

SPARKY SAYS
OCTOBER 6-12 IS
FIRE PREVENTION
WEEK
N.F.P.A.

There is some satisfaction in knowing that Abe Fortas was not in the Chief Justice chair when the Supreme Court opened its new session Monday. The Senate did a commendable job when it refused to confirm his appointment to that position by LBJ. The only fault in the Senate action was its failure to reject him by a more decisive count.

Actually the man was defeated by parliamentary procedure rather than by count of supporters and opponents. A filibuster was going to prevent a vote on the issue. Stopping the filibuster required a two thirds majority and the vote to stop it came out with a small simple majority. So the main issue had to be dropped.

However, a point to remember is that Fortas did have more supporters than opponents. In view of his miserable record in so many respects, this fact is disappointing. It means that more than half of the senators voting either approved of the man's ways or were violating principle for the sake of political expediency. It's not a record to be proud of.

The outcome lends itself to only one interpretation as far as the average layman is concerned: being unfit for the job on several counts is not sufficient grounds to deny his appointment. It's like saying that a certain degree of unfitness can be tolerated, that a deficiency of principle or integrity or propriety can be excused.

Well, that's not the average person's idea of qualification for the Supreme Court. Most of us would say that a candidate should be all good, and that any one of several blots on Fortas' record should be enough to rule him out. In fact, the standard of qualification ought to be even more rigid, to the extent that a mere doubt of the man's fitness should be enough to disqualify him. Supreme court membership is a very important job, much too important to be entrusted to one whose principles or methods can be questioned.

This line of reasoning inevitably leads to another thought. If Fortas is unqualified for chief justice it is only reasonable to assume that he is also unqualified for associate justice. It seems that personal qualifications should be identical for the two positions. So, who can say that he deserves to remain on the court? The grounds which were sufficient to prevent confirmation appear to be sufficient for impeachment.

Our constitution says that a Supreme Court justice is appointed for life, subject to good behavior. Well, what constitutes good behavior? Can the Fortas record be considered with that standard?

The entrance of General LeMay on the political scene suddenly brings the Vietnam issue into sharper focus. In effect he says that he's for a reasonable solution through negotiation, but a fight with the real intention to win if the deals continue their shenanigans.

His idea isn't new. However, because of the growing popularity of the third party ticket, it carries more weight than before. We can reasonably assume that Hanoi is more impressed than ever before.

LeMay is like MacArthur in that respect. He thinks there is no substitute for winning and he has no patience with the red way of doing things, either at the peace table or in the war. We can be sure that his position will get lots of support from Americans (Continued on page 8)

Wednesday Rain Measures 1.77 in.

Ideal moisture conditions continue in Muenster, the last being a fine shower of 1.77 inches early Wednesday morning. It improves a condition which was already good on the area's farms.

Combined with a reading of .38 on the 6th, this brings the total to 2.15 on Steve Mosler's Weather Bureau record and it brings the year's total to 38.48. Rain total for September was 2.76 inches.

Cowtown Falcons Walloped 20-0 by Improved Tigers

The Tigers did their part Saturday night toward making Sacred Heart High School's homecoming a delightful event. They ruffled the Falcons of Fort Worth Day School by a count of 20-0.

The win was a gratifying comeback from the 46-0 loss to Windthorst a week before and sets the present season record at 3-1.

From early minutes of the game it was apparent that the Tigers had an advantage but they also had troubles in procedure, which nullified lots of their efforts and gave free yardage to the visitors. Their penalties added to 110 yards whereas the Falcons were penalized only 5. On the other hand they had total gains of 314 whereas the Cowtown fellows had 72.

The Tigers seemed to get started with Melvin Schilling's interception the third play of the game. The next several tries got a first down and enough yardage for a second but the first of the penalties fouled them up. The second series was short.

Next the teams exchanged fumbles. Sacred Heart fumbled a punt and regained possession on the next play. Then the Tigers gained 39 in eight plays and bogged down on three incompletes.

After allowing the visitors a first down they held on the next series and the Falcons ran to kick. The Tigers were back in business on their 39.

That's where they started for their first TD. Three runs and three passes went to the 20 where Lee Roy Hess connected with Gene Voth for a six pointer. Hess kicked true for the extra point.

After that Sacred Heart blocked a Cowtown punt, lost possession two plays later on an interception, and got going again after the Falcons' kick. Eight plays made the 44 yards. A pass to Melvin Schilling for 22 was the big gainer, and a 2 yard run by Schilling was the pay off play. Hess kicked true again and the score was 14-0.

Drinking Drivers Will Get Breath Analysis Tests

AUSTIN, Tex. — Drinking drivers run a new risk of being nabbed — through a tell-tale scientific breath analysis device going into use in Texas.

Col. Wilson E. (Pat) Speir, Department of Public Safety Director, announced that 90 new "breathalyzers" have been purchased by the DPS and 450 highway patrolmen trained to operate them. Device will test a suspect's breath to determine the percentage of alcohol in the bloodstream.

Instruments, simple to operate and read, will be placed in 80 of the state's most-populous counties, at fixed locations and used under strictly-controlled scientific conditions.

Suspects who consent to the test will blow into a tube and the percentage of alcohol in their blood will register on indicators. About 15 minutes' waiting time is allowed before testing begins and actual test takes only five minutes. Experts report a direct relationship between alcohol content in blood and breath.

Drinking, according to DPS statistics, figures in 40 to 50 per cent of Texas' traffic deaths — perhaps more than 1,600 of last year's 3,367 highway fatalities. Over the nation, use of alcohol leads to annual traffic death toll of 25,000 and 800,000 vehicle accidents — the largest single factor in fatal crashes.

A driver with 0.15 per cent blood content by weight is 25 times more likely to be involved in a wreck than a non-drinking driver. Average person achieves that danger point after consuming five ounces of 100 proof alcohol an hour without eating. DPS chemists figure. Consumption leading to intoxication, of course, varies with weight, time between drinks and amount of food eaten.

