

MUENSTER ENTERPRISE

VOLUME XVIII

MUENSTER, COOKE COUNTY, TEXAS,

OCTOBER 1, 1954

NUMBER 45

City Election on Improvement Bond Set for October 23

Saturday of this week Cooke County taxpayers will have another opportunity to vote on the proposed 30 cent ad-valorem tax to provide additional revenue for the county's road and bridge fund.

Specifically this provision states that revenue derived from the tax, can be used only for building and maintaining lateral roads, and for flood control. In effect, however, it could be used as an indirect means of financing right of way also, because it would relieve some of the money in the existing fund.

This tax, if approved, will increase the rate on most county property from 64 to 94 cents per \$100 of valuation. In accordance with state law it would not apply to the first \$3,000 valuation on homesteads, which exempts \$5,358,410 out of the county's total valuation of \$36,774,170. At the same time the tax will exactly double the county's present tax for roads and bridges. Of the current 64 cent tax 30 cents goes into the road and bridge fund and the remainder into the county's general fund.

Probably there is not a person in the county who does not favor the improvements that are envisioned as a result of the increased tax rate. We should have a means of providing right of way for every road the federal and state government is willing to build in the county. In addition we should have a progressive program of building black top lateral roads. And we should be looking forward to flood control measures which will preserve indefinitely the many detention reservoirs built to protect bottomland crops and property of the county.

But all of these considerations are accompanied by a big question. Is the 30 cent tax increase necessary? Can we handle the job with less additional tax, or none at all? That's the matter on which county voters will have to decide before casting their ballots Saturday. If they think all the money is needed they should vote in favor of the proposal. If they think the job can be done with a smaller tax, or none at all, they should vote against it.

Elsewhere in this paper a group of county business men have an ad presenting facts and figures pertaining to the issue. Those statements, consisting to a great extent of figures taken from the county's most recent financial report, deserve a lot of careful study, because they can serve as a very good guide in determining whether the higher tax is really needed.

And while a person studies over the figures he might consider also the possibilities of correcting a mistake later if one should be made. Experience has shown that a tax can be increased much more easily than it can be lowered. There are those who maintain that commissioners can be depended upon to drop some of the tax when circumstances permit. Perhaps they feel that way about present members of the court, but what assurance have they for the future? Judging by the record of other public servants it's safe to predict that commissioners in years to come will keep budgeting for the limit.

In trying to decide whether or not the tax is needed we should give thought to a few background facts. How much does the road and bridge fund have now? How much would be added? Will the need for more tax increase or decrease in the future? What portion of the present tax is applied against bonded indebtedness?

First of all, according to the county's figures at the close of 1953, the road and bridge fund last year received a grand total of \$274,921.35. The county's 30 cent tax provided \$89,237.32. Auto license fees provided \$133,834.01. Gas tax refunds from the state amounted to \$36,348.53. Fines brought in \$12,701.60. Dirt work and sundry services provided \$2,801.89. While admitting that road and bridge work all over the county adds up to a big project, we can note also that it has a big fund and considerable opportunity for economy.

Now let's take a brief glance at the future outlook as indicated by the recent past. In 1940 the total figure was \$116,177.16. In 14 years the fund increased by

On Saturday, October 23, taxpayers of Muenster will have an opportunity to approve or disapprove a \$50,000 bond issue for the purpose of making extensions and improvements to the water and sewer departments along with the construction of a swimming pool.

The election was authorized in a special meeting of the city council last Friday night.

Actually the election will present only two issues to the voters, one on the water project and one on the sewer project, but the council wishes to have it understood that it intends to build the swimming pool also if the other two projects are approved.

The plan, as agreed upon by the councilmen, is to finance the pool, which is estimated to cost about \$18,000, out of the city's general fund after it has been relieved of the cost of water and sewer expenditures.

The intention is to begin charging water and sewer expenditures to the bonds immediately after they are issued, thereby making most of the city's annual revenue available to build the pool.

To date this year the city has spent about \$6,000 on water and sewer work. It has also spent about \$12,000 on pavement. With both of those expenses out of the way, and that much money available, the council estimates that the general fund can easily finance the pool.

Principal work to be financed by the sewer bond is expansion of the disposal plant facilities and an additional sewer line around the west side of town to accommodate present and future residents who cannot be served by the present line. Water improvements include installation of more 6 and 8 inch mains to bring fire protection and an ample supply of water to a larger area of town, also installation of another booster pump.

The council proposes to retire the bonds without an increase in taxes. Except in the first year or two, when expenditures for the pool and additional pavement will be rather heavy, the general fund should have more than enough money to retire bonds as they come due, and before they are due. Because of that prospect the council will also make provision to retire bonds ahead of schedule when money is available. Bond retirement will be spread over a 30 year period and after the first five years they can be paid any time the city wishes. Another plan is to give local citizens the first opportunity to buy the bonds.

NEWS OF SICK AND INJURED

Mrs. Lawrence Roberg was a patient at Gainesville Sanitarium two days last week for a check-up and x-rays.

Jimmy Hammer, son of the T. M. Hammers, suffered a broken right arm Friday night in the football game between Gainesville Leopards and Cleburne Yellow Jackets. The fracture will probably keep Jimmy, Leopard left end, out of play for the rest of the season.

Mrs. Joe Knabe was dismissed from Gainesville Sanitarium the latter part of last week and is convalescing at her home here. She underwent surgery on Sept. 18.

Robert Klement, young son of Mr. and Mrs. Tony Klement, broke his left arm above the wrist last Wednesday during play at school. He is a first grade student at the parochial school.

Virgil Henscheid, sophomore at Sacred Heart High, broke the ring finger of his left hand during football scrimmage last Wednesday and will be "looking on" when the Tigers play instead of suiting out for several weeks, at least.

Marcey Cler, six-year-old daughter of the Werner Cler's is back at school after a period of bed rest for a hip ailment.

Safety Record of Local Co-op Ranks Second in State

Because of its exceptionally good safety record, the Cooke County Electric Cooperative was one of the organizations especially honored last week at the barbecue and boat cruise given in connection with the eighth annual Texas Job Training and Safety Conference for rural electric cooperatives in Austin.

The local co-op has a record of 152,890 man hours without a time lost accident, the second best record in the state, as of August 31, 1954. Co-ops honored at the party are those with 50,000 man hours without a time lost accident.

A time lost accident, as explained by M. D. Kaderli, local manager, is one that prevents an employe from reporting for work the next day. Time lost for treating a minor injury does not count against the record if the person is able to return to his regular work the next day.

Kaderli also disclosed that the good safety record here, along with participation in the annual safety conference, is worth big money to the Cooke County Electric Co-op. It has resulted in savings of about \$4,000 in liability insurance premiums during the past four years.

A plaque and six bars... with a seventh bar earned and to be received soon... is on display in the co-op's office as evidence of its good safety record since it entered the safety program, sponsored by Employers Mutual Liability Insurance Company, in 1945. The plaque and each of the seven bars represents 50,000 man hours without a time lost accident, a total of 400,000 man hours.

There were two years in which the co-op did not receive a bar, in 1948 and 1949.

Hornets Ice Game, Kids Extend Lead Over Nocona Lads

In a loose, one sided affair that inspired no more enthusiasm than a practice session, the Muenster High Hornets overwhelmed Nocona "B" 55-6 on the local field Thursday afternoon.

