MUENSTER, COOKE COUNTY, TEXAS,

NOVEMBER 19, 1954

NUMBER 52

Lions Will Help in Annual Drive for County TB Funds

Something altogether new in American history is the drive started Sunday to secure the signatures of ten million Americans on a petition asking the U. S. Senate not to censure Senator Joseph McCarthy. The movement, identified by the slogan "Ten Million Americans Mobilizing for Justice" is headed by such patriots as Lt. Gen. George E. Stratemeyer (Ret.), General James A. Van Fleet (Ret.), Rear Admiral John G. Crommelin (Ret.), and a large group of others who have distinguished themselves by outstanding service to their country.

What is significant, and also alarming, about this movement is the obvious belief of its promoters that they have to go to the grass roots in order to get an honest expression of public opinion on the McCarthy controversy. In launching this drive they have as much as stated that the anti-McCarthy sentiment which is exerting pressure on the Senate is not representative of the people's thinking.

That is the extent to which we of this country are being taken in by our sworn enemies. The organization they have worked up during the past two decades has become so expert that no public figure can attack the reds without becoming the target of abuse and smear. Dies, Nixon, Jenner, McCarthy and plenty of others have had the same treatment.

The trend started years ago when a breed of intellectual four flushers who liked to regard themselves as the "intelligentsia" started hob-nobbing with the reds. It was "fashionable and smart" to expound the radical theories which defied the sacredness of our traditional "old fashioned" Americanism, and the cynical philosophy which insulted Christian concepts on human rights and dignity. As time wore on communists took advantage of their associations to worm their way into government, labor movements, teaching, publication, radio, TV, movies and other positions of influence. Meanwhile the "wise guys and gals" either got themselves so thoroughly indoctrinated that their own thinking took on a pink or red tint, or they got so deeply involved that they were in danger of having their own follies or defections exposed.

Out of all that has come the sorry situation we have today. Politicians, commentators and the others have finally awakened to the fact that communism is their mortal enemy. They agree that reds ought to be kicked out, but they start howling the moment anyone tries to set up a case. While still piously proclaiming that the job should be done they use every means at their disposal to prove the investigator is a scoundrel and should not be permitted to go on.

That's how it has been with McCarthy. From the day of his first charge they have called him a liar, and they still call him a liar even though he's repeatedly come up with the facts to prove his charges. They say he's an insulting bully but they conveniently fail to note that he has taken far more insolence and insult than he has dished out. They howl about his mistreatment of an army officer but they do not mention the officer's defiance of investigative powers.

The patriots who are behind "Ten Million Americans Mobilizing for Justice" are doing the country a magnificent service. Let's hope that America will awaken to that fact and serve notice on the leaders of various sorts that the course they are following is not the way of the public.

Maybe it isn't too much to hope that this will bring on a shift of influence in favor of those others who are honestly striving to help their country.

Between now and Christmas the people of Muenster will have an opportunity to make small contributions toward the support of a service which has been worth thousands of dollars to them. By buying TB bonds and seals they will help finance the chest X-Ray program sponsored annually by the Cooke County Tuberculosis Association as a means of checking the spread of that disease.

The chest X-Ray program is only one of several means of TB

(Continued on Page 10)

Adult Homemaking Class to Organize

Ladies interested in an adult homemaking program will have an opportunity to organize a class in a special meeting to be held next Monday at 2 p.m. in the homemaking department of Muenster High School.

Mrs. Bill Searcy, homemaking instructor, announced that the purpose of the meeting is to decide on courses and regular meeting days. Some courses that will be available are upholstery, refinishing and basic or advanced sewing.

Regular courses will not start until after Christmas, however. Up until that time the meetings will be devoted mostly to making craft gifts and wrapping gift packages.

MHS Homecoming Fans See Hornets Lick Alvord 33-13

The Muenster High Hornets gave their Homecoming fans something to cheer about Friday night as they breezed to a 33-12 decision over the Alvord Bulldogs in their last home game of the 1954 season.

Starting with two quick scoring drives that put them comfortably in the lead, Coach Hosea's boys turned the job over to their reserves for more than a quarter and coasted to their lopsided victory.

The first scoring march was delayed only by four defensive plays, after which the Hornets got going on their 38. Moon broke through on the second play and headed for the goal but his speed was not equal to the task. Fleet footed Clover brought him down on the 21 after a 40 yard gain. The next play lost a yard, then Noggler scooted off right tackle for the full distance. However the play was called back and the Hornets drew a 5 yard offside penalty. On the next play Noggler repeated the performance for 27 yards and the first TD.

The next drive was more of the same. Four defensive plays followed by a drive starting on Alvord's 41. Noggler accounted for 28 of that distance on two runs.

Hornets to Meet Eagles Friday in 1954 Grid Finale

With the runner-up trophy for District 10-B assured the Muenster Hornets will close their 1954 football season Friday night on the home field of the Valley View Eagles.

The Sanger Indians, after blasting the Hornets' title dreams 13-12 a week before, cleared the way for Muenster's claim to second place last week by eliminating Era. As the record stands now Era has two losses and a tie. Muenster has one loss and one to go.

The game should be a cinch for Coach Hosea's lads, according to the records of the two teams to date, but if past encounters between the outfits can be taken as an indication the Eagles can be expected to rise to their very best form of the season.

That seems to be a habit of the Valley View boys in their tussles with Muenster, as most fans can clearly remember from last year. In that game the Hornets were rated as strong favorites, and got off to a comfortable lead, but had to hustle plenty in the closing minutes to keep Tommy Turner and company from nosing ahead.

It will be the same shifty and versatile Turner who leads the Eagles' effort to upset Muenster this week. The inspiration of the Valley View team, he was the big operator in its 19-13 upset at Callisburg last week.

Though out of the running for second spot in the district the Eagles will be out to spring another upset and improve their standing to an even 500 in the conference race. Up to now they have bested Saint Jo and Callisburg and lost to Alvord, Sanger and Era.

Other loop battles of the week, which will close the season for all 10-B members, are Sanger at Saint Jo and Alvord at Callisburg.

McCarthy Backers Seek Ten Million Names on Petition

drive to secure the signatures of ten million Americans in ten days to a petition in support of Senator Joseph R. McCarthy "and the fundamental principles he symbolizes" was announced here Sunday by Lt. Gen. George E. Stratemeyer, USAF (Ret.), chairman of the newly-formed "Ten Million Americans Mobilizing for Justice."

Associated with General Stratemeyer are prominent civic leaders from coast to coast and out-

standing military commanders from every branch of the armed forces. Headquarters for the movement have been established at the Roosevelt Hotel in New York, with Rear Admiral John G. Crommelin, USN (Ret.), in charge.

General Stratemeyer said that the movement had been organized on a non-political and non-partisan basis "to present to the United States Senate the real feelings of tens of millions of the American people on this vital issue—the proposed censure of one of its own members for doing his sworn duty."

"Senator McCarthy is really not the issue," Gen. Stratemeyer declared. "He is a symbol of the Senate's right to inquire into the acts of the executive branch, without which it would be impossible to get dishonest and disloyal employees out of the government. A vote to censure a member of the United States Senate for doing his sworn duty would establish a dangerous precedent, and could lead only to the destruction of Constitutional government—the very objective sought by the enemies of the United States."

General Stratemeyer said that he had the highest hopes that the ten million signatures would be secured quickly as evidence of "the real sentiment of the great majority of Americans."

"I believe that the great mass of partiotic but generally modest and inarticulate citizens will find our petition a welcome means by which they can voice their deep concern over the danger which threatens to destroy the power and prestige of the legislative branch of our government."

WITH THE MEN IN SERVICE

Weekend Visitors

Cpl. and Mrs. Daniel Haverkamp of Fort-Hood spent the weekend here visiting their parents, the Joe Fettes and Bill Haverkamps.

Has 14 Day Leave

S.Sgt. Wilbert Vogel arrived Saturday to spend a 14-day leave with his parents and family, the Joe Vogels. He's stationed at Bergstrom AFB, Austin, where he is a control tower operator.

Enroute To Japan

Mrs. John Ladd and two sons are enroute to Japan to join their husband and father who is stationed there with the Navy. They boarded ship on Nov. 8 at San Francisco and should arrive at their destination on the 20th. Mrs. Ladd and the boys visited at Grand Junction, Colo., enroute to the west coast with her husband's family and her mother-in-law went to San Francisco with them to see them off.

Back At Fort Bliss

Pvt. Cletus Bauer is back at Fort Bliss for five weeks of special training in the Artillery School. He completed basic training at Fort Bliss and went from there to Fort Clayton, Canal Zone, early in September. He'll go back to Fort Clayton after the special course followed by a 15-day leave with his parent, the Joe Bauers, route 6, Gainesville.

Memorial to Honor Deceased Knights

Deceased members of the Muenster K of C Council will be remembered next Sunday afternoon at 2 o'clock in the order's memorial service which is held every year during November.

Grand Knight Charley Hellman announced the special ceremony this week and urged all members to honor the memory of their departed brothers by making a special effort to attend the service.

4-H Club Leaders Of County Honored At Annual Banquet

Top ranking 4-H clubbers of Cooke County were honored Monday in Gainesville at the annual achievement banquet where the highlight of the program was presentation of the coveted 4-H Gold Star awards to Cecil Hermes of Lindsay as the outstanding boy and to Edith Daugherty of Callisburg as the best 4-H girl.

Ballard Watts, enthusiastic booster of the 4-H club program made the gold star awards.

State, district and county awards were also presented during the evening.

