

Most of the folks around here could hardly believe their eyes Monday morning. There was no rubbish on the streets. No wrecked cars blocking the doors of business houses. No buildings smeared with paint nor windows marked up with soap. Monday was just another day, not the nightmarish spectacle that has been the traditional mark of Halloween in this town as far back as most memories can reach.

It finally looks as though the big kids of Muenster are catching up with their age and leaving Halloween for the group of tiny tots who are more interested in treats than tricks. And the change is most welcome. Because the tricks we've been seeing for so many years were nothing but the same old monotonous variations of vandalism. There was nothing funny about them. Just a meaningless mess of trouble and expense imposed on the unfortunate victims of the horse-play. The only pleasure ever derived from them was the kind that is based on the misery or discomfort of another.

Credit for the change rightfully belongs to Deputy Sheriff Bill Morris. He lost a lot of sleep keeping up with the pranksters and keeping them informed just what kind of stunts might be regarded as vandalism. He said it wouldn't do to drag wrecked cars down the street. Damage to pavement could not be allowed. He had the same advice against cluttering streets and property. Cleaning up costs someone in time and money. He reminded them too that Halloweeners could be held responsible for their damage. Of course, there was no objection against good clean fun, but the pranksters' big trouble was in figuring out a stunt that came under that heading. So nothing was done.

Little kids had less trouble with Morris. At first a few scotched when they spotted him but word got around before long that he was as good a touch as any for a handout. After that they were flagging him down and demanding their treats.

That's as it should be. Halloween is for the kiddies. It's the one night of the year when they have a right to prowl the neighborhood in outlandish rigging and put the bite on their elders for cookies and candies. That in itself is quite a thrill, and there's a practical side to it, too. The supply of sweets some of those tykes accumulate is amazing. They don't fool around with small bags. And some have been known to use more than one bag during the expedition.

Halloween is fine as long as that attitude prevails. But when kids start concentrating more on tricks than treats, especially if the tricks are vandalistic, it's time for them to quit. It isn't clean fun any more then, just plain cussedness.

When voting on constitutional amendments, the general rule around here seems to be "when in doubt vote against it." From the taxpayer's angle that isn't so bad, either, because so many of the amendments provide another means for spending money with consequent raises in taxes.

It seems, however, that we are going to an extreme in applying that rule and voting against some amendments that we would actually favor if we took the trouble to read them.

For instance, Number 6 on the list in Tuesday's election. It would prohibit the legislature from risking state money in any way on privately constructed toll roads. Really, now, how many of us honestly oppose that proposition? Well, we voted against it by a 2 to 1 majority.

Another one. How many of us think we have a right to tell large counties whether they may build county hospitals? The amendment proposed a change of law so that those counties could decide the question for themselves. How many read it before voting against it?

And another: the amendment permitting small counties to decide whether they wish to elect a tax assessor-collector. How many read it before voting against it?

For the good of all the state it should be more generally realized that the legislature isn't necessarily trying to slip over a

(Continued on Page 10)

MAYOR URBAN ENDRES and officers of the Muenster CYC unit officially usher in National Catholic Youth Week, Oct. 31-Nov. 7, as the mayor signs a proclamation declaring the week 'as Catholic Youth Week in Muenster. With Mayor Endres as he affixes his name to the document are (left to right) LuRose Henschel, treasurer; Caroline Hesse, president; Frances Knabe, vice president, and Georgia Ann Hartman, secretary.

Muenster-Sanger Clash Friday Will Decide 10-B Lead

The trophy of District 10-B will be at stake Friday night when Muenster and Sanger, top contenders for the honor and the only undefeated teams in district competition, will battle for supremacy on the Sanger field.

It isn't a cinch that the game will decide the title, but it is a strong probability. After this tussle both outfits will be strong favorites to take the remaining two games on their slates. So, as the signs are pointing now, this is the game of the season for each of the clubs.

According to past performances the speedy Hornets should be slight favorites over the much heavier Indian team. They have a perfect record of seven decisive victories to their credit whereas the tribe has been set back twice, by Lewisville and Keller. Besides the Hornets show up better in comparative scores with common foes. They beat Pilot Point 25-6 and Callisburg 26-6 whereas Sanger's wins were 12-6 and 13-0 respectively.

However, injuries may offset all the apparent advantage indicated by past performance. The Hornets have the misfortune of entering their big game in their poorest physical condition. Wendell Richey, starting quarterback, joined Dougherty and Harris on the injured list this week. During Monday's practice he sprained his knee and has been sitting out practice sessions since with the two first string ends. Whether they can get into the Friday lineup, or whether they can remain long if they get in, remains to be seen.

Other members of the Hornet squad are in top condition and concentrating efforts all week on strategy to cope with the terrific tonnage Sanger has lined up against them.

Another handicap for the Hornets loomed up as a possibility Wednesday in an all day light rain. Mud could be a serious hindrance to the speed and maneuverability on which Coach Hosea has built his offense while allowing the Indians to use their superior weight to advantage.

PTA Promotes Six Bit Pancake Gorge

Pancakes with butter and syrup, sizzling bacon, hot coffee—as much as you can eat—that's the menu for the PTA sponsored pancake supper next Monday night at MHS lunch room.

But that's not all. With the purchase of a seventy-five cent ticket for the meal the sponsors are giving free a big box of Pillsbury pancake mix. And there's more—card games and forty-two for entertainment after supper.

PTA hostesses will serve supper continuously between six and nine o'clock.

The benefit is an observance of American Education Week and open house will be held at the school. Tickets for adults and children's tickets at thirty-five cents are available at Fisher's Market, the Charm Shop and Stockmen's Feed Store. They'll also be available at the school Monday night.

Parish Youths to Attend Area CYC Meet at Denison

As a climax to National Catholic Youth Week, Muenster young people will go to Denison Sunday afternoon for a meeting and social to be attended by Catholic boys and girls of the Sherman deanery.

The program will get under way at 1:30 in St. Xavier's Academy with a business session, followed by a guest speaker, Benediction of the Blessed Sacrament, refreshments and a dance.

In observance of the week here Muenster's CYC groups attended mass and received corporate Communion Sunday, and on Wednesday held a business meeting after which sophomores of both schools presented a playlet followed by refreshments and a dance.

Picture of Whitt Blocked by Pickup Used Nationwide

Donny Whitt and the Muenster Hornets have been getting loads of publicity lately from that picture of Donny crashing into a parked pick-up during the Muenster-Saint Jo game.

First evidence of the wide-spread use of the picture came Thursday of last week when Donny received a clipping from a New York paper. Some considerate reader had cut it out and mailed it. Since then other readers, mostly former Muenster folks, have been sending the clipping from all areas of the United States. Cities heard from are New York (in two papers) San Francisco, Los Angeles, San Diego, Dubuque, Des Moines, Peoria, Houston and Wichita Falls.

No report has been received here on the number of papers using it but Curtis Cook, managing editor of the Wichita Falls Record-News states that it was sent out by AP Wire Service to 118 subscribers over the nation. It was one of those rare pictures showing an unusual incident snapped at precisely the right moment by Perry Aycock, staff photographer of the Wichita Falls paper.

On the play Whitt had run beyond the end zone and re-

NEWS OF SICK AND INJURED

William Seyler has been dismissed from M&S Hospital and is back at his home in Valley View recovering from a heart attack. He will be in bed for about two weeks but is permitted to have visitors, his wife reports.

David Haverkamp, son of the Bill Haverkamps, broke his left elbow during football practice last week but didn't know it because it didn't bother him much until this week. Tuesday, X-rays at the local clinic revealed the fracture and the arm will be in a cast for the next several weeks.

John David Fleitman, son of the Bruno Fleitmans, is not at classes in the fifth grade parochial school this week after having his tonsils removed at Gainesville Sanitarium last Thursday.

Agriculture Census Begins in County

Since Monday an official US Agricultural census is under way in this community with Tim Stormer as enumerator for the local area.

Ben Davis, crew leader for Cooke County and the east one third of Montague county, called special attention to the census this week, urging all farmers to fill out as far as they can the forms which were recently sent out by the Agriculture Department. Cooperation in this matter will enable enumerators to finish their work much earlier and also enable the government to get valuable data at its disposal much earlier.

He pointed out that all information given is strictly confidential and has no bearing whatever on a person's income tax status.

The purpose, he said is to get information for use in estimating crop forecasts and crop quotas and also in planning F-M roads.

Tigers to Take On Marietta Indians There Friday Night

The few signs available here this week point to rough going for the Sacred Heart Tigers Friday night when they take a break in their Southwest Academic League schedule to invade the domain of the Marieta, Okla., Indians.

According to Father Christopher, the little information he has on the tribe is based on remarks of the visiting coach after scouting the Tiger-Eagle game last week, remarks which could be interpreted as indicating that Sacred Heart is headed for trouble.

The man mentioned a hope of taking the district class B title and the team's record of five wins and 1 loss. The man also had a confident way of observing that his Braves and the Tigers are about evenly matched and should have an interesting game.

On the other side of the comparison there's the fact that the parochial gridder has revealed considerable ability in winning six out of seven games, some of them against stout competition. Their one loss can be discounted somewhat by the exceptional power of Laneri, which under interscholastic league regulations would probably qualify for a 2A circuit. Besides the Tigers are in top physical condition. Not a single player is handicapped by an injury.

In general, just a few facts stand out and they are probably the best basis for comparison. Both teams are light, both have done very well to date, and both can be depended on for a good performance Friday.

Tigers Get Hot in Second Half; Nose Out Eagles 19-12

In a dramatic second half comeback here Friday night the Sacred Heart Tigers warmed the hearts of their several hundred shivering homecoming fans by rubbing out a 6 point deficit and storming on to a richly deserved 19-12 decision over Catholic High of Texarkana.

To local fans the first half was a sad spectacle, with the visiting Eagles pushing relentlessly to their first touchdown then stopping each of the Tiger attempts to break into the scoring column.

But something happened during the intermission. When Father Christopher's boys got back into action they literally took charge of the field. Their offense roared on to three touchdowns and the defense was superb with the exception of just one slip-up, when the Eagles uncorked a beautiful and sensational pass for 67 yards and the tying touchdown.

The victory is the sixth of the season and the second in Southwest Academic League competition for the Tigers. The only loss was the district tussle with Laneri.

Everything clicked for the Eagles as they headed down the field after the opening kickoff.

Heart Attack Fatal To Wieler Relative

R. B. Shelton, 62, of Denton, husband of the former Miss Anna Wieler of this city, died following a heart attack Monday at about 10:30 p.m. in a Denton hospital. He had been afflicted with a heart ailment for several years.

