

Ben Knabe Injured Critically in Oil Lease Accident

Shocking evidence that "it can happen here" is the report that our Gulf Coast city of Port Arthur is now struggling in the strangle hold of a labor union that is led and dominated by persons who are known to be communists.

That comfortable feeling we Texans enjoyed for so long while folks up north and east were pestered by the red scum is a thing of the past. The menace has arrived and Texas faces a knock-down, drag-out battle to decide whether it will banish this subversive element or go on enduring the evil effects of its treacherous scheming.

The organization responsible for this contemptible frameup on the citizens of Texas is the Distributive, Processing and Office Workers of America, briefly identified by the initials DPOWA. It is engineered by a gang of Eastern leaders who have been identified as communists.

Representatives of this organization are now at work in every city along the Texas coast, and they have touched off their first blast of labor trouble at Port Arthur. Reports from there say 22 places are being picketed, the list including such establishments as department, grocery and hardware stores, 5 and 10's, cafes and hotels. Wherever they strike business is practically non-existent.

The way the DPOWA operates is to organize employes of these places and persuade them to walk off the job if the boss does not sign a contract to deal with the union as their representative. If he refuses pickets take up their positions in front of the business. In a heavily unionized town such as Port Arthur that's a rough situation. Very few cross the picket line.

Thanks to an ever growing number of intelligent and patriotic people, however, this subversive plot is not going unchallenged. Under the leadership of our able and patriotic attorney general, John Ben Shepperd, the defensive forces are increasing.

Shepperd himself has conducted an intensive investigation resulting in some 100 pages of information on the DPOWA. Governor Shivers has appointed an industrial commission to hear testimony. The American Legion state headquarters has joined in the fight. The Texas Press Association is keeping newspapers of the state posted and urging them to tell the public what's going on. Before long we can expect more cooperation from Chambers of Commerce, the VFW, reputable labor unions, business people, and practically every other classification of intelligent, patriotic organizations or businesses.

As attorney general, Shepperd is striving to bring every possible legal restraint on the outfit. He intends to use whatever laws he has now and also to urge the passage of more laws. But his means at best are limited. As we often saw in the past, reds are expert at hiding behind the Constitutional rights they seek to destroy.

While wishing him all possible success in that venture, let's hope that the people of Texas will show the good judgment of handling this in a more decisive way. If enough will get behind the movement, it's a cinch.

The first step in that direction is to organize another union the purpose of which is to operate in the interest of members rather than that of the Moscow mob. After all the overwhelming majority of DPOWA members are normal and patriotic citizens with no subversive motives whatever and they would gladly change membership to the right kind of union.

After recognizing and encouraging the workers' right to organize for their own good, the next step is to expose the remnants of the red outfit, urging employers to ignore their threats and the public to ignore their picketing. When right thinking people, including members of reputable unions, make an effort to squeeze communism out of the ranks of Texas labor the menace will not survive for long.

As a matter of fact the plan of campaign can be fairly simple, not only as regards the DPOWA (Continued on page 10)

More Hospital Beds And Wheel Chairs For Local Patients

Muenster Donates More Than Ton of Clothes for Korea

Two more hospital beds and two more wheel chairs are available here for the comfort of sick people in the community. The Muenster VFW Post received the beds last week and the wheel chairs the week before.

According to Post Commander Ray Wilde the new arrivals give the veterans a total of 3 beds, 4 wheel chairs and 6 pairs of crutches.

All are intended for the convenience of Muenster's sick people, he said, and any person who needs one of the items is encouraged to use it.

The post's only stipulation is that patients cooperate by helping the veterans keep an accurate record on the whereabouts of the items, and by all means not to give them to other patients except at the request of the post's custodian, who at this time is Commander Ray Wilde.

The equipment is loaned for a period of 30 days. A patient who wishes to use it longer is welcome to do so provided he or she will notify the custodian. That precaution is intended as another means to keep posted on the location of the equipment.

Local 4th Degree Knights Reorganize And Elect Officers

Tiger Cagers Will Open 1954 Season Here on January 8

Members of the Bishop Danglemayr General Assembly of the Fourth Degree Knights of Columbus met in the local K of C hall Sunday afternoon for an election of officers to reorganize their unit after the transfer of some members and officers to a newly formed assembly at Wichita Falls.

Previously the Bishop Danglemayr assembly included members of the sixth and twelfth districts. With the formation of the Bishop Gorman assembly at Wichita Falls recently, members of the twelfth district transferred to that unit. Councils now represented in the local assembly are Muenster, Gainesville, Sherman, Denison and Pilot Point. It has a membership of 33 since the transfer of 23 to the new unit.

Officers elected Sunday are Father Louis Deuster, faithful Friar; J. M. Weinzappel, faithful navigator; L. W. Flusche of Decatur, faithful captain; J. P. Flusche, faithful admiral; F. A. Kathman, Jr., faithful scribe; J. C. Trachta, faithful pilot; J. W. Fisher, faithful comptroller; L. A. Bernauer, faithful pursuer; Wm. Scully and J. W. Gay, both of Denison, faithful sentinels.

The assembly decided on Jan. 31, 1954, as its next meeting date. At that time it will install new officers and make plans to participate in a fourth degree initiation in Wichita Falls on February 4.

Rain Measures .84

Another .84 inch of rain Wednesday night added to the plentiful moisture of November gives crops of this community another push toward a wonderful start for 1954. A sprinkling of small hailstones accompanied the rain in some parts of the area but caused little if any damage.

The rain along with recent moderate weather offers possibilities of further improving the excellent grazing on grain fields. Stock has been thriving on it and farmers have had welcome relief from high feed bills.

Total rainfall for 1953 now measures 31.48 inches.

Twenty Members of Tiger Grid Squad To Receive Jackets

Twenty members of the Sacred Heart Tigers district championship football squad are due to receive jackets at the annual Tiger grid banquet which is tentatively set for about mid-January.

Father Christopher Paladino, coach, this week announced his list of lettermen and placed an order for their jackets, which are expected to arrive in time for awarding at the banquet.

