NUMBER 52

Congressman Graham Purcell spoke like a statesman at the appreciation dinner given for him Saturday night in Cooke County Junior College. His common sense recommendations on three vital issues of the time pointed the way by which our country can overcome some of its most critical current problems and get back on a course of security, stability and integrity.

His first subject was the national hassle over the Vietnam war, on which he squarely took the side of President Nixon. He has two reasons for that position, one being that he thinks the president's way is the best for bringing our men back home while accomplishing the original objective, that is, preventing a communist take-over of South Vietnam. The other reason is that opposition to the president is fodder for red propaganda and encourages the enemy to hold out for our eventual surrender.

Purcell was over generous in questioning only the judgment of people in the moratorium marches. That appraisal doubtless applies to the naive who expect the reds to call off hostilities when our troops leave. But it most certainly does not apply to the moratorium organizers and leaders. Evidence is abundant showing them to be dedicated communists. There is not a case of poor judgment but of plain treason. The congressman missed a strong point in failing to mention that.

Getting back to the matter of poor judgment, one wonders whether those people know what kind of inhuman beasts they are favoring by their attitude. Modern history verifies the charge that Ho Chi Minh was one of the great butchers of all time. Do they know about hundreds of other atrocities by the Cong and North Vietnamese all through this war? Are they unimpressed by lack of reports on prisoners of war, or the physical wreckage of the few prisoners who have come home? Without hesitation one must say that it is the ultimate of poor judgment or lack of knowledge for anyone to assume that our enemies are normal civilized human beings.

It's pleasing to think that our representative in congress was talking sense while the big moratorium was demonstrating its ignorance and treason in Washington. It is equally pleasing to note that the vast majority of this area agrees with his kind of thinking.

The second vital issue of Purcell's talk was inflation. He was dead right in suggesting that it is time for leaders of labor and business to establish self discipline in their respective sectors of the economy. Unless they do it we can expect government to establish wage and price controls, with all the confusion and red tape usually associated with government snooperism. While paying lip service to economic freedom they should bear in mind that abuse of freedom can lead to its loss.

Purcell might reasonably have gone a bit farther in his recommendation. Voluntary stabilization of wage and price would be even better if it included a cut-back of both to a level which gives a fair break to folks on fixed income. As things are now, Congress faces pressure to increase welfare benefits so people can make ends meet, and taxpayers face the prospect of higher taxes. Moguls of the economy can, if they want to, establish an economic level that will help buyers and wage earners and retired people and taxpayers. We wish very much that leaders of Washington would start a serious campaign toward that goal.

Another slight oversight of the speech concerns the government's own spending policy. One of the principal causes of inflation is the ever growing national debt. So, while asking business and labor to take hold of the problem, it seems advisable for government to give some help of its own. Actually, it seems proper for government to take the lead. When it can say that it has restored economic order in its own house it can reasonably ask labor and business to do likewise.

The third point of Purcell's speech probably should be (Continued on Page 8)

Schilling, Bartush Named on TISC All-District Team

Melvin Schilling and Bill Bartush of the Sacred Heart Tigers have been named on the 1969 dream team of the Texas Independent Schools Conference. The all-district selections were made in a meeting Monday night at Fort Worth Country Day School.

Offensive and defensive all-district teams were chosen from a list of recommendations by the coaches. Each coach named his outstanding players but in the balloting was permitted to vote only for members of other teams. Schilling and Bartush were both chosen on the offensive team. Sacred Heart nominees receiving honorable mention were Paul Bayer, Fred Fuhrmann and Alan Hess on the offensive team and Kevin Swirczynski on the defensive team.

Dallas Christian and Fort Worth Christian, co-champions of the conference, were tied for top honors in the dream team selections. Each had three on the offense and three on defense. Third place Greenhill was next with two offensive and two defensive selections, fourth place Fort Worth Day School had one on offense and two on defense, sixth place Sacred Heart had two on offense, fifth place Cistercian had one on offense. Trinity Valley, tied with Sacred Heart for the last place in the conference, did not place on the mythical team.

Tigers Lose 46-0 In Season Finale With TISC Champ

The final game of Sacred Heart's football season was a sad similar to most of the others. The Tigers were at the short end of a big score but they refused to be counted out of the game. They were still hustling, giving a good account of themselves, when the final whistle found them trailing 46-0.

They rate a high grade for effort, but unfortunately that was not enough. The Fort Worth Christian Cardinals had the big difference in speed and finesse.

The scoring spree started early. After kickoff the visitors promptly put on a 77 yard drive in seven plays with Winkler scoring from the 3.

Two plays after the next kickoff the Cards recovered a fumble 33 yards away and speedster Winkler breezed around left end for the second score, then ran again for the extra points. Less than four minutes were used in marking up the 14 points.

The next score was slightly delayed while the Tigers had their first slight bit of success. On the kick following Sacred Heart's first series the tumbling ball glaced off a Card's leg and Babe Schilling recovered for the Tigers. However the first series lost ground and the visitors headed goalward again. Four plays went 59 yards, the last 30 being made by Mobley. Barrow's sweep added 2 with 4:12 still (Continued on page 4)

Tom Hess to Run 3, 6 Mile Races on NTSU Track Team

Reports on track activity at North Texas State University indicate that Tom Hess is still grinding out the miles as a distance runner on the NTSU team, and still improving his time.

At the Mission Valley Conference Meet in Wichita, Kansas, Nov. 8 Tom was 19th out of 43 in a four mile run, improving his time a minute and 20 seconds since last year. Apparently his 1000 miles of road work during the summer is paying off.

Tom's best race so far was run recently at Kiest Park in Dallas. He was 5th in a field of 40 with a time of 14:27 for three miles. Tom expects to run the three and six mile races on the NTSU team this year.

Paper Pickup Saturday Sacred Heart High seniors will conduct a scrap paper pickup all day Saturday as a class project. Persons with paper to give are asked to have it at the curb.

Annual Clothing Drive for World Needy in Progress

Muenster's annual Thanksgiving clothing drive for the Holy Father's storeroom to benefit the world's needy is in progress in Sacred Heart Parish this week with upstairs of the Parish Hall the collection depot, south door entrance.

