NUMBER 38

## Dentist, Industry And Hospital Top Local Want List

The "Atoms for Peace" congress, which is currently under way in Geneva, encourages a hope that a new era of civilization offering a wonderfully improved standard of living for all the world is just around the corner.

We already have samples of some of the wonders that are in store. Such as the atomic submarine able to cruise for years on a single power charge. The atomic power plant is another reality. An atomic ship has been suggested by our president and may get the approval of a future Congress. Quite possibly private capital will build one before it gets the official sanction of our government. There is talk too of atomic airplanes, locomotives and automobiles. Many technical difficulties remain to be ironed out but there are strong possibilities that these marvels and many more will become commonplace during the next few decades.

Even nearer and perhaps much more important as a servant to the human race is the atom's potential in the field of food preservation. Success of experiments conducted during the past several years leave no doubt that the process works, and very likely will replace canning and refrigeration as the popular methods of keeping foods.

Up to this time scientists have treated practically every variety of food. Meats, vegetables, dairy products, cereals, all have been exposed to the radio-active waves and kept far beyond the age at which they would normally spoil. Meanwhile volunteer "guinea pigs" have been living on the treated foods and have suffered no ill effects. So far as science knows today there are no reasons why the process cannot be used to the benefit of all mankind.

The principle behind the treatment is simple. The radio-active waves simply kill all living organisms, thus preventing the development of bacteria which causes decomposition. When an item of food has been treated any spoilage from within becomes impossible. The only remaining problem then is to seal it so that outside contamination cannot get to it. Thus protected, it keeps indefinitely and its quality when used is identically the same as it was at the moment of exposure to the radio-active waves.

Applying these scientific facts to practical use enables us to expose sealed packages of meat to radiation and stack them on a shelf until time to use them. The same is true of fruits, vegetables or dairy products. Sealing materials can be plastic, glass, tin cans, anything that shuts out the bacteria which might get to the food.

A person needn't worry either about exposure of treated food before it can be sealed. The sealing is done before treatment. The radiation will penetrate any sealing material known, except thick lead.

In case of cereals the treatment imparts another kind of benefit. Radiation kills the bacteria which later develop into weevils. Wheat that has been treated will keep in storage. Flour made from it will not become weevily.

Possibilities of the process in terms of world benefits stagger the imagination. Perishable foods no longer need refrigeration. More stable foods, such as grains, can be kept much longer. It simplifies preservation problems for us who already have facilities, but above all, it gives less privileged peoples an opportunity to get and keep foods they have never enjoyed before. The world will eat better a few years hence because of these atoms for peace.

While admitting that this food treating process is just around the corner, it might be well for the people of this area to think of it as a proposed community improvement. We talk about things to make Muenster a better place in which to live and make a living. What better service could we offer our people than a more practical method of preserving foods? By all means we should be alert to developments in this field and prepare to install a treating unit here as soon as it becomes available for public use.

A local dentist, additional industry and a hospital, in that order, are at the top of Muenster's want list, according to a report received this week on the recent community development clinic conducted by Stan Shively of TP&L's community development division and sponsored by the Muenster Lions Club.

The report, prepared by TP&L, shows a tabulation of suggestions made by the attending citizens along with recommendations for acquiring the suggested improvements. According to the record, a total of 74 suggestion cards were filled out at the three meetings. Of those 53 want a local dentist, 36 want new industry, 27 want a hospital, 22 want new or modernized business houses and 22 want a general clean-up and beautification campaign.

Street improvement and a law enforcement officer rated 18 votes each. A motel was favored by 17, a supervised youth center by 16, park improvements by 15 and improved garbage disposal by 14. Additional farm to market roads were mentioned 12 times.

In all 53 types of community improvement were listed, 12 of them receiving 10 or more votes. Along with the general tabulation the report shows tabulations by category . . . in business development, civic improvement, transportation, recreation and agriculture. It also specifies what improvements are the responsibility of the city council.

(Continued on Page 12)

## Chicks - Bombers Win Opener 7-4 in Softball Tourney

The Chick-Bomber combination, winner of the recent district tourney in the state softball race held at Decatur, won its opener Wednesday night in the regional tournament at Wichita Falls.

The boys triumphed 7-4 over the Brotherton and White team of Wichita Falls and are scheduled for their next encounter Thursday night at 8:15 at Bridwell Park. The opponent is Abilene, rated as a salty outfit and likely to give the Cooke County crew a good bit of trouble.

In their Wednesday night game the Chicks cashed in on well grouped hits, including Van Cleave's 2-run homer, and a few costly errors by the opponents. They took an early lead and held it all the way. Mosman pitched.

Twenty two teams covering an area as far south as Galveston are entered in the Wichita Falls regional play off. Top teams of that tournament will advance to the state play off at Brownwood and winners there will qualify for the national softball tourney at Clearwater Fla.

Players-Wednesday night were Nick and Richard Mosman, Alvin Hartman, Melvin Herr, Norbert Mages, Joe Felderhoff, Reynold Reiter, Ace Van Cleave, Bob Felker.

## B-29 Licks Lindsay In Post-Season Tilt

By a count of 6-1 Muenster's B-29 tripped the Lindsay boys Monday night . . . and very possibly started a post season schedule of softball games.

After losing last week's play off to the Bezner Chicks, and officially ending the Cooke County Softball League season, the Bombers scheduled a game with Lindsay in the local park. Their attendance was so good that they decided to keep playing, if they can match more games.

A big first inning for three runs produced more than enough runs for the Bombers to outscore Lindsay and another 3 run rally in the sixth iced the game comfortably. Lindsay scored its only run in the second. Muenster hitters were Becker and Henschel 2 each, and Mages, Hartman and Melvin Herr.

In the pitching contest Coffman racked up the better record. He fanned 8 and allowed 3 hits and no walks. Haverkamp fanned 4 and gave up 7 hits and 4 walks.

## Donald Wilson Run Over by Load of Hay; Reported Improving

Donald Wilson, 17, son of Mr. and Mrs. "Nig" Wilson, was cheerful and comfortable Tuesday night apparently recovering nicely from the injuries which sent him to Gainesville Sanitarium last Thursday with two skull fractures and one shoulder fracture.

He was hurt about 7:30 p.m. Thursday while working with a hay baling crew on the Danglmayr farm. Riding on a truck load of hay, which was followed by a trailer load, Wilson lost his footing while trying to pull back a bale which had started to slip. He fell between the truck and trailer and was run over by the trailer.

## Farm Queen to be Selected August 17 At Barbecue Here

Meeting Monday night directors of the Cooke County Farm Bureau completed plans for the annual queen's contest to be held August 17.

Program for the evening includes a barbecue supper at 7 o'clock in the Muenster parish park for Farm Bureau members and their families, and the selection of Miss Cooke County from a group of five candidates in competition for the title.

Judges, who will select the county's queen, will be secured by Mrs. Roy Robinson and Ben Davis. Other committees appointed to help put on the annual event are headed by Martin Bayer, staging and entertainers; Joe B. Hundt and Mrs. H. F. Schniederjan, food; Jay Pybas and Bruno Zimmerer, drinks; Frank Neu, dishes. Wives of directors will assist with serving.

President Ben Davis conducted the meeting in the Lindsay Gun Club hall and reported on the district meeting held in Dallas July 7. He told directors the state convention will be held in Fort Worth in November. The next meeting was scheduled for September 12 in the Gun Club hall. A social hour for directors and their families will follow.

Muenster's entry in the queen's contest is Miss Joan Klement. Other entries are Misses Betty Bierschenk of Valley View, Alta Louise Kuhn of Lindsay, Margaret Elkins of Downard-Fairplains, and Ann English of Rosston.

The girls will be judged on appearance, personality and poise and will be required to give a short talk on "Why I Am Glad My Family Belongs To The Farm Bureau."

## Football Practice For MHS Hornets Begins August 22

Football practice for the Muenster High Hornets will begin on Monday, August 22. Coach John Hosea announced this week.

Players will receive their equipment at 7 o'clock and the first workout will start immediately afterward. Hosea said the boys have a great deal of work ahead of them to shape up for their season opener with the Class A Pilot Point Bears on September 9.

The Hornet schedule has been changed slightly since it was originally drawn up. Whitesboro and Pilot Point by mutual agreement swapped dates for their games with Muenster. The revised schedule shows Whitesboro for the second game of the season.

Eleven lettermen are due to take the field for first practice. They are Hubert Richey, Jimmy Biffle, Jerry Wimmer, Jimmy Hellman, Dan Hamric, Lawrence Milner, Dickie Cain, Jim Harris, Wallace Dougherty, Dee Kaderli and Clifford Swirczycki.

Other former squad members expected are Jim McCulley, Don Flusche, David Flusche, Ronnie Aytes, Daniel Hudspeth, James Wolf, Francis Fisher, Charles Hallmark, Robert Meurer and David Klement.

The team will practice 5 nights a week for two weeks, then begin their afternoon workouts.

Sandra, Cindy and Linda Insel of Gainesville were weekend guests of their grandparents, Mr. and Mrs. Bill Kathman.

## Bids Invited for Electric Co-op's Office-Warehouse

Preliminaries in the construction of the Cooke County Electric Cooperative's new combined office and warehouse advanced two steps during the past week as the local directors received word that REA headquarters had approved their plan and the architect, Wyatt C. Hedrick of Fort Worth, invited contractors to bid on the job.

Manager M. D. Kaderli said Tuesday that bids will be opened and contract awarded on August 30.

The building, to be located on Highway 82 opposite the Humble Station, will be built in an "L" shape, the office section to measure about 3600 square feet and the warehouse about 4000 square feet.

Both wings will be made of construction tile and the office will be faced with light colored brick and stone.

The building will be placed some 80 feet south of the highway, allowing ample space for future widening of the highway to a four lane road.

A special feature of the new office is a drive-in pay window at the front, allowing patrons to pay their bills without leaving their cars.

The warehouse and garage will have six truck entrances along its west wall. A dock and storage space will extend along the opposite wall.

## WITH THE MEN IN SERVICE

### Airman On Leave

Vernon Clayton, airman third class, is visiting his parents, the Charlie Claytons Sr., on a ten-day delay enroute from Lackland AFB, San Antonio, to Travis AFB, California. It's his first visit at home since he entered the Air Force on May 20.

