

# MUENSTER ENTERPRISE

VOLUME XXXVII

MUENSTER, COOKE COUNTY, TEXAS 76252 MARCH 9, 1973

NUMBER 16

Another horrible example of miscarried justice came to light recently when a pair of obviously guilty robbers escaped prosecution on a technicality. They had been caught in the act, the evidence was conclusive, conviction was taken for granted.

But there was one little flaw in the case. The prosecutor in presenting the charge failed to give the complete name of the firm being robbed. He omitted the "Inc." and an overtechnical judge, oversolicitous for the rights of criminals, ruled that the error warranted dismissal of the case.

A somewhat similar case concerns a character who was arrested in Washington a few months ago on several minor charges. When officers approached him he was standing beside his car and made a sudden lunge for the door. He halted when police drew guns and ordered him to stop.

Reaching into the car the officer picked up a snub-nosed .38 revolver from the floor in front of the driver's seat. The suspect had no permit to carry it and the gun law's penalty for having it was stiff. But the suspect was not charged with that crime — because the arresting officer had picked up the gun without a search warrant. The suspect paid a small fine on the other charges and was released in less than a day.

And that's not the half of the story. Early last month Washington police and the FBI arrested the very same person, a self styled revolutionary. At the time he was carrying a sawed-off .303 rifle which, it is known, was used to murder at least four innocent victims since the first of the year. All had been slaughtered in cold blood, not in robbery, but hatred.

So, there's another criminal who evaded justice on a technicality, and it's particularly regrettable because four persons could have kept living if the law had been properly enforced.

These are only two recent examples. Almost anyone can recall other cases in which the suspect's guilt was obvious but he escaped justice on some trifling technicality which had no bearing whatever on his guilt.

Isn't it about time to do something about that? Isn't it rather absurd to free a criminal who is definitely known to be guilty just because some other person made a slight mistake? Let anyone knows that this kind of boner does not lessen the criminal's guilt, and justice clearly is not served by freeing him.

The American legal system deserves our praise for its all out effort to be fair to the accused. But it also deserves our scorn when it excuses crime to compensate for an irregularity that isn't even related to the crime. Why not be realistic about the problem? Let there be some sort of reprimand for the person who violates the accused's rights, but let guilt or innocence still be determined by the evidence. After all, society is wronged every time a guilty person is excused and given the opportunity to seek another victim.

Congressman Omar Burleson's newsletter this week calls attention to the increasing gravity of our relations with Panama and current pressure to get US out of the Canal Zone. He's concerned about a decision by the UN Security Council to meet in Panama City this week Thursday for talks on the subject — especially because the meeting's chairman is the same person who led the anti U.S. demonstrations in the Canal Zone in 1958.

In assessing the meeting's purpose we have to realize that the hate US movement has been intensifying for 15 years, that it has resulted in considerable violence and bloodshed, and especially that Communists would be most pleased if control of the big ditch were taken away from us.

As Burleson sees it the meeting can insist on negotiations whereby we surrender the canal, it can lead to sanctions in the UN, or it may even provoke armed attack on the zone by the Panamanians.

With that in mind, this is a good time to recall what Charles Evans Hughes said on the subject back in 1923. He said it was an absolute fu-

## Contests Assured In Two of Three Local Elections

Just before the filing deadline, action was assured in at least two of this community's three elections on April 7. There will be two races for the Muenster school board and one race for position on the city council.

An unexpected development in the city election is the decision of Mayor Arthur Felderhoff and Alderman Albert Herr not to seek reelection. As a result David Bright is unopposed as a candidate for the mayor job, and the contest is for the position vacated by Herr. That's Place No. 5 with Sue Endres and Roy Monday as the contenders. Herbert Miller is unopposed for reelection in Place 3.

The school election ballot presents races for two positions. Incumbent Jerry Wimmer in Place 5 is challenged by Theresa Walterscheid and Dr. Larry Tisdale in Place 6 is challenged by Dan Hamric. Urban Endres in Place 7 is unopposed.

The hospital board election ballot still lists only the four incumbents for reelection, however the deadline for filing has not arrived. Nominees for that ticket will be accepted up to March 13 by Rufus Henschel, secretary, and filing must be done by a petition bearing signatures of at least fifteen qualified voters.

## 5 Tiger Trackmen Are Runners-up in Rock Springs Meet

Bob Steele and his Sacred Heart track team started their season in a big way last Saturday at the Mohair Relays in Rock Springs.

With only five boys entered, the Tigers competed in a field of 26 Class B schools and took second place along with two team trophies and 8 individual medals. Four trophies were awarded in all: one each in the mile and 440 yard relays, also to the champ and runner-up of the meet.

Rock Springs won the meet with a score of 72 and Sacred Heart was next with 57.

Events in which the Tigers made their points were as follows. Mile relay, first (3:46.6), run by Gary Endres, Kevin Pels, John Bartush and Davey Krahl.

880 yard run, Kevin Pels first (2:08.6).

Mile run, John Bartush first (4:54.3) and Carl Hess fifth (5:07.3).

440 yard dash, Davey Krahl second (53.4).

220 yard dash, Davey Krahl third (23.6).

Pole vault, Kevin Pels sixth (10 feet).

## Garden Club Meeting

Muenster Garden Club's regular monthly meeting will be held next Monday, March 12, in the TP&L community room with Mrs. Oscar Detten and Miss Betty Dodds as hostesses and Roger Taylor as guest speaker on pruning.

## Contract Signed For 4-Lane Road West of Muenster

The long awaited four lane highway west of Muenster is due to get under construction soon.

The Texas Highway Department announced this week that it has awarded a contract to R. W. McKinney of Nacogdoches for grading, structures, flexible base and hot mix asphaltic concrete pavement on 4.3 miles from Muenster to a point 2.2 miles east of Montague County line. Low bid was \$1,249,584.78.

John C. Simpson og Gainesville is the Highway Department engineer in charge of the project which is estimated to take 225 working days.

## Rainfall to Date Is Above Normal

Persistent wet weather of the past week has added another 1.24 inch to a moisture measure that was already wetter than normal. Following a reading of .03 Wednesday morning the total for March stands at 1.24 and the year's total to date is 6.88.

That figure does not set a record for the decade but it is third highest. Steve Moster's total through February is 5.64 as compared with 7.05 in 1966 and 6.38 in 1968.

It all adds up to an abundant supply for the community. Lakes and ponds are full. Pastures and crop lands are saturated.

## Ted Gremminger's Denver District Tops Kraft Sales

Denver, Colorado, Sales District of Kraft Foods of which Ted H. Gremminger is district sales manager, was the Southwestern Sales Region winner in the coveted "District of the Year" award competition among the company's 68 sales districts in the United States. District Sales Manager Gremminger will be presented with the award at a dinner honoring the 69 employees of the sales district and their spouses and guests on March 16 at the Denver Hilton.

Commenting on their award winning performance Gremminger said his district is very proud to win this sixth annual contest, everyone on the sales team worked hard in competition with all other districts in the Southwest region, and their goal is to keep the Denver district on top.

## 4-H Club Meets Mar. 13

Muenster Community 4-H Club will have a regular monthly meeting next Tuesday, March 13, in TP&L community room beginning at 7:30 p.m.

## National Honor Society Chapters Formed at MHS

Local chapters of the National Honor Society in both junior and senior divisions were organized at Muenster Public School Wednesday. The ceremonies were conducted by Decatur High's chapter at an assembly in the auditorium at 10 o'clock.

The ritual consisted of short addresses by four of the visitors in which they associated Presidents Washington, Lincoln, Roosevelt and Kennedy with scholarship, character, leadership and service — the four qualities which are considered in selecting members to the organization. Students were also reminded that continuation of those qualities are essential to continued membership.

Induction ceremony for each division consisted of calling members to the stage individually pinning on blue and gold ribbon and administering the pledge to the group.

After that Principal Charles Cash spoke briefly explaining that formation of the local chapters was sponsored by the Muenster Classroom Teachers Organization and congratulating those who qualified for membership.

Those selected to the National Honor Society are Joe Bright, Barbara Davidson, Patti Dittfurth, Doris Felderhoff, Lenora Fleitman, Leila Grant, Marlene Herr, Becky Jaska, Mark Jaska, Robert Johnson, Curtis Klement, Lyle Klement, Mark Lippe, Susan Sloan and Shirley Swirczynski.

Selected to the Junior Honor Society are Patricia Davidson, Freida Davis, Sandy Dittfurth, Johnny Eckart, Tim

## Winners in Speech Contest Announced By Garden Club

Muenster Garden Club, local chapter of Texas Garden Clubs, Inc., has announced winners in the annual Youth Communication Speech Contest. This year's contest focused on water conservation with title of the speech "Water, Wisdom or Waste?"

Carol Yosten is the Number 1 winner with Bev Walterscheid and Christi Koessler second and third.

Miss Yosten, daughter of Mr. and Mrs. Henry Yosten Sr., is a senior at Sacred Heart High School and advances to district competition.

She and her mother will be guests at the district meeting in Sherman on March 15, and Carol will try for district win and advancement to state competition. Eleven students participated locally.

Felderhoff, Becky Fields, Mary Fisher, Mary Lou Fleitman, Glenn Henschel, Matt Jaska, Charlotte Johnson, Kirk Johnson, Kimberly Klement, Tracey Klement, Janet Krahl, Ray Luke, Lisa Mollenkopf, Shirley Monday, Calvin Otto, Monty Reiter, Debbie Reynolds, Mike Richardson, Connie Walterscheid, Margie Wolf, Randy Wolf and Diane Yosten.

Advisers for the older group are Bettye Dodds and Gary Chisam, and for the younger group are Loretha Cash and Wayne Klement. Supervisor for both groups is Principal Charles Cash.

