Ikard Discusses Pending Issues at Lions Luncheon

Congressman Frank Ikard, speaking at the Lions dinner Tuesday, made it clear that he has no confidence in the smile that official Soviet faces have been wearing at the Geneva Conference and since.

In his opinion, one of this country's principal concerns nowadays is to avoid being taken in by the change in Red policy. The Russians have not changed in fundamental philosophy, he declared. They are still dedicated to the overthrow of Christian civilization and the conquest of the world.

It is comforting to hear our representative in the national capital giving voice to such opinions. Without a doubt an overwhelming majority of people in this area share his convictions on the subject and are pleased to know they can depend on him to keep alert to the communist threat, and to use his vote and influence in support of measures which will tend to check the red advance.

There is additional comfort in signs of increasing distrust of the Soviet smile by other officials of our government. Secretary of State Dulles has indicated several times lately that he does not like the actions taking place behind the Russian display of friendship. As usual, the reds are playing the same old throat-cutting game. They continue to stir up trouble in the Middle East, in North Africa, and in the Far East.

Russians make a big show of releasing prisoners, who never should have been detained in the first place. They talk peace and disarmament. They refrain from their old insulting charges. They even quit shooting down planes. But still they keep their agents going night and day spreading propaganda, spying, provoking insurrections and border skirmishes. In general, they show by almost every deed how much deceit is behind that ugly hypocritical smile.

Among the more contemptible Soviet stunts of recent weeks was an insistence to air France's Algerian troubles before the U.N. Yes, Russia would like very much to make France wash its dirty linen in public. Russia would also like an opportunity to air some of the slanted charges its spies and stooges would have to offer. In short Russia would like the opportunity to intensify its odd propaganda on Western colonialism.

In the light of the red record the Russian position is downright insulting. Nothing could be more presumptuous than a communist nation's claim of a right to pass judgment on any country's colonial record. No Christian country can ever match the reds in disgraceful treatment of subjects.

Such hypocrisy and gall arouses our ire, but there is a slight chance that it may in the end arouse our mirth. As some observers see it, the demand may backfire.

They say the UN should accept the Russian proposal as a fine idea . . . and apply it also to an investigation of communist colonial affairs. Let the world know what has happened not only in Africa, but also in Poland, the Balkans, the Baltic States, Korea and Indo China. The facts that could come out of those places would give lots of people a good idea of really shabby colonialism.

Despite the smiles it is just as apparent as ever before that communism is the mortal enemy of all that is decent in the world. The big objective now, as before, is to destroy Christian civilization, and the smile is only the current method of diverting attention from the same old dirty work.

What is needed in the world today is a more general understanding of the reds' international sleight of hand game. We've had the Berlin Air Lift, kidnappings, prisoner issues, the Korean fiasco and other sensational incidents galore. The reds skillfully held our attention with them while going right on with their program of world conquest. This time we are intrigued by that great new phenomenon, the Soviet smile, and we continue to overlook the Soviet tricks that keep happening under our very noses.

Reduction of taxes, the national highway program and attention to the nation's agricultural problems are subjects expected to receive principal consideration of the Congress when it meets again in 1956, Representative Frank Ikard told a group of about 80 persons at the Lions Club luncheon Tuesday.

Looking back, he said that the most significant achievement of this year was the development of a real bi-partisan foreign policy. In dealings with foreign countries our foreign officials can proceed with more confidence than ever before that they represent the thinking of America rather than one of its political parties.

Ikard said that this policy, especially as applied at Geneva, has been a big factor in relieving world tension.

He cautioned, however, that he personally has little confidence in the Russians and recommends constant alertness so as not to be taken in by recent friendliness. Russia has not changed in basic philosophy. It is still dedicated to world conquest and the destruction of Christian civilization.

Despite a widespread belief that Soviets can not be trusted, Ikard continued, there is no doubt that foreign relations have improved. And that condition will have its effect on domestic affairs.

National defense, the biggest item on our budget, is costing less and will be reduced further. Prospects of balancing the budget by July are cheering, and tax reductions after that are practically assured.

A likely form of tax reduction he said, is an increase in income tax exemptions. This method favors the little man whereas general percentage reduction

(Continued on Page 11)

Pee Wees Win at Alvord, Callisburg

The Muenster public school Pee Wees after two losses and a tie in their first three attempts hit their stride in games at Alvord and Callisburg to lift their record to the more dignified ratio of 50-50.

At Alvord they encountered a team of inexperienced lads playing their first game and coasted to an easy 19-0 win. Of the four times they had possession of the ball they drove to three touchdowns, Wimmer scoring twice and Hellman once. It was a quickie contest taking up a total of about 30 minutes.

Again at Callisburg they were plainly masters of the game, but the going was not so easy. The Pee Wees had to hustle for what they got, especially in the first half, which ended 7-0. Action picked up in the second half as the Muenster kids scored twice and Callisburg once for the final count of 19-17. Harris, Wimmer and Hudspeith were the Muenster scorers.

The kids have two more games on their 1955 schedule. Thursday at 7:30 they will be in Saint Jo striving to better the score of their former game with the Kittens, a 6-6 tie. Next Tuesday night at 7:30 they will take on Father Patrick's Sacred Heart Cubs.

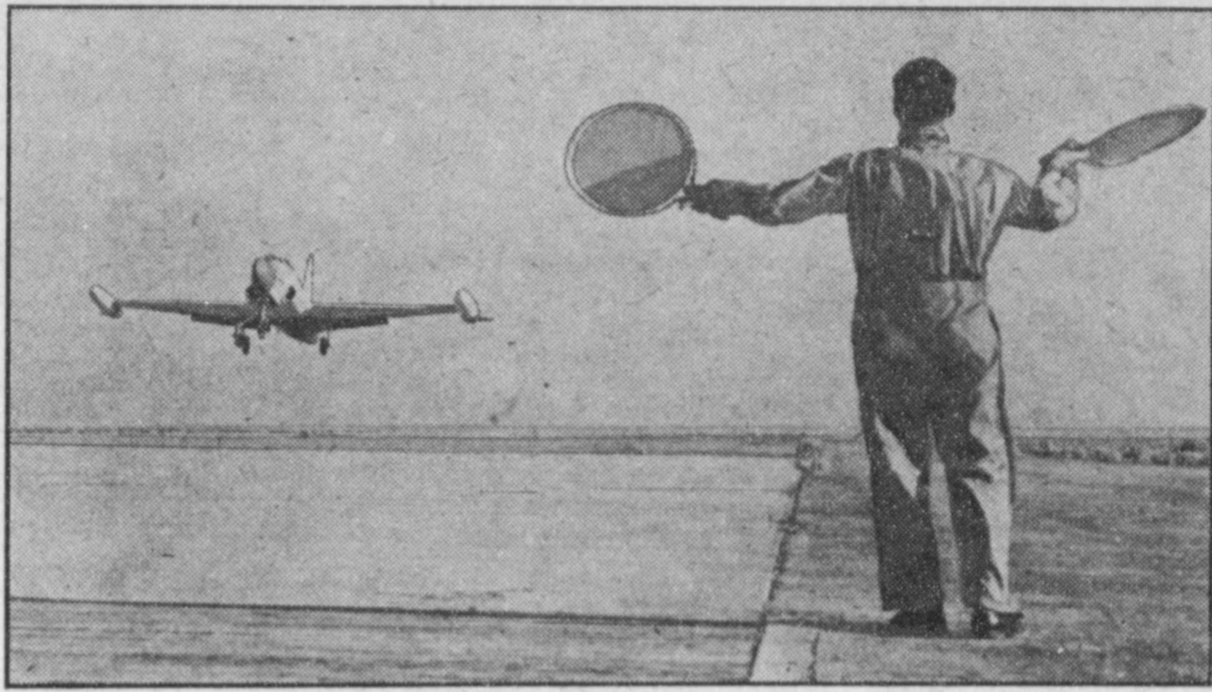

WITH THE MEN IN SERVICE

Enlists in Navy

Ronald Fette, son of Mrs. Kate Reynolds, enlisted in the Navy on Oct. 11 and is at the Naval Training Center in San Diego, Calif., for nine weeks of recruit training. Ronald, who graduated from Muenster High last May, enlisted as a high school airman recruit. Upon completion of recruit training and after coming home for two weeks leave he will report to the Airman School in Norman, Okla., for six weeks of special study.

Adds Second Stripe

Eddie Fette has sewed the second chevron on shirt and jacket sleeves and is now a Specialist, third class — present name for corporal. He is battery clerk for his outfit which left Fort Bragg, N.C., last week for "Exercise Sagebrush" at Camp Polk, La.

TO PROVE SHE'S NOT ALL WET—Navy's new Lockheed T2V-1, first jet trainer of its type ordered for service aboard aircraft carriers, comes in for an arid landing on a simulated carrier deck at the Inyorken Naval Ordnance Test Station deep in California's Mojave Desert. In the 600-mile-per-hour class, the ship has a landing speed of 97 miles per hour, slower than that of any other jet plane now in production.

General Drive of United Fund Will Begin Next Week

Muenster's United Fund drive will enter its second stage next Monday when a group of workers begins soliciting for the general fund drive.

For a while at least the second stage seems due to be conducted along with the special drive, which is still incomplete after running for two weeks.

Chairman J. M. Weinzapfel said the special workers have been making contacts but apparently none finished the job. No deposits have been made.

The purpose of the special drive is to solicit donations from firms and individuals who are able to give more substantial sums. The general drive is intended to contact persons who are not included in the special drive. The donation suggested by United Fund for the general drive is a day's pay.

In launching it, Chairman Weinzapfel emphasized that United Fund was organized as a means of combining several charitable drives into one, hence people should combine several donations into one.

Organization for the drive will be headed by four area captains each for the city and the rural community. Each of the captains will select his or her own helpers.

Micks Spring Four Sensational Plays, Crush Tigers 25-6

Four brilliant plays heaped disaster on the Sacred Heart Tigers Saturday night in their annual grid classic with the Laneri Micks at Fort Worth. By a count of 25-6 they were eliminated from any chance of sharing honors in this year's Southwest Academic League district race.

For what it's worth, the Tigers nevertheless have the satisfaction of giving the Cowtown boys a good tussle. During the second half especially they posted the better record in both first downs and yardage, besides holding their own in the scoring department. In addition they crossed the goal twice on plays that were called back by the officials.

One of the TD's was nullified by an offside decision, the other by a lineman venturing into the secondary on a pass play. The pass was completed across the line but it drew a penalty instead of a score.

Sacred Heart's valid score came as the result of a set-up by Felderhoff on an interception and beautiful run-back. He snared the Mick aerial in mid field and went to the 14 before being hauled down. On the next play Walter weaved his way to pay dirt.

Laneri's first score came a minute or so before the end of the first quarter, which had been featured by three lost fumbles and an interception . . . each team losing possession twice. The Micks finally hit their stride, advanced from their 20 to mid-field in 6 plays, then completed a pass for 47 yards and the TD.

For the next counter they waited only as long as needed to

(Continued on Page 12)

Nellie Burchfiel Returns to MHS As English Teacher

Mrs. Nellie Burchfiel of Saint Jo returned to the Muenster High School faculty Wednesday as English teacher succeeding Alfonso Greco, who died early Sunday in a car accident.

She agreed to serve as a temporary teacher until the school finds a permanent staff member for the assignment, and added that she does not expect the word "temporary" to apply as it did before. At that time her temporary job lasted almost 6 years. Her intention now is to be back with her family in a few weeks.

Mrs. Burchfiel quit her former teaching job here seven years ago.

Hornets Take Lead In Loop Race With Win at Callisburg

By a count of 27-7 over Callisburg's Wildcats, the Muenster Hornets assumed top standing in the 10-B conference race Friday night.