The lettermen are Tommy Herr, Meinrad Yosten, Charles Moster, Sylvan Walterscheid, William Walterscheid, Gilbert Bindel, Ernest Bayer, Jerry Henschel, Gilbert Knabe, Albert Knabe, James Mollenkopf, Frank Fleitman, James Hess, Larry Hennigan, Albert Zimmerer, Denis Hofbauer, Paul Hesse, Bernard Haverkamp, Carl Walterscheid and Rodney Walter.

Hennigan - Sicking Open Butane Agency

Another butane-propane dealership was organized here this week. It is the H & S Butane Company jointly owned by Fred Hennigan and Louis and Victor Sicking. They will operate the business in connection with the Panhandle oil and gas agency which Hennigan has operated for several years.

"It's not so much an expansion as a matter of keeping up with changing times", Hennigan said. Too many tractor owners are converting to the butane fuel system and he has to furnish their kind of fuel in order to hold their business.

Bezner Returns to Bank, Waggoner to Manage Car Agency

Lambert Bezner, owner and manager of the local Chrysler-Plymouth dealership, announced last weekend his return to his former position as assistant cashier at the First State Bank of Gainesville.

At the same time he announced that Kyle Waggoner will take over the management of the Lambert Bezner Motor Company. Bezner continues as owner of the agency and intends to be here daily after quitting time at the bank.

Waggoner has been associated with the agency for ten years. He was assistant manager for several years prior to the death of its original owner, Ben Seyler, and remained after the reorganization following Mr. Seyler's death in 1952. Bezner became the dealer 11 months ago and took a leave of absence from the Gainesville bank until now.

A native of Lindsay, he has been with the bank since 1940 except while he served in the armed forces and the past 11 months.

SHHS Girls Divide Pair of Basketball Games With Era Hi

The Tigerettes of Sacred Heart High broke even with the girls of Era High in a pair of tight games in the Era gym Tuesday night. Father Louis Deuster's B squad won the opener 29-24 and his first stringers dropped their game in a 65-53 scoring spree.

Mary McGannon with 11 points set the pace for the B team in a steady tussle which found the parochial girls gradually widening their margin to 5 points. Scores by quarters were 7-5, 15-10, 20-16, and 29-24. LaVerna Hess with 9 and Nelda Bayer with 7 accounted for the rest of the points.

Crackshot forwards on both teams account for the second game's high score which looks more like the final tally of a boys' game. Berry and Easson of the host team were the real sharpshooters with 33 and 26 but Sacred Heart's three forwards likewise hit the hoop regularly. Mages scored 23, Felderhoff 17 and Gehrig 13.

The first half was especially hot, ending 30-29 in favor of Era. From then Era gradually pulled ahead for a lead of 7 at the end of the third quarter and a final lead of 12.

Howard Mollenkopf Gets Bid to Play in Milk Bowl Classic

Howard Mollenkopf, the pint sized scatback of Father Patrick Hannon's Sacred Heart Cubs will be in the limelight Saturday as one of the performers in the Milk Bowl game at Lufkin. The contest is an annual pee wee grid classic to raise funds for charity, and every contestant must weigh in at 100 pounds or less.

By special invitation of the Boys Ranch coach, Red Teague, Howard is playing with his lads against a group of Louisiana kiddies selected from the Shreveport area. He will be the only player in Boys Ranch uniform who is not a regular member of the team.

Major and Mrs. Chris Fette and sons, Tommy and Joey, spent Thursday and Friday here with the Dick and David Trachtas. They were enroute from their home in Georgia to Denver, Colo., where Major Fette was to report at Lowery AFB. He will retire from army life after getting his discharge at Lowery.

PFC Henry Grewing left Saturday to return to Fort Bliss, El Paso, after a 15-day leave with his parents and family here.

In a telephone call to his mother Saturday night, Pvt. Mike Driever said he has received orders for duty overseas and his next assignment will be somewhere in Europe. At the time he didn't know if he would receive leave time to visit at home or go direct to Camp Kilmer, N. J., from Camp Chaffee, Ark., where this week he and his company finish training with the army heavy artillery.

PFC Emmett Walterscheid, who didn't get a leave for Thanksgiving, spent the weekend with family members who visited him at camp. His parents, Mr. and Mrs. Tony Walterscheid, and his brother, Gerald, visited at Fort Bliss Friday to Tuesday.

PFC Leonard Walterscheid, former Muenster young man whose parents, the Frank Walterscheids now live in Hereford, has received an overseas assignment and will leave Fort Bliss on Dec. 9 for Fort Lewis, Wash., for duty with the Far East Command.

Mrs. J. S. Russell's grandson, Billy Ray Fuson, who was hurt in a jeep accident in Korea about two months ago and who was hospitalized in Japan, has been returned to the states and is a patient at Brooks Army Hospital in San Antonio where he is still in serious condition and will have to undergo more surgery for the head injury that has caused a loss of memory. The accident, in which the jeep turned over, happened the day before he was to receive his discharge. Billy Ray's mother is the former Dade Russell of this city, now living in Seminole.

Reached Okinawa M.Sgt. Walter Huchton has reached Okinawa where he is on duty with the army air force. His family will join him there later.

Settled in Korea Jerry Fette, airman first class, writes his parents, the Henry Fettes, that he is settled in Korea, near Seoul, serving with the 5th Motor Transport Squadron.

Enroute to Lowery AFB Major and Mrs. Chris Fette and sons, Tommy and Joey, spent Thursday and Friday here with the Dick and David Trachtas. The Farmers Marketing Association has been sold to the North Texas Producers Association.

Rudy Hellman, FMA manager, disclosed Wednesday morning that, according to a telephone call earlier, a check in payment for most of the organization's property was to be mailed from NTPA headquarters that day.

The check covers the selling price on all FMA buildings and equipment but does not include the stock of the FMA store. Another check will be written later to cover the store's inventory value at the time the property is transferred.

Distribution of the money among FMA members will begin on December 10, Hellman said. Each member will receive payment and interest on all the scrip claims he holds. Final settlement will come after January 1 when the co-op closes its books and divides profits for its last year of operation.