### Leaves England For Home

PFC Maurice Rohmer left his station in England Monday for a port of embarkation and boarded ship Wednesday for his return to the states. He will go to Camp Chaffee, Ark., to receive his separation papers and will be a civilian when he gets back home. This information was given his parents, the John Rohmers, in his most recent letter to them.

### Has 30-Day Leave

Cpl. Willard Hartman arrived early Tuesday morning to visit his folks. He has a 30-day leave from duty at Camp Hanford, Wash. While his parents and family, the Victor Hartmans, are vacationing in Iowa and Indiana, he is the guest of his sister, Mrs. Teddy Gremminger, and his brother, Alvin Hartman. Tuesday Willard and Mrs. Gremminger and son Wayne drove to Denton to spend the day with another sister, Mrs. Keith Tompkins and family.

### Amphibious Training

PFC Jerry Hoenig participated in amphibious training exercises July 19-27. The 1st Marine Division's 7th Regiment (Reinforced) sailed from San Diego July 19 with a Navy Task Force. After five days of training off the Southern California coast, the Leathernecks assaulted a beach objective in an amphibious landing July 26 on the Camp Pendleton reservation near Oceanside, Calif. The Marine tested new amphibious landing techniques, including helicopter-borne operations.

## NEWS OF SICK AND INJURED

Mrs. Joe Spaeth of Wichita Falls entered Bethania Hospital in that city Sunday afternoon for surgery Monday. She is the former Miss Loretta Rohmer, daughter of the John Rohmers, of Muenster.

Ray Luke had his tonsils removed at the Muenster Clinic Monday morning.

Carl Pelzel underwent surgery at the Veterans Hospital in McKinney Thursday morning.

## J. B. Klement Hurt In Car Accident, Improves Slowly

County Commissioner John B. Klement, 71, appears to be improving but still is not out of danger, according to reports from his family Wednesday. He has been in the Gainesville Sanitarium since last Thursday when he sustained a fractured skull, a cracked rib and a strained shoulder tendon in a car accident here. Tuesday was his most restful day since the accident.

The crash happened at the intersection of Highway 82 and Sycamore Street, his pickup truck colliding with a car driven by Mrs. Helen Roper Weaver of Nocona. The impact threw him out of the pickup and it is believed he received his injuries when he hit the pavement. Mrs. Weaver was not injured.

## Water Consumption Reaches New High; 355,000 gal. Monday

Muenster set a new record in water consumption Monday with a grand total of 355,000 gallons, about 75,000 gallons over its current average, and almost caused a water emergency. Last year's peak was 329,000 gallons.

According to Water Superintendent Steve Moster the water was being used faster than the wells were producing it, draining the storage tanks to an alarmingly low level.

The big reason, he explained, is that two big sprinkling systems happened to be running at the same time. The cemetery sprinkler, using about 100 gallons a minute, and the public school football field sprinkler, using about 70 gallons a minute, were running considerably ahead of the best well's output of 150 gallons a minute. Meanwhile other use, including dozens of home sprinklers, kept well ahead of the other two wells.

One of the city's problems at this time is that two of the wells are not producing at their full capacity. The No 1 well seems to be competing with the nearby milk plant well for the limited top level supply in the Trinity sand. Likewise on North Main the drop of the underground water level has restricted the pumps' output.

One of the jobs in the city's waterworks improvement project is to correct the fault in that well. At this time the depth of the pump impeller is limited by the size of the pump shaft. A lower setting, where the water supply is abundant requires either heavier shafting or a submerged type of pump. The latter change is favored.

Nevertheless, the city is not faced with a water shortage, Moster said. The only control necessary is to keep the two big sprinklers from running at the same time.

## 13 Lettermen Due As SH Tigers Start '55 Grid Practice

Thirteen lettermen and almost as many former squad members along with an undetermined number of freshmen are expected to report for the first workout of the Sacred Heart Tiger football team on Monday, August 22.

Father Christopher Paladino, coach, said all practice sessions for the first two weeks will be held at night. The first begins at 7 p.m. with the issuance of equipment.

The team is getting off to an early start in order to get in shape for an early season game, with Windthorst on the night of September 9.

Lettermen expected back are Tommy Herr, Rodney Walter, Howard Mollenkopf, Bernard Haverkamp, Herbert Walterscheid, Leo Hess, Jerry Friske, Melvin Schoech, Kenny Otto, Claude Walter, Ervin Henschel, Frank Fleitman and Charles Felderhoff.

Other squad members are Charles Wolf, Gene Hartman, Gerald Hess, Leonard Bayer, Tom Hesse, Basil Reiter and Virgil Henschel.

Mr. and Mrs. B. F. Wallace and children Ronnie and Nona of Waco were Tuesday overnight guests of the J. B. Goldens and visited with the L. J. Robergs

## Robert E. Aldridge, Area Resident 60 Years, Dies Sunday

Robert Elmer Aldridge, 81, retired farmer who lived in the Hays community north of Muenster for almost 60 years, died at 5:30 p.m. Sunday in the home of a niece, Mrs. Ernest Biffle in Myra. He had been bedfast since April 1 this year.

Funeral services were held Monday at 2 o'clock in the George J. Carroll and Son Funeral chapel at Gainesville with the Rev. John Luebke, pastor of Myra Methodist church, officiating. Burial was in Hays cemetery.

Bearers were Charlie Clayton, Johnny Biffle, Bud Dennis, Joe Cooke, Frank Aldridge Sr. and David Biffle.

Aldridge was born Dec. 3, 1873 in Trenton and moved from there in 1896 to a farm in the Hays community. He lived there continuously until April 1 when he entered a Gainesville hospital for treatment. Since the 28th of April he was at the Biffle home.

A nephew, Noel McFarland lived with Mr. Aldridge on the farm for the past 18 years. While he was ill he was with him at Myra helping care for him. Aldridge was never married.

For years Mr. Aldridge and his favorite bay horse were familiar figures around town. He never drove a car. All his traveling, with the exception of that during the past few years was done on horseback. In recent years he came to town on a small tractor.

Survivors are two sisters, Mrs. Ida Gardner of St. Louis, Mo., and Mrs. Ada Reuth of Trenton, Texas, and several nieces and nephews.

## English Teacher Joins MHS Faculty; Staff Now Complete

The teaching staff of the Muenster Public School was completed Monday with the addition of Al Greco as English instructor in high school. He is the fifth new member to join the school's faculty this year.

Greco, a native of Springfield, Ill., attended St. Benedict's College of Kansas City, Mo., after completing his service in the Navy. He received his BA degree from St. Benedict's in June of this year. His major was Latin and his minor English.

Another new member of the faculty is Jimmy Harris, who will teach music and direct the band. He will receive his degree in music from Central Oklahoma Teachers College of Edmond, Okla., later this month. He is a native of Oklahoma City, an ex-Marine, and has spent one year as director of the school band at Cement, Okla. Both Harris and Greco are single.

The new teacher of commercial subjects is Miss Betty Stewart, who will receive her degree in Business Administration at North Texas State College this month. Her home is in Lewisville.

On the staff since July 1 is Glenn Hellman, a former student of Muenster High. He received his degree in Agriculture and a Smith-Hughes certificate from East Texas State Teachers College in June. He will teach vocational agriculture and is currently directing activities and projects of local FFA members.

Mrs. Weldon Holland returns to the third and fourth grades this year after a year's leave of absence.

Teachers who continue on the faculty are Superintendent and Mrs. H. H. Homsley, Principal L. B. Bruns, Coach and Mrs. John Hosea, Mrs. John Mosman, Miss Betty Cole and Weldon Holland.

Coach John Hosea returned home Sunday after a week at the annual Southwest Coaching School in San Antonio.

## SCHEDULE OF COMING EVENTS

MONDAY, Aug. 15, NCCW quarterly meeting in KC Hall, Denison. Registrations begin at 1:30.

WEDNESDAY, Aug. 17, County Farm Bureau barbecue and queen contest, in the parish park, 7 p.m.

### Olive Haverkamp And David Forgey United in Dallas

Miss Olive Haverkamp, daughter of Mr. and Mrs. Al Haverkamp, and David Forgey exchanged marriage vows Saturday evening in Dallas during a nuptial mass in Saint Edward's church. Mr. Forgey is the son of the late Mr. and Mrs. Lum Forgey.

Rev. John P. Brady performed the double ring ceremony and officiated at the mass. Fred Cook of Dallas and Mrs. Norbert Walterscheid of Muenster, cousin of the bride, presented nuptial music.

The bride wore a floor length gown of crystal white imported French lace and tulle over taffeta. The fitted bodice featured a picture neckline edged with pearls and crystal beads, and long petal point sleeves. The full skirt was designed with a front panel of pleated tulle. Her shoulder length veil fell from a tiara of white flowers and she carried a white orchid surrounded by white carnations. Her father gave her in marriage.

For something old and borrowed she carried a silver rosary belonging to her mother. It was brought to this country from Germany by her maternal grandfather, the late George Spaeth.

Miss Dolores Haverkamp was her sister's maid of honor and Miss Polly Mages was bridesmaid. They wore blue lace and tulle dresses over taffeta, matching hats and lace mitts and carried white carnations tied with blue net and streamers.

David O'Brien of Dallas was best man and John O'Brien, also of Dallas, was groomsmen. Richard Schumacher of Gainesville and Joe Hafertepe of Dallas were ushers. Men in the wedding party wore black trousers and white dinner jackets.

After the mass the bride and groom went to the Blessed Virgin's altar where the bride placed a bouquet of red roses while Mrs. Norbert Walterscheid sang "Mother at Your Feet."

A reception and dance in the American-Italian Club followed the church services. Miss Celine Felderhoff, at the bride's book, registered 150 guests.

For her daughter's wedding Mrs. Haverkamp wore a navy blue sheer dress with navy and white accessories and a pink carnation corsage. Mrs. George Spaeth, grandmother of the bride, was attired in a blue and white printed silk dress with black accessories and a white carnation corsage.

When the couple left on a wedding trip to California Mrs. Forgey was wearing a navy blue faille dress with white accessories. They will make their home at 4300 Sycamore street in Dallas.

