

MUENSTER ENTERPRISE

VOLUME XXXVII

MUENSTER, COOKE COUNTY, TEXAS 76252 AUGUST 10, 1973

NUMBER 38

If you're sick and tired of the Watergate investigation, be assured that you have lots of company. Increasing numbers of comments, letters to the editor, opinion polls, etc., indicate that the public is not only weary of the long drawn out show but is disgusted with the obvious effort to "get Nixon" as well as the hypocrisy in blowing up this affair when many more serious incidents were brushed off with little notice.

The point was brought out forcefully by Herbert Philbrick of US Press Association in quoting from an irate reader who says: "What of the other side of the coin? When anti-war demonstrators broke into draft board offices and public buildings, poured blood on files, burned and destroyed property at Berkeley, Columbia, Kent and Santa Barbara, cut fire hoses and assaulted firemen and policemen (all criminal acts); When William Sloan Coffin, Ramsey Clark, Jane Fonda, the Berrigan Brothers et al journeyed to Hanoi (all illegal, war-prolonging acts); did the politicians call for senate investigations into the crimes, and also indictments for arson, inciting to riot, property destruction, assault, etc.? Did they dig into whence came the funds to fly, support, and provide legal counsel for those who committed these acts? Did they investigate the bugging of the telephones of Otto Otepka and others? They did not."

The man's opinion is shared by many other people. They object to the double standard in which principals of the Watergate bugging and break-in are having the book — and more — thrown at them, whereas people who committed much more vicious, hateful and violent crimes got the gentle treatment or none at all.

Therein lies the principal injustice of the Watergate witch hunt. The only laws violated were those of burglary and bugging, which are trifles compared with treason, arson, murder and a number of serious crimes that have been overlooked. And the motive was political spying, which has been widely practiced on both sides.

Plainly, this is a matter of the pot calling the kettle black, and it is being so regarded by increasing numbers of people. A part of the strategy it seems is to damage GOP election chances in '76. But there's a question of whether voters will be more resentful of dirty campaign practice or dirty investigation practice.

Secretary of Agriculture Butz is quoted as saying that citizens may count on September 12 as the date for ending price controls on beef, but he did not mention what to expect in the month between now and then. To put it mildly, the Cost of Living Council has the country baffled on this problem.

It's hard to guess what was the justification for the freeze. Beef on the hoof had to be high because feed prices were high. So beef on the counter should also have gone up. But the control people decreed that store prices of beef must stay put. The order involves a formula which says somebody has to lose, either the farmer or the meat processor, or both. It's an arrangement that simply does not fit in American business, which has to make a profit to keep going.

Well, experience has already shown that fact to be true. Packing houses are closing and the supply of beef is declining while an increasing volume of beef sales are going through the black market. Resourceful people find many ways of evading the regulations.

One can only wonder what's the big idea behind the controls — unless the several weeks of price control are intended to put the squeeze on livestock feeders and the feed industry. After these several weeks of curtailed sales, beef producers presumably will have a surplus and agree to sell for less. And they, in turn, can defer placing animals in the feedlot and eventually bring grain prices down.

There are various possibilities in getting this mess adjusted and somebody's going to get hurt regardless. Already we have those who are out of work and out of business. And the experts tell us that many

Jaycees Will Have Fish Fry Saturday

Muenster Jaycees are completing preparations this week for their second big event of the year, the eleventh annual fish fry Saturday night in the city park.

It will be another benefit affair to raise funds for their Number 1 project, which is the improvement program in the park. Their July 8 picnic also helped toward that cause. Along with the fish fry the Jaycees will have a special promotion to raise money for their recently established relief fund for personal tragedy.

Other features of the event are carnival type concessions and a dunking pool.

Dan Yosten and Dave Berres,

co-chairmen, say that serving will start at 7 o'clock and again at 9 o'clock to accommodate late comers who wish first to attend the Saturday 8 p.m. Mass at Sacred Heart Church.

Heading the menu is fried catfish, and other goodies are hush puppies, fried onion rings, red beans, coleslaw, pickles, relish, tartar sauce and tea. Beer and soft drinks will also be available. Jaycees and their wives and a number of friends will prepare and serve the meal.

Ticket prices, for "all you can eat" will be \$3.00 for adults and \$1.50 for children.

The park improvement project is a continuation of work which started several years ago and receives additional attention every year. This year, for instance, a fence cable was installed along the complete length of park driveway, five cement foundations were built for picnic tables and two charcoal grills were built.

Still on the work schedule are erection of chain link fence at both sides of the tennis courts and reclaiming the wilderness across the creek. About one acre there is to be cleared of brush and small trees and sodded to St. Augustine grass. At the same time the creek is to be cleared of debris and its banks shaped and sodded.

The park project started with clearing out small trees and brush, filling in a gully and planting carpet grass. Additions since then include a pair of tennis courts with lights and chain link backstops, concrete platforms, picnic tables, barbecue grills, repairs and additions to playground equipment and general fix up and paint up. The city has cooperated by providing much of the materials, paving the driveway and installing mercury vapor lights.

48 Expected to Report Monday For Tiger Team

Sacred Heart's Tigers, 48 strong, will meet with Coach Bob Steele next Monday night at 7:30 for their first football practice of this season — hopefully a season that will match or top their fine 9-1 record last year.

The team will spend next week in two-hour practice sessions, 7:30 to 9:30 nightly, and settle down to the regular afternoon practice after school starts on August 20.

With the largest squad ever at Sacred Heart, and including 28 returnees from last year, Coach Steele looks forward confidently to a fine football program for both his regulars and his second stringers.

He will have thirteen starters back on the job, mostly playing on both offense and defense so that actually he will have nine veterans each on offense and defense. Those starters are Kevin Pels, Davey Krahl, Dickie Moster, John Bartush, Karl Hess, George Johnson, Phil Endres, Jeff Fette, Steve Taylor, Danny Voth, Ricky Walterscheid, Mark Hess and Kenny Hess.

The team will have good size in the line, a few boys weighing about 190, and speed galore in the backfield. Along with Krahl and Pels, who made lots of long yardage last year, there's Dickie Moster, another break-away runner who sat out the last season with a broken leg. The likely quarterback is Roger Endres, who backed up his brother Gary on the job last year.

Assistant coach this year is Father Stephen Eckart, assistant pastor of Sacred Heart Church, who will arrive here next Monday afternoon. He has been associated with the football program at Subiaco Academy, Ark.

The Tigers have two weeks to get ready for their first test, which will be a practice scrimmage with Alvord Friday the 24th at 7:30 on the local field. A week later they will host Pottsville in a similar practice.

Then they'll start on their regular season consisting of eleven games without a break in a schedule that should be a delight to local fans. Eight of those games are at home. Counting the scrimmages they are at home for 10 out of 13 encounters.

The only games away are at Kingston, Okla., on September 28, Lake Worth Junior Varsity on October 19 and Dickson, Oklahoma, on November 2. Home games are:

- Sept. 7, S&S
- Sept. 14, Gunter
- Sept. 21, Aubrey
- Oct. 5, Trinity Christian
- Oct. 13, Callisburg
- Oct. 27, Cistercian
- Nov. 9, Bowie Junior Varsity
- Nov. 17, Southfield of Shreveport, La.
- Home folks get another lucky break in the schedule of the Tiger B team who have five of their eight games scheduled here. They'll play two each with Lindsay, Celina and Collinsville, at home and there, and have games here with Pottsville and Kingston, Okla. The schedule:
- Sept. 15, Lindsay, there
- Sept. 27, Pottsville, here
- Oct. 4, Collinsville, there
- Oct. 11, Lindsay, here
- Oct. 18, Kingston, here
- Oct. 25, Celina, there
- Nov. 1, Collinsville, here
- Nov. 6, Celina, here

Swim Pool Will Close August 26

The swimming season in Muenster will end on Sunday, August 26, and it will operate on a shorter schedule from next Tuesday until then.

Dan Hamric, operator, announced this week that, effective on the first school day, August 14, the pool will be open from 3 to 9 p.m. except on Saturday and Sunday, when the hours will be 2 to 9 p.m. Present time is 1 to 9 daily.

And it will close for the season at 9 p.m. on Sunday the 26th.

Another special schedule concerns the Jaycee fish fry Saturday night. The pool will close at 7 instead of 9.

Hornets Report Monday to Start Rugged '73 Season

1973 football at Muenster High School will start bright and early Monday morning when some 45 Hornets report to Coaches Glenn Richardson, Bill Moore and Wayne Klement for their first practice.

Favored with the biggest squad ever at the school the coaches will divide them into Varsity and B teams, with Richardson and Moore in charge of the first string and Wayne Klement directing the others.

On the first day both teams will have both morning and evening workouts, the B's at 6 a.m. and 6 p.m., the A's at 7:30 a.m. and 7:30 p.m. However, since classes begin Tuesday, there will be evening practices only for the rest of the week. And beginning the second week of school both teams will be on the regular afternoon practice schedule.

The coaches are enthusiastic about their prospects for both of the teams. The Bees have a number of experienced boys from last year's Hornets plus promising freshmen from last year's 9th graders, who won the 14-A junior title.

Likewise the outlook is fine on the Hornet team. Only five were lost by graduation from last year's team which had a fair season despite constant injury problems. Fifteen lettermen from that team are back with a year of growth and experience. Assuming that they can go through this season with normal injuries, they should be considerably stronger than last year.

Six of the returning lettermen are seniors. They are Tom Hennigan, Terry Huchton, Lyle Klement, Louis Koelzer, Curtis Klement and Dan Sicking. The eight juniors are Tom Bright, Jim Grewing, Glenn Henscheid, Neil Huchton, Steve Klement, Mark Stoffels, Randy Wolf and Terry Walterscheid. The only sophomore letterman is Bobby Endres.

With some of the fifteen playing both ways, there will be 3 former starters on offense and 9 on defense.

From the looks of their schedule, the Hornets will need size and experience, along with lots of spunk and expertise. Though rated as No. 2 in 14-A by "Texas Football," they face a tough season. Frisco, ranking first in the loop and fifth in the state is extra tough. Besides, Nocona and Sanger will be the usual trouble makers, and Pilot Point and Callisburg surely cannot be taken for granted.

Pre-district likewise looms as a big job. Lake Dallas and Boyd are No. 1 and 3 in their district, Whitesboro and North-west are AA outfits, Newcastle is a traditionally stout B team.

First test of the season comes on August 24 when A and B teams will be in Saint Jo for scrimmages with the Panthers. And a week later they'll host Archer City for two more scrimmages. Then comes the schedule, as follows — all games starting at 8 o'clock.

- Sept. 7, Open
- Sept. 14, Boyd, there
- Sept. 21, Whitesboro, there
- Sept. 28, Northwest, here
- Oct. 5, Lake Dallas, there
- Oct. 12, Newcastle, here
- Oct. 19, Frisco, there
- Oct. 26, Sanger, here
- Nov. 2, Nocona, here
- Nov. 9, Callisburg, there
- Nov. 16, Pilot Point, here

Lindsay Registers Aug. 10
Friday, Aug. 10 is registration day for pupils of Lindsay school. Mass time is 7:45 for those who wish to attend. Classes will begin August 14.

PVT. TOMMY HESS has finished basic Army training at Fort Polk, La., and has been assigned to Fort Ord, Calif., for eight weeks of further training. He is serving as a clerk-typist. Son of Mr. and Mrs. Ray Hess, he was transferred without a leave enroute to visit at home. His new address: Pvt. Tommy R. Hess, 465-90-2570; Co. C. Prov. Hq. Comd.; HHC USATCI (WOMY AAA); Fort Ord, CA 93941.