At the same time Era eased past Saint Jo 6-0 for a perfect start in the same loop. However, Era's victory was its first, setting the present record at 1-0-0 as compared with Muenster's 2-0-0.

All other teams of the district have blots on their record. Saint Jo and Valley View each has a win and a loss. Alvord and Callisburg have a tie and a loss each, Sanger has one loss.

In their contest at Callisburg the Hornets practically salted the game away on their first offensive play. After holding the Wildcats on the first series they returned the kick to their 49 and

(Continued on Page 12)

Hot Contest Looms Friday as Hornets Take on Warriors

One of the really hot contests of the entire season seems to be shaping up for the Hornets Friday night when they take on the Valley View Warriors of Wichita County on the Warrior field.

Posting a 25-13 win over the Saint Jo Panthers two weeks ago, the Warriors left no doubt that they have a stout and aggressive outfit.

But that's only half the story. The odds are that Valley View, still smarting from the 47-13 humiliation sustained here last year, is fired up in a big way for this tussle. Figuring in a little more for home field advantage, its easy to predict that the hosts will be serving their guests a mess of trouble.

That doesn't mean, however, that Coach Hosea or his Hornets are conceding anything. In the first place the squad is complete and in fine physical condition. A leg bruise sustained at Callisburg has handicapped Jerry Wimmer a little, but he is expected to be back to normal on Friday . . . and there were no other ill effects.

Besides, the Hornets continue to improve, offensively and defensively. Blocking is shaper, coordination is better, and defense shows increasingly better alertness. They are ready for stout competition.

William Thornton, Retired Farmer of Valley Creek, Dies

William R. Thornton, 79 retired farmer of the Valley Creek community, died early Saturday morning in a Gainesville hospital.

Funeral services were held at 4 p.m. Sunday at Vernie Keel chapel with Rev. G. P. Patterson, pastor of the Shiloh Baptist church, and Rev. Eddie McCord, pastor of the Sivelles Bend Baptist church, officiating. Burial was in Rest Haven Memorial Park.

Bearers were Melton Ramsey, Johnnie Morris, Lindsay Branch, Ernest and Reagen McElreath and Richard Grewing.

A native of Georgia, Thornton was born Sept. 27, 1876, in Georgia. He had lived in Cooke county for the past 60 years. On Dec. 20, 1910, he married Miss Mary Elizabeth Quillen who survives.

Survivors in addition to his wife are one daughter, Mrs. Lish McElreath of Sivelles Bend, a sister Mrs. May Taylor of Gainesville and four grandchildren.

Among out of town relatives at the funeral were Messrs. and Mrs. H. M. Thornton of Tahoka, Royce Garner and W. L. Thornton of Plainview, J. P. Carter of Ralls, N. T. Thornton and O. L. Thornton of Levelland and Addis Thornton of Dallas.

SH Cubs Lose 21-0 At Wichita Falls

The jinx continued to hang over Father Patrick Hannon's Sacred Heart Cubs as they went to Wichita Falls last Sunday afternoon for a return game with the Sacred Heart parochial team of that town. They drew the short end of a 21-0 decision for their fourth disappointment in as many games this season.

In the opinion of Father Patrick there were other factors also which stacked the odds against his youngsters. A single day of practice during the week, a trip to the fair the previous day, and a ride to Wichita before the game all combined to take the usual zip out of the Cubs' performance.

Nevertheless the kids did manage to get within the 20 yard strip at three different times. They gave their hosts lots of action even though they did not score.

Next on schedule for the Cubs is a game with the public school Pee Wees Tuesday night at 7:30.

Council OKs Light Opposite Church

A comparatively small investment that will be greatly appreciated by a considerable number of pedestrians in the church area is an extra street light, to be installed opposite the front entrance of the church.

The light was approved in Monday's city council meeting in response to a number of requests from people who were crossing there. They explained that illumination from street lights at either end of the block was inadequate at that place and people crossing could not be seen plainly by car drivers. Several pedestrians have had narrow escapes in recent months.

Alfonso Greco, 24, MHS Teacher, Dies In Auto Accident

Alfonso Greco, 24, English teacher at Muenster High School, died early Sunday as his car crashed after leaving a curve on the FM road a mile northwest of town.

He was found dead about 6 o'clock Sunday morning by Ivan Koelzer who was going to the early mass at Sacred Heart Church.

It is believed that he died instantly. According to reports from George J. Carroll and Son Funeral Home, he sustained a skull injury that might have been instantly fatal and the condition of the body indicated he had been dead for several hours.

Another opinion is that Greco suffered a fatal heart attack, possibly before the accident. Observers noted that there were no blood stains at the scene of the crash, perhaps indicating that his heart had stopped.

Greco apparently had made little effort to make the curve. The gravel pile which his car hit was almost in direct line with the straight road he had been traveling. Highway Patrolman Everett B. Scott said the car traveled about 160 feet before hitting the gravel pile, then

(Continued on Page 12)

Tigers, Greenhill Tangle Thursday In Annual Battle

Eager to break back into the winning column after two discouraging set backs, the Sacred Heart Tigers are getting set to shoot the works in their contest Thursday night with Greenhill High of Dallas.

The Big D boys, perennial foes of the parochial team, will come to Muenster as an unknown outfit. Father Christopher has no record of their achievements to date, so he is basing his strategy on the assumption that the Tigers will have to go the limit to make the grade.

That attitude is based also on the record of past games played by the two teams. Mostly they have been thrillers, and last year's was a considerably better tussle than indicated by the Tigers' 25-6 win.

Weight advantage, as usual will be stacked slightly against Sacred Heart. Tackles weighing 215 and 180 and a fullback weighing 195 are huskier than anything in the Tiger lineup.

However, the visitors will need more than a difference in poundage to turn the trick. The Tigers are still improving on the sharp attack which netted them three wins along with creditable yardage in the two games they dropped. At Cowtown last week the Tigers were the victims of four sensational plays. In the rest of the game they held their own against the powerful Laneri Micks.

City Spends \$300 On Yule Lighting

Christmas lighting in Muenster will be better every year from now on. Members of the city council decided on that Monday night and backed up their decision by appropriating \$300 for Christmas lights.

In addition the council agreed to urge greater effort on the part of business houses and homes on their own lighting and decorations. They felt that city and citizens working together can give the town a Christmas look to be proud of.

The council specified that two thirds of its appropriation should be used on Main Street and one third on the highway east of Main. TP&L will cooperate by installing the lights.

SCHEDULE OF COMING EVENTS

THURSDAY, Oct. 20, Tigers vs Greenhill, here, 8 p.m.
THURSDAY, Oct. 20, Pee Wees vs Saint Jo, there, 7:30.
FRIDAY, Oct. 21, Hornets vs Valley View of Wichita County, there, 8 p.m.
TUESDAY, Oct. 25, Cubs vs Pee Wees, 7:30.
TUESDAY, Oct. 25, Annual meeting of DHIA and ABA of Cooke county, at the First State Bank in Gainesville, 8 p.m.

Local News BRIEFS

Mrs. Albert Stoffels and children went to Fort Worth Friday to visit her parents, the John Slatons until Monday. Saturday they all went to Dallas to spend the day at the Fair.

Guests Sunday in the home of Katie Roberg were Misses Joan Roberg and Colleen Karst of Fort Worth, Charlie Whitfill of Crowley, the Frank Robergs and Mr. and Mrs. Frank Bruns and daughter Christine of Gainesville.

Mr. and Mrs. Bert Soutter of Dallas spent Wednesday here as guests of Mr. and Mrs. Dick Cain.

Mrs. Earl Lehnertz and daughters, Earlyne and Carla, have returned to their home in Gainesville after spending a week with Mr. Lehnertz at Natchez, Miss., where he is working.

Miss Clara Fleitman has returned to Detroit, Mich., after a month's vacation visit with her parents, the William Fleitmans at Lindsay, and other relatives and friends in the county. She is employed in the anesthesia department at Mount Carmel Mercy Hospital in Detroit. She left Wednesday, making the trip by plane.

Diocesan Officers Elected at Close Of NCCW Convention

The diocesan convention of the National Council of Catholic Women held in Dallas Sunday, Monday and Tuesday, came to a close with election of officers for a new year, adoption of resolutions and the selection of Fort Worth as next year's convention city.

Attending from Muenster were Mrs. J. M. Weinzapfel, diocesan rural life chairman, Mrs. Paul Fisher, president of the Sacred Heart parish unit, and Mrs. Tony Gremminger.

JUST A YOUNG 'UN—Lyubov Valentinovna Puzhak, 122, is Moscow's oldest citizen, according to a Soviet source. Moscow Radio, however, tops this longevity record. It claims that there is a 147-year-old collectivist farmer in Soviet Ajerbaijan. The resident of mountainous territory which borders on Iran, he is said to have a daughter who is 120.

A number of resolutions adopted included continuing efforts combatting indecent literature and deploring actions by the United Nations members that refuse to recognize oppressed peoples in their countries.

Speakers during the closing meetings at the Hotel Adolphus were Mrs. J. R. Dougherty of Beeville, provincial director of NCCW, and the Most Rev. Thomas K. Gorman, bishop of the Dallas-Fort Worth diocese.

Officers of the Diocesan Council for the coming year are: Mmes. E. T. Noyes of Dallas, president; W. O. Waid of Kilgore, secretary; John J. Bandor Jr. of Fort Worth, treasurer; Charles P. Schultze of Irving, parliamentarian.

Homemaking Hints

By Mrs. H. H. Homsley

Recently, liquid or bottled starch has become available. This is a thick starch solution that has been pre-cooked and bottled. You dilute it when you use it to suit your needs. It is handy and convenient for in-between-washday starching, but liquid starch is expensive to buy ready-made at the store. Also, store-bought liquid starch contains a preservative so it will keep on the grocers shelf. But you can make your own bottled starch at home from powdered starch and it costs less than a penny a quart. Also, homemade bottled starch does not contain preservatives to scorch or turn yellow after ironing.

How to make bottled starch:
Step 1: Mix ¼ cup (4 table-spoons) powdered starch with ½ cup cool water until smooth.

Step 2: Add this to 1 quart of boiling water while stirring. Boil for 1 minute. (This prevents separation.)

Step 3: Add 1 quart of warm water and stir. (This prevents scum from forming.)

Step 4: Pour into clean jars or bottles. Cover tightly. Allow to cool and put in refrigerator for future use. Shake well before using and use within ten days.

Use "as is" for medium-heavy starch. Dilute to suit for lighter starching.

You can protect painted walls that need frequent washing with starch. "Paint" your walls with starch solution. Then when they become dirty, just wash them. The dirt comes off with the starch, leaving the walls fresh and clean.

To freshen the color of dark blue or black cottons, tint the starch with bluing. For brown materials use tea or coffee. To prevent shiny gloss iron on the wrong side. If top pressing is needed on the right side, iron over a thin, dark colored cloth.

Proof
"Does your husband always live up to his promise of his courtship days?"

"Always. In those days he said he was not good enough for me, and he's been proving it ever since."

Blessed Events

Mr. and Mrs. Kenneth Reynolds of Forestburg welcomed the arrival of a little boy, a brother for Mary Jo, on Monday, Oct. 17. The seven pound 13 ounce infant was born at Bowie Hospital at 1:15 a.m. He is the grandson of Mr. and Mrs. Joe Knabe and the great-grandson of Mr. and Mrs. Gus Knabe, all of Muenster. The paternal grandparents live at Forestburg.

Pro and Con Considerations

One day Ivy Lee, a publicity man, called on John D. Rockefeller at Pocantico Hills, to discuss a proposal. The old man asked Lee to explain the plan, and Lee made as strong an argument for it as he could.

At the conclusion, Rockefeller was silent for a moment, and then asked Lee to make an argument against it, setting forth the weak points. Lee complied, revealing every danger and weak-

ness he could think of. Again Rockefeller was silent, and then he said, "Well, Mr. Lee, apparently you have considered both sides of this question, but I think the affirmative has the better of the argument, so we will go ahead."

