

**Completion of a perfect season** by the Muenster High Hornets and their coaches merits the congratulations of this column and everybody in the community. The team deserves high praise for its outstanding achievement.

Two factors, talent and hard work, are principally responsible for the team's success story. The first is a blessing which comes occasionally to many schools. Frequently a team has a few players of better than average ability, then comes one of those few and far between seasons when several of exceptional ability happen to be on the squad.

But even then they need many long sessions of hard and determined practice to develop the team work and endurance needed for winning.

For that factor local supporters are especially proud and grateful. The Hornets were willing, even eager, to train faithfully and work hard in a dedicated team spirit. And their extra effort has been rewarded with a fine record.

As far as their regular season is concerned, they have already reached the top, for which they have earned the privilege of competing for higher honor with another top team. In that game, with the Lake Dallas Falcons Thursday afternoon, they will have the enthusiastic backing of a proud and confident community.

It's birthday time at the Enterprise this week. As indicated by the "Volume XXXIII, Number 1," under the name plate of this page, the Enterprise is beginning its thirty third year of publication. It is thirty two years old today, having been born on Thanksgiving Day of Texas Centennial year, 1936.

In case anyone has noticed that the past year's issues of the Enterprise were identified as "Volume XXXI," we hasten to explain that the present skip to XXXIII is not a mistake. Rather its purpose is to correct a mistake. Believe it or not, we goofed for the full year of 53 issues, and, apparently, nobody noticed. Unlike the well known comedian who chooses to be eternally 39, we really had no intention of holding at 31.

While discussing goofs, this column wonders whether anyone challenges the mention of 53 issues in the paragraph above. Everybody knows that a year has only 52 weeks. So how can a weekly paper have 53 issues in a year?

Well, you lose if you thought that was another boner. Beginning with Number 1 on Thanksgiving 1967, we actually had 53 publication days before arrival of this Thanksgiving. Had we started the next volume after completing 52 issues we'd have been a week early. In fact, if we had done that every year since 1936 our anniversary by now would come about the middle of October. To avoid that we've had several volumes of 53 issues since the Enterprise started.

The explanation, of course, is that a normal year has 52 weeks and 1 day, and a leap year has two extra days — five extra days for every four years. In 32 years we'd have moved ahead 40 days. To keep our anniversary paper on Thanksgiving, we've published at least five Number 53s. Maybe six, that is, if the first extra publication day came soon after we started. Some time, just to satisfy curiosity, we'll check back to count the Number 53s.

Sentiment as well as lust induced us not to let the anniversary creep forward every few years. Others don't change their birthdays. Why should we? Besides, we've thought from the start that this is a very appropriate day for the paper's anniversary. We always have so much to be thankful for.

This year again, as many times in the past we are grateful for Divine blessing which has enabled the paper to keep going. We are grateful for the splendid support of our subscribers, our advertisers and our printing customers. We are grateful for the privilege of being a part of a thriving community which is widely

MUENSTER, COOKE COUNTY, TEXAS 76252 NOVEMBER 29, 1968

NUMBER 1

## Christmas Lights To Turn on Monday

Christmas lights on the highway and Main Street of Muenster are installed and ready for the flick of a switch Monday night.

City personnel assisted by TP&L men and equipment, erected the lights last Monday, to take advantage of nice weather. The council had previously decided to turn on the lights the first week of December.

The display, according to City Manager Steve Moser, consists of 22 strings, each with 36 bulbs of 25 watts. Colors are mostly red, blue and green plus a few orange lights. Area decorated is Main from Shamburger's to the VFW hall and the highway from Main to the east city limit.

## Don Hartman Is Breakfast Club's Boy of the Month

Don Hartman, Muenster High School senior, has been named as the Breakfast Optimists Club's Boy of the Month for October by the Gainesville club.

He is the son of Mr. and Mrs. Herman Hartman.

Don holds a 90.46 grade point average and serves as a captain of the Muenster Hornet's football team. He has made all-district and all-area football team selections.

Hartman has served as president of his freshman, sophomore and junior classes. In addition, he has also been active in FFA work and served as president of the Muenster FFA Chapter and treasurer of District FFA. His other honors include the FFA Chapter Farmer Degree and Agriculture and Industrial Arts Awards.

He has also been active in other student activities and has earned the Eagle Scout Award.

## Muenster Jaycees To Host Visitation

Jaycees of Muenster will be the hosts next Thursday night for a regional visitation to be held at the Lake Sycamore club house north of Lindsay.

Chapters participating are Muenster, Gainesville, Nocona, Decatur, Denton, Whitesboro, Collinsville and Tioga.

## Moisture Tops 10 Year Record

The moisture situation of this community continues to be ideal. Tuesday's 1.61 inch soaker came at the right time and in the right quantity to cheer farmers of the area.

Prior rainfall for the month was only .46 inch, so grain fields and pastures were ready. The new surge of growth they have received presents an encouraging outlook for good winter grazing on both range and cropland.

The year's reading to now is 41.68 inches, which already tops all of the full year totals of the past ten years. It just slipped past the 41.67 record of 1962, and remains far below the 1957 record year of 51.80 inches. Other high readings on Steve Moser's official Weather Bureau record are 43.53 in 1950, 41.78 in 1946 and 41.56 in 1964.

**Add .56 inch, snow and rain.** More rain plus the season's first snow increases both volume and benefit of the moisture. Early Thursday reading brings the month's total to 2.63, the year's to 42.24.

