conducted the session, and Mrs. Arnold Rohmer won the attendance prize.

## A NEGRO WRITES ON SEGREGATION

By Davis Lee  
 Publisher of the Newark (N.J.) Telegram  
 The efforts being made by certain paid agitators and pressure groups against segregated schools in the South may cause Southern Negroes to lose a lot more than they will gain.  
 The trouble with this group, as with similar ones, is that the initiators don't count the overall cost to the race. The present effort is designed to destroy the whole pattern of segregation, and to establish an integrated social order in which there will be no distinction made in this country on the basis of race, religion, color or nationality.

This is a laudable objective, but human nature just has not changed that much, and the achievement of such an objective could cause repercussions that might set the Negro back fifty years.  
 Integration in the schools in the North and East is not a howling success. A Negro can attend most of the schools up here and get an education, but few of the states that educate him will hire him as a teacher. The State of Connecticut

doesn't have twenty-five Negro teachers.

Nowhere in these integrated states do Negroes get anywhere near proportionate representation. Every device is employed to keep qualified Negroes from being assigned. Recently a reputable New York labor union made a report on the employment of Negro teachers in New York City and charged that a systematic scheme has been adopted to exclude Negroes as teachers.

This is not true, in the South. The State of Georgia employs 7,313 Negro teachers, and paid them close to \$15,000,000 in salaries last year. North Carolina paid its Negro teachers over \$22,000,000 last year. Florida is another state that ranks at top on teacher pay.

Mississippi paid \$7,414,278 in salaries to 6,753 Negro teachers in the state last year.

If these states, that are now pouring millions of dollars annually into Negro pockets which provides our people with money that enables them to enjoy the dignity of man, to enjoy the prestige and respectability, to buy homes and the necessities of life, are forced to abandon the segregated school, 75 percent of the Negro teachers in the South will lose their jobs. Not only that, but approximately 20,000 Negro principals will lose their jobs as well.

The present movement to end segregation in the schools is merely the beginning of a well-laid plan to completely end segregation in everything in the South. If this happens the Negro will be thrown into direct competition with the white race, and our business institutions will crumble.

No place in the world do Negroes own and control as much as do those in the South. Atlanta is without question the Negro capital of the world. It is the center of Negro culture, education, business and finance. And both Negroes and whites live, work, and operate business without either being conscious of the other's race.

This movement to integrate the schools of the South is loaded with more racial dynamite than appears on the surface and the Negro will be the one who is blown away.

During the past two years I have spent more time in the South than I have in my office, and I have interviewed thousands of Negroes in all walks of life and I have found very few who favor mixed schools. They want their own schools, but equal facilities.

The Snatch

This being the situation, one questions the fairness of forcing these colored citizens to accept what they don't want. If a little group of paid agitators succeeds in forcing their will upon these people, it appears to me that they should at least be given an opportunity to be heard.

Right now the Southern Negro is in a better spot educationally, politically and economically than the Negroes any place else in the world. Race relations are continually improving. Every day

more Southerners are recognizing the Negro as a man and according him the respect that he merits, but the Southern Negro himself can do more about improving conditions than can courts, legislation or pressure groups.

Despite all the hullabaloo about the liberal North and East, no Negro has been made head of a State College or University. Down South the woods are full of Negro college and university presidents. In Texas a Negro college presi-

## America's Freedom Rests On Faith In God

By Rev. Dr. Francis J. Connell, Catholic University of America

OUR COUNTRY FOUGHT the forces of totalitarianism. Yet, sad to say, totalitarianism still survives with its threat to the civilized world. Communism still crushes millions of human beings beneath the yoke of oppression.

Every American knows that totalitarianism is wrong; but only a few know why it is wrong. Totalitarianism is wrong because it is a violation of the personal rights which man's very nature gives him; consequently it is an insult to God the Creator of man's nature.

EVERY HUMAN BEING is composed of a body and a soul. The soul is spiritual and immortal, destined for eternal life with God beyond the grave. In order to attain to this eternal destiny, man needs the free exercise of certain rights.

These rights are not granted by the government; they belong to man by the very fact that he is a man. The government must respect and defend them. It is from the standpoint of these personal rights that all men are equal.

THIS DOCTRINE IS CONTAINED in the Declaration of Independence: "We hold these truths to be self-evident; that

all men were created equal, that they are endowed by their Creator with certain inalienable rights; that among these are life, liberty, and the pursuit of happiness."