The bride is a graduate of Sacred Heart High school with the class of 1953 and is employed in Dallas by Employers Casualty Co. Her husband is a student at North Texas State College. He is a graduate of Arlington State College and formerly attended Dallas College of SMU.

### Peggy Carter and Lieut. Ken Morgan Marry in Seymour

Miss Peggy Carter, daughter of Mr. and Mrs. Gene Carter, former Muenster residents now living in Seymour, was married to Ken Morgan at 7:30 p.m. Saturday, July 30, in the First Baptist church there. The groom's parents are Mr. and Mrs. L. S. Morgan of Bowlegs, Okla.

Rev. John E. Lewis, pastor of the church, officiated at the double ring ceremony.

Mr. Carter gave his daughter in marriage. Her wedding gown was of white Chantilly lace over net and taffeta with a panel of accordion pleated nylon tulle ruffles in front. The bouffant skirt, bordered with scallops, had a chapel length train. A pearl tiara held her fingertip length veil and she carried stephanotis centered with a white orchid.

Her three attendants wore dresses of American beauty red and cloud pink crystalline and lace trimmed with velvet ribbon. They carried pink tulle fans covered with red roses with velvet ribbon bows.

After the exchange of vows a reception was held in the home of the bride's parents.

The groom, a second lieutenant in the Air Force, reported in San Antonio for active duty on August 5, and the couple is at home there. He received his commission at Baylor University in May this year. Mrs. Morgan was graduated from Baylor with a BA degree in 1954 and will receive her Master's degree August 18.

### Registrations at Gainesville College Start September 6

Dean J. H. Parker of Gainesville College, Gainesville, Texas, announces beginning of Fall Semester enrollment September 1, 1955, with classes starting September 6.

Gainesville College invites the consideration of the students of this area of the distinct advantages to be found at GC as they make plans for the coming school year.

The college offers training in a school of the first class, affiliated with the American, Texas, and TEA educational associations, so located that it is within easy driving distance of each and every student of the area. This puts the first two years of fully accredited college work within the budget range of every student.

In addition to the more than 30-course range of basic subjects which will be transferrable to the four-year college of the student's choice, GC offers many terminal courses leading to a job, or betterment on the job, in business fields and industrial education.

Through a well-trained staff of experienced teachers, orientation and adjustment to college work, testing of standard ranking, and a careful guidance program aid the beginning student at every point.

The student-teacher ratio of 14-1 is such that within or without the classroom there is personalized contact throughout the two years spent in this college.

Important to every student is the democratic atmosphere of college life which features activities directed by students themselves.

Gainesville College invites the students of this area to call HO 5-3212 for an appointment, write for an appointment or come to see J. H. Parker, Registrar, at 1129 Lindsay Street at any time.

If you are interested in a scholarship, why not talk with Dean Parker about the possibility of securing a Mary Josephine Cox Scholarship as you interview him in connection with your enrollment in Gainesville College?

**MISS UNIVERSE** — Hellevi Rombin, 21, of Upsala, Sweden, has been chosen "Miss Universe" from a world-wide selection of beauties who met at Long Beach, Calif., to enter the annual contest. Vital statistics: Blonde, blue-eyed, 5 feet, 7 inches tall, 130 pounds; measurements: 36-23-36.

### Local News BRIEFS

Jim Andress of Borger is here for a visit with the Needham family.

Mr. and Mrs. Billy Mayer of Pilot Point, Allen Hoffman of Wichita Falls and Miss Doris Schroeder of Windthorst visited Mrs. John Hoffman Sunday and they were all dinner guests of Mr. and Mrs. Earle Otto.

Mr. and Mrs. Clyde Fisher have as their guest this week her brother, Keith Grill of Midlothian, Ill. He came with an uncle and aunt, Mr. and Mrs. Ed Merritt of Wheaton, Ill., who spent Sunday and Monday here en route to Bryan where this week they're square dancing. The couple travels "all over" to participate in square dancing events. Keith plans to remain here for about another week and then return home with his parents, the Rudolph Grills, who will come here for a vacation visit with their daughter and family.

Mrs. Dick Cain and children Judy, Sandra, Debby and Chris and niece Johnnie Sue Hogan spent the weekend in Galveston with Miss Rita Cain, a student nurse at John Sealy Hospital. Mrs. Cain's mother, Mrs. J. S. Hogan of Burleson went with them and Miss LaQuita Cain of Dallas met them there. They enjoyed swimming in the Gulf and sight-seeing. On their way home they stopped at Burleson and the children Judy, Sandra, Debbie, Chris and Johnnie Sue remained there to spend the rest of the week with their grandparents.

New Chevrolet owners include Anselma Kathman who has a red and Ivory Bel Air sports coupe; Al Wiesman, an air conditioned 4-door gold and ivory Bel Air; Leo J. Haverkamp, two 4-door sedans and a three-fourths ton pick-up; Donald Bayer and Earl Walterscheid, 4-door sedans; Tony Felderhoff, Fred Hennigan Sr. and Henry Martini, 4-door Bel Air sedans; Gerald Walterscheid and Charles Bernauer, 2-door sedans, Charlie Clayton Jr. a Bel Air sports coupe; Neu Brothers a half ton pickup; and Laneri High school a school bus.

### Number of Unsold New Cars Causes Concern to Senators

WASHINGTON — A Senate interstate commerce subcommittee said Sunday it was "greatly concerned" over the "record number of unsold automobiles in the industry."

The subcommittee, which is studying auto marketing practices, said it "intends to watch the automobile market situation closely in the critical months ahead during the model change-over period."

The interim report noted that so far this year a record number of cars have been sold.

But it said also that "a record number of unsold new models are presently on the market due to record levels of production."

#### Record Number

"Previous to 1955 the record number of new car stocks (in field and in transit) was reached May 1, 1954, at which time 607,275 unsold new cars were reported by the Automotive News, the subcommittee said.

"As of May 1, 1955, the same source reports 757,856 such units. As of June 1, 1955, there were 848,498. July 1 the number stood at 820,291."

The report said it was significant that despite the booming auto production of recent years, dealer mortalities have increased by about 200 percent since 1951.

Average dealer operating profits before taxes have dropped from about 6.3 percent of sales in 1950 to about 0.6 in 1954, it added.

#### File Compiled

The subcommittee said its inquiry had developed data showing that many car dealers are "in economic difficulties."

The group said it had compiled a file of "dealers' complaints"

about their relationships with manufacturers that these are "unverified and constitute, more or less, a bill of particulars to be used at such time as the subcommittee determines hearings shall be held."

The subcommittee said it had been laying the groundwork for hearings and possible recommendations for legislation. But it explained it has been proceeding carefully because "the manufacture and distribution of automobiles is probably the most important single industry in the economy of the United States."

The subcommittee has been looking into reports of auto bootlegging practices and allegations of phantom freight charges of cars.

**THEIR DREAMS ARE COMING TRUE**—Dr. Werner von Braun, right, German-born rocket expert who is now chief of the Army's Guided Missiles Division, and Willy Ley, world-renowned exponent of space travel, meet in New York City as it becomes known that the United States plans to put the first man-made earth-satellite into the sky by the end of 1958. They are shown demonstrating how, by 1985, man may place in the skies a space station large enough to carry human crewmen and equipment for their survival. The station, a possible jumping-off point for the moon and man's "last great adventure"—the conquest of space—would orbit indefinitely around the earth at an altitude of 107 miles.

**Allen Hoffman and Doris Schroeder to Marry August 27**

Mr. and Mrs. Joe Schroeder of Windthorst have announced the approaching marriage of their daughter, Doris, to Allen Hoffman, son of Mrs. John Hoffman of Muenster.

The couple will be married on Saturday, Aug. 27, in St. Mary's church at Windthorst during a morning mass at 9 o'clock.

Their attendants will be the groom's two sisters and brother, Mrs. Earle Otto of Muenster, Mrs. Billy Mayer of Pilot Point, and T. J. Hoffman of Wichita Falls, and the bride's sister and two brothers.

Allen is a junior at Midwestern University in Wichita Falls. He served in the Air Force four years with two years of duty in New Foundland. Doris is a graduate of Windthorst High school and taught in Wichita Falls last year. She is the granddaughter of Mr. and Mrs. John Knabe of Muenster.

**Dolores Haverkamp Leroy Wiesman to Say Vows August 24**

Mr. and Mrs. Al Haverkamp have announced the approaching marriage of their daughter, Dolores, to Leroy Wiesman, son of Mr. and Mrs. Carl Wiesman of Gainesville.

The couple has selected Wednesday, August 24, for the wedding date. They will be married in Sacred Heart church during a nuptial high mass at 8:30 in the morning.

Attendants for the couple will be the bride's sister, Mrs. David Forgey of Dallas, and the groom's brother, Lawrence Wiesman as matron of honor and best man. Other attendants will be Misses Jeanette Haverkamp and Anna Marie Wiesman, Robert Haverkamp and Ed Wiesman.

The bride-to-be is a graduate of Sacred Heart High school with the class of 1953. Mr. Wiesman was graduated from St. Mary's High school in Gainesville and recently received his discharge from the army. He was in the service two years with 18 months in Germany.

**Two From Here Off To Attend N.Y. Meet**

Misses Patsy Horn and Maria Fuhrmann are on their way to Rochester, N.Y., to attend the national convention of the youth section of the Catholic Central Verein, August 13-17.

The girls are making the trip by car with Rev. Albert Henkes of San Antonio, moderator of the youth section of the Catholic State League, and Bernard Ripper of High Hill who is a delegate from his parish.

Frater Henkes and Bernard came to Muenster Sunday night and were guests at the rectory. After Father Henke's 5:30 mass Monday morning the group had breakfast at the H. N. Fuhrmann home and started the trip which will include sight-seeing going and returning. They'll be away about two weeks.

**Dolores Henzler and Daniel Luke Marry At Evening Mass**

The marriage of Miss Dolores Henzler, daughter of Mr. and Mrs. Henry Henzler Sr., of Pilot Point, to Daniel Luke, son of Mr. and Mrs. Ben Luke of Muenster, took place Saturday evening at 5 o'clock in Saint Thomas church at Pilot Point.