Next Tuesday, Nov. 25, will be the final day of sorting and packing and items to go in the drive must be at the hall early in the morning to be included.

Members of St. Anne's Society, sponsors of the drive, ask for volunteer helpers Monday and Tuesday to ready the boxes for shipment.

Auto Inspections Lag 30 Percent Behind Last Year

Colonel Wilson E. Speir, director of the Texas Department of Public Safety, said today that motor vehicle inspections in Texas are running almost 30% behind the inspection rate this time last year.

Unless the inspection rate increases, there are going to be some awfully long lines at inspection stations prior to the April 15 deadline," Speir said.

During the year which ended August 31, some 6.3 million vehicles were inspected in Texas. Since September 1, only 538,000 have received the required inspection.

The State Motor Vehicle Inspection Act was amended by the Legislature to provide that inspection stickers issued after September 1 will expire 12 months from the date of issue. However, the law requires that all motor vehicles display a new sticker before April 15, 1970.

Speir noted that the new stickers are being placed on the driver's side of the windshield and contain a number tab showing the month of expiration. The old stickers are on the passenger or right-hand side and have no number tab.

"The inspection program is intended to discover vehicle defects which may lead to an accident. We urge all Texans to have their vehicles inspected soon to make sure they are safe for winter driving," Speir said.

Weinzapfel, Jaska Attend Governor's Safety Meeting

J. M. Weinzapfel and Ernest Jaska represented this community Tuesday at the Governor's Traffic Safety Conference in Austin, the purpose of which is to initiate a statewide Texas Traffic Safety Plan for reducing the present alarming toll of traffic accidents.

As explained by one of the featured speakers, Brad Smith of the Texas Telephone Association, the program has Governor Smith's leadership, adequate financing and top flight direction from his full time staff. With the people of Texas in solid support, the highways can become safe roads instead of death traps. The goal set for next year is to save 700 lives and reduce economic losses by 200 million dollars. Experts say that goal must be met just to keep insurance rates from rising again.

Other conference speakers were Governor Preston Smith, Col. Wilson Speir, director of the Texas DPS, A. Ross Rommel, the governor's traffic safety administrator, and Howard Pyle, former governor of Arizona and president of the National Safety Council. The method of the program is to work for all possible improvements in auto and highway engineering, driving regulations and enforcement, car maintenance and inspection, driver training, and especially to promote more safety consciousness among the people.

"Moon Night" Nov. 29 Muenster Hospital Auxiliary is on the count down for blast off for a "Night on the Moon," theme of this year's benefit buffet-dance coming Saturday, Nov. 29. It will be held in the KC Hall and Mrs. Ted Henschel is in charge of reservations. Those who want to be assured of getting a table are urged to contact Mrs. Henschel as soon as possible.

J. Prescher, 95 Of Lindsay Dies

Requiem Mass and funeral services were held Monday at 10 a.m. for Joseph Prescher, 95, of Lindsay in St. Peter Church and burial followed in St. Peter Cemetery. Prescher died early Friday morning at his home.

Father Damian Wewers officiated and George J. Carroll and Son Funeral Home was in charge of arrangements. Grandsons were bearers. Rosary was recited in the Carroll Chapel at 7 p.m. Saturday and Sunday. Members of the Third Order of St. Francis also had a rosary service.

Joe Prescher was born in Bohemia on August 15, 1874, a son of Joseph and Anna Prescher. They moved to Austria when he was three years old.

When he was 20 he came to America, settling in Iowa, where he gained a first rate knowledge of farming. After saving enough money for passage to America for his parents and four younger brothers and sisters, he sent for them to join him. They went to Denver, Colo., where the elder Mr. Prescher died. Mrs. Prescher then moved her family to Muenster.

In September 1906 he married Miss Anna Streng in Muenster and continued living here until 1917, then moved to Scotland, Texas, farming there for 37 years. He introduced terracing in Archer County. He retired in 1946 and in 1954 the couple moved to Lindsay. They celebrated their golden wedding there in 1956. He was in failing health the past ten years.

He leaves 152 direct descendants. Survivors are his wife; six sons, Alphonse and Joseph Jr. of Dallas, Pete of Gainesville, Frank of Lexington, Okla., Felix of Bakersfield, Calif., and Leo of Valley View; six daughters, Mrs. Joe Krahl of Gainesville, Mrs. Tom Sicking and Mrs. Angeline Luttmeyer of Muenster, Mrs. John Mayes of Carlsbad, N. M., Mrs. Martin and Mrs. Tony Hacker of Valley View; 49 grandchildren and 95 great-grandchildren.

MHS Girls Will Host Saint Jo in Basketball Test

Suddenly it's basketball time at the Muenster Public School. Thursday night, before the football season is over, the girls will hold their first scrimmage session at Saint Jo, and Tuesday of next week they'll host the Saint Jo girls for more practice.

The start of boys' basketball depends on the Hornets success in football. If they have the good fortune to advance to bi-district or regional, basketball will just have to wait even though it means missing a game of the district loop.

Both Muenster teams are coached again this year by Charles Cash. And again the teams are assigned to District 30-B, consisting of the same eight schools that competed last year. They are Muenster, Lindsay, Era, Valley View, Krum, Slidell, Forestburg and Alvord.

The district schedule this year consists of a double round robin starting Tuesday, Dec. 2. Loop games are booked also for the following two Tuesdays and games will come twice a week after the Christmas holidays. Also scheduled for December are three tournaments, at Saint Jo Dec. 11-13, Era Dec. 18-20, and at Sanger Dec. 22, 26, 27.

Girls basketball has been under way here on a part time basis since October 15. They had two practice sessions a week until this week, when the daily workouts started.

Coach Cash has 21 girls on his squad. Ten of them were last year's lettermen: Laurie Wimmer, Debbie Vosten, Sue Flusche, Joan Monday, Karen Sicking, Jo Ellen Trubebach, Patty Felderhoff, Toni Embry, Becky Davidson and Marilyn Felderhoff. Others out for practice are Doris Felderhoff, Paula Sicking, Yvonne Stoffels, Janice Fisher, Janet Swirczynski, Joyce Swirczynski, Beverly Bruns, Kristie Stormer, Debbie Sicking, Kathy Sicking and Dixie Fields.

