MUENSTER, COOKE COUNTY, TEXAS,

SEPTEMBER 24, 1954

NUMBER 44

50 Local Students Continue Studies Away From Home

In a few weeks the Sacred Heart parish will have ceremonies observing what is likely to go down in local history as the epic event of centuries. Separate ceremonies combined in a single program will dedicate two magnificent new buildings, the church and the high school.

Of course there is no way of knowing what the future has in store for Muenster. Continued growth may create a need for more such structures, but another fact is plainly evident. Nothing short of a major catastrophe will bring on the replacement of these grand new buildings. The church is built like the cathedrals of old. Massive walls resting on solid rock. Assuming normal conditions, and even ordinary storms, it should last for centuries. To a lesser degree the same applies to the new school. It doesn't compare with the church for permanence, but it is structurally sound and likely to stand well into the next century.

So, in addition to being a once-in-history occasion, the observance is a big event simply because it concerns such wonderful community assets. And as such it deserves special attention, special dressing up, so that the appearance of surroundings will be in keeping with the great significance of the ceremony.

One detail in the preparation applies to the cemetery. The garden club, which has done a wonderful job of caring for the place, has resolved to go all out in putting finishing touches on what is already proudly regarded as a community show place. But the club is handicapped. Its cemetery fund is exhausted. Extra work and extra waterings during the drought now force the ladies to go begging for special funds to carry out their special project.

Next Sunday the members will be accepting donations at the church doors, at all services. And people of the parish will have the opportunity of sharing in beautification work which will bring credit to the community. Let's hope the response will be generous, giving the club a chance to carry on its good work without skimping.

It's taken for granted that lots of visitors will be here on dedication day. It can also be taken for granted that some of them will be as much impressed by the cemetery as by the fine new buildings. After all, there is the saying that a community is judged by its manner of keeping a cemetery. Somehow, the impression created there is more profound and is not easily obscured by the beauty in facilities which exist for the living.

At the same time it might be well to remember that the rest of the town will also be noticed. To visitors coming in the whole city serves as a sort of background for the featured attractions. So perhaps it would be a good idea for every resident to cooperate in imparting a general impression of cleanliness and neatness. A city wide clean up would be in order. Also freshly mowed lawns and freshly trimmed shrubbery. With a little extra effort we can dress our town up to fit the memorable occasion. How about it? Let's everybody put the finishing touch on his own place and create the finest appearance of general neatness that we have ever had.

A most gratifying sign after the past five years of strained relations between the two local (Continued on Page 8)

Where to Tune in Grid Broadcasts

Broadcasts of Southwest Conference football games that can be heard in this area next Saturday are as follows:

Texas-Notre Dame, playing at South Bend, on WFAA-WBAP-820 and KWFT starting at 12:50 p.m.

TCU-Oklahoma, playing at Norman, will be on WFAA-WBAP-570, beginning at 1:50 p.m.

Baylor-Vanderbilt, playing at Nashville, will be on WRR and KFJZ starting at 7:00 p.m.

Texas A&M-Oklahoma A&M, playing in the Cotton Bowl will be on KRLD and KWFT beginning at 8:00 p.m.

Texas Tech-West Texas State, playing at Lubbock, will be on KFYO, Lubbock, starting at 8:00 p.m.

Muenster this year is again experiencing one of the biggest emigration of students in its history. According to reports reaching the Enterprise an even 50 young men and women have enrolled for continued studies in institutions away from home.

Twenty-five are attending college. Ronald Herr is enrolled as a sophomore at Texas Tech, Lubbock; Burt Hamric is a sophomore at Texas Western College, El Paso; Allan Hoffman is a sophomore at Midwestern University in Wichita Falls; Bill Fuhrman continues at Saint Louis University, Mo.; Kenneth Wiesman is junior at the University of Houston, and Edwin Hammer is a sophomore at Texas University.

Seven young men are at Texas A&M College. Eugene Walter, Billy Ben Boyles, and Wilmer Walterscheid are freshmen, Donald Bayer and Wilfred Klement are sophomores, Ralph Cole is a senior and Douglas Robison, who graduated this summer, is doing post graduate work.

Four students are at NTSC in Denton. LaQuita Cain and James Knabe are first year college students, Joan Klement is a sophomore (Continued on Page 8)

Ronnie Herr Starts Grid Career at Tech

Interest in the Texas Tech Red Raiders increased several hundred percent at Muenster this season, since Ronald Herr, former member of the Sacred Heart Tigers squad, is on the team's lineup.

Local radios by the dozens were tuned in to the Tech-A&M game last Saturday night for reports on Ronnie's first college game. A starting halfback, he scored one of the Tech touchdowns and carried the ball frequently for gains. He is a sophomore, rated by some sports writers as a prospective standout on the Tech team for the coming three seasons.

WITH THE MEN IN SERVICE

Reach Korea

Marines John David Meurer, Eugene Luke, Maynard Williams, and Billy Ray Stoffels of Lindsay, have arrived in Korea and are getting settled for duty, according to recent letters to homefolks.

Transferred To Japan

Seabee Floyd Lehnertz writes his parents that he's been transferred from the Philippines to Japan for duty.

Moved To South Carolina

Pvt. Eddie Fette left Fort Sill during the weekend for a new assignment in South Carolina. At the time he told homefolks about the move he didn't know just where he was going to be stationed in that state.

Has Fractured Wrist

PFC Mike Driever has his left arm in a cast again. It's the wrist he broke last May. After considerable pain and discomfort he had an x-ray made and it showed that the bone was either fractured again or hadn't knitted the time before. So he'll have it in a cast for four weeks. Meanwhile he's assigned to light duty at Camp Sheridan in Augsburg, Germany, where he was driving a two and a half ton truck until the arm caused trouble. He said to tell everybody hello.

Back In Texas

Cpl. Daniel Haverkamp is back in Texas, at Fort Hood this time, after serving with communications of an airborne division at Fort Campbell, Ky. His new address is: Co. A, 185th Sig. Bn. III Corps; Fort Hood, Texas.

Dies 20 Days After Brother's Death

Adam Bayer, 78, passed away Sunday morning at Carroll, Iowa, just 20 days after the death of his brother, John Bayer, here.

Survivors are two brothers, George and Frank of Willey, Iowa, and one sister, Mrs. Theresa Neuberger of Council Bluffs, Iowa. Five nephews and two nieces live in Muenster.

7 Men Invest in County Blood Bank

Seven pints of Muenster blood were invested Wednesday as this community's stock in the Cooke County blood bank.

Five men reported in a group as representatives of the local K of C council. They were J. W. Fisher, Charley Hellman, Ed Endres, Joe Hoenig and Clyde Fisher. The other two reporting were N. J. Yosten and Alphonse Felderhoff.

The purpose of the bank, which is affiliated with a larger blood bank in Dallas, is to make blood available to sick people at all times without the delay of finding donors who have matching blood.

Blood taken from the bank can be either bought outright or replaced by a volunteer donor. In case the blood is bought the money is used to buy the blood for replacement.

Hornets Mark up Second Win; Beat Pilot Point 25-6

Another Class A team went down in defeat before the Muenster Hornets Friday night as the Pilot Point Bearcats came off the local field at the short end of a 25-6 count.