Great men see with both eyes and hear with both ears. With the facts before them, they can reach a sound judgment. Two other qualities common to highly successful men are frankness and enthusiasm. —The Neighbor.

Big John, tall, square-shouldered, dropped into the town tavern and banged the bar with a heavy, hairy fist.

"When Big John drinks, everybody drinks!" he boomed. Everybody joined him in a round, including the bartender. Twice more the routine was repeated, the big man pounding the bar and everyone dutifully swallowing another hookerful. When the third round was done, Big John slapped some money on the counter and thumped toward the door, shouting:

"When Big John pays, everybody pays!"

A Salute To 4-H...

NATIONAL 4-H CLUB CONGRESS

A dramatic highlight of the National 4-H Club Congress unfolds as delegates parade before a huge audience at the International Live Stock Show in Chicago.

The 4-H spotlight will again be on Chicago when the top 1,200 boys and girls from all 48 states, Alaska, Hawaii, and Puerto Rico join with guests from foreign countries for the 34th National 4-H Club Congress, Nov. 27 - Dec. 1.

The Congress program consists of discussions by the delegates, tours of the City, banquets and top-flight entertainment features, and is highlighted with talks by outstanding speakers. The 4-H'ers also take part in press conferences and radio and TV appearances. Most of one day is spent visiting the International Live Stock Exposition where during the evening program the 4-H'ers present their annual parade.

Congress delegates are selected from the Nation's 2,150,000 4-H'ers through county, state and national competition. In Chicago, 180 will be named national winners in 29 award programs and will receive \$49,050 in college scholarships.

The Congress is made possible by civic-minded individuals, foundations and industries who in 1955 contributed over \$750,000 through the National Committee on Boys and Girls Club Work to support 4-H.

This year, 110,000 4-H members will be honored through National 4-H Award Programs. The awards consist of trips, medals, watches, U. S. Savings Bonds and other merit awards. In addition, funds are provided for leader training with the grants made through the National Committee. The Committee is a citizens' group which has been help-

ing the Cooperative Extension Service further the influence and membership of 4-H for 34 years.

Among the corporations and foundations providing 4-H support are the Nitrogen Div. of Allied Chemical & Dye Corp., Allis-Chalmers, American Forest Products Industries, Carnation Co., Chicago Board of Trade, Coats & Clark Inc., Conrad Hilton Hotel, Cudahy Packing Co., Elgin Watch Co., Firestone Tire & Rubber Co., Ford Motor Co., Larro Sure Feed Div. of General Mills, General Motors, Hercules Powder, International Harvester, Kellogg Co., Kelvinator, Kerr Glass, Massey-Harris-Ferguson, Inc., Montgomery Ward, Olin Mathieson Chemical Corp., Sears-Roebuck Foundation, Simplicity Pattern, Singer Sewing Machine Co., Standard Brands Incorporated, Sunbeam Corp., United States Rubber, Westinghouse Educational Foundation, and the Wm. Wrigley Jr. Co. and Gene Autry.

Nine oil companies collaborate in the program, including American Oil, General Petroleum, Pan-Am Southern, Pure Oil, Standard Oil Foundation, Inc. (Chicago), Standard Oil Co. (Kentucky), Standard Oil Co. (Ohio), Stanolind Foundation Inc., Tulsa, Okla., and Utah Oil Refining Company.

Railroads cooperating are Burlington, Illinois Central, North Western, Milwaukee and Santa Fe.

Individuals who offer awards include Mrs. Charles R. Walgreen, Thomas E. Wilson and Edward Foss Wilson.

S.H. Teachers Attend Diocesan Institute

Benedictine Sisters, teachers in the parochial school, Friday attended an all-day conference in Dallas where the 19th annual Teachers Institute of the Dallas-Fort Worth diocese was held at Ursuline Academy. Classes were dismissed here and students had a free day.

Theme of the program was "The Application of Christian Principles to the Teaching of History." Also on the agenda was "Practical Teaching Helps for Classroom Use." Separate discussions were presented for grade and high school teachers. Mother Mary Joseph of Ursuline Academy conducted the grade school panel and Very Rev. Michael P. Kammer, principal of Jesuit High, Dallas, directed the high school panel.

The meeting began at 9 a.m. with mass followed by an address by the Most Rev. A. Dangelmayr, D.D.

Diane Wiese, 5, Has Party on Birthday

Diane Wiese, five years old on Thursday, Oct. 13, had a birthday celebration at her home in the afternoon. Her mother, Mrs. Francis Wiese, entertained for the occasion and her daddy took pictures of party scenes, groups and individuals.

Games, favors and refreshments made the party a gay affair for the honoree and 24 young guests. Favors were small glider planes and refreshments were cup cakes and pop sicles.

Children present were Dan, Jan and Joan Wilde, Pat, Sheila and Mike Hennigan, Donna and Pam Stoffels, Diann Felderhoff, Brenda Tuggle, Sheila Voth, Donna and Tommy Tuggle, all of Muenster. Gary, Bill and Pat Dulock, Roslyn, Sue and Terry Long, Mary Ann Wiese and Nickie Mosman, all of Gainesville, the honoree, her sister Janet and her brothers Hal and Don.

Adults present were Mrs. Clara Mosman and Mrs. F. A. Wiese of Gainesville, grandmothers of the honor guest, Mmes. Nick Mosman, Paul Wiese, Troy Long and Freddie Dulock, also of Gainesville and Mrs. Aubrey Tuggle.

"The good old days are probably those when you were neither." —Franklin P. Jones.

Polly Mages Bride Of Gene Pelzel in Saturday Ceremony

—Gilbert Studio Photo

Miss Polly Mages became the bride of Gene Pelzel Saturday afternoon in a double ring ceremony read by Rev. Louis Deuster in Sacred Heart church.

Music for the nuptial high mass at 4 o'clock was presented by the church choir with Anthony Luke at the organ. Mrs. Norbert Walterscheid sang a solo before the bride entered the church with her father, Joe Mages.

Her gown of white lace and satin was designed with a long torso bodice of lace and a scalloped square neckline. She wore matching lace gauntlets with a flared satin edging below lace elbow length sleeves. The bouffant floor length skirt of satin was appliqued with four lace panels. Her tiered finger-tip veil of illusion was caught to a satin pillbox. She carried pale pink carnations.

The bride's jewelry was a single strand of pearls, a gift from the groom, and pearl earrings borrowed from her sister, Mrs. Nick Dieter. She carried a pink and silver rosary, a gift from her paternal grandmother, Mrs. Frank Mages of Lindsay, and wore a penny in her shoe.

Attendants were Mrs. Nick Dieter, matron of honor, and Miss Lorette Mages, bridesmaid, both sisters of the bride; Nick Dieter, best man, and Johnny Pelzel of Pilot Point, brother of the groom, groomsmen. Robert Bayer and Billy Heitzman of Dallas ushered.

Mrs. Dieter and Miss Mages wore identical gowns of dusty rose velveteen with portrait necklines, long torso bodices and waltz length skirts. Their matching velveteen half-hats were sprinkled with sequins and they wore matching mitts. Their flowers were pink carnations.

After the mass while the couple recited an act of consecration at the Blessed Virgin's shrine Mrs. Walterscheid sang "On This Day." The bride placed a bouquet of pink gladioli on the altar.

Three hundred wedding guests were present for a reception and dinner in the parish hall at six o'clock. Mrs. David Forgey of Dallas presided at the bride's book. At night a dance was held in the VFW hall.

When Mr. and Mrs. Pelzel left on their wedding trip of unre-

vealed destination she was wearing a charcoal boxer suit with red and charcoal accessories. They will make their home in Lindsay.

The groom, son of Mr. and Mrs. John Pelzel of Pilot Point, was graduated from Pilot Point High school. His bride is a graduate of Sacred Heart High school and has been employed as receptionist at the Davenport Chiropractic Clinic in Gainesville.

Out of town guests at the wedding included Mr. and Mrs. H. B. Marcus and son Gary, Mr. and Mrs. Bill Heitzman, James Heitzman and Mr. and Mrs. David Forgey, all of Dallas; Mr. and Mrs. Jack Knox of Arlington; Dr. and Mrs. A. A. Davenport of Gainesville, and Messrs. and Mmes. Leo Mages of Fort Worth, Carl Mages of Waco and Charlie Berend of Hereford.

Life is made up of sobs, sniffles, and smiles, with sniffles predominating

Facts on Communism

Here are some facts and opinions for Americans to think on as they view the Communist leaders in their unnatural pose of friendliness:

From a speech by William Randolph Hearst, Jr., to the National Press Club in Washington, upon his return recently from interviews with the Red leaders in the Kremlin at Moscow:

"These men can be ruthless. They have been merciless. Certainly no humanitarian considerations would cause them to hesitate to wipe us out if they thought they could get away with it. They believe the end justifies the means. And for them, the end remains Communist domination of the world. Khrushchev said so to me quite frankly. He said they hoped to gain the upper hand one day."

"We heard Molotov tell the Supreme Soviet (the legislative body) and I quote him: 'World civilization will not perish no matter how much it might suffer from a new war.' He predicted that what would perish would be our way of life. That should make it clear enough to us that the Soviet leadership does not rule out war because of its possible effect on civilization. It rules it out for the present simply because of the respect it has for the effectiveness of America's counter-offensive power."

One of the books on my desk as I write this column is TWILIGHT OF WORLD CAPITALISM. The author is William Z. Foster, ranking leader of the Communist forces in America. Here is the dedication on the flyleaf of Foster's book: "To my great-grandson Joseph Manley Kolkko, who will live in a Com-

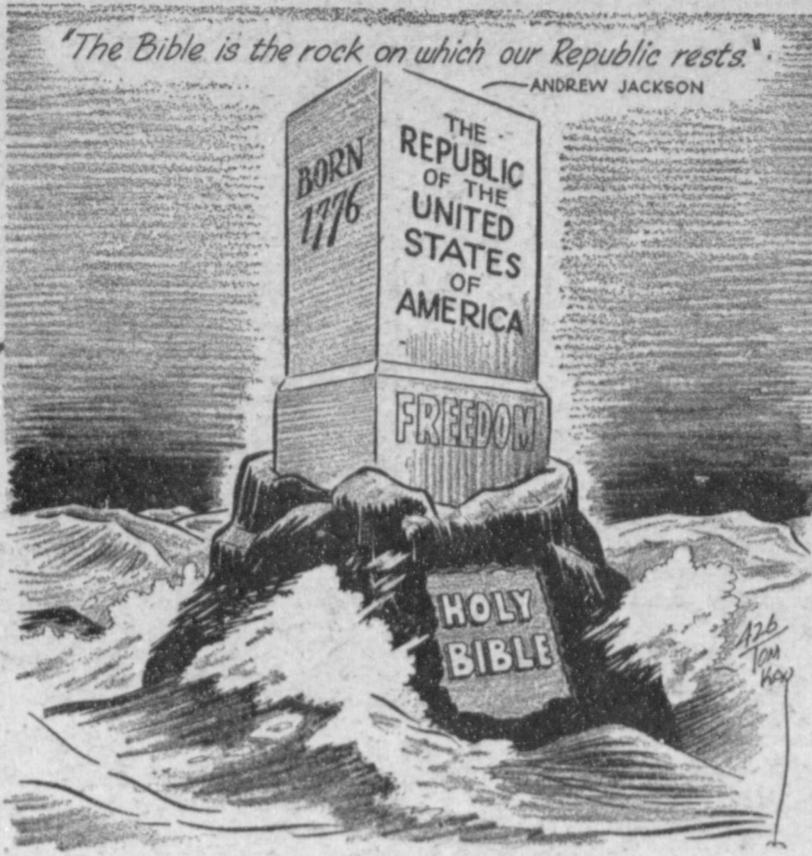

unist United States."