Cyril Yosten of Gainesville has recovered from a tonsillectomy performed at Muenster Hospital. He was dismissed Saturday.

## Muenster KCs Are Hosts for District Major Initiation

Muenster Knights of Columbus will be hosts next Sunday for an initiation conferring the second and third degrees on 47 candidates from Muenster, Gainesville, Denton and Pilot Point councils.

The initiation is the main event of a program which begins at 11 a.m. and extends into the night.

First on schedule is an 11 o'clock Mass in Sacred Heart Church at which the candidates and members and their wives are asked to attend in a group. After the Mass officers and candidates will be guests of the council at a brunch.

The second degree initiation will begin at 1 o'clock and the third degree will follow immediately after. The Honorable State Deputy, Willard Green of Temple, will be the conferring officer who formally receives the new members into the order.

While the initiation is in progress wives of out of town knights will be guests of the local KC wives. Headquarters of their activity will be the TP&L Community Room.

After initiation the ladies will join members in the KC hall for a supper beginning at 5:30 and a social program featuring a dance. Rohmer's will cater for the supper and Corky and the Del Rays will provide dance music. Charge for the supper and dance will be \$1.50 per person.

Muenster's list of 25 candidates includes Robert Miller, Donald Flusche, David Hoenig, Walter Bartel, H. D. Flippo, Dolphy Joe Hellman, James Mollenkopf, Steve Hess, Clarence Hudspeth, Mike Felderhoff, Gilbert Hess, Giles Truenbach, Wayne Klement, Dale Klement, Glenn Trachta, William D. Wolf, James Moser, Ben Fleitman Jr., Michael Kleiss, Chris Walterscheid, Paul Hoedebeck, Joe Bayer, Denis Hofbauer, James Gehrig and Andy Klement.

## Christmas Ideas Program Dec. 2

Tulu Hickerson, Texas Power & Light Company home service adviser, will be in Muenster next Tuesday, Dec. 2, at 8 p.m. to conduct a demonstration — preparing holiday foods and showing use of small electrical appliances.

Her program is entitled "Treasury of Christmas Ideas" and will end with those in attendance sampling the goodies. Mrs. Hickerson will also demonstrate use of the Corning cook top.

The program is open to the public without charge and everyone is invited to attend. It will be held in the Public School homemaking room.

On Bronco Field, Denton, Today at 2 p.m.

## Hornets Play Falcons For Bi-District Title

The Hornets of Muenster High, with their undisputed claim to the 9-B trophy definitely established, are getting set this week to try for a bigger prize.

They will meet Lake Dallas, champs of 10-B, at Bronco

Field in Denton Thursday afternoon at 2, for the bi-district trophy and also the honor of being bi-district representative in the regional game.

Also this week Celina of 11-B is playing Anna of 12-B and the winner of that contest will be the other contender in the regional game.

## Essay Contest on Conservation Set By Soil District

Harold Skaggs, chairman of the board of supervisors of the Upper Elm-Red Soil and Water Conservation District, announced this week that the local district will sponsor the 9th Annual Essay Contest on soil, water and plant conservation.

Essay length is 300 words or less. Any boy or girl residing in the Upper Elm-Red District who is not more than 19 years of age, in or out of school, but not a high school graduate may enter this contest. Entries must be submitted on or before Jan. 31, 1969 to Harold Skaggs, Route 1, Sherman Texas, and must have the name of the contestant and his or her school on the front or attached.

This year's subject is, "HOW CONSERVATION HELPS TEXAS." Skaggs advised against writing a technical paper on how to conserve the soil, water and plants, but rather to be original and use imagination. Describe how soil, water and plants will provide for the future needs of Texas and its citizens.

The District will give awards of \$15.00, \$10.00 and \$5.00 to first, second and third place winners.

Last year the district board received only 571 entries. The Board expressed a desire to have 750 essays this year. Some districts have more than a 1000 essays each year.

Essays will be judged in the local contest and then forwarded to the Fort Worth Press for entry in the state wide contest where they will be considered for the \$200 first prize and a silver tray. In addition to the grand prize in the State, there will be regional winners and trophies for fifty other essay writers.

Skaggs urged every vocational agriculture instructor in the three county district along with all the English instructors to use this contest as a means of improving composition and increasing knowledge about conservation.

According to comparative records Muenster will enter the game as favorite. It has a perfect 10-0 count for the season whereas Lake Dallas has 8-2. Furthermore one of those losses was to Muenster, and by a score of 40-0. The other was to Era, which almost up-ended Muenster last week.

Coaches Glenn Richardson and Dan Hamric are telling the Hornets that they can win again, but also warning that this will not be a repeat of the other game. The Falcons were better last time than the score indicated. And they have improved since, as indicated by a 47-0 win over Alford last week. Furthermore their scouts have been watching Muenster for weeks. They know more about the Hornets than they did before.

Mentally the Muenster boys are ready to go but physically they are not up to peak condition. An injured ankle will keep Sammy Sparkman out of action and a shoulder injury may do the same to Alcuin Schilling. The other Hornets are all in good condition.

In going undefeated through the past season the Hornets have set some marvelous statistics. They ran up a total of 445 points while allowing 70 to their opponents. They made 215 first downs while their opponents made 97. Total rushing yardage was 3154 for Muenster and 638 for opponents. Total passing yardage was 884 for Muenster and 711 for opponents.