It was a game in which Coach John Hosea's boys ran over their four touchdowns with comparative ease while holding their visitors practically helpless. On two occasions the versatile, fleet footed Vernon Cole got loose for magnificent runs, one a 63 yard scoring sprint from scrimmage, the other a 65 yard kickoff return. Deducting the 63 from the team's net rushing yardage of 84 indicates what progress the Bearcats made the rest of the time. The Hornets meanwhile piled up a net rushing yardage of 289. First downs offer another comparison. Muenster made 12, Pilot Point made 5.

The Hornets made their first touchdown the hard way after holding the Pointers on the first series of downs and launching their drive on their own 27. The distance was 73 yards but penalties stretched it to 93, and especially stretched the distance required for first downs along the (Continued on Page 8)

Hornets-Nocona "B", Tigers-Sherman "B", To Play Thursday

Muenster football fans will have the opportunity of seeing two home games Thursday. In the afternoon at 3:30 MHS Hornets will tangle with the Nocona "B" team and that night at 8 Sacred Heart Tigers will take on the "B" string of Sherman High.

Originally both games were scheduled to be played at night, an arrangement which did not please either of the coaches. So, with the agreement of Nocona school officials, Coach Hosea advanced his game to the afternoon. The change was made for the benefit of fans who wish to see both games.

The first contest looks like a cinch for the Hornets. Judging by the visitors' stand against Sacred Heart last week, the prospect is that Hornet regulars will play long enough to ice the game away and reserves will get most of the action.

It's due to be a different story on the Tiger field, however. Sherman "B" is a rough foe in Class B competition and Father Christopher expects his lads to get trimmed. The stronger Tiger team of last year had a hard time getting a 27-19 decision last year and Father Christopher believes the advantage will be on the side of the Bearcat Cubs this year. For one thing, the visitors have a weight advantage of about 15 pounds per man over the under-size Tigers.

SATURDAY IS DEADLINE FOR CONCERT TICKETS

Local music lovers who are interested in attending the series of programs sponsored by the Gainesville Community Concert are reminded that this week is the deadline for getting their membership cards.

The memberships are available through Saturday from Mrs. Tony Gremminger at the Muenster Beauty Shop.

School Bus Firm Receives Charter

Since last week the community bus system which has been transporting children of both local schools is a corporation. A charter has been issued by the state of Texas to promote the general welfare and educational facilities of the community.

The bus system was incorporated as a non-profit organization under the broad term of Community Education Development Association in order to make allowance for the addition of some other service if and when it is considered feasible. Directors listed are Alois Trubenbach, president; R. E. Hamric, secretary; R. H. Trachta and Albert Henschelid.

The organization developed from efforts to eliminate the duplication of bus service which had been going on here for the past two years. Since legal complications prevented either school from taking over the entire transportation system, both schools quit the bus business and agreed to have children transported by the common carrier.

The new organization bought its busses from the two schools, purchased licenses similar to those used last year by the parochial school, and made a contract with both schools to carry all children.

Besides saving a substantial (Continued on Page 8)

Tigers Romp Over Nocona B 32-0 in First Grid Clash

The Sacred Heart Tigers tutored by Father Christopher Paladino and Julian Walterscheid completely outclassed the Nocona "B" squad last Thursday night and romped to an easy 32-0 victory.

Practically every member of the squad had a share in the win as the two parochial skippers sent in substitutes galore, some of them apparently weighing little more than the rigging they wore.

All the kids gave a noble account of themselves, except in one respect. They fumbled frequently and probably would have run the score higher had they not given the ball to their visitors a half dozen times on miscues. Nocona kids had the better record in that regard. They lost the ball on fumbles only three times.

One thing the little Tigers demonstrated throughout the con- (Continued on Page 8)

Storm Hits Area South of Lindsay

Damages adding to considerably more than a thousand dollars were caused Monday night about 8:30 by a storm which roared through the south part of the Lindsay community. The big blow passed over in a hurry lasting about two minutes at a place, but during that time it made a thorough mess of the neighborhood.

Some of the damage reported is a granary blown down for John Neu, roofs ripped off of barns owned by Henry Hess, Paul Neu and Adolph Pittner, a windmill blown down at Paul Neu's and a building at Joe Neu's. The storm destroyed TV aerials, uprooted trees, tore down fence and caused other general damage. Pieces of sheet metal from barn roofs were carried as far as a mile. The storm was accompanied by about an inch of rain.

Tigers Will Play 10 Game Schedule

With two more games added during the past week, the Sacred Heart Tigers have a complete schedule for the 1954 football season.

Father Christopher Paladino, coach, said Wednesday that Greenhill, the group of Big D boys who were nosed out 7-6 by last year's Tigers will be back on October 1 to avenge the defeat. And on Nov. 19, Windthorst High, which has just started its first football season, will face the Tigers in the season finale.

St. Mark's of Dallas and Marietta High are two other non-conference opponents scheduled last week. District foes are Laneri, Boys Ranch, Texarkana Catholic, and Buckner.

Careful Driving in School Zone Urged

Reports of a few incidents in which school children have had narrow escapes prompted Mayor Urban Endres this week to warn local drivers that traffic regulations in the school zones will be more strictly enforced in the future. Deputy Sheriff Bill Morris has been asked to give special attention to the school zones and to arrest any who break the 20 mile per hour speed limit.

Violations have been most frequent in the neighborhood of the church on North Main. The street is usually wide open and the urge to step on it is understandable. However, unthinking tiny tots too often barge across the street without regard for traffic, and the traffic must be able to take care of them.

Catholic League District Meeting Held Here Sunday

Rev. Albert George Henkes of San Antonio is confident the youth of today is ready, through good training, to take its place in the world now.

As principal speaker on the Catholic Day program at the North Texas District meeting of the Catholic State League here Sunday afternoon Father Henkes said, "All too long have we used the youth as a stepping stone; all too long have we said 'You stand in line, you'll get there some time.'"

He elaborated on the youth program as a part of the Catholic State League and Central Verein. The youth section was organized at the national convention in San Antonio last year and Father Henkes is state spiritual adviser.

Other speakers on the Catholic Day program included Claude J. Marty of San Antonio, field representative for the Life Insurance Union; Joseph Steidle of Dunlay, president of the Catholic State League; J. W. Hess of Muenster, state chairman, Rural Life Committee; Miss Florence Henschelid, Muenster, who reported on the national convention's youth section meeting she attended in New Haven, Conn., recently; Miss Maria Fuhrmann of Lindsay, whose subject was "Our Problems are Spiritual"; Ludwig Narrendorf of High Hill, state president of the youth section, and Mrs. S. J. Marturano of Jarrell, state president of the Women's Union.

Mrs. Marturano reported on women's activities and urged the (Continued on Page 8)

NEWS OF SICK AND INJURED

Mrs. Joe Knabe underwent surgery Saturday morning at Gainesville Sanitarium.

Mrs. Oscar Walter is convalescing at her home after being a patient at Medical Arts Clinic in Dallas eight days for a check-up and medical care.

Mrs. Ewald Berend, route 6, Gainesville, underwent surgery Wednesday at M&S Hospital.

Mrs. Alfred Hoedebeck of Dallas is a patient at St. Paul's Hospital in that city. She is the former Irene Flusche, daughter of the A. C. Flusches of Denison.

Gene Hartman broke a bone in his right hand Friday afternoon during football scrimmage. The injury will have to remain in a cast for four weeks. Gene is the 13-year-old son of Mr. and Mrs. Victor Hartman.

Mrs. Gus Knabe was dismissed from Gainesville Sanitarium last Thursday following medical care.