Rev. John Utereiner read the double ring ceremony and officiated at the nuptial high mass. Miss Mary Phelan, organist, and Saint Thomas choir presented the wedding music. Light pink gladioli and greenery adorned the altar and sanctuary.

Mr. Henzler gave his daughter in marriage. She wore a white floor-length gown of embroidered organdy over satin with square neckline, short sleeves and fitted bodice. The voluminous skirt was styled with a tiered fan-shaped cathedral train. She wore matching mitts.

Her fingertip length veil was caught to a headpiece of orange blossoms and seed pearls and she carried a white rosary, a gift from the groom. Her flowers were a cascading bouquet of valley lilies centered with a white orchid. Adding a bit of sentiment, she wore her mother's pearls and earrings.

**Attendants**

Miss Diann Henzler of Pilot Point, sister of the bride, maid of honor, Mrs. Alfred Kuhn of Fort Worth, bridesmatron; Miss Alice Riney of Dallas and Miss Martha Strittmatter of Pilot Point, bridesmaids; and Little Miss Glenna Hollar, niece of the bride, of Pilot Point, flower girl, were the bride's attendants. Their gowns were of petal pink flocked nylon over taffeta designed on

princess lines with bouffant ballerina length skirts. They wore matching picture hats and carried cascading bouquets of Better-times roses and English ivy, except the flower girl who carried a basket of daisies.

The groom's attendants were his brother Bernard Luke, best man, and Alfred Kuhn, Robert Henzler of Pilot Point and Herbert Yosten of Muenster. Men in the wedding party wore dark trousers and white dinner jackets.

David Fette and Frank Luke, nephews of the groom, were ring bearers. They wore white linen suits.

Harold Luke of Arlington and Charles Denny of San Antonio were ushers.

Mrs. Henzler and Mrs. Luke, mothers of the couple, wore dusty rose dresses of antique taffeta and French imported lace. Their corsages were of Better-times roses.

**Reception**

A reception with dinner at 6:30 was held in St. Thomas parish

hall where Miss Marie Henzler, a sister of the bride, registered the guests and Mrs. Charles Denny, sister of the groom, served the wedding cake.

When the newlyweds left on a trip to New Orleans Mrs. Luke was wearing a powder blue outfit and white-orchid corsage.

They will make their home in Elk City, Okla., where he is employed by Trice Production company. He is a graduate of Sacred Heart High school and his bride was graduated from Pilot Point High school. Before her marriage she was employed in Dallas.

**Rehearsal Party**

On the evening before the wedding the bride's brother-in-law and sister, Mr. and Mrs. Glenn Hollar entertained in their home with a buffet supper for the bridal party following the church rehearsal.

**Gift Party**

As a pre-nuptial courtesy, Dallas friends of the bride entertained with a surprise gift party in that city.

### THE MASK OF FRIENDSHIP

The handful of godless men who control the destiny of the international Communist conspiracy are attempting to create the impression that their intentions toward the nations outside the Iron Curtain are genuinely friendly. On the basis of every official Communist tenet, and every official Communist act of the last 35 years, the mask of friendliness does not fit the faces of the Kremlin bosses.

And yet, a war-weary world, fearful of terrible new wars, struggles today to convince itself that wishful thinking is

not wishful thinking at all, that Khrushchev, Molotov, Bulganin — masters of a Red slavery that has overrun nearly half the earth since 1917 — have suddenly changed the whole character of Communism and its historic goal of world domination. This is wishful thinking of the most dangerous kind. The central purpose of Communism, as written into the basic textbooks by Marx, Lenin, Stalin and all the rest, is the creation of a new world order replacing capitalism. Over and over again Communism declares that it cannot exist in the same world with capitalism.

#### Take Binding Oath

The oath to which every Communist in America pledges himself, with clenched fist upraised and a fire of dedication glowing in his eyes, is plainly printed in the Communist Party Manual on Organization — Page 105: It says: "I now take my place in

The Morning After

the ranks of the Communist Party, the Party of the working class. I take this solemn oath to give the best that is in me to the service of my class. I pledge myself to spare no effort in uniting the workers in militant struggle . . . I pledge myself to rally the masses to defend the Soviet Union . . . I pledge myself to remain at all times a vigilant and firm defender of the Leninist line of the Party, the only line that insures the triumph of Soviet power in the United States."

I have talked with more than one person who has taken this solemn oath — while secretly serving as an FBI counterspy. They have observed scores of other persons taking the oath. "To each new Communist," they told me, "this oath pledge is the greatest event of his life. The Communist triumph over America and all other nations becomes the central overpowering motive in his life — everything else is subordinated."

**Core of Communism**  
 Neither Molotov, Bulganin or Khrushchev can tell the 25,000 hard-core Communists in America, and their 5,000,000 fellow con-

spirators in the 60 nations outside the Iron Curtain, that this central objective of Communism has now been abolished. It is the great goal that ties the Communists together. Of course, no Communist leader, in the Kremlin or elsewhere, has any desire to abolish it. Their present pose of "live and let live" is a strategy forced upon the Moscow bosses by internal troubles within Russia.

Herbert Philbrick, the always-loyal American who served for years as a secret FBI agent in the highest ranks of the Communist underground, fears that a great many Americans will be fooled by the "friendly" mask which the Red leaders are wearing these days. Philbrick, who writes a weekly column for the New York Herald Tribune, main-

## Faith Demands Sacrifice

By Rev. Edmond Benard, Catholic University of America

**MOST MEN** will admit that two and two are four. It costs them nothing to admit it. But many men refuse to see Christ as the Way, the Truth, and the Life.

To believe in Christ means to follow His teachings, and His teachings frequently interfere with what a man considers pleasure and comfort. To follow Christ often means to change a semi-pagan way of life. Some men would deny that two and two are four rather than change their lives. Is it any wonder that they refuse to affirm that Christ is God—for a Divine Christ is One Whose command must be obeyed?

**THE MIND** is like water; it seeks its own level. Therefore a right conscience and a sound moral life are the first necessity in the search for faith. If a man does not want to believe, he can always find excuses for not believing. But if he wants to believe, he must be prepared not only to know truth but to follow it.

Faith is more than just a searching. It is not a blind surge of emotion, nor wishful thinking, nor is it a good feeling

deep down inside. Faith is a clear and free assent of our mind to God's revealed truth.

**TODAY EVERYONE** talks about faith as the answer to our problems. And they are right. But sometimes they seem to think it doesn't matter what we believe, just so long as we "believe." But we never just believe. We believe something. And if faith is important, then it is just as important that we believe what God has revealed to be believed.

What is it then that we believe by faith? It is the message sent to men by God. The object of our faith is the doctrine brought to men by Christ Our Lord during His life on earth and the teachings that flow from it.

**IT IS NOT EASY** to accept these teachings. It costs something to accept the faith. It costs the sacrifice of things that God forbids. Faith demands that we sacrifice the affections of those who would keep us from the truth.

Faith also requires love—love of truth. Love of another human being can be mistaken. But love of truth and love of God can never be mistaken, for truth never changes and is never fickle. As St. Paul tells us, "Faith is the substance of things to be hoped for, the evidence of things that are not seen."

## From where I sit... by Joe Marsh

### "Light" Snack For Ducks

Coming back from Balesville the other night I noticed a powerful light at Whitey Fisher's Duck Farm. Seemed to be shining out over the water.

I stopped to ask Whitey what went on. He took me down to his pond and pointed out a 200-watt bulb—rigged up on a pole about three feet above the surface. The light was attracting thousands of insects for the ducks to eat.

Seemed kind of odd to me—but Whitey was enthusiastic. "Best idea I ever heard of," he claims. "Keeps the feed bill down—and

the bug population, too. Why do you suppose I never thought of it before?"

From where I sit, Whitey's the type who's always ready to pioneer a worth-while new trick. Me, I stick to old methods. Just a case of personal feeling, I guess . . . like the way you may prefer coffee with meals while I always prefer a traditional glass of beer. Not that I'd claim you're wrong—respect for the other man's opinion is my "guiding light."

Joe Marsh

 THE STATE OF TEXAS  
 County of Cooke  
 In the Name and by the Authority of The State of Texas.

To: J. C. Roberts, whose residence is unknown, the heirs and legal representatives of J. C. Roberts, deceased, whose name and residence are unknown, and the respective unknown heirs and legal representatives of all the above named parties, the unknown owner or owners of the hereinafter described property and their heirs and legal representatives whose names and places of residence are unknown, and any and all other persons, including adverse claimants, owning, or having, or claiming any legal or equitable interest in or lien upon the hereinafter described property delinquent to plaintiff herein for taxes.

YOU ARE HEREBY NOTIFIED that suit has been brought and is now pending in the Honorable District Court, 16th Judicial District, Cooke County, Texas, wherein The State of Texas, Cooke County, Texas and the City of Gainesville, Texas are plaintiff; The Gainesville Independent School District is impleaded party defendant; and J. C. Roberts, Heirs and Representatives of J. C. Roberts and their unknown heirs are defendant, by the filing by said plaintiff of a petition on the 28th day of July, 1955, and the file number of said suit being No. 589 and the nature of which is a suit to collect delinquent ad valorem taxes on the following described property, to-wit:

Lot 12, Block 4, of the Rice Park Addition to the City of Gainesville together with interest, penalties, costs, charges, and expenses of suit which have accrued and which may legally accrue thereon.

The amount of taxes due each plaintiff, exclusive of interest, penalties and costs is as follows:  
 State of Texas and Cooke County and City of Gainesville \$158.04  
 TOTAL \$158.04

Plaintiff and all other taxing units who may set up their tax claims herein seek recovery of delinquent ad valorem taxes on the property hereinabove described, and in addition to the taxes all interest, penalties, and

costs allowed by law thereon up to and including the day of judgment herein, and the establishment and foreclosure of liens, if any, securing the payment of same, as provided by law.

All parties to this suit, including plaintiff, defendants, and intervenors, shall take notice that claims not only for any taxes which were delinquent on said property at the time this suit was filed but all taxes becoming delinquent thereon at any time thereafter up to the day of judgment, including all interest, penalties, and costs allowed by law thereon, may, upon request thereof, be recovered herein without further citation or notice to any parties herein, and all said parties shall take notice of and plead and answer to all claims and pleadings now on file and which may hereafter be filed in said cause by all other parties herein, and all of those taxing units above named who may intervene herein and set up their respective tax claims against said property.