Regulars practically scored at will during the less than two quarters they were on the field, and reserves outscored their visitors in the rest of the game. But even though the contest was better matched while the youngsters were playing it offered little in the way of spice. Muenster's easy victory was already on ice and the atmosphere of competition was lacking.

The scoring spree started in the opening minute as Nocona fumbled on its own 5 and Moon promptly scampered across. Noggler followed up with the first of his seven extra point kicks of the day.

A short while later Moon went over from the 15 to complete a 40 yard drive. And just before the quarter ended Noggler caught Richey's pass for the third TD.

As the teams changed ends of the field Coach Hosea changed teams. That ended the scoring for the rest of the half. The two groups of youngsters staged a good defensive tussle, each allowing the other one first down.

Starting the second half the regulars overwhelmed their visitors with three TDs in rapid succession. On the first scrimmage play Noggler sprinted 53 to the goal. Two plays after the next kickoff Richey intercepted a Nocona pass and returned it all the way.

Collection Nets \$286 For Cemetery Fund

Muenster's Sacred Heart cemetery fund was enriched by \$286.71 as the result of a special collection Sunday, Mrs. Tony Gremminger, president of the Civic League and Garden Club, said Wednesday. She also said that Sunday's collection was strictly an "extra" and did not take the place of the annual collection on Nov. 2.

Sunday's collection will help finance additional work in the cemetery preparatory to the school and church dedication on Oct. 7. The All Souls' Day collection goes into the general fund for year round cemetery work.

Plans are Complete For Dedication of Church and School

It'll be a grand day in Muenster next Thursday, Oct. 7—a history making day in Sacred Heart parish.

That's the day the new church and high school will be dedicated in separate ceremonies combined into a single program. And members of the congregation, former members and their friends, and visiting clergy will see another milestone in the parish's 65 year-long history.

The day's program will begin at 10 a.m. when His Excellency the Most Rev. Thomas K. Gorman, bishop of Dallas-Fort Worth, lays the cornerstone and then blesses the new Sacred Heart High School. Immediately afterwards he will officiate at the Sacred Heart Church dedication ceremonies.

A solemn pontifical mass will follow with His Excellency the Most Rev. Augustine Dangelmayr, auxiliary bishop of the diocese, and a native son of the parish, officiating, assisted by other sons of the parish. Among them will be Rev. Thomas Weinzapfel and Rev. Joseph Weinzapfel of Dallas as deacon and sub-deacon and Rev. Henry Felderhoff of Denison as arch priest.

Bishop Gorman will deliver the dedicatory sermon. After the services there will be a community dinner in the parish hall. The meal will be prepared and served by members of St. Anne's Society.

LOCAL FIRMS ASKED TO CLOSE DURING DEDICATION

Business in Muenster will be quiet next week Thursday during the dedication of the new Sacred Heart church and school.

Cooperating with the pastors to make a memorable event of this historic occasion, the city council has asked all local firms to close during the ceremonies which will begin at 10 o'clock.

State OKs 4-Lane Street Into Town

Within a few months Highway 82 will become a four lane road from Main Street to the east city limits. Mayor Urban Endres was assured this week by the state highway department that it will build curb to curb pavement as soon as property owners along the street complete their curbs.

The highway department also said it will have engineers here soon to stake the curb line and grade. After that all curbs will probably be run as one project and the pavement work can begin.

When finished the street will be 64 feet wide, enough space for the 4-lane road and parallel parking at each curb.

Fisher, Wolf Tour Europe on Leave

PFC Neil Fisher and Cpl. Mitchell Wolf, both in Germany with the army, have written homefolks about a wonderful sight-seeing tour during a 10-day leave in September. They went down to Garmish, Germany; Innsbruck, Austria; Venice, Rome and Pisa, Italy; and back through Switzerland. The Muenster men and two other soldiers made the trip in a rented car... saw lots more country that way, they said. The weather was good except one day when it rained in Switzerland.

They spent three days in Rome, most of the time at Vatican City. The Catholic USO arranged tours through the Vatican, St. Peter's, and other churches in Rome. On a Sunday afternoon they went to the summer home of Pope Pius, about 15 miles south of Rome. There were 10,000 people there from all over the world. For an hour before the Holy Father came out to greet the people they sang hymns and yelled "Viva Papa." When he appeared everyone cheered and waved handkerchiefs. Neil and Mitchell were right under the balcony, and had a good view of him. He recognized each group present during the audience which lasted about an hour and addressed each group in its native language. He

Odds Expected to Favor Greenhill in Game With Tigers

Another tough game, with the odds very likely stacked in favor of the visitors, is expected as the Sacred Heart Tigers take on the Greenhill Hornets of Dallas on the local field Friday night at 8.

Father Christopher Paladino, Tiger skipper, said Wednesday that he has no definite information about the Big D boys or their record this year except that they are entitled to respect.

He also recalls the game last year when the Greenhill team gave his more potent Tigers one of their best contests of the season. A Tiger TD in the last minute tied the score and the point after touchdown was the measure of the Tiger victory.

In Friday's game Greenhill will have the advantage of a heavier starting lineup, including two youngsters that have been reported to Father Christopher as hot shots, but there are few reserves.

Tiger workouts continue to stress speed, precision and coordination. Father Christopher's intention is to have his boys make up in skill what they lack in size.

Tigers Slip Past Sherman 'B' Squad By Count of 7-0

The game Father Christopher Paladino's Sacred Heart Tigers played Thursday night was nothing less than inspiring. Regardless of a very obvious disadvantage in size, they outfought, outfoxed and outgained... and outscored Sherman "B" to the count of 7-0.

Before the game the Tiger coach said he just hoped, but did not expect to win. Fans, as they saw the teams line up, hoped the huskies would have a heart and not run over the Tigers.

Then came the kickoff and the big thrill of the game as the Tigers pulled a beautifully concealed handoff and almost scored on it. Walter had taken the kick and scooted to the left. About the time he was mobbed by a swarm of tacklers Hofbauer was noticed tearing down the right sideline with only the safety man between him and the goal. The return was good for about 60 yards, to the Sherman 20.

The plays that followed showed that there was going to be a ball game after all. Six attempts were enough to close the 20 yard gap for the touchdown that was to become the winner. Herr went over and Sylvan Walterscheid kicked the extra point.

Even that success seemed as though it might have been a lucky break as Sherman promptly ripped off gains of 11, 5, and 8 for two first downs. However Tiger defense stiffened there and the trend of the game began to show up. Linemen and backs alike were rushing in to smear

WITH THE MEN IN SERVICE

Has Thirty Day Leave

S.Sgt. Teddy Gremminger is on a 30-day leave from A.P. duty at Carswell AFB and, with his wife and son Wayne, is spending it here with his parents, the Ted Gremmingers, and her family, the Victor Hartmans.

Telephones Greetings

Willard Hartman telephoned best birthday wishes to his mother, Mrs. Victor Hartman, Sunday evening. After the greetings and small talk he mentioned that he had been promoted to private first class. He is stationed at Camp Hanford, Wash.

Promoted To Corporal

It's Corporal Lawrence Dankesreiter since Sept. 21. He received the new rating at Fort Bliss where he is attached to an anti-aircraft artillery battalion.