Funeral services were held Wednesday afternoon at 3 o'clock in the Denton Methodist church with entombment at Hillcrest Memorial Mausoleum in Dallas.

Survivors in addition to his wife are two sisters and one brother. He was a brother-in-law of John Wieler, Mrs. Ervin Hamric and Mrs. Joe Felderhoff of Muenster. Local relatives attended the funeral services.

WITH THE MEN IN SERVICE

Convalescent Leave

S.Sgt. Leroy Schmitz is on a 20-day convalescent leave from Brooks A.F.B. hospital, San Antonio, visiting his father, John Schmitz in Dallas and brothers and sisters including Mrs. Al Horn at Sanger and Mrs. Ray Wilde here. He's recovering satisfactorily from serious injuries received in a car crash in San Francisco, Calif., in August.

On Leave Before Transfer

Pfc. Roger Wolf and Pfc. Larry Walterscheid are at home on leave until Nov. 12. They're being transferred from Fort Bliss, El Paso to Fort Hood for further assignment.

Seabee On Leave

Seabee Floyd Lehnertz arrived here Sunday after spending 25 months in the Philippines and will go to Japan on his next assignment. He reports back to the west coast on Nov. 21 and until then is the guest of his parents, Mr. and Mrs. Joe Lehnertz.

Living Rosary At Camp

Lt. Virgil Walter, stationed at Fort Devens, Mass., writing on Oct. 27 tells of participating in a Living Rosary that night when Bishop William Arnold, former chief of chaplains of the Army, was a guest at the camp. Some one thousand men took part in the actual forming of the rosary, he said. In his letter Virgil included a clipping from the New York Times with Donny Whitt's picture, taken at the Hornet-Panther game in Saint Jo.

Settled At Fort Hood

Cpl. and Mrs. Danny Haverkamp are settled at Fort Hood to make their home. They returned from their wedding trip Friday, and spent the weekend here with family members.

Get Promotions

Maurus Rohmer and Raymond Hesse, stationed with the army in England, recently received their first promotions and are now privates first class. They have been together since their entry in the service and are still serving in the same anti-aircraft battery.

Home From Korea

Gilbert Yosten returned to Muenster Friday after receiving his discharge from the army at Fort Bliss the preceding day. He was in the service since January 1953 and on duty in Korea for 15 months, arriving there in time to participate in front line action with the 45th Infantry Division a week or so before the armistice. He is the son of Mr. and Mrs. N. J. Yosten who still have one son in the service, Marine PFC Meinrad Yosten now at Camp Pendleton, Calif.

Sends N. Y. Times Clipping

PFC Julius Hess, stationed at Fort Hamilton, N. Y., was among those who remembered the Enterprise with a clipping of the picture of Donny Whitt's contact with a parked pick-up truck at the Hornet-Panther game in Saint Jo. "It was quite a surprise, coming across that picture in the New York Times," he wrote. Julius is the son of Mr. and Mrs. Henry Hess of Lindsay.

Duty In Korea

PFC Murlin Joe Evans is settled in Korea with the 1st Marine Division in which PFC Jerry Hoenig also serves. The boys arrived there recently at Inchon harbor aboard the attack transport USS Pickaway.

Democrats Win, Amendments Lose In Light Vote Here

Muenster joined the rest of Cooke County in staying away from the polls Tuesday, and turned in one of the lightest votes in the community's history. The North Muenster box polled a total of 123 and the south box polled 41, considerably less than one fourth of the area's possible voting strength. By comparison, the north box had 530 votes in the August run-off.

Of those voting many did not finish the ballot, some indicating their votes for a few individual candidates and leaving the rest of the list unmarked. Some ballots were marked for candidates only, some for amendments only.

In general, those who voted for candidates voted a straight Democratic ticket. Republicans got a few votes for top offices where candidates names were listed. Most of the other offices averaged 98 votes in the north box and 35 in the south box.

Most of the amendments got rough treatment here, four being favored by majorities and six being opposed.

A summary of the local vote on amendments in the two boxes is as follows:

- No. 1. Old Age Assistance: For 39.9; Against 64, 26.
- No. 2. Retirement System: For 32, 3; Against 65, 33.
- No. 3. Social Security Coverage: For 31, 10; Against 70, 22.
- No. 4. State Building Fund: For 71, 22; Against 29, 14.
- No. 5. Salary Raises: For 43, 5; Against 53, 32.
- No. 6. Prohibiting Aid to Toll Roads: For 36, 8; Against 61, 27.
- No. 7. Women on Juries: For 44, 6; Against 53, 24.
- No. 8. Four Year Terms: For 55, 13; Against 42, 23.
- No. 9. Hospital Districts: For 32, 4; Against 65, 25.
- No. 10. Military Voting: For 64, 17; Against 30, 18.
- No. 11. Assessor-Collector in Small Counties: For 51, 7; Against 31, 20.

Hornets Crush Era On First 2 Plays, Coast to 27-0 Win

Two explosive and sensational touchdowns on Muenster's first two offensive plays gave a terrific jolt to Era's aspirations Thursday night and Coach John Hosea's boys rambled on to an easy 27-0 victory.

A bad defensive start by Muenster had allowed the visitors three successive first downs and a gain of 34 yards for their deepest penetration of the game, to the Muenster 28. But the defense held there and the Hornets took over on downs on their 35.

Then the fireworks started. On the first offensive play Noggler took a delayed handoff from Richey, broke through a wide open line and headed goalward, alternately sprinting and side stepping. Near the Era 40 two defenders challenged him until Whitt disposed of one with a beautiful block. Noggler outmaneuvered the other and breezed to pay dirt.

Back on defense the Hornets forced a kick on the first series of downs and took the offense on their own 40. On another delayed

(Continued on Page 10)

SCHEDULE OF COMING EVENTS

THURSDAY, Nov. 4, MHS pep rally, 7 p.m.

FRIDAY, Nov. 5, Hornets vs Sanger Indians, there, 7:30.

FRIDAY, Nov. 5, Tigers vs Marietta Indians, there, 8 p.m.

SUNDAY, Nov. 7, CYC program in Denison, starts at 1:30 in St. Xavier's Academy.

SUNDAY, Nov. 7, St. Anne's Society meets, 2 p.m.

MONDAY, Nov. 8, PTA sponsored pancake supper at MHS lunch room, starts at 6 p.m.

MONDAY, Nov. 8, VFW Auxiliary meeting, 8 p.m.

TUESDAY, Nov. 9, Muenster Pee Wees vs Valley View kids, here, 1 p.m.

WEDNESDAY, Nov. 10, CDA meeting, K of C Hall, 8 p.m.

Local News BRIEFS

Mr. and Mrs. Dick Cain had as weekend guests Rev. and Mrs. Glen Bridges and their two-year-old adopted Brazilian daughter Glenda, temporarily living in Fort Worth before beginning another missionary tour to Brazil in February. Rev. Bridges has been a Brazilian missionary for the past five years. The little girl, adopted when she was five weeks old, speaks both English and Brazilian. Sunday night Rev. Bridges showed slides at the Baptist church and talked about his missionary work in Brazil. Rev. and Mrs. Bridges are former residents of Myra.

The Albert Hoehns and daughter Kathy of Fort Worth visited here Sunday with his sister and

family, the Ed Clers, then went to Nocona to see the Jack Hoehn family before returning home.

Miss LaQuita Cain of NTSC, Denton, spent the weekend at home with her parents and family, the Dick Cains.

Mr. and Mrs. Ed Starke, recently married couple, and her children Joy, Gaylord and Linda Brown visited here Sunday with his brother and family, the Joe Starkes and were honored with a dinner at noon. Other out of town guests present were Joe Starke Jr. of Wichita Falls, and Miss Jo Ann Starke of Oklahoma City. The Ed Starkes live in Nocona.

The six 4-H Clubs at Sacred Heart school held meetings Wednesday afternoon with the program featuring slides of rural scenes in Cooke county. County agents met with the groups.

Edward Starke left Monday for Colorado to be employed.

SPOOK PARTY NETS \$350
A nice attendance at the public school Halloween party Saturday night gave a nice financial lift to all the classes and two organizations. The net total for all the various funds amounted to about \$350. Each of the classes and the FFA and FHA had its separate concession for the party.

INVITATION TO SAINT JO FLOWER SHOW AND FAIR
Saint Jo Garden Club members have extended a general invitation to Muenster residents to attend the Community Fair and Flower Show annually given under their auspices.

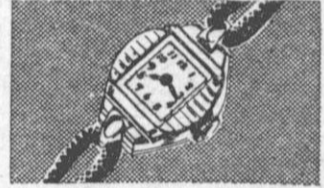

The two-day event will be held on November 12 and 13, next Friday and Saturday.

Pantomime Rates Spook Party Raves

A hilarious pantomime, "Fashions Around the Clock at Muenster High," closed the MHS Halloween carnival Saturday night. The show wa directed by Mrs. H. H. Homsley and was narrated by LuRena Wolf.

Much of the comedy resulted from the costumes of the participants—the boys modeled feminine apparel and the girls in turn wore boys' clothes—while other laughs resulted from their actions. Without ever saying a word they performed as Miss Wolf narrated.

The curtain opened on an early morning scene with housecoats and curlers, moved through farm chore time with its milking, feeding, off to school rush, catching the bus, chatting with friends before class, and closed on a high note with the crowning of the football queen. Superintendent Homsley, portrayed by Evelyn Haverkamp, did the honors. Lambert Walterscheid was the queen, Hubert Richey a majorette, Margie Reiter and Harriet Otto, football co-captains, and Dee Kaderli and Dickie Cain, cheer leaders.

Other actors in the various scenes were Wylie Lewis, Mary Pick, Helen Fisher, Mary Lu Vogel, Janice Klement, Larry Kathman, Douglas Dougherty and Jerry Wimmer.

A between-scenes musical selection was given by Marcy Klement, vocalist, and LuRena Wolf, pianist. Their number was "A Change in Me."

Pee Wees Tie 7-7 In Valley View Tilt

Weldon Holland's Pee Wees of the public school elementary grades came back from Valley View Tuesday afternoon with a 7-7 tie and a strong feeling that they would have won with another minute or two of time. As the half time whistle blew they were on the Valley View 10 with fine prospects of carrying their drive the rest of the way.

Slow motion and short periods combined to restrict each of the teams to two drives in the game. Valley View took up the first quarter advancing the ball after kickoff to the Muenster 4, where the Pee Wees took over on downs. The Pee Wees used the next quarter getting back as far as the 10.

In the third quarter Hellman, Wimmer and Harris took the ball all the way, Hellman scoring and adding the point on two quarterback sneaks. Valley View mixed passes and line plays in the 4th quarter drive that ended with a crash through center from the 3 and scooted around end for the extra point.