Later the units elected their charter officers as follows. NHS: Curtis Klement, president; Mark Lippe, vice-president; Barbara Davidson, secretary; Shirley Swirczynski, treasurer. JHS: Randy Wolf, president, Mary Lou Fleitman, vice-president; Lisa Mollenkopf, secretary; Margie Wolf, treasurer; Charlotte Johnson, reporter.

## 200 Boys to Compete in Weekend Boxing Tourney

More than 200 young boxers from seventeen boys clubs of North Texas and South Oklahoma will be in Muenster this weekend for the third annual boxing tournament sponsored by the Muenster Boys Club.

The event, headed by Mike Stoffels and Arthur Bayer, coach and chairman of the Muenster Boys Club, will be held in the MHS gymnasium Thursday, Friday and Saturday nights beginning at 7 o'clock.

Visiting boys will be from three separate clubs of Wichita Falls and Olney, Holliday, Burkburnett, Scotland and Arlington, Texas, also Ardmore, Altus, Commanche, Duncan, Lawton, Moore, Walters and Waurika, Okla.

AAU tournament regulations which emphasize safety for the young contestants, will apply throughout. They require that all contestants must be amateurs and must furnish proof of age along with statements from parents indicating permission to fight. Boys are also required to use protective cups and teeth protectors and to have protective bandages on their hands.

Doctors Knight, Kralieck, Antonetti and Graham will be available in case of emergen-

## Electric Co-ops Disapprove Cuts In Rural Spending

Cooke County Electric Cooperative was represented by Michael Sloan, manager, Jack Crowner, president, Al Wiesman, vice-president, and J. A. Klement, director, at the National Rural Electric Cooperative meeting held in Dallas last week.

They heard Governor Dolph Briscoe welcome the convention and his comments regarding Rural Texas and the tremendous impact Rural Electrification has had on the growth and economy of the State. He further stated that the marked difference between the colonial lamp and the electric lighting we now have was a real example of the benefits.

Much was said about the R.E.A. loan programs by several guest speakers. The damaging effect the administration's decision to curb the program will have on many electric cooperatives was outlined by Mr. Robert D. Partidge as well as Senator Herman Talmadge of Mississippi.

During the session, Mr. Will Erwin, Assistant Secretary of Agriculture, talked about the many cuts that have been made that affects farms, ranches and community development. He pointed out that this action was taken because of the desire to keep the budget below 250 billion.

The President's budget reveals that funding for the Rural Development Act of 1972 will be far less than its authorization. Total of program levels for FmHA is listed as \$2,636,732,000, compared with the 1973 estimate of \$3,451,844,000 and 1972 actual of \$2,784,836,000. FmHA staffing is scheduled to be reduced to 6,607 at end of f.y. 74, compared with 7,354 estimated at end of f.y. 73 and 7,357 actual at end of f.y. 72.

Most serious cutbacks involve water and sewer grants which were reduced from \$42,000,000 in 1972 to zero, and low income housing which has also been eliminated. More than \$1-billion had been used for this program in 1972.

Most of those in attendance seemed to support the view that Rural America should carry its part of the move to economize but should not be the primary bearers of these burdens.

## County Contracts for Equalization of Taxes

A program to equalize ad valorem taxes and to establish a uniform, realistic tax base in Cooke County has been adopted by the commissioners court and the tax office. Robert Bayer, commissioner of Precinct 4, announced this week.

Bayer said the work is to be done by the Professional Appraisal Company of Fort Worth for \$138,400, and it will begin on June 15 of this year. Completion date has been set at July 1, 1974 so that the revised assessments can apply on the '74 tax roll. All real estate and personal property will be considered.

Bayer also said that arrangements have been made with the appraisers to explain the program to communities before the appraising begins. They will be available to appear on invitation at meetings of local organizations.

The following statement on the program is submitted by the commissioners court and the tax assessor.

"The Commissioners Court & Tax Assessor of Cooke County have contracted with the Professional Appraisal Company of Fort Worth for a complete revaluation of all taxable property in Cooke County. The purpose of this revaluation survey is to make certain that all property is being taxed uniformly and equitably and that each person is paying only his fair share of the taxes necessary to operate the county.

"This action was not taken lightly, nor without long thought and serious consideration of all of its implications. Several major taxpayers in

Cooke County had informed the commissioners that they were planning to bring a tax suit in Cooke County similar to the one in Grayson County to force a revaluation because they felt they were paying more than their fair share. Grayson County is now under court order to have all taxable property re-assessed to eliminate inequities. Judge Deg Brown Walker of 162nd District Court of Dallas is directing the revaluation. The specifications covering work to be done were recently approved by Judge Walker and mailed to selected appraisal firms for bid.

"All Texas Counties are faced with a problem if they are trying to operate on values set decades ago. Property values are constantly changing due to economic conditions. Inequities have developed on the tax rolls because of the inflationary trend and rapid economic changes that have taken place in recent years.

## YEP Ecology Club Cleans up Road

Muenster High School's YEP Ecology Club (Youth Environmental Protection) cleaned up a two-mile strip of road — end of Main Street, east — during the weekend as a group project.

When Wayne Klement, adult leader, asked for volunteers about 20 boys and girls showed up and went to work picking up litter, bottles, cans, trash, etc., giving the strip a face-lifted look.

Club members are presently selling ecology bumper stickers and hope to widen their goal with other cleanups to help Muenster become more naturally beautiful.

## School Counting Children Who Will Start Next Sept.

A count of pre-school children as a basis of enrollment estimate next September is under way at the public school. Superintendent L. B. Bruns said this week that he needs the information to place orders for needed books and materials, and also for his report to the state.

This applies to children who will be in first grade or kindergarten next year. One group include those who will be 6 years old on September 1, 1973, the other group are those who will be 5 on that date.

They heard Governor Dolph Briscoe welcome the convention and his comments regarding Rural Texas and the tremendous impact Rural Electrification has had on the growth and economy of the State. He further stated that the marked difference between the colonial lamp and the electric lighting we now have was a real example of the benefits.

Much was said about the R.E.A. loan programs by several guest speakers. The damaging effect the administration's decision to curb the program will have on many electric cooperatives was outlined by Mr. Robert D. Partidge as well as Senator Herman Talmadge of Mississippi.

During the session, Mr. Will Erwin, Assistant Secretary of Agriculture, talked about the many cuts that have been made that affects farms, ranches and community development. He pointed out that this action was taken because of the desire to keep the budget below 250 billion.

The President's budget reveals that funding for the Rural Development Act of 1972 will be far less than its authorization. Total of program levels for FmHA is listed as \$2,636,732,000, compared with the 1973 estimate of \$3,451,844,000 and 1972 actual of \$2,784,836,000. FmHA staffing is scheduled to be reduced to 6,607 at end of f.y. 74, compared with 7,354 estimated at end of f.y. 73 and 7,357 actual at end of f.y. 72.

Most serious cutbacks involve water and sewer grants which were reduced from \$42,000,000 in 1972 to zero, and low income housing which has also been eliminated. More than \$1-billion had been used for this program in 1972.

Most of those in attendance seemed to support the view that Rural America should carry its part of the move to economize but should not be the primary bearers of these burdens.

Equity is needed in this system of taxing and the County Court and Tax Assessor have taken the most logical step in meeting this obligation to the taxpayers.

"The program will not be to penalize anyone, but rather to be certain that Cooke County itself is not penalized by the loss of tax monies from property that is either at a low valuation or not on the tax roll at all.

"State and Federal funds cannot be expected to finance local government. We have to do this job of financing at the (Continued on Page 10)

## KCs Will Honor 25 Year Members

Local Knights of Columbus who have been members for 25 years or more will be honored guests of their council in a special observance Saturday night.

The event will begin at the 7:30 Mass in Sacred Heart Church and will include presentation of special awards by the chaplain, Father Bede Mitchel, assisted by Grand Knight Eddie Fleitman. Fourth Degree members will receive theirs from Faithful Navigator Marty Klement. All members of the council living and deceased, will be remembered in the mass. The church ceremony will be followed by a social hour in the KC hall.

All members are urged to come, and bring their wives and lady friends.

## The Fabric Center Has New Owner

Muenster's Fabric Center changed owners and managers this week Tuesday when Bernice Mollenkopf sold the business to Dorma Flusche.

Mrs. Flusche will continue featuring high quality materials, trim and sewing accessories carried by Mrs. Mollenkopf and is receiving new spring piece goods. She invites old customers back and welcomes new customers to stop in and get acquainted.

Mrs. Mollenkopf opened the store in February of 1971. She was forced to sell due to health reasons on doctor's advice.

## Anna Kieninger Dies

Mrs. Anna Kieninger, 76, died Thursday morning in Germany after a prolonged illness of leukemia. She was the mother of Ludwig Kieninger.

## 31 Muenster 4-Hers Win in County Eliminations and Go to District

Sixty-nine 4-H boys and girls from Cooke County clubs gathered at Sacred Heart High School Monday to give the best performances ever on their Method Demonstrations. Of the 69 contestants 44 are from Muenster. Of the 47 advancing to district 31 are from Muenster.

The 4-Hers competed in 46 subject matters in 18 categories. Parents and 4-H sponsors were on hand to lend support.

District competition will be held April 14 on campus at TWU in Denton and senior winners there earn the right to enter state competition.