As Americans, we should indeed be grateful to the Almighty that we are not under a totalitarian regime that would deprive us of the exercise of our natural rights. In this respect we are far more fortunate than the citizens of many foreign lands. We must never forget that the foundation for these rights is belief in God.

UNLESS THE PEOPLE OF OUR LAND continue to acknowledge and honor God, they are in danger of losing their cherished rights and their liberty. As William Penn said three centuries ago: "The nation that is not governed by God will soon be governed by tyrants."

The most effective protection of liberty in a nation is provided by those citizens who firmly believe they have been made to the image and likeness of God and that their final destiny is to live with God for all eternity. If the people of our nation forget that it is from their Creator they derive the sacred rights that are the very foundation of American freedom, our country will be on the way either to slavery or anarchy. But as long as the people of the United States firmly believe that God is the author of the personal rights which mean so much to us, our liberty is safe.

## The motoramic Chevrolet for '55

Great new

# 8

It's the valve-in-head V8 as only the valve-in-head leader can build it!

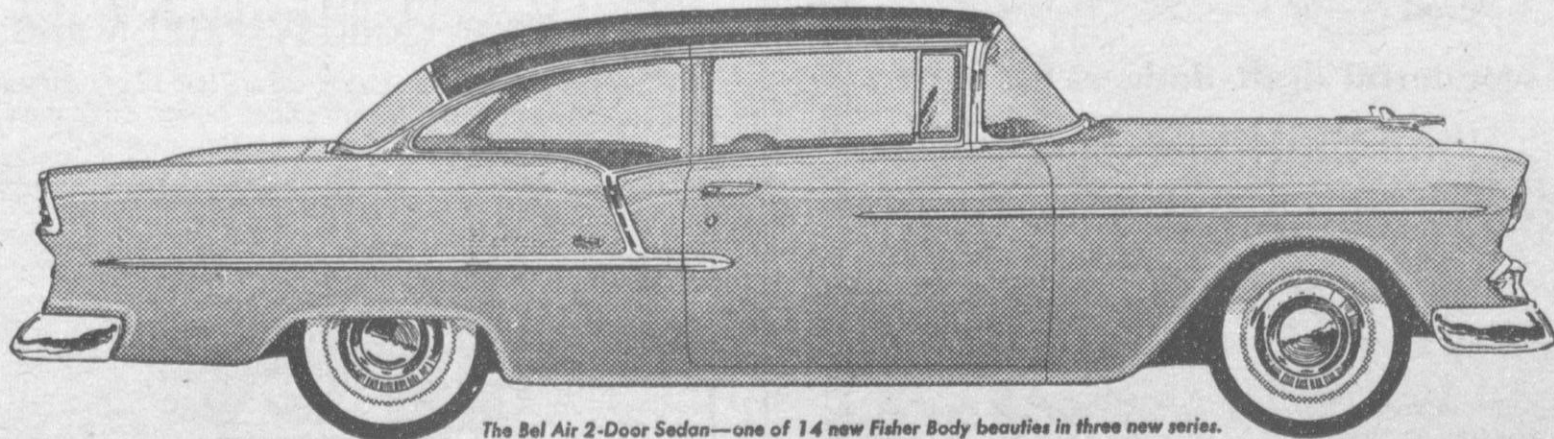

You'd expect Chevrolet to out-V8 the field—and it has! Chevrolet's new "Turbo-Fire V8" puts a brand-new kind of excitement under your foot. The excitement of 162 horsepower! The excitement of an 8 to 1 ultra-high compression ratio that squeezes more pure fun out of a gallon of gas than you ever dreamed possible! The new "Turbo-Fire V8" is so efficient that it requires only four quarts of oil instead of the usual five or more. And it has the shortest piston stroke in the low-price field, for longer engine life. But we can't even begin to give you the whole story here. Come in and drive the new "Turbo-Fire V8!"

Two new 6's

# 6

With enough new advances to fill a book!