According to an agreement with the NTPA, the FMA will continue to operate the plant for the rest of this year. Both parties favored that arrangement because it eliminated the need of additional paper work for a fraction of a year's business.

Nevertheless the NTPA will start immediately on its expansion program in order to be ready in plenty of time for the anticipated larger volume of milk receipts during the surplus season.

Hellman said that plans for addition of a Grade A receiving room have been approved by the State Health Department and construction is due to begin soon. In addition the NTPA has ordered some \$70,000 worth of additional equipment for condensing and powdering milk and are preparing to get more equipment.

Hellman and two officials of the NTPA left Thursday on a trip to Wisconsin and Minnesota to buy the additional equipment and consult with manufacturers' engineers on the best methods of installation.

MHS Teams Take Double Header on Callisburg Court

Boys and girls of Muenster High School marked up their first basketball wins of the season Monday night at the expense of the Callisburg teams.

In the curtain raiser the girls steadily pulled ahead for a comfortable lead of 16-4 at the half and coasted in for a final tally of 23-17 in spite of the Callisburg rally which narrowed the margin considerably in the last stanza. Practically prevented from taking crisp shots and follow-ups the host team got the range of the basket and looped a fair percentage of long shots.

Rita Cain led Muenster's scoring with 9. Louise Butler accounted for 8 and Margaret Myrick scored the other 6.

The boys game turned out to be a thriller. After trailing at half time the Hornets hit their stride in the third quarter and evened the count about midway in the period. Then the lead changed several times before the late minutes when Muenster pulled ahead for a 48-40 victory.

Next games on the MHS schedule are Callisburg here Thursday night, Saint Jo there Monday night and Collinsville there next Thursday.

SCHEDULE OF COMING EVENTS

- THURSDAY, Dec. 3, MHS vs Callisburg, here.
- MONDAY, Dec. 7, Adult Home-making class meets, 7:30.
- MONDAY, Dec. 7, MHS vs Saint Jo, there.
- MONDAY, Dec. 7, VFW Auxiliary meeting, VFW Hall, 8 p.m.
- THURSDAY, Dec. 10, MHS vs Collinsville, there.
- THURSDAY, Dec. 10, Quarterly NCCW meeting and luncheon, in Denton, beginning at 10 a.m.

tion in Maine and the Red River Valley. Growers and sellers rate them of good quality, ideally suited for home storage.

Pecans are being harvested in Georgia and Alabama, both native and paper shell varieties, and the prices are right. The Texas crop is light, however, and the paper shells are scarce which might be reflected in the price tag.

A lot of onions are going to market from the major eastern producing areas. This year's crop is expected to be the third largest on record. Texas grapefruit is coming again from the Rio Grande Valley—about one million boxes of it—and a total of 44.4 million boxes will be offered for sale this season.

Winter pear supplies are above the average for the past five years and should rate a special spot in your meal planning and

holiday fruit bowls. Record levels of dairy products are available for Christmas baking needs.

Supplies of grass-fed cattle are tapering off this month but intermediate and lower grade beef will be plentiful. Economy cuts of beef are worthy of attention from the penny-wise housewife, and so are the many available varieties of frozen fish.

This year's crop of honey is excellent and abundant. Texas cabbage shouldn't be overlooked in bargain hunting, either.

December Food List Shows Abundance Of Holiday Items

By JOHN C. WHITE
Commissioner of Agriculture
The December "plentiful foods" list released recently by the U. S. Department of Agriculture gives us a sneak preview of how the holiday dinner table may look.

Pecans and raisins for that fruit cake, peanuts for a side-dish appetizer and fresh fruits such as grapefruit and winter pears are available in abundance at reasonable prices. The meat course can be supplemented by potato dishes from one of the biggest crops in the past three years.

For that pre-holiday food fare, the popular year-around favorites of beef, frozen fish and dairy products are selling at comparatively low prices. And dinner preparations will be aided by a number of food fats and oils which are plentiful and cheap right now.

Potatoes head the supply list due to unusually large produc-

Celebration Marks 25th Anniversary of Tony Felderhoffs

Surrounded by family members, Mr. and Mrs. Tony Felderhoff observed their silver wedding anniversary Friday with an all-day celebration that began with an anniversary mass in Sacred Heart church at 8 o'clock.

The Most Rev. Bishop A. Dangelmayr of Dallas, brother of Mrs. Felderhoff, officiated at the mass for which the honor couple's son, Charles, and a nephew, Billy Joe Dangelmayr, served. After the mass Bishop Dangelmayr directed the renewal of the couple's wedding vows while the new church bells chimed the hymn "Our Lady of Fatima".

The social observance of the day included breakfast, an afternoon reception and a buffet supper.

Breakfast was served in the home of the couple's son-in-law and daughter, Mr. and Mrs. Alvin Hartman, to members of the family including the A. J. Felderhoffs of Gainesville, Bishop Dangelmayr, Father Patrick and Father Christopher, and Joe Dangelmayr, who was best man at his sister's wedding 25 years ago. The maid of honor at that time was the groom's sister, Miss Rose Felderhoff, now Sister Mildred, a member of the Benedictine Sisters of Jonesboro, Ark.

At four o'clock Mr. and Mrs. Felderhoff received guests in their home for an informal reception followed by a buffet supper. Their daughter, Miss Theresa Mae, registered 50 guests.

Present from out of town in addition to Bishop Dangelmayr and the A. J. Felderhoffs were the couple's son, Joseph Felderhoff, a student at St. John's Seminary in San Antonio, Mr. Felderhoff's brother, Rev. Henry Felderhoff of Denison, accompanied by Father John Chestnut and Father Martin, also of Denison, and Mr. and Mrs. Albert Kubis of Lindsay.

The Felderhoff home was adorned with chrysanthemums and autumn leaves; and the refreshment table held a decorated cake. Mrs. Felderhoff attended the celebration in a gray dress with brown accessories and a corsage of orchid mums tied with a silver ribbon. Mr. Felderhoff and Joe Dangelmayr had matching boutonnieres.