Clifford Sicking has performed sensationally for the Hornets all season. In 231 carries he gained 2105 yards, an average of 210.5 a game, and scored 204 points. Sammy Sparkman made 475 yards and 50 points in 53 carries. Don Hartman made 383 yards and 18 points on 76 carries. Mark Hellman made 283 yards and 12 points on 34 carries. John Monday has 52 pass completions on 104 attempts. Dale Cash has 11 pass completions on 27 attempts.

In pass receiving Bobby Bruns leads with 29 for 518 yards. Sam Sparkman completed 11 for 154 yards.

# Muenster Shades Era 38-30 in Season Classic

Muenster's Hornets and their fans had the scare of the season Friday night when they came so very close to being dumped by the scrapping Era Hornets.

In a story book ending the charges of Glenn Richardson and Dan Hamric scored two touchdowns in less than two minutes and mark up a 38-30 win — and keep their perfect record intact.

The play that busted the game wide open was completed as the score board clock read 2:02. On a fourth down with 15 to go for a first down, and 61 yards from the goal, John Monday heaved a long pass to Bobby Bruns who probably ran his fastest ever in going the rest of the way for a TD. Don Hartman rammed over two extra points that tied the score.

Two tough breaks for the visitors in the next minute gave Muenster its final chance. On kickoff Era's receiver stumbled and the ball went in play just 8 yards from the goal. Two tries gained two yards, then a pass for 15 was nullified by an offside penalty and the ball was set back to the 5. Next play lost 4½. With just a half yard from its goal Era had to kick. Muenster blitzed for a safety or blocked kick but the punt got away from deep in the end zone and went out of bounds on the 22 with 47 seconds left.

Clifford Sicking gained 2 on the first try. Next time he got

around right end and scooted the final 20 yards for the go-ahead TD. John Monday made bonus points on a quarterback sneak.

Even then, with 32 seconds left, tension was intense. From the 20 Era went to the 32 in two plays, and 4 seconds were left. Next one was a complete pass as time ran out but officials ruled that the receiver was roughed. Era was allowed an extra play on Muenster's 39. On that play another personal foul was called on Muenster and Era got its second overtime chance, this one from the Muenster 20. In that final scramble Era lost 15 yards and the game was over.

Those were the hectic closing minutes, coming as a climax to the preceding 45 minutes that were only slightly less exciting. Moments after kickoff it became apparent that Era came to win. Though it barely missed doing that, it did give Muenster its fight of the season and took some of the honors on statistics.

In the first half especially, Era led 17-10 in first downs and 301 to 234 in total yards. The terrific passing attack for Era, 10 of 18 netted 181 yards and runs gained 120 more. Meanwhile Muenster made 60 yards on 2 out of 5 passes and gained 174 by rushing. Ball control explains at least some of the difference. Era had it for 49 plays, Muenster for only 23.

Next half Era led again in first downs, the count being 10-9, however it trailed in

yardage. It made 85 on 9 of 13 passes and only 24 net by rushing. Muenster made 86 on 4 of 6 passes and 122 yards by rushing. In total plays they were almost even, Era 34 and Muenster 30.

To begin, Era uncorked a 42 yard pass on the third play and Muenster discovered it had a big problem. For the night Jerry Ford completed 19 of 31 passes for 266 yards. His aim was usually on the mark and Billy Nash, Danny Richardson, Mike Cook and Danny Hair were hot on the receiving end.

However the series following the opening pass failed to go and ended in a kick.

Muenster's first play, starting from its 47 was also a pass — Monday to Mark Hellman for 30 yards to the 23. Four plays from there reached the 1 and Monday finished the job with a quarterback sneak. Clifford Sicking added 2 points.

On its next possession Era put on its first scoring drive starting at the 28. Nine plays including passes of 6, 10, 19 and 9, went 67 yards to the 7, and four more tries did it. Ford sneaked over from the 1. The run for extra points failed. Muenster led 8-6 with 3:15 left in the first quarter.

After the next kickoff Muenster failed on the first series and kicked, and Era started a 76 yard drive. Again it was a matter of steady gains, with Ford doing a fine job

of mixing runs and passes. There were 14 plays, the biggest being a pass to Richardson for 38. Richardson also received the touchdown pass for 12 and a pass for extra points. That put Era ahead 14-8.

However only one play was enough for Muenster to catch up. Clifford Sicking broke through at right tackle, evaded two defenders and got clear for a 63 yard scoring sprint. A run for bonus points failed. The score was tied at 14 at 8:23 of the second quarter.

On next possession Era got going again. Six plays gained 56 to the 9, then Muenster called a halt. Next four tries resulted in a net loss of 1 and Muenster headed the other way. Seven plays aided by a 15 yard penalty made the 90 yards, Monday making the last 1. Along the way Sicking gained 58 on 4 runs, Don Hartman made 16 on 2 runs. A screen pass to Hartman added 2 points. Muenster led 22-14.

First play after kickoff Andy Knabe intercepted Ford's pass. Then Sicking gained 8. Next he tried an end run on a pitchout but failed to get a good hold. After juggling the ball for several steps he lost it and Era recovered on its 38. Just three plays were enough to turn the break into a score: a pass for 22, a run for 7, then Nash's touchdown romp for 33. Ford followed over for extra points, making the count 22-22 at half time. Muenster started the second

half by fumbling on its second series and regained when Era failed to make its second series. Then, with 64 to go, Muenster gained to the 9 in 8 plays and fizzled. After a 5 yard penalty and four tries it lost possession on the 16.