Chevrolet offers two new highstepping sixes for 1955! There's the new "Blue-Flame 136" (teamed with Powerglide as an extra-cost option) and the new "Blue-Flame 123." Both bring you new, higher-rated power—the zippy, thrifty high-compression kind. Both have new, more efficient cooling and lubrication systems... new engine mounts that result in almost unbelievable smoothness. And, like the new "Turbo-Fire V8," both are sparked by a new 12-volt electrical system for finer performance and faster cold-weather starting. They're the liveliest, smoothest sixes Chevrolet ever put into a passenger car!

**Hybrid of Johnson Grass Looks Good As Texas Feed Crop**

SAN ANTONIO—(Special)—A new Johnson grass hybrid which originally came from Argentina and is now being tested by Southwest Research Center may help drought-stricken South Texas ranchers solve their range feed problems.

"The grass apparently will flourish in areas that have little water," said Dr. C. L. Shrewsbury, associate director of the institution. "It produces more tonnage than anything else we know of, and can be either grazed or cut and used as silage or dry feed."

The grass, Sorghum Almut, is a natural hybrid of Johnson and Sudan grass, has a tall, luxuriant growth, and does not spread its roots like Johnson grass.

"It has one drawback," the scientist declared, "in that like other sorghums it produces prussic acid and is poisonous during the first 10 days of growth. Livestock should not be allowed to graze it until it is 16 inches high."

Tested at Southwest Research Center's experimental nursery since April 1, the grass was first tried out at the Georgia Agricultural Experiment Station.

At the San Antonio nursery, it was watered at the time of planting but not since and, despite scant rainfall, has grown fast. In early September, it stood six feet high compared to 4 feet, 8 inches, for common Johnson grass nearby.

"While this grass may not be the answer to all our needs," Shrewsbury asserted, "it seems good enough to study and observe further. It is the most promising of more than 200 different grasses under test in the Foundation's local nursery."

Dr. Shrewsbury declared that if the new grass proved out, its seed would be made available to ranchers in limited amounts in two years.

He disclosed that three feet of one row of the new grass was clipped and produced five and one-fourth pounds of green forage as compared to three and three-fourth pounds for common Johnson grass.

The scientist added that Prof. S. H. Morrison of the Georgia Station reported it yielded 10 to 15 tons of green forage per acre.

**Hoedebecks Escape Injury in Car Crash**

Mr. and Mrs. Fred Hoedebeck, their son Rev. Paul Hoedebeck of Subiaco, Ark., and Mr. and Mrs. Henry Schumacher of Gainesville, enroute to Cincinnati, Ohio, to attend a golden wedding celebration were in a car crash last Thursday at about 6:30 p.m.

According to word received here the Hoedebecks were not injured but their son and the Schumachers suffered cuts and bruises. Mrs. Schumacher apparently was most seriously hurt. Six stitches were required to close a laceration on her forehead.

The accident occurred near Carrollton, Ky., within 100 miles of their destination. Their car was sideswiped by a vehicle driven by a man who fell asleep at the wheel. A nephew from Cincinnati took the group to that city. The Schumacher car was reported completely demolished.

The golden jubilarians who observed their anniversary on Saturday are Mr. and Mrs. John Weber. She is a sister of Mrs. Hoedebeck and Mr. Schumacher.

By Mrs. Herman Richey

The Charles and Foster Davids had as guests Sunday Mr. and Mrs. Jim Blount, Marsh and Ronnie, the David Smiths, Mrs. Myrtle Bount and Mr. and Mrs. H. B. Snow, all of Gainesville, the

Kyle Waggoners and Becky of Muenster, and the Henry Smiths of Wolf Ridge community.

Wanda Richey and Norma Klement spent the weekend in Wichita Falls with Mary Nell Hellman.

Sunday dinner guests in the home of Mr. and Mrs. Rufus McElreath were Rev. and Mrs. Gene

Hawkins and Nancy of Fort Worth, the Jack Biffles and sons Sammie and David, the Rafe McElreaths and Becky, the Reeve Cookes, the Lawton Moons, the Ragon McElreaths and family, the W. B. Whitts and children James and Linda.

Douglas Robison of College Station and his wife who is employed in Gainesville were here

during the weekend to visit his parents, the Earl Robisons. Ralph Cole of A&M was also home to spend the weekend with his parents, the J. T. Coles.

Mr. and Mrs. Max Harrell of Sherman visited in the Bill Moon home Sunday.

J. N. (Jap) Shaw is ill at his home this week.

Lon Owens who underwent surgery last week was dismissed from Gainesville Sanitarium Thursday.