Will Go To Japan

Marine PFC Pat Stelzer writes homefolks that he soon will be leaving Camp Pendleton Calif., for duty in Japan.

PFC Elroy Neu will complete a 20-day leave next Sunday and will return to Fort Sill, Okla., after visiting his parents and family, the W. J. Neus.

30c Tax Proposal To Be Decided in Election Saturday

Saturday, October 2, Cooke County will have another election to decide whether it will adopt a 30 cent raise in county ad-valorem taxes to provide additional revenue for roads and flood control.

The election re-submits a proposal which was defeated by a small margin in a light vote on July 27.

After that election supporters of the proposed tax decided that it should have another chance because it was obscured by the primary election of the previous week and only a small percentage of the county had an opportunity to become familiar with the issue. They circulated a petition, secured the required number of signatures, and presented it to the September session of the commissioners court.

Meanwhile opposition to the tax also came to the front. A group of county business men studied county financial reports of the past several years and noted a steadily increasing revenue from increasing valuations, car license fees and gas tax receipts. At the same time the group calls attention to increasing available funds as bonded debts retire and decreasing mileage of maintenance as the most heavily traveled county roads are absorbed into the state supported F-M system.

The principal reason advanced in support of the tax is that it assures the funds needed to provide right of way for federal and state road construction along with progressive lateral road and flood control programs.

Opponents, on the other hand, claim that the entire program can be supported on considerably less than 30 cents of added tax. They recommend defeating the present proposal and having another election on a 10 cent tax increase.

If passed the tax would add more than \$94,000 to the road and bridge fund next year. This figure is based on the 1954 assessed valuation of \$36,774,170 less homestead exemptions of \$5,358,410. The first \$3,000 valuation in a homestead is not subject to the tax.

The election at Muenster will be held in the customary places at the customary times. Paul Fisher will be election judge in the south box, at the elevator. I. A. Schoech will be election judge in the north box, at the public school. Polls will be open from 8 to 7.

Edward Kerley, 84, Myra Pioneer, Dies

Edward Bud Kerley, 84, who lived at Myra for the past 57 years, died at 3 p.m. Thursday, Sept. 23, in the home of his half-brother, Lee Livingston, with whom he had resided for the past four months.

Funeral services were held at 2 p.m. Saturday in the Myra Baptist church with the Rev. C. M. Thomas officiating. Burial was in Reed cemetery under direction of George J. Carroll and Son Funeral Home.

Kerley, a retired farmer, was born April 17, 1870, in North Carolina.

Survivors are a sister, Mrs. Martha White of Taylorsville, N. C.; two brothers, Mack Kerley of Gainesville and Will Kerley of Ringling, Okla.; and four half brothers, Lee Livingston of Myra, Gus Livingston of Saint Jo and Robert and Tal Livingston of Gainesville.

Lt. Rita Voth, nurse at the San Diego naval station, arrived Tuesday for a 15 day leave with members of her family.

SCHEDULE OF COMING EVENTS

FRIDAY, Oct. 1, Tigers vs Greenhill, here.

MONDAY, Oct. 4, VFW Auxiliary meeting, 8 p.m.

TUESDAY, Oct. 5, Lions Meeting.

WEDNESDAY, Oct. 6, Get-Together Club meets in the home of Mrs. Arthur Endres, 2 p.m.

Money may not buy happiness, but if you have plenty of it you sure can make your own choice of a wide variety of unhappiness.

Poor Crowd Sees Hornet-Nocona Tilt

Financially, the Muenster Hornets' game with Nocona "B" here last Thursday afternoon was a fizzle. The school realized a net loss of \$32.88 on the deal. Receipts were \$37.90, the guarantee to the visiting team was \$20, and officials' fees and mileage amounted to \$50.78.

The crowd, consisting mostly of children, was estimated at about 200.

MRS. BEN HELLMAN IS HOSTESS TO CDA COURT

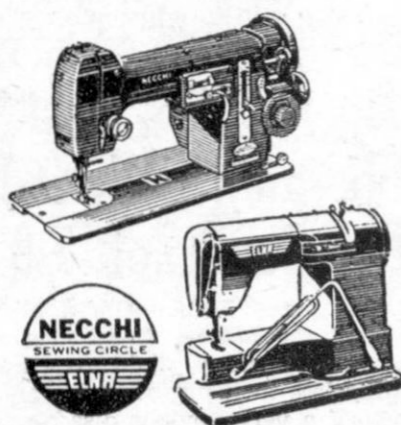

Mrs. Ben Hellman entertained members of the Catholic Daughters of America court in her home Tuesday night when they gathered for the regular monthly social.

In a progressive 42 series Mrs. Joe Wilde won the high score prize, Mrs. J. M. Weinzapfel received the consolation favor and Mrs. Joe Luke secured the galloping award.

The hostess served lemon pie and coffee to eleven members.

Nothing is harder on a woman's clothes than another woman.

THE WORLD'S FIRST AND MOST ADVANCED AUTOMATIC SEWING MACHINES

From first seam to final trim, these sewing machines do every stitch of the work... sew on buttons, make buttonholes, mend and darn, monogram and embroider, blind-stitch hems, zig-zag and straight... all without attachments.

Carrie Ann Gehrig J. A. Walterscheid Say Vows Tuesday

Miss Carrie Ann Gehrig, daughter of Mr. and Mrs. George Gehrig, exchanged marriage vows Tuesday at 4 p.m. with Julian A. Walterscheid. He is the son of Mr. and Mrs. Adolph Walterscheid.

The Rev. Louis Deuster read the double ring ceremony and officiated at the nuptial high mass in Sacred Heart church. Anthony Luke was organist and the church choir sang the mass.

Mr. Gehrig gave his daughter in marriage. She wore a floor length gown of imported white Alencon lace and nylon tulle over taffeta. It was designed with a fitted lace bodice and long petal point sleeves, a net yoke outlined with applique lace flowers, and a Peter Pan collar. The voluminous tulle skirt, worn over hoops and crinolines, featured a short lace peplum. The gown was designed and made by the bride's grandmother, Mrs. Matt Muller.

A tiara of bugle beads and rhinestones held the bride's fingertip veil of French illusion and she carried a crescent shaped bouquet of white gardenias.

For something old she wore a dainty antique gold chain and heart shaped locket belonging to the groom's grandmother, Mrs. I. A. Schoeck, and she carried a blue rosary. Her white bride's prayerbook was a gift from the groom.

Attendants

Miss Carol Ann Miller and Mrs. Randolph Bayer, cousins of the bride, were her honor attendants and Little Miss Dianne Gehrig, the bride's sister was flower girl.

Sylvan Walterscheid served his brother as best man and Randolph Bayer was groomsmen. Arnold Muller and Arthur Bayer ushered.

Miss Miller and Mrs. Bayer wore identical floor length gowns of iridescent regal purple taffeta designed with short boleros and orchid net overskirts belted with orchid velvet that formed a sash at the back. Their gaudlets of net matched their dresses and they carried colonial bouquets of orchid daisy-mums. Their head-dresses were fashioned of the same flowers as their bouquets and they wore rhinestone necklaces and earrings, gifts from the bride.

Little Miss Gehrig wore a floor length gown of white taffeta with a net overskirt, matching gaudlets, and a white net headdress trimmed with tiny variegated velvet flowers. She carried white gladioli.