Tests will "clear" drivers suspected of being drunk who are actually driving erratically due to illness or other reasons.

"It is hoped the DPS breathalyzer will hit hard at the problem and help reduce the traffic death rate in Texas," Colonel Speir said.

THE DEMOS CAN'T LOSE

It's going to be pretty hard for the Democrats to lose the fall election — actually, they can't lose. One way, they get the Presidency again. The other way, they let the Republicans pay off the national debt.

Tim Hess, 16, of Lawton, Okla., Dies Suddenly Monday

Tim Hess, 16 year old son of Mr. and Mrs. Bill Hess of Lawton, Okla., formerly of Muenster, died suddenly Monday evening while attending a Key Club meeting. He was a junior at Lawton High School.

Funeral services with requiem Mass were held Wednesday afternoon at three o'clock in St. Barbara's Church at Lawton and burial followed there.

Tim Hess was born in Durant, Okla., Jan. 18, 1952. He underwent open heart surgery on July 3, 1959, and had been leading a normal life.

Survivors in addition to the parents are three sisters, Mrs. David Metchum of Lawton, Charissa and Kathleen of the home, and two brothers David and Keith of the home.

Among those attending the funeral of their nephew and cousin were Miss Helen Hess, Mr. and Mrs. Ed Schmitt and Danny, Mr. and Mrs. Joe Hess, Charles and Kevin, Mr. and Mrs. Al Hess, Diane and Alan, Mr. and Mrs. Tony Hess, all of Muenster and Mr. and Mrs. Leroy Schmidtkofer, Mary, Susan, Sharon and Billy of Gainesville.

Hornets Favored Over S&S Rams in Friday Night Tilt

Odds will lean strongly in favor of the Hornets when they take on the Saddler-Southmayd Rams Friday night. The game will be played at Sadler starting at 8 o'clock.

According to the records to date this game should be an easy one for the Muenster boys and Coach Glenn Richardson expects them to ice it down early. The Rams have been shorn 42-17 by Era and 28-0 by Valley View, teams which are rated near the top of 9-B. But the Hornets rate at least as high and are regarded in many quarters as the district favorite. They have to win decisively just to keep their reputation alive.

Team conditions continue fine, according to Coach Richardson. A few of the boys have minor injuries but all are expected to be ready for the game.

Hospital Auxiliary Meet
Members of Muenster Hospital Auxiliary will meet next Thursday, Oct. 17, at 8 p.m. in the hospital dining room for their monthly business session.

Field Day Crowd Sees Renner Pasture System

A group of 110 persons, mostly from Muenster, were at the Al Felderhoff farm Tuesday morning to hear and see the extent of progress that has been made on the farm's Renner Pasture System.

The system, originated in the spring of 1967 is fully established now and ready for utilization by Mr. Felderhoff's herd of about 75 beef cattle. Its object is to develop and manage a grazing system that will increase the production of beef per acre while decreasing the unit cost of production.

The project on Felderhoff's farm is conducted under supervision of the Texas Research Foundation of Renner and it is sponsored by a group of ranchers and business men of the county. It is a six year program intended to lead the way to more efficient production of beef in this area.

Heading the field day program was Calvin Pigg of the research foundation, assisted by Jack Lair and Dr. L. J. Streetman, also of the foundation. Streetman talked briefly about production increases of other areas and explained the sequence of grazing rotation whereby each variety of grass is utilized at its peak of protein content. Others called on for brief remarks were Al

Contacts to Come From 8 Schools For College Night

Eight institutions of higher learning in Texas will be represented here next Wednesday night in Sacred Heart High School's second annual college night.

They are University of Dallas, St. Paul's School of Nursing, St. Edward's, Maryhill University, Texas A&M University, Our Lady of the Lake College, Texas Women's University, North Texas State University and Cooke County Junior College.

The event is an opportunity for advanced high school students and their parents to get pertinent facts about college life — the costs, courses, requirements and specific information about the schools represented. Seniors and parents from both Muenster schools are welcome. Juniors too, or former students interested in college.

The night's program will open in the library at 7:30 with general remarks and introductions. After that the representatives will be available in separate class rooms for private consultation.

Clothing Drive Set by Society

Saint Anne's Society members at their October meeting Sunday afternoon made plans to again sponsor the annual Thanksgiving clothing drive for the Holy Father's store-room, and ask parishioners to get donations ready for the week before Thanksgiving.

In other business the society voted to pay from treasury funds for two sets of religious books, \$16 and \$25, to be used by pre-school teachers Mrs. Dan Luke and Miss Sylvia Hofbauer in the CCD program. Members were again reminded to save Betty Crocker coupons and turn them in to Mrs. Victor Hartman.

Mrs. Tommy Herr, president, and Mrs. Al Yosten won the door prize. A social hour followed adjournment.

Dental Office Opens Monday

Dental practice at Muenster begins next Monday, Dr. Gerald M. Graham announced Wednesday that office installation is adequate for opening and that other installation will be made later.

At this time the office has one chair with accompanying operational unit and X Ray. Another chair will be installed when it arrives. Delay in delivery of equipment is responsible for the delay to date in opening the office. Original plan was to start early in September.

Dr. Graham's office is located temporarily in Muenster Memorial Hospital, in the

area which was originally used as doctors' offices for outpatient services. Plans are to build an addition to the Medical Center for Dr. Graham's permanent location.

Dr. Graham is a native of Oklahoma, a small town near Pryor. He graduated last June from St. Louis University Dental School and has been employed since by the State of Missouri, working in a mobile unit to bring dental care to handicapped children. Meanwhile he passed the Texas state board examination to qualify for practicing dentistry in the state.