Rev. Glen Bridges of Fort Worth, Brazilian missionary, will be at the Marysville Baptist church Saturday, Nov. 20, to show slides and talk about his missionary work. He will talk twice on Sunday, at the morning and evening services and everybody is invited to attend. Rev. Bridges will be accompanied by his wife and their adopted Brazilian daughter.

Mmes. John Richey and Charles Davidson attended the home demonstration club council meeting and luncheon Tuesday in Gainesville. It was held in the annex of the First Methodist church.

It is said that the advent of the auto has increased profanity at least 50%.

Maybe, but think how it has cut down horse stealing.

The world's greatest builder of V-8's presents

**THE TOTALLY NEW '55 FORD!**

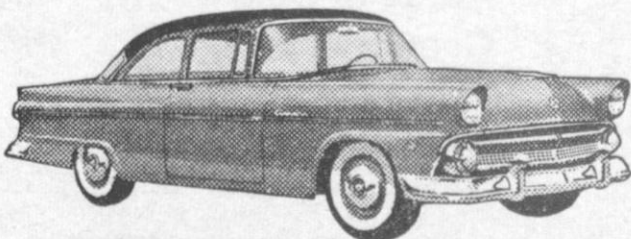

with styling inspired by the Ford THUNDERBIRD

ON DISPLAY TODAY!

New FAIRLANE Series... The new Club Sedan, like all six models in Ford's new Fairlane Series, features the new wrap-around windshield, new luxurious interiors and wide choice of stunningly new, single and two-tone exterior colors.

Longest, Lowest, Roomiest...most Powerful ever built!

New CUSTOMLINE Series... The Tudor Sedan (above) and Fordor offer a wide selection of new color and upholstery combinations. Like all '55 Fords, they have a new wider grille, new visored headlights and sturdier, extra-narrow pillar-posts for better visibility.

New STATION WAGON Series... The new 6-passenger, 4-door Country Sedan (above) is one of five new do-it-all beauties. There's also an 8-passenger Country Sedan, an 8-passenger Country Squire and a 2-door, 6-passenger Ranch Wagon and Custom Ranch Wagon.

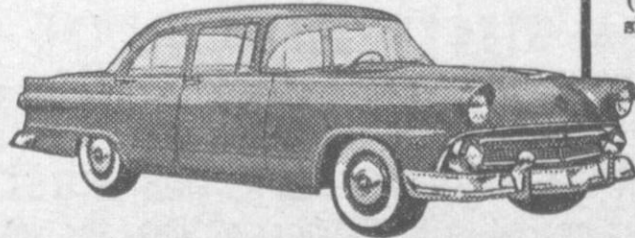

We invite you to see for yourself. And we tell you in advance you'll be amazed. For this new Ford is totally new—outside, inside, and in thrillingly different performance.

The long, low lines of the Thunderbird were its styling inspiration. Inside, you'll be greeted by rich, roomy luxury... by fabrics never before offered in a motorcar.

Mighty engines, mightier than in any Ford before—supply its exciting power. And each of Ford's three new engines offers the safe, split-second response of Trigger-Torque Power.

Your ride will be up to 15% smoother. Best of all, you'll find your kind of car, for there are 16 body styles in four fresh new lines.

When you come in, don't be surprised if you tell yourself: why look farther—why delay—you just can't buy better than Ford.

New MAINLINE Series... Each of the three Mainline beauties offers the same engineering advancements, the same graceful contours and clean lines that distinguish all '55 Fords. Fordor Sedan is illustrated above.

**EXCLUSIVE TRIGGER-TORQUE POWER  
IN 3 MIGHTY ENGINES**

1. 162-h.p. Y-block V-8
2. 182-h.p. Y-block Special V-8
3. 120-h.p. I-block Six

(1) The new 162-h.p. Y-block V-8 has a higher (7.6 to 1) compression ratio, greater displacement. And, like all '55 Ford engines, it has Ford's famous deep-block build... short-stroke design.

(2) The new 182-h.p. Y-block Special V-8 (offered in combination with Speed-Trigger Fordomatic on Fairlane and Station Wagon models) features 4-barrel carburetion, dual exhausts and extra-high (8.5 to 1) compression ratio.

(3) The new 120-h.p. I-block Six has a new higher (7.5 to 1) compression ratio. It's the most advanced six-cylinder power plant in the industry.