As a post-nuptial solo Miss Norma Jean Walterscheid sang "On This Day" while the couple went to the Blessed Virgin's shrine where the bride placed a bouquet of white gladioli on the altar.

Reception

Immediately after the church services Mr. and Mrs. Gehrig were hosts in the parish hall for a reception followed by a buffet supper. Guests registered in a musical bride's book at which Miss LuRena Wolf and Miss Helen Corcoran of Gainesville, cousins of the couple, presided.

The hall carried out the bride's colors in decorations and her table was attractive with its three-tier cake flanked by white tapers in crystal holders, its arrangements of orchid daisy type mums and a scattering of white wedding bells in the center along the length of the board.

A dance in the VFW Hall preceded the newlyweds' departure on a trip to northeastern states. When they return they will make their home on a farm seven miles southwest of Muenster where he engages in farming and ranching.

For her wedding trip Mrs. Walterscheid wore a charcoal suit

with a fiesta pink velvet hat, pink blouse and gloves and other accessories in black.

Both Mr. and Mrs. Walterscheid are natives of Muenster and graduates of Sacred Heart High school where he was a star lineman for the Tiger squad. He spent two years in the Air Force with duty on Okinawa where he played with a championship football team. He is assisting Father Christopher Paladino in coaching the Tigers this season.

Among out of town relatives at the wedding were Mrs. Eva Gottlob of Azle, the Al Schnitkers and the Joe Schnitkers of Denison, and the Ferd Yostens and children of Fort Worth.

Local News BRIEFS

Mrs. Freda Sharp and son, James, of Tulsa were here Monday night and Tuesday for a stop-over visit after spending the weekend with her son Joe, and family at Corsicana. Mrs. Sharp and James expect to move soon to their former home town, Casey, Ill.

Mr. and Mrs. Vincent Trachta left Wednesday to return to their home in Montebello, Calif., after a vacation visit with his mother, Mrs. Anna Trachta and other relatives here and her father in Ardmore.

Visiting Mrs. A. H. Rebentish Tuesday were Mr. and Mrs. F. H. Marburger and Mrs. Marcus Gleen, all of Dallas.

Sister M. Thomasina of Jonesboro, Ark., arrived Monday for a visit with her mother, Mrs. John Walterscheid and family. She will be here for the school and church dedication program.

Mr. and Mrs. Bud Swingler and daughter Becky of Athens spent the weekend here with their parents, the Joe Swinglers, and their older daughter, Charlotte who stays with her grandparents and attends the parochial school.

Mr. and Mrs. Lee Toothaker have as their guest through this week his brother, Archie Toothaker of San Diego, Calif. Sunday Mr. and Mrs. Wallace Lee Toothaker and two sons of Fort Worth spent the day here with his parents and uncle.

AT YOUTH CONVENTION

Ann Luke, Edna Mae Hoening and Helen Fisher spent Saturday, Sunday and Monday in San Antonio attending a Catholic Youth Council convention. A banquet and sight-seeing were on the program after business sessions.

CARD OF THANKS

Many thanks to all who remembered me with get-well wishes and other kindnesses during my recent illness.

Mrs. Katie Roberg

"Girls, if you've already tried everything under the sun to land a husband, try it under the moon!"—Tony Pettito.

"Edison didn't invent the first talking machine, but did invent the first one that could be turned off."—Charles Knouse.

When you are getting kicked from the rear it means you're in front.—Bishop Sheen

Is There Friction In Your Diction?

If you can read the following without mistakes in 15 seconds, your diction is well above average, and you should make a good radio announcer.

I bought a batch of baking powder and baked a batch of biscuits. I brought a big basket of biscuits back to the baker and baked a basket of big biscuits. Then I took the big basket of biscuits and the basket of big biscuits and mixed the big biscuits with the basket of biscuits that were next to the big basket and I brought the basket of biscuits and the biscuit mixer and the biscuit basket and the box of mixed biscuits and the biscuit mixer back to the bakery and opened a can of sardines.

Guy broke into the home of a finger-print hobbyist in Indiana, stole finger-print kit—left none.

Arrives at Fort Clayton

Pvt. Cletus Bauer writes that he has arrived at Fort Clayton, Canal Zone, and is settled for about 18 months of duty there. He sailed from Camp Kilmer, N. J., on Sept. 4, after completing basic training at Fort Bliss. He is the son of Mr. and Mrs. Joe Bauer, route 6, Gainesville. His new address is: Pvt. Cletus D. Bauer, US 54154023; Btry. A, 903rd AAA Bn. (AW) (SMBL); Fort Clayton, Canal Zone.

BIRDIE SHOT—The photographer got this "Birdie" at a country club golf course in Reading, Pa. Sitting four feet off the ground in a dead apple tree is a Muscovy duck which is expecting a flock of ducklings any day now.

A woman's fondest wish is to be weighed and found wanting.

This Little Piggy Went to Market... Faster and at Lower Feeding Cost

Feed 'em and watch 'em grow! That's the word on TEXO Pig Starter. It's especially designed to give pigs all the nutrients and vitamins so essential to heavier weaning weights; and, in the long run, that means more efficient feed conversion and earlier marketing. Furthermore, TEXO Pig Starter fights off disease, because it's fortified with America's most effective antibiotic, aureomycin.

Believe me, we're really enthused about this new TEXO product; and, if you'll just stop in the store, we'd like nothing more than to tell you all about it.

Mr. and Mrs. J. R. Winstead had as weekend guests Mr. and Mrs. Joe Snead and son, Larry of Amarillo. Mrs. Snead is the Winsteads' granddaughter.

Dr. and Mrs. E. W. Laake of Dallas were Sunday guests of his sister, Angela Laake, and niece, Rosa Driever. At noon a pre-birthday dinner honored Miss Laake who observed her birthday Tuesday.

The Joe Lukes had as guests Thursday through Saturday last week her cousins Mr. and Mrs. Oliver Stone of Robstown. Sunday Mr. and Mrs. Eugene Michels and family of Munday spent the day with the Lukes.

Rev. Ben Youngblood and Mr. and Mrs. Olen Childers of Saint Jo were Sunday dinner guests of the J. W. Fletchers.

Mrs. Richard Grewing and children, her mother Mrs. Theresia Moster and her brother Tommy, and Mrs. John Grewing visited relatives and friends in Wichita Falls, Windthorst and Archer City Sunday.

Mr. and Mrs. Willie Bindel of Denver, Colo., spent the weekend here visiting relatives and friends. They were house guests of the Tony Trubenbachs Jr. and visited the Tony Trubenbachs Sr., Frank Trubenbach and members of the Bindel families. Sunday they were dinner guests of the Frank Neus at Valley View. Willie is a nephew of Frank and Tony Trubenbach Sr. and a cousin of the Bindels.

Mrs. Elizabeth Buehring of Madill, Okla., was a weekend guest of Mrs. Ray Evans. Sunday the Roy Lockharts of Madill were guests in the Evans home and they all attended the Style and Talent Show Sunday night.

Miss Martha Rohmer of Los Angeles, Calif., is here for a several weeks' vacation visit with her parents and family, the Leo Rohmers.