From a highly respected information service with authentic sources throughout the world, including Iron Curtain nations (this report from Geneva): "Peace? There will be ostensible peace for from five to six years . . . That is the Soviet objective . . . That is the time they estimate they need to put their house in order . . . They will make every gesture calculated to make the world believe they have had a change of heart . . . Many astonishing decisions will be announced by the Communists from time to time which they expect will change world apprehension."

Nikolai E. Khokhlov, former Soviet Intelligence Agent, in an interview with the U.S. NEWS & WORLD REPORT: "The spiritual resistance of everyone in the Soviet Union is beginning to bring some evident results. The right name for the nature of the internal troubles now would be 'psychological.' There is a passive resistance that the Soviet rulers are trying desperately to stop, to make the oppressed people obey again. With perhaps a little more incentive — some outside agreement and support maybe — the resistance could become active . . . As soon as the Russian revolutionary movement will be understood and supported by the Western democracies, our people will automatically begin to sympathize with the Western world . . ."

Member of a Western European Parliament: "From our secret intelligence service our Foreign Office has learned that 'free' elections soon will be announced in Czechoslovakia . . . Other 'free' elections will follow in other captive states . . . Several 'slates' of candidates will be presented, but all candidates will be under Soviet discipline."

Herbert A. Philbrick, former FBI counterspy, in the New York HERALD TRIBUNE: "On the propaganda front, the party members have been given a number of specific targets . . . among them: Increased drive to foment strikes . . . continued cam-

 Laymen's National Committee

campaign for Red China's admission to the U. N. . . . increased emphasis on the aboveground propaganda stressing 'peaceful co-existence' and 'easing of tensions' to cover the corresponding underground increase of aggression and subversion . . . campaign to break the crippling economic blockade against the Soviet Union . . . promotion of trade with the nations (Iron Curtain) exploiting slave labor."

Pause for Reflection

with James C. Ingebreten President, Spiritual Mobilization "Taking due cognizance of this TV age, the Cincinnati Enquirer," according to a recent issue of the Wall Street Journal, "recounts the experience of one prominent Cincinnati who bought a baby grand piano for his children in the hope that it might encourage their musical talents. When he arrived home that evening he found all three of the youngsters examining the instrument in an effort to find where they could plug it in."

Well, we shouldn't blame the youngsters too much. After all, they are growing up in an age when a lot of adults seem to think that our whole economy will run along without personal effort or attention if only it can be plugged into the United States treasury.

Don't Think
 "Just think of it!" exclaimed the romantic young newlywed, "a few words mumbled over your head and you're married." "Yes," agreed the old cynic, "and a few words mumbled in your sleep and you're divorced."

Wrong Way

It is again being proposed that any future federal income tax reductions be accomplished by raising the amount of the personal exemption — by \$100 or some such sum.

One effect of this would be to drop large numbers to taxpayers from the tax rolls altogether. That might buy some votes, but it is morally and ethically wrong. It is still a fact that the people must support the government — and that the government cannot support the people, save by taking the money away from them to begin with. Every person who receives income should pay some taxes, no matter how small.

The fairest and most constructive form of tax reduction would be percentage cuts — for all the income brackets, and for businesses as well.

Dollars and Sense

In a recent debate on "Public Power vs. Private Power" on the Facts Forum radio program, Congressman Bruce Alger (Rep) of Texas said: "The development of power is not the function of Federal government . . . Government is to protect our rights and freedoms. . . Free enterprise can not survive governmental competition . . . one must go, either public power or free enterprise . . . Let's root out these seeds of economic destruction now threatening our great country — and get government out of business."

It is estimated that sale of all these 2,500-odd businesses would net the Treasury 30 billions, cut expenses 5 billions a year, return 2 billions in taxes.

Choose Your Own Wallpaper

By Rev. Joseph Manton

IF YOU ARE decorating your own home and the need for wallpaper is indicated, selecting the kind can be an eye-sparkling adventure. Choose the right gay pattern and you have a perpetual banquet laid out for the eye, a stimulating climate for the soul.

Look at the choice of colors — all the way from lemon to lavender, from prize-fighter's-eye purple to dandruff-off white. If you like motion, you can have swans poising their necks like white periscopes over the lake. At dinner you can eat your hamburger within a blazing rose-garden, then move into the living room and watch television surrounded by Japanese pagodas and temple bells.

THERE MAY BE one drawback. Few of us have the roll of money we would need to get exactly the rolls of wallpaper we would like. Anyway, there's something far more important and far easier.

For, if we cannot always choose the wallpaper for our living room, we can always choose the wallpaper for our life. We can surround ourselves

with high, clean thoughts, with noble principles, with a wholesome, Christ-like attitude.

I KNOW this sounds foggy and vague, but by way of contrast, picture and pity the man, for example, whose life is hedged about by the jungle green of jealousy. He lives in a negative world of sour wishes. He spends hours brooding how other men get ahead, fiercely wishing he could drag them back.

There are other people, dreary, teary people, who seem to favor, when it comes to color, solid unbroken black, sometimes set off by a nice depressing border of the blues. Well, let's be fair about it. Life has dealt them a hard blow. So it has to many of us. But if we cannot change the situation, the wall, we can at least change the wallpaper, our attitude toward it.

DON'T YOU KNOW that sadness is the Devil's greatest weapon? He knows that the heart that serves God best is the heart that loves God like a fire roaring in the grate, so naturally he is always ready to drop a sopping wet blanket of gloom over it.

So, choose your own wallpaper, at least in the house of your heart! Hang it with the symbols of Christian faith and hope and kindness and holy joy! And notice how happier you will become.

† Pulpit Feature Service, Washington 17, D. C.

From where I sit . . . by Joe Marsh

Tie This One For Consideration—

Closed the office early last Saturday to go after pheasants with Pops Foster. I used fewer shells than the old gentleman and took home more birds—but not because I did better shooting.

I'd borrowed a dog for the occasion. Pops took along Blue, his ancient pointer. Several times I noticed Pops walk up to a clump of bushes Blue had pointed at and fire into the air—though he hadn't flushed a single bird.

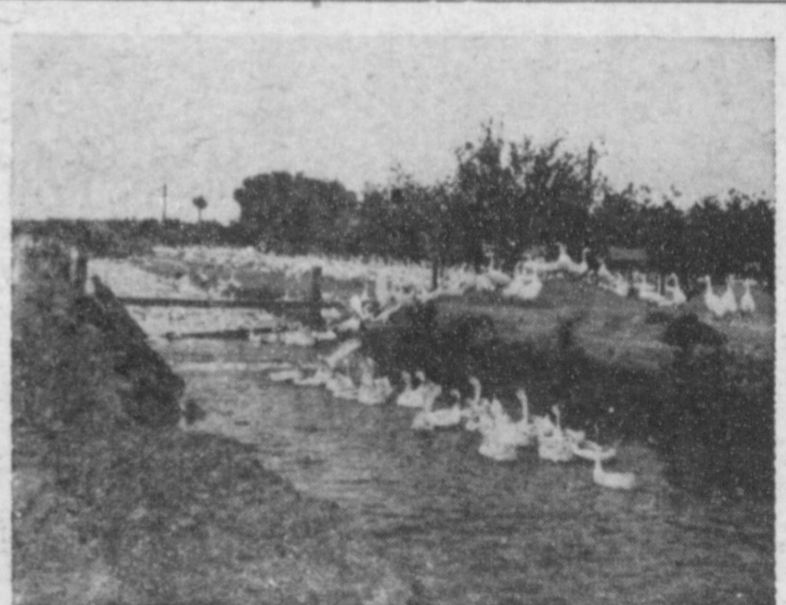

Naturally, I wanted to know why. "Well," he said sheepishly, "I've been hunting with that dog for 11 seasons. His nose isn't much

help any more—but I'd rather waste a shell than let him know."

From where I sit, Pops always shows consideration for people, too. For instance, this is a small thing, but he puts a bottle of beer on ice for me when I visit him—though he never takes anything but coffee himself. Even if he doesn't agree with me on a matter of personal choice (which is his right) he'd rather not make a "point" of letting me know.

Joe Marsh

Water Where It's Needed

Soil containing plenty of organic matter will have what amounts to an extra 5 or 6 inches of rainfall a year. To a crop at the right time, that can mean the difference between profitable yields and break-even. Big yields of legume crops plowed under will add organic matter and give free fertilizer.

Researchers now say it appears possible to breed nodules onto grass crops like Sudan and sorghums. If and when they are successful, this would make it possible to grow even heavier yields of organic matter from grass crops that will make their own fertilizer. It would give the soils a lot more water-holding capacity to put water where it's needed.

A safe deposit box will keep valuable papers for you when you need them. The cost is small — the protection is big.

VIA PARCEL TOAST—Good Scots got their penny's worth when they mailed a letter in Craigvar, Scotland, in 1890. This steam wagon sped Her Majesty's Royal Mail through Aberdeenshire at a sedate 20 miles per hour, and can still put on a steaming-hot performance for interested visitors such as Lord Douglas, who is in the driver's seat. Lady Douglas, at left, is taking no chances. She's standing back just in case the old boiler causes a sudden elevation in the neerage.

A young wife just learning to drive had hopelessly gotten traf-

fic all snarled up in trying to make a left turn at an intersection. Excitedly she turned to her husband and asked what to do.

Freshmen Present Program for PTA

The freshman class of Muenster High school presented a program for members of the Parent-Teachers Association at their regular meeting Tuesday night.

Directed by Glenn Hellman, the students appeared in two comical skits and sang songs.

During the business session Mrs. Ervin Hamric, president, presided. It was announced that the recent bake sale netted \$107.95 and Mrs. Rudy Hellman advised that four new band uniforms had been ordered.

L. B. Bruns told about plans for the school's first annual homecoming celebration to be held Nov. 11. He said that some 300 invitations have been sent to former students and teachers.

The school's annual Halloween Carnival will be held on Oct. 31 and members in charge of staging that event are busy with plans and a program which they will announce when arrangements are complete.

The attendance award, a "roaming" loving cup was won by Mrs. Hosea's seventh and eighth grade for the second straight month. The classroom with the most parents in attendance at meetings becomes holder of the cup until the next meeting. Lester Harris won the door

prize.

After adjournment those present were served refreshments in the library. More than a hundred parents were present.

Senior Class Will Present Melodrama

Seniors of Sacred Heart High school are putting in regular practice on an old-fashioned melodrama these days and plan its presentation for the public on Nov. 6. "Bertha, the Beautiful Typewriter Girl" will show on the stage at Muenster High auditorium on the first Sunday in November.

Directed by Sister M. Patricia, the entertaining comedy is a class project, not the annual senior play.

The cast is headed by Georgie Ann Owen as Bertha, Charles Felderhoff and Irma Starke are her parents, Donna Hofbauer is an exotic-looking young woman, Rodney Walter is an unscrupulous banker, Basil Reiter is his noble son, Melvin Schoech is a sinister looking man, and Ervin Henschel is the office boy in love with Caroline Hesse, the stenographer.

Theodore Walterscheid plays a dual role and the audience will want to watch him through the play. There'll be mystery, tense moments, laughs, and a happy ending.

J. W. Fishers Observe Silver Anniversary

Mr. and Mrs. J. W. Fisher were given a surprise party Sunday in observance of their silver wedding anniversary. Planning the affair were Mrs. John Fisher, Mrs. Clyde Fisher and Miss Theresa Fisher.

Everyone brought gifts for the honorees and covered dishes for the noon meal. Pictures were taken of the silver-weds, of family groups and of anniversary scenes. Mrs. Clyde Fisher presented the decorated cake topped with a silver 25.

The Fishers' two sons away at college were home for the day. They are Neil of Texas Tech, Lubbock, and Jimmy of St. Edward's University, Austin. The couple's two daughter, Theresa and Joann, are students in Sacred Heart school here.

