VOLUME XLI

MUENSTER, COOKE COUNTY, TEXAS 76252

JUNE 23, 1978

NUMBER 31

People of California voted strong for Proposition 13 and people of the entire nation reacted with greater enthusiasm than they do about their own selections or issues. The reason is that they are weary of taxes. They identify themselves with the California voters who decided to rid themselves of a big portion of their burden. They look forward to the time when such relief will come their way.

Not all are happy, however. While some are rejoicing, other Californians are grieving about possibly becoming victims of the swing to economy. They are the guys and gals on the state's payroll or enjoying fat income from the lavish spending program.

While sympathizing with people who will be financially hurt, the nation needs to be realistic about these things. It is high time to eliminate thousands who have soft jobs with big salaries, and even more so those other thousands who do the needless jobs created by bureaucrats to perpetuate their own employment.

We refer to those who demand all kinds of reports from American business. First of all they impose enormous expense on the firms that have to fill out the reports and then they impose on us taxpayers for the expense of processing all the reports.

We have no complaint about gathering data that is vital to public welfare, but there are limits: such as studies of the culture of Australian aborigines, or the sex life of some exotic bird in the jungle of South America. The waste of such projects can be excused when conducted by rich individuals or foundations. But even then, it is regrettable. It seems that such expenditure ought to benefit humanity rather than just satisfy idle curiosity.

Another great area of complaint is the fact that government employment is usually both overstaffed and overpaid. In addition, the federal worker gets more holidays and a longer vacation than either employers or employees of the private sector. . . . the people whose tax money is paying their salary. And don't overlook other fringe benefits like pensions and hospitalization. The simple fact is that this favored class of people is able to live considerably better than the people who support them. That kind of arrangement is basically wrong.

The nation is grateful to California voters for bringing this tax issue into the open. Hopefully they have started a movement that will return sanity to all phases of government spending and even spark some improvements in the private sector. The demanded reductions stand as a challenge to elected officials of California and they carry over as a powerful hint to the officials of other states. With the political pressure now existing, smart legislators in all the states will start looking for ways to save. If they value their political futures they will scratch many useless projects as well as many useless employees.

This matter of political foresight can be expected to spread also to Washington. National senators and representatives are equally aware of the public mood, knowing that they are expected to work out similar economies at the federal level.

In fact, the word from California applies more to them than to any state officials. One need only to compare state and federal taxes to realize that Washington has more and bigger opportunities for trimming.

The very first matter needing attention there is the estimated loss of \$6.3 to \$7.4 billion in the Department of Health Education and Welfare. This kind of report is infuriating to the average taxpayer who feels he is already paying too much. It means that 5 per cent of the massive HEW budget is being funneled to crooks. The report applies to the 1977 budget of \$148 billion. At that rate, imagine what can be gobbled off in the 1978 budget of \$164 billion, or next year's proposed budget of \$181 billion.

For this kind of money the (Continued on Page 10)

Work Advances on Changes at School

With construction of the kindergarten building complete at Muenster Public School, the next phase of the \$490,000 improvement and expansion project is off to a good start.

Workmen are busy removing walls and partitions leading to enlargement and remodeling of the homemaking department. Enclosure of the former patio, measuring some 30x16 feet will add approximately 20 per cent of space. And removal of an inside wall between kitchen and sewing areas will increase the usefulness of each area. After that the entire department will have a new paint job.

Also in the program is a complete new roof for the high school wing and the auditorium. The roof work includes installation of five sky lights over the main corridor. One of those will be in the front part of the hallway, the other four in the portion which leads from the front to the

Endres Repeats As Award Winner For Achievement

For the fifteenth time in eighteen years Endres Motor Company has been selected as one of the nation's outstanding Ford dealerships and has received Ford Motor Company's Distinguished Achievement Award.

The award is presented "in recognition of progressive management, modern sales and service facilities, sound merchandising practices, high quality standards, and continuing interest in rendering superior service to Ford owners."

Nationwide the award is presented to six per cent of the Ford dealers. Because of the rigid qualifications, few dealers receive it on successive years, but Endres Motor Co. has the rare distinction of having received it fifteen times since it was originated in 1960.

Presentation of the award was made Monday to Marty Klement, co-owner of Endres Motor Co., by Tom Munson, field manager of the Dallas District of Ford Motor Co.

Building Notes

After being delayed for several weeks by last winter's severe weather, building activity in the community has been in high gear all spring. At least fifteen new homes are either under construction or recently completed. While those jobs were in progress work has also been going on at the public school's kindergarten building and Fisher's store and an addition is just starting at the city hall. At the same time many roofs needed repair or replacement after a severe hailstorm, and many homes received repairs remodeling or paint jobs.

The project at Fisher's is a continuation of expansion that has been under way for more than a year. The addition in 1977 was a second floor over a previous 24x36 room plus a two story annex of 30x36 a total of more than 3000 square feet. The current job adds a space of 18x70. The additional space allows more room for cutting, freezing, smoking and storage in the meat processing department. Also it permits more shelf area and more freezer and refrigerator cases in the store.

New homes generally consist of varying arrangements of the same specifications. They have three bedrooms, two baths, central heating and cooling, brick veneer and either single or double attached garage. About half of them have fireplaces.

Construction is now under way for Danny Bayer on West Ninth, John Cunningham on North Cedar, Dave Berres on North Maple, John Anderle on FM 373 just beyond the city limit, Don Hellman and Robert Russell south of town, Mike Frost in the Southtown Addition, Ray Fleitman on East Hwy. 82, Dale Bayer and Donny Hess northeast of

Hamric Upgrades Rating as Teacher In Scuba Diving

After a week of training in scuba diving at Newport, R.I., Dan Hamric returned home with a rating of Advanced Open Water Instructor in Scuba Diving. He received it from the National Association of Skin Diving Schools, one of four certifying agencies in the U.S., and a leader of the industry in establishing rules, guidelines and trends.

Dan is affiliated with the Dive Shop of Ardmore and teaches there as well as Cooke County College.