## 10-B Membership To Remain Intact For Other Sports

For the first time since Muenster High has participated in Inter-scholastic League athletic competition it will play district basketball with the same group of schools that makes up the 10-B football district.

The members are Muenster, Saint Jo, Era, Callisburg, Valley View, Sanger and Alvord. Previous membership consisted of Muenster, Saint Jo, Callisburg, Forestburg and Prairie Valley. The change was made last year, to become effective this year, so that the 10-B schools, which carry a complete athletic program, could compete in conference play through the entire school year. Forestburg and Prairie Valley do not have football.

District basketball competition will open on January 4 and continue with games every Tuesday and Friday until February 18. That permits time for a double round robin schedule in which each team meets each other team twice.

At the end of that schedule the team with the best record will be proclaimed the district champ. There will be no district tournament as in the past.

As usual, all programs will be double headers with both boys' and girls' teams of the respective schools meeting on the scheduled dates.

The schedule, as announced this week by Superintendent Homsley, is as follows:

- Jan. 4, Alvord, there
- Jan. 7, Callisburg, here
- Jan. 11, Era, here
- Jan. 14, Saint Jo, there
- Jan. 18, Bye
- Jan. 21, Sanger, here
- Jan. 25, Valley View, there
- Jan. 28, Alvord, here
- Feb. 1, Callisburg, there
- Feb. 5, Era, there
- Feb. 8, Saint Jo, here
- Feb. 11, Bye
- Feb. 15, Sanger, there
- Feb. 18, Valley View, here

## Tigers Lose ---

what was to come by advancing 37 yards after the opening kick-off and losing the ball on a fourth down incompleting pass on the 30.

Sacred Heart followed with a first down and kicked on the next series, and Marietta moved the chain twice for 31 yards before fumbling on the 30.

A Tiger fumble two plays later gave the tribe another chance, but four tries netted only 5 and Sacred Heart again took over on the 30 as the quarter ended.

Haverkamp's quick kick on third down set the Indians back to their 32 and a Marietta kick 4 plays later gave Sacred Heart the ball on its 30.

Five plays featuring Walter's 21 netted 38 to the visitors 32 but every inch of the gain was lost as Armstrong intercepted and got back to the Tiger 30.

Herr's interception promptly stopped the Indians and Haverkamp's fumble 4 plays later gave the Indians possession on the Tiger 41. Seven plays from there moved to the 15 and Armstrong's pass to Prichard was good for the first TD.

Opening the second half Marietta forced Sacred Heart to kick on the first series and promptly launched a scoring drive. It was a 55 yard push capped by Winblood's 15 yard scamper around right end for the tally.

The Tigers snapped back with two first downs but the Redskins forced a kick on the next series and got going again. The drive, good for 76 yards, ended with a 10 yard pass from Winblood to Armstrong.

Again Sacred Heart advanced 25 and 2 first downs, but fumbled the ball away. Two plays later they recovered the ball but Marietta held. And Sacred Heart did likewise. The rest of the game was a deadlock.

As usual, Sylvan Walterscheid was the mainstay of the Tiger defense, causing the Indians most of their troubles. Others strong on defense were Haverkamp and Hennigan. Hofbauer was the most consistent ground gainer for Sacred Heart.

The game at a glance:

	SH	M
First downs	9	17
Yds. rushing	143	213
Yds. passing	0	60
Passes completed	0	6
Passes thrown	2	14
Intercepted by	1	1
Fumbles lost by	3	2
Yds. penalized	20	20

## Building And Improvement Notes

New homes predominate in building activity in the community lately with four places either finished or nearing completion and three more on the way.

The latest job to start is John Hacker's three bedroom home in the northwest part of town. Foundation on it was poured Tuesday.

Not far from that site work is well under way on the three bedroom house with attached garage for Ray Hess. Carpenters are due to turn it over this week to painters and floor finishers.

Not quite so far along is Johnny Rohmer's 2 bedroom house with attached garage north of the public school. The roof on it was finished Tuesday.

Johnny Bayer, north of town has reached the finishing stage on his new home which has been going up leisurely for several weeks. The family expects to move in next week.

Another move due next week is that of the Oscar Millers. Their new two-bedroom home with attached garage is located north of the public school.