Helping the family celebrate were her parents, Mr. and Mrs. Ed Schmitt, and his father, Joe Fisher Sr., Mr. and Mrs. Eddie Schmitt and family, Mr. and Mrs. Alois Trubenbach and family, Lloyd Trubenbach from Ranger, Mr. and Mrs. Henry Pick and children, Mr. and Mrs. Charlie Fisher and daughter Emma, and Mildred and Clara Fisher of Fort Worth, Mr. and Mrs. John Fisher and children, and Jeanette Fisher, Joe Galloway and Anna Grace Fette of Fort Worth, the Paul Fisher family, the Earl Fishers and children and Pat Fisher.

The Way of Genius

A young Scotchman was once given a very difficult task. In order that the city where the king lived might no longer suffer thirst, he was told to make a passageway under a wide river for the sweet waters of the hills beyond.

For many weeks the young man pondered over his task. Often did his heart despair at the greatness of it, but never once did he lose faith in his ability to solve it.

It happened that, as he sat at dinner one day, the innkeeper laid before him a lobster. It lay as though about to crawl, and its crimson tail shone in the strong beam of the sun. As the young man watched, the tail seemed to grow larger — a thousand fold larger! In his imagination it became a tube of iron rings through which rushed a stream of sparkling clear water.

The young man forgot all about the meal which had been placed before him. He drew a pad of paper from his pocket, and began to draw designs. Now and then he glanced at the lobster and its tail.

When the design was finished, it showed the first crude picture of a tunnel built up in sections of such construction that they could be joined together to form a strong, durable tube.

The young man rose from the table, and that night worked out the plan which became the mighty aqueduct under the Clyde river. The young man was James Watts (1736-1819), the great inventor.

Doing an injury puts you below your enemy;
Revengeing one makes you but even with him;
Forgiving it sets you above him.
—Benjamin Franklin

JOHNS-MANVILLE BUILDING MATERIALS

Local News BRIEFS

Mr. and Mrs. J. R. Winstead had as weekend guests Mr. and Mrs. Joe Snead and little son of Amarillo. Mrs. Snead is the Winsteads' granddaughter. They were here from Friday to Monday. Mr. Snead's mother accompanied them, visited in the Winstead home overnight Friday then went on to College Station to visit a son who is a student there.

Mrs. Byron Sears, her daughter Mrs. Sid Eckstein and little daughter Karen Ann of Fort Worth and Mr. and Mrs. J. A. Klement spent Monday in McKinney visiting Mr. Sears at the VA Hospital. Mrs. Eckstein and

daughter spent the weekend here. Planning to be here this coming weekend are Mr. and Mrs. Tom Sears and children Dan and Janet Ann of Orange.

John Tempel spent Friday and Saturday in Dallas with his daughter and family, the Russel Herbs, and attended the State Fair Saturday afternoon.

Mr. and Mrs. Victor Hartman and daughters Della and Patsy drove to Dallas Friday to spend the day at the Fair. Before going to the Fair they stopped for their daughter, Georgia Ann, who joined them. She accompanied them home for a weekend visit, and was among guests at the Mages-Pelzel wedding Saturday. Monday Mrs. Hartman, joined at Denton by another daughter, Mrs. Keith Tompkins, took Georgia Ann back to Dallas. Della and Patsy drove along as far as Denton and remained there with the Tompkins children. Sharon was celebrating her birthday.

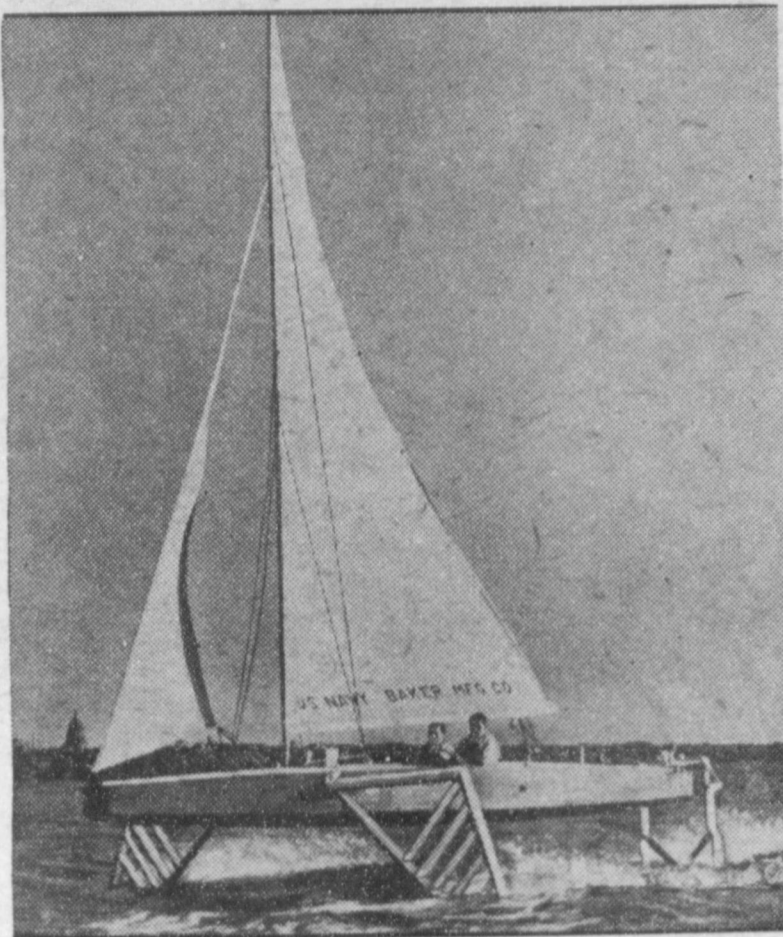

An informal get-together with gifts and refreshments honored Mrs. Meinrad Hesse Monday in observance of her birthday. Her sisters and sisters-in-law planned the party and spent the afternoon with her.

Mrs. Earle Otto and Elaine and Mrs. John Hoffman spent Wednesday in Dallas at the Fair and saw Ice Capades in the afternoon.

Visiting Mrs. J. M. Weinzapfel Saturday were her nieces, Mmes. Mildred Hoepfner and Julia Lechner of Wichita Falls. When they returned home they were accompanied by Mrs. Lucy Jensen who had spent the week with her sister, Mrs. Weinzapfel, and who will visit relatives in Wichita Falls before returning to her home in Canon City, Colo.

Messrs. and Mmes. August Sprengel, Ben Knabe and Gene Theisen all of Pilot Point spent Sunday with the Albert A. Knabe family and also visited other relatives.

Mrs. John Hoffman and Mr. and Mrs. Earle Otto and Elaine were Sunday dinner guests of Mr. and Mrs. Billy Bayer in Pilot Point.

BY HER OWN BOOTSTRAPS—"Monitor," experimental craft built under Naval contract, skims across Lake Mendota, Wis., on hydrofoils. The ladder-like devices supply lift in the same fashion as do the wings of a plane. They raise the craft about 30 inches above the water when it is under sail. Monitor made a land speed of 30 miles per hour under a moderate (15 miles per hour) wind. Her trial speed bests that of the hitherto speed-queen of sail—the Catamaran.

Mr. and Mrs. Charlie Clayton Jr. and children will be in Pam-pa this weekend at the home of her parents, Mr. and Mrs. O. O. Bishop, where her brother T. Sgt. Harold Joe Bishop and his family will be on leave. Sgt. Bishop is being transferred from Vance AFB at Enid, Okla., to Fairbanks, Alaska, for three years of duty. His family will go with him and they'll sail from Seattle on Nov. 17.

BIRTHDAY OBSERVANCE

Miss Georgia Ann Owen was honored Sunday with a surprise birthday dinner in the home of her parents, the Ray Owens. Four of her classmates, Nelda Bayer, La Verna Hess, Caroline Hesse and Donna Hofbauer, her god-mother Miss Julia Pautler, and her sisters and brothers were present for the noon meal. All presented gifts to Georgia Ann in observance of her 17th birthday.

The Best Possible

Did a man ever build the best house it was possible for him to build? Did any man ever write the best book he was capable of? Did a merchant ever run his business to the ultimate best of his capacity?

Almost everyone gives a little less than he has. Some men come close to their limit, and they are the men we admire and look up to. But most men don't. They slouch through.

There is not so much difference between people as the greatness of Abraham Lincoln and the unimportance of John Smith would make you think. John Smith could be a rather big fellow, too, if he would buckle in and do the very best that is in him. Failure doesn't mean lack of ability; mostly it means a man doesn't use more than half the tools in his chest.

Uncle Sam

America is often referred to as "Uncle Sam." People frequently use the term, but few really know just how the name was originated. It arose at the time of the last war between England and America. A commissariat contractor named Elbert Anderson had a store yard on the Hudson River at Troy, New York. (Commissariat means an organized system by which armies and military posts are supplied with food and daily necessities.) A government inspector named Sameul Wilson, who was always called "Uncle Sam," superintended the examination of the provisions. Each cask or package was marked "EA-US," the initials of the contractor and of the United States. The man who marked these initials on the casks told someone who was curious about the initials that they stood for Elbert Anderson and Uncle Sam. The joke soon became known and was heartily entered into by Uncle Sam himself. It then got into print, and long before the war was over the United States was known as "Uncle Sam." Mr. Wilson, the original "Uncle Sam," died at Troy, in 1854.

Reserved
Voice on the phone: "Is this the Salvation Army?"
Answer: "Yes, it is."
Voice: "Is it true that you save young girls?"
Answer: "Yes, it is."
Voice: "Well, please save me one for Saturday night."

Once there lived an old woman who was always so cheerful that everyone wondered at her. "But you must have clouds in your life," said a visitor. "Clouds?" she replied, "why, of course; if there were no clouds where would the blessed showers come from?" —Ave Maria.

THE STATE OF TEXAS COUNTY OF COOKE SHERIFF'S SALE

WHEREAS, on the 19th day of September, 1955, in Cause No. 586 in the District Court of Cooke County, Texas, wherein The State of Texas, County of Cooke and City of Gainesville were Plaintiff, recovered judgment against R. C. Black Defendant, for taxes, penalty, interest, and cost against the hereinafter described property:

WHEREAS, on the 17th day of October, 1955, by virtue of said judgment and the mandates thereof the Clerk of the above mentioned District Court of said county did cause to be issued an Order of Sale commanding me as Sheriff of said county to seize, levy upon, and sell in the manner and form as required by law the hereinafter described property:

WHEREAS, by virtue of said judgment and said Order of Sale and the mandates thereof I did on the 17th day of October, 1955, seize and levy upon as the property of the above defendant the following described property, situated in Cooke County, Texas, to-wit:

(Said description showing the number of acres, original survey, locality in county, and name by which said property is most generally known.)

FIRST TRACT:
East 126' Lot 6, Block 1, of the Cloud Addition to the City of Gainesville, Texas.

And I will on the first Tuesday in the month of December, 1955, the same being the 6th day of said month, proceed to sell all the right, title, and interest of the Defendant in and to said property at the Court House door of said county in the city or town of Gainesville between the hours of 10:00 a.m. and 4:00 p.m. to the highest bidder for cash, provided, however, that none of said property shall be sold to the owner of said property directly or indirectly or to anyone having an interest therein or to any party other than a taxing unit which is a party to this suit for less than the amount of the adjudged value of said property or the aggregate amount of judgments against said property in said suit, whichever is lower, subject also to the right of the Defendant to redeem same in the time and manner provided by law and subject also to the right of the Defendant to have said property divided and sold in less divisions than the whole.

