Energy Ironies

Many ironies exist with regard to the current U.S. energy shortage. We have 45 billion barrels of crude and natural gas liquids reserves.

ply the U.S. for almost 200 years at a consumption rate of 800 million tons per year. We have over 30 billion barrels of reserves in shale which can be converted into oil.

In plain words, this country is running short of energy because of the political and public habit of castigating successful enterprises with a variety of taxes and restrictions, which sound good to voters

Economy Booms, Gold Price Soars

During the financial week of May 14-18 the price of gold soared to \$128.50 an ounce in Paris and to \$110 an ounce in London, up \$65 in January.

Yet hear this from Business in Brief, issued bi-monthly by the Chase Manhattan Bank in New York:

"The U.S. economy is verging on an outright boom. While many analysts expect the pace to become more moderate in the near future, actual signs of a slackening growth rate have yet to appear.

"Total retail sales for the first three months of the year rose an amazing 18.5 percent above the same months in 1972. Automobile sales continue to shatter all records.

"Business investment in new plants and equipment is growing steadily, and plans for future investment are being increased.

"Industrial production has been rising at an annual rate of over 8 percent over the past six months — close to twice the long term average."

It is ironic that in this time of unparalleled prosperity at home, the American dollar should be under such attack abroad.

— U. S. Press Assn.

Cheers for a New Superpatriot

It didn't take long for Svetlana Alliluyeva Peters, perhaps best known as Stalin's daughter, to scorch rumors — apparently started by a Paris newspaper — that she will be going back to "visit" in the Soviet Union.

Mrs. Peters, who lives alone except for her two-year-old daughter, Olga, patiently explained that, "Besides, I am regarded as a terrible criminal there."

She must be baffled by the fact that because she declines to criticize America, refuses to discuss politics, expresses distaste for "long-haired hippies" and "protesters in the streets," the New York Times has labeled her a "super-patriot," which, is apparently supposed to be something bad!

A Gun to Control

Did anybody notice? The militants at Wounded Knee, whose armed attack resulted in two deaths and many wounded, and the militants at the Olympics in Germany last year, whose armed attack brought death to a large number of innocent victims, were both equipped with a specific automatic weapon known as the Kalashnikov rifle.

Building 'Em Bigger

We can be grateful that while a small number of our populace seem to be bent on tearing down everything in the United States, there are others who are building up — and we mean up! If you don't believe it, take a trip to Chicago sometime and crane your neck at the new Sears Tower, now in the process of being built.

With more than 4.5 million square feet of interior space, the Sears Tower will be second only to the Pentagon in Washington in acreage, and it will be the largest private owned office building. When fully occupied — as it is expected to be by late 1974 — approximately 16,500 persons will work in this one building, and 7,000 of these will be Sears workers.

For reasons which the critics of our system cannot understand, American free enterprise continues to make things bigger and bigger and better and better all the time.

— U. S. Press Assn.

45% of POW's Died in Prison

Mayor Floyd H. Kushner, a U. S. Army physician, who was a prisoner of the North Vietnamese for five years, said on his release recently that 45% of all American prisoners of war died of mistreatment. He charged that bad food and lack of medical treatment were the chief causes of death in the North Vietnam prison camps.

"Ten good men died in my arms," said Major Kushner at Valley Forge General Hospital, "and I'm damned mad about that. It was all the result of maltreatment." He added: "I have been beaten, I have been shackled, I have been mistreated, I have been placed in solitary confinement."

Staff Sgt. Isaiah McMillan, who had also been a prisoner, said at Fort Gordon, Ga., that at least twelve of his fellow prisoners of war had died in captivity from an improper diet and dysentery.

Unless the North Vietnamese Communists show signs of a complete turnaround in their behavior — which does not appear anywhere on the horizon of Indochina today — it is idle to talk of giving any kind of aid to them. On the contrary!

Quantity Counts In House Passed Drug Reform Act

The Texas House of Representatives passed a comprehensive drug reform measure on third reading Monday, May 7. The bill now goes to the Senate for consideration in that body.

During House debate Representative Bill Sullivant brought four ounces of marijuana onto the House Floor to show representatives how much of the drug that was. Sullivant insisted that the law should contain a quantitative limit on the amount of marijuana that could be possessed before incurring felony penalties.

Representative Ron Walters, of Houston, offered an amendment which would have criminalized possession of marijuana for private use. In opposing the amendment, Sullivant pointed out: "No other state in the nation has taken such a step. I don't believe the people of Texas sent us down here to put Texas in the vanguard with regard to encouraging the use of marijuana."

The amendment was tabled by a vote of 126-17. As the bill finally passed it retained penalties of up to 99 years for the sale of hard narcotics, including marijuana.

Youth Against Amnesty

At a time when some members of Congress seem to be selling amnesty for draft dodgers and deserters as a way America can "reconcile" itself with its youth, it's refreshing to see that many young people themselves aren't buying.

A case in point is provided by the Young Americans for Freedom, whose 60,000 members have launched an all-out campaign against amnesty. The young conservatives are circulating petitions; distributing literature, bumperstrips and buttons; holding press conferences; and lobbying at the state and national level to block amnesty for those who fled their country in a time of crisis.

As the YAF issue paper on the subject points out, "To permit amnesty for those who refused service in Vietnam is to set a precedent that says, 'If you think a law is immoral, break it, because you may very well find that society changes its mind, forgives you and does not punish you!'"