That's where the visitors started their last scoring drive. Passes accounted for 59 and penalties for 10 in the 84 yard push and the pay off was a pass to Nash for 5 yards. Another pass to Nash put Era ahead 30-22 with the clock at 10:31 in the last quarter.

Muenster launched its catch up drive but failed to finish it. Six plays gained 51 yards to the 17 and the next series was short by 2.

Things looked gloomy then. Era made a first down and kicked when its second series bogged down. The clock read 2:37.

Two passes failed to connect and the next play lost 5. That's when Monday fired the bomb to Bruns and the score was suddenly tied again.

Then came the hectic two minutes with the final winning TD by Muenster, and Era's threat after the clock had run out.

## Open House Marks Local Rest Home's Fourth Anniversary

Muenster's Golden Years Rest Home observed its fourth anniversary at an open house which included a re-dedication service and program Sunday afternoon, from three to five o'clock, with some 350 visitors coming and going.

Residents of the home, staff members and visitors joined in the living room where Fa-

ther Placidus Eckart, pastor of Sacred Heart Church, headed the program with an address, re-dedication service and memorial to the late Dick Cain, along with congratulations to Mrs. Cain, administrator, as the rest home enters its fifth year of operation. It was opened by Mr. and Mrs. Cain in November 1964.

Other speakers included the Rev. John Brooks, pastor of Muenster's First Baptist

Church, and Dr. Harry Roark of Gainesville's First Baptist Church.

A group from Saint Jo sang hymns and a girls' choir from Sacred Heart School accompanied by Benedictine Sisters, sang.

Refreshments of punch and cookies were served and musical numbers were presented by the Hogan Band.

Visitors attended from Gainesville, Saint Jo, Lindsay, Myra, Wichita Falls and other cities joining those from Muenster.

Among those attending were Mrs. Cain's daughters, Mrs. Wendell Richey of Gainesville, Mrs. Bill McCollum of Dallas and Mrs. Jimmy Christian of Lewisville, also her mother Mrs. J. S. Hogan and her sister Mrs. T. C. Rhone and children Rebecca, Kathy and Steve, all of Bellevue.

Jane: "I wonder what men talk about when they are out by themselves?"

Ina: "Probably the same things we do."

Jane: "Aren't they awful!"

## Hospital Auxiliary Makes Plans for December Activity

Muenster Hospital Auxiliary has made plans to dress Muenster Hospital in holiday decor for the Christmas season, to have a Christmas party for members, to sponsor the annual Stork Derby, and to take on a new project as soon as they get their current project out of debt.

This was the business at the organization's November meeting. Mrs. Ervin Hamric, president, presided.

Hospital decorations will include two trees, one in the main lobby and one in the family room, along with other interior decor. The committee includes Mmes. Dickie Pagel, Harold Bindel, Jerry Walterscheid, Alois Trubenbach, Walter and Herman Grewing, Carl Walterscheid and Gerald Graham.

The Christmas party will include a gift exchange and refreshments and will be held in the Medical Center on the Auxiliary's regular meeting night, Dec. 19. Mrs. Paul Fisher volunteered as refreshment hostess.

Stork Derby 1969 will involve Muenster merchants and business people who will contribute gifts for the first baby born in Muenster Hospital in the new year. The Auxiliary started the gifting with a \$25 savings bond.

The new project suggested by David Bright, hospital administrator, is financing the conversion of one of the hospital's linen rooms into an x-ray reading room.

A report on the organization's recent benefit dance revealed a net total of \$311.91 to help finance a Bennett machine — the second such respiratory equipment the Auxiliary has put in the hospital.

## Assembly Honors Mrs. G. H. Graham

General assembly at Sacred Heart High School Friday was dedicated to Mrs. Gerald H. Graham who taught physical education for four weeks. It was a farewell tribute.

Cheerleaders Kaye Klement, Diane Hess, Darlene Hess and Carla Schilling opened the assembly with a cheer for Mrs. Graham.

Duet acting was presented by Diane Hess and Darlene Hess who gave an excerpt from The Bad Seed; Beverly Koelzer and Margaret Kralic who interpreted a scene from The Children's Hour; Theresa Becker and Dianne Sicking whose act was from A Streetcar named Desire.

Carol Grewing and Peggy Endres gave poetry readings, selections from The Mountain Whippoorwill and Ode to the West Wind, respectively.

## Truck Stop Set Dec. 2-3 and December 30

The Salvation Army truck's next stop in Muenster to pick up discards is scheduled for December 2 and 3, according to word from Major Byron A. Freeman, commanding officer of the Salvation Army's Rehabilitation Center in Dallas. A call to 759-4311 will bring the truck to any home or business in the Muenster area. Especially needed at this time are children's toys for Christmas, Major Freeman said.

The truck is scheduled for a return visit on December 30.

Sister Agnes Voth of Jonesboro, Ark., is here to visit with her mother, Mrs. Barney Voth, a patient at Muenster Hospital.

**Drama Students Give HS Program**

Five of Sister Richard's drama students of Sacred Heart High School presented the program for members of the Home-School Society at their meeting Tuesday night. Carol Grewing, Beverly Koelzer and Dianne Sicking gave readings and Darlene Hess and Diane Hess presented a duet act. Alvin Fuhrman, president, conducted the business session. Committees were named to be in charge of various concession stands at the Thanksgiving Bazaar and another committee was named to secure a projector for the school. On this committee are Ray Wilde, Al Hess, Larry Yosten and Father Benedict.