Sunday Mr. and Mrs. Felderhoff left by car to take Joseph back to San Antonio and from there continued on a second honeymoon to the Rio Grande Valley.

Mrs. Felderhoff is the former Miss Theresa Dangelmayr. The couple has five children, A. J., Mrs. Alvin Hartman, Joseph, Miss Theresa Mae and Charles. They also have one grandchild, Anthony Joseph Felderhoff.

Florence Walter and Barry Blevins Wed Thanksgiving Day

Miss Florence Walter and Barry E. Blevins exchanged marriage vows on Thanksgiving afternoon in St. Mary's church, Gainesville, with Rev. Herman Redder, pastor, officiating at the double ring ceremony and nuptial mass. The bride's brothers, Johnny and Jimmy Walter, served as acolytes.

The bride is the daughter of Mr. and Mrs. Joe Walter of Gainesville formerly of Muenster, and the granddaughter of Mr. and Mrs. John Walter of this city. The groom is the son of the late Mr. and Mrs. B. E. Blevins and the grandson of Mrs. Bittie Blevins of Highland, Kansas.

Autumn flowers and foliage in shades of gold and rust with green and purple colored lighting furnished the background for the wedding.

The bride was given in marriage by her father. She wore an imported chantilly lace and tulle gown over silk satin. The moulded basque bodice of lace was re-embroidered with sequins and seed pearls and the wide skirt, pleated tiers of tulle with panels of lace forming an over-skirt, extended into a fan-shaped chapel train. Her veil of illusion was caught to a half hat and her bouquet was of white roses.

Miss Mary Joe Walter was her sister's maid of honor wearing an aqua taffeta dress, and Miss Rita Walter, another sister, and Miss Marion Kuhlman of Fredericksburg, in rust and gold, respectively were bridesmaids. Their bouffant frocks, identically designed, were waltz length; their hats matched their dresses and they carried arm bouquets of chrysanthemums.

Earl Black of Oklahoma City was best man and Nolan Blevins and Rudy Dieter were groomsmen.

A turkey dinner in the Lindsay hall followed the wedding. The bride's parents were hosts and Mrs. Lee Wolf registered 150 guests.

After a wedding trip to Kansas the couple will live in Gainesville where he is employed with Shell Oil company. He is a veteran of world war II with duty in the Pacific theatre. Mrs. Blevins graduated from St. Mary's high school and attended Our Lady of Lake College in San Antonio.

The American Way

COUNTER-STRIKE
 By George Peck

The good citizens (also some bad and indifferent) of New York City and surrounding territory have just had a sample of how arrogant and ruthless a badly managed labor union can be, and they didn't like the sample. I refer to the period of over a week during which the AFL International Brotherhood of Teamsters turned off the milk supply.

William P. Downey, Editor and Publisher of The Farmington Valley Herald of Collinsville, Conn., has a habit of calling a spade a spade, and he has described this

highhanded piece of business most aptly. Said Bill in an editorial entitled Legalized Stick-Up:

"The disgraceful example of grown men dumping nourishing milk into the gutters while children throughout metropolitan New York went without, should illustrate just how ruthless are some union strategists, and how completely distorted is the thinking of some union members who certainly must be a minority.

"No perversion of logic can possibly justify the methods employed in the New York strike.

"In effect, guns were thrust into the bellies of every man, woman and child who is a milk consumer in New York, and the AFL International Brotherhood of Teamsters exhibited all the compassion and human kindness of gangsters in forcing their demands.

"The \$8.50 weekly pay increases will bring some of the men whose activities are limited to jockeying milk trucks up to more than \$130 per week, and other benefits, including \$5000 free life insurance, add up to an undeniable conclusion that the city-wide stickup was not only profitable, but condoned by John Law. . . ."

As usual the consuming public is the big loser. In order to meet these increased wages forced upon them, the milk dealers have jacked up the price of milk one cent a quart. The milk dealers gain nothing and the milk producers are getting no more for their milk. The already-too-large spread between what the farmer gets for his product and what the housewife has to pay for her milk has been widened.

Also, there seems to be serious doubt that the milk drivers have really won anything. What certain Union Leaders do not seem to realize is that you can kill the goose that lays the golden eggs; that sooner or later, it is inevitable the general public will become so incensed at being pushed around it will rise in righteous indignation, demand and get legislation that will put unions in a straitjacket.

Already in the wake of the New York milk strike there are evidences that the drivers may have won a hollow victory, that thousands of them may soon be looking for other jobs. Apropos of this, let me quote a letter received from an irate New York housewife and mother:

"On the day the milk drivers returned to work I was lying in wait for our friend (?) who delivers the milk to our apartment house. It gave me a great deal of satisfaction to tell him that as far as I was concerned he was still on strike; that he need deliver no

Christ Is Coming Back To Christmas

By Joseph A. Kneeland

A COMMITTEE of women in Milwaukee decided in 1949 to find room for Christ in their city at Christmas.

With the motto, "Put Christ Back Into Christmas", they gained room for Him in store windows, on billboards, hotel marquees, electric signs, on radio and television — and by Christmas Day, they had made room for Him in the minds and hearts of thousands of Milwaukeeans.

This year, "Put Christ Back Into Christmas" will be seen and heard in hundreds of cities and towns throughout America. For Christian groups are countering the commercialization that is all but smothering the spiritual significance of the birth of our Lord, Jesus Christ.

THE MOVEMENT BEGAN when a pastor read of the experience of a teacher. She had asked her thirty-two pupils to raise their hands if their parents had taken them to see Santa Claus. All waved their hands. Then she asked how many were taken to see Christ in the Crib. Only three responded.

At the pastor's request a group of merchants decided against erecting their annual candle display. Instead, they built a large crib scene. Industrialists, transport company officials, and cab drivers pitched in to put display cards where every shopper and passer-by would see them.

The cards pictured the Christ Child in a manger, surrounded by the Blessed Virgin, St. Joseph, and two adoring angels. On the cards was the simple message, "Put Christ Back Into Christmas." The cards and the space for them were donated by businessmen.