"Reconciliation"? How pleased will the millions of Americans who did serve in Vietnam be to see others who sat out the war granted amnesty? Not very pleased at all, we suggest. Those who agree that amnesty would polarize, not reconcile, may write to YAF at 1221 Mass. Ave., N. W., Washington DC 20005 for information on their No Amnesty effort.

Letters to the Editor

Editor: There was almost another tragedy in the community this past week. We very nearly hit someone's child on the street. It was after dark — we were not exceeding the speed limit but the child had on dark clothing and couldn't be seen in the road.

It would not have been our fault but it would have caused terrible heartache for all people involved.

Please won't parents see that their children and bicycle riders are at home where they belong after dark and that their children are taught safety on the streets day and night.

Children are too precious to lose — please — parents care just a little.

Florence Horn Wed At Windthorst in Home of Parents

Miss Florene Horn, daughter of Mr. and Mrs. Jake Horn of Windthorst, formerly of Muenster, became the bride of Calvin Deere Sunday afternoon in a wedding ceremony performed in the Horn home.

The Rev. Ron Killingsworth, pastor of Replidim Church in Iowa Park officiated in a setting of pink roses and candles. The bride's polyester and cotton gown, worn over a pink underlay, was designed with an Empire waistline and lace trim. Her veil was held by pink and white roses and she carried a white rose. Miss Lynda Gould of Wichita Falls was maid of honor wearing a dress similar to the bride's but printed with pink and yellow roses. She carried a pink rose. Jerry Horn, brother of the bride, was best man.

The bride returned from Saigon in February. She had spent nine months there in civil service and met her future husband in Vietnam. He has been in the Navy 15 years and also returned in February. His parents are Mr. and Mrs. Manuel Deere of Forrest City, Ark.

The newlyweds will tour the USA until mid-July when they will be at home in Florida where he will be assigned.

Cub Scout Pack To Meet June 18

Cub Scout Pack 664 will meet in City Park next Monday evening, June 18, 7 to 9 o'clock. Parents and family members are invited to enjoy the evening with the boys.

Swimming and fun water events are planned and an ice cream treat arranged by den mothers will conclude activities.

Bruno Fleitman Feted on Birthday

A family dinner party Sunday honored Bruno Fleitman in observance of his birthday at his home with his wife as hostess.

Mrs. Don Lester brought the decorated cake for her father and all presented birthday gifts.

Present were Mr. and Mrs. Frank Cox and daughter Kelly, weekend visitors from Houston, Mr. and Mrs. Don Lester of Gainesville, Mr. and Mrs. J. D. Fleitman, Doug, Sammy and Jon, and Jerry Fleitman. Miss Blondie Fleitman of Denver, Colo., was a visitor two weeks earlier and presented her dad with a gift at that time.

Local News BRIEFS

Mrs. Tony Gremminger returned last Thursday from a flying trip to Chambersburg, Pa., to visit her daughter and family, the Robert Howells and to join them in attending graduation exercises to see Rebecca Howell get her high school diploma. Going and returning she spent overnight with her daughter and family, the Robert Mayers at Pilot Point who saw her off and met her again at Love Field.

Mr. and Mrs. Larry Kostyniak of College Station spent the weekend with her parents the Norbert Koeslers. Mrs. Kostyniak was maid of honor in the wedding of Barbara Schumacher and Skipper Bezner Saturday.

Mrs. Ferd Yosten and daughter Susie of Fort Worth were among relatives at the funeral of Mrs. Jake Pagel Saturday.

Four generations were together for visiting Monday at Hillcrest Manor with Mrs.

Minnie Kinman. They were her daughter Mrs. Winnie Carter of Seymour, her daughter Mrs. Loweta Walter and daughter Judy of Brush Prairie, Wash. They took Mrs. Kinman with them to Seymour for an indefinite visit.

Mr. and Mrs. Leonard Walterscheid and daughters Cindy and Dee Dee of Moab, Utah, spent two days the past week with relatives here and went to Fort Worth to see other kin.

Mr. and Mrs. Mike Kleiss and children Michelle and Brian of Sanger visited during the weekend with her parents the Paul Fishers.

Jon Patrick Fleitman, infant son of Mr. and Mrs. J. D. Fleitman was baptized Sunday in a 3:30 p.m. service at Sacred Heart Church by Father Leonard Wangler. Attending as godparents were an uncle and aunt, Mr. and Mrs. Frank Cox of Houston. Invited guests for dinner afterward in the Fleitman home included grandparents Messrs. and Mmes. Bruno Fleitman and Julius Hermes Sr., Kelly Cox and the baby's brothers Sammy and Doug.

Mr. and Mrs. R. J. Graf visited her Muenster relatives Monday and Tuesday, driving over from Grand Prairie where they are vacationing with their daughter and son-in-law Mr. and Mrs. A. D. Eckelkamp and Rebecca. The Graf's were here Saturday also for the funeral of her aunt Mrs. Jake Pagel. After their visit in Grand Prairie they will go to Brian to visit her brother and wife, Mr. and Mrs. Wilfred Fisch before returning home. Mrs. Graf is the former Catherine Fisch. Her parents Mr. and Mrs. John Fisch left Muenster when she was six months old.

Mrs. Henry Thoel of Wichita Falls visited last week Monday to Friday with relatives and friends while she was the houseguest of Mrs. Joe Wilde. She reported that her sister Mrs. Henrietta Turpin had a severe heart attack several weeks ago and is still a patient at Sheppard AFB Hospital. She is able to sit up for short periods now but visitors are still limited.