Club members from nine to 19 years of age, as individuals and as teams, worked on their talks with illustrated material for the past month. Each demonstration is evaluated on subject matter, oral presentation, originality, and achievement of purpose of the demonstration. Muenster winners are as follows:

- Beef Cattle, junior — Mike Bayer and Mark Klement, blue, district; John and Gary Zimmerman, blue, alternate; senior — Darell Walterscheid and Leon Bayer, blue, district; Clothing, senior — Lou Ann Swirczynski, red, alternate.
- Community Improvement, senior — Gayle Miller and Sharon Rohmer, red, district; Cooperatives, senior — Lenora Fleitman and Kim Reiter, blue, district.
- Electricity, junior — Brenda Voth and Laurie Walterscheid, blue, district; Farm and Ranch Manage-

ment, senior — Linda Miller and Sandy Reiter, blue, district.

Field Crops, junior — Jesse Walterscheid and Danny Walterscheid, blue, district; senior — Doyle Klement and Paul Reiter, blue, district.

Food and Nutrition, junior — Dona Swirczynski, blue, alternate.

Home Environment, junior Elaine Walterscheid, blue, district; Debbie Zimmerman, red, alternate.

Horse, senior — Mary Lou Fleitman and Barbie Davidson, blue, district.

Landscape Horticulture, junior — Pat and Kathy Davidson, blue, district; Bernie Fette and Lloyd Reiter, blue, alternate.

Natural Resources, junior — Deryl Zimmerman, blue, district; Gary Rohmer and Robert Hartman, blue, district; senior — Albert Zimmerman, blue, district.

Poultry Marketing, junior — Monica Gehrig and Stacie Walterscheid, blue, district.

Public Speaking, junior — Billy Felderhoff, blue, district; senior — Beverly Walterscheid, blue, district; Kathy Luke, red.

Safety and Emergency Preparedness, junior — Larry Fleitman and Justin Davis, red.

Vegetable Preparation and Use, junior — Rose and Christy Felderhoff, blue, district.

Miscellaneous, junior — Cheryl Luke and Mary Luke, red, alternate.

Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation that may appear in the Enterprise will be corrected upon being brought to the attention of the Publisher.

## A Disgrace to Religion

There is a prevailing school of thought in journalism that editors, as a rule, should avoid religion altogether as a direct subject.

Maybe so! But when any national organization, in the name of religion, serves as a transmission belt for the dissemination of hatred, bigotry and violence, common decency impels protest.

We speak specifically of the National Council of Churches, which claims to represent 42 million members of 33 major religious denominations. At their last national convention held in Dallas, Texas (Dec., 1972) the N C C featured, as their star performer and highly paid speaker, one LeRoi Jones of Newark, New Jersey, who enjoys masquerading under the name of Imam Amir Baraka. Jones, or Baraka, had already gained the reputation as the nation's filthiest of all the scum-level pornographic writers. Or, to put it another way, if a contest were held to determine who could produce the most nauseous combination of words in the English language, Jones would probably be the national champion. One of his cleaner off-Broadway "plays" was sub-titled "The Urinal."

All of this was known by

the National Council of Churches before he was engaged, at a fee of \$1,500.00, as their speaker. Indeed, he was invited over the strong protest of groups such as the American Jewish Committee and others. Religious news writer Lester Kinsolving, who observed the Dallas performance, wrote that "Baraka (described by Kinsolving as a "porny poet") delivered a 90-minute, obviously ill-prepared, rambling hate-America-and-Whitey war dance with the flatulence of a poison gas bag." And when reporters endeavored to find out how much Jones had been paid, Kinsolving reported, a Dr. Davis Hunter, identified as the deputy general secretary of the National Council of Churches, reacted with "It's nobody's d---ed business! And you can quote me!"

It would appear that the 43 million Americans now contributing church funds to the NCC might well do a bit of soul-searching as to whether their money should not be better invested in more worthy endeavors.

## Intellectuals Acclaim God

By Dr. George Benson

The development that has bothered me most in recent years has been the alienation of so many of our young men and women from the basic American values, moral, economic and political. More so than at any other time in life, youngsters of high school and college age are following the leader conformists. And many of the leaders among youth today are intellectual Marxists condemning the American system and calling God an outmoded superstition. How can we reach our youngsters who follow the revolutionary Pied Pipers? If we could restore their faith in God we would have gone a long way. Recently I have made a study of faith among the intellectual leaders of past generations. I feel sure that our present generation of youngsters do not know that the great intellects throughout history, with few exceptions, have publicly in their statements and works expressed faith in Almighty God. So the following facts are particularly addressed to young conformists who have been led to believe that it is "smart to reject God."

### Plato's Faith

The records of antiquity show Plato to have been one of the great minds. Here is what Plato wrote for posterity, in 340 BC: "The soul of man is immortal and imperishable." Plato believed in God. His most illustrious student was Aristotle. In 320 BC, Aristotle wrote: "God is mightiest in power, fairest in beauty, immortal in existence, supreme in virtue; therefore, being invisible to every mortal nature, He is seen through His works themselves."

All intellectuals claim kinship with the Roman poets Virgil and Horace. Virgil, in many of his writings expressed faith in God and God's immeasurable power. In discussing events that dismayed him, Virgil said: "God will give an end to these things." Horace, recognizing God as the Creator of all things, wrote: "Tomorrow the Father may fill the sky with black clouds or with cloudless sunshine."

Dante, one of the most famous writers, wrote in 1300 AD: "The greatest gift which God in His bounty bestowed in

creating, was the freedom of the will."

### Giants of History

Sir Walter Raleigh wrote, the night before his death: "My God shall raise me up, I trust." Another great writer, Sir Francis Bacon might well have been observing the militant atheism in some of today's youth generation, when he wrote: "A little philosophy inclineth men's minds to atheism, but depth in philosophy bringeth men's minds about to religion. I bequeath my soul to God . . . my body to be buried obscurely."

Shakespeare wrote in his King Henry VI play: "God be prais'd, that to believing souls gives light in darkness, comfort in despair." John Milton wrote: "Dissolve me into ecstasies, and bring all Heaven before mine eyes." And John Bunyan, who wrote Pilgrim's Progress, wrote in 1678: "The first string that the musician usually touches is the bass, when he intends to put all in tune. God also plays upon this string first, when He sets the soul in tune with Himself."

### American Founders

George Washington was a believer: "Almighty God," he beseeched in his inaugural address, "we make our earnest prayer that Thou wilt keep the United States in Thy Holy protection." Amen! Abraham Lincoln said: "It is difficult to make a man miserable while he feels he is worthy of himself and claims kindred to the great God who made him. . . . Without assistance of that Divine Being I cannot succeed. With that assistance I cannot fail."

Thomas Jefferson left behind one of the great truths of all times: "The God who gave us life, gave us liberty at the same time." No political system grants mankind freedom; our American system protects our God-given individual freedom. Where in the Socialist-Communist world does that happen? Nowhere.

Yes, we need to remind those of little faith in our society today — both old and young — to hark back into the history of this unique nation (and the world) and see how the great minds viewed God. Above all, we need to build reverence for the Bible; for the greatest minds and the greatest spirits shine out in the pages of this immortal document which forms the basis of mankind's heritage.

Get these facts to a youngster, please. They can save his life and change his world for the better.

## Silent Prayer for Schools Proposed

Sen. Walter Mengden, Republican state senator from Houston, has dropped a bill in the legislative hopper to allow school boards to establish periods of silent prayer or meditation at the beginning of each school day.

The U. S. Supreme Court says a school district cannot dictate to a class of students the wording of a daily prayer. Mengden says his bill would "get around that ruling through this bill which authorizes private prayer, not as a religious service or exercise, but an opportunity for silent prayer or meditation on either the anticipated activities of the day or — by those so disposed — on a religious theme."

Never judge a girl by her appearance — the dumb blond might really be a smart brunette.

## Why Abandon Free China?

Senator Henry Jackson (D-Wash.) startled many of his admirers recently when he urged that the United States recognize "without delay" Communist China and sever diplomatic relations with the Republic of China on Taiwan.

An undisputed hawk on Vietnam and national defense, Senator Jackson said that it is "ridiculous" not to solve "the recognition problem" right away.

What struck many Washington observers as more ridiculous was his recommendation that the U. S. should sever relations with the Republic of China, a staunch and loyal ally for decades. Surely, Jackson must remember that Free China, at great sacrifice to herself, tied up over a million Japanese troops during World War II, thereby saving thousands of American lives. The Free Chinese stood by us when we needed them. Should we abandon them now?

The Senator also contradicted himself by urging the U. S. to sever "formal relations with the Republic of China — but maintain our commitments under the U. S. - ROC Treaty of 1954. Any country lawyer can see that the treaty would become null and void if we no longer recognized the "Republic of China."

Frankly, the Senator's suggestion just doesn't make much sense. After all, we recognize West Germany and yet no one has suggested that when and if we recognize East Germany we should "de-recognize West Germany. Similarly, we recognize South Vietnam but when and if we establish relations with North Vietnam, no one is likely to demand that we "de-recognize" the South.

Senator Jackson admitted that he did not expect the Nixon Administration to act on his suggestion. And with good reason. Mr. Nixon knows full well that we would gain nothing by building bridges to our enemies while burning them to our friends.

— U. S. Press Assn.

## Crackdown Urged On Poor Drivers

Governor Briscoe in a special message gave his endorsement to legislation to remove habitual traffic offenders from Texas streets and highways.

The bill, backed by the Texas Association of Insurance Agents, provides for revoking drivers' licenses of persons convicted of four major driving violations or 12 moving traffic violations in a five-year period. It also provides for felony fine and probation for habitual offenders who drive without licenses.

## Letters to the Editor

Dear Editor,

Until a few years ago I only visited in Muenster. I always thought what a lovely town, so many places to shop. I just must move here. Now that I'm here I'm appalled at all the business that goes out of town. I'm really wondering why. Every place I've shopped the prices are quite in line with prices in other supermarkets I've shopped. The people are all modern, the people are friendly, and service excellent. I would think residents would be proud to shop with their home town merchants, they put in a great deal of time and money for their convenience. I for one am grateful that I have such a convenience and I thank you city merchants.

