

### Celebration Marks 25th Anniversary of Al Walterscheids

Mr. and Mrs. Al Walterscheid observed their 25th wedding anniversary on Thursday, Aug. 26, with a reunion of family and friends in the Lindsay Hall.

Some 70 guests joined the silver-weds at 7 p.m. for the celebration which featured a banquet menu served buffet style—loads of fried chicken and a long list of other delicious food—and a large decorated three-tier wedding cake which the honor couple cut to end the feast.

After the meal there was dancing with Mr. and Mrs. Walter-

scheid leading the grand march and then doing a waltz, beautifully, while everyone cheered best wishes. Norma Jean and Sonny Walterscheid played.

Mrs. Walterscheid wore a navy blue flock dotted nylon dress and had a white carnation corsage tied with silver ribbon. Her husband had a white carnation boutonniere.

Their attendants 25 years ago were her brother, Joe Loerwald of Gainesville and Al's sister Ida, Mrs. Meinrad Hesse. They were there with carnation boutonniere and corsage.

During the evening the honorees opened and displayed a shower of lovely and practical gifts.

Mrs. Walterscheid is the former Miss Catherine Loerwald of Lindsay where the couple was married on Aug. 26, 1929. They have lived all of their married life in Muenster.

They have four children, Mrs. Ed Schneider, Mrs. Donald Endres, William, Carl and Mary, all of Muenster, and there are three grandchildren, Donny and Johnny Schneider and Donna Kay Endres.

Mr. and Mrs. Frank Walterscheid and sons Larry and Alvin came from Hereford to attend the celebration. Other guests were from Muenster, Lindsay and Gainesville.

### John Bayer - - -

ago when he moved to town to live in a new home he had built on Main Street, south of Sacred Heart church.

He was married to Miss Apollonia Fisher here on Sept. 4, 1894. She died in 1932.

After his wife's death Mr. Bayer lived alone. He was active around his home, tended a garden, lawn and shrubbery and drove his own car.

Last July more than 100 family members gathered here to help him celebrate his birthday.

He was an active churchman throughout his life encouraging, assisting and financially supporting all parish undertakings. He was equally interested in community activity and progress.

Of a friendly, good-humored nature, and knowing almost everyone in the community, he enjoyed a wide friendship with oldsters and youngsters alike.

He had a retentive memory and clearly recalled early community history, much of which he helped make. He saw two parish churches destroyed by storms and a third one razed and replaced by the present magnificent Sacred Heart church. He could relate of pioneer hardships, crop failures and storms and would tell about the courage and determination of the founding fathers and the early day settlers.

For three and a half years in the late 1800's he hauled freight, with a double team and wagon, between Muenster and Gainesville. In later life he marvelled at modern highways, reminiscing of his time when mud was hub-deep between here and the county seat.

He is survived by five sons and two daughters: Frank, George, Martin and Johnny Bayer, Mrs. Victor Hartman and Mrs. Norbert Klement, all of Muenster and Al Bayer of Gainesville; 50 grandchildren; 16 great-grandchildren; a sister Mrs. Theresia Neuberger of Council Bluff, and three brothers George, Frank and Adam Bayer of Willey. Frank Bayer has been here for the past three weeks at his brother's bedside.

### Indonesian Official

explained that increasing population is forcing his country to work toward the conservation and improvement of its land. While food requirements were small and a small percentage of the land was in cultivation soil problems were few. Farmers customarily worked a few acres for one year and moved over to the next site. Before a field had much chance to deteriorate it was returned to nature's care for several years. At the same time most of the country, covered by woods and other vegetation, absorbed more water and retarded drainage so that erosion problems were not serious. But now that more and more land is taken from nature's protection, soil problems are beginning to show up.

He said officials of his government tried to cope with problems by studying American conservation literature, but found too many expressions that were meaningless to them. Such as waterway, strip cropping, detention reservoirs. How do they look and how do they work? Somebody should go and find out. So here he is.

The small, dark complexioned Indonesian native with graying temples said his country has a big education job ahead before it can begin showing progress in conservation. The majority of farmers there are illiterate and do not take readily to changes from their ancient methods. At the same time the government plays a lone hand in encouraging conservation. It gets no help from business and professional people who, unlike us Americans, seem unaware that their own continued success depends on helping preserve the productivity of the soil. He was interested to learn that the widespread organization of non farmers in the interest of conservation, which he has observed elsewhere in Texas, originated in Muenster a few years ago.