Demonstration of Old Thresher Set Sunday at 2 p.m.

A familiar scene of the past will be re-enacted here next Sunday when Bobby and Harold Lutkenhaus put an old time threshing machine back to work.

The demonstration will be held on their farm 4 miles northwest of Muenster for about a half hour starting at 2 p.m. In case of rain it will be postponed until the following Sunday.

Bob and Harold are re-activating the old thresher just for the fun of doing it, and they've extended a welcome to all who would like to come.

As they see it, the occasion will be nostalgic to lots of old timers who used to put in long sweaty days during the harvesting season. And it will be a scene from the past to younger people, about 40 and under, most of whom never saw a thresher in action. The machines were phased out here in the thirties.

Council Clamps Down on BB Guns and Sling Shots

Members of the Muenster City Council in regular session Monday night revised the city's gun ordinance to include BB guns and slingshots, and approved a number of items which included the recently completed tax roll, an expenditure for improved police radio equipment, a contract renewal with the county for fighting fires outside the city, and a fee for application of local water rights.

Hazardous shooting curtailed
Conscious of extensive damage done by BB guns and slingshots to home and car windows, the council amended the firearms law to prohibit any kind of promiscuous shooting whereby a missile can carry to the property of another person. It pointed out that controlled shooting into an embankment or adequate backstop was allowed, also that the ordinance does not prohibit use of firearms in protection of one's property.

Tax Rate Unchanged
The members elected to continue the city's tax rate of \$1.50 on \$100 of assessed valuation and also to continue tax valuations based on 25 percent of actual value. Tax rolls based on that value and that rate have been completed by the council acting as an equalization board and now await billing. Total assessed valuation of real estate and personal property is \$2,129,099 for which a total tax of \$31,936.49 will be billed. The figures do not apply to oil properties within the city limits. They have not yet been assessed.

Update Police Radio
The expenditure for police radio equipment is in line with improvements under way by a number of cities in the area. It involves not only more efficient operation but also keeping in touch with other officers. The changes are assisted by state and federal grants through the cooperation of Texoma Regional Planning Commission. Regrettably it re-

Schools Will Enroll Friday and Monday

First Class Aug. 14 At Public School

Registration for students of grades 1 through 12 of Muenster Public School will be held this week Friday from 9 to 10 a.m.

According to Superintendent L. B. Bruns, buses will start their routes at 8 and arrive at 9. Then, after an hour of enrollment, the buses will leave at 10 and return at 11, in time for the teachers' in service training which has been in progress since Monday.

Brun specified that Friday's registration does not apply to kindergarten. The little ones are due to report with parents at 8 a.m. on Tuesday, the 14th in the auditorium for assignment to morning and afternoon classes. For children who have been enrolled, that is the only purpose of coming. Children who have not been previously enrolled may be enrolled at that time.

Students who enroll Friday will report for their first classes on Tuesday the 14th at 8 p.m. Mr. Bruns calls special attention to the new time, saying that classes this year will start 15 minutes earlier so that morning and afternoon breaks can be slightly extended. Heretofore students have been crowded for time during the breaks.

Ex-Tiger Football Game Cancelled

Scratch off the football game by Ex-Tigers scheduled for Saturday night. It has been cancelled partly because of current construction on the new Tiger field house and mostly because of conflicts of time with the Jaycee fish fry starting at 7 and the Cowboys game starting at 10. The circumstances were not regarded as conducive to good attendance, nor to good recruitment of players.

The tip you leave for a meal today would have bought it a few years ago.

SH Classes Will Start August 20

Sacred Heart students will register next Monday, August 13, and begin classes a week later.

According to a schedule released this week by Sister Mary John, principal, students of both high school and elementary will enroll in Sacred Heart Library between the hours of 9 a.m. and 3 p.m., after which they can have another week of vacation before reporting for first class on Monday the 20th.

The faculty, however, will be on duty all week beginning with an in-service session Monday at 8 p.m. in the convent and continuing through the next four days.

Remainder of the school calendar reflects the new trend of dividing the entire year into four quarters — three for classes and one for vacation.

During the fall quarter holidays are scheduled for Sept. 3, Labor Day; Sept. 14, diocesan in-service day for teachers; and Nov. 1, All Saints Day.

The winter quarter starting Nov. 15 lists Thanksgiving holidays Nov. 22 and 23, and Christmas holidays Dec. 21, 2 p.m. until Jan. 2.

The spring quarter, starting Feb. 20, has a holiday March 19, St. Joseph's Day, and Easter holidays, April 11, 2:30 p.m. until April 16. Last class day of the year is May 21.

The three quarters have 60, 60 and 62 days, allowing two days for bad weather. If a third day is needed, make up classes will be held on Easter Monday, April 15. If no extra days are needed the last class will be on May 17.

Teachers Named At Sacred Heart

Father Placidus Eckart, superintendent of Sacred Heart School, this week listed faculty members of the elementary and high school departments but was not able to give the full list of assignments, some of which will probably be worked out next week, between registration and the first day of school.

In grade school they are Sister Georgia (principal), Sister Genevieve, Sister Yvonne, Sister Lenore, Mrs. Marie Johnson, Mrs. Anna Hermes, Mrs. Monnie Jones and Miss Dorothy Bengfort.

In high school they are Sister Mary John (principal), Sister Theresina, Sister Carmelita, Father Stephen Eckart, Brother Thomas Moster, Mrs. Jo Ann Pagel, Mrs. Joy Sanders, Joe Felderhoff, James Gehrig and Bob Steele.

County Fair Will Have Tractor Pull As New Feature

Tractor pulling contests, reminiscent of the horse pulling contests at old time fairs, will be a feature of the Cooke County Fair this year.

Implement dealers of the county are sponsors of the show which will be supervised by the Southwest Tractor Pullers Association on August 21 and 22. In some events the tractors will be operated by experts of the SWTPA and in other events by local "novices." Eligible tractor sizes are 5,000 pounds, 7,000 pounds 9,000 pounds and 12,000 pounds. Awards will be cash prizes and trophies.

Persons wishing to enter the competition can get all the details on classes, prizes, entry fee etc., from the county's implement dealers. Also, persons who just want to see can get tickets from the dealers. Prices are \$2.00 for adults and \$1.00 for children.

Procedure in the event is very similar to the old time horse pulls. The tractor is hitched to a sled or skid on which weight is added until the tractor fails to move it. Score is determined by the heaviest load moved.

Dates for the county fair this year are August 20 through 25.

It is said the amount of profit a capitalist wants to make depends on whether he prefers to eat well or sleep well.

The Men In Service

At New Station

Major and Mrs. John Broome and children Kathy, John Paul and Douglas, are settled at New Cumberland, Penn., following a visit here with her parents, the John Wierlers. The Broomes were formerly at Fort Leavenworth, Kansas.

Carolyn Block Is Wed in Lindsay to Dennis Lutkenhaus

LINDSAY — Mr. and Mrs. Dennis Lutkenhaus are making their home in Callisburg since returning from their wedding trip. They were married July 21 in St. Peter's Church by Father Damian Wewers who celebrated the Nuptial Mass and heard the vows in a double ring ceremony.

The bride is the former Miss Carolyn Block, daughter of Mr. and Mrs. Nick Block. Parents of the groom are Mr. and Mrs. August Lutkenhaus of Muenster.

Baskets of multi-colored flowers, fern and candles decorated the altar and white bells with pink, blue and yellow flowers marked the church aisle. Mike and Don Fleitman, Denison, nephews of the bride, were acolytes.

Miss Chris Barbre of Denton furnished vocal selections and guitar music with Miss Patsy Spaeth as organist. Their numbers included "On This Day," "Bells of St. Mary's," "Let It Be Me," and "Wedding Song," with "Mother at Your Feet" after Mass when the bride placed a bouquet and daisies on the Blessed Virgin's altar. The flowers were handed to her by her niece, Miss Dolores Sandmann.

Lace over Moymacrae fashioned the bridal gown with square neckline that dipped to

a V in the back and was closed with tiny satin covered buttons. Slightly bouffant, the A-line skirt was pleated at the waist with back fullness forming a chapel train. Lace and tucked ribbon accented the neck, waist, cuffs of the full sleeves and the hemline. Clusters of hand-beaded pearls, iridescents and beaded blue flowers also ornamented the bodice, cuffs and skirt.

The bridal veil, a three-tier fall of English illusion was edged in lace and was held by a Juliet cap with matching pearls and iridescents. Her flowers were a cascade of pink carnations, blue and yellow daisies, white mums, baby's breath, and ivy showered with ribbon tied in love knots.

June Welborn of Denton was matron of honor and Lynn Hacker, cousin of the bride, and Ruth Hellinger were bridesmaids. They wore A-line ice blue knit dresses with white lace trim at the scooped neckline, waist and skirt edge. They carried white lace fans with mixed flowers similar to the bride's with blue streamers.

Robert Miller of Muenster was best man. Maurus Hacker and Bill Dulock, cousins of the bride, were groomsmen and ushers. Also ushering were Leo Lutkenhaus, brother of the groom, and Herbie Fleitman of Denison, brother-in-law of the bride.

Dinner and dancing followed

in the KC Hall at Gainesville. Miss Gloria Garza registered 500 guests. Mrs. Jerry Walterscheid of Muenster served the wedding cake.

The couple's honeymoon took them to Colorado on a camping trip. For traveling the bride wore a moss green and white printed knit blouse and skirt with white accessories and a yellow mum corsage.

A graduate of Lindsay high and Texas Woman's University, the bride will be teaching vocational home economics at Callisburg school. A graduate of Muenster High and CCJC, the groom is employed at Weber Aircraft as a buyer-coordinator.

Special guests at the wedding included the couple's godparents Mr. and Mrs. Lawrence Streng and Mr. and Mrs. Lawrence Zimmerer of Lindsay and Mr. and Mrs. Robert Bauer of Gainesville who were celebrating their 25th wedding anniversary and Mr. and Mrs. Clifford Brandt of Haltom City who were celebrating their 22nd anniversary. There were anniversary cakes and flowers for them.

Other guests included Messrs. and Mmes. Jack Slay, Leo Wagner and George Wagner and families, Glen Beckham, Martin Steichen, Raymond Wagner, Marvin Wagner and Joe Wagner, all of Perry, Okla., Al Steichen of Ponca City, Okla., Chuck Woodall

Social Security Pays \$484,000 A Month in County

Social security benefits were being paid to residents of Cooke county at a rate of \$484,000 a month at the close of 1972, Gus Jones, social security manager in Sherman said today.

Of the social security beneficiaries living in Cooke county 2,573 are retired workers and their dependents. Another 853 are receiving benefits as the survivors of workers who have died, and 407 are getting benefits as disabled workers or their dependents.

Jones pointed out that although most social security beneficiaries are older people, about one out of every four is under age 60. In Cooke

Social Security Pays \$484,000 A Month in County

Social security benefits were being paid to residents of Cooke county at a rate of \$484,000 a month at the close of 1972, Gus Jones, social security manager in Sherman said today.

Of the social security beneficiaries living in Cooke county 2,573 are retired workers and their dependents. Another 853 are receiving benefits as the survivors of workers who have died, and 407 are getting benefits as disabled workers or their dependents.

Jones pointed out that although most social security beneficiaries are older people, about one out of every four is under age 60. In Cooke

county, 757 people under age 60 are collecting social security payments each month. Nearly 800 are under age 18, receiving payments because a working father or mother has died or is getting social security disability or retirement benefits. Most of the 80 beneficiaries in Cooke county between 18 and 22 years of age, are getting student's benefits under a provision in the social security law permitting the continuation of a child's benefits beyond his 18th birthday, and up to age 22, if the child is attending school full time.