The one state-wide award in poultry marketing went to Cyril Hermes, twin brother of the gold star boy. Johnnie Wilson made this award and explained that Cyril will get an all-expense paid trip to the National Poultry Fact Finding Congress in Kansas City early next year. He also received gift certificates from Wilson and the First State Bank.

Among 4-H'ers from Muenster (Continued on Page 10)

Sacred Heart Cubs Win and Lose in Last Two Tussles

With a win and a loss Father Patrick's featherweight Sacred Heart Cubs brought their football season to a close during the past weekend. Thursday night they ran circles around St. Thomas of Fort Worth for a 33-13 win and Sunday afternoon they went down 7-6 in a defensive struggle with kids of the two Wichita Falls parochial schools.

The one extra point in Sunday's game was the difference between a winning and a losing season for the tiny outfit averaging only 90 pounds per player. As it turned out they won three and lost four.

Thursday night's skirmish was wide open featuring several long runs by shifty and speedy Lawrence Noggler. Late in the first period he got loose on a 60 yard end sweep before being nailed on the 18. Several more plays went the rest of the way with Bobby Walterscheid going over from the 2.

Again in the second quarter Noggler got away for beautiful footwork and a sprint after breaking through the line. The play was good for 70 yards and the second touchdown. In the third quarter he took off on another

(Continued on Page 10)

NEWS OF SICK AND INJURED

Mrs. Gus Lutkenhaus underwent major surgery at Gainesville Sanitarium Wednesday.

Mrs. Gary Hess was dismissed from Gainesville Sanitarium Wednesday and is recovering normally from major surgery.

Glenn McElreath, 8, son of Mr. and Mrs. Rufus McElreath had his tonsils removed at the Muenster Clinic Saturday morning.

Mrs. V. A. Engel of Myra is back at home after receiving medical care at Gainesville Sanitarium.

Mrs. Byron Sears received medical care at M&S Hospital during the week.

Mrs. Al Bengfort of Lindsay received medical care at Gainesville Sanitarium during the week.

Mrs. Pete McManus, the former Ella Mertz, who lives in Los Angeles, Calif., is recovering nicely from a broken hip, according to word to her sister, Mrs. Ben Hellman. Her sister-in-law, Mrs. Ed Mertz, is taking care of her since she was dismissed from the hospital and is back at home.

City Applies for State Approval on Improvement Bond

Assuming that all is OK in the recent election in which citizens of Muenster approved the issue of bonds to finance waterworks and sewer improvements the city council Monday night made its official review of election returns and decided to proceed with the formalities of securing approval from the state attorney general and having the bonds printed.

The steps were taken even though a week remained until expiration of the 30 day period during which a contest of the election could be filed. Since nothing had been done up to Monday the council assumed the outcome would not be questioned. The issue passed by the strong majority of 136-54.

A record of the election and accompanying affidavits is being prepared this week for the attorney general. Approval is expected early enough to allow time for printing the bonds before the end of the year. After that the city still intends to hold the bonds and sell a few at a time as money is needed for the improvement projects. A total of \$25,000 is authorized on each of the two projects.

By selling only as funds are needed the city proposes to avoid paying interest on idle money. It also intends to make bonds subject to recall ahead of maturity after a specified date, probably Jan. 1, 1960. This will make it possible to pay ahead of schedule when city finances allow and save additional interest.

All work is to be done by the city under the supervision of a licensed engineer.

MHS Teams Split Double Header With Bridgeport Girls

Basketball girls of Muenster High opened their season Tuesday night by dividing a twin bill with Coach Doyle Hood's girls at Bridgeport. In the first skirmish the Muenster second string lost 30-26 and in the next game the regulars won 44-34.

The first quarter of the first game was a neck and neck affair ending with the B teams tied at 7 each. For the next two periods the host team pulled ahead for a lead of 17-12 at the half and 26-16 at the third quarter, and Muenster came back strong in the last quarter to reduce Bridgeport's margin to 4 points. Norma Klement with 16 points led the scoring for the Muenster reserves.

In the feature game Muenster girls trailed 12-9 at the first quarter, tied the count at 22 at the half, pushed ahead to a 35-24 lead in the third quarter and held the margin for a final lead of 44-34.

Coach Homsley's sextette showed up extra good on defense but not quite so good on offense. Ball handling was fine but shooting was below par for a total of only 10 field goals in the contest as compared with Bridgeport's 11. Margaret Myrick's accuracy at the free throw line is what pulled the Muenster girls through. She made 16 out of 26 tries, and her total score for the game was 22.

Thursday night the Bridgeport girls will come to Muenster for a pair of return games. Starting time will be 7:30 and the admission charge will be 15c and 25c.

Boys' basketball at Muenster High will begin Thursday night, Dec. 2 when boys and girls of Slidell come here for a double header.

SCHEDULE OF COMING EVENTS

THURSDAY, Nov. 18, Basketball, MHS girls vs Bridgeport, here, 7 p.m.

FRIDAY, Nov. 19, Tigers vs Windthorst, here.

FRIDAY, Nov. 19, Hornets vs Valley View, there.

SUNDAY, Nov. 21, KC memorial service, 2 p.m.

WEDNESDAY, Nov. 24 Tigers vs Ex-Tigers, 7:30.

THURSDAY, Nov. 25 Parish Thanksgiving observance.

Joyce Wiesman is Hornet Sweetheart At Homecoming

Miss Joyce Wiesman was presented as the Muenster High Hornets' football sweetheart Friday night before the homecoming game with Alvord.

The brief ceremony began at 7:15 when Miss Wiesman was driven on the field in a new 1955 Ford and was met on the 50 yard line by Co-captains Joe Noggler and Wendell Richey. She presented them the homecoming football and they gave her a dozen red roses.

Joyce, a senior, and the daughter of Mr. and Mrs. Al Wiesman, was selected for the sweetheart by a vote of the squad. For the occasion she wore a becoming navy blue two-piece suit with a white satin hat sprinkled with rhinestones.

A half-time show was presented by Bill Searcy and his Band. The pleasing display of talent was given with all lights turned off and the flag spot-lighted while the band played the National Anthem. After that the pep squad formed a "stairway to the stars" while the band gave that number and two majorettes "walked the stairs" twirling their batons tipped with colored lights. Only illumination for the stairway number was provided by the tiny lights on the band members' caps.

Third Order Holds Reception Ceremony

Reception ceremonies for new members of the Third Order of Saint Francis were conducted Tuesday night in Sacred Heart church with Rev. Louis Deuster officiating, assisted by J. W. Hess, prefect of the local organization.

Four of the members, Mr. and Mrs. Edd McGannon, Mrs. Victor Hartman and Mrs. J. S. Horn, were received for membership here and 9 were received as members of the order for St. Mary's parish of Gainesville.

Father Louis enrolled the 13 candidates and presented them with scapulars and cords. He gave a short address and the Papal Blessing.

These ceremonies followed the regular rosary and benediction services.

Blessed Events

Mr. and Mrs. Paul Tempel have been entertaining a new daughter since Nov. 16. Lucille and Pauline are very proud of their little sister and future playmate. The grandparents are Messrs. and Mmes. John Tempel and Ben Haverkamp.

Mr. and Mrs. Henry Zimmerer of Lindsay are the parents of a nine pound two ounce son who arrived at the Muenster Clinic Thursday, Nov. 11, at 10:20 a.m. The little boy has a brother and two sisters and is the grandson of Mr. and Mrs. I. A. Zimmerer of Lindsay and Mrs. John Wilde of Harlingen.

Mr. and Mrs. C. W. Links welcomed an eight pound two ounce daughter on Nov. 11. The baby arrived at Gainesville Sanitarium at 9 p.m. and is named Shirley Ann. She has a brother and two sisters. The father works for Leo J. Haverkamp and the family lives in Mrs. Ben Hellman's house north of the ball park.

CDA Plans Yule Cheer for Mission

The spirit of Christmas prevailed at the Friday night meeting of the local court Catholic Daughters of America when members made plans to give, solicit, and ship a box of cheer to Saint Paul's Indian Mission at Marty, S. D.

Items wanted for the box are used clothing, toys, soap, wash cloths and towels, tooth paste, pencils, crayons, color books and similar articles.

These may be left at Mrs. Ben Hellman's home or brought to the next CDA meeting on Dec. 10, which is the deadline for giving in this drive. Non-members are invited—urged—to join in the project.

Other business at the meeting consisted of a vote to purchase a five dollar TB Christmas seal bond, and to give ten dollars to St. Joseph's Orphanage in the annual December collection.

Members also discussed the current clothing drive for the world's needy now in progress, deadline for which is Monday, Nov. 22, to allow time for sorting, packing and shipping, and heard a report on the diocesan NCCW convention held in Abilene recently.

Mr. and Mrs. J. W. Watts and son John, former Muenster residents, visited friends here Friday. They are now living in Vernon after living in South America for almost three years.

Returning to their home in Iowa City, Iowa, Monday after a five day visit with relatives were Mr. and Mrs. Victor Strabler and two children. They were guests of their cousins, Mrs. Felix Becker, Mrs. Frank Klement, Mrs. Joe Vogel and John and Victor Hartman while they were here. It was their first visit in Muenster.

The Bob Yarbroughs of Wichita Falls spent the weekend here with the Needhams. Joining them for a Sunday visit was Mrs. Lucille Fancher of Gainesville.

Mrs. John Felderhoff spent the weekend and to Tuesday in Dallas visiting her daughters, Celine and Anselma. Celine

BIRTHDAY OBSERVANCE HONORS J. S. BAGWELL

Mr. and Mrs. C. F. Gobble entertained in their home Friday night honoring her father, J. S. Bagwell of Myra, on his 80th birthday. The observance began with a dinner and continued with a social evening.