Ponto accompanied SCS personnel on a tour of the Muenster area. He saw the worst effects of erosion, such as he hopes to avoid in his country, and some splendid conservation practices, which he hopes to introduce.

## TIRE SALE

and free Seegars with every tire  
(peanuts for the lady customers)

The Seegars (bought, purchased and paid for locally) are for that big (8 lb. 1 oz.) red faced, hollering baby boy that June (that's Miz Rawley) found over at the hospital last Sunday morning. We're mighty proud and so will be the Director of Internal Revenue. This makes us a pair of each now, and I'm just beginning to realize how close "two pair" comes to making a "full house".

Now I'll tell you why we decided to put on this big tire sale. About three o'clock Sunday morning making a very fast trip of utmost necessity I began to think about that questionable right-rear tire (Firestone of course but getting a little thin) and folks I'll tell you, there are times when you just CAN'T be having tire trouble. So I want to give everyone a good chance to come in and replace those "questionable" tires right now at some pretty good prices before you get into one of those kind of situations where you just CAN'T be having any tire trouble—I'm going to be the first customer.

We'll just save you the time and trouble of arguing us down and give you our best prices right here.

**Ervin Walterscheid, Mildred Boerner Say Vows Saturday A.M.**

Miss Mildred Boerner and Richard Ervin Walterscheid exchanged marriage vows Saturday morning in St. Thomas church at Pilot Point with Rev. John Untereiner officiating at the nuptial mass and performing the double ring ceremony, at 8:30.

The bride is the daughter of Mr. and Mrs. Raymond Boerner of Pilot Point and the groom is the son of Mrs. C. M. Walterscheid of Muenster.

For her wedding the bride wore a white embroidered organdy dress over satin with a moulded bodice, full skirt and large bow at the back simulating a bustle effect, and a chapel length train.

Her fingertip length veil was attached to a satin half hat and she carried a colonial bouquet of white carnations. Her father gave her in marriage.

Mrs. Leonard Bindel of Dallas attended her sister as matron of honor wearing a blue lace and net dress over taffeta and carrying a colonial bouquet of pink carnations.

Miss Bernice Walterscheid, Muenster, and Miss Evelyn Pelzel, Dallas, bridesmaids, wore bouffant frocks of blue and pink lace and net over taffeta, respectively, with strapless bodices topped with tiny bolero jackets. Their flowers were corsages of carnations, the one pink, the other blue.

The three attendants wore mitts that matched their dresses and head pieces of net and flowers.

Little Monica Boerner in pink taffeta was flower girl for her sister, and Chris Walterscheid, nephew of the groom, in a white linen suit, was ring bearer.

The groom's brother, Tommy Walterscheid, was best man, and another brother, Donald Walterscheid, and Leonard Bindel were groomsmen.

St. Thomas church choir and organist presented the traditional wedding music.

Immediately after the services a coffee was held in St. Thomas parish luncheon room for wedding guests.

A five o'clock reception, followed by dinner and a wedding dance, was held in the Muenster parish hall for some 200 guests.

After the dance Mr. and Mrs. Walterscheid left by car on a short wedding trip. They'll make their home in Gainesville. For traveling the bride wore navy and white, her suit being a corde two-piece outfit.

She is a graduate of Pilot Point High with the class of 1949, attended business college in Dallas and the past four years was employed there as a secretary to a paint company.

Mr. Walterscheid attended Sacred Heart school and is employed here with G & T Drilling company.

Among out of town guests at the wedding were the bride's uncles and aunt, Mr. and Mrs. Bernard Riedel, Alois Riedel and Mrs. Frank Uhr all of San Antonio and Mr. and Mrs. Frank Walterscheid and sons Larry and Alvin of Hereford.

Other guests at the wedding included the couple's grandmothers, Mrs. Mike Kleiss of Muenster and Mrs. William Boerner of Pilot Point.

Mothers of the couple and the two grandmothers had white carnation corsages.