You are hereby commanded to appear by filing a written answer and defend such suit on the first Monday after the expiration of forty-two (42) days from and after the date of issuance hereof, the same being the 12th day of September, A.D. 1955 (which is the return day of such citation), before the honorable District Court of Cooke County, Texas, to be held at the courthouse thereof, then and there to show cause why judgment shall not be rendered for such taxes, penalties, interest and costs, and condemning said property and ordering foreclosure of the constitutional and statutory tax liens thereon for taxes due the plaintiff and the taxing units parties hereto, and those who may intervene herein, together with all interest, penalties, and costs allowed by law up to and including the day of judgment herein, and all costs of this suit.

Issued and given under my hand and seal of said court in the City of Gainesville, Cooke County, Texas, this 28th day of July, A.D. 1955.  
 (SEAL) Woodrow U. Clegg  
 Clerk of the District Court, Cooke County, Texas, 16th Judicial District.  
 By Anna Mae Shorter, Deputy (37-38-39)

**Local News BRIEFS**

Mr. and Mrs. R. R. Endres and Mr. and Mrs. Ed Endres and children Paulette and Leon returned Thursday night from a week's visit in Albuquerque with the Frank Hennigans and Hugh Endres. The Hennigans joined them for sight-seeing in Santa Fe and Taos and the group spent one day fishing in the mountains. The Muensterites also visited the Henry Hennigans.

The new voice saying "Number, please" at the telephone office is that of Mrs. Alvin Fuhrman. She began work at the switchboard Monday.

Mr. and Mrs. Larry Yosten have returned from a week's vacation trip to Colorado. They visited the Clarence Erpelding family and the Alex Knaufs at Woodman and went sight-seeing from there. The Yostens took their two oldest children Ruthie and Janice to Fort Worth to visit the Paul and Stan Yostens and the younger children stayed with Mr. and Mrs. Buddy Yosten while their parents were away.

Mrs. J. S. Horn left Sunday by train for Harlingen where she will visit her sister, Mrs. John Wilde.

Mrs. Joe Vogel and daughter Karen spent five days of last week in Fort Worth visiting her daughters Lillian and Norma, returning home Sunday evening. They came back with Mrs. Clifford Otto, the Robert Beyers and children and Mrs. Adam Beyer who spent Sunday in Fort Worth. Mrs. Adam Beyer visited her son and family, the Carl Beyers, while the rest of the group enjoyed an outing at Lake Worth.

Mr. and Mrs. John Kathman and daughter Anselma left early Tuesday morning on a vacation trip to Colorado.

Mr. and Mrs. L. A. Bernauer and Mr. and Mrs. Charles Stelzer of Fort Worth returned Monday from a week's trip to San Antonio, Austin, Waco and other points where they visited relatives and friends and went sight-seeing. In San Antonio while they were at Beckenridge

Park they met Mr. and Mrs. Joe Flood, formerly of Muenster.

Mr. and Mrs. Ervin Hamric and sons Burt and Dan spent the weekend in Oklahoma City as guests of her sister and husband, Dr. and Mrs. A. A. Hellams. Saturday night they were all guests at a lawn party given at the home of Mr. Hamric's aunt, Mrs. Ruby Pace.

Mr. and Mrs. Carl Pelzel and children Carolyn and Jimmy of Denton visited her parents, the Joe Hoenigs, Saturday overnight and Sunday.

Mr. and Mrs. Jud Boyles and daughters Dolores and Gwen spent several days of the past week here with her mother, Mrs. Ben Hellman, and took their son Tommy home with them. He had spent the summer here with his grandmother. The Boyles family has moved back to Corpus Christi after living in Berwick for sometime while he was working there.

Miss Marilyn Pelzel of Pilot Point spent last week with her brother-in-law and sister, Mr. and Mrs. Donald Walterscheid.

Mrs. H. H. Homsley is spending Tuesday, Wednesday, Thursday and Friday of this week attending a state convention of Homemaking teachers at Fort Worth.

Glenn Hellman was in Dallas four days of last week attending a state convention of Vocational Agriculture teachers.

Clarice, Larry, Barbara and Peggy Schumacher of Gainesville are spending this week here with their grandparents, the Al Haverkamps.

### Extra Pounds May Cause Early Death, Health Officer Says

AUSTIN — Friend, if you're 40 and fat, this is for you: pass up the candied yams and boiled potatoes and cream-filled toothsome tidbits that spell extra pounds and an early grave.

State health authorities can quote chapter and verse as to why too much weight can kill you as you grow older. It increases the likelihood of diabetes, contributes to high blood pressure, is associated with hardening of the arteries and with various heart diseases.

Besides influencing these conditions, extra weight means impaired vigor, increased fatigability, liver breakdown, greater surgical risk, and greater danger of complications from otherwise minor illnesses.

"There's just no doubt about obesity being one of the biggest problems to be faced after 40," these authorities say. "The more overweight you are, the poorer

are your chances of living to a ripe old age."

Are you as much as 25 percent overweight? People in your group die at a rate 75 percent higher than the rate for people of normal weight.

If you're still gravitating toward the pastry tray, maybe this will slow you down. Despite the general excellence of medical care in this country, men and women over 45 die at a rate 25 percent higher than do Western Europeans of the same age group. And the reason is nothing more than galloping appetites.

Poor food habits among people complicate the problem of obesity, health officials believe. Those who live alone have no incentive to eat sensibly. They snack on fattening rather than wholesome foods.

Others have no knowledge of food nutrition. Still others rationalize their obesity by clinging to the belief that stoutness is a mark of distinction. But health officials know that each pound of extra flesh means fewer years of life.

Here are the State Department of Health's suggestions for avoiding fat after 40:

1. Drink plenty of water, and center your diet on milk, fruits, vegetables, bread and whole grain cereals with moderate amounts of eggs and meat.
2. Limit your use of sugar, alcohol, and fats. Use brown sugar and dark molasses. Choose fruits such as apples for dessert, and insist that meals afford both milk and coffee, rather than milk or coffee.
3. Use dry brewer's yeast and wheat germ rather than synthetic vitamins. Use whole wheat, dark rye, or soya-enriched breads.
4. Use dry skimmed milk if you cannot afford evaporated or whole milk.

But most important of all, keep that appetite under control.

**Car Safety Belts Could Cut Accident Injuries by 50%**  
 "How to Avoid Sudden Death" is the title of an article by Steven M. Spencer in the July 16th issue of the Saturday Evening Post. This, obviously, is a matter in which everyone has a direct and burning interest. Mr. Spencer's article deals with a simple and relatively inexpensive device which, according to some safety experts, could reduce the toll of death and injury on the highways by as much as 50 per cent — automobile safety belts. He writes, "No medical miracle short of a cure for heart disease or cancer could, in one swift stroke, save so many years of life." Last year motor vehicle accidents accounted for 36,300 deaths and 1,250,000 injuries, and the toll was somewhat higher in 1953.

The safety belt itself is not a new development by any means. Belts have been used in planes for more than 40 years. They have also been generally used in motor racing for a long period of time. More than 30 makes of belts are for sale. "But," Mr. Spencer says, "as something for the family hard-top they are a new and relatively unglamorous gadget. . . . To gain acceptance the seat belts must overcome widespread lack of information and some misinformation. Finally they must compete for the attention of car owners who are usually more interested in horsepower and body styles than in safety devices."

In gathering data for his article, Mr. Spencer spent two months reading accident reports and talking to accident analysts. He cites a number of actual and typical cases where people using safety belts walked away from major accidents — the kind of accidents that, without the belts, would have inevitably resulted in death or, at best, serious injury. He also cites the opinions of police, scientists, and other authorities who have taken up

the cause of the safety belt. The American College of Surgeons — made up of men whose professional life is to a considerable extent spent in repairing the ghastly results of highway accidents — is a leader in this. It has called on automobile manufacturers to provide "passenger-stabilizing devices such as safety belts," along with certain other built-in safety features. That term "passenger-stabilizing" explains the belts' value. In thousands of accidents, to quote Mr. Spencer again, "little injury would result IF the riders were held firmly in place so that they could decelerate WITH the car instead of AGAINST it or THROUGH it onto the pavement."

Two leading automobile manufacturers are now offering safety belts as dealer-installed optional equipment. As mentioned before, individual buyers can choose from many makes. It is extremely important that the belts be anchored to something absolutely solid, such as the frame of the car, not the seat — in a bad crash the seat itself may tear loose. Also, Mr. Spencer indicates, care should be taken that the belt chosen has sufficient strength, proper buckles, and other such features.

The seat belt is but one example of modern safety thinking and development as applied to automobiles. At the end of his article Mr. Spencer writes: "One Automotive engineer has said the time has come to fix the points for safety equipment in the basic pattern of the car and design around them, as the industry now designs around the motor or radiator or drive shaft. Certainly nothing could be more basic than a solid preventive against the epidemic disease of our highways."

Don't smoke in Bed. The next ashes that fall on the floor could be your own.

### St. Anne's Society Has Full Calendar Of Coming Events

Members of Saint Anne's Society meeting Sunday found themselves facing a crowded calendar of coming events which they discussed and made plans for. Committee reports, unfinished business and a talk by Father Patrick Hannon were also on the afternoon's program.

Principal discussion centered around the organization's participation in the Catholic League convention here, the naming of delegates, plans for the Benedictine Sisters' annual pantry shower, and a clean-up of the church before the convention.

Housing for convention, delegates, registrations, meals, the mission exhibit, souvenir booth and concession stands all came in for a share of discussion with the housing problem seemingly the most pressing at the time.

Mrs. Paul Fisher, chairman of reservations and her committee Mmes. M. J. Endres, Frank Yosten and Herbert McDaniel reported they have rooms for some 50 persons — and need accommodations for an estimated 300.

All parishioners with facilities for taking care of visitors are urged to let Mrs. Fisher or her committee members know as soon as possible how may they can accommodate.

Date for the church clean-up was set for Friday, Aug. 27, and members volunteered to be there with mops and buckets.