PP&K Competition Booked Saturday At 9 on MHS Field

Muenster's punt, pass and kick contest for this year will be held Saturday morning, October 12, starting at 9 o'clock, on the Muenster High School football field. Sponsors are Endres Motor Company in cooperation with Ford Motor Company and National Football League.

Registrations for it will be accepted through Friday. Children who wish to compete but have not signed up are reminded that time is running out. They are also reminded that all boys 8 through 13 are eligible and that a boy must be accompanied by a parent when he signs up.

The contest will be held in six divisions, one for each of the six age groups and trophies will be awarded to the three top scorers of each group. First place winners will also advance to district contests, the winners of which will advance farther. The local contest is part of a nation wide program with the final event at the NFL play off game in Miami followed by a tour of Washington D.C.

Scoring in the PP&K contest consists of adding distances of a punt, a pass and a place kick. Accuracy counts, so distance to right or left of a line in each case is subtracted from the actual distance. The contest will be conducted by local coaches and football players.

Hornets Run Wild In 50-14 Decision Over Collinsville

Muenster High's Hornets continued their winning streak in a big way Friday night by scuttling Collinsville's Pirates in a 50-14 scoring spree.

Featured act of the show was the combined efforts of ten teammates in getting Clifford Sicking into the open after which he usually went the rest of the way on his own. That act was repeated five times and Sicking personally accounted for 30 of his team's points.

Sammy Sparkman too got into the act but two of his three TDs were scratched off because of over eagerness of teammates whose blocking attempts were ruled as clipping.

Work horses of the evening were the linemen and blockers who cleared the way regularly for short gains and often for the long ones. Standouts were Don Hartman, David Fette, Mike Cason, Mike Hennigan and Ken Swirczynski.

Action started promptly after the opening kickoff as the Hornets advanced 26 yards on five plays to the Hornet 45. Then Sicking slipped through a nice opening, zig zagged through the secondary and scooted to pay dirt.

Moments later Mike Hennigan crashed the Pirate quarterback loose from the ball and Terry Miller recovered on the 22. Five plays later Sicking scored from the 8 as the clock showed 8:06.

For the rest of the period, the Hornets had troubles. After giving up two first downs they failed in their effort, an exchange of kicks set them back to the 20, and a penalty moved them back to the 10. Then came the longest play of the night for a TD that did not count. Sparkman set sail on the old Statue of Liberty play, got beautiful mid-field blocks and went all the (Continued on page 5)

Knights to Have Ceremony, Party For Patron's Feast

Knights of the Muenster KC council and their ladies will observe Columbus Day, the feast of their patron, Sunday night with a mass, a buffet, a program and a dance.

The feast falls on Saturday but the observance was postponed a day to avoid conflict with other events, particularly a Tiger football game at Anna and a German Day celebration in Dallas.

The KC event opens with a 7 p.m. Mass at which Father Placidus, chaplain, will be the celebrant. That will be followed by a special program, starting about 7:45, featuring Joe Walter as the guest speaker and presentation of the 1968 Good Neighbor award to a person of another faith. Walter, a native of Muenster and a long time member of the Gainesville KC Council, is one of that city's prominent civic leaders. The good neighbor award has been customary here for several years in keeping with the ecumenical aim for greater inter faith harmony.

The buffet of finger foods will consist of smoked turkey, meat balls, cocktail sausage, olive cheese ritz, do dads, crackers, club sandwiches, dips and chips, pickles, deviled eggs and coffee. The table will remain through the dance, which will begin at 9 o'clock. Corky and the Del Rays will provide the music. Decorations will feature a Spanish theme of the time of Columbus.

Rugged Coyotes of Anna Will Be Next Tiger Opponents

This week's game is another tough one for Joe Felderhoff's Sacred Heart Tigers. They will be at Anna Saturday night in a homecoming tussle with the double tough Anna Coyotes.

According to Felderhoff's information his opponents are rated with the best of that area and are definite favorites for this game. They have four wins to date including 40-0 over Collinsville and 44-0 over Lindsay. They have a big hard hitting line and a pair of speedy backs — in general a team that is calculated to dish out lots of trouble to the Tigers.

On the other hand Felderhoff feels that the Tigers have improved and are better able to take on a hot team. He likes the way they operated against Fort Worth Day School last week. He thinks they can give the Coyotes a good game.

Three injuries that hurt the team last week have been healing, so Felderhoff expects Jim Dangelmayr, Paul Bayer and Don Schneider to be about back to normal. However Jerry Schmitz isn't doing as well. He has missed practice most of the week and many possibly miss the game.

Clear Vacant Lots Of Fire Hazards City Council Asks

In observance of Fire Prevention Week the City Council Monday night asked for a clean-up of all the vacant lots in town.

Mayor Earl Fisher pointed out that the grass and weeds on those lots will soon become dry enough to be a fire hazard, so the owners are urged to mow them. A bonus benefit, he added, is improving the town's appearance and eliminating cover for mosquitoes.

Fire Chief Alvin Hartman and Charley Kammerdiener, president of the Cooke County Farm Bureau, urge Cooke County citizens to pay special heed to the observance of National Fire Prevention Week, October 6-12.

"We ask that everyone develop good fire safety habits including care with matches and smoking, good housekeeping to rid the home of rubbish and proper use of electrical fuses, appliance and extension cords," the chief said. He added, "Fires killed more than 12,200 persons and

cost more than \$1.7 billion in the U. S. last year."

Kammerdiener said the fall and winter months are the most vulnerable times of the year for rural fires. "When fires occur on farm or rural property, damage is three to six times greater than in the average city fire," the Farm Bureau president added.