Mrs. John Schilling left Thursday to return to Houston after being in Muenster to visit her children since June 7. She spent the past two weeks with her daughter and son-in-law, the Tony Fleitmans, who became the parents of a daughter on Aug. 16. The seven and a half pound girl was born at Saint Jo Clinic and is named Theresa Marie. She has two sisters and a brother. Godparents at her baptism were Mr. and Mrs. J. W. Fleitman.

**Fisher - Rumelhart Rites Sunday Eve**

Miss Ruth Fisher, daughter of Mr. and Mrs. John Fisher, will become the bride of Naval Cadet Max Rumelhart during an evening mass at 5 o'clock in Sacred Heart church here next Sunday, Sept. 5. Parents of the prospective bridegroom are Mr. and Mrs. Al Rumelhart of Metaline, Wash.

Miss Jeanette Fisher of Fort Worth, sister of the bride, will be maid of honor and Mrs. Clyde Fisher, her sister-in-law, matron of honor. Misses Mary Rumelhart and Rosemary Fisher will be junior bridesmaids.

Eugene Rumelhart will be best man for his brother, and Jack Gilligan, Francis Fisher and Paul Rumelhart will be groomsmen.

Miss Fisher is a graduate of Sacred Heart High school and attended Our Lady of Victory College in Fort Worth. Mr. Rumelhart is a graduate of Metaline Falls High School and both are graduates of Gonzaga University in Spokane, Wash. He is based in Pensacola, Florida.

**BACK FROM VACATION TOUR**

Mr. and Mrs. Steve Moster and her parents, Mr. and Mrs. Frank Yosten, spent their annual vacation on a car trip to Colorado and New Mexico. They went sight-seeing around Colorado Springs, and Denver, visited Mother Cabrini's Shrine, stopped to see the Alex Knaufs who live about 10 miles from Colorado Springs where they also visited Sisters of St. Mary who maintain a motherhouse there, seeing several nuns they knew who were formerly at OLV in Fort Worth, and visited Rocky Mountain National Park.

In Santa Fe they visited the Indian Pueblos, saw the Miraculous Stairway and historic places of interest in the City of Enchantment.

After returning home the Mosters drove to Dallas one day to see Cinerama.

Mrs. Moster returned to her duties at the bank Monday.

**Marianne Luke and Alfred Kuhn Will Marry September 18**

Mr. and Mrs. Ben Luke have announced the engagement and approaching marriage of their daughter, Marianne, to Alfred Kuhn, son of Mr. and Mrs. Jake Kuhn of Lindsay.

The wedding date has been set for Saturday, September 18, and the nuptial mass will be held in Sacred Heart Church at 6 p.m.

The bride-to-be has selected her cousin, Miss Floradell Endres of Fort Worth, as maid of honor and Alfred's sister, Miss Alta Louise Kuhn, as bridesmaid.

Willard Kuhn will attend as best man and Marianne's brother, Dan Luke, will be groomsmen.

Miss Luke graduated from Sacred Heart High in 1951 and from St. Paul's Hospital School of Nursing in Dallas in August.

Mr. Kuhn graduated from Lindsay High and served two years in the army with the rank of second lieutenant. Since his discharge several weeks ago he is employed in Fort Worth.

## The American Way

TIME TO ACT  
 by DeWitt Emery

It's a well established fact that the only thing the Russian Government understands is force. High level talks, diplomatic conferences, agreements, treaties, mean nothing at all to them. A good example of this is the agreement the Russians made with President Roosevelt in November, 1933, when he forced our Government to recognize the Russian Government.

Recognition was based on certain definite promises made to our Government by the Russians. Among these were:

1) Direct assurance by the Russian Government to respect the policy of non-interference in the lives and affairs of the American people.

2) A pledge by the Russian Government to refrain from and to prevent all organizations or persons directly or indirectly under its control from agitation or propaganda within the United States or its territories.

3) A pledge by the Russian Government not to permit formation or residence within its jurisdiction of any organization or group revolutionary to the United States or to lend its support to such activity.

4) Reasonable assurance given by the Russian Government to the United States to secure freedom of conscience and religious liberty for American citizens living temporarily or permanently in Russian jurisdiction.