The same teams will have a return game here next Tuesday afternoon at 1.

Both teams are composed of kids to the seventh grade. Normally eighth graders also play on Holland's team but they were left out of these games to comply with the Valley View grade limit. Over there eighth graders play on a junior team with high school freshmen and the elementary team is confined to seventh graders and under.

Famous Southern Pie for Company

Reputations are made with this luscious pecan-and-Karo filling!

Here's a conversation-making dessert, a pie that's a real stunner! Eyes light up, and requests for the recipe are sure to follow the first bite. Pecan Pie is a Southern heirloom recipe, so delicious that it has gained country-wide fame, simply on the strength of its mellow, luscious flavor. This easier-than-ever recipe makes it as simple to fix as a package dessert.

PECAN PIE

- 1/2 recipe pastry
- 2 eggs, beaten
- 1 cup Karo Syrup
- 3/4 teaspoon salt
- 1 teaspoon vanilla
- 1 cup sugar
- 2 tablespoons melted butter or margarine
- 1 cup pecan meats

Roll pastry 1/8 inch thick. Line a 9-inch pie pan. Mix remaining ingredients together, adding pecans last. Pour into pastry shell. Bake in hot oven (400° F.) 15 minutes; reduce heat to moderate (350° F.) and bake 30 to 35 minutes longer. *If salted nuts are used omit salt in recipe.

SH Cubs Lose 21-7 To Wichita Kiddies

Father Patrick's pint size Cubs of Sacred Heart Elementary ran into too much power when they tangled with the kiddies of Sacred Heart and Mary Queen of Peace schools at Wichita Falls Sunday and went down by a count of 21-7.

The two Wichita schools are combining their talent this year in one team, and between them they have an array of weight that pushed the exceptionally light Muenster kids around at will.

Nevertheless Father Pat was proud of his boys' showing against the odds. They made frequent good gains and he has hopes of a different score in the return game here on Nov. 14.

The Cubs only score came in the second quarter on an end run by Noggler after a nice pass to Fleitman had advanced to scoring position.

Another TD late in the game seemed in the making for moments after Fleitman snared another pass. He was in the open but a fast defensive player overtook him.

The Wichita kids pushed over two of their scores in the first quarter and another in the third.

Tournament Date At MHS Changed to Christmas Holidays

Muenster High School's annual invitation basketball tournament will be different this year. It will be a holiday tournament, to be played between Christmas and New Year. Dates decided on by Superintendent Homsley and Coach Hosea are Dec. 29, 30, and 31.

Both Homsley and Hosea prefer the holidays over the traditional dates shortly before Christmas. The most important consideration is that it does not disrupt the regular class schedule. Another reason is that it gives teams more time to develop and a better brand of playing can be expected. Still another reason is that it will give players needed activity during the holidays and have them in better condition for the beginning of conference competition a few days after the holidays end.

Invitations were sent out last week and acceptances have been received from four schools up to Wednesday. They are Sacred Heart, Saint Jo, Boyd and Aledo. More details on the number of participating teams, prizes, and schedules will be announced in a few weeks.

WHITT'S PICTURE . . .

ceived a pass from Richey a split second before running into the parked pickup a few yards beyond the line. He dropped the ball but it made no difference because he was outside the playing field when he completed the pass.

THE VARIETY STORE

PASS THE ASPIRIN—Commissioner of Internal Revenue T. Coleman Andrews is one of the few persons who can smile at the new, enlarged 1954 Federal Income Tax Form 1040, now rolling off the presses at the Government Printing Office in Washington, D. C. Taxpayers making over \$5000 a year must use the new form, but they have one consolation—tax deadline has been moved up to April 15, instead of March 15.

Parochial Spook Party Boosts Fund For School Library

Youngsters had a grand time, and oldsters joined in the fun Sunday when roommothers of the parochial grade school sponsored their annual Halloween Carnival in the parish hall. And those who attended the benefit added a gratifying amount to a fund to be used for the school library.

Ghosts and goblins, spooks and black cats, and jack o'lanterns greeted visitors at every turn, and various booths and concessions furnished diversion and food and drinks. Madam Voodini told scores of fortunes. Kids picked surprise gifts from a "mystery tree" and almost everyone went home with a cake from the cake stand.

About fifty youngsters, in two age groups, entered a costume contest in which prizes were awarded for the prettiest and tackiest masquerades. Contestants marched across the stage on the main floor of the hall where judges, Mmes. Ed Schneider, Robert Bayer and Billy Joe Miller made their decisions.

Stealing the show was tiny Becky Swingler who bounced out on the stage in a realistic cotton tail bunny outfit, nibbling a carrot. She was entered in the preschool age group but got tired of waiting to show her new costume and grabbed the scene while the older group paraded for the judges. But she didn't win a prize. The sponsors hadn't decided on a prize for the cutest and best acting contestant.

Jeanine Hofbauer was winner in the younger group. She was a fairy in a white taffeta gold star-studded dress with a gold star crown and a magic wand. Dolly Jean Otto as a gypsy took first place in the other group. Tackiest costumed were Mary Jane and Tommy Lee Swirczynski who tied in the little kids contest and Henrietta Owen in the older group.

'TRICK OR TREAT' AN OLD CUSTOM

The children's "trick or treat" custom on Hallowe'en dates back to 17th century Ireland, when peasants sought, at the doors of the wealthy, luxuries for a feast. The idea of the householder forestalling a prankish "trick" by coming across with a "treat" of candies or cookies is, however, strictly our own.

The goings-on of the last evening of October originally were to mark the end of summer, but all sorts of weird and mystic rituals concerned with witches, demons, imps and such got mixed into the Druidic show. Spurning the pagan connotations, the early Christians adopted both the "e'en" and the day which followed—All Hallows, or All Saints Day.

The world's largest known animal—bigger than the biggest of the extinct dinosaurs—is the blue whale, sometimes 100 feet long. Smallest is a one-celled animal called Oicomonas, found in fresh water and salt, about 1-500th of an inch long.

Maurice Stelzer and Ann Pierce Exchange Vows in Slaton Rite

From Post, Texas, comes news of the marriage of Maurice Stelzer, son of Mr. and Mrs. Matt Stelzer formerly of Muenster, to Miss Ann Pierce of Slaton, daughter of Mr. and Mrs. W. F. Pierce. The ceremony was performed in the rectory of St. Joseph's Catholic church in Slaton and was witnessed by parents and relatives of the couple.

The double ring service was read by Msgr. T. D. O'Brien, pastor, at five o'clock in the afternoon.

The bride wore an aqua wool jersey dress with black accessories and a corsage of red roses. She was attended by Mrs. Andy Stelzer who wore a navy faille dress with matching accessories and a white carnation corsage.

Julius Stelzer attended his brother as best man.

After a short wedding trip to San Antonio the couple returned to Slaton where Mrs. Stelzer will continue her duties as school secretary until her husband receives his service discharge, scheduled for December. He has returned to Albuquerque, N. M. with the Air Force.

C. J. Wimmers Have 48th Anniversary

Children of Mr. and Mrs. C. J. Wimmer joined them at their home Saturday evening to help them celebrate their 48th wedding anniversary.

It was a covered dish supper party with the guests bringing a delicious meal and a large decorated cake, along with gifts for the honor couple. All ten of their children were present.

They are Joe, Tony, Charlie E., Lawrence, Johnny and Andy Wimmer, Mmes. Leo J. Haverkamp, Paul Luke, and Ray Otto, all of Muenster and Mrs. Al Reiter of Gainesville.

Margaret Simons is Honored at Party

Honoring Miss Margaret Simons who Thursday observed a 44th anniversary—that of being a housekeeper for priests for 44 years—members of the Saint Anne's Society entertained with a surprise party in the parish hall.

After games of 42, hostesses served cake and coffee to about 80 guests. These included the pastors and the Benedictine Sisters.

A gift to the honoree from the society was a black wool stole. The women also presented her with a white mum corsage, and she received a decorated cake baked by Mrs. H. J. Fuhrman.

"Miss Maggie" as she is affectionately called, has been housekeeper for Muenster pastors for 35 years. She has made a real vocation of her life's work—full of unselfish service to the parish. She was at Windthorst before coming to Muenster.

A few drops of camphor oil added to each gallon of paint used on porches and outdoor furniture will serve as an insect repellent.

Parochial Seniors To Present Class Play in December

"Jane Eyre," a romantic play in three acts, based on the immortal novel by Charlotte Bronte and cleverly adapted by Wall Spence who lost very little of the original story in his dramatization, is this year's class play for Sacred Heart High school seniors.

Rehearsals are under way with Sister Geraldine directing the production. Tentatively, plans are to present the play in early December.

Theresa Mae Felderhoff has been cast in the title role and Carl Walterscheid will play Edward Rochester, the male lead.

Others in the cast are Rosina Hess, Georgia Ann Hartman, Frances Knabe, Clara Streng, Carol Ann Voth, Veronica Koelzer, Mary Margaret Schad, Cecilia Zimmerer, Sylvan Walterscheid, Georgia Ann Owen, Denis Hofbauer, Nelda Bayer, Danny Owen and Larry Hennigan.

Mrs. Joe Luke and Mrs. Tony Gremminger spent Friday in Sherman attending the District II Fall meeting of Texas Garden Clubs, Inc.