Editor, Muenster Enterprise:

Many folks seem to be quick to condemn President Nixon for his failure to grant amnesty to the draft dodgers and deserters who showed their dislike for the Vietnam conflict by leaving this country. Some say that a nation based on Christian principles should not tolerate such statements by the President.

We would do well to consider what amnesty for these evaders could mean for our society. Our society is based on a system of laws and these laws, whether we approve of them or not, must be obeyed by all if we are to maintain order in our society. To grant amnesty to those who, with full knowledge of the law,

elected to consider themselves above the law is to invite anarchy into our midst through granting respectability to lawbreakers.

Those who quote the Bible as a source of guidance in this matter would do well to consider the words of Peter as he cautions "For the Lord's sake, obey every law of your government . . .". I Pet 2:13. If any among the deserters and evaders wants to come home and enjoy the benefits of our society — our laws, our freedoms — let them start by accepting the obligations of citizenship as accepted by others, some of whom are returning from the POW camps of North Vietnam.

**Local News BRIEFS**

David Bright Jr. is spending this week with his parents while he's on spring break from Virginia Military Institute, Lexington, Va. When he flew in to Dallas Saturday he spent overnight there with his uncle, Msgr. Thomas Weinzapfel, and joined his parents and brother Joseph who met him there Sunday. He accompanied them to dinner as guests of the Air Force

Academy Parents Association at Dallas' downtown Holiday Inn banquet hall. Joseph is a nominee for the Air Force Academy for admission in July 1973.

Mr. and Mrs. Tommy Dankesreiter and children David, Dana and Eric were Fort Worth visitors Friday and Dana remained overnight with her cousin Karen Dankesreiter. She returned home Saturday morning with Karen and her parents, the Larry Dankesreiters who came to Muenster to spend the weekend.

Mr. and Mrs. Fred Cooke of Wyoming and Mrs. C. W. Mil-

ler of Fort Worth have been visiting their father Reeve Cooke at his home since he was dismissed from Muenster Hospital where he was a pneumonia patient.

The Rev. Bill Hatler, pastor of Muenster Baptist Church, conducted a service Sunday afternoon for residents of Hillcrest Manor Nursing Home. Also there Sunday afternoon in a separate program, seven local CYO members presented guitar and vocal numbers. Members of this group were Cheryl Bayer, Susan Endres, Doreen Pels, Janet Pels, Kim Reiter, Christi Koesler and Joan Hesse.

**Patty Felderhoff Becomes Bride of Ronald Fuhrmann**

First Lieutenant Ronald J. Fuhrmann and his bride are honeymooning enroute to Jacksonville, N. C., where he is stationed with the U. S. Marine Corps as a helicopter pilot.

The bride is the former Miss Patricia Kay Felderhoff, daughter of Mr. and Mrs. Frank Felderhoff. The groom is the son of Mrs. Adolph Fuhrmann and the late Mr. Fuhrmann.

Wedding vows were pledged in a double ring ceremony in Sacred Heart Church Satur-

day during 5 p.m. Mass with the Rev. Placidus Eckart, pastor, officiating.

Given in marriage by her father, the bride wore a gown of white silk organza over tafeta. A panel of embroidered flowers fell from the high neckline down the front of the A-line skirt. Embroidered flowers also formed the cuffs of the long fitted sleeves and flocked the chapel train. A satin ribbon accented the high-rise bodice.

A Juliet cap of embroidered lace held her elbow-length veil of silk illusion edged in lace. Her flowers were a cascade of orchid carnations, pink sweetheart roses, white daisies, purple statice and stephanotis. She carried a sterling silver rosary, gift from the groom, and had a penny in her shoe.

Miss Marilyn Felderhoff of Sherman, sister of the bride was maid of honor. Her gown of multi-colored floral silk organza had a full skirt edged with a deep ruffle and long sleeves ruffled at the wrist. The solid yellow bodice with square neckline had a yellow velvet ribbon accenting the empire line and forming a single bow at the back with streamers extending down the skirt. She carried a single long-stemmed yellow carnation.

Bridesmaids were Miss Margery Fuhrmann of Denton, sister of the groom, Mrs. Isaac Stevens Jr. of Lubbock and Miss Carolyn Schoech.

They wore dresses of the same multi-colored floral silk organza with Miss Fuhrmann's featuring a mint green bodice; Mrs. Stevens a pink bodice; and Miss Schoech's a lavender bodice. Each carried a single long-stemmed carnation matching the bodice of her gown and had matching flowers and silk organza streamers in her hair. Each also wore a heart-shaped rhinestone necklace, a gift from the bride.

First Lieut. Michael J. Fuhrman flew in from duty in Vietnam to be his brother's best man. Groomsmen were First Lieut. Jim French of Jacksonville, N. C., Brian Bezner of Denton and Tom Hartman.

Ushering guests were Tim Felderhoff, brother of the bride, and Glenn Felderhoff, a cousin.

Acolytes were Mark Felderhoff, brother of the bride, Gary and David Felderhoff, cousins, and Kent Fuhrman, cousin of the groom. John Felderhoff, another brother of the bride, gave the Bible readings during Mass.

Mr. and Mrs. Robert Fuhrmann of Lindsay, brother and sister-in-law of the groom, presented the gifts at the offertory.

Mrs. David Bayer, organist, accompanied a vocal trio, Misses Debbie Yosten, Cheryl Otto and Laurie Wimmer who sang "One Love" for the entrance of the bridal party, "Love Is All Around Us" at the offertory, "Wedding Song" at the communion, and "Hail Virgin Mary" after the ceremony when the couple went to the Blessed Virgin's shrine where the bride placed a single long-stemmed yellow carnation on the altar and the groom lighted his father's First Communion candle placed on the altar in memory of his father. Kelly Fuhrmann of Lindsay, niece of the groom, presented the bride with the floral tribute for the Virgin's altar.

Wedding reception and dinner were held in the VFW Hall where Miss Joie Trubebach and Mrs. Tom Trachta registered guests at a table that held a portrait of the bride and the couple's memory candle.

A yellow cloth overlaid with lace covered the bride's table centered with her wedding bouquet and further adorned with carnations in her chosen colors and white candles in crystal holders. The wedding cake, on a separate table covered with lace over yellow, was circled with an arrangement of yellow flowers. The

cake was made by Mrs. Jerry Walterscheid and served by her and Miss Donna Rohmer.

The groom's cake, on a table covered with lace over Marine blue, was served by Mrs. Brian Bezner of Denton and Mrs. Sammy Sparkman of Gainesville. The chocolate horse show shaped confection was made by the groom's mother.

The bride is a graduate of Muenster High School and attended Cooke County College. The groom is a graduate of Lindsay High School and North Texas State University where he received his BS degree in Education with his major in Math and taught at Sacred Heart High before joining the Marine Corps in June 1971.

**Rehearsal Dinner**

Rehearsal dinner was given by the groom's mother in her home. Quartet tables were covered with cloths of the bride's colors, yellow, pink, mint and lavender with flowers of these colors as centerpieces. Miss Margery Fuhrmann, Mrs. Jerry Walterscheid and Mrs. Dave Walterscheid assisted with dinner.

**Laura Kralicke Wins Prose Medal In Dallas Tourney**

Laura Kralicke was a medal winner in the Dallas Baptist College Speech Tournament, taking second place in prose reading. She is a sophomore at Sacred Heart High.

Debbie Walterscheid and Chris Felderhoff reached the finals in girls' poetry and boys' prose reading, while Barbie Hess, Dianne Kralicke and Gayle Miller advanced to semi finals.

Members of SH Junior High's speech classes will enter two tournaments in April, one at Nolan High in Fort Worth, the other at Jesuit College Prep in Dallas.

**Family Together For 2 Birthdays**

Mr. and Mrs. Larry Dankesreiter and daughter Karen came from Fort Worth Saturday morning to celebrate Karen's fourth birthday which was that day and her daddy's which is March 8. They were houseguests of Mr. and Mrs. Thomas Hesse.

Saturday afternoon Karen had a birthday cake and ice cream party and that evening a group ate out for Larry's celebration.

Sunday Mr. and Mrs. Hesse were dinner hosts in their home. Other guests were her father L. F. Dankesreiter, Mr. and Mrs. Tommy Dankesreiter and children Dana, David and Eric, Mrs. Anna Mae Sickling and children Steve and Karla and the hosts' children Michael, Curtis and Noelle.

### Jaycees Choose March 24-25 for Annual Snakehunt

Muenster Jaycees will sponsor their third annual rattlesnake hunt Saturday and Sunday, March 24 and 25, members of the organization decided at their regular meeting last Thursday night.

Their list of awards includes \$25 and a trophy for the longest rattler . . . plus a \$50 bonus if it measures over 6'6" . . . also \$25 and trophy for the most weight in snakes, \$10 and a trophy for the shortest snake, and first, second and third place trophies for snakes with the most rattles.

Entry fee will be \$1.00 per person and the hunt time each day will be 9 a.m. to 6 p.m. Headquarters for checking out and in will be in the city park. That place will also be the location of a snake display and show featuring Barrey Barnett, professional snake hunter from Wichita Falls. He'll go into the pit with more than a dozen live rattlers to demonstrate proper methods of catching, handling and milking. He'll also talk about treating snake bites.

Extras on the program are a dance Saturday night and a snake fry Sunday night.

Mr. and Mrs. Ray Wilde and children Joni, Tina, Greg and Renee moved this week into their new home in the northwest part of town. The new home has four bedrooms, three baths, fireplace, double garage, central heat and cooling and brick veneer. Their former home on N. Main Street will be the home of Mr. and Mrs. Danny Wilde who will move here from Gainesville.