The next class in scuba diving at CCC will begin on June 27 and will consist of four weeks with three hour classes each Tuesday and Thursday. Each session includes 1 1/2 hour in the classroom and 1 1/2 hour in the pool, and the program ends with two open water checkouts in area lakes.

Work on that project has delayed since early in the year, partly by rainy spells and partly by the contractor's other commitments. According to Willie Walterscheid, board member, equipment is due back any day and the area should be shaped up in about 10 working days.

The shaping up process, he said, consists of moving dirt to the football-track area at the east side of the school grounds. The level of that surface will be raised sufficiently to assure good drainage of the field as well as drainage of runoff water from the west around the north and south sides of the field.

The drainage control will be accomplished the soil conservation way, he pointed out. Grassed terraces in the upper end of the field will lead drainage water to a shallow grassed waterway which leads around both north and south sides of the field.

Field specifications will follow UUL regulations. The football field and track will be enclosed by a fence and grandstands will be located on east and west sides outside the fence. The two present grandstands will be at the east side for visitors and a new stand will be built for the home crowd at the west.

Light will be provided by four 60 foot poles each with 15 mercury lights. Outside the field, at the south side, will be rest rooms and a concession stand. And enclosing all that will be another fence, located about 200 feet north of Seventh Street. Area between the fence and the street will be used for parking.

Rose Fuhrmann, 84 Of Lindsay Dies

Services with a Mass of Christian Burial were held Saturday at 10 a.m. in St. Peter's Church, Lindsay, for Mrs. Rose Fuhrmann, 84, who died Wednesday, June 14, in Jewell's Frontier Manor. Father Damian Wewer celebrated the mass and led prayers at the burial in Lindsay cemetery.

Survivors are six daughters, Gertrude Loerwald, Henrietta Dankesreiter, Stella Zimmerman and Louise Haverkamp of Lindsay, Beatrice Koelzer of Muenster, and Katie Buck of Richmond Hill, Ga., two sons, Ray Fuhrmann of Lindsay and Ewald Fuhrmann of Idabel, Okla.; two sisters Mary and Maggie Fuhrmann of Lindsay; 34 grandchildren and 22 great grandchildren.

City Hall Starts On Enlarging and Remodeling Job

Construction on an enlarged, remodeled and more dresy municipal building, intended to do credit to the city, is now under way with Andy Schoech supervising the job for the city council.

The building will include the city office, a council chamber also serving as the corporation court, the police room and jail, the fire truck space and firemen's room, and rest rooms. The interior will be mostly paneled and exterior will be brick veneer topped by a Mansard type roof. And it will go along with the local German tradition by using German style lettering outside.

The changeover job starts with a four foot extension at the west to provide a vestibule with one entrance to the office and another to the council chamber and court room.

The principal addition is at the south side and includes all of the 44x17 council and court room plus additional space to provide 27x29 feet of area for the two fire trucks. North of the fire trucks is the 27x17 firemen's room.

Remodeling along the north wall (in the present structure) will provide rest rooms adjoining the office, the jail with 2 cells, then the firemen's room. The police room, in it's present location and measuring 20x11 will be between the court room and heating and cooling equipment will be in a 9x7 space adjoining the office.

The work is being done by the city without benefit of architect or contractor, and financing is out of current revenue. . . . no bond issue.

City Gets \$9426 Sales Tax Check

The City of Muenster has received a check for \$9,426.24 from the state comptroller's office as rebate for the city sales tax collected here during the period ending May 25.

The check was one of more than 900 sent to Texas cities for a total of \$60.9 million. This raised the amount of payment to cities to \$196.5 million, a healthy 17.5 per cent gain over last year at this time.

The big increase does not apply to Muenster, however. Up to now in 1978 the city has received \$26,856.88 as compared with \$24,981.23 last year, a modest gain of 7 per cent.

Checks to other cities of the area and their gains for the year to date were reported as follows by the comptroller: Gainesville, \$73,929.07, up 16%; Lindsay, \$4,591.32, up 8%; Nocona, \$15,953.34, up 24%; Pilot Point, \$6,443.23, up 25%; Saint Jo, \$2,871.38, up 10%; Sanger, \$5,213.52, up 25%; Whitesboro, \$14,212.87, up 51%.

Ladies' Day at the Pool Ladies who wish to swim without the company of kids have that opportunity again this summer. The pool is open Mondays, 2 to 5 p.m., exclusively for ladies of 17 years and older.

Coach O. Accepts 3-A Assignment

Don Ostermann, (Coach O), track coach and assistant football coach of the Muenster Hornets for the past four years, announced this week that he has accepted an offer from Connally High School of Waco. His athletic assignment there will be head coach in track and in ninth grade football. Connally High is classified 3-A.

Ostermann leaves MHS with an outstanding record. His Hornets were district champs three of his four seasons as well as champs at ten invitational meets. During the past season they won 4 meets including district, and were runners up in 4 others.

The Ostermann will move to Waco in July, soon after he completes the present summer session at NTSU.

Eleven Report for Red Cross Class In Water Safety

Eleven young swimmers reported Monday at the Muenster swim pool for the Red Cross class in Basic Rescue and Water Safety. Their instructor is Jo Ann Pangel, who has the Red Cross rating of Water Safety Instructor. The class teaches the fundamentals of rescue and swimming to students of 11 years or more.

Mrs. Pangel said the class is great, principally because of the help of several volunteers. Judy Flusche, using the hospital's Resucuci Ann mannequin, gave a demonstration in resuscitation, Jack Endres and Sam Bright demonstrated canoeing safety (at the Weinzapfel lake) Faye Hamric showed instruction films, Julia Bright and Curtis Henschel assisted with instruction.

The course will end with a written test and a pool test and students who pass will receive swim suit patches and cards. Class members are Steve Luke, Greg Luke, Benji Luke, Cheryl Bayer, Jenny Hellman, Barbie Wimmer, Brenda Wimmer, Lyle Huchton, Mark Grewing, Brad Henschel and Susan Sibly.

Graduates over 15 will be eligible for the next class in Water Safety "Advanced Life Saving". It will start next Monday with Carolyn Bayer as instructor.