LOOKING AHEAD

by Dr. George S. Benson
 DIRECTOR — NATIONAL EDUCATION PROGRAM
 Secaucus, Arkansas

FBI SPEAKS OUT

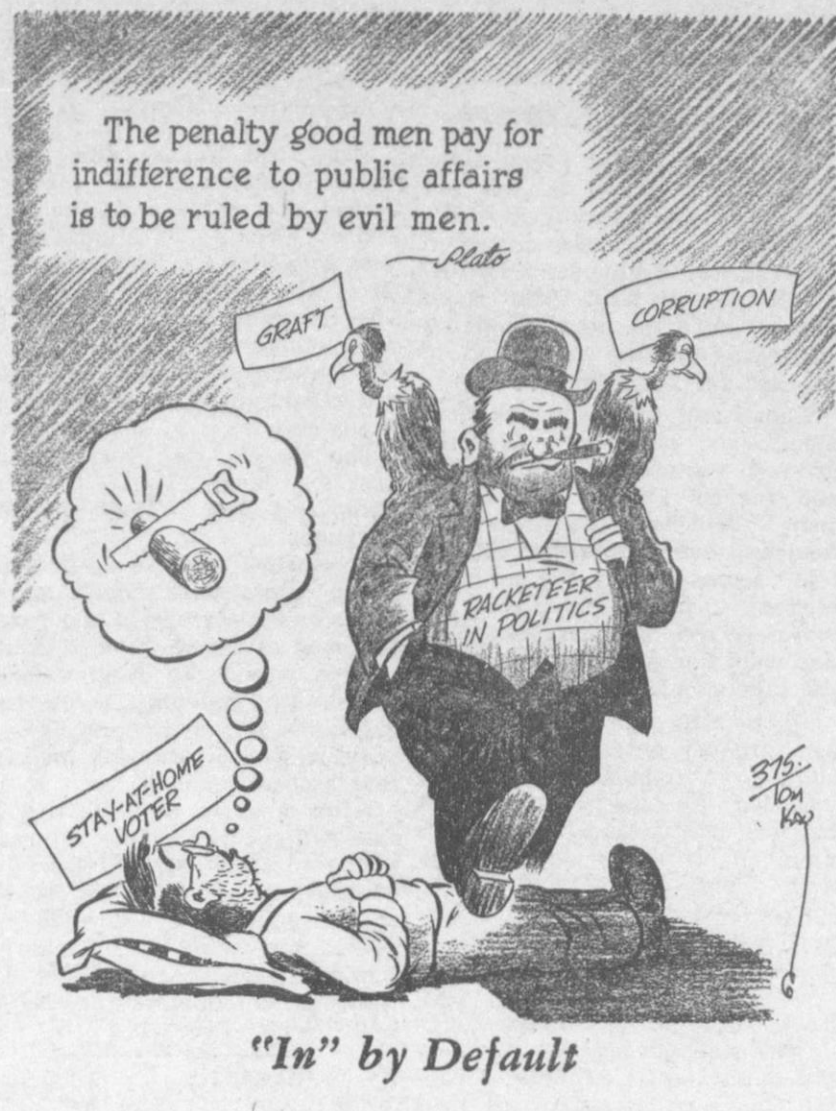

In the October American Magazine, J. Edgar Hoover, director of the Federal Bureau of Investigation, presents an article entitled, "The Communists Are After Our Minds." Since it comes from the very highest source of information on Communist infiltration in the United States, this article is of great significance and should be read by all citizens.

The FBI chief, who is one of

the most highly respected officials ever to serve in our government, reports that the Communists have successfully penetrated and are effectively working in all fields of thought-shaping and opinion-making, including especially our schools. "Almost no field of our society is immune to them," he states. "In the ranks of the concealed Communists today are labor leaders, educators, publicists, doctors, lawyers, businessmen, and even clergymen."

Penetration of Education

Here is a highly important part of Mr. Hoover's statement: "In their unceasing efforts to shape the thinking and attitudes of what they call the 'masses,' the Reds have always devoted much attention to idea-molding fields, such as education, the press, radio and television. Here, too, they are still dangerously active. There can be no doubt that the great majority of American teachers are loyal citizens, yet a witness who formerly held a high position in the Communist Party recently testified that the Party has members at work in every kind of educational institution, from nursery schools to the uni-

versities.

"For example, Communist teachers or fellow travelers are subtly persuading children aged 2 to 5 not to believe in religion, and are poisoning their minds with contempt or dislike for other 'capitalistic institutions.' In one of many colleges where Communists are known to have taught, there was a teacher who tried to get over to his students the idea that 'Communism is the only hope of Mexico.' At one of our great universities a renowned scientist recently compared Christianity unfavorably to Marxism, and stated that 'Marxism has that optimism which alone can build a new world.'"

Respected Authority

People who do not understand the true nature of Communists and the cunning tactics they use find it difficult to believe that the Red agents in America today are actually trying to infiltrate our classrooms and undermine our nation by poisoning the minds of the youngsters against the basic American principles and in favor of Socialism and Communism. That is why J. Edgar Hoover's article is so important. He is respected for his knowledge of every phase of Communism's penetration of our nation and its thought-molding institutions.

"Being good tacticians, the Communists realize," he points out, "that one concealed Party member in education may be worth a dozen in less strategic fields, and some of their more successful propagandists in this area have influenced, and are influencing, the ideals of thousands of impressionable young people. There is the case of an ex-professor who has addressed college students all over the country. Billed as an 'expert' on Russia, and reputed to have once served as an adviser to the Russian Government, the Professor is introduced to students as an unprejudiced specialist on international affairs who can give them a 'clear' and 'unbiased' picture of conditions in that country."

Slanted Teaching

"When the professor starts lecturing, however, everything that he says turns out to be an apology for the Soviet Union. The Soviets are misunderstood in the United States, he says. Russia is a peace-loving nation with no aggressive intentions. This country, not Russia, is the one which is wrong... All typical Communist propaganda!

"Most students who have heard this 'specialist' and the college officials who have permitted him

to lecture at their institutions, think he is an honest liberal. But in the FBI we know better. We have proof that he is a concealed Communist and we know that he is under direct orders of the Communist Party, USA, which follows the Moscow line. This scholarly individual's activities have been somewhat curtailed of late, but others like him are still assailing the minds of youth with Red lies."

With the Reds working so cunningly among American youngsters in schools and colleges, it is all the more important, as I have repeatedly said, for all schools to have a sound course in American citizenship education to fortify our youngsters against this undermining phase of Communism's attack upon our nation.

Your Light Shines Before Men

By Rev. James M. Keller, Director of the Christophers

NO MATTER who you are, there is something constructive you can do, under God, to raise the level of the channels of literature and entertainment. You have a personal responsibility to decide what you will do and how you will do it.

The foul-minded are now in the midst of a desperate attempt to degrade the bodies and souls of the American people. If their many-sided effort succeeds, we may all be paying the penalty for generations to come.

WHILE MUCH is being accomplished by regulations of the law and by the valiant efforts of various organizations, much still remains to be done. And much will be done if individuals by the millions will think and act quickly when, in their best judgment, the standards of decency are violated.

Little is accomplished by complaining or criticizing. It is better to light one candle than to curse the darkness. Here are a few tips that you may find helpful.

THOSE PEOPLE who would pollute the minds of America as if they have a right to impose anything at all upon you and that you have no right to dissent. Protect your God-given freedom to demand the best and

to reject what is foul and low. The task of keeping literature and entertainment in a normal healthy state is a never ending job.

You can tell your friends not to be thrown off guard by the technical approach of those who claim it is too difficult to define what is "obscene" or "indecent". Everyone knows what offends decency.

ASK YOUR NEWSPAPERS to print more stories that deal with normal people rather than abnormal. If they run long stories of crime with all the gory details or photos that have no place in the family circle, clip them out and send them back with a friendly, constructive letter of dissent. Letters of this type are never wasted.

By doing nothing to raise the standards of reading matter, movies, and programs on the air are you not giving silent approval? You become an unwilling accomplice to the crime and debauchery that are mounting steadily because you do little or nothing to prevent them. Remember what Christ said, "He that is not with Me is against Me."

EVEN IF YOUR EFFORTS are not rewarded with immediate success, God will bless them. Your stand for decency will give moral backbone to many persons who would take a more courageous stand themselves if they knew they had the support of millions behind them.

Flowers for every occasion

Since 1884 It's Kaden, the Florist

Flowerphone 570, Gainesville

Represented in Muester by Mrs. Nick Miller

From where I sit ... by Joe Marsh

Our Town Makes Good in New York City

Couldn't place a new subscriber named Clark, but I found out who they were last week when they dropped in *The Clarion's* office.

"We're native New Yorkers," Mrs. Clark said, "and all our friends there are originally from other places. We always felt left out when they talked about things 'back home.'"

"That's why we 'adopted' your town and to get all the news we subscribed to *The Clarion*. Now we have a 'back home' to talk about—and we think it's the most wonderful town there is!"

From where I sit, just about everyone thinks his own home town is best. Picking your town comes natural. The right to do this "picking," though, is what really counts. Whether it's a favorite town, a favorite cut of meat, or even a choice of a beverage — say between beer and buttermilk, it's respecting the right to this freedom of choice that makes a good neighbor. I hope you subscribe to that!

OBLIVION—Once the pride of Britain's royal families, the royal yacht Victoria is broken up at Portsmouth Navy Yard. Laid down in 1897, the historic vessel will live in more than memory. Items of gear and equipment will find final resting places at naval shore establishments.

Blessed Events

Identical twin girls were born to Mr. and Mrs. Richard Swirczynski at Gainesville Sanitarium on Thursday, Oct. 28, at 5 and 5:10 a.m. Joyce Ann weighed five pounds six ounces and Janet Sue weighed six pounds. The babies and their mother are back at home here since Monday, and the double christening service was held Wednesday afternoon. Messrs. and Mmes. George and Bernard Swirczynski were sponsors. The twins have a sister, Kathleen, and are granddaughters of Mrs. Adam Beyer of Lindsay and Mr. and Mrs. Joe Swirczynski of Muenster.

Mr. and Mrs. Weldon Holland announce the arrival of Tony's baby brother, Monte John, at the Muenster Clinic Wednesday, Nov. 3, at 7:55 a.m. He weighed eight pounds seven ounces. The maternal grandparents are the W. T. Barrows of Antelope and the paternal grandparents live at Montague.

A six pound 12 ounce girl joined the Roy Endres Jr. family Monday morning Nov. 1. She arrived at the Muenster Clinic and has been named Susan Marie. Her grandparents are Messrs. and Mmes. Matt Neu of Lindsay and R. R. Endres of Muenster, and there are two great-grandmothers, Mrs. Fred Herr Sr., Muenster, and Mrs. Lena Schmitt, Lindsay. Susan has two sisters and four brothers.

Rebecca Ann Davidson weight nine pounds, arrived Saturday morning, Oct. 30, to bring joy to her parents, Mr. and Mrs. Charles Davidson, route 1, Muenster. She is their first child. Grandparents are Mr. and Mrs. W. F. Davidson, route 1, and Mr. and Mrs. Otto Siegmund of Hood.

It's a girl for the Albert Fleitmans. She arrived at the Muenster Clinic Monday, Nov. 1, at 5:30 p.m. The eight pound 11 ounce infant is also welcomed by her two brothers and her maternal grandparents, Mr. and Mrs. M. S. Thetford who live at Big Spring.

Giles Weldon is the name of the infant son of Mr. and Mrs. Alfons Walterscheid, born Thursday, Oct. 28, at 12 noon at the Muenster Clinic. He's the twelfth child in the family rounding out an even number of boys and girls for his parents. Mrs. John Schilling of Houston and Mrs. John Walterscheid are his grandmothers and Mr. and Mrs. Weldon Bezner of Lindsay are his godparents. His christening took place Saturday afternoon in Sacred Heart church.

Mr. and Mrs. B. T. Goines of Saint Jo announce the birth of a girl, weight eight pounds five ounces, at 8 a.m. Tuesday, Nov. 2. The couple has two other children, both boys. The father is well known locally having worked here on both church and school construction projects.