A large, decorated cake centered the table and guests brought gifts for the honoree.

Among guests were Mr. Bagwell's brother, Charles Bagwell of Hartson, Okla., and Mr. and Mrs. Joe Rich of Greenville, Texas.

The Joe Hoenigs returned Saturday from a four-day trip that took them to Rhineland to visit her sister and family, the Leo Fetsches. From there, joined by Mr. and Mrs. Fetsch and baby, they went to Lamesa to see another sister, Mrs. Gene Seal and her family.

Sister Francesca of AMI Academy, Wichita Falls, spent Sunday afternoon with her parents, the August Walterscheids. She came to Muenster with three other Sisters and the football squad that played the S.H. Cubs.

Hornets Win ---

the second being good for 10 and the score.

Then came Alvord's turn, and its best streak of offensive play of the night. Big Holloway led the charge with a pass to Neighbors for 23 and runs for 22 and 5. The 59 yard drive required only seven plays with Clower plunging for the last two.

After the next kick off Muenster marked up a prompt first down but fumbled the ball away on the next series, on its 47. Three plays later Noggler intercepted and raced back 65 yards for the third Hornet TD. Richey's pass to Dougherty added the first extra point of the game.

Alvord followed the next kick-off with one of its many neat passes of the evening. The heave, Holloway to Clower for 17, marked up a prompt first down on the 39, but the next series ended in a kick which Noggler returned 17 to the Bulldog 47. Richey then flipped to Dougherty for 18, and four plays later started around left end on a keeper and handed to Noggler. The maneuver was good for 19 to the 13 but a fumble on the next play spoiled the scoring chance. Three futile tries and Alvord booted, and two plays later Noggler took Richey's pitchout and heaved to Dougherty for the fourth Hornet TD. Noggler's kick brought the count to 26-6.

Reserves took over then for the remaining two minutes of the half, allowed the visitors 2 first downs for 35 yards and claimed the ball on downs as the period ended.

Starting the next half the reserves returned to the field and promptly ran into trouble. Alvord recovered a fumbled kickoff and Hubert Richey countered by intercepting on the next play. On the fourth down the Hornets had to kick, however, and Alvord started rolling again from its 44. Three plays added 11 before Clower took Holloway's pass and romped the remaining 45 to pay dirt.

But that was all the rookies would allow. The rest of the quarter was a deadlock with each team making one first down. As the players changed sides of the field for the last quarter Hosea changed teams again. Hornet regulars gained 19 in a hurry but lost a fumble on their 40 and had to wait 4 downs before starting again from their 34. Moon and Noggler alternated carrying on seven plays for the 66 yards, Moon squirming and twisting for 29 on the pay off run. Noggler kicked true for the extra point bringing the tally to 33-12.

Following the kickoff the Hornets again forced a kick on the first series and started driving, but ran out of time. They advanced 36 to the 22 as the game ended.

An outstanding feature of the game was Alvord's inability to get its running plays going. Total gains on the ground added to only 75, 24 in the second half. The stalemate there is explained to a great extent by the sturdy defensive play of Cain, Hellman

and Dougherty in the line. But the Bulldog air attack was more successful. Big Holloway put on the best exhibition of chunking the Hornets have encountered this season. His shots were usually accurate to Clower and Neighbors, who did a good job of catching, and total gains added to the neat figure of 153.

Noggler and Moon racked up practically all the Hornet yardage and Whitt, as usual helped with fine blocking. Richey, still nursing an injured knee, confined his offensive efforts principally to quarterbacking.

HOW TO CATCH A "COLT"—In firepower, that is, just operate the world's fastest firing machine gun ever mass produced, pictured above. Its action features a revolving cylinder similar to that in the old Army Colt being sighted by Ordnance Inspector Ann Barnett at Pontiao, Mich. But while Ann can fire about 12 shots in one minute, reloading once, the 20-mm. M-39 spits out 1200 rounds of high explosive shells in the same amount of time. Combat tested in Korea, it is electrically fired and gas operated.

Local News BRIEFS

Mrs. Callie Baumhardt is back at home after being away about two months. Her son Roland brought her to Muenster Saturday. Mrs. Baumhardt spent two weeks in Bethania Hospital at Wichita Falls, Sept. 16-30, then visited her daughter and family, the Eddie McCrarys at Sheffield through October. After that she visited Roland and his family at Big Spring.

Mrs. Anna Shelton of Denton spent Sunday here visiting her relatives of the Wieler families.

Miss Joan Zipper of Fort Worth was home for a weekend visit with her parents, the R. M. Zippers.

Miss Elizabeth Herr and Mr. and Mrs. Alvin Fuhrman were in Gainesville Saturday evening for the open house at the new telephone company building where guests were taken on a conducted tour of the building and were served refreshments.

The Stan Wylies and the Al Horns of Sanger were among out of towners at the Hornet homecoming game Friday night. Glenn and Miss Janie Hellman of ETSC, Commerce, were also present for the game and spent the weekend with their parents, the Arthur Hellmans.

Albert Hess and Mr. and Mrs. R. D. Morris have returned from an eight day trip that took them deer hunting at White Oak, N.M. Mrs. Morris stayed with a cousin whose husband and three others joined the Muensterites on the hunt. And Albert got his deer, a young buck which is furnishing the family with venison these days.

Mr. and Mrs. Al Swirczynski have returned to Dallas after being in Galveston 18 months. Al installed air conditioning in the new John Sealy Hospital there.

Mrs. W. A. Showers of San Antonio is visiting her parents, the Joe Bergmans, while her father is ill.

The infant son of Mr. and Mrs. John Huchton is named Lynn Stephen. He was christened Thursday afternoon in Sacred Heart church with Father Christopher officiating and Mr. and Mrs. Joe Tempel serving as sponsors.

MRS. WEINZAPFEL SPEAKS AT DEANERY NCCW MEET

Mrs. J. M. Weinzapfel was a guest speaker at the Wichita Falls Deanery NCCW meeting held at Windthorst Thursday, Nov. 11. Her topic was "Rural Life." She is diocesan chairman for this committee.

Attending the meeting from here with her were Mmes. C. J. Wimmer, Tony Gremminger and M. J. Endres.

Rose M. Stoffels Hubert B. Shrodes Marry at Lindsay

—Gilbert Studio Photo

Mr. and Mrs. Hubert Boyd Shrodes are making their home in Dallas following their marriage Saturday, November 6, at St. Peter's church in Lindsay. The bride is the former Miss Rose Marie Stoffels, daughter of Mrs. Henry P. Stoffels of Lindsay, and the bridegroom is the son of Mr. and Mrs. Henry B. Shrodes of Bardswell, Ky.

Rev. Conrad Herda, pastor, officiated at the nuptial mass. Mrs. Mary Conner of Dallas interpreted the vows into the sign language for the deaf couple.

Mrs. William Schmitz played the traditional wedding marches and members of the church choir provided the vocal selections.

The bride wore a white satin gown designed with a full skirt and fitted bodice with a Chantilly lace yoke accented with scallops and a tiny Peter Pan collar. The long sleeves came to points over her hands. She also wore a gold cross and chain, a gift of the bridegroom and carried a bouquet of white spider mums. Her fingertip length veil of nylon net fell from a lace half-

hat ornamented with seed pearls. Miss Lucy Stoffels was her sister's maid of honor. Her dress was royal blue taffeta fashioned ballerina length with net overskirt and topped with a short velvet jacket. She wore velvet gauntlets and a velvet Juliet cap trimmed with net and rhinestones. She carried a bouquet of yellow mums.

Albert Knabe, Jr., cousin of the bride, was best man. Mrs. Stoffels, mother of the bride, wore a navy blue ensemble and a white carnation corsage.

A reception and buffet supper in the Lindsay parish hall followed the ceremony. The bride's table held a three-tiered wedding cake and bouquets of yellow roses and fern.

Miss Emma Grace Stoffels presided at the bride's book where approximately 80 guests registered. A dance in the evening concluded the day's festivities.

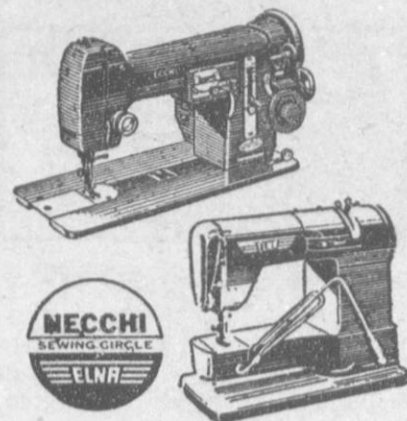

The bride is a graduate of the Texas School for the Deaf at Austin, finishing in 1950. Mr. Shrodes attended the School for Deaf in Kentucky.

Among the out of town guests attending were Franklin DeFrances of Fairfield, Mrs. Mary Conner, Mrs. Robert Anderson, Mrs. Roy Van Dover, and Miss Elizabeth Melugin, all of Dallas.

The Joe Tempels had as their guests Friday her aunt, Mrs. Bruton Baits and daughter Linda of Houston. The visitors were also in Decatur on Friday to attend funeral services for a cousin.

Guests in the Joe Swirczynski home Sunday were Mr. and Mrs. Ed Swirczynski and children James and Debra of Fort Worth and the Bob Swirczynski family of Ardmore.

THE WORLD'S FIRST AND MOST ADVANCED AUTOMATIC SEWING MACHINES

It isn't
Chicken Feed!

Loose change may seem like "chicken feed" when you SPEND it. But it's amazing how it can add up to important money when you SAVE it. Especially if you save on a systematic basis. Regular deposits will make all the difference in the world between just getting by and getting ahead.