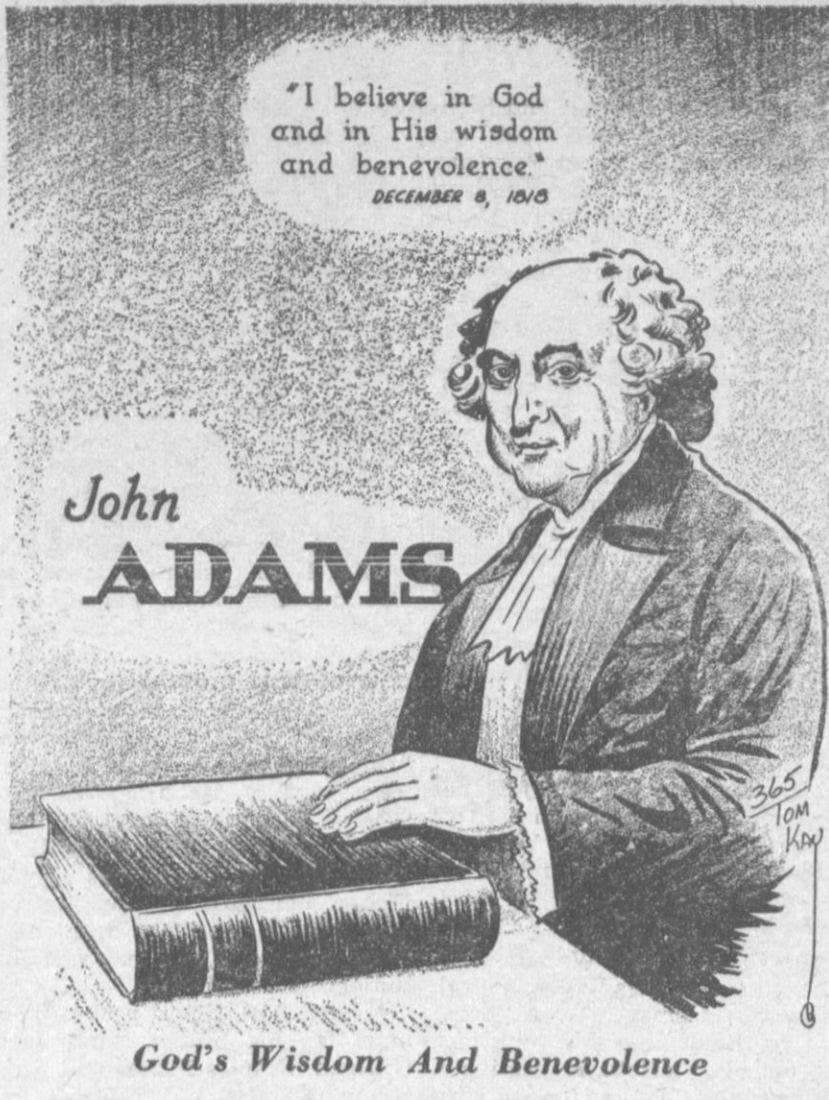

As soon as the recognition agreement was signed the Russians forgot all about it.

They never lived up to any phase of the agreement for even so much as five minutes.

Recognition by our Government gave them the prestige and the propaganda weapon they were seeking and they made capital out of it around the world.

They especially played up the fact that recognition by the United States showed that these two great nations believed capitalism and communism could get along all right side by side; therefore communism couldn't possibly be as bad as it was pictured.

This lulled a lot of people in many countries to sleep and while they slept, the Russian fifth column, aided by local collaborators took over.

The only way in which our Government can even begin to correct the great damage it has done to other countries around the world is by breaking diplomatic relations with the Russian Government. We would then kick all of the representatives of the Russian Government out of our country, which would immediately put a serious crimp in the subversive activities—spying, infiltrating, sabotage—the communists are now carrying on in this country.

It would also tell other governments that Uncle Sam is through being kicked around by the Russians.

A Resolution has been introduced in Congress by Senators Jenner and McCarran (S 247) to sever diplomatic relations with Russia. In my judgment, it is vitally important for this resolution to be passed. This, however, will be done only if there is an insistent, nationwide demand for its passage.

The demand unquestionably ex-

ists in the hearts of the American people but it must be made known. And that, my friend, puts it up to you. If you are fed up with this country being kicked around by Russia, tell your congressman and both of your senators that you want the Jenner-McCarran Resolution passed pronto.