A report on the Halloween Carnival revealed it was a successful benefit. After adjournment refreshment hostesses Mmes. Leonard Hartman, Bernard Haverkamp and Dan Haverkamp served coffee and cookies to about 50 present.

**BIRTHS**

Proudly announcing a daughter are Mr. and Mrs. Duwayne Schilling, first time parents. Their seven and a half pound girl arrived Monday, Nov. 26, 5:20 p.m. at Gainesville Hospital. Welcoming a granddaughter are the Frank Schillings and Charles E. Wimmers. Great-grandparents again are the J. C. Wimmers, Mrs. John Schilling, and the Matt Neus of Lindsay.

Mr. and Mrs. Dave Flusche of Mineral Wells announce a son, Shawn Michael, weight seven and a half pounds, born Saturday, Nov. 23. He joins a family of two girls and two other boys. The grandparents are Mr. and Mrs. R. H. Whittman of Garland and Mr. and Mrs. J. P. Flusche. The J. R. Whittmans of Garland and Mrs. Tony Otto are great-grandparents again. And there's a great-great-grandmother at Garland. The Flusches visited their son and family Sunday, got acquainted with the new baby and brought grandson David, four years old, back with them for a week's visit.

**Vogel Home Scene Of Dinner Party**

The home of Mr. and Mrs. T. Vogel was the scene of a family gathering Sunday for an early Thanksgiving celebration and christening dinner.

Center of attraction was infant Michael Dale Adair, son of Mr. and Mrs. Dale Adair of Fort Worth. He was baptized in the afternoon in Sacred Heart Church by Father Andrew assisted by Miss Helen Vogel of Fort Worth and Tommy Vogel as godparents for their nephew.

Others from out of town at home for the occasion were Misses Janice and Jeanne Vogel of Dallas.

**Engineer Talks To JETS Chapter**

The Muenster chapter of Junior Engineering Technical Society (JETS) got a few ideas on a career of petroleum engineering at their monthly meeting held Monday night in the TP&L building.

Their guest speaker was John Tracy, a 1954 graduate in petroleum engineering at A&M, now a member of the Lock and Tracy engineering partnership at Gainesville. He was introduced by Ernest Jaska, chapter adviser.

Tracy talked about variations of work in petroleum engineering, also about methods used in secondary recovery of oil.

THE RENNER PASTURE PROGRAM on the Al Felderhoff farm begins winter grazing on high protein Ermelo lovegrass. Felderhoff is here with some of the 26 beef cattle on the 20 acre pasture.

**Cattle's Reaction Endorses Quality of Ermelo Pasture**

The value of Ermelo lovegrass as a winter pasture became apparent in just a few days in the Renner Pasture program on Al Felderhoff's farm three miles northwest of Muenster.

Jack Lair, Renner technician assisting Felderhoff in the demonstration project, said that grazing of the 20 acres by 26 head of Black Angus began on November 12 and will continue through the winter. Mineral supplements, including protein blocks, are available to the cattle at all times. In the first week the equivalent of only two protein blocks have been eaten.

That fact, according to Lair, indicates the high protein content of the Ermelo grass. Cattle are not eating the barked protein because they do not need it. A sample of the grass taken in late September had analyzed 12.59 per cent protein.

**Denton NCCW Is Host For Deanery Biennial Meeting**

Members of Immaculate Conception Altar Society of Denton were hostesses for the biennial institute for members of the Sherman Deanery's National Council of Catholic Women. Sixty, from nine parishes of the deanery; attend the Thursday session.

Mass at 10 a.m. opened the meeting and business followed. Mrs. Peter Collora was program leader on "NCCW and You."

Very Rev. Richard E. Johnson, host pastor, opened with prayer and Mrs. Charles Valdez of the host parish gave the welcome. Routine business concluded, Mrs. Collora began her program.

A covered dish noon luncheon was followed by continuation of the program. Mrs. Collora illustrated with posters.

Diocesan chairman on the program included Mrs. Thelma Gray of Denison and Mrs. Charles Reutinger of Wichita Falls who spoke on their respective commissions, Church Communities and Internal Affairs.

Members elected Mrs. Will Bierschenk of Valley View vice president of the deanery council to fill the vacancy created when Mrs. E. H. Johnson of Denison stepped up to the presidency following the move of Mrs. Gordon Beavers to New Jersey.

The meeting concluded with showing of the film, "Right to Life," narrated by Loretta Young.

Members of the clergy present, introduced by the host pastor, were Rt. Rev. Msgr. Robert Forliti, deanery moderator, Father John Brennan of Denison, Father John Walbe of Lindsay, Father Emil Slovacek of Pilot Point and Father Anthony Gajda of Valley View.

Attending from Muenster were Mmes. Steve Moster, Frank Herr, Al Hess and Frank Bayer.

Next quarterly meeting will be held in Denison on February 20.

**Relatives Attend Dick Otto's Rites**

Members of the Meurer and Otto families were in Wichita Falls Wednesday at the funeral of Edward Joseph "Dick" Otto, 48, who died early Monday morning at his home in Borger after suffering a heart attack.

Services were held at 10 a.m. in Sacred Heart Church. Msgr. Thomas Weinzapfel and Father Joseph Weinzapfel, both of Dallas, officiated at the Requiem Mass and graveside rites. Burial was in Sacred Heart Cemetery.