MUENSTER STATE BANK
A GOOD BANK TO BE WITH

To increase the egg production of your layers, to help your chicks get fast, healthy gains, your home-grown feed should be fortified with Occo, the complete ratio-compounded Mineral-Vitamin Supplement. Occo supplies all the minerals your poultry must have PLUS the "Sunshine" Vitamin D, so necessary for good health.

Let me tell you how low-cost Occo in your poultry ration will increase your poultry income and give you healthier chicks and better layers. Occo has been proved BEST by over a million farmers.

lengths

Here's why we DARE insure Ironwear Nylons!

1. Reinforced double top strengthens garter points!
2. Patented protective block over seaming hole guards against runs; permits gartering near seam for straight seamline!
3. Proportioned lengths reduce garter strain!
4. High twist yarn adds sheerness and strength!
5. Protective "Luralon"® finish provides extra snag resistance!

(U.S. Pat. 2,534,689)

Never again need you choose between beauty and wear — now you can have both! After 3 years of testing, Ironwear brings you new 60 gauge nylons that are so long-wearing that we dare insure them! Yet they're gossamer sheer... with a soft, flattering finish that gives your legs new glamour.

Also available in ever-popular
51 gauge All-Purpose Sheers: **\$1.39** pair

*Because the real test of wear is during the first week, we insure Ironwear Nylons for this critical period. If they run return with insurance card and we give you a new pair! Additional pairs are insured for two weeks.

 DIRECTOR — NATIONAL EDUCATION PROGRAM
 Seely, Arkansas

A HUNGARIAN WANTS SHOES

Washington, D. C.—On an early evening stroll through the retail shopping district of Washington, I counted 47 shoe stores or shoe departments in department stores and apparel shops. That's about the average for an American city the size of Washington. On display were thousands of shoes of all sizes, priced from \$2.69 to \$34.50. In the shelves beyond the displays were tens of thousands of shoes. I hadn't come to Washington to look at shoes. My purpose was to interview a number of Cabinet members and departmental heads.

But I had also spent some time

These farm "hands" work all day, every day

Wyer
 incalflex

From dawn to dusk and back again the hands on your Wyer watch give you the right time, all the time. No shock is too much for them; no dust or grime can get into the case. Mighty good-looking, too!

at the State Department and "on the hill" with staff members of some of the Congressional committees. My sudden interest in shoes developed after I had been given some authentic information, from a government agency, about the shoe situation in Communist Hungary. Shoes for Hungary's millions are made in government-operated cooperatives, as are most manufactured goods. Communist countries operate a Socialist economic system combining State ownership of industry, cooperative manufacturing and marketing, and collective farming. Under it, the average citizens live in relative poverty. But the facts from behind the Iron Curtain are usually colored up in propaganda.

Choice Made

The utter inefficiency of politically-operated cooperatives is dramatized in a restrained but pointed dispatch which appeared recently in the Budapest newspaper, Magyar Hemenet. It tells of a Budapest resident's frustration in trying to purchase a pair of shoes last March: "He pointed to a shoe in the display window and said: 'That is the kind I want.' The following is the reply he was given: 'First of all, we can give you a serial number at the most and you will have to wait your turn.'

"The customer modestly took the serial number to wait his turn. With it he came back a month later, on April 27, 1954, and ordered a pair of shoes. They measured his foot, and after he made an advance payment, they told him: 'The shoes in first-class quality will be ready by the end of May.' Yes, the shoes a month later were ready. Witnesses too say that the shoes were very nice. They simply sparkled. There was only one trouble with them. They were so small they would not go on his feet.

Frustrated Customer

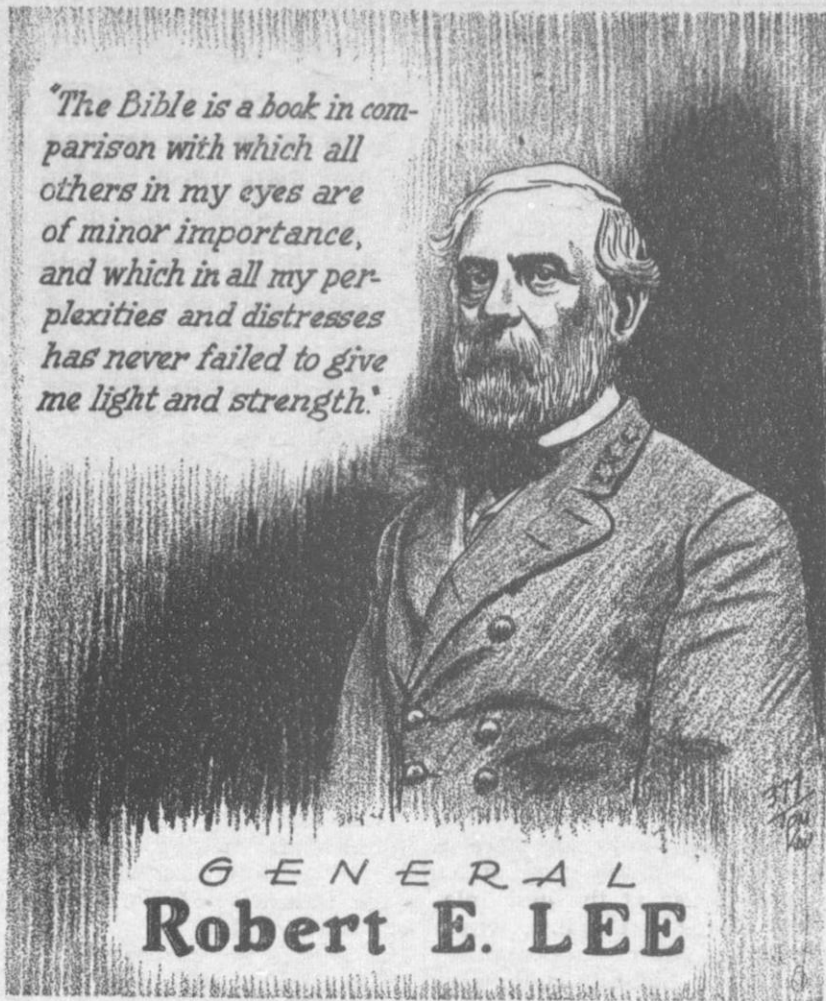

"If you wish," said the salesman, "we shall give you back your deposit. Or: in a short time we will make you another pair." In a short time, hardly more than six days, they took his measurements again. They also said that in following the policy of paying greater attention to the needs of workers, they could make the shoes in slightly less than two weeks. Two weeks passed. So did three weeks. They then informed him that an unexpected turn of events prevented the shoes from being delivered.

"The shoes, sorry to say, got lost. . . . But we'll willingly give you back your deposit." "I don't want the deposit, I want shoes!" the customer exclaimed. The salesman gave another promise, this time to have the shoes ready by July 3. Finally the shoes were ready (by mid-July) But they were a little uncomfortable. There were wrinkles on the toe and the soles were not symmetrical with the sides of the shoes. . . . This is the way T. B., a resident of Budapest, obtained a pair of shoes after 17 weeks of great pains. This is not right!"

Sorry Plight Exposed

Chances are that the editor who printed this story in a Budapest newspaper is a Communist

"The Bible is a book in comparison with which all others in my eyes are of minor importance, and which in all my perplexities and distresses has never failed to give me light and strength."

GENERAL Robert E. LEE

The Bible - Source of Light and Strength

functionary serving an indirect warning to the shoe cooperative to do better. Other issues of Hungarian newspapers report on the anticipated winter fuel shortage, and the anxiety it is causing, but attempt to offset the worry with reports of improving coal production.

No matter how carefully the Soviet officials seek to hide the facts from the outside world, little items in Iron Curtain newspapers from time to time reflect the sorry plight of a people whose government dictators have provided them with economic "se-

curity" in what amounts, in reality, to one vast Poor House. In the Soviet Poor House, the masters are cruel and demanding. Not only must the citizen-slaves live in poverty, they must ultimately forfeit, too, their minds and souls to a Godless force seeking to destroy the good in mankind.

Remember these facts about Socialism-Communism the next time you pass the show window of your neighborhood shoe store, and thank God for the ease with which you can get shoes of your choice.

The Odds Are All For God

By Rev. Richard Ginder

THE CLEVEREST SCIENTISTS have experimented with light and color in an effort to perfect the photographic lens. But no matter how perfect a job they may do, they will never be able to manufacture anything as sensitive as the retina of the human eye.

Who fixed it so that the pupil would contract to exclude dazzling light and dilate to admit as much as possible in the dark? Maybe it just happened that way. Perhaps it just evolved. It is convenient to drop matters of this sort into the pigeon hole of chance; but someone once figured just how probabilities would work out in this very problem of the eye. The odds are nine million, nine hundred and ninety-nine thousand, nine hundred and eighty-five for God to a miserable fifteen for chance.

HOW DID PEOPLE begin to reason and talk? How did free will originate? What makes me think I can control my actions? These are all problems which embarrass the atheist. The chances are he will not let you present them all.

For the atheist is not really interested in truth. He is interested only in keeping God out of the universe.

THE STRANGE FACT is that the atheist persists in his illogical bigotry, even when faced with the conclusive argument

that men all over the world have, independently of one another, recognized all the evidence for the existence of God. It takes no very keen wit to see an intelligence behind the intricacies of nature.

The tree outside my window brings forth her leaves each spring and lays them down in the fall. The gladioli by the steps are content to stand and show themselves to passing motorists. The ants by the corner of the church run busily to and fro excavating their new home under the pavement. All of the universe moves with dignity and concert.

