Death Tuesday Ends Long Illness of Mrs. Wenzel Truebenbach, 88

Mrs. Wenzel M. Truebenbach, 88, died at 4:15 p.m. Tuesday in Muenster Hospital following a lengthy illness. She had been a Muenster resident 68 years.

Funeral services with Requiem Mass were held in Sacred Heart Church Thursday at 9:30 a.m. with the Rev. Alcuin Kubis of Little Rock, Ark., officiating. Burial in Sacred Heart Cemetery was under direction of Nick Miller Funeral Home.

Rosary was recited in the Miller Chapel at 4 p.m. Wednesday by St. Anne's Society and a wake service was held at 7:30 p.m.

Bearers were grandsons: Giles and Clifford Truebenbach, Andrew Jr. and Allen Truebenbach, Alvin Hacker and Edward Pick.

The former Miss Theresia Juede was born in Delbruck, Germany, Oct. 10, 1881. She came to the United States States with her parents, Mr. and Mrs. Joseph Juede, in 1884. They lived in Monray, Neb., until 1896 when they settled in Muenster.

Theresia was married to Wenzel M. Truebenbach in Muenster on Sept. 10, 1901, and had been a continuous

resident with the exception of about five years, 1905-1911, when the couple farmed at Lindsay. They celebrated their golden wedding anniversary in 1951. Mr. Truebenbach died in August 1956.

Surviving are one son, Andrew of Muenster, three daughters, Mrs. Frank Hacker, Miss Nora and Miss Marie Truebenbach, also of Muenster, nine grandchildren and eight great-grandchildren. Two children preceded her in death, one in infancy and Sister Celine in 1961.

Miss Elaine Otto Crowned Queen of MHS Homecoming

Miss Elaine Otto, a senior, is the 1969 homecoming queen of Muenster High School. She was crowned during the half time ceremonies at the Muenster-Valley View football game by Jimmy Jack Biffle, ex-student president, and received a dozen red roses from Lloyd Trubenbach.

She had been previously elected by the football players but her identity was not revealed until the four candidates for the honor appeared in front of the grandstand. The four were escorted by classmates who had been chosen from the Hornet squad.

The ladies and their escorts were Seniors Elaine Otto and Henry Sicking, Juniors Patty Felderhoff and Mike Jaska, Sophomores Pam Walterscheid and Danny Fette, Freshmen Marlene Herr and Hank Trachta. The juniors, sophomore and freshman candidates were named princesses and received mum corsages.

Another homecoming highlight was the election of Johnny Pagel as president of the Ex-Student Association succeeding Jimmy Jack Biffle. The election was held during intermission of the homecoming dance, which followed the football game.

Other officers are Dolphy Joe Hellman, vice-president, succeeding Butch Fisher, and Mrs. Charles Pagel, secretary—treasurer, succeeding Mrs. Johnny Pagel.

Hornets-Knights Game Appears as Lots of Football

A game that was taken for granted early in the season looks much bigger as it gets near. It's the Muenster-Lindsay tussle here Friday night starting at 7:30. Several weeks ago most of the 9-B area sympathized with Lindsay for its manpower problem. Lately it has learned to respect and fear the Knights.

Coach Glenn Richardson has the same opinion, and he has passed the word along to his Hornets. He is very much impressed by the fact that Lindsay ran over Saint Jo and held Era to a count of 22-14. Considering that MHS had a hard time edging Era 20-12, the indication is that it can look for trouble from the Knights. The comparative scores favor Muenster, but not much.

The game shapes up as a wide open affair. Lindsay's team is the smallest in 9-B but it ranks high in quickness, speed and alertness. It can be expected to depend on these qualities more than on muscle.

Hornet strength should be up to par for the contest. Only two players are expected to be out of lineup. John Felderhoff is still nursing a knee injury and Joe Klement has two broken fingers. Terry Miller, out last week, will be back in action.

The Men In Service

Separated From Service
Melvin Sicking who served three years and ten months in the U. S. Navy and held the rank of Petty Officer third class, has been separated from the service and is back in Muenster visiting his parents, Mr. and Mrs. Bernard Sicking and family. Melvin was an airplane mechanic with overseas duty in Vietnam and in Europe. The Sicking's have another son in the service. Wayne is with the Air Force on Okinawa.

Auxiliary to VFW Plans Memorial Rite for Nov. 11

Muenster VFW Auxiliary will conduct a memorial service at Sacred Heart Cemetery on Tuesday, Nov. 11, in observance of Veterans Day.