Mr. and Mrs. Arnold Meurer of Windthorst were Sunday dinner guests of Mrs. Joe Wilde and visited the Herbert Meurers and Bill Beckers in the afternoon.

Mrs. Ruth Needham, joined by her cousin Mrs. Lois McMackin of Wichita Falls made the most of a week's vacation spending their time in Branson and Silver Dollar City, Mo., Eureka Springs and Hot Springs, Ark. Scenic drives were among the trip's highlights.

Members of the parish CYO at their May 31 meeting discussed plans to visit Hillcrest Manor and sing there for the June birthday party and practiced singing for the party which was held June 2. Cheryl Bayer, president, presided for the meeting.

Mr. and Mrs. Henry Weinzappel and children took his parents, the J. M. Weinzappels to Marietta, Okla., Friday night for a fish dinner. It was a belated birthday and early Father Day treat for J. M. Weinzappel.

Miss Joan Zipper of Dallas visited here Thursday, accompanying her mother, Mrs. R. M. Zipper home after she was dismissed from Baylor Hospital.

Dr. and Mrs. Ernest W. Laake of Dallas visited Sunday afternoon with his sister Angela Laake and niece Rosa Driever.

Call for Truck
The Salvation Army truck will be in Muenster next Thursday morning, June 21, to pick up discards at homes and business houses. Appliances, furniture and used clothing are welcome. Persons with items to donate are asked to call 759-4311 the day before the truck makes it rounds.

Girls Want Work
Sacred Heart School cheer leaders this week announced they are available for yard work including lawn mowing, housework and odd jobs. It's a fund raising project for the group. For appointment or more information phone Donna Knabe, 759-4234.

The Gary Doughtys Newlyweds, Home In Clovis, N. Mex.

Airman and Mrs. Gary Doughty are making their home in Clovis, N. M., where he is stationed at Cannon Air Force Base, since their wedding and honeymoon. They exchanged vows in St. Mary's Church at Gainesville on June 2 with Father James Gillespie officiating. The bride is the former Miss Monica Wolf.

Parents of the couple are Mr. and Mrs. Ed Wolf and Mr. and Mrs. Weldon Doughty, all of Gainesville. Mr. and Mrs. Joe Doughty of Marysville are the groom's grandparents.

Presented by her father, the bride wore a gown of white organza, the bodice covered with Venise lace and featuring a high scalloped neckline and lantern sleeves with lace cuffs. A deep flounce of organza and lace complemented the A-line skirt. She wore a lace-edged cathedral-length mantilla and carried a rosary, a gift from her maternal grandmother, Mrs. Frank Krebs Sr. Her flowers were a bouquet of spring blossoms surrounding an orchid.

Miss Darlene Reed of Valley View was maid of honor and Misses Denise Doughty sister of the groom and Debbie Wolf and Donna Kuhn of Gainesville, bride's cousins, were bridesmaids.

Sharon and Karen Wolf of Muenster, twin cousins of the bride, were flower girls. Adam Arendt of Lindsay, cousin of the bride, and Michael Doughty, groom's brother, were ring bearers.

Maid of honor and bridesmaids wore gowns of floral print in shades of green, orchid, and blue and carried long-stemmed matching carnations in those colors. They completed their costumes with matching hats.

Kenneth Doughty of Valley View was his cousin's best man and Gary and Darrel Wolf, brothers of the bride from Gainesville and Larry Wolf of Fort Rucker, Ala., another brother were groomsmen. Ushers were James Joy of Valley View and David Krings of Clovis.

Miss Patsy Spaeth and Jimmy Lawson, Gainesville, provided wedding music. Their selections included "Color My World" and "Wedding Song" with "Mother at Your Feet" when the couple went to the Blessed Virgin's shrine where the bride presented a floral tribute.

Wedding reception was held in the KC Hall where Mrs. Jerry Walterscheid of Muenster and Miss Gayle Wolf of Gainesville, a cousin of the bride were in the houseparty.

For their honeymoon to his assignment at Cannon AFB the new Mrs. Doughty wore a blue pantsuit. She is a graduate of Valley View High and he graduated from Northwest High School in Justin.

Out of town guests included in addition to those from Cooke County, Messrs. and Mmes. Billy Schroeder of Windthorst, Dwight Stevens and Johnny Kneisel of Dallas, Mike Mobley and Guinn Simons of Denton, and Jimmy Doughty of Euless and Sgt. and Mrs. Barney Martin of Sherman.

It pays to advertise with the Muenster Enterprise.

The jury foreman announced: "We find the defendant not guilty."

"What possible reason can this jury have for such an astonishing verdict?" asked the judge in amazement.

"Insanity, your honor," was the response.

"What!" exclaimed the judge. "All 12 of you?"

Delayed Mowing Aids Abundance of Roadside Flowers

Highway rights of way are now blanketed with more gaudy color than ever before — thanks to a policy of late mowing that allows wildflower seeds to mature and, of course, a lot of help from Mother Nature.

As in the past, instructions have gone out to Highway Department maintenance forces to delay full-scale mowing operations until seed pods mature and the wild flowers can re-seed themselves as nature intended. As a direct result of this mowing policy in the past

several years Texas has the best stands of bluebonnets, indian paint brush and other wild flowers ever.

Although this results in some roadsides of the more than 70,000 miles of the State-maintained highway system looking a little shaggy late in the season, it does assure that there will be another magnificent display next spring, depending upon favorable growing conditions.