Otto, son of Mr. and Mrs. Ed Otto of Wichita Falls, was a truck driver. He moved to Borger from Wichita Falls in 1962. He was born in Scotland and was a Coast Guard veteran of World War II.

Survivors include his wife, three daughters, one son, his parents, five sisters, and six grandchildren.

**Local News BRIEFS**

Mr. and Mrs. Denis Walterscheid were in Fort Worth Sunday to be godparents for their new niece, Jeanine Joan Dunham, daughter of Mr. and Mrs. Eddie Dunham, at her baptism.

Mr. and Mrs. John Fleitman, Mrs. Felix Yosten and Mrs. Henry Grewing returned Monday night from a five-day visit in Hereford with relatives. They were houseguests of the Ewald Berends and visited the Charlie Berends, Tommy Albrachts, Leroy Berends and Gilbert Yosten who dined them and took them sight-seeing. An especially interesting tour was that of the sugar beet factory in Hereford. They watched the complete process of converting beets into sugar.

Visitors Monday with Mrs. Mack Smith and daughter Miss Ruth Smith were a nephew and cousin George Malcolm his wife and their son Willard of Houma, La., and a grandson Sammy Holms of Decatur, where the Malcolms spent a few days with relatives.

Mrs. Carl Ellison and children Carla Sue and Danny left Monday to return to their home in El Paso after being here for the funeral of their mother and grandmother, Mrs. Joe Walterscheid, and remaining to visit relatives.

The Swirczynski family received word from Fort Worth Thursday of the death of Mrs. Ed Swirczynski's father Frank Galloway in Fort Worth after a lengthy illness. Funeral services were held there Saturday.

Dr. and Mrs. Ernest W. Laake of Dallas were here Sunday, visitors with his sister Angela Laake and niece Rosa Driever. They brought roast turkey, cranberry sauce, pumpkin pie and other food for dinner with them for an early Thanksgiving observance.

Mr. and Mrs. John Richey of Marysville were among relatives at the annual get-together of Wyatt cousins Saturday evening when Mr. and Mrs. Dale-Wyatt of Fort Worth were hosts at the farm home near Burton.

The cousins also celebrated Dale Wyatt's birthday. They sang the happy birthday song which was taped along with party conversation and later played back to the surprise and amusement of the group.

Those attending took covered dishes for supper and followed with home movies shown by the hosts' soldier son David Wyatt of Fort Sill, Okla. Other guests included Dale's father Leonard Wyatt of Gainesville and cousins and their families from Sivelis Bend, Sherman, Whitesboro, Collinsville and Gainesville. Twenty-four were present.

**SOIL CONSERVATION DISTRICT NEWS**

**OUR SOIL ★ OUR STRENGTH**

Prentice Harris of Saint Jo is doing an outstanding job of soil and water conservation on his farm West of Bulcher. Within the last few years, Harris has cleared approximately 390 acres of timber. Native grass has been established on about 135 acres of this area. The remaining acres have been sodded to Coastal bermudagrass.

Some old sandyland fields that had once been cropland have also been established to bermudagrass. Harris plants small grain and vetch on old cropland fields for temporary grazing and soil improving.

The soil conservation technicians from Muenster recently staked Harris' two ponds for livestock water. These water facilities will enable him to rotate his livestock between pastures.

"Rotating livestock between pastures will provide more grass for his livestock. Proper grassland management can also be planned and carried out," Cecil Chaney, SCS technician states.

Harris is doing an outstanding job of maintaining a good cover of grass, which, according to district supervisors, does more to reduce soil erosion than any other practice. A cover of grass lets more water soak in the soil and less runs off.

Seedbed preparation is very essential in establishing grassed waterways according to supervisors of the Upper Elm-Red Soil and Water Conservation District.

Landowners wanting to construct terraces next year and not having adequate waterways should be planning them now. There are several steps in waterway establishment. First the waterway must be properly located. Then seedbed preparation should begin in early fall. During the winter discing should be done to smooth and firm the seedbed and control any competition that may be up. After the grass is established, fertilization and weed control must be carried out so that a good stand of grass can be obtained.

Waterways are staked on Werner Becker, Don Finley, Bruno Fleitman, Kenneth and Robert Klement, Mattie Lien Sappenfield and Alfred Sicking to be planted this spring. Other landowners desiring information on waterway development should come by the local Soil Conservation Service office according to Arlin Naegeli, SCS Technician, at Muenster.

Miss Linda Yosten and her brother Tommy Yosten left early Thursday morning for San Francisco, Calif., in Linda's car. She will join her sisters Misses Gloria and Bernadette Yosten at their apartment and will go into nursing in a San Francisco hospital. She had been on the staff at Muenster Hospital. Tommy will fly back after visiting his sisters and doing some sight-seeing.

Flag football, though less rugged than the real thing, can be just as active. Normally it is loaded with passing and end runs.

Ray Owen has been dismissed from Muenster Hospital where he was a pneumonia patient.

**Parochial Teams Start Basketball With Four Losses**

Sacred Heart's basketball teams started their season as expected, by losses to a couple of schools that had a head start in practice. Both boys and girls lost to the teams of Forestburg and Peaster.

Joe Wilkinson's Tigerettes went down for a 29-18 count before the girls of Forestburg. In the first quarter the score was 17-0 favoring the visitors, but Sacred Heart improved it after that. Scores ending other periods were 17-6, 19-12 and 29-18. Kaye Klement hit 12, Donna Rohmer 4, and Margaret Kralicke 2 for Sacred Heart.