Mr. and Mrs. Marvin Rauschuber of Valley View are the parents of a son, Stephen Joseph, born at 3 a.m. Tuesday, Nov. 2, at the Sanger Clinic. The new baby is a brother for Frankie and the grandson of the Frank Rauschubers and the William Bierschens, all of Valley View.

Mr. and Mrs. Tony Hacker of Valley View have announced the birth of a daughter, their fourth child, named Linda Teresa. She weighed seven pounds 15 ounces on arrival Oct. 15. Mr. and Mrs. Henry Sandman were her sponsors at baptism.

Mr. and Mrs. Walter Haverkamp are rejoicing over the birth of their first child, a daughter, born at Gainesville Sanitarium Monday, Nov. 1, at 10:20 p.m. The little girl is the granddaughter of Messrs. and Mmes. Alois Haverkamp and R. D. Morris, and has two great-grandmothers, Mrs. George Spaeth of Lindsay and Mrs. Nannie Morris of Bulcher.

Mr. and Mrs. Leroy Metzler of Gainesville are the parents of their first child, a boy, weight eight pounds one ounce, born at M&S Hospital at 8:45 p.m. on Oct. 29. Mr. and Mrs. Phillip Metzler of Lindsay are the paternal grandparents and Mr. and Mrs. Cleve Burns of Dallas are the maternal grandparents.

Where to Tune in SW Grid Broadcasts

Humble broadcasts of Southwest Conference football games that can be heard in this area this weekend are as follows:

Texas vs Baylor, starting at 1:50, over WFAA - WBAP - 570 Dallas - Fort Worth and KFDX Wichita Falls.

SMU vs A&M, starting at 1:50, over WFAA - WBAP - 820 Dallas - Fort Worth and KWFT Wichita Falls.

Rice vs Arkansas, starting at 1:50, over KRLD Dallas.

La Verna Hess is Queen at Annual Homecoming Event

Pomp and ceremony, and a biting norther, attended the annual homecoming program and crowning of Miss LaVerna Hess as Sacred Heart High football queen before several hundred wind chilled but enthusiastic Tiger fans here Friday.

The night's program began with a parade of pep squad members and the queen and her court from town to the stadium where Her Majesty, her princesses and duchesses entered from the north. On the 40 yard line escorts met the royal party and they proceeded to the middle of the field.

Coronation took place on the 50 yard line just before the Tigers' winning tussle with the Catholic High Eagles of Texarkana and Queen La Verna reigned over the game. Later she reigned over the annual homecoming dance in the parish hall.

Escorting the queen were Co-captains Sylvan Walterscheid and Larry Hennigan. Princesses and their escorts were Frances Knabe

carrying the queen's crown of white carnations, escorted by Carl Walterscheid; Della Fette carrying the football, escorted by Rodney Walter; and Patsy Bayer carrying an arm bouquet of white mums for the queen, escorted by Charles Felderhoff. Tiny duchesses, train bearers for the queen, were Candice Fette, Mary Knabe, Diane Shumaker and Mary Wimmer.

Queen La Verna in a formal ballerina length gown of white taffeta with a bouffant net overskirt sprinkled with silver stars, and topped with the royal white satin robe, was crowned by Co-captain Sylvan Walterscheid and was presented the homecoming football which she in turn handed to him. Co-captain Larry Hen-

nigan presented the bouquet to Her Highness.

Princess Della Fette wore a cotillion blue antique taffeta waltz length formal; Princess Patsy Bayer wore a light blue nylon ballerina length evening dress with a full net over skirt; and Princess Frances Knabe wore an aqua blue taffeta gown with a voluminous net overskirt. Each wore a white mum corsage. The duchesses wore white floor length formals.

After the ceremony the queen and her party occupied places of honor on the side line.

The Jim Cooks had as week-end guests her son John and his wife and their son Johnny of Duncan, Okla.

Bulcher News

By Mrs. R. J. Samples

E. Newby is a patient at M&S Hospital in Gainesville since Friday. He has a serious eye ailment and it was at first believed he would lose one of his eyes. However, he is responding to treatment favorably and there is hope of saving the eye. Mrs. Newby has been attending his bedside and friends from here have been cheering him with visits.

Mr. and Mrs. Charlie Luster of Chico have moved to Bulcher to make their home on the place recently vacated by the Johnie West. Mrs. Luster is the former Effie West.

The Tillman Bridges family is moving to Bulcher to occupy the house across the street from the Bulcher store. The family had been living in the Marysville community where recently they lost all their belongings in a fire that destroyed their home.

Mrs. R. H. Sharp won a new TV set by registering at the Tulsa, Okla., Fair some time ago. Her husband's brother-in-law, H. C. Cambell of Vinita, who was visiting the Fair with the Sharps, jokingly remarked that if Mrs. Sharp won a TV set he'd bring it

to Bulcher and rig it up for her. So, Mr. and Mrs. Campbell spent the weekend in the Sharp home.

Cleta Sue Cannon brought a classmate, Twila McCoy, home with her for the weekend. They are students at NTSC, Denton. Other students home for the weekend were Bob Samples and Tom Harris.

Mrs. August Hyman, Mrs. R. J. Samples and Belva, Mrs. Gid Prather and Mrs. Calip Cannon and Cleta Sue, were among guests at a bridal shower honoring Miss Orene Hutson Saturday afternoon in Saint Jo at the Baptist church. The honoree is the bride-elect of Jack Estes of Fort Worth.

Mr. and Mrs. Bailey Dennis went to Dallas Sunday to attend the services in which their son Justin was ordained a minister.

Guests of the August Hymans for the weekend were her sister and husband, Mr. and Mrs. Guy Giles of Wichita Falls.

Visiting Mr. and Mrs. Sam Williamson during the weekend were her nephew and family, the Kirby Sewells of Odessa.

Mr. and Mrs. R. J. Samples and Belva, Mrs. Calip Cannon and Mrs. August Hyman were Wichita Falls shoppers Monday.

J. M. Dennis of Wichita Falls spent the weekend here with his daughter, Mrs. Calip Cannon and family.

A restaurant in Oskaloosa, Iowa, has a toaster on every table so a customer may toast his toast to his own taste.

ICED "FROGLEGS" — Frogman of an underwater demolition team dives from the deck of the U. S. Navy icebreaker Burton Isle during maneuvers in frigid Arctic waters, as the rest of the team clamber aboard a rubber lifeboat. Exercise was held when the Burton Isle and U. S. Coast Guard ships recently traversed McClure Strait, western entrance to the long-sought Northwest Passage, in the Canadian Arctic.

waters to form a reservoir 150 miles long. From this, the waters pour through a ten mile tunnel, 25 feet in diameter, and with a drop of more than half a mile. Thus, a "head" 16 times that of Niagara Falls spins the giant turbines in a vast, cavernous turbine hall blasted out of the living rock inside the base of Mount DuBose, fifty miles from the Kitimat smelter. From there sluice-ways conduct the spent water into the Pacific. A twin tunnel will be driven and additional generators installed when the electrical needs of the smelter exceed 1,000,000 h.p. In its present initial stage of operation, Kitimat has available 420,000 h.p., more than ample for an annual production of 91,500 tons.

In bringing this vast project from the dream stage into actual operation, our Canadian friends have provided the history of engineering with a breath-taking new chapter. But, from our point-of-view, they have done far more in providing new solidarity and new

security to North America in this age of peril.

As we have pointed out, before, aluminum is literally "packaged power", a single ton representing 20,000 kilowatt hours of electrical energy. To provide our million and one peacetime needs, we shall need great quantities of Canadian ingot to add to our own production. And the more we import, the better our employment situation, since it takes seven men to fabricate the aluminum one man can produce. In times of emergency, Canadian ingot will be priceless in stretching our own power supply that is always inadequate under all-out production.

Thus, with the activation of the first pot-line at Kitimat, the might of a united North America takes a long step forward.

Almost eight billion dollars in pensions have been paid out to Civil War Veterans and their dependents.

Marysville News

By Mrs. Herman Richey

Guests in the home of Mr. and Mrs. J. N. Shaw Saturday were their son-in-law and daughter, the Horace Moodys of Bovina and their son Weldon Moody who has just returned from Germany and received his service discharge from the army. Other guests were Rev. and Mrs. Gene Hawkins and daughter Nancy of Fort Worth, the Albert Shaws and family, Mrs. Emma Breckenridge, Mrs. Myrtle Blount all of Gainesville, and Mr. and Mrs. Foster Davidson.

Mr. and Mrs. John Richey visited the Coy Fite family at Ringgold Sunday.

The W. B. Whitts and family spent Sunday in Denton as guests of Mrs. Addie Snider.

Wendell Richey spent Sunday in Wichita Falls with friends.

Mr. and Mrs. Foster Davidson drove to Whitesboro Sunday to be dinner guests in the home of their daughter and family, the Bill Rows.

Time Is Limited for Enrollment in GI Vocational School

Veterans who served in the U.S. armed forces during the Korean War and since are reminded this week that the benefits offered in Public Law 550, the Korean Bill, will not be available indefinitely.

A statement released by the Cooke County Vocational School points out that training under the bill must begin within three years from the date of discharge or

within 3 years from August 20, 1952, whichever is later.

Three courses are available in the Cooke County Vocational School. One is Agriculture, with classes at Münster and Gainesville. The other is Auto Mechanics with classes in Gainesville.

A veteran who is interested in one of the courses should present a certified copy of his DD-214 and, if married, a certified copy of his marriage certificate along with the birth certificate of any children.

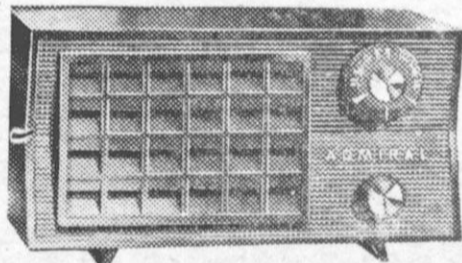

The Cooke County Vocational School office is on the top floor of the courthouse and is open all day Mondays and Wednesdays and until noon on Fridays.

Big Doings Attend Opening of Giant Aluminum Factory

There was considerable ceremony at the one-time Indian village of Kitimat, in British Columbia the other day over the pouring of an aluminum ingot. For one thing, it marked the culmination of about 25,000 man-years of toil and the investment of 275 million dollars. For another, this was the first ingot from an aluminum smelter that can one day be the largest in the world.

The basic problem of this three-year struggle in the wilderness has been to harness a hydroelectric power potential capable of providing the 2,240,000 h.p. necessary for the production of 500,000 tons of aluminum a year.