Mr. and Mrs. Ray Evans had as guests last week her uncle and aunt, the F. H. Hearts of Prescott, Ariz., her brother and family, the Joe Dickersons of Magnolia, Ark., and her sister, Mrs. Howard Couch of Hot Springs, Ark.

Mr. and Mrs. John Herr joined the Leonard Bengforts of Lindsay on a trip to Dallas and Kaufman Sunday. They visited their daughter and sister, Mrs. Earl Shephard and family at Dallas, and the Shephards went with them to Kaufman to visit another daughter and sister, Mrs. Q. D. Pettigrew and her husband and made the acquaintance of the Pettigrews' infant son Timothy Joseph. Mr. and Mrs. Herr were sponsors for their grandson when he was baptized at St. Anne's church that afternoon.

Mr. and Mrs. J. M. Weinzapfel spent Sunday and Monday in Fort Worth and Dallas. Sunday they attended special services for the Auxiliary of the Legion of Mary in All Saints Church, Fort Worth, and a breakfast that followed in Mt. Carmel Academy. After that they visited Carter Field and went to Irving to see Father Paul Charcut, diocesan Rural Life chairman, with whom Mrs. Weinzapfel conferred preparatory to making a report for the diocesan convention in Abilene. Sunday afternoon in Dallas Mr. Weinzapfel attended a meeting of Fourth Degree Knights of Columbus for which J. W. Fisher, also of Muenster, was present, and Mrs. Weinzapfel attended special services at the Cathedral where certificates were presented to members of the Confraternity

of Christine Doctrine. They visited their sons, Rev. Thomas and Rev. Joseph Weinzapfel and spent Monday with them. Monday night Mr. Weinzapfel attended a testimonial dinner honoring W. A. Sandlin in the Baker Hotel. More than 500 bankers attended the program.

Mr. and Mrs. Douglas Robison spent the weekend with their parents, the Earl Robisons and George Hammers. Douglas is doing post graduate work at Texas A&M this semester.

of Gainesville.

Mr. and Mrs. W. J. Hess of Durant, Okla., announce the arrival of David Joseph of Sunday, Sept. 19, at 7:35 p.m. in a Durant hospital. They have three other children, two girls and a boy. The grandparents are Messrs. and Mmes. J. W. Hess of Muenster and D. Rice of Durant. Mr. and Mrs. Hess visited their new grandson Thursday and Mr. and Mrs. Joe Hess were there Sunday to be baptismal sponsors for their nephew.

Mr. and Mrs. N. D. Hopton left Thursday to return to their home in Sacramento, Calif., after a visit with her sisters, Mrs. John Bezner, Lindsay, and Mrs. H. J. Fuhrman in Muenster. Mrs. Hopton is remembered as the former Julia Theisen. Her father was Muenster's first depot agent and also organized the first band in Muenster. The couple visited briefly with old friends in Cooke County while they were visiting here.

Ballet means balance.

Blessed Events

Mr. and Mrs. Russell Herb are the proud parents of an eight pound 12 ounce son, Tommy John, who arrived at the Saint Jo clinic on Monday, Sept. 27, at 8:30 a.m. The little boy is a brother for Terry Ann and the grandson of Mr. and Mrs. John Tempel of Muenster. The paternal grandparents live in Hershey, Penna.

Here's that girl! Beverly Ann, nine pound two ounce daughter of Mr. and Mrs. L. B. Bruns, arrived at the Muenster Clinic at 2:30 a.m. Saturday, Sept. 25. She is also welcomed by her brothers, Butch and Bobby and her grandparents, Messrs. and Mmes. C. E. Dunn of Saint Jo and L. F. Bruns

FROM RED PRISON-LANDS

Good people are slow to believe evil of others. This is a characteristic of Americans who have grown up in an atmosphere of freedom, neighborliness, family devotion and dedication to high Christian ideals. Especially is it difficult for church-going Americans to believe the horrible facts about Communism. The Communists know this and are pleased and aided by it. Herbert Philbrick the courageous Massachusetts Sunday School teacher who

worked with the Communist leaders nine years before revealing told me: "The average, healthy himself to be an FBI counterspy, American mind cannot conceive the evil in the unhealthy, twisted mind of a Communist."

In spite of powerful resistance from left wingers and dupes, a number of Congressional committees are continuing to expose to the American people the evils of Communism, how it is engulfing the world, and how it is threatening our own nation through thought-shaping propaganda and its network of spies and saboteurs.

Newest Report

The House Committee on Communist Aggression has sent me its latest report (House Report No. 2650) on a series of interviews it has just concluded with non-Communists who have escaped from Communist-held nations. The following House members sat in on the interviews, conducted in Europe and America, and signed the report: Kersten (R. Wisc.), Busby (R. Ill.), Bonin (R. Pa.), Hillings (R. Cal.), Madden (D. Ind.), Machrowicz (D. Mich.), Dodd (D. Conn.), and Feighan (D. Ohio).

"All who testified," the Committee reported, "had one thing in common. They were eye-witnesses. They saw. They experienced. They were there. Most of them suffered the tortures of Communism. They came separate-

Family Prayer Prevents Delinquency

By J. Edgar Hoover, Director, Federal Bureau of Investigation

I AM CONVINCED that the only time to strike a telling blow at evil is during the period of youth when our boys and girls are being molded into manhood and womanhood. At that time they are at the crossroads of life. They can follow one of two courses—the bitter path of crime or the straight one of honesty and decency.

If we want a strong citizenry in the future, the home, as the natural abode of the family, must become the first arena of learning. Here errors should be eliminated and the daily work of building character must be carried on without fail.

Hoover

THERE CAN BE no greater influence than the moral force of the home. If we care to make truth, character, honesty, and faith the guides to righteous living, then the home must teach these responsibilities.

A weak family life serves as a springboard for criminality. A home where family life is unstable is a home without order and discipline and, therefore, a home without respect for law. Where there is no respect for law, there can be no love for God.

A HOME MUST BE a bulwark of protection, a temple of love, and an arena of Christian decency. The home must be a cradle

of simple faith where youthful minds are instilled with the thought that without God they cannot hope to live justly with their fellowmen.

We must return to the days when family life was simple and sincere. We must return to the beautiful, refreshing custom of family prayer. The family that kneels together in common prayer builds a fortress against the angry waves of evil and temptation.

I AM CONVINCED that evil in the world will be reduced to the realm of insignificance if families return to daily prayer. Prayer brings out the best in man. It brushes aside the curtain of doubt and creates before our eyes the greatest of human dramas.

A man at prayer is a man who subjects himself to God, who recognizes that God is the beginning and end of all things. A man at prayer is a teacher. His every act reveals that he is a creature of God's creation, a servant of the All-Powerful, and one who has a destiny to fulfill if he is to reach one day the plane of ultimate happiness.

THE TIME HAS COME for all of us to rededicate our hearts to the mandate, "Thou shalt love the Lord thy God with thy whole heart, with thy whole mind, with thy whole soul, and with all thy strength, and thy neighbor as thyself."

Why not let God know every day that we are willing to do this?

† Poultry Feature Service, Washington 17, D. C.

Doing nothing is the most tiresome job in the world because you can't stop and rest. A good citizen is a person who would behave just as he does if there were no laws.