Rickey Wimmer, little son of the Charlie Wimmers, cut his left foot Thursday when he stepped on a broken milk bottle. Four stitches were necessary to close the wound. He was treated at Majors Clinic in Nocona.

Mrs. Earl Sheppard of Dallas is recovering normally from major surgery performed last Thursday at St. Paul's Hospital. She is the former Eugenia Herr, daughter of Mr. and Mrs. John Herr of Muenster.

Carved Oak Items For Church Arrive; Being Installed

At least the large crucifix and railings will be installed in the new Sacred Heart Church before dedication day. That was assured Tuesday when most of the missing woodwork arrived. The only wood items not received are station frames for the way of the cross.

The shipment was moved to the old parochial high school building Tuesday and carpenters started uncrating it Wednesday. Installation began later in the day under the supervision of Floyd McAdam, who superintended construction of the church.

All the woodwork is of hand carved white oak, custom made by E. Hackner Company of La Crosse, Wisconsin.

The crucifix which will dominate the front wall above the main altar is made up of a cross 19 feet high and a corpus 9 feet high.

The communion rail will reach from wall to wall, a span of 54 feet 10 inches with a 5 foot gate directly in front of the center aisle. Its base will be marble, which will be supplied in Dallas. Another section of rail, identical in design, will be installed in front of the altar at the north wall.

McAdam said that installation of the items will likely be finished in a few days.

Two other items included with the shipment do not need installation. They are the credence table, for water, wine, etc., at the right side of the altar, and the sedilia, the seat occupied by priest and servers during the Gloria and Credo of the mass.

Up to Wednesday no report has been received on the two side altars and the pulpit. Those items are being built by the Vermont Marble Company and local pastors still do not know whether they can be installed before the dedication.

Something new in the local handling of express shipments was required by arrival of the furnishings. A special express car was sent in with the shipment (Continued on Page 2)

Special Collection For Cemetery Fund

A special collection to finance additional work in the cemetery will be taken up by Garden Club members at all the masses next Sunday. According to announcements made last Sunday by Father Louis Deuster, the collection, normally held in November, was advanced so that ladies can give attention to the cemetery prior to the church and school dedication celebration on Oct. 7.

The club assumes responsibility for general care of the cemetery, leaving care of the markers to the families concerned. In that connection Mrs. Tony Gremminger, club president, calls attention to several graves on which crosses need replacing or repainting or stones need to be set straight. Persons who do not have time or facilities to do their own repairing are asked to see Tony Otto, general caretaker.

Game Crowd Friday Estimated at 550

A crowd of about 550 persons was at the Hornet field last Friday night to see the Muenster-Pilot Point football game, according to estimates made from the gate receipts as reported by Superintendent H. H. Homsley. The total take in was \$239.74, and admission charges were 60 cents and 30 cents.

Estimated break-down of that figure is that there were 350 adults paying \$210.00, 100 children paying \$30.00 and 100 pep squad and band members of the two schools who were admitted free. After deducting \$50 for the visiting team and \$50.78 for officials and their mileage, the school realized \$138.96.

SCHEDULE OF COMING EVENTS

Tuesday, Sept. 28, CDA social, Mrs. Ben Hellman hostess in her home, 8 p.m.

Local News BRIEFS

Mr. and Mrs. Charles Stelzer of Fort Worth spent Sunday here with relatives and were dinner guests in the L. A. Bernauer home where a birthday dinner honored Charlie at noon.

M. D. Kaderli, Leo Sicking and Richard Swirczynski are in Austin Thursday and Friday attending the Eighth Annual Texas Job Training and Safety Conference for rural electric cooperatives. On their program, besides lectures, are a barbecue and a boat cruise on Lake Austin and the Colorado River.

The G. H. Hellmans returned last week from about two months of vacationing that took them to California, up the West Coast into Canada and lower Alaska, and back home via Milwaukee and Chicago.

The John Ayteses are spending about a week here with their folks, the Cecil Aytes and Arthur Hellman families on a delay en route moving from Roscoe, Tex., to Magnolia, Ark. John will begin his new job at Magnolia next Monday.

Eddie Krahl was a business visitor in Fort Worth Tuesday.

STOCKMEN'S FEED STORE
Muenster

Church Furnishings

and parked on a side track. That was not because the shipment made up a car load, however. Paul Luke, station agent, explains that the express company used this method in order to eliminate other problems. Unloading the several bulky, heavy crates would have required sending along an extra group of workers and also losing too much time to permit making scheduled connections.

So the company sent the car and let Muenster people worry about the unloading. However it still had other extra expense. Union regulations required that two brakemen had to make the trip to switch the car to a side track. That also accounts for the railroad's rush in getting the car unloaded. As it was the car was picked up later in the day. If it had remained until the next day two more men would have been needed, at a total cost of \$60 rather than \$30. Express charges against the shipment amounted to \$235.

Mr. and Mrs. Ray Wilde and her father, John Schmitz of Dallas, left Wednesday on a vacation trip to California, principally to see their brother and son, S.Sgt. Leroy Schmitz who is still a patient at Letterman General Army Hospital in San Francisco following serious injuries received in a car crash the latter part of August. He is recovering but will be hospitalized for some time. His father will spend his time with him, and Marcy and Ray, after a visit there, plan to get in some sight-seeing in several places.

SAN ANTONIANS HONORED WHILE VISITING HERE

Mr. and Mrs. Charles Denny and children who left Wednesday to return to San Antonio after a week's visit here with her parents, the Ben Lukes and family, were honored Monday night with a supper party on the lawn at the home of Mrs. Denny's brother and wife, the Anthony Lukes. Family members were guests.

Sunday Mrs. Denny's sister, Mrs. R. N. Fette, entertained with a breakfast at her home honoring the Dennys, the Harold Lukes of Dallas and the C. J. Ruckers of Fort Worth. The attractive back porch at the Fette home was the scene of the informal affair which was attended by 18 guests.

The man who is always right is the one who says, "I can't."

Marianne Luke and Alfred Kuhn Marry Saturday Evening

—Gilbert Studio Photo

The marriage of Miss Marianne Luke and Alfred Kuhn was solemnized Saturday at 6 p.m. in Sacred Heart church with Rev. Louis Deuster celebrating the nuptial high mass and performing the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Ben Luke, Muenster, and the groom is the son of Mr. and Mrs. Jake Kuhn of Lindsay.

Anthony Luke, brother of the bride, was organist and another brother, Wilmer Luke of Midland was vocalist. He gave two pre-nuptial solos "Veni Jesu" and "Panis Angelicus." The church choir sang the mass.

White gladioli and greenery adorned the altar and the sanctuary.

The bride was escorted to the altar and given in marriage by her father. Her wedding gown was pale blue lace over satin. It was designed floor length in princess style with a scoop neckline and sleeveless bodice covered with a long-sleeved fitted bolero. Sequins dotted the dress and jacket collar. She wore a fingertip length veil attached to a satin and lace half hat and carried a white orchid on top of a white prayerbook, a gift from the groom.

Bride's Attendants

Miss Floradell Endres of Fort Worth, cousin of the bride, was maid of honor and Miss Alta Louise Kuhn of Lindsay, sister of the groom, was bridesmaid. They wore pale blue velvet gowns designed with full gathered skirts; lace mitts and velvet headpieces to match their dresses. Their flowers were arm bouquets of white gladioli.