ANOTHER ARGUMENT, so obvious that it may elude us, is the fact that the Creator visited His earth some nineteen hundred years ago. He came down, stayed with us thirty-three years, during which time He established His identity; and at the end of that time, He let men kill Him. Then three days later, He got up from the grave for a few last days with His friends. After that, He vanished into the clouds.

That is the truth. We have the sworn statements of all the necessary witnesses. We have historical accounts of the fact. The life of Christ has been an integral part of world history since then, and is still so important that the year of His birth is reckoned as the beginning of our era.

EVERYTHING SPEAKS to us of the existence of God. The voice of reason is seconded by the testimony of history. The witness is so overwhelming that "Only the fool says in his heart, there is no God."

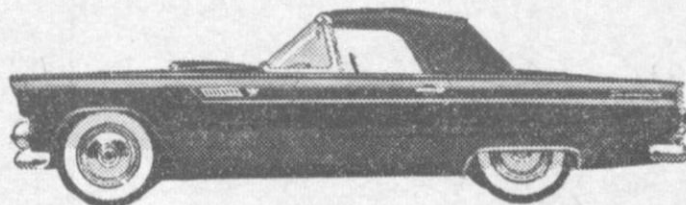

† Paulist Feature Service, Washington 17, D. C.

Opportunity doesn't knock so often but temptation seems to pound away every day.

Only in a few western states, notably Montana and Nevada, are silver dollars still in common use.

Drive Safely! Did you know that when a car is going 60 mph it can't be stopped completely under 264 feet? That's twice the distance between home plate and second, and 12 feet more.

FORD THUNDERBIRD—the thrilling new personal car that set the style for Ford's '55 lines.

From the Thunderbird look ...comes Ford's new styling

THE NEW FAIRLANE SEDAN is a truly distinguished car that will be at home everywhere.

And Ford's long, low Thunderbird-inspired lines are complemented by exciting new interior styling—and many rich upholstery materials never before used in an automobile.

In Ford's new Fairlane, Customline, Mainline and Station Wagon Series—you'll see styling that was inspired by the Thunderbird—the distinguished Ford personal car that was received with so much enthusiasm all over the nation. This styling is reflected in Ford's longer, lower silhouette—daring new exterior color treatments—colorful upholstery never before found in a car—everywhere you look.

V-8 which is offered with Fordomatic Drive in Fairlane and Station Wagon models. And the new 120-h.p. I-block Six.

Plus all these "worth-more" features

- New Speed-Trigger Fordomatic Drive* gives quicker starts and passing.
- New Turbo-Action Spark Plugs resist "fouling" up to three times as long.
- New 10% larger brakes mean smoother stops; up to 50% longer brake lining life.
- New Tubeless Tires offer extra puncture and blowout protection.
- New Angle-Poised Ball-Joint Front Suspension makes all riding and handling easier. *at extra cost.

New Trigger-Torque Power
 All three of Ford's new engines are the mightiest ever offered in Ford Cars. All offer split-second Trigger-Torque performance. There's a 162-h.p. Y-block V-8. A still mightier 182-h.p. Y-block Special

From where I sit... by Joe Marsh

Granny Drives But Won't "Shift"

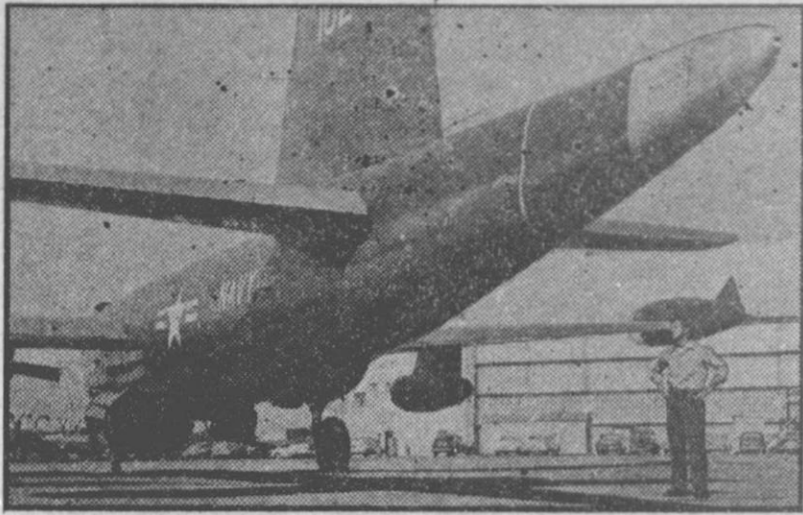

Saw Grandma Taylor parking her 1924 Franklin out front the other day. Neat as a pin, radiator and hub caps gleaming—the whole car is as shiny as the day she bought it 30 years ago.

Then I stopped and looked again—for there, hanging on the spare tire was a sign: "This car NOT for sale."

Asked Granny what was going on. "Joe," she says, "it's this craze for old cars. Everybody wants to buy my Franklin. But it has served for years and it's not for sale at any price."

From where I sit, it's strictly the new cars for me—but Grandma Taylor, and others, are certainly welcome to their "old faithfuls." It's simply a question of preference. Same with a choice of beverages. For instance, I like a temperate glass of beer with supper. You may prefer coffee. Fine! The important thing is that we respect each other's choice—and "ride along smoothly" together.

Joe Marsh

"MAD" ENOUGH TO STING—Pointed tail of this Lockheed P2V Neptune waiting for take-off at Burbank, Calif., carries a real sting for U. S. Navy sub-hunting operations. Nicknamed the "MAD Bird" for the more formal name of its equipment, "magnetic airborne detector device," the instruments in the tail are designed to record disturbances in the earth's magnetic field caused by submarines moving underwater.

The U.S. uses 42% of all the electricity produced in the world, and its power industry has 50 million individual customers.

Bulcher News

By Mrs. R. J. Samples

BULCHER, Nov. 17—Visiting Mr. and Mrs. Charles Crabtree and Corky during the weekend were the L. L. Picketts of Healdton, Okla., and the Weldon Dennises of Saint Jo.

Mr. and Mrs. J. M. Shields left Saturday for parts of South Texas on a week's vacation trip. It's a week Mr. Shields saved from his regular three-week vacation earlier this fall in order to go deer hunting.

Several Bulcher residents attended funeral services for Rev. Murray A. Travis, 82, pastor of the Saint Jo Presbyterian church, at 4 o'clock Sunday afternoon at Saint Jo. Others from here attended funeral services for Mrs. Monroe Atteberry in Nocona at 2:30 Sunday afternoon.

The Elbert Hymans and family of Healdton, Okla., were weekend guests of his parents, the August Hymans.

Representing Bulcher Home Demonstration club at the county council meeting and luncheon last week were Mes. Gid Prather, R. J. Samples, J. M. Shields and Charles Crabtree.

SURPRISE PARTY HONORS BELVA JEAN SAMPLES

Belva Jean Samples was surprised Monday night with a party at her home when classmates and other friends gathered there bringing gifts. The group enjoyed games and refreshments of cake, cookies and cold drinks.

Present were Travis Cowan of Nocona, Maydelle Cole, Shirley Reid, Bettye Johnston, Chessie Bradberry, Bill Harris, Nelson Berry, Donald Ice, the honoree and her mother, Mrs. R. J. Samples.

49th Anniversary Observed Sunday by Fettes, Hellmans

A surprise gathering at their home Sunday night greeted Mr. and Mrs. Henry Fette who observed their 49th wedding anniversary on that day.

Children, grandchildren and great-grandchildren from Muenster, along with the honor couple's sisters and brothers from this city were present for a reunion and refreshments of pie a la mode and coffee brought by the guests.

Sharing honors with the Fettes were Mr. and Mrs. Gus Hellman, who were also observing their 49th wedding anniversary. The couples were married in a double ceremony here in Sacred Heart church in 1905.

The Fette children living here are Joe and R. N. and Mrs. Joe Voth. Sisters and brothers of the honorees are John and C. J. Fette, Mrs. Joe Lehnertz and Mrs. M. J. Endres.

PLANTS AND PLANTERS TOPIC AT CLUB MEET

Ways to grow flowers and pot plants and ideas for making attractive planters furnished an interesting topic for discussion during the program hour of the Marysville Home Demonstration club Friday when Mrs. Earl Robison was hostess in her home.

Members also discussed plans for their annual Christmas party, heard the last council report by Mrs. Charles Davidson, and surprised Mrs. Robison with a shower of gifts in observance of her wedding anniversary.

Refreshments were served to 11 members and one guest. The next meeting will be held on Nov. 26.

BULCHER CLUB SETS DUES FOR BUILDING UPKEEP

Members of the Bulcher Community Club decided to charge club dues, a dollar and a half a month per family, beginning in December, when the group gathered for their regular monthly session on Nov. 11.

The dues will go into a fund to keep the building in repairs, take care of utility bills and other expenses as may occur.

Members set Nov. 23 as the date to clean the building floor for a coat of fresh paint, and made tentative plans for a community Christmas tree party. The date will be announced later by the committee in charge.

MRS. MONROE ATTEBERRY DIES SATURDAY AT NOCONA

Mrs. Bidell Clary Atteberry, wife of Monroe Atteberry, formerly of the Bulcher community died at a Nocona hospital Saturday. She was 24 years old.

Funeral services were held Sunday in the Daugherty Funeral Home chapel in Nocona at 2:30 p.m. and burial was in Nocona cemetery. Rev. Lee Partridge officiated.

Mrs. Atteberry was born Jan. 12, 1930, at Wright City, Okla. Survivors include her husband

and three sons, Jimmy Charles, Billy Willard and Jerry Lee, all of Nocona; her parents, the Charlie Clarys also of Nocona, and a brother, Sgt. James W. Clary with the army in Germany. She was the daughter-in-law of Mr. and Mrs. Jimmy Atteberry of Bulcher.