The service will consist of prayers and placing a wreath on the memorial marker in the servicemen's section of the cemetery. The time is 10 a.m. and the service is brief. The public is invited to attend.

Plans for the memorial were made at the organization's meeting Monday night. It is an annual event and this year a part of "Operation Speak Out," urged by VFW Auxiliaries between Nov. 9 and 15—a time to exercise patriotism.

In other business, members planned a benefit bake sale at the local dress factory for Nov. 21 during the noon hour. Bread, rolls, cakes and pies are due at the factory at 11 a.m. Members who do not bake are to give three dollars instead.

It was announced that the District I convention will be held in Denton this weekend and members made plans to attend.

Mrs. Clarence E. Hudspeth, president, presided, Mrs. Bill Haverkamp served refreshments to 18 members after adjournment and Mrs. Hank Walterscheid won the door prize, a cake.

Public Invited to Anniversary of Rest Home Sunday

An open house celebration will observe the sixth anniversary of Muenster's Golden Years Rest Home Sunday afternoon, Nov. 9, and the public is invited to attend between the hours of 2 and 5 o'clock.

The home, privately owned and operated by Mrs. Richard (Dick) Cain, was opened in 1963 by Mrs. Cain and her late husband.

The anniversary program will include a religious and social observance and refreshments.

All are welcome to tour the home, visit the residents and join in the party.

Blood Bank Will Be Activated December 1

Muenster Memorial Hospital has been approved as a member of the Red Cross Blood Bank System and will begin its active participation on December 1.

The report was received Wednesday by David Bright, administrator of Muenster Hospital in a telephone message from George E. Clevenger, director of the Red River Blood Center of Wichita Falls, a part of the nationwide Red Cross organization.

Formal approval of Muenster Hospital's admission to the Red Cross system was given Monday afternoon in a special meeting of the Cooke County Red Cross Chapter.

Clevenger informed Bright that blood from the Wichita Falls Center will be supplied here starting December 1 and the center's first bloodmobile visit to Muenster will be early in the month, the exact date still to be determined.

Ground work of enrolling the community in the blood bank system was started in September when the local KC Council voted to sponsor the project. Its part consists mainly of the responsibility of recruiting donors when the blood is collected here.

Muenster Hospital as a second partner in the deal, is authorized to dispense blood which is credited to the Muenster account to all patients in the local hospital and to patients of other hospitals who are eligible to draw on the community's blood account.

Hornets Romp to 42-14 Win over Eagles of V View

The Hornets supplied the main ingredient for a delightful MHS homecoming Friday night when they racked the Valley View Eagles 42-14.

It was an important 9-B decision over a team that had been rated as a strong title contender and gave the Hornets a tie with Windthorst for the loop lead. Standings in the race now are Muenster 2-0, Windthorst 2-0, Lindsay 1-1, Era 1-1, Valley View 0-2, Saint Jo 0-2.

Muenster started clicking with the opening kickoff. Tim Hennigan, Earl Koelzer and John Monday shared in gains of 62 yards on 8 plays, then Monday passed to Bobby Bruns for the last 15 yards. Monday's kick made the score 7-0.

After the next kickoff the Eagles made a first down and kicked on the second series. Then came two exchanges as Valley View intercepted and Muenster recovered a fumble two plays later on the Muenster 40. Two rushes gained 8, after which Hennigan broke through the right side and rced 52 yards to the second TD. Monday's kick made it 14-0 as the clock read 3:43 in the first quarter.

Then it was the Eagles' turn. Seventeen plays plus a 15 yard penalty gained 81 yards in 5 first downs with Wolf, Hill and Ford doing the running. Wolf made the last foot and Barthold passed to Hogan for bonus points early in the second quarter.

Muenster retaliated on its next possession, making 65 yards and 5 first downs on eight plays. Henry Knabe, Koelzer and Hennigan shared in 21 yards, Monday's pass to Bruns made 28 and Hennigan zipped through the middle for the last 16 yards. Another kick by Monday made the score 21-8 with 7:42 on the clock.

Valley View could not go after the kickoff and punted to end the series. Muenster's gain of two first downs was followed by a pair of kicks. (Continued on Page 8)

SH Alumni Set for Gala Homecoming

The proverbial red carpet is ready to be rolled out and all but last minute details are ready to welcome visitors to Sacred Heart High School's homecoming celebration '69.

Students and the Alumni Association have prepared a gala program in which the public is invited to participate and special social events for graduates of 1939, 1949 and 1959, the honored classes this year.

The homecoming crowd will see the Tigers in action with Cistercian Prep of Irving as the night's opening attraction. Kickoff time is 8 p.m.