Learn from the mistakes of others—you won't live long enough to make them all yourself.

## Christ Gave Labor a New Dignity

By John J. Kirvan, P. F. S. Staff Writer

A WORKINGMAN founded Christianity. That's why Labor Day has a special meaning for followers of Christ.

Until Christ was born work was never much more than a punishment inflicted by God for the original sin of Adam and Eve. "Thou shalt earn thy bread," God told them, "with the sweat of thy brow."

CHRIST'S BIRTH brought the workingman a new dignity. When a man works with his hands today, he is doing what the Son of God has done before him.

The new dignity of work, however, demands a new purpose. As long as work was a punishment, a man could approach his job grudgingly. As long as its highest purpose was the holding of body and soul together, work could be a burden. The coming of Christ changed this.

WHEN THE SAVIOR of mankind chose the lot of the laborer, He set a new pattern. Henceforth a man's work and a man's salvation could not be separated. Christ was saying, "Thou shalt earn thy salvation with the sweat of thy brow."

The bread a worker earns is

still important. But "not by bread alone does man live." A man lives this life to gain eternal life. He works in this life to gain eternal rest.

THE CARPENTER, the mason, the steamfitter, the hod carrier, the architect and the contractor can build an earthly house and merit an eternal mansion. But it is not necessarily so.

A man who works only to earn a living, earns no more than that. But a man who works to please God has God Himself as his reward. The man who begins his day by putting before God as an offering everything that he will do during the day has his day's work elevated to the level of a continuous prayer. His prayer is one that Christ the workingman will answer on the last day with eternal happiness.

LABOR DAY is a good time to recall this truth. Too many Christians are working in a pre-Christian work-world. They are still not able to look any further than the bread their job earns. Their work has no more eternal significance than that of a draft horse working for hay.

Labor Day is a good time to become a workingman after the mind of Christ. "Workers of the world, unite," He invites. "Unite yourselves and your jobs to Me. You have nothing to lose. You have eternal life to gain."

BRIEFS**

JoAnn Starke started classes Monday as a student nurse at St. Anthony's Hospital in Oklahoma City . . . where her sister, Ella Dell began her second year of study. The girls left here Friday. Ella Dell had spent a 4-week vacation with her parents, the Joe Starkes and family, and had spent part of her time nursing at the two Gainesville hospitals. JoAnn is graduate of Sacred Heart Hi with last May's class.

Mr. and Mrs. Paul Nix of Wichita Falls were here Sunday to spend the day with her parents, Sheriff and Mrs. Bill Morris and took their children, Jimmy and Paula Jan, back home with them. The youngsters had been visiting their grandparents since Thursday . . . when the Nix family stopped here enroute home after vacationing in Galveston.

Frank Trubebach and his daughter, Mrs. Bill Metzler of Lindsay, have returned from a vacation trip to Kansas, Nebraska and Missouri where they visited relatives and went sight-seeing.

Mr. and Mrs. Ed Swirczynski and two children of Fort Worth spent the weekend here with his father and other family members.

Mr. and Mrs. Earl Cole and son, J. L. are back at home after vacationing in South Texas near Rio Grande City with his brother, Clyde Cole and family.

Mr. and Mrs. Clarence Albers and sons returned to Dallas Sunday after a week's vacation with her father, Fred Herr and family. Mr. Herr and Clarence and Harry Scoggins spent quite a bit of their time fishing at Lake Texoma.

Visiting here Sunday with the Frank Bindel family and Pvt. Gilbert Bindel, at home on leave, were the William Koerners and children of Pilot Point and Mr. and Mrs. Leonard Bindel of Dallas.

The John Mosmans and children took a short vacation trip the latter part of last week. They drove to Albuquerque, N. M., for a visit with her sister, Mrs. H. P. Hennigan and other members of the family living there.

Mr. and Mrs. Frank Walterscheid and sons, Larry and Alvin, left Sunday to return to Hereford after being here to attend two family celebrations. They were guests at the 25th wedding anniversary observance of the Al Walterscheids on Aug. 26, and were among guests at the wedding of their nephew Ervin Walterscheid to Mildred Boerner on the 28th.