DATED at Gainesville, Texas, this 17th day of October 1955.
O. E. Whinnand, Sheriff
Cooke County, Texas
By Milton Thomason, Deputy (48-49-50)

THE STATE OF TEXAS COUNTY OF COOKE SHERIFF'S SALE

WHEREAS, on the 19th day of September, 1955, in Cause No. 584, in the District Court of Cooke County, Texas, wherein The State of Texas, County of Cooke and City of Gainesville were Plaintiff, recovered judgment against J. A. Arthur Defendant, for taxes, penalty, interest, and cost against the hereinafter described property:

WHEREAS, on the 17th day of October, 1955, by virtue of said judgment and the mandates thereof the Clerk of the above mentioned District Court of said county did cause to be issued an Order of Sale commanding me as Sheriff of said county to seize, levy upon, and sell in the manner and form as required by law the hereinafter described property:

WHEREAS, by virtue of said judgment and said Order of Sale and the mandates thereof I did on the 17th day of October, 1955, seize and levy upon as the property of the above defendant the following described property situated in Cooke County, Texas to-wit:

(Said description showing the number of acres, original survey, locality in county, and name by which said property is most generally known.)

FIRST TRACT:
Lot 3, Block 153 of the Gainesville Addition to the City of Gainesville, Texas, being a lot out of the Thos Toby Survey, Abstract 1059, and described as follows:

Beginning at a point 50 feet south of the NW corner of a tract of land sold to D. W. Carnham by J. J. Curtis:

Thence East 150 feet;
Thence South 50 feet;
Thence West 150 feet;
Thence North 50 feet to the place of beginning.

And I will on the first Tuesday in the month of December, 1955, the same being the 6th day of said month, proceed to sell all the right, title, and interest of the Defendant in and to said property at the Court House door of said county in the city or town of Gainesville between the hours of 10:00 a.m. and 4:00 p.m. to the highest bidder for cash, provided, however, that none of said property shall be sold to the owner of said property directly or indirectly or to anyone having an interest therein or to any party other than a taxing unit which is a party to this suit for less than the amount of the adjudged value of said property or the aggregate amount of judgments against said property in said suit, whichever is lower, subject also to the right of the Defendant to redeem same in the time and manner provided by law and subject also to the right of the Defendant to have said property divided and sold in less divisions than the whole.

DATED at Gainesville, Texas, this 17th day of October 1955.
O. E. Whinnand, Sheriff
Cooke County, Texas

NO ILLUSION—This picture should leave any potential enemy with no illusion concerning U.S. Air Force fire power. As flames envelop wing pods of this F-94C Starfire, double salvo of rockets streak toward target on the firing range at Yuma Air Force Base, Arizona. Electronic equipment guides rocket aiming and launching from the moment target is sighted on radar. The 600-miles-per-hour-plus fighter-interceptor packs four dozen rockets in wing pods and nose.

TIPTOE TIME — Rosemary Gilligan, 1955's Tulip Queen, has her toe tips snuggled against some of the tulip bulbs in the season's first shipment from Holland, as it arrives at a Hoboken, N. J., pier.

Marysville News

By Mrs. Herman Richey

MARYSVILLE, Oct. 18 — Donny Whitt of Arlington was at home to spend the weekend with his family.

Rev. and Mrs. Harold Bigham of Fort Worth were Sunday guests in the home of Mr. and Mrs. Herman Richey. Rev. Bigham is the new pastor of Marysville Baptist church.

James Cole of Dallas and Ralph Cole of College Station spent the weekend with their parents, the J. T. Coles.

T. C. Wyatt of Winnsboro is visiting his brother Joe Wyatt and his sister Mrs. John Richey.

Lucian Bone of Dallas was a guest in the B. G. Lyons home Tuesday.

Mr. and Mrs. Charles Davidson were in Dallas Monday. They attended Cinerama Holiday and visited Mr. and Mrs. Robert Seigmund and Miss Sally Seigmund.

Mr. and Mrs. John Marcus Duffey of Fort Worth visited the Jess Davidsons Sunday. Other guests were Mr. and Mrs. Owen Almon of Gainesville.

Mrs. Cieta Denton and daughter Beverly of Bowie spent Friday night and Saturday with Mr. and Mrs. B. G. Lyons.

MRS. HOMSLEY PRESENTS PROGRAM AT MARYSVILLE

Mrs. H. H. Homsley, home-making instructor at Muenster High school, presented the program at the Marysville Home Demonstration club's meeting Friday afternoon.

Her demonstration on sewing showed the ladies how to make a make-up cape, and a new way of darning socks.

Members answered roll call by telling what they'd like to have for Christmas. Mrs. John Richey presided during the business session.

Mrs. Earl Robison was hostess in her home and after adjournment served cookies and cold drinks to those present.

The next meeting will be held on Oct. 28 in the home of Mrs. John Richey. The program will be on flower arrangement.

**IT HAPPENED
15 YEARS AGO**

October 11, 1940

Two hundred men are expected to register here on Oct. 16 for Selective Service. John Fette is run over by heavy plow but escapes with only scratches and bruises. Otto Schmitt, 74, of Lindsay, dies Tuesday. Hyacinth Study club starts fall season with opening meeting Monday night. Richard Trachta is named manager of Shamburger Lumber Co. Marriages: Elizabeth Tempel and Johnny Moster; Irene Luttmir and Alfred Sicking; Christopher Fette and Alma Gayle Matlock. Mrs. Ben Sicking is re-elected president of Linn Home Demonstration club. Twenty-six dozen gorgeous roses decorated altars in Sacred Heart church Sunday; the roses were brought from Tyler by Mrs. Rudy Hellman and Mrs. T. S. Myrick who attended the Rose Festival there.

Soil Conservation Notes

Cooperators of the Upper Elm-Red Soil Conservation district continue to apply soil conservation practices in order to prevent soil erosion and improve soil condition.

Adolph Walterscheid is constructing a farm pond on his pond southwest of Muenster. The pond will enable better grass management to be carried out on the pasture land. Walterscheid has also planted vetch on some of the old field areas for soil improvement and early spring grazing. Land along a creek has been cleared of timber and sodded to Bermuda grass. It has made ex-

cellent growth on the new ground and is stopping erosion. And the grass is furnishing grazing on land that was formerly useless.

Vetch has recently been planted on the farms of Andy Fleitman, Opal C. Berry, Jack Gordon and Roy Atteberry.

Many of the KR waterways and pasture plantings made last spring are putting on seed now and prospects for a KR seed harvest look good on both old and new plantings of this grass.

Vetch and button clover are being used to overseed KR and Bermuda grass waterways in the Muenster-Saint Jo area. These legumes add nitrogen and organic matter to the soil so that the grasses are fertilized and they also furnish excellent winter and early spring pasture.

Fr. Cyril's Mother Buried at Nazareth

Mrs. John Lange, 74, mother of Rev. Cyril Lange, formerly of Muenster and now pastor at Windthorst, died at 11 a.m. Friday in San Antonio.

Funeral services with requiem high mass were held Wednesday morning at 9 o'clock in the Holy Family Church at Nazareth. Mrs. Lange lived at Nazareth for 38 years before moving to San Antonio following the death of her husband nine years ago.

Father Cyril officiated at the final rites. Rosary was recited Tuesday night at the home of another son, Joe Lange, in Nazareth.

Mrs. Lange was born in Klaasville, Ind., the daughter of Mr. and Mrs. Albert Weber. She was married to John Lange on May 8, 1898. The couple moved to Texas in 1908 and settled at Nazareth where they maintained their home until Mr. Lange's passing.

Survivors include six daughters, two of them nuns; three sons, 29 grandchildren, 18 great-grandchildren and seven sisters.

IT'S A TRICK TO TREAT 'EM—The 16 (or is it 17—or 18?) black-masked moochers shown above are only the first table. George Schuster, Jr., shown passing out bread at his Berea, Ohio, home, entertains at dinner for 40 or more raccoons each evening. Schuster fed one raccoon three years ago. Now all the brothers, sisters, uncles, aunts and cousins troop up each evening from Cleveland's Metropolitan Park for a handout. Even at one slice to a customer, Schuster's furry guests go through about 50 loaves a week. A local bakery supplies stale bread for the feasts at a nominal price.

Makes it Harder
"What's the matter with Brown? He looks glum." He's been contesting his wife's will.
"I didn't know she was dead."

Duty Done
Elmer, thirteen, was puzzled over the girl problem and discussed it with his pal, John.
"I've walked with her three times," he told John, "and carried her books. I bought her ice-cream sodas twice. Now, do you think I ought to kiss her?"
"Naw, you don't need to," John decided after thinking a moment. "You've done enough for that gal already."

THE STATE OF TEXAS COUNTY OF COOKE SHERIFF'S SALE
WHEREAS, on the 19th day of September, 1955, in Cause No. 582, in the District Court of Cooke County, Texas, wherein The State of Texas et al were Plaintiff, recovered judgment against E. F. Wilson et al, Defendant, for taxes, penalty, interest, and cost against the hereinafter described property;

WHEREAS, on the 17th day of October, 1955, by virtue of said judgment and the mandates thereof the Clerk of the above mentioned District Court of said county did cause to be issued an Order of Sale commanding me as Sheriff of said County to seize, levy upon, and sell in the manner and form as required by law the hereinafter described property;

WHEREAS, on the 17th day of October, 1955, I did on the 17th day of October, 1955, seize and levy upon as the property of the above defendant the following described property, situated in Cooke County, Texas, to-wit:

(Said description showing the number of acres, original survey, locality in county, and name by which said property is most generally known.)

FIRST TRACT:
Lots 7, 8, 9, 10, 11, 12, of Block 15 of the Original Donation of the Town of Aldridge, Cooke County, Texas.

And I will on the first Tuesday in the month of December, 1955, the same being the 6th day of said month, proceed to sell all the right, title, and interest of the Defendant in and to said property at the Court House door of said county in the city or town of Gainesville between the hours of 10:00 a.m. and 4:00 p.m. to the highest bidder for cash, provided, however, that none of said property shall be sold to the owner of said property directly or indirectly or to anyone having an interest therein or to any party other than a taxing unit which is a party to this suit for less than the amount of the adjudged value of said property or the aggregate amount of judgments against said property in said suit, whichever is lower, subject also to the right of the Defendant to redeem same in the time and manner provided by law and subject also to the right of the Defendant to have said property divided and sold in less divisions than the whole.

DATED at Gainesville, Texas, this 17th day of October 1955.

Local News BRIEFS

Donald Bayer and three classmates, all Texas A&M students, spent the weekend with Donald's parents, the Martin Bayers. On Saturday the boys went to Fort Worth to see the Aggies beat TCU.

Mr. and Mrs. Alfred Kuhn of Fort Worth were weekend guests of their parents, the Ben Lukes here, and the Jake Kuhns at Lindsay.

Mr. and Mrs. Jim Cook and Mr. and Mrs. J. M. Weinzapfel were among the more than 300 persons attending the annual picnic for Service Pipe Line company employees and their guests Saturday night. This year's event was held at Bowie. It was a chuck wagon feast served by Jetton's of Fort Worth.

Sunday guests of Jim Walker and his mother, Mrs. Ada Walker, were his daughter, Mrs. A. W. Corley and three children of Fort Worth, and his son-in-law and daughter, Mr. and Mrs. Leonard Luttmir and three daughters of Valley View.

Four bus loads of Muenster 4-H club members, accompanied by teachers and adult leaders spent Saturday at the State Fair in Dallas. It was Rural Youth Day.

Mr. and Mrs. Emil Florian of Round Lake, Ill., visited here Thursday to Saturday with the Henry Wiesman family. Mrs. Florian is the mother of Melvin Fisch, husband of the former Henrietta Wiesman. The Florians had been in Arkansas to visit relatives and stopped here en-route home.

Misses Pauline Myrick and Rita Cain, student nurses in Galveston, spent the weekend here with their parents.

Rev. John Walbe, pastor at Rhineland, visited here Friday with the local pastors and stopped around town for pop calls with old friends.