MUESTER STATE BANK

A GOOD BANK TO BE WITH

ly from the different nations enslaved by Communism but with fundamentally the same story: the anti-human nature of life under Communism. The basic conclusions from their cumulative testimony under oath cannot be questioned. It was a tragic parade of witnesses—people from another world, a dreadful world of mass murder, and anonymous graves, of concentration camps, torture prisons, slave labor camps, and ever present secret police; and hatred—hatred beyond the comprehension of us Americans."

Red Brutality

In nation after nation, as they took over, the Communists treated the people brutally. "As soon as the Communist controlled Red Army, infiltrated and dominated as it was by political commissars and elements of the NKVD, entered any area," the report said, "terror, robbery and violations of women and children became the order of the day. The people learned through bitter experience that the Communists would do whatever they wanted to do without regard for any laws, ethics or moral codes. The people also learned that any opposition . . . meant certain imprisonment or death."

Here's another fact about Communism which many Americans find hard to believe: "Mass deportations," our Congressmen report, "are a prime Communist technique of destruction. They serve as a forerunner to a life of misery in a slave or forced labor camp. More than 15,000,000 people are detained in such camps in the U.S.S.R. itself. Human slavery is an integral part of the economy of the U.S.S.R. and it is organized on a more absolute, ruthless, and efficient basis than ever before known to mankind. Complete evidence and documentation in the form of maps, charts, and statistics covering this subject have been made a part of the committee's record."

Mass Murder

Another excerpt: "In 1943, after the Communists had been driven out of the Ukraine and that nation was under Nazi occupation, the people of Vinnitsia expressed their concern over the great number of people who previously, under the Communist occupation, had entered the NKVD head-

quarters. These people were never heard of again . . . this led to an investigation: a total of 38 mass graves were discovered containing the remains of over 10,000 farmers, artisans, workers, and intellectuals . . . This terrible crime of mass murder has become known as the Vinnitsia Massacre. Estimates were given to the effect that more than 200,000 Ukrainians fell victims to this particular phase of Communist mass murder."

What can American citizens do? For years, I have been urging citizens to read reports of all Congressional committees exposing Communism. Read the report and give your assistance to the loyal, patriotic Americans who are working to develop this information so vital to our security.

You'll never get indigestion from swallowing your pride occasionally.

Marysville News
 By Mrs. Herman Richey

Mr. and Mrs. John M. Barnes and daughter Donna have moved to Gainesville to make their home. Raymond Davison is the new owner of the Marysville store, formerly owned by Barnes. He moved here from Fort Worth.

Wendell and Hubert Richey, Don Ray Moon and Donny Whitt were Wichita Falls visitors Tuesday evening and stopped to see Mary Nell Hellman there.

Mr. and Mrs. Coy Fite of Ringgold visited the John Richeys Thursday.

Mr. and Mrs. Robert H. Moore and daughters of Houston visited her grandparents, Mr. and Mrs. B. G. Lyons, the past week.

Mr. and Mrs. Jess Davison had as weekend guests the J. D. Cooks of Fort Worth and the Jack Cooks and daughter Jacqueline of Boyd.

The Herman Richeys and daughter Linda visited the Will Richeys at Saint Jo Sunday.

Marysville Club Elects Officers

Mrs. John Richey was re-elected president of the Marysville Home Demonstration Club during a regular meeting Friday afternoon when officers were chosen for a new year.

Other re-elected officers are Mrs. Earl Robison, secretary; Mrs. Lawton Moon, parliamentarian; and Mrs. Charles Davidson, council delegate.

New officers are Mrs. Herman Richey, vice president; and Mrs. Jesse Richey, reporter.

Members met in the club house with Mrs. Lawton Moon as hostess. After business Mrs. Bill Moon conducted the recreational hour and Mrs. Jesse Richey won the game prize.

Members were reminded to turn in their annual reports at the next regular meeting on Oct. 8.

 FRIENDLY SERVICE

To The Property Tax-Paying Voters Of Cooke County

We all have a stake in the Special Election to be held next Saturday, October 2nd, and it is for this reason we desire to discuss briefly with you the proposed tax increase to then be voted on.

While we favor our County providing without delay all necessary right of way for the improvement of existing highways as well as new ones and F. M. roads, we are unable to understand why we should be asked to authorize a ONE HUNDRED PER CENT increase of the Road and Bridge Fund tax, or several times the amount we are told is needed for such purpose.

The funded debt of the County is now \$118,000, payable \$24,000 in 1944, \$21,000 in 1956, \$18,000 in 1957, \$17,000 in 1958, \$10,000 in 1959, and \$7,000 annually thereafter for four years until it is retired in 1963; and the tax valuation of the County as recently fixed by the Commissioners' Court is \$36,774,170, including homestead exemptions of \$5,356,410, leaving \$31,415,760 to which the proposed tax increase will apply. Such tax increase on this valuation will amount to \$94,247.08 annually. However, since 1936 the tax valuation of our county has increased from \$14,971,750 to \$36,774,170, or in excess of \$21,000,000 or an average of more than \$1,000,000 annually, including an increase for the present year of \$794,090; but if the annual average increase in such valuation during the next ten years is only \$500,000, the proposed 30c tax increase will amount to \$1,017,472.80 in taxes to be paid. **And the tax increase is not limited to ten years, but will continue indefinitely.**

During the past 12 years our County has not expended more than \$150,000 for right of way, and the Highway Department has estimated the cost of the additional right of way now needed for Highway 82 East of Gainesville at \$100,000. And in this connection the right of way needed for 10.8 miles of such highway East of Gainesville is far less than the 19.48 miles of right of way purchased by the County for Highway 77 at a cost of little, if any, more than \$100,000. But \$150,000 has been suggested by the proponents of the proposed tax increase as an amount that may be needed for purchasing right of way in the near future, and so let us use such figures. At the present tax valuation and with the existing funded indebtedness of our County, \$150,000 can be financed over a period of ten years, payable \$10,000 annually during the first five years and \$20,000 annually during the next five years with a 5c additional tax, and without reducing or in any way interfering with the amounts available for the maintenance of roads and other county purposes. And while such would cost the County in addition to the \$150,000, \$28,500 in interest at 3 per cent, although a part of the present funded debt is being financed at 1-3-4 and 2-1-2 per cent, it would be \$837,972.70 less, or only 1-6 of the 1,017,472.70 which we have shown may be expected from the proposed 30 cent tax increase. And for what purpose is this additional \$839,000 to be used? Have you been told? To say that the entire 30 cent tax, if authorized, will not necessarily be levied each year is contrary to experience, and our long established practice of limiting the tax rates and the indebtedness of our local, state and federal governments. Until 1951 the constitutional limit on the tax for the Road and Bridge Fund of a county was 30 cents, including a regular tax

of 15 cents and an additional special tax of 15 cents if voted by the people, and who can recall when the maximum 30 cent tax was not levied?

A tax increase of 10 cents would likewise easily finance \$300,000 for the desired purpose, and such is far more than anyone has estimated as needed.

The only argument we have heard for a 100 per cent increase in our Road and Bridge Fund tax is to place our County on a cash basis, and while everyone would commend such being done under our present tax rate and valuation, to do so with a tax increase and additional annual take of some \$85,000 will not benefit but on the contrary be an added burden to all of us.