216 Awards Made At Lindsay's 4-H Achievement Day

Two hundred and sixteen ribbons were awarded in Lindsay's 4-H Achievement Day program held Friday, Nov. 12, in the parish hall. Exhibits in an attractive display provided a show that would have done credit to clubs twice the size of Lindsay's organizations.

The fall theme with seasonal flowers and autumn leaves formed a complement for the exhibits which were judged in the afternoon and were open to the public after that into the night. During the evening hours 4-H clubbers presented an entertainment program under the direction of Sister Ann Pauline.

Adult leaders Mmes. Joe Bengfort, Nick Block, Tony Voth and Tony Hermes assisted members in arranging the displays and supervised the day's activities.

Ribbons awarded included one hundred nineteen blue, eighty-one red, and sixteen white.

Blue ribbon winners in the girls' division were:

CLOTHING—Stella Bengfort, Mary Margaret Hermes, Mary Jane Block, Rachel Voth, Jane Francis Kubis, Ann Neu, Peggy Hermes, Virginia Metzler, Lavern Fuhrmann, Rose Mary Bezner, Dorothy Bengfort, and Louise Hermes.

CANNED GOODS—Mary Margaret Hermes, Cecilia Neu, Cecilia Fuhrmann, Marlene Bezner, Mary Jane Block, Elsie Popp, Jane Francis Kubis, Verna Kuhn, Rachel Voth, Stella Bengfort, Rose Mary Hermes, and Dorothy Bengfort.

BAKING—Eileen Fuhrmann, Dorothy Geray, Wanda Hess, Linda Kuhn, Peggy Hermes, Ann Neu, Marlene Bezner, Mary Jane Block, Elsie Popp, Rachel Voth, Maxine Schmitz, Alice Voth, Lorraine Voth, Margery Fuhrmann, Dorothy Bengfort, and Louise Hermes.

FANCYWORK—Mary Margaret Hermes, Marlene Bezner, Maxine Schmitz, Rachel Voth, Verna Kuhn, Stella Bengfort, Margery Fuhrmann, Judy Schmitz, Patricia Block, Rose Mary Bezner, and Carolyn Schmitz.

MISCELLANEOUS—Virginia Zimmerer, Eileen Fuhrmann, Dorothy Geray, Bernice Hermes, Mary Margaret Hermes, Marlene Bezner, Mary Jane Block, and Stella Bengfort.

4-H boys were awarded the following ribbons:

Joe Bezner: oats, white; alfalfa, blue; brooder, blue.

Henry Fleitmann: barley, red; pecans, red; wheat, red.

Michel Fuhrmann: wheat, red; eggs, blue; broiler, red.

Cyril Hermes: eggs, blue; clover, blue; oats, red; wheat, red; chicks, blue.

Cecil Hermes: clover, blue; wheat, red; corn, red; brooder, blue.

Alfred Hermes: pecans, blue; corn, blue; extension cord, blue.

Melvin Kuhn: oats, red; wheat, red; corn, blue; barley, blue; brooder, blue.

Paul Sandmann: wheat, blue; oats, blue.

James Sandmann: clover, blue; wheat, blue.

Frank Sandmann: oats, blue; wheat, blue; corn, red; brooder, blue.

blue.

Michael Bezner: oats, white; alfalfa, blue.

Leom Fuhrmann: oats, blue; corn, red; wheat, blue.

Jerome Fuhrmann: pecans, red; wheat, blue.

Jimmy Flusche: corn, white; silage, blue.

Richard Haverkamp: oats, blue; wheat, blue.

Mark Hermes: pecans, red; oats, red; wheat, red; clover, blue; rabbit, blue.

Gilbert Hermes: wheat, red; oats, red; corn, red; clover, blue.

Anthony Hermes: pecans, blue; rabbit, blue.

Paul Hess: wheat, red; corn, red.

Leslie Kuhn: corn, blue; wheat, white; cottonseed, red; oats, red.

Bernard Kubis: alfalfa, blue; rabbit, blue; oats, red.

Leroy Neu: oats, red; cottonseed, blue.

Clarence Neusch: oats, blue.

Henry Sandman: oats, red; wheat, blue.

Larry Sandman: oats, red; corn, blue.

Kenneth Zimmerer: oats, red; corn, white.

Jimmy Zimmerer: millet hay, red; alfalfa, white.

Leonard Zimmerer: oats, red; millet hay, blue.

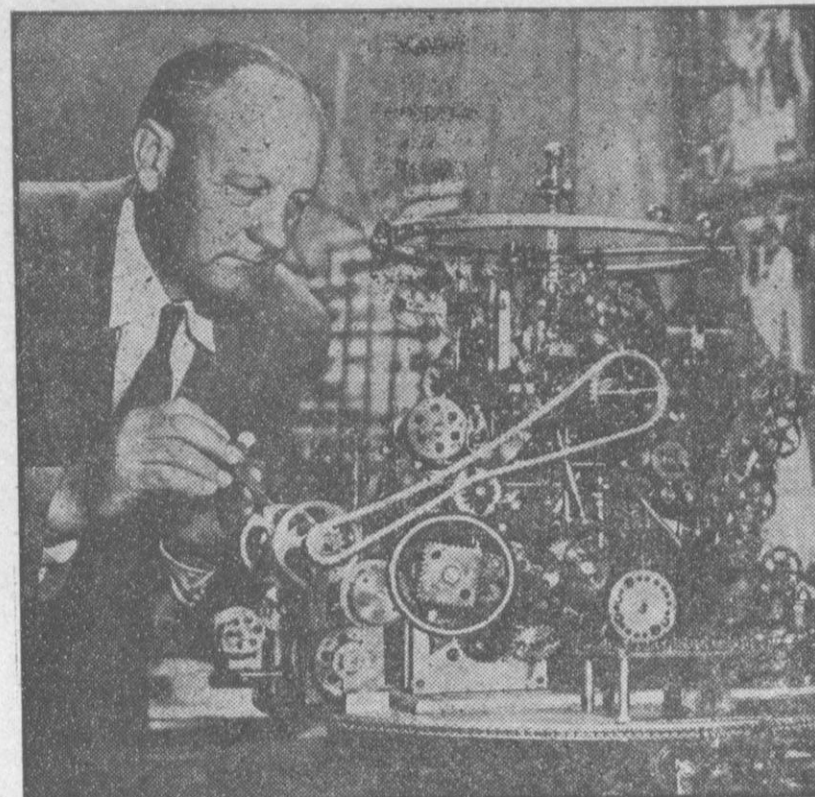

Alfred Bayer Named County ABA Prexy

Alfred Bayer was elected president of the Cooke County Artificial Breeders association during a recent meeting of the organization.

Others elected to the executive board are Jack Elkins, vice president, and Paul Fisher and Pete Prescher, directors. Albert Klement is technician.

Data released at the meeting revealed that 476 cows were bred this year. There are 1620 cows in the association.

Some 425 to 450 titles have been coming out in the comic book field every month and selling the astounding total of from 75 to 100 million copies. That means America's children have been reading at least 900 million copies every year.

THERE'S NOTHING TO IT—Take it from California inventor Lawrence Wahlstrom, who is adjusting his multigear mechanical marvel prior to its appearance on a New York TV show, there's nothing to designing a complicated machine of this nature. Featuring what is perhaps the only square-gear machine drive in the world (circled), the complicated device accomplishes with much display of energy what many people would like to do—exactly nothing.

Modern community-wide and group X-ray surveys are making valuable contributions to the prevention and control of tuberculosis in this country.

Ranking first among infectious diseases as a cause of death, tuberculosis is nevertheless a disease which can be prevented and can be cured.

COLLAPSIBLE WORLD—Folded for storage, this inexpensive globe of the world is exhibited by Washington, D. C., cartographer Charles E. Riddiford, who developed what he hopes will be the low-cost answer to the problem of supplying an up-to-date world map for the average man. The National Geographic Society employe says that mass production could make it available for one dollar or less.

WORLD ON A STICK—Charles E. Riddiford, Washington, D. C., cartographer, has developed this world on a stick. It collapses much like an umbrella for easy storage, and Riddiford says it is designed to sell for a dollar or less. The National Geographic Society employe thinks it will fill a demand for an up-to-date globe at low cost, one which may be discarded as changes in national boundaries outdate older, more conventional globes.

**IT HAPPENED
15 YEARS AGO**

Nov. 17, 1939

Muenster will observe 50 years of progress with elaborate festival next week Wednesday and Thursday; expect 4,000 attendance for two-day program. City's decorations announce approach of jubilee. Another group of trees, shrubs set out at cemetery. Muenster ships six carloads turkeys to eastern market. Fire razes ancient landmark leaving Earl Robinson family homeless five miles southeast of Muenster. New high record reached in Red Cross drive here. Mr. and Mrs. Theodore Rauschuber are at home on a farm at Lindsay since returning from a wedding trip. Elfreda Walterscheid and Herman Danglmayr marry here Tuesday. Arthur Endres returns to Muenster after living in Sulphur Springs. The Arnold Friskes announce the arrival of Gwen. Muenster Enterprise publishes special Golden Jubilee edition carrying pictures of early and recent scenes, condensed history of Muenster, and complete program for jubilee celebration.