Eat, drink, and be merry today, for tomorrow they may cancel your credit card.

SH Alumni Elects And Makes Plans For Thanksgiving

Members of Sacred Heart Alumni Association at their meeting Thursday night elected officers for a new year and completed plans for sponsoring the community's traditional Thanksgiving dinner and dance. Charles Bayer, retiring president, presided.

Members favored Sylvan Walterscheid as the new president and Miss Janice Grewing as secretary to succeed Mrs. Frank Schilling Jr. Mrs. Fred Knabe was re-elected treasurer. Charles Bayer automatically became vice president. He succeeds Ervin Henschel.

Plans for the traditional Thanksgiving observance include a roast turkey and country sausage dinner with serving starting at 11:30 and a dance at night. Both events will be held in the Parish Hall. Dinner tickets are \$1.50 and dance tickets are \$1.50 each. The Brown Spot Light will play for dancing.

Coach Tom Joy and members discussed presentation of awards at the all-awards banquet for Sacred Heart School. The Alumni annually sponsors the banquet and provides awards.

Parochial Girls Start Basketball, Boys Next Week

With only three days of practice behind them, the basketball girls of Sacred Heart High will have their first test here Thursday night with Lindsay's girls, and they will go to Valley View next Monday for another practice session.

The Tigerettes, again coached by Joe Wilkinson, have been working out since Monday. Meanwhile Coach Tom Joy is giving Tigers a week of rest between football and basketball. However, Joy added, some are impatient to get started. They are shooting baskets in their spare time.

Both Sacred Heart teams will compete in the TISC this year, Joy said, the boys being in a 7-member loop and the girls in a 5-member loop. Schools with two teams are Sacred Heart, Dallas Christian, Fort Worth Christian, Fort Worth Day School and Greenhill. Schools with boys teams only are Cistercian and Trinity Valley. Games will be scheduled so that boys and girls games will be played on the same program. The TISC season will open on January 9.

Before that the teams will have at least two games and participate in three tournaments during December. The season opener will be with Callisburg on December 2.

CDA to Sponsor Bake Sale Nov. 26

Muenster court Catholic Daughters of America will conduct a benefit bake sale next Thursday, Nov. 26, the day before Thanksgiving. Plans for the event were announced at the organization's meeting last Thursday. Homemade baked products will be available at Pagel's, Fisher's and Hofbauer's stores.

Mrs. Alvin Fuhrman, grand regent presided, and a report was given on the recent auction sale. The court gave a vote of thanks to Don Flusche who was auctioneer and to all who participated in any way.

Members were reminded to take goodies to the next meeting, December 11, at which time Christmas boxes will be packed for local shut-ins.

Blood Donor Age Limit Now is 66

A new age limit for blood donors has been set by the American Red Cross and the American Association of Blood Banks. Blood now will be accepted from donors up to the 66th birthday.

The old age limit was 61. Healthier older Americans and an increased need for blood caused the change reports Minnie Bell, Extension specialist for aging, Demand for blood is rising about 12 per cent each year. Those giving blood must be in good health and meet the requirements for donors.

Hornets and Trojans Clash for 9-B Title

Friday is the big day on the 1969 football calendar of Muenster High's Hornets. As predicted early in the season by many fans, the District 9-B championship will be determined in the Muenster-Windthorst game, which will be played Friday night at 7:30 in Windthorst.

This is the second meeting of the two teams for the prized conference title. Last year they met in Muenster and the Hornets were winners by a 28-0 count.

All data points to a rugged contest, the toughest of the season for both teams. Both have a perfect 4-0 record in 9-B competition and Muenster's 7-1-1 is slightly better for the full season than Windthorst's 7-2-0.

City Will Turn on Christmas Lights After Turkey Day

Christmas lights on Main Street and the highway will be burning as soon as possible after Thanksgiving. City Superintendent Steve Moster said this week that the installation depends on the weather and the schedule of the TP&L crewmen who help with the work. It should be finished no later than the first week of December.

Moster also said that the lighting scheme will be about like last year's. There will be 22 strings each with 36 25-watt bulbs of red, blue or green. They will be installed so that each alternate string is red and the string between is either blue or green.

The area decorated is Main Street from Shamburger's to the VFW hall and Highway 82 from Main to the east city limit.

Hornets Trample Saint Jo High in 54-14 Run-Away

Muenster High's Hornets, headed for their title clash with Windthorst this week, rolled over the Saint Jo Panthers 54-14. The game was played on MHS fields in sub-freezing temperature, the coldest of the season to date.

The Hornet first stringers had an easy time running up 27 points in the first quarter and 27 more in the third. But the Hornet reserves had their hands full holding the visitors to a touchdown each in the second and fourth quarters.

The Hornets got on the scoreboard on the second play after kickoff. Earl Koelzer took a short pass from John Monday and breezed 49 yards down the left sideline. Monday's kick made it 7-0.

TD number 2 came almost as fast. Leon Klement recovered a fumble on first play after kickoff. Monday gained 24 to the 7, Henry Knabe made 5, a pass was incomplete, and Koelzer made the last 2.

The third drive started after Saint Jo's fourth down kick and needed just two plays. Henry Knabe plowed 34 to the 15 and Monday's pass to Koelzer went the rest of the way. Jim Endres kicked another point. The count was 20-0 with the clock still showing 7:51.

A fumble recovery by Koelzer gave the Hornets another chance but Endres' fourth down try on a field goal from the 40 was short. For their next drive the Hornets had to wait for the next Panther punt.

Koelzer returned it 30 yards to the 26. Two passes went incomplete and Koelzer reached the 1 on a pass. A pass to John Schneider made the last yard and Monday kicked an extra point.

Next time Muenster got possession the reserves came in, and fumbled on their first play. Saint Jo made its first first down as the quarter ended and followed with another punt.

Mr. and Mrs. Charles Felderhoff of Houston spent the weekend with his parents, the Tony Felderhoffs, and were happy to find his mother improving from recent illness.