Era Gets Set for Centennial Event

People of Era are sparing no efforts in their preparations for an elaborate celebration marking the centennial of the community's founding. The occasion will be observed on July 1 with a full schedule of events from 9:30 a.m. to 8 p.m. plus a half dozen all day exhibits.

Included on the program are several activities that will be fondly remembered by the old timers. For instance a beard contest, anvil shoot, watermelon eating contest, tobacco spitting contest, threshing machine demonstration, wheelbarrow race, quilt raffle and fiddlers' contest. The day starts with the formalities of a Welcome, dedication of marker, queen crowning and parade. And it ends with a centennial style show and a historical pageant.

Exhibits will include antiques, arts and crafts, Longhorn cattle, costume pictures, farm equipment display and a souvenir shop.

Softball Scores

After the past week of action in the girls softball league standings are as follows. Pee Wee League: Bluebonnets, 2-0; Fisher, 2-2; GMC, 1-1; VFW, 0-2.

Junior League: ESA, 2-0; Hesperian, 2-2; Hofbauer, 0-1; Bluebonnets, 0-1.

Senior League: Tom's, 2-2; Kesco, 1-1; Rohmer, 1-1. Scores of the past week were as follows. Fisher 8, VFW 5. Hesperian 5, Bluebonnets 2. Tom's Candy 17, Kesco 13. June 20: Bluebonnets 8, Fisher 5. ESA 11, Hesperian 2. Rohmers 8, Tom's Candy 2. GMC 18, VFW 9.

End is Near for Local Grain Harvest

After a week of favorable weather the local harvest season is gradually tapering off and is expected to come to a halt during the weekend.

Delivery of grain has been steady but not rushing, mostly because some areas, with lighter rain last week, finished their rush while areas of heavy rain were still waiting. By Wednesday many farmers had finished and weather forecasts indicate that others can expect to finish without further interruption.

Consensus of the area seems to be that the final tally of the season is less disappointing than expected after the severe winter followed by limited rainfall. Quality is below normal but yield is fair. In some areas it is good, as high as 45 bushels of wheat per acre and 75 bushels of oats. Overall average is estimated at near 30 for wheat and near 60 for oats.

However price is compensating at least partly for the smaller crop. Currently wheat is selling at \$2.95 a bushel, about a dollar over last year's average price. The price is also an improvement over last week's \$2.88 per bushel.

Meanwhile summer weather is gradually creeping.

Temperature highs ranged from 93 to 95 for a full week before arrival of the season's first day Wednesday.

Low-high readings were recorded as follows on Steve Moster's official thermometer. June 15, 68 and 93; 16th, 69 and 93; 17th, 74 and 94; 18th, 74 and 93; 19th, 71 and 94; 20th, 74 and 95; 21st, 71 and 95.

The moisture measure after the dry week, remains at 2.93 inches for June and 18.27 for the year to date.

Terrapin Race Is Added Activity At Jaycee Picnic

Another amusement feature is added to the Jaycee picnic Sunday, July 2, at the city park. It is a series of terrapin races by sponsors of four age groups with Frank Luke, Ross Felderhoff and Jack Flusche as the production managers. Kids 6 and under will have their race at 2 p.m., 7 to 12 year olds will race at 3; 13 to 18 year olds at 4; and 19 and over at 5. Entrants are urged to be on the alert between now and then to capture any of the critters they can find.

Other wild activities on the schedule are a pig chase and an armadillo chase. Prizes will be awarded in all of those events.

And a teen special is the free disco dance at the pavilion. Mike Otts of Gainesville will be there from beginning to end (noon to midnight) with his PA system and a good supply of popular records. Dancers will be welcome any time.

In addition the picnic will have concessions of beer, soft drinks, nachos, barbecue and fried chicken, along with bingo, a fish pond and a dart throw, horseshoe tournament and an auction.

The auction is hailed especially as an opportunity to move items that are no longer useful to the owner but can still be useful to another. For instance a kid's bike or a baby play pen. People are urged to get such things out of the garage or attic and put them back to use. Donations of any kind of useful articles will be deeply appreciated.

Claude Klement, chairman said this week that a number of concessions have been reserved, but more are available. Any organization interested in helping its treasury is invited to join in the action. Organizations signed up to date are Quarterback Club, Band Parents, Knights of Columbus, St. Joseph and St. Anne Societies, SH Drill Team, Home School Society and the Jaycees.

Softball Ladies Have Big Start In Big G League

Muenster's softball ladies are off to a great start in a schedule now under way in Gainesville. With four games behind them, they have a perfect record as follows: 30-14 over Weber Aircraft, a 12-11 squeaker over Executive Suite, 17-4 over Shaffer's Women and 22-13 over Cooke County Motors.

The team, sponsored by Flusche Enterprises and coached by Sue Trachta, is competing in a league of ten teams from Gainesville, Sherman, Collinsville, Era and Muenster. Games are played at Edison Park on Fair Ave., near Fairview Cemetery. Their schedule has fourteen remaining games, the last on August 24.

Team members are Julie Bayer, Becky Fields, Connie Flusche, Nancy Grewing, Peggy Grewing, Sharon Grewing, Janet Hermes, Janet Koelzer, Joyce Monday, Marlene Pangel, Deb Schneider, Peggy Walter and Sue Trachta.

Story Hour Session Closes

The final Story Hour for the summer will be held on Tuesday, June 27, at 10 a.m. at the Muenster Library. All incoming first and second graders are welcome and urged to attend the concluding session.

Group Attends Catholic League State Convention

Muenster was well represented at the Catholic State League Convention, the CYO Convention, and the meeting of the Catholic Life Insurance Union last weekend in Austin.

Attending the Women's Division of the State League were Mrs. Adolph Walterscheid, Mrs. Leona Eberhart, Mrs. Amanda Fuhrmann, Mrs. Wilfred Bindel, Mrs. Denis Walterscheid and Mrs. Harold Knabe.

Voting delegates from St. Anne's Society were Mmes. Fuhrmann, Bindel and Knabe, also Mrs. D. Walterscheid who attended as an officer of St. Anne's.

Delegates to the Men's Division of the State League were Wilfred Bindel, Denis Walterscheid, Harold Knabe and H. N. Fuhrmann.