The J. W. Fletchers had his brother Joe Fletcher of Austin as their guest overnight Thursday. During the evening their son Jack Fletcher of Mineral Wells stopped for a short visit.

Mr. and Mrs. Kenneth Wiesman of Houston were overnight guests of his parents, the Alois Wiesmans, and visited her parents, the Herbert Meurers Saturday after spending the day at the Dallas Fair.

Mr. and Mrs. Herbert Fette and children Herbie, Sandra and Jeffrey of Livingston spent the weekend here with family members. Mrs. Fette's mother, Mrs. Albert Knabe, who had spent two weeks in Livingston, returned to Muenster with them.

Little is the luck I've had,
 And oh, 'tis comfort small
 To think that many another lad
 Has had no luck at all.

Varied Activity Keeps Students of S.H. Grades Busy

Reports from the grades at Sacred Heart parochial school reveal that students are busy with various class projects, that they are enjoying extra-curricular activity, and that the end of the first six weeks finds many with enviable scholastic records.

Tiny tots of the first and second grade have formed a rhythm band under the direction of Sister M. Leonarda, music instructor, who is also working with third and fourth graders in a flutophone class.

Third graders, who occupy Room 8, have an arithmetic contest with Tommy Swirczynski and Hal Wiese as captains of the teams. Each student is also making a new leather belt from leather scraps. Vieing in general interest with class projects are the antics of the class's pet goldfish, Snork and Schmoie.

Fourth grade students in Room 6 are matching talents in spelling and reading contests. In art class they're learning to make their own drawings in crayon sketching. Room Five, Grade Five, boasts of two 100 per cent spellers, Charlotte Wolf and Ruth Wimmer. They have maintained a perfect score since the beginning of school.

Grade Six, in Room 7, has its "Wall of Fame" where 100 per cent papers are put on display. Girls of the class have a part in the choir this year and are learning to sing a requiem mass.

The Seventh and Eighth grades are keenly interested in a spelling bee. In athletics they make up the Cubs football team and the Kittens pep squad. Eighth graders in Room Ten got off to a flying start this term by working up a newspaper, "Texas Talk." It makes its appearance once a month.

Mrs. C. W. Ratliff and son Sammy and Neil Fisher of Lubbock were weekend guests of family members, the John Fettes and the J. W. Fishers. Also visiting in the Fisher home were their other son, Jimmy, and a boy friend, both of St. Edward's University, Austin.

Trouble is a sieve through which we sift our acquaintances. Those too big to pass through are our friends.

'56 Chevrolet sets new Pikes Peak record in top-secret test!

Not long ago a hush-hush, camouflaged '56 Chevrolet scorched the nerve-breaking road up Colorado's Pikes Peak for a new NASCAR* certified record—the first time that old King of the Mountains has seen a new official stock car record in years! And what a road! 170 chilling turns and no guardrail! It's the first and only time a new model ever proved itself such a great road car before its introduction! The '56 Chevrolet showed the kind of performance that makes driving safer and more fun. So wait for the car that beat the King of the Mountains!

*National Association for Stock Car Auto Racing whose officials timed and certified the performance of this production model.

Bulcher News

By Mrs. R. J. Samples

BULCHER, Oct. 18 — Mrs. E. Newby and her sister Mrs. Loretta Malone of Corpus Christi visited another sister Mrs. Clark Harrell in Lindsay, Okla., Wednesday.

Mrs. Alex Cannon spent last week in Corpus Christi visiting her mother, Mrs. Annie Lemer. She made the trip with her brother and wife, Mr. and Mrs. Lester Lemer of Wichita Falls. They also visited a sister in Fort Worth.

Mrs. A. O. Huggins has gone to Fort Worth for a visit with her son Lloyd and his wife.

Mr. and Mrs. J. M. Shields have as their guest their son Dean Shields of Denver, Colo., who is on vacation. Sunday Dean's sister, Mrs. Charles Dickerman and her family of Myra came over to spend the day.

Mr. and Mrs. R. J. Samples and Belva were Sunday dinner guests in the home of Mr. and Mrs. Ike Walker in Gainesville where their son Bob Samples and his wife, daughter of the Walkers, were also visiting.

Mr. and Mrs. H. J. Terry and two sons of Seminole, Okla., are visiting her parents, the Gid Prathers, and his parents, the J. H. Terrys at Caps Corner.

Mr. and Mrs. Dexter Dowd and sons of Nocona visited homefolks here Thursday.

Mr. and Mrs. Floyd Daffern arrived Thursday from California where he received his discharge from the Navy.

Mr. and Mrs. Jimmy Atteberry celebrated their 39th wedding anniversary Saturday, Oct. 15 by attending the Kewanee picnic at Lake Murray, Okla.

Belva Samples accompanied the Saint Jo FHA chapter to Dallas Saturday to attend the State Fair on Rural Youth Day.

Bulcher Club Has Officers Election

Election of officers and two programs were highlights of the regular meeting of the Bulcher Home Demonstration club when members met in the community center building with Mrs. Albert Fleitman as hostess on Oct. 13.

Officers for a new year are Mrs. Bill Harrel, president; Mrs. E. Newby, vice president; Mrs. E. L. Robison, secretary by re-election, Mrs. Paul Tracy, council delegate; Mrs. R. J. Samples, reporter by re-election.

The program featured Mrs. E. Newby and Mrs. C. V. Crabtree on "Gift Suggestions for Christmas," and Mrs. R. J. Samples on "Dried Flower Arrangements for Winter."

Mrs. Newby and Mrs. Crabtree showed a number of clever handmade articles that are sim-

ple and inexpensive to make and are ideal gifts. Especially appealing to the club group were knitted TV shoes. Mrs. Crabtree also talked on "Gifts from the Kitchen."

Mrs. Samples showed and explained two arrangements. She had made one from dried seed pods, cattails and grasses, gold and silver metallic paints and colored enamel creating a lovely bouquet. The other display consisted of three silvered bois'd arc apples. Two were fashioned into candle holders, the other was a flower holder, to be used on the mantle, sideboard or table.

After adjournment the hostess served refreshments to members and three visitors Mrs. Loretta Malone, Mrs. Lena Owens and Mrs. Calip Cannon.

Bulcher Progress Club Has Meeting

When the Bulcher Progress club held its regular meeting last Thursday it set Wednesday of this week, Oct. 19, as the date to work in the community center building. Installation of a Butane heating system and general interior renovating was on the work schedule.

E. Newby, chairman of the club, conducted the meeting and asked for committee reports. The road committee told about meeting with the Cooke county commissioners court, and then made plans to meet with the Montague county commissioners court on the second Monday in November.

C. V. Crabtree announced that a representative of the Ground Observer Corps will be at the community building on Nov. 17 to explain details and set up a unit. He asked the group to meet at that time.

After the meeting adjourned hostesses for the evening served refreshments.

Citation by Publication
THE STATE OF TEXAS
 To: Harold Glynn Moore.
GREETING: You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A.M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 21st day of November, A.D. 1955, at or before 10 o'clock A.M., before the Honorable District Court of Cooke County, at the Court House in Gainesville, Texas. Said plaintiff's petition was filed on the 3rd day of October, 1955. The file number of said suit being No. 16892.

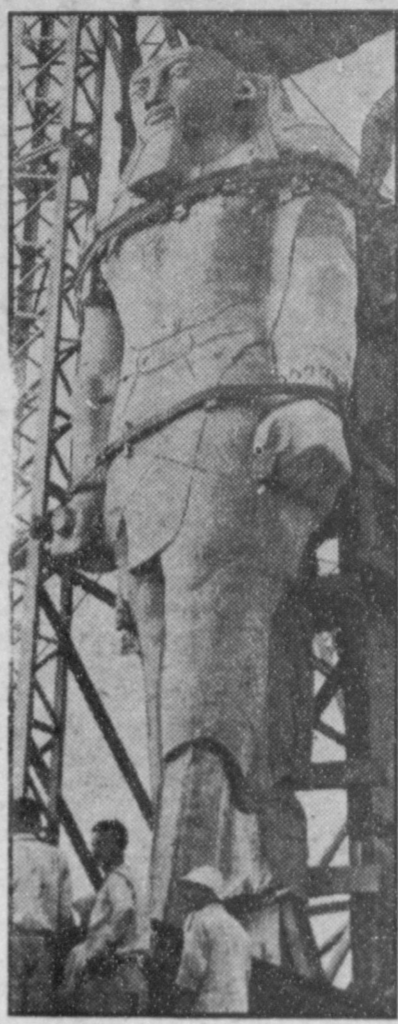

The names of the parties in said suit are: Betty Lou Moore as Plaintiff, and Harold Glynn Moore as Defendant.

The nature of said suit being substantially as follows, to wit:
 A suit for divorce from the bonds of matrimony for the reasons of harsh and cruel treatment by defendant toward plaintiff, and for general and special relief, as is more fully shown in plaintiff's petition filed herein.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved. Issued this 3rd day of October A.D. 1955.

Given under my hand and seal of said Court, at office in Gainesville, Texas, this 3rd day of October A.D. 1955.

Woodrow U. Clegg, Clerk District Court Cooke County, Texas (46-47-48-49)

KING-SIZE — This 20-ton statue of Ramases II, conquering pharaoh of Egypt's 19th dynasty, dwarfs 20th Century humans as it is raised from its centuries-old resting place in the ruins of the ancient city of Memphis, Egypt.

Kewanee Employees At Company Picnic

Ten families from here, all employees of the Kewanee Oil company, Bulcher district, joined four other districts — Brownwood, Eastland, Healdton and Walters, Okla., — for the company's annual picnic and barbecue Saturday. Company officials from Tulsa and other districts were also present.

This was the fifth anniversary for the Kewanee get-togethers and those present registered for a beautiful decorated cake topped with five candles. It was made by Mrs. Myrtle Daffern of Healdton and was won by Mr. and Mrs. Green, former Bulcher school teachers. Mr. and Mrs. R. J. Samples won the door prize, a gallon of anti-freeze.

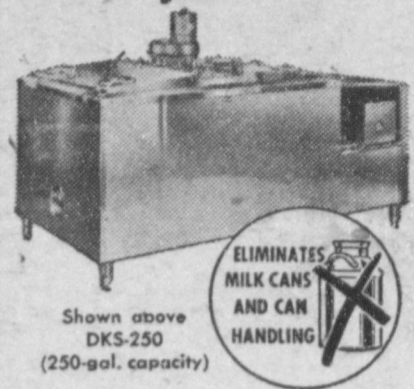

After the meal, entertainment consisted of games for children and adults and music by the Daffern String Band.

Attending from Bulcher were Field Superintendent and Mrs. J. M. Shields, Gerald Goff, Messrs. and Mmes. C. V. Crabtree and Corky, Dexter Dennis, P. L. Tracey and three sons, R. H. Sharp, R. J. Samples, E. L. Robison, Calip Cannon, Bill Harrel and children, Jimmy Atteberry, and R. V. Daffern and family. Accompanying the group was Mary K. Martin from Saint Jo.

"The happiest miser on earth is the one who saves friends."

More Dairymen Choose DARI-KOOL BULK MILK COOLER Than Any Other Brand!

Eliminates MILK CANS AND CAN HANDLING

Milk is cooled to well below 40° in less than one hour — assuring a lower bacteria count and better milk. The milk cannot freeze — because the coolant is ice water.

Dari-Kool tanks are easy to clean and may be sanitized with hot water without damage. Units are ready to operate — no expensive, remote compressors to install or service.

Every Dari-Kool is built around a rugged 10-gauge steel frame — providing rigid support for the bulge-proof stainless steel milk tank. This assures accurate calibration and correct payment.

Get the cooler that leads in sales — leads in value — and leads in performance!