Next time, playing Peaster, they showed improvement in a slim 29-25 loss. Counts by quarters were 10-8, 20-14, 23-22 and 29-25. Kaye Klement with 19 and Margaret Kralicke with 6 led for Sacred Heart.

The boys' team, coached by Joe Felderhoff lost 52-25 in their game with Forestburg last Friday. Count by periods was 14-5, 29-11, 40-17, 52-25. Lee Roy Hess made 20 for the Tigers and Doyle Hess 2.

Tuesday they enjoyed a 7-2 first quarter lead, but dropped behind 13-17 at the half. Next half the visitors kept gaining for leads of 30-22 and 50-33. Top Tiger scorers were Lee Roy Hess 20, Melvin Schilling, Tim Endres and Kenny Stoffels each 4.

Next action for the team will be at Greenhill Friday night, a girls game here Saturday at 3 with Immaculate Conception plus grade school boys and girls games, and games at Collinsville next Tuesday night.

Members of the boys team are Lee Roy Hess, Melvin Schilling, Tim Endres, Doyle Hess, Kenny Schmitz, Jim Schmitz, Steve Stoffels, Kenny Stoffels, Steve Fette, Andy Truelsenbach, Ronnie Hess, Gene Hess, Ross Felderhoff.

Girls' team members are Kaye Klement, Doris Schilling, Margaret Kralicke, Beverly Koelzer, Dianne Hess, Donna Rohmer, Peggy Sicking, Judy Klement, Darlene Walterscheid, Dolores Peis, Theresa Hoedebeck, Donna Endres, Doris Schmitt, Florence Hess, Mary Lou Kralicke, Peggy Endres, Janice Grewing, Carol Grewing, Dianne Sicking, Monica Yosten, Elizabeth Fleitman, Denise Walterscheid, Mary Bayer, Nancy Endres, Shirley Hacker, Joanie Rohmer, Carolyn Schoech, Gayle Sicking, Carla Schilling, Margie Felderhoff, Linda Voth, Yvonne Gehrig.

By Mrs. John Richey

MARYSVILLE, Nov. 18 — Mrs. Earl Robison had both her sons with her during the weekend. Douglas came from Spur and Jimmy from Texas A&M.

Mr. and Mrs. Howard Houtchens had as guests three days the past week his brother-in-law and sister Mr. and Mrs. Roy Lemons of Harold.

Mrs. O. C. Ingram of Burns City and daughter Mrs. Helen Branch and daughters of Gainesville visited Saturday with their daughter and sister, Mrs. Grady McElreath and

family. The Melton Ramseys and sons of Whitesboro were Saturday evening visitors and supper guests in the McElreath home and Sunday afternoon visitors were the Rufus McElreaths of Gainesville.

Mr. and Mrs. Sam Sparkman and Sammy visited Sam's mother Mrs. J. B. Sparkman at Valley View Sunday afternoon.

Bro. Henry Mazingo of Gainesville was guest speaker Sunday morning and evening at Marysville Baptist Church. His wife and their grandson Kenny Mazingo accompanied him and the three had dinner and supper with the Rafe McElreaths. In the afternoon they all visited the Grady McElreaths.

Mr. and Mrs. R. L. Whitt and her mother Mrs. Reta Holland of Fort Worth and Mrs. Holland's son Winfred Holland of Fresno, Calif., visited one day with R. L.'s parents, the Nathan Whitts. Sunday visitors were the Charlie Winchesters of Gainesville.

Mr. and Mrs. Eddie Joe Reeves and son of Saint Jo were Sunday guests of her parents the Jack Tuggles.

Mr. and Mrs. D. L. Alexander of Quannah visited Sunday evening with Mr. and Mrs. Bill Moon. The ladies are cousins. Mrs. Alexander, the former "Chick" Barlow, resided in the Warrens Bend area when she was a child.

Billy Owens of Dallas spent the weekend with his parents, the Joe Wilcoxes. Other guests Sunday were Mr. and Mrs. Joe Wilcox Jr. of Nocona.

Visiting Sunday with the Joe Doughtys were their sons, Weldon and family of Eules and Sheldon and family of Valley View. Douglas and his family of Valley View were Saturday visitors.

Mrs. Rafe McElreath visited Saturday with Mrs. Ernest McElreath and her daughter Mrs. Donny Swirczynski and son Rodney at Gainesville.

Mrs. Agnes Parish and son Buster Long of Fort Worth were Saturday night guests of her nephew and niece Mr. and Mrs. Ernest Huggins and spent Sunday with her sister Mrs. Annie Huggins.

Mrs. Weldon Doughty and children Denise and Michael of Eules visited their aunt Mrs. Tillman Bridges and family Saturday. Sunday visitors in the Bridges home were Mr. and Mrs. Tim Sieger and daughter of Gainesville.

Mr. and Mrs. Howard Houtchens left Tuesday to spend until Thursday with relatives in Electra.

First Lieut. Michael W. Morris, Mrs. Dee McElreath and Marc McElreath of Gainesville visited the R. D. Morris Monday evening. Lt. Morris was enroute to Fairview, Okla., to visit his parents, Mr. and Mrs. Harold Morris. He received his Rotary Wings on Nov. 5 at Flight School in Georgia and will soon leave for Vietnam from California.