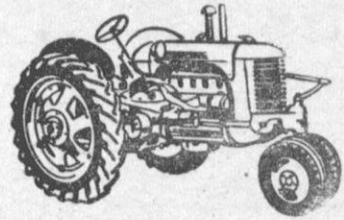

New houses occupied lately are Mrs. Joe Felderhoff's and Albert Rohmer's, both with two bedrooms and attached garage and in the east part of town, Mrs. Felderhoff on Hickory and Rohmer on Walnut.

Four home improvement jobs have also been under way lately. W. M. Trubenbach has put on new asbestos siding. J. B. Klement has built on an addition enlarging the kitchen and also adding a back porch. Marty Becker has added a room and done other remodeling. Ben Voth has remodeled his kitchen and added a room by enlarging and enclosing a porch.

Improvements in the business section include a big neon sign for the Relax theatre, stone and asbestos front finishing at Pagel's store and major changes in the Meurer building formerly occupied by the post office and Nick Miller. Partitions are being removed there to provide generous space for a store and the front is to be dressed up. Scott Bros. of Saint Jo and Nocona plan to occupy the place when it is ready.

Around 95 million people are now church members, an increase of 30 million since 1940, but four out of ten individuals do not belong to any church.

"To Have and Have Not"

**Lindsay News**

Mr. and Mrs. Bomar Woods and sons of Paris were weekend guests of her mother, Mrs. John Bezner.

Mr. and Mrs. H. S. Fuhrmann and daughter La Vern, and Mr. and Mrs. Damond Fuhrmann returned Monday from three days in Broussard, La., where they visited their daughter and sister, Sister Catherine Henry, and went sight-seeing. They visited St. Martin's Church and Acadian house both over 200 years old, Evangeline's grave, the state park, a sugar plant and Pine Alley.

**Achievement Day At Lindsay Friday**

Lindsay 4-H Clubs will have their Achievement Day program and display this Friday in St. Peter's Hall, and invite everyone to attend.

Judging will begin at 2 o'clock and visitors are welcome after that. A program will be presented after Novena devotions.

Refreshments will be served in the hall.

Both clubs met Monday to make final plans for the program.

There's always free cheese in a mousetrap, but you'll never see a happy mouse there.

was short. Dougherty reversed but too late. Hampton had slipped ahead and intercepted, saving for his team a leading score to match with its lead in penetrations, first downs and yardage.

Sanger dominated all the way through the heralded battle that was to match finesse and speed against sheer power. Muenster's trouble was that its finesse and speed seldom had a chance to get going. The big Indian line used every ounce of its long weight advantage in consistently smashing the Hornet forward wall. Another factor was quarterback Richey's injury. Still favoring a knee that had been sprained earlier in the week, he was not up to par in ball handling and did not contribute his normal quota of totting or passing. His defensive game suffered as well.

So the general trend of the scuffle was a relentless drive of short gains by Sanger and a few nice gains by Muenster. Racking up a total of 18 first downs, the Indians originated 75 offensive plays for a total yardage of 303. Muenster originated 39 offensive plays for 8 first downs and a total yardage of 213.

Muenster fumbles contributed a great deal to the Indians success. A few of those were recovered by the Hornets for losses and four were recovered by the Indians.

Two fumbles on their first series of offensive plays got the Hornets off to a bad start. They had forced Sanger to kick on the second series and Noggler returned the kick 20 yards to the 30. The first attempt was fumbled and recovered for a 6 yard loss, the next was fumbled and lost on the 22.

Sanger promptly followed with a first down but the Hornets held on the next series and claimed the ball by inches on their 2. A short kick put the Indians back in business on their 28 from where Shelton scored on two 14 yard gainers.

Back on the offense Muenster seemed to be getting started as Noggler gained 9 and Moon 5 but another fumble cut the drive short on the Hornet 36. Sanger followed up with a first down but the second series failed and Muenster took over on its 16.

Then is when Noggler got loose on one of the two big sensation runs of the contest. Starting on an apparent dash around left end he broke suddenly through an opening and, with the help of a perfect and timely block by Hellman near the 50, got past the secondary and breezed to the goal for the tying TD.

The rest of the half and most of the third quarter saw Sanger racking up steady gains but unable to go all the way whereas Muenster was usually stopped for shorter yardage. Sanger moved 38 yards before losing the ball on downs on the Hornet 25. Muenster gained 17 but lost 13 on a fumble then quick kicked to Sanger's 24 and the Indians regained 13 as the period ended.