Our County Government is of no greater or less importance than our school districts, city and federal governments, and each of them might with equal reason ask that we likewise place them on a cash basis. And while our State Highway Department and Federal Bureau of Public Roads are repeatedly advising us they are without sufficient funds to build desired highways, do you favor a 100 per cent increase, or doubling our present 6 1-2 cents per gallon gasoline tax to provide additional funds for such purpose.

Other facts which should be borne in mind:

1. The tax included in the Budget just adopted by the Commissioners' Court for the \$85,000 right of way bond issue authorized by an election in 1946 is only 2 1-2 cents.

2. The estimated receipts of the Road and Bridge Fund in the 1954 Budget is \$286,820 as compared with such receipts in the 1937 Budget of \$105,000, or 2.75 times more now than 17 years ago.

3. The State has already assumed the maintenance of 120 1-4 miles of County roads, and relieved the county of such expense, and has plans to take over an additional 97 miles under its Farm-to-Market Road Program.

4. By extending the maturities of the present funded debt of the County, the required right of way funds can be provided without any additional tax and without reducing, or in any way interfering with, the present amounts appropriated for the maintenance of county roads and other county purposes, although we are not advocating such.

5. According to a news item in Monday's paper, Hamilton County has reduced its tax rate for all purposes in the past three years from 70 cents to 54 cents and we are asked to increase our tax for the Road and Bridge Fund alone to 60 cents.

It is our considered opinion that the majority of the few who voted against this tax increase in the recent election, voted wisely, and we urge you to join with us in voting likewise on the resubmission of the same question, and upon the rejection of this 100 per cent tax increase, we will be glad to join with you in voting for a reasonable increase of 10 cents, which we believe will provide more than twice as much as has been required during the past twelve years for right of way, and more than twice as much as now needed. And if in the future still additional funds are necessary, we shall be glad to then again join in authorizing them.

Respectfully submitted by the following Cooke County taxpayers:

NOTICE OF BOND ELECTION
THE STATE OF TEXAS
COUNTY OF COOKE
CITY OF MUESTER

TO THE RESIDENT QUALIFIED PROPERTY TAXPAYING VOTERS OF THE CITY OF MUESTER, TEXAS:

TAKE NOTICE that an election will be held in the City of Muenster, Texas on the 23 day of October, A.D. 1954, on the propositions and at the place more particularly set forth in the election order adopted by the City Council on the 24 day of September 1954, which is as follows:

WHEREAS, the City Council of the City of Muenster, Texas deems it advisable and to the best interest of said City to submit to the resident qualified property taxpayers voters of said City the proposition for the issuance of \$25,000.00 bonds of said City for the purpose of constructing extensions and improvements to the waterworks system of said City, and the proposition for the issuance of \$25,000.00 bonds of said City for the purpose of constructing extensions and improvements to the sewer systems of said City;

THEREFORE, BE IT RESOLVED AND ORDERED BY THE CITY COUNCIL OF THE CITY OF MUESTER, TEXAS:

That an election be held in the City of Muenster, Texas, on the 23 day of October, 1954, at which election the following propositions shall be submitted to the resident qualified property taxpayers voters of said City, who own taxable property in

said City and who have duly rendered the same for taxation, for their action thereupon.

PROPOSITION No. 1
Shall the City Council of the City of Muenster, Texas, be authorized to issue the bonds of said City, in the sum of \$25,000.00, payable serially not to exceed thirty (30) years from their date, bearing interest at a rate not to exceed three and one-half (3½%) per cent per annum, and to levy a tax sufficient to pay the interest on said bonds and create a sinking fund sufficient to redeem them at maturity, for the purpose of constructing extensions and improvements to the waterworks system of said City, as authorized by the Constitution and Laws of the State of Texas.

PROPOSITION No. 2
Shall the City Council of the City of Muenster, Texas, be authorized to issue the bonds of said City, in the sum of \$25,000.00, payable serially not to exceed thirty (30) years from their date, bearing interest at a rate not to exceed three and one-half (3½%) per cent per annum, and to levy a tax sufficient to pay the interest on said bonds and create a sinking fund sufficient to redeem them at maturity, for the purpose of constructing extensions and improvements to the sewer system of said City, as authorized by the Constitution and Laws of the State of Texas.

The said election shall be held at the City Hall Building, in the City of Muenster, Texas, with L. A. Schoech as Presiding Judge, L. A. Bernauer as Assistant Judge, and Evelyn Stewart and Roy Endres Jr., as Clerks.

Said election shall be held under the provisions of and in accordance with the laws governing the issuance of municipal bonds by cities, as provided in the General Laws of the State of Texas, and only qualified electors, who own taxable property in the City and who have duly rendered the same for taxation, shall be qualified to vote.

The ballots for said election shall have written or printed thereon the following:

OFFICIAL BALLOT
"FOR THE ISSUANCE OF THE WATERWORKS SYSTEM BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF, AS SUBMITTED IN PROPOSITION No. 1."
"AGAINST THE ISSUANCE OF THE WATERWORKS SYSTEM BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF, AS SUBMITTED IN PROPOSITION No. 1."
"FOR THE ISSUANCE OF THE SEWER SYSTEM BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF, AS SUBMITTED IN PROPOSITION No. 2."
"AGAINST THE ISSUANCE OF THE SEWER SYSTEM BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF, AS SUBMITTED IN PROPOSITION No. 2."

As to each of the foregoing propositions each voter shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indicating his vote on the propositions, respectively.

A copy of this resolution and order signed by the Mayor of said City and attested by the City Secretary, shall serve as proper notice of said election.

The Mayor is authorized and directed to cause said notice of election to be posted at three public places in said City, one of which shall be at the City Hall, for at least fifteen (15) full days prior to the date of said election.

The Mayor is further authorized and directed to have said notice of election published in the MUESTER ENTERPRISE, a newspaper published in the City of Muenster, Texas, and which notice shall be published on the same day in each of two (2) successive weeks, the date of the first publication being not less than fourteen (14) full days prior to the date of the election.

PASSED AND APPROVED, this the 24 day of September, A.D. 1954.
(SEAL) Urban J. Endres
MAYOR, CITY OF MUESTER
ATTEST: Anthony F. Luke
City Secretary

District Contest in Grass Judging Won By Tioga FFA Team

Twenty-four teams made up of 91 individuals Saturday participated in the fourth annual Upper Elm-Red Soil Conservation district sponsored grass judging contest in which the Tioga FFA chapter won first place honors in both team and individual events.

Finishing in second and third place in the senior contests were Howe FFA chapter second and Whitewright FFA third.

Finishing second and third, respectively behind the first place Tioga team in the junior division were Tom Bean and Sherman FFA chapters.

Plaques were presented to winning teams and medals to winning individuals by Supervisors J. W. Hess of Muenster, Willard Kemplin of Valley View, Henry Reynolds of Nocona and Rush Freeman of Southmayd.

After the judging the boys were taken on a field trip to the Wright Ranch. Emmitt Yoder of the Muenster SCS work unit conducted the tour.

Teams represented were Saint Jo, Callisburg, Sherman, Muenster, Era Tioga, Goldburg, Tom Bean, Whitesboro, Whitewright, Howe and Gainesville FFA chapters and 4-H club teams from Cooke and Grayson counties.

A Frog Story

You may have heard about the frog who found himself caught in a very deep rut on a country road, and though his friends tried with might and main to help him get out, their efforts were to no avail. And at last they left him in deepest despair.