At half-time, in royal ceremonies, a homecoming queen will be crowned, and after the

Tigers Lose 29-0 In Scuffle with Big D Chargers

Sacred Heart's Tigers lost 29-0 to the Dallas Christian Chargers Saturday night. That happened in the first half. They and their fans much prefer to remember the second half in which the pint sized Tigers held their husky opponents to a scoreless tie. Considering the circumstances that was a sort of victory.

The visitors were an awesome outfit as they came to the field with an advantage of 39-15 in roster strength and more than 40 pounds advantage in average weight. It seemed as though they should be able to score at will, but the scrappy Tigers denied them a sustained drive until late in the first half. Breakaway plays accounted for the first three touchdowns.

The first one was on the Chargers' first offensive play. Mullins connected with Billingsly for 37 yards and the score.

On third scrimmage play after that the Tigers lost a fumble on the 31. A pass advanced to the 16 but then Tim Bindel recovered a fumble for Sacred Heart. Next the Tigers had to kick on first series, so did Dallas Christian. The following series ended abruptly for the Tigers as Lybrand intercepted and scooted 30 yards to the goal.

The next score came early in the second quarter after strong defense by both sides. The Mullins to Billingsly combination worked again, for a 28 yard TD. A pass to Cumbie added 2 points and the count was 22-0. Kicks had produced extra points after the first two scores.

After that the Tigers got first downs on a screen pass to Schilling and a 15 yard penalty but an interception of a long pass stopped them and put the Chargers in business 7 yards away. Three first downs reached the Tiger 30 where Tommy Felderhoff's (Continued on page 4)

Stolen Credit Cards Valuable To Car Thieves

DALLAS, Oct. 21 — Stolen oil company credit cards often prove to be of great value to car thieves, according to the National Automobile Theft Bureau (NATB).

C. C. Benson, manager of NATB's southwestern division, says that stolen gasoline credit cards often provide an excellent means of false identification for the car thief. The credit cards enable him to buy gasoline, oil, tires, etc. for the stolen automobile and they can also be used to cash checks and for payment for motel lodgings and food.

The NATB official warned automobile owners never to leave their credit cards in their cars, to keep accurate records of the serial numbers of all credit cards, to consult with their insurance agents about credit card insurance and to promptly notify the oil companies and their insurance companies if credit cards are lost or stolen.

Actually there is only a slight difference between keeping your chin up and sticking your neck out, but it's worth knowing.

game there will be a choice of two bands for dancing. Corky and the Del Rays will be at the VFW Hall while The Soul Purpose makes the rhythm at the Parish Hall.

For ex-students and Alumni members added attractions are a reunion-buffet beginning at 6 p.m. in the Parish Hall followed at 7 o'clock by a short program during which the honored graduates will be recognized and receive passes to the game and dance.

One of these will wear the crown and reign over homecoming festivities: Carol Grewing, Patti Sicking, Darlene Hess and Connie Endres. Identity of the queen will not be revealed until the coronation. The other three will be princesses in the royal court. All are seniors. Maids of honor are Donna Rohmer, junior; Ann Bartush, sophomore; Nancy Fuhrmann, freshman.

Tigers Will Play Cistercian Prep At Homecoming

Optimism is extra high among the Sacred Heart Tigers this week as they get set for the Cistercian Prep Hawks of Irving Saturday night at 8.

As Coach Tom Joy sees comparative records of the two teams, the odds this time are stacked again, but less than usual. The Tigers have a better chance plus the added incentive of homecoming. They want very much to do their part in making the annual get-together a pleasant event.

The Hawks have a season that compares with the Tigers. They now share the TIS conference cellar with the Tigers and the coming game will decide which will remain there.

Size and numbers will favor the visitors. Their roster is twice as long and their average weight is at least 30 pounds more. However, Sacred Heart may have a slight advantage in speed and this week's practice concentrates on keeping the game as wide open as possible. The Tigers are giving special attention also to their pass defense. The Hawks are known to do a lot of passing.

Condition of the Tigers this time is the best in several weeks. Coach Joy said all are ready and the hurts are only a few bruises. He's especially pleased to have Kevin Swirczynski in good shape again after last week's bout with the flu. Kevin will be the alternate captain this time.

Cubs Win 20-6 Over Alvord Kids

The Cubs of Sacred Heart won another one Tuesday night, dumping Alvord's elementary kids 20-6. They played the best game of their season so far and had their hosts bested all the way.

They started as soon as they got possession, which was on Alvord's 40. A drive went all the way and Kevin Pels made the last 10 on a reverse sweep.