SOON CHILDREN were asking their parents to tell them the meaning of the posters. Cribs were found, too, in many homes that had never known them before. Persons of all religions lent moral support. By Christmas Day, there was scarcely a person in Milwaukee who had not been reminded many times of the true significance of Christmas.

Today, the Milwaukee Christian Mothers Service, sponsors of the movement, report that the movement has taken on national prominence. It is public opinion that is taking the X out of X-mas and putting Christ into Christmas: public opinion — backed by a well-conceived plan and prayers.

more milk to my apartment, that from now on I will lug it cheerfully and willingly from the grocery store. (Incidentally, I'll save 2 or 3c on every quart.)

"This fellow who was making well in excess of \$100.00 a week left my three growing children without milk for over a week. I'll never forgive him for that, the stinker. Please pardon that unladylike word, but it aptly describes him.

"Several of the other tenants in our building have also cut him adrift and I understand that milk

drivers all over the New York area are being fired by their customers.

"Well, it serves them right. They just can't treat our children that way and get away with it. Now, if you timid men will only back us up, we'll put these union goons in their proper place. . . ."

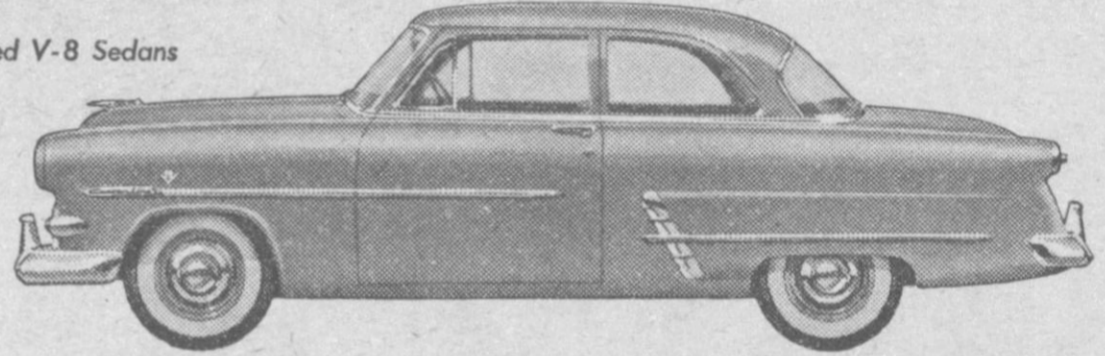

Yes, the AFL International Brotherhood of Teamsters may well have won an \$8.50 weekly pay increase for a lot of fellows who will shortly be on unemployment insurance and haunting the employment agencies. And this

counter-strike of the New York housewives might well be the spark to set off a women's country-wide revolt against the union racketeers who are really responsible for the high prices they are paying for food and other essentials.

He who never changes his opinions never corrects his mistakes.

Ford Tudor—America's lowest-priced V-8 Sedans

Check the other V-8's and you'll discover Ford's Tudor sedans and business coupes are the lowest-priced of all! Like all this year's Fords, they bring you the smoothest going ever. They give you a ride that's a wonder on any kind of road.

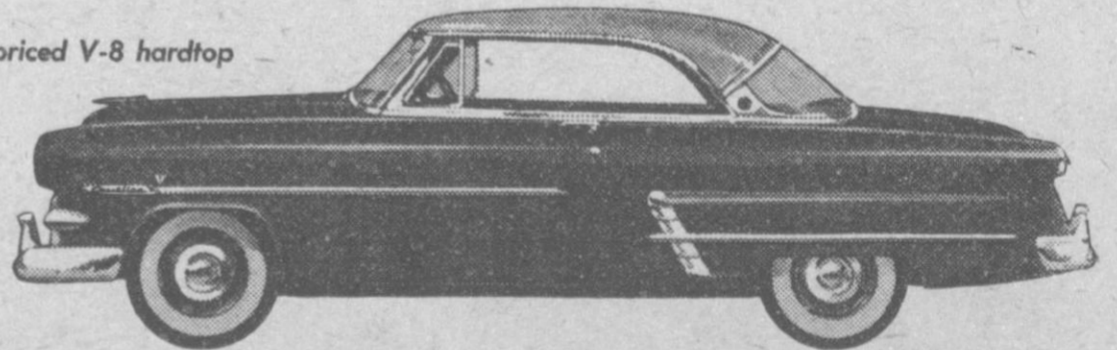

Here are America's lowest-priced V-8's...

and they're all worth more when you buy them, worth more when you sell them!

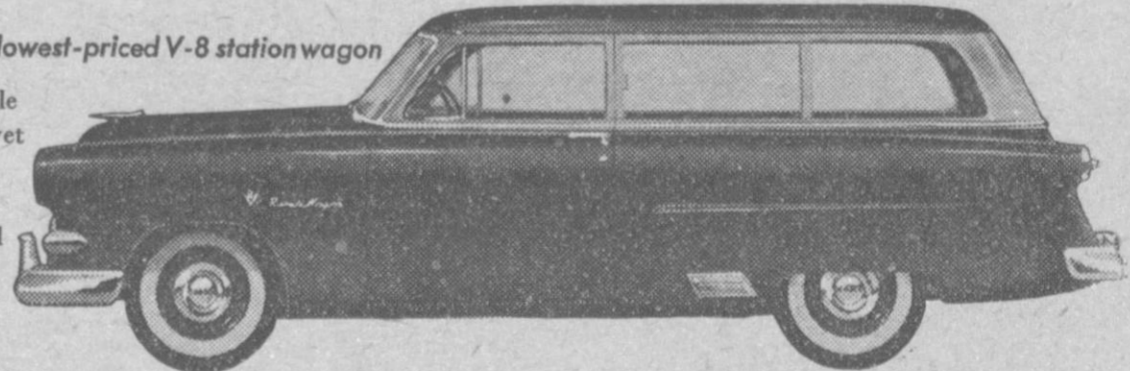

Ford Victoria—America's lowest-priced V-8 hardtop

Meet America's "Best Dressed" Car, the Ford Victoria. Its Crestmark body is hultlight. And under its baked enamel finish is the only V-8 in the low-price field. Teamed with Ford's Automatic Power Pilot, it gives you 110-h.p. high-compression GO on "regular."