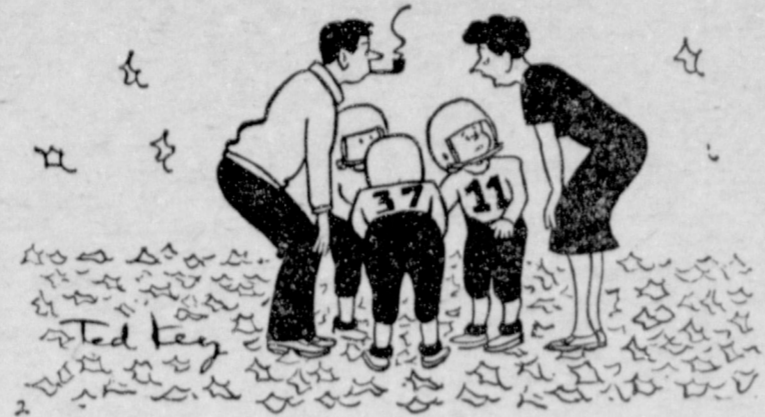

Farm Bureau has two programs designed to help curtail fire losses. The county Farm Bureau, in cooperation with the Texas Farm Bureau, sponsors the attendance of local volunteer firemen to the annual Firemen's Training School each summer in College Station. More than 600 firemen have attended under Farm Bureau sponsorship during the past six years.

The state and local Farm Bureaus also pay \$75 to fire departments for fighting rural fires in Farm Bureau insured property.

In addition to these programs, county Farm Bureaus sponsor a graphic 45-minute fire prevention demonstration. More than 100 were given before schools, civic clubs and other groups by the TFB Safety Department during the past school year. Also, almost 20,000 fire extinguishers have been sold to Farm Bureau members as a continuing program of rural fire protection.

JUNIOR, PICK UP THE TAB

Some year's back, Newsweek calculated that the total tax collections in this country from its founding through 1933 were \$91.5 billion.

More recently, Cap Beezley carefully oiled his adding machine and punched out a tape which showed that federal taxes collected from 1789 through fiscal year 1956 were about \$815 billion.

By comparison, he notes, the budgets of the New Frontier and Great Society, beginning with 1962 and continuing through June 30, 1969, (the end of the current fiscal year) will reflect federal tax collections of about \$833.3 billion. By any standard you want to raise, that's an expensive orgy. Of course, we have had to rely on official Administration estimates of collections for the Great Society, and the final figures may be off the mark a few dollars.

In the twelve Roosevelt years ending in 1945, the collections were \$161.3 billion. For Truman's eight years, the tax bite more than doubled to \$369 billion. As the tax base increased, Eisenhower's tax collections were increased by 150 percent. The following eight years saw another 150 percent escalation above the Eisenhower collections.

As Parkinson predicted, spending kept pace. In fact, it sprinted ahead. Roosevelt's eight pre-war years saw a deficit of \$28.8 billion. The four war years produced a \$165.4 billion deficit, making a total of \$194.2 billion for the Roosevelt reign. Truman's deficit was \$26.1 billion, and Eisenhower's \$22.8.

The eight years ending June 30, 1969, will show a deficit by present projection of \$58.6 billion. However, the estimated 1968 deficit of \$18.6 billion actually involved as a \$25.4 deficit, and so at very best the known total deficit for the combined New Frontier and Great Society will be at least \$65.4 billion.

One billion dollars represents \$5 of debt for every man, woman and child in the nation.

Historically, our nation has reduced its national debt as rapidly as possible after a war. The peak of World War I debt was \$24.3 billion, which had been lowered to \$16.2 billion by 1931, the first of the depression deficits. Since that time the debt has increased practically without interruption, and now stands at about \$352 billion. All this in the period being hailed as the longest period of prosperity in our history. How long do

you think we can stand prosperity?

NO TIMBER

It is a shame that the Congressional Record is such an unattractive and boring journal. It is difficult to research, let alone to read. But those who pore through it frequently are rewarded with some gems. One such appears in the July 17, 1968 issue. Senator Stephen M. Young, Democrat of Ohio, was holding forth on the Agency For International Development operation in South Vietnam. We'll have space for only a portion of his remarks, but the story is clear in only a few short paragraphs. Said Senator Young:

"...Last January while in Vietnam, I encountered many hundreds of civilian officials. They were all over the place enjoying high salaries and allowances and doing little, if anything, to earn them. Never have so many been sent so far at such great expense who have done so little.

"The fact is that of AID officials in South Vietnam the Director receives in excess of \$44,000 per year; 23 receive in excess of \$41,700 per year; 82 receive \$35,500; 262 receive in excess of \$30,000; 409 receive in excess of \$24,600 and 76 receive more than \$19,000 per year.

"This is outrageous. What justification is there for the AID head in Vietnam to receive almost \$5,000 a year more than the Chief Justice of the United States? What possible reason can be given for paying 110 other AID officials a greater salary than that received by members of the Cabinet, Senators and Congressmen? What excuse for paying 262 additional AID officials salaries the same a-

mount received by Members of Congress? It is scandalous that 782 Aid officials in Vietnam are now being paid \$25,000 a year or more. In addition to their base salaries these officials are given a 25-percent hardship allowance, a \$3,000 separate maintenance allowance, and fringe benefits including air-conditioned housing at our taxpayers' expense and medical care and all PX and commissary privileges. There is evidence that many sell cigarettes, whisky, radios and other PX and commissary merchandise to South Vietnamese...

...who have refused to remain in refugee camps because of 'lack of security.' A typical example of AID maladministration concerns five forestry experts, so-called, each with an annual salary including fringe benefits exceeding \$38,000. They live in air-conditioned, high-rise apartments paid for by our tax-payers; and they work—or supposedly work—in an area where there has been no timber whatever for many years..."

Father Placidus read and explained the Sunday gospel and everyone joined in a sing-song. Relatives and friends of the home's residents attended.