To accomplish the task, the engineers reversed the flow of the Nechako River system that has its beginnings in the mountains of Canada's Pacific coast. Today, the third largest earth-filled dam in the world backs up these

Paying bills becomes a matter of minutes when you have your own personal checking account. No chasing from place to place. You take care of everything while seated comfortably at home.

Your cancelled check is your bonafide receipt. Your check stubs give an accurate record of where every penny goes.

MÜNSTER STATE BANK

A GOOD BANK TO BE WITH

LOCOMOTIVE VALHALLA—Most steam locomotives considered obsolete go to the scrap foundry, but this Class K4 Kanawha high-speed freight hog has found a final resting place in La Salle Park, Buffalo, N. Y. Donated by the Chesapeake and Ohio as a monument to the age of steam which helped make Buffalo the nation's second largest rail center, it will be on permanent display for the enjoyment of oldsters and the amazement of a generation which is more familiar with the diesel locomotive. Built in 1943, the quarter-million-dollar locomotive is 105 feet long, weighs 425 tons with loaded tender and has pulled as many as 160 loaded coal gondolas at one time during its years of service.

Local News BRIEFS

Jerry Henscheid, a student at St. Edward's University in Austin, spent the weekend here with his family, the Leo Henscheids.

Arthur Elbert Rosson returned from Korea this week and is at home visiting his parents, the A. P. Rossos, route 2, Forestburg.

Mr. and Mrs. Charlie Clayton Jr. and children were in Bowie Monday to visit Frank Carries, a hospital patient.

Herbie and Catherine Herr and their father, Fred Herr, Mrs. Harry Scoggins and son Bobby Dean, and the Albert Herrs and daughter Paula visited Sunday in Dallas with the Eddie Jakubec and Clarence Albers families. They made the acquaintance of Eddie and Jen's new son Charles Edward, born Oct. 22.

Mrs. Carl Hanza and little daughter Marie of Lawton, Okla., were guests this week of her parents, Mr. and Mrs. W. L. Scoggins, and her brother Harry Scoggins and family. Mr. and Mrs. Scoggins had been on a two week vacation which ended Sunday. They spent the time visit-

ing their children and other relatives in Pampa, Electra, Breckenridge, Wichita Falls and Lawton and brought their daughter and granddaughter back home with them.

Mr. and Mrs. Ed Mason and children of Houston have returned to their home after a week's visit with her parents, the John Hartmans and other relatives.

Leann Hoehn of Nocona spent last week as the guest of her uncle and aunt, the Ed Clers.

Mrs. Rowanna Moore and Miss May Dunn of Leonard visited Thursday with the M. H. Kings. They had spent several days with their cousins, Mr. and Mrs. R. M. Fely at Hood.

Miss Mildred Fisher brought a friend, Miss Margie Lambright, home with her for the weekend. The girls are student nurses at St. Joseph's School of Nursing in Fort Worth.

Mrs. Pauline Bradshaw and Miss Lillie Bradshaw of Weatherford have returned to their home after a few days' visit with their daughter and sister, Mrs. T. S. Myrick and family.

Miss Edna Hesse, at home for the weekend, had as her guest Miss Gloria Roeth whose home is in Porterville, Calif. The two

girls are students at OLV College in Fort Worth. Miss Mary Weinzapfel, a high school student at OLV, was also here for the weekend to visit her parents.

BIRTHDAY OBSERVANCE

Miss Dorothy Hartman was honored Wednesday afternoon, Oct. 27, with a family party to celebrate her birthday. Her mother, sisters and sisters-in-law joined her in the observance at the home of Mrs. Arthur Endres. Birthday gifts and a decorated cake along with other refreshments, games and visiting provided a pleasant afternoon. The honoree's sister, Mrs. Ed Mason of Houston, was among guests.

THE JOE LUKES RETURN FROM CARIBBEAN CRUISE

A Caribbean cruise, visits in Havana, Cuba, Puerto Barrios and Guatemala City in Central America and sight-seeing in numerous places of interest were highlights of a vacation trip by the Joe Lukes.

Mr. and Mrs. Luke left here on Oct. 12 for the three-week trip. Their first stop was in New Orleans, La., where they were guests of their son and family, the Norman Lukes, before going to New Orleans to meet Mrs. Luke's uncle and aunt, Mr. and Mrs. Henry Mattiza of Robstown who vacationed with them.

On Oct. 14 they left for Cuba aboard the T.E.S. Chiriqui. From

Havana they went to Puerto Barrios and from there by plane to Guatemala City, then back to P. B. by train, and then again by boat to New Orleans, making a total of 2400 miles on the water.

WEINZAPFELS BACK FROM NEW JERSEY CONVENTION

Mr. and Mrs. J. M. Weinzapfel returned last Thursday night after being away two weeks to attend the American Bankers Convention in Atlantic City, N. J., and a visit in Cocoa, Fla., with their daughter and family, the David Brights. It was their first time to see their grandson, six-month-old David II.

The special train on which the Weinzapfels joined 300 other Texas bankers and their wives for the trip was about two hours behind Hurricane Hazel enroute to Atlantic City. The Mike Tarantolas met them at the train there and the two couples spent the day visiting. Mike is stationed at Fort Dix, about fifty miles away. The Weinzapfels also enjoyed attending the Fred Waring Show and hearing the Philadelphia Philharmonic Orchestra.

When they returned their son, Father Joe Weinzapfel, met them at Amon Carter Field and brought them back to Muenster. Father Thomas Weinzapfel of Dallas was also here to spend Thursday night with his parents.

HALLOWEEN PARTY GIVEN AT FELDERHOFF HOME

Mrs. Arthur Felderhoff entertained her youngsters Diane and Dale and seven of their little friends with a Halloween party at the Felderhoff home Thursday afternoon.

The guests came masked, played Halloween games and bobbed for apples. Mrs. Felderhoff took pictures and served refreshments of cake, ice cream, punch, nuts and Halloween candy. Halloween noisemakers were favors.

Joining Diane and Dale for the party were Sheila and Mike Hennigan, Donna Stoffels, Linda Rohmer, Sheryl and Lynn Reiter and Glenn Schoech.

FAMOUS LADY WAS 68 IN OCTOBER

The most famous lady in all the world—Miss Liberty in New York Harbor—was 68 years old this October, and in excellent health and spirits. President Grover Cleveland dedicated the statue Oct. 28, 1886.

It was the inspiration of the Alsatian sculptor Bartholdi who, after visiting the United States in 1871, returned to France to begin work on its design. His mother served as model; contributions amounting to \$250,000 in small sums came from French men, women and children. The statue was shipped to New York in sections and reassembled.

It is 305 feet from the base of the statue to the torch Liberty holds aloft, and she herself is 111 feet tall from toe to crown, weighing 450,000 pounds.

For years a cafe owner in Prescott, Ariz., displayed a sign which read "Credit extended to those over 80 accompanied by parents." Recently one H. P. Stratton, aged 82, walked in with his father, 107. Cafe owner gave them a free meal.

A strip of wax paper between the hat and the leather sweat band, gents, will keep the hat ribbon from getting stained by perspiration or hair lotion.

What's new with Chevrolet? everything!

Wonderful new Glide-Ride Front Suspension

New spherical joints flex freely to cushion all road shocks. You glide over the bumps! New Anti-Dive Braking Control, exclusive with Chevrolet, assures "heads up" stops.

Great new V8—two new 6's

New "Turbo-Fire V8" delivers 162 h.p. with an ultra-high compression ratio of 8 to 1. Two new 6's, too—the new "Blue-Flame 136" with Powerglide (optional at extra cost) and the new "Blue-Flame 123."

And look what you see from the driver's seat

New Sweep-Sight Windshield curves around to vertical corner pillars, giving you a wide, full view of the road ahead. And you can see all four fenders from the driver's seat!

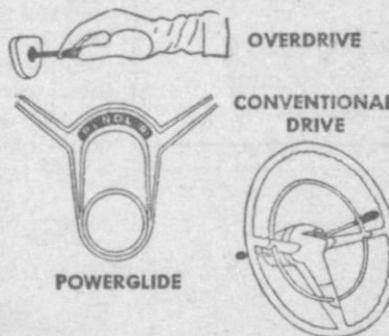

New Outrigger Rear Springs

Rear springs are longer—and they're attached at the outside of the frame. This means they're spaced wider apart, outrigger-fashion, to give you greater stability in cornering.

A ventilating system that really works

Chevrolet's new High-Level Ventilating System takes in air at hood-high level, away from road heat, fumes and dust.

Three drives, including Overdrive

Powerglide—with the new V8 or the new "Blue-Flame 136." New Overdrive with the new V8 or the new "Blue-Flame 123." (Powerglide and Overdrive are extra-cost options.) New standard transmission, too!

Even Air Conditioning, if you wish

Air is heated or cooled by a single highly efficient unit that requires no trunk space! (V8 models only.) It's just one of the wonderful extra-cost options Chevrolet offers!

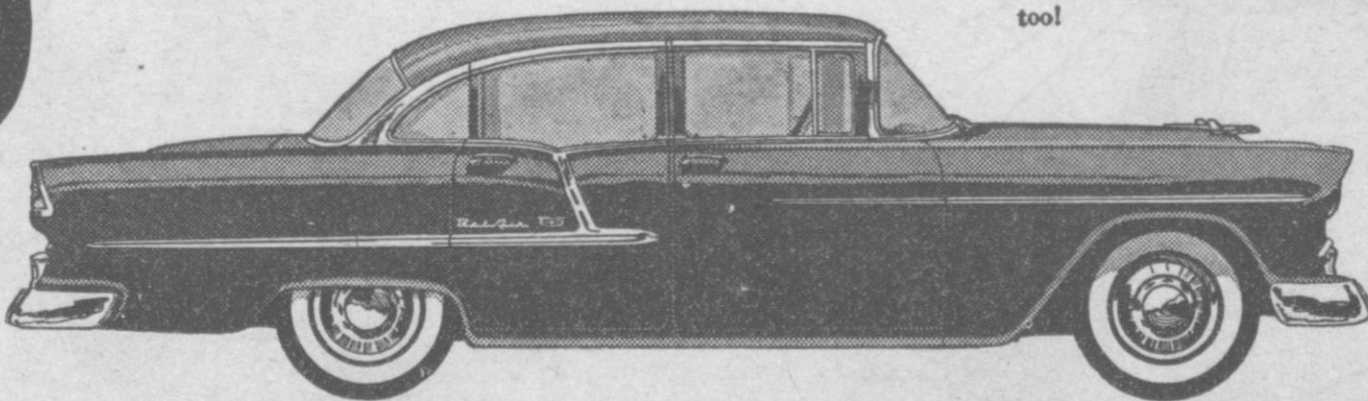

Easier steering, stopping, clutching

The new Chevrolet steers with ball-bearing ease, thanks to new friction-cutting Ball-Race Steering. New Swing-Type Brake and Clutch Pedals pivot at the top, swing downward with a light pressure of your toe.