The next one started with Tim Felderhoff's interception, his third of the season. David Krahl scored on a 4 yard end run completing a drive of about 40.

The third TD, in the second quarter, was another end run by Krahl. Dickie Moster ran for 2 extra points. Late in the game the Cubs scored again but had it wiped out by illegal procedure ruling.

Alvord's score was made from the 5 on the play following a pass interference ruling. Defensive standouts in holding Alvord to very short yardage were Allen Rohmer, Mike Luttmer, John Bartush, Kenny Hess and Mark Stoffels.

The Cubs have two games booked for the coming week. They will host Immaculate Conception of Grand Prairie Sunday at 2 o'clock and will go to Lindsay Tuesday at 6:45.

Going to Europe

Paul Hesse is at home with his parents, Mr. and Mrs. Meinrad Hesse, until Nov. 22 when he goes to Munich, Germany, on a two to four year job as a systems analyst with the Army and Air Force Exchange Service. He has been with the headquarters office in Dallas . . . will be with the headquarters office in Munich.

It is comforting to note that reaction to the President's Vietnam speech Monday night has been overwhelmingly favorable, with support messages to the White House estimated at 95 per cent. A ratio like that is big enough to look good even after discounting for the likelihood that supporters are more inclined to express themselves than the critics are. It's a real pleasure to see that so many of our countrymen approve his method as well as his intention to get out of the war.

The plan makes good sense no matter how one looks at it. A year of frustration in Paris indicates that Communists do not want to negotiate. They are stalling, confident that delay will bring more concessions from us while creating more domestic discord for us. The president, aware of their plan, has announced his counter plan. US policy as of now is to worry less with the settlement and look to the day when South Vietnam, with material support from us, is able to take on the military responsibility.

Reds don't like that. Weary of the war themselves, they don't want continued conflict with determined people who know they are fighting for survival. Furthermore, the President's statement clearly implies that we have become less inclined to keep begging for a settlement. Hereafter they can make the effort to get along with us. Unless they have come to terms before our pull-out they are stuck with a difficult choice of their own. That is, either to give up the conquest or continue a war that their own people don't want.

As regards continuation, it seems certain that reds would encounter a different kind of war than at the start. South Vietnam will be better equipped this time, and also more aware of the consequence of defeat. The fiendish atrocities of reds in the past have taught them some grim lessons.

Considering all angles, President Nixon's message deserves the widespread support that it seems to be getting. At this stage it looks like the honorable and practical way, for both us and our allies, to get ourselves out of the mess. We do not abandon them, still we can see the beginning of the end of our very unpopular military burden. That, according to past statements, is the goal we have been striving for. Hopefully this is the starting point toward a return of national unity.

Some comments following the speech indicate however, that unity is still far away. Fault finders like Senator Fulbright can see no good in it. Apparently they still insist on immediate and complete withdrawal, but they fail to offer a safeguard against the annihilation of South Vietnam. Well, it's good to realize that most Americans are more concerned with the welfare of our allies and the honor of our country.

This column heartily agrees with President Nixon's recent remarks urging a comeback of our country's merchant marine. The present sad state of decline is not only a matter of national embarrassment but also a big loss in employment and a hazard to national security.

It is rather humiliating to think that our shipping which led the world a few decades ago, now handles a puny portion of world trade, that other countries now haul more of our imports and exports than we do. It is depressing to realize how many jobs have been lost in our decline of shipbuilding and ship operation. It is frightening to think of what can happen to national security if we should become totally dependent on our depleted shipping capability.

One of the principal causes of this predicament is obvious. Ever increasing wage rates have priced the American merchant marine out of the world market. Our shipbuilders cannot compete with the cheaper labor abroad. Shippers cannot compete with the labor on foreign ships.

As long as business is confined to our country we can manage to get along with the inflationary trend. We can deal with each other when we have more money in circulation, but when we try to

In the older group, Laura Knabe was prettiest as a Spanish lady; Mike Stephens as a pirate was ugliest; Lisa Trubenbach was funniest as an upside-down girl; Dale Wolf was the best actor, in a leopard costume; Gary Rohmer, as the Flying Nun, was most modern and Debbie Zimmerer as grandma was the most old fashioned.

Judges were Mrs. Tom Joy, Mrs. Tony Gremminger, Mrs. Ed Schmitt and Miss Sylvia Hofbauer.

Halloween games and refreshments rounded out a fun night for the children.

About the time you learn to make the most out of life, the most of it is gone.

The customs man poked through an old gentleman's luggage and located a flask of whiskey.