Weekend visitors with Mrs. Dick Cain and family were her niece, Mrs. Jimmy Jones and daughter Lee Ann of Richardson, and Chris Cain of Arlington. Joining them Sunday were Mr. and Mrs. Bob Bradley of Fort Worth and four grandchildren Tim, Sabrina, Lynette and Kyle Taylor of Gainesville.

Attending a wedding in Weatherford Saturday were

Mr. and Mrs. Paul Fetsch, daughter Joan and son Garry, joined there by daughter Miss Monica Fetsch of Dallas who was in the bridal party as maid of honor, and daughter Miss Evelyn Fetsch of Denton. They attended the nuptial Mass of Miss Linda Causbie and Joe Wright in St. Stephen's Church and were among guests at the reception following the 12 noon service.

Tom Williams, last year's Tiger coach, was back Saturday for the homecoming game. Tom and his wife Suzanne and their baby son Peter of Fort Worth spent Saturday with her parents, Mr. and Mrs. Meinrad Hesse. Others with their parents for the weekend were Miss Mary Hess of Fort Worth, Paul and Richard Hesse of Dallas. They all attended SHH homecoming program.

Visitors with the Alois Haverkamp during the weekend were their daughter and son-in-law, the Travis Wickliffes and children of Irving. They came especially to attend SHH homecoming.

Weekending with their parents were Misses Linda Fisher, Dianne Gehrig, Peggy Hellman and Annette Sicking, all nursing students attending Grayson County College in Sherman. They are daughters of Messrs. and Mmes. Paul Fisher, George Gehrig, Clarence Hellman and Leo Sicking.

Mr. and Mrs. Charlie Stelzer of Fort Worth were Sunday guests in the home of their aunt, Mrs. L. A. Bernauer and made pop calls on other relatives.

FHA Chapter Has Guest Speakers At Installation

Formal installation of newly elected officers and a candle lighting ceremony for new members, along with guest speakers highlighted the October meeting of Muenster High Future Homemakers of America.

Mrs. Phyllis Coffey, former MHS English teacher, and Mrs. Joyce Freeman gave the program. They talked about the State School for Girls in Gainesville and illustrated with slides. Mrs. Freeman is a counselor and Mrs. Coffey is a teacher at the school.

Diane Hess Is Tiger Queen for SH Homecoming

There was a boom in Tiger Town Saturday night when Sacred Heart High Tigers won their homecoming game. Visitors from far and near cheered the team to a 20-0 victory over the Falcons of Fort Worth Day School, and cheered some more when Miss Diane Hess was crowned homecoming queen.

Ex-students and their spouses flocked in early for a reunion, program and buffet at 6 p.m. in the Parish Hall, attended the game at 8 with other fans, and concluded festivities with dancing. There were two dances, one in the Parish Hall, the other in the high school gym.

The coronation ceremony was held at half-time. Identity of the queen had been kept secret. Only the football squad and Coach Joe Felderhoff knew who would wear the crown.

Queen Diane, a senior, is the daughter of Mr. and Mrs. Al Hess. She's a vivacious blond. For the royal ceremony she wore a formal Empire gown of olive green and white. Her escort was Ken Schmitz who did the honors at coronation time.

Other queen candidates were princesses in the royal court: Carla Rose Schilling, freshman, in an avocado green

formal; Donna Kay Endres, sophomore, in a lime green formal; and Darlene Hess, junior, in a white formal. Their escorts were Glenn Schoech, Lee Roy Hess, and Danny Schmitt, respectively.

Others participating in the ceremony were Beverly Koelzer, last year's queen, who relinquished her crown to the new queen; Gloria Gieb Fuhrmann, 1966 queen who presented a bouquet of red roses to Queen Diane, and Barbara Schmitt, 1965 queen who presented the new queen her banner.

The royal party entered the field led by Doris Schilling, Margaret Kralicke, Diane Sicking and Mascot Nancy Sicking heading the drill team, and Kaye Klement, Connie Endres and Carolyn Schoech, cheerleaders and their mascot Dea Swirczynski. After the crowning the drill team performed.

200 at Reunion

Some 200 ex-students, spouses or escorts attended the reunion. Charles Bayer, president of Sacred Heart Alumni Association, sponsors of the event, welcomed visitors and emceed a short program for which Father Placidus and Father Benedict spoke and Sister Roberta introduced this year's honor graduates, those of 1948 and 1958. Mmes. Ervin Henschel and Tommy Herr were at the guest book. Mmes. Lawrence Martin, Ed Pels and Gertrude Bayer were refreshment hostesses.

Both dances drew crowds. The Bishops Four played in the gym. The Sounds, Inc. were in the hall.

Present from the class of 1948 were Dan Luke and Mmes. Gene Gieb, Herbie Miller and Robert Bayer; from the class of 1958, Gerald Hess, Sonny Walterscheid, Mrs. Tom Williams, Mrs. Travis Wickliffe, Mrs. Charles Bridier Jr., Leonard Bayer, Gene Hartman and Mrs. Kenneth Otto.

Out of Town Visitors

Among out of town guests attending were Messrs. and Mmes. Charles Bridier Jr. and Tom Williams of Fort Worth; Messrs. and Mmes. Tommy Gressett and Thomas Fuhrmann, Misses Nelda Bayer, Jeanne Vogel and Cheryl Ellison, Donald Rohmer and Dennis Hess, all of Dallas; Charles Felderhoff of Houston; Miss Debbie Fette, Stan Endres, Tom Hess, Robert Miller and Danny Hoenig and Mr. and Mrs. Gene Hartman of Denton; Mr. and Mrs. Kenneth Otto of Tulsa, Mr. and Mrs. Travis Wickliffe of Irving, Messrs. and Mmes. Cyril Yosten, Richard Schumacher, Ronnie Herr and Maurus Rohmer of Gainesville, and Mr. and Mrs. James Bezner of Lindsay. Also Miss Dianne Gehrig of Sherman, Miss Rachel Endres of Dallas and Miss Mary Hesse of Fort Worth.