Also in this 18-22 age group, Jones said, are some other types of beneficiaries, illustrating the broad family protection that the social security program provides workers of all ages. Some are children of retired, disabled, or deceased workers

who became disabled before they reached 22 and who will probably never be able to work and become self supporting. The monthly benefits of these young people, severely handicapped by physical or mental disabilities, will continue indefinitely. Benefits are also payable to the mother if the disabled son or daughter is in the mother's care.

Jones said that another relatively small but significant group of youthful social security beneficiaries are those who are receiving benefits as disabled workers.

If you have any question in regard to your social security, a representative may be contacted in Gainesville each Tuesday and Thursday from 9:30 a.m. to 12:00 noon at the Federal Building

Lindsay News

LINDSAY — Mr. and Mrs. Henry S. Fuhrmann have had as vacation visitors their daughter Sister Catherine Henry and their son Brother Louis Fuhrmann. He was returned to Subiaco, Ark., by the Harold Nortmans, Danny and Deana and Sister Catherine Henry. She left five days later for Iota, La., to teach again this year. A week before Mrs. Fuhrmann was honored at a birthday party celebrating her 70th. A decorated cake and ice cream were served. Guests included Mrs. Joe Bezner Sr., Mrs. Phillip Metzler, Mrs. Leo Cutaita of Dallas, Mrs. Ray Hess of Muenster, Mrs. Damond Fuhrmann and Mrs. Harold Nortman.

Mr. and Mrs. Gene Pelzel, Michelle and Matt had their vacation at Turner Falls and Lake Murray, Okla. Swimming, fishing, boating and surfing, a tour of Tucker Tower and Outlaw Cave were among highlights.

Lindsay High Pep Club has

organized for the coming season and is practicing new cheers. Officers are Doris Hundt, president; Joyce Neu, vice president; Jeanette Hundt, secretary; Gayle Corcoran, treasurer. Cheer leaders are Carol Zimmerer, Donna Zimmerer, Cindy Felderhoff, La-Quita Schmitz and Melinda Bezner.

Ronnie Fleitman celebrated his eighth birthday at the home of his parents, the Henry Fleitmans where boy classmates and other friends and his sister Karen and brothers Wayne and Bobby helped him celebrate. Games, gifts and refreshments made it a happy afternoon for the youngsters.

Mr. and Mrs. Frank A. Sandmann had a housewarming party in their new home last Saturday. Pickup foods were served to local friends and relatives and the Robert Davids, Jimmy Schons of Pilot Point.

A group from Lindsay, Messrs. and Mmes. Paul Sandmann, Irbly Macready and Edward Sandmann and their families and Mrs. William Schmitz attended an outdoor barbeque at the home of Mr. and Mrs. Wesley Hubic who

were hosts for the Saturday event in Mesquite.

A birthday dinner feted Mrs. William Bezner in the home of her daughter Mrs. James Bass and family in Fort Worth. Others present with their families included the Joseph Bezners of Houston, the Jim Schindlers of Pilot Point, Mike Bezner of Lindsay and Will Bezner of Bedford. Andy Bezner returned to Houston with his parents after spending two weeks with his grandparents at Lindsay.

Mrs. William Schmitz had learned of the arrival of a new granddaughter in Seoul, Korea. The six and a half pound lass is the daughter of Staff Sgt. and Mrs. Billy Schmitz. The birth announcement was telephoned by the proud father. The family plans to arrive in the States around October 1 for a 30-day visit after which his new assignment will be in California at Travis AFB. Since joining the Air Force in 1964 Sgt. Schmitz has been at Thailand and Guam and has been in Korea since 1968 with the exception of one year at Perrin AFB.

Parents of this year's kindergarten pupils will have a meeting Friday, Aug. 10, at 1 p.m. in the audio-visual room at Lindsay High. Youngsters not yet registered may be enrolled at that time.

Paula Schmitz and Jerry Lewis Say Vows at Lindsay

LINDSAY — Miss Paula Jean Schmitz and Jerry R. Lewis who were married Sunday, July 29, have returned from their wedding trip and are making their home in Era.

Daughter of Mr. and Mrs. Pat Schmitz of Lindsay, the bride is a graduate of Lindsay High and CCJC, received her B.A. degree in speech from NTSU and is employed by the Gainesville Independent School District.

Son of Mrs. William Lewis, Rt. 1, Gainesville, and the late Mr. Lewis, the groom is employed at Gainesville Auto Parts. He is a graduate of Era High and CCJC.

Father Alcuin Kubis of Little Rock, Ark., officiated at the Nuptial Mass and double ring ceremony in St. Peter's Church where four baskets of yellow gladioli, roses, white daisies and carnations adorned the altar space. English ivy at the altar railing and two pyramid-shaped candelabra with white tapers completed the setting.

Wedding music was furnished by Miss Patsy Spaeth, organist, and Albert Goslin, vocalist. Miss Spaeth also accompanied Miss Rebecca Fox of Dallas who sang "Ave Maria" after the service.

Presented by her father, the bride wore a formal gown of white silk Nottingham lace over acetate satin. In Victorian style it featured a high neckline, long sleeves, and empire waist above a semi-full skirt with an attached chapel-length train. Her full-length mantilla of illusion trimmed with lace was overlaid by an elbow-length veil of illusion. She carried a cascade of yellow daisies. For something old she wore the wedding ring of her maternal grandmother, Mrs. Lucy Mae Nickols and for something borrowed wore a pearl drop on a gold chain belonging to Mrs. Frank Cummins.

Miss Rebecca Fox was maid of honor and Mrs. Gypsy Lou Johnson of Fox, Okla., was bridesmatron. Their formal gowns, similar to the bride's, had bodices of French knot lace and sunshine yellow skirts bordered with a self ruffle. Their white leghorn hats were trimmed with yellow illusion and yellow daisies. The same flowers accented the tips of their neckline veils. They carried nosegays of yellow daisies.

Best man was R. L. Stevens of Era, cousin of the bride. Charles Mitchell was groomsman. They also ushered guests. David Brewer was candle lighter and altar boy.

Wedding reception was held in the KC Hall at Gainesville where Miss Melody Mellicote of Dallas, bride's cousin registered guests. Mrs. James Lewis of Gainesville and Mrs. Herbert Lewis of Dallas served punch and Mrs. Henry Spaeth presided at the five-tier wedding cake. Guests helped themselves at the buffet table. Jack Lawson furnished background music during the reception. Others in the houseparty included Mmes. J. C. Sluder, Toney Reiter, Jay Moore, Frank Cummins and Lois Baluch.

For traveling the bride wore a white knit pantsuit with black trim and white accessories.

Stephen Schmitt, 6 Birthday Honoree

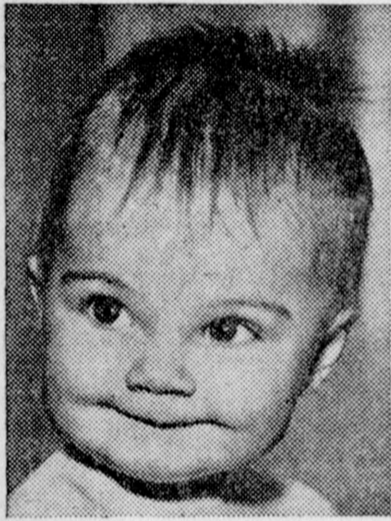

Stephen Schmitt, six years old on August 1, celebrated at a birthday party in the home of his parents, Mr. and Mrs. Harvey Schmitt. Assisting Mrs. Schmitt with hostess duties was the honoree's aunt, Miss Doris Schmitt.

A Smokey the Bear theme was carried out and the birthday cake made by Doris Schmitt was a confection replica of Smokey. Party favors, games with prizes and displaying birthday gifts were afternoon highlights until ice cream, cake and punch were served.

Young guests were Paula Yosten, Connie Bayer, Craig Monday, Cory Klement, Jeanna Hartman of Denton and Stephen's sisters Vickie and Debbie. Other guests were grandparents Mr. and Mrs. Victor Hartman and Mrs. Al Schmitt and the honoree's aunt Mrs. John Yosten. Adding excitement to the day were telephoned greetings to Stephen from his aunt Mrs. Walter Wolf of Gainesville and his uncle Tom Schmitt of Houston.

"All things come to those who wait — except the man who owes them money."

Local 4-H's Win On Record Books In County Contest

Fifty-four Cooke County 4-H girls and boys submitted their record books for judging on the county level and winning records in both junior and senior divisions have gone on to district competition.

In the 36 junior record books entered in 14 different categories Muenster winners were Kathy Davidson, red, in Achievement; Billy Felderhoff, blue, district, in Agriculture; Deryl Zimmerer, blue, Gary Zimmerer, red, in Beef; Debbie Zimmerer, blue, Johnny Zimmerer, red, Sharon Voth, blue, in Clothing.

Monica Gehrig, red, in Food and Nutrition; Rose Felderhoff, blue, district, in Photography; Patricia Davidson, red, Larry Fleitman, blue, district, in Santa Fe; Lloyd Reiter, blue, district, in Entomology.

Of 18 senior record books entered in 11 different categories the following are from Muenster clubs:

Barbara Davidson, blue, district, Sharon Rohmer, blue, in Achievement; Chris Felderhoff, blue, district, in Citizenship; Sandy Reiter, blue, district, in Consumer Education, Kim Reiter, blue, district, in Home Management; Mary Lou Fleitman, blue, in Santa Fe; Paul Reiter, red, district, in Field Crops; Mike Davidson, blue, district, and Albert Zimmerer, red, in Beef.

Lou Wolfs Back From Foreign Tour

Mr. and Mrs. Lou Wolf have returned from a month's trip that began with a flight to New York for a visit with their son-in-law and daughter, the C. W. Hammonds and Stephen.

From New York Mr. and Mrs. Wolf flew to Rome where sight-seeing included the Square and Basilica of St. Peter and attending Mass there, going to the summer home of Pope Paul where all in the group heard the Holy Father's public address in a general audience and received his blessing.

Other trips in Italy took them to Naples, loveliest Mediterranean resort, Analfi and Sorrento, one of the most celebrated drives in Europe, an excursion by steamer to the beautiful Isle of Capri with its famous Blue Grotto, the Shrines of St. Francis Assisi and St. Anthony of Padua and the never to be forgotten city of Venice with St. Mark's Square and the gondola excursion on the Grand Canal.

Back in New York grandson Stephen Hammond joined them for a flying trip to Tampa, Florida, and a week's visit with their son Roger Wolf and family. Stephen accompanied his grandparents to Muenster for an extended vacation.

The commercial fish catch in the Gulf of Mexico has increased from 571 million pounds in 1950 to 2.1 billion pounds in 1971.

When it comes to quitting smoking, men have it all over women. According to a . . . government survey 26 percent of all adult men smokers have quit, but only 11 percent of women smokers have dropped the habit. And those women who have quit are a lot less successful than male quitters. Between 1966 and 1970 one man in 12 who had quit went back to smoking; the ratio among women was one in nine.

Judy Sicking is touring Europe. The Ludwig Kieningers move into their new home. The Richard Watkins family moves to Fox, Okla. The Richard Herrs move to Henrietta. Red Cross badges are issued to 23 in Life Saver course. Spec. 4 Donald Hess is wounded in Vietnam. New arrival: a boy for the Wayne Trubenbachs.