10 YEARS AGO

Nov. 17, 1944

John Lehnertz, 69, dies of heart attack Monday morning. War chest still short; extension of time granted. Burial held Sunday for three year old Charles James Wolf, son of Mr. and Mrs. Charles Wolf. John Wieler's car, stolen two weeks ago, is recovered at Camp Howze. Local women asked to bake 100 dozen cookies for Thanksgiving treat for Camp Howze hospital patients. Sgt. Lloyd Patrick, former local boy, is army casualty. Elizabeth Walterscheid has joined the staff at Curtis Restaurant. Freak hail storm visits community briefly Monday. Mr. and Mrs. Phillip Metzler celebrate their silver wedding anniversary. Civic League and Garden Club forms new committee for park beautification.

Nov. 12, 1949

Parish count here next week is part of Dallas diocese census. Leo Neyer of Big Lake, where he is on the teaching staff, was here during the weekend to move his wife and son to their new home. CDA court gives dinner party for husbands and guests. Local relatives attend Mrs. Mary Streg's funeral in Shiner. Foundation stones are being removed

at the old church site, ending the long delayed last step in clearing off the church grounds. Hornets to feast and get awards at annual banquet Sunday. Ernest Loyd, Fort Worth contractor, will build the South Muenster farm to market road, get job on \$45,792 bid. Emily Fette is recovering from an appendicitis operation. Mrs. Lena Bernauer is recovering from ptomaine poisoning. Mrs. Joe Luke undergoes major surgery in Dallas.

VFW Auxiliary Has Memorial Service On Veterans' Day

Honoring Muenster's war dead, members of the VFW Auxiliary conducted a memorial service at Sacred Heart cemetery on Nov. 11 at 10 a.m.

Prayers were recited and tribute was paid to those who proved that greater love hath no man than to lay down his life for his country and his flag.

Mrs. Ray Swirczynski, president, and Mrs. Joe Tempel, assistant chaplain, of the organization conducted the rites in the presence of about 25 members and other persons and Mrs. Swirczynski placed a large white styrofoam cross centered with red roses and blue and white ribbons on the soldiers' monument in the service men's section of the cemetery.

Marysville News

By Mrs. Herman Richey

Masonic Lodge and Progress Club members met and began painting the outside of the community center building Monday. The upper part of the building belongs to the Masonic Lodge so the painting is a joint project of the Lodge and Club. Women of the community served lunch at noon.

Guests in the home of Mr. and Mrs. J. M. Shiflet over the weekend were Mrs. Ed Mathews and son Gary and Mrs. Regan Shiflet and son Larry all of Dallas.

Mr. and Mrs. E. J. Doughty of Glen Rose visited Mr. and Mrs. B. G. Lyons Wednesday.

Mrs. Earl Robison and son Jimmy Don visited her mother Mrs. Mattie Davison in Gainesville Saturday.

Mr. and Mrs. Tom Hair of Colorado Springs, Colo., spent Monday and Monday night with Mr. and Mrs. J. M. Shiflet. Mrs. Shiflet is Mrs. Hair's niece.

Mr. and Mrs. Herman Richey and daughters Wanda, Deanna and Linda spent Sunday with Mr. and Mrs. R. A. Sparkman and family at Valley View.

Mrs. Clyde Stiles and daughters Velora of Gainesville and

Shirley of Fort Worth visited Mr. and Mrs. B. G. Lyons Sunday.

Chester Henley of Dallas, Doyle Hammon of Fort Worth, Ken Henley of Valley View and M. G. McKinny of Gainesville visited the Herman Richeys Saturday evening.

The Raymond Davisons of Fort Worth spent the weekend at their home in this community.

Mr. and Mrs. Otto Seigmund and family of Hood visited Mr. and Mrs. Charles Davidson and baby daughter Rebecca Sunday.

Mrs. Emma McElreath of Canadian visited Mr. and Mrs. Jess Davison Sunday afternoon.

Rev. Glen Bridges of Ft. Worth will show films of Brazil at the Baptist Church Saturday evening, Nov. 20, and will be in charge of morning and evening services Sunday. He will show relics and talk on his missionary work in Brazil.

W.M.S. AND BROTHERHOOD MEET AT MARYSVILLE

Members of the Marysville W.M.S. and Brotherhood held regular monthly meetings Monday night in the Baptist church. Both groups gathered in the auditorium for the opening prayer led by Mrs. J. T. Cole and a song after Mrs. Rafe McElreath, W.M.S. president, called the session to order. Mrs. Jack Biffle gave the devotional.

The men and women then went to their respective departments for separate meetings.

Mrs. Earl Robison had charge of the W.M.S. program on "New Roads in Southern Rhodesia," and members made plans to send a Christmas box to a Japanese student at Baylor University preparing for missionary work in his country. They also planned a Lottie Moon prayer service for December and will announce the date later.

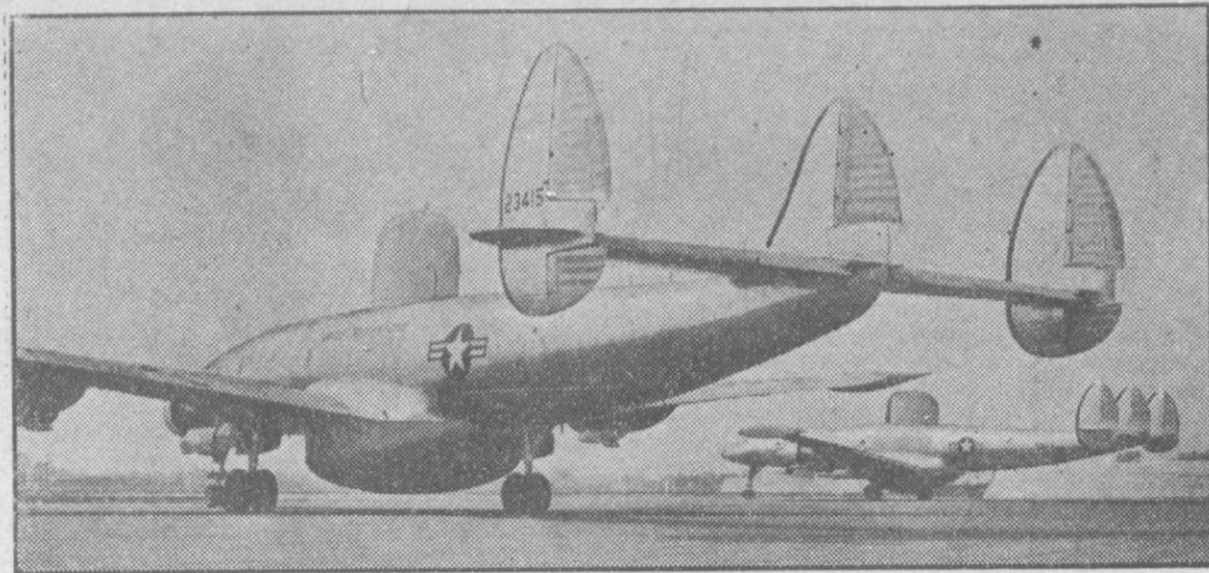

tion and improvement around Muenster are: Paul and Urban Endres, who have a good volunteer vetch crop on old needlegrass fields near Marysville, L. M. Eldridge 28 acres of vetch on his place near Forestburg, C. C. Ware has planted twenty acres of alfalfa on the place he leases from Lee Stevenson near Saint Jo.

Tony Fleitman has just finished a little more than one half mile of broad, easy to farm, channel type terraces on his farm north of Muenster. The terraces are protected on the outlet end by emptying on pasture. Mr. Fleitman built the terraces himself using his own equipment and the island method of construction.

A new farm pond has been completed on the farm of Howard Mays south of Saint Jo. The pond will allow better use of pasture by providing water in another place.

If you have not yet prepared your waterway for sodding, now is the time to do it. Waterway grasses are like other crops which you plant. In order to get a good stand you need to have proper land preparation to control competition and conserve moisture which the grass will need for growth next Spring. See your local soil conservation service personnel to have your waterways properly located and staked, then do your share toward getting a stand of grass the first year. Prepare your waterways now.

Citation By Publication
THE STATE OF TEXAS
TO: WILLIE EDITH PERRY
GREETING: You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 20th day of December, A. D., 1954, at or before 10 o'clock

BUMPS OF KNOWLEDGE—They're humpbacked and potbellied, but these specially equipped Constellations have perhaps the keenest eyes in the sky. The bulges are jam-packed with radar equipment and the planes, which are designed to cruise for 24 hours at a stretch, are part of the joint U. S.-Canadian network now under construction. They'll be used in conjunction with surface units operating off the nation's coastline to guard against surprise attack.

A. M., before the Honorable District Court of Cooke County, at the Court House in Gainesville, Texas.

Said plaintiff's petition was filed on the 5th day of November, 1954. The file number of said suit being No. 16689.

The names of the parties in said suit are: **CURTIS LENORA PERRY** as Plaintiff, and **WILLIE EDITH PERRY** as Defendant.

The nature of said suit being substantially as follows, to wit: A suit to declare purported marriage of plaintiff and defendant to be declared null and void by reason of fraudulent representations and conduct of defendant, said alleged purported marriage having occurred on or about February 15th, A.D. 1936, as is more fully shown by plaintiff's petition filed in this cause.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 5th day of November A. D., 1954.

Given under my hand and seal of said Court, at office in Gainesville, Texas, this the 5th day of November A. D., 1954.

Tigers Win - - -

Starting the game the Tigers, with Walter running strong, made four first downs for 51 yards before being forced to kick, then recovered Buckner's fumble three plays later on the Buckner 30. A few ineffective tries followed by Hofbauer's 18 yard scot and Herr's 11 yard pass to Owens produced 6 points.

The Orphans came back with 2 first downs and 28 yards before Herr intercepted and returned to the 20. Four plays from there gave a first down on the 5 but a penalty moved back to the 10, where it was 4 tries and goal to go. Buckner braced and held the scoring push with less than a yard to spare.