Highway officials point out that there will be some selective mowing of the right of way during the growing season. In areas where growth is particularly heavy, crews will mow along the pavement edge and at highway inter-

sections as a safety measure.

In some areas, growth is so luxuriant that selective mowing is necessary to keep it from choking out all other vegetation. In the Coastal Bend region, for example, some heavy stands of clover have been mowed to prevent it from stifling protective grass cover.

Wildflowers are not "just pretty" — they are an important tool in the maintenance of the sprawling Texas highway system. The natural growth of wild flower and grass cover prevents erosion and deterioration of roadside slopes. Of course, this saves the public thousands of dol-

lars each year in maintenance costs.

The Highway Department's concern with roadside environment is not just recent. It goes back beyond the early 1930s when the Department hired its first full-time landscape architect. Texas was among the first states, if not the very first state, to add professionally trained experts in this field to its permanent staff.

Today, in addition to its large staff of professional landscape architects, the Department depends upon the expertise of hundreds of maintenance men in every corner of the state with their years of practical experience in caring for roadside vegetation.

"Due to circumstances beyond our control..."

Texas Power & Light Company has a long, solid history of providing its customers with reliable electric power at the lowest price consistent with good service. The Company wants electricity to always be one of the biggest bargains in your budget.

However, there are circumstances beyond our control which indicate future electric rate increases are inevitable.

Higher Cost of Fuels The diminishing supply of natural gas and fuel oil has pushed the prices of these generating plant fuels to new highs and is significantly increasing the cost of producing electricity. TP&L's fuel bill was over \$40 million last year, 30% higher than in 1971, and it's expected to be even higher in 1973.

Higher Cost of Construction Because of today's energy crisis, new generating plants must be

built to operate with other fuels, such as lignite and nuclear materials. These plants are much more costly to build than gas-fueled ones, but to assure you an ample supply of electric power in the future, construction of new facilities is essential—and must be done even though TP&L faces additional rising costs for labor, materials and land.

Higher Cost of Financing The rising cost of money needed to finance new plants and other facilities has been increasing at a staggering rate.

All of these circumstances are beyond our control—and they make producing your electricity much costlier than ever before. However, TP&L will continue to use every practical method and every possible efficiency to keep the price of electricity low and still provide you with dependable electric service in the years ahead.

Books Available At Court House On Home Canning

Improved methods of home canning make it more enjoyable for the homemaker to preserve the natural goodness of foods. Foods spoil because of the action of yeasts, molds, bacteria and enzymes. In canning, the homemaker stops this action by processing food with heat and protecting it with an airtight seal. The processing time and temperature vary with different kinds of food.

Methods for canning fruits or vegetables which are considered unsafe and are not recommended include: open kettle, oven canning, intermittent sterilization, acidification of low-acid vegetables, and addition of canning powders, compounds or antibiotics.

Information on canning and freezing published by Texas Agricultural Extension Service of Texas A&M University are available at no cost in the Cooke County Extension office on the ground floor of the courthouse. The telephone is 665-4931.

Home canners that would like to prepare products for the Cooke County Fair may get a 1972 Fair Book in the Extension office. The 1973 books will not be available in time for this year's use.

2 Local Students Graduate at NTSU

Two Muenster students, Lynn Rose Reiter and Jerry Lynn Garland were among 1,235 graduates from 36 states and eleven foreign countries who were awarded degrees at North Texas State University at the spring commencement May 19.

Miss Reiter, daughter of Mr. and Mrs. Wilfred Reiter, received a bachelor of science degree in elementary education.

Mr. Garland, son of Mr. and Mrs. O. D. Garland received a bachelor of arts degree in political science.

Lindsay News

Mrs. Jimmy Flusche will be back at home this weekend, dismissed from a hospital in Memphis, Tenn., where she underwent surgery and was hospitalized a month. Her husband went to Memphis for her Wednesday. They will stop on the way back to visit her parents, Mr. and Mrs. Ernest Medders who reside in West Memphis, Ark. Mrs. Flusche is the former Marye Medders.

New homes nearing completion in Lindsay include the Ronnie Krebs' brick with three bedrooms, two baths, central heat and air, attached garage. It is an all-electric home. And the Don Schad home, brick, all-electric, central heat and air, three bedroom, two bath, den and two car garage.

Air conditioning for the grade and high school buildings has been approved by congregational vote 197-118. While the proposal will have to meet diocesan approval, church wardens are working out details of the proposed system.

Mrs. William Sandmann has returned from Phoenix, Ariz., where she attended funeral services for E. J. (Jake) Boeskin. She made the trip with her daughter and husband, the Pat Hennigans and son Joe of Muenster. Mrs. Sandmann remained to spend a few days with Mrs. Hennigans and flew home. The Hennigans went on to Santa Monica, Calif., to visit their daughter and husband, the Jean Gebmans. Mrs. Gebman returned with her parents and they met Mr. Gebman at Love Field Thursday evening. He was in the Hunt-Hennigan wedding Saturday.

Clarence Zimmerer who underwent major surgery at Flow Hospital in Denton on May 30 is reported making satisfactory recovery.

Miss Mary Jean Schad, daughter of the Ed Schads and Miss Joan Fuhrmann, daughter of the Erwin Fuhrmanns, nursing majors at TWU in Denton, have gone to Dallas to work in hospitals and nursing homes during the summer as a part of their training program. Also leaving at the same time for the same work was Mary Bayer, daughter of the Alfred Bayers of Muenster.