Muenster lost only to Collinsville 12-12. Windthorst's two losses were 8-6 to Newcastle and 15-14 to Perrin and it was operating without its regular quarterback in both.

Comparative figures in games with common foes of the two teams lean slightly in favor of the Trojans. They beat Era 26-6, Valley View 40-14 and Lake Dallas 14-0. The Hornets' wins were 20-10 over Era, 42-14 over Valley View and 26-20 over Lake Dallas.

Another factor favoring the Trojans is home field advantage.

Physical comparison, according to Coach Glenn Richardson comes out about even. The Trojans have a slight advantage in weight, but not enough to be significant. Also backfield speed favors the Trojans but quickness of the line favors the Hornets.

According to his calculations the two teams will be very closely matched and even though the signs point faintly toward the Trojans he is confident that the Hornets will pull through.

While the two leaders are fighting for the top spot Era appears a cinch for undisputed hold on third place as it takes on winless Saint Jo. At the same time Valley View and Lindsay will be contesting for fourth place.

In last week's games Muenster walloped Saint Jo 54-14 while Windthorst beat Lindsay 60-20 and Era trimmed Valley View 41-12.

District standings now are Muenster and Windthorst tied for first with 4-0 each; Era in third with 2-2; Lindsay and Valley View tied for fourth with 1-3; and Saint Jo in the cellar with 0-4.

The Men In Service

On Leave Before Transfer

Marine Cpl. James Clark arrived Sunday night from Camp Pendleton, Calif., on a 20-day leave before going to a new assignment at Bremerton Barracks, Naval Ship Yard, in Washington State. THANKSGIVING THEN AND NOW

Thanksgiving Day is almost here again. General observance will take place on November 27. As we sit down to our turkey or goose on this day of thanks, we should pause for a moment to visualize the first Thanksgiving of that small band of Pilgrims huddled in the forests of a bleak American wilderness on the threshold of winter. Measured by today's affluence, comfort and expectations, their prospects were something less than hopeless. If they became ill, they died or got well. There were no

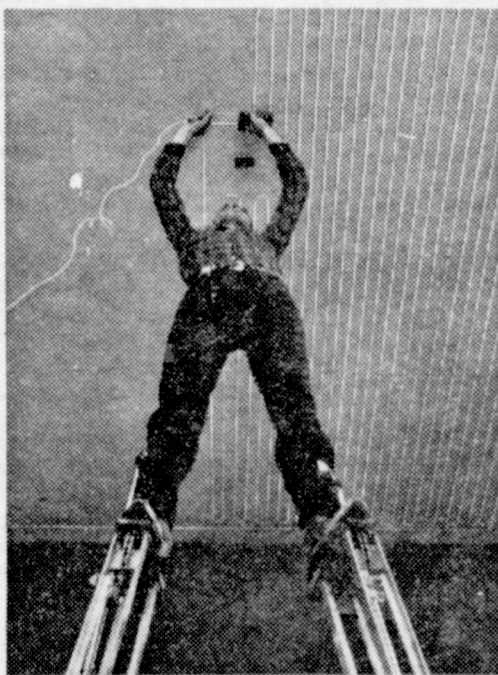

health services and no medicare or Medicaid. There was no transportation. There was no handy source of supplies such as the corner supermarket. There was no benevolent board, bureau or government agency to fall back on. There were no consumer protectors. In short, there was no succor from any direction. There was only the wilderness, the Indians and a continent full of opportunities awaiting those with enough courage and initiative to face the unknown.

Upon second thought, the Pilgrims did indeed have much for which to be thankful. As we sit down to our Thanksgiving repast, we should not only give thanks, we should ask ourselves if we are worthy of the heritage that began with the Pilgrims.

HD Club Members Send Yule Gifts To State Hospital

Members of Muenster Home Demonstration Club met with Mrs. Bruno Fleitman as hostess in her home for their November meeting and took gifts which they packed for shipment to Wichita Falls State Hospital as Christmas cheer for patients.

For the program they discussed ideas for Christmas decorations and candle making and planned a Christmas party.

Mrs. Bill Lutkenhaus, president, presided. Mrs. Rudy Hellman reported on the county council meeting including plans for having an entry in the Christmas parade at Gainesville on Nov. 29.

Mrs. Gus Lutkenhaus and Mrs. Bill Lutkenhaus reported on their visits to shut-in. The hostess and her daughter-in-law Mrs. J. D. Fleitman served refreshments to 15 members.

Mites Reported In Grain Fields Of Cooke County

By Neil Tibbets

Small grain farmers should take a look at their fields because many fields are infested with the winter grain mite. Some areas of the county are already spraying for the insect.

The winter grain mite is known to most people as red spiders. Red spiders are normally found in the fields with the winter grain mite but they are a beneficial insect. The winter grain mite is a purple bodied insect with orange legs. It can best be seen early in the morning or late in the evening. During the day as the sun is bright the insects will leave the plant and go into the soil around the base of the plant or in the cracks of the soil.

Control is easy by using insecticides. Parathion or Methyldparathion are the fastest and best materials for control. It is recommended to use from 1½ to 2½ pints of a 2 lb. per gal material. A two weeks restriction on harvesting or grazing is necessary after using the insecticide. Malathion has only a 7 day waiting period on harvesting or grazing, but normally is not quite as effective and in most cases more expensive.

The winter grain mite in many cases will reduce the start of small grain so that it will have to be replanted if not controlled. The insect works best in cold wet weather when the plant does not grow.

Machine Harvests Pecans

The pecan harvesting demonstration conducted last week on the Leo Haverkamp farm was very successful. The equipment that George Bryant made available did a good job and possibly pecan harvesting will go the way of other agriculture operations. The hand labor will give way to mechanization.

A pecan grove that is managed properly and the ground leveled around the trees should be easy to harvest with the equipment. The manufacturers indicated that a person can expect a 90 to 95 % success in the mechanical picker. The shaker will do a very effective job when the pecans are hulling and dry

enough to harvest.

A crowd of about 60 interested people from a 75 mile radius was on hand to see the equipment demonstrated.

Cottonseed OK for Feed

Cooke County farmers have been concerned with feeding livestock cottonseed from the fields that were acid defoliated. We have made an effort to check on this question and our Cotton Specialist, Mr. Fred Elliott reports that it is being done all over the county.