Catholic Life Insurance delegates were Roger Taylor, Tom Swirczynski, Alvin Hartman, Tim Hartman, Dennis Hess, Mike Stoffels and Pat Knabe. It was announced that Pat Knabe was 16th in total sales in the State and Mike Stoffels was 6th in total sales. Stoffels was officially recognized as one of the "Twelve Apostles" for the fourth consecutive year. The award is based on amount of total sales.

Also attending were Mmes. Taylor, Swirczynski, A. Hartman, Hess, Stoffels, T. Hartman, Arthur Endres and a man and Knabe.

Accompanying Mr. and Mrs. Alvin Hartman were Coach and Mrs. Eddie Stock who visited friends in Austin. Coach Stock was officially recognized at the Catholic Life Insurance meeting and thanked them for their kindness and generosity to the Sacred Heart Tiger Football team during the state semifinal playoff in San Antonio last November.

Abbot Alfred Hoenig OSB of Corpus Christi was celebrant of the Mass officially opening the conference and also of the Sunday Mass. Muenster friends enjoyed visiting with him.

CYO delegates to the Youth section were Laurie Walterscheid, Missy Flusche, Janelle Hellman, Sharon Grewing, Rhonda Endres, Nancy Luke and Toni Hoedebeck.

Attends Graduation in California

Mrs. Charles Fisher has returned from a 5 day visit in Redondo Beach, California, with her daughter and family, Mr. and Mrs. David Shenk, timing her trip to coincide with the granddaughter Stephanie's graduation on June 15. Together they spent one day in Palm Springs and another day visiting friends in Ontario, California.

Forestburg News

By Myrt Denham

Forestburg has or will have itself a new citizen real soon by the name of Lasahna Dikes. This young lady made her debut Friday Night June 16th in the Decatur Hospital weighing in at 5 1/2 lbs. She is the daughter of Mrs. Ruth Dikes who operates the Forestburg Cafe.

Mr. and Mrs. Clifford Hudspeth of the burg, Mmes. Irene Harry and Corvella Roberson

down Rosston way joined forces Sunday afternoon June 11th and motored to Denton to visit with Mr. and Mrs. Jerry Nivens. They all broke bread together at the evening meal. Mmes. Hudspeth and Nivens are sisters and daughters of Mrs. Harry.

Visiting in the home of Mrs. Vera Mae McGee Sunday, June 11th were Mrs. Dolly Brazil and grandson Derik Driver of Conroe, Shannon and Matt Hill and two friends, Mrs. Laura Griffin and Kent Fluitt all of Bowie.

Mrs. Kaye Schitoskey of Lewisville spent the weekend of June 10th visiting her parents Mr. and Mrs. Howard Sockwell.

V. G. Greenwood was taken to the Bowie Hospital Friday, June 16th. We are sorry to report that he is not doing very well.

Everyone hereabouts is

working like all "get-out" to salvage all they can from their gardens before the grasshoppers devour everything. We kid you not but this whole area is covered with the critters and new batches coming on all the time.

Mr. and Mrs. Howard Sockwell spent Tuesday, June 13th, in Denton and Argyle visiting with relatives.

Did you ever hear of anyone getting themselves "possum-slapped out of her house." It almost happened to Mrs. Henry Golightly not so long ago when she reached down into a barrel of chicken feed and felt a very hairy object. Loyd left as out came a possum — which didn't get to do much slapping as she was gone.

Myrtle McMillion tells me that her brother A. B. McMillion returned home Monday, June 12th, from the Muenster Hospital where he had been a patient for sometime following major surgery.

I am of the same opinion as the 83 year old lady from California that we saw and heard on TV the other night. She said it was high time that all politicians from the county level on up thru the federal government realized they worked for her and all the rest of us. She said it was our votes that put them in their jobs. This lady went on to say that these people were there to serve us not we them and they should never forget it. Me thinks that these people all think different — we, the people, are their servants and they can do just what they please. 'Tis time to let them know different.

Mmes. Ti Cook and Decie Ellzey were in Denton Thursday, June 15th, where they visited Ti's brother and wife — Mr. and Mrs. Gordon Wilson.

Mr. and Mrs. L. M. Grey of Canon City, Colorado, were in the area for a few days — arriving Monday, June 12th. They visited with Mr. and Mrs. W. T. Reynolds, Mr. and Mrs. H. B. Perryman and Shellee, and Mr. and Mrs. Doyle Gates and Rocky. Shellee Perryman returned home with them for a two weeks vacation.

This item is a little late but still news worthy. Mmes. Juanita Bailey and Cleo Lanier visited relatives and friends in Abilene, Lubbock, Snyder, Hamblin and Slaton, June 5th and 6th. They visited with Juanita's sister-in-law Mrs. Ethel Bonner and her daughter Maxine. In Lubbock they visited with Mr. and Mrs. Ronald Bailey and family. They report they had always visualized West Texas as drought stricken and dust storm but it had rained and all the fields were standing lakes of water. Slaton had reported nine inches of rain.

The people in West Texas were very happy with the rains as some had their crops already planted.

Mmes. Vera Mae McGee and Decie Ellzey visited with Mmes. Mae Landers, Eula Moore, Mary Griffin and Josie Journagen and others in Saint Richard's Villa in Muenster Friday, June 16th.

Mr. and Mrs. Clark Gresham of Burkburnett visited with her brother and wife — Mr. and Mrs. T. W. Smith Saturday, June 17th.

Mr. and Mrs. Ray (Ted) Jackson motored to Possum-Kindom Lake Fri. p.m., June 16th, to spend the weekend with their daughter and family — Mr. and Mrs. J. T. McCandless. The McCandless' own a lake-home there.

Wynona Greenwood and Mollie Howell motored to Lawton, Oklahoma, Sat., June 17th, to visit with Wynona's sister Wanda Magee and a friend Mrs. Georgia Moore. Mollie visited her brother and wife — Mr. and Mrs. Frank Higgins. Mrs. Magee returned home with Wynona and Mollie on Sunday, June 18th, to visit with her parents and other relatives here.