See Sister First Time in 30 Years

It was happy reuniting for Mrs. Mat Neu of Lindsay and her brother Bernard Schmitz of Garland recently when they saw a sister, Mrs. Leon Phillips of California for the first time in 30 years.

Also in the reunion were two other sisters Mrs. George Rohleder of Fort Worth and Mrs. Bob Lodgridge of Saginaw. Both had seen the Californian more recently.

"Some families can trace their ancestry back 300 years but can not tell you where their children were last night."

CITATION BY PUBLICATION THE STATE OF TEXAS

TO: Alfred Bentley, Defendant.
Greeting:
YOU (AND EACH OF YOU) ARE HEREBY COMMANDED to appear before the District Court of Cooke County at the courthouse thereof, in Gainesville, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 9th day of July A. D. 1973, to Plaintiff's Petition filed in said court, on the 16th day of April A.D. 1973, in this cause, numbered 73-004, on the docket of said court and styled Linda Bentley, Plaintiff, vs. Alfred Bentley, Defendant.

A brief statement of the nature of this suit is as follows, to-wit: Suit for Divorce.
If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.
The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates thereof, and make due return as the law directs.
Witness, Anna Mae Shorter, Clerk of the District Court(s) of Cooke County, Texas.
Issued and given under my hand and the seal of said court at Gainesville, Texas, this 23rd day of May A.D. 1973.

4-H Club News

Marlea Thompson, assistant county home demonstration agent writes:

"Craig Rosenbaum would like to thank all the people of Cooke County for being so wonderful to him the past three years. He hated to leave, but is looking forward to new experiences and challenges in Dallas county. He invites everyone when they're in the city of Dallas to come visit with him in his new office in old courthouse building."

And Craig says:
"I would like to take the opportunity to introduce the new Assistant County Extension Agent, Randy Jordan. His home is in Pampa, Texas and he's a graduate of West Texas State University in Animal Science. While in school Randy was active in the Phi Delta Theta Fraternity and was a member of the Livestock Judging team that traveled around the country. Now, during his spare time he likes to golf, water ski, and ride motorcycles, and he enjoys all sports. Randy and his wife Mickey live on Rt. 2, Gainesville."

A picnic in honor of Craig Rosenbaum, was given by the Era 4-H Club members. It was held Thursday, May 31, on the Robert Bentley farm.

A going-away gift was presented to the honoree. Present were 25 students and six adults.

The next club meeting will be held on Sept. 4 at 7:30 p.m. at the Era Community Center. "Bicycling is one of the nation's popular past times. It builds up muscles while cut-

ting down on air pollution at the same time, 4-H members, too, enjoy a bicycle project. In this project they learn the types of bicycles, parts of their bikes, safety rules and bicycle care. 4-H members, also have fun by planning and taking part in bike hikes, bicycle rodeos and bicycle races. Wouldn't you like to join them?"

Survey Shows Few Problems in State Gasoline Shortage

Gasoline shortages around Texas are presenting only limited problems for the state's motorists. This was the major finding of a statewide fuel report survey taken by the American Automobile Association (AAA) on Thursday, June 7.

Retail gasoline stations in 32 cities and towns around the state were involved in the telephone survey. A total of 101 stations were contacted.

Only four per cent of the stations contacted indicated they were allocating or rationing gasoline. Thirty per cent of the stations reported the recent changing of hours of operation by closing earlier each day and/or closing on Sundays. The change in operational schedule is attributed to the gasoline shortage.

Sixteen oil companies were included in the survey: Gulf, Mobil, Texaco, Exxon, Chevron, Phillips, Shamrock, Billups, Fina, Shell, Texgas, Champlin, Arco, Conoco, Skelly, and Hudson.

The AAA survey revealed that the statewide price of regular gasoline ranged from 30.9 to 40.9 and the price of premium went from 33.9 to 42.9. Gasoline was priced highest in the Panhandle area of the state.

Most stations contacted reported present supplies of low lead gasoline, but many station owners and managers said they expected to run out of low lead fuel by the end of the month. In late May, many stations across Texas found themselves unable to get enough low lead gasoline.

Seventy-three per cent of the stations reported receiving at least as much gasoline from their supplier as last year. In several cases, stations said that they had been able to receive more fuel than what was purchased a year ago. The remaining stations reported cutbacks ranging from ten to fifty per cent less than received during 1972.

Forestburg News

By Myrt Denham
FORESTBURG — The Head-start summer school program began at our local school Monday, June 4. Hours are from 7:30 a.m. to 12:30 p.m. It's for youngsters from ages four through six who get breakfast, a snack and lunch and are required to take a nap. Mrs. Mary Hays and Mrs. Vesta Carter are taking turns as teachers assisted by Mrs. Lucille Williams. Mrs. Decie Ellzey and Wyonna Riddles change about as cooks.

Hannon Orrell, son of the Jerry Orrells is one of the youngsters attending. His mother, Margie, stayed at school with him the first day. Later that day he told her that he no longer needed her services as he was very capable of taking care of his business by himself. "Out of the mouth of a four-year-old babe."

Monday, June 4, also saw the start of a "Food Fun for Youths" cooking class at the school. Hours are from 9 to 11 a.m. Twelve young ladies attended this program sponsored by Cooke County Electric Co. It is good to know there still are some youngsters who care enough to learn one of the finer arts of homemaking.