The tolerance allowed was to 4 parts per million and several samples in the state have been analyzed and the cottonseed is running less than 1 part per million of acid.

Mr. Elliott stated that he knows of no reason why cottonseed can not be fed to dairy cows or beef cattle under ordinary conditions. About 2.7 pounds of cottonseed are equivalent to 1 pound of cottonseed meal on a food value basis.

Be as anxious to help others as you are to accept favors.

Joe Hartman on A&M Delegation To National Meet

COLLEGE STATION — Joseph David Hartman of Muenster has been designated as one of 80 Texas delegates to the university's 15th Student Conference on National Affairs.

SCONA is an annual conclave in which students from throughout the U. S., Mexico and Canada delve into issues behind international policy. The conference this year will have delegates from several African nations.

The Dec. 10 conference on "Black Africa—The Challenge of Development" will feature speakers such as Dr. Gwendolen M. Carter, Northwestern University's African Studies Program director, and Ghana Ambassador Ebenezer M. Debrah.

Roundtable discussions during the four-day conference will enable students to establish close rapport with contemporaries and outstanding leaders for exchange of information and ideas.

Among roundtable chairmen are International Telephone and Telegraph officials of London and Africa, the former minister of finance in Zambia and representatives of the Nigerian and British embassies in Washington, D. C.

A senior mechanical engineering major at A&M, Hartman is the son of Mr. and Mrs. Herman Hartman, Rt. 2, an outstanding student and active in student affairs at A&M.

Kevin is also a member of the Travis Junior High football team and is a first class Boy Scout.

He is the grandson of Mrs. Rudy Hellman and Mr. and Mrs. Leo Henscheid.

A bright eye indicates curiosity; a black eye, too much.

Cheryl Janicki Is Queen of Ball

Miss Cheryl Ann Janicki, daughter of CWO and Mrs. John P. Janicki of San Antonio, represented Our Lady of the Lake College at the Fifth Annual Hemispherical Pageant and Ball at the San Antonio Convention Center. During the evening she was chosen Queen of the Ball.

Her winning entitles Our Lady of the Lake College to receive a Fine Arts scholarship of \$500 from the sponsoring organization, the San Antonio Club Women of Today. Cheryl's escort for the evening was Bill Wakefield, a senior at Texas A&M, and son of Col. and Mrs. W. Wakefield of San Antonio.

Cheryl, a junior at OLL, is the granddaughter of Mr. and Mrs. Jake Pagel.

Three sisters were together Sunday when Mrs. Tony Otto had as guests Mr. and Mrs. Ed Nation of Wichita Falls and Mr. and Mrs. Ben Weber of Gainesville. During the afternoon Mrs. Tony Hoenig stopped by to see her uncles and aunts. In the evening the Sid Ottos and their daughter Mrs. Alvin Noggler and children, all of Gainesville, were visitors.

Joan Fetsch and Doug McConnell Say Vows at Mass

Miss Joan Fetsch, daughter of Mr. and Mrs. Paul Fetsch, became the bride of Doug McConnell, son of Mr. and Mrs. Damon McConnell of Gainesville, in ceremonies performed in Sacred Heart Church Saturday at 5:30 p.m. Father Bede Mitchel officiated at the Nuptial Mass and performed the double ring ceremony.

The parents escorted their son and daughter up the aisle and the bride's father and mother presented her at the sanctuary steps.

The bride's formal gown of white silk organza over point d' esprit and peau de soie was designed on Victorian lines with Empire bodice, full sleeves with band cuffs at the wrist, and sequined Val lace edging the wedding band neckline and extending down the front of the bodice. An attached chapel train was fastened at the back waistline of the slim skirt with two bows.

Her tiered elbow-length veil was caught to a pearl and sequined cloche. She carried a white orchid surrounded by fringed carnations and valley lilies, and wore a diamond and pearl necklace, a gift from the bridegroom.

Mrs. Bob Noyes of Dallas was her sister's matron of honor and another sister, Miss Evelyn Fetsch of Dallas, was bridesmaid. They wore high-waisted, A-line, floor length dresses of sky blue crepe with full-length sleeves gathered into band cuffs. They wore matching headpieces of blue flowers with shoulder length veils and carried nose-gays of orchid cushion mums.

Bob Noyes of Dallas was best man and Thomas Marlin of Gainesville was groomsmen. Stewart Rogers and

Greg Travelstead of Gainesville ushered.

Garry Fetsch, brother of the bride, Johnny Henscheid and Charles Hess were candle lighters and acolytes. Another brother, Robert Fetsch of San Antonio, was lector of the Mass.

Anthony Luke was organist and Mrs. Norbert Walter-scheid was vocal soloist. After the service the bride presented a bouquet of orchid mums on the Blessed Virgin's altar.

Wedding reception and dinner were held in the Knights of Columbus Hall. Miss Lynn Reiter and Miss Valerie Voth registered guests.

When the couple left on their honeymoon she was wearing a front-buttoned sleeveless brown ottoman coat over a princess, long sleeved, blue knit dress and brown accessories and the orchid from her wedding bouquet.

They will make their home in Gainesville where he is employed. He is a graduate of Gainesville High School and is attending Cooke County Junior College. She is a graduate of Sacred Heart High School.

For her daughter's wedding Mrs. Fetsch wore a navy knit jacket dress with black accessories and Mrs. McConnell, mother of the groom, wore a lime green matelaise and crepe costume with brown accessories. Both had corsages of white glamelias.

Wedding Guests

Out of town wedding guests included Father Leon Flusche of Wichita Falls, Messrs. and Mmes. Al, C. M. and James Flusche and Jerry Flusche of Decatur, Mrs. Loy Gunter and Kelton of Arlington, Mrs. F. M. Dyer of Farmersville, Misses Julia Flusche and Cynthia Bindel of San Antonio.

Messrs. and Mmes. Urban and Andrew Flusche and Emerson Noyes of Dallas, P. V. Brazile of Hurst, Ken Hickman of McKinney, John Kelley of Fort Worth, Felix Fetsch and family of Hereford, Leo and John Fetsch of Munday, Leonard Albus and Grata and Clarence Albus and Joey and Lawrence of Pep, Richard Zimmerer of Grapevine, John Kubicek and James Bayer of Valley View.