"I thought you said you have nothing but clothes in here," the inspector said. "I did and it's true," the old gent replied. "That, sir, is my nightcap!"

Civics Class Has Guest Speakers

Civics students at Sacred Heart High have had four guest speakers during the first nine weeks of school. Local businessmen discussed local government, and the lives of American presidents.

Henry Weinzapfel, local banker, told how money collected through the United Fund is used for the Muenster Youth Council. Johnny Pagel, Jaycee president, discussed work done by the Jaycees, adding that the organization welcomes suggestions from young people for future projects.

Mayor Earl Fisher talked on city and county politics, obligations of citizens and the importance of voting.

Lee Toothaker presented a glimpse into the lives of former American presidents. He has studied the personal lives of the presidents and presented new insights into this section of history.

Miss Marianne Eckart returned to Dallas Wednesday after a few days' visit with her parents and family, the James Eckarts.

Terry Miller Is FHA Sweetheart

Members of Muenster High Future Homemakers of America elected Terry Miller as Chapter Sweetheart during their business meeting Tuesday night. He is a senior, the son of Mr. and Mrs. W. J. Miller.

As a fund raising project for their treasury the girls decided to sell cookbooks. These will be available in about two weeks and the chapter hopes to sell a number of them to be given as Christmas presents. Debbie Yosten, Laurie Wimmer and Janel Stoffels are chairmen of the book committee.

The chapter is again collecting Christmas cards from members to send to Denton State School for use.

Instead of a December meeting the girls will go caroling at Muenster Hospital and Golden Years Rest Home. They will take homemade cookies and candy to patients and residents. For this they'll have a bake-in as a class project.

Program for the month tied in with the year's FHA theme, "Make Time Work for You." Mrs. Dan Harmic gave a demonstration on making yarn pictures.

Pam Stoffels, president, presided in the presence of about 50 members and Mrs. Henry Weinzapfel, chapter adviser.

Happy Bluebirds Elect Officers

Second Grade Happy Bluebirds met Tuesday afternoon with Mrs. Donald Endres hostess mother and Miss Barbara Knabe assisting Mrs. Joe Felderhoff and Mrs. Tom Joy, leaders.

The group planned November activity which includes a Thanksgiving program for which they practiced songs. They also elected officers for the month.

Marlene Swirczynski is president; Kathy Knabe, vice president; Nancy Luke, secretary; Rhonda Endres, treasurer; Sharon Sicking, pledge leader.

Each girl received a copy of the official Bluebird story and Sharon Sicking and Linda Endres were appointed scrapbook chairmen. Linda was candlelighter, her mother served refreshments and Bernadette Knabe dismissed with the magic wand after the Bluebird circle.

Valley View's being blocked by Tommy Henscheid. From 9 yards away Monday slipped on an end run, losing 5 yards, then Hennigan made the 14 yards. Another good kick made the score 28-8 with 2:45 on the clock.

A big play with less than a minute to go set up the Eagles for their second score and the use of times out enabled them to make it. A pass from Barthold to Hogan gained 37 to the 2. Next play David Fette caught Barthold back at the 7, then a pass interference ruling over the line gave Valley View a final try from the 1 foot line after time had run out. Larry Hill banged over for a half time score of 28-14.

The Eagles opened the second half with two first downs and lost possession at mid field on a fourth down gamble. Four plays from there made Muenster's next TD. Hennigan gained 5. Passes to Bruns made 31 and 11 and Hennigan went over from the 3.

The rest of the quarter saw Muenster stopped by an interception and a fumble and then a drive in two parts by the Eagles. They went 40 yards to Muenster's 39 and lost on a fourth down try. Muenster got back to the Eagle 30 and fumbled, and the Eagles resumed their effort from there. Three passes, a run by Hill and 15 yards free on a penalty were big gainers in a push to first down on the 1. But there Muenster defense threw them back 11 yards in three plays. On fourth down Barthold was dropping back for a pass when Fette blasted through for another smear. The series had lost 18 back to the 19.

Muenster started its last scoring drive from there. Eight plays made the 81 yards and Monday scored from the 7. He also ran for bonus points making the count 42-14 with 3:09 left.

During that time Muenster got to the 20 for a field goal attempt, but had it blocked. For its last play Valley View tried a long pass. Dale Hellman intercepted at about the 40 and got good blocks on a return that fell just one yard short of another TD.

The other three will be princesses in the royal court.

interception stopped the drive. Four plays later Sacred Heart lost possession and the Chargers continued from the 34. Eight plays made it and the scoring play was a pass to Anderson. A kick made the count 29-0 seconds before the half ended.