Well, the Howard Sockwells made it home from California on Wednesday, June 6. Howard lasted five days this trip. Of course, that took in the time needed for travel. Howard said the best thing he saw while away was home when he returned.

Cleo Lanier, Jeanette Montgomery, Phyllis, Charles, Johnny and Wally Lanier made a trip to Oklahoma City Thursday, June 7. They took in the Cowboy Hall of Fame and the International Zoo. Cleo says she really did enjoy the Hall of Fame and that the zoo is out of this world. They enjoyed a picnic lunch and all had a great time.

Other Oklahoma City visitors have been Meb and Roxie Dunn. They visited their daughter Mrs. H. A. Littell and family from June 1 to June 4.

Mrs. Adie Anderson, our postmaster's mother, has moved into the home of the late Audra Coleman. This is a lovely place and we are certain Mrs. Anderson will enjoy it ever so much.

Unwanted bed partner — Friday afternoon Laura Belle Jackson decided to take a short siesta. She went to a back bedroom and as she got into bed she noticed a movement on the headboard. To her horror a snake had already claimed the bed. After a distress call to her neighbor they killed the snake and Laura Belle got her siesta.

We have been told by a very dependable source that Johnny Carter and wife Karen have decided to put on their blankets and move back to the reservation — almost. They are moving a nice big mobile home in on the Levi Perryman ranch. While living in New Mexico during the winter they noticed that our government would give the Indians a good college education . . . upon graduating, most would return home to the reservation, get out their colorful blankets and go back to herding sheep.

Lester W. Boyd Sr. is back at home after spending a week in Bowie Hospital. His family reports he is doing as well as can be expected.

Mrs. Ida Wylie returned home Friday after three days in a Denton hospital. She underwent eye surgery June 5. Family says Ida is coming along fine.

Mrs. Ada Jackson is a patient at Bethania Hospital in Wichita Falls since she broke her hip in a fall at her home Sunday, June 3. She underwent surgery Friday p.m. and came through fine. The family says she will have to remain in the hospital for a spell.

Mrs. Nick Owens of the Blackmon Ranch west of the Burg lost three fingers to a power lawn mower very recently. She stooped to remove some object blocking the mover not realizing the blade came out that far. Understand she was taken to a hospital where two fingers were sewed back on.

in the "happy room" to speed up our mails.

Latest news on Forestburg's new shoe industry: it is slowly building up in volume and personnel. Bennett Reynolds was seen doing a little work. After three weeks the sewer line has finally been covered up. We saw Glen Lynch with a shovel in his hand and his face was real red. We wonder if it was from sunburn, exertion, or anger about the supposed committee that was to have taken care of this job some three weeks previous.

In closing I leave you with this little story. We have a fine local upstanding citizen in this community whose beautiful daughter recently graduated from high school and is now attending college. Made us think of when he graduated from high school. During the ceremonies he suddenly became very ill. Being no doctor in the house, or for that matter not anywhere else in those days, they carried him out of the building. His parents requested my father-in-law who was a registered pharmacist, and a doctor of sorts for those times, to look him over. He could find absolutely nothing apparently wrong with him. Then it came to him what the trouble probably was. He loosened his tie, removed his shoes and in general removed his "new suit." He revived like a young calf that had been stuck in a bog-hole for two days. The next day, with his overalls, straw hat and merry whistle tunes he was his old self.

Testing is Best Way to Determine Soil Deficiencies

A soil test is the most accurate way to determine soil nutrient deficiencies, say local personnel for the Soil Conservation Service. It is the surest way of knowing how much and what kind of fertilizers to use for best crop and forage production.

One of the most important steps in soil testing is the matter of getting a soil sample that truly represents the field to be tested. Soil test results will be no better than the soil sample taken. Soil sample forms, with complete instructions for taking the samples, are available at your local SCS and County Agent's office, and most fertilizer dealers can provide the forms. Use your district soils map for additional help.

A soil test every two or three years, insures a proper balance of the plant foods needed for high crop yields and often saves the land-owner money by preventing the application of too much of certain elements. The fact remains that the proper amounts of nitrogen, phosphorous, potash and often lime must be present in the soil and in correct proportions for best crop yields. A soil test can and will give these answers — and any other answer is too often a guess.

Noted and Passed . . . Leonid Brezhnev, the anti-capitalist Communist bureaucratic boss of the world's leading empire, is making out very well for himself in his world survey of what he hopes to be future Communist real estate. In 1972 he picked up a shiny new Cadillac as a gift from President Nixon; later he was given a zippy Citroen-Maserati by President Pompidou of France, and now he has just been given a snappy silver-grey Mercedes by Chancellor Brandt of Germany. At this rate, he'll have to build a bigger garage; no great problem, with so much slave labor available in the Soviet Union.

Don't worry if a rival imitates you. While he follows in your tracks he can't pass you.

Bowie Art Show Set for June 30

The Jim Bowie amateur and professional arts and crafts show will be held in Bowie on Saturday, June 30, from 8 a.m. to 4 p.m.

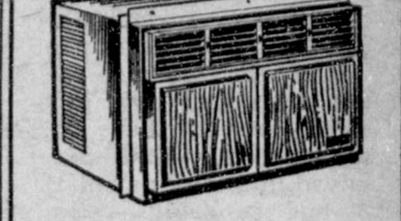

Entrants are asked to have their work at the Amon Carter Pavilion in Pellham Park (back of the rodeo grounds) by 8 a.m. for registration. All displays will remain until 4 o'clock.