Tubeless tires as standard equipment

You get this great tire advance at no extra cost! Proved tubeless tires give you greater protection against a blowout... deflate more slowly when punctured.

The Bel Air 4-Door Sedan—one of 14 new Fisher Body beauties in three new series

Chevrolet and General Motors have started something—a whole new age of low-cost motoring—by taking a whole new look at the low-cost car. Here are new ideas, young ideas... and some of tomorrow's ideas, too! And they're all rolled up in the most glamorous package that ever wore anything like a Chevrolet price tag!

This is the car that began with a great idea—the idea that a low-priced car could be built that would have the style, the performance, the comfort and convenience features, and the fine quality "feel" of high-priced cars. Lots of car buyers have wished for such a car. Lots of automotive engineers have dreamed about it. But there were

plenty of reasons why it couldn't be done. Then Chevrolet and General Motors designed and built a car to fit the dream—the Motoramic Chevrolet! Come in and see how the Motoramic Chevrolet for '55 is far more than a completely new car. It's a whole new idea about cars!

Come in and meet the motoramic Chevrolet

—more than a new car—A NEW CONCEPT OF LOW-COST MOTORING

Soil Conservation Notes

Farm ponds in the Muenster work unit area are constructed primarily for livestock water. Proper water distribution in the pasture or on the range aids in uniform grazing. This in turn helps to prevent erosion on grass lands by keeping a more nearly uniform cover of vegetation on the land.

The farm pond when properly managed and stocked with fish can produce as much food for the farm family as an equal amount of grazing land, which

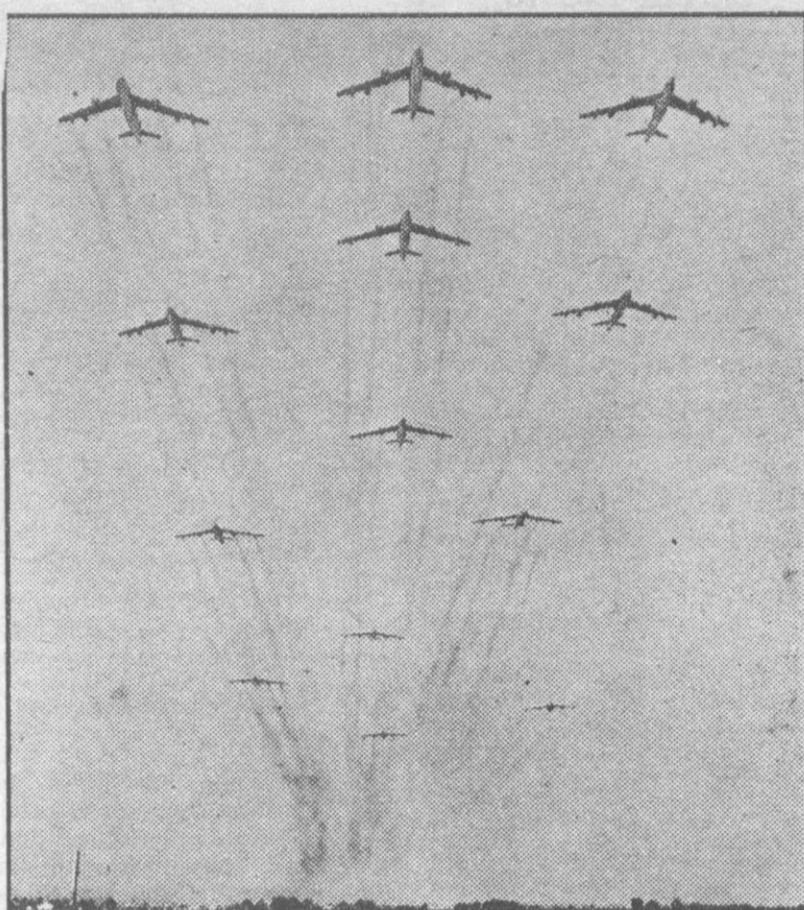

RESTORES ORIGINAL BODY AND SHAPE TO YOUR FABRICS

Robran Laundry and Dry Cleaner

Phone 138 Gainesville Represented in Muenster by Main Cafe, Ph. 51

We Give United Trading Stamps

IN A HURRY—Trailing clouds of vapor from their jet engines, 13 U. S. A. F. B-47 Stratojets streak the sky over Dayton, Ohio, on a nonstop flight from their base in England to March Air Force Base, California. The trip took less than 15 hours.

the pond occupies, plus wholesome recreation for the whole family. Fish adapted to farm ponds in this area are Black Bass, Bluegills and Channel Catfish. Avoid stocking a pond under five surface acres with other species.

The Fish and Wildlife Service will properly stock a pond. Fish orders can be made through the local Soil Conservation Service which assists the Upper Elm-Red Soil Conservation District.

The following cooperators of the Muenster Work Unit received fish from the Fish and Wildlife Service on Oct. 28: J. W. Hess, George Gehrig, Joe Dangelmayr, Ed Sickling, Ike Fulton, Joe Hoenig, Frank Needham, Wilfred Sickling, Tony Felderhoff, Nig Wilson, John Rohmer, Bruno Fleitman, J. H. Embry, John H. Smith, Roy Atteberry, H. B. Perryman, Fred Williams, Johnnie Moore, Mack Traylor and Jack Gordon.

For information on fertilizing and managing ponds consult the SCS Work Unit Personnel.

Many farmers of this area are joining the vetch crusade to combat soil erosion. In so doing they are creating a green cover on the ground during a period when hard spring rains are likely

to come. This valuable winter cover crop protects the soil against splash erosion. It adds nitrogen and organic matter to the soil. This in turn makes the soil more crumbly and gives more water intake. Less run-off reduces erosion. Besides all this, vetch furnishes cool season grazing when natural green forage is at a low level.

Recent cooperators joining the vetch crusade are Chili King 200 acres, Earl Robison 40 acres, Johnnie Cole 80 acres, R. M. Davidson 60 acres, Dangelmayr Brothers, C. Hill 20 acres, H. C. Knox 20 acres overseeded in Bermuda pasture, C. C. Ware 50 acres, T. R. Settle 30 acres, Mrs. Tom Agee 20 acres, A. F. Griffin 35 acres, W. A. Dunn 10 acres, C. M. Bess 5 acres, T. E. Giles 20 acres, J. H. Embry 55 acres, Paul Boyd 15 acres, Horace Embry 15 acres, John H. Smith 35 acres, Chas. Wilson 22 acres and Jim Dennison 15 acres.

A million new homes are being built in our land each year, compared with 600,000 ten years or so ago.

Citation By Publication THE STATE OF TEXAS

TO: Mrs. Myrtle Puett Wilbanks, a widow; the unknown heirs and legal representatives of Ernest Puett, deceased; the following heirs of Holmes Puett, deceased; Iona Puett Hendricks, whose husband is unknown, and Orland Puett; the following heirs of Jay Puett, deceased; Irene Puett and Louise Puett; and all persons and their legal representatives claiming any title or interest to the surface only to the hereinafter described real estate.

GREETING: You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A.M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 22nd day of November, A. D. 1954, at or before 10 o'clock A.M. before the Honorable District Court of Cooke County, at the Court House in Gainesville, Texas.

Said plaintiff's petition was filed on the 23rd day of October, 1952. The file number of said suit being No. 16235.

The names of the parties in said suit are: Ollie Morris, a widow, as Plaintiff, and Nannie A Morris, a widow, et al as Defendants.

The nature of said suit being substantially as follows, to wit: A suit to partition real estate between the plaintiff and defendants, said real estate being located in Cooke County, Texas and described as follows:

- (1) 160 acres of land out of the E. Arnold Survey, Abst. No. 1705, being the NW 1-4 of Section No. 24, of the S.P.R.R. Company Survey, and BEGINNING at the Northwest corner of said Survey No. 24, a stake from which a P.O. mkd X brs. N. 20 vrs;
- THENCE South 1070 varas a stake a P.O. mkd X brs. E. 18 vrs;
- THENCE East 845 vrs, a stake from which a P.O. mkd X vrs. N. 4 vrs; a black jack mkd. X brs S. 65 W. 3 vrs;
- THENCE N. 1070 vrs a stake on S.E. line of J. M. Sadler Survey, a stake from which a P.O. mkd X brs W. 2 vrs; to a P.O. mkd X brs 86 W. 10 varas;
- THENCE W. 845 vrs to the place of beginning. Being the same land described as first tract in the Deed from R. A. McElreath, Receiver, to A. Lee Lewis, recorded in Vol. 165 page 28, Deed Records of Cooke County, Texas.
- (2) 38 acres, of land more or less, out of the J. H. Ing Survey, Abst. No. 1615, said Ing Survey, being the E-1-2 of the W-1-2 of Section No. 24 of the S.P.R.R. Company Survey, and described as follows:

BEGINNING at the Northwest corner of said Ing Survey;

THENCE East 199 vrs. to the Northwest corner of the land out of said survey, conveyed to J. W. Davidson, by deed from J. H. Ing and wife, dated January 11, 1886, and recorded in Vol. 44 page 621 of the Deed Records of Cooke County, Texas;

THENCE South with the West boundary line of said J. W. Davidson land 1070 vrs. to corner on South Boundary line of said Ing Survey;

THENCE West 199 vrs. to the Southwest corner of said Ing Survey;

THENCE North 1070 vrs to the place of beginning. Being the same land described as second tract in deed from R. A. McElreath, Receiver, to A. Lee Lewis, recorded in Vol. 165, page 28 Deed Records of Cooke County, Texas.

(3) 59 acres out of the J. M. Sadler Survey, Abst. No. 902, and described as follows: BEGINNING at the SE corner of a tract of land in the name of Martha Cross, in the heart of said J. M. Sadler tract;

THENCE N. 553 vrs. a stake in the Martha Cross E.E. Line;

THENCE North 620 vrs. a stake on the point of a ridge;

THENCE S. 553 vrs. to stake in the SB line of J. M. Sadler Survey;

THENCE W. 626 vrs. to the beginning.

Also another tract of land and adjoining the one just described and bought by J. H. Ing from J. P. Cross and wife: BEGINNING at the N.W. corner of J. H. Ing's tract of 59 acres;

THENCE West 75 vrs;

THENCE East 75 vrs to the SW corner of said Ing tract;

THENCE N. 600 with the Ing W. line to the Beginning. Being the third tract in the deed from R. A. McElreath, receiver, to A. Lee Lewis, recorded in Vol. 165, page 28, Deed Records, Cooke County, Texas.