Dorothy Foster spent from June 15th to June 17th visiting her sister Mrs. Sally Mae Caddell of Fort Worth.

Mr. and Mrs. Sam Parsons and Tonya of Wichita Falls and Mr. and Mrs. Buford Greenwood visited Mr. and

Mrs. LeRoy McClaire of Lancaster Sunday, June 18th, and they all took in the Marsaille Zoo. A good time was reported by all.

Will leave you this week with this final item.

John Anderson stopped by our place the other day to check on the skunk population. He had just dug out a den near by. Perryman told him that we thought he might have given up the trade. John told him once the skunk business gets in your blood it is

hard to ever quit. Well John, that is one business we would quit before we ever got started. Now if any of you have skunks around just let John know for he will come get 'em.

The boys brought a donkey into the classroom one day, just for a joke. "I see," said the teacher, "there is one more of you this morning."

Dr. and Mrs. Gene Luke, Robert and Donna of Holbrook, Arizona are visiting his mother, Mrs. Ben Luke. They are on an extended vacation, spent partly in Wisconsin with friends, and they are enroute to Bridge City to

visit her parents, the Jacksons before returning to Arizona. Other guests are Mr. and Mrs. Al Kuhn and daughter Laurie of St. Louis, Mo., who arrived last weekend. They are also visiting his parents, Mr. and Mrs. Jake Kuhn in Lindsay.

School for Deaf Bulletin Praises Gretchen Forgey

Gretchen Forgey, daughter of Mr. and Mrs. David Forgey of Dallas and granddaughter of Mr. and Mrs. Al (Lee) Haverkamp of Muenster, received prominent mention in a recent edition of the "LONE STAR", the newsletter of the Texas School for the Deaf in Austin. Gretchen has attended TSD for six years.

The following is quoted from the newsletter: "Gretchen Forgey — Perhaps the senior with the most common sense," Gretchen was voted "Shrewdest" by her classmates. She was a student government representative and Junior NAD member along with her participation in volleyball, basketball and track. Besides playing for TSD on a City League team and a 29A championship volleyball team (bi-district), she was secretary of her junior class, a drama stage manager and senior play performer. She will attend Galaudet College for the Deaf in Washington, D.C. this fall."

HD Club Hears Talk on Arthritis

Dr. G. D. Dodson of Gainesville was the guest speaker on Wednesday evening, June 14, for the meeting of the Muenster Home Demonstration Club in the home of Mrs. Ira Fleitman in Gainesville. He spoke on Arthritis, giving a thorough explanation of the specific parts of the body affected by the affliction and graciously answering questions from members. He also distributed pamphlets to enhance his very informative presentation.

Dr. Dodson was introduced by Mrs. Dorothy Fisher.

Mrs. Rose Rohmer presided for the business meeting, opening with the Club Prayer and Pledge to the Flag. The County Council report was given by Mrs. Armella Lutkenhaus, alternate delegate in the absence of Mrs. Alice Hellman. She reported the Cooke County Women's Fair Exhibits will be placed in the Main Building this year. The entire west side of the skating rink is reserved for this project. Mrs. Lutkenhaus also said that Vivia Jo Burkhart, Public Health nurse for Cooke and Wise County, was introduced during the County Council meeting. Her office is in the Cooke County Courthouse basement, where her telephone number is 665-6397.

Dorothy Fisher was nominated as the Muenster Club's choice for Texas Home Demonstration Association Chairman.

Mrs. Fleitman, the hostess, gave a reading: "What is a Grandfather?" in honor of fathers and grandfathers for Father's Day.

Refreshments of chicken salad sandwiches, cherry topped cake and coffee were served to Dr. Dodson, Mr. Fleitman and fifteen club members.

Following the meeting members enjoyed a tour of the home, seeing it for the first time. Mr. and Mrs. Albert Fleitman are former Muensterites.

Georgia Baptism

Kristen Mary Georgia, infant daughter of Mr. and Mrs. Glenn Georgia of Dallas was baptized in St. Rita's Church on June 5 by Father Gus Melito. Baptismal sponsors were Mr. and Mrs. Richard Hesse of Muenster.

Carmon Georgia of Green Bay, Wisconsin; and the children of the Richard Hesses. The great-grandmother, Mrs. Wm. Loanen lives in Green Bay, also.

About 29 relatives and friends attended a reception in the Glenn Georgia home following the Church service. The paternal grandparents remained to spend a week with the Glenn Georgia family.

Double Ring Nuptial Unites Terri Stulz and Melvin Luke

Mr. and Mrs. Melvin R. Luke are at home in Muenster since returning from their wedding trip to Colorado Springs. They were married in Sacred Heart Church on Saturday, June 10 during a Nuptial Mass with a double ring ceremony. Father Eugene Luke of Subiaco, uncle of the groom and Father Stephen Eckart officiated.

The bride is the former Terri Kay Stulz of Sanger. Her parents are Mr. and Mrs. William L. Stulz of Sanger and parents of the groom are Mr. and Mrs. Anthony F. Luke of Muenster.

In a setting enhanced by two tree-shaped candelabra with myriad lighted candles and chrysanthemums, carnations and baby's breath, the bride was presented at the altar by her father. She was wearing a formal bridal gown of white chiffon. Lace appliques defined the cameo neckline. A double layer of ruffles marked the shoulders of the sleeveless dress and dipped in back to form a deep yoke.

The full, flowing skirt swept to a cathedral length train. Both were accented with lace flower medallions; and a soft, deeply scalloped ruffle ascended in front and then extended in back to outline the hem. The illusion bridal veil was two tiered and lace edged, attached to a beaded caplet.

The bridal bouquet was an arrangement of yellow and white daisies, white carnations, white sweetheart roses and baby's breath. Her "something old" was her shoes and "something borrowed" was the traditional blue garter, from her sister.

HAMRIC'S

Curlee, Jarman, Levi, Van Heusen, Wimbley, Melrose, Jockey, Campus Donmoor, Tom Sawyer
Jodi Cash, niece of the

bride, presented a floral offering which the bride placed on the altar of the Blessed Virgin Mary after Mass. Jodi was wearing a white dress with tiny peach flowers.