The very next day one of these friends was hopping along that country road, and whom did he meet but the very same frog who the day before had been hopelessly stuck in the rut of the road.

"Well, I'll be a tree toad," the friendly frog said. "I thought you were stuck in that rut for good, and couldn't get out."

"That's right, I couldn't," the first frog said, "But a truck came along, and I had to."

It is exciting to ponder over just what would happen if all of us used even one day the total power of all our resources, which we usually use just when we think we have to.

In All The World

No one is more understanding or more qualified to serve you

Monthly Wage, \$294; Estate \$1 Million

Millions of American wage and salary earners are part owners of some of our biggest factories and firms by virtue of having saved some of their earnings and invested them in shares of corporate stock. And they're not necessarily high-bracket people, either. As, for instance—

In Los Angeles, Calif., lived a quiet, modest, retired school teacher named Olaf Halvorson who received a small pension. When he died recently, it was found he had accumulated nearly \$1,000,000 through his investments. His salary had never exceeded \$294 a month.

TERROR on a TRAIN
 Glenn FORD - Anne VERNON

Hornets Win - - -

way. Next time the Hornets held on the first series of downs and Whitt returned about 25 to the 16, then took Richey's handoff on the first scrimmage play and toted it over.

With less than half the quarter gone, Hosea sent out his youngsters again. And they had scoring notions. On the kickoff that followed Muenster recovered a Nocona fumble on the 33. Four plays later Jerry Wimmer dashed 18 yards for the score.

Finally it was Nocona's turn. Starting on their own 30 the visitors racked up two first downs before losing the ball on downs. But a moment later, after a Muenster fumble, they were back in business. Jameson ended the 70 yard march by crashing over from the 2.

The Little Hornets snapped back with fury as Hellman returned the kickoff 37 yards to the Nocona 43. Five plays later Biffle got loose for a 23 yard dash to the goal. They were on the march again, to the visitors' 15, when time ran out.

Considering the opposition, it is hard to say that the first stringers played a good game. Gains came too easy. But the youngsters generally were working for what they got. Hellman, Biffle, Wimmer and Hubert Richey showed up as good prospects for the Hornet backfield of the future. Cain, Kaderli, Flusche and Swirczynski were all stout in the line.

Score at a glance:

	M	N
First downs	9	6
Yds. rushing	241	80
Yds. passing	42	33
Passes tried	6	12
Passes completed	3	4
Passes intercepted by	4	0
Fumbles lost by	3	3
Yards penalized	45	30

Tigers Win - - -

play after play. Moments later they were advancing through the big Sherman line. Four tries netted 28 yards and two first downs, but the visitors called a halt then.

That's how it went for the rest of the contest. Both teams gained frequently but neither was able to put on the sustained drive that pays off on the score board. Nevertheless Sacred Heart came out with the better record in the end. It had a net gain of 176 yards and 10 first downs. Sherman had 111 yards and 9 first downs.

Late in the last quarter the visitors seemed practically assured of their long awaited TD. Dykes had got loose on a 33 yard gain before Hofbauer nailed him on the 27. Six plays and 5 yards for free, on a penalty, set the Bearcats up on the 6 with 4 downs to go. Three of those downs averaged a yard apiece and a pass attempt on the fourth was incomplete.

Another scare for Tigers and their fans came early in the second half as McCord took Beck's pass and headed for the goal. Herr caught him on the 31 after a gain of 42 yards.

With the exception of Hofbauer's spectacular kick return the Tigers made no big gains. The best was an 11 yard scamper by Herr. Small gains were frequent, however. Tiger backs had a good record of getting through the line even though they could not evade the secondary.

A possible handicap for the lads was the complete failure of their passing game. In fact it was one cause of their troubles. Of their seven attempts none were completed and three were intercepted. Sherman also lost the ball three times, on two fumbles and one interception.

Herr and Walter were the consistent ground gainers for the Tigers . . . with the help of some mighty stout playing in the line. Defensively H a v e r k a m p, Hofbauer and Sylvan Walterscheid were the standouts. They generally stopped plays at the line and broke through frequently to smear them behind the line.

The game at a glance:

	SH	S
First downs	10	9
Yds. rushing	176	111
Yds. passing	0	54
Passes tried	7	9
Passes completed	0	2
Intercepted by	1	3
Fumbles lost by	2	0
Yds. penalized	30	0

more than \$158,000. Licenses, gas taxes, valuations . . . all the sources of revenue . . . more than doubled. And every indication is that the fund will continue increasing proportionately every year. According to 1954 valuations the county's tax revenue alone will increase by about \$4,500 this year.

Of course we must admit that costs have gone up also. But have they increased any more than the revenue? Are they any more than 2½ times as high as in 1940? The voter can decide that one for himself.

Retirement of bonds will gradually make more money available to the road and bridge fund. Every year or two for the next nine years a series will be paid out, releasing a few thousand more into the fund. At the end of this year the county will pay \$24,000 on bonds and the payments drop fast each year until the 1959 payment of \$10,000. After that \$7,000 more each year until 1963 will wipe out the debt.

With such possibilities of increased revenue in sight it hardly seems necessary to approve a tax which would add \$94,247 to the fund this year and increase by a few thousand dollars every year.

Meanwhile another factor works in the county's favor. Over 94 miles of F-M roads have been built, another 26 miles are approved or under contract, and 97 miles more are proposed. 120 miles of the county's busiest farm roads have already been turned over to the state for maintenance and 97 more are expected to be added. That relieves the county of thousands of dollars of its most expensive maintenance cost. In that respect costs go down while revenues go up.

Another fact concerns the clamor for the tax increase as a means of providing \$100,000 for right of way on Highway 82. County records show that 2½ cents of the present road and bridge tax is set aside for payments on \$85,000 of bonded indebtedness. But 30 cents tax is asked to support the \$100,000 proposed debt. That doesn't quite figure out . . . unless the plan is to pay it out in slightly more than one year.

Of course it is admitted that some extra money for a stepped up lateral road program is desirable. We could use some money for that, some for right of way. But considering prospects of increased revenue in years to come, can we see the need for a 30 cent tax raise? That is the question voters will answer Saturday.

European Tour - - -

spoke in Spanish, Italian, French, German and English.

To the American service men he said that in their occupation they have a chance to see different countries, customs and peoples, and told them to try to understand the customs and people and live with them in peace. After this he gave the Papal Blessing. The audience was the best part of the trip, according to Neil, who wrote at length on it. He said he never saw people so enthusiastic.

On the way to Rome they saw the Church of St. Anthony of Pauda and spent a day in Venice where they had a ride in a gondola.

On the way back they saw the Leaning Tower of Pisa, then spent a couple of days in Switzerland . . . and made it back to camp just in time. Neil had 10 days, and Mitchell had 15 so he went back to Wiesbaden with Neil. Mitch is stationed at Hanau.

FORDOMATIC TRANSMISSIONS

We have just installed special equipment to service Fordomatic transmissions . . .

AND Jack Tuggle has had special Ford training . . . and has received a Ford Motor Company certificate . . . on servicing the Fordomatic transmission.

SO come and see Jack if your Fordomatic transmission needs attention.

Tuggle and Yosten Motor Co.