Gainesville Riding Club members met Monday in First State Bank community room for a business session and made plans to set pivot at the CCJC Rodeo Friday, Nov. 22, 8 p.m. Retiring Captain Tim Binford called the meeting to order, Jay Tooley led the invocation and Mrs. Buddy May, retiring secretary-treasurer read minutes of the previous meeting. New officers, Captain

Darnell Graves and Mrs. Kenneth Kuykendall then took charge of the meeting. Captain Graves appointed chairmen and committees for club duties. Refreshments were served to 52 after adjournment.

Mr. and Mrs. Joe Bezner of Lindsay and Mrs. Lottie Taylor and the late William R. Taylor of Nocona.

Wedding music was provided by Mrs. William Schmitz, organist, and Mrs. Bruno Zimmerer, aunt of the bride, and Rudy Dieter vocalists. They sang "Ave Maria" at the offertory, "O, Lord I Am not Worthy" at communion and "Mother at your Feet" after the service when the bride placed the traditional bouquet on the Blessed Virgin's altar. The altar before which the couple pledged vows held white mums, gladioli, greenery and candles.

Presented for marriage by her father, the bride wore a formal gown of white silk peau de soie combined with Chantilly lace. It was designed with a long-sleeved empire bodice of lace and Victorian neckline traced in seed pearls. The slim skirt featured side panniers of scalloped lace and a chapel-length detachable Camelot train which was framed in lace and had appliqued panels of the peau.

She wore a chapel-length veil of silk illusion edged in lace attached to a mantilla comb of pearls and crystals. She carried a handkerchief that her paternal grandmother carried at her wedding, and a bouquet of Phalaenopsis orchids and stephanotis.

Mrs. Donald Ray Taylor of Nocona was matron of honor and Misses Linda Corcoran of Gainesville and Debbie Bezner, a cousin from Richardson, and Joan Zimmerer, Lindsay, another cousin, were bridesmaids.

They wore A-line gowns of peacock blue peau de soie designed with scooped necklines, elbow length sleeves and detachable floor-length back panel attached at the shoul-

ders with self bows. Matching fabric circlets with rosettes formed their headpieces. They carried red carnations interlaced with red velvet ribbon.

Rash Barrett of Ryan, Okla., was best man and Donald Ray Taylor and Jack Crenshaw II of Nocona and Bill Skinner of Bowie were groomsmen. Joe Bezner Jr., brother of the bride, and Charles Jones were ushers.

The bride's brothers Mike, Kenny and Chuck were candle lighters and acolytes.

Wedding reception and buffet were held in the Lindsay Parish Hall where Miss Kathy Bezner, bride's sister, registered some 300 guests.

For their wedding trip the bride wore a navy blue and white knit suit.

They will make their home in Euless. He is a graduate of Prairie Valley High School and is employed by Bell Helicopter in Fort Worth. She is a graduate of Lindsay High and had been employed at Texas Instruments in Sherman.

**Out of Town Guests**

Among out of town guests at the wedding were Mrs. Leo Cutaita and daughter Carol Ann, Mr. and Mrs. Bob Young and son Jimmy, Mrs. Frank Benenate and family, all of Dallas, Mrs. Isabel Galvin of Irving, Mr. and Mrs. Bob Bezner and son Steve of Richardson, Al Bezner of Wichita Falls, Mr. and Mrs. Roy Morisak and Mr. and Mrs. Truman Wolf of Plano and Mr. and Mrs. Tommy Zimmerer and daughter Tonia of Denton.

The James Sheltons have moved from East Sixth Street to occupy the former home of the late Mrs. Joe Walterscheid on North Oak. The Sheltons are teachers at Muenster Public School.

**Four New Courses Added at CCJC**

Increased enrollment and student demands have led personnel of Cooke County Junior College to add several new courses to the list of offerings for the coming school year according to information released by Dr. A. E. Shasteen, academic dean.

Among the new courses being offered are General Biology, Social Psychology, Representative Studies in World Literature, and Industrial English.

The new Biology course will consist of studies in the fundamental principles of cellular organization from the standpoint of chemistry as well as the origin, properties, and function of protoplasm of both plants and animals. It is designed as a one-semester course and may be followed by a course in either botany or zoology to meet the beginning requirements for laboratory science.

The new course in Social Psychology will emphasize the study of psychology as a scientific discipline and will focus upon careful experimentation and observation as a method of acquiring knowledge. Parallels between the social behavior of animals and human beings will set the background for the study of more complex forms of social interaction. Other areas which will be examined are attitude formation and change, the structure and dynamics of groups, and interpersonal attraction.

Representative Studies in World Literature was added to the curriculum in order to broaden the students' choice of courses required for graduation from college. The

course is oriented toward students whose interests are primarily in modern literature of America, Europe, and Britain. Industrial English is being offered for the first time at Cooke County Junior College and is specifically designed for vocational-technical majors. The course is being taught simultaneously with a survey course in government. The primary objective of the course is to provide the student with reading and writing skills necessary for success in college.

Mr. and Mrs. Roger Taylor and daughter Sandy of Houston visited their families, the Arthur Endreses and Mrs. Charles Taylor Saturday and Sunday and went on to Stillwater, Okla., Monday to visit Mrs. Taylor's sister and family, the Howard Mollenkops, Jana, Greg and Matt. They returned Tuesday evening to finish out a week's vacation with the relationship here.

Live within your income and without worry — and a lot of other things.

There appears to be a thousand ways to spend money, and only one way to make it. Perhaps that explains why so many of us are in debt.