The second half was a defensive deadlock in which the visitors got four first downs and the Tigers got two. Also the visitors had total gains of 89 yards and the Tigers had 45. Meanwhile loss-

es of possession were entirely in the Chargers' favor. They got two Sacred Heart fumbles and intercepted once.

Near the end of the third quarter the visitors threatened to score their fifth TD but the Tigers were equal to the challenge. Two first downs had reached the 13 and the next four plays got only to the 5. Defensive play by

Bill Bartush, Melvin Luke, Melvin Schilling and Paul Bayer accounted for most of the Chargers' troubles.

Fort Worth C of C Adopts Program On Conservation
 The nation's largest conservation awards program will operate under the banner of the Fort Worth Chamber of Commerce.
 The program was formerly conducted by the Fort Worth Press.

Walter R. Humphrey, former editor of The Press, founded the Texas Conservation Awards program 24 years ago. Awards totaling nearly \$20,000 have been presented to Texas farmers, communities, wildlife conservationists, newspapers, and other public agencies.
 Humphrey has been named chairman of the committee which will carry the program into its silver anniversary year.

"The Press is pleased that the Fort Worth Chamber of Commerce has picked up the reins of the Soil Conservation Program, the finest program of its kind in the nation," said Bob Sellers, editor of The Press.

"The program has grown until now it is truly a community-wide task to administer and direct it. The Chamber is to be commended for accepting the responsibility of taking over a vibrant, public service project which has outgrown the sponsorship of one private organization."

**SOIL CONSERVATION
DISTRICT NEWS**

Brush is a water robber. Why let it use water that could be used better for grass production?

Pauline Seay, whose farm is located near Forestburg, has recently cleared brush that has robbed her farm of moisture for years. Scattered, well shaped trees were left for shade for livestock and gener-

al beautification of the farm. Seedbed preparation has been done with a crawler-type tractor and disc. This will cut off many of the roots that would otherwise cause a serious sprout problem. The early plowing will assure her of a good firm seedbed by grass planting time.

By next year, where Mrs. Seay once had water robbing brush she will have 32 acres of coastal bermudagrass for her livestock to be grazing. This area once provided only winter protection for livestock but is estimated to provide 170 animal months of grazing per year after establishment.

Cost-share assistance for brush control was received through the ACP. The Great Plains program provided cost share for seedbed preparation and grass planting.

United States, and are growing at the rate of 1 per week. Twenty of these are in Texas.

The Grayson County College program is in its third year. Its popularity is so intense that additional facilities were needed to accommodate the large number of applicants. Ground will be broken the first part of November for the new Nurse Training facility.

Neighbors Party At Bartush Barn

Neighbors got together Sunday evening at a supper party honoring Mr. and Mrs. Charles Bartush and family in their show barn. Everyone took covered dishes and all their children. The Muenster Playboys furnished music for dancing. Present were about 70 children and that many adults.

The group included Messrs. and Mmes. Archie Hess, Eddie Schmitt, Dick Dittfurth, Alvin Cler, Hubert Felderhoff, James Mollenkopf, Jerry Walterscheid, Larry Hennigan, Carl Walterscheid, Larry Tisdale, Leo Hesse, Alfred Bayer, and C. B. Fields.

Bees Win 14-6 At Whitesboro

The Bees of Muenster High marked up their sixth win out of seven Thursday night at Whitesboro by a count of 14-6.

They scored the first two times they got hold of the ball but failed to put a drive together for the rest of the game. Meanwhile they held the Kittens to one touchdown despite an interception and two fumbles going in Whitesboro's favor.

Muenster's first drive started with the opening kickoff. It went 68 yards in twelve plays including a 31 yard pass from Glenn Felderhoff to Gerry Cash and a 5 yard scoring pass to Hank Trachta. Bobby Tuggle and Ricky Huchton did the toting on rushing gains. Felderhoff made 2 points on a keeper for a lead of 8-0.

The Kittens started with a first down on their first possession but the second series fouled up badly. Three plays lost 21 and the kick was short. The Bees were starting from the Whitesboro 36 as the second quarter opened. One play made it from there. It was a pass to Cash. The count was 14-0.

Near the end of the half the Kittens got going on their only drive of the night. It started with a pass interference ruling for 21 yards to the 34 and the TD was set up by an interference ruling over the line for possession on the 1. The next play went over. Try for extra points failed. Half time score was 14-6.

Neither team got anywhere in the second half. Whitesboro got only 1 first down. The Bees got five but were stopped by two fumbles and one interception.