Flower Arranging For Garden Club

Muenster Civic League and Garden Club will have a flower arranging demonstration and talk on judging flowers at their meeting Monday, Oct. 14. Guest program speaker will be Mrs. David R. Smith of Gainesville. Mmes. L. B. Bruns and Dick Cain will be co-hostesses in the Cain home. Starting time is 8 p.m.

Over 500 Applaud Gay 90s Revue by Hospital Auxiliary

An audience of more than 500 acclaimed Sunday night's Gay 90s Revue produced by Muenster Hospital Auxiliary as a benefit for Muenster Memorial Hospital.

The 90-minute extravaganza with costuming and scenery of the 1890s included in its lineup business and professional people, students and others who joined Auxiliary members on the stage in Muenster High Auditorium.

The curtain rose on "Eye Opener," the Garter Girls, in a can-can number by Elaine Otto, Donna Endres and Pam Walterscheid. "Laugh Out," Gas Who, followed with Dickie Pagel and Messrs. and Mmes. Dan Hamric, Willie

Walterscheid and Dolphy Joe Hellman.

"Have You Been Clinicked?" was a monologue by Mrs. Ervin Hamric. The Barbershop Quartet — "The Choakers" was composed of Dr. Martin Kralicke, Lawrence Wimmer, Leo Henscheid and Bill Luke. A Sing Along followed, the audience joining in two numbers.

Mrs. Charles Bayer and Mrs. Herbie Miller next took the stage for a dialogue, "Don't Get Excited," and the "Knee Knockers" Mmes. Dan Hamric, Denis Hofbauer, Freddie Hennigan and Walter Grewing appeared in a Charleston. Miss Charlotte Wolf followed with a solo dance. Miss Bettye Dodds, "The Warbler," sang "Bird in a Gilded Cage" and "Whispering Hope."

Cast as characters in the melodrama, "Our Little Nell," were Mrs. Roy Monday in the title role, Andy Wimmer as the city slicker, Mrs. James Mollenkopf as the siren, Dr. Larry Tisdale as the detective, Norbert Koesler and Mrs. Paul Fisher as Nell's parents, and Mrs. Dickie Pagel as their other daughter.

Mrs. James Shelton directed the revue assisted by Mrs. Dan Hamric who was in charge of dance numbers, James Shelton was piano accompanist, Ervin Hamric was in charge of scenery, and Auxiliary members made or borrowed costumes.

If Fire Strikes Your Home...

GET OUT of the house the minute you discover it or smell smoke!
ALWAYS be ready to use different escape routes from any room in your house!
TEST doors before opening. If doors are hot, block them with furniture or wet mattresses to keep out smoke and gases. Get out another way!
NEVER jump from upper-story windows except as a last resort! Wait for firemen.
HOLD your breath if you have to make a dash through smoke and flame!
REMEMBER, the air is usually better near the floor in a smoke-filled room!
CALL the fire department at once! They know how to fight fire. Don't waste your time or your life trying to fight a fire, unless it's so small you're sure you can control it with the right extinguisher.
DON'T ever go back to a burning building for any reason! Smoke and fire gases from even the smallest fire can be deadly.
GET medical treatment at once, if you're burned or exposed to fire and smoke! Seemingly minor burns or smoke inhalation can have fatal results.

DON'T GIVE FIRE A PLACE TO START!

3 Antennas Added To Cable TV Tower

The new look on the Cable TV antenna tower northeast of town is the result of adding three new antennas. The two dish type units are for channels 33 and 39 which are converted to 10 and 9 respectively on the local TV sets. The upright rod type unit is the mobile phone antenna for the telephone company.

Alvin Fuhrman, manager, said one cable antenna is an improvement to replace that formerly used for channel 39. Channel 33 is new to the local system.

The new mobile phone antenna rises about 120 feet higher than the one above the city water tower. There is about 90 feet difference in height of the two structures plus about 30 feet difference in ground elevation.

Local News BRIEFS

It was nearly a complete reunion at the Bill Derichsweiler home when their children and grandchildren flocked in before attending SH homecoming and returned to spend the weekend. Together were Mr. and Mrs. Bill Crow and family of Archer City, Mr. and Mrs. Dale Hess and children of Lewisville and Mr. and Mrs. Richard Zimmerer and sons of Grapevine. The Zimmerers also visited his parents, the Raymond Zimmerers, and the Hess family visited his parents Mr. and Mrs. Gary Hess. The Gene Schmitz family joined in visiting her sisters and their families at the Derichsweiler home.

Charlie Schmitt, his daughter Miss Juanita Schmitt and his grandchildren Randy and Renee Raschko, seven and five years old, all of Grandview, Wash., are visiting Muenster relatives until Saturday. The four visitors made a flying trip to Dallas Friday, were met at Love Field by Mr. and Mrs. Al Trubenbach, and all drove on to San Antonio to visit Miss Judy Trubenbach. They were together two days and joined in seeing HemisFair. The visitors will jet back to Washington Saturday.

Weekending with the Val Fuhrmanns were their children, Miss Margie Fuhrmann and the Tom Fuhrmanns of Dallas and Jim Fuhrmann of Irving. Since he's out of the Air Force Jim is back at his old job with General Telephone Company at Irving. Tom and his wife also visited her parents, the Gene Giebs, and they all attended SH homecoming.

Weekending with the Willie Waltersheids were her sister, Mrs. Barbara McCann and children Minda, Tina and Jeanette of Fort Worth.

Dennis Hess of Dallas was among former SHH students attending the homecoming program Saturday. He spent the weekend with his mother, Mrs. Arnold Hess.

Stephen Thomas, infant son of Mr. and Mrs. Tommy Knabe, was baptized Sunday afternoon in Sacred Heart Church by Father Benedict. Mr. and Mrs. Martin Becker attended as godparents.