All area artists and craftsmen are invited to participate. No entry fees are required. Everyone is invited to attend.

A visitor to Muenster was given a tour of our city this week. He had visited Muenster every year or two for many years. The homes, trees and shrubbery drew many favorable comments but to him our business area needed attention. The number of unkept vacant lots, junky areas, need of paint, and dirty windows were mentioned. He stated how proud owners were of their businesses when they first opened or moved into their new buildings but probably because business is good they do not take time to keep the place looking nice.

Most cities have a designated clean up week each spring and encourage all home owners and business people to make their city look its best for self pride and to favorably impress company and visitors. Probably a proclamation from the mayor, specifying a given period of time to clean up Muenster, would bring favorable results.

In reviewing past events of years ago we noticed it was 30 years ago that Meinrad Endres sold his store and retired. How the years skip by — no wonder so many people tell me they don't remember his store. Many older ones remember when their folks bought a large order (in those days \$3 to \$5) he gave a cigar to dad and a sack of candy for the kids.

For those people who could not meet our deadline of June 14 to get their name in the special historical edition — we are extending the time to Tuesday, June 19th — Do it now.

Mrs. Rufus Bezner Birthday Honoree

Mrs. Rufus Bezner of Lindsay was honored Sunday night on her birthday in the home of her brother and family, the Ray Wildes in Muenster.

Mrs. Wilde served party refreshments including birthday cake and the group enjoyed playing Double Twelve.

Present with the honoree and host family were her mother Mrs. Joe Wilde, Mr. and Mrs. Dan Wilde, and Mrs. Leona Eberhart, Mrs. James Bezner, Chris, Jim and Susie Bezner, Mike Phillips and Carol Bezner.

Kelly Hunt, Bride Of Tim Hennigan In Saturday Rites

Miss Kelly Hunt and Timothy James Hennigan exchanged wedding vows in a double ring ceremony at Nuptial Mass Saturday with Father Placidus Eckart, pastor, officiating in Sacred Heart Church at 5 p.m.

Daughter of Mr. and Mrs. Bill Hunt of Myra, the bride is a 1973 graduate of Era High School. The groom, son of Mr. and Mrs. Pat Hennigan Sr., is a 1971 graduate of Muenster Public School and is employed at Hennigan Auto Parts.

Given in marriage by her father, the bride wore a gown of white polyester organza, a Bridal Original, over taffeta. French Chantilly lace dotted with pearls covered the bodice with its organza sleeves that ended with ruffles at the wrists. Her veil of illusion edged in lace fell to chapel length from a Camelot cap and her flowers were pink rosebuds surrounded by white gardenias, babys breath and stephanotis and showered with streamers tied in love knots. She wore a diamond necklace, a gift from the groom and the wedding band worn by her great-grandmother the late Mrs. J. P. Wilson of Muenster.

Bride's attendants were Mrs. Vickie Ford of Myra, matron of honor and Mmes. Jerry Kindiger of Leo, and Jimmy Southard of Whitesboro, sisters of the bride and Miss Jeanette Almon of Era, bridesmaids.

The matron of honor wore a formal gown of orchid floral organza accented with lace over deep orchid velvet ribbon at the empire waist. It had short bell sleeves. Her picture hat was of light orchid trimmed in the ribbon which formed a bow and fell into streamers. Mrs. Kindiger was identically gowned. Mrs. Southard and Miss Almon wore identically designed dresses and hats in pink. They carried feathered carnations, stephanotis, and rosebuds on old fashioned lace fans.

Mike Hennigan was his brother's best man. Another brother Tom Hennigan, Jean Gebman a brother-in-law from Santa Monica, Calif., and Earl Koelzer Jr. were groomsmen. Ushers were Jerry Kindiger, Tracy Hunt, bride's brother, and Steve Rohmer of Muenster, cousin of the groom.

Jaret Kindiger, nephew of the bride, was ring bearer.

Pat Hennigan Jr., brother of the groom, was organist with singers and guitarists Misses Christi Koesler, Susan Endres, Carol Yosten and Beverly Walterscheid. They sang "If," "Words," and "The First Time" before Mass "Let It Be Me" at the offertory, "Wed-

ding Song" at the communion and "Peace, Joy and Happiness" after the service when the couple went to the Blessed Virgin's altar where the bride placed a long-stemmed pink carnation on the altar.

Mrs. Jean Gebman and Joe Hennigan, sister and brother of the groom presented the offertory gifts and Joe handed the pink carnation to the bride for the Virgin's altar.

Church decorations featured orchid mums and pink carnations on the altar, and ivy-entwined candelabra holding crystal votive lights in the sanctuary.

Wedding reception and dinner for 200 guests were held in the KC Hall where Miss Cathy Ford of Rosston presided at the bride's book at a table that held the bride's portrait and a floral arrangement of orchid statis and pink carnations.

Mrs. Herbie Sicking presided at the punch bowl and Mrs. Jerry Walterscheid cut the wedding cake served by Misses Brenda Barthold of Myra and Bronya Shotwell of Jackson, La.

After their honeymoon to Houston, Galveston and San Antonio, the newlyweds will make their home in Muenster.

Wedding Guests
Wedding guests included the bride's grandparents Mr. and Mrs. Charles L. Wilson of Saint Jo and the groom's grandparents Mr. and Mrs. Henry Hennigan of St. Francis Village and Mrs. William Sandmann of Lindsay.