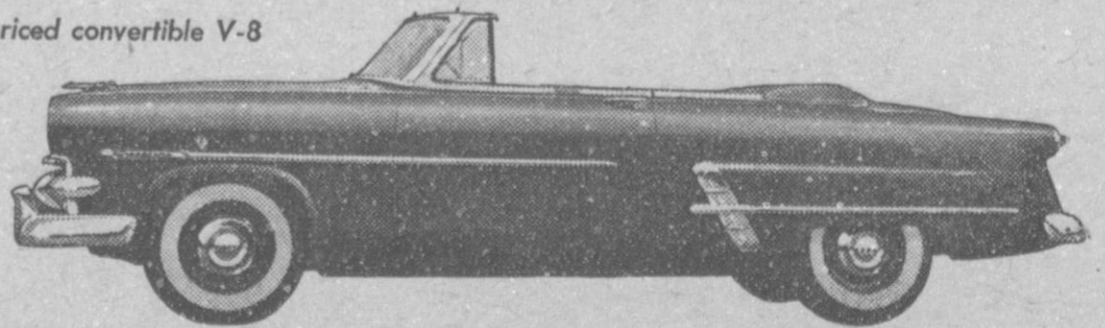

Ford Ranch Wagon—America's lowest-priced V-8 station wagon

The 2-door Ranch Wagon is also available with Ford's Six. It's six passengers big, yet converts to a cargo hauler in seconds . . . with 6½ feet to the end of the tailgate. Ford also offers the 4-door all-metal Country Sedan and the wood-trimmed Country Squire. Both are V-8 powered.

Ford Sunliner—America's lowest-priced convertible V-8

More people drive Ford convertibles than any other make. Its V-8 engine is the same type of engine as in America's costliest cars. You can have it with Fordomatic, Overdrive or Conventional Drive. Also you can have Ford Master-Guide power steering.

Ford Master-Guide, Fordomatic and Overdrive optional at extra cost.

Ford is the only V-8 in the low-price field.

Mr. and Mrs. C. F. Gobble and son, Larry, spent Thanksgiving and the weekend in Altamont, Kansas, with his mother. On Monday, his only brother, Earl Gobble, surprised them with a visit, remaining here through Thursday. He had been in California to visit relatives and was enroute to his home in Maysville, Mo.

Mrs. Edna Weed of Coleman spent the holiday and weekend here with her daughter, Mrs. John Williamson and family. Mrs. Weed is home demonstration agent for Coleman county.

The Earl Swingers are now making their home in Beaumont after living in Florida. Bud called his parents, the Joe Swingers, this week to tell them of his transfer.

Mr. and Mrs. Steve Moster, Miss Olivia Stock, Mrs. Tony Gremminger and Mrs. Frank Yosten were in Gainesville Tuesday night to visit the Evening Garden Club's flower show held in the community building. Theme of the show was 'Twas the Night Before Christmas.

The Charlie Claytons and the E. S. Lawsons entertained the Junior Sunday School class and the Junior Training Union of the First Baptist church with a skating party Monday. After skating the young people were served refreshments by the hosts.

Mr. and Mrs. Al Walter had as weekend guests their children, Miss Jeanette, a student nurse in Dallas, and Virgil of A&M College. They both arrived Friday and Jeanette remained until Tuesday morning. Virgil returned to Bryan Sunday.

Mrs. J. S. Russell of Myra had a wonderful surprise on Thanksgiving—a letter from her only brother, L. R. Corlew from whom she hadn't heard a word in 16 years. Corlew, now 72 years old, lives in Independence, Mo.

Mr. and Mrs. Tony Walterscheid and son, Gerald, returned Tuesday from a visit at Fort Bliss, El Paso, with their son and brother, Pvt. Emmett Walterscheid. After a tour of the camp Friday they were joined by Emmett, who had Saturday and Sunday off to visit with them, on a trip into Old Mexico and sight-seeing in New Mexico. After another visit at camp the Walterscheids and Gerald made a tour of Carlsbad Caverns on Monday. Emmett was back on duty and couldn't make this tour with them.

Mr. and Mrs. Carl Herr of Pilot Point were Thanksgiving Day guests of his mother, Mrs. Fred Herr Sr., and other relatives.

Mrs. Mary Kappas and son, Peter, of Wichita Falls, visited her mother, Mrs. Barney Voth, Saturday and Sunday.

Mrs. Herman Fette and children, Tim, Kay and Linda, joined by her father, J. F. Brown of Gainesville, drove to Vernon Sunday for a visit with their sister and daughter, Mrs. Jake Stewart and family.

Mr. and Mrs. J. W. Fletcher spent Sunday in Mineral Wells with their son and family, the Jack Fetchers, in whose home other members of the family gathered for a reunion, since they will be unable to get together during the Christmas holidays. Also there were the Wm. Terrells and children Toni and Terry of Lubbock, and the Jack Reeds and daughter, Jan, of Fort Worth. Mrs. F. M. Shiflet who lives here with her daughter, Mrs. Fletcher, didn't feel up to making the long trip so she spent the day in Saint Jo with her granddaughter, Mrs. Louis Reeves and family.

ENDS THREE MONTH VISIT
Mrs. Callie Baumhardt is back at home after a three months' visit with her children and other family members. In DeVol, Okla., she was the guest of a daughter, Mrs. Frank McClendon; in Amarillo she visited her son, Ralph; in Portalis, N. M., she visited her brother, John Hellman, and then went to Phoenix, Ariz., to spend a month with her sister, Mrs. R. D. Sullivan. After that she was in Tucson, Arizona, as the guest of Mrs. Frank Himmels, then in Sheffield, Texas, with her daughter, Mrs. E. A. McCreary and in Big Spring with her son, Rolland Baumhardt.

YULE GIFT WRAPPING IS TOPIC AT CLUB MEETING

The Marysville Home Demonstration Club met Thursday with Mrs. Jack Biffle as hostess in her home, and "Gift Wrapping" as the topic for the program.