Mr. and Mrs. Gene Hartman and children Jeanna, Pam and Doug of Denton visited Saturday overnight and Sunday with their families, the Victor Hartmans and Mrs. Dick Cain. They also attended the SHH homecoming Saturday night.

Mr. and Mrs. Jake Horn of Windthorst brought his mother, Mrs. J. S. Horn, back to her home here Sunday afternoon and remained with her until Monday afternoon when a daughter, Mrs. Al Swirczynski came from Mesquite and took her along for a visit there. Mrs. J. S. Horn had spent a few weeks in Windthorst. She is getting stronger, spends most of her time in a wheelchair, and can use her walker for short distances.

FT. WASHINGTON, PA. — Thanks to advanced developments in electronics, an airborne computer smaller than a loaf of bread will soon be helping to ease air traffic congestion.

Designed and priced for the nation's 110,000 private and business aircraft, the computer will allow pilots to make use of the vast unused airspace in the United States. At present, most aircraft fly the same air routes because of fixed navigational stations. This new computer, developed by the Avionics Division of Narco Scientific Industries, will allow pilots to "electronically move" these ground navigational stations to air routes they choose.

Narco officials said they expect the tiny airborne analog computer "to further increase the rapid growth of private and business flying in the United States."

Mr. and Mrs. Norman Luke, daughters Susan and Karen and son Norman Jr., of Houston, were here for the weekend visiting his mother, Mrs. Joe Luke, at home and his father at Muenster Hospital. The Norman Lukes moved recently from Shreveport, La., to Houston.

Sister Agnes Voth has been delegated by her superior to write a history on the Olivetan Benedictine Sisters of Jonesboro, Ark., and has been relieved of teaching until the book is finished. She was in Louisiana recently to gather information on Maria Goretti School at Lake Arthur, and New Iberia Parish Hospital and Consolata Home, both in New Iberia. Sister Agnes is a Muenster native, daughter of Mrs. Barney Voth and the late Mr. Voth and is a former teacher at Sacred Heart School.

Among visitors for the Sacred Heart Homecoming were Jeanne Vogel and a friend, Cheryl Elison, of St. Paul School of Nursing. They were guests of Jeanne's parents, the Theo Vogels.

way. But a referee's flag on the Pirate 15 marked the point of a clip. The ball went back to the 30.

Next play the Pirates recovered a Hornet fumble, then turned two of their next tries into big gains for 35 yards to Muenster's 29. A long pass followed and Sparkman came up for a nice interception at about the 10 and followed with a sprint that reached the Pirate 45. Five plays were enough from there. Sicking went over from the 10 as the clock showed 9:56 in the second quarter.

Next score was for the visitors. It started with an interception and a 30 yard return to the 10 by Don Woody and penalty to the 5. Two plays later Billy Johnson went over from the 3 and a pass to Woody made the count 18-8.

In the extra point department all of Muenster's tries were duds except the last one. Six kicks missed and a run was short. A pass from John Monday to Alcuin Schilling made the final 2.

The next Hornet score needed four tries for 54 yards. The payoff was a 33 yard romp by Sicking.
 And just before the half ended the Hornets went from midfield in 43 seconds on four tries. The TD was a pass from Monday to Bobby Bruns for 40 yards with 5 seconds left.

On fourth play of the second half Sparkman made his second futile TD. Receiving a Pirate punt near the 30 he used good blocking to go all

Muenster Juniors To Play at Sanger

Seventh and eighth graders of Muenster Public School, the Little Monsters, will make a second try for their first win at Sanger next Tuesday night when they take on the elementary kids of that school.
 Indications are that it will be a well matched contest. Coach Glenn Richardson is assuming that Little Indians will probably be up to last year's strength whereas he knows his kids are less potent than last year's team which took the Sanger youngsters 26-6.

To date the Muenster boys have played only one game, a 12-8 loss at Whitesboro. However more action is coming. As members of the 9-B junior loop they the due to meet Valley View, Lindsay, Saint Jo and Era.

Hornets - - -

After holding the visitors on their next series the Hornets made two big plays for their next score. From midfield Mark Hellman went to the 35 and Monday passed to Bruns for the TD.

Then it was Collinsville's turn again, a long pass to Woody who was in the clear for a 55 yard scoring play.
 After that Muenster made a first down and bogged down on its second series. Collinsville made two first downs in a row and had its third series rudely interrupted by Dale Cash's interception. Next play Sicking broke loose for his final TD, a 65 yard sprint.

In the remaining 5 and a half minutes the Pirates went 54 yards before being stopped on the 15 and the Hornets got back to midfield.

Tigers - - -

Schmitz started the Tigers again but they failed to keep going. Three incomplete passes and a 15 yard penalty ruined their second series. As the half ended Sacred Heart led 12-1 in first downs, 67 to minus 9 in ground gains and 127-0 in pass gains.

But the Falcons apparently got good advice at intermission. They trailed 7-6 in first downs and 120-81 in yardage during the next half.

The third quarter was a defensive affair in which the Tigers got three scattered first downs and the visitors got two in a row. The early part of the last quarter was more of the same until almost midway when three nice runs on roll-outs by Lee Roy Hess were the big gainers in a 48 yard drive. The scoring run went for 10 yards, the other two for 21 and 12. A pass for bonus points failed to connect and the score was 20-0.

If you haven't driven a Ford lately, you're one of the reasons we built this one!

The '69 Ford is the car that's creating all the talk. You ought to know the reasons.

The '69 Ford hugs the road with a track as wide as Cadillac... smooths your ride with a longer wheelbase

than Chevrolet. This '69 LTD is designed to ride quieter than the LTD that was quieter than Rolls-Royce.

It has more front headroom, legroom and trunk space than cars costing hundreds of dollars more. Even with

a longer wheelbase, it's easier to handle, easier to park.