Also the C. J. Websters and Ellen and the Bruce Orrs of Dallas, the Bob Woolfolks, Melvin Chambers and Wendell Mitchells of Wichita Falls, the Jimmy Masseys and Mrs. Emmet Wynn of Denton.

And Mike Shotwell of Jackson, La., Messrs. and Mmes. Frank Cowart and Willis Knight of Fort Worth and Eric Orr of Lewisville.

Rehearsal Dinner
Mr. and Mrs. Pat Hennigan Sr. entertained at their home for the rehearsal dinner, serving guests at tables on the lawn. Twenty-five attended.

Track Team Wins Ribbons Galore at Gainesville Meet

Muenster's summer track team, 37 strong in a field of about 500 entries from 8 cities, did themselves proud in the meet at Gainesville, Saturday. They won ribbons galore, many for fourth, fifth and sixth places, but also some first, second and third places.

Considering the number of contestants and the local boys' inexperience, Coach Glenn Richardson said that they put on a good show.

This week he intends to take them to Garland for another meet, which will be held Friday night and Saturday morning. The top 3 classifications go Friday and the younger 3 go the next day.

Results at Gainesville last week went this way. In Bantam division, ages 9 and under, the 440 relay team was fourth. Runners were Monte Wimmer, James Bright, Jimmy Biffle, and David Jaska. Also, in the 50 yard dash Wimmer was 3rd, Jaska and Bright both 5th; and in 100 yard dash Tim Schneider was 1st, Biffle 3rd, Wimmer 4th and Bright 5th.

The midget division, ages 10 and 11, ran 4th in the 440 relay and the runners were Chris Jaska, Robert Weinzapfel, Mark Richardson and Kevin Klement. Also in the 50 yard dash it was Mark Richardson 3rd, Curtis Pagel and Bob Hamric each 6th; and in the 100 yard dash Chris Jaska was 4th, Bob Hamric and Kevin Klement each 6th.

The junior division, ages 12 and 13, made the best showing. In the 120 hurdles Matt Jaska and Gene Luttmir were 4th and Bert Walterscheid 5th.

100 yard dash: David Felderhoff 2nd, Sam Bright 3rd, Carl Pagel 5th. 220 yard dash: Mike Richardson and Jeff Hess 5th. 440 yard dash: Pat Walterscheid 5th, Gene Luttmir and Matt Jaska 6th. 880 yard run: Calvin Otto 4th, Jeff Hess 5th, Pat Walterscheid 6th. Shot Put: Mike Richardson 3rd, Carl Pagel 6th. Long jump: David Felderhoff 4th, Bert Walterscheid 6th. 440 relay: 4th, run by David Felderhoff, Matt Jaska, Bert Walterscheid, Sam Bright.

Intermediates, ages 14 and 15. 880 run: Mark Sicking 6th. 440 run: Randy Sawyer 2nd. Mile run: Kirk Johnson 6th. 880 relay 5th, run by Randy

Sawyer, Kirk Johnson, Dale Stripling, Mark Sicking.

Senior division, through high school eligibility. Long jump: Tom Bright 3rd. 120 hurdles: Louis Koelzer 3rd (17.1). 440 relay: 7th in field of 18, run by Tom Bright, Billy Krahl, Louis Koelzer and Davey Krahl.

Open division, out of high school. Shot put: Claude Klement 2nd and Lyle Klement 4th. High jump: Mark Lippe 1st, John Schneider 4th. Discus: Claude Klement 4th, John Schneider 5th. Long jump: Schneider 4th.

A number of apparent ties were a result of running events in several heats and posting the results of those separate heats rather than run the finals.

Senior Baseball

Center moved to the front as the senior loop of boys baseball had its second double header Monday night. The season opens last Wednesday resulted in wins for Center and the Mill, and Monday's encounter between the two leaders determined the top spot. Center scored 8 and the Mill 2 as Roger Endres and Tim Wolf were winning pitchers and Bob Endres and Kirk Johnson the losing pitchers. Center hitters were Bob Schmitz, Tim Wolf, Damian Walterscheid, Roger Endres, Joe Sicking, Bert Walterscheid, Kim Walterscheid and Bob Grewing. Mill's hitters were Calvin Otto and Bob Endres.

The next game determined the cellar position as the previous losers had a game. Co-op won it 9-4 over Endres. So standings are Center 2-1, Mill 1-1, Co-op 1-1, Endres 0-2. Pitchers for the Co-op were Nick Walterscheid and Danny Cler, and the hitters were Mike Davidson, Mark Cler, Billy Huchton, Nick Walterscheid, Bruce Fuhrmann, Terry Lewis, Chris Stoffels and Gene Yosten. Endres pitchers were Karl Koesler and Danny Endres. Hitters were Karl Pagel, Greg Knabe, Bernie Fette, Karl Koesler and Danny Endres.

The difference between "she's good looking" and "she's looking good" is about 20 years and 40 pounds.

The antelope, a native American, has no close relatives, nor has it ever had any on other continents.

ers really have the public's interest at heart when they make their demands. Of course one can't argue about their concern for better health. However the issue is a matter of degree rather than kind — whether clean air or water must be as clean as they demand.

Besides adding to the public's cost of living they are adding to our critical energy crisis. Without their interference the most plentiful fuels, shale and low grade coal, would not be ruled out. Nor would off shore drilling or nuclear power plants.

We think it's time for a re-assessment of values in the legislature. Is ecological excellence really worth as much as it costs?