Members answered roll call by giving a gift wrapping idea and displaying a wrapped Christmas gift from their pantries.

President Mrs. Earl Robison conducted the business session during which hostess dates for the new year were drawn by members, and plans were made for the club's annual Christmas party. It was decided to have the party at the club building on Dec. 11 beginning at 2 p.m. The program and marketing chairman will arrange the afternoon's entertainment and refreshments.

Mrs. Robison and Mrs. Rafe McElreath were in charge of the demonstration on gift wrapping for Christmas and Mrs. McElreath gave her special Christmas cookie recipe to members.

Members were reminded of the county council's Yule party on Dec. 8. All club members are invited.

During the recreational hour Mrs. John Richey directed games and Mrs. W. B. Whitt won the prize.

After adjournment the hostess served apple and pumpkin pies, mints, coffee and hot chocolate to 12 members and one guest, Mrs. W. O. Grant of Alta Loma, Texas.

In his snug little parlor the old Scottish clergyman was pointing out to a little company of his parishioners and manifest virtue of industry and application as opposed to mere cleverness.

"Now ye tak' the McNab brithers, for instance," he explained. "Jock was a clever, handsome lad. Harry was a fine ploddin' worker. The clever lad was left behind in the race for life; he is still poor. The worker was able to leave his widow over 60,000 pounds."

and then the minister's matter-of-fact wife spoiled it all by observing dryly, "Aye, thats true. And I heard yesterday that the bright lad is goin' to marry the widow."

"The coffee's terrible but it's the only restaurant in town"

Muddy coffee. Soggy toast. Indigestible food. Bad luck for the hungry salesman who stops in that town for a bite to eat. The missing ingredient is "competition."

Funny how that word has a way of stirring up activity.

People who manufacture things, for example, prickly all over when they think about competition. They sit up evenings fretting about it, and spend millions to improve their products. The result, of course, is high quality at lowest possible cost. And the winner of a contest like that has to be the public.

People are tempted sometimes to wonder what life would be like without competition. For a clue, they might note the shabby fall in living standards in countries where clumsy fingers of state monopoly have strangled competition.

Over 3,000 manufacturing firms in America share in the electrical business. We can name offhand 20 sizable firms that compete at giving the public better refrigerators. There are more than 200 rivals in the making of electric motors. At least 37 in electric irons; 53 in home freezers; 25 turn out vacuum cleaners. And so on down the list.

Some companies competing with General Electric today actually sprang up from the seeds of General Electric research. New products have invited new companies. In certain cases, whole new industries. And more will come.

The competitive race just never ends. That sounds tiring for the contestants, but in fact it is healthy exercise. Healthy for the country, too. At General Electric we wouldn't have it any other way.

You can put your confidence in—

A man was approached by a tramp on the street, who asked him for a dollar.

"If I give you a dollar," replied the man, "you'll only gamble it away."

"Oh, no," said the tramp, "I do not gamble."

"Well, then, you will spend it on some woman," replied the man.

"Absolutely not," insisted the tramp. "I never associate with women."

"Then you will spend it on whiskey," said the man.

"Never drink," said the tramp. "Tell you what I'll do," beamed the man. "I'll give you five dollars if you will come home with me and show my wife what happens to a man who has no vices."

Soil Conservation Notes

Improvement of pasture lands is one of the high ambitions of cooperators of the Upper Elm-Red Soil Conservation district, and one of the best means of improving poor stands of grass is overseeding them with a legume such as vetch and winter growing clovers. When properly managed the legumes furnish extra grazing and return nitrogen that they have taken out of the air to soil where it is made available to the grass. With this in mind Richard Growing seeded 75 acres of old field areas to vetch on his farm north of Muenster, and Charlie Harris seeded more than 70 acres of needle grass to vetch.

Along with legumes, mechanical practices are sometimes necessary when erosion has gone too far and gullies have already formed. On the Wilson Bros. farm west of Muenster, operated by Herman and Walter Eberhart, a half mile of large diversion terraces were constructed this week to divert the water from a severely eroded area to a more stable outlet. Now that the cutting force of the water has been greatly reduced the eroded area can be overseeded to legumes to improve the bare soil and to give grass a chance to come back and heal the scars of erosion.

On his pasture in the old army camp area northeast of Muenster, Tony Trubenbach is working up to a system by which he can rotate his grazing. Last week he constructed a pond on the north side of the pasture so that after the cross fence is put in this winter he will have water in both pastures. He is also a firm believer in sweet clover and will overseed the old field areas on these pastures to clover next spring.

Tony Felderhoff has constructed a pond on his farm a half mile north of Muenster. Cooperators of the district are also hard at work protecting their cultivated areas. J. W. Fleitman has a five acre waterway prepared for planting to Indian Grass. This grass is the highest forage producer and one of the most palatable of our native grasses. The waterway area will be used as a hay meadow in addition to serving as a safe outlet for terrace water.

S. H. Hilburn has 160 acres of vetch up to a good stand in his small grain on the Andress and Fette ranches north of Muenster. Tony Wimmer has nine acres of winter peas that are doing good. S. W. Roach of Saint Jo planted 25 acres of bottomland to alfalfa, and Levi Busby, also of Saint Jo, has 10 acres of vetch and oats.

The Harold Cookes and children, Nancy Dean and Donny, of Fort Worth spent the recent holidays here with his parents, the Don C. Cookes.

Johnie Wilson Wins Trip to A-C Plants

Johnie Wilson of Gainesville is one of more than 300 who will be guests of the Allis Chalmers Manufacturing Company on an all-expense tour starting Dec. 7 in Springfield, Ill., where one of the company's plants is located.

Wilson was one of the winners among Allis Chalmers dealers throughout the United States and Canada in the company's Factory Tour Sales Contest which ran for 20 weeks. He will leave Dallas Saturday with blockmen and other dealers of Texas.

After seeing the Springfield Works and Springfield on Monday the group will board a special train which will visit other A-C plants at LaPorte, Ind., LaCrosse, Wis., and Milwaukee. The train will be their temporary headquarters as they travel while sleeping and visit factories and other spots of interest during the day.