This is a new luxury-size Ford at a very popular price. Big. Strong. Quiet. A great road car. Drive one at your Ford Dealer's now.

Three Benedictines Observe Jubilee In Subiaco Rite

Three monks of Subiaco Abbey have reached important milestones in their religious lives and have celebrated in a jubilee observance held at the Benedictine Abbey in Subiaco, Ark.

Father Louis Deuster, former Muenster pastor, and Father Bonaventure Maechler, a former assistant here, celebrated their golden anniversary of monastic profession and Brother Henry Fuhrmann celebrated his silver jubilee.

The Rt. Rev. Abbot Michael Lensing, together with his monks concelebrated the special Eucharistic Liturgy during which the three jubilarians renewed their vows to God and the monastic community.

Father Louis came to Muenster as pastor in October 1951 and remained until January 1958. Since then he has served as chaplain for St. Bernard's Hospital and for the Benedictine Sisters at Jonesboro, Ark. He was born in Fort Smith, Ark., in 1899, went to Subiaco as a seminarian in 1913, was accepted as a novice in 1917, made his monastic profession on Sept. 8, 1919, and was ordained in 1923. The jubilee celebration was held Sept. 25.

Father Louis introduced varsity football to the Subiaco Athletic department in the fall of 1925. It has since become the school's favorite sport. He also taught in the Academy and earned his Masters Degree in English during summers at Notre Dame. Last year he was chosen by Subiaco Alumni Association as the person to memorialize in the Academy's new fieldhouse, in remembrance of his many years of service to Subiaco Abbey and Academy.

The six years that Father Louis was in Muenster were among the most eventful in parish history. Both the new church and the new high school, the two finest buildings in the parish plant with a combined value approaching three quarters of a million dollars, were built during his pastorate.

As coach of Sacred Heart High Tigerettes, he led the team to the championship in Catholic girls' basketball in the state of Texas. The Tigerettes went undefeated in Catholic school competition for three years under his leadership.

Father Bonaventure was born in 1894 in Switzerland and came to America when he was 19 after hearing about the young monastic community located in the Ozarks. He joined the Subiaco community four years later and made his profession of vows on Sept. 8, 1918.

Since ordination he has been busy in both teaching and missionary fields. As a young priest he taught French, German, and Latin in the Academy and later taught Theology in the Major Seminary of the Abbey. He has served in Arkansas and Texas parishes including Muenster a number of times during the years. He also assisted in Windthorst and Rhineland.

Brother Henry Fuhrmann, a native of Lindsay went to Subiaco after completing his education in St. Peter's Parochial School and farming. He is the son of Mr. and Mrs. Willie Fuhrmann. He joined the monastery as a novice in

1942 and made his profession to the community on Sept. 8, 1943. Since then he has worked chiefly on the Abbey farm, a position he still holds.

Lindsay PT Club Plans Halloween Carnival Oct. 27

Lindsay Parent-Teacher Club, at their first meeting of the new school term made plans for the children's annual Halloween Carnival, met new members of the faculty and heard an address by Arthur B. Oaks of Valente Corporation, Gainesville. Mrs. James Bezner, president, presided.

Superintendent Glenn Hellman introduced the new teachers.

Heading the carnival committee are Rudy Dieter, PTC vice president, and Mrs. Vernon Badgett, head of room-mothers.

Some 60 parents attended and hostesses served coffee and cookies after adjournment.

VFW Auxiliary to Dress Up Chairs At VFW Post Home

Muenster VFW Auxiliary has taken on a new project — dressing up chairs for the VFW Post Home by making chair backs. Members approved of the activity at their October meeting Monday night and Mrs. John Wieler volunteered to purchase material and get the work going. Members will join in sewing.

In other business the group complied with honor roll requirements for the month by making a contribution to the National VFW Home Christmas Fund and by collecting ten percent of member dues.

Mrs. Tommy Hesse, senior vice president, presided, Mrs. John Wieler and Mrs. Wilfred Bindel were hostesses for a cold buffet after adjournment, and Mrs. Edwina Case won the door prize and cake. Fourteen members were present.

General Assembly Sees Installation At Lindsay High

First general assembly of Lindsay High students and faculty featured installation of class and organization officers.

Miss Dorothy Schmidtkofer, last year's senior representative to the student council presided until Hank Arendt, student council president this year was installed.

Installed were officers of the student council, high school classes, representatives to the student council, pep club officers and football team officers.

INFLATION SPIRAL

The Treasury Department has announced that it will borrow about \$5.1 billion this month by passing 5 1/2% Treasury notes. Part of the sum will be used to retire 4 1/4% Treasury notes dated last year and Treasury notes of 3 3/4% dated six years ago. Get the message?

who are sick and tired of years of winless policy.

According to the polls Wallace and LeMay are not likely to win the election. Nevertheless their strength is significant and, win or lose, they will have a big influence on this country. They are saying things that need to be said, things that are reviving old feelings of pride and patriotism and self respect and hope of restoring sanity to both domestic and foreign affairs. These things are good for the national attitude, because they are the things that will be in greater public demand when the next administration takes over. They are creating a favorable political climate for long needed improvements.

ELECT Zeke Martin

State Representative

WHO IS ZEKE MARTIN?

A man who has proven his leadership abilities as two-term mayor of Denton, Zeke Martin is a 43-year-old Denton native with bachelor and master degrees from North Texas State University.

For eight years Zeke Martin was a teacher and coach with the Denton Independent School District. Now a distributor of oil products, he was elected to the Denton Council in 1967.

Zeke Martin's proven record qualifies him to serve as State Representative for Denton and Cooke Counties.

"As a mayor, I deal with government daily, representing people from all walks of life. I believe we can have the better government we deserve, if we stimulate competition — and this requires a two-party Texas Legislature." —Zeke Martin.