### Rain Cancels Two Games for Hornets, Next Try Tuesday

After calling off their first two games because of rain Coach Bill Moore's Muenster Hornets expect to open their baseball season next Tuesday at Whitesboro.

Even with the late start the boys are expected to be rather cold for their first encounter. To date they have had only three days of outside practice because of the wet weather. However opponents have had the same troubles.

Another problem for Coach Moore is the loss of Jim Endres, who carried most of the pitching responsibility last year. The injured knee which spoiled much of his football season and all of his basketball season is acting up again. Mark Lippe and Terry Walterscheid will be the hurlers this year.

The season's schedule: Mar. 13, Whitesboro, there Mar. 16, Alvord, here Mar. 20, Chico, here Mar. 26, Alvord, there Apr. 3, Petrolia, here Apr. 6, Callisburg, there Apr. 10, Sanger, there Apr. 17, Frisco, here Apr. 24, Callisburg, here Apr. 27, Sanger, here May 4, Petrolia, there May 7, Frisco, there

Games with Chico are double headers. Chico and Alvord games begin at 3 p.m., all others at 3:30.

Mr. and Mrs. Alvin Hartman and children were in Dallas Sunday at the Southwest Sports and Vacation Show. On the way home they stopped in Denton to visit the Gene Hartmans.

### BIRTHS

Mr. and Mrs. Kenneth Mitchell Jr., Gainesville, proudly announce a daughter, Marilyn Elaine, seven pounds two and a half ounces, born at Gainesville Hospital Saturday, March 3, at 7:20 p.m. Marilyn has a brother, Charles, aged three. Grandparents are Mr. and Mrs. Kenneth Mitchell Sr., Gainesville, and Mr. and Mrs. Cecil Welch of Hood. Paternal great-grandparents are Mrs. Gordon Mitchell and Mr. and Mrs. Carl Gimple of Whitesboro.

Mrs. Oscar Detten is great-grandma for the second time and Joe Lutkenhaus has his second great-great-grandchild. The newcomer is the second son of Mr. and Mrs. Rickey Hammock of Amarillo, born Monday evening, March 5. His grandparents are Mr. and Mrs. Fred Dillard of Amarillo. Mrs. Dillard is the former Virginia Detten.

Mr. and Mrs. Felix Pelzel of Pilot Point are proud parents of a daughter and their little girl Sharon is happy having a sister. There are four brothers, Randy, Wayne, Timothy and Kevin. The newcomer arrived Wednesday, Feb. 28 at Gainesville Hospital checking in at six and a half pounds. She's a granddaughter for the Fred Hennigans, and Mrs. Frank Pelzel of Pilot Point. Mrs. Mathilda Wimmer is great-grandma again. Mrs. Pelzel is the former Joan Hennigan of Muenster.

Mr. and Mrs. Wally LeFever announce a daughter, seven pounds 11 ounces, born at Gainesville Hospital Thursday, March 1, 11:25 a.m.

### Poster Winners at SH Are Announced

Winners of Sacred Heart Student Council's Safety poster contest have been announced.

Nanci Fuhrmann's art work won first, Peggy Hoedebeck's poster was second and Christi Koesler's was third. Prizes are five, three and two dollars respectively.

The student council sponsored the contest to help emphasize traffic safety. It was a feature of February which was Traffic Safety Month at Sacred Heart School.

### Political Statement Of Sue W. Endres

Because I believe in the progress of Muenster and in actively supporting my town, I have filed for Alderman.

Muenster has the potential of the "ideal" community, but it must have the support of all its citizens and a Council dedicated to the needs of all. I have lived in a number of towns, have spent many years working in their civic, church, and school organizations; and, in addition to this experience, have spent 17 years in the business world. Therefore, I feel I am qualified and well able to serve our community.

Sue W. Endres

Gifts to colleges set a record of over \$1.8 billion in 1970-71.

### MHS Has 2 on 14-A Dream Teams

Doris Felderhoff, leading scorer of District 14-A and rated as one of the outstanding forwards of the state, was a unanimous selection for the all district team named last week by the look coaches.

Also Mark Lippe was chosen for the all district boys' team. And those were the only Muenster players picked for the dream teams.

Champ Petrolia dominated the selections for the boys' team. It landed 3 on the first string, Nocona got 2, Pilot Point and Frisco each got one. On the second team Sanger got two and Muenster, Nocona, Pilot Point and Petrolia each got one.

Petrolia's girls, like the boys, were district champs but they were not the leaders in all-district selections. Frisco was in front with 3. Petrolia and Pilot Point each had 2 and Muenster 1. On the second team Nocona has 3, Sanger 2, Frisco, Pilot Point and Callisburg each 1.

### SH Track Teams In Senior, Junior Weekend Meets

Track enthusiasts from the seventh grade up of Sacred Heart will flock to Saint Jo and Nocona this weekend for a pair of invitation meets.

The Tigers will be at full strength with some forty entrants in the annual Red River Relays at Saint Jo. About 20 Class B teams from a wide area of North Texas are expected to be there, especially Celina which has dominated the show in recent years. After good showings in a practice at Henrietta and a meet at Rock Springs, Coach Bob Steele is priming his boys to break the Celina winning streak. Also regarded as a strong contender is the Windthorst team.

Meanwhile the Tiger Cubs of grades 7, 8 and 9 under direction of Mike Turbeville will be at a junior high meet in Nocona. About 30 of them will be entered.

### Induction Planned In Honor Society

The Muenster Classroom Teachers Organization in its meeting last week made final plans for ceremonies to form MHS Chapters of the National Honor Society and Junior Honor Society. Bettye Dodds reported that the induction ceremony would be conducted by the Decatur chapter in the auditorium on March 7.

Organization of the local chapters was a project of the classroom teachers, and its members are selected by the teachers on the basis of scholarship, character and service. Volunteers to represent the teachers at the March meeting of the Muenster School Board are Carol Dyer, Edgar Dyer and Rudy Koesler.

### Truck Call March 15

The Salvation Army truck will be in Muenster next Thursday morning, March 15, to pick up used clothing and household discards, furniture, appliances etc., that can be repaired. A call to 759-4311 the day before will bring the truck to local homes and places of business.

### Boxers Win 12 Tourney Trophies

Twelve members of the Muenster Boys Club came home with trophies from a boxing tournament at Waurika, Okla., last Thursday, Friday and Saturday nights. Half of them were winners in their classifications and the other half were runners up.

Champ trophies were won by Monte Wimmer, Floyd Haverkamp, Bob Grewing, Dean Swirczynski, Roger Haverkamp and Gary Barnhill.

The second place awards went to Billy Haverkamp, Curtis Grewing, Curtis Pagle, Tim Wolf, Louis Koelzer and Glenn Grewing.

### Gary Endres on 7-B All District

Sacred Heart Tigers placed one player on the 7-B all district team and the Tigerettes had two honorable mentions at a meeting of the coaches Tuesday night in Lindsay.

Gary Endres was picked for the first team, Christi Koesler and Nanci Fuhrmann received the honorable mentions.

The four district schools — Lindsay, Saint Jo, Valley View and Era — and Sacred Heart were equally represented on the boys' first team. Each had one player. On the second team Lindsay had 2; Saint Jo,

Era and Valley View each had 1.

It was different on the girls teams, both of which were dominated by Lindsay. The Knightettes had 3 on the first string, Valley View had 2 and Era 1. On the second team it was Lindsay 3, Valley View, Era and Saint Jo each 1.

The four 7-B teams voted to include Sacred Heart in their schedule again next year as they did this year however Sacred Teart will not be eligible for the district title.

Mrs. Albert Myers, formerly of Hood, is a new resident at Hillcrest Manor Nursing Home.

### The Men In Service

#### Back From Vietnam

First Lieut. Michael J. Fuhrmann has ended his tour of duty as a helicopter pilot with the U.S. Marine Corps in Vietnam and is at home visiting his mother, Mrs. Adolph Fuhrmann for two weeks. His new assignment will be in Pensacola, Florida, as an instructor in the flight program.

#### Settled In Germany

Steve Walterscheid writes his parents, the Joe H. Waltersheids, that he's settled at Baumholder, Germany. His new address: Pvt. 2 Stephen J. Walterscheid, 459-92-1627; HQ. LMC Co. TSO, 708 Maint. Bn.; APO New York, N. Y. 09034.

**Hornets to Start Track Season at Holiday Saturday**

The first test of this track season for Coach Glenn Richardson's Muenster High Hornets will be a rugged one. They are included with some 30 schools of B, A and AA classification in the annual relays at Holiday.

This is one of the three practice meets on the Hornets' schedule before their district meet on March 30 and 31. Next week they will be in Indian Relays at Nocona and on the 24th they will participate in the Tiger Relays sponsored by Sacred Heart High at Gainesville. The district meet will be held in two parts — field events in Pilot Point on March 30 and track events in Nocona on March 31.

Hornet assignments for the Holiday meet have been listed as follows by Coach Richardson.

440 yard relay: Ludwig Kieninger, Terry Walterscheid, Curtis Klement and Thomas Bright.

880 yard run: Steve Klement and Terry Walterscheid.

120 yard high hurdles: Mark Lippe and Louis Koelzer.

100 yard dash: Ludwig Kieninger.

440 yard run: Thomas Bright and Curtis Klement.

330 yard intermediate hurdles: Mark Lippe, Louis Koelzer and Lyle Klement.

220 yard dash: Ludwig Kieninger and Terry Walterscheid.

Mile run: Lyle Klement and Ronnie Felderhoff.

Mile relay: Mark Lippe, Thomas Bright, Curtis Klement and Louis Koelzer.

High jump: Mark Lippe and Louis Koelzer.

Broad jump: Mark Lippe, Ludwig Kieninger and Louis Koelzer.