That plaintiff is the owner of 14-20ths of said land;

That the heirs of defendant Ernest Puett, deceased, own 1-20th undivided interest in 160 acres described herein as first tract, being eight acres;

That Nannie A. Morris owns an undivided 4-20ths of said land;

That R. D. Morris, John W. Morris, Alice Monroe and Leonard Morris own an undivided 1-5 each of 4-20ths of said land; and

That Nate Hobbs owns an undivided 1-20th of said lands.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved. Issued this 6th day of October A. D. 1954.

Given under my hand and seal of said Court, at office in Gainesville, Texas, this 6th day of October A. D. 1954. (SEAL) Woodrow U. Clegg, Clerk District Court Cooke County, Texas

Four out of every five adults in the U. S. today play cards—more women than men. Five major companies turn out 75,000,000 decks of cards a year, and it's a \$50,000,000 business.

"HOT" HANDS FOR ATOM AGE—Remote-control "hands" manipulate a piece of radioactive material which is to be machined, at the National Reactor Testing Station, near Idaho Falls, Ida. Many types of machining operations are performed in this "hot cell," controlled by operators who view progress of the work through periscopes and systems of mirrors, to avoid coming in contact with deadly radiation.

H. Younger Injured In Fall From Horse

Herman Younger, owner of Muenster Telephone Company, is a patient at Harris Hospital in Fort Worth since Sunday afternoon when he received head injuries in a fall from a horse at the Cowtown Posse Rodeo while he was participating in a rescue race during an auxiliary round-up.

Suffering from concussion and shock, Younger did not regain consciousness until Monday evening.

Word from his wife to local relatives, the H. L. Jacksons, and to telephone company employees Tuesday reveals that he is "doing as well as can be expected" but is not allowed visitors. He will be at Harris Hospital several weeks. His room number is 724.

As we grow older, we find that the best time for a cold shower is some other time.

Pep Rally Precedes Hornet-Indian Game

Some of the enthusiasm that is building up lately over the coming all important conference clash between Muenster's Hornets and Sanger's Indians is due to bubble over, and also to intensify, in a giant pep rally Thursday night.

Superintendent Homsley stated Wednesday that the MHS pep squad is making ready to start a parade down town at 7 o'clock and lead the way to the MHS campus for a bon fire which will feature the burning of an Indian in effigy. The dummy redskin is due also to be the object of considerable derision in the parade.

Fans are invited to join in the fun and let some of the kids' spirit rub off on them.

If a husband's words are sometimes sharp, maybe it's because he's trying to get them in edgewise.

Lindsay Club Sees Pageant at Meeting

The General Business Club, whose membership consists of freshmen and sophomores of Lindsay High school, witnessed a pageant and presented a Who's Who program at their regular meeting on Thursday, Oct. 28.

The pageant, presented by the freshmen, was on the joyful mysteries of the rosary. Each member read a character description prepared for the occasion and other members guessed the person's identity.

Wanda Hess, Ann Neu, Linda Lou Kuhn and Marie Popp sang songs.

Alice Voth, president, presided, members answered roll call by giving a wish, and Alcuin Paul Kubis read minutes of the previous meeting. A ghost report which was guessed as written by Maxine Schmitz was read by Melvin Kuhn.

Members, given a chance to re-name the club, voted to continue the organization under its present name.

ACHIEVEMENT DAY PLANNED

At their regular meeting Friday members of the Lindsay 4-H girls' club made plans for their annual achievement day program to be held November 12. Adult leaders Mrs. Joe Bengfort and Mrs. Tony Voth met with the club to help them outline plans. Members answered roll call by telling what they will exhibit on Achievement Day.

A 'Dangerous When Wet' sign should be hung on every driver who drinks.

Tigers Win ---

even an offside penalty that rubbed out a fourth down kick on the first series and gave them a first down. From there on the four hard running backs, Schoen, Lusk, Butler and Thomas ripped off steady yardage to complete a 74 yard drive in 20 plays. Lusk plunged over from the 2 for the score.

The Tigers started their offense with a series of spread plays that took the Eagles by surprise and moved 39 yards to the Eagle 24 before a backfield fumble gave the visitors the ball on the 31.

Catholic High came back for 34 yards before Sacred Heart claimed the ball on downs on the third series. In spite of a gain on the first series, however the Tigers lost long yardage on a blocked kick that put the Eagles back in business 31 yards short of the goal. But the Tigers got the oval two plays later as Claude Walter recovered a fumble on the Tiger 28.

BIRTHDAY SURPRISES GREET MRS. GEO. SPAETH

Friday, Oct. 29, her 70th birthday, was a day of surprises for Mrs. George Spaeth.

At noon five of her daughters brought covered dishes for the noon meal at her home. The daughters are Mmes. Alois Haverkamp, Wilfred Reiter, Andy Schoech and Arthur Felderhoff, all of Muenster, and Mrs. Joe Kneupper of Gainesville, along with their children.

In the afternoon at 2 o'clock her daughter-in-law Mrs. Henry Spaeth and children from south of Gainesville arrived with a large decorated cake topped with 70 candles, also arriving at about this time were a granddaughter Mrs. Richard Schumacher and her children of Gainesville.

Then 15 women from Lindsay joined the party. They all brought gifts and spent the afternoon playing table games and visiting.

Birthday cake, ice cream, coffee and nuts were refreshments for the guests.

Amateur photographers kept busy taking pictures of the honoree and of the party scene and guests.

Crowd of 650 Sees Muenster-Era Game

The best local crowd of the season saw Muenster and Era in their annual football classic last Thursday night. About 650 persons were there, according to calculations of Superintendent Homsley from the total gate receipts of 294.79.

Some 100 children of the two bands and pep squads were admitted free and the number of paying children is estimated at 100. The remaining \$264 accounts for 440 adults at 60c a ticket.

Lots of visitors were here to swell the ranks of a good local attendance. Practically every coach in the district, especially those having future games with either team, and many of their players as well, took advantage of the Thursday night date to see the district headliner of the week.

A pedestrian is a man whose wife got to the garage first.

Hornets Win ---

Sacred Heart started moving then but time stopped them. They had gained 36 to the Eagle 36 as the period ended.

As the teams got into action again the trend of the game reversed completely. The Tigers took the kickoff and uncorked an offense that had the Eagles practically helpless. Herr started by returning the kickoff 24 yards to the 34 then handing off to Walter, Hofbauer and Haverkamp on 10 plays that covered the remaining 66. The pay off was a slick 30 yard dash by Hofbauer.

The next TD was more of the same. Sacred Heart forced a kick on the first series, then started another push from its 43. Rodney Walter, spark plug of Tiger offense for all the game was the big gainer on the 57 yard push that ended in a 5 yard pass to Owen.

Catholic High snapped back with its first down of the second half but lost the ball a moment later on Herr's interception, and regained it a few plays later on a Sacred Heart fumble. Then came the thrill play of the game. Schoen heaved a long one to Lusk who nabbed it at full speed and raced the rest of 67 yards for the tying score.

The Tigers returned apparently with even more fire than before. Herr ran the kickoff from the goal to the 29 and Walter and Hofbauer alternated in 12 gains that added to 71 yards and a touch-down. Hofbauer went over from the 5 and Sylvan Walterscheid's place kick was good for the only extra point of the game.

The big change over from first to second half is best shown by statistics of the periods. In the first half the Eagles led 7-5 in first downs and 83-36 in rushing yardage. In the second half the Tigers led 12-3 in first downs and 205-30 in rushing yardage.

Defensive standouts for the Tigers were Walterscheid, Haverkamp and Hennigan. They were in on the lions' share of the plays and, during the second half especially, seldom allowed the Eagles to cross the scrimmage line.

The game at a glance:

| | | |
|-----------------------|-----|-----|
| First downs | SH | T |
| Yds. rushing | 17 | 10 |
| Yds. passing | 241 | 113 |
| Yds. passing | 46 | 82 |
| Passes completed | 4 | 2 |
| Passes tried | 7 | 5 |
| Passes intercepted by | 1 | 0 |

| Yds. Penalized | 30 | 20 |

Confetti ---

fast one when it proposes an amendment. Frequently the suggested change is one that makes good sense and we fail to contribute our bit toward sensible government when we blindly follow the rule of voting against amendments. After all, times change. Some of the laws written years ago need to be changed to meet present conditions. Sometimes, as in the sixth proposal, we need to write new safeguards into our constitution.

Normally we are very concerned about electing good men to office. That's fine, but it's only half of our job. We need good laws as well as good men, and we can't get them by a general attitude of hostility toward amendments.

handoff Moon broke loose with Whitt trailing at his heels and giving another magnificent block as three defenders were getting uncomfortably close. The block stopped two and Moon outran the other. Noggler followed the TD with the first of his 3 extra point placement kicks of the game.

After an exchange, on Era's fumble and Muenster's kick, Era got going again and moved the chain 3 times for a net gain of 37 before Muenster claimed the ball on downs on its 38. Four tries by Noggler and Moon added 20 and Noggler passed to Dougherty who reached the 3 before being nailed. The drive fizzled, however, as the visitors covered a fumble on the 2.

Again Hosea's boys held the visiting Hornets and went back on offense after the fourth down kick was whistled dead on the host Hornets' 46.

One pass from there was incomplete but the second was true from Richey to Dougherty, who hooped it in the clear for the last 30 yards.

The third quarter and part of the fourth was a deadlock with Era chalking up one first down and Muenster 2. A penalty for offensive holding is what stopped the MHS boys at that time. With the handicap of an extra 15 yards they lost the ball on downs by less than a foot on the visitors' 9.

After that Era was forced to kick, got the ball on an interception, and was forced to kick again before Muenster started another drive from its 49.

Noggler and Richey gained 25 on 3 plays and lost 5 on a fizzle, then Richey flipped to Whitt for a first down on the 10. Two passes failed to connect, so Noggler squirmed through for 7 and Richey finished the job on a keeper play.

With minutes left reserves took over and allowed their visitors 17 yards and a first down before Biffle nipped the drive with an interception moments before the tussle ended.

Noggler, Moon and Richey were the strong ball carriers of the evening but all of them are indebted to Whitt for his timely assists, particularly in the first two scoring plays. More help came from the superb playing by boys up front who surpassed their heavier opponents both offensively and defensively. Trubenbach, apparently infuriated by the loss of a tooth on the third play, particularly dealt out grief to the visitors. Hallmark and Dougherty also stood out. Era's principal threats were Gilland and Sherrill.

The game at a glance:

| | | |
|------------------|-----|-----|
| First downs | M | E |