Little Misses Mary Nell and Sharon Ann Denny of San Antonio, nieces of the bride, were flower girls. Their costumes were miniature duplicates of the maid of honor's and bridesmaid's and they carried baskets of white pom pom mums.

Willard Kuhn of Lindsay and Daniel Luke, brothers of the couple, attended the groom as best man and groomsman. Charles Denny of San Antonio and Harold Luke of Dallas ushered.

Reception

A reception was held at the home of the bride's parents immediately after the ceremony. Gladioli and greenery decorated the rooms and Mrs. Harold Luke, Dallas, and Mrs. R. N. Fette, registered the guests.

The refreshment table, covered with a blue linen cloth, held the large double wedding ring cake, the silver coffee service and the crystal punch service. Mrs. Anthony Luke, Mrs. Urban Rohmer and Miss Ann Luke served the cake, Mrs. Charles Denny poured punch and Miss Eileen Cunningham of Midland presided at the coffee service.

Wedding Trip

When Mr. and Mrs. Kuhn left on a wedding trip to Corpus Christi she was wearing a brown and white pin stripe suit. They will live in Fort Worth where he

is employed with the Texas company.

Mrs. Kuhn is a graduate of Sacred Heart High school with the class of 1951 and was graduated from St. Paul's Hospital School of Nursing this summer. Her husband was graduated from Lindsay High and served in the army two years with the rank of second lieutenant.

Out Of Town Guests

Among out of town guests at the wedding were the C. J. Ruckers of Fort Worth, the Norman Lukes of Shreveport, La., the Harold Lukes of Dallas, the C. H. Dennys of San Antonio, Wilmer Luke and Miss Eileen Cunningham of Midland, the Joseph Tolitsons of Houston, Ray Luke of Subiaco, Ark., Miss Irene Kelley of Wichita Falls, Miss Dolores Henzler, Pilot Point, and Dr. and Mrs. M. O. Andreassian of Dallas.

Rehearsal Supper

The rehearsal supper Friday night was held in the home of the bride's parents. The meal was served buffet style to 22 guests.

Pre-Nuptial Party

A pre-nuptial party and miscellaneous gift shower complimented Miss Luke in the Lindsay Hall on the Monday before the wedding. Mrs. Urban Rohmer of Muenster was hostess.

**Pre-Nuptial Party
 Monday Compliments
 Carrie Ann Gehrig**
 Miss Carrie Ann Gehrig, bride-elect of Julian Walterscheid, was complimented with a miscellaneous gift party Monday night when a trio of hostesses, Mrs. Ted Gremminger, Mrs. Arthur Hess and Mrs. Denis Walterscheid, entertained in the Blue Room of the Main Cafe.

The honoree was presented a corsage of red carnations by the hostesses who then directed paper and pencil games to entertain the 35 guests. Mrs. Tommy Felderhoff and Mrs. Frank Herr won awards as winners in the games and Mrs. Matt Muller received the prize for writing the best advice to a new bride.
 The gift table was covered with a white damask cloth and was centered with a bride doll in a circular arrangement of bachelor buttons.
 The hostesses served refreshments of apple pie a la mode and cold drinks.
 Miss Gehrig and Mr. Walterscheid will be married on Tuesday, Sept. 28, in Sacred Heart church during a nuptial mass at 4 o'clock in the afternoon.

Bulcher News
 By Mrs. R. J. Samples

BULCHER, Sept. 21—Mr. and Mrs. J. M. Shields are on a three-week vacation in Colorado. They are visiting their son Dean Shields at Denver and are going sight-seeing to places of interest there and elsewhere.
 Among those from her attending the football game at Whitesboro Friday night were Mr. and Mrs. J. R. Samples and Belva, accompanied by Sue Dennis, Maydell Cole of Saint Jo and Travis Cowan of Nocona; the Gid Prathers and Jo Ella, and the Charles Crabtrees and Corky. The game, between Saint Jo and Whitesboro, was won by Whitesboro.

Mr. and Mrs. Sam Williamson had as guests Saturday Mrs. Otto Bean of Wheeler and Mrs. Myra Howard of Nocona.

Cleta Sue Cannon, Bob Samples, and Tom Harris, students away at college, spent the weekend here with homefolks.

**MRS. CARVER HOSTESS AT
 BULCHER HD CLUB MEET**

Members of the Bulcher Home Demonstration club held their regular business meeting Thursday with Mrs. Raymond Carver as hostess in her home.
 Mrs. Gid Prather conducted the meeting and reminded members to bring a record of their year's accomplishments to the next meeting. She announced the free chest x-ray program to be held in Gainesville on Sept. 24-30 and urged members to participate.
 Mrs. R. J. Samples gave a report on the last county council meeting and the hostess served refreshments.

A quarter's not supposed to be as good as a dollar—but it goes to church more often!

**The S. P. Ottos of
 Wichita Celebrate
 Golden Anniversary**

Mr. and Mrs. S. P. Otto of Wichita Falls, who were married here fifty years ago on Sept. 20, observed their golden wedding anniversary with an all-day program at Wichita Falls Monday.

The couple and family members attended solemn anniversary mass in Sacred Heart church at 9:30 a.m. Rt. Rev. Anthony Daley was officiant assisted by Rev. Thomas Weinzapfel and Rev. Joseph Weinzapfel of Dallas as deacon and sub-deacon. Father O'Rourke was master of ceremonies, Msgr. Daley delivered the sermon and grandsons of the golden weds were acolytes at the mass.
 Breakfast was served in Sacred Heart parish hall followed by a get-together at the Otto home. At 7:30 p.m. open house was held at the hall and wedding cake and punch were served.

Mrs. Otto is the former Miss Dora Meurer. After her marriage to Mr. Otto here the couple moved to Windhorst, then to Canon City, Colo., and lived in Perry, Okla., for a number of years before moving to Wichita Falls about 15 years ago. Mr. Otto is a retired farmer and dairyman. He also engaged in the real estate business.

Muenster relatives at the celebration included Messrs. and Mmes. J. M. Weinzapfel, Tony, Joe and Bill Otto, Tony Hoenig, John A. Klement, Joe Fette, J. P. Flusche, H. L. Jackson, Ray Otto and Herbert Meurer and Miss Clara Flusche. Among others were Mr. and Mrs. Ben Otto and Mrs. Lena Schad of Gainesville and Mr. and Mrs. Jake Wolf of Norman Okla.

**TWO CLASSES AT SH HIGH
 ORGANIZE, ELECT OFFICERS**

Two classes at Sacred Heart High school have reported organizing and electing officers for the current term.

Members of the freshman class elected Ann Luke president, Jeanette Haverkamp, vice president, and Howard Mollenkopf, secretary-treasurer.

Junior class officers are Basil Reiter, president; Carol Ann Voth, vice president, and Caroline Hesse, secretary-treasurer.

**Clara Flusche and
 Julius Hemes Jr.
 Will Wed Oct. 12**

The engagement of Miss Clara Flusche to Julius Hemes Jr. has been announced by the bride-elect's parents, Mr. and Mrs. J. P. Flusche. Parents of the future groom are Mr. and Mrs. Julius Hemes of Lindsay.

The couple will be married on Tuesday, Oct. 12, in Sacred Heart church during a nuptial mass at four p.m.

The future bride's sister, Miss Margie Flusche, will be maid of honor, and Mr. Hemes' sister, Miss Marcella Hemes, will be bridesmaid. Richard Hemes and Don Flusche, brothers of the couple, will be best man and groomsmen.