Shot put: Jim Endres and Steve Klement.

Discus: Jim Endres and Steve Klement.

Pole vault: Tom Bright

While the Hornets are at Holiday the future Hornets will be in the junior high meet sponsored by Nocona high.

About 30 boys from grades 7, 8 and 9 will be entered there.

Mr. and Mrs. John Fisher spent the weekend in Houston as houseguests of their son and daughter-in-law the Johnny Fishers and took in the Stock Show.

**MENU**

**26 SH '74 Seniors Order Class Rings**

After Sacred Heart Seniors graduate Sunday, May 20, the new seniors of 1974 will receive their class rings on Monday, May 21.

A special Liturgy will be planned for the incoming seniors with Father Placidus Eckart celebrating. Being a special liturgy, the new seniors will receive communion under both species.

The 26 juniors, measured for their senior rings on February 28, are John Bartush, Cheryl Bayer, Shirley Becker, Phil Endres, Jeff Fette, Karl Hess, Kenny Hess, John Hesse, Marge Hesse, Peggy Hoedebeck, George Johnston, Donna Knabe, Donnie Knaf, Milton Knaf, Davy Krahl, Estelle Martin, Doreen Pels, Dickie Moster, Kevin Pels, Alan Rohmer, Dwayne Rohmer, Steve Taylor, Danny Voth, Beverly Walterscheid, Karla Yosten, and Alane Yosten.

**SH Students Hear Talks on Convent and Seminary Life**

Students of Sacred Heart High participated in a special liturgy last Wednesday and heard talks on seminary and convent life by visiting speakers.

Mass was con-celebrated by Father Placidus Eckart, pastor, and Father Jerry Mosman of Fort Worth assisted by Deacon Mike Homberg of Holy Trinity Seminary.

Father Mosman and Deacon Homberg presented a word picture on seminary life to the boys and Sister Victoria of Our Lady of Victory Convent in Fort Worth spoke to the girls about vocations and religious life.

Special Masses are often planned in accordance with school activities. Students have opportunity to attend Mass daily and to participate in the liturgy by readings, guitar playing and singing and in the offertory procession.

**Campaigning Gets Underway at SH by Student Council**

Most exciting event of the year for Sacred Heart Student Council is election of officers. For an entire week those running for the various offices campaign for the upcoming election.

This year, elections will be held during the week of March 12 through 16. Students running for president, vice president, second vice-president, secretary, and treasurer enlist the aid of other students in their campaigns.

Campaign managers work hard at preparing skits and rally posters, and gathering support for their candidates. Running the elections this year are: Mark Schmitt, president; Gary Endres, vice-president; Phil Endres, second vice-president; Laura Kralicke, secretary; and John Henschel, treasurer.

Sacred Heart Student Council is an integral part of parish activity. This organization has put forth all possible efforts to make this year the best ever in terms of student involvement.

Many activities have been held by the Student Council this year including ping-pong tournaments, planting trees for Arbor Day, and other projects.

**SH High to Enter DU Literary Meet**

Sacred Heart High School has accepted an invitation to participate in the second annual Texas Catholic Interscholastic League Rally to be held April 13 and 14 on the University of Dallas campus in Irving.

Some 70 schools are expected to compete for statewide recognition in biology, computer science, math, history, poetry, journalism, acting, forensics, foreign languages, art and music.

Sacred Heart was first in poetry at the meet last year.

**'Fiddler on the Roof' To Be Staged by SHH April 27, 29**

Sacred Heart High Thespian Troupe 3043 has chosen the world renowned musical, "Fiddler on the Roof," for presentation April 27 and 29 in Sacred Heart Parish Hall.

Doug Yosten has been cast in the leading male role of Reb Tevye and Debby Walterscheid will be his wife Golde. Supporting roles include the Tevyes' three eldest daughters to be enacted by Christi Koesler, Susan Endres and Beverly Walterscheid. Myron Hess will be the tailor.

Other cast members will be selected as rehearsals get underway.

Production is under direction of Brother Thomas Moster, Thespian Society sponsor. Sister Carmelita and Sister Yvonne are in charge of music and choreography.

Some of the songs in the musical are "If I Were a Rich Man," "Sunrise, Sunset," "Do You Love Me?," "Matchmaker, Matchmaker," and "Tradition."

The story, set in a Russian village at the turn of the century, is funny and serious, entertaining and meaningful, gay and sad, all in one evening... an unforgettable show that glows with rare entertainment magic. It is being presented with special permission from Music Theatre International, New York City.

Past musicals staged by SHH have been "My Fair Lady," "The Sound of Music," "Man of La Mancha," and "Camelot."

**Recent Bride Is Shower Honoree**

Mrs. Herbert Sicking, the former Miss Jo Ann Richardson, was honoree at a wedding shower Monday evening in the home of Mr. and Mrs. Paul Hassell in Gainesville.

Assisting the honoree in receiving guests were her mother Mrs. C. C. Richardson, mother-in-law Mrs. Bernard Sicking, and grandmother Mrs. Edith Richardson.

Guests were registered by Mrs. J. A. Goach of McKinney, aunt of the honoree who was assisted by Mrs. George Cannon and Miss Cathy Richardson in opening gifts.

Refreshments of punch and cookies were served by Mrs. Hassell and co-hostesses Mrs. Bill Hutchinson and Mrs. J. A. Gaskins.

The refreshment table was covered with a white crocheted cloth over green and centered with a blue floral arrangement flanked by blue and green tapers. Appointments were in silver.

**Seniors to Make Flying Class Trip**

Sacred Heart High School's 17 seniors, accompanied by their class sponsor Brother Thomas Moster, and four other adults, will fly to New Orleans for their senior trip. This is the first time seniors of SHH will travel by air.

Members of the class are Mary Beth Bartush, Larry Bayer, Gary Endres, Susan Endres, Charlie Fleitman, Kenny Fleitman, Nanci Fuhrmann, Myron Hess, Janet Knabe, Christi Koesler, Melvin Luke, Ernie Martin, Kim Reiter, Mark Schmitt, Debby Walterscheid, Carol Yosten and Doug Yosten.

They will leave Friday, May 11 and return Sunday, May 13.

**NOTES FROM THE LIBRARY**

By Bettie Luke

We are so proud of the 22 new biographies we have received. These are American Authors and the more well known: Whitman, Bryant, Whittier, O'Henry, London, Poe, Stowe, Thoreau, Faulkner, Lowell, Steinbeck, Stevenson, Lewis, Hawthorne, Warren, Sandburg, Eliot, Bryant, Thurber, Longfellow, Sandburg, and Walt Disney.

The library is being improved by stocking up on biographies, histories and all non-fiction subjects this year. Come and read with us.

**Kin Spend Sunday With O. D. Garlands**

Relatives spending Sunday with Mr. and Mrs. O. D. Garland at Hillcrest Manor and having dinner together there made a family gathering.

Present were Mr. Garland's sister Mrs. Lucille Baker of Dallas, Mr. and Mrs. Frank Kinman of Fort Worth, Mrs. Minnie Kinman and Mr. and Mrs. Wesley Kinman of Seymour accompanied by their guests Mr. and Mrs. Roy Ames of Valley, Wash.

**Birthday Honoree**

Father Placidus Eckart, superintendent of Sacred Heart School, was honored with a birthday party Friday, March 2. His birthday is March 3, but it was celebrated a day early so all the faculty could attend. Birthday cake and coffee were served in the teacher's lounge.

There was a time when a fool and his money were soon parted. Now it happens to everybody.

### Greater Earnings Allowed in '73 by Social Security

Recent changes in the Social Security Law allow retirement beneficiaries to receive all benefits during 1973 if yearly earnings do not exceed \$2100 according to Gus Jones, Manager, of the Sherman Social Security Office. The new law also permits a person to earn \$175 a month and still be paid full benefits. These amounts are effective January 1, 1973, and compare to the 1972 limits of \$1680 and \$140. Regardless of the total amount of annual earnings in 1973, benefits can be paid for any month in which earnings do not exceed \$175.

It is obvious, Jones continued, that these changes will increase the total amount

of benefits for many, and will cause some benefits to be payable where none could be paid in past years. Other working beneficiaries who earn over \$2100 in 1973 will have \$1 for every \$2 of excess earnings withheld from their social security benefits, regardless of the amount earned.

Jones illustrated the above by stating that a beneficiary entitled to \$200 per month earning \$5000 in 1972 would not receive any benefits. However, in 1973 this same person would receive \$950 in benefits, even if he worked all months in 1973.

For further information, get in touch with your social security office. They are located in Sherman at 810 N. Travis and office hours are 8:30 a.m. to 4:45 p.m. Monday through Friday. A representative may also be contacted in Gainesville each Tuesday and Thursday from 9:30 a.m. to 12:00 Noon in the Federal Building.

### Caution Advised By IRS on Listing Medical Expenses

Many taxpayers get smaller refunds — or have to pay additional taxes — because they make errors in reporting medical expenses, W. T. Coppinger, District Director of Internal Revenue for North Texas, said today.

To avoid errors in deducting medical expenses on 1972 returns, Mr. Coppinger advised taxpayers to read the Form 1040 instructions carefully before filing.

A common error taxpayers made in reporting medical expenses is in deducting medicine and drug expenses. Taxpayers can add these expenses to their other medical expenses only to the extent they exceed one percent of adjusted gross income.

"Some taxpayers," Mr. Coppinger said, "try to deduct in full their drug costs in excess of one percent of their adjusted gross income instead of adding this excess to their other medical expenses, which are subject to a three percent limitation."

Another common error taxpayers made last year involved the medical insurance premium deduction. You can deduct one-half the cost of the premium paid for medical insurance, up to \$150, without regard to the three percent of income limitation.