The best man was George Luke, brother of the groom. Groomsmen were Kenny Fleitman and Doug Yosten, friends of the groom. Men in the wedding party wore rust colored tuxedos, peach shirts and had peach carnation boutonnieres. The groom's boutonniere was a white sweetheart rose.

Ushers were Bobby Hoehn of Sanger and Dave Voth of Muenster.

Wedding music was given by the groom's cousin Mrs. Jim Root of San Antonio soloist, and the groom's brother, Frank Luke of Muenster who accompanied her and presented the wedding marches.

Muted organ music was played as guests assembled. Mrs. Root sang "Edelweiss" from the Sound of Music and "Sabbath Prayer" and "Sunrise-Sunset" both from Fiddler on the Roof. Organ solos were Purcell's "Trumpet Tune in D" as bridesmaids entered, Wagner's "Lohengrin March" for the bride and her father and Purcell's "Trumpet Voluntary in D" for the recessional.

Following the religious ceremony a reception and dinner were held in the Community Center. The bride's sister, Mrs. Karen Cash of Prague, Oklahoma, registered 200 guests in the bride's book.

The bride's table held a pair of candelabra, greenery and white doves and side tables were marked with rust center streamers, candles in peach hurricane lamps (made by a friend, Mrs. Pat Trietsch of Sanger). Guest tables held hurricane candles, peach and rust streamers and napkins inscribed with the names of the couple.

The wedding cake was made by the groom's cousin, Carolyn Luke; it was three tiered and square and decorated with peach daisies with rust centers. Assisting in serving the wedding cake were Carolyn Luke, Cheryl Luke and Nancy Luke of Muenster and Sharon Voth of Lindsay.

Decorations were in peach, rust and white, with candles similar to the bride's table. Reception room decorations included an arrangement of white wedding bells suspended from a center point and surrounded by a billowing ceiling of peach and white streamers.

For the wedding and reception the bride's mother wore a peach and beige sleeveless chiffon dress with a cape. Her corsage was of peach carnations. The groom's mother wore a pink, slit-sleeved, chiffon dress and a white carnation corsage.

For traveling, the bride wore a long blue cotton dress and the corsage from her bridal bouquet.

The bride attended South Lyon High School of South Lyon, Michigan and graduated from Denton High School of Denton, Texas. She has been employed by Texas Woman's University in the Accounting Dept.

The groom is a graduate of Sacred Heart High School and spent two years in the U. S. Marine Corps. He is employed at Cooke County Electric Co-op as a lineman.

Pre-nuptial parties included the rehearsal dinner on Thursday, June 8 in the home of the groom's parents. Guests included members of the wedding party, Mr. and Mrs. Bobby Hoehn and Mr. and Mrs. Ronnie Trietsch of Sanger, Mrs. Dorothy Denny and Mrs. Sharon Root of San Antonio, Mrs. Mary Nell de la Garza of McAllen; Dave Voth, Father Stephen Eckart; and Mrs. Ben Luke and Mrs. J. J. Haverkamp, grandmothers of the groom.

A bridal shower, in the home of Mrs. Trietsch, was held several weeks earlier in Sanger.

Out of town guests included Messrs. and Mmes. Gary Endres of Dallas, Willard Zimmerer of Carrollton, John Sturm of Gainesville, Ramie Hesse of Denison, Ferd Haverkamp of Carrollton, Jim Root of San Antonio, Harold Luke, Chris, Peggy and Katie Luke and Melody McDonald all of Arlington, and Mrs. Dorothy Denny of San Antonio, Mrs. Victor de la Garza of McAllen, Lane Feavel of Dallas, Henry Nelson of Dallas, John Denny and Tish Lowry of San Antonio.

Also Messrs. and Mmes. Ronnie Trietsch of Sanger, Bobby Hoehn of Sanger, David Fette of College Station, Bill Knight of Lake Dallas, Darrell Cash and family of Prague, Okla., Herbie Herr of Gainesville and Craig Lawson of Saint Jo.

SH Students Get High Ratings at Cheerleader Camp

Cheerleaders of Sacred Heart High School received a number of awards during their week at Cheerleaders Camp at TCU in Fort Worth the week of June 12.

They earned one "Outstanding" ribbon, two "Excellent" ribbons, and three "Superior" ribbons. In addition, they received a ribbon designating them as a "Super-Star Squad", which they earned by their creativity, jumps, stunts, cooperation, dedication, spirit and crowd enthusiasm. They were particularly praised for these qualities.

Memorable also was a talent show one evening in which Gina Holbauer sang and danced to "Dixie". She received a standing ovation for her dance. The show was held at Colby Hall, TCU.

SHHS cheerleaders attending were Donna Trubenbach, Gina Hofbauer, Missy Flusche, Sherri Herr, Laurie Walterscheid and Rhonda Endres.

Mrs. Tommy Herr and Mrs. Norma Dowd took the girls to TCU Monday morning, June 12 and Mrs. David Flusche came for them Friday. She took her daughter, Missy and Laurie Walterscheid to Love Field where they met another group of students enroute to Austin to attend the CYO Convention.

Father's Day Guests
Father's Day guests of Mr. and Mrs. Andy Schoech were Father Frown Schoech of Subiaco, who will assist in a Dallas parish this summer, Mr. and Mrs. Glen Schoech of Irving and Mr. and Mrs. James Cooley and Krista of Irving. There were phone calls and good wishes from the Melvin Schoech family, who are on their annual, extended camping trip, this summer, and Mr. and Mrs. Dick Schoech of Arlington.

2 MHS Girls Get High Ratings at Basketball Camp

Two Muenster Public High School students, Rene Stelzer and Charlotte Fleitman, were outstanding members of a large group of girls attending Southwest Basketball Camp at Ranger Jr. College last week.

Rene won the first place ribbon for talent and was presented a 3 year camper plaque. Charlotte won two first place ribbons, in League games and bounce passing, and two third place ribbons, in rebounding and chest passing, and also received a plaque as Free-throw champion.

Both students participated in fundamental drills and inter-terminal games. Sixty girls attended this session.