 Severy, Arkansas

WHAT IS COMMUNISM?

America is the great prize upon which the concentrated efforts of the Communist world conspiracy are focused. If our nation is to be at the peak of effectiveness against the rising, expanding might of this Red menace, every citizen must, first of all, understand the facts about it. Today comparatively few people know the true facts about this evil force which already has engulfed nearly half of mankind and whose unchanging goal is the destruction of Christian civilization and the establishment of a new, Godless world.

What is Communism? The substance of Communism is: (1) Atheism; (2) Materialism; and (3) Economic Determinism. One by one let us examine these three

primary components.

The Substance

Atheism: denial of the existence of God. Bakunin, the first Russian disciple of Karl Marx, said to his countrymen: "Brethren, I come to announce unto you a new gospel, which must penetrate to the very ends of the world: The old world must be destroyed and replaced by a new one; the Lie must be stamped out . . . the first Lie is God; the second Lie is Right. When you have freed your mind from the fear of God, and from that childish respect for the fiction of Right, then all the remaining chains that bind you . . . will snap asunder like threads."

Materialism: since God doesn't exist (according to Communist materialism), then man is merely a bundle of matter, having no conscience or soul. Through materialistic processes, such as the chemical processes which produce minerals in the earth's surface, man was created. Man's power to think is, in fact, a natural product of matter in its highest form, the brain cells. As one animal among the human race on earth, individual man is insignificant. The race of man is what counts. The individual thus must be subordinated to collective man, or to society; or, until it withers away in the Communist scheme of things, to the State. The human race, the Com-

Freedom Flourishes Under God

By Hon. Thomas J. Dodd, Member of Congress

A FEW YEARS AGO a citizen of Chicago complained to the United States Supreme Court that a public school teacher made reference to God in a classroom.

What a far cry from the men who gave us the motto—"In God We Trust." Our nation's founders believed in God and obeyed His laws. The rights they claimed and obtained for us, they described as endowments from God.

THIS ACKNOWLEDGEMENT of God as the source of all our rights is the foundation of our democracy. It is the hallmark of our freedom.

But somewhere, somehow we got away from this belief in God as the author of our rights and from the sense of responsibility that we owe as His creatures. We have continued to be jealous of our rights, but since they have lost association with our Creator, we find them more difficult to preserve and more difficult to defend.

MEN CAN FIGHT and die for God-given rights but men grow tired and grow weary of the struggle to preserve privileges conferred merely by other men. This dignity of man is what

Dodd

gives meaning to our way of life. This is what distinguishes our system from that of the communists. Communism is not troubled about basic human rights, for it holds that man is only another material animal—a resource of the state, and not a creature of God.

THE PROBLEM of communism is therefore not political and not military. It is moral. We can never defeat communism except on a moral ground, and it can only be defeated by people who are fundamentally moral themselves.

If we are to win this contest for the souls of men we must do so by convincing others that we have not only a better way of life—but the best way of life.

THIS WAY OF LIFE is something more than a political system or a method of government. It requires that we so order our lives and our affairs as to be at all times in perfect consonance with the Divine Plan.

Stripped of all its trappings and terminology the issue that confronts us is essentially a simple one—do we qualify as good people?

GOOD PEOPLE are those who want their neighbors to have decent homes, good food, proper clothing and worthwhile employment. Good people want all these things because they love their neighbors and because they obey God's law.

From where I sit... by Joe Marsh

Slugger Wins the "Home" Game

Slugger White, the home town's star hitter, dropped by the other day to talk baseball, and to "tell one" on himself.

Seems Slugger had been baby-sitting. "I was doing just fine," he said, "until it was time for a 'change.' I called Mom for advice. Still didn't get it right. Then Dad set me straight."

"Place the diaper like a baseball diamond with you at bat," he said. "Fold second base over home plate, and pin first and third base on home plate. That did it—with no errors!"

From where I sit, Slugger's Dad had the idea. Often, like his Mom, a lot of us tend to give advice in our terms without considering the other fellow's way of doing things. Even in choosing your favorite beverage, it's best to think of your neighbor. If you like tea, and I prefer a temperate glass of beer, we should both "play the game" and try to understand each other's point of view.

This Little Piggy Went to Market... Faster and at Lower Feeding Cost

Feed 'em and watch 'em grow! That's the word on TEXO Pig Starter. It's especially designed to give pigs all the nutrients and vitamins so essential to heavier weaning weights; and, in the long run, that means more efficient feed conversion and earlier marketing. Furthermore, TEXO Pig Starter fights off disease, because it's fortified with America's most effective antibiotic, aureomycin.

Believe me, we're really enthused about this new TEXO product; and, if you'll just stop in the store, we'd like nothing more than to tell you all about it.

STOCKMEN'S FEED STORE Muenster

FEED TEXO "You'll be way ahead when they're TEXO fed!"

munists say, can be improved, only through scientific techniques of animal husbandry, the control of physical and intellectual breeding and growth.

Communist Sociology

Economic Determinism: man's economic environment shapes his personality, character and life. No one is individually responsible, in other words, for his own character or thoughts, his success or failure. All this is determined by economic environment at birth and by the exterior economic factors in life. The Communists say capitalism is a combination of "lottery, greed, exploitation of the masses," creating the "class struggle" and warping people's minds. It must be destroyed, they say, for the sake of improvement of the human race.

Herbert Philbrick, who spent nine years as an FBI counterespionage deep within the Red underground, says: "Inside secret meetings we were taught over and over again that it was impossible for Communism and capitalism to exist in the same world together—one or the other would be destroyed." And Philbrick concludes: "Human society cannot hope to exist with the cancer of Communism. Either one must be destroyed or the other will surely die."

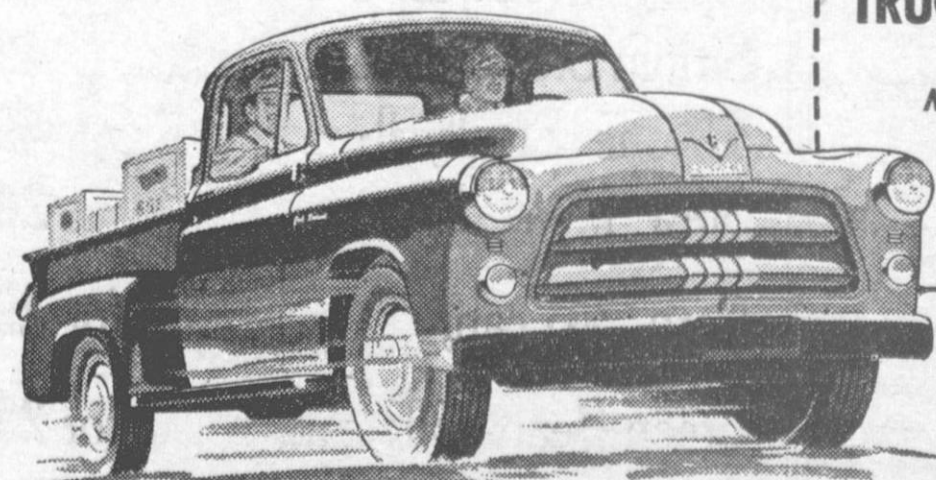

Socialism Too

Communism employs a Socialist economic system. The government owns and operates the industries of distribution. Workers are paid by the government and the government promises economic security to all. The final economic goal of Communism is nation-wide and world-wide collectivism. And the highest promise of Communism is the elimination, altogether, of central

government and overriding laws.