Carol and Henriette Luebbert left Sunday to return to their home in Fort Worth when their parents, the Henry Luebberts, spent the day here and took them back. The girls had spent the past 10 weeks in Muenster with their grandmother, Mrs. Henry Stelzer, and their aunt, Mrs. Bill Stelzer.

Mrs. Al Walter spent Saturday in Dallas where her daughter Jeanette, a student nurse at St. Paul's Hospital, joined her to attend funeral services for Mrs. Mary Savage. Mrs. Savage's son and Virgil Walter were together at A&M in Arlington and Virgil lived in the Savage home. Jeanette could not accompany her mother home Saturday but came home Sunday to spend the day.

**RETURNS FROM TRIP**

Miss Helen Hess has returned from Bonners Ferry, Idaho, where she accompanied her sister and family, the Leo Schmitts when they moved there recently. She also accompanied them on a trip to Canada where they went sight-seeing and enjoyed a ferry boat ride across Kootenay Lake. Another new experience for the group was picking huckleberries in the mountains near Bonners Ferry. Helen came back by train which she boarded at Spokane after a visit with her uncle and family, the Joe Klements. During a four-hour lay-over in Denver she visited around in that city. The Schmitt family is presently living with his brother, Charlie Schmitt at Bonners Ferry while their home is being remodeled. They expect to move to it in about another week.

As a dairyman, you know that no one feed is going to meet your year around needs, and that's where the TEXO Dairy Program sure fits the bill. TEXO 16% Dairy Feed will mean top production during milking; and, equally important, TEXO Dry and Freshening Feed is the answer to keeping cows in the best condition during calving. Together they add up to one thing: more profit from your herd.

Drop in the store when you're in town and let us show you what a difference the TEXO Dairy Program can mean in returns from your dairy cows.

Mr. and Mrs. Joe Spaeth are moving to Wyoming this week. They had been living in Wichita Falls. Their children are spending this week with their aunts, Mrs. Andy Schoech and Mrs. Arthur Felderhoff, until their parents get settled in their home. Then they'll come back for them.

### Lindsay News

Alyce Marie is the name of the infant daughter of Mr. and Mrs. William Hermes. She was christened in St. Peter's church at Lindsay with Fr. Conrad Herda officiating assisted by the grandparents, Mrs. Clem Hofbauer of Münster and Julius Hermes of Lindsay as sponsors. Mrs. Hermes and the baby are back at their home after being dismissed from the Münster Clinic.

Mrs. George Spaeth, joined by her daughters Theresa Mae and Frances of Dallas, and granddaughters Margie Ann Schoech and Lou Ann Reiter of Münster, left Sunday on a week's sight-seeing trip to Tennessee.

Miss Bertha Neusch left Sunday to enter nurses training at St. Joseph's Hospital in Fort Worth. She is the daughter of Mr. and Mrs. Leo Neusch of Lindsay and a graduate of Sacred Heart high school with last May's class.

Mrs. Frank DeFrance and family are spending this week with her mother, Mrs. Sophie Stoffels, and other relatives. Lucy Stoffels who had been visiting her sister in Fairfield for the past month returned home with them.

#### AREA NUNS GET-TOGETHER AT LINDSAY FOR VISIT

Sisters of Divine Providence from this area got together recently for an all-day visit with Sisters of St. Peter's school, Lindsay, as hostesses for the day's program which featured a picnic lunch at noon.

Joining the Lindsay nuns were three sisters from St. Thomas school, Pilot Point; nine sisters from St. Thomas Aquinas school, Dallas; eleven sisters from St. John's school, Ennis, and seven sister-nurses from Madonna Hospital in Denison.

### New Members Join Band; More Wanted

Ten new members joined the Münster band last Friday night, but more are wanted . . . and needed, if the band is to survive this year's graduation without a big let-down.

Director Bill Searcy pointed out that fifteen experienced players will be lost at the end of this year and the band, to maintain its standard of excellence, will need replacements who have had at least a year of basic instruction. Only three were lost by last year's graduation.

Searcy said students from both schools are welcome in the band and he also said that newly made arrangements make it easier for a student to join. Six instruments which are too expensive for the average child to buy have been made available to students on a rental basis. Beginners can use during their practice time the same instruments that band members use. For wind instruments each student will have his own mouthpiece. Instruments available for rent are two bass horns, two baritone horns, snare drum and bass drum. Horns will rent at \$5 per semester, drum at \$2.50 per semester.