Thursday evening Mrs. Pat Stelzer and Mrs. Eddie Fleitman were in Ranger to attend the All Star Games and Presentation of Awards. They also took their daughters to Ranger Sunday and remained overnight Thursday to return home on Friday.

Meeting Scheduled Thursday the 29th On Food Drying

Food drying is one of the oldest methods of food preservation known to mankind. It has only been in the last few years; however, that it has been revived.

A program on food drying is scheduled for next Thursday morning, June 29. It will be at 9:30 a.m. at the TP&L meeting room in Gainesville.

The meeting is being sponsored by the county extension service and will be given by Marcia Schmitz, home service advisor for TP&L and Evelyn Yeatts, county extension agent.

Drying surplus fruit and vegetables is one way to preserve them for your family's future use. Successful drying

is removal of enough moisture from the food to prevent spoilage because both enzymes and micro-organisms require moisture. The process requires enough heat to draw out moisture, but not enough to cook the food material.

Drying has several advantages: the product has a weight only one-fourth to one-ninth that of fresh material; there is a considerable reduction in bulk; and some dried material can be stored for long periods of time without the use of hermetically sealed special equipment. Also, very little special equipment is necessary.

Dried foods can add zest, interest, and nutritive value to family meals. The flavors of dried fruits and vegetables

differ from that of their canned or frozen counterparts.

You might want to try some food drying and see how your family likes it.

The food drying meeting on Thursday, like all educational

programs conducted by the Texas Agricultural Extension Service, is open to people of all ages, regardless of socio-economic levels, race, color, sex, religion or national origin.

Susan Marie Kupper, infant daughter of Mr. and Mrs. Jimmy Kupper of Valley View was baptized in St. John's Church, with Father Anthony Gajda officiating on May 31 at 7 p.m.

Her baptismal sponsors were Mr. and Mrs. Johnny Reiter. Also attending were Cindy, small daughter of the Reiters and Daryl, brother of Susan Marie. Others attending were grandparents Mr. and Mrs. John Kupper and Mrs. Albert Reiter of Muenster; also Mr. and Mrs. Billy Kupper, Jennifer and Casey of Valley View, Mr. and Mrs. John Kuntz and Mark of Valley View.

Susan Marie's parents hosted a reception in their home following the baptism. Guests included Father Gajda and those who attended the christening.

Susan Marie is the 14th grandchild for Mrs. Albert Reiter and also the 14th for the John Koppers. And Mrs. Joseph Neu, approaching her 107th birthday is counting her 107th great-grandchild.

Mr. and Mrs. Paul Fisher accompanied her brother and his wife, Mr. and Mrs. Frank Kathman of Gainesville, to Gladewater for a weekend visit with Mr. and Mrs. Pete Hawthorne and family.

Mrs. Aubrey Chapman and children Trey, Charles and Anne of Richardson attended the 4-H Horse Show at the Cauble Ranch Saturday. They came especially to visit Mrs. Wilfred Sicking and to see Nancy Sicking perform. Anne Chapman accompanied the Sicking to Muenster to spend a week on the farm with her aunt, uncle and cousins.

Mr. and Mrs. Lenton McClendon of Dallas were guests of her parents, the Leo Henscheids, observing Father's Day.

IF YOUR AIR CONDITIONER IS SET TOO LOW, YOU'LL FEEL IT RIGHT HERE...

During the summer months, the cost of operating air conditioning equipment is the biggest factor in the electric bills of most Texas Power & Light customers.

You can enjoy the comfort of air conditioning and hold down the amount of your electric bill by setting the thermostat on 78° or higher. But, you may say, "I like it set at 72°!" Consider the cost of the 6° difference.

If the outside temperature is 95°, every degree you set your thermostat below 78° increases your cooling cost about 12%. This means, of course, that your cooling bill will be about 72% higher if the thermostat is set at 72° than if it is set at 78°. For still more savings on your cooling bill, make sure your home is adequately insulated... check weatherstripping and caulking around windows and doors... close blinds or draperies to keep out direct sunlight... keep the fireplace damper closed... and clean or replace filters at least every 30 days.

YOU CAN BANK ON IT!

In today's credit-oriented society, a good credit record is almost a necessity for everyone, both men and women. Records show that 85% of all married women will be widowed or divorced sometime during their lives. If they have no credit record, they could face a big problem. In the past, credit histories for a husband and wife were found in a "joint" or combined file at the credit bureau under the husband's name. The new Equal Credit Opportunity Act, however, helps married women establish their own credit histories. Previously, for example, Jane Doe was listed "John Doe (wife: Jane)." She may now be identified by whatever legal name she chooses.

By law, on all applications for new accounts you may now designate the names and manner in which joint accounts are reported.

If you need help in setting up a separate account, see any of our officers. When they advise you on establishing credit . . . you can BANK on it.

6 CYO Members at State Convention

Six Sacred Heart High Students, Laurie Walterscheid, Missy Flusche, Sharon Grewing, Janelle Hellman, Nancy Luke and Toni Hoedebeck attended the CYO Convention held in conjunction with the Catholic State League Convention in Austin the weekend of June 16-18.

They flew from Love Field Friday. Laurie and Missy were brought there by Mrs. David Flusche after attendance at Cheerleader Camp and Sharon, Janelle, Nancy and Toni accompanied Mrs. Charley Hellman and Mrs. Gene Hoedebeck from Muenster.

The girls stayed at the Austin Hilton during the convention and attended meetings and workshops. Abbot Alfred Hoening was one of the guest speakers, and other speakers talked on Vocations and Life and held a panel discussion when a priest, a nun, a mar-

ried person and a single person spoke about specific vocations. Other speakers discussed textbooks, good or poor.

Entertainment for the delegates included ice skating, shopping, swimming, a watermelon party and a tour of the capitol.

The Muenster CYO also entered their scrapbook in competition. Toni Hoedebeck entered the Miss CYO contest and was voted second runner-up. She was awarded a plaque and ribbon.

Election of State CYO officers was also held.

Sunday afternoon the CYO delegates returned home with Mr. and Mrs. Denis Walterscheid and Mr. and Mrs. Tim Hartman.