In this final stage, society on earth would be formed of groups of people (collectives) living in perfect harmony, without need of supervisory governing. But this last stage of Communism, of course, never would be reached; and none of its Godless leaders ever expected that it would. It is the glittering come-on. True human brotherhood and love are spiritual qualities of life—and Communism denies the existence of the spiritual quality. Communism, in short, is driving toward creation of a world-wide animal farm over which its dictators would apply the cold science of earth-bound brains. They would be the masters, and the people the puppets. Freedom, worship of God, and human progress would cease to be. This is Communism.

The collection department of a Chicago firm tried a new method on a slow-paying account in a small Southern town.

"Dear Mr. Smith," the letter began, "what would all your neighbors think if we came to your town and repossessed your car?"

In due course, the letter came back with the message written across the bottom, "I have taken up this matter with my neighbors, and they think it would be a lousy trick."

Local News BRIEFS

Mr. and Mrs. Orville Malone and children Denis, Arlene and Ruth Ann and Miss Joan Roberg, all of Fort Worth, spent the weekend here with Mrs. Katie Roberg and other family members. The Malones' oldest son, Lamar, entered St. John's Seminary in San Antonio this year.

Mr. and Mrs. Ed Walterscheid of Harlingen are spending this week here visiting his brothers Tony and Paul.

Allan Hoffman, a student at Midwestern University in Wichita Falls, spent the weekend here with his mother, Mrs. John Hoffman. Joining them Sunday for a visit were Mr. and Mrs. Billy Mayer of Pilot Point and the Earle Ottos and Elaine.

Mrs. Paul Fisher and son, William, and her mother, Mrs. Frank Kathman, were in Dallas Saturday for William's regular dental appointment.

Airman and Mrs. Kenneth Reynolds and daughter of Wichita Falls were here for a weekend visit with her family, visited her mother at Gainesville Sanitarium, and took her young brother, Leon, back home with them.

Mr. and Mrs. Charles Denny and children Mary Nell, Sharon Ann and Johnny, of San Antonio returned to their home Wednesday after spending a week's vacation here with her parents and family, the Ben Lukes.

MUESTER, TEXAS

Marysville News

By Mrs. Herman Richey

MARYSVILLE, Sept. 20—Mr. and Mrs. T. B. Hall and daughter Kathleen and Mr. Hall's mother, Mrs. Jessie Hall, all of Dallas spent Sunday with Mr. and Mrs. B. G. Lyons.

The Jack Cooks of Boyd were Saturday guests of Mr. and Mrs. Jess Davison.

Mr. and Mrs. C. W. Duffey of Lovington, N. M., and Mrs. Ruben Hassenpflug of Valley View visited in the Jess Davison home Tuesday.

Mr. and Mrs. Earl Cochran and granddaughter of Athens spent the weekend with Mrs. Cochran's mother, Mrs. Rilla Wyatt and her sisters, Mrs. John Richey here and Mrs. Fred Richey at Sivells Bend. Mrs. Wyatt accompanied them home for a two-week visit. She also plans to visit her son, T. C. Wyatt and family at Winstboro before returning home.

Wanda Richey accompanied Mrs. Clarence Hellman of Muenster when she took Mary Nell Hellman back to Wichita Falls Saturday. Mary Nell, a student at business college there, had been at home for a visit.

Rev. and Mrs. Gene Hawkins and daughter of Fort Worth and Mr. and Mrs. J. N. Shaw were dinner guests Sunday in the Rafe McElreath home.

Mr. and Mrs. J. N. Shaw have received word of the marriage of their granddaughter, Yvonne Moody to Okley Stephenson at Bovina, the bride's home town. The newlyweds are making their home in Lubbock where they both attend college.

Marysville Progress club and Masonic lodge members and their families will have a joint social meeting at the club house next Tuesday, Sept. 28, at 8 p.m.

The Marysville Home Demonstration club will meet at the club house this Friday afternoon with Mrs. Lawton Moon as hostess. New officers will be elected and all members are urged to be present.

MARYSVILLE WMS HAS ELECTION OF OFFICERS

Meeting Monday night members of the Marysville Women's Missionary Union elected officers for a new year.

Heading the group as president is Mrs. Rafe McElreath, and other officers are Mrs. Jess Davidson, vice president; Mrs. J. T. Cole, secretary-treasurer; Mrs. Jack Biffle, mission study chairman; Mrs. Lawton Moon, corresponding secretary; Mrs. John Richey, community missions; Mrs. Bill Moon, benevolence chairman; Mrs. Herman Richey, stewardship, and Mrs. Earl Robison, program chairman.

The meeting was at the Baptist church and Mrs. Earl Robison presided during the business session. Mrs. Jack Biffle gave the devotional and Mrs. Rafe McElreath was in charge of the program on "Trees and I." A Mary Hill Davis offering of \$15 was contributed.

Members of the Baptist Brotherhood also met at the church Monday night. Their program was "Relationship to Prayer."

Soil Conservation Notes

Don't work more acres; make your acres work more for you. Enlarge your farm without increasing the number of acres by increasing production on the acres you now have. Make each acre produce what two acres did before and you have in effect increased the size of your farm.

The best way to increased production on any acre is to apply soil conservation practices such as legumes in the crop rotation, contour farming and terracing, keeping a cover of living or dead plants on the soil as much as possible and proper grazing management. The benefits from applying these soil and moisture conserving practices pay off in increased production.

Here is an example of how proper land treatment can pay off. Bill Bess, Rt. 1, Saint Jo, harvested 74 bushels of corn per acre from that part of his field where vetch had been grown for two years, while the rest of the field yielded only 12 bushels per acre.

Here is how it happened. Bess planted 15 acres of a bottomland field to vetch two years ago. He applied 300 pounds of superphosphate at time of seeding and inoculated his vetch seed. The first year the vetch was grazed until May and a seed crop of 400 pounds of seed per acre was harvested in July. Bess values the returns from the first year of vetch to be \$60 per acre of seed and \$24 per acre for grazing.

This spring the entire field was planted to corn. The 15 acres where the vetch was grown yielded 74 bushels per acre. The rest of the field produced an average of 12 bushels per acre. The vetch land produced 62 bushels more than the no-vetch land. At current prices of \$1.35 per bushel this increase in yield was worth \$83.70 per acre.

In other words, the vetch treated acres were equal in production to six of the untreated acres. A good example of how each acre can be made more productive through the application of conservation measures.

Muenster cooperators of the Upper Elm-Red Soil Conservation District are applying conservation practices to their farms step by step. At this time of year the practice being applied to the cultivated land is terracing to aid in preventing soil and water losses.

Ray and Alvin Cler have completed 4500 feet of terraces on the home place. The terraces outlet onto a King Ranch Bluestem waterway that was seeded to serve as a terrace disposal area. They have also recently built 3000 feet of terraces on the Meador farm they operate. Ray Kupper has recently finished 2000 feet of channel type terraces on his farm north-east of Muenster. Ed Klement has recently finished 5000 feet of terraces and a pond for livestock water on his farm. The terraces outlet onto bermuda

grass waterways along natural drains. Eddie Fleitman has just completed work on 1000 feet of field terraces on the farm he operates for Bruno Fleitman. He used farm equipment and the island method of terracing to build the broad easy to cross terraces.