On the next play the Orphans kicked out of danger and the Tigers started back from their 30. Four plays gave them first down on the 3 but two tries was all they got from there as time ran out.

Returning after intermission Sacred Heart continued its control of the field even though Buckner was picking up momentum. The Tigers held by a yard on the first series of downs, lost the ball on an interception, and held by less than a yard on the next series.

That's when the offense started clicking again. Walter stepped off a first down, Fleitman added 13 on a nice catch and equally nice run, and Herr scooted for 12 to

the Buckner 5. Two plays later Herr ended the 40 yard push with a quarterback sneak for 2 yards and Sylvan Walterscheid added a point from placement.

From then until the last minute Buckner dominated. Starting from its 35 it moved the chain twice before losing the ball on downs on the 27, but got going again after an interception on the next play. The 30 yards from there required seven plays, New-some scoring from the 2 and Miller kicking true for the extra point.

Another interception on the Tiger 45 two plays after the kick-off and a prompt first down to the 31 made Sacred Heart's 13-7 lead appear shaky until Owens relieved the strain by recovering a fumble on the 25. As the game ended the Tigers were back to their 40.

Hot shots for the Tigers were Walter and Herr on the offense and Walterscheid and Owen on the defense.

Frank Becker of Exeter, Neb., left Monday to return to his home after a week's visit with his cousins, Felix and Bill Becker and Misses Anna and Mary Becker. It was his first visit in Muenster and the first time the five cousins saw each other in 42 years.

Thunder is caused by a flash of lightning heating the air which then expands and sends out a wave. Wave causes the noise.

Mildred Fleitman
 Raymond Lindemann
 Say Nuptial Vows

—Boyd and Breeding Photo

Miss Mildred Fleitman, daughter of Mr. and Mrs. William Fleitman of Lindsay, and Raymond Lindemann, son of Mr. and Mrs. R. T. Lindemann of Scotland, Texas, were married Tuesday morning at 8:30 in St. Peter's church at Lindsay.

Rev. Conrad Herda performed the double ring ceremony and officiated at the nuptial high mass. The altar before which the couple exchanged their vows was adorned with white mums, greenery and candles.

Mrs. William Schmitz, organist, and the church choir furnished the nuptial music.

The bride, given in marriage by her father, selected for her wedding costume a lovely floor

length gown of white Chantilly lace and nylon tulle. The dress featured a rounded neckline with a nylon net yoke, petal point sleeves and full skirt fashioned with an appliqued nylon panel at the center front.

Her fingertip veil fell from a headdress of lace and net sprinkled with rhinestones, and she carried a crystal blue rosary belonging to her father. Her flowers were white carnations and she completed her costume with white gold earrings and a necklace belonging to her mother.

Misses Clara Belle Fleitman and Theresa Lindemann, sisters of the couple, were maid of honor and bridesmaid, respectively, wearing identically designed gowns of yellow taffeta. The floor length frocks were full skirted with short puffed sleeves and fitted bodices. Their head pieces were of yellow net and taffeta adorned with rhinestones and they carried colonial bouquets of white mums. Their rhinestone earrings and necklaces were gifts from the bride.

The groom's cousin, George Krahl, attended as best man and Henry Fleitman, brother of the bride, was groomsman. Wilbert Block and Floyd Humpert ushered.

Immediately after the services breakfast was served in the home of Mr. and Mrs. George Krahl where Mrs. Krahl was assisted by her sister, Mrs. Curtis Reeves.

At high noon a reception and dinner was held in the Lindsay hall with the bride's parents as host and hostess. A color scheme of yellow and white predominated in the building and on the bride's table. Mrs. Johnny Kuntz and Miss Rita Block cut and served the cake, and Mrs. George Krahl and Mrs. Curtis Reeves presided at the bride's book.

When the couple left on a wedding trip, not revealing their destination, Mrs. Lindemann was wearing a powder blue suit with red accessories.

They will make their home in Scotland where he is self employed in the garage business. He was educated in Scotland and served in the army during world war II with duty in the Pacific Theatre. His bride was graduated from St. Peter's high school and for the past three years was employed in office work in Fort Worth.

FUHRMANN'S BACK FROM 8 DAY, 2300 MILE TRIP

Mr. and Mrs. Henry N. Fuhrmann, and his parents, the Mike Fuhrmanns of Lindsay, returned Sunday night from an 8-day 2300 mile trip to visit relatives and friends and go sightseeing.

Their first stop was at Subiaco, Ark., to visit their son and brother, Father Alois, and from there to New Hamburg, Mo., where Mrs. Mike Fuhrmann was born and reared. It was her first visit back in 64 years. Then to Pesotum, Ill., to visit the Bill Hartman family, and then to Elm-hurst to see their daughter and sister, Mrs. George Hartman and family. In Iowa City, Iowa, they visited Mike Fuhrmann's cousins, some of whom he had never seen, and in Independence, Kansas, they went sightseeing.

At Montrose, Mo., they visited their old homeplace where the family lived for two years, between living in Lindsay, and Sunday they spent the day in Vinita with Mike Fuhrmann's sister and family, the Max Koeslers. They also saw the Max Koeslers Jr., and their newly adopted family, two boys and two girls, aged from 2 to 8 years.

Confetti - - -

control supported by the sale of TB bonds and Christmas seals. Some of the others are TB research and health education, care of those afflicted with the disease, and maintenance of TB sanatoriums. All are worthy undertakings, most deserving of our enthusiastic support.

From both the altruistic and selfish point of view the TB fund raising program serves a fine purpose. To unfortunates who are found with the disease it provides a means for isolation, rest and special care, helping them recover and return to a healthy useful life. Few of us would begrudge a donation to such a cause. To us more fortunate people it serves at the same time as a means of checking the spread of the disease. When TB patients are taken under care the hazards of exposure are reduced for the rest of us. If we so choose we can regard our TB donation as our bit toward protecting ourselves against TB contagion. It is a form of insurance, and a good investment at that.

All those merits become self evident after just a little thought, and to us of Muenster there is still another point which deserves special consideration. A TB donation here can be regarded as a token payment for valuable service already received. Records show that some 4500 persons received chest X-Rays the last time the service was offered in Gainesville, and observers at the scene say that Muenster was far better represented than any other part of the county. Some claim that we had almost half of the total number of X-Rays.

Suppose that guess were correct, or to make it an even figure, let's suppose that the number is 2,000. Figured on the normal cost of X-Rays, Muenster people received from \$15,000 to \$20,000 worth of service . . . for free. Of course it is obvious that the TB association did not spend that much on us. It was specially set up to do the job the most efficient way. But still that's the value according to usual medical laboratory charges.

If you're not convinced the number was that large, discount the amount accordingly. Remember, however, that every person received from \$7.50 to \$10.00 worth of service. By buying TB bonds or seals we can help pay for that wonderful service. And when deciding on the amount of our donation we could, very fittingly, be influenced by the comfort we felt when we received that OK report on the picture.

Drifting slightly from the subject of TB donations this column invites special attention to the community's magnificent representation at the free Chest X-Ray. It is something to brag about, because it is a good example of Muenster's exceptional interest in preventing disease. TB will not make much headway around here as long as we cooperate that well in watching for it.

The same applies to diphtheria and smallpox. Muenster hasn't had a case of either in 20 years or more, thanks to Doc Myrick. For years we've had special days when kids by the hundreds get their shots, which have paid off wonderfully in community health.

The Joe Parkers of Fort Worth were guests Sunday of her brother, Hugh Jackson and family.

SURPRISE PARTY GREET'S MRS. JOHN ZIMMERER, 70

Mrs. John Zimmerer of Lindsay who was 70 years young on Monday, Nov. 15, was honored with a surprise party at her home when 20 of her women friends gathered there to help her celebrate.

The guests brought gifts for Mrs. Zimmerer and spent the afternoon playing games and singing German songs. Mrs. Anna Wiese, Lindsay's oldest resident, 84, recited a German poem of congratulations.

Refreshments of birthday cake, ice cream and coffee were served by the honoree's daughter and daughter-in-law.

Additional Lindsay News on pages 3 and 6

4-H Banquet - - -

receiving awards were Patsy Bayer, clothing achievement; Nelda Bayer, recreation; Betty Fisher, Phyllis Schmitt and Kathleen Pagel, dress review; Thomas and Paul Hesse, tractor maintenance; William Fisher, dairy achievement.

Henry Fleitman of Lindsay was toastmaster for the banquet held in the new lunch room of the J. M. Lindsay school. Entertainment included a show by Red Gordon's variety troop in which Sonny and Norma Jean Walter-scheid appeared.

Attending from Muenster were William and Betty Fisher and Nelda and Patsy Bayer and their parents, the Paul Fishers and Martin Bayers.

SH Cubs - - -

scoring sprint of 50 yards for the third Cub score.

The fourth quarter was a scoring spree in which each of the teams crossed the line twice. St. Thomas did the trick on a sustained drive, moving the chain four times along the way. Noggler matched those points in a hurry by returning the next kickoff 70 yards for a TD.

Then it was St. Thomas turn again. After intercepting on the 30 and running back to the 20 the visitors made the rest of the distance in 5 plays. In the closing minutes the Cubs made a 50 yard scoring drive in 5 plays, Leonard Haverkamp going over for the marker.

In Sunday's game all scoring took place in the opening quarter. Richard Zimmerer completed a scoring drive for the Cubs with a 5 yard plunge to pay dirt and the Wichita boys uncorked a 50 yard reverse play for the TD and followed up with a run for the extra point. The rest of the game was a defensive battle broken by two nice runs by Noggler which, however, were stopped before they reached pay-dirt.