The Sisters' shower date was slated for Sunday, Aug. 21. It will be held after evening mass and both parents of school children are invited to be present and get acquainted with their youngsters' teachers.

Previous showers were held in the afternoon and only mothers attended. This year's event was set as an evening affair, on Sunday, so that husbands can accompany their wives to the party.

Mrs. Frank Yosten, mission chairman, reported that the quilting circle has contributed \$25 to the new church fund.

The secretary read an all-over report of the society's activity, charitable, civic and social during the past 12 months. Mrs. J. W. Fisher, convention souvenir chairman, asked that articles for the booth be left with her or at Mrs. Lena Streng's home; and Mrs. H. J. Fuhrman named her assistants to help in the mission exhibit.

Convention delegates named were Mrs. H. J. Fuhrman, Mrs. Frank Herr and Mrs. R. R. Endres. Alternates are Mrs. J.W. Hess, Mrs. Joe Hoenig and Mrs. Gary Hess.

Father Patrick, in his short address, pointed to the influence a mother has in the training of her children, emphasized that this early influence and training has a lasting effect on a child and goes through life with him.

Mrs. H. J. Fuhrman won the attendance prize, a silver cross and chain.

Wife: "Darling, what do you want for your birthday—shoes for the baby, or tires for the car?"

**IN HARMONY**—Free Germany's defense minister Theodor Blank, left, and her finance minister, Fritz Schaeffer, register identical emotions ranging from gloom to glee during an hours-long debate of Parliament at Bonn. Smiles are registered when they realize that a German draft to speed rearmament will be approved.

#### RETURN FROM COLORADO

Mr. and Mrs. Joe Swirczynski have returned from a two-week visit in Colorado with their daughters, Mmes. Alex Knauf and Clarence Erpelding at Woodman. Clarence, a tourist car driver, took them on sight-seeing trips through the Colorado Mountains and up Pike Peak. They went through the Garden of the Gods, Cave of the Winds, visited Manitou Springs, the Seven Falls, Will Rogers Memorial Shrine and had dinner in a lodge house on top of Mt. Cheyenne. Mrs. Swirczynski also met several friends of her school days whom she hadn't seen in 55 years — nuns at the convent in Woodman. The Ed Swirczynskis of Fort Worth who visited in Colorado a week and made the scenic tours with his parents.

#### RETURN FROM TRIP

Mr. and Mrs. Al Wiesman have returned from a trip that took them to New York City, Buffalo, Niagara Falls, Canada, and points in Pennsylvania, Virginia, Tennessee and Alabama. They went from here by train to Flint, Mich., where they visited the Chevrolet assembly plant and got a new gold and ivory air conditioned 4-door Bel Air sedan in which they made the rest of the trip.

THE STATE OF TEXAS  
County of Cooke

In the Name and by the Authority of The State of Texas.

To: L. F. Lindsay, whose residence is unknown, George Rogers, whose residence is unknown, the heirs and legal representatives of L. F. Lindsay and George Rogers, deceased, whose name and residence are unknown, and the respective unknown heirs and legal representatives of all the above named parties, the unknown owner or owners of the hereinafter described property and their heirs and legal representatives whose names and places of residence are unknown, and any and all other persons, including adverse claimants, owning, or having, or claiming any legal or equitable interest in or lien upon the hereinafter described property delinquent to plaintiff herein for taxes.

YOU ARE HEREBY NOTIFIED that suit has been brought and is now pending in the Honorable District Court, 16th Judicial District, Cooke County, Texas, wherein The State of Texas, Cooke County, Texas and The City of Gainesville, Texas are plaintiff, Gainesville Independent School District is impleaded party defendant; and L. F. Lindsay, George Rogers and their heirs and representatives are defendant, by the filing by said plaintiff of a petition on the 28th day of July, 1955, and the file number of said suit being No. 587 and the nature of which is a suit to collect delinquent ad valorem taxes on the following described property, to-wit: Being commonly known as Lot 12, Block 154 Gainesville Addition to City of Gainesville, Texas, more fully described as 111 1/2 feet by 150 feet out of the Thomas Toby Survey, in Cooke County, Texas.

Beginning at the North East corner of a tract of land bought by J. J. Curtis from T. M. Wood; thence South 111 1/2 feet; thence West 150 feet; thence North 111 1/2 feet; thence East 150 feet to place of beginning together with interest, penalties, costs, charges, and expenses of suit which have accrued and which may legally accrue thereon.

The amount of taxes due each plaintiff, exclusive of interest, penalties and costs is as follows:

State of Texas and Cooke County and City of Gainesville \$224.02  
TOTAL \$224.02

Plaintiff and all other taxing units who may set up their tax claims herein seek recovery of delinquent ad valorem taxes on the property hereinabove described, and in addition to the taxes all interest, penalties, and costs allowed by law thereon up to and including the day of judgment herein, and the establishment and foreclosure of liens, if any, securing the payment of same, as provided by law.

All parties to this suit, including

plaintiff, defendants, and intervenors, shall take notice that claims not only for any taxes which were delinquent on said property at the time this suit was filed but all taxes becoming delinquent thereon at any time thereafter up to the day of judgment, including all interest, penalties, and costs allowed by law thereon, may, upon request therefor, be recovered herein without further citation or notice to any parties herein, and all said parties shall take notice of and plead and answer to all claims and pleadings now on file and which may hereafter be filed in said cause by all other parties herein, and all of those taxing units above named who may intervene herein and set up their respective tax claims against said property.

You are hereby commanded to appear by filing a written answer and defend such suit on the first Monday after the expiration of forty-two (42) days from and after the date of issuance hereof, the same being the 12th day of September, A.D. 1955 (which is the return day of such citation), before the honorable District Court of Cooke County, Texas, to be held at the courthouse thereof, then and there to show cause why judgment shall not be rendered for such taxes, penalties, interest and costs, and condemning said property and ordering foreclosure of the constitutional and statutory tax liens thereon for taxes due the plaintiff and the tax-

ing units parties hereto, and those who may intervene herein, together with all interest, penalties, and costs allowed by law up to and including the day of judgment herein, and all costs of this suit.

Issued and given under my hand and seal of said court in the City of Gainesville, Cooke County, Texas, this 28th day of July, A.D. 1955.

# HAMRIC'S

The place to go for brands you know.

"GOTTA GET THOSE WEEDS!"—Milosare D. Metrovich is going to get those weeds cut, come the hot place or high water. This unseemly zeal, which goes beyond the most avid gardener's call to duty, is all in the day's work for the St. Louis Park Department employe. He's cleaning weeds and rushes from a park lake, a nice cool spot in which to be with the temperature bubbling at the 96-degree mark.

### IT HAPPENED 15 YEARS AGO

August 9, 1940

After a delay of two days, work is resumed on the new WPA road from Linn to the Gainesville-Rosston road after landowners give easements permitting road to pass through fields. City sewer installation crew nears completion of work. Several thresher crews wind up year's business and close season with parties. The Jake Horns Jr. announce the arrival of Doris Lee. John Luke was this city's first summer heat victim when he was overcome while on duty in the boiler room at the cheese plant. Paul Clayton receives painful burns when an oil tank he is welding explodes. Florence Pagel returns to her duties in the county clerk's office after a two-week vacation.

### 10 YEARS AGO

August 10, 1945

Mrs. Mary Lehnertz, Muenster's oldest resident, dies Sunday; would have been 93 years old following day. Joe Tempel, member of the Aircraft Carrier Hornet, is at home on leave. City

increases water rate. David Trachta is on duty in Germany. Val Fuhrmann writes that he is assigned to the 25th Infantry Division Band in Hawaii. Arthur Endres is installed as grand knight of KC council. Shoes are expected to be ration-free by early next year. Joe Horn has his tonsils removed. Bertha and Bernice Haverkamp celebrate their 17th birthdays with a party. The Norbert Klements celebrate their 12th wedding anniversary when friends give them a surprise party.

### 5 YEARS AGO

August 11, 1950

Oscar Detten of Amarillo dies in head-on crash. City council okays more street lights. Knights of Columbus and Catholic Daughters plan a series of benefit parties for new church fund. Installation of new booster motor assures adequate supply of city water. Muenster's little airplanes made a big hit Monday afternoon at the Montague County Grape Festival; showing planes were Paul Walterscheid, James Walterscheid, Tommy Felderhoff, John Dobias and Albert Hess. Sgt. Bill Eberhart is back in Tokyo after front line activity in Korea. Judy Hammer has appendicitis operation. Helen Hess is recovering from surgery performed at Gainesville Sanitarium. A new Grade A dairy barn is being built at Frank Schilling's. The Leonard Endres family has returned to Huron, S.D., after a visit here. Flusche families have reunion Sunday, first time in 11 years. Local Boy Scouts are conducting a scrap iron campaign. Edna Gremminger joined the staff at the Shanty this week.

### CYC Group Names Committee Heads

At a meeting Wednesday night, Aug. 3, members of the local Catholic Youth Council elected chairmen of standing committees and made plans to participate in the Catholic State League convention here on August 29-Sept. 1.

Miss Clara Streng, president, conducted the business session in the presence of Father Christopher Paladino, council director, and Mrs. Paul Fisher, adult leader.

Chairmen elected are: Patsy Horn, spiritual committee; Rosina Hess, cultural committee; Beatrice Zimmerer, publicity committee; Norma Walterscheid, Delphene Derichsweller and Edna Hoenig, social committee.

Members will be in charge of decorating the hall for the youth rally during the convention.

A dance followed the business session.

Miss Kathleen Richter returned to Dallas Monday evening after spending a week's vacation here with her father, W. T. Richter and other family members.

Everett and Allan Spaeth are spending this week with their uncle and aunt, the Andrew Schoechs, and their sister Linda is visiting with her uncle and aunt, the Arthur Felderhoffs, while their mother, Mrs. Joe Spaeth is a patient at Bethania Hospital. The family lives in Wichita Falls.

### Gift Party Honors Miss Walterscheid

Miss Bernice Walterscheid, bride-elect of James Mollenkopf, was complimented with a miscellaneous gift party last Wednesday night in the home of Mrs. Leo Lawson with Mmes. Earl, Donald and Ervin Walterscheid and Mrs. George Mollenkopf Jr. as co-hostesses.