Misses Joyce Watson and Helen Smith of Dallas, Mrs. Julia Locklas and Mrs. Gertrude Hogsett of Vernon, Mrs. J. Robert Casbie and Mr. and Mrs. Joseph Wright of Weatherford, Misses Lynn Reiter and Valerie Voth of Denton, Mr. and Mrs. Jack Chitwood and son John of Tulsa, Okla., and others from Lindsay and Gainesville.

Rehearsal Dinner

The rehearsal dinner was hosted by Mr. and Mrs. Damon McConnell at Rohmer's Restaurant. The couple exchanged gifts and presented gifts to their attendants.

Mrs. John Janicki and Mrs. Hal Falck returned to San Antonio Tuesday after a visit since Saturday with their parents, Mr. and Mrs. Jake Pagel.

Outstanding Teens Named At SH High

Among outstanding Teenagers of America, selected by their schools, to compete in the state contest are three from Sacred Heart High School: Bill Bartush, son of Mr. and Mrs. Charles Bartush, Donna Rohmer, daughter of Mr. and Mrs. Arnold Rohmer, and Fred Fuhrmann, son of Mr. and Mrs. Val Fuhrmann. The Outstanding Americans Foundation has announced that the three from Sacred Heart have been accepted as outstanding teenagers of America for 1970 on the basis of their ability and achievement, after being nominated by their school. They'll compete for state honors and the 50 state winners will go on to the National Outstanding Teenagers of America contest. Each of the 50 state winners will be eligible for one of the two National Outstanding Teenagers of America awards and college scholarships made available by the Outstanding Americans Foundation. Each state winner receives the Governor's Trophy.

Garden Club Sees Slides and Plans Nov. 22 Benefit

Muenster Civic League and Garden Club, meeting Monday night, had Mrs. Robert Tally of Denton as guest program leader and during the business session completed plans for a benefit bake and garage sale.

Mrs. Tally is an authority on wild flowers and showed colored slides from her prolific collection filmed and assembled during the past several years. As she showed she described the plant and gave other interesting commentary. She was introduced to the assemblage by Miss Bettye Dadds, program chairman.

Mrs. Pat Stelzer presided and led the planning on the benefit bake and garage sale which will be held Saturday this week Nov. 22, in the Myrick building, 113 N. Main.

Each member's share in the benefit event is to contribute an item, or items, that will sell for two dollars or to contribute a two dollar cash donation.

Mrs. R. N. Fette and Mrs. Steve Moster were co-hostesses in the TP&L community room and served a buffet of fancy finger foods and coffee to 16 members and Mrs. Tally.

Table centerpiece was a wicker basket of live and dried wild flowers, berries and autumn foliage arranged by Mrs. Dan Luke, who with her children gathered them in the Muenster area. Mrs. Tally identified those members didn't know and gave the common and the botanical name of each one.

Mrs. Antonetti Is Era YHA Speaker

Mrs. Alfredo Antonetti was guest speaker at the November meeting of the Era Young Homemakers in the high school. She showed slides and talked on her native Cuba.

Members answered roll call with "What I am thankful for at this season." The monthly project will be gifts to girls at the State School.

Mrs. Tommie Richardson served refreshments to 14 members, three guests and the club sponsor Mrs. Maggie Beth Watts.

Kent Fuhrman, 9 Birthday Honoree

Kent Fuhrman, nine years old Sunday, celebrated at a party attended by eight friends and his brother Gene. His parents, Mr. and Mrs. Alvin Fuhrman, were hosts in their home.

Games, party favors, birthday gifts and refreshments made it a gay afternoon for the youngsters. The birthday cake was a miniature football field complete with players.

On Subiaco Honor Roll

Two of Muenster's students at Subiaco Academy are listed for scholastic achievement during the first quarter of the school year. Frank Luke, a senior, son of Mr. and Mrs. Anthony Luke, is on the honor roll for maintaining at least a B in all subjects. David Voth, a freshman, son of Mr. and Mrs. Theo Voth, is on the faculty list for maintaining at least a B average.

Local News BRIEFS

Ray J. Zimmerer and son Matthew of Wichita Falls visited his parents the Raymond Zimmerers Saturday. Mr. and Mrs. Richard Zimmerer of Grapevine spent the weekend with his parents and attended the wedding of his cousin Joan Fetsch and Doug McConnell Saturday.

Visitors with the J. M. Weinzapfels Monday were their son-in-law and daughter Mr. and Mrs. Hugh Jackson and children Thomas, Janie and Toni Marie and Mr. and Mrs. Raymond Cox, all of Fort Worth.

Mrs. Bob Yosten is back in Cleburne for a visit with her daughter and family, the Curtis Hollands, after a visit in Fort Worth with her children. The Hollands drove over Saturday to get her and all had supper at the Paul Yosten home.

Mrs. J. B. Wilde, Mrs. Ray Wilde and Mrs. J. M. Weinzapfel drove to Wichita Falls Friday where they were met by Mrs. Tony Hoff and Mrs. Katie Meurer of Windthorst and were joined by Mrs. Maggie Otto and Mrs. Henry Thoele of Wichita Falls for dinner out and then toured the Thoeles' new home.

Tigers - - -

left in the first period.

The rest of the period and part of the second was better for the Tigers. They got possession when the Cowtown-ther but lost possession after a fourth down gamble on the next series.

Passes from Jim Endres to Glenn Felderhoff for 13 and 10 and to Bobby Bruns for 17 were big gainers in a 49 yard push to the 20. But then the drive bogged down and a fourth down try for field goal was short.

The rest of the period was an 80 yard drive in two parts. The Panthers went 30 to midfield and were short a yard on their third series. Muenster fumbled on the next play and Saint Jo went on from there. Rex Parker scored from the 4, Sam Parsons added 2 points.

Regulars were back starting the second half. Bruns recovered a fumble on first play after kickoff. A pass to Koelzer went 17 to the 1 and Monday went over on a quarter-back sneak. Monday's kick made it 34-8.