Encouraging more boys to join, Searcy has arranged practice sessions so as not to conflict with athletics. Though membership on the football squad will keep them from playing with the band during that season, they can play at all other band events.

topher Paladino, superintendent, teach religion classes.

In addition Father Christopher and Julian Walterscheid work together in coaching the Tiger football team.

#### Dedication October 7

Formal dedication of the school and an open house program will be held on Oct. 7, along with dedication of Münster's new half million dollar Sacred Heart church, occupied by the parish since April 17.

The dedication date is later than originally intended in order to allow time for installation of additional church furnishings. Items still to be put in are the large crucifix above the main altar, two side altars, pulpit, altar railing, and stations of the cross. It is believed that all installations will be finished before Oct. 7, but dedication will be held whether or not they are finished.

Father Louis announced the date after receiving word from the Most Rev. Thomas K. Gorman, bishop of the Dallas-Fort Worth diocese, that he could be present to officiate at the services.

Meanwhile parish members are planning a program for the day to include a community dinner at noon, following the dedication ceremonies which are scheduled for the morning.

Miss Alice Koelzer was honored with a party to observe her birthday Monday when her sister-in-law, Mrs. Victor Koelzer, entertained in her home. Twenty-five guests brought gifts for Alice and enjoyed games and dancing.

### Blessed Events

Mr. and Mrs. Walter Rawley have announced the arrival of an eight pound one ounce son, a brother for Kiar, Mac and Jena. The little boy arrived at Gainesville Sanitarium Sunday, Aug. 29, at 3:40 a.m.

It's a girl for Mr. and Mrs. Barry Blevins of Gainesville—and their first child. She arrived at Gainesville Sanitarium Sunday, Aug. 29, weighing seven pounds. Mr. and Mrs. Joe Walter of Gainesville are the grandparents and the John Walters of Münster are the great-grandparents. There's another great-grandmother who lives in Kansas.

Mr. and Mrs. Charles P. Stoffels of Lindsay are the parents of a seven pound five ounce son born at Gainesville Sanitarium on Aug. 24 at 11:52 p.m. Others welcoming him are his sister Charlotte and his grandparents, the Joe Bengforts and Mrs. Sophie Stoffels. He was baptized Sunday afternoon by Father Conrad assisted by Mrs. Frank DeFrance and Henry Stoffels as sponsors. His name is Randolph Joseph.

Reno, Nev., is farther west than Los Angeles, Calif. Look at the map!

### Confetti . . .

are on the way to reviving their old friendly spirit and working out a few mutually beneficial cooperative arrangements to boot. Both schools will save, which means the community will save, by giving up their bus systems in favor of a common carrier that contracts to haul all children. Both benefit also by coordinated schedules and a cooperative program. The general plan is that both schools will work together for the benefit of all children wherever they attend.

This could be the beginning of a return to those good old days when Münster was known far and wide as the cooperative community. We used to get things done by working together. We can do it again.

Miss Bernice Henscheid who graduated from St. Paul's Hospital School of Nursing in August is on duty at Gainesville Sanitarium since Monday.

New School . . . room. Equipment in the science department has been rated by the Texas Educational Agency as among the finest and most complete in the state. The commercial class room and the typing room are divided by a glass partition so that one instructor can supervise two classes at work. The library is lined with shelves of smooth South American pine, has a specially built library charging desk, and there's a book store annexed. Drinking fountains are numerous and there are more than 200 steel lockers for student use, 179 in the main hall and the rest in the two basement shower rooms, one for boys and one for girls, under the gym. Holding a vantage spot in the main hall is a life-size statue of the Sacred Heart, patron of the school and of the parish, presented to the school by Mr. and Mrs. J. W. Hess. Educators, salesmen, and the personnel of other schools have praised the new building highly. Some have said that it ranks among the best schools of the nation.

Faculty Members The school, with an accredited rating in the full course of subjects taught, is staffed by Olivetan Benedictine Sisters whose motherhouse is in Jonesboro, Ark. Sister Geraldine, principal, is assigned to homemaking, commercial and library; Sister Agnes teaches science, English and journalism; Sister Aloysia is typing and history instructor; and Sister Michael has charge of mathematics and Latin classes.