COMPLETE FUNERAL SERVICE

Nick Miller Funeral Home

Jeanne Vogel and Paul R. Bass Wed At Nuptial Mass

Miss Jeanne Vogel became the bride of Paul R. Bass during Nuptial Mass Saturday at 5 p.m. in Sacred Heart Church. Father Placidus Eckart, pastor, was celebrant and performed the double ring ceremony.

Parents of the couple are Mr. and Mrs. Theo Vogel of Muenster and Mrs. George Bass of Dallas and the late Mr. Bass.

Given in marriage by her father, the bride wore a formal gown of white illusion over bridal satin. Alencon lace covered the fitted bodice and appliques of the lace adorned the long bishop sleeves ending in wide lace-edged cuffs. The gown was designed and made by the bride's mother.

The bride's mantilla of English silk illusion framed with lace was chapel length. She carried a cascade of pink roses, yellow star flowers, stephanotis, and baby's breath entwined with ivy.

Adding wedding sentiment she wore the 70-year-old wedding band of her late maternal grandmother Mrs. Alois Hoenig. For something borrowed she wore a gold scapular medal belonging to her sister Mrs. Dale Adair.

Miss Helen Vogel of Fort Worth was her sister's maid of honor and Miss Kathy Kelleher of Houston was bridesmaid. They wore identical gowns of polyester designed and made by the bride's mother. Miss Vogel was in yellow and Miss Kelleher in pink. The empire waists were emphasized with antique lace and short puffed sleeves of sheer organza. They had matching ribbons in their hair and carried white wicker baskets of daisies and baby's breath.

Mike Redder of Dallas was best man and Charles Williams, also of Dallas, was groomsmen. They were in formal attire and wore colored shirts that coordinated with the bride's attendants' gowns.

Ushers were Leonard Vogel of Dallas, cousin of the bride and Jimmy Halleyhead, also of Dallas.

Wedding music was provided by vocalists Misses Susan Endres, Beverly Walterscheid, Christi Koesler, and Carol Yosten. Mrs. David Bayer was organist.

After Mass the bride placed a long-stemmed pink rose circled with baby's breath on the Blessed Virgin's altar while the quartet of vocalists sang "Peace, Joy and Happiness." The floral tribute was handed

to the bride by her nephew Mike Adair.

Wedding reception and dinner were held in the KC Hall where Miss Linda Glorioso of Dallas registered guests. Mrs. Jerry Walterscheid presided at the three-tier wedding cake and it was served by the bride's sisters Mrs. Karl Browning of Columbia, S.C. and Mrs. Dale Adair of Fort Worth.

When the newlyweds left on their honeymoon she was wearing a lilac colored pantsuit. They will be at home in Farmers Branch.

She is a graduate of Sacred Heart High and St. Paul Hospital School of Nursing and is on the hospital staff. He is attending North Texas State University at Denton after serving the U.S. Marine Corps with overseas duty in Vietnam and is employed in Dallas.

Rehearsal Dinner

Mr. and Mrs. Theo Vogel entertained in their home for the rehearsal dinner for the bridal party and guests.

Pre-Nuptial Party

A pre-nuptial shower party honored the bride in the home of Mrs. Vincent Glorioso, co-hosted with her daughter Linda in Dallas.

Wedding guests included Mr. and Mrs. Leo Fetsch and LaVerne of Rhineland, Mr. and Mrs. Alphonse Vogel and their son Gerard of Houston and their daughter and husband Mr. and Mrs. Kent Petzold and daughter of Dallas, Mrs. Ray Stanley and Lana of Seagraves, Mr. and Mrs. Karl Browning of Columbia, S. C., Mrs. Dale Adair and Michael and Miss Helen Vogel of Fort Worth, Leonard Vogel of Dallas and friends from Dallas, Fort Worth, Fort Hood, Houston and Denton.

Jeanne Endres in OU Graduation

Jeanne Lynn Endres, daughter of Mr. and Mrs. Leonard Endres, was among some 900 students receiving degrees from the University of Oklahoma at Norman in the summer commencement.

Miss Endres received a B.S. degree in Physical Therapy and Monday started work at Southern Memorial Hospital in Ardmore in the physical therapy department.

Seeing her get her diploma were her parents joined there by their daughter Mrs. Dale Henning of Oklahoma City. Miss Endres had a visit here following graduation and before reporting for duty.

It is said that George Washington never told a lie. Well, there was less occasion for lying in those days. Golf had not yet been imported from Scotland, television had not yet been invented, and the number of miles secured from a gallon of gas was not a subject for popular discussion.

4-H Club News

Special thanks to Sandy Reiter, Sharon Rohmer, Billy and Chris Felderhoff, Rudy Schumacher, Mary Ann Voth, Doug Schmitz, Nancy and Tammera Hickman, John and Laura Gage, Tim Brooks, Donna Hughes, Mary Lou Fleitman and Denise Martin for their help at Rally Day. You all did a fine job, says Marlea Thompson, assistant county home demonstration agent.

Denise Martin wrote a short report of her trip to Texas 4-H Congress. It follows:

"Three Cooke County 4-Hers took part in the first Texas 4-H Congress. The event was held at the Shamrock Hilton Hotel in Houston. The theme was 'Values and Transitions.' Attending were Kim Reiter of Sacred Heart 4-H; Denise Martin, Valley View 4-H; and John Schumacher of Gainesville 4-H. The group left Renner, Texas July 10. On Tuesday, Dr. William Hale Jr. of University of Georgia was the speaker with a get together dance later that night.

"Wednesday the 500 4-Hers heard talk over social, economic, and political values. There were panel discussions and advisory groups met in the afternoon. The five groups were awards and contests, programs for older youth, volunteer adult and youth leadership, organization and operation of 4-H and 4-H image. The congress ball was held Wednesday night with district meetings following.

"Thursday the entire congress had breakfast and final discussions and 1973-74 Texas 4-H officers were elected."

Cooke County's 1973 edition of Rally Day was held July 26 at Leonard Park and Cooke County Junior College. 100 4-Hers from throughout the county attended this annual event with activities including swimming, folk games, party games and two educational programs. Jr. leaders representing 4-H clubs from across the county planned, organized and carried out the day's activities.

The days events started with swimming at the Leonard Park Pool, followed by a picnic lunch at the park. Cooke County Junior College served as the site for the remainder of the days activities which started with group singing, various party games, folk dances and ending with a ceremonial on "What is 4-H."

The theme for Rally Day was "Pondersoa Party" and the kids were divided into four groups for competition in the party games. Each group had a brand representing a famous ranch which included the four 6666, the Rocking T, the Running W, and the Bar Q. The Running W was the overall winner with the Rocking T a close second.

Mr. Everett Tucker of the Texas Wildlife Control Services presented a program on migratory birds of Texas and demonstrated some large and small animal traps used by the Wildlife Control Services in moving animals from one location to another. Also, Mr. Don Flint from George J. Carroll & Son Funeral Home gave a very informative safety program on "What to do before the Ambulance Comes."

IT HAPPENED 35 YEARS AGO

July 29, 1938

New steam whistle installed at cheese plant will be used as fire siren for city. Fire in laundry house at Weinzapfels causes \$100 damage. Petition asks city to vote on sewer bonds. County dries block beer legislation by large majority. Saturday primary returns Winder, McCollum, Bezner and Hamilton to office; Atchison is new attorney; Gossett and McFarland, Pace and Stocks, Wilson and O'Brien are in run-off. Opening of Hirsch Bakery is delayed by move to different location; will open in Wolf Hotel building. Linn Home Demonstration Club honors Irene Sicking with pre-nuptial gift party.

30 YEARS AGO

July 30, 1943

Fire destroys Bill Derichsweiler home Friday morning. Third war loan drive is planned for September. Firemen reelect R. L. McNelly chief. Continuous hot, dry weather saps vitality of crops and folks. Mrs. John Schilling is visiting relatives in the Rio Grande Valley. Mrs. Charles Rosenberg, a recent bride, is the honoree at a gift party in the home of Mrs. Orlean Edelen. S.Sgt. Ferd Yosten writes from Africa. New gasoline coupons become valid with same value. Cpl. Albert Hoelker of Lindsay is stationed on Guadalcanal.

25 YEARS AGO

July 30, 1948

July 31, 1953

Contractor will start new Sacred Heart High school early next week. Parochial school students will have separate hot meal program. New water well for city nears completion. FMA cheese plant is getting ready to install whey powdering unit. Hay and pasture prospects improve after timely rain. Both Muenster schools set September 1 as opening date. Celebration marks silver wedding anniversary of Mr. and Mrs. Joe Hoening. Pvt. Mike Driever was among Camp Roberts soldiers helping fight the California forest fires.

15 YEARS AGO

Aug. 1, 1958

Six hundred and 32 Muenster voters cast ballots in Democratic Primary. Election Aug. 3 will fill vacancy left by M. D. Kaderli on city council. Opening of Nick Miller's new cleaning, pressing and shoe repair business set Aug. 1, has been postponed about a week, awaiting equipment. Fred Spaeth, 60, dies in Missouri. A. H. Lueb, 63, dies at Carlsbad, New Mexico. Gretchen Hellman gets nurses cap. Deputy Sheriff Buck Wilson is back on the job after vacation. Mrs. J. J. Haverkamp

and Mrs. Al Fleitman are among family members in San Antonio for the silver jubilee of Sister Ann Theodore. Mrs. John C. Schmidkofer and her sister, Sister Frances are visiting relatives in Germany.

10 YEARS AGO

Aug. 2, 1963

Sam Biffle, 90, area pioneer, dies. Pharmacy department at Dixie Drug will open Sept. 1. Rain measures .90 inch and total for year is still far below normal. Gloria Yosten is in state finals for Miss Texas title. VFW flag service donates \$600 to hospital and JCs. Mr. and Mrs. J. M. Weinzapfel leave on European tour. Alvin Hartman represents local fire department at A&M school. Revival is held at Baptist Church. Edna Hagan and Herbert Knabe marry. Carol Hess is named Carnival Queen at Gainesville. New arrivals: boys for Messrs. and Mmes. Jimmy Jack Biffle, Albert Zimmerer, and Davil Gilley; girls for Messrs. and Mmes. Bill Metzler, David Endres and William Koerner.

5 YEARS AGO

Aug. 2, 1968

Joe Felderhoff is appointed coach at SHH School. MHS pair attends twirling school at SMU. Rain here is above average the past seven consecutive months. Angela Laake is dismissed from Muenster Hospital after being a patient since May 22 and undergoing bone surgery twice on a broken arm. Alvin Hartman is attending fireman training school at A&M. Over 60 attend annual party for adoptive parents and their children in Muenster Park. Lindsay's pre-school class of 31 graduates. Lawrence Dankesreiter Jr. marries Fort

Worth girl. Carmen Hess is bride of Lawton man. Services are held for Noah Pittman, 72, in Saint Jo. New arrival: a girl for the Norbert Walterscheids.

Watergate Silver Lining

The aftereffects of the Watergate revelations could well have a silver lining. The experience of Watergate should teach skepticism toward officeholders and politicians that advocate more government in every aspect of life as a sovereign remedy for every human problem. Government is made up of men, and men are fallible in public life just as in private life. Merely assuming the mantle of office, endows no one with superior wisdom. The old fable that the king can do no wrong was precisely what the founders of the United States came to America to escape. On the whole, we have done pretty well in this country thanks, in the main, to freedom of speech and freedom of the press. These lifesaving attributes of a free society have time and again stripped bare the innermost machinations of public servants and the threat of centralized authority gaining too much power over our lives. This is the great lesson of Watergate, and it should not be lost on a nation whose people place a high value on individual independence.