The honoree was presented a daisy corsage by the hostesses who directed games carrying out the bridal theme. Award winners Mrs. Ed Cler, Mrs. Leonard Owens, Mrs. Carl Schilling, Mrs. Norbert Koesler and Mrs. Herman Fette, gave their prizes to the bride-to-be.

Refreshments of ice cream, cake and punch were served to 23 guests.

The refreshment table was centered with a decorated cake inscribed with "Bernice and James, Aug. 16, 1955." Candles flanked the cake and at each end of the board was a crystal bowl filled with colored ice cubes and punch. The table, refreshments and party rooms carried out the bride elect's chosen colors of pastel yellow, green, blue and orchid.

Mr. and Mrs. Joe Hoenig and daughter Edna Mae drove to Dallas Sunday to take their granddaughter, Dianna Cottle, home after a week's visit here.

**Marysville News**

By Mrs. Herman Richey

MARYSVILLE, Aug. 9—James Whitt spent the past week in Denton with his cousin, Teddy Snider, at the home of his aunt, Mrs. Addie Snider.

Mrs. R. K. Maupin of San Antonio spent the weekend with her parents, Mr. and Mrs. B. G. Lyons and attended the encampment of the VFW and Ladies Auxiliary in Sherman. Mrs. Maupin is state president of the Auxiliary. She and her parents spent Monday in Gainesville with Mr. and Mrs. Clyde Stiles.

Recent guests in the home of Mr. and Mrs. Jess Davison were Mr. and Mrs. Jack Cook and sons Jimmy and Leroy of Boyd.

Wanda Richey is spending this week with her cousin, Donna Binford at Gainesville.

Mr. and Mrs. Darrel Hallmark and family spent Sunday at Ardmore and Lake Murry on an outing. Ronnie Hallmark of Arlington was at home for the weekend.

Mr. and Mrs. Jimmy Owens of Holiday visited the John Richeys Wednesday.

Mr. and Mrs. Charlie Winchester and family of Grand Prairie spent the weekend in this community.

Mr. and Mrs. Bill Roe of Whitesboro spent Sunday with the Foster Davidsons and took their daughters Elizabeth and Reba home with them. The girls had spent their vacation with their grandparents.

Janie Ward of Gainesville is visiting Virginia Kirk this week.

Wanda Richey joined Jimmie Hellman, Mary Pick and Dee Kaderli of Muenster on a trip to Dallas Sunday to attend Cinerama Holiday.

Mrs. Bill Moon will be hostess to the Marysville Home Demonstration Club at her home this Friday afternoon. Sunshine gifts will be exchanged.

**Bulcher News**

By Mrs. R. J. Samples

BULCHER, Aug. 9 — Rain measuring 1.10 inches fell here last Thursday.

Mr. and Mrs. Bill Blakely have been visiting their daughter and family, the Bob Newmans at Perryton, the past few weeks.

Mr. and Mrs. Paul L. Tracy and three sons left Thursday for Illinois to visit relatives and friends while they are vacationing for two weeks. The family moved here from Illinois in the early spring.

Supper guests in the R. J. Samples home Friday night were Rev. and Mrs. A. A. Farley and daughter Joye of Saint Jo, and Rev. John L. Martin of Fort Worth who is pastor of the Bonita church.

Jay Jones who suffered a stroke on July 4 and was a patient at Gainesville Sanitarium since that time is back at home since he was dismissed from the hospital Monday.

Mr. and Mrs. Dexter Dowd and two sons will be moving from this community to Nocona soon. Mr. Dowd will be a barber there. For the past ten years he operated the Bulcher grocery store. That business will be taken over by Bailey Dennis temporarily.

Mr. and Mrs. Guy Cannon of Caps Corner and their granddaughter Rose Cannon of Whitesboro visited his sister, Mrs. R. J. Samples and family Thursday.

Mr. and Mrs. C. V. Crabtree and son Corky are on their annual vacation. They will visit his brother at Las Vegas, Nev., and go sight-seeing.

Mr. and Mrs. R. J. Samples visited his sister and husband, Mr. and Mrs. Charlie Parsons at M&S Hospital in Gainesville Monday. The couple had a car wreck Saturday. Mrs. Parsons suffered two broken ribs and cuts on her head, along with body bruises but was dismissed from the hospital Monday. Her husband sustained a fractured knee and lacerations on the head and hands. He was moved to Veterans Hospital in McKinney Monday for further treatment.

Jo Ella Prather has been ill this week from a virus infection.

Mr. and Mrs. Bill Dennis and children of Texas City have returned to their home after a visit with her parents, the E. Newbys.

Mr. and Mrs. Bill Harrel and children returned Saturday from a vacation trip to Michigan.

Mr. and Mrs. James Cooper and family of Midland were weekend guests of his uncle and aunt, the R. H. Sharps.

Mrs. J. M. Shields has returned from a visit in San Angelo with her son and family, the Gene Shields.

Cleta Sue Cannon of Denton spent the weekend here with homefolks.

A man wanted a watchdog, a "real man-killer." The dealer sold him a 200-pound Great Dane. A few days later, the man returned to the dealer, irately demanding his money back.

"You call this dog a man-killer? Why my house was ransacked the other night and he slept right thru it."

The dealer listened politely and then, after the customer had let off steam, sold him a little dog to wake up the big one.

Try beating the train to a railroad crossing if you want to put a real lasting finish on your car.

"The sensible rule for government is that it should always be barely big enough to do the job assigned it. If it gets any bigger, it becomes dangerous." —Frank Pace Jr., former Director of the Budget.

**Superliner United States Carried Over 200,000 Passengers In Three Years**

Three years ago (July 14, 1952) the superliner United States, flagship of the United States Lines, completed her maiden voyage and established a new eastbound and westbound trans-Atlantic speed record. Her eastbound crossing was made in 3 days, 10 hours and 40 minutes at an average of 35.5 knots, approximately 41 land miles per hour. On her return crossing to New York she set a new westbound record of 3 days, 12 hours and 12 minutes. It was the first time in almost 100 years that an American flag vessel won the coveted Blue Riband of the Atlantic.

Since the United States entered service July 3rd, 1952, she has carried a total of 207,807 passengers. In her third year of operation from July 6, 1954 to July 5, 1955 she carried a total of 68,455 passengers, an average of 3,112 for each round trip.

She has crossed the Atlantic 134

times and has traveled 427,752 nautical miles between light vessels, a distance equivalent to approximately 17 times around the world. Throughout this entire distance she has maintained an average speed of 30.63 knots which is about 35 land miles per hour.

While primarily a passenger vessel, the United States also carried 27,527 tons of high class cargo and 3,336 automobiles of passengers aboard. She also carried over 750,000 sacks of mail.

During her three years of service the vessel's shafts have never been stopped or slowed down at sea due to machinery derangement. The ship's tremendous air conditioning system which services all state rooms, public rooms, crew's quarters and all working areas and is in use on every voyage throughout the year, has functioned perfectly for three years without interruption.

Cows are snobs, according to M. W. Schein, Department of Agriculture expert. If a strange cow is added to a herd, Schein

says, milk and butterfat production may drop as much as five per cent until the newcomer is accepted socially.

Step in... and command the most modern truck power on any job!

**New Chevrolet Task-Force Trucks**

Seven new "high-voltage" high-compression valve-in-head engines!

Here's hour-saving, dollar-saving power for your job... the biggest choice of engines in Chevrolet truck history! And they're the most modern engines in the industry!

You've got it good under the hood with a new Chevrolet Task-Force truck! With two new V8's and five new sixes to choose from, you can pick the power that's tailor-made to do your kind of hauling.

Shortest stroke V8's in any leading truck! Both of Chevrolet's new truck V8's have an ultra-short stroke—shortest of any V8 in any leading truck. They're of modern oversquare design, which means that the piston stroke is smaller than the bore. The result is less piston travel per mile... longer engine life. Also, Chevrolet's compact truck V8's deliver ex-

ceptionally high horsepower per pound of engine weight. More power is actually available for hauling your loads!

Modern 12-volt electrical system! You get this great development in all new Chevrolet truck engines—both V8's and sixes. The 12-volt electrical system delivers twice the punch for quicker cold-weather starting (up to 30% faster cranking speed). It also provides a hotter, fatter spark for better ignition.

Come in and command the most modern truck power for your job!

**V8 or 6** you get the right power for your job!

Year after year... America's best-selling truck!

### Theories on Keeping Cool Debunked by Recent Army Tests

WASHINGTON — Want to keep cool in sweltering summer weather? The chances are that most of your notions about what to eat, drink and wear came from the horse and buggy era.

That's the finding of recent tests by a team from the Army Quartermaster research and development division in the Yuma Desert in Arizona where the thermometer soared to 125 degrees in the shade.

The tests proved that salt tablets have little or no value; that the more ice water you drink the more comfortable you'll be; that in tropic heat you need plenty of hot, solid food, and that dark clothing, even made of wool, is just as cool as lighter colors.

A summary of the tests shows that heavy shoes keep the feet cooler than light or open-mesh footwear.

The Army scientists proved beyond doubt that a can of cold beer or a frosted Collins may refresh you but the relief is only

temporary. All that cold alcoholic drinks do is cool the mouth, throat and head for a few minutes, the study showed.

Actually, you are cooler when you perspire. This is nature's way of cooling the skin surface through evaporation and, incidentally, regulating the proper amount of salt in your stomach. Taking salt tablets can lead to serious cramps.

Dr. Austin Henschel, one of the Army's top physiologists, said the most important thing is a proper diet.

"Contrary to the popular belief," he said, "you actually burn up more energy working in heat than in cold."

"We feed our men a good solid diet of meat and potatoes," he added. "You can't work all day long in this heat on nothing but salads."

The Quartermaster men admit that in theory a nudist would be the coolest of all, but the average GI or office worker has to wear more than that. It seems that your legs contain 30 percent of the body's skin surfaces and are much cooler in shorts than long trousers.

The best fabric is open-weave cotton or light wool. The synthetic fabrics are too tightly woven and do not spread perspiration properly for even evaporation.

Why the heavy shoes? It seems that ground temperatures are often as much as 40 degrees higher than air temperatures and the body picks up heat quickly through light-soled shoes.