Meets All 3A Sanitary Standards

N. Texas Dairymen Receive \$568 for Milk in September
Producers supplying milk to the North Texas fluid milk market (Dallas and Tarrant Counties and 14 surrounding counties) will be paid \$5.68 per hundred-weight for milk sold in September 1955, according to an announcement by Byford W. Bain, Market Administrator. For each point (0.1%) that the average butterfat content of producer milk varies from 4.0% a butterfat differential of 6.0 cents applies.

This price was computed from reports submitted by milk handlers regulated by the North Texas milk marketing order. The September price this year is 17 cents above the price received by producers during September 1954 and is 33 cents above the price producers received for milk during August 1955.

In September an average of 1,745,161 pounds (equivalent to approximately 812,000 quarts) of Class I milk (mainly milk, skim milk, buttermilk, chocolate milk, and cream) was sold each day by handlers regulated under the North Texas marketing order. This was an increase of 9.26% from September 1954 and 10.15% from August 1955.

Caution!
In 1868, the NEW YORK WORLD printed the following news item on its front pages:
A man about 43 years of age, giving the name of Joshua Copersmith, has been arrested for attempting to extort funds from ignorant and superstitious people by exhibiting a device which he says will convey the human voice over metallic wires. He calls the instrument a "telephone" which is obviously intended to imitate the word telegraph and win the confidence of those who know of the success of the latter instrument. Well-informed people

know that it is impossible to transmit the human voice over wires as may be done with signals of the Morse code. The authorities who apprehended this criminal are to be congratulated and it is hoped that his punishment will be prompt and for a long prison duration.

TASTES LIKE MORE—Rita Holmberg, Chicago packing-house employe, has no beef about this bacon. Sliced from a smoke-cured rib cut of beef, it fries up like pork bacon, is said to resemble Canadian bacon in taste. Publication of President Eisenhower's breakfast menus at Fitzsimons Army Hospital, Denver, brought the little-known delicacy to nationwide attention.

Ikard Discusses

... favors the big taxpayer. In addition the Congress is interested in eliminating some inequities in present excise taxes. Ikard also mentioned that drops in expected revenue will not be proportional to drops in taxes. In many cases the lower tax rates will stimulate business to the extent of bringing in more revenue in spite of lower taxes. Concerning the national highway program, Ikard explained that the big problem is deciding how to finance it. There is general agreement that most roads are obsolete and that the country's economic welfare and national safety both demand a better road system. The plan calls for 20,000 miles of modern turnpike type roads.

The preferred plan of financing seems to be a pay-as-we-go method so that the cost would not be added to the national debt. Also preferred is a long period construction program so as to avoid causing shortages in road building materials and equipment.

Regarding the farm program Ikard said our problem is one of disposition rather than production. Our declining world mar-

ket is responsible for much of our present surplus. In his opinion much of the farm problem can be solved by changes in foreign policy.

Congressman Ikard was introduced by M. D. Kaderli, who enumerated the qualities of leadership and added that we of the Thirteenth district are fortunate in being represented by a man who combines those qualities.

Did you drink three-fourth of a barrel of beer in 1954? Figures on beer production released recently show that nearly 93 million barrels of beer were produced in the United States in 1954, compared to a measly 11 million barrels in 1933. Beer production has been growing steadily since it was legalized in 1933, with 1935 showing 45 million barrels produced. By 1940 this had climbed to 55 million barrels, and five years later the production was 87 million barrels. Since 1945 the gain has been at a much slower pace, with 89 million barrels produced in 1950. You may not drink beer, but just think of the taxes paid on this beer that you would have had to help pay if there were no beer.

STOP FEEDING WORMS!
USE PALATABLE **NEW**

REDCHAIN 3 D 3 CADMIUM HOG WORMER

Red Chain 3D3 CADMIUM HOG WORMER is an entirely new worming feed. Contains a new drug, *cadmium anthranilate*, never before used for hogs... the safest effective hog wormer ever developed.

- **SAFE** • Red Chain 3D3 Cadmium Hog Wormer is remarkably safe for pigs. Does not make them sick, or lose appetite.
- **EFFECTIVE** • When properly used will remove more than 90 percent of round worms.
- **ECONOMICAL** • Costs only 7c to 12c per pig. Worm-free pigs gain faster, less feed.
- **CONVENIENT** • Give as the only feed for 72 hours. Nothing else to do.
- **PALATABLE** • Is not distasteful to pigs... they stay right "on their feed."

Worm-Free Pigs Make More Pork Profits!

Heart Attack Takes Sister Mary Padua

Sister M. Padua, of the Congregation of the Sisters of Divine Providence, a teacher in the Lindsay school and principal there last year, died suddenly in the Sisters' convent in Fredericksburg on Oct. 7. She suffered a heart attack at 2:30 Friday morning, Feast of the Holy Rosary and First Friday, and died at 3:15 a.m., just a few minutes after receiving Holy Communion.

Sister Padua's mortal remains were taken Friday evening to St. Mary's Church, Fredericksburg, where the parishioners prayed the Rosary for the repose of her soul. Preceding the parish Rosary, the school children formed the Living Rosary as a petition to Our Blessed Lady for the eternal repose of their teacher and friend. Sister Padua lay in state in St. Mary's Church all night with members of the Holy Name Society keeping a constant vigil at her bier.

Funeral services, with Requiem High Mass, at which Rev. Henry Hug officiated, were held Saturday morning at 8 o'clock after which the body of Sister Padua, accompanied by Father Hug, the 11 Sisters of the Fredericksburg community, Mrs. Hugo Klein, Mrs. O. Stein, and Mrs. J. D. Hext, were brought to Our Lady of the Lake Conventual Church, San Antonio, where funeral services were held at 5

HEY, SANTA!—Dollie's shower, attached to side of tub with a suction cup, makes quite a splash with this young lady in New York City as she squeezes bulb which forces water through shower head. Santa's helpers, the nation's toy manufacturers, are hoping that in-play tests such as this one will accurately indicate demand for toys as Santa prepares for the Christmas shopping rush.

o'clock with Rev. Thomas F. Ryan, O.M.I., chaplain, officiating. Rev. Emil Platte, O.M.I., was present in the sanctuary. Burial took place in Providence Cemetery.

Native of Germany, Sister Padua, a professed member of the Congregation of the Sisters of Divine Providence for 45 years, taught in many of the schools conducted by the congregation in Texas, Louisiana, and Oklahoma.

Survivors include two brothers and two sisters in Germany. A sister, Sister M. Lucretia, also a member of the Congregation of the Sisters of Divine Providence, preceded Sister Padua in death.

Hornets Win - - -

Richey broke through for a 51 yard gallop to the goal. Harris booted true to make the count 7-0.

Moments later Callisburg was very much back in the game as Harrison tore around left end and headed for the end zone. He was in the clear and going strong, but Richey's pursuit was stronger, and the sprint ended with a 59 yard gain to the 19.

That was the end of the threat. Four tries gained 4 and Muenster took over on the 15.

The second Hornet score was temporarily delayed while they fizzled on two series of downs. However Callisburg's fumble on the second kick set the stage for a 29 yard drive in 8 plays with Biffle totting for the touchdown. Harris kicked wide and the score stood at 13-0 as the half ended.

Another fumbled kick early in the second half started the Hornets on their third push, which was bitterly contested by the Wildcats. Muenster needed all four downs in its first series and again in its second. But the last try of the second series was explosive as Richey blasted through for 29 yards and the marker.

For the rest of the quarter and into the fourth Muenster started two more drives and fizzled on both. A 36 yard push bogged down on the 13. Later a first down on the 24 was followed by a dropped pass across the line, then a fumble.

At that point a gang of Hornet reserves took the field and action took on a sudden new tempo. A bad pass from the Wildcat center tumbled in the backfield, eluding three who made a plunge for it. Finally, the lucky plunger was a Hornet, and the rookies had their chance from the 9. A penalty stretched the distance to 14 but they were equal to the task. Wimmer found the defending line practically wiped away on the third play and made the needed 11 yards without being touched.

Then came Callisburg's only scoring drive of the game . . . 66 yards in 9 plays including

SWIFT ILLUSION — Delta-winged F-102A jets aren't streaking down this runway at Paldale, Calif. The all-weather, day-night interceptors are parked on the runway. Streaks resembling lines of movement in a time-flash picture are tire marks left by previous jet landings at the Mojave Desert base.

three beautiful passes for 60 of the paces. The last ended on the 5 and three plunges made the distance, Hobbs going over for the score. Harrison went over for an extra point.

An outstanding feature of the game was the rugged Hornet defense. The regulars allowed only two first downs, one on Harrison's long run, the other on a 21 yard pass late in the first half. After intermission the 'Cats were helpless until their passes clicked in the closing minutes.

The Game at a Glance.

NEWS OF SICK AND INJURED

Jap Reeves is a patient at Gainesville Sanitarium since suffering a heart attack on Oct. 11.

Mrs. Jim Cook entered a Dallas hospital Sunday for treatment and possible surgery on her nose.

Mrs. Alfred Bayer is recovering satisfactorily from surgery performed at Gainesville Sanitarium Monday.

Henry Sandman of Valley View has been dismissed from Gainesville Sanitarium.

Alfonso Greco - - -

tumbled end other end several times before coming to a stop.

The time of the accident is believed to be between 2 and 2:30 o'clock. A milk hauler said the car was not there when he returned about 30 minutes later. He assumed the car was only parked because it was on its wheels. He did not see the victim lying beside the car.

The body was taken to Gainesville by Carroll Funeral Home and prepared for shipment to Greco's home at Springfield, Ill.

The young man, a member of Sacred Heart Parish since he came here in September, was remembered in a special requiem mass here Monday morning. Funeral services and burial were held in Springfield Wednesday. Jimmy Harris attended the services as representative of the Muenster High faculty.

Greco was born in Springfield, Ill., on July 1, 1931, the son of Mr. and Mrs. D. J. Greco. He served two years in the U.S. Navy then attended St. Benedict's College at Kansas City, Mo., receiving his BA degree in June. During the summer he worked as sports writer on papers at Pampa and San Angelo, and came to Muenster at the beginning of the school term. Besides teaching English he served as faculty adviser on the school paper staff.

He is survived by his parents, a brother and two sisters.

Lions Hear Talk On Vital Nature Of Observer Corps

The importance of the civilian Ground Observer Corps as a vital link in national defense was outlined Tuesday at the Lions Club luncheon by Sgt. Wilson of the Dallas Filtering Unit of the GOC.

Wilson is currently organizing an observer unit at Muenster with Jimmy's Station as headquarters. He announced that he will return for a joint meeting of the VFW and Auxiliary on November 8 to continue his local organizing and training program.

The present plan is to have a stand-by unit here to serve in case of a national emergency. As stand-by observers the volunteers will be on duty only about an hour each month.

Wilson pointed out that ground observation was organized in 1951 as a supplement to radar observation. Though able to detect high altitude planes as far as 250 miles, radar was ineffective in spotting low flying planes which used hills and the earth's curvature as a screen. Air Force leaders decided that ground observers were needed to watch for aircraft which might slip in under the radar beams.

Such posts are on regular duty now on the nation's borders. In case of emergency more are wanted to trace the progress of planes that might enter the country. The purpose of a local post is to train and be ready if and when it is needed.

Most folks are about as happy as they make up their minds to be.
—Abe Lincoln

Tigers Lose - - -

hold the Tigers on their first series. On the first offensive play Carminati broke loose on a 52 yard scoring romp. A successful try for extra point brought the score to 13-0 just before the first quarter ended.

The Laneri blitz hit again toward the end of the second period when Sutter grabbed a Tiger pass and streaked 54 yards to the goal.

Most sensational of all was the final Mick score near the end of the third period, shortly after the Tigers saw their second invalid touchdown called back. Two more ground plays fell short and Laneri took over on its own 4. Five line jobs reached the 17 where O'Connor heaved his second TD aerial to Rabun, an 83 yard gainer.