Citation By Publication
THE STATE OF TEXAS
 TO: Earl L. Kline
GREETING: You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 8th day of November, A. D. 1954, at or before 10 o'clock A. M. before the Honorable District Court of Cooke County, at the Court House in Gainesville, Texas.
 Said plaintiff's petition was filed on the 21st day of September, 1954.
 The file number of said suit being No. 16658.
 The names of the parties in said suit are:
 Gertrude A. Kline as Plaintiff, and Earl L. Kline as Defendant.
 The nature of said suit being substantially as follows, to wit:
 A suit for divorce for reason of cruel and harsh treatment and abandonment.
 If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.
 Issued this 21st day of September A. D. 1954.
 Given under my hand and seal of said Court, at office in Gainesville, Texas, this 21st day of September A. D. 1954.
 (SEAL) Woodrow U. Clegg, Clerk District Court Cooke County, Texas (44-45-46-47)

The Ed Eberharts returned Monday from Post where they spent the weekend with their daughter and family, the Julius Stelzers.

Mr. and Mrs. F. H. Heart of Prescott, Ariz., and Mrs. Howard Couch of Hot Springs, Ark., are guests of Mr. and Mrs. Ray Evans. The Hearts are enroute home after an extended vacation tour. She is Pearl's aunt.

Airman and Mrs. Bill Gaines of Sheppard AFB visited here briefly Monday with her brother and sister-in-law, the Eddie Krahls, after being in Gainesville to see her parents, the Joe Krahls.

Milady may now use an after-dinner lipstick that is mint-flavored.

Gas Company Names Superintendent for North Texas Area

Appointment of W. C. McCord as industrial engineer for Lone Star Gas Company's Greenville division of distribution has been announced by L. M. Scholl of Greenville, division superintendent. He succeeds Edward M. St. John, who has been named manager of the Sherman district.

McCord will serve as consultant on the use of gas in commercial and industrial plants and will counsel with builders on the installation of gas air-conditioning and large heating units.

His territory will include more than 100 towns which make up the following districts in the Greenville division: Athens, Bonham, Clarksville, Commerce, Denison, Denton, Ennis, Gainesville, Garland, Greenville, McKinney, Paris, Sherman, Sulphur Springs and Terrell. McCord will have headquarters in Greenville.

The smallest of all packages is a man wrapped up in himself.

Lindsay News

Cpl. Freddie Neu is back at home after spending 19 months in Germany with the army. He received his discharge at Camp Chaffee, Ark. The Herman Luttmers and daughter Betty Jean and Mrs. John Neu drove to Arkansas to bring him back home.

Miss Antoinette Neu has completed a beauty course and is on duty at a Gainesville beauty shop.

Mr. and Mrs. Vincent Zimmerman and Rudy and Mr. and Mrs. I. A. Zimmerman drove to Pilot Point Sunday for a visit with their sister and daughter, Sister Dorothy Therese who is on the teaching staff there.

Mr. and Mrs. Frank Benenate and children left Sunday to return to their home in Detroit, Michigan, after a visit with her mother, Mrs. Joe Bezner and

other relatives. Mrs. Benenate and the children were here two weeks and were among guests at the wedding of Hubert Bezner to Vickie Kuntz. Mr. Benenate came to Lindsay last Wednesday to spend a few days and take his family home. They spent Saturday in Muenster as guests of the Ray Wildes.

Mr. and Mrs. Hubert Bezner, returning from a wedding trip to Florida, spent the weekend here with family members and are now settled in their home in Tyler.

The Bob Bezners and two children of Dallas were here for a weekend visit with his mother, Mrs. Joe Bezner. Joining them Sunday to spend the day were Mr. and Mrs. Leo Cutaja and daughter, Margaret Rose. Their other daughter, Carol Ann, is attending Our Lady of the Lake college in San Antonio this year.

Richard Hermes is back at home with a discharge from the army after serving two years, part of the time in Japan. He is the son of Mr. and Mrs. Julius Hermes.

The John J. Hess family has as their guest last week, Cpl. Adolph Orsag of Fort Riley, Kansas.

Adolph Fuhrmann is resting fairly well following a second skin graft operation last week. He'll be in the hospital at least another week. Injuries sustained in a power post hole digger accident on August 18 sent him to Gainesville Sanitarium where he has been a patient since.

The infant son of Mr. and Mrs. Wilfred Bezner has been named Dale Joseph. He is the first grandchild of Mr. and Mrs. Al Gery and the first great-grandchild of Mrs. A. Dulock of Gainesville. The paternal grandparents are Mr. and Mrs. Jake Bezner, and there's another great-grandmother, Mrs. Anna Wiese, also of Lindsay.

School Buses

sum annually to both schools and cutting the average child's bus riding time almost in half, the organization has the advantage of transporting public school transfers without being subject to public school bus regulations. As a private concern it is free to cross district lines to pick up its students.

Supervisors of both schools report that they are well pleased with the arrangement which is giving much better service at lower cost. Since total mileage of all busses is cut almost in half, rides are shorter and current operation costs lower. At the same time depreciation cost is about half what it used to be.

The car to watch is the car behind the car in front of you.

Catholic League

continuation of saving and shipping used clothing to the needy. During the opening session of the meeting which began at 2 o'clock in the public school auditorium about 200 persons heard the welcome address by Rev. Louis Deuster, state spiritual director, and brief welcome talks by Al Hess and Mrs. Victor Hartman, presidents of the St. Joseph's and St. Anne's parish societies.

District President Frank Heitzman of Pilot Point conducted the meeting and introduced visiting clergy, and A. C. Flusche of Denison read minutes of the last district meeting held in Pilot Point.

Lindsay was named as the host parish for the Spring district meeting.

As an entertainment feature, a girls' choral group from Sacred Heart High school presented two numbers accompanied by Sister Cecilia, pianist.

The afternoon began with Benediction of the Blessed Sacrament in Sacred Heart church at 1:30 and concluded with refreshments in the parish lunch room at 5:30. At night a social was held in the parish hall.

Parishes represented in addition to Muenster were Pilot Point, Windthorst, Denison, Sherman and Lindsay.

Registration of delegates and guests was conducted by Misses Pauline Mages, Alma Henscheid, Caroline Hesse, LaVerna Hess and Nelda Bayer.

Hornets Win

The job was finished in 14 plays featuring runs by Noggler and Moon and a pass from Richey to Whitt for 39. Noggler went over from the 3. In the try for extra point a bad pass spoiled the chance to kick and Noggler failed in his attempt to carry the ball over.

Pilot Point lost no time in tying the count as Cole on the second play after kickoff, cut loose on a keeper play and took advantage of beautiful blocking in his 63 yard sprint to the line. Trubenbach broke through to block the kick for extra point.

Muenster fans started feeling more comfortable again as the Hornets made a sustained 75 yard drive to the second score. Moon's 18, Richey's 13 and Noggler's 7 for the TD featured the march which actually got started on a lucky break. The Bearcats held in the first series but put the Hornets back in business by roughing on the fourth down. The 15 yard penalty was enough for the first down and Hosea's boys went on from there.

On the kickoff that followed Muenster enthusiasm got another sudden but momentary jolt. Cole took the boot near his goal line, again took advantage of beautiful blocking and headed for the goal. It looked like another tie-up of the score until Dougherty cut him down on the 27. That was all for the Pointers. By the time they finished their next four plays they had lost 11 yards and Muenster took over on the 38. Four plays later Noggler tore through the line for a 55 yard dash to the goal. A pass, Richey to Dougherty, for the extra point failed.