Another important thing is to relax. Sitting around and worrying actually makes you hotter because of a tensing of small muscles throughout your body.

Fill up a pitcher of ice water and sweat it out. After all, you're lucky you're not in the Yuma Desert.

Any one of the modern jet fighters that guard our skies today has enough power to pull a 360-car freight train.

### Built-in-Cook Service

A publication of the American Meat Institute observes: "Price spreads — the difference between what the farmer gets and what the consumer pays for food items — have been steadily widening and for good reason."

The "good reason" in this case has various facets. Labor costs, direct and indirect, make up about 75 per cent of total costs in the food business. These have risen substantially, and so over a period of years, have other such avoidable operating costs as packaging, transportation, taxes, rents and so on. On top of that, one of the big and relatively new factors in the farm-retail price spread situation is found in consumer demand for foods in a

form that will save labor and time in the home. As the Institute's publication puts it, "The housewife, buying more ready-to-serve, ready-to-cook and ready-to-mix foods, actually is getting what amounts to a 'built-in-cook' service." Processing of this character costs money—and the consumer must pay the bill.

Even so, our food dollar does a good job. Despite the rise in prices for foods, family purchasing power has kept up with it. Meat is a good example, being a food which practically everyone consumes daily in one form or another. According to Department of Agriculture figures, for many years, in good times and bad, the public has spent roughly the same proportion of take-home pay for meat—five to seven per cent. The only exceptions are war periods when government controls and other abnormal factors make comparisons impossible. We eat better than ever, and at a reasonable cost.

Nude blonde was nabbed on the streets of Sioux Falls, S.D., during a recent hot spell. Said she was "Eve, looking for Adam." Didn't find him, but the police sure raised "Cain."

Sure are lots of people putting on an act who aren't on the stage.

Fortune Teller (to bride of a few weeks)—"You wish to know about your future husband?"

Bride—"No. I wish to know about the past of my present husband for future use."

Speakers who have trouble holding an audience might remember the story of the speaker who complained, "There are so many rude interruptions, Mr. Chairman, that I can hardly hear myself speaking."

"Don't let it bother you," came a voice from the rear. "You ain't missing nothing!"

**TOP OF THE WORLD**  
FRANK LOVEJOY

**Lindsay News**

Visiting relatives in Cooke county are Mr. and Mrs. John Bukowski and daughters Marie and Patsy of San Antonio. While the family are vacationing they are guests of her sisters, Mrs. Clem Hermes and Mrs. Lena Arend and her brother Theo Rauschuber here, another brother Frank Rauschuber at Valley View, and nieces Mrs. Vincent Felderhoff and Mrs. Joe Hess at Muenster.

Mr. and Mrs. Leo Cutaia and daughter Carol of Dallas spent Wednesday here with relatives and took their daughter Margaret Rose back home with them. She had vacationed with the Bruno Zimmerers. The Zimmerers' son Tommy joined them on returning to Dallas and is their guest for a week.

**Sister Mary Olive, Honoree at Reunion**

Before Sister Mary Olive returned to San Antonio after a vacation visit with her parents, Mr. and Mrs. John P. Neu Sr., she was honored with a reunion in her parents' home. Joining them for the family get-together were the John Neus Jr. and children of Lindsay, the Victor Bierschenks and Janie of Weatherford, the Frank Neus and sons Kenneth and Glenn of Valley View, the Conrad Flusches and

family of Decatur, Mrs. F. J. Gruber and Robert Gruber of Lindsay and Mr. and Mrs. E. J. Eckles of Florence, Ala., who were guests of the Grubers.

Sister Mary Olive recently observed her silver jubilee as a nun at Our Lady of the Lake Convent.

Returning to San Antonio, Sister Olive joined Sister Catherine Henry and Sister Christina, the three nuns being taken by car by Mr. and Mrs. H. S. Fuhrmann, parents of Sister Catherine Henry.

A reunion of the Fuhrmann families honored Sister Catherine Henry while she was visiting in Lindsay with family members and in Muenster with her sister, Mrs. Ray Hess. The get-together was held in Leonard Park.

Sister Christina was the house guest of her sister, Mrs. John Bezner, while she was in Lindsay and visited other relatives here and in Muenster.

**Muenster, Lindsay Has Graduates from St. Paul's, Dallas**

Two of the graduate nurses of Saint Paul's Hospital School of Nursing in Dallas were from Muenster and one was from Lindsay when the 1955 commencement exercises were held Sunday afternoon.

Misses Anselma Kathman and Jeanette Walter of Muenster and Theresia Mae Spaeth of Lindsay were members of the class of 25 receiving diplomas from the Most Rev. Bishop Augustine Dangelmayr in services held at Sacred Heart Cathedral at 3:30.

Relatives and friends of the three girls attended the graduation program and a reception at the nurses' home afterwards.

Present for the occasion were Anselma's parents, Mr. and Mrs. John Kathman; Jeanette's parents, Mr. and Mrs. Al Walter and Sandra, Mrs. John Walter, Mrs. John Hartman and Miss Dorothy Hartman, Mrs. Arthur Endres and Ruthie, Mr. and Mrs. Herman Hartman, Mrs. Albert Dangelmayr, and Miss Joan Klement, all of Muenster. The Ed Masons joined the Muenster group. They and their children Johnny and Kathy are here to visit her family, the John Hartmans. The Masons are on a two-week vacation. They live in Houston.

Members of Theresia Mae's family present were her mother, Mrs. George Spaeth of Lindsay, the Andrew Schoechs and children Margorie and Gene, the Arthur Felderhoffs, the Wilfred Reiters and Peggy, all of Muenster, Joe Spaeth of Wichita Falls, the Joe Kneuppers and family and the Henry Spaeths of Gainesville. Miss Frances Spaeth of Dallas joined the family there.

After the reception, all members of the Spaeth family were guests at Frances' apartment for a buffet supper before they returned home.

**Local Want List**

and school officials.

The report then recommends a general plan of turning wants into reality. The first step is urging groups in the town to select projects most interesting to themselves. For example have a garden club take over beautification work and enlist the help of youngsters for recreational and park development. Furthermore,

**PICTURE-NUTTY** — "Chipper" is squirrely about having his picture taken—just can't get close enough to that lens. The pet of Gary Beauman, of Claremont, N.H., the little orphan is being raised on a doll-nipple-equipped aspirin bottle.

it is best to get as many as possible enthused in the work, because the greater the number of interested people working toward building a better town, the faster the rate of progress.

Specific recommendations were offered on several of the more popular suggestions. In looking for a dentist the town is advised to contact dental colleges and give all possible information pertaining to population, education, recreation, available housing for office and home, etc. . . all information that the prospective dentist would want.

Beautification and clean-up can be sparked by publicity, contests and cooperation of groups for special enthusiasm at specified intervals. Enthusiasm developed for such events carries over into a generally higher standard of community pride.

For recreation the recommendation is to give first thought to improving facilities at the park, because parks are popular when well developed. A big factor in the general recreation program is to increase young people's interest by giving them a part both in decisions and work.

The most important consideration in attracting industry is an atmosphere of neatness and progress to appeal to the people who must locate with the business. Next the town should have a representative industrial committee equipped with all pertinent facts and empowered to deal with the prospective industries.

More specific recommendations were offered regarding a hospital, a motel, modernization of business houses and street improvement.

The teacher was testing her pupils' knowledge of proverbs. "Cleanliness is next to what?" she asked.

And a small boy replied feelingly, "Impossible."

**Blessed Events**

Mr. and Mrs. Howard H. Homsley are rejoicing over the birth of their first grandchild, Elizabeth Jeanette, daughter of Mr. and Mrs. Glenn McCann of Midland. The eight pound eight ounce girl arrived on Thursday, Aug. 4, at 9:20 a.m. The Homsleys and their daughter Queenie made the acquaintance of the new arrival on the day of her birth. They were with the McCanns two days. Mrs. Homsley will go back for a longer visit after her daughter and the infant are dismissed from the hospital.

Mr. and Mrs. Cecil Neu of Valley View are happy over the arrival of a daughter, their first child. The eight pound three ounce girl was born at 9:45 p.m. Sunday, Aug. 7, at M&S Hospital in Gainesville. Grandparents for the first time are Messrs. and Mrs. Frank Neu and Bill Terry of Valley View. The baby has five great-grandparents, Frank Trubenbach of Muenster, Mr. and Mrs. John P. Neu Sr. of Lindsay, Mrs. A. C. Terry of Gainesville and Mrs. Mabel Fry of Springdale, Ark.

Mr. and Mrs. J. C. Atterberry are the parents of a son, weight five pounds 13 ounces, born at Gainesville Sanitarium at 5:02 a.m. August 7.

A five pound 13 ounce boy, their first child, was born to Mr. and Mrs. V. W. (Jabb) Clayton of Saint Jo at 6 a.m. Thursday, Aug. 4, at Gainesville Sanitarium. Mrs. Clayton is the former Ann Simms and the maternal grandparents live in Conway, Ark. The paternal grandparents are Mr. and Mrs. Charlie Clayton Sr. of Muenster.

Mr. and Mrs. B. M. Eddows of Gainesville welcomed their first child, an eight pound boy at the Muenster Clinic Thursday, Aug. 4, at 1:45 a.m. The grandparents, Mr. and Mrs. Elmer Murphy and Mrs. Jess Trail are of Gainesville.

**WHAT'S NEW** — A crib-rock-er which gently rocks baby to sleep and then shuts off at a preset time; a machine that can be adapted both for lawn mowing and floor polishing and, inevitably, an "atomic clock," which ('tis claimed) will run accurately for 300 years!

"You're an hour late getting home with those mules, Bill."  
"Yeah, I know it. I picked up the preacher on my way home, and from there on the mules couldn't understand a word I said."

Surest way to injure your own character is to attack that of others.

**SCENE SHIFTERS**

The landscape is undergoing change. Great scoops of earth are being removed to make room for feed — feed for the nation's supply of livestock. The drought has taught livestock raisers that if they are to maintain their herds through lean periods, they must have a substitute for green grass that has withered on the stem. The best substitute is silage and the cheapest place to store it is in the ground.

That is why livestock men are taking chunks out of the sides of hills. These big gashes in the earth will be filled with green chopped feed to make silage.