The Form 1040 instructions explain what is and is not deductible and also how the expenses should be reported.

### Local News BRIEFS

Miss Lois Sicking is a new employee at Hillcrest Manor. She's a part-time nurses aid working after school hours. Daughter of the Emmet Sicking she is a senior at Muenster High.

Mr. and Mrs. A. J. (Moco) Schilling of Seymour visited relatives and friends here over the weekend and were with the crowd at the concert and dance in the Parish Hall Saturday night.

Mr. and Mrs. Wayne Trubach and children moved this week into the former Larry Yosten house which they bought. The move took them from East Third to South Hickory St.

Former residents Mr. and Mrs. Larry Yosten and children Christi, Ann and Matt of Sulphur Springs were back for a visit Friday and Saturday with his mother Mrs. Bob Yosten at her home. Their daughter Alane who lives with her sister and family, the Pat Klements and attends SHH joined them. Also weekend-ing there were Mrs. Curtis Holland and children Curtis and Loretta of Cleburne who spent until Sunday with their mother and grandmother. Local relatives stopped by to see the out of town kin. Mrs. Bob Yosten who now resides with her brother Joe Swirczynski at his home spends weekknds at her own home when out of town children are visitors.

Mr. and Mrs. Charlie Berend of Hereford spent a few days of the past week here with relatives and Mrs. Berend was a frequent visitor with her mother Mrs. C. J. Wimmer at Hillcrest Manor. She reviewed the trip to Hawaii that she and her husband had made the latter part of February.

Donna Rohmer, student at the University of Dallas, returned to classes Monday after a weekend visit with her parents and family, the Arnold Rohmers.

Mr. and Mrs. Frank Schilling Jr. have named their new son Jonathan Frank. Father Leonard Wangler officiated at the baptism attended by Mr. and Mrs. Duwayne Schilling as godparents for their nephew. He wore the traditional baptismal gown that his mother and other family members wore. Also at the service were his sister Laurie and cousin Kelly Schilling.

Mr. and Mrs. Cecil Sawyer and children have moved back to Muenster after living at Era and he has gone back to work for Wilde Chevrolet. They are at home in Sylvan's Trailer Park.

Visitors with Mrs. Zena Martin at Hillcrest Manor Sunday afternoon were a son and family, the Charlie Martins of Nocona, a daughter Mrs. W. B. Hardison of Montague and another son, Bill Martin and his wife and sons Billy and Dale of Lindsay.

Father Francis Zimmerer has been appointed associate pastor of Saint John the Baptist Church in Edgar, Wis., effective March 1. His previous assignment was as chaplain of St. Joseph's Hospital in Chipewau Falls, Wis.

Miss Clara Streng of Fort Worth spent Sunday with her parents, the John Strengs.

After all is said and done, it's usually the wife who has said it and husband who has done it.

### TWU Students Give Tips on Volleyball

Five physical education majors from Texas Woman's University demonstrated volleyball techniques to girls from Sacred Heart and Muenster High schools on February 28 in Sacred Heart's gym.

The five girls demonstrated how to spike, set up, serve, bump the ball, and how to pick up low balls. After the demonstration, everybody got into groups and the visitors instructed the girls individually in the skills they had previously demonstrated.

The session was sponsored by the Physical Education class at Sacred Heart, Mrs. Johnny Pagel is the instructor.

Perhaps we pay too much attention to the things that are wrong with our country, and too little to the things that are right about it. We might well pause to reflect now and then upon two facts: In recent years between 300,000 and 450,000 persons have immigrated into the U.S. yearly (besides a large number who entered illegally). They came here to better themselves, and because there were more things wrong with their native lands than with ours. And, on the other side of the coin, can you think of anyone who is keen on leaving this country to live anywhere else?

Mrs. Henry Luke, 59, dies after extended illness. Father Anthony Schroeder, 60, dies in Wichita Falls hospital; funeral is held in Subiaco, Ark. Earl Fisher, candidate for Muenster mayor, is unopposed on ballot; Wilmer Luke, Gene Hoedebeck, Don Flusche, Ray Otto and Jerry Wimmer are candidates for alderman positions. Both schools have big displays at Science Fair. Muenster retains maximum credit on fire insurance. FFA members groom animals for project show. Twenty-six volleyball teams will play in tournament here next week. SH Alumni feds win consolation trophy in Nocona tourney. Sacred Heart entries win top honors in 4-H Festival. Joyce Tempel quits job as city secretary. Heart Fund drive nets \$140. Mrs. Andy Arendt has hepatitis. Ed Schneider attends father's funeral in Arkansas. New arrivals: a boy for the Melton Ramseys, girls for Messrs. and Mmes. Bernard Gieb, Henry Pop and Lambert Beyer.

**5 YEARS AGO**  
March 8, 1968

Funeral services are held for Mrs. Joe J. Wimmer, 49, life-long resident of Muenster. Over 400 visitors see open house and science fair at Public School. Cuba's loss is Muenster's gain as Dr. Alfredo Antonetti opens his office here. Wilmer Walterscheid gets electronics diploma at A&M. First and seventh graders at both local schools will get TB schick tests. Jaycees invite voting for Man of the Year. Muenster native Roy Burkhardt dies in New Mexico. Muenster Milk Plant plans new product and more capacity. Rain measures .54. Heart Fund drive nets \$391.61 here. Fourteen SHH students take membership in honor society. District president is guest at VFW Auxiliary meeting. SH Alumni men and Center men win champ and consolation trophies in volley ball tourney. New arrivals: boys for the Truman Wolfs, Mark Kutas and Carl Walterscheids.

**TP&L Will Spend  
Over \$171 Million  
On Building in '73**

Texas Power & Light Company will spend \$171,433,000 for the construction of new facilities in 1973, J. F. Skelton, TP&L president, announced. The construction budget is the largest in the Company's 61-year history, and expenditures will allow TP&L to keep pace with the growing electrical demands of customers in its 51-county service area.

A major portion of the expense is involved in the construction of seven major generating units. When completed over the next several years, the new units will be capable of producing some 5.7 million kilowatts of electric power.

One new unit is located on Lake Granbury in Hood County; two units near Tatum in Rusk County, and two units near Mount Pleasant in Titus County. The Rusk County and Titus County units will be owned jointly by TP&L, Dallas Power & Light Company and Texas Electric Service Company. The three companies also have two 1,150,000-kilowatt nuclear units in early planning stages. The units will be located near Glen Rose.

Another significant expenditure in 1973 will be the installation of additional fuel oil tanks at existing TP&L power plants. Normally, the Company fuels all but one of its power plants with natural gas. However, in recent weeks, TP&L's two major gas suppliers have greatly curtailed gas deliveries to the Company.

The new fuel oil tanks, which will store a total of 18 million gallons of oil, are being installed because of the present gas curtailments and expected future difficulties in obtaining an adequate supply of natural gas, Skelton explained.

In addition to its power plant construction, the Company will build or improve transmission lines, substations and distribution lines and service centers in various parts of its service area.

Part of the Company's current construction budget includes expenditures for ecological improvements at numerous TP&L power plants.

Skelton noted that on a nationwide basis, total generating capacity of the electric utility in the United States in 1972 reached an estimated 406.5-million kilowatts. This was an increase of 10.4 percent over the 1971 total of 368.1-million kilowatts.

lion kilowatts.

Skelton estimated that investor-owned electric power companies had invested a total of more than \$115 billion in electric plant equipment, excluding nuclear fuels, at the end of 1972. During the next five years, the nation's investor-owned electric companies will spend about 70 billion dollars for new construction. Skelton said that within the next five years, the investor-owned electric companies are scheduled to place about 150 million kilowatts of new generating capacity in service.

Taxwise, the investor-owned electric power companies are expected to have a 1972 tax bill of \$4.18 billion, about 590 million greater than their 1971 tax bill, he said.

During 1972, Skelton noted, investor-owned electric companies spent more than 2.1 billion dollars on environmental controls. Also in 1972, 96 investor-owned electric companies pledged more than 61 million dollars for research and development programs.

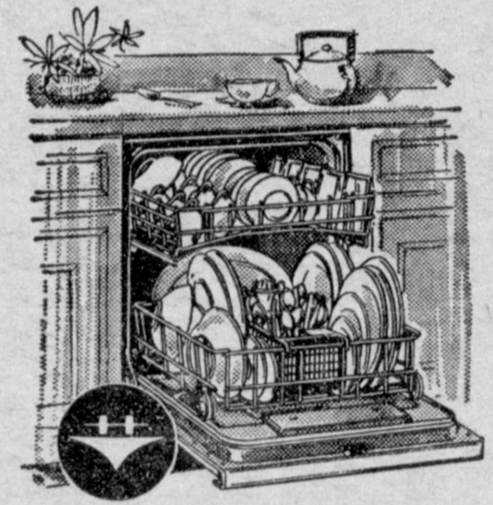

lion dollars on environmental controls. Also in 1972, 96 investor-owned electric companies pledged more than 61 million dollars for research and development programs.

**When costs go up,  
solving the problem isn't  
easy for TP&L**

Texas Power & Light Company's costs of bringing you dependable electric service have risen drastically in recent years. And, they're still going up.

For example, TP&L uses thousands of racks . . . a small but essential piece of hardware which is attached to poles as a support for power lines. In 1952, the price of a rack was only 49¢. Today, the price is \$1.00.

In 1952, TP&L spent about \$23 million on new generating plants, lines and other facilities needed to produce and supply electric power. In 1972, construction costs amounted to almost \$110 million. This increase was brought about partly by the increasing demand for electricity and partly by

inflation. In recent years, environmental and esthetic considerations have added new costs. Power plant fuel, a major cost item to TP&L, has gone up in price more than 500% since 1952.