A politician, planning to run for office and wanting to know how he stood with the public, hired a pollster. In a week the pollster reported to the politician: "Ninety-eight percent of the people are for you. But it is a funny thing, I only kept running into the other two percent."

Hints Offered on Cutting Food Bill

Mod Mother Hubbard's cupboard is un-bearable today because she buys convenience foods and "impulse" items, dines away from home — and says she's mad about the cost. "Homemakers may have to do more food preparation themselves and spend more time doing it to reduce the cost of food," Judy Grubbs said this week.

The foods and nutrition specialist, Texas Agricultural Extension Service, Texas A&M University System, added, "Sometimes we have to give a little to get a lot."

She cited five ways of "giving a little time and effort" to help cut food costs.

—Eat at home as much as possible.

"Cost of food at home hasn't risen nearly as high as cost of food away from home. When the family cannot eat at home, often they can take a sack lunch, which can mean more nutritious and economical lunches.

"Also, coffee break costs dip with food taken from home. Fruit or fruit juices and some of the breads and cereals offer excellent choices. By saving a few cents for each person on each coffee break, the whole family saves several dollars a week."

—Use less meat.

"Adults need two servings of about three ounces of meat a day. In order that they not feel hungry, they can stretch the meat with pastas, rice and potatoes."

—Use more of the breads and cereals — and less sugar-sweetened foods.

—Eat food necessary for health and to maintain weight.

"Eating more food than is necessary for our own energy output — and feeding excess weight — is a waste of money."

—Buy foods in season or the most economical form of the food available if it's out-of-season.

"If homemakers are unable to do more food preparation at home because of limited skill or time, they'll have to pay for this when they go to the market," the specialist concluded.

Two politicians of opposing parties were discussing their strategy.

The Democrat said, "I'm forever promoting. For example, whenever I take a cab, I give the cabbie a large tip and say, 'Vote Democratic.'"

The Republican said, "My approach is similar. Whenever I take a cab, I don't give any tip at all, and I leave him with: 'Don't forget to vote Democratic.'"

Americans continue as the most wasteful people on earth. Proof of this is wasteful use of electricity, burning unnecessary lights, using fixtures not in use plugged in, running fixtures at high speed when low would do the work. Of air conditioners, to save electricity, electric companies advise to keep windows and doors closed and set the thermostat no lower than 78 degrees, since each degree below that uses about 5 percent more electricity. The electric companies try to teach appreciation of abundance and at the same time to conserve a vital resource.

—Newton, Miss., Record

Drinking is indicated to be a factor in at least half of the fatal motor-vehicle accidents.

Punctuality is a device for getting some time to yourself.

What society calls the smart thing to do is often pretty dumb.

Local News BRIEFS

Mr. and Mrs. Harvey Lamkin and daughter are new residents in Muenster moving from Saint Jo and occupying the former John Mosman home on N. Pecan. That place was vacated by the Wayne Richards family who moved to their new home at Rosston. Far away from home, Billy Ben Boyles and family have gotten settled in Port of Spain, Trinidad, West Indies, where he was transferred by his oil company from Cairo, Egypt.

Mrs. Alfons Koesler has as guests this week her son Father Leo Koesler of Subiaco and her daughters Sister Mary Lin of Floresville and Sister Corrine of Laredo. Family gatherings are being held and the three visitors will join local relatives in going to Dallas Friday for the Caplinger-Perkins wedding. Sister Corrine has just returned from a six-week tour of Europe with a Laredo group.

Mrs. Bruno Fleitman, son Jerry and grandson Douglas Fleitman, spent several days last week in Houston as guests of Mr. and Mrs. Frank Cox and Kelly.

Trey and Charles Chapman, sons of the Aubrey Chapmans of Dallas, spent ten days vacationing on the farm of their aunt and family, the Wilfred Sickings while their parents were vacationing in Mexico. The other Chapman children Anne and Valerie spent the time with their grandparents the Joe Walters and their aunt and family the Bill Grahams at Gainesville. The girls joined their brothers at the Sicking farm Friday and overnight and the four were taken to Gainesville Saturday by the Sickings to meet their parents for return home. Also visiting in the Walter home with this group were the Barry Blevins and family of McCamey who spent the day with her parents and the rest of the relationship.

A miscellaneous gift shower Monday evening honored Mr. and Mrs. Marc Barnes of Era, recently married couple. The party was given in the hospitality room of Gainesville National Bank. Mrs. Barnes is the former Miss Terry Hermes, daughter of Mr. and Mrs. Jim Hermes. The groom's parents are Mr. and Mrs. John Barnes.

Management is the art of getting three men to do three men's work.

NEWS OF THE SICK

Abbot Alfred Hoenig is in his second week as a patient at Spohn Hospital in Corpus Christi for medical care. He will remain a patient about two weeks more, according to word from local relatives.

Bill Kathman is back at home, dismissed from a Wichita Falls hospital where he underwent surgery by a specialist.

Joe Mages underwent major surgery at Muenster Hospital on July 27 and continues as a patient.

Phil Mullins is a patient at Baylor Hospital and will appreciate cards. He entered Sunday for an undetermined stay. Address: Baylor Hospital, Room 6121, 3500 Gaston, Dallas, Texas 75246.

HOSPITAL NOTES

The following patients were dismissed during the past week at Muenster Memorial Hospital.

Tuesday, July 31: George Bayer, Muenster; Gilbert Heusch, Gainesville.

Wednesday, Aug. 1: Ted Henscheid and I. J. Davidson, Muenster.

Thursday, Aug. 2: Pat Hennigan, Muenster; Jack Wood and William Snow, Gainesville; Robert Reid, Dallas; Glen Lynch, Forestburg.

Friday, Aug. 3: Bishop A. Dangelmayr, Muenster; Mrs. Frances Brawdy, Myra; O. L. Corley, Gainesville; Mike Keller, Dallas, H. D. Embry, Saint Jo.

Saturday, Aug. 4: Steve Sicking and Mds. Sam Sparkman; Rufus McLaughlin and Lillian Spencer, Saint Jo; Marton English, Rosston.

Sunday, Aug. 5: Mrs. Freddie Monday, Aug. 6: Mrs. Tom Bayer and baby girl; Humberto Gracia Solos, Gainesville; Mrs. Mary Cable, Nona.

Tuesday, Aug. 7: Johnny Price, Dodge City, Kans.; Mrs. Frank Riley, Gainesville; Mike Gibbons, Duncan, Okla.; Joe J. Bezner, Lindsay.

Hoenig Reunion

Descendants of the late Mr. and Mrs. Alois Hoenig held a family reunion Sunday in the KC Hall with a covered dish dinner at noon. Ninety-five registered. They attended from Dallas, Fort Worth, Denton, Carrollton, Ennis, Tyler, Garland, Comfort, Seagraves, Munday, Gainesville, Lindsay, Muenster and included Miss Anna Hoenig of New York City and Mr. and Mrs. Karl Browning of Columbia, South Carolina.

Tiger Football Party

Before setting down to the hard grind of football practice, the Sacred Heart Tigers will relax Friday with a swim and party in the city park from 7 to 9 p.m. Coach Bob Steele is sponsoring the event for boys of the A and B squads, the cheerleaders and dates.

About 30 per cent of the oil used by Americans now comes from other countries.

Garden Center Bulletin

Armyworms and grasshoppers are reported in several counties, so watch your lawns and shrubs closely.
 Black and yellow aphids continue to do damage to pecan trees, watch for the sticky honeydew.
 Mimosa webworms are also active in mimosa trees webbing the foliage together.
 Poor control can be expected on bagworms at this late date, but any kill will reduce the numbers next year. Crickets are showing up again too.
 This last rain may bring on the pecan weevil. Check your pecan nut for a very small puncture like a pin hole.
 Come by our store for your fall garden seeds. adv.

J. C. Millers Host Family Fish Fry

Mr. and Mrs. J. C. Miller had a family fish fry at their home, 912 S. Locust in Gainesville, Sunday evening and it was the first time all seven of their grandchildren were together at a reunion.

Present were Air Force Sgt. and Mrs. Ray Rumley, Renee and Rhonda, Mr. and Mrs. Richard Herr, Patricia, Rose, Johnny and Jimmy of Muenster, Mr. and Mrs. Wayne Brown and Mr. and Mrs. Lindy Lewter and Davon of Gainesville and Mrs. Miller's mother Mrs. Charlie Lemon and Mr. Lemon of Nocona.

Only family members unable to attend were S.Sgt. and Mrs. J. D. Rumley of Webb AFB, Big Spring.

The Ray Rumley family was on leave enroute to his new assignment in California and have since gone to George AFB at Victorville.

State FB Leader Cheers Removal Of Price Controls

Texas Farm Bureau President J. T. Woodson said farmers and ranchers are grateful that the Administration recognized the "fallacy" of price controls on raw farm products in the new Phase 4 economic controls.

"A free agriculture can and will produce adequate supplies of food for this nation with enough left over for export to help strengthen our economic standing around the world," Woodson said.

The farm leader said it is

Nikki Armstrong Rodney Robison Say Wedding Vows

A double-ring ceremony in the home of the groom's maternal grandparents united Miss Nikki Lynn Armstrong and Rodney Lynn Robison in marriage Saturday evening, July 21. The Rev. Clyde Spann, Baptist minister from Thackerville, Oklahoma, officiated.

Parents of the couple are Mr. and Mrs. Donald B. Armstrong of Gainesville, Mrs. Barbara Robison of Gainesville, and David W. Robison of Arlington.

The altar space in the Everett Bosley home, 410 Lindsay St., Gainesville, was decorated with candelabra intertwined with English ivy.

Presented by her father in marriage, the bride wore a gown of chiffon over taffeta, made by her mother. The net

overlay veil, made by the groom's mother, fell from a crown trimmed in wide lace and pearls. She carried a cascade of carnations surrounded with English ivy.

The matron of honor, Mrs. Jim Moss, sister of the bride, wore a floor-length mint green empire dress with puffed sleeves. She carried long stemmed pink carnations.

Everett Bosley, grandfather of the groom, was best man.

Wedding cake and punch were served from a table covered in ecru lace. An arrangement of pink roses and carnations centered the table.

Patrice Armstrong and Dana Moss, sisters of the bride, and Lydia Robison, sister of the groom, assisted with hostess duties.

Francis Wiese, friend of the bride and groom, took pictures during the wedding and reception, then afterwards in the bride's home when her

parents entertained.

For a wedding trip to Sherman the bride changed into a yellow knit two-piece suit. Following the wedding trip the couple will reside at Moss Lake.

The bride is a July graduate of Gainesville High School. The groom is a Gainesville High School graduate and has completed half of his degree work at Cooke County Junior College and Tarleton in Stephenville. The bride is employed at Kinnie's Jewelry and the groom is employed by Manhattan Clothiers.

David W. Robison, Mr. and Mrs. W. L. Robison, paternal grandparents, and Mrs. Ray Solomon, cousin of the groom, and her daughter, Alicia, of Denton were among the nineteen in attendance.

Mrs. Barbara Robison hosted a dinner in her home on Thursday evening, July 19, for the bride and her family.

Aged Needy to Get Supplemental Pay In New Program

The Sherman Social Security office is now taking applications for supplemental security income payments, a federal program scheduled to start in 1974 that will establish an income floor for people in financial need who are 65 or over, or blind, or disabled, according to Gus Jones, social security district manager.

But people already getting state old age assistance, or state aid because they are blind or disabled, don't have to apply, he said. They'll be getting more information later this year about how the program will help them.