Starting the next half Muenster failed to gain and Noggler got off the prize kick of the game, from the Hornet 19 to the Indian 15, which Shelton returned to the 22.

Again Sanger went on the march but lost the ball on a fumble on the Hornet 26, regained it three plays later on Muenster's 29 and lost it on downs the next series on the

Hornet 24.

The next several plays seemed to put the Hornets in business. Noggler ripped off gains of 12, 3 and 5 before heaving a long one downfield which Dougherty snared and carried to the 20 before being hauled down from behind. The next play, however, was another fumble, and the Indians started back from their 19.

Noggler's interception on the Hornet 22 stopped that push and a kick after two Hornet first downs set the Indians back to their 30. The drive from there was good as Hampton and Shelton stepped off steady yardage, Hampton setting up the TD with the Indians' longest gain of the night, 25 yards to the Hornet 5. Two plays later he went over from the 1 and Higgs kicked true for an extra point and a 13-6 lead.

Hallmark's sensational kick return brought the count to 13-12 and Muenster's last frantic effort ended with the interception that iced away Sanger's one point win.

Considering the tremendous odds against them, all the Hornet linemen, Hallmark and Fisher in particular, did a magnificent job. Stopping that tonnage as often as they did was a major achievement. And Noggler was the individual backfield standout. In spite of the limited help his teammates up front could give, he stepped off good gains along with good passes and kicks. Shelton and Hampton, the Indian star toters, had much smoother going but failed to match him in results. Defensively too, he was stout all the way. His work in the secondary explains why Sanger was generally held to short gains.

The Game at a Glance:

	M	S
First downs	8	18
Yds. rushing	154	258
Yds. passing	59	45
Passes completed	2	4
Passes thrown	7	10
Intercepted by	1	1
Fumbles lost by	4	1
Yds penalized	10	10

bassies here and there.

Something else that is kicking up quite a furore this week is the report on Ambassador Bohlen's behavior in Moscow lately. After the American ladies were kicked out, and after the plane was shot down, he attended a Russian diplomatic party and publicly drank a toast to the Chinese red dictator. He still chooses to be chummy.

In the light of that revelation we begin to wonder what kind of representation we are having over there. Perhaps the efforts in our behalf have been in keeping the spirit shown at that party. All of which helps recall the fact that Bohlen's appointment as ambassador to Moscow was vigorously opposed in the first place. Could be that the objections were well founded.

What's the reason behind this pussy foot policy in dealing with the communists . . . on both the foreign and domestic levels? Why weren't diplomatic relations with the reds broken long ago? Why has so much antagonism been worked up against the man who has been most conspicuous in fighting communism in America?

There's something alarming about that situation. It has all the characteristics of a carry over from the former administration when so many politicians were too much involved in the red

mess to permit investigations. Not that the men themselves were necessarily disloyal, but that they had been played for suckers in years past, and their political futures might not survive the revelations brought out by investigation. McCarthy refused to be stopped by such circumstances. His intention was to get the reds out of government no matter what names might show up in the testimony. Dies did the same thing. So did Jenner. Dies was defeated. Now gigantic efforts are under way to discredit McCarthy and Jenner too is on the purge list. Isn't this rather odd procedure in a nation that openly proclaims its hatred for communism?

As regards the much publicized censure, McCarthy expects it and so does practically every commentator on national affairs. Too many are determined to send him to political oblivion. But it isn't altogether certain that the censure will remove McCarthy nor change the opinions of millions of Americans who believe he is our country's most vital force in fighting the reds and should be permitted to continue his job at full speed.

Anyone who considers voting against him on that issue would do well to think again. Too many people remember that the whole fuss grew out of his demand for an answer to one question: "Who promoted the fifth amendment communist Peress and gave him an honorable discharge?" Joe got hot and told off a general, that's true. But aren't we also irked by the refusal to answer that ques-

tion? In fact a censure vote could be a form of political suicide. Vice President Nixon gave a strong hint of that in an interview with U.S. News and World Report when he admitted that the administration's treatment of McCarthy was a factor in its election losses. The man who goes on record as favoring censure will have grounds to fear public opinion in his next campaign.