As the fourth quarter opened they appeared to be on their way. Six plays gained 44 yards to the 17 and a pass to Cash reached the 5. However, it was nullified by an offside penalty, and the drive was ended abruptly by an interception on the next play. On the interception Muenster was lucky to prevent a Kitten TD. The runner got past mid field before he was hauled down.

Statistics matched the score. Bees were ahead 11-5 in first downs and 69-27 in rushing gains. They completed 7 of 11 passes for 123, the Kittens completed 7 of 9 for 57.

how can Lone Star Gas help you get rid of wrinkles?

We know all wrinkles are not due to aging. Some are due to drying. And dryers.

Some dryers affect clothes the way sun affects skin. They not only dry out moisture. They bake in wrinkles. Even in permanent press.

But gas dryers are more sensitive to your family's clothing. And more sympathetic to your work load.

Most new gas dryers have a special cool-down cycle that turns off the heat before your clothes become overheated.

That means your clothes have fewer wrinkles. And you have less ironing.

You also have less expensive utility bills. Because gas dries for about a penny a load.

See your gas appliance dealer or Lone Star Gas Company. Find out how to take it a little easier. And avoid wrinkles.

Going to the dogs doesn't make it. Leading the pack makes it.

If you follow it exactly, you should lose 10 pounds in 10 days. No weight loss in the first four days but you will suddenly drop 5 pounds on the 5th day. Thereafter lose one pound a day until the 10th day. Then you will lose 1½ pounds every two days until you get down to your proper weight. Best of all, there will be no hunger pangs. The group also agreed to join the county Pecan Pickin' after their next meeting.

Waymon Moore, assistant county agent, met with members and showed a film on raising and care of bees.

Betty Mae Rohmer presided and led the 4-H motto, Barbara Rohmer called roll, Dan Nortman and Gene Rohmer led recreation after business and the Rohmer family served refreshments to 13 members, three leaders and two visitors.

deal abroad our high wages and high prices become handicaps. Even so our domestic trade is hurt because foreign products on foreign ships can undersell ours.

The situation seems to beg for a trend in the other direction. An orderly reduction of both prices and wages could allow our economy to maintain a healthy balance of domestic business and eventually become competitive with other countries.

Common sense tells us this is the way to beat inflation and gradually restore a better climate of domestic and foreign trade. Nevertheless the news last week told us that the fourth largest employer in this country has been shut down by a strike for higher wages. One wonders how far this absurdity has to go before big shots of labor and industry will see the light.

Era Rally Edges Knights 22-14

Prestige of the Lindsay Knights improved about a hundred per cent last week as they dropped a close 22-14 game to Era. Going into the game Era was a strong favorite but it had to rally in the fourth quarter to come away with its win.

The teams were tied at 14-14 with about five minutes to go when Jerry Ford passed 15 yards to Mike Cooke for the winning touchdown and ran for two extra points.

The Hornets were first on the scoreboard. They put on a 58 yard drive following the opening kickoff and Billy Nash scored from the 2.

Lindsay did likewise after the next kickoff. The Knights went 74 yards making their TD on a thrilling 25 yard run by Mike Fuhrmann. The score was 6-6 at the first quarter.

In the third Era got going again after Lindsay lost a fourth and eight gamble. That was at the 29 and Era moved goalward. Ford scored from the 5 and added extra points.

Lindsay came back promptly with 55 yard TD pass from A. J. Felderhoff to Tommy Eberhart. Francis Hermes made bonus points knotting the score again.

Following Era's last score the Knights appeared to be staging another comeback, but their last chance died with a fourth down incomplete pass.

Robert Fuhrmann Has Grand Champ

Robert Fuhrmann of Lindsay was one of two Cooke County Hereford breeders exhibiting champions in the North Texas Hereford Association's Show and Sale held at Gainesville.

Fuhrmann's entry was the grand champion and sold for \$800. Elbridge Campbell's animal was reserve grand champion and sold for \$700. Both winners were in the 18-month-old bull class. Campbell is from Gainesville.

Fuhrmann, operator of the Lucky 13 Hereford Ranch received \$410 each for two yearling heifers during the sale. A total of 40 bulls and 10 females were in the show and brought top prices during the sale.

Visitors with the Alois Haverkamps five days the past week were their daughter and son-in-law, the Gilbert Boyd-stuns and daughter Sherri of Fort Worth. Gilbert is recuperating from recent surgery. Sunday the Haverkamps were dinner guests of their daughter and family, the Richard Schumachers at Gainesville.