"The first monthly payments under the federal program will be made in January 1974," Jones said. "Until then, state and local public assistance officers will continue to make payments in the usual way."

People not getting public assistance now who think they may be eligible for the new federal payments should call or write social security to find out if they should apply, according to Jones.

"Federal supplemental Security income payments will be made by the Social Security Administration," Jones said. "But the program will be financed by Federal General Revenues — not by Social Security Contributions from workers and employers. It's not the same as Social Security."

The aim of the new pro-

gram is to provide supplemental payments in cases of need so that people 65 or over, or blind, or disabled will have a basic cash income of at least \$130 a month for one person and \$195 a month for a couple.

"This doesn't mean that every eligible person or couple will be getting that much from the federal government every month," Jones said. "The amount of the federal payment any person gets will depend on how much other income he has."

"Eligibility for federal payments will depend not only on the amount of income people have but on the value of their assets," Jones said.

The net public and private debt in the United States was almost \$2 trillion at the end of 1971, according to the Bureau of the Census.

Because of its poorly developed nervous system, a fish probably experiences discomfort rather than actual pain when hooked.

"regrettable" that beef will remain under the freeze until Sept. 12. This will cause many producers to hold their cattle off the market until that time, he said.

"We believe that wage and price controls are bad for any and all segments of the economy," the head of the 145,000-member farm organization said. "We look forward to the day when this country can return to an unrestricted economy."

Woodson praised the President for aiming for a balanced budget in the current 12 months.

"The most powerful fuel behind our inflation is wasteful, deficit spending by our federal government," the TFB President said. "It may be that in the long run our current fears over the economy will be beneficial if all Americans learn this one fact of life and quit expecting government to spend money it doesn't have."

Woodson said that, barring unforeseen weather factors, the production of food in this country will increase substantially this year.

He quoted the U. S. Department of Agriculture as predicting that corn supplies will be up 6 percent over last year, soybeans up about 24 percent, grain sorghum up 5 percent and wheat supplies to increase by some 13 percent.

Husband, consoling wife at daughter's wedding: "Don't think of it as losing a daughter; think of it as gaining a bathroom."

The teacher asked Perry to tell her what a hypocrite is. Replied Perry: "It's a boy who comes to school with a smile on his face."

Opposition Aired To EPA Proposals

Environmental Protection Agency proposals to cut auto pollution smog in Texas ran into opposition in public hearings last week.

EPA proposes to put the smog control plans into effect August 15 unless convinced it should alter or delay them.

Here's what the controls would mean, with variations from area to area:

* Special traffic lanes for buses and car pools on freeways.

* Installation of anti-pollution devices on pre-1968 cars.

* Elimination of downtown parking in major cities like Houston and San Antonio.

* Gasoline quotas.

* Reducing gasoline fumes in some areas (like Austin-Waco) by improved storage tanks and tighter gasoline delivery trucks.

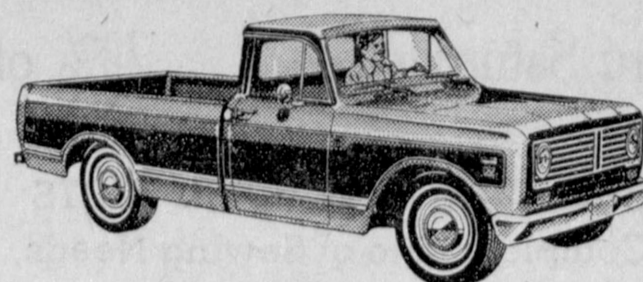

A Texas Good Roads Association spokesman assailed the idea of special traffic lanes as potential contributors to all-time record traffic pile-ups.

A Texas Air Control Board representative also challenged constitutionality of EPA recommendations to require owners of seven-year-old (and older) cars to install anti-smog equipment.

The latter requirement, said the Board spokesman, places an undue and discriminatory burden on the poor and raises questions under due process and equal guarantees of the fifth and 14th amendments.

Air Control Board spokesmen have contended emission control devices would cost owners of old cars \$300 million and would affect one per cent of the total pollution problem.

We want you to know...

Nationwide, there is concern about the energy crisis.

In many sections of the country, people are experiencing, firsthand, the effects of shortages of energy-producing fuels: gasoline, oil and natural gas.

Texas Power & Light Company produces electric energy with generating plants which use natural gas or coal as fuel, with some oil-burning capability.

TP&L has the generating plants, the transmission and distribution lines and all the other facilities necessary to produce and supply all the electric energy its customers need. And, just as we have done for more than 60 years, we're building the facilities necessary to meet anticipated future needs.

But, we must have the fuels to produce the electric energy.

As TP&L customers use more electric energy, TP&L generating plants must use more fuel to produce the energy. Thus, wasteful use of electric energy automatically means wasteful use of one or more of the basic sources of energy.

Conserve electricity and you help conserve fuel. Conserve fuel and you help assure that there will be enough to produce electricity for essential needs.

Here are some of the ways you can conserve electricity in your home... and, at the same time, reduce your electric bill:

AIR CONDITIONING

1. Set thermostat at 76 degrees, or higher.
2. Replace or clean filters frequently.
3. Keep draperies and blinds closed on sunny side of house.
4. Keep draperies and furniture clear of air outlets and returns.
5. Keep fireplace damper closed.
6. Open outside doors as little as possible.
7. Turn air conditioner off when you leave on vacation, or when you will be out of your house for any extended period.

KITCHEN & LAUNDRY

1. Defrost refrigerator regularly and replace worn door gaskets.
2. Don't overload refrigerator.
3. When cooking on range, use flat-bottomed utensils which fit surface units. Cover utensils when possible.
4. Allow frozen meats to thaw before cooking. Cook meats and vegetables together, or in separate utensils at the same time in oven.
5. Operate dishwasher, clothes washer and dryer only when fully loaded.
6. Conserve hot water by washing clothes in cold water with cold-water detergents.

OTHER

1. Turn off any inside or outside lighting not actually needed.
2. Turn off television, radio, iron, etc. when you leave them.

TEXAS POWER & LIGHT'S HELPING, TOO

When you pass a TP&L office, warehouse, generating plant or other facility, you'll see that we've turned off all non-essential lighting.

Pair Tours Four States and D.C. On Ten-Day Trip

Brother Thomas Moster returned August 2 from a ten day vacation which took him and Brother James Moster to Arkansas, Tennessee, Virginia, Maryland, and Washington, D. C. They made the trip to D.C. by car where Brother James will continue his studies for the priesthood. Brother Thomas returned by plane via Chicago-Dallas.

During their stay in the nation's capitol, they visited the National Shrine of the Immaculate Conception. While in the cathedral they attended a performance of the choral group of the University of Fulda, Germany, who sang a number of German hymns accompanied by the cathedral's pipe organ. They also visited the Washington Cathedral and other churches.

While visiting the Capitol Building, the two young men went to Senator John Tower's office to get a pass to enter the Senate Chamber. They attended an hour's session of the U. S. Senate.

The long lines of people waiting to get into the Water-gate hearing discouraged them from attending. Some people spend all night at the site in order to be first in line for the next day's hearings.

Among the many exhibits viewed at the Smithsonian Institution were the botanical gardens, the Hope Diamond, the Foucault Pendulum which demonstrates the earth's rotation, the Wright Brothers airplane "Kitty Hawk," Charles Lindberg's "Spirit of St. Louis," Project Apollo spacecraft, a rock from the moon's surface, and innumerable exhibits of art, technology, and natural history.

They also visited the National Archives where they viewed the original copy of the Declaration of Independence, the Constitution of the United States, the Bill of Rights, and many other government documents.

Other highlights included a tour of the Washington monument, Lincoln Memorial, Jefferson Memorial, the White House, the Supreme Court, the Library of Congress, Georgetown University, and a trip to Annapolis, Maryland.

They enjoyed a boat ride on the Potomac River to Mount Vernon, Virginia, where they toured the plantation mansion where George Washington lived. They also visited the grave of George Washington which is located on the grounds of Mount Vernon.

At Arlington National Cemetery they saw the gravesites of President John F. Kennedy and Senator Robert Kennedy. They also witnessed the changing of the guard at the tomb of the Unknown Soldier, and visited Arlington House, formerly the Robert E. Lee mansion.

Since he is a drama teacher, Brother Thomas especially enjoyed seeing the musical production of "The Desert Song" in the opera house of the John F. Kennedy Center for the Performing Arts. He also enjoyed seeing "Godspell" at the famous Ford's Theatre. This is the theatre in which Abe Lincoln was shot while attending a performance. The box seat where Lincoln sat is arrayed with the stars and stripes. Seeing the movie "Jesus Christ Superstar" was another enjoyable experience of the trip.

"I've come to pay that bill I've owed you for so long," said Jones. "That letter you wrote me would get money out of a stone. How did you ever think it up?"

Replied his creditor: "I didn't. I selected the best part from letters my son sends me from college."

Swirczynski Trio Travels Through Foreign Countries

Mrs. Bob Swirczynski and daughter Miss Sonja report a wonderful time on a 15-day trip that took them to Rome, Italy, Athens, Greece, Tehran, Iran, and Geneva Switzerland. Traveling with them from Muenster to Tehran was their son and brother Roy Swirczynski who returned to his work in Sedco, Iran, after a vacation here.

Mrs. Swirczynski kept a day to day diary noting many highlights which include the following:

After arriving at Kennedy Air Port in New York after leaving from Love Field the trio "shoved" their way on a 747 for the flight to Rome. In the Eternal City their tours included the Vatican, the Catacombs, Roman Baths and St. Peter's Square; saw the Holy Father at his summer home, heard his message in five languages and received his blessing, toured the Coliseum and enjoyed Italian food and wines.

Athens was next with relaxed swimming in the Mediterranean, an all-day sea cruise with side trips to the Islands of Agina, oldest Greek Island, and Hydra, and touring the Temple of Athena. After the Marina Cruise a dinner of squid in Athens and the next day a flight to Tehran. People there speak Farsi which Roy understands and can speak. Here they had their first American hamburgers away from home. Very hot weather.

Outstanding sight-seeing included the Crown Jewels, Bazaar, Mosque and Palace. They bought Iranian dolls, and parted company with Roy who was due back at his job.

Sonja and her mother missed their flight to Vienna in Istanbul, Turkey, and flew to Geneva instead where it was cool and everything was green. They also had the first rain on their trip. Touring the

countryside they saw Chateau De Coppet and made a trip to Jura Mountain.

From there it was back to New York with no trouble at all from Customs and back to Dallas.

Other notes include seeing very few women in shorts in Rome, hearing about President Nixon's illness from TV in Tehran, finding out two francs equal one dollar in Geneva, and visiting there with a woman from New Jersey.

Report on Earning Over \$2100 Asked By Social Security

Working people under 72 getting social security payments should report any changes in their earlier 1973 earnings estimates as soon as possible, according to Gus Jones, social security district manager in Sherman.

"Earnings don't affect social security payments to people 72 and over," Jones said. "But earnings can affect payments to people under 72. They should report any change in their work or earnings on the postcard sent to all people who work and get social security checks."

If the postcard is lost, a visit or phone call to any social security office can take care of the report, Jones said. The Sherman social security office is at 810 N. Travis. The phone number is 893-4301.

"People who report they'll earn less than they originally estimated may get additional social security payments during the year," Jones said. "But people who earn more than they originally estimated and don't report the change may get social security checks not due them and have to repay money at the end of the year."

Earnings of \$2,100 or less for the year do not affect social security payments. When earnings go over \$2,100, social security payments are reduced \$1 for each \$2 earned.

We all make mistakes. Henry Ford forgot to put a reverse gear in his first automobile.