If all the misfortunes of mankind were cast into a public stock, in order to be equally distributed among the whole species, those who now think themselves the most unhappy would prefer the share they are already possessed of.

Mr. and Mrs. Bomar Woods and sons, Don and Lonnie Ray, of Paris spent Sunday here with her mother, Mrs. John Bezner.

Miss Viola Bezner of Fort Worth was here for Thanksgiving and the weekend visiting her parents, the Jake Bezners.

Raymond Hermes of the Navy is on leave visiting his parents, Mr. and Mrs. Ben Hermes. He is stationed at San Diego.

Mrs. Robert Young and son, Jimmy, of Dallas, came to Lind-

say Tuesday to spend the day with her mother, Mrs. Joe Bezner.

A remodeling program is underway at the Joe Hermes home and two rooms are being added.

Jake Bezner and Paul Arendt were among those attending the jubilee ceremonies at Subiaco, Ark., on Thanksgiving Day.

Miss Frances Spaeth of Dallas has returned to her position in that city after a week's vacation with her mother, Mrs. George Spaeth and family. Frances took her vacation so she could spend Thanksgiving with family members. Joined by Mrs. Spaeth and the Henry Spaeths and family she drove to Henrietta for a visit with her brother and family, the Joe Spaeths. Also visiting there

were Mr. and Mrs. Walt Barry of Dallas who stopped for a visit enroute home after a deer hunt.

The Albert Bauers Jr. and baby left Friday to return to their home in LaFeria after a visit with her parents, the Paul Arendts and other relatives.

Hubert Bezner of Tyler visited his mother, Mrs. Joe Bezner during the holiday weekend and on Saturday afternoon went to Muenster to visit relatives and friends.

Father Conrad spent Thanksgiving Day in Subiaco attending the jubilee celebrations. The Thanksgiving Day mass at St. Peter's church was said by Father Christopher Paladino of Muenster. After mass, Mrs. Jake Bezner served breakfast to Father Christopher and his guests, his parents and a sister from Arkansas.

Tuesday to spend a few days of practice with his team mates before the game.

For additional practice he went to Boys Ranch Friday night to play against a Dallas team. When the visitors failed to show up Teague divided his squad into two scrimmage teams and Howard stole the show by scoring five touchdowns.

Mrs. Henry Thoele and daughter, Maxine, of Wichita Falls spent Tuesday here with relatives.

Michael Neu at 4-H Congress in Chicago

Michael Neu, state winner in the 4-H tractor maintenance contest, represented Cooke county at the annual 4-H Congress in Chicago Nov. 29-Dec. 3. Like all Texas boys going on the trip, he wore western wear including a Texas hat and cowboy boots which were among his awards for placing in state competition. His trip was awarded by Standard Oil and Gas Company, sponsors of the tractor maintenance program.

Michael, son of Mr. and Mrs. Ted Neu, Rt. 1, Gainesville, is 15 years of age, and in the upper half of his junior class in high school. He has been in 4-H Club work six years, and has served as a junior leader all six of his years in the program. Michael served as an officer of his group for four years, and as president for three years, during which time he has made 54 talks to 4-H Club groups. He has worked on tractor maintenance for six years and has given three demonstrations. On his 188 acre farm he has earned \$7,021.67 from 4-H Club projects.

Michael Neu has been winning ribbons in soil conservation, dairying, and feeding since he was 10 years old. The county agent says of him, "He has accomplished more in the past six years than any other person in the county."

Anniversary Dinner

Mr. and Mrs. Bill Kathman entertained in their home Sunday with a dinner party at noon honoring their son-in-law and daughter, Mr. and Mrs. W. E. Insel of Gainesville on their sixth wedding anniversary. The table held a decorated cake and places were laid for the honorees, their daughters, Sandra Kay, Cynthia Ann and Linda Sue, Mr. and Mrs. Stan Wylie and son, George, of Sanger, and the hosts.

Thanksgiving dinner guests in the Gene Gieb home were the H. L. Herrons and Clara and Henriette of Denison, Mr. and Mrs. Jerry Pels of Pilot Point, the Bernard Giebs and family of Lindsay and Byron Black of Perrin AFB.

but any other union bearing the blemish of communist influence. With such leaders as Sheppard on the job Texas is assured that red connections will be exposed. And with a cooperative public assisting such leaders the decent members of the unions concerned will soon become interested in eliminating their scum.

To us across the state and several hundred miles away that battle of Port Arthur may seem too remote to cause any concern. But it is our fight, nevertheless. For one reason the name is so comprehensive that it could come to include the majority of workers in the state . . . and who can bear the thought of millions of Texans under communist leadership, cooperating, whether knowingly or not, in carrying out Moscow's plans? Another reason is that the DPOWA's objective is to get control in all areas that are concerned in any way with the oil industry. That's the pattern it has followed everywhere, and that puts this area on its list. If allowed to go on it would eventually spread its poison in our community. Even if we had no oil, the thought is terrifying. Imagine communists in a position to wreck our oil activity in case of trouble with Russia.

Another thought is worth our consideration. Reds have already spread their influence much too far in our nation. Why not make this the turning point of their war? Texas has an opportunity not only to stop them cold but also to start a counter attack which would cripple communism all over the country, perhaps wipe it out altogether.

Blessed Events

Mr. and Mrs. Larry Yosten announce the arrival of a daughter at the Muenster Clinic on Wednesday, Dec. 2, at 11:55 p.m. The seven pound four ounce girl has a brother and three sisters. Her grandparents are Mrs. Lena Arend of Lindsay and Mrs. Bob Yosten.

Mr. and Mrs. Norbert Hoedebeck are the parents of a daughter, weight eight pounds four ounces, born at M&S Hospital in Gainesville on Saturday, Nov. 28. They have four other children, two boys and two girls. The grandparents are Mr. and Mrs. A. J. Prescher of Scotland and Mr. and Mrs. Fred Hoedebeck.

Mr. and Mrs. R. P.