Then another quickie. The Panthers punted to end their series of downs. Koelzer received it and got the help of a wall of blockers in his 55 yard dash to pay dirt. Endres added an extra point as the clock said 9:31 remaining.

Monday's interception on Saint Jo's second series started another one. From the Hornet 35 Monday heaved a long one to Bruns for the period's third TD.

And shortly before the end of the quarter Andy Knabe got loose on a 41 yard scoring sprint. Endres added a point.

That was the end for Muenster. Reserves had the field then until the closing moments and the visitors scored their second TD. Billy Johnson scored from the 2 ending a 45 yard drive.

462 Texans Died In Fires in 1968

One of the most unwelcome guests in anyone's home is fire, but thousands of Texans are issuing invitations to disaster each year through carelessness, says the Texas State Department of Health.

In Texas last year, 462 deaths resulted from various types of fires and explosions. With winter coming on homeowners and hunters should be especially cautious about their heating equipment.

Faulty gas connection can claim lives. Besides the danger of combustion from escaping gas, improper adjustment of any fuel burning stove or heater can lead to the build-up of deadly carbon monoxide.

Eighty per cent of all fire deaths were caused by smoke inhalation and deadly fumes, the result of combustion. Carbon monoxide alone kills about 1,000 persons in the nation each year.

Gas furnaces and space heaters should be properly vented and periodically maintained for safety. Make sure vents have not become clogged during disuse. Sleeping with the bedroom window open at least a crack will help the circulation of fresh air.

Often objects near a stove will catch fire. Make sure furnaces, heaters and stoves, as well as flues and vents, are located well away from combustibles such as curtains, towel racks or bedding.

The most frequent victims of clothing fires are children. The next most frequent victims are elderly people. Clothing fires occur to children playing with matches or cigarette lighters, playing around stoves and heaters, scuffling burning leaves or getting too close to outdoor fires. Elderly people set their clothes afire while using stoves carelessly, warming themselves in front of open fires or falling asleep while smoking. Smoking in bed results in too many deaths.

Long, loose flowing sleeves or floor length dressing gowns can easily become a burning shroud.

Most homes these days have gasoline-powered mowers, edgers or other equipment. Make sure the fuel is stored properly in metal or plastic containers - - not in glass bottles. Never store it near water heaters, since fumes from a leaking or spilled container can result in an explosion or fire. Many homes go up in flames each year from this type of fire.

Cubs Meet Nov. 24

Muenster Cub Pack will meet Monday, Nov. 24, in the VFW Hall at 7:30. At this meeting the traveling trophy will be presented for the first time. It will go to the den with the most boys and parents present, on a percentage basis. Winning den will keep it until the next meeting.

Refuge Counts 49 Whooping Cranes

There is a chance that the world's only population of wild whooping cranes has increased its numbers in 1968, according to Regional Director William T. Krummes, of the Bureau of Sport Fisheries and Wildlife.

Forty-three adult and six young of the year have already arrived safely at the Department of the Interior's Aransas National Wildlife Refuge on the Texas Gulf Coast, Krummes said. Another whooper has been sighted along the flyway during the past week, and the time is still early, according to Krummes. Whoopers normally migrate in family groups of two or three, and have arrived at Aransas as late as December 19. Last winter 50 whooping cranes wintered on the Wildlife Refuge.

One of the rarest birds in existence, the five-foot tall white cranes have waged a precarious struggle against extinction. Their numbers fell as low as 15 birds in 1941, but they have shown a slow but encouraging increase in numbers over the past ten years.

Juniors Win 30-6 Over Callisburg

Muenster's sixth and seventh graders closed out their season Tuesday night with an easy 30-6 win over Callisburg's kids.

All of the scoring was done in the first half as the visiting Kittens got loose for a TD the first play and Muenster took charge from there.

Steve Klement scored first on an 18 yard sweep and went over again for extra points.

David Wimmer scored next by recovering a Callisburg fumble in the end zone.

Next TD was made by Randy Wolf on a quarterback sneak and Terry Walterscheid added bonus points.

It was Wolf and Walterscheid again later in the half on similar plays for the last touchdown and extra points.

The game gives the Juniors a season record of 2-6. Their standing in the 9-B junior loop is 0-4.

Results of the junior race in Tuesday's final games find Era in front with a perfect 4-0 record. Other teams are Lindsay 3-1, Valley View 2-2, Saint Jo 1-3, Muenster 0-4.

Happy Bluebirds Visit Rest Home

Sacred Heart second grade Happy Bluebirds and their leaders Mrs. Joe Felderhoff and Mrs. Tom Joy and little Preston Joy piled into a station wagon Tuesday afternoon after school and visited residents at Golden Years Rest Home. They presented turkey nut cups filled with candy and place mats to each resident individually. They had done the art work at previous meetings. The little girls also sang three songs at the rest home.

Back at school in their meeting room they discussed the candy sale which ends Friday this week. Marlene Swirczynski presided. Mrs. Ed Endres, hostess mother, served refreshments and Beverly Trubenbach dismissed with the magic wand.

Bluebirds Finish Hospital Favors

Sacred Heart third grade Bluebird group Exceldrin 10, at their weekly meeting finished Thanksgiving tray favors for patients at Muenster Hospital. They made turkeys from egg cartons.

A report on the candy sale revealed it going well.

Debbie Zimmerer was hostess and Sharon Growing closed with the magic wand. Mrs. Lloyd Trubenbach and Mrs. Tommy Herr, leaders, met with the girls.

how can Lone Star Gas help you get rid of wrinkles?

We know all wrinkles are not due to aging. Some are due to drying. And dryers. Some dryers affect clothes the way sun affects skin. They not only dry out moisture. They bake in wrinkles. Even in permanent press. But gas dryers are more sensitive to your family's clothing. And more sympathetic to your work load. Most new gas dryers have a special cool-down cycle that turns off the heat before your clothes become overheated. That means your clothes have fewer wrinkles. And you have less ironing. You also have less expensive utility bills. Because gas dries for about a penny a load. See your gas appliance dealer or Lone Star Gas Company. Find out how to take it a little easier. And avoid wrinkles.