"Do you have difficulty making up your mind?"
 "Well, yes and no."

Forestburg News

By Myrt Denham
FORESTBURG — Since Homer and Alice Shears' son, Eugene, has gone into the dairy business, Alice has been Homer's main employee. They own and operate the Shears and Son Texaco Station here in Forestburg. No doubt all of us have seen Alice hopping cars, checking tires and oil, pumping gas and washing windshields. Guess Alice has gotten a keen eye for pending trouble in a car, for one day she checked the oil on a car — noticed it had a bad fan-belt and told the owner about it. The car happened to be the mystery car sent out once each year over this area by the Gates Rubber Company. Seems the cars have something wrong which anyone with an alert eye can catch. Well, Alice had

the alert eye and it paid off as she is now the proud owner of a very nice plaque presented her by the Gates Rubber Company. We are wondering if Alice had an "inkling" — and sorta pushed Homer out of the way.

For more than the past four years a handful of Burg area farmers-ranchers have been hit up to contribute a calf for an annual auction. This auction is held to raise money for the North Texas Rehabilitation Center for Crippled Children in Wichita Falls. I think that some laurels are due to other folks involved — not just for the chairman of the Montague County area, Webb Reynolds deserves most of the credit as he made up an additional list for the chairman to contact for contribution. This added ten more calves making a total of about 17 in all. Anyway, Webb gathered up the calves, fed and took care of the critters and then hauled 'em to Bowie to the area collection point. 'Tis mighty easy to sit and make a phone call but that is

only the beginning — the hard work comes later on for other folks.

On Sunday July 29 the Baptist folks had a fellowship dinner at their church following the morning worship service. That evening Ken Middleton, a missionary to the country of Chile, spoke at the Baptist Church. His talk centered on the Chilean government, the terrible high cost of living and on the living conditions there. Mr. Middleton and his wife are back in the states on a furlough and are visiting with Rev. Jim Riddle and his family. Rev. Riddle is pastor of the Forestburg Baptist Church.

Charlie and Gladys Barclay, Dewey, their son Billy and wife Sheri of Saint Jo headed for the Alamo City Friday July 27. They managed to visit with Gladys' mother and sisters, toured Lone Star Brewery, Buckhorn Saloon, and the Alamo. They even made a fast trip to Jourdanton to visit with Gladys' father for a few hours. They got back home Sunday p.m. Those Barclays don't waste any time.

Robert Ensey, Dewey, dropped by Friday morning, August 3, to bring us some vegetables from his garden and to sit a spell. Robert has been feeling poorly lately and said he would enter Bowie Hospital Monday morning, August 6. He will undergo X-rays and a series of tests. He hopes to be back home by Friday.

We have heard that Mag Huckaby has given up her job at the local shoe factory. Seem's Mag's husband, Glenn, was called back to work at General Dynamics. Mag has to run the ranch these days. Bet Ceil Perryman and Gladys Barclay wish ole Harry and Charlie had jobs of some kind they would be called back to.

At this writing Mrs. B. L. Barnett, Dewey, is a patient in Nocona Hospital. Don't know what her problem is — but did hear that Herman and Ora King, New Harp, paid the Barnetts a visit one night this past week. Maybe the shock was too much for Ozell.

Forestburg Church of Christ completed a week's revival services Saturday July 28. Then on Sunday July 29 they had a church dinner at Forestburg Community Center. Usually the dinner is held on the Church grounds — but rain changed that.

Speaking of rain — we were told, by Bess Orrell, earlier that week it usually came a good rain once during nearly

all revivals of the Church of Christ. Well, someone there must have put in a real good request for rain. I'm not sure just how much it rained everywhere but us Denhams had better than 8 inches at our spread from Saturday July 28 to Monday July 30.

Mrs. Elizabeth Bridwell returned home to stay on July 29. She has been gone about three months — one month spent in Bowie Hospital. The other two months she was in Fort Worth with her daughter Mrs. Dorothy Isley. Mrs. Bridwell says she hopes she can manage to stay by herself — says a country gal just doesn't like the city.

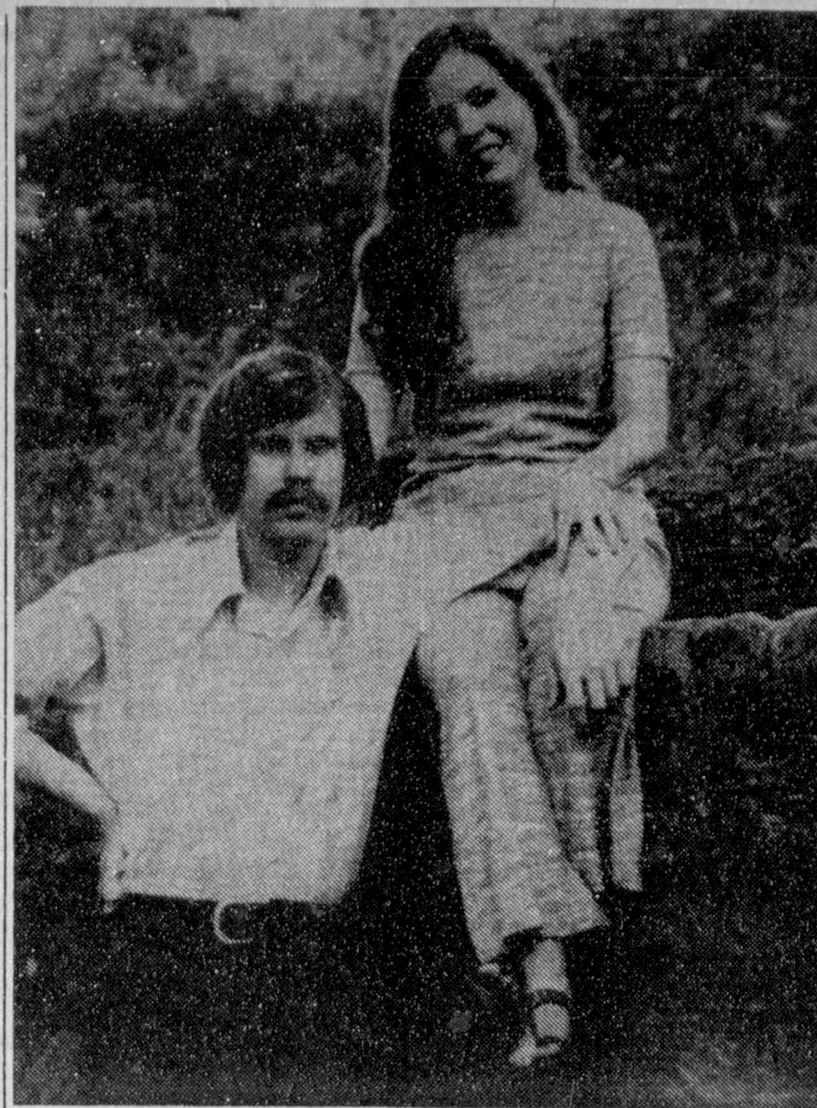

The Jack C. Dills and Vatoni spent the weekend of July 27 thru 29 in Pampa, Texas. They visited Mrs. Dill's sister and family, the Johnny Brogdons. The J. T. McCandless family of Matador, Texas, were also guests of the Brogdons. Mrs. McCandless is also a sister of Mrs. Dill and Mrs. Brogdon. Vatoni Dill returned home with the McCandlesses to spend a week. She came home by bus this past Saturday — her first bus trip. So am sure that was an experience.

Mr. and Mrs. Ted Jackson entertained the Greenwood OES Chapter No. 1060 members and their families with an outdoor supper at their home Friday night August 3. We enjoyed a delicious Bar-B-Q supper with all the trimmings plus two freezers of ice cream. There were 21 people present. Special guests were Miss Mabel Harvey of Greenwood, Mr. and Mrs. Homer Noe of Bowie, and Mrs. Cleo Lanier — of the Burg.

There is a fellow that lives in the fringes of this community by the name of Bill Biffle. He lives with his family out on the Seldom Scene Ranch. Bill has tried about everything — farming, ranching, Bronco busting, dabbled in eggs and also had a dairy with a little shirt-pocket, trading thrown in. Bill finally hit on the water well business. Bill is a pretty good well man but I want to warn you about some things if you ever need him to work on your well. First remove anything fragile from the vicinity of the well as Bill gets pretty carried away working on a well. Also keep your women folks at a respectable distance as Bill and his son, who helps him, abuse each other verbally something awful. Oh yes, Bill says the well business is the only thing he has found he can make money at by going in the hole.

Olin Merritt recently purchased one acre of land along the Montague Highway from Mrs. Vera Mae McGee. We all know Olin is in the Butane and Propane business in Bowie and runs a ranch down New Harp way. We understand Olin plans to use this acre of land to put up some storage tanks. Saw Preacher Cox out there one day tearing around with a bulldozer — so made some inquiries.

Folks, don't forget the Forestburg Homecoming this coming Sunday, August 12. Everyone welcome so bring your dinner and join in on the fun.

Linda Spaeth and B. L. Robinett to Marry in Dallas

Mr. and Mrs. Joe Spaeth of Longview announce the engagement and approaching marriage of their daughter Linda Jean and Barton Lee Robinett, son of Mr. and Mrs. D. J. Robinett of San Antonio. The bride-to-be is a granddaughter of Mr. and Mrs. John Rohmer of Muenster and the late Mr. and Mrs. George Spaeth of Lindsay.

Wedding plans are being made for September 15 at 2 p.m. in Holy Trinity Church in Dallas.

Not Wasted

Some people wonder if the 40,000 lives and millions of dollars spent in Vietnam were wasted. One former U. S. prisoner of war replies emphatically, "No!" Major Edward W. Leonard of Winlock, Washington, who spent almost five years in a North Vietnamese prison camp, believes that, "It was no waste of lives and money to give the Vietnamese a chance for freedom, a choice of forms of government." Then he lays down a basic truth, "If we refuse to help others gain freedom, we are in danger of forfeiting our own freedom."

The major and hundreds of other returned POW's are proud Americans — proud of their country and its accomplishments. We can learn much from these men. If each of us makes a concentrated effort to hold onto that "never-say-die" spirit which pushed the United States to the top from its humble beginning in 1776, our nation will continue to move ahead as a world leader with wisdom and purposefulness, carving a future worthy of our past.

Ridicule is the first and last argument of fools.

Re-introducing

TACOS

Same as 35 years ago

I like to live in a little town,
 Where the trees meet over the street.
 You wave your hand and say
 "Hello" to every man you meet.
 I like to stop for a minute,
 Outside the grocery store,
 And hear the kindly gossip
 Of the folks moving in next door.
 For life is interwoven with
 Friends you learn to know,
 And you feel their joys and sorrow
 As they daily come and go.
 So, I'm glad to live in a little town
 And care no more to roam
 For every house in a little town
 Is more than a house — It's a home.

The number of items in short supply and hard or impossible to get is growing daily. All products made of steel are being sold on the basis of "when I get some I'll fill your order." Tractor parts, baler wire, steel posts, gates and barb wire are all in demand and the shortage is beginning to hurt both the business man who handles the items and the user who needs them.

Now comes the shortage of toilets caused by an increase in demand over previous years and by a strike lasting several months in the plant of the largest manufacturer. Plastic "waterclosets" are available but not approved in the building codes of many cities. Large new apartment houses are not being completed and new houses cannot be finished because of this shortage.

The shortage of dressed beef is running up the price of pork, chicken, turkeys, fish and other food items. Last year, beef consumption reached an all-time high of 115.9 lb. per person. Cattlemen have been doing a great job promoting beef the past few years. Per capita consumption is expected to reach 130 lbs. per person by 1980 which means it will take 30 to 40% more beef than at present.