Mariana Hartmann Wed in Illinois To Capt. R. White

Mr. and Mrs. Albert Klement of Lindsay were among relatives at the wedding of a niece, Miss Mariana Hartmann, daughter of Mr. and Mrs. George F. Hartmann of Elmhurst, Ill., to Capt. Robert Allen White, son of Col. and Mrs. John M. White of Atlanta, Ga., on Oct. 25. The bride's mother is the former Anna Fuhrmann of Lindsay.

Msgr. William J. Plunkett officiated in Immaculate Conception Chapel at Elmhurst.

The bride wore a gown of ivory peau de soie fashioned with long sleeves and Sabrina neckline edged in scallops of Alencon lace. The Empire bodice was richly appliqued with lace which extended onto the A-line skirt. The skirt was accented by a wide border of lace ending in scallops at the hem. Inserted appliques of reembrodered Alencon lace centered her court train also edged in scallops of lace. A headpiece of lace petals encrusted with seed pearls and crystals held her bouffant veil.

Following the ceremony a dinner was held in the Knights of Columbus Hall at Elmhurst.

After a honeymoon to Flor-

ida the couple will be at home in Decatur, Ga.

Other wedding guests included the bride's uncle John Fuhrmann of New Braunfels, formerly of Lindsay.

Muenster Juniors Lose at Lindsay

MHS Juniors keep getting close but don't quite get into the win column. Tuesday night they did it again, losing 6-0 to the youngsters of Lindsay elementary.

The loss was their third in the 9-B junior races, their other two being to Era 6-0 and to Valley View 8-6.

The Lindsay score came early in the game after a bad snap from center had fouled up an attempted punt. Lindsay had a set up only 17 yards away and promptly moved to the 2 on a pass. A crash into the line produced the TD and the try for extra points was short.

And that's how the score remained. Lindsay threatened late in the first half but was stopped at the 10 by Muenster defense. Late in the game Muenster got as far as the 15.

Among visitors here for the parish memorial services Saturday were Mr. and Mrs. Leonard Endres and Sue and Donna of Oklahoma City, also Sisters Agnes and Irma Endres and Dick Endres of Fort Worth.

Mrs. Geo. Spaeth Celebrates 85th

Mrs. George Spaeth was honored twice in observance of her 85th birthday by her children and grandchildren.

On Wednesday, Oct. 29, the actual date, her children went to her home with covered dishes for the noon meal.

Sunday the group and their children were together for an afternoon party with gifts and refreshments. Miss Frances Spaeth attended from Denison. The others were from Muenster and Gainesville.

P'T Club Sponsors Halloween Party

Lindsay's Halloween carnival sponsored by the Parent-Teacher Club drew a large attendance of youngsters, many of them participating in the costume contest.

Prize winners were Linus Fuhrmann in the pre-school group, best dressed, Jan Zimmerer as the Flying Nun, best TV character; Steve Arendt as a Rocket; Leslie Strittmatter as Mr. Peanut.

Messrs. and Mmes. Albert Herr and Vincent Felderhoff of Muenster were judges.

Halloween games and spoofs were on the program. Doc Kasparik won the door prize, a stuffed animal.

Baptismal Party

Mr. and Mrs. Leon Fleitman have named their new son Tracy John. He was baptized Sunday in Sacred Heart Church by Father Andrew Wever assisted by Mr. and Mrs. Don Lester of Gainesville as godparents for her cousins' new baby. After the service there was a christening party at the parent's home. Guests included the grandparents, Mr. and Mrs. John Reed of Houston and Mr. and Mrs. John Fleitman. Mrs. Reed spent a week with her daughter and family, Mr. Reed joined them for the weekend and both returned home Monday.

Mrs. John Chandler of Dallas spent Saturday and overnight with her aunt Katie, Mrs. Bill Stelzer and attended All Saints Day services with her.

You may not be able to fool all the people all the time. But these superhighway interchange signs come pretty close to it.

The fact-finding youngster faced his mother one day, asking: "Didn't you tell me the stork brought me?" Why yes, dear." "And I weighed eight pounds?" "Yes." "Well, for information," said the boy, "the stork hasn't the wing spread to carry an eight-pound load!"

At Uncle's Funeral
Mrs. Rudy Hellman and Mr. and Mrs. Bob Swirczynski left Monday by car for Kansas to attend the funeral of an uncle, Eugene Grewing, 80. Services with Requiem Mass were held at Sabetha Tuesday and burial followed in Fidelity, Kansas. Mr. Grewing's survivors include his wife, two sons and one daughter.