Heading the FHA will be Debbie Zimmerer president; Robin Walterscheid vice president; Lisa Trubenbach secretary; Carla Otto treasurer; Kellie Hale reporter; Brenda Walterscheid historian; Beverly Trubenbach parliamentarian; Barbie Walterscheid sergeant-at-arms; Lou Dyer pianist; Kathie Fisher, Kim Walterscheid and Tami Fanning song leaders.

Young Homemakers Send Two Members To Area Meeting

Mrs. Pam Dangelmayr, president of the Muenster Chapter, Young Homemakers of Texas and Mrs. Joni Sturm, advisor, attended the Area V Executive Council and planning meeting at Frisco High School on Tuesday, June 8.

Included during the business meeting were plans for the Area V convention on September 16 at Plano High School. Meetings scheduled for the 1978-79 school year were also planned. Members discussed an Awards Program for Area V and application forms were distributed.

Karla Vogel Is Honoree at Shower

Karla Vogel, bride-elect of John Cunningham, was the honoree Sunday, June 11, at a display shower in the meeting room of the TP&L Building. The come-and-go-event was hosted by Mechal Reid, Mrs. Ernie Martin, Mrs. Ivan Koelzer, Mrs. David Vogel of Muenster, Mrs. Marvin Tischler of South Mayd, Mrs. Larry Vogel of Myra and Mrs. Earl Cunningham of Lindsay.

Decorations were in blue and white. Above and behind the refreshment table, blue net was draped on a wall, centered with a large white bow, with tiny white wedding bells accenting corners.

Punch and cake were served by the hostesses to 25 guests. The table centerpiece, a decorated, heart-shaped cake was a gift from the hostesses to the honoree.

Corsages of white carnations tied with blue ribbons were presented to Miss Vogel, and mothers of the couple, Mrs. Lawrence Vogel and Mrs. Herb Cunningham, also the god-mothers, Mrs. Werner Cler and Mrs. Alphonse Pautler.

Guests called between the hours of 2 and 4 p.m. Miss Vogel will be married to John Cunningham on July 1.

200 Attend Event For Campfire Girls

MHS Cheerleaders Get Top Awards at Summer Workshop

Cheerleaders of the Muenster Public High School last week received recognition as the top cheerleader squad at the summer workshop of National Cheerleaders Association at Cisco. Over 250 cheerleaders from a five state area attended the camp.

The Muenster girls received the two top awards, both given on behalf of the Dr. Pepper Company, which pro-

vides the special awards at all of the 300 NCA workshops across the U.S.

Their first prize is the coveted Award of Excellence, for which they were chosen by NCA instructors from the entire workshop enrollment. Categories for judging were technique, unity, friendliness, cooperation, leadership and sportsmanship.

The other prize is the prestigious Spirit Award, for which they were selected by the attendance of cheerleaders at the workshop. Categories for selection are unity, friendliness, cooperation, leadership and sportsmanship.

Presentation of the awards came at completion of the workshop of training on techniques, cheers, chants, jumps, partner stunts and pep rallies, as well as leadership seminars on sportsmanship, crowd participation, organization and dedication.

MHS cheerleaders attending were Kellie Hale, head cheerleader; Kathie Fisher, senior; Lou Dyer and Kim Walterscheid, juniors; Rene Reiter, sophomore; Traci Sawyer, freshman, and Lisa Trubench, senior and mascot. Their sponsor is Faye Hamric.

MHS cheerleaders received two top awards at the cheerleader school of Cisco Junior College. Pictured are: top, Traci Sawyer; second row, Lou Dyer and Kathie Fisher; third row, Rene Reiter, Kim Walterscheid and Kellie Hale; bottom, Lisa Trubench.

Bluebonnet Club Has Program on Cake Decorating

Betty Rose Walterscheid was program leader and hostess for the June meeting of the Bluebonnet Home Demonstration Club. She presented a cake decorating lesson and demonstration, preparing two cakes. One, appropriate for an anniversary, was given to Eileen and Butch Fisher, since the day was their 14th wedding anniversary. The second beautifully decorated cake was served at the close of the meeting.

The business meeting was conducted by Mrs. David Vogel, president. Reports were given concerning Germanfest and plans were made for a family picnic at Schilling Lake on July 16, with Sharon Wolf and Cathy Ostermann as co-chairmen. Refreshments were served

to 11 members and one guest, Mrs. David Berres.

The April meeting featured a talk by Mrs. Evelyn Yeatts, County Extension Agent. She presented "A Woman and her Money". Also featured was election of officers. Mrs. Judy McDaniel will be the club's president. Others elected were Michelle Knauf, vice president, Mrs. David Vogel (Linda) secretary-treasurer, Betty Rose Walterscheid, delegate.

The May luncheon in the Callisburg Community Center was announced and members made plans to attend. Theme chosen was "The Melting Pot - Ethnic Cuisine in Texas". The Bluebonnet and Hood Clubs planned to prepare Jewish foods.

government can afford to do some investigating. It needs to check the identity and eligibility of every person receiving an HEW check ... for social security, welfare, Medicare or Medicaid, educational assistance and otherwise ... then lower the boom on all cheaters.

Then, of course, there are all those other departments of government, all spending lavishly, with many more millions disappearing in fraud and graft. It seems impossible to stop all of the leakage, but surely a concerned government can stop some of it.

And some things are so foolish as to seem dishonest. To subsidize a failing busi-

ness like Amtrak, with hundreds of millions year after year, makes a person wonder what kind of hanky panky is involved in the operation. Besides, there are dozens of pork barrel projects intended primarily to release substantial government funds in an area favored by the sponsoring politician.

Other economies are possible in a federal belt tightening program, as unpopular as that would be to Washington. No doubt it would bring howls of anguish, but it would make sense for the statesmen of the capital to decree that every employee and every elected official will take a cut in pay in the interest of halting inflation and high tax. After all, they are the favored people of our society, the ones best able to start a trend for others to follow.

The simple fact is that inflation, national debt, lavish spending and graft ... actually an over-all selfish attitude ... got us where we are today. It is time to apply the opposite virtues in a belt tightening program. The idea may not have popular appeal but it is the only way to survive.