Don't miss the verse on "Little Town" in the Curtwood Restaurant ad in this paper. Anyone who has lived in a city and returned to a smaller town will appreciate the sentiments expressed.

Gov. Dolph Briscoe is not supposed to be a professional politician but he knows how to get his name in every paper not only in Texas but also in the larger publications throughout the nation. He had two cat houses closed in south central Texas, thus cleaning up the State. As many years as they were in operation chances are the machinery needed replacing anyhow. Wonder if the employees are now drawing unemployment, social security or old age benefits. A story is being told that in one of those houses a seventy-five year old man had a heart attack and died. They sat up with the body four days before the smile left his face.

Don't forget the Jaycee fish fry Saturday p.m. Everybody else is going, how about you?

Letters to the Editor

Dear Editor,
There is a traffic hazard, corner Third and Elm Streets that could be easily eliminated, sucker shoots and low branches obstruct the view of west and north bound traffic, a little tree trimming job could make this a beautiful tree instead of traffic hazard.

Sincerely, Clive Gobble

Confetti - - -

others will be hurt before it is over.

So, there's definitely a question as to whether the Cost of Living Council goofed. Suppose they had just kept hands off and allowed supply and demand to take care of things. Prices at the counter would have gone up, of course but they'd have leveled off when customers started buying less. And incidentally, the average person could very well get along on less, as indicated by the fact that per capita beef consumption in the US rocketed in just a few years.

This experience gives us a companion message for that TV commercial on fooling Mother Nature. Trying to beat the law of supply and demand is another sure way to lose up.

City Officer Asks Mary Lou Kralicke To Star in NTSU's Major Summer Play

Miss Mary Lou Kralicke, daughter of Dr. and Mrs. Martin Kralicke, will be starring in North Texas State University's major summer production of Noel Coward's comedy, "Blithe Spirit."

Directed by Dr. Stanley K. Hamilton, the play will be presented August 16 and 17 at 8 p.m. in the NTSU University Theatre.

A sophomore at NTSU, Miss Kralicke is majoring in drama. She has appeared in numerous NT lab shows and had lead roles in "Hedda Gabler," "Little Murders," "The Birds," and "Madwomen of Chaillot." She also starred and was musical director for University Players' spring Children's Show and in February portrayed Lady Capulet in the major production "Romeo and Juliet."

Parents of the couple are Mr. and Mrs. L. A. (Lucky) Spaeth of Houston formerly of Lindsay and Mrs. Robert Coufal of Ellinger and the late Mr. Coufal.

After church services at 3 p.m. an old-fashioned German wedding celebration started with eats, drinks and dancing and continued to the wee hours. This social event was held in Ellinger in the Chamber of Commerce Hall.

Among relatives attending were Mr. and Mrs. Alois Haverkamp and Mrs. Arthur Felderhoff of Muenster, Mrs. Joe Kneupper and Mr. and Mrs. Henry Spaeth and Patsy of Gainesville, Miss Frances Spaeth of Denison and the group's aunt Rosie, Mrs. Rocus Spaeth of Harlingen. Also Mr. and Mrs. David Forgey of Dallas, and Mr. and Mrs. Walter Haverkamp, Karla, Monte and Monica of Whitesboro.

The Forgeys and her parents, the Alois Haverkamps who spent Friday night and Sunday night with them, included sight-seeing on the way back touring Austin highlights. The Walter Haverkamps continued their vacation by going to Houston.

Other relatives at the wedding included those from Houston, San Antonio and the Rio Grande Valley.

Car Wash Saturday
SHH junior class has announced a car wash Saturday, Aug. 11, from 10 a.m. to 5 p.m. on the school grounds. Prices are listed at \$1.50 for outside and \$2.00 for outside and inside. The project is a class benefit.

Farewell Coffee
Muenster Garden Club members gathered at the home of Mrs. John Mosman Wednesday morning for a farewell coffee honoring Mrs. Ernest Jaska who has been an active club member. She and her family will be moving to Waco soon. The club gave her a parting gift. Twenty members were present.

City Officer Asks Citizens to Report Violations of Law

James L. McDonald Sr., city policeman, this week appealed to any and all citizens of Muenster for help in coping with a current outbreak of malicious mischief, wilful destruction and theft of private property. He stressed the destruction of property, which he said has been on the increase in the past ten to fifteen days.

McDonald said he will greatly appreciate any information leading to the apprehension and arrest of anyone destroying another person's property.

"If you witness any destruction of property or any other crime, please call your police officer at once," he asked. Numbers where he can be reached are the city hall, 759-2236, McDonald's residence, 759-2525, or the police mobile unit, 759-4825. Information desired is type of vehicle involved (include license number if possible), name of person if known, name and address of location when the act is taking place.

McDonald further stated that citizens must become concerned and involved if the city is to have an active, effective police department. All reports of wrongdoing will be deeply appreciated.

He further stated that an informant may remain anonymous in giving assistance. A person may report without identifying himself or herself, or if his identity is known it will remain confidential if requested.

Donna Knabe Is Among Who's Who In High Schools

Donna Knabe, senior at Sacred Heart High, has been notified she is to be featured in the Seventh Annual Edition of Who's Who Among American High School Students, 1972-73, the largest student award publication in the nation.

Students from over 18,000 public, private and parochial schools throughout the country are recognized for their leadership in academics, athletics, activities or community service in the book. Less than two percent of junior and senior class students nationwide are awarded this recognition.

Miss Knabe is the daughter of Mr. and Mrs. Norbert Knabe. She is active in athletics and cheerleading, lettered in basketball and holds offices in CYO and 4-H.

In addition to having her biography published in the book, Donna will also compete for one of ten \$1,000 scholarships funded by the publishers and will be invited to participate in the firm's annual "Survey of High Achievers" later in the academic year.

Attends Three Day Dallas Seminar

Mrs. Chris (Jan) Cain attended the tenth annual seminar of Mary Kay Cosmetics Inc. at Market Hall in Dallas on August 2, 3, and 4. Theme this year was "Everything Is Beautiful."

Over 5000 Mary Kay consultants, directors and area directors attended from all over the nation including Hawaii, and from Guam and Australia.

Mrs. Cain attended several classes on charm and poise, Mr. K Show, Black Show, and made a bus tour to the company's offices and factory. Especially exciting was the Beauty Forum by Beau Wilson, director of cosmetic training in Mary Kay. Formerly he was make-up artist for Hollywood movie and TV stars.

At the Awards Banquet Friday night Mrs. Bill McCollum (LaQueta Cain), of Dallas, Jan's director and sister-in-law, was one of 51 directors to receive her key to a 1974 pink Cadillac for being tops in sales this year.

Saturday Jan met Mary Kay and her staff and took pictures of what she termed a fabulous event.

Group Visits in R. D. Morris Home

MARYSVILLE — Mr. and Mrs. R. D. Morris have entertained their grandchildren for a week and have other visitors. Ronnie, Penny, Patty and Pam Grober of Muskogee, Okla., had their annual vacation on their grandparent's farm and accompanied them to Saint Jo to attend the rodeo.

The children's mother Mrs. Bob Grober arrived Saturday and joined them and her parents at a rodeo performance. Also in the group were Mrs. Dee McElreath and grandson Mark of Gainesville and Mr. and Mrs. Rafe McElreath of Marysville.

One day Mrs. Walter Haverkamp, Karla and Monica of Whitesboro spent the day. Mrs. Grober and children returned home Sunday.

Call for Truck
The Salvation Army truck will be in Muenster next Thursday morning, Aug. 16, to pick up discards at homes and business houses. Appliances, furniture and used clothing are welcome. Persons with items to donate are asked to call 759-4311 the day before the truck makes it rounds.

You should learn from the mistakes of others. You can't live long enough to make all of them yourself.

Two Boy Scouts Canoe 90 Miles Down Red River

Two Muenster Boy Scouts, Tom Bright and Ronnie Weinzapfel, earned merit badges last week by completing an estimated 90 mile canoe ride down Red River in four days. Minimum requirement was to go 50 miles in 5 days but, thanks to a fast current after recent rains they made extra mileage and had time spare.

Starting north of Bulcher at 10 a.m. Tuesday they almost reached the I-35 bridge by nightfall. They phoned home from a service station on I-35 early Wednesday. Next day about noon Henry Weinzapfel and Father A. John Williams flew down the river in a light plane and luckily found a landing spot near enough for a visit near the Rock Creek Camp. Plans were made then to pick up the boys and equipment at the Willis Bridge at Lake Texoma, Saturday. The boys were in sight of the bridge Thursday night, reached it early Friday and spent the rest of their time exploring the area and waiting.

The Scouts were well supplied with Army canned rations, ate some of it in the boat and also cooked on the bank. They had a pup tent and sleeping bags for sleeping ashore at nights. A good current carried them briskly until they reached Lake Texoma backwater. Then it was all paddling.

Mr. J — "My dear, this book is marvelous! Stupendous! When I read a book like this, it makes me think how lowly, how insignificant is man."

Mrs. J — "A woman doesn't have to wade through four hundred pages to discover that."

The reason a great many men don't take the boss home for dinner is because she's already there.

BIRTHS

Mr. and Mrs. Tommy Bayer have announced their third daughter, six pounds 15 ounces, born at Muenster Hospital Thursday, Aug. 2, 6:12 a.m. Welcoming a baby sister are Rhonda and Cheryl. The grandparents are Messrs. and Mmes. Martin Bayer and Anthony Klement.

From Houston has come a birth announcement from Mr. and Mrs. Neil Fisher. They have their second son and have named him Matthew. He was born July 13 and became their little boy on July 26. He's a brother for Ben, a grandson for Mrs. Arthur Geiswold of Mason and Mr. and Mrs. J. W. Fisher.

Kin Visit Weinzapfels
Mr. and Mrs. J. M. Weinzapfel had as houseguests on August 1 their sons Msgr. Thomas Weinzapfel of Dallas and Father Joseph Weinzapfel of Irving. It was the monsignor's birthday and he was the honoree at dinner in his parent's home. Other guests were the David Bright and Henry Weinzapfel families. On August 3 Mr. and Mrs. Gus Hellman and children Kevin and Robertina of Tulsa drove in to spend the day. The baby girl was having her first visit with her great-grandparents, the Weinzapfels. She is their only great-granddaughter. Gus is the son of Mr. and Mrs. P. W. Hellman who were visitors the previous week flying in from Bristow, Okla., accompanied by their daughters Rita and Debra of Tulsa to spend the day.

Miss Anna Hoenig returned to New York City Monday after a flying trip to spend the weekend and attend the wedding of her niece Jeanne Vogel.

When the Heat's on . . . Here's How to SAVE MONEY On Your Air Conditioning

Ed Schneider, Co-op service representative, points out optimum thermostat setting for Mrs. Jack Cagle of Lake Kiowa.

Naturally, you use more electricity during the scorching months of summer . . . but you won't be wasting it needlessly if you'll follow these five tips on how to beat the heat economically.

- 1 Don't try for Siberia in your living room. Set the thermostat about 76-78°. You'll use less electricity and still be comfortable.
- 2 Keep the filters clean so your unit will run at peak efficiency.
- 3 Be sure your attic is well-ventilated to reduce heat build-up that makes your air conditioning work overtime.
- 4 Weather stripping and insulation work in summer, too - keep-out hot air as well as cold.
- 5 Keep windows and fireplace dampers closed and shades or draperies drawn where the sun pours in.