Another drive by the Hornets in the opening of the second half ended the evening's scoring. An actual distance of 64 stretched to 84 by penalties was reeled off in 10 plays, Moon going over for the TD.

For the rest of the game Hosea depended mostly on reserves and the visitors made a better showing, racking up all five of their first downs and most of their yardage for the game. But drives were not sustained and a few neat gains were nullified by ground losers and fumbles. Cole, Crawford, Sturm and Moore stood out on the plays that clicked.

Noggler was Muenster's big ground gainer again, Moon picked up several beautiful gains, and Richey did a neat job of ball handling besides accounting for some nice gains of his own. Fumbles were few and not one of them was lost to the opponents, whereas Pilot Point lost three of its fumbles.

A swell job by the seven boys up front accounts for the good record of the backs as well as for the poor showing of the visitors. All looked good and all were standouts at times, with Hallmark, Trubenbach and Dougherty probably rating as the top performers.

The game at a glance:

Blessed Events

Mr. and Mrs. Dexter Dowd of Bulcher are the parents of a six pound 14 ounce son born at the Muenster Clinic Tuesday at 10:30 a.m. They have one other son, Dennis. The grandparents are Mr. and Mrs. J. B. Dennis of Muenster and Mrs. W. Dowd of Illinois Bend.

Mr. and Mrs. Albert (Little Buck) Knabe announce the arrival of an eight pound son at the Muenster Clinic on Tuesday at 10:40 p.m. Three brothers and four sisters welcome the new arrival. He is the grandson of Messrs. and Meses. Gus Knabe, Muenster, and H. E. Sprengel, Pilot Point.

Mr. and Mrs. Q. D. Pettigrew of Kaufman announce the birth of their first child, an eight pound son, at Kaufman hospital on Friday, Sept. 17, at 2:30 p.m. Mrs. Pettigrew is the former Therese Herr and Mr. and Mrs. John Herr of Muenster are the maternal grandparents. The paternal grandparents, Mr. and Mrs. J. Q. Pettigrew, live at Kaufman. Mrs. Fred Herr Sr. of Muenster is the baby's great-grandmother.

50 Students

more and Reynold Reiter is a junior.

Mary McGannon entered Our Lady of the Lake College in San Antonio this year and her brother, Charles McGannon, is continuing study at Saint Edward's in Austin, where Jerry Henscheid is enrolled as a freshman this term. Another brother-sister team attend ETSC at Commerce. They're Glenn and Janie Hellman. He's a senior and she's a sophomore.

Larry Hofbauer is doing second year college work at Saint Mary's University in San Antonio where Jerry Fuhrman enrolled this year as a junior. He attended Creighton University in Omaha, Neb., last year. And Edna Hesse is a freshman at OLV College in Fort Worth.

Three young men are continuing their medical courses: Monte Hellman at Marquette, John Myrick at Texas University, and James Cole at Southwestern in Dallas.

Ten young women are student nurses. JoAnn Starke is a beginner at St. Anthony's Hospital in Oklahoma City and Mildred Fisher is a first year student at St. Joseph's in Fort Worth. Continuing nurses courses are Ella Dell Starke at St. Anthony's, Pauline Myrick at John Sealy Hospital in Galveston, Jeanette Fisher and Anna Grace Fette at St. Joseph's in Fort Worth, Margie Baumhardt in Waco at Providence Hospital, and Anselma Kathman, Jeanette Walter and Anselma Felderhoff at St. Paul's in Dallas.

Ten boys and girls are in academies. Mary Weinzapfel is at OLV in Fort Worth, Phyllis Schmitt, Charlene Hellman, Georgia Ann Bayer and Dolores Reiter are at Holy Angels in Jonesboro, Ark., and Gene Schoech, Gerald Pels, Richard Hess and Ray Zimmerman are enrolled at Subiaco Academy.

Three are continuing work in seminaries. Joe Felderhoff and Jerry Reiter returned to St. John's in San Antonio and Ray Luke returned to Subiaco Abbey.

Mr. and Mrs. Auvis Burton of Warsaw, Mo. spent Monday night as guests of the M. H. Kings.

Tigers Win

test is that they do not intend to be brushed aside lightly by any of their opponents this season. They are midgets by comparison with last year's Tiger crew but they make up in finesse and coordination for what they lack in plain power. The lads play a heady game, offensively and defensively, and seem ready to cope with the superior poundage they are likely to encounter in their season.

That applies to reserves as well as starters. In the backfield especially, rookies like Virgil Henscheid, Herbie Walterscheid and Howard Mollenkopf carried on like so many seasoned veterans.

The trend of the scuffle was apparent after the first few plays but fumbles delayed the Tigers in showing their superiority on the scoreboard. On their first offensive play Carl Walterscheid ripped off 23 yards and lost the pigskin when tackled. Holding the visitors air tight for the series of downs, they fumbled again on their first attempt and copped their next defensive effort by blocking a punt. Then Rodney Walter did 45 yards of neat footwork for the first score.

Herr went across the next time on the fifth play in a 35 yard drive and passed to Fleitman for the extra point.

Another fumble delayed the next TD, but when the boys got going they covered 33 yards in four plays, Walter crossing over and also totting for the extra point.

On their way again the Tigers pushed 46 yards before fumbling on Nocona's 20 as the half ended.

The second half opened fast as Hofbauer, playing center, stopped Nocona's low kickoff and pounced on it on the Tiger 49. Two more plays reached pay dirt, Herr going 13 and Walter the rest of the way.

From then on the reserves resumed the job they had taken on for a short time in the first half and though they had more trouble than the regulars, at least succeeded in grouping several neat plays for another TD. Starting from the 48 Henscheid passed to Leo Hess for 25, Haverkamp plowed to the 10 and Mollenkopf slipped through for the rest of the distance. For the remainder of the time Nocona had a slight advantage and registered five of its eight first downs though it failed to muster a sustained drive.

The Little Indians' helplessness against the Tiger regulars is due mostly to the stout defense of Hennigan, Hofbauer and Sylvan Walterscheid. The three former lettermen are the forward mainstays and make a habit of breaking through to smear plays.

The game at a glance:

	SH	N
First Downs	9	8
Net Yds. Rushing	290	103
Yds. Passing	25	33
Passes Tried	2	9
Passes Completed	1	3
Fumbles Lost by	6	3
Yds. Penalized	20	10

Confetti

schools is this week's special arrangement to avoid having two football games at the same time. The Hornets and Tigers were both due to play Thursday night, so the coach of each team made an effort to change his schedule. The end result was that the Hornets will have their game in the afternoon. Players can see each other in action and fans can see both games. A nice bit of cooperative spirit that does things for community harmony and can lead to greater community progress.

Still more gratifying is the fact that this is only one of several cooperative incidents. A common bus system is costing less and giving better service. Football teams have regular scrimmage sessions for the mutual benefit of both. Students from either school attend special classes in the other. We seem to be on the way toward attaining a long cherished dream . . . school systems that do not compete but cooperate in offering the community the facilities of both. Spirit like this can develop into a valuable and delightful community asset.

Burt Hamric left Saturday for El Paso where he entered Texas Western college for his sophomore year. His dad and his brother Dan took him to Dallas where he boarded a plane for El Paso.