Texas Power & Light, and most electric utility companies, have a solid history of keeping electric rates as low as possible, consistent with good service. In fact, TP&L's average charge per kilowatt-hour in 1972 was substantially less than in 1952.

However, if reliable electric service is to be provided in the future, rising costs must eventually be passed on in the form of increased rates to the consumer.

URBAN J. ENDRES (left) is pictured receiving an award from Bob Morris, zone manager of Ford Motor Company, commemorating the company's 25 years as Ford dealer in Muenster. Some of the many awards earned by the dealership can be seen in the background. Urban Endres purchased the business from Adolph Herr in October 1946 and started with three employees, Marguerite King, Marty Klement and Jack Tuggle. All are still connected with the dealership which in itself is quite a record. Klement has been a fulltime partner in Endres Motor Company since July, 1955. The company now has 14 employees representing a combined total of over 200 years of service to Ford customers in the North Texas area.

**Ecology Group  
Sets March 17 for  
Meet at McKinney**

The first quarter meeting of the Upper Trinity Soil Conservation Society of America will be held on Saturday March 17 at McKinney, according to Eual Davis, sec-treasurer of the chapter.

The program calls for members and guests to go on a Safari. This will be done with a slide talk by Edna and Perry Bolin who recently went on a round-the-world trip including a safari in Kenya, East Africa. The program will be given in the hunting lodge of the Bolin ranch which abounds with trophies from other hunts.

A catered lunch will be served at the lodge from 12 to 1 p.m. and will cost \$1.75 per person (dutch treat). Those who plan to go and who want lunch should notify Mr. R. Churchill, Box 620, McKinney, Texas 75069 by March 10th. Program will be from 1 to 2 p.m.

A brief business meeting will follow after which members will drive to McKinney Youth Park to identify and label the plants of the park for the benefit of Boy Scouts, FFA and 4-H organizations around McKinney. Those who wish to fish may do so at the Bolin ranch. Fun, information, fellowship, and work — all a part of the Soil Conservation Society of America.

A map showing the location of the Bolin Ranch can be obtained by contacting Eual Davis, Muenster; P. C. Wylie,

Gainesville; Tommy Hays, Bowie; or Johnny Simmons, Nocona.

**3700 Die in 1972  
in Texas Traffic**

Although the official tabulation has not been completed, the traffic death rate in Texas has been estimated to be 4.9 deaths per hundred million miles in 1972. This would be the lowest traffic death rate in Texas since 1961.

But the Department of Public Safety states that approximately 3,700 persons died in Texas traffic in 1972.

This is an increase of 106 deaths over the 1971 total of 3,594 or about 3 per cent.

Other estimates state that fatal accidents for 1972 will come to about 3,100, which is another increase of about 2.5 per cent.

Vehicle miles traveled in Texas during 1972 increased at a rapid rate and will probably total as many as 77 billion miles for an increase of up to six billion miles or about 8 per cent more than in 1971.

A reason for this increase would be because as of December 1972, some 7,038,307 currently licensed drivers are on the streets and highways of Texas, an increase of more than 296,000 new drivers over the year before.

Also, registered vehicles increased from 7.1 million in 1971 to 7.7 million in 1972, which is an increase of about 600,000 more vehicles operating in Texas than the previous year.

**Fort Worth Hosts  
Farm-Ranch Show  
March 9 thru 11**

Fort Worth, Texas — Farm and ranch operators from throughout the Southwest will converge on Fort Worth, March 9 through 11, for the Second Annual Southwest Farm Show and Championship Tractor Pull.

The mammoth three day supply and equipment show will feature more than \$5 million worth of tractors, tools, balers, combines, trailers, loaders and other items used in farming and ranching operations.

Exhibits will cover more than 100,000 square feet and they will be open for inspection from 10:30 a.m. until 5:00 p.m. each day.

Admission to the exhibits is free. Registration forms for thousands of dollars worth of door prizes can be picked up from any farm equipment dealer.

Adding to the excitement and fun will be three days of tractor pulls to be held in the convention center each evening. Featured again this year will be the hot rod classes roaring down the track using airplane, tank and truck engines.

Young Homemakers of Texas and Young Farmers Association wives will again vie for more than \$1,000 in awards in the second Texas Natural Fibers Fashion Review. The finalist will be chosen on Saturday, March 10, and the winners will be presented at the Saturday night tractor pull.

Future Farmers of America will be featured also on Saturday in the Second Annual Texas Tractor Mechanics contest. Finals will be at the Saturday night tractor pull and will feature the young mechanics trying to unbug and start a tractor in the arena.

A doctor examined a patient whose legs were swollen and who was in terrible pain. The next day he examined him again and said to the patient, "Your legs are still swollen, but that doesn't worry me." "You know, Doc, if your legs were swollen, it wouldn't worry me either."

**CITATION BY PUBLICATION**  
THE STATE OF TEXAS  
TO: Reba Guinn, et al, Defendant, Greeting:  
YOU (AND EACH OF YOU) ARE HEREBY COMMANDED to appear before the 16th District Court of Cooke County at the Courthouse thereof, in Gainesville, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 26th day of March A.D. 1973, to Plaintiff's Petition filed in said court on the 6th day of February A.D. 1973, in this cause, numbered 73-026 on the docket of said court and styled Carlos M. Leach, Plaintiff, vs. Reba Guinn, et al, Defendant.  
A brief statement of the nature of this suit is as follows, to-wit: Suit for Partition.  
If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.  
The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.  
Witness, Anna Mae Shorter, Clerk of the District Court(s) of Cooke County, Texas.  
Issued and given under my hand and the seal of said court at Gainesville, Texas, this 7th day of February A.D. 1973.

**Lens-View**

The supper, concert and dance sponsored by the Muenster Men's Choir was a real nice affair. The meal was delicious and the concert by the Muenster Choir and the Froh-sinn Singers of Dallas was enjoyable.

Young and older people kept the floor crowded dancing to the waltzes, polkas and modern music. Believe everyone had an enjoyable time and we hope it was a success for the choir.

This was our first visit to the parish hall in many years and it was quite different from times past. We remember when there were no tables, the boys gathered on the south side and the girls on the north. Rest rooms were outside, booze was in the cars and it was considered sinful to dance past midnight on Saturday night.

Enough comments were made about the hall to make

one realize that all are looking forward to the future new hall.

To those who are looking forward to another good time, that is if the sore leg muscles are healed, remember the date Saturday, March 17, the St. Patrick's dance sponsored by Muenster PTA.

On a day spent in Oklahoma City this past week the news items were: two murders, one rape case, the university presidents' home was set on fire by fire bombs thrown through the window, a riot (the third that week) at one of the high schools resulting in two policemen hurt, five students jailed and 22 expelled. The student union vacated and searched because of a reported bomb. Eighteen fender bender accidents during the evening rush, one with a fist fight in progress, tornado watch in the area, and the signing of two high school seniors one six feet seven inches tall weighing 300 lbs., the other six feet five weighing 255 lbs., to play on the university foot ball team. It was so pleasant returning to a quite smaller city.

**Confetti - - -**

tility for the Panamanian government to expect any American Administration ever to surrender any part of the US sovereign rights, power, and authority acquired under the 1903 treaty. The reasons behind his statement are crystal clear. First of all the zone was purchased in a fair and square land deal that leaves no doubt about ownership. Secondly our claim on the zone was enhanced many times by the work and money invested in the canal. And furthermore it is the nation's most vital transportation artery, the only shipping passage between Atlantic and Pacific. That's important to commerce and even more so to our national defense.

Needless to say the friction in Panama is promoted by Communists. Nothing could suit them better than to get control of the passage so important to us. On the other hand we can't imagine a greater incentive for asserting our absolute sovereignty in the matter.

After telling the Red puppets that the ditch is not negotiable at any price we need to tell the UN to keep its pro-red nose out of our internal affairs. And the next step is to tell the military down there that our military will be there if needed. As far as this column is concerned the warning should include the hint that an enemy attacking us takes the risk of being booted out of power. And why not? It's been that way in history for centuries. Modern countries need to be told that it's still risky to grab for another's land.

Bill Reiter and Ricky Swirczynski have resigned from their jobs with the City of Muenster to go to work for Weber Aircraft on April 19.

**Tax Equalization - - -**

local level as much as possible. The property tax is a local tax — it is collected from the owners of property located here and the money stays here. The county tax money helps pay for county roads and road maintenance, sheriff's department, county courts, county fire protection, library services and the other services which the county provides. These property taxes are different from the taxes collected by the State and the Federal Government because they are locally administered, locally collected and locally spent. This is one time you can see your tax money at work.

"Your Commissioner Court and Tax Assessor have therefore decided that the tax records should be brought up to date; inequities eliminated; and that valuations should be realistic. Our earnest desire is that Cooke County may achieve an enviable tax position. In order to accomplish this, tax assessments must be equal and uniform and the tax base be realistic. This is good for the home owner because he is assured that he is not paying any more taxes proportionately than his neighbor, and for the same reason, it is good for local business. Prospective businesses, although interested in a low tax rate and moderate assessments, are more concerned with whether or not assessments are equalized and uniform throughout the county and

that all taxpayers, whether local or otherwise, are paying on the same basis.

"The equalization program can proceed smoothly if we all seek to understand both how it will work and what the results can be. No one will ever make taxes popular but we are trying to make certain that taxes are equitable."

**NEWS OF THE SICK**

Mrs. Frank Neu is reported making satisfactory recovery for illness and surgery and was dismissed from Flow Hospital in Denton Wednesday to return to her home in Valley View. During her hospitalization a son and his wife, Mr. and Mrs. Kenneth Neu of Spokane, Wash., were visitors with his parents and the Leonard Grewings in Denton.