Skin Care, Topic At 4-H Meeting

Sacred Heart Senior 4-H Club girls had a demonstration and talk on skin care at their November meeting. Mrs. Gary Hess and Margie Foust, a Koscot representative, gave facials to girls interested, and Miss Dona Brewster gave helpful hints on proper skin care.

During the facials Miss Brewster also reminded members of coming events including a bi-county hayride and cookout to be held November 22 with Denton County at Krum.

Peggy Sicking, president, led the pledge and motto. Dianne Sicking called the roll and Mary Bayer reported nine members present.

Two small boys were standing together when a very pretty little girl walked by. One of the boys said fervently to his pal: "When I stop hating girls, she's the one I'll stop hating first."

She: "You deceived me before our marriage. You said you were well off."
 He: "I was, but I didn't know it."

Local News BRIEFS

Former Muensterites Mr. and Mrs. Al Kleiss of Subiaco, Ark., accompanied by their son, Gene and daughter Mary Ann, were back for a weekend visit with their son and daughter-in-law Mr. and Mrs. Mike Kleiss and infant daughter and all got acquainted with the little girl, and attended her baptism. Gene was godfather for his niece and Miss Linda Fisher of Sherman, baby's aunt, was godmother. Father Placidus officiated in Sacred Heart Church Saturday afternoon. The little girl's name is Michelle Elizabeth. The Kleisses also visited his aunt, Miss Lena Kleiss, a patient at Muenster Hospital.

Mr. and Mrs. Henry Pick, Mrs. Edward Pick and Mrs. Charles Taylor went to Fort Worth to attend the First Communion of the Picks' oldest grandchild, Jimmy

Schwartz, son of Mr. and Mrs. Jim Schwartz. After the Saturday morning service Jimmy was honored at a noon dinner in the home of his parents.

Visitors Saturday with Mr. and Mrs. M. H. King were her cousins the Morris Felty and children Sara and Scott of San Antonio and the Francis Felty of Burkburnett and Mr. King's niece and husband the David Cliftons and a friend, all of Plano. Mrs. Clifton is the former Marsha Barker. In the afternoon they all went to Gainesville to visit R. M. Felty at Golden Acres Rest Home and drove out to the Felty farm.

Muenster has new residents with a move from Lindsay by Mr. and Mrs. Adolph Fuhrmann and sons Michael and Ronnie. They're at home on East Sixth Street in a home they bought, remodeled and enlarged. The Fuhrmann farm at Lindsay is now the home of their son Robert Fuhrmann and family.

Visitors with the Don C. Cookes three days the past week were their son and daughter-in-law, Mr. and Mrs. Harold Cooke of Fort Worth. After leaving Muenster they went to Del Rio on a fishing trip, a part of Harold's vacation.

Mrs. C. M. Harrington and daughters Vickie Lynn, Sandra and Elizabeth of Fort Worth spent the weekend with parents and grandparents, Mr. and Mrs. George Jetzelsberger. They were celebrating Vickie Lynn's 13th birthday and all had dinner at the Andy Hacker home in Myra Sunday.

Mrs. Joe Swingler has received word of the death of her brother-in-law William Swingler of Griffins, Ind. He died Nov. 6 and funeral services were held Nov. 8. He was a brother of the late Joe Swingler.

New residents for Muenster are Mr. and Mrs. Harold Utley and children Nancy, Robert and Jolene who are formerly of California. They are moving this weekend to occupy one of the Pagel mobile homes on N. Walnut. For the past two weeks they lived in the apartment back of the Electrolysis Studio. Mr. Utley works at Weber in Gainesville. The children are in classes at Muenster Public School.

ers failed on fourth and 4. Then Sacred Heart made a first down but was a yard short on the next series. The Cards kicked when three downs failed to move. Then Sacred Heart gained 10 and kicked after losing ground on the second series.

That's when the Cards returned to their original style. Benedict made 15, Ballard made 20 and Benedict made the last 20.

Again before the half ended the story was the same. Following Sacred Heart's fourth down kick the 34 yard drive got under way. Seven plays reached the 8 and a pass over the goal line was ruled as interference, the ball being spotted on the 1. First try failed then a sneak by Barrow was good. Half time score was 34-0.

Cardinal reserves got most of the second half action and the Tigers made more progress. They started the third quarter with two first downs and bogged down on the next series. Fort Worth crashed 13 yards to the 20 and fumbled. Tim Bindel recovered but Sacred Heart could not go.

Moments later Bill Bartusch recovered another fumble, the Tigers made a first down and fumbled the ball back to the visitors.

That started a touchdown drive from mid field. Seven tries and 15 yards free made the distance with Winkler going for the last foot on the first play of the last quarter.

For a while then neither team made any progress. Sacred Heart lost possession on two fumbles and a fourth down gamble, the Cardinals on a punt and a fourth down try. Then came a four-play drive for 22 yards to the last TD. Winkler plowed over from the 3 with 4:47 of time remaining.

After a first down Sacred Heart had to punt. Four plays later a long pass to Mobley gained 44 to the 21 but two plays and a penalty lost ground and the Cards ran out of time on the 28.

Antonettis Will Talk at PTC Meet

Confetti - - -

rated as the most important. America needs a spiritual re-awakening. "We are presenting double standards. We say one thing, then do the opposite. We each should examine ourselves to determine whether we are the kind of a dad, a citizen and a Christian we should be."

This kind of talk is funda-

mental. It gets to the real core of what's wrong with America. People have lost the awareness of God's place in the world. They seem to have forgotten that He is the creator and He authored the set of rules whereby people can get along with Him and each other. A civilization that disregards those rules makes a mess of things.

The human race has made

marvelous progress but in doing so has lost some of its sense of values. It is too much inclined to marvel at its own wisdom in discovering the wonders of creation but overlooks the infinite wisdom that put the wonders there in the first place.

Our country and all the world desperately need to heed the fundamental facts of life. The real foundations of

an orderly society are the sermon on the mount and the ten commandments, not the warped modern theories on morality.

Ralph: "I wonder what ever became of the old-fashioned girls who fainted when a man kissed them!" Jane: "What I'd like to know is what happened to the old-fashioned men who made them faint!"
